Ladies and Gentlemen:

Wynn Resorts, Limited, a Nevada corporation (the "Company"), proposes to sell to the several underwriters (the "Underwriters") named in *Schedule I* hereto for whom you are acting as representatives (the "Representatives") an aggregate of 21,461,154 shares (the "Firm Shares") of the Company's Common Stock, par value \$0.01 per share (the "Common Stock"). The respective amounts of the Firm Shares to be so purchased by the several Underwriters are set forth opposite their names in *Schedule I* hereto. The Company also proposes to sell at the Underwriters' option an aggregate of up to 3,219,173 additional shares of the Company's Common Stock (the "Option Shares") as set forth below.

As the Representatives, you have advised the Company (a) that you are authorized to enter into this Agreement on behalf of the several Underwriters, and (b) that the several Underwriters are willing, acting severally and not jointly, to purchase the numbers of Firm Shares set forth opposite their respective names in *Schedule I*, plus their pro rata portion of the Option Shares if you elect to exercise the over-allotment option in whole or in part for the accounts of the several Underwriters. The Firm Shares and the Option Shares (to the extent the Underwriters' option is exercised) are herein collectively called the "Shares."

Deutsche Bank Securities Inc. ("Deutsche Bank") has agreed to reserve up to 500,000 of the Shares to be purchased by it under this Agreement for sale to the Company's vendors, employees, family members of employees, customers and other parties related to the Company (collectively, "Participants"), as set forth in the Prospectus (as defined below) under the heading "Underwriting" (the "Directed Share Program"). The Shares to be sold by Deutsche Bank and its affiliates pursuant to the Directed Share Program are referred to hereinafter as the "Directed Shares." Any Directed Shares not orally confirmed for purchase by any Participants by the end of the business day on which this Agreement is executed will be offered to the public by the Underwriters as set forth in the Prospectus.

The term "Executed Transaction Documents" shall mean the documents set forth on *Schedule II* hereto. The term "Closing Transaction Documents" shall mean the documents set forth on *Schedule III* hereto, each of which shall be executed and dated as of the Closing Date (as defined in Section 2(b) herein).

1

In consideration of the mutual agreements contained herein and of the interests of the parties in the transactions contemplated hereby, the parties hereto agree as follows:

1. *Representations and Warranties of the Company.*

The Company represents and warrants to each of the Underwriters as follows:

(a) A registration statement on Form S-1 (File No. 333-90600) with respect to the Shares has been prepared by the Company in conformity in all material respects with the requirements of the Securities Act of 1933, as amended (the "Act"), and the rules and regulations (the "Rules and Regulations") of the Securities and Exchange Commission (the "Commission") thereunder and has been filed with the Commission. Copies of such registration statement, including any amendments thereto, the preliminary prospectuses contained therein and the exhibits, financial statements and schedules, as finally amended and revised, have heretofore been delivered by the Company to you. Such registration statement, as amended when it was declared effective by the Commission under the Act and the Rules and Regulations, including the financial statements and schedules thereto and any information omitted therefrom in reliance upon Rule 430A and contained in the Prospectus referred to below and together with any registration statement filed by the Company that is effective upon filing with the Commission pursuant to Rule 462(b) of the Act, is referred to herein as the "Registration Statement." The Registration Statement has become effective under the Act and no post-effective amendment to the Registration Statement has been filed as of the date of this Agreement. "Prospectus" means the form of prospectus first filed with the Commission pursuant to Rule 424(b). Each preliminary prospectus included in the Registration Statement prior to the time it becomes effective is herein referred to as a "Preliminary Prospectus."

(b) The Company has been duly organized and is validly existing as a corporation in good standing under the laws of the state of Nevada, with corporate power and authority to own or lease and operate its properties and conduct its business as described in the Registration Statement and to enter into and to perform

its obligations under this Agreement. Each of the subsidiaries of the Company as listed in Exhibit 21.1 to the Registration Statement (collectively, the "Subsidiaries") has been duly organized and is validly existing as a corporation or limited liability company in good standing under the laws of the jurisdiction of its organization, with corporate or limited liability company power and authority to own or lease and operate its properties and conduct its business as described in the Registration Statement. The Company does not own or control, directly or indirectly, any corporation, association or other entity other than the Subsidiaries listed on Exhibit 21.1 to the Registration Statement. The Company and each of the Subsidiaries are duly qualified to transact business in all jurisdictions in which the conduct of their business requires such qualification, except for such jurisdictions where the failure to so qualify would not, individually or in the aggregate, reasonably be expected to result in any material adverse change in the business, properties, assets, operations, condition (financial or otherwise) or prospects of the Company and its Subsidiaries taken as a whole, whether or not occurring in the ordinary course of business (any such change, a "Material Adverse Change"). The outstanding membership interests and shares of capital stock of each of the Subsidiaries have been duly authorized and validly issued, the shares of capital stock of such Subsidiaries are fully paid and non-assessable and, except as set forth on *Schedule 1(b)*, all such interests and shares are owned by the Company or another Subsidiary free and clear of all liens, encumbrances and equities and claims, except for any lien, encumbrance, equity or claim granted or agreed to be granted pursuant to an Executed Transaction Document or a Closing Transaction Document; and, except as accurately described in all material respects in the Registration Statement or the Prospectus or as set forth on *Schedule 1(b)*, there are no authorized or outstanding options, warrants, preemptive rights, rights of first refusal or other similar rights to subscribe for or purchase, or equity or debt securities convertible into or exchangeable or exercisable for, any capital stock of the Company or any of its Subsidiaries.

2

(c) As of the date hereof, the authorized capital stock of the Company consists only of 400,000,000 shares of Common Stock and 40,000,000 shares of Preferred Stock, par value \$0.01 per share. As of the date hereof, there are 40,000,000 shares of Common Stock and no shares of Preferred Stock outstanding. The outstanding shares of Common Stock of the Company have been duly authorized and validly issued and are fully paid and non-assessable and have been issued in compliance with federal and state securities laws. None of the outstanding shares of Common Stock were issued in violation of any preemptive rights, rights of first refusal or other similar rights to subscribe for or purchase securities of the Company. The description of the Company's stock option, stock incentive and other stock plans or arrangements, and the options or other rights granted thereunder, set forth in the Registration Statement or the Prospectus fairly presents and accurately presents, in all material respects, the information required to be shown with respect to such plans, arrangements, options and rights. The Shares to be issued and sold by the Company have been duly authorized and when issued and paid for as contemplated herein will be validly issued, fully paid and non-assessable; and, except as set forth in the Registration Statement or the Prospectus, no preemptive rights, rights of first refusal or other similar rights of stockholders or others exist with respect to any of the Shares or the issue and sale thereof by the Company. Neither the filing of the Registration Statement nor the offering or sale of the Shares as contemplated by this Agreement gives rise to any rights for or relating to the registration of any shares of Common Stock.

(d) The table relating to the capitalization of the Company under the heading "Capitalization" in the Prospectus, including the footnotes thereto, (i) with respect to the actual capitalization of Valvino as of June 30, 2002 presents fairly the information contained therein and (ii) with respect to the expected capitalization of the Company as of June 30, 2002 on a pro forma basis giving effect to the sale of the Firm Shares and the expected concurrent sale of second mortgage notes by Wynn Las Vegas, LLC ("Wynn Las Vegas") and Wynn Las Vegas Capital Corp. ("Capital Corp.") and with respect to the expected capitalization of the Company as of June 30, 2002 on a pro forma, as adjusted basis giving effect to the sale of the Firm Shares, the expected concurrent sale of second mortgage notes by Wynn Las Vegas and Capital Corp. and borrowings expected to be necessary to construct the Le Rêve Casino Resort, was prepared in good faith by the Company, and represents the best estimates and assumptions of the Company with respect to the information contained therein. All of the Shares conform to the description thereof contained in the Prospectus. The form of certificate for the Shares conforms to the corporate law of the state of Nevada.

(e) The Commission has not issued an order preventing or suspending the use of any Prospectus relating to the proposed offering of the Shares nor, to the knowledge of the Company or its Subsidiaries, instituted proceedings for that purpose. The Registration Statement, at the time that it became effective and at all subsequent times up to and including the time of closing on the Closing Date (the "Closing Time"), complied, and the Prospectus and any amendments or supplements thereto, as of their respective dates and at all subsequent times up to and including the Closing Time, will comply, in all material respects with the requirements of the Act and the Rules and Regulations. At the time it became effective and at all subsequent times up to and including the Closing Time, the Registration Statement did not contain, and will not contain, any untrue statement of a material fact and did not omit, and will not omit, to state any material fact required to be stated therein or necessary to make the statements therein not misleading. As of its date and at all subsequent times up to and including the Closing Time, the Prospectus, as amended or supplemented by any amendments and supplements thereto (including any Prospectus wrapper for use with offers in Canada) does not contain, and will not contain, any untrue statement of material fact and does not omit, and will not omit, to state any material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; *provided, however*, that the Company makes no representations or warranties as to information contained in or omitted from the Registration Statement or the Prospectus, or any such amendment or supplement, in reliance upon, and in conformity with, written information furnished to the Company by or on behalf

3

of any Underwriter through the Representatives, specifically for use in the preparation thereof. There are no contracts or other documents required to be described in the Prospectus or to be filed as exhibits to the Registration Statement which have not been described or filed as required.

(f) The consolidated financial statements of Valvino Lamore, LLC ("Valvino") and its subsidiaries (together, "Valvino Lamore"), together with related notes and schedules as set forth in the Registration Statement and included in the Prospectus, present fairly the consolidated financial position and the results of operations and cash flows of Valvino Lamore, at the indicated dates and for the indicated periods. Such financial statements and related schedules have been prepared in accordance with generally accepted principles of accounting as applied in the United States, consistently applied throughout the periods involved, except as disclosed therein, and all adjustments necessary for a fair presentation of results for such periods have been made. The financial and statistical data included in the Registration Statement and the Prospectus, including such data set forth under the captions "Capitalization" and "Selected Consolidated Financial Data," presents fairly the information shown therein and such data has been compiled on a basis consistent with the financial statements presented therein and the books and records of Valvino Lamore. The Company and its Subsidiaries have taken all reasonable steps necessary to secure their interests in, and protect the secrecy, confidentiality and value of, such Intellectual Property, including without limitation entering into written confidentiality agreements with their employees and contractors. There are no outstanding options, licenses or agreements of any kind relating to the Intellectual Property of the Company or its Subsidiaries that are required to be described in the Prospectus and are not described therein in all material respects. Neither the Company nor any of its Subsidiaries is a party to or bound by any options, licenses or agreements with respect to the Intellectual Property of any other person or entity that are required to be set forth in the Prospectus and are not described therein in all material respects.

8

(t) Neither the Company nor any of its Subsidiaries, nor to the Company's knowledge, any of its or their affiliates, has taken or may take, directly or indirectly, any action designed to cause or result in, or which has constituted or which could reasonably be expected to constitute, the stabilization or manipulation of the price of the shares of Common Stock to facilitate the sale or resale of the Shares. The Company acknowledges that the Underwriters may engage in passive market making transactions in the Shares on the Nasdaq National Market in accordance with Regulation M under the Securities Exchange Act of 1934, as amended (the "Exchange Act").

(u) Neither the Company nor any of its Subsidiaries, nor to the Company's knowledge, any of its or their affiliates, has distributed or will distribute, prior to the later of any Option Closing Date and the completion of the Underwriters' distribution of the Shares, any offering material in connection with the offering and sale of the Shares other than a Preliminary Prospectus, the Prospectus or the Registration Statement.

(v) Neither the Company nor any of its Subsidiaries is (i) or (after giving effect to the offering and sale of the Shares contemplated hereunder and the application of the net proceeds from such sale as described in the Prospectus) will be an "investment company" within the meaning of such term under the Investment Company Act of 1940, as amended (the "1940 Act"), and the rules and regulations of the Commission thereunder or (ii) a "holding company," a "subsidiary company" of a "holding company," or an "affiliate" of a "holding company" or of a "subsidiary company" of a "holding company," as such terms are defined in the Public Utilities Holding Company Act of 1935, as amended (the "Public Utilities Act"), or is a "public utility," as such term is defined in the Federal Power Act, as amended (the "Federal Power Act").

The Company has no reason to believe that such insurance coverage cannot be renewed as and when such coverage expires or that similar coverage could not be obtained from similar insurers at a cost that would not reasonably be expected to cause a Material Adverse Change (other than as a result of general market conditions).

9

(y) Except for matters which would not reasonably be expected to result in a Material Adverse Change, the Company and each of its Subsidiaries is in compliance with all presently applicable provisions of the Employee Retirement Income Security Act of 1974, as amended, including the regulations and published interpretations thereunder ("ERISA"). Except for matters which would not reasonably be expected to result in a Material Adverse Change, each "pension plan" for which the Company or any Subsidiary would have any liability that is intended to be qualified under Section 401(a) of the Code is so qualified and nothing has occurred, whether by action or by failure to act, which would cause the loss of such qualification.

In addition, the other amounts set forth under the caption "Use of Proceeds" in the Prospectus are based upon reasonable assumptions as to all matters material to the estimates set forth therein and are not expected by the Company to exceed the amounts set forth for such items.

(bb) To the Company's knowledge and except as set forth on *Schedule 1(bb)* hereto, there are no affiliations or associations between any member of the NASD and any of the Company's officers, directors or securityholders. There are no business relationships or related-party transactions involving the Company or any of its Subsidiaries or any other person required to be described in the Prospectus which have not been described as required.

(cc) Neither the Company nor any of its Subsidiaries nor, to the best of the Company's knowledge, any director, officer, agent, employee or other person associated with or acting on behalf of the Company or any of its Subsidiaries or any beneficial owner of 10 percent or more of the capital stock of the Company has, with respect to the Company or any of its Subsidiaries, (i) used any corporate funds for any unlawful contribution, gift, entertainment or other unlawful expense relating to political activity, (ii) made any unlawful payment to any foreign or domestic government official or employee from corporate funds, (iii) violated or is in violation of any provision of the Foreign Corrupt Practices

10

(ff) The Company has not offered, or caused Deutsche Bank or its affiliates to offer, Shares to any person pursuant to the Directed Share Program with the specific intent to unlawfully influence (i) a customer or supplier of the Company to alter the customer's or supplier's level or type of business with the Company, or (ii) a trade journalist or publication to write or publish favorable information about the Company or its business.

Any certificate signed by an officer of the Company and delivered to the Representatives, Deutsche Bank or to counsel for the Underwriters shall be deemed to be a representation and warranty by the Company to each Underwriter as to the matters set forth therein.

The Company acknowledges that the Underwriters and, for purposes of the opinions to be delivered pursuant to Section 6 hereof, counsel to the Company and counsel to the Underwriters, will rely upon the accuracy and truthfulness of the foregoing representations and hereby consents to such reliance.

2. *Purchase, Sale and Delivery of the Firm Shares.*

(a) On the basis of the representations, warranties and covenants herein contained, and subject to the conditions herein set forth, the Company agrees to sell to the Underwriters and each Underwriter agrees, severally and not jointly, to purchase, at a price of \$12.09 per share, the number of Firm Shares set forth opposite the name of each Underwriter in *Schedule I* hereof, subject to adjustments in accordance with Section 8 hereof.

(b) Payment for the Firm Shares to be sold hereunder is to be made by wire transfer of immediately available funds against delivery of certificates therefor to the Representatives for the several accounts of the Underwriters. Such payment and delivery are to be made through the facilities of The Depository Trust Company, New York, New York at 10:00 a.m., New York time, on the third business day after the date of this Agreement or at such other time and date not later than five business days thereafter as you and the Company shall agree upon, such time and date being herein referred to as the "Closing Date." (As used herein, "business day" means a day on which the New York Stock Exchange is open for trading and on which banks in New York, New York are open for business and are not permitted by law or executive order to be closed.) Time shall be of the essence, and delivery at the time and place specified in this Agreement is a further condition to the obligations of the Underwriters.

(c) In addition, on the basis of the representations and warranties herein contained and subject to the terms and conditions herein set forth, the Company hereby grants an option to the several Underwriters to purchase the Option Shares at the price per share as set forth in the first paragraph of this Section 2. The option granted hereby may be exercised in whole or in part by giving written notice (i) at any time before the Closing Date and (ii) only once thereafter within 30 days after the date of this Agreement, by you, as Representatives of the several Underwriters, to the Company setting forth

the number of Option Shares as to which the several Underwriters are exercising the option and the time and date at which such certificates are to be delivered. The time and date at which certificates for Option Shares are to be delivered shall be determined by the Representatives but shall not be earlier than three nor later than 10 full business days after the exercise of such option, nor in any event prior to the Closing Date (such time and date being herein referred to as the "Option Closing Date"). If the date of exercise of the option is three or more days before the Closing Date, the notice of exercise shall set the Closing Date as the Option Closing Date. The number of Option Shares to be purchased by each Underwriter shall be in the same proportion to the total number of Option Shares being purchased as the number of Firm Shares being purchased by such Underwriter bears to the total number of Firm Shares, adjusted by you in such manner as to avoid fractional shares. The option with respect to the Option Shares granted hereunder may be exercised only to cover over-allotments in the sale of the Firm Shares by the Underwriters. You, as Representatives of the several Underwriters, may cancel such option at any time prior to its expiration by giving joint written notice of such cancellation to the Company. To the extent, if any, that the option is exercised, payment for the Option Shares shall be made on the Option Closing Date by wire transfer of immediately available funds through the facilities of The Depository Trust Company in New York, New York drawn to the order of the Company.

3. *Offering by the Underwriters.*

It is understood that the several Underwriters are to make a public offering of the Firm Shares as soon after this Agreement has been executed as the Representatives, in their sole judgment, deem it advisable to do so. The Firm Shares are to be initially offered to the public at the initial public offering price set forth in the Prospectus. The Representatives may from time to time thereafter change the public offering price and other selling terms; provided, however, that nothing in this Section 3 shall affect the Underwriters' obligations pursuant to Section 2 hereof. To the extent, if at all, that any Option Shares are purchased pursuant to Section 2 hereof, the Underwriters will offer them to the public on the foregoing terms.

It is further understood that you will act as the Representatives for the Underwriters in the offering and sale of the Shares in accordance with a Master Agreement Among Underwriters entered into by you and the several other Underwriters.

4. *Covenants of the Company.*

The Company covenants and agrees with the several Underwriters that:

(b) The Company shall advise the Representatives promptly (i) when the Registration Statement or any post-effective amendment thereto shall have become effective, (ii) of receipt of any comments from the Commission, (iii) of any request of the Commission for amendment of the Registration Statement or for supplement to the Prospectus or for any additional information, and (iv) of the issuance by the Commission of any stop order suspending the effectiveness of the Registration Statement or any post-effective amendment thereto or of any order preventing or suspending the use of any preliminary prospectus or the Prospectus, or of any proceedings to remove, suspend or terminate

from listing or quotation the Common Stock from any securities exchange upon which it is listed for trading or included or designated for quotation, or of the threatening or initiation of any proceedings for any of such purposes. The Company shall make every reasonable effort to prevent the issuance of any such stop order preventing or suspending the use of the Prospectus and to obtain as soon as possible the lifting thereof, if issued.

(c) The Company shall cooperate with the Representatives and counsel for the Underwriters to qualify the Shares for sale under (or obtain exemptions from the application of the qualification requirements of) the securities laws of such jurisdictions as the Representatives may reasonably have designated and shall make such applications, file such documents, and furnish such information as may be reasonably required for that purpose, provided the Company shall not be required to qualify as a foreign corporation or to file a general consent to service of process in any jurisdiction where it is not now so qualified or required to file such a consent. The Company shall, from time to time, prepare and file such statements, reports, and other documents, as are or may be required to continue such qualifications in effect for so long a period as the Representatives may reasonably request for distribution of the Shares. The Company shall advise the Representatives promptly of the suspension of the qualification or registration of (or any such exemption relating to) the Shares for offering, sale or trading in any jurisdiction or any initiation of threat of any proceeding for any such purpose, and in the event of the issuance of any order suspending such qualification, registration or exemption, the Company shall use its best efforts to obtain the withdrawal thereof at the earliest possible moment.

(d) The Company shall deliver to, or upon the order of, the Representatives, from time to time, as many copies of any Preliminary Prospectus as the Representatives may reasonably request. The Company shall deliver to, or upon the order of, the Representatives during the period when delivery of a Prospectus is required under the Act, as many copies of the Prospectus in final form, or as thereafter amended or supplemented, as the Representatives may reasonably request. The Company shall deliver to the Representatives at or before the Closing Date, three signed copies of the Registration Statement and all amendments thereto including all exhibits filed therewith, and shall deliver to the Representatives such number of copies of the Registration Statement (including such number of copies of the exhibits filed therewith that may reasonably be requested) and of all amendments thereto, as the Representatives may reasonably request.

(e) The Company shall comply with the Act and the Rules and Regulations, and the Exchange Act, and the rules and regulations of the Commission thereunder, so as to permit the completion of the distribution of the Shares as contemplated in this Agreement and the Prospectus. If during the period in which a prospectus is required by law to be delivered by an Underwriter or dealer, any event shall occur as a result of which, in the judgment of the Company or in the reasonable opinion of the Underwriters, it becomes necessary to amend or supplement the Prospectus in order to make the statements therein, in the light of the circumstances existing at the time the Prospectus is delivered to a purchaser, not misleading, or, if it is necessary at any time to amend or supplement the Prospectus to comply with any law, the Company promptly shall prepare and file with the Commission an appropriate amendment to the Registration Statement

or supplement to the Prospectus so that the Prospectus as so amended or supplemented shall not, in the light of the circumstances when it is so delivered, be misleading, or so that the Prospectus shall comply with the law.

(f) The Company shall make generally available to its security holders and to the Representatives, as soon as it is practicable to do so, but in any event not later than 15 months after the effective date of the Registration Statement, an earnings statement (which need not be audited) in reasonable detail, covering a period of at least 12 consecutive months beginning after the effective date of the Registration Statement, which earnings statement shall satisfy the requirements of Section 11(a) of the Act and Rule 158 of the Rules and Regulations and shall advise you in writing when such statement has been so made available.

13

(g) Prior to the Closing Date, the Company shall furnish to the Underwriters, as soon as they have been prepared by or are available to the Company, a copy of any unaudited interim financial statements of the Company or any of its Subsidiaries for any period subsequent to the period covered by the most recent financial statements appearing in the Registration Statement and the Prospectus.

(h) During the period commencing on the date hereof and ending on the 180th day following the date of this Agreement, the Company shall not, without the prior written consent of the Representatives (which consent may be withheld at the sole discretion of the Representatives), directly or indirectly, sell, offer, contract or grant any option to sell, pledge, transfer or establish an open "put equivalent position" within the meaning of Rule 16a-1(h) under the Exchange Act, or otherwise dispose of or transfer, or announce the offering of, or file any registration statement under the Securities Act in respect of, any shares of Common Stock, options or warrants to acquire shares of the Common Stock or securities exchangeable or exercisable for or convertible into shares of Common Stock (other than as contemplated by this Agreement with respect to the Shares); *provided, however*, that the Company may issue shares of its Common Stock or options to purchase its Common Stock, or Common Stock upon exercise of options, pursuant to any stock option, stock incentive or other stock plan or arrangement described in the Registration Statement or the Prospectus and may file a registration statement in respect thereof, but only if the holders of such shares, options, or shares issued upon exercise of such options, agree in writing not to sell, offer, dispose of or otherwise transfer any such shares or options during such 180 day period without the prior written consent of the Representatives (which consent may be withheld at the sole discretion of the Representatives).

(i) The Company shall use its best efforts to include the Shares on the Nasdaq National Market.

(j) The Company has caused each of its officers, directors and stockholders (excluding Baron Asset Fund) and Aruze Corp. to furnish to you, on or prior to the date of this Agreement, a letter or letters, in substantially the form of *Exhibit A* hereto ("Lockup Agreements").

(k) The Company shall apply the net proceeds of its sale of the Shares as set forth in the Prospectus under the caption "Use of Proceeds" and shall file such reports with the Commission with respect to the sale of the Shares and the application of the proceeds therefrom as may be required in accordance with Rule 463 under the Act.

(l) The Company shall not invest, or otherwise use the proceeds received by the Company from its sale of the Shares in such a manner as would require the Company or any of the Subsidiaries to register as an investment company under the 1940 Act.

(m) The Company shall maintain a transfer agent and a registrar for the Common Stock.

(n) The Company shall not take, directly or indirectly, any action designed to cause or result in, or that has constituted or could reasonably be expected to constitute, the stabilization or manipulation of the price of any securities of the Company.

(o) The Company shall comply with all applicable securities laws and, except where the failure to comply would not reasonably be expected to result in a Material Adverse Change, all other applicable laws, rules and regulations, in each case, in connection with the Directed Share Program in each jurisdiction in which the Directed Shares are offered.

5. *Costs and Expenses.*

The Company shall pay all costs, expenses and fees incident to the performance of the obligations of the Company under this Agreement, including, without limiting the generality of the foregoing, the following: accounting fees of the Company; the fees and disbursements of counsel for the Company; the cost of printing and delivering to, or as requested by, the Underwriters copies of the Registration Statement, Preliminary Prospectuses, the Prospectus, the Underwriters' Selling Memorandum, the Underwriters' Invitation Letter, the Listing Application, the Blue Sky Survey and any supplements or

14

amendments thereto; the filing fees of the Commission; the filing fees and expenses (including reasonable legal fees and disbursements) incident to securing any required review by the NASD of the terms of the sale of the Shares; the fees and expenses associated with including the shares on the Nasdaq National Market; and expenses, including the reasonable fees and disbursements of counsel for the Underwriters, to the extent incurred in connection with the qualification of the Shares under state securities or Blue Sky laws or the provincial securities laws of Canada. The Company agrees to pay all costs and expenses of the Underwriters incident to the offer and sale of Directed Shares by the Underwriters to employees and persons having business and other relationships with the Company and its Subsidiaries. The Company shall not, however, be required to pay for any of the Underwriters other expenses including (a) the fees and expenses of their counsel (other than those related to qualification under NASD regulation, state securities or Blue Sky laws and the Directed Share Program), (b) other professional fees (excluding the fees and expenses of Inspection & Valuation International, Inc.), (c) the customary costs and expenses of the roadshow and any other meetings with prospective investors, (d) the costs and expenses of travel of the Representatives and the other Underwriters (e) the costs and expenses of any other consultants and experts specifically retained by the Representatives (other than Inspection & Valuation International, Inc.) and (f) all arrangements relating to the preparation, issuance and delivery of any certificates evidencing the Shares, including the fees of any transfer agent or similar entity, except in all cases that, if the sale of the Shares pursuant to Section 2 hereof shall not be consummated because the conditions in Section 6 hereof are not satisfied, because this Agreement is terminated by the Representatives pursuant to Section 10 hereof, or by reason of any failure, refusal or inability on the part of the Company to perform any undertaking or satisfy any condition of this Agreement or to comply with any of the terms hereof on its part to be performed, unless such failure, refusal or inability is due primarily to any default or omission of any Underwriter, the Company shall reimburse the several Underwriters for reasonable out-of-pocket

expenses, including fees and disbursements of counsel, reasonably incurred in connection with investigating, marketing and proposing to market the Shares or in contemplation of performing their obligations hereunder; provided, however, that the Company shall not in any event be liable to any of the several Underwriters for damages on account of loss of anticipated profits from the sale by them of the Shares.

6. *Conditions of Obligations of the Underwriters.*

No stop order suspending the effectiveness of the Registration Statement shall have been issued and no proceedings for that purpose shall have been taken or, to the knowledge of the Company, shall be contemplated or threatened by the Commission and no injunction, restraining order or order of any nature by a federal, state or foreign court of competent jurisdiction shall have been issued as of the Closing Date which would prevent the issuance of the Shares. (m) You shall have received, on each of the date hereof, the Closing Date and, if applicable, any Option Closing Date, a letter dated the date hereof, the Closing Date or the Option Closing Date, as the case may be, in form and substance satisfactory to you, of Deloitte & Touche LLP confirming that they are independent public accountants within the meaning of the Act and the applicable published Rules and Regulations thereunder and stating that in their opinion the financial statements and schedules examined by them and included in the Registration Statement and the Prospectus comply in form in all material respects with the applicable accounting requirements of the Act and the related published Rules and Regulations; and containing such other statements and information as is ordinarily included in accountants' "comfort letters" to Underwriters, delivered pursuant to Statement of Accounting Standards No. 72 (or any successor bulletin), with respect to the financial statements and certain financial and statistical information contained in the Registration Statement and Prospectus.

(n) The Representatives shall have received on the Closing Date and, if applicable, an Option Closing Date, as the case may be, a certificate or certificates of the Chief Executive Officer or President and the Chief Financial Officer of the Company to the effect that, as of the Closing Date or the Option Closing Date, as the case may be, each of them severally represents as follows:

(ii) the representations and warranties of the Company contained in Section 1 hereof are true and correct as of the Closing Date or the Option Closing Date, as the case may be;

(iii) he or she has carefully examined the Registration Statement and the Prospectus and, in his or her opinion, as of the effective date of the Registration Statement, the information contained in the Registration Statement, including the financial statements and other financial information included therein, was true, complete and correct in all material respects, and such Registration Statement and Prospectus did not omit to state a material fact required to be stated therein or necessary in order to make the statements therein not misleading;

(iv) the Company has complied with all the agreements hereunder and satisfied all the conditions on its part to be performed or satisfied hereunder at or prior to such Closing Date; and

(v) since the respective dates as of which information is given in the Registration Statement and Prospectus and prior to the Closing Date and, with respect to the Option Shares, the applicable Option Closing Date, there has not occurred any Material Adverse Change or any development that would reasonably be expected to result in a Material Adverse Change.

17

(o) The Company shall have furnished to the Representatives such further certificates and documents confirming the representations and warranties, covenants and conditions contained herein and related matters as the Representatives may reasonably have requested.

(p) For the period from and after the date of this Agreement and prior to the Closing Date and, with respect to the Option Shares, any Option Closing Date, in the judgment of the Representatives there shall not have occurred any Material Adverse Change.

(s) All fees and expenses which the Company or any of its Subsidiaries has agreed to pay pursuant to the Amended and Restated Engagement Letter dated as of June 14, 2002 between Valvino, Wynn Resorts Holdings, LLC, Wynn Las Vegas and the Representatives and which, pursuant to such engagement letter, are required to be paid at or prior to Closing, shall have been paid.

(t) The purchase of (i) the shares of Common Stock from the Company in accordance with the terms of the Affiliate Purchase Agreements (as defined in *Schedule II* hereof), dated as of the date hereof, by the purchasers named therein, shall be consummated concurrently with the Closing hereunder and (ii) the second mortgage notes of Wynn Las Vegas and Capital Corp. directly from the Wynn Las Vegas and Capital Corp. in accordance with the terms of the Affiliate Note Purchase Agreements (as defined in *Schedule II* hereof), dated as of the date hereof, by the purchasers named therein.

(u) All of the Executed Transaction Documents and Closing Transaction Documents shall have been executed and shall be in full force and effect and the Representatives shall have received fully executed copies thereof, and neither the Company nor any of its Subsidiaries shall be in default in the performance, observance or fulfillment of any of the obligations, covenants or conditions contained in any of the Executed Transaction Documents and the Closing Transaction Documents, and no condition shall exist that, with the giving of notice or the lapse of time, or both, would constitute such a default, except in each case where the consequences of such default or defaults, if any, would not reasonably be expected to result in a Material Adverse Change.

(v) On the date hereof, the Debt Underwriting Agreement (as defined in *Schedule II* hereof) shall have been executed by the parties thereto and, on the Closing Date, Wynn Las Vegas and Capital Corp. shall have consummated the issuance and sale of an aggregate principal amount of \$370 million of their Second Mortgage Notes due 2010 and shall have received the proceeds therefrom of approximately \$333 million after deducting underwriting discounts and commissions.

(w) The Company shall not have knowledge that any party shall have failed at or prior to the Closing Date to perform or comply with any of the agreements contained in any of the Executed Transaction Documents or Closing Transaction Documents and required to be performed or complied with by such party at or prior to the Closing Date and, if applicable, any Option Closing Date unless such failure would not reasonably be expected to result in a Material Adverse Change.

(x) The Representatives shall have received on the Closing Date and, if applicable, an Option Closing Date, as the case may be, an executed certificate dated the Closing Date or Option Closing Date, as applicable, from Stephen A. Wynn addressed to the Underwriters and stating that it can be relied on by Latham & Watkins, counsel to Underwriters, and counsel and any special counsel to the Company, which certificate provides that the execution and delivery by Mr. Wynn of the Wynn Put Agreement and the Buy-Sell Agreement, and the performance by him of his obligations thereunder, do

not (i) breach any agreement or instrument with a value in excess of \$10.0 million to which he is a party, (ii) breach any other agreement or instrument to which he is a party if that breach would subject him to a penalty or a payment requirement in excess of \$10.0 million, or (3) result in a default under any loan agreement or guarantee or other debt for borrowed money in excess of \$10.0 million to which he is a party.

The opinions and certificates mentioned in this Agreement shall be deemed to be in compliance with the provisions hereof only if they are in all material respects satisfactory to the Representatives and to Latham & Watkins, counsel for the Underwriters.

If any of the conditions hereinabove provided for in this Section 6 shall not have been fulfilled when and as required by this Agreement to be fulfilled, the obligations of the Underwriters hereunder may be terminated by the Representatives by notifying the Company of such termination in writing at or prior to the Closing Date or Option Closing Date, as the case may be.

In such event, the Company and the Underwriters shall not be under any obligation to each other (except to the extent provided in Sections 5 and 8 hereof).

7. *Indemnification.*

(a) The Company agrees:

(i) to indemnify and hold harmless each Underwriter and its affiliates, and each person, if any, who controls any Underwriter within the meaning of either Section 15 of the Act or Section 20 of the Exchange Act, against any losses, claims, damages or liabilities to which such Underwriter, affiliate or any such controlling person may become subject under the Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions or proceedings in respect thereof) arise out of or are based upon (A) any untrue statement or alleged untrue statement of any material fact contained in the Registration Statement or any amendment or supplement thereto or the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, (B) any untrue statement or alleged untrue statement of any material fact contained in any Preliminary Prospectus or the Prospectus or any amendment or supplement thereto (including any Prospectus wrapper for use with offers in Canada) or the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances in which they were made, not misleading or (C) any act or failure to act, or any alleged act or failure to act by any Underwriter in connection with, or relating in any manner to, the Shares or the offering contemplated hereby, and which is included as part of or referred to in any loss, claim, damage, liability or action arising out of or based upon matters covered by clause (A) or (B) above (provided, that the Company shall not be liable under this clause (C) to the extent that it is determined in a final judgment by a court of competent jurisdiction that such loss, claim, damage, liability or action resulted directly from any such acts or failures to act undertaken or omitted to be taken by such Underwriter through its gross negligence or willful misconduct); *provided, however*, that the Company will not be liable in any such case to the extent that any such loss, claim, damage or liability arises out of or is based upon an untrue statement or alleged untrue statement, or omission or alleged omission made in the Registration Statement, any Preliminary Prospectus, the Prospectus, or such amendment or supplement, in reliance upon and in conformity with written information furnished to the Company by or through the Representatives specifically for use in the preparation thereof; and *provided, further*, that the Company will not be liable to any Underwriter with respect to any such untrue statement or alleged untrue statement or omission or alleged omission made in any Preliminary Prospectus to the extent that (1) such loss, claim, damage, or liability results from an untrue statement of a material fact or an omission of a material fact contained in the Preliminary Prospectus, which untrue statement or omission was corrected in the final Prospectus, (2) the Company had previously furnished sufficient quantities of

the final Prospectus to such Underwriter within a reasonable amount of time prior to such sale, and (3) such Underwriter failed to deliver the final Prospectus, if required by law to have so delivered it, and such delivery would have been a complete defense against the person asserting such loss, claim, liability, expense or damage; and

(ii) to reimburse each Underwriter and each such affiliate or controlling person upon demand for any legal or other out-of-pocket expenses reasonably incurred by such Underwriter, affiliate or such controlling person in connection with investigating or defending any such loss, claim, damage or liability, action or proceeding or in responding to a subpoena or governmental inquiry related to the offering of the Shares, whether or not such Underwriter, affiliate or controlling person is a party to any action or proceeding. In the event that it is finally judicially determined that the Underwriters were not entitled to receive payments for legal and other expenses pursuant to this subparagraph, the Underwriters will promptly return all sums that had been advanced pursuant hereto. The indemnity obligations under this Section 7(a) will be in addition to any liability which such Company may otherwise have.

(b) Each Underwriter severally and not jointly agrees to indemnify and hold harmless the Company, each of its directors, each of its officers who have signed the Registration Statement, and each person, if any, who controls the Company within the meaning of the Act, against any losses, claims, damages or liabilities to which the Company or any such director, officer or controlling person may become subject under the Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions or proceedings in respect thereof) arise out of or are based upon (i) any untrue statement or alleged untrue statement of any material fact contained in the Registration Statement or any amendment or supplement thereto or the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, or (ii) any untrue statement or alleged untrue statement of any material fact contained in any Preliminary Prospectus or the Prospectus or any amendment or supplement thereto or the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances in which they were made, not misleading, and will reimburse any legal or other expenses reasonably incurred by the Company or any such director, officer or controlling person in connection with investigating, defending against or appearing as a third party witness in connection with any such loss, claim, damage, liability, action or proceeding or in responding to a subpoena or governmental inquiry related to the offering of the Shares, whether or not the Company or such director, officer or controlling person is a party to any action or proceeding; *provided, however*, that each Underwriter will be liable in each case to the extent, but only to the extent, that such untrue statement or alleged untrue statement or omission or alleged omission has been made in the Registration Statement, any Preliminary Prospectus, the Prospectus or such amendment or supplement, in reliance upon and in conformity with written information furnished to the Company by or through the Representatives specifically for use in the preparation thereof. This indemnity agreement will be in addition to any liability which such Underwriter may otherwise have.

