Statement on Behalf of Wynn Resorts

April 15, 2025

LAS VEGAS (April 15, 2025) – We are all deeply saddened to hear of the passing of Elaine Wynn, and send our condolences to her daughters, grandchildren, and her many close friends. As co-founder and one of the largest shareholders of Wynn Resorts, she helped to create and grow the company to become the most esteemed luxury resort brand in the world. Her many talents and special touches are indelibly imprinted on the company and still evident throughout our resorts.

Elaine cared deeply about the employees of our resorts. The current and former employees who worked alongside her to create Wynn and Encore Las Vegas cherish the many fond memories they have of her, especially of when they opened Wynn Las Vegas with her 20 years ago this month.

She was a tireless advocate for Las Vegas, for children and their education, and for the arts. We're grateful that the enduring sense of philanthropy she instilled in our company continues to this day.
