August 31, 2010

LAS VEGAS, Aug 31, 2010 /PRNewswire via COMTEX/ --

Wynn Las Vegas continues to set the bar for luxury and excellence in Las Vegas and unveils the first completely renovated resort rooms at Wynn. Designed by Roger Thomas, Executive Vice President of Design for Wynn Design and Development, the rooms feature rich new finishes—including wallpaper, carpets, chairs, couches and lamps—while maintaining the functionality, spaciousness, configuration and casually elegant residential quality that has become the hallmark of Wynn resorts. The renovation project at Wynn Las Vegas encompasses all guest rooms and suites and is slated to continue through early 2011.

"Wynn has been open for just over five years, and we felt it was time to do more than just refresh the rooms, but to really give them a completely different feel," said Wynn Las Vegas and Encore President Andrew Pascal. "The new rooms are fresh and crisp and light; they are incredibly uplifting."

Thomas, who has designed guest rooms for Steve Wynn for 30 years, adds, "While we have always designed our guest accommodations to be residential, this line is so luxurious and so beautiful, I could take it home with me! This is the way I live."

The new Resort Deluxe room offers a modern update to our classic resort room. Featuring a crisp, neutral and creamy decor, the Resort Deluxe is draped in natural light from floor-to-ceiling windows and accented by an array of contemporary furnishings and fabrics. Additional, advanced technologies including remotely controlled lighting, drapery and room service messaging are the pinnacle of guest convenience and privacy. Choose between one king bed or two double beds in this 640 square-foot retreat with a view of our golf course or the Las Vegas Strip.

Views of the Las Vegas Strip and the 18-hole golf course are the centerpieces of the upgraded Panoramic View Deluxe room—an enhanced hideaway featuring wall-to-wall, floor-to-ceiling windows. Evocative of a residence yet as indulgent as a retreat, this newly renovated room is enriched with a bright, buttery palette and bespoke furnishings. Fully automated and more intuitive than ever, the Panoramic View Deluxe is offered as a king or a double room.

There is no need to choose your view when your room is situated on a corner, where the bright lights of The Strip meet the natural beauty of our 18-hole golf course. The freshly redecorated Panoramic Corner View Deluxe rooms also reside at the intersection of timeless design and classic comfort. Light-infused, uplifting decor is complimented by a refurbished repertoire of casually elegant furniture and fabrics and an updated array of advanced technologies that allow lighting, draperies and room service messaging to be controlled with the touch of a finger, from the bedside.