(c) In case any proceeding (including any governmental investigation) shall be instituted involving any person in respect of which indemnity may be sought pursuant to this Section 7, such person (the "indemnified party") shall promptly notify the person against whom such indemnity may be sought (the "indemnifying party") in writing. No indemnification provided for in Section 7(a), (b) or (d) shall be available to any party who shall fail to give notice as provided in this Section 7(c) if the party to whom notice was not given was unaware of the proceeding to which such notice would have related and was materially prejudiced by the failure to give such notice, and the failure to give such notice shall not relieve the indemnifying party or parties from any liability which it or they may have to the indemnified party for contribution or otherwise than on account of the provisions of Section 7(a), (b) or (d). In case any such proceeding shall be brought against any indemnified party and it shall notify the indemnifying party of the commencement thereof, the indemnifying party shall be entitled to participate therein and,

20

to the extent that it shall wish, jointly with any other indemnifying party similarly notified, to assume the defense thereof, with counsel reasonably satisfactory to such indemnified party and shall pay as incurred the reasonable fees and disbursements of such counsel related to such proceeding. In any such proceeding, any indemnified party shall have the right to retain its own counsel at its own expense. Notwithstanding the foregoing, the indemnifying party shall pay as incurred (or within 30 days of presentation) the reasonable fees and expenses of the counsel retained by the indemnified party in the event (i) the indemnifying party and the indemnified party shall have mutually agreed to the retention of such counsel, (ii) the named parties to any such proceeding (including any impleaded parties) include both the indemnifying party and the indemnified party, and the indemnified party shall have reasonably concluded that a conflict may arise between the positions of the indemnifying party and the indemnified party in conducting the defense of any such proceeding or that there may be legal defenses available to it and/or other indemnified parties which are different from or additional to those available to the indemnifying party or (iii) the indemnifying party shall have failed to assume the defense and employ counsel reasonably acceptable to the indemnified party within a reasonable period of time after notice of commencement of the action. It is understood that the indemnifying party shall not, in connection with any proceeding or related proceedings in the same jurisdiction, be liable for the reasonable fees and expenses of more than one separate firm for all such indemnified parties. Such firm shall be designated in writing by you in the case of parties indemnified pursuant to Section 7(a) or (d) and by the Company in the case of parties indemnified pursuant to Section 7(b). The indemnifying party shall not be liable for any settlement of any proceeding effected without its written consent but if settled with such consent or if there be a final judgment for the plaintiff, the indemnifying party agrees to indemnify the indemnified party from and against any loss or liability by reason of such settlement or judgment. In addition, the indemnifying party will not, without the prior written consent of the indemnified party, settle or compromise or consent to the entry of any judgment in any pending or threatened claim, action or proceeding of which indemnification may be sought hereunder (whether or not any indemnified party is an actual or potential party to such claim, action or proceeding) unless such settlement, compromise or consent includes an unconditional release of each indemnified party from all liability arising out of such claim, action or proceeding.

(d) The Company and each of its Subsidiaries, whether direct or indirect, jointly and severally, agree to indemnify and hold harmless Deutsche Bank and each person, if any, who controls Deutsche Bank within the meaning of either Section 15 of the Act or Section 20 of the Exchange Act, from and against any and all losses, claims, damages and liabilities (including, without limitation, any legal or other expenses reasonably incurred in connection with defending or investigating any such action or claim) (i) caused by any untrue statement or alleged untrue statement of a material fact contained in any material prepared by or with the consent of the Company for distribution to Participants in connection with the Directed Share Program, or caused by any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading; (ii) caused by the failure of any Participant to pay for and accept delivery of Directed Shares that the Participant has agreed to purchase; or (iii) related to, arising out of, or in connection with the Directed Share Program other than losses, claims, damages or liabilities (or expenses relating thereto) that are finally judicially determined to have resulted from the gross negligence or willful misconduct of Deutsche Bank; *provided, however*, that in the case of clause (i) above, the Company will not be liable in any such case to the extent that any such loss, claim, damage or liability arises out of or is based upon an untrue statement or alleged untrue statement, or omission or alleged omission made therein in reliance upon and in conformity with written information furnished to the Company by or through the Representatives specifically for inclusion therein. The indemnity agreement set forth in this paragraph shall be in addition to any liabilities that the Company and each of its Subsidiaries may otherwise have.

(e) To the extent the indemnification provided for in this Section 7 is unavailable to or insufficient to hold harmless an indemnified party under Section 7(a), (b) or (d) above in respect of any losses,

21

claims, damages or liabilities (or actions or proceedings in respect thereof) referred to therein, then each indemnifying party shall contribute to the amount paid or payable by such indemnified party as a result of such losses, claims, damages or liabilities (or actions or proceedings in respect thereof) in such proportion as is appropriate to reflect the relative benefits received by the Company on the one hand and the Underwriters on the other from the offering of the Shares. If, however, the allocation provided by the immediately preceding sentence is not permitted by applicable law then each indemnifying party shall contribute to such amount paid or payable by such indemnified party in such proportion as is appropriate to reflect not only such relative benefits but also the relative fault of the Company on the one hand and the Underwriters on the other in connection with the statements or omissions which resulted in such losses, claims, damages or liabilities (or actions or proceedings in respect thereof), as well as any other relevant equitable considerations. The relative benefits received by the Company on the one hand and the Underwriters on the other shall be deemed to be in the same proportion as the total net proceeds from the offering (before deducting expenses) received by the Company bear to the total underwriting discounts and commissions received by the Underwriters, in each case as set forth in the table on the cover page of the Prospectus. The relative fault shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company on the one hand or the Underwriters on the other and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission.

The Company and the Underwriters agree that it would not be just and equitable if contributions pursuant to this Section 7(e) were determined by pro rata allocation (even if the Underwriters were treated as one entity for such purpose) or by any other method of allocation which does not take account of the equitable considerations referred to above in this Section 7(e). The amount paid or payable by an indemnified party as a result of the losses, claims, damages or liabilities (or actions or proceedings in respect thereof) referred to above in this Section 7(e) shall be deemed to include any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any such action or claim. Notwithstanding the provisions of this subsection (e), (i) no Underwriter shall be required to contribute any amount in excess of the underwriting discounts and commissions applicable to the Shares purchased by such Underwriter and (ii) no person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The Underwriters' obligations in this Section 7(e) to contribute are several in proportion to their respective underwriting obligations and not joint.

(f) Any losses, claims, damages, liabilities or expenses for which an indemnified party is entitled to indemnification or contribution under this Section 7 shall be paid by the indemnifying party to the indemnified party as such losses, claims, damages, liabilities or expenses are incurred. The indemnity and contribution agreements contained in this Section 7 and the representations and warranties of the Company set forth in this Agreement shall remain operative and in full force and effect, regardless of (i) any investigation made by or on behalf of any Underwriter or any person controlling any Underwriter, the Company, its directors or officers or any persons controlling the Company, (ii) acceptance of any Shares and payment therefore hereunder and (iii) any termination of this Agreement. A successor to any Underwriter, or any person controlling any Underwriter, or to the Company, its directors or officers, or any person controlling the Company, shall be entitled to the benefits of the indemnity, contribution and reimbursement agreements contained in this Section 7.

8. *Default by Underwriters.*

If on the Closing Date or any Option Closing Date, as the case may be, any Underwriter shall fail to purchase and pay for the portion of the Shares which such Underwriter has agreed to purchase and pay for on such date (otherwise than by reason of any default on the part of the Company), you, as Representatives of the Underwriters, shall use your reasonable efforts to procure within 36 hours

22

thereafter one or more of the other Underwriters, or any others, to purchase from the Company such amounts as may be agreed upon and upon the terms set forth herein, the Shares which the defaulting Underwriter or Underwriters failed to purchase. If during such 36 hours you, as such Representatives, shall not have procured such other Underwriters, or any others, to purchase the Shares agreed to be purchased by the defaulting Underwriter or Underwriters, then (a) if the aggregate number of shares with respect to which such default shall occur does not exceed 10% of the Shares to be purchased on the Closing Date or any Option Closing date, as the case may be, the other Underwriters shall be obligated, severally, in proportion to the respective numbers of Shares which they are obligated to purchase hereunder, to purchase the Shares which such defaulting Underwriter or Underwriters failed to purchase, or (b) if the aggregate number of shares of Shares with respect to which such default shall occur exceeds 10% of the Shares to be purchased on the Closing Date or any Option Closing Date, as the case may be, the Company or you as the Representatives of the Underwriters shall have the right, by written notice given within the next 36-hour period to the parties to this Agreement, to terminate this Agreement without liability on the part of the non-defaulting Underwriters or of the Company except to the extent provided in Sections 5 and 8 hereof (provided that if such default occurs solely with respect to Option Shares after the Closing Date, this Agreement will not terminate as to the Firm Shares or any Option Shares purchased prior to such termination). In the event of a default by any Underwriter or Underwriters, as set forth in this Section 8, the Closing Date or Option Closing Date, as the case may be, may be postponed for such period, not exceeding seven days, as you, as Representatives, may determine in order that the required changes in the Registration Statement or in the Prospectus or in any other documents or arrangements may be effected. As used in this Agreement, the term "Underwriter" includes any person substituted for a defaulting Underwriter. Any action taken under this Section 8 shall not relieve any defaulting Underwriter from liability in respect of any default of such Underwriter under this Agreement.

9. *Notices.*

All communications hereunder shall be in writing and, except as otherwise provided herein, shall be mailed, delivered, telecopied or telegraphed and confirmed as follows: if to the Underwriters, to Deutsche Bank Securities Inc., 31 West 52nd Street New York, New York 10019; Attention: Syndicate Manager and General Counsel; if to the Company, to Wynn Resorts, Limited, 3145 Las Vegas Boulevard South, Las Vegas, Nevada 89109; Attention: General Counsel.

10. *Termination.* This Agreement may be terminated by you:

(a) by notice to the Company at any time prior to the Closing Date or any Option Closing Date (if different from the Closing Date and then only as to Option Shares) if any of the following has occurred: (i) since the respective dates as of which information is given in the Registration Statement and the Prospectus, in the judgment of the Representatives, any Material Adverse Change or any development that would reasonably be expected to result in a Material Adverse Change, (ii) any attack on, or any outbreak or escalation of hostilities or acts of terrorism involving, the United States or declaration of war or national emergency or other national or international calamity or crisis or change in economic or political conditions if the effect of such attack, outbreak, escalation, acts, declaration, emergency, calamity, crisis or change on the financial markets of the United States would, in the Representatives' judgment, make it impracticable or inadvisable to market the Shares in the manner and on the terms described in the Prospectus or to enforce contracts for the sale of the Shares, (iii) the suspension or material limitation of trading in securities generally or other instruments on the New York Stock Exchange, the American Stock Exchange or the Nasdaq National Market or other exchange or limitation on prices for securities or other instruments on the New York Stock Exchange, the American Stock Exchange or the Nasdaq National Market, (iv) the enactment, publication, decree or other promulgation of any statute, regulation, rule or order of any court or other governmental authority which in your opinion materially and adversely affects or may materially and adversely affect the business or operations of the Company, (v) the declaration of a banking moratorium by United

23

States or New York or Nevada state authorities, (vi) any downgrading, or placement on any watch list for possible downgrading, in the rating of any of the Company's debt securities by any "nationally recognized statistical rating organization" (as defined for purposes of Rule 436(g) under the Exchange Act), (vii) the suspension of trading of any securities of the Company by any exchange, the Nasdaq National Market, the Commission, or any other governmental authority (viii) the enactment, publication, decree or other promulgation of any statute, regulation, rule or order of any court or other governmental authority which in your opinion materially and adversely affects, or will materially and adversely affect, the business, prospects, financial condition or results of operations of the Company and its Subsidiaries, taken as a whole or (ix) the Company shall have sustained a loss by strike, fire, flood, earthquake, accident or other calamity of such character as in the judgment of the Representatives may interfere materially with the conduct of the business and operations of the Company regardless of whether or not such loss shall have been insured; or

(b) as provided in Sections 6 and 8 of this Agreement.

11. *Successors.*

This Agreement has been and is made solely for the benefit of the Underwriters and the Company and their respective successors, executors, administrators, heirs and assigns, and the officers, directors, employees and controlling persons referred to herein, and no other person will have any right or obligation

hereunder. No purchaser of any of the Shares from any Underwriter shall be deemed a successor or assign merely because of such purchase.

12. *Information Provided by Underwriters.*

The Company and the Underwriters acknowledge and agree that the only information furnished or to be furnished by any Underwriter to the Company for inclusion in any Prospectus or the Registration Statement consists of the information set forth in the fourth, eleventh through sixteenth and eighteenth paragraphs under the caption "Underwriting" in the Prospectus.

13. *Partial Enforceability.*

The invalidity or unenforceability of any Section, paragraph or provision of this Agreement shall not affect the validity or enforceability of any other Section, paragraph or provision hereof. If any Section, paragraph or provision of this Agreement is for any reason determined to be invalid or unenforceable, there shall be deemed to be made such minor changes (and only such minor changes) as are necessary to make it valid and enforceable and to effect the original intent of the parties hereto.

14. *Choice of Law; Consent to Jurisdiction.*

THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK. To the fullest extent permitted by applicable law, you hereby irrevocably submit to the nonexclusive jurisdiction of the courts of the State of New York located in the Borough of Manhattan and the United States District Court for the Southern District of New York in respect of any suit, action or proceeding arising out of or relating to the provisions of this Agreement and irrevocably agree that all claims in respect of any such suit, action or proceeding may be heard and determined in any such court. The parties hereto hereby waive, to the fullest extent permitted by applicable law, any objection that they may now or hereafter have to the laying of venue of any such suit, action or proceeding brought in any such court, and any claim that any such suit, action or proceeding brought in any such court has been brought in an inconvenient forum.

15. *Miscellaneous.*

The reimbursement, indemnification and contribution agreements contained in this Agreement and the representations, warranties and covenants in this Agreement shall remain in full force and effect regardless of (a) any termination of this Agreement, (b) any investigation made by or on behalf of any

24

Underwriter or controlling person thereof, or by or on behalf of the Company or its directors or officers and (c) delivery of and payment for the Shares under this Agreement.

This Agreement may be executed in two or more counterparts (including by facsimile), each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

If the foregoing letter is in accordance with your understanding of our agreement, please sign and return to us the enclosed duplicates hereof, whereupon it will become a binding agreement among the Company and the several Underwriters in accordance with its terms.

NASD AFFILIATIONS

1. From July 1999 to October 2001, Ronald Kramer served as a managing director at Dresdner Kleinwort Wasserstein, Inc. and its predecessor ("Dresdner"). In November 2001, shortly after Mr. Kramer's departure from Dresdner, Dresdner and Mr. Kramer entered into an arrangement providing that if a certain investment banking client with whom Mr. Kramer had developed a relationship while at Dresdner (the "Unrelated Client") consummated a financing, Mr. Kramer would receive a percentage of any net fees the Unrelated Client paid to Dresdner. In exchange, Mr. Kramer agreed to provide certain financial consulting and advisory services to the Unrelated Client. Dresdner also agreed to reimburse Mr. Kramer for any out-of-pocket expenses incurred in the provision of such services. Approximately six months after leaving Dresdner, Mr. Kramer became Director and President of the Company. Neither the Company nor the offering of the Shares has any relation to or connection with the Unrelated Client or the arrangement between Dresdner and Mr. Kramer. On September 23, 2002, the Unrelated Client, with Dresdner acting as initial purchaser, priced a \$153 million private placement of 14.5% senior notes due 2009. The private placement closed on October 8, 2002. Mr. Kramer will receive no more than \$375,000 pursuant to the consulting arrangement, to be paid by January 8, 2003 (approximately 90 days after closing).

2. Baron Asset Fund, which owned a 4.992% interest in the Company as of June 30, 2002, is an affiliate of Baron Capital, Inc., an NASD Member.

As representatives of the several underwriters,

Ladies and Gentlemen:

The undersigned understands that Deutsche Bank Securities Inc., Bear, Stearns & Co. Inc. and Banc of America Securities LLC, as representatives (the "Representatives") of the several underwriters (the "Underwriters"), propose to enter into an Underwriting Agreement with Wynn Resorts, Limited (the

"Company"), providing for the public offering (the "Public Offering") by the Underwriters, including the Representatives, of common stock (the "Common Stock") of the Company.

To induce the Underwriters that may participate in the Public Offering to continue their efforts in connection with the Public Offering, the undersigned agrees that, without the prior written consent of the Representatives, the undersigned will not, directly or indirectly offer, pledge, sell, contract to sell (including making any short sale or covering any short position), sell any option or contract to purchase, purchase any option or contract to sell, grant any option, right or warrant to purchase, lend or otherwise transfer or dispose of any shares of Common Stock (including, without limitation, shares of Common Stock of the Company that may be deemed to be beneficially owned by the undersigned on the date hereof in accordance with the rules and regulations of the Securities and Exchange Commission, shares of Common Stock that may be issued upon exercise of a stock option or warrant and any other security convertible into or exercisable or exchangeable for Common Stock) or enter into any Hedging Transaction (as defined below) relating to the Common Stock (each of the foregoing referred to as a "Disposition") for a period from the date hereof until and including the date that is 180 days after the date of the final prospectus relating to the Public Offering (the "Lock-Up Period"). The foregoing restriction is expressly intended to preclude the undersigned from engaging in any Hedging Transaction or other transaction that is designed to or reasonably expected to lead to or result in a Disposition during the Lock-Up Period even if the securities would be disposed of by someone other than the undersigned, but is not intended to impose any obligations on the undersigned with respect to any actions by [in Mr. Wynn's agreement: Aruze USA, Inc.] [in Aruze USA, Inc.'s agreement: Stephen A. Wynn], who may share beneficial ownership of the securities in question. "Hedging Transaction" means any swap or other arrangement (including, without limitation, any put or call option) that transfers to another, in whole or in part, any economic consequences of ownership of the Common Stock.

Notwithstanding the foregoing, the undersigned may transfer (a) (i) up to \$200,000 of Common Stock that the undersigned acquires in the Public Offering, the value of which shall be calculated at the close of trading on the Nasdaq National Market on each date the undersigned sells such Common Stock; or (ii) shares of Common Stock acquired in open market transactions by the undersigned after the completion of the Public Offering and (b) any or all of the shares of Common Stock or other

Exhibit A-1

Company securities if the transfer is (i) by gift, will or intestacy; (ii) to a member or members of his or her immediate family or to a trust the beneficiaries of which are exclusively the undersigned and/or a member or members of his or her immediate family (for purposes of this paragraph, "immediate family" shall mean a spouse, lineal descendant, father, mother, brother or sister, niece, nephew, mother-in-law, father-in-law, sister-in-law or brother-in-law of the transferor, in each case whether by birth or adoption and including stepchildren); (iii) the purchase by Stephen A. Wynn of Common Stock owned by Aruze USA, Inc. or any transferee thereof, pursuant to the Buy-Sell Agreement, dated as of June 13, 2002, among Stephen A. Wynn, Kazuo Okada, Aruze USA, Inc. and Aruze Corp. and the Agreement, dated as of June 13, 2002 between Stephen A. Wynn and Wynn Resorts, Limited; or (iv) by distribution to partners, members or shareholders of the undersigned; provided, however, that in the case of a transfer pursuant to clause (b) above, it shall be a condition to the transfer that the transferee execute an agreement stating that the transferee is receiving and holding the securities subject to the provisions of this letter agreement.

The undersigned agrees that the Company may, and that the undersigned will, (i) with respect to any shares of Common Stock or other Company securities for which the undersigned is the record holder, cause the transfer agent for the Company to note stop transfer instructions on the transfer books and records of the Company against the transfer of such securities except in compliance with the foregoing restrictions and (ii) with respect to any shares of Common Stock or other Company securities for which the undersigned is the beneficial holder but not the record holder, cause the record holder of such securities to cause the transfer agent for the Company to note stop transfer instructions on the transfer books and records of the Company against the transfer of such securities except in compliance with the foregoing restrictions.

In addition, the undersigned hereby waives any and all notice requirements and rights with respect to registration of securities pursuant to any agreement, understanding or otherwise setting forth the terms of any security of the Company held by the undersigned, including any registration rights agreement to which the undersigned and the Company may be party, provided that such waiver shall apply only to the proposed offering, and any other action taken by the Company in connection with the proposed offering.

The undersigned hereby agrees that, to the extent that the terms of this letter agreement conflict with or are in any way inconsistent with any registration rights agreement to which the undersigned and the Company may be a party, this letter agreement supersedes such registration rights agreement.

The undersigned hereby represents and warrants that the undersigned has full power and authority to enter into this letter agreement. All authority herein conferred or agreed to be conferred shall survive the death or incapacity of the undersigned and any obligations of the undersigned shall be binding upon the heirs, personal representatives, successors and assigns of the undersigned.

Notwithstanding anything herein to the contrary, it is understood that if the Public Offering has not occurred prior to December 31, 2002, or immediately upon written notification from the Company to Deutsche Bank Securities, Inc. that the Company is terminating the Public Offering, this agreement shall automatically terminate and the restrictions contained herein shall be of no further force or effect.

Ladies and Gentlemen:

Wynn Las Vegas, LLC, a Nevada limited liability company (the "Company"), and Wynn Las Vegas Capital Corp., a Nevada corporation ("Capital Corp.," and together with the Company, the "Issuers"), propose to issue and sell to the several underwriters (the "Underwriters") named in *Schedule I* hereto for whom you are acting as representatives (the "Representatives") an aggregate of \$364,612,000 principal amount of their Second Mortgage Notes due 2010 (the "Notes") having the terms identified on *Schedule II* hereto. The Notes will be guaranteed (the "Guarantees") by each of the entities listed on *Schedule III* hereto (each, a "Guarantor" and collectively, the "Guarantors" and, together with the Issuers, the "Wynn Parties"). The Notes are to be issued pursuant to the terms of an indenture to be dated as of October 30, 2002 (the "Indenture") among the Issuers, the Guarantors and Wells Fargo Bank, National Association, as trustee (the "Trustee").

As the Representatives, you have advised the Issuers (a) that you are authorized to enter into this Agreement on behalf of the several Underwriters, and (b) that the several Underwriters are willing, acting severally and not jointly, to purchase the aggregate principal amount of Notes set forth opposite their respective names in *Schedule I*.

The term "Executed Transaction Documents" shall mean the documents set forth on *Schedule IV* hereto. The term "Closing Transaction Documents" shall mean the documents set forth on *Schedule V* hereto, each of which shall be executed and dated as of the Closing Date (as defined below). Capitalized terms used but not defined herein shall have the meanings given to such terms in the Preliminary Prospectus (as defined herein) included in Amendment No. 9 to the Registration Statement under the section entitled "Description of the Second Mortgage Notes—Certain Definitions."

1

In consideration of the mutual agreements contained herein and of the interests of the parties in the transactions contemplated hereby, the parties hereto agree as follows:

1. *Representations and Warranties of the Wynn Parties.*

Each of the Wynn Parties jointly and severally represents and warrants to each of the Underwriters as follows:

(a) A registration statement on Form S-1 (File No. 333-98369) with respect to the Notes has been prepared by the Issuers in conformity in all material respects with the requirements of the Securities Act of 1933, as amended (the "Act"), and the rules and regulations (the "Rules and Regulations") of the Securities and Exchange Commission (the "Commission") thereunder, and the Trust Indenture Act of 1939, as amended, and the Rules and Regulations of the Commission thereunder (the "Trust Indenture Act"), and has been filed with the Commission. Copies of such registration statement, including any amendments thereto, the preliminary prospectuses contained therein and the exhibits, financial statements and schedules, as finally amended and revised, have heretofore been delivered by the Issuers to you. Such registration statement, as amended when it was declared effective by the Commission under the Act and the Rules and Regulations, including the financial statements and schedules thereto and any information omitted therefrom in reliance upon Rule 430A and contained in the Prospectus referred to below and together with any registration statement filed by the Issuers that is effective upon filing with the Commission pursuant to Rule 462(b) of the Act, is referred to herein as the "Registration Statement." The Registration Statement has become effective under the Act and no post-effective amendment to the Registration Statement has been filed as of the date of this Agreement. "Prospectus" means the form of prospectus first filed with the Commission pursuant to Rule 424(b). Each preliminary prospectus included in the Registration Statement prior to the time it becomes effective is herein referred to as a "Preliminary Prospectus."

(b) Each of the Wynn Parties has been duly organized and is validly existing as a corporation or limited liability company in good standing under the laws of the state of its organization, with corporate or limited liability company power and authority to own or lease and operate its properties and conduct its business as described in the Registration Statement and to enter into and to perform its obligations under this Agreement. Each of the subsidiaries of any of the Wynn Parties listed on Exhibits 21.1 through 21.9 to the Registration Statement that is not also a Wynn Party (collectively, the "Subsidiaries") has been duly organized and is

validly existing as a corporation or limited liability company in good standing under the laws of the jurisdiction of its organization, with corporate or limited liability company power and authority to own or lease and operate its properties and conduct its business as described in the Registration Statement. None of the Wynn Parties owns or controls, directly or indirectly, any corporation, association or other entity other than the subsidiaries listed on Exhibits 21.1 through 21.9 to the Registration Statement. Each of the Wynn Parties and each of the Subsidiaries is duly qualified to transact business in all jurisdictions in which the conduct of its business requires such qualification, except for such jurisdictions where the failure to so qualify would not, individually or in the aggregate, reasonably be expected to (i) result in any material adverse change in the business, properties, assets, operations, condition (financial or otherwise) or prospects of, (A) the Wynn Entities taken as a whole or (B) the Issuers, Wynn Travel, LLC and Las Vegas Jet, LLC, taken as a whole, or (ii) result in or adversely affect the validity, enforceability or priority of the Liens purported to be created by the Collateral Documents, in each case whether or not occurring in the ordinary course of business (any such change, a "Material Adverse Change"). The outstanding membership interests and shares of capital stock of each of the subsidiaries listed on Exhibits 21.1 through 21.9 to the Registration Statement have been duly authorized and validly issued, the shares of capital stock of such subsidiaries are fully paid and non-assessable and, except as set forth on *Schedule 1(b)*, all such interests and shares are owned by such Wynn Party free and clear of all liens, encumbrances and equities and claims, except for any lien, encumbrance, equity or claim granted or

2

agreed to be granted pursuant to an Executed Transaction Document or a Closing Transaction Document; and, except as accurately described in all material respects in the Registration Statement or the Prospectus or as set forth on *Schedule 1(b)*, there are no authorized or outstanding options, warrants, preemptive rights, rights of first refusal or other similar rights to subscribe for or purchase, or equity or debt securities convertible into or exchangeable or exercisable for, any capital stock of any of the Wynn Parties or any of the Subsidiaries.

(c) All issued and outstanding shares of capital stock of each of the Wynn Parties have been duly authorized and validly issued and are fully paid and non-assessable and have been issued in compliance with federal and state securities laws. None of the outstanding shares of capital stock of the Wynn Parties was issued in violation of any preemptive rights, rights of first refusal or other similar rights to subscribe for or purchase securities of any such Wynn Party. There are no authorized or outstanding options, warrants, preemptive rights, rights of first refusal or other similar rights to subscribe for or purchase, or equity or debt securities convertible into or exchangeable or exercisable for, any capital stock of the Wynn Parties, or Desert Inn Improvement Co. ("DIIC" and, together with the Wynn Parties and the Completion Guarantor, the "Wynn Group Members") other than those accurately described in all material respects in the Registration Statement or the Prospectus. The description of Wynn Resorts, Limited's stock option, stock incentive and other stock plans or arrangements, and the options or other rights granted thereunder, set forth in the Registration Statement or the Prospectus fairly presents and accurately presents, in all material respects, the information required to be shown with respect to such plans, arrangements, options and rights.

(d) The table relating to the capitalization of the Wynn Entities under the heading "Capitalization" in the Prospectus, including the footnotes thereto, (i) with respect to the actual capitalization of the Wynn Entities as of June 30, 2002 presents fairly the information contained therein and (ii) with respect to the expected capitalization of the Wynn Entities as of June 30, 2002 on a pro forma basis giving effect to the sale of the Notes and the expected contribution by Wynn Resorts, Limited to the Company of proceeds from the concurrent initial public offering of common stock of Wynn Resorts, Limited, presents fairly the information contained therein, and with respect to the expected capitalization of the Wynn Entities as of June 30, 2002 on a pro forma, as adjusted basis giving effect to the sale of the Notes, the expected contribution by Wynn Resorts, Limited to the Company of proceeds from the concurrent initial public offering of common stock of Wynn Resorts, Limited and borrowings expected to be necessary to construct the Le Rêve Casino Resort, was prepared in good faith by the Issuers, and represents the best estimates and assumptions of the Issuers with respect to the information contained therein.

(e) The Notes have been duly authorized by the Issuers and when issued, authenticated and delivered to and paid for by the Underwriters in accordance with this Agreement and the Indenture, will have been duly executed, issued and delivered by the Issuers and, assuming the due authentication, execution and delivery of the Notes by the Trustee, will constitute valid and legally binding obligations of each of the Issuers, entitled to the benefits provided by the Indenture, under which they are to be issued, subject, as to enforcement, to applicable bankruptcy, insolvency, reorganization, moratorium or other similar laws relating to or affecting creditors' rights generally or to general equitable principles. The Indenture has been duly authorized by the Issuers and the Guarantors and when executed and delivered by the Issuers and the Guarantors, and assuming the due authorization, execution and delivery thereof by the Trustee, will constitute a valid and legally binding instrument of each of the Issuers and the Guarantors, enforceable against the Issuers and the Guarantors in accordance with its terms, subject, as to enforcement, to applicable bankruptcy, insolvency, reorganization, moratorium or other similar laws relating to or affecting creditors' rights generally or to general equitable principles. The Notes and the Indenture will conform in all material respects to the descriptions thereof in the Registration Statement and the Prospectus.

3

(f) The Guarantees have been duly authorized by the Guarantors, and when executed and delivered in accordance with the terms of the Indenture and when the Notes and Guarantees are duly issued, authenticated and delivered in accordance with the terms of the Indenture and the Notes and delivered to and paid for by the Underwriters in accordance with the terms of this Agreement and the Indenture, will constitute the valid and legally binding obligations of the Guarantors, enforceable against the Guarantors in accordance with their terms, subject, as to enforcement, to applicable bankruptcy, insolvency, reorganization, moratorium or other similar laws relating to or affecting creditors' rights generally or to general equitable principles. The Guarantees will conform in all material respects to the descriptions thereof in the Registration Statement and the Prospectus.

(g) The Commission has not issued an order preventing or suspending the use of any Prospectus relating to the proposed offering of the Notes nor, to the knowledge of the Wynn Parties, instituted proceedings for that purpose. The Registration Statement, at the time that it became effective and at all subsequent times up to and including the time of closing on the Closing Date (the "Closing Time"), complied, and the Prospectus and any amendments or supplements thereto, as of their respective dates and at all subsequent times up to and including the Closing Time, will comply, in all material respects with the requirements of the Act and the Rules and Regulations. At the time it became effective and at all subsequent times up to and including the Closing Time, the Registration Statement did not contain, and will not contain, any untrue statement of a material fact and did not omit, and will not omit, to state any material fact required to be stated therein or necessary to make the statements therein not misleading. As of its date and at all subsequent times up to and including the Closing Time, the Prospectus, as amended or supplemented by any amendments and supplements thereto (including any Prospectus wrapper for use with offers in Canada) does not contain, and will not contain, any untrue statement of material fact and does not omit, and will not omit, to state any material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; *provided, however*, that the Wynn Parties make no representations or warranties as to information contained in or omitted from the Registration Statement or the Prospectus, or any such amendment or supplement, in reliance upon, and in conformity with, written information furnished to the Wynn Parties by or on behalf of any Underwriter through the

Representatives, specifically for use in the preparation thereof. There are no contracts or other documents required to be described in the Prospectus or to be filed as exhibits to the Registration Statement which have not been described or filed as required.

(h) The consolidated financial statements of Valvino Lamore, LLC ("Valvino") and its subsidiaries (together, "Valvino Lamore") and of the Company, in each case together with related notes and schedules as set forth in the Registration Statement and included in the Prospectus, present fairly the consolidated financial position and the results of operations and cash flows of Valvino Lamore and the Company, as applicable, at the indicated dates and for the indicated periods. Such financial statements and related schedules have been prepared in accordance with generally accepted principles of accounting as applied in the United States, consistently applied throughout the periods involved, except as disclosed therein, and all adjustments necessary for a fair presentation of results for such periods have been made. The financial and statistical data included in the Registration Statement and the Prospectus, including such data set forth under the captions "Capitalization" and "Selected Consolidated Financial Data," presents fairly the information shown therein and such data has been compiled on a basis consistent with the financial statements presented therein and the books and records of Valvino Lamore and the Company, as applicable. The pro forma financial information included in the Registration Statement and the Prospectus present fairly in all material respects the information shown therein, have been properly compiled on the pro forma bases described therein, and, in the opinion of the Issuers, the assumptions used in the preparation thereof are reasonable and the adjustments used therein are appropriate to give effect to the transactions or circumstances referred to therein. No other financial statements or supporting schedules are required to be included in the Registration Statement, and there are no pro forma or as adjusted financial statements which are

4

required to be included in the Registration Statement or Prospectus in accordance with Regulation S-X which have not been included as so required.

(i) Deloitte & Touche LLP, which has certified certain of the financial statements (which term as used in this Agreement includes the related notes thereto) filed with the Commission as part of the Registration Statement and included in the Prospectus, is an independent public accountant as required by the Act and the Rules and Regulations.

(j) There is no action, suit, claim or proceeding pending or, to the knowledge of the Wynn Parties, threatened (i) against any of the Wynn Group Members or (ii) which has as the subject thereof any officer or director of, or property owned or leased by or to, any of the Wynn Group Members, in each case, before any court or administrative agency or otherwise where, in any such case, (A) there is a reasonable possibility of such action, suit or proceeding being determined adversely to such Wynn Group Member and (B) any such action, suit, claim or proceeding, if so determined adversely, would reasonably be expected to result in a Material Adverse Change, or prevent, adversely affect, hinder or delay the (1) consummation of the transactions contemplated by this Agreement or the performance by any of the Wynn Group Members of their obligations hereunder or (2) the performance by any of the Wynn Group Members of their obligations under any of the Executed Transaction Documents or the Closing Transaction Documents, except, in each case, as otherwise disclosed in the Registration Statement or the Prospectus or, in the case of (2) above, as would not reasonably be expected to result in a Material Adverse Change. Except as otherwise disclosed in the Registration Statement or the Prospectus, none of the Wynn Group Members is involved in any material labor dispute with the employees of any of the Wynn Group Members or any of their predecessors, or with the employees of any principal supplier, contractor or sub-contractor of any of the Wynn Group Members and, to the best of the Wynn Parties' knowledge, no such dispute is threatened or imminent.

(k) Except as disclosed in the Registration Statement or the Prospectus, the Wynn Group Members have good and marketable title in fee simple to all real property and good title to all personal property owned by them or reflected as owned by them in the Registration Statement or the Prospectus, subject to no lien, mortgage, pledge, charge or encumbrance of any kind except those reflected in the consolidated financial statements described in Section 1(h) above or which do not, individually or in the aggregate, materially and adversely affect the value of such property and do not, individually or in the aggregate, materially interfere with the use made or proposed to be made of such property by the Wynn Group Members. Except as disclosed in the Registration Statement or Prospectus, the real property, improvements, equipment and personal property held under lease by the Wynn Group Members are held under valid and enforceable leases, with such exceptions as are not material and do not materially interfere with the use made or proposed to be made of such leased real property, improvements, equipment or personal property by such Wynn Group Members.

(l) The Wynn Group Members have timely filed all federal, state, local and foreign tax returns which have been required to be filed, all of which tax returns are true, correct and complete in all material respects, and have timely paid all taxes due and payable, except (i) as may be being contested in good faith and by appropriate proceedings and for which the applicable Wynn Group Member has established reserves that are adequate for the payment thereof and are in conformity with generally accepted accounting principles as applied in the United States or (ii) to the extent that the failure to timely file any such tax returns or to timely pay such taxes has not resulted in, and would not reasonably be expected to result in, a Material Adverse Change. All taxes of the Wynn Group Members not yet due and payable have been provided for in the consolidated financial statements described in Section 1(h) above in conformity with generally accepted accounting principles as applied in the United States, and the Wynn Parties do not know of any actual or proposed additional material tax assessment against any Wynn Group Member.

5

(m) Except as disclosed in the Registration Statement or the Prospectus, since the respective dates as of which information is given in the Registration Statement or the Prospectus, as it may be amended or supplemented, (i) there has not been any Material Adverse Change or any development that would reasonably be expected to result in a Material Adverse Change and (ii) the Wynn Group Members, considered as one entity, have not incurred any material liability or obligation, indirect, direct or contingent, not in the ordinary course of business nor entered into any material transaction or agreement not in the ordinary course of business.

