Theater Experience Evolves With Environmental Redesign and Introduction of VIP Indulgence Package

LAS VEGAS, April 5, 2007 /PRNewswire-FirstCall via COMTEX News Network/ -- With the evocative spectacle, "Le Reve" (The Dream), Wynn Las Vegas has redefined both the traditional theatrical experience as well as the place in which it occurs. Inspired by the casual elegance of the resort it calls home, the "Le Reve" Theater environment has been completely remodeled with a warmer palate, the most luxurious seats on the Las Vegas Strip and a VIP Indulgence Package complete with champagne bottle service and behind-the-scenes video monitors.

The redesign of the "Le Reve" Theater started minutes after the last show on March 5 and took over 200 workers and 30 days to complete. Designed by Mark Fisher and Roger Thomas, the extensive project included repainting the theater, recovering the walls, installing entirely new custom-made seating and flooring and creating the exclusive Champagne Circle area. The theater went from 2087 seats to 1606, providing additional room for guests and a more intimate theatrical experience. The surroundings are now soft and warm with rhythmic decorative flourishes inspired by Art Nouveau floral motifs. Luxe fabrics, plush chairs and a warm blend of cocoa, bronze and deep reds complete the feeling of elegance and style.

For those craving the ultimate in luxury, the new VIP Indulgence Package offers an evening of extravagance with complimentary Perrier-Jouet champagne bottle service; chocolate covered strawberries; generously-scaled lounge seating with plenty of leg room; and video monitors providing up-close imagery and behind-the-scenes glimpses during the show. Package holders will experience the prestige of exclusive opportunities at Wynn Las Vegas with a "Privileged Access" pass for dining and entertainment on the day of the performance. The VIP Indulgence Package is generously priced \$159 per person and is limited to less than 100 seats per show.

"Le Reve" offers breathtaking performances in an intimate aqua theater in-the-round. With seats no more than 12 rows from the stage, the theater provides an intimate setting which allows the audience to escape reality and let their provoked imagination lead the way. The show features aerial acrobatics, provocative choreography and artistic athleticism. Live music and elaborate special effects immerse the audience into a world of fantasy, adventure and intrigue. "Le Reve" was created by DRAGONE, whose signature brand of visually stunning and innovative entertainment is at the core of the production.

Ticket prices are \$99 (Splash Zone), \$119 (Premium Seating) and \$159 (VIP Indulgence Package). The new show schedule is 7:00 p.m. and 9:30 p.m. on Sunday, Monday and Thursday; 8:30 p.m. on Friday; and 8:00 p.m. and 10:30 on Saturday. The show is dark (no performances) on Tuesdays and Wednesdays. For more information please visit www.wynnlasvegas.com or call 702-770-WYNN.