(n) None of the Wynn Group Members is or with the giving of notice or lapse of time or both, will be, in violation of or in default under (i) its charter, by-laws, operating agreement or other organizational document or shareholders' agreement or (ii) the terms of any Executed Transaction Document to which any of the Wynn Group Members is a party or any other security issued by it or any agreement, lease, loan, mortgage, contract, indenture or other instrument or obligation to which it is a party or by which it, or any of its properties, is bound (collectively, including the Executed Transaction Documents, the "Agreements and Instruments") and, solely with respect to this clause (ii), which violation or default would reasonably be expected to result in a Material Adverse Change. The execution, delivery and performance of this Agreement and the Executed Transaction Documents to which any of the Wynn Group Members is a party and compliance by any of the Wynn Group Members with their obligations hereunder or thereunder have been duly authorized by all necessary action of the Wynn Group Members, as applicable. The execution, delivery and performance of the Closing Transaction Documents to which any of the Wynn Group Members will be a party and any other material agreement or instrument entered into or issued or to be entered into or issued by any Wynn Group Member on or before the

Closing Date in connection with the transactions contemplated thereby and compliance by the Wynn Group Members with their obligations thereunder will have been duly authorized before the Closing Time by all necessary action of the Wynn Group Members, as applicable. The execution, delivery and performance of this Agreement, the Closing Transaction Documents to which any of the Wynn Group Members will be a party and any other material agreement or instrument entered into or issued or to be entered into or issued by any of the Wynn Group Members in connection with the transactions contemplated hereby or thereby and compliance by the Wynn Group Members with their obligations hereunder or thereunder and do not and will not, whether with or without the giving of notice or passage of time or both, conflict with or constitute a breach of, or default or a Repayment Event (as defined below) under, or, except with respect to the transactions contemplated by the Registration Statement, result in the creation or imposition of any lien, charge or encumbrance upon any property or assets of any Wynn Group Members pursuant to, or require the consent of any other party to, the Agreements and Instruments except for such conflicts, breaches or defaults or liens, charges or encumbrances that, singly or in the aggregate, would not reasonably be expected to result in a Material Adverse Change, nor will such execution, delivery, performance or compliance result in any violation of (i) the provisions of the charter, by-laws or any other organizational document of any Wynn Group Members, as applicable, or (ii) any applicable law, statute, rule, regulation, judgment, order, writ or decree of any government, government instrumentality or court, domestic or foreign, having jurisdiction over it or any of its assets or properties and, solely with respect to this clause (ii), which violation would reasonably be expected to result in a Material Adverse Change. As used herein, a "Repayment Event" means any event or condition which gives the holder of any note, debenture or other evidence of indebtedness (or any person acting on such holder's behalf) the right to require the repurchase, redemption or repayment of all or a portion of such indebtedness by any Wynn Group Members.

(o) The execution and delivery of, and the performance by the Wynn Parties of their obligations under, this Agreement have been duly and validly authorized by all necessary corporate or limited liability company action on the part of each of the Wynn Parties, and this Agreement has been duly executed and delivered by each of the Wynn Parties.

6

(p) Each of the Executed Transaction Documents to which any Wynn Group Member is a party has been duly authorized, executed and delivered by each of the Wynn Group Members that is a party thereto and (except for the Equity Underwriting Agreement, as defined in Schedule IV) constitutes a valid and binding agreement of each such party, enforceable against each such party in accordance with its terms except as the enforcement thereof may be limited by bankruptcy, insolvency, reorganization, moratorium or other similar laws relating to or affecting creditors' rights generally or by general equitable principles. At the Closing Date, each of the Executed Transaction Documents that is described in the Registration Statement will conform in all material respects to the description thereof contained in the Registration Statement.

(q) Each of the Closing Transaction Documents to which any of the Wynn Group Members is a party will have been duly authorized before the Closing Time by each of the Wynn Group Members that is a party thereto and, at the Closing Date, will have been duly executed and delivered by each such party and will constitute a valid and binding agreement of each such party, enforceable against each such party in accordance with its terms except (i) as the enforcement thereof may be limited by bankruptcy, insolvency, reorganization, moratorium or other similar laws relating to or affecting creditors' rights generally or by general equitable principles and (ii) with respect to the Marnell Agreement (as defined in Schedule IV hereof), to the extent set forth in the Registration Statement and Prospectus under the heading "Risk Factors—Risks Associated with Our Construction of Le Rêve—Certain provisions in the construction contract with Marnell Corrao for construction of Le Rêve may be unenforceable." At the Closing Date, each of the Closing Transaction Documents that is described in the Registration Statement will conform in all material respects to the description thereof contained in the Registration Statement.

(the "NASD") or such additional steps as may be necessary to qualify the Notes for public offering by the Underwriters under state securities or Blue Sky laws) has been obtained or made and is in full force and effect. Except as disclosed in the Registration Statement or Prospectus or as would not, individually or in the aggregate, reasonably be expected to result in a Material Adverse Change, each Consent necessary in connection with the consummation of the transactions described in the Registration Statement and Prospectus (except such additional steps as may be required by the Commission or the National Association of Securities Dealers, Inc. (the "NASD") or such additional steps as may be necessary to qualify the Notes for public offering by the Underwriters under state securities or Blue Sky laws) (i) has been obtained or made and is in full force and effect or (ii) to the extent any such Consent has not yet been obtained or made, none of the Wynn Parties has any reason to believe that such Consent will not be timely obtained or made in accordance with the plans for the Le Rêve Casino Resort that have been prepared to date.

(s) Except as disclosed in the Registration Statement or Prospectus or as would not, individually or in the aggregate, reasonably be expected to result in a Material Adverse Change, (i) each of the Wynn Group Members has obtained and holds all franchises, licenses, leases, permits, approvals, notifications, certifications, registrations, authorizations, exemptions, variances, qualifications, easements, rights of way, liens and other rights, privileges and approvals (including with respect to environmental laws) required under any federal, state, local or foreign law or governmental authority ("Permits") for the ownership or current use of all real property owned or leased by any such Wynn Group Member and for any other property otherwise currently operated by or on behalf of, or for the

7

benefit of, such entity and for the operation of each of its businesses as presently conducted, (ii) all such Permits are in full force and effect, and each of the Wynn Group Members has performed and observed all requirements of such Permits, (iii) no event has occurred which allows or results in, or after notice or lapse of time would allow or result in, revocation or termination by the issuer thereof or in any other impairment of the rights of the holder of any such Permit, (iv) no such Permits contain any restrictions, either individually or in the aggregate, that are materially burdensome to any of the Wynn Group Members, or to the current operation of any of their businesses or any property currently owned, leased or otherwise operated by such entity, (v) each of the Wynn Group Members reasonably believes that each of its Permits will be timely renewed and complied with, without material expense, and that any additional Permits that may be required of such entity in order to conduct its business as proposed to be conducted will be timely obtained and complied with, without material expense, and (vi) none of the Wynn Group Members has any knowledge or any reason to believe that any governmental authority is considering limiting, suspending, revoking or renewing any such Permits on terms materially more burdensome than the terms of such Permit as in effect on the date hereof.

(t) Except as otherwise disclosed in the Registration Statement or the Prospectus or as would not reasonably be expected to result in a Material Adverse Change, (i) none of the Wynn Group Members is or has in the past been in violation of any federal, state, local or foreign statute, law, rule, regulation, ordinance, code, policy or rule of common law or any judicial or administrative interpretation thereof, including any judicial or administrative order, consent, decree or judgment, relating to pollution or protection of human health, the environment (including, without limitation, ambient air, surface water, groundwater, land surface or subsurface strata) or wildlife, including, without limitation, laws and regulations relating to the release or threatened release of chemicals, pollutants, contaminants, wastes, toxic substances, hazardous substances, petroleum or petroleum products (collectively, "Hazardous Materials") or to the manufacture, processing, distribution, use, treatment, storage, disposal, transport or handling of Hazardous Materials (collectively, "Environmental Laws"); (ii) none of the Wynn Group Members or, to the knowledge of any Wynn Party, any third party, has used, released, discharged, generated, manufactured, produced, stored, or disposed of in, on, under, or about the real property owned or leased by any of the Wynn Group Members or any improvements thereon (the "Sites") or transported thereto or therefrom, any Hazardous Materials that would reasonably be expected to subject any of the Wynn Group Members to any liability under any Environmental Law; (iii) there are no underground tanks and no Hazardous Materials used, stored or present at, on or near the Sites; (iv) to the knowledge of any of the Wynn Parties after due inquiry, there is or has been no condition, circumstance, action, activity or event that could reasonably form the basis of any violation of, or any liability to any of the Wynn Group Members under, any Environmental Law; (v) there is no pending or, to the knowledge of any of the Wynn Parties, threatened, action, proceeding, investigation or inquiry by any regulatory or governmental body or any non-governmental third party with respect to the presence or release of Hazardous Materials, on, from or to the Sites; (vi) none of the Wynn Parties has any knowledge of any past or existing violations of any Environmental Laws by any person relating in any way to the Sites; and (vii) none of the Wynn Group Members has received any complaint, order, directive, citation or notice from any governmental body with respect to any Environmental Law.

(u) Except as otherwise disclosed in the Registration Statement or the Prospectus, (i) the Wynn Group Members each own or possess the valid right to use all patents, patent rights, trademarks, trade names, service marks, domain names and copyrights (together with the applications for registrations and registrations therefor), license rights, know-how (including trade secrets and other unpatented and unpatentable proprietary or confidential information, materials, systems or procedures), technologies, inventions, and other intellectual property or proprietary rights (collectively, "Intellectual Property") presently used in their businesses and none of the Wynn Parties has any reason to believe that the Wynn Group Members will not own or possess or be able to obtain when needed the valid right to use all Intellectual Property necessary to carry on their businesses as presently proposed to be conducted; (ii) neither the Intellectual Property owned or used by, nor the conduct or operation of the businesses

8

(as presently and proposed to be conducted or operated) of, the Wynn Group Members has infringed upon, misappropriated or violated, or, if the businesses are conducted or operated as presently intended, will, to the knowledge of any of the Wynn Parties, infringe upon, misappropriate or violate, any Intellectual Property or other right of any other person or entity; (iii) to the knowledge of the Wynn Parties, none of the Intellectual Property employed by any Wynn Group Member has been obtained or is being used by any such Wynn Group Member in violation of any contractual obligation binding on such Wynn Group Member or any of their respective officers, directors or employees or otherwise in violation of the rights of any persons, except as would not reasonably be expected to result in a Material Adverse Change; (iv) none of the Wynn Group Members has received any written communications, nor is any action or proceeding pending, alleging that any such Wynn Group Member has violated, infringed upon or misappropriated, or, by conducting its business as set forth in the Registration Statement and the Prospectus, would violate, infringe upon or misappropriate, any of the Intellectual Property of any other person or entity; and (v) none of the Wynn Parties knows of any material will have been duly authorized before the Closing Time infringement by others of Intellectual Property owned by or licensed to any of the Wynn Group Members.

The Wynn Group Members have taken all reasonable steps necessary to secure their interests in, and protect the secrecy, confidentiality and value of, such Intellectual Property, including without limitation entering into written confidentiality agreements with their employees and contractors. There are no outstanding options, licenses or agreements of any kind relating to the Intellectual Property of the Wynn Group Members that are required to be described in the Prospectus and are not described therein in all material respects. None of the Wynn Group Members is a party to or bound by any options, licenses or agreements with respect to the Intellectual Property of any other person or entity that are required to be set forth in the Prospectus and are not described therein in all material respects.

(v) None of the Wynn Group Members, or to the knowledge of any of the Wynn Parties, any of their affiliates, has taken or may take, directly or indirectly, any action designed to cause or result in, or which has constituted or which could reasonably be expected to constitute, the stabilization or manipulation of the price of any security of either of the Issuers. The Issuers acknowledge that the Underwriters may engage in passive market making transactions in the Notes in accordance with Regulation M under the Securities Exchange Act of 1934, as amended (the "Exchange Act").

(w) None of the Wynn Group Members, or to any of the Wynn Parties' knowledge, any of their affiliates, has distributed or will distribute, prior to the completion of the Underwriters' distribution of the Notes, any offering material in connection with the offering and sale of the Notes other than a Preliminary Prospectus, the Prospectus or the Registration Statement.

(x) None of the Wynn Group Members is (i) or (after giving effect to the offering and sale of the Notes contemplated hereunder and the application of the net proceeds from such sale as described in the Prospectus) will be an "investment company" within the meaning of such term under the Investment Company Act of 1940, as amended (the "1940 Act"), and the rules and regulations of the Commission thereunder, (ii) a "holding company," a "subsidiary company" of a "holding company," or an "affiliate" of a "holding company" or of a "subsidiary company" of a "holding company," as such terms are defined in the Public Utilities Holding Company Act of 1935, as amended (the "Public Utilities Act"), (iii) a "public utility," as such term is defined in the Federal Power Act, as amended (the "Federal Power Act"), or (iv) subject to regulation under any federal or state statute or regulation limiting or conditioning its ability to incur or guarantee indebtedness.

(y) None of the Wynn Parties or any agent thereof acting on the behalf of them has taken, and none of them will take, any action that might cause this Agreement or the issuance or sale of the Notes to violate Regulation T (12 C.F.R. Part 220), Regulation U (12 C.F.R. Part 221) or Regulation X (12 C.F.R. Part 224) of the Board of Governors of the Federal Reserve System.

9

(z) Each of the Wynn Group Members maintains a system of internal accounting controls sufficient to provide reasonable assurances that (i) transactions are executed in accordance with management's general or specific authorization, (ii) transactions are recorded as necessary to permit preparation of financial statements in conformity with generally accepted accounting principles as applied in the United States and to maintain accountability for assets, (iii) access to

assets is permitted only in accordance with management's general or specific authorization and (iv) the recorded accountability for assets is compared with existing assets at reasonable intervals and appropriate action is taken with respect to any differences.

(aa) Each of the Wynn Parties and DIIC carry, or are covered by, insurance with insurers of recognized financial responsibility in such amounts, with such deductibles and covering such risks as is commercially reasonable and as the Wynn Parties and DIIC deem adequate and prudent for the conduct of their respective businesses (including the construction of the Le Rêve Casino Resort) and the value of their respective properties and as is customary for companies engaged in similar businesses including, but not limited to, policies covering real and personal property owned or leased by the Wynn Parties and DIIC against theft, damage, destruction, acts of vandalism and earthquakes. Such insurance coverage (including deductibles, retentions and self-insurance amounts) complies with the insurance coverage required at the Closing Date under the Master Disbursement Agreement by and among the Company, Capital Corp., Wynn Design & Development, LLC, Deutsche Bank Trust Company Americas, Wells Fargo Bank, National Association and Wells Fargo Bank Nevada, National Association (the "Master Disbursement Agreement"). The Wynn Parties have no reason to believe that such insurance coverage cannot be renewed as and when such coverage expires or that similar coverage could not be obtained from similar insurers at a cost that would not reasonably be expected to cause a Material Adverse Change (other than as a result of general market conditions).

(bb) Except for matters which would not reasonably be expected to result in a Material Adverse Change, each of the Wynn Group Members is in compliance with all presently applicable provisions of the Employee Retirement Income Security Act of 1974, as amended, including the regulations and published interpretations thereunder ("ERISA"). No "reportable event" (as defined in ERISA) has occurred with respect to any "pension plan" (as defined in ERISA) for which any Wynn Group Members would have any liability. None of the Wynn Group Members has incurred or expects to incur liability under (i) Title IV of ERISA with respect to termination of, or withdrawal from, any "pension plan" or (ii) Section 412 or 4971 of the Internal Revenue Code of 1986, as amended, including the regulations and published interpretations thereunder (the "Code"). Except for matters which would not reasonably be expected to result in a Material Adverse Change, each "pension plan" for which any Wynn Group Members would have any liability that is intended to be qualified under Section 401(a) of the Code is so qualified and nothing has occurred, whether by action or by failure to act, which would cause the loss of such qualification.

(cc) The Underwriters, or Inspection & Valuation International, Inc., in their capacity as a consultant of the Underwriters, have been furnished with a copy of the plans and specifications for the construction of the Le Rêve Casino Resort that have been prepared to date, which plans and specifications are consistent in all material respects with the description thereof contained in the Registration Statement or the Prospectus. The anticipated costs as of the Closing Date of such construction (including interest, legal, architectural, engineering, planning, zoning, pre-opening and other similar costs) do not exceed (except as a result of rounding adjustments) the amounts allocated for such costs as set forth under the caption "Use of Proceeds" in the Prospectus. In addition, the other amounts set forth under the caption "Use of Proceeds" in the Prospectus are based upon reasonable assumptions as to all matters material to the estimates set forth therein and are not expected by the Wynn Parties to exceed the amounts set forth for such items.

(dd) The Project Budget (as defined in the Master Disbursement Agreement), as of the Closing Date, (i) is, to the knowledge of the Wynn Parties, based on reasonable assumptions as to all legal and

factual matters material to the estimates set forth therein, (ii) is consistent with the provisions of the Operative Documents (as defined in the Master Disbursement Agreement) in all material respects, (iii) has been and will be prepared in good faith and with due care, (iv) sets forth, for each Line Item Category (as defined in the Master Disbursement Agreement), the total costs anticipated to be incurred through Final Completion (as defined in the Master Disbursement Agreement), (v) fairly represents the Wynn Parties' expectation as to the matters covered thereby as of its date and (vi) sets forth a total amount of costs incurred or expected to be incurred in connection with the development, design, engineering, procurement, installation, construction and opening of the Le Rêve Casino Resort (as described in the Prospectus), including contingencies, which is equal to the Available Funds (as defined in the Master Disbursement Agreement).

(ee) To the knowledge of the Wynn Parties and except as set forth on Schedule 1(ee) hereto, there are no affiliations or associations between any member of the NASD and any of the Wynn Parties' officers, directors or securityholders. There are no business relationships or related-party transactions involving any of the Wynn Group Members or any other person required to be described in the Prospectus which have not been described as required.

(ff) None of the Wynn Group Members or, to the best of the knowledge of the Wynn Parties, any director, officer, agent, employee or other person associated with or acting on behalf of any of the Wynn Group Members or any beneficial owner of 10 percent or more of the capital stock of any of the Wynn Parties has, with respect to any of the Wynn Group Members, (i) used any corporate funds for any unlawful contribution, gift, entertainment or other unlawful expense relating to political activity, (ii) made any unlawful payment to any foreign or domestic government official or employee from corporate funds, (iii) violated or is in violation of any provision of the Foreign Corrupt Practices Act of 1977, as amended, or (iv) made any bribe, rebate, payoff, influence payment, kickback or other unlawful payment.

(gg) The Indenture has been qualified under the Trust Indenture Act.

(hh) The Issuers (considered together) and each of the Wynn Parties is, and on the Closing Date and after giving effect to the incurrence of all indebtedness (including the Notes and the Guarantees) and obligations being incurred in connection with the Closing Transaction Documents as described in the Registration Statement and the Prospectus will be and will continue to be, Solvent. For purposes of this Agreement, "Solvent" means, when used with respect to any Person, as of any date of determination, (i) the amount of the "present fair saleable value" of the assets of such Person will, as of such date, exceed the amount of all "liabilities of such Person, contingent or otherwise," as of such date, as such quoted terms are determined in accordance with applicable federal and state laws governing determinations of the insolvency of debtors, (ii) the present fair saleable value of the assets of such Person will, as of such date, be greater than the amount that will be required to pay the liability of such Person on its debts as such debts become absolute and matured, (iii) such Person will not have, as of such date, an unreasonably small amount of capital with which to conduct its business, (iv) such Person will be able to pay its debts as they mature, and (v) such Person is not insolvent within the meaning of any applicable federal and state laws governing determinations of the insolvency of debtors. For purposes of this definition, (A) "debt" means liability on a "claim," and (B) "claim" means any (1) right to payment, whether or not such a right is reduced to judgment, liquidated, unliquidated, fixed, contingent, matured, unmatured, disputed, undisputed, legal, equitable, secured or unsecured or (2) right to an equitable remedy for breach of performance if such breach gives rise to a right to payment, whether or not such right to an equitable remedy is reduced to judgment, fixed, contingent, matured or unmatured, disputed, undisputed, secured or unsecured.

(ii) No Deed of Trust encumbers improved real property which is located in an area that has been identified by the Secretary of Housing and Urban Development as an area having special flood hazards and in which flood insurance has been made available under the National Flood Insurance Act of 1968.

(jj) Subject to Section 6(kk) with respect to real property Collateral and Section 6(ll) with respect to intellectual property Collateral, each of the Collateral Documents is effective to create in favor of the Trustee, for the benefit of the holders of the Notes, a legal, valid and enforceable security interest in the Collateral described therein and proceeds and products thereof. In the case of the Pledged Stock (as defined in the applicable Collateral Document), when any stock or other ownership certificates representing such Pledged Stock are delivered to the Trustee, and in the case of the other Collateral described in the Collateral Documents, when financing statements in appropriate form are filed as contemplated by the Collateral Documents (which financing statements have been duly completed and delivered to the Trustee), the Collateral Documents shall constitute a fully perfected Lien on, and security interest in, all right, title and interest of the applicable Wynn Parties in such Collateral and the proceeds and products thereof, as security for the Obligations of the applicable Wynn Parties, in each case prior and superior in right to any other Person (except Permitted Liens).

(kk) Each of the Deeds of Trust is effective to create in favor of the Trustee, for the benefit of the holders of the Notes, a legal, valid and enforceable Lien on, and security interest in, the Collateral described therein and proceeds and products thereof, and when the Deeds of Trust are filed in the appropriate real property records, each such Deed of Trust shall constitute a fully perfected Lien on, and security interest in, all right, title and interest of the applicable Wynn Parties in the Collateral described therein and the proceeds and products thereof, as security for the Obligations of the applicable Wynn Parties, in each case prior and superior in right to any other Person (except Permitted Liens).

(ll) Each Intellectual Property Security Agreement is effective to create in favor of the Trustee, for the benefit of the holders of the Notes, a legal, valid and enforceable security interest in the Collateral described therein and proceeds and products thereof. Upon the filing of (i) each Intellectual Property Security Agreement in the appropriate indexes of the United States Patent and Trademark Office relative to patents and trademarks (within three (3) months after the Closing Date), and the United States Copyright Office relative to copyrights (within thirty (30) days after the Closing Date), together with provision for payment of all requisite fees, and (ii) financing statements in appropriate form for filing as contemplated by the Intellectual Property Security Agreements (which financing statements have been duly completed and delivered to the Trustee) each Intellectual Property Security Agreement shall constitute a fully perfected Lien on, and security interest in, all right, title and interest of the applicable Wynn Parties in the Collateral specified therein and the proceeds and products thereof, as security for the Obligations of the applicable Wynn Parties, in each case prior and superior in right to any other Person (except Permitted Liens).

(mm) Upon execution and delivery of the Collateral Documents and completion of the filings and recordings described in Sections 6(jj), (kk), and (ll), the security interests created in favor of the Trustee for the benefit of the holders of the Notes pursuant to the Collateral Documents will constitute valid, perfected first priority security interests (subject to Permitted Liens) in the Collateral subject thereto.

Any certificate signed by an officer of any of the Wynn Parties and delivered to the Representatives, Deutsche Bank or to counsel for the Underwriters shall be deemed to be a representation and warranty by such Wynn Party to each Underwriter as to the matters set forth therein.

The Wynn Parties acknowledge that the Underwriters and, for purposes of the opinions to be delivered pursuant to Section 6 hereof, counsel to the Wynn Parties and counsel to the Underwriters, will rely upon the accuracy and truthfulness of the foregoing representations and hereby consents to such reliance.

2. *Purchase, Sale and Delivery of the Notes.*

(a) On the basis of the representations, warranties and covenants herein contained, and subject to the conditions herein set forth, the Issuers agree to sell to the Underwriters and each Underwriter agrees, severally and not jointly, to purchase, at the purchase price set forth on *Schedule II* hereto (the "Purchase Price"), the principal amount of Notes set forth opposite the name of each Underwriter in *Schedule I* hereto.

(b) The Notes shall be registered by the Trustee in the name of the nominee of the Depository Trust Company ("DTC"), Cede & Co. ("Cede & Co."), and credited to the accounts of such of its participants as the Representatives shall request, upon notice to the Company at least 48 hours prior to the Closing Date, with any transfer taxes payable in connection with the transfer of the Notes to the Underwriters duly paid, and deposited with the Trustee as custodian for DTC on the Closing Date, against payment by or on behalf of the Underwriters to the account of the Company of the aggregate Purchase Price therefor by wire transfer in immediately available funds.

(c) Such payment and delivery are to be made through the facilities of DTC, New York, New York at 10:00 a.m., New York time, on the third business day after the date of this Agreement or at such other time and date not later than five business days thereafter as you and the Company shall agree upon, such time and date being herein referred to as the "Closing Date." (As used herein, "business day" means a day on which the New York Stock Exchange is open for trading and on which banks in New York, New York are open for business and are not permitted by law or executive order to be closed.) Time shall be of the essence, and delivery at the time and place specified in this Agreement is a further condition to the obligations of the Underwriters.

3. *Offering by the Underwriters.*

It is understood that the several Underwriters are to make a public offering of the Notes as soon after this Agreement has been executed as the Representatives, in their sole judgment, deem it advisable to do so. The Notes are to be initially offered to the public as set forth in the Prospectus. The Representatives may from time to time thereafter change the public offering price and other selling terms; provided, however, that nothing in this Section 3 shall affect the Underwriters obligations pursuant to Section 2 hereof.

It is further understood that you will act as the Representatives for the Underwriters in the offering and sale of the Notes in accordance with a Master Agreement Among Underwriters entered into by you and the several other Underwriters.

4. *Covenants of the Issuers.*

The Issuers covenant and agree with the several Underwriters that:

(a) The Issuers shall (i) use their best efforts to cause the Registration Statement to become effective or, if the procedure in Rule 430A of the Rules and Regulations is followed, to prepare and timely file with the Commission under Rule 424(b) of the Rules and Regulations a Prospectus in a form approved by the Representatives containing information previously omitted at the time of effectiveness of the Registration Statement in reliance on Rule 430A of the Rules and Regulations and (ii) not file any amendment to the Registration Statement or supplement to the Prospectus of which the Representatives shall not previously have been advised and furnished with a copy or to which the Representatives shall have reasonably objected in writing or which is not in compliance with the Rules and Regulations.

(b) The Issuers shall advise the Representatives promptly (i) when the Registration Statement or any post-effective amendment thereto shall have become effective, (ii) of receipt of any comments from the Commission, (iii) of any request of the Commission for amendment of the Registration Statement

13

or for supplement to the Prospectus or for any additional information, and (iv) of the issuance by the Commission of any stop order suspending the effectiveness of the Registration Statement or any post-effective amendment thereto or of any order preventing or suspending the use of any preliminary prospectus or the Prospectus, or of the threatening or initiation of any proceedings for any of such purposes. The Issuers shall make every reasonable effort to prevent the issuance of any such stop order preventing or suspending the use of the Prospectus and to obtain as soon as possible the lifting thereof, if issued.

(c) The Issuers shall cooperate with the Representatives and counsel for the Underwriters to qualify the Notes for sale under (or obtain exemptions from the application of the qualification requirements of) the securities laws of such jurisdictions as the Representatives may reasonably have designated and shall make such applications, file such documents, and furnish such information as may be reasonably required for that purpose, provided the Issuers shall not be required to qualify as a foreign corporation or to file a general consent to service of process in any jurisdiction where it is not now so qualified or required to file such a consent. The Issuers shall, from time to time, prepare and file such statements, reports, and other documents, as are or may be required to continue such qualifications in effect for so long a period as the Representatives may reasonably request for distribution of the Notes. The Issuers shall advise the Representatives promptly of the suspension of the qualification or registration of (or any such exemption relating to) the Notes for offering, sale or trading in any jurisdiction or any initiation of threat of any proceeding for any such purpose, and in the event of the issuance of any order suspending such qualification, registration or exemption, the Issuers shall use their best efforts to obtain the withdrawal thereof at the earliest possible moment.

(d) The Issuers shall deliver to, or upon the order of, the Representatives, from time to time, as many copies of any Preliminary Prospectus as the Representatives may reasonably request. The Issuers shall deliver to, or upon the order of, the Representatives during the period when delivery of a Prospectus is required under the Act, as many copies of the Prospectus in final form, or as thereafter amended or supplemented, as the Representatives may reasonably request. The Issuers shall deliver to the Representatives at or before the Closing Date, four signed copies of the Registration Statement and all amendments thereto including all exhibits filed therewith, and shall deliver to the Representatives such number of copies of the Registration Statement (including such number of copies of the exhibits filed therewith that may reasonably be requested) and of all amendments thereto, as the Representatives may reasonably request.

(e) The Issuers shall comply with the Act and the Rules and Regulations, the Exchange Act, and the rules and regulations of the Commission thereunder, and the Trust Indenture Act, so as to permit the completion of the distribution of the Notes as contemplated in this Agreement and the Prospectus. If during the period in which a prospectus is required by law to be delivered by an Underwriter or dealer, any event shall occur as a result of which, in the judgment of the Company or in the reasonable opinion of the Underwriters, it becomes necessary to amend or supplement the Prospectus in order to make the statements therein, in the light of the circumstances existing at the time the Prospectus is delivered to a purchaser, not misleading, or, if it is necessary at any time to amend or supplement the Prospectus to comply with any law, the Issuers promptly shall prepare and file with the Commission an appropriate amendment to the Registration Statement or supplement to the Prospectus so that the Prospectus as so amended or supplemented shall not, in the light of the circumstances when it is so delivered, be misleading, or so that the Prospectus shall comply with the law.

(f) Each of the Wynn Parties shall make generally available to their security holders and to the Representatives, as soon as it is practicable to do so, but in any event not later than 15 months after the effective date of the Registration Statement, an earnings statement (which need not be audited) in reasonable detail, covering a period of at least 12 consecutive months beginning after the effective date of the Registration Statement, which earnings statement shall satisfy the requirements of Section 11(a)

14

of the Act and Rule 158 of the Rules and Regulations and shall advise you in writing when such statement has been so made available.

(g) Prior to the Closing Date, the Issuers shall furnish to the Underwriters, as soon as they have been prepared by or are available to the Issuers, a copy of any unaudited interim financial statements of any of the Wynn Group Members for any period subsequent to the period covered by the most recent financial statements appearing in the Registration Statement and the Prospectus.

(h) So long as any of the Notes are outstanding, the Issuers will furnish to the several Underwriters, promptly upon their becoming available, copies of all reports and other communications (financial or otherwise) furnished by the Issuers or the Guarantors to the Trustee of the holders of the Notes and copies of any reports or financial statements furnished to or filed by the Issuers or the Guarantors with the Commission.

(i) Each of the officers, directors and stockholders of Wynn Resorts, Limited, (excluding Baron Asset Fund) and Aruze Corp. shall have executed, and the Issuers shall have furnished to you, on or prior to the date of this Agreement, a letter or letters, in substantially the form of *Exhibit A* hereto ("Lockup Agreements").

(j) The Issuers shall apply the net proceeds of its sale of the Notes as set forth in the Prospectus under the caption "Use of Proceeds" and shall file such reports with the Commission with respect to the sale of the Notes and the application of the proceeds therefrom as may be required in accordance with Rule 463 under the Act.

(k) The Issuers shall not invest, or otherwise use the proceeds received by the Issuers from its sale of the Notes in such a manner as would require any of the Wynn Group Members to register as an investment company under the 1940 Act.

(l) The Wynn Parties will not voluntarily claim, and will resist actively all attempts to claim, the benefit of any usury laws against any holder of Notes.

(m) None of the Wynn Parties will publicly announce any intention to, or will itself, without the prior written consent of the Representatives, on behalf of the Underwriters, (i) offer, pledge, sell, offer to sell, contract to sell, sell any option or contract to purchase, purchase any option to sell, grant any option, right or warrant to purchase, or otherwise transfer or dispose of, directly or indirectly, any debt securities issued or guaranteed by any of the Wynn Parties (other than the Notes and the notes issued under the Credit Agreement and the FF&E Facility) or any securities exercisable or exchangeable for debt securities issued or guaranteed by any of the Wynn Parties, for a period beginning from the date hereof and continuing to and including the date which is 180 days after the date hereof.

(n) None of the Wynn Parties shall take, directly or indirectly, any action designed to cause or result in, or that has constituted or could reasonably be expected to constitute, the stabilization or manipulation of the price of any securities of any of the Wynn Parties.

5. *Costs and Expenses.*

The Company shall pay all costs, expenses and fees incident to the performance of the obligations of the Wynn Parties under this Agreement, including, without limiting the generality of the foregoing, the following: accounting fees of the Wynn Parties; the fees and disbursements of counsel for the Wynn Parties; the cost of printing and delivering to, or as requested by, the Underwriters copies of the Registration Statement, Preliminary Prospectuses, the Prospectus, the Underwriters' Selling Memorandum, the Underwriters' Invitation Letter, the Blue Sky Survey and any supplements or amendments thereto; the filing fees of the Commission; the filing fees and expenses (including reasonable legal fees and disbursements) incident to securing any required review by the NASD of the terms of the sale of the Notes; and expenses, including the reasonable fees and disbursements of

15

counsel for the Underwriters, to the extent incurred in connection with the qualification of the Notes under state securities or Blue Sky laws or the provincial securities laws of Canada. The Company shall not, however, be required to pay for any of the Underwriters other expenses including (a) the fees and expenses of their counsel (other than those related to qualification under NASD regulation and state securities or Blue Sky laws), (b) other professional fees (excluding the fees and expenses of Inspection & Valuation International, Inc.), (c) the customary costs and expenses of the roadshow and any other meetings with prospective investors, (d) the costs and expenses of travel of the Representatives and the other Underwriters (e) the costs and expenses of any other consultants and experts specifically retained by the Representatives (other than Inspection & Valuation International, Inc.) and (f) all arrangements relating to the preparation, issuance and delivery of any certificates evidencing the Notes, including the fees of any trustee or similar entity, except in all cases that, if the sale of the Notes pursuant to Section 2 hereof shall not be consummated because the conditions in Section 6 hereof are not satisfied, because this Agreement is terminated by the Representatives pursuant to Section 10 hereof, or by reason of any failure, refusal or inability on the part of any of the Wynn Parties to perform any undertaking or satisfy any condition of this Agreement or to comply with any of the terms hereof on its part to be performed, unless such failure, refusal or inability is due primarily to any default or omission of any Underwriter, the Company shall reimburse the several Underwriters for reasonable out-of-pocket expenses, including fees and disbursements of counsel, reasonably incurred in connection with investigating, marketing and proposing to market the Notes or in contemplation of performing their obligations hereunder; provided, however, that the Company shall not in any event be liable to any of the several Underwriters for damages on account of loss of anticipated profits from the sale by them of the Notes.

6. *Conditions of Obligations of the Underwriters.*

The several obligations of the Underwriters to purchase the Notes on the Closing Date are subject to the accuracy, as of the Closing Date of the representations and warranties of the Wynn Parties contained herein, and to the performance by the Wynn Parties of their covenants and obligations hereunder and to the following additional conditions:

(a) The Registration Statement and all post-effective amendments thereto shall have become effective and any and all filings required by Rule 424 and Rule 430A of the Act shall have been made within the applicable time period prescribed by, and in compliance with, the Rules and Regulations, and any request of the Commission for additional information (to be included in the Registration Statement or otherwise) shall have been disclosed to the Representatives and complied with. No stop order suspending the effectiveness of the Registration Statement shall have been issued and no proceedings for that purpose shall have been taken or, to the knowledge of the Issuers, shall be contemplated or threatened by the Commission and no injunction, restraining order or order of any nature by a federal, state or foreign court of competent jurisdiction shall have been issued as of the Closing Date which would prevent the issuance of the Notes. (k) You shall have received, on each of the date hereof and the Closing Date, a letter dated the date hereof or the Closing Date, as the case may be, in form and substance satisfactory to you, of Deloitte & Touche LLP confirming that they are independent public accountants within the meaning of the Act and the applicable published Rules and Regulations thereunder and stating that in their opinion the financial statements and schedules examined by them and included in the Registration Statement and the Prospectus comply in form in all material respects with the applicable accounting requirements of the Act and the related published Rules and Regulations; and containing such other statements and information as is ordinarily included in accountants' "comfort letters" to Underwriters, delivered pursuant to Statement of Accounting Standards No. 72 (or any successor bulletin), with respect to the financial statements and certain financial and statistical information contained in the Registration Statement and Prospectus.

17

(l) The Representatives shall have received on the Closing Date a certificate or certificates of the Chief Executive Officer or President and the Chief Financial Officer of each of the Wynn Parties or, in the case of any Wynn Party that does not have officers holding such positions or positions of similar authority, of the Chief Executive Officer or President and Chief Financial Officer of the immediate or ultimate parent of such entity on behalf of such entity, to the effect that, as of the Closing Date, each of them severally represents as follows:

(i) the Registration Statement has become effective under the Act and no stop order suspending the effectiveness of the Registration Statement has been issued, and no proceedings for such purpose have been taken or are, to his or her knowledge, contemplated or threatened by the Commission;

(ii) the representations and warranties of such Wynn Party contained in Section 1 hereof are true and correct as of the Closing Date;

(iii) he or she has carefully examined the Registration Statement and the Prospectus and, in his or her opinion, as of the effective date of the Registration Statement, the information contained in the Registration Statement, including the financial statements and other financial information included therein, was true, complete and correct in all material respects, and such Registration Statement and Prospectus did not omit to state a material fact required to be stated therein or necessary in order to make the statements therein not misleading;

(iv) such Wynn Party has complied with all the agreements hereunder and satisfied all the conditions on its part to be performed or satisfied hereunder at or prior to the Closing Date; and

(v) since the respective dates as of which information is given in the Registration Statement and Prospectus and prior to the Closing Date, there has not occurred any Material Adverse Change or any development that would reasonably be expected to result in a Material Adverse Change;

(m) The Wynn Parties shall have furnished to the Representatives such further certificates and documents confirming the representations and warranties, covenants and conditions contained herein and related matters as the Representatives may reasonably have requested.

(n) For the period from and after the date of this Agreement and prior to the Closing Date, in the judgment of the Representatives there shall not have occurred any Material Adverse Change.

(o) The Lockup Agreements described in Section 4(i) are in full force and effect and on or before the date of this Agreement the Company shall have delivered fully executed copies of the Lockup Agreements to the Representatives.

(p) All fees and expenses which any of the Wynn Parties, Wynn Resorts, Limited or the Completion Guarantor has agreed to pay pursuant to the Amended and Restated Engagement Letter dated as of June 14, 2002 between Valvino, Holdings, the Company and the Representatives (other than Dresdner Kleinwort Wasserstein - Grantchester, Inc.) and which, pursuant to such engagement letter, are required to be paid at or prior to Closing, shall have been paid.

(q) Subsequent to the execution and delivery of this Agreement (i) no downgrading shall have occurred in the rating accorded the Issuers' debt securities by any "nationally recognized statistical rating organization," as that term is defined by the Commission for purposes of Rule 436(g)(2) of the rules and regulations pursuant to the Act and (ii) no such organization shall have publicly announced that it has under surveillance or review, with possible negative implications, its rating of any of the Issuers' debt securities.

(r) All of the Executed Transaction Documents and Closing Transaction Documents shall have been executed and shall be in full force and effect and the Representatives shall have received fully

18

executed copies thereof, and none of the Wynn Group Members or Wynn Resorts, Limited shall be in default in the performance, observance or fulfillment of any of the obligations, covenants or conditions contained in any of the Executed Transaction Documents and the Closing Transaction Documents, and no condition shall exist that, with the giving of notice or the lapse of time, or both, would constitute such a default, except in each case where the consequences of such default or defaults, if any, would not reasonably be expected to result in a Material Adverse Change.

(s) No Wynn Group Member shall have any knowledge that any party shall have failed at or prior to the Closing Date to perform or comply with any of the agreements contained in any of the Executed Transaction Documents or Closing Transaction Documents and required to be performed or complied with by such party at or prior to the Closing Date unless such failure would not reasonably be expected to result in a Material Adverse Change.

(t) The Wynn Parties shall have delivered to the Trustee on behalf of the holders of the Notes, a lender's A.L.T.A. policy of title insurance, or a commitment irrevocably agreeing to issue such policy, in the amount of \$370,000,000. Each such policy or commitment shall (i) include such endorsements as are required by the Representatives, (ii) be reinsured by such reinsurance as is satisfactory to the Representatives, (iii) be issued by the title insurer in form and substance, and subject to only such exceptions, satisfactory to the Representatives.

(u) The Representatives shall have received the Phase I environmental assessment for the Site and the Site Easements dated August 14, 2002 (the "Phase I Report"), the Phase II Environmental Site Assessment for the Golf Course Land and the Golf Course Land easements (the "Phase II Report") conducted by Terracon and dated September 11, 2002 and that certain reliance letter from Terracon dated October, 2002.

(v) The Representatives shall have received the results of a recent lien, tax lien, judgment and litigation search in each of the jurisdictions or offices (including, without limitation, in the United States Patent and Trademark Office and the United States Copyright Office) in which Uniform Commercial Code financing statements or other filings or recordings should be made to evidence or perfect (with the priority required under the Collateral Documents) security interests in all assets and property of the Wynn Parties, and such search shall reveal no Liens on any of the assets of the Wynn Parties except for Permitted Liens.

(w) Each document (including, without limitation, any Uniform Commercial Code financing statement) required by the Collateral Documents or under law or reasonably requested by the Trustee to be filed, registered or recorded in order to create in favor of the Trustee, for the benefit of the holders of the Notes, a perfected Lien on, and security interest in, the Collateral described therein, prior and superior in right to any Lien of any other Person (other than Permitted Liens), shall have been delivered to the Trustee in proper form for filing, registration or recordation.

(x) On the date hereof, the Equity Underwriting Agreement (as defined in *Schedule IV* hereof) shall have been executed by the parties thereto and, on the Closing Date, Wynn Resorts, Limited shall have consummated the initial public offering and sale of shares of its common stock, shall have received the proceeds therefrom of approximately \$430.5 million after deducting underwriting discounts and commissions and shall have contributed approximately \$375 million of the net proceeds therefrom to the Company.

(y) The purchase of (i) the shares of common stock from Wynn Resorts, Limited in accordance with the terms of the Affiliate Purchase Agreements (as defined in *Schedule IV* hereof), dated as of the date hereof, by the purchasers named therein, shall be consummated concurrently with the Closing hereunder and (ii) the Notes directly from the Issuers in accordance with the terms of the Affiliate Note Purchase Agreements (as defined in *Schedule IV* hereof), dated as of the date hereof, by the purchasers named therein.

(z) The Representatives shall have received on the Closing Date an executed certificate dated the Closing Date from Stephen A. Wynn addressed to the Underwriters and stating that it can be relied on by Latham & Watkins, counsel to Underwriters, and counsel and any special counsel to the Wynn Parties, which certificate provides that the execution and delivery by Mr. Wynn of the Wynn Put Agreement and the Buy-Sell Agreement, and the performance by him of his obligations thereunder, do not (i) breach any agreement or instrument with a value in excess of \$10.0 million to which he is a party, (ii) breach any other agreement or instrument to which he is a party if that breach would subject him to a penalty or a payment requirement in excess of \$10.0 million, or (3) result in a default under any loan agreement or guarantee or other debt for borrowed money in excess of \$10.0 million to which he is a party.

The opinions and certificates mentioned in this Agreement shall be deemed to be in compliance with the provisions hereof only if they are in all material respects satisfactory to the Representatives and to Latham & Watkins, counsel for the Underwriters.

If any of the conditions hereinabove provided for in this Section 6 shall not have been fulfilled when and as required by this Agreement to be fulfilled, the obligations of the Underwriters hereunder may be terminated by the Representatives by notifying the Company of such termination in writing at or prior to the Closing Date.

In such event, the Wynn Parties and the Underwriters shall not be under any obligation to each other (except to the extent provided in Sections 5 and 8 hereof).

7. Indemnification.

(a) Each of the Wynn Parties, jointly and severally, agree:

(i) to indemnify and hold harmless each Underwriter and its affiliates, and each person, if any, who controls any Underwriter within the meaning of either Section 15 of the Act or Section 20 of the Exchange Act, against any losses, claims, damages or liabilities to which such Underwriter, affiliate or any such controlling person may become subject under the Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions or proceedings in respect thereof) arise out of or are based upon (A) any untrue statement or alleged untrue statement of any material fact contained in the Registration Statement or any amendment or supplement thereto or the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, (B) any untrue statement or alleged untrue statement of any material fact contained in any Preliminary Prospectus or the Prospectus or any amendment or supplement thereto (including any Prospectus wrapper for use with offers in Canada) or the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances in which they were made, not misleading or (C) any act or failure to act, or any alleged act or failure to act by any Underwriter in connection with, or relating in any manner to, the Notes or the offering contemplated hereby, and which is included as part of or referred to in any loss,

claim, damage, liability or action arising out of or based upon matters covered by clause (A) or (B) above (provided, that the Wynn Parties shall not be liable under this clause (C) to the extent that it is determined in a final judgment by a court of competent jurisdiction that such loss, claim, damage, liability or action resulted directly from any such acts or failures to act undertaken or omitted to be taken by such Underwriter through its gross negligence or willful misconduct); *provided, however*, that the Wynn Parties will not be liable in any such case to the extent that any such loss, claim, damage or liability arises out of or is based upon an untrue statement or alleged untrue statement, or omission or alleged omission made in the Registration Statement, any Preliminary Prospectus, the Prospectus, or such amendment or supplement, in reliance upon and in conformity with written information furnished to the Wynn Parties by or through the Representatives specifically for use in the preparation thereof; and *provided, further*, that the Wynn Parties will not

be liable to any Underwriter with respect to any such untrue statement or alleged untrue statement or omission or alleged omission made in any Preliminary Prospectus to the extent that (1) such loss, claim, damage, or liability results from an untrue statement of a material fact or an omission of a material fact contained in the Preliminary Prospectus, which untrue statement or omission was corrected in the final Prospectus, (2) the Wynn Parties had previously furnished sufficient quantities of the final Prospectus to such Underwriter within a reasonable amount of time prior to such sale, and (3) such Underwriter failed to deliver the final Prospectus, if required by law to have so delivered it, and such delivery would have been a complete defense against the person asserting such loss, claim, liability, expense or damage; and

(ii) to reimburse each Underwriter and each such affiliate or controlling person upon demand for any legal or other out-of-pocket expenses reasonably incurred by such Underwriter, affiliate or such controlling person in connection with investigating or defending any such loss, claim, damage or liability, action or proceeding or in responding to a subpoena or governmental inquiry related to the offering of the Notes, whether or not such Underwriter, affiliate or controlling person is a party to any action or proceeding. In the event that it is finally judicially determined that the Underwriters were not entitled to receive payments for legal and other expenses pursuant to this subparagraph, the Underwriters will promptly return all sums that had been advanced pursuant hereto. The indemnity obligations under this Section 7(a) will be in addition to any liability which each such Wynn Party may otherwise have.

(b) Each Underwriter severally and not jointly agrees to indemnify and hold harmless the Wynn Parties, each of their directors, each of their officers who have signed the Registration Statement, and each person, if any, who controls the Wynn Parties within the meaning of the Act, against any losses, claims, damages or liabilities to which the Wynn Parties or any such director, officer or controlling person may become subject under the Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions or proceedings in respect thereof) arise out of or are based upon (i) any untrue statement or alleged untrue statement of any material fact contained in the Registration Statement or any amendment or supplement thereto or the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, or (ii) any untrue statement or alleged untrue statement of any material fact contained in any Preliminary Prospectus or the Prospectus or any amendment or supplement thereto or the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances in which they were made, not misleading, and will reimburse any legal or other expenses reasonably incurred by the Wynn Parties or any such director, officer or controlling person in connection with investigating, defending against or appearing as a third party witness in connection with any such loss, claim, damage, liability, action or proceeding or in responding to a subpoena or governmental inquiry related to the offering of the Notes, whether or not the Wynn Parties or such director, officer or controlling person is a party to any action of proceeding; *provided, however*, that each Underwriter will be liable in each case to the extent, but only to the extent, that such untrue statement or alleged untrue statement or omission or alleged omission has been made in the Registration Statement, any Preliminary Prospectus, the Prospectus or such amendment or supplement, in reliance upon and in conformity with written information furnished to the Wynn Parties by or through the Representatives specifically for use in the preparation thereof. This indemnity agreement will be in addition to any liability which such Underwriter may otherwise have.

(c) In case any proceeding (including any governmental investigation) shall be instituted involving any person in respect of which indemnity may be sought pursuant to this Section 7, such person (the "indemnified party") shall promptly notify the person against whom such indemnity may be sought (the "indemnifying party") in writing. No indemnification provided for in Section 7(a) or (b) shall be available to any party who shall fail to give notice as provided in this Section 7(c) if the party to whom notice was not given was unaware of the proceeding to which such notice would have related and was

materially prejudiced by the failure to give such notice, and the failure to give such notice shall not relieve the indemnifying party or parties from any liability which it or they may have to the indemnified party for contribution or otherwise than on account of the provisions of Section 7(a) or (b). In case any such proceeding shall be brought against any indemnified party and it shall notify the indemnifying party of the commencement thereof, the indemnifying party shall be entitled to participate therein and, to the extent that it shall wish, jointly with any other indemnifying party similarly notified, to assume the defense thereof, with counsel reasonably satisfactory to such indemnified party and shall pay as incurred the reasonable fees and disbursements of such counsel related to such proceeding. In any such proceeding, any indemnified party shall have the right to retain its own counsel at its own expense. Notwithstanding the foregoing, the indemnifying party shall pay as incurred (or within 30 days of presentation) the reasonable fees and expenses of the counsel retained by the indemnified party in the event (i) the indemnifying party and the indemnified party shall have mutually agreed to the retention of such counsel, (ii) the named parties to any such proceeding (including any impleaded parties) include both the indemnifying party and the indemnified party, and the indemnified party shall have reasonably concluded that a conflict may arise between the positions of the indemnifying party and the indemnified party in conducting the defense of any such proceeding or that there may be legal defenses available to it and/or other indemnified parties which are different from or additional to those available to the indemnifying party or (iii) the indemnifying party shall have failed to assume the defense and employ counsel reasonably acceptable to the indemnified party within a reasonable period of time after notice of commencement of the action. It is understood that the indemnifying party shall not, in connection with any proceeding or related proceedings in the same jurisdiction, be liable for the reasonable fees and expenses of more than one separate firm for all such indemnified parties. Such firm shall be designated in writing by you in the case of parties indemnified pursuant to Section 7(a) and by the Wynn Parties in the case of parties indemnified pursuant to Section 7(b). The indemnifying party shall not be liable for any settlement of any proceeding effected without its written consent but if settled with such consent or if there be a final judgment for the plaintiff, the indemnifying party agrees to indemnify the indemnified party from and against any loss or liability by reason of such settlement or judgment. In addition, the indemnifying party will not, without the prior written consent of the indemnified party, settle or compromise or consent to the entry of any judgment in any pending or threatened claim, action or proceeding of which indemnification may be sought hereunder (whether or not any indemnified party is an actual or potential party to such claim, action or proceeding) unless such settlement, compromise or consent includes an unconditional release of each indemnified party from all liability arising out of such claim, action or proceeding.

(d) To the extent the indemnification provided for in this Section 7 is unavailable to or insufficient to hold harmless an indemnified party under Section 7(a) or (b) above in respect of any losses, claims, damages or liabilities (or actions or proceedings in respect thereof) referred to therein, then each indemnifying party shall contribute to the amount paid or payable by such indemnified party as a result of such losses, claims, damages or liabilities (or actions or proceedings in respect thereof) in such proportion as is appropriate to reflect the relative benefits received by the Wynn Parties on the one hand and the Underwriters on the other from the offering of the Notes. If, however, the allocation provided by the immediately preceding sentence is not permitted by applicable law then each indemnifying party shall contribute to such amount paid or payable by such indemnified party in such proportion as is appropriate to reflect not only such relative benefits but also the relative fault of the Wynn Parties on the one hand and the Underwriters on the other in connection with the statements or omissions which resulted in such losses, claims, damages or liabilities (or actions or proceedings in respect thereof), as well as any other relevant equitable considerations. The relative benefits received by the Wynn Parties on the one hand and the Underwriters on the other shall be deemed to be in the same proportion as the total net proceeds from the offering (before deducting expenses) received by the Wynn Parties bear to the total underwriting discounts and commissions received by the Underwriters, in each case as set forth in the table on the cover page of the Prospectus. The relative

22

fault shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Wynn Parties on the one hand or the Underwriters on the other and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission.

The Wynn Parties and the Underwriters agree that it would not be just and equitable if contributions pursuant to this Section 7(d) were determined by pro rata allocation (even if the Underwriters were treated as one entity for such purpose) or by any other method of allocation which does not take account of the equitable considerations referred to above in this Section 7(d). The amount paid or payable by an indemnified party as a result of the losses, claims, damages or liabilities (or actions or proceedings in respect thereof) referred to above in this Section 7(d) shall be deemed to include any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any such action or claim. Notwithstanding the provisions of this subsection (d), (i) no Underwriter shall be required to contribute any amount in excess of the underwriting discounts and commissions applicable to the Notes purchased by such Underwriter and (ii) no person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The Underwriters' obligations in this Section 7(d) to contribute are several in proportion to their respective underwriting obligations and not joint.

(e) Any losses, claims, damages, liabilities or expenses for which an indemnified party is entitled to indemnification or contribution under this Section 7 shall be paid by the indemnifying party to the indemnified party as such losses, claims, damages, liabilities or expenses are incurred. The indemnity and contribution agreements contained in this Section 7 and the representations and warranties of the Wynn Parties set forth in this Agreement shall remain operative and in full force and effect, regardless of (i) any investigation made by or on behalf of any Underwriter or any person controlling any Underwriter, the Wynn Parties, their directors or officers or any persons controlling the Wynn Parties, (ii) acceptance of any Notes and payment therefore hereunder and (iii) any termination of this Agreement. A successor to any Underwriter, or any person controlling any Underwriter, or to the Wynn Parties, their directors or officers, or any person controlling the Wynn Parties, shall be entitled to the benefits of the indemnity, contribution and reimbursement agreements contained in this Section 7.

8. *Default by Underwriters.*

If on the Closing Date any Underwriter shall fail to purchase and pay for the portion of the Notes which such Underwriter has agreed to purchase and pay for on such date (otherwise than by reason of any default on the part of the Wynn Parties), you, as Representatives of the Underwriters, shall use your reasonable efforts to procure within 36 hours thereafter one or more of the other Underwriters, or any others, to purchase from the Issuers such amounts as may be agreed upon and upon the terms set forth herein, the Notes which the defaulting Underwriter or Underwriters failed to purchase. If during such 36 hours you, as such Representatives, shall not have procured such other Underwriters, or any others, to purchase the Notes agreed to be purchased by the defaulting Underwriter or Underwriters, then (a) if the aggregate principal amount of Notes with respect to which such default shall occur does not exceed 10% of the aggregate principal amount of Notes to be purchased on the Closing Date, the other Underwriters shall be obligated, severally, in the proportions that the principal amount of Notes set forth opposite their respective names in Schedule I hereto bears to the aggregate principal amount of Notes set forth opposite the names of all such non-defaulting Underwriters, or in such other proportions as the Representatives may specify, to purchase the Notes which such defaulting Underwriter or Underwriters agreed but failed to purchase on such date, or (b) if the aggregate principal amount of Notes with respect to which such default shall occur exceeds 10% of the aggregate principal amount of Notes to be purchased on the Closing Date, the Wynn Parties or you as the Representatives of the Underwriters shall have the right, by written notice given within the next

23

36-hour period to the parties to this Agreement, to terminate this Agreement without liability on the part of the non-defaulting Underwriters or of the Wynn Parties except to the extent provided in Sections 5 and 8 hereof. In the event of a default by any Underwriter or Underwriters, as set forth in this Section 8, the Closing Date may be postponed for such period, not exceeding seven days, as you, as Representatives, may determine in order that the required changes in the Registration Statement or in the Prospectus or in any other documents or arrangements may be effected. As used in this Agreement, the term "Underwriter" includes any person substituted for a defaulting Underwriter. Any action taken under this Section 8 shall not relieve any defaulting Underwriter from liability in respect of any default of such Underwriter under this Agreement.

9. *Notices.*

All communications hereunder shall be in writing and, except as otherwise provided herein, shall be mailed, delivered, telecopied or telegraphed and confirmed as follows: if to the Underwriters, to Deutsche Bank Securities Inc., 31 West 52nd Street New York, New York 10019; Attention: Syndicate Manager and General Counsel; if to the Wynn Parties, to the Company, care of: Wynn Resorts, Limited, 3145 Las Vegas Boulevard South, Las Vegas, Nevada 89109; Attention: General Counsel.

10. *Termination.* This Agreement may be terminated by you:

(a) by notice to the Company at any time prior to the Closing Date if any of the following has occurred: (i) since the respective dates as of which information is given in the Registration Statement and the Prospectus, in the judgment of the Representatives, any Material Adverse Change or any development that would reasonably be expected to result in a Material Adverse Change, (ii) any attack on, or any outbreak or escalation of hostilities or acts of terrorism involving, the United States or declaration of war or national emergency or other national or international calamity or crisis or change in economic or political conditions if the effect of such attack, outbreak, escalation, acts, declaration, emergency, calamity, crisis or change on the financial markets of the United States would, in the Representatives' judgment, make it impracticable or inadvisable to market the Notes in the manner and on the terms described in the Prospectus or to enforce contracts for the sale of the Notes, (iii) the suspension or material limitation of trading in securities generally or other instruments on the New York Stock Exchange, the American Stock Exchange or the Nasdaq National Market or other exchange or limitation on prices for securities or other instruments on the New York Stock Exchange, the American Stock Exchange or the Nasdaq National Market, (iv) the enactment, publication, decree or other promulgation of any statute, regulation, rule or order of any court or other governmental authority which in your opinion materially and adversely affects or may materially and adversely affect the business or operations of the Wynn Parties, (v) the declaration of a banking moratorium by United States or New York or Nevada state authorities, (vi) any downgrading, or placement on any watch list for possible downgrading, in the rating of any of the Wynn Parties' debt securities by any "nationally recognized statistical rating organization" (as defined for purposes of Rule 436(g) under the Exchange Act), (vii) the suspension of trading of any securities of any of the Wynn Parties or of Wynn Resorts, Limited by any exchange, the Nasdaq National Market, the Commission, or any other governmental authority (viii) the enactment, publication, decree or other promulgation of any statute, regulation, rule or order of any court or other governmental authority which in your opinion materially and adversely affects, or will materially and adversely affect, the business, prospects, financial condition or results of operations of the Wynn Group Members, taken as a whole or (ix) the Wynn Parties shall have sustained a loss by strike, fire, flood, earthquake, accident or other calamity of such character as in the judgment of the Representatives may interfere materially with the conduct of the business and operations of the Wynn Parties regardless of whether or not such loss shall have been insured; or

(b) as provided in Sections 6 and 8 of this Agreement.

24

11. *Successors.*

This Agreement has been and is made solely for the benefit of the Underwriters and the Wynn Parties and their respective successors, executors, administrators, heirs and assigns, and the officers, directors, employees and controlling persons referred to herein, and no other person will have any right or obligation hereunder. No purchaser of any of the Notes from any Underwriter shall be deemed a successor or assign merely because of such purchase.

12. *Information Provided by Underwriters.*

The Wynn Parties and the Underwriters acknowledge and agree that the only information furnished or to be furnished by any Underwriter to the Wynn Parties for inclusion in any Prospectus or the Registration Statement consists of the information set forth in the fourth, and seventh through thirteenth paragraphs under the caption "Underwriting" in the Prospectus.

13. *Partial Enforceability.*

The invalidity or unenforceability of any Section, paragraph or provision of this Agreement shall not affect the validity or enforceability of any other Section, paragraph or provision hereof. If any Section, paragraph or provision of this Agreement is for any reason determined to be invalid or unenforceable, there shall be deemed to be made such minor changes (and only such minor changes) as are necessary to make it valid and enforceable and to effect the original intent of the parties hereto.

14. *Choice of Law; Consent to Jurisdiction.*

THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK. To the fullest extent permitted by applicable law, you hereby irrevocably submit to the nonexclusive jurisdiction of the courts of the State of New York located in the Borough of Manhattan and the United States District Court for the Southern District of New York in respect of any suit, action or proceeding arising out of or relating to the provisions of this Agreement and irrevocably agree that all claims in respect of any such suit, action or proceeding may be heard and determined in any such court. The parties hereto hereby waive, to the fullest extent permitted by applicable law, any objection that they may now or hereafter have to the laying of venue of any such suit, action or proceeding brought in any such court, and any claim that any such suit, action or proceeding brought in any such court has been brought in an inconvenient forum.

15. *Miscellaneous.*

The reimbursement, indemnification and contribution agreements contained in this Agreement and the representations, warranties and covenants in this Agreement shall remain in full force and effect regardless of (a) any termination of this Agreement, (b) any investigation made by or on behalf of any Underwriter or controlling person thereof, or by or on behalf of the Wynn Parties or their directors or officers and (c) delivery of and payment for the Notes under this Agreement.

This Agreement may be executed in two or more counterparts (including by facsimile), each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

If the foregoing letter is in accordance with your understanding of our agreement, please sign and return to us the enclosed duplicates hereof, whereupon it will become a binding agreement among the Wynn Parties and the several Underwriters in accordance with its terms.

NASD AFFILIATIONS

1. From July 1999 to October 2001, Ronald Kramer served as a managing director at Dresdner Kleinwort Wasserstein, Inc. and its predecessor ("Dresdner"). In November 2001, shortly after Mr. Kramer's departure from Dresdner, Dresdner and Mr. Kramer entered into an arrangement providing that if a certain investment banking client with whom Mr. Kramer had developed a relationship while at Dresdner (the "Unrelated Client") consummated a financing, Mr. Kramer would receive a percentage of any net fees the Unrelated Client paid to Dresdner. In exchange, Mr. Kramer agreed to provide certain financial consulting and advisory services to the Unrelated Client. Dresdner also agreed to reimburse Mr. Kramer for any out-of-pocket expenses incurred in the provision of such services. Approximately six months after leaving Dresdner, Mr. Kramer became Director and President of Wynn Resorts, Limited. Ladies and Gentlemen:

The undersigned understands that Deutsche Bank Securities Inc., Bear, Stearns & Co. Inc. and Banc of America Securities LLC, as representatives (the "Representatives") of the several underwriters (the "Underwriters"), propose to enter into an Underwriting Agreement with Wynn Resorts, Limited (the

"Company"), providing for the public offering (the "Public Offering") by the Underwriters, including the Representatives, of common stock (the "Common Stock") of the Company.

To induce the Underwriters that may participate in the Public Offering to continue their efforts in connection with the Public Offering, the undersigned agrees that, without the prior written consent of the Representatives, the undersigned will not, directly or indirectly offer, pledge, sell, contract to sell (including making any short sale or covering any short position), sell any option or contract to purchase, purchase any option or contract to sell, grant any option, right or warrant to purchase, lend or otherwise transfer or dispose of any shares of Common Stock (including, without limitation, shares of Common Stock of the Company that may be deemed to be beneficially owned by the undersigned on the date hereof in accordance with the rules and regulations of the Securities and Exchange Commission, shares of Common Stock that may be issued upon exercise of a stock option or warrant and any other security convertible into or exercisable or exchangeable for Common Stock) or enter into any Hedging Transaction (as defined below) relating to the Common Stock (each of the foregoing referred to as a "Disposition") for a period from the date hereof until and including the date that is 180 days after the date of the final prospectus relating to the Public Offering (the "Lock-Up Period"). The foregoing restriction is expressly intended to preclude the undersigned from engaging in any Hedging Transaction or other transaction that is designed to or reasonably expected to lead to or result in a Disposition during the Lock-Up Period even if the securities would be disposed of by someone other than the undersigned, but is not intended to impose any obligations on the undersigned with respect to any actions by [in Mr. Wynn's agreement: Aruze USA, Inc.] [in Aruze USA, Inc.'s agreement: Stephen A. ARTICLE 2. THE NOTES

Section 2.01 Form and Dating.

(a) *General.* The Notes and the Trustee's certificate of authentication shall be substantially in the form of Exhibit A hereto. The Notes may have notations, legends or endorsements required by law, stock exchange rule or usage. Each Note shall be dated the date of its authentication. The Notes shall be in denominations of \$1,000 and integral multiples thereof.

The terms and provisions contained in the Notes shall constitute, and are hereby expressly made, a part of this Indenture and the Issuers, the Guarantors, the Parent Guarantor and the Trustee, by their execution and delivery of this Indenture, expressly agree to such terms and provisions and to be bound thereby. However, to the extent any provision of any Note conflicts with the express provisions of this Indenture, the provisions of this Indenture shall govern and be controlling.

(b) *Global Notes.* Notes issued in global form shall be substantially in the form of Exhibit A attached hereto (including the Global Note Legend thereon and the "Schedule of Exchanges of Interests in the Global Note" attached thereto). Notes issued in definitive form shall also be substantially in the form of Exhibit A attached hereto (but without the Global Note Legend thereon and without the "Schedule of Exchanges of Interests in the Global Note" attached thereto). Each Global Note shall represent such of the outstanding Notes as shall be specified therein and each shall provide that it represents the aggregate principal amount of outstanding Notes from time to time endorsed thereon and that the aggregate principal amount of outstanding Notes represented thereby may from time to time be reduced or increased, as appropriate, to reflect exchanges and redemptions. Any endorsement of a Global Note to reflect the amount of any increase or decrease in the aggregate principal amount of outstanding Notes represented thereby shall be made by the Trustee or the Custodian, at the direction of the Trustee, in accordance with instructions given by the Holder thereof as required by Section 2.06 hereof.

Section 2.02 Execution and Authentication.

Two Officers on behalf of each of Wynn Las Vegas and Wynn Capital must sign the Notes for the Issuers by manual or facsimile signature.

If an Officer whose signature is on a Note no longer holds that office at the time a Note is authenticated, the Note shall nevertheless be valid.

A Note shall not be valid until authenticated by the manual signature of the Trustee. The signature shall be conclusive evidence that the Note has been authenticated under this Indenture.

The Trustee shall, upon receipt of a written order of the Issuers signed by two Officers of each of Wynn Las Vegas and Wynn Capital (an "*Authentication Order*"), authenticate Notes for original issue up to the aggregate principal amount of the Notes (including Notes to be issued in substitution for outstanding Notes to reflect any name change of either Issuer, by succession permitted hereunder or otherwise).

The Issuers may issue Notes in a maximum aggregate principal amount of (a) \$470.0 million, less (b) the aggregate principal amount of all Indebtedness incurred pursuant to clauses (11) and (12) of Section 4.09(b) hereof, other than through the issuance of Additional Notes under this Indenture. The aggregate principal amount of Notes outstanding at any time may not exceed such maximum amount except as provided in Section 2.07 hereof.

The Trustee may appoint an authenticating agent acceptable to the Issuers to authenticate Notes. An authenticating agent may authenticate Notes whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by such agent. An authenticating agent has the same rights as an Agent to deal with Holders or an Affiliate of the Issuers.

Section 2.03 Registrar and Paying Agent.

The Issuers shall maintain an office or agency where Notes may be presented for registration of transfer or for exchange ("*Registrar*") and an office or agency where Notes may be presented for payment ("*Paying Agent*"). The Registrar shall keep a register of the Notes and of their transfer and exchange. The

Issuers may appoint one or more co-registrars and one or more additional paying agents. The term "Registrar" includes any co-registrar and the term "Paying Agent" includes any additional paying agent. The Issuers may change any Paying Agent or Registrar without notice to any Holder. The Issuers shall notify the Trustee in writing of the name and address of any Agent not a party to this Indenture. If the Issuers fail to appoint or maintain another entity as Registrar or Paying Agent, the Trustee shall act as such. Either or both of the Issuers or any of their Subsidiaries may act as Paying Agent or Registrar.

The Issuers initially appoint The Depository Trust Company ("DTC") to act as Depository with respect to the Global Notes.

The Issuers initially appoint the Trustee to act as the Registrar and Paying Agent and to act as Custodian with respect to the Global Notes.

Section 2.04 *Paying Agent to Hold Money in Trust.*

The Issuers shall require each Paying Agent other than the Trustee to agree in writing that the Paying Agent shall hold in trust for the benefit of Holders or the Trustee all money held by the Paying Agent for the payment of principal, premium, if any, or interest on the Notes, and shall notify the Trustee of any default by the Issuers in making any such payment. While any such default continues, the Trustee may require a Paying Agent to pay all money held by it to the Trustee. The Issuers at any time may require a Paying Agent to pay all money held by it to the Trustee. Upon payment over to the Trustee, the Paying Agent (if other than the Issuers or a Subsidiary thereof) shall have no further liability for the money. If either Issuer or a Subsidiary acts as Paying Agent, it shall segregate and hold

40

in a separate trust fund for the benefit of the Holders all money held by it as Paying Agent. Upon any bankruptcy or reorganization proceedings relating to the Issuers, the Trustee shall serve as Paying Agent for the Notes.

Section 2.05 *Holder Lists.*

The Trustee shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of all Holders and shall otherwise comply with TIA § 312(a). If the Trustee is not the Registrar, the Issuers shall furnish to the Trustee at least seven Business Days before each interest payment date and at such other times as the Trustee may request in writing, a list in such form and as of such date as the Trustee may reasonably require of the names and addresses of the Holders of Notes and the Issuers shall otherwise comply with TIA § 312(a).

Section 2.06 *Transfer and Exchange.*

(a) *Transfer and Exchange of Global Notes.* A Global Note may not be transferred as a whole except by the Depository to a nominee of the Depository, by a nominee of the Depository to the Depository or to another nominee of the Depository, or by the Depository or any such nominee to a successor Depository or a nominee of such successor Depository. All Global Notes shall be exchanged by the Issuers for Definitive Notes if:

(1) Wynn Las Vegas delivers to the Trustee written notice from the Depository that it is unwilling or unable to continue to act as Depository or that it is no longer a clearing agency registered under the Exchange Act and, in either case, a successor Depository is not appointed by Wynn Las Vegas within 90 days after the date of such notice from the Depository; or

(2) following the occurrence and during the continuation of a Default or Event of Default, any Person having a beneficial interest in a Global Note requests that the Global Notes should be exchanged for Definitive Notes and delivers a written notice to such effect to the Trustee.

Upon the occurrence of either of the preceding events in (1) or (2) above, Definitive Notes shall be issued in such names as the Depository shall instruct the Trustee. Global Notes also may be exchanged or replaced, in whole or in part, as provided in Sections 2.07 and 2.10 hereof. Every Note authenticated and delivered in exchange for, or in lieu of, a Global Note or any portion thereof, pursuant to this Section 2.06 or Section 2.07 or 2.10 hereof, shall be authenticated and delivered in the form of, and shall be, a Global Note. A Global Note may not be exchanged for another Note other than as provided in this Section 2.06(a). However, beneficial interests in a Global Note may be transferred and exchanged as provided in Section 2.06(b) or (c) hereof.

Neither Issuer nor the Trustee will be liable for any delay by a Holder of a Global Note or the Depository in identifying the beneficial owners of Notes, except as a result of such Issuer's or Trustee's own negligent action, negligent failure to act or own willful misconduct, as the case may be. In the absence of bad faith on their part, the Issuers and the Trustee may conclusively rely on, and will be protected in relying on written instructions from the Holder of a Global Note or the Depository for all purposes under this Indenture.

(b) *Transfer and Exchange of Beneficial Interests in the Global Notes.* The transfer and exchange of beneficial interests in the Global Notes shall be effected through the Depository, in accordance with the provisions of this Indenture and the Applicable Procedures. Beneficial interests in the Global Notes shall be subject to restrictions on transfer comparable to those set forth herein to the extent required by the Securities Act. Transfers of beneficial interests in the Global Notes also shall require compliance with either subparagraph (1) or (2) below, as applicable, as well as one or more of the other following subparagraphs, as applicable:

(1) *Transfer and Exchange of Beneficial Interests in the Same Global Note.* Beneficial interests in any Global Note may be transferred to Persons who take delivery thereof in the form

41

of a beneficial interest in a Global Note. No written orders or instructions shall be required to be delivered to the Registrar to effect the transfers described in this Section 2.06(b)(1).

(2) *Transfer and Exchange of Beneficial Interests in Global Notes for Definitive Notes.* If any holder of a beneficial interest in a Global Note proposes to exchange such beneficial interest for a Definitive Note or to transfer such beneficial interest to a Person who takes delivery thereof in the form of a Definitive Note, then the Trustee shall cause the aggregate principal amount of the applicable Global Note to be reduced accordingly pursuant to Section 2.06(f) hereof, and the Issuers shall execute and the Trustee shall authenticate and deliver to the Person designated in the instructions a Definitive Note in the appropriate principal amount. Any Definitive Note issued in exchange for a beneficial interest pursuant to this Section 2.06(b)(2) shall be

registered in such name or names and in such authorized denomination or denominations as the holder of such beneficial interest requests through instructions to the Registrar from or through the Depository and the Participant or Indirect Participant.

(c) *Transfer and Exchange of Definitive Notes for Beneficial Interests in Global Notes.* A Holder of a Definitive Note may exchange such Note for a beneficial interest in a Global Note or transfer such Definitive Note to a Person who takes delivery thereof in the form of a beneficial interest in a Global Note at any time. Upon receipt of a request for such an exchange or transfer, the Trustee shall cancel the applicable Definitive Note and increase or cause to be increased the aggregate principal amount of one of the Global Notes.

(d) *Transfer and Exchange of Definitive Notes for Definitive Notes.* Upon request by a Holder of Definitive Notes and such Holder's compliance with the provisions of this Section 2.06(d), the Registrar shall register the transfer or exchange of Definitive Notes. Prior to such registration of transfer or exchange, the requesting Holder must present or surrender to the Registrar the Definitive Notes duly endorsed or accompanied by a written instruction of transfer in form satisfactory to the Registrar duly executed by such Holder or by its attorney, duly authorized in writing. In addition, the requesting Holder must provide any additional certifications, documents and information, as applicable, required pursuant to the Applicable Procedures or reasonably requested by the Issuers to demonstrate compliance by such Holder with applicable law.

(e) *Legends.* The following legends shall appear on the face of all Global Notes and Definitive Notes issued under this Indenture unless specifically stated otherwise in the applicable provisions of this Indenture.

(1) *Global Note Legend.* Each Global Note shall bear a legend in substantially the following form:

"THIS GLOBAL NOTE IS HELD BY THE DEPOSITARY (AS DEFINED IN THE INDENTURE GOVERNING THIS NOTE) OR ITS NOMINEE IN CUSTODY FOR THE BENEFIT OF THE BENEFICIAL OWNERS HEREOF, AND IS NOT TRANSFERABLE TO ANY PERSON UNDER ANY CIRCUMSTANCES EXCEPT THAT (1) THE TRUSTEE MAY MAKE SUCH NOTATIONS HEREON AS MAY BE REQUIRED PURSUANT TO SECTION 2.06 OF THE INDENTURE, (2) THIS GLOBAL NOTE MAY BE EXCHANGED IN WHOLE BUT NOT IN PART PURSUANT TO SECTION 2.06(a) OF THE INDENTURE, (3) THIS GLOBAL NOTE MAY BE DELIVERED TO THE TRUSTEE FOR CANCELLATION PURSUANT TO SECTION 2.11 OF THE INDENTURE AND (4) THIS GLOBAL NOTE MAY BE TRANSFERRED TO A SUCCESSOR DEPOSITARY WITH THE PRIOR WRITTEN CONSENT OF WYNN LAS VEGAS, LLC AND WYNN LAS VEGAS CAPITAL CORP.

42

UNLESS AND UNTIL IT IS EXCHANGED IN WHOLE OR IN PART FOR NOTES IN DEFINITIVE FORM, THIS NOTE MAY NOT BE TRANSFERRED EXCEPT AS A WHOLE BY THE DEPOSITARY TO A NOMINEE OF THE DEPOSITARY OR BY A NOMINEE OF THE DEPOSITARY TO THE DEPOSITARY OR ANOTHER NOMINEE OF THE DEPOSITARY OR BY THE DEPOSITARY OR ANY SUCH NOMINEE TO A SUCCESSOR DEPOSITARY OR A NOMINEE OF SUCH SUCCESSOR DEPOSITARY. UNLESS THIS CERTIFICATE IS PRESENTED BY AN AUTHORIZED REPRESENTATIVE OF THE DEPOSITARY TRUST COMPANY (55 WATER STREET, NEW YORK, NEW YORK) ("DTC"), TO THE ISSUERS OR THEIR AGENT FOR REGISTRATION OF TRANSFER, EXCHANGE OR PAYMENT, AND ANY CERTIFICATE ISSUED IS REGISTERED IN THE NAME OF CEDE & CO. OR SUCH OTHER NAME AS MAY BE REQUESTED BY AN AUTHORIZED REPRESENTATIVE OF DTC (AND ANY PAYMENT IS MADE TO CEDE & CO. OR SUCH OTHER ENTITY AS MAY BE REQUESTED BY AN AUTHORIZED REPRESENTATIVE OF DTC), ANY TRANSFER, PLEDGE OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL INASMUCH AS THE REGISTERED OWNER HEREOF, CEDE & CO., HAS AN INTEREST HEREIN."

(f) *Cancellation and/or Adjustment of Global Notes.* At such time as all beneficial interests in a particular Global Note have been exchanged for Definitive Notes or a particular Global Note has been redeemed, repurchased or canceled in whole and not in part, each such Global Note shall be returned to or retained and canceled by the Trustee in accordance with Section 2.11 hereof. At any time prior to such cancellation, if any beneficial interest in a Global Note is exchanged for or transferred to a Person who shall take delivery thereof in the form of a beneficial interest in another Global Note or for Definitive Notes, the principal amount of Notes represented by such Global Note shall be reduced accordingly and an endorsement shall be made on such Global Note by the Trustee or by the Depository at the direction of the Trustee to reflect such reduction; and if the beneficial interest is being exchanged for or transferred to a Person who shall take delivery thereof in the form of a beneficial interest in another Global Note, such other Global Note shall be increased accordingly and an endorsement shall be made on such Global Note by the Trustee or by the Depository at the direction of the Trustee to reflect such increase.

(g) *General Provisions Relating to Transfers and Exchanges.*

(1) To permit registrations of transfers and exchanges, the Issuers shall execute and the Trustee shall authenticate Global Notes and Definitive Notes upon receipt of an Authentication Order in accordance with Section 2.02 or at the Registrar's request.

(2) No service charge shall be made to a Holder of a Global Note or to a Holder of a Definitive Note for any registration of transfer or exchange, but the Issuers may require payment of a sum sufficient to cover any transfer tax or similar governmental charge payable in connection therewith (other than any such transfer taxes or similar governmental charge payable upon exchange or transfer pursuant to Sections 2.10, 3.06, 3.10, 4.10, 4.15, 4.16 and 9.05 hereof).

(3) The Registrar shall not be required to register the transfer of or exchange any Note selected for redemption in whole or in part, except the unredeemed portion of any Note being redeemed in part.

(4) All Global Notes and Definitive Notes issued upon any registration of transfer or exchange of Global Notes or Definitive Notes shall be the valid obligations of the Issuers, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Global Notes or Definitive Notes surrendered upon such registration of transfer or exchange.

43

(5) The Issuers shall not be required:

(A) to issue, to register the transfer of or to exchange any Notes during a period beginning at the opening of business 15 days before the day of any selection of Notes for redemption under Section 3.02 hereof and ending at the close of business on the day of selection;

(B) to register the transfer of or to exchange any Note selected for redemption in whole or in part, except the unredeemed portion of any Note being redeemed in part; or

(C) to register the transfer of or to exchange a Note between a record date and the next succeeding interest payment date.

(6) Prior to due presentment for the registration of a transfer of any Note, the Trustee, any Agent and the Issuers may deem and treat the Person in whose name any Note is registered as the absolute owner of such Note for the purpose of receiving payment of principal of and interest on such Notes and for all other purposes, and none of the Trustee, any Agent or the Issuers shall be affected by notice to the contrary.

(7) The Trustee shall authenticate Global Notes and Definitive Notes in accordance with the provisions of Section 2.02 hereof.

(8) All certifications and certificates required to be submitted to the Registrar pursuant to this Section 2.06 to effect a registration of transfer or exchange may be submitted by facsimile.

Section 2.07 *Replacement Notes.*

If any mutilated Note is surrendered to the Trustee or the Issuers and the Trustee receives evidence to its satisfaction of the destruction, loss or theft of any Note, the Issuers shall issue and the Trustee, upon receipt of an Authentication Order, shall authenticate a replacement Note if the Trustee's requirements are met. If required by the Trustee or the Issuers, an indemnity bond must be supplied by the Holder that is sufficient in the judgment of the Trustee and the Issuers to protect the Issuers, the Trustee, any Agent and any authenticating agent from any loss that any of them may suffer if a Note is replaced. The Issuers may charge for their expenses in replacing a Note.

Every replacement Note is an additional obligation of the Issuers and shall be entitled to all of the benefits of this Indenture equally and proportionately with all other Notes duly issued hereunder.

Section 2.08 *Outstanding Notes.*

The Notes outstanding at any time are all the Notes authenticated by the Trustee except for those canceled by it, those delivered to it for cancellation, those reductions in the interest in a Global Note effected by the Trustee in accordance with the provisions hereof, and those described in this Section 2.08 as not outstanding. Except as set forth in Section 2.09 hereof, a Note does not cease to be outstanding because the Issuers or an Affiliate of either Issuer holds the Note.

If a Note is replaced pursuant to Section 2.07 hereof, it ceases to be outstanding unless the Trustee receives proof satisfactory to it that the replaced Note is held by a protected purchaser.

If the principal amount of any Note is considered paid under Section 4.01 hereof, it ceases to be outstanding and interest on it ceases to accrue.

If the Paying Agent (other than an Issuer, a Subsidiary of an Issuer or an Affiliate of any thereof) holds, on a redemption date or maturity date, money sufficient to pay Notes payable on that date, then on and after that date such Notes shall be deemed to be no longer outstanding and shall cease to accrue interest.

Section 2.09 *Treasury Notes.*

In determining whether the Holders of the required principal amount of Notes have concurred in any direction, waiver or consent, Notes owned by the Issuers, or any of their Affiliates, shall be considered as though not outstanding, except that for the purposes of determining whether the Trustee shall be protected in relying on any such direction, waiver or consent, only Notes that the Trustee knows are so owned shall be so disregarded.

Section 2.10 *Temporary Notes.*

Until certificates representing Notes are ready for delivery, the Issuers may prepare and the Trustee, upon receipt of an Authentication Order, shall authenticate temporary Notes. Temporary Notes shall be substantially in the form of certificated Notes but may have variations that the Issuers consider appropriate for temporary Notes and as may be reasonably acceptable to the Trustee. Without unreasonable delay, the Issuers shall prepare and the Trustee shall authenticate Definitive Notes in exchange for temporary Notes.

Holders of temporary Notes shall be entitled to all of the benefits of this Indenture.

Section 2.11 *Cancellation.*

The Issuers at any time may deliver Notes to the Trustee for cancellation. The Registrar and Paying Agent shall forward to the Trustee any Notes surrendered to them for registration of transfer, exchange or payment. The Trustee and no one else shall cancel all Notes surrendered for registration of transfer, exchange, payment, replacement or cancellation and shall destroy canceled Notes in its customary manner (subject to the record retention requirement of the Exchange Act). Certification of the destruction of all canceled Notes shall be delivered to the Issuers. The Issuers may not issue new Notes to replace Notes that they have paid or that have been delivered to the Trustee for cancellation.

Section 2.12 *Defaulted Interest.*

If the Issuers default in a payment of interest on the Notes, they shall pay the defaulted interest in any lawful manner plus, to the extent lawful, interest payable on the defaulted interest, to the Persons who are Holders on a subsequent special record date, in each case at the rate provided in the Notes and in Section 4.01 hereof. The Issuers shall notify the Trustee in writing of the amount of defaulted interest proposed to be paid on each Note and the date of the proposed payment. The Issuers shall fix or cause to be fixed each such special record date and payment date, *provided* that no such special record date may be less

than 10 days prior to the related payment date for such defaulted interest. At least 15 days before the special record date, the Issuers (or, upon the written request of the Issuers, the Trustee in the name and at the expense of the Issuers) shall mail or cause to be mailed to Holders a notice that states the special record date, the related payment date and the amount of such interest to be paid.

ARTICLE 3. REDEMPTION AND PREPAYMENT

Section 3.01 *Notices to Trustee.*

If the Issuers elect to redeem Notes pursuant to the optional redemption provisions of Section 3.07 hereof, they must furnish to the Trustee, at least 30 days but not more than 60 days before a redemption date, an Officers' Certificate setting forth:

- (a) the clause of this Indenture pursuant to which the redemption shall occur;
- (b) the redemption date;
- (c) the principal amount of Notes to be redeemed; and

45

- (d) the redemption price.

Section 3.02 *Selection of Notes to Be Redeemed or Purchased.*

If less than all of the Notes are to be redeemed or purchased in an offer to purchase at any time, the Trustee shall select Notes for redemption or purchase as follows:

- (a) if the Notes are listed on any national securities exchange, in compliance with the requirements of the principal national securities exchange on which the Notes are listed; or
- (b) if the Notes are not listed on any national securities exchange, on a *pro rata* basis, by lot or by such method as the Trustee shall deem fair and appropriate.

In the event of partial redemption or purchase by lot, the particular Notes to be redeemed or purchased shall be selected, unless otherwise provided herein, not less than 30 nor more than 60 days prior to the redemption or purchase date by the Trustee from the outstanding Notes not previously called for redemption or purchase.

The Trustee shall promptly notify the Issuers in writing of the Notes selected for redemption or purchase and, in the case of any Note selected for partial redemption or purchase, the principal amount thereof to be redeemed or purchased. Notes and portions of Notes selected shall be in amounts of \$1,000 or whole multiples of \$1,000; *provided, however*, that if all of the Notes of a Holder are to be redeemed or purchased, the entire outstanding amount of Notes held by such Holder, even if not a multiple of \$1,000, shall be redeemed or purchased. Except as provided in the preceding sentence, provisions of this Indenture that apply to Notes called for redemption or purchase also apply to portions of Notes called for redemption or purchase.

Section 3.03 *Notice of Redemption.*

Subject to the provisions of Section 3.10 hereof, at least 30 days but not more than 60 days before a redemption date, the Issuers shall mail or cause to be mailed, by first class mail, a notice of redemption to each Holder whose Notes are to be redeemed at its registered address, except that redemption notices may be mailed more than 60 days prior to a redemption date if the notice is issued in connection with a defeasance of the Notes or a satisfaction and discharge of this Indenture pursuant to Articles 8 or 12 of this Indenture.

The notice shall identify the Notes to be redeemed and shall state:

- (a) the redemption date;
- (b) the redemption price;
- (c) if any Note is being redeemed in part, the portion of the principal amount of such Note to be redeemed and that, after the redemption date upon surrender of such Note, a new Note or Notes in principal amount equal to the unredeemed portion shall be issued upon cancellation of the original Note;
- (d) the name and address of the Paying Agent;
- (e) that Notes called for redemption must be surrendered to the Paying Agent to collect the redemption price;
- (f) that, unless the Issuers default in making such redemption payment, interest on Notes called for redemption ceases to accrue on and after the redemption date;
- (g) the paragraph of the Notes and/or Section of this Indenture pursuant to which the Notes called for redemption are being redeemed; and

46

- (h) that no representation is made as to the correctness or accuracy of the CUSIP number, if any, listed in such notice or printed on the Notes.

At the Issuers' request, the Trustee shall give the notice of redemption in the Issuers' name and at their expense; *provided, however*, that the Issuers have delivered to the Trustee, at least 45 days prior to the redemption date, an Officers' Certificate requesting that the Trustee give such notice and setting forth the information to be stated in such notice as provided in the preceding paragraph.

Section 3.04 Effect of Notice of Redemption.

Once notice of redemption is mailed in accordance with Section 3.03 hereof, Notes called for redemption become irrevocably due and payable on the redemption date at the redemption price. A notice of redemption may not be conditional.

Section 3.05 Deposit of Redemption or Purchase Price.

On or before 11:00 a.m. (New York City time) on the redemption or purchase price date, the Issuers shall deposit with the Trustee or with the Paying Agent money sufficient to pay the redemption or purchase price of and accrued interest and premium, if any, on all Notes to be redeemed or purchased on that date. The Trustee or the Paying Agent shall promptly return to the Issuers any money deposited with the Trustee or the Paying Agent by the Issuers in excess of the amounts necessary to pay the redemption or purchase price of, and accrued interest and premium, if any, on, all Notes to be redeemed or purchased.

If the Issuers comply with the provisions of the preceding paragraph, on and after the redemption or purchase date, interest shall cease to accrue on the Notes or the portions of Notes called for redemption or purchase. If a Note is redeemed or purchased on or after an interest record date but on or prior to the related interest payment date, then any accrued and unpaid interest shall be paid to the Person in whose name such Note was registered at the close of business on such record date. If any Note called for redemption or purchase is not so paid upon surrender for redemption or purchase because of the failure of the Issuers to comply with the preceding paragraph, interest shall be paid on the unpaid principal, from the redemption or purchase date until such principal is paid, and to the extent lawful on any interest not paid on such unpaid principal, in each case at the rate provided in the Notes and in Section 4.01 hereof.

Section 3.06 Notes Redeemed or Purchased in Part.

Upon surrender of a Note that is redeemed or purchased in part, the Issuers shall issue and, upon receipt of an Authentication Order, the Trustee shall authenticate for the Holder at the expense of the Issuers a new Note equal in principal amount to the unredeemed or unpurchased portion of the Note surrendered.

Section 3.07 Optional Redemption.

(a) At any time prior to November 1, 2005, the Issuers may on any one or more occasions redeem up to 35% of the aggregate principal amount of Notes issued under this Indenture at a redemption price of 112.0% of the principal amount redeemed, plus accrued and unpaid interest thereon to the redemption date, with the net cash proceeds of one or more Qualified Equity Offerings (other than the IPO), so long as:

- (1) at least 65% of the aggregate principal amount of Notes issued under this Indenture remains outstanding immediately after the occurrence of such redemption (excluding Notes held by Wynn Resorts, any of its Affiliates, any of their respective employees or the Existing Stockholders); and
- (2) the redemption must occur within 60 days of the date of the closing of such Qualified Equity Offering.

(b) Except pursuant to Section 3.07(a) and Section 3.09, the Notes are not redeemable at the Issuers' option prior to November 1, 2006.

(c) After November 1, 2006, the Issuers may redeem all or a part of the Notes upon not less than 30 nor more than 60 days' notice, at the redemption prices (expressed as percentages of principal amount) set forth below plus accrued and unpaid interest on the Notes redeemed, to the applicable redemption date, if redeemed during the twelve-month period beginning on November 1 of the years indicated below:

| <u>Year</u> | <u>Percentage</u> |
|---------------------|-------------------|
| 2006 | 112.00% |
| 2007 | 108.00% |

Section 3.10 *Offer to Purchase by Application of Excess Proceeds.*

In the event that, pursuant to Section 4.10 or 4.16 hereof, Wynn Las Vegas is required to commence an Asset Sale Offer or an Event of Loss Offer (each Asset Sale Offer or Event of Loss Offer is referred to in this Section 3.10 as an "*Excess Proceeds Offer*"), it shall follow the procedures specified below.

The Excess Proceeds Offer shall be made to all Holders. The Excess Proceeds Offer shall remain open for a period of at least 20 Business Days following its commencement and not more than 30 Business Days, except to the extent that a longer period is required by applicable law (the "*Offer Period*"). No later than three Business Days after the termination of the Offer Period (the "*Purchase Date*"), Wynn Las Vegas shall apply all Excess Proceeds (the "*Offer Amount*") to the purchase of Notes (if the Notes are listed on any national securities exchange, in compliance with the requirements of the principal securities exchange on which the Notes are listed, or, if the Notes are not listed on any national securities exchange, on a *pro rata* basis, by lot or by any other method the Trustee deems fair and appropriate, if applicable) or, if less than the Offer Amount has been tendered, all Notes tendered in response to the Excess Proceeds Offer. Payment for any Notes so purchased shall be made in the same manner as interest payments are made.

If the Purchase Date is on or after an interest record date and on or before the related interest payment date, any accrued and unpaid interest shall be paid to the Person in whose name a Note is registered at the close of business on such record date, and no additional interest shall be payable to Holders who tender Notes pursuant to the Excess Proceeds Offer.

Wynn Las Vegas shall provide the Trustee with notice of the Excess Proceeds Offer at least 10 days (or such lesser time as the Trustee shall permit) prior to its commencement. Upon the commencement of an Excess Proceeds Offer, Wynn Las Vegas shall send, by first class mail, a notice to each of the Holders, with a copy to the Trustee. The notice shall contain all instructions and materials necessary to enable such Holders to tender Notes pursuant to the Excess Proceeds Offer. The notice, which shall govern the terms of the Excess Proceeds Offer, shall state:

(a) that the Excess Proceeds Offer is being made pursuant to this Section 3.10 and Section 4.10 or Section 4.16 hereof, as appropriate, and the length of time the Excess Proceeds Offer shall remain open;

(b) the Offer Amount, the purchase price and the Purchase Date;

(c) that any Note not tendered or accepted for payment shall continue to accrue interest;

(d) that, unless Wynn Las Vegas defaults in making such payment, any Note accepted for payment pursuant to the Excess Proceeds Offer shall cease to accrue interest after the Purchase Date;

49

(e) that Holders electing to have a Note purchased pursuant to an Excess Proceeds Offer may elect to have Notes purchased in integral multiples of \$1,000 only;

(f) that Holders electing to have a Note purchased pursuant to any Excess Proceeds Offer shall be required to surrender the Note, with the form entitled "Option of Holder to Elect Purchase" on the reverse of the Note completed, or transfer by book-entry transfer, to Wynn Las Vegas, the Depository, if appointed by Wynn Las Vegas, or a Paying Agent at the address specified in the notice at least three days before the Purchase Date;

(g) that Holders shall be entitled to withdraw their election if Wynn Las Vegas, the Depository or the Paying Agent, as the case may be, receives, not later than the expiration of the Offer Period, a telegram, telex, facsimile transmission or letter setting forth the name of the Holder, the principal amount of the Note the Holder delivered for purchase and a statement that such Holder is withdrawing his election to have such Note purchased; *provided* that, with respect to Notes that have been tendered using the procedure for book-entry transfer, any such notice of withdrawal shall specify the name number of the account at The Depository Trust Company to be credited with the withdrawn Notes and shall otherwise comply with the procedures of the book-entry transfer facility;

(h) that, if the aggregate principal amount of Notes surrendered by Holders exceeds the Offer Amount, Wynn Las Vegas shall select the Notes to be purchased, if the Notes are listed on any national securities exchange, in compliance with the requirements of the principal securities exchange on which the Notes are listed, or if the Notes are not listed on any national securities exchange, on a *pro rata* basis, by lot or by any other method the Trustee deems fair and appropriate (with such adjustments as may be deemed appropriate by Wynn Las Vegas so that only Notes in denominations of \$1,000, or integral multiples thereof, shall be purchased); and

(i) that Holders whose Notes were purchased only in part shall be issued new Notes equal in principal amount to the unpurchased portion of the Notes surrendered (or transferred by book-entry transfer).

On or before the Purchase Date, Wynn Las Vegas shall, to the extent lawful, accept for payment, if the Notes are listed on any national securities exchange, in compliance with the requirements of the principal securities exchange on which the Notes are listed, or if the Notes are not listed on any national securities exchange, on a *pro rata* basis, by lot or by any other method the Trustee deems fair and appropriate, to the extent necessary, the Offer Amount of Notes or portions thereof tendered pursuant to the Excess Proceeds Offer, or if less than the Offer Amount has been tendered, all Notes tendered, and shall deliver to the Trustee an Officers' Certificate stating that such Notes or portions thereof were accepted for payment by Wynn Las Vegas in accordance with the terms of this Section 3.10. Wynn Las Vegas, the Depository or the Paying Agent, as the case may be, shall promptly (but in any case not later than five days after the Purchase Date) mail or deliver to each tendering Holder an amount equal to the purchase price of the Notes tendered by such Holder and accepted by Wynn Las Vegas for purchase, and Wynn Las Vegas shall promptly issue a new Note, and the Trustee, upon written request from Wynn Las Vegas shall authenticate and mail or deliver such new Note to such Holder, in a principal amount equal to any unpurchased portion of the Note surrendered. Any Note not so accepted shall be promptly mailed or delivered by Wynn Las Vegas to the Holder thereof. Wynn Las Vegas shall publicly announce the results of the Excess Proceeds Offer on the Purchase Date.

Other than as specifically provided in this Section 3.10, any purchase pursuant to this Section 3.10 shall be made pursuant to the provisions of Sections 3.01 through 3.06 hereof.

The Issuers may also from time to time designate one or more other offices or agencies where the Notes may be presented or surrendered for any or all such purposes and may from time to time rescind such designations; *provided, however*, that no such designation or rescission shall in any manner relieve the Issuers of their obligation to maintain an office or agency in the Borough of Manhattan, the City of New York for such purposes. The Issuers shall give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

(iii) to the extent such Net New Equity Proceeds are derived from the incurrence of any Project Related Indebtedness, unless at the time of any proposed Restricted Payment to be made based upon amounts available for Restricted Payments under subclause (iii) of this clause (B), and pro forma for such Restricted Payment, Wynn Las Vegas would have been able to incur \$1.00 of additional Indebtedness pursuant to the Fixed Charge Coverage Ratio test set forth in Section 4.09(a) hereof, except that, solely for purposes of calculating the Fixed Charge Coverage Ratio under this subclause (iii), the Fixed Charges of Wynn Resorts shall be included as a Fixed Charge in the calculation of "Fixed Charges,"

(D) 100% of any cash dividends or cash distributions received by Wynn Las Vegas or any of its Restricted Subsidiaries after the date of this Indenture from an Unrestricted Subsidiary of Wynn Las Vegas, *plus*

(E) to the extent that any Unrestricted Subsidiary of Wynn Las Vegas is redesignated as a Restricted Subsidiary after the date of this Indenture, the lesser of (i) the fair market value of Wynn Las Vegas's Investment in such Subsidiary as of the date of such redesignation or (ii) such fair market value as of the date on which such Subsidiary was originally designated as an Unrestricted Subsidiary.

(b) With respect to (1) any payments made pursuant to clauses (1), (2), (3), (6), (7), (8), (9), (11), (12), (13), (14), (15) and (16) below, so long as no Default or Event of Default has occurred and is continuing or would be caused by the payments, and (2) any payments made pursuant to clauses (4), (5) and (10) below, regardless of whether any Default or Event of Default has occurred and is continuing or would be caused by the payment, the preceding provisions of this Section 4.07 shall not prohibit:

otherwise become directly or indirectly liable, contingently or otherwise, with respect to (collectively, "incur") any Indebtedness (including Acquired Debt), or (ii) issue any Disqualified Stock or shares of preferred stock; *provided, however*, Wynn Las Vegas and its Restricted Subsidiaries may incur Indebtedness (including Acquired Debt), if (i) the Opening Date has occurred and (ii) the Fixed Charge Coverage Ratio of Wynn Las Vegas for Wynn Las Vegas' most recently ended four full fiscal quarters following the Opening Date for which internal financial statements are available immediately preceding the date on which such additional Indebtedness is incurred (the "*Reference Period*") would have been at least 2.0 to 1.0, determined on a pro forma basis, including a pro forma application of the net proceeds from the Indebtedness, as if the additional Indebtedness had been incurred at the beginning of such four-quarter period.

(b) The provisions of Section 4.09(a) shall not prohibit the incurrence of any of the following items of Indebtedness so long as no Default or Event of Default has occurred and is continuing or would result therefrom (collectively, "*Permitted Debt*");

- (1) the incurrence by Wynn Las Vegas and any of its Restricted Subsidiaries of Indebtedness under the Credit Agreement in an aggregate principal amount (with letters of credit being deemed to have a principal amount equal to the sum of the face amount thereof and related unpaid reimbursement obligations) not to exceed an amount equal to (a) \$1.0 billion *less* (b) the aggregate amount of all prepayments of principal Indebtedness that result in permanent reductions of the commitments under the Credit Agreement;

(4) the incurrence of intercompany Indebtedness (i) between or among Wynn Las Vegas and/or its Restricted Subsidiaries, (ii) between or among Valvino Lamore and Wynn Resorts Holdings, (iii) between or among the Wynn Group Entities and (iv) the incurrence by the Restricted Entities or any of their respective Restricted Subsidiaries of intercompany Indebtedness (to the extent that Wynn Las Vegas, any of its Restricted Subsidiaries, or, as the case may be, the applicable Restricted Entity, would be permitted to make loans giving rise to, or otherwise hold, such Indebtedness as a Restricted Payment under Section 4.07 hereof) owing to Wynn Las Vegas or any of its Restricted Subsidiaries, so long as:

(a) if Wynn Las Vegas or any Guarantor is the obligor on the Indebtedness, the Indebtedness is expressly subordinated in right of payment to the prior payment in full in cash of all Obligations with respect to the Notes, in the case of the Wynn Las Vegas, or its guarantee under the Guarantee and Collateral Agreement to which it is a party, in the case of a Guarantor; *provided, however*, that no Indebtedness of Wynn Las Vegas or any Guarantor shall be deemed to be contractually subordinated in right of payment to any other Indebtedness of Wynn Las Vegas or any such Guarantor solely by virtue of being unsecured;

(b) (i) any subsequent issuance or transfer of Equity Interests that results in any such Indebtedness being held by a Person other than a Guarantor or Wynn Las Vegas or a Restricted Subsidiary thereof, and (ii) any sale or other transfer of any such Indebtedness to a Person that is neither Wynn Las Vegas nor a Restricted Subsidiary thereof nor any Guarantor

58

shall be deemed, in each case, to constitute an incurrence of such Indebtedness by Wynn Las Vegas, such Restricted Entity or such Restricted Subsidiary, as the case may be, that was not permitted by this clause (4); and

(c) in the case of any Indebtedness incurred pursuant to clause (iv) above, such Indebtedness is permitted to be incurred as a Restricted Payment under Section 4.07 hereof, and, for purposes of Section 4.07 hereof, the obligee or payee on such Indebtedness shall be deemed to have a Restricted Payment on the date on which such Indebtedness is incurred in an amount equal to the principal amount of the Indebtedness incurred on such date (or, if less, the principal amount of such Indebtedness from time to time outstanding);

(5) the incurrence by Wynn Las Vegas, the Restricted Entities or any of their respective Restricted Subsidiaries of Hedging Obligations that are incurred for the purpose of fixing or hedging interest rate risk with respect to any floating rate Indebtedness that is permitted by the terms of this Indenture to be outstanding;

(6) the incurrence by Wynn Las Vegas, the Restricted Entities or any of their respective Restricted Subsidiaries of Indebtedness solely in respect of performance, surety, appeal or similar bonds or standby letters of credit, so long as the aggregate amount of all such bonds and standby letters of credit is not greater than \$20.0 million at any time outstanding;

(7) the incurrence by Wynn Las Vegas, any Restricted Entity or any of their respective Restricted Subsidiaries of FF&E Financing or Indebtedness represented by Capital Lease Obligations, mortgage financings or purchase money obligations, including the FF&E Facility in each case, incurred for the purpose of financing all or part of the purchase price or cost of construction or improvement of property, plant or equipment used in the Project by Wynn Las Vegas or any of its Restricted Subsidiaries, so long as:

(a) the principal amount of such Indebtedness does not exceed the cost (including sales and excise taxes, installation and delivery charges and other direct costs of, and other direct expenses paid or charged in connection with, such purchase) of the FF&E or other assets purchased or leased with the proceeds thereof,

(b) unless such Indebtedness is unsecured or is incurred under the FF&E Facility, as in effect of the date of this Indenture, not less than 70% of the aggregate fair market value of the purchase or lease costs of such FF&E or other assets is paid with the proceeds of Indebtedness incurred under this clause (7), and

(c) the aggregate principal amount of such Indebtedness, including all Permitted Refinancing Indebtedness incurred to refund, refinance or replace any Indebtedness incurred pursuant to this clause (7), does not exceed an amount outstanding at any time equal to the greater of:

(1) \$188.5 million (or \$198.5 million from and after the Aircraft Refinancing Date, so long as such additional \$10.0 million of Indebtedness is used solely to repay Replacement Aircraft Indebtedness) *less* (i) the aggregate amount of all prepayments of principal made under the FF&E Facility, *less* (ii) permanent commitment reductions under the FF&E Facility resulting from the application of Asset Sale or Event of Loss proceeds, and

(2) \$100.0 million,

(8) (i) the Guarantee by Wynn Las Vegas, any Restricted Entity or any of their Restricted Subsidiaries of Indebtedness of any other of Wynn Las Vegas and any of its Restricted Subsidiaries, (ii) the Guarantee by Valvino Lamore or Wynn Resorts Holdings of Indebtedness of Wynn Resorts Holdings or Valvino Lamore or Wynn Las Vegas or any of its Restricted

59

Subsidiaries, as the case may be, or (iii) the Guarantee by any Wynn Group Entity of Indebtedness of Wynn Las Vegas, any Restricted Entity, and any of their respective Restricted Subsidiaries, in each case, to the extent the Indebtedness to be Guaranteed is permitted to be incurred by such other entity by another provision of this Section 4.09;

(9) the incurrence by Wynn Las Vegas or any of its Restricted Subsidiaries of Indebtedness in connection with the repurchase, redemption or other acquisition or retirement for value of Equity Interests of Wynn Resorts or any Restricted Entity permitted pursuant to clause (6) of Section 4.07(b) hereof;

(10) the incurrence or issuance by Wynn Las Vegas' Unrestricted Subsidiaries of Nonrecourse Debt; *provided, however*, that if any such Indebtedness ceases to be Non-Recourse Debt of an Unrestricted Subsidiary (but continues to be Indebtedness of a Subsidiary of Wynn Las Vegas), such event shall be deemed to constitute an incurrence of Indebtedness by a Restricted Subsidiary of Wynn Las Vegas that was not permitted by this clause (10);

(11) the incurrence by Wynn Las Vegas or any of its Restricted Subsidiaries of additional Indebtedness (so long as such Indebtedness is incurred under the Credit Agreement or through the issuance of Additional Notes under this Indenture, or is unsecured Indebtedness) to be used to develop and construct an Entertainment Facility on land included in the Project (other than the Golf Course Land) in an aggregate principal amount (or original accreted value, as applicable) at any time not to exceed the lesser of (a) \$50.0 million and (b) 200% of the Net New Equity Proceeds received by Wynn Las Vegas or any of its Restricted Subsidiaries since the date of this Indenture and used to develop and construct such Entertainment Facility, *excluding* any Net New Equity Proceeds to the extent those proceeds are:

- (a) utilized as a basis for incurring Indebtedness pursuant to clause (12) below,
- (b) used to make Restricted Payments under clause (4)(B) of Section 4.07(a) hereof, or clause (2) or (3) of Section 4.07(b) hereof, or
- (c) used to make Permitted Investments of the type permitted by clause (5) of the definition of Permitted Investments;

(12) the incurrence by Wynn Las Vegas or any of its Restricted Subsidiaries of additional Indebtedness (so long as such Indebtedness is incurred under the Credit Agreement or the FF&E Facility or through the issuance of Additional Notes under this Indenture, or is unsecured Indebtedness) in an aggregate principal amount (or initial accreted value, as applicable) at any time outstanding incurred pursuant to this clause (12), not to exceed \$50.0 million, so long as Indebtedness incurred pursuant to this clause (12) prior to the Completion Date is matched dollar for dollar, by additional Net New Equity Proceeds received by Wynn Las Vegas or any of its Restricted Subsidiaries since the date of this Indenture, *excluding* any Net New Equity Proceeds to the extent those proceeds are:

- (a) utilized as a basis for incurring Indebtedness pursuant to clause (11) above,
- (b) used to make Restricted Payments under clause 4(B) of the Section 4.07(a) hereof, or clause (2) or (3) of Section 4.07(b) hereof, or

60

performance bonds, guaranties, trade letters of credit, bankers' acceptances or similar instruments issued by Person other than Wynn Resorts, any Restricted Entity or any of their respective Restricted Subsidiaries for the benefit of a trade creditor of any such Person, in an aggregate amount not to exceed \$10.0 million at any time outstanding so long as:

- (a) such Indebtedness is incurred in the ordinary course of business; and
- (b) the obligations of Wynn Las Vegas, any Restricted Entity or the applicable Restricted Subsidiary, as the case may be, supported by such performance bonds, guaranties, trade letters of credit, bankers' acceptances or similar instruments (1) consist solely of payment obligations with respect to costs incurred in accordance with the Project Budget which would otherwise be permitted to be paid by the applicable entity pursuant to the Disbursement Agreement, (2) are secured, and (3) are secured solely by Liens permitted by clause (22) of the definition of "Permitted Liens."

(c) Neither Wynn Las Vegas nor any Guarantor shall incur any Indebtedness (including Permitted Debt) that is contractually subordinated in right of payment to any other Indebtedness of Wynn Las Vegas or such Guarantor unless such Indebtedness is also contractually subordinated (except for the priority of Permitted Liens and except as otherwise contemplated by the Intercreditor Agreements) in right of payment to the Notes, in the case of Wynn Las Vegas, or the Note Guarantee contained in its Guarantee and Collateral Agreement, in the case of a Guarantor on substantially identical terms. No Indebtedness of Wynn Las Vegas or any Guarantor shall be deemed to be contractually subordinated in right of payment to any other Indebtedness of Wynn Las Vegas or any such Guarantor solely by virtue of being unsecured.

(d) For purposes of determining compliance with this Section 4.09, in the event that an item of proposed Indebtedness meets the criteria of more than one of the categories of Permitted Debt described in (1) through (14) of Section 4.09(b) hereof, or is entitled to be incurred pursuant to Section 4.09(a), the Issuers shall be permitted to classify such item of Indebtedness on the date of its incurrence, or later reclassify all or a portion of such item of Indebtedness, in any manner that complies with this Section 4.09.

Section 4.10 Asset Sales.

Wynn Las Vegas and the Restricted Entities shall not, and shall not permit any of their respective Restricted Subsidiaries to, consummate an Asset Sale unless:

- (a) no Default or Event of Default exists or is continuing immediately prior to or after giving effect to such Asset Sale;
- (b) except with respect to Non-Project Assets, the Opening Date has occurred;

(c) the applicable entity receives consideration at the time of the Asset Sale at least equal to the fair market value of the assets or Equity Interests issued or sold or otherwise disposed of (it being understood that a percentage of the purchase price may be subject to escrow arrangements customary for asset sales);

(d) if the aggregate consideration to be received by the applicable entity is in excess of \$10.0 million, the fair market value is evidenced by a certificate of the Chief Financial Officer of the applicable entity delivered to the Trustee; and

(e) at least 75% (or 95%, in the case of any Asset Sale that occurs on or before the Completion Date) of the consideration received in the Asset Sale by the applicable entity is in the form of cash or Cash Equivalents.

61

For purposes of this Section 4.10, each of the following shall be deemed to be cash:

(1) any liabilities, as shown on such entity's most recent consolidated balance sheet, of such entity (other than contingent liabilities and liabilities that are by their terms subordinated to the Notes or any Note Guarantee) that are assumed by the transferee of any such assets pursuant to a customary novation agreement that releases such entity from further liability; and

(2) any securities, notes or other obligations received by such entity from such transferee that are converted within 30 Business Days following such receipt by such entity into cash to the extent of the cash received in that conversion.

After the receipt of any Net Proceeds from an Asset Sale by Wynn Las Vegas, any Restricted Entity or any of their respective Restricted Subsidiaries, the applicable entity:

(1) within 270 days (or within 90 days, in the case of any Asset Sale that occurs on or before the Completion Date) after receipt of such Net Proceeds, may apply the Net Proceeds to repay secured unsubordinated Indebtedness of Wynn Las Vegas or any of its Restricted Subsidiaries and, if the Indebtedness repaid is revolving credit Indebtedness, to correspondingly permanently reduce the commitments with respect to such Indebtedness, or

(2) within 270 days (or within 90 days, in the case of any Asset Sale that occurs on or before the Completion Date) after receipt of such Net Proceeds, may apply any Net Proceeds to make a capital expenditure, improve real property or acquire long-term assets that are used or useful in a line of business permitted by Section 4.13 hereof.

In any such case, the Restricted Entities shall take all necessary action to ensure that the security interest of the Trustee, on behalf of the Holders, continues as a perfected security interest (subject only to the security interest securing the Credit Agreement and other Permitted Liens and the terms of the Intercreditor Agreements) on any property or assets acquired or constructed with the Net Proceeds of any Asset Sale on the terms set forth in this Indenture, the Intercreditor Agreements and the other Collateral Documents. Pending the final application of any Net Proceeds, the applicable entity may (1) apply the Net Proceeds to temporarily reduce amounts outstanding under any secured unsubordinated Indebtedness of Wynn Las Vegas or any of its Restricted Subsidiaries, or (2) invest the Net Proceeds in Cash Equivalents which shall be subject to a perfected security interest (subject only to the security interest securing the Credit Agreement and other Permitted Liens and the terms of the Intercreditor Agreements) in favor of the Trustee as security for the Notes.

Any Net Proceeds from Asset Sales that are not applied to repay Indebtedness or invested, in each case as provided in the immediately preceding paragraph, shall constitute "Excess Proceeds." Within 10 days following the date on which the aggregate amount of Excess Proceeds exceeds \$10.0 million, Wynn Las Vegas shall make an offer (an "Asset Sale Offer") to all Holders to purchase the maximum principal amount of Notes that may be purchased out of the Excess Proceeds. The offer price in any Asset Sale Offer shall be equal to 100% of the principal amount of the Notes to be purchased plus accrued and unpaid interest to the date of purchase, and shall be payable in cash. If any Excess Proceeds remain after consummation of an Asset Sale Offer, the applicable entity may use those Excess Proceeds for any general corporate purpose not prohibited by this Indenture and the Collateral Documents. If the aggregate principal amount of Notes tendered into such Asset Sale Offer exceeds the amount of Excess Proceeds, the Trustee shall select the Notes to be purchased as described in Section 3.02 hereof. Upon completion of each Asset Sale Offer, the amount of Excess Proceeds shall be reset at zero.

The Issuers shall comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent such laws and regulations are applicable in connection with each repurchase of Notes pursuant to an Asset Sale Offer. To the extent that the provisions of any securities laws or regulations conflict with the provisions of Sections 3.10 or 4.10 of

62

this Indenture, the Issuers shall comply with the applicable securities laws and regulations and shall not be deemed to have breached their obligations under those provisions of this Indenture by virtue of such conflict.

Section 4.11 *Transactions with Affiliates.*

(a) Wynn Las Vegas and the Restricted Entities shall not, and shall not permit any of their respective Restricted Subsidiaries to, make any payment to, or sell, lease, transfer or otherwise dispose of any of its properties or assets to, or purchase any property or assets from, or enter into or make or amend any transaction, contract, agreement, understanding, loan, advance or guarantee with, or for the benefit of, any Affiliate (each, an "Affiliate Transaction"), unless:

(1) the Affiliate Transaction is on terms that are no less favorable to the relevant entity than those that would have been obtained in a comparable transaction by such entity with an unrelated Person; and

(2) Wynn Las Vegas or the applicable Restricted Entity or Restricted Subsidiary, as the case may be delivers to the Trustee:

(A) with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration in excess of \$5.0 million, a resolution of the Board of Directors of the applicable entity set forth in an Officers' Certificate certifying that such Affiliate

Transaction complies with this Section 4.11 and that such Affiliate Transaction has been approved by a majority of the Independent Directors of the applicable entity;

(B) with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration in excess of \$10.0 million (or \$25.0 million, with respect to Qualified Intercompany Agreements), an opinion as to the fairness to the applicable entity of such Affiliate Transaction from a financial point of view issued by an accounting, appraisal or investment banking firm of national standing prior to the consummation of such Affiliate Transaction; and

(C) in the case of any Affiliate Transaction involving the use of the Existing Aircraft or the Replacement Aircraft (in each case, if such aircraft is owned by Wynn Las Vegas, any Restricted Entity or any Restricted Subsidiary) for any purpose not reasonably related to the Project or the Permitted Businesses of Wynn Las Vegas or the applicable Restricted Entity or Restricted Subsidiary relating to or in connection with the Project, Wynn Las Vegas or the applicable Restricted Entity or Restricted Subsidiary, as the case may be, is reimbursed promptly for actual costs and expenses incurred by such Person in connection with such use.

(b) The following items shall not be deemed to be Affiliate Transactions and, therefore, shall not be subject to the provisions of Section 4.11(a):

(1) the Wynn Employment Agreement or any other employment agreement entered into by Wynn Las Vegas, any Restricted Entity or any of their Restricted Subsidiaries with any Person (other than the Principal) in the ordinary course of business on terms customary in the applicable Permitted Business in which it operates;

(2) the payment of reasonable directors' fees to directors of Wynn Resorts, Wynn Capital or any Guarantor, and customary indemnification and insurance arrangements in favor of such directors, in each case in the ordinary course of business;

(3) transactions:

(A) between or among Wynn Las Vegas and/or its Restricted Subsidiaries,

63

(B) between Valvino Lamore and Wynn Resorts Holdings, other than any transaction involving a transfer of any or all of the Golf Course Land to Valvino Lamore, unless such Golf Course Land is then a Released Asset, or

(C) between or among any of the Wynn Group Entities, or by any Wynn Group Entity as a contribution to Wynn Las Vegas, any Restricted Entity or any of their Restricted Subsidiaries;

(4) the Water Rights Transfer;

(5) Restricted Payments that are permitted by Section 4.07 hereof;

(6) subleases by Wynn Las Vegas to one or more of its Affiliates of space at the building located on the Phase II Land at below market rent, to the extent permitted under the Collateral Documents;

(7) leases by Wynn Las Vegas to one or more of its Affiliates of space at the Project, at below market rent, for the development and operation of a Ferrari and Maserati automobile dealership pursuant to the Dealership Lease Agreement, to the extent permitted under the Collateral Documents; and

(8) the Affiliate Agreements, in each case as in effect on the date of this Indenture or as amended, modified or supplemented as permitted under Section 4.28 hereof.

Section 4.12 *Liens.*

Wynn Las Vegas and the Restricted Entities shall not, and shall not permit any of their respective Subsidiaries to, directly or indirectly, create, incur, assume or suffer to exist any Lien of any kind on any asset now owned or hereafter acquired, or any proceeds, income or profits therefrom or assign or convey any right to receive income therefrom, except Permitted Liens.

Section 4.13 *Line of Business.*

Wynn Las Vegas and the Restricted Entities shall not, and shall not permit any of their respective Restricted Subsidiaries to, engage in any business or investment activities other than the Permitted Business. Wynn Las Vegas and the Restricted Entities shall not, and shall not permit any of their respective Subsidiaries to, conduct a Permitted Business in any gaming jurisdiction in which such entity is not licensed on the date of this Indenture if the Holders of the Notes would be required to be licensed as a result thereof; *provided* that this sentence shall not prohibit any entity from conducting a Permitted Business in any jurisdiction that does not require the licensing or qualification of all the Holders of Notes, but reserves the discretionary right to require the licensing or qualification of any Holders of Notes.

Section 4.14 *Corporate and Organizational Existence.*

Subject to Article 5 hereof, each of the Issuers and the Restricted Entities shall, and shall cause each of their respective Restricted Subsidiaries to, do or cause to be done all things necessary to preserve and keep in full force and effect:

(a) its corporate or limited liability company existence, and the corporate, partnership or other existence of each of its Subsidiaries, in accordance with their respective organizational documents (as the same may be amended from time to time); and

64

(b) the rights (charter and statutory), licenses and franchises of the Issuers, the Restricted Entities and their respective Subsidiaries; *provided, however*, that the Issuers and the Restricted Entities shall not be required to preserve any such right, license or franchise, or the corporate, partnership or other existence of any of their respective Subsidiaries (other than the Issuers), if the Board of Directors of Wynn Las Vegas or the applicable Restricted Entity shall determine that the preservation thereof is no longer desirable in the conduct of the business of the Restricted Entities and their respective Restricted Subsidiaries, taken as a whole, and Wynn Las Vegas and its Restricted Subsidiaries, taken as a whole, and that the loss thereof is not adverse in any material respect to the Holders of the Notes.

Section 4.15 *Offer to Purchase Upon Change of Control.*

(a) Upon the occurrence of a Change of Control, the Issuers shall make an offer (a "*Change of Control Offer*") to each Holder to repurchase all or any part (equal to \$1,000 or an integral multiple of \$1,000) of each Holder's Notes at a purchase price equal to 101% of the aggregate principal amount thereof plus accrued and unpaid interest on the Notes purchased, if any, to the date of repurchase (the "*Change of Control Payment*"). Within ten days following any Change of Control, the Issuers shall mail a notice to each Holder describing the transaction or transactions that constitute the Change of Control and stating:

- (1) that the Change of Control Offer is being made pursuant to this Section 4.15 and that all Notes tendered shall be accepted for payment;
- (2) the purchase price and the purchase date, which shall be no earlier than 30 days and no later than 60 days from the date such notice is mailed (the "*Change of Control Payment Date*");
- (3) that any Note not tendered shall continue to accrue interest;
- (4) that, unless the Issuers default in the payment of the Change of Control Payment, all Notes accepted for payment pursuant to the Change of Control Offer shall cease to accrue interest after the Change of Control Payment Date;
- (5) that Holders electing to have any Notes purchased pursuant to a Change of Control Offer shall be required to surrender the Notes, with the form entitled "Option of Holder to Elect Purchase" on the reverse of the Notes completed, to the Paying Agent at the address specified in the notice prior to the close of business on the third Business Day preceding the Change of Control Payment Date;
- (6) that Holders shall be entitled to withdraw their election if the Paying Agent receives, not later than the close of business on the second Business Day preceding the Change of Control Payment Date, a telegram, telex, facsimile transmission or letter setting forth the name of the Holder, the principal amount of Notes delivered for purchase, and a statement that such Holder is withdrawing his election to have the Notes purchased; and
- (7) that Holders whose Notes are being purchased only in part shall be issued new Notes equal in principal amount to the unpurchased portion of the Notes surrendered, which unpurchased portion must be equal to \$1,000 in principal amount or an integral multiple thereof.

The Issuers shall comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with the purchase of the Notes as a result of a Change in Control. To the extent that the provisions of any securities laws or regulations conflict with the provisions of Sections 3.10 or 4.15 of this Indenture, the Issuers shall comply with the applicable securities laws and regulations and shall not be deemed to have breached their obligations under Section 3.10 or this Section 4.15 by virtue of such conflict.

(b) On the Change of Control Payment Date, the Issuers shall, to the extent lawful:

- (1) accept for payment all Notes or portions thereof properly tendered pursuant to the Change of Control Offer;
- (2) prior to 11:00 a.m. (New York City time) on such date, deposit with the Paying Agent an amount equal to the Change of Control Payment in respect of all Notes or portions of Notes properly tendered; and
- (3) deliver or cause to be delivered to the Trustee the Notes so accepted together with an Officers' Certificate stating the aggregate principal amount of Notes or portions of Notes being purchased by the Issuers.

The Paying Agent shall promptly mail to each Holder of Notes properly tendered the Change of Control Payment for such Notes, and the Trustee shall promptly authenticate and mail (or cause to be transferred by book entry) to each Holder a new Note equal in principal amount to any unpurchased portion of the Notes surrendered, if any; *provided* that each new Note shall be in a principal amount of \$1,000 or an integral multiple thereof. The Issuers shall publicly announce the results of the Change of Control Offer on or as soon as practicable after the Change of Control Payment Date.

(c) Notwithstanding anything to the contrary in this Section 4.15, the Issuers shall not be required to make a Change of Control Offer upon a Change of Control if a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Section 4.15 and Section 3.10 hereof and purchases all Notes validly tendered and not withdrawn under the Change of Control Offer.

Section 4.16 *Events of Loss*

After any Event of Loss of Collateral comprising the Project occurring after the Final Completion Date in an amount of up to \$500.0 million (measured as the greater of the fair market value or the replacement cost of the Collateral subject to such Event of Loss), Wynn Las Vegas, the applicable Restricted Entity or the applicable Restricted Subsidiary, as the case may be, may apply the Net Loss Proceeds from the Event of Loss to the rebuilding, repair, replacement or construction of improvements to the Project, with no obligation to make any purchase of any Notes; *provided* that, in the case of any such Collateral with a fair market value (or replacement cost, if higher) in excess of \$15.0 million but less than or equal to \$500.0 million:

(a) Wynn Las Vegas delivers to the Trustee within 60 days of the Event of Loss a written opinion from a reputable contractor that the Minimum Facilities can be rebuilt, repaired, replaced or constructed and operating within 365 days following the Event of Loss;

(b) Wynn Las Vegas delivers to the Trustee within 60 days of the Event of Loss an Officers' Certificate certifying that the applicable entity has available from Net Loss Proceeds, cash on hand or available borrowings under Indebtedness permitted to be incurred under Section 4.09 hereof to complete the rebuilding, repair, replacement or construction described in clause (a) above and, together with any anticipated revenues projected to be generated during the repair or restoration period, to pay debt service on its Indebtedness during the repair or restoration period; and

(c) the damaged Collateral is rebuilt, repaired, replaced or constructed and operating in substantially the manner that it was operating immediately prior to the Event of Loss within 365 days following the Event of Loss.

Notwithstanding the foregoing provisions of this Section 4.16, if the damaged Collateral is not necessary for and is not used in the operation of the Permitted Business of the Project, the applicable entity may apply the Net Loss Proceeds to make a capital expenditure, improve real property or acquire long-term assets that are used or useful in a line of business permitted by Section 4.13 hereof.

66

The ability of Wynn Las Vegas, any Restricted Entities or any of their Restricted Subsidiaries to repair or restore any of the Collateral following an Event of Loss that occurs on or prior to the Final Completion Date shall be governed by the Disbursement Agreement.

Any Net Loss Proceeds that are not (1) permitted to be used to repair or restore the Collateral pursuant to the Disbursement Agreement, (2) reinvested as provided in the first sentence of this Section 4.16 or (3) permitted to be reinvested because those Net Loss Proceeds exceed \$500.0 million, in each case, shall be deemed "Excess Loss Proceeds." Within 10 days following the date on which the aggregate amount of Excess Loss Proceeds exceeds \$10.0 million, Wynn Las Vegas shall make an offer (an "Event of Loss Offer") to all Holders to purchase the maximum principal amount of Notes that may be purchased out of the Excess Loss Proceeds. The offer price in any Event of Loss Offer shall be 100% of the principal amount of the Notes to be purchased, plus accrued and unpaid interest to the date of purchase and shall be payable in cash. If any Excess Loss Proceeds remain after consummation of an Event of Loss Offer, the applicable entity may use such Excess Loss Proceeds for any general corporate purpose not prohibited by this Indenture and the Collateral Documents. If the aggregate principal amount of Notes tendered in such Event of Loss Offer exceeds the Excess Loss Proceeds, the Trustee shall select the Notes to be purchased as described in Section 3.02 hereof. Upon completion of each Event of Loss Offer, the amount of Excess Loss Proceeds shall be reset at zero.

Pending their application, all Excess Loss Proceeds shall either be (1) applied to temporarily reduce amounts outstanding under the Credit Agreement, or (2) invested in Cash Equivalents held in an account in which the Trustee has a perfected security interest for the benefit of the Holders, subject only to Permitted Liens and the terms of the Intercreditor Agreements; provided that such funds and securities shall be released to Wynn Las Vegas or the applicable Restricted Entity or Restricted Subsidiary, as the case may be, to pay for or reimburse such Person for either (1) the actual cost of a permitted use of Excess Loss Proceeds as provided in this Section 4.16, or (2) the Event of Loss Offer, pursuant to the terms of the Collateral Documents. Wynn Las Vegas or the applicable Restricted Entity or Restricted Subsidiary, as the case may be, shall grant to the Trustee, for the benefit of the Holders, a security interest, subject only to Permitted Liens and the terms of the Intercreditor Agreements, on any property or assets rebuilt, repaired, replaced or constructed with such Excess Loss Proceeds on the terms set forth in this Indenture and the Collateral Documents.

In the event of an Event of Loss pursuant to clause (3) of the definition of "Event of Loss" with respect to property or assets that have a fair market value (or replacement cost, if greater) in excess of \$10.0 million, Wynn Las Vegas or the applicable Restricted Entity or Restricted Subsidiary, as the case may be, shall be required to receive consideration:

(a) at least equal to the fair market value (evidenced by a resolution of the applicable entity's Board of Directors set forth in an Officers' Certificate delivered to the Trustee) of the property or assets subject to the Event of Loss; and

(b) at least 90% of which is in the form of cash or Cash Equivalents.

Upon any consolidation or merger, or any sale, assignment, transfer, lease, conveyance or other disposition of all or substantially all of the assets of either Issuer or any Guarantor in a transaction that is subject to, and that complies with the provisions of, Section 5.01 hereof, the successor company or corporation formed by such consolidation or into or with which such Issuer or Guarantor is merged or to which such sale, assignment, transfer, lease, conveyance or other disposition is made shall succeed to, and be substituted for (so that from and after the date of such consolidation, merger, sale, lease, conveyance or other disposition, the provisions of this Indenture referring to such "Issuer" or "Guarantor" shall refer instead to the successor company or corporation and not to such Issuer or Guarantor), and may exercise every right and power of such Issuer or Guarantor under this Indenture with the same effect as if such successor Person had been named as such Issuer or Guarantor herein; *provided, however*, that the predecessor Issuer or Guarantor shall not be relieved from the obligation to pay the principal of and interest and premium, if any, on the Notes or the amounts payable under its Note Guarantee, as the case may be, except in the case of a sale of all of such Issuer's or Guarantor's assets in a transaction that is subject to, and that complies with the provisions of Section 5.01 hereof.

(1) is caused by a failure to pay principal of, or interest or premium, if any, on such Indebtedness prior to the expiration of the grace period provided in such Indebtedness on the date of such default (a "*Payment Default*"); or

(2) results in the acceleration of such Indebtedness prior to its express maturity,

(h) failure by Wynn Capital, Wynn Las Vegas, any Restricted Entity or any of their respective Restricted Subsidiaries to pay final non-appealable judgments (not paid or covered by insurance as to which the relevant insurance company has not denied responsibility) aggregating in excess of \$10.0 million, which judgments are not paid, bonded, discharged or stayed for a period of 60 days;

(i) any of the Collateral Documents shall cease, for any reason (other than pursuant to their terms), to be in full force and effect, or Wynn Capital, Wynn Las Vegas, any Restricted Entity or any of their respective Restricted Subsidiaries or any Affiliate of any such Person or any Person acting on behalf of any such Person, shall so assert as to any of such Person's properties or assets, or any security interest created, or purported to be created, by any of the Collateral Documents shall cease to be enforceable and of the same effect and priority purported to be created by the Collateral Documents;

(k) except as expressly provided therein, the Completion Guarantee, the Construction Contract Guarantee, any Note Guarantee issued by a Restricted Entity, a Restricted Subsidiary of Wynn Las Vegas or any Restricted Entity, or the Parent Guarantee shall be held in any judicial proceeding to be unenforceable or invalid or shall cease for any reason to be in full force and effect or the Completion Guarantor, any Restricted Entity, any Restricted Subsidiary or the Parent Guarantor, or any Person acting on behalf of any such Person, shall deny or disaffirm its obligations under its Note Guarantee or, as the case may be, its Parent Guarantee;

- (1) is for relief against any Material Entity in an involuntary case;

79

(2) appoints a custodian of any Material Entity or for all or substantially all of the property of any Material Entity; or

(o) after the Opening Date, revocation, termination, suspension or other cessation of effectiveness of any Gaming License which results in the cessation or suspension of gaming operations at any Gaming Facility for a period of more than 90 consecutive days; or

(p) if Wynn Las Vegas ever fails to own 100% of the issued and outstanding Equity Interests of Wynn Capital.

Section 6.02 Acceleration.

In the case of an Event of Default specified in clause (l) or (m) of Section 6.01 hereof, with respect to any Material Entity, all outstanding Notes shall become due and payable immediately without further action or notice. If any other Event of Default occurs and is continuing, the Trustee or the Holders of at least 25% in principal amount of the then outstanding Notes may declare all the Notes to be due and payable immediately. Upon any such declaration, the Notes shall become due and payable immediately. The Holders of a majority in aggregate principal amount of the then outstanding Notes by written notice to the Trustee may on behalf of all of the Holders rescind an acceleration and its consequences if the rescission would not conflict with any judgment or decree and if all existing Events of Default (except nonpayment of principal, interest or premium, if any, that has become due solely because of the acceleration) have been cured or waived.

If an Event of Default occurs on or after November 1, 2006 by reason of any willful action or inaction taken or not taken by or on behalf of either Issuer, any Restricted Entity, any Restricted Subsidiary of Wynn Las Vegas or any Restricted Entity, any Guarantor, the Parent Guarantor or any of their respective Subsidiaries with the intention of avoiding payment of the premium that the Issuers would have had to pay if the Issuers then had elected to redeem the Notes pursuant to Section 3.07 hereof, then, upon acceleration of the Notes, an equivalent premium shall also become and be immediately due and payable, to the extent permitted by law, anything in this Indenture or in the Notes to the contrary notwithstanding. If an Event of Default occurs prior to November 1, 2006 by reason of any willful action (or inaction) taken (or not taken) by or on behalf of either Issuer, any Restricted Entity, any Restricted Subsidiary of Wynn Las Vegas or any Restricted Entity, any Guarantor, the Parent Guarantor or any of their respective Subsidiaries with the intention of avoiding the prohibition on redemption of the Notes prior to such date, then, upon acceleration of the Notes, an additional premium shall also become and be immediately due and payable in an amount, for each of the years beginning on November 1 of the years set forth below, as set forth below (expressed as a percentage of the principal amount of the Notes on the date of payment that would otherwise be due but for the provisions of this sentence):

| Year | Percentage |
|---------------------|------------|
| 2003 | 15.0% |
| 2004 | 14.0% |
| 2005 and thereafter | 13.0% |

Section 6.03 Other Remedies.

If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy to collect the payment of principal, premium, if any, and interest on the Notes or to enforce the performance of any provision of the Notes or this Indenture.

80

The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder of a Note in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. All remedies are cumulative to the extent permitted by law.

Section 6.04 Waiver of Past Defaults.

Holders of not less than a majority in aggregate principal amount of the then outstanding Notes by notice to the Trustee may on behalf of the Holders of all of the Notes waive an existing Default or Event of Default and its consequences hereunder, except a continuing Default or Event of Default in the payment of the

principal of, premium, if any, or interest on, the Notes (including in connection with an offer to purchase); *provided, however*, that the Holders of a majority in aggregate principal amount of the then outstanding Notes may rescind an acceleration and its consequences, including any related payment default that resulted from such acceleration. Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereon.

Section 6.05 *Control by Majority.*

Subject to the Intercreditor Agreements, Holders of a majority in principal amount of the then outstanding Notes may direct the time, method and place of conducting any proceeding for exercising any remedy available to the Trustee or exercising any trust or power conferred on it. However, the Trustee may refuse to follow any direction that conflicts with law or this Indenture that the Trustee determines may be unduly prejudicial to the rights of other Holders of Notes or that may involve the Trustee in personal liability.

Section 6.06 *Limitation on Suits.*

A Holder of a Note may pursue a remedy with respect to this Indenture or the Notes only if:

- (a) the Holder of a Note gives to the Trustee written notice of a continuing Event of Default;
- (b) the Holders of at least 25% in principal amount of the then outstanding Notes make a written request to the Trustee to pursue the remedy;

(c) such Holder of a Note or Holders of Notes offer and, if requested, provide to the Trustee indemnity satisfactory to the Trustee against any loss, liability or expense;

(d) the Trustee does not comply with the request within 60 days after receipt of the request and the offer and, if requested, the provision of indemnity; and

(e) during such 60-day period the Holders of a majority in principal amount of the then outstanding Notes do not give the Trustee a direction inconsistent with the request.

A Holder of a Note may not use this Indenture to prejudice the rights of another Holder of a Note or to obtain a preference or priority over another Holder of a Note.

Section 6.07 *Rights of Holders of Notes to Receive Payment.*

Notwithstanding any other provision of this Indenture, the right of any Holder of a Note to receive payment of principal, premium, if any, and interest on the Note, on or after the respective due dates expressed in the Note (including in connection with an offer to purchase), or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such Holder; *provided* that a Holder shall not have the right to institute any such suit for the enforcement of payment if and to the extent that the institution or prosecution thereof or the entry of judgment therein would, under applicable law, result in the surrender, impairment, waiver or loss of the Lien of this Indenture upon any property subject to such Lien.

Section 6.08 *Collection Suit by Trustee.*

If an Event of Default specified in Section 6.01(a) or (b) occurs and is continuing, the Trustee is authorized to recover judgment in its own name and as trustee of an express trust against the Issuers for the whole amount of principal of, premium, if any, and interest remaining unpaid on the Notes and interest on overdue principal and, to the extent lawful, interest and such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel.

Section 6.09 *Trustee May File Proofs of Claim.*

The Trustee is authorized to file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and the Holders of the Notes allowed in any judicial proceedings relative to the Issuers (or any other obligor upon the Notes), its creditors or its property and shall be entitled and empowered to collect, receive and distribute any money or other property payable or deliverable on any such claims and any custodian in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee, and in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.07 hereof. To the extent that the payment of any such compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.07 hereof out of the estate in any such proceeding, shall be denied for any reason, payment of the same shall be secured by a Lien on, and shall be paid out of, any and all distributions, dividends, money, securities and other properties that the Holders may be entitled to receive in such proceeding whether in liquidation or under any plan of reorganization or arrangement or otherwise. Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

Section 6.10 *Priorities.*

If the Trustee collects any money pursuant to this Article 6, it shall pay out the money in the following order:

First: to the Trustee, its agents and attorneys for amounts due under Section 7.07 hereof, including payment of all compensation, expense and liabilities incurred, and all advances made, by the Trustee and the costs and expenses of collection;

Second: to Holders of Notes for amounts due and unpaid on the Notes for principal, premium, if any, and interest, ratably, without preference or priority of any kind, according to the

amounts due and payable on the Notes for principal, premium, if any and interest, respectively; and

Third: to the Issuers or to such party as a court of competent jurisdiction shall direct.

The Trustee may fix a record date and payment date for any payment to Holders of Notes pursuant to this Section 6.10.

Section 6.11 *Undertaking for Costs.*

In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as a Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.11 does not apply to a suit by the Trustee, a suit by a Holder of a Note pursuant to Section 6.07 hereof, or a suit by Holders of more than 10% in principal amount of the then outstanding Notes.

ARTICLE 7. TRUSTEE

Section 7.01 *Duties of Trustee.*

(a) If an Event of Default has occurred and is continuing, the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in its exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(b) Except during the continuance of an Event of Default:

(1) the duties of the Trustee shall be determined solely by the express provisions of this Indenture and the Collateral Documents, and the Trustee need perform only those duties that are specifically set forth in this Indenture and the Collateral Documents, and no others, and no implied covenants or obligations shall be read into this Indenture and the Collateral Documents against the Trustee; and

(2) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture and the Collateral Documents. However, the Trustee shall examine the certificates and opinions to determine whether or not they conform to the requirements of this Indenture and the Collateral Documents.

(c) The Trustee may not be relieved from liabilities for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(1) this Section 7.01(c) does not limit the effect of paragraph (b) of this Section 7.01;

(2) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it is proved that the Trustee was negligent in ascertaining the pertinent facts; and

(3) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.05 hereof.

(d) Whether or not therein expressly so provided, every provision of this Indenture that in any way relates to the Trustee is subject to paragraphs (a), (b), and (c) of this Section 7.01.

(e) No provision of this Indenture or the Collateral Documents shall require the Trustee to expend or risk its own funds or incur any liability. The Trustee shall be under no obligation to exercise any of its rights and powers under this Indenture and the Collateral Documents at the request of any Holders, unless such Holder shall have offered to the Trustee security and indemnity satisfactory to it against any loss, liability or expense.

(f) The Trustee shall not be liable for interest on any money received by it except as the Trustee may agree in writing with the Issuers. Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

Section 7.02 *Rights of Trustee.*

(a) The Trustee may conclusively rely upon any document believed by it to be genuine and to have been signed or presented by the proper Person. The Trustee need not investigate any fact or matter stated in the document.

(b) Before the Trustee acts or refrains from acting, it may require an Officers' Certificate or an Opinion of Counsel or both. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on such Officers' Certificate or Opinion of Counsel. The Trustee may consult with counsel and the written advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection from liability in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon.

(c) The Trustee may act through its attorneys and agents and shall be responsible for the misconduct or negligence of any agent appointed with due care.

(d) The Trustee shall not be liable for any action it takes or omits to take in good faith that it believes to be authorized or within the rights or powers conferred upon it by this Indenture.

(e) Unless otherwise specifically provided in this Indenture or the Collateral Documents, any demand, request, direction or notice from the Issuers shall be sufficient if signed by an Officer of either Issuer.

(f) The Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture or the Collateral Documents at the request or direction of any of the Holders unless such Holders have offered to the Trustee reasonable security or indemnity against the costs, expenses and liabilities that might be incurred by it in compliance with such request or direction.

Section 7.03 *Individual Rights of Trustee.*

The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Issuers or any Affiliate of the Issuers with the same rights it would have if it were not Trustee. However, in the event that the Trustee acquires any conflicting interest it must eliminate such conflict within 90 days, apply to the SEC for permission to continue as trustee or resign. Any Agent may do the same with like rights and duties. The Trustee is also subject to Sections 7.10 and 7.11 hereof.

Section 7.04 *Trustee's Disclaimer.*

The Trustee shall not be responsible for and makes no representation as to the validity or adequacy of this Indenture or the Notes, it shall not be accountable for the Issuers' use of the proceeds from the Notes or any money paid to the Issuers or upon the Issuers' direction under any provision of this Indenture, it shall not be responsible for the use or application of any money received by any Paying Agent other than the Trustee, and it shall not be responsible for any statement or recital herein or any statement in the Notes or any other document in connection with the sale of the Notes or pursuant to this Indenture other than its certificate of authentication.

84

Section 7.05 *Notice of Defaults.*

If a Default or Event of Default occurs and is continuing and if it is known to the Trustee, the Trustee shall mail a notice of the Default or Event of Default (1) to Holders within 90 days after it occurs and (2) to Wynn Las Vegas, each Guarantor and the Parent Guarantor (which notice shall be deemed to satisfy the notice requirement contained in clause (1) of Section 10.08(a) hereof) within 5 days after it occurs. Except in the case of a Default or Event of Default in payment of principal of, premium, if any, or interest on any Note, the Trustee may withhold the notice if and so long as a committee of its Responsible Officers in good faith determines that withholding the notice is in the interests of the Holders of the Notes.

Section 7.06 *Reports by Trustee to Holders of the Notes.*

(a) Within 60 days after each May 15 beginning with the May 15 following the date of this Indenture, and for so long as Notes remain outstanding, the Trustee shall mail to the Holders of the Notes a brief report dated as of such reporting date that complies with TIA § 313(a) (but if no event described in TIA § 313(a) has occurred within the twelve months preceding the reporting date, no report need be transmitted). The Trustee also shall comply with TIA § 313(b)(2). The Trustee shall also transmit by mail all reports as required by TIA § 313(c).

(b) A copy of each report at the time of its mailing to the Holders of Notes shall be mailed by the Trustee to the Issuers and filed by the Trustee with the SEC and each stock exchange on which the Notes are listed in accordance with TIA § 313(d). The Issuers shall promptly notify the Trustee when the Notes are listed on any stock exchange.

Section 7.07 *Compensation and Indemnity.*

(a) The Issuers shall pay to the Trustee from time to time reasonable compensation for its acceptance of this Indenture and services hereunder. The Trustee's compensation shall not be limited by any law on compensation of a trustee of an express trust. The Issuers shall reimburse the Trustee promptly upon request for all reasonable disbursements, advances and expenses incurred or made by it in addition to the compensation for its services. Such expenses shall include the reasonable compensation, disbursements and expenses of the Trustee's agents and counsel.

(b) The Issuers and the Guarantors shall indemnify the Trustee against any and all losses, liabilities or expenses incurred by it arising out of or in connection with the acceptance or administration of its duties under this Indenture, including the costs and expenses of enforcing this Indenture against the Issuers and the Guarantors (including this Section 7.07) and defending itself against any claim (whether asserted by the Issuers, the Guarantors or any Holder or any other Person) or liability in connection with the exercise or performance of any of its powers or duties hereunder, except to the extent any such loss, liability or expense may be attributable to its negligence or bad faith. The Trustee shall notify the Issuers promptly of any claim for which it may seek indemnity. Failure by the Trustee to so notify the Issuers shall not relieve the Issuers or any of the Guarantors of their obligations hereunder. The Issuers or such Guarantor shall defend the claim and the Trustee shall cooperate in the defense. The Trustee may have separate counsel and the Issuers shall pay the reasonable fees and expenses of such counsel. Neither the Issuers nor any Guarantor need pay for any settlement made without its consent, which consent shall not be unreasonably withheld.

(c) The obligations of the Issuers and the Guarantors under this Section 7.07 shall survive the satisfaction and discharge of this Indenture.

(d) To secure the Issuers' payment obligations in this Section 7.07, the Trustee shall have a Lien prior to the Notes on all money or property held or collected by the Trustee, except that held in trust to pay principal and interest on particular Notes. Such Lien shall survive the satisfaction and discharge of this Indenture.

85

(e) When the Trustee incurs expenses or renders services after an Event of Default specified in Section 6.01(l) or (m) hereof occurs, the expenses and the compensation for the services (including the fees and expenses of its agents and counsel) are intended to constitute expenses of administration under any Bankruptcy Law.

(f) The Trustee shall comply with the provisions of TIA § 313(b)(2) to the extent applicable.

Section 7.08 *Replacement of Trustee.*

(a) A resignation or removal of the Trustee and appointment of a successor Trustee shall become effective only upon the successor Trustee's acceptance of appointment as provided in this Section 7.08.

(b) The Trustee may resign in writing at any time and be discharged from the trust hereby created by so notifying the Issuers in writing. The Holders of a majority in principal amount of the then outstanding Notes may remove the Trustee by so notifying the Trustee and the Issuers in writing. The Issuers may remove the Trustee if:

- (1) the Trustee fails to comply with Section 7.10 hereof;
- (2) the Trustee is adjudged a bankrupt or an insolvent or an order for relief is entered with respect to the Trustee under any Bankruptcy Law;
- (3) a custodian or public officer takes charge of the Trustee or its property; or
- (4) the Trustee becomes incapable of acting.

(c) If the Trustee resigns or is removed or if a vacancy exists in the office of Trustee for any reason, the Issuers shall promptly appoint a successor Trustee. Within one year after the successor Trustee takes office, the Holders of a majority in principal amount of the then outstanding Notes may appoint a successor Trustee to replace the successor Trustee appointed by the Issuers.

(d) If a successor Trustee does not take office within 60 days after the retiring Trustee resigns or is removed, the retiring Trustee, the Issuers, or the Holders of at least 10% in principal amount of the then outstanding Notes may petition any court of competent jurisdiction for the appointment of a successor Trustee.

(e) If the Trustee, after written request by any Holder who has been a Holder for at least six months, fails to comply with Section 7.10, such Holder may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(f) A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Issuers. Thereupon, the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee shall mail a notice of its succession to Holders. The retiring Trustee shall promptly transfer all property held by it as Trustee to the successor Trustee, *provided* all sums owing to the Trustee hereunder have been paid and subject to the Lien provided for in Section 7.07 hereof. Notwithstanding replacement of the Trustee pursuant to this Section 7.08, the Issuers' obligations under Section 7.07 hereof shall continue for the benefit of the retiring Trustee.

Section 7.09 *Successor Trustee by Merger, etc.*

If the Trustee consolidates, merges or converts into, or transfers all or substantially all of its corporate trust business to, another corporation, the successor corporation without any further act shall be the successor Trustee.

Section 7.10 *Eligibility; Disqualification.*

There shall at all times be a Trustee hereunder that is a corporation organized and doing business under the laws of the United States of America or of any state thereof that is authorized under such

laws to exercise corporate trustee power, that is subject to supervision or examination by federal or state authorities and that has a combined capital and surplus of at least \$100 million as set forth in its most recent published annual report of condition.

This Indenture shall always have a Trustee who satisfies the requirements of TIA § 310(a)(1), (2) and (5). The Trustee is subject to TIA § 310(b).

Section 7.11 *Preferential Collection of Claims Against Issuers.*

The Trustee is subject to TIA § 311(a), excluding any creditor relationship listed in TIA § 311(b). A Trustee who has resigned or been removed shall be subject to TIA § 311(a) to the extent indicated therein.

ARTICLE 8. LEGAL DEFEASANCE AND COVENANT DEFEASANCE

Section 8.01 *Option to Effect Legal Defeasance or Covenant Defeasance.*

The Issuers may, at the option of their respective Boards of Directors evidenced by a resolution set forth in an Officers' Certificate of each Issuer, at any time, elect to have either Section 8.02 or 8.03 hereof be applied to all outstanding Notes upon compliance with the conditions set forth below in this Article 8.

Section 8.02 *Legal Defeasance and Discharge.*

Upon the Issuers' exercise under Section 8.01 hereof of the option applicable to this Section 8.02, the Issuers shall, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, be deemed to have been discharged from their obligations with respect to all outstanding Notes, the Guarantors and the Parent Guarantor shall be deemed to be discharged from their obligations with respect to their Note Guarantees and the Issuers, the Guarantors and the Parent Guarantor shall be deemed to be discharged from their obligations with respect to the Collateral Documents on the date the conditions set forth below are satisfied (hereinafter, "*Legal Defeasance*"). For this purpose, Legal Defeasance means that the Issuers, the Guarantors and the Parent Guarantor shall be deemed to have paid and discharged the entire Indebtedness represented by the outstanding Notes (including the Note Guarantees), which shall thereafter be deemed to be "outstanding" only for the purposes of Section 8.05 hereof and the other Sections of this Indenture referred to in Sections 8.02(a) and (b) below, and to have satisfied all their other obligations under such Notes, the Note Guarantees, the Collateral Documents, and this Indenture (and the Trustee, on demand of and at the expense of the Issuers, shall execute proper instruments acknowledging the same), except for the following provisions which shall survive until otherwise terminated or discharged hereunder:

(a) the rights of Holders of outstanding Notes to receive payments in respect of the principal of, or interest or premium, if any, on such Notes when such payments are due from the trust referred to in Section 8.04 hereof;

(b) the Issuers' obligations with respect to such Notes under Article 2 and Section 4.02 hereof;

(c) the rights, powers, trusts, duties and immunities of the Trustee hereunder and the Issuers' and the Guarantors' (and the Parent Guarantor's, if any) obligations in connection therewith; and

(d) this Article 8.

Subject to compliance with this Article 8, the Issuers may exercise their option under this Section 8.02 notwithstanding the prior exercise of its option under Section 8.03 hereof.

87

Section 8.03 *Covenant Defeasance.*

Upon the Issuers' exercise under Section 8.01 hereof of the option applicable to this Section 8.03, the Issuers, the Restricted Entities, the Restricted Subsidiaries of Wynn Las Vegas and the Restricted Entities, and any Guarantors shall, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, be released from each of their obligations under the covenants contained in Sections 4.07, 4.08, 4.09, 4.10, 4.11, 4.12, 4.13 and 4.15 through 4.36 inclusive hereof and clauses (5) and (6) of Section 5.01(a) hereof with respect to the outstanding Notes on and after the date the conditions set forth in Section 8.04 hereof are satisfied (hereinafter, "*Covenant Defeasance*"), and the Notes shall thereafter be deemed not "outstanding" for the purposes of any direction, waiver, consent or declaration or act of Holders (and the consequences of any thereof) in connection with such covenants, but shall continue to be deemed "outstanding" for all other purposes hereunder (it being understood that such Notes shall not be deemed outstanding for accounting purposes). For this purpose, *Covenant Defeasance* means that, with respect to the outstanding Notes and Note Guarantees, the Issuers, the Guarantors and the Parent Guarantor released shall omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply shall not constitute a Default or an Event of Default under Section 6.01 hereof, but, except as specified above, the remainder of this Indenture and such Notes and Note Guarantees shall be unaffected thereby. In addition, upon the Issuers' exercise under Section 8.01 hereof of the option applicable to this Section 8.03 hereof, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, Sections 6.01(c) through 6.01(h), Section 6.01(j) and Sections 6.01(n) through 6.01(p) hereof shall not constitute Events of Default.

Section 8.04 *Conditions to Legal or Covenant Defeasance.*

In order to exercise either Legal Defeasance or Covenant Defeasance under either Section 8.02 or 8.03 hereof:

(a) the Issuers must irrevocably deposit with the Trustee, in trust, for the benefit of the Holders, cash in U.S. dollars, Government Securities, or a combination of cash in U.S. dollars and Government Securities, in amounts as shall be sufficient, in the opinion of a nationally recognized firm of independent public accountants, to pay the principal of, or interest and premium, if any, on the outstanding Notes on the stated maturity or on the applicable redemption date, as the case may be, and the Issuers must specify whether the Notes are being defeased to maturity or to a particular redemption date;

(b) in the case of an election under Section 8.02 hereof, the Issuers have delivered to the Trustee an Opinion of Counsel reasonably acceptable to the Trustee confirming that (1) the Issuers have received from, or there has been published by, the Internal Revenue Service a ruling or (2) since the date of this Indenture, there has been a change in the applicable federal income tax law, in either case to the effect that, and based thereon such Opinion of Counsel shall confirm that, the Holders of the outstanding Notes shall not recognize income, gain or loss for federal income tax purposes as a result of such Legal Defeasance and shall be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;

(c) in the case of an election under Section 8.03 hereof, the Issuers have delivered to the Trustee an Opinion of Counsel reasonably acceptable to the Trustee confirming that the Holders of the outstanding Notes shall not recognize income, gain or loss for federal income tax purposes as a result of such Covenant Defeasance and shall be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

88

(d) no Default or Event of Default has occurred and is continuing either:

(1) on the date of such deposit (other than a Default or Event of Default resulting from the borrowing of funds to be applied to such deposit), or

(2) in the case of Legal Defeasance, insofar as Events of Default of the type specified in Section 6.01(l) or Section 6.01(m) are concerned, at any time in the period ending on the 91st day after the date of deposit;

(e) such Legal Defeasance or Covenant Defeasance shall not result in a breach or violation of, or constitute a default under any material agreement or instrument (other than this Indenture) to which either Issuer, any Restricted Entity, any Restricted Subsidiary of Wynn Las Vegas or any Restricted Entity, any Guarantor or the Parent Guarantor is a party or by which any such Person is bound;

(f) in the case of an election under Section 8.02 hereof, the Issuers must deliver to the Trustee an Opinion of Counsel to the effect that, assuming no intervening bankruptcy of the Issuers, any Guarantor or the Parent Guarantor between the date of deposit and the 91st day following the deposit and assuming that no Holder of Notes is an "insider" of either Issuer under applicable bankruptcy law, after the 91st day following the deposit, the trust funds shall not be subject to the effect of any applicable bankruptcy, insolvency, reorganization or similar laws affecting creditors' rights generally;

(g) the Issuers must deliver to the Trustee an Officers' Certificate stating that the deposit was not made by the Issuers with the intent of preferring the Holders of Notes over the other creditors of the Issuers with the intent of defeating, hindering, delaying or defrauding creditors of the Issuers or others; and

(h) the Issuers must deliver to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent relating to the Legal Defeasance or the Covenant Defeasance have been complied with.

Section 8.05 Deposited Money and Government Securities to be Held in Trust; Other Miscellaneous Provisions.

Subject to Section 8.06 hereof, all money and Government Securities (including the proceeds thereof) deposited with the Trustee (or other qualifying trustee, collectively for purposes of this Section 8.05, the "Trustee") pursuant to Section 8.04 hereof in respect of the outstanding Notes shall be held in trust and applied by the Trustee, in accordance with the provisions of such Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Issuers acting as Paying Agent) as the Trustee may determine, to the Holders of such Notes of all sums due and to become due thereon in respect of principal, premium, if any, and interest, but such money need not be segregated from other funds except to the extent required by law.

The Issuers shall pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the cash or Government Securities deposited pursuant to Section 8.04 hereof or the principal and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the Holders of the outstanding Notes.

Notwithstanding anything in this Article 8 to the contrary, the Trustee shall deliver or pay to the Issuers from time to time upon the request of the Issuers any money or Government Securities held by it as provided in Section 8.04 hereof which, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee (which may be the opinion delivered under Section 8.04(b) hereof), are in excess of the amount thereof that would then be required to be deposited to effect an equivalent Legal Defeasance or Covenant Defeasance.

Section 8.06 Repayment to Issuers.

Any money deposited with the Trustee or any Paying Agent, or then held by the Issuers, in trust for the payment of the principal of, premium, if any, or interest on any Note and remaining unclaimed for two years after such principal, premium, if any, or interest has become due and payable shall be paid to the Issuers on its request or (if then held by the Issuers) shall be discharged from such trust; and the Holder of such Note shall thereafter be permitted to look only to the Issuers for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Issuers as trustee thereof, shall thereupon cease; *provided, however*, that the Trustee or such Paying Agent, before being required to make any such repayment, may at the expense of the Issuers cause to be published once, in the New York Times (national edition) and The Wall Street Journal (national edition), notice that such money remains unclaimed and that, after a date specified therein, which shall not be less than 30 days from the date of such notification or publication, any unclaimed balance of such money then remaining shall be repaid to the Issuers.

Section 8.07 Reinstatement.

If the Trustee or Paying Agent is unable to apply any United States dollars or Government Securities in accordance with Section 8.02 or 8.03 hereof, as the case may be, by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the Issuers', the Guarantors' and the Parent Guarantor's obligations under this Indenture, the Notes, the Note Guarantees and the Collateral Documents shall be revived and reinstated as though no deposit had occurred pursuant to Section 8.02 or 8.03 hereof until such time as the Trustee or Paying Agent is permitted to apply all such money in accordance with Section 8.02 or 8.03 hereof, as the case may be; *provided, however*, that, if the Issuers make any payment of principal of, premium, if any, or interest on any Note following the reinstatement of its obligations, the Issuers shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money held by the Trustee or Paying Agent.

**ARTICLE 9.
AMENDMENT, SUPPLEMENT AND WAIVER**

Section 9.01 Without Consent of Holders of Notes.

Notwithstanding Section 9.02 of this Indenture, without the consent of any Holder, the Issuers, any Restricted Entity, any Restricted Subsidiary of Wynn Las Vegas or any Restricted Entity, or any Guarantor or the Parent Guarantor, the Issuers, the Guarantors, the Parent Guarantor and the Trustee may amend or supplement this Indenture, the Notes, the Note Guarantees or the Collateral Documents to:

(a) cure any ambiguity, defect or inconsistency;

(b) provide for uncertificated Notes in addition to or in place of certificated Notes;

(c) provide for the assumption of the Issuers' or any Guarantor's obligations to the Holders of the Notes by a successor to the Issuers or such Guarantor, as the case may be, in the case of a merger or consolidation or sale of all or substantially all of the Issuers' or such Guarantor's assets pursuant to Article 5 hereof;

(d) make any change that would provide any additional rights or benefits to the Holders of the Notes or that does not adversely affect the legal rights hereunder of any such Holder;

(e) comply with requirements of the SEC in order to effect or maintain the qualification of this Indenture under the TIA;

(f) allow any Guarantor or the Parent Guarantor to execute a supplemental indenture and/or a Note Guarantee;

(g) enter into additional or supplemental Collateral Documents, Guarantees or Parent Guarantees or an intercreditor agreement with respect thereto; or

(h) provide for Additional Notes in accordance with the limitations set forth in this Indenture as of the date of this Indenture.

Upon the request of the Issuers accompanied by a resolution of their respective Boards of Directors authorizing the execution of any such amended or supplemental indenture, and upon receipt by the Trustee of the documents described in Section 7.02 hereof, the Trustee shall join with the Issuers, the Guarantors and the Parent Guarantor in the execution of any amended or supplemental indenture authorized or permitted by the terms of this Indenture and to make any further appropriate agreements and stipulations that may be therein contained, but the Trustee shall not be obligated to enter into such amended or supplemental indenture that affects its own rights, duties or immunities under this Indenture or otherwise.

Section 9.02 *With Consent of Holders of Notes.*

Except as provided below in this Section 9.02, the Issuers, the Guarantors, the Parent Guarantor and the Trustee may amend or supplement this Indenture (including, without limitation, Section 3.10, 4.10, 4.15 and 4.16 hereof) the Notes, the Note Guarantees and the Collateral Documents with the consent of the Holders of at least a majority in principal amount of the Notes (including, without limitation, Additional Notes, if any) then outstanding voting as a single class (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes), and, subject to Sections 6.04 and 6.07 hereof, any existing Default or Event of Default (other than a Default or Event of Default in the payment of the principal of, premium, if any, or interest on the Notes, except a payment default resulting from an acceleration that has been rescinded) or compliance with any provision of this Indenture, the Notes, the Note Guarantees or the Collateral Documents may be waived with the consent of the Holders of a majority in principal amount of the then outstanding Notes voting as a single class (including, without limitation, consents obtained in connection with purchase of, or a tender offer or exchange offer for, the Notes).

Upon the request of the Issuers accompanied by a resolution of their respective Boards of Directors authorizing the execution of any such amended or supplemental Indenture, and upon the filing with the Trustee of evidence satisfactory to the Trustee of the consent of the Holders of Notes as aforesaid, and upon receipt by the Trustee of the documents described in Section 7.02 hereof, the Trustee shall join with the Issuers, the Guarantors and the Parent Guarantor in the execution of such amended or supplemental Indenture unless such amended or supplemental Indenture directly affects the Trustee's own rights, duties or immunities under this Indenture or otherwise, in which case the Trustee may in its discretion, but shall not be obligated to, enter into such amended or supplemental Indenture.

It is not necessary for the consent of the Holders of Notes under this Section 9.02 to approve the particular form of any proposed amendment or waiver, but it is sufficient if such consent approves the substance thereof.

After an amendment, supplement or waiver under this Section 9.02 becomes effective, the Issuers shall mail to the Holders of Notes affected thereby a notice briefly describing the amendment, supplement or waiver. Any failure of the Issuers to mail such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such amended or supplemental Indenture or waiver. Subject to Sections 6.04 and 6.07 hereof, the Holders of a majority in aggregate principal amount of the Notes then outstanding voting as a single class may waive compliance in a particular instance by the Issuers with any provision of this Indenture or the Notes. However, without the consent

of each Holder affected, an amendment or waiver under this Section 9.02 may not (with respect to any Notes held by a non-consenting Holder):

(a) reduce the principal amount of Notes whose Holders must consent to an amendment, supplement or waiver;

(b) reduce the principal of or change the fixed maturity of any Note or alter or waive any of the provisions with respect to the redemption of the Notes, except as provided above with respect to Sections 3.10, 4.10, 4.15 and 4.16 hereof;

(c) reduce the rate of or change the time for payment of interest, including default interest, on any Note;

(d) waive a Default or Event of Default in the payment of principal of, or interest or premium, if any, on the Notes (except a rescission of acceleration of the Notes by the Holders of at least a majority in aggregate principal amount of the then outstanding Notes and a waiver of the payment default that resulted from such acceleration);

(e) make any Note payable in money other than that stated in the Notes;

(f) make any change in the provisions of this Indenture relating to waivers of past Defaults or the rights of Holders of Notes to receive payments of principal of, or interest or premium, if any, on the Notes;

(g) waive a redemption payment with respect to any note (other than a payment required by Sections 3.10, 4.10, 4.15 and 4.16 hereof);

(h) release all or substantially all of the Collateral or release any Material Project Assets from the Collateral, in each case except in accordance with the provisions of the Collateral Documents;

(i) release any Guarantor or the Parent Guarantor from any of its obligations under its Note Guarantee if the assets or properties of that Guarantor or the Parent Guarantor, as the case may be, (a) constitute all or substantially all of the Collateral or (b) include Material Project Assets; and

(j) make any change in the foregoing amendment and waiver provisions.

Section 9.03 *Compliance with Trust Indenture Act.*

Every amendment or supplement to this Indenture or the Notes shall be set forth in a amended or supplemental Indenture that complies with the TIA as then in effect.

Section 9.04 *Revocation and Effect of Consents.*

Until an amendment, supplement or waiver becomes effective, a consent to it by a Holder of a Note is a continuing consent by the Holder of a Note and every subsequent Holder of a Note or portion of a Note that evidences the same debt as the consenting Holder's Note, even if notation of the consent is not made on any Note. However, any such Holder of a Note or subsequent Holder of a Note may revoke the consent as to its Note if the Trustee receives written notice of revocation before the date the waiver, supplement or amendment becomes effective. An amendment, supplement or waiver becomes effective in accordance with its terms and thereafter binds every Holder.

Section 9.05 *Notation on or Exchange of Notes.*

The Trustee may place an appropriate notation about an amendment, supplement or waiver on any Note thereafter authenticated. The Issuers in exchange for all Notes may issue and the Trustee shall, upon receipt of an Authentication Order, authenticate new Notes that reflect the amendment, supplement or waiver.

92

Failure to make the appropriate notation or issue a new Note shall not affect the validity and effect of such amendment, supplement or waiver.

Section 9.06 *Trustee to Sign Amendments, etc.*

The Trustee shall sign any amended or supplemental Indenture authorized pursuant to this Article 9 if the amendment or supplement does not adversely affect the rights, duties, liabilities or immunities of the Trustee. The Issuers, the Guarantors and the Parent Guarantor may not sign an amendment or supplemental Indenture until their respective Boards of Directors approve it. In executing any amended or supplemental indenture, the Trustee shall be entitled to receive and (subject to Section 7.01 hereof) shall be fully protected in relying upon, in addition to the documents required by Section 13.04 hereof, an Officers' Certificate and an Opinion of Counsel stating that the execution of such amended or supplemental Indenture is authorized or permitted by this Indenture.

**ARTICLE 10.
COLLATERAL AND SECURITY**

Section 10.01 *Collateral Documents.*

The due and punctual payment of the principal of and interest and premium, if any, on the Notes when and as the same shall be due and payable, whether on an interest payment date, at maturity, by acceleration, repurchase, redemption or otherwise, and interest on the overdue principal of and interest and premium (to the extent permitted by law), if any, on the Notes and performance of all other obligations of the Issuers, the Guarantors and the Parent Guarantor to the Holders of Notes or the Trustee under this Indenture and the Notes, according to the terms hereunder or thereunder, are secured as provided in the Collateral Documents which the Issuers and the Guarantors have entered into simultaneously with the execution of this Indenture (including, without limitation, the Collateral Documents listed on Exhibit E hereto). Each Holder of Notes, by its acceptance thereof, consents and agrees to the terms of the Collateral Documents (including, without limitation, the provisions providing for foreclosure and release of Collateral and limitations on exercise of rights and remedies) as the same may be in effect or may be amended from time to time in accordance with the terms of this Indenture and the Collateral Documents and authorizes and directs the Trustee to enter into the Collateral Documents and to perform its obligations and exercise its rights thereunder in accordance therewith. The Issuers shall do or cause to be done all such acts and things as may be necessary or proper, or as may be required by the provisions of the Collateral Documents, to assure and confirm to the Trustee the security interests in the Collateral contemplated hereby, by the Collateral Documents or any part thereof, as from time to time constituted, so as to render the same available (subject to the terms of the Intercreditor Agreements) for the security and benefit of this Indenture, the Notes and the Note Guarantees secured by the Collateral Documents, according to the intent and purposes therein expressed. Subject to the terms of the Intercreditor Agreements, the Issuers and the Restricted Entities shall take, and shall cause their respective Restricted Subsidiaries that are party to one or more Collateral Documents to take, upon request of the Trustee, any and all actions reasonably required to cause the Collateral Documents to create and maintain, as security for the Obligations of the Issuers hereunder and of the Guarantors and the Parent Guarantor under the Note Guarantees, a valid and enforceable perfected Lien of the priority required by the Collateral Documents in and on all the Collateral, in favor of the Trustee for the benefit of the Holders of Notes, superior to and prior to the rights of all third Persons, in each case, subject only to the Liens securing the obligations under the Credit Agreement and other Permitted Liens and the terms of the Intercreditor Agreements.

93

Section 10.02 *Recording and Opinions.*

(a) The Issuers shall furnish to the Trustee simultaneously with the execution and delivery of this Indenture an Opinion of Counsel either:

(1) stating that, in the opinion of such counsel, all action has been taken with respect to the recording, registering and filing of this Indenture, financing statements or other instruments necessary to make effective the Lien intended to be created by the Collateral Documents, and reciting with respect to the security interests in the Collateral, the details of such action; or

(2) stating that, in the opinion of such counsel, no such action is necessary to make such Lien effective.

(b) The Issuers shall furnish to the Trustee within 30 days after November 1 in each year beginning with November 30, 2003, an Opinion of Counsel, dated as of such date, either:

(1) (A) stating that, in the opinion of such counsel, action has been taken with respect to the recording, registering, filing, re-recording, re-registering and re-filing of all supplemental indentures, financing statements, continuation statements or other instruments of further assurance as is necessary to maintain the Lien of the Collateral Documents and reciting with respect to the security interests in the Collateral the details of such action or referring to prior Opinions of Counsel in which such details are given, and (B) stating that, in the opinion of such counsel, based on relevant laws as in effect on the date of such Opinion of Counsel, all financing statements and continuation statements have been executed and filed that are necessary as of such date and during the succeeding 12 months fully to preserve and protect, to the extent such protection and preservation are possible by filing, the rights of the Holders of Notes and the Trustee hereunder and under the Collateral Documents with respect to the security interests in the Collateral;

(2) stating that, in the opinion of such counsel, no such action is necessary to maintain such Lien and assignment.

(c) The Issuers shall otherwise comply with the provisions of TIA §314(b).

Section 10.03 Release of Collateral.

(a) Subject to the other provisions of this Section 10.03 and the terms of the Intercreditor Agreements and the other Collateral Documents, the Trustee will determine the circumstances and manner in which the Collateral will be disposed of, including the determination of whether to release all or any portion of the Collateral from the security interests created by the Collateral Documents and whether to foreclose on the Collateral following an Event of Default. Collateral may be released from the Lien and security interests created by the Collateral Documents at any time or from time to time in accordance with the provisions of the Collateral Documents and as provided in this Section 10.03. Subject to the provisions of the Intercreditor Agreements, upon the request of the Issuers pursuant to an Officers' Certificate certifying that all terms for release and conditions precedent under this Indenture and under any applicable Collateral Document have been met and specifying (1) the identity of the Collateral to be released and (2) the provisions of this Indenture or the applicable Collateral Document which authorize such release, the Trustee shall release the Liens in favor of the Trustee (at the sole cost and expense of the Issuers) on:

(1) all Collateral that is contributed, sold, leased, conveyed, transferred or otherwise disposed of (a) in an Asset Sale, Permitted Investment or Restricted Payment in accordance with this Indenture and the Collateral Documents, (b) to an Unrestricted Subsidiary of Wynn Las Vegas in accordance with this Indenture and the Collateral Documents or (c) as expressly permitted by the Collateral Documents;

94

(2) all Collateral that is condemned, seized or taken by the power of eminent domain or otherwise confiscated pursuant to an Event of Loss; provided that the Net Loss Proceeds, if any, from the Event of Loss are or shall be applied in accordance with Sections 3.10 and 4.16 hereof;

(3) all Collateral (except as provided in Articles 8 and 12 of this Indenture) upon discharge or defeasance of this Indenture in accordance with Article 8 or Article 12 hereof;

(4) all Collateral upon the payment in full in immediately available funds of all Obligations of the Issuers, the Guarantors and the Parent Guarantor under this Indenture, the Notes and the Collateral Documents;

(5) except as otherwise provided in this Indenture, the Collateral Documents or the Parent Guarantee, Collateral of a Guarantor or of the Parent Guarantor whose Note Guarantee is released or terminated pursuant to the terms of this Indenture or the Parent Guarantee, as the case may be;

(6) the Released Assets; and

(7) Government Transfers consisting of transfers of fee interests in real property.

(b) The Trustee shall release (at the sole cost and expense of the Issuers) the Liens in favor of the Trustee for the benefit of the Holders on all of the Golf Course Land, the Equity Interests in Desert Inn Improvement Co. and/or Desert Inn Water Company and the DIIC Water Permits (other than the DIIC Casino Water Permit), so long as:

(1) both immediately prior to the release of the Liens (or, in the case of the release of the Golf Course Land, at the time a binding agreement for the disposition of that land is entered into, so long as the disposition takes place within 60 days following the date on which that binding agreement is entered into) and after giving pro forma effect to that release (as if, for purposes of calculating the Consolidated Leverage Ratio, such release had been made at the beginning of the applicable four-quarter period):

(A) no Default or Event of Default exists,

(B) the Consolidated Leverage Ratio of the Issuers and their Restricted Subsidiaries for the period of four full consecutive fiscal quarters of Wynn Las Vegas ending immediately prior to the release date is 3.0 to 1.0 or less, and

(C) the senior secured long-term Indebtedness under the Credit Agreement is rated BB+ or higher by S&P and Ba1 or higher by Moody's,

(2) the release occurs on or after the third anniversary of the Opening Date,

(3) the lenders under the Credit Agreement concurrently release their Liens on the Golf Course Land, the Equity Interests in Desert Inn Improvement Co. and/or Desert Inn Water Company and the DIIC Water Permits (other than the DIIC Casino Water Permit), in each case, to be released by the Trustee,

(5) either (A) no Points of Diversion with respect to the Valvino Water Permits and the DIIC Casino Water Permit, wells associated therewith or rights-of-way necessary for the transportation to the Le Rêve casino water features of water drawn or to be drawn pursuant to such Water Permits, are located on the Golf Course Land or (B) the applicable entities that own the Golf Course Land to be released shall have transferred at no cost such easements to Wynn Las Vegas as are necessary for Wynn Las Vegas to access such Points of Diversion, own and operate such wells and transport the water drawn therefrom to the Le Rêve casino water features,

95

(6) Wynn Las Vegas shall have taken all actions required pursuant to Section 4.32 hereof with respect to any assets or property acquired pursuant to clause (5) above, and

(7) Wynn Resorts Holdings delivers an Officers' Certificate (including supporting calculations in reasonable detail) to the Trustee confirming that the conditions in clauses (1), (2), (3), (4), (5) and (6) of this Section 10.03(b) have been satisfied.

(c) The Trustee shall release (at the sole cost and expense of the Issuers) the Liens granted by Wynn Resorts Holdings in favor of the Trustee for the benefit of the Holders in the Home Site Land if the lenders under the Credit Agreement concurrently release their first Liens on the Home Site Land, so long as no Default or Event of Default exists or is continuing immediately prior to or after giving effect to such release; *provided* that it shall not be deemed to be a release of such first priority Liens requiring the release by the Trustee of its Liens (for the benefit of the Holders) on the Home Site Land if the release of such first priority Liens is as a result of an extension, refinancing, renewal, replacement, amendment and restatement, restatement, defeasance or refunding (collectively, a "*refinancing*") of the Credit Agreement, as a result of which the first priority Liens in favor of the administrative agent (for the benefit of the lenders under the Credit Agreement) are replaced with Liens in favor of the lenders or holders of such refinancing Indebtedness (or a representative on their behalf). In the event that, following the release of the Trustee's Liens (for the benefit of the Holders) in the Home Site Land, Wynn Las Vegas, the Restricted Entities or any of their respective Restricted Subsidiaries grants a Lien on any or all of the Home Site Land to secure such refinancing Indebtedness or any guarantee thereof, such Person shall concurrently grant a Lien on such portions of the Home Site Land in favor of the Trustee for the benefit of the Holders to secure the Notes (or, if such Person is a Guarantor, its Note Guarantee); *provided* that the Lien in favor of the Trustee for the benefit of the Holders shall be a second priority Lien, subject only to the Liens securing the refinancing Indebtedness or the guarantee of such Indebtedness, as applicable, and other Permitted Liens).

(d) The Trustee shall release (at the sole cost and expense of the Issuers) the Liens granted by Wynn Resorts Holdings on the Wynn Home Site Land to secure its Obligations under its Note Guarantee in order to permit the construction of a personal residence for Stephen A. Wynn, so long as:

- (1) no Default or Event of Default exists or is continuing immediately prior to or after giving effect to that release,
- (2) the cash purchase price paid by Stephen A. Wynn for the Wynn Home Site Land prior to the release of such Liens in immediately available funds shall not be less than the then fair market value of the Wynn Home Site Land,
- (3) the purchase price is paid directly to Wynn Resorts Holdings so long as, prior to the release of such Liens, such purchase price is contributed in immediately available funds to Wynn Las Vegas as a common equity capital contribution (the "*Steve Wynn Capital Contribution*"),
- (4) the construction of Stephen A. Wynn's personal residence shall not interfere with the design, construction, operation or use of the remainder of the Golf Course Land as a Golf Course and otherwise could not reasonably be expected to materially impair the overall value of the Project,

- (6) either (1) no Points of Diversion with respect to the Water Permits, wells associated therewith or rights-of-way necessary for the transportation to the Golf Course Land or the Le Rêve casino water features of water drawn or to be drawn pursuant to Water Permits, are located

96

on the released Golf Course Land or (2) the entity that owns the released Golf Course Land shall have transferred at no cost:

(A) in the case of Points of Diversion and associated wells with respect to the Valvino Water Permits and the DIIC Casino Water Permit, and rights-of-way necessary for the transportation to the Le Rêve casino water features of water drawn or to be drawn pursuant to Water Permits, such easements to Wynn Las Vegas as are necessary for Wynn Las Vegas to access such Points of Diversion, own and operate such wells and transport the water drawn therefrom to the Le Rêve casino water features, and

(B) in the case of Points of Diversion with respect to all other DIIC Water Permits and the wells associated therewith, such easements to Wynn Las Vegas and Wynn Resorts Holdings as are necessary for Wynn Las Vegas and Wynn Resorts Holdings to access such Points of Diversion, own and operate such wells and transport the water drawn therefrom to the Golf Course Land,

(7) Wynn Las Vegas and Wynn Resorts Holdings, as the case may be, shall have taken all actions required pursuant to Section 4.32 hereof with respect to any assets or property acquired pursuant to clause (6) above, and

(8) Wynn Resorts Holdings delivers an Officers' Certificate to the Trustee confirming that the conditions in clauses (1), (2), (3), (4), (5), (6) and (7) of this Section 10.03(d) have been satisfied.

(e) The Trustee shall release (at the sole cost and expense of the Issuers) the Liens granted by Valvino Lamore in favor of the Trustee for the benefit of the Holders on the Phase II Land to secure its Obligations under its Note Guarantee if the lenders under the Credit Agreement concurrently release their first priority Liens in the Phase II Land, so long as no Default or Event of Default exists or is continuing immediately prior to or after giving effect to that release; *provided* that it shall not be deemed to be a release of such first priority Liens requiring the release by the Trustee of its Liens on the Phase II Land if the release of such first priority Liens is as a result of a refinancing of the Credit Agreement, as a result of which the first priority Liens in favor of the administrative agent (for the benefit of the lenders under the Credit Agreement) are replaced with Liens in favor of the lenders or holders of such refinancing Indebtedness (or a representative on their behalf). In the event that, following the release of the Trustee's Liens (for the benefit of the Holders) in the Phase II Land, Wynn Las Vegas, the Restricted Entities or any of their respective Restricted Subsidiaries grants a Lien on any or all of the Phase II Land to secure such refinancing Indebtedness or any guarantee thereof, such Person shall concurrently grant a Lien on such Phase II Land in favor of the Trustee for the benefit of the Holders to secure the Notes (or, if such Person is a Guarantor, its Note Guarantee); *provided* that the Lien in favor of the Trustee for the benefit of the Holders shall be a second priority Lien, subject only to the Liens securing the refinancing Indebtedness or the guarantee of such Indebtedness, as applicable, and other Permitted Liens). Notwithstanding anything to the contrary herein, nothing in this Section 10.03(e) shall permit the release of any portions of the Phase II Land on which any Entertainment Facility is being or has been constructed from time to time.

(f) Upon receipt by the Trustee of the applicable Officers' Certificate required to be delivered pursuant to Sections 10.03(a), (b), (c), (d) or (e), as the case may be, the Trustee shall execute, deliver or acknowledge any necessary or proper instruments of termination, satisfaction or release to evidence the release of any Collateral permitted to be released pursuant to this Section 10.03.

(g) The release of any Collateral from the terms of this Indenture and the Collateral Documents shall not be deemed to impair the security under this Indenture in contravention of the provisions hereof if and to the extent the Collateral is released pursuant to the terms of the Collateral Documents or this Indenture. To the extent applicable, the Issuers shall cause TIA § 313(b), relating to reports, and TIA § 314(d), relating to the release of property or securities from the Lien and security interest

of the Collateral Documents and this Indenture and relating to the substitution therefor of any property or securities to be subjected to the Lien and security interest of the Collateral Documents and this Indenture, to be complied with. Any certificate or opinion required by TIA § 314(d) may be made by an Officer of Wynn Las Vegas except in cases where TIA § 314(d) requires that such certificate or opinion be made by an independent Person, which Person shall be an independent engineer, appraiser or other expert selected or approved by the Trustee in the exercise of reasonable care.

(h) Notwithstanding anything to the contrary in this Indenture or the Collateral Documents, no Collateral may be released from the Lien and security interests created by the Collateral Documents unless the Officers' Certificate required by this Section 10.03 has been delivered to the Trustee and any applicable provisions of the Intercreditor Agreements have been complied with.

(i) At any time when a Default or Event of Default has occurred and is continuing and the maturity of the Notes has been accelerated (whether by declaration or otherwise), no release of Collateral pursuant to the provisions of this Section 10.03 or the Collateral Documents shall be effective as against the Holders of Notes.

Section 10.04 *Certificates of the Issuers.*

In addition to the requirements under Section 10.03, the Issuers shall furnish to the Trustee, prior to each proposed release of Collateral pursuant to the Collateral Documents:

(a) all documents required by TIA §314(d) and the Collateral Documents; and

(b) an Opinion of Counsel, which may be rendered by internal counsel to the Issuers, to the effect that such accompanying documents constitute all documents required by TIA §314(d).

The Trustee may, to the extent permitted by Sections 7.01 and 7.02 hereof, accept as conclusive evidence of compliance with the foregoing provisions the appropriate statements contained in such documents and such Opinion of Counsel.

Section 10.05 *Certificates of the Trustee.*

In the event that the Issuers wish to release Collateral in accordance with the Collateral Documents and have delivered the certificates and documents required by the Collateral Documents and Sections 10.03 and 10.04 hereof, the Trustee shall determine whether it has received all documentation required by TIA § 314(d) in connection with such release.

Section 10.06 *Authorization of Actions to Be Taken by the Trustee Under the Collateral Documents.*

Subject to the provisions of Section 7.01 and 7.02 hereof and the Collateral Documents, the Trustee may, in its sole discretion and without the consent of the Holders of Notes, on behalf of the Holders of Notes, take all actions it deems necessary or appropriate in order to:

(a) enforce any of the terms of the Collateral Documents; and

(b) collect and receive any and all amounts payable in respect of the Obligations of the Issuers, the Guarantors and the Parent Guarantor hereunder and under the Collateral Documents.

The Trustee shall have power to institute and maintain such suits and proceedings as it may deem expedient to prevent any impairment of the Collateral by any acts that may be unlawful or in violation of the Collateral Documents or this Indenture, and such suits and proceedings as the Trustee may deem expedient to preserve or protect its interests and the interests of the Holders of Notes in the Collateral (including power to institute and maintain suits or proceedings to restrain the enforcement of or compliance with any legislative or other governmental enactment, rule or order that may be unconstitutional or otherwise invalid if the enforcement of, or compliance with, such enactment, rule or order would impair the security interest hereunder or be prejudicial to the interests of the Holders of Notes or of the Trustee).

Section 10.07 *Authorization of Receipt of Funds by the Trustee Under the Collateral Documents.*

The Trustee is authorized to receive any funds for the benefit of the Holders of Notes distributed under the Collateral Documents, and to make further distributions of such funds to the Holders of Notes according to the provisions of this Indenture.

Section 10.08 *Rights in the Pledged Collateral.*

(a) So long as no Event of Default shall have occurred and be continuing, and subject to the provisions of this Indenture, the Intercreditor Agreements and the other Collateral Documents, Wynn Las Vegas and each Guarantor shall be entitled to receive the benefit of all cash dividends, interest and other payments made upon or with respect to the Collateral pledged by such Person and to exercise any voting and other consensual rights pertaining to the Collateral pledged by such Person. Upon the occurrence and during the continuance of an Event of Default and, subject to the terms of the Collateral Documents and the limitations in the Intercreditor Agreements and the exercise by the Trustee of its rights under the Collateral Documents:

(1) upon receipt by the affected Person of notice from the Trustee so stating, all rights of such Person to exercise such voting or other consensual rights shall cease, and all such rights shall become vested in the Trustee which, to the extent permitted by law, shall have the sole right to exercise such rights;

(2) all rights of such Person to receive all cash dividends, interest and other payments made upon, or with respect to, the Collateral shall cease and such cash dividends, interest and other payments shall be paid to the Trustee; and

(3) subject to applicable law, the Trustee may sell the Collateral or any part thereof in accordance with the terms of this Indenture, the Intercreditor Agreements and the other Collateral Documents.

(b) Nothing contained in this Section 10.08 shall be deemed to apply to the Parent Guarantor or to restrict the ability of Wynn Las Vegas to make the Restricted Payments permitted to be made during the occurrence of an Event of Default under Section 4.07(b) hereof.

Section 10.09 *Termination of Security Interest.*

Upon the payment in full in immediately available funds of all Obligations of the Issuers under this Indenture and the Notes, or upon Legal Defeasance, the Trustee shall, at the written request of the Issuers, release the Liens on the Collateral and take such actions at the Issuers' sole cost and expense as the Issuers may reasonably request to evidence such release, including, without limitation, the return of assets pledged as Collateral and the execution and delivery of related instruments of transfer, lien, releases, reconveyances, termination statements and any similar documents and instruments.

ARTICLE 11. NOTE GUARANTEES

Section 11.01 *Note Guarantee.*

(a) Subject to this Article 11, each of the Guarantors and the Parent Guarantor hereby, jointly and severally, unconditionally guarantees to each Holder of a Note authenticated and delivered by the Trustee and to the Trustee and its successors and assigns, irrespective of the validity and enforceability of this Indenture, the Notes, the Collateral Documents or the obligations of the Issuers hereunder or thereunder, that:

(1) the principal of, premium, if any, and interest on the Notes shall be promptly paid in full when due, whether at maturity, by acceleration, redemption or otherwise, and interest on the overdue principal of and interest on the Notes, if any, if lawful, and all other obligations of the

99

Issuers to the Holders or the Trustee hereunder or thereunder shall be promptly paid in full or performed, all in accordance with the terms hereof and thereof; and

(2) in case of any extension of time of payment or renewal of any Notes or any of such other obligations, that same shall be promptly paid in full when due or performed in accordance with the terms of the extension or renewal, whether at stated maturity, by acceleration or otherwise.

Failing payment when due of any amount so guaranteed or any performance so guaranteed for whatever reason, the Guarantors and the Parent Guarantor shall be jointly and severally obligated to pay the same immediately. Each Guarantor and the Parent Guarantor agrees that this is a guarantee of payment and performance and not a guarantee of collection.

(b) The Guarantors and the Parent Guarantor hereby agree that their obligations hereunder are unconditional, irrespective of the validity, regularity or enforceability of the Notes, this Indenture or the Collateral Documents, the absence of any action to enforce the same, any waiver or consent by any Holder of the Notes with respect to any provisions hereof or thereof, the recovery of any judgment against the Issuers, any action to enforce the same or any other circumstance which might otherwise constitute a legal or equitable discharge or defense of a Guarantor or the Parent Guarantor. Each of the Guarantors and the Parent Guarantor hereby waives diligence, presentment, demand of payment, filing of claims with a court in the event of insolvency or bankruptcy of either Issuer, any right to require a proceeding first against the Issuers, protest, notice and all demands whatsoever and covenant that this Note Guarantee shall not be discharged except by complete performance of the obligations contained in the Notes and this Indenture.

(c) If any Holder or the Trustee is required by any court or otherwise to return to the Issuers, the Guarantors, the Parent Guarantor or any custodian, trustee, liquidator or other similar official acting in relation to either Issuer, any Guarantor or the Parent Guarantor, any amount paid by either to the Trustee or such Holder, this Note Guarantee, to the extent theretofore discharged, shall be reinstated in full force and effect.

(d) Each of the Guarantors and the Parent Guarantor agrees that it shall not be entitled to any right of subrogation in relation to the Holders in respect of any obligations guaranteed hereby until payment in full of all obligations guaranteed hereby. Each of the Guarantors and the Parent Guarantor further agrees that, as between the Guarantors and the Parent Guarantor, on the one hand, and the Holders and the Trustee, on the other hand, (1) the maturity of the obligations guaranteed hereby may be accelerated as provided in Article 6 hereof for the purposes of this Note Guarantee, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the obligations guaranteed hereby, and (2) in the event of any declaration of acceleration of such obligations as provided in Article 6 hereof, such obligations (whether or not due and payable) shall forthwith become due and payable by the Guarantors and the Parent Guarantor for the purpose of this Note Guarantee. The Guarantors and the Parent Guarantor shall have the right to seek contribution from any non-paying Guarantor or the Parent Guarantor, as the case may be, so long as the exercise of such right does not impair the rights of the Holders under the Note Guarantee.

Section 11.02 *Limitation on Guarantor Liability.*

Each Guarantor and the Parent Guarantor, and by its acceptance of Notes, each Holder, hereby confirms that it is the intention of all such parties that the Note Guarantee of such Guarantor and the Parent Guarantor not constitute a fraudulent transfer or conveyance for purposes of Bankruptcy Law, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar federal or state law to the extent applicable to any Note Guarantee. To effectuate the foregoing intention, the Trustee, the Holders, the Guarantors and the Parent Guarantor hereby irrevocably agree that the obligations of each such Guarantor and the Parent Guarantor shall be limited to the maximum amount that shall, after giving effect to such maximum amount and all other contingent and fixed liabilities of

such Guarantor or the Parent Guarantor, as the case may be, that are relevant under such laws, and after giving effect to any collections from, rights to receive contribution from or payments made by or on behalf of any other Guarantor or the Parent Guarantor, as the case may be, in respect of the obligations of such other Guarantor or the Parent Guarantor, as the case may be, under this Article 11, result in the obligations of such Guarantor or the Parent Guarantor, as the case may be, under its Note Guarantee not constituting a fraudulent transfer or conveyance.

Section 11.03 *Execution and Delivery of Note Guarantee.*

To evidence its Note Guarantee set forth in Section 11.01, each of the Guarantors and the Parent Guarantor hereby agrees that a notation of such Note Guarantee substantially in the form attached as Exhibit B hereto shall be endorsed by an Officer of such Guarantor and the Parent Guarantor on each Note authenticated and delivered by the Trustee and that this Indenture shall be executed on behalf of such Guarantor and the Parent Guarantor by one of its Officers.

Each of the Guarantors and the Parent Guarantor hereby agrees that its Note Guarantee set forth in Section 11.01 shall remain in full force and effect notwithstanding any failure to endorse on each Note a notation of such Note Guarantee.

If an Officer whose signature is on this Indenture or on the Note Guarantee no longer holds that office at the time the Trustee authenticates the Note on which a Note Guarantee is endorsed, the Note Guarantee shall be valid nevertheless.

The delivery of any Note by the Trustee, after the authentication thereof hereunder, shall constitute due delivery of the Note Guarantee set forth in this Indenture on behalf of the Guarantors and the Parent Guarantor.

In the event that the Issuers create or acquire any Subsidiary after the date of this Indenture, if required by Sections 4.26 and 4.31 hereof, the Issuers shall cause such Subsidiary to comply with the provisions of Sections 4.26 and 4.31 hereof and this Article 11, to the extent applicable.

Section 11.04 *Guarantors May Consolidate, etc., on Certain Terms.*

In case of any consolidation, merger, sale or conveyance of or involving a Guarantor under Section 5.01 hereof, and upon the assumption by the successor Person, by supplemental indenture, executed and delivered to the Trustee and satisfactory in form to the Trustee, of the Note Guarantee endorsed upon the Notes and the due and punctual performance of all of the covenants and conditions of this Indenture to be performed by the Guarantor, such successor Person shall succeed to and be substituted for the Guarantor with the same effect as if it had been named herein as a Guarantor. Such successor Person thereupon may cause to be signed any or all of the Note Guarantees to be endorsed upon all of the Notes issuable hereunder which theretofore shall not have been signed by the Issuers and delivered to the Trustee. All the Note Guarantees so issued shall in all respects have the same legal rank and benefit under this Indenture as the Note Guarantees theretofore and thereafter issued in accordance with the terms of this Indenture as though all of such Note Guarantees had been issued at the date of the execution hereof.

Except as set forth in Articles 4 and 5 hereof, nothing contained in this Indenture or in any of the Notes shall prevent any consolidation or merger of a Guarantor with or into the Issuers or another Guarantor, or shall prevent any sale or conveyance of the property of a Guarantor as an entirety or substantially as an entirety to the Issuers or another Guarantor.

Section 11.05 *Releases Following Sale of Assets.*

Subject to compliance with Section 5.01 hereof, the Note Guarantee of a Guarantor and the security interests granted by that Guarantor to secure its Note Guarantee shall be released: (1) in connection with any sale or other disposition of all or substantially all of the assets of that Guarantor

(including by way of merger or consolidation) to a Person that is not (either before or after giving effect to such transaction) Wynn Las Vegas, a Restricted Entity or one of their respective Restricted Subsidiaries, or the Parent Guarantor, if the sale or other disposition complies with the applicable provisions of this Indenture, including, without limitation, Section 4.10 hereof; or (2) in connection with any sale of all of the Capital Stock of a Guarantor to a Person that is not (either before or after giving effect to such transaction) Wynn Las Vegas, a Restricted Entity or one of their respective Restricted Subsidiaries, or the Parent Guarantor, if the sale complies with the applicable provisions of this Indenture, including, without limitation, Section 4.10 hereof. Upon delivery by Wynn Las Vegas to the Trustee of an Officers' Certificate and an Opinion of Counsel to the effect that such sale or other disposition was made by the Issuers in accordance with the provisions of this Indenture, including, without limitation, Section 4.10 hereof, the Trustee shall execute any documents reasonably required in order to evidence the release of any Guarantor from its obligations under its Note Guarantee.

Any Guarantor not released from its obligations under its Note Guarantee shall remain liable for the full amount of principal of and interest and premium, if any, on the Notes and for the other obligations of any Guarantor and the Parent Guarantor under this Indenture as provided in this Article 11.

ARTICLE 12. SATISFACTION AND DISCHARGE

Section 12.01 *Satisfaction and Discharge.*

This Indenture and the Collateral Documents shall be discharged and shall cease to be of further effect as to all Notes issued hereunder, when:

(a) either:

(1) all Notes that have been authenticated, except lost, stolen or destroyed Notes that have been replaced or paid and Notes for whose payment money has theretofore been deposited in trust and thereafter repaid to the Issuers, have been delivered to the Trustee for cancellation; or

(2) all Notes that have not been delivered to the Trustee for cancellation have become due and payable by reason of the mailing of a notice of redemption or otherwise or shall become due and payable within one year and the Issuers have or any Guarantor or the Parent Guarantor has irrevocably

deposited or caused to be deposited with the Trustee as trust funds in trust solely for the benefit of the Holders, cash in U.S. dollars, Government Securities, or a combination thereof, in such amounts as shall be sufficient without consideration of any reinvestment of interest, to pay and discharge the entire indebtedness on the Notes not delivered to the Trustee for cancellation for principal, premium and accrued interest to the date of maturity or redemption;

(b) no Default or Event of Default has occurred and is continuing on the date of such deposit or shall occur as a result of the deposit and the deposit shall not result in a breach or violation of, or constitute a default under, any other instrument to which either Issuer, any Guarantor or the Parent Guarantor is a party or by which either Issuer, any Guarantor or the Parent Guarantor is bound;

(c) the Issuers, any Guarantor or the Parent Guarantor have paid or caused to be paid all sums payable by the Issuers under this Indenture; and

(d) the Issuers have delivered irrevocable instructions to the Trustee under this Indenture to apply the deposited money toward the payment of the Notes at maturity or the redemption date, as the case may be.

In addition, the Issuers must deliver an Officers' Certificate and an Opinion of Counsel to the Trustee stating that all conditions precedent to satisfaction and discharge have been satisfied.

102

Notwithstanding the satisfaction and discharge of this Indenture, if money has been deposited with the Trustee pursuant to subclause (1) of clause (a) of this Section, the provisions of Section 12.02 and Section 8.06 shall survive. In addition, nothing in this Section 12.01 shall be deemed to discharge those provisions of Section 7.07 hereof, that, by their terms, survive the satisfaction and discharge of this Indenture.

Section 12.02 *Application of Trust Money.*

Subject to the provisions of Section 8.06, all money deposited with the Trustee pursuant to Section 12.01 shall be held in trust and applied by it, in accordance with the provisions of the Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Issuers acting as their own Paying Agent) as the Trustee may determine, to the Persons entitled thereto, of the principal (and premium, if any) and interest for whose payment such money has been deposited with the Trustee; but such money need not be segregated from other funds except to the extent required by law.

If the Trustee or Paying Agent is unable to apply any money or Government Securities in accordance with Section 12.01 by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Issuers', any Guarantor's and the Parent Guarantor's obligations under this Indenture, the Notes and the Collateral Documents shall be revived and reinstated as though no deposit had occurred pursuant to Section 12.01; *provided* that if the Issuers have made any payment of principal of, premium, if any, or interest on any Notes because of the reinstatement of its obligations, the Issuers shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money or Government Securities held by the Trustee or Paying Agent.

(b) a brief statement as to the nature and scope of the examination or investigation upon which the statements or opinions contained in such certificate or opinion are based;

No director, officer, employee, incorporator, organizer, equity holder or member of either Issuer, any Restricted Entity, any of the Restricted Subsidiaries of Wynn Las Vegas or any Restricted Entity or any Guarantor or the Parent Guarantor, as such, shall have any liability for any obligations of either Issuer, any Restricted Entity, any such Restricted Subsidiary or any Guarantor or the Parent Guarantor under the Notes, the Note Guarantees, this Indenture, the Collateral Documents or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes. The waiver may not be effective to waive liabilities under the federal securities laws.

Section 13.08 *Governing Law.*

THE INTERNAL LAW OF THE STATE OF NEW YORK WILL GOVERN AND BE USED TO CONSTRUE THIS INDENTURE, THE NOTES AND THE NOTE GUARANTEES WITHOUT GIVING EFFECT TO APPLICABLE PRINCIPLES OF CONFLICTS OF LAW TO THE EXTENT THAT THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION WOULD BE REQUIRED THEREBY.

The Issuers shall pay interest semi-annually in arrears on May 1 and November 1 of each year, or if any such day is not a Business Day, on the next succeeding Business Day (each, an "*Interest Payment Date*"). Interest on the Notes shall accrue from the most recent date to which interest has been paid or, if no interest has been paid, from the date of issuance; *provided* that if there is no existing Default in the payment of interest, and if this Note is authenticated between a record date referred to on the face hereof and the next succeeding Interest Payment Date, interest shall accrue from such next succeeding Interest Payment Date; *provided, further*, that the first Interest Payment Date shall be May 1, 2003. The Issuers shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal and premium, if any, from time to time on demand at a rate that is 1% per annum in excess of the rate then in effect; they shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue

installments of interest (without regard to any applicable grace periods) from time to time on demand at the same rate to the extent lawful. Interest shall be computed on the basis of a 360-day year of twelve 30-day months.

(2) *Method of Payment.* The Issuers shall pay interest on the Notes (except defaulted interest) to the Persons who are registered Holders of Notes at the close of business on the April 15 or October 15 next preceding the Interest Payment Date, even if such Notes are canceled after such record date and on or before such Interest Payment Date, except as provided in Section 2.12 of the Indenture with respect to defaulted interest. The Notes shall be payable as to principal, premium, if any, and interest at the office or agency of the Issuers maintained for such purpose within or without the City and State of New York, or, at the option of the Issuers, payment of interest may be made by check mailed to the Holders at their addresses set forth in the register of Holders; *provided* that payment by wire transfer of immediately available funds shall be required with respect to principal of and interest and premium, if any, on, all Global Notes and all other Notes the Holders of which shall have provided wire transfer instructions to the Issuers or the Paying Agent. Such payment shall be in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts.

(3) *Paying Agent and Registrar.* Initially, Wells Fargo Bank, National Association, the Trustee under the Indenture, shall act as Paying Agent and Registrar. The Issuers may change any Paying Agent or Registrar without notice to any Holder. Either Issuer or any of their Restricted Subsidiaries may act in any such capacity.

(4) *Indenture and Collateral Documents.* The Issuers issued the Notes under an Indenture dated as of October 30, 2002 (the "*Indenture*") among the Issuers, the Guarantors, the Parent Guarantor and the Trustee. The terms of the Notes include those stated in the Indenture and those made part of the Indenture by reference to the Trust Indenture Act of 1939, as amended (15 U.S. Code §§ 77aaa-77bbb). The Notes are subject to all such terms, and Holders are referred to the Indenture and such Act for a statement of such terms. To the extent any provision of this Note conflicts with the express provisions of the Indenture, the provisions of the Indenture shall govern and be controlling. The Notes are secured obligations of the Issuers. The Issuers may issue Notes in a maximum aggregate principal amount of (a) \$470.0 million, *less* (b) the aggregate principal amount of all Indebtedness incurred pursuant to clauses (11) and (12) of Section 4.09(b) of the Indenture, other than through the issuance of Additional Notes under the Indenture. The Notes and the Note Guarantees are secured by a grant of a security interest in Collateral pursuant to the Collateral Documents referred to in the Indenture.

(5) *Optional Redemption.*

(a) Except as set forth in subparagraph (b) of this Paragraph 5, the Issuers shall not have the option to redeem the Notes prior to November 1, 2006. Thereafter, the Issuers shall have the option to redeem the Notes, in whole or in part, upon not less than 30 nor more than 60 days' notice, at the redemption prices (expressed as percentages of principal amount) set forth below plus accrued and unpaid interest thereon to the applicable redemption date, if redeemed during the twelve-month period beginning on November 1 of the years indicated below:

A-3

(b) Notwithstanding the provisions of subparagraph (a) of this Paragraph 5, at any time prior to November 1, 2005, the Issuers may on one or more occasions redeem up to 35% of the aggregate principal amount of Notes with the net cash proceeds of one or more Qualified Equity Offerings (other than the IPO) at a redemption price equal to 112.0% of the principal amount redeemed, plus accrued and unpaid interest thereon to the redemption date; *provided* that at least 65% of the aggregate principal amount of the Notes issued under the Indenture remains outstanding immediately after the occurrence of such redemption (excluding Notes held by Wynn Resorts, any of its Affiliates, any of their respective employees or the Existing Stockholders), and that such redemption occurs within 60 days of the date of the closing of such Qualified Equity Offering.

(6) *Mandatory Redemption.* Other than as set forth in Paragraph 7 below, the Issuers shall not be required to make mandatory redemption or sinking fund payments with respect to the Notes.

(7) *Mandatory Disposition or Redemption Pursuant to Gaming Laws.* Notwithstanding any other provision of the Indenture or this Note, if any Gaming Authority requires a Holder or Beneficial Owner of Notes to be licensed, qualified or found suitable under any applicable Gaming Law and the Holder or Beneficial Owner (a) fails to apply for a license, qualification or finding of suitability within 30 days after being requested to do so (or such lesser period as required by the Gaming Authority), or (b) is notified by a Gaming Authority that it shall not be licensed, qualified or found suitable, the Issuers shall have the right, at their option, to: (1) require the Holder or Beneficial Owner to dispose of its Notes within 30 days (or such lesser period as required by the Gaming Authority) following the earlier of: (a) the termination of the period described above for the Holder or Beneficial Owner to apply for a license, qualification or finding of suitability, or (b) the receipt of the notice from the Gaming Authority that the Holder or Beneficial Owner shall not be licensed, qualified or found suitable by the Gaming Authority; or (2) redeem the Notes of the Holder or Beneficial Owner at a redemption price equal to: (a) the price determined by the Gaming Authority, or (b) if the Gaming Authority does not determine a price, the lesser of: (i) the principal amount of the Notes, and (ii) the price that the Holder or Beneficial Owner paid for the Notes, in each case, together with accrued and unpaid interest on the Notes to the earlier of (A) the date of redemption or such earlier date as is required by the Gaming Authority or (B) the date of the finding of unsuitability by the Gaming Authority, which may be less than 30 days following the notice of redemption. The Issuers shall notify the Trustee in writing of any redemption pursuant to this Section 7 as soon as practicable.

Immediately upon a determination by a Gaming Authority that a Holder or Beneficial Owner of Notes shall not be licensed, qualified or found suitable, the Holder or Beneficial Owner shall not have any further rights with respect to the Notes to: (a) exercise, directly or indirectly, through any Person, any right conferred by the Notes; or (b) receive any interest or any other distribution or payment with respect to the Notes, or any remuneration in any form from the Issuers for services rendered or otherwise, except the redemption price of the Notes.

The Issuers are not required to pay or reimburse any Holder or Beneficial Owner of Notes who is required to apply for such license, qualification or finding of suitability for the costs relating thereto. Those expenses shall be the obligation of the Holder or Beneficial Owner.

(8) *Repurchase at Option of Holder.*

(a) If a Change of Control, occurs, the Issuers shall make an offer (a "*Change of Control Offer*") to repurchase all or any part (equal to \$1,000 or an integral multiple thereof) of each Holder's Notes at a purchase price equal to 101% of the aggregate principal amount thereof plus accrued and unpaid interest thereon, if any, to the date of purchase (the "*Change of Control Payment*"). Within 10 days following any Change of Control, the Issuers shall mail a

notice to each Holder setting forth the procedures governing the Change of Control Offer as required by the Indenture.

(b) If Wynn Las Vegas, the Restricted Entities or any of their respective Subsidiaries consummate any Asset Sales, within 10 days of each date on which the aggregate amount of Excess Proceeds exceeds \$10.0 million, Wynn Las Vegas shall make an offer to all Holders of Notes (an "*Asset Sale Offer*") pursuant to Sections 3.10 and 4.10 of the Indenture to purchase the maximum principal amount of Notes that may be purchased out of the Excess Proceeds at an offer price in cash in an amount equal to 100% of the principal amount thereof plus accrued and unpaid interest thereon, if any, to the date fixed for the closing of such offer, in accordance with the procedures set forth in the Indenture. If any Excess Proceeds remain after consummation of an Asset Sale Offer, the applicable entity may use those Excess Proceeds for any general corporate purpose not prohibited by the Indenture and the Collateral Documents. If the aggregate principal amount of Notes tendered into such Asset Sale Offer exceeds the amount of Excess Proceeds, the Trustee shall select the Notes to be purchased in accordance with the terms of the Indenture. Holders of Notes that are the subject of an offer to purchase shall receive an Asset Sale Offer from Wynn Las Vegas prior to any related purchase date and may elect to have such Notes purchased by completing the form entitled "Option of Holder to Elect Purchase" on the reverse of the Notes. Until the Credit Agreement has been repaid in full, there will not be any Excess Proceeds of Asset Sales. Upon completion of each Asset Sale Offer, the amount of Excess Proceeds shall be reset at zero.

(c) If Wynn Las Vegas, any Restricted Entity or any of their Restricted Subsidiaries experiences an Event of Loss after the Final Completion Date and, within ten days of each date on which the aggregate amount of Excess Loss Proceeds exceeds \$10.0 million, Wynn Las Vegas shall commence an offer (an "*Event of Loss Offer*") to all Holders of Notes pursuant to Sections 3.10 and 4.16 of the Indenture, to purchase the maximum principal amount of Notes that may be purchased out of the Excess Loss Proceeds at an offer price in cash in an amount equal to 100% of the principal amount thereof plus accrued and unpaid interest thereon, if any, to the date fixed for the closing of such offer, in accordance with the procedures set forth in the Indenture. If any Excess Loss Proceeds remain after consummation of an Event of Loss Offer, the applicable entity may use such Excess Loss Proceeds for any general corporate purpose not prohibited by the Indenture and the Collateral Documents. If the aggregate principal amount of Notes tendered into such Event of Loss Offer exceeds the amount of Excess Loss Proceeds, the Trustee shall select the Notes to be purchased in accordance with the terms of the Indenture. Holders of Notes that are the subject of an offer to purchase shall receive an Event of Loss Offer from Wynn Las Vegas prior to any related purchase date and may elect to have such Notes purchased by completing the form entitled "Option of Holder to Elect Purchase" on the reverse of the Notes. Until the Credit Agreement has been paid in full, there will not be any Excess Loss Proceeds. Upon completion of each Event of Loss Offer, the amount of Excess Proceeds shall be reset at zero.

(9) *Notice of Redemption.* Notice of redemption shall be mailed at least 30 days but not more than 60 days before the redemption date to each Holder whose Notes are to be redeemed at its registered address. Notes in denominations larger than \$1,000 may be redeemed in part but only in whole multiples of \$1,000, unless all of the Notes held by a Holder are to be redeemed. On and after the redemption date interest ceases to accrue on Notes or portions thereof called for redemption.

Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and the Issuers may require a Holder to pay any taxes and fees required by law or permitted by the Indenture. The Issuers need not exchange or register the transfer of any Note or portion of a Note selected for redemption, except for the unredeemed portion of any Note being redeemed in part. Also, the Issuers need not exchange or register the transfer of any Notes for a period of 15 days before a selection of Notes to be redeemed or during the period between a record date and the corresponding Interest Payment Date.

(11) *Persons Deemed Owners.* The registered Holder of a Note may be treated as its owner for all purposes.

(12) *Amendment, Supplement and Waiver.* Subject to certain exceptions, the Indenture, the Notes, the Note Guarantees and the Collateral Documents may be amended or supplemented with the consent of the Holders of at least a majority in principal amount of the then outstanding Notes, and Additional Notes, if any, voting as a single class, and any existing default or compliance with any provision of the Indenture, the Notes, the Note Guarantees or the Collateral Documents may be waived with the consent of the Holders of a majority in principal amount of the then outstanding Notes voting as a single class. (13) *Defaults and Remedies.* Events of Default include: (i) default for 30 days in the payment when due of interest on the Notes; (ii) default in payment when due of principal of, or premium, if any, on the Notes when the same becomes due and payable at maturity, upon redemption (including in connection with an offer to purchase) or otherwise, (iii) failure by Wynn Capital, Wynn Las Vegas, any Restricted Entity or any of their Restricted Subsidiaries to comply with Section 4.07, 4.09, 4.10, 4.15, 4.16 or 5.01 of the Indenture; (iv) failure by Wynn Capital, any Restricted Entity or any of their Restricted Subsidiaries for 60 days after written notice from the Trustee to comply with certain other agreements in the Indenture, not set forth in clause (iii) above, or failure by Wynn Resorts for 60 days after receipt of written notice from the Trustee to comply with the provisions of the Parent Guarantee or, if applicable, any Parent Security Agreement; (v) default under the Disbursement Agreement; (vi) failure by Wynn Capital, any Restricted Entity or any of their respective Restricted Subsidiaries, the Completion Guarantor or any other party thereto (other than the Trustee or any representative of the lenders under the Credit Agreement or other lenders party thereto) for 60 days after receipt of written notice from the Trustee to comply with any of its agreements, as applicable, in any Collateral Document; (vii) default under any mortgage, indenture or instrument under which there may be issued or by which there may be secured or evidenced any Indebtedness for money borrowed by Wynn Las

Vegas, any Restricted Entity or any of their respective Restricted Subsidiaries (or the payment of which is guaranteed by any such Person) whether such Indebtedness or guarantee now exists, or is created after the date of the Indenture, if that default (a) is caused by a Payment Default or (b) results in the acceleration of such Indebtedness prior to its express maturity, and, in each case, the principal amount of any such Indebtedness, together with the principal amount of any other such Indebtedness under which there has been a Payment Default or the maturity of which has been so accelerated, aggregates \$10.0 million or more; (viii) failure by Wynn Capital, Wynn Las Vegas, any Restricted Entity or any of their respective Restricted Subsidiaries to pay final non-appealable judgments (not paid or covered by insurance as to which the relevant insurance company has not denied responsibility) aggregating in excess of \$10.0 million, which judgments are not paid, bonded, discharged or stayed for a period of 60 days; (ix) any of the Collateral Documents shall cease, for any reason (other than pursuant to their terms), to be in full force and effect, or Wynn Capital, Wynn Las Vegas, any Restricted Entity or any of their respective Restricted Subsidiaries or any Affiliate of any such Person or any Person acting on behalf of any such Person, shall so assert as to any of such Person's properties or assets, or any security interest created, or purported to be created, by any of the Collateral Documents shall cease to be enforceable and of the same effect and priority purported to be created by the Collateral Documents; (x) any representation or warranty made or deemed made by Wynn Capital, Wynn Las Vegas, any Restricted Entity or any of their respective Restricted Subsidiaries in any Collateral Document or that is contained in any certificate, document or financial or other statement furnished by it at any time under or in connection with any such Collateral Document shall prove to have been inaccurate in any material respect on or as of the date made or deemed made; *provided* that the inaccuracy of any representation or warranty contained only in the Disbursement Agreement shall constitute an Event of Default under the Indenture only to the extent such inaccuracy constitutes a Disbursement Agreement Event of Default; (xi) except as expressly provided therein, the Completion Guarantee, the Construction Contract Guarantee, any Note Guarantee issued by a Restricted Entity, a Restricted Subsidiary of Wynn Las Vegas or any Restricted Entity, or the Parent Guarantee shall be held in any judicial proceeding to be unenforceable or invalid or shall cease for any reason to be in full force and effect or the Completion Guarantor, any Restricted Entity, any Restricted Subsidiary or the Parent Guarantor, or any Person acting on behalf of any such Person, shall deny or disaffirm its obligations under its Note Guarantee or, as the case may be, its Parent Guarantee; (xii) certain events of bankruptcy or insolvency described in the Indenture with respect to any Material Entity; (xiii) the Project has not achieved Completion on or before the Outside Completion Deadline; (xiv) after the Opening Date, revocation, termination, suspension or other cessation of effectiveness of any Gaming License which results in the cessation or suspension of gaming operations at any Gaming Facility for a period of more than 90 consecutive days; or (xv) if Wynn Las Vegas ever fails to own 100% of the issued and outstanding Equity Interests of Wynn Capital.

to the Trustee may on behalf of the Holders of all of the Notes waive any existing Default or Event of Default and its consequences under the Indenture, except a continuing Default or Event of Default in the payment of interest or premium, if any, on, or the principal of, the Notes. In the case of any Event of Default occurring on or after November 1, 2006 by reason of any willful action or inaction taken or not taken by or on behalf of either Issuer, any Restricted Entity, any Restricted Subsidiary of Wynn Las Vegas or any Restricted Entity, any Guarantor or the Parent Guarantor or any of their respective Subsidiaries with the intention of avoiding payment of the premium that the Issuers would have had to pay if the Issuers then had elected to redeem the Notes pursuant to the optional redemption provisions of the Indenture, an equivalent premium shall also become and be immediately due and payable to the extent permitted by law upon the acceleration of the Notes. If an Event of Default occurs prior to November 1, 2006, by reason of any willful action (or inaction) taken (or not taken) by or on behalf of either Issuer, any Restricted Entity, any Restricted Subsidiary of Wynn Las Vegas or any Restricted Entity, any Guarantor or the Parent Guarantor or any of their respective Subsidiaries with the intention of avoiding the prohibition on redemption of the Notes prior to November 1, 2006, then the premium specified in the Indenture shall also become immediately due and payable to the extent permitted by law upon the acceleration of the Notes. The Issuers are required to deliver to the Trustee annually a statement regarding compliance with the Indenture and the Collateral Documents. Upon becoming aware of any Default or Event of Default, the Issuers are required to deliver to the Trustee a statement specifying such Default or Event of Default.

(14) *Trustee Dealings with Issuers.* The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Issuers or any Affiliate of the Issuers with the same rights it would have if it were not Trustee. WHEREAS, pursuant to Section 9.01 of the Indenture, the Trustee is authorized to execute and deliver this Supplemental Indenture.

NOW THEREFORE, in consideration of the foregoing and for other good and valuable consideration, the receipt of which is hereby acknowledged, the Guaranteeing Subsidiary and the Trustee mutually covenant and agree for the equal and ratable benefit of the Holders of the Notes as follows:

- 1. CAPITALIZED TERMS. Capitalized terms used herein without definition shall have the meanings assigned to them in the Indenture.
2. AGREEMENT TO GUARANTEE. The Guaranteeing Subsidiary hereby agrees as follows:

(a) Along with all Guarantors named in the Indenture and the Parent Guarantor, to jointly, severally and unconditionally Guarantee to each Holder of a Note authenticated and delivered by the Trustee and to the Trustee and its successors and assigns, the Notes, the Collateral Documents or the obligations of the Issuers hereunder or thereunder, that:

(i) the principal of, and premium, if any, and interest on the Notes shall be promptly paid in full when due, whether at maturity, by acceleration, redemption or otherwise, and interest on the overdue principal of and interest on the Notes, if any, if lawful, and all other obligations of the Issuers to the Holders or the Trustee hereunder or thereunder shall be promptly paid in full or performed, all in accordance with the terms hereof and thereof; and

C-1

(ii) in case of any extension of time of payment or renewal of any Notes or any of such other obligations, that same shall be promptly paid in full when due or performed in accordance with the terms of the extension or renewal, whether at stated maturity, by acceleration or otherwise.

Failing payment when due of any amount so guaranteed or any performance so guaranteed for whatever reason, the Guarantors and the Parent Guarantor shall be jointly and severally obligated to pay the same immediately.

(b) The obligations hereunder shall be unconditional, irrespective of the validity, regularity or enforceability of the Notes, the Indenture or the Collateral Documents, the absence of any action to enforce the same, any waiver or consent by any Holder of the Notes with respect to any provisions hereof or thereof, the recovery of any judgment against the Issuers, any action to enforce the same or any other circumstance which might otherwise constitute a legal or equitable discharge or defense of a Guarantor or the Parent Guarantor.

(c) The following is hereby waived: diligence, presentment, demand of payment, filing of claims with a court in the event of insolvency or bankruptcy of either Issuer, any right to require a proceeding first against the Issuers, protest, notice and all demands whatsoever.

(d) This Note Guarantee shall not be discharged except by complete performance of the obligations contained in the Notes and the Indenture, and the Guaranteeing Subsidiary accepts all obligations of a Guarantor under the Indenture.

(e) If any Holder or the Trustee is required by any court or otherwise to return to the Issuers, the Guarantors, the Parent Guarantor or any custodian, trustee, liquidator or other similar official acting in relation to either of the Issuers, any Guarantor or the Parent Guarantor, any amount paid by either to the Trustee or such Holder, this Note Guarantee, to the extent theretofore discharged, shall be reinstated in full force and effect.

(f) The Guaranteeing Subsidiary shall not be entitled to any right of subrogation in relation to the Holders in respect of any obligations guaranteed hereby until payment in full of all obligations guaranteed hereby.

(g) As between the Guarantors and the Parent Guarantor, on the one hand, and the Holders and the Trustee, on the other hand, (x) the maturity of the obligations guaranteed hereby may be accelerated as provided in Article 6 of the Indenture for the purposes of this Note Guarantee, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the obligations guaranteed hereby, and (y) in the event of any declaration of acceleration of such obligations as provided in Article 6 of the Indenture, such obligations (whether or not due and payable) shall forthwith become due and payable by the Guarantors and the Parent Guarantor for the purpose of this Note Guarantee.

(h) The Guarantors and the Parent Guarantor shall have the right to seek contribution from any non-paying Guarantor or the Parent Guarantor so long as the exercise of such right does not impair the rights of the Holders under the Note Guarantee.

(i) Pursuant to Section 11.02 of the Indenture, after giving effect to any maximum amount and all other contingent and fixed liabilities that are relevant under any applicable Bankruptcy or fraudulent conveyance laws, and after giving effect to any collections from, rights to receive contribution from or payments made by or on behalf of any other Guarantor or the Parent Guarantor in respect of the obligations of such other Guarantor or the Parent Guarantor under Article 11 of the Indenture, this new Note Guarantee shall be limited to the maximum amount permissible such that the obligations of such Guarantor or the Parent Guarantor under this Note Guarantee shall not constitute a fraudulent transfer or conveyance.

C-2

3. EXECUTION AND DELIVERY. Each Guaranteeing Subsidiary agrees that the Note Guarantees shall remain in full force and effect notwithstanding any failure to endorse on each Note a notation of such Note Guarantee.

4. GUARANTEEING SUBSIDIARY MAY CONSOLIDATE, ETC. ON CERTAIN TERMS.

(a) The Guaranteeing Subsidiary may not, directly or indirectly (1) consolidate or merge with or into another Person (whether or not such Guarantor is the surviving entity) or (2) sell, assign, transfer, convey or otherwise dispose of all or substantially all of the properties or assets of (a) Wynn Las Vegas, the Restricted Entities and their respective Restricted Subsidiaries, taken as a whole, (b) Wynn Las Vegas and its Restricted Subsidiaries, taken as a whole, or (c) such Guarantor, in one or more related transactions, to another Person, unless:

(i) either (a) such Guarantor is the surviving entity or (b) the Person formed by or surviving any such consolidation or merger (if other than such Guarantor) or to which such sale, assignment, transfer, conveyance or other disposition shall have been made is a corporation organized or existing under the laws of the United States, any state of the United States or the District of Columbia;

(ii) the Person formed by or surviving any such consolidation or merger (if other than such Guarantor) or the Person to which such sale, assignment, transfer, conveyance or other disposition shall have been made assumes all the obligations of such Guarantor under the Notes, the Indenture, the Note Guarantees and the Collateral Documents pursuant to agreements reasonably satisfactory to the Trustee; *provided* that this Section 4(a)(ii) shall not apply to any merger, consolidation, sale, assignment, transfer, conveyance or other disposition of assets of a Guarantor with, into or to Wynn Las Vegas, so long as, in the case of any consolidation or merger, Wynn Las Vegas is the survivor of such consolidation or merger;

(iii) immediately after such transaction, no Default or Event of Default exists;

(iv) such transaction would not result in the loss or suspension or material impairment of any Gaming License unless a comparable replacement Gaming License is effective at no material cost prior to or simultaneously with such loss, suspension or material impairment;

(v) such Guarantor or the Person formed by or surviving any such consolidation or merger or to which such sale, assignment, transfer, conveyance or other disposition shall have been made shall have Consolidated Net Worth immediately after the transaction equal to or greater than the Consolidated Net Worth of such Guarantor immediately preceding the transaction (excluding the effect of the related professional fees, commissions, sales and other taxes, and other transactional costs that would otherwise reduce Consolidated Net Worth);

(vi) in the case of a consolidation or merger of a Guarantor that is a Restricted Subsidiary of Wynn Las Vegas or the sale, assignment, transfer, conveyance or other disposition of the property or assets of such Guarantor, the Issuers shall, on the date of such transaction after giving pro forma effect thereto and any related financing transactions as if the same had occurred at the beginning of the applicable four-quarter period, be permitted to incur at least \$1.00 of additional Indebtedness pursuant to the Fixed Charge Coverage Ratio test set forth in Section 4.09(a) of the Indenture; and

(vii) such transaction, at the time it is undertaken, would not require any Holder or Beneficial Owner of Notes to obtain a Gaming License or be qualified or found suitable under the law of any applicable gaming jurisdiction; *provided* that such Holder or Beneficial Owner would not have been required to obtain a Gaming License or be qualified or found suitable under the laws of any applicable gaming jurisdiction in the absence of such transaction.

C-3

Notwithstanding the foregoing provisions or the provisions of Section 5.01(a) of the Indenture, a Guarantor may consolidate or merge with or into another Guarantor, or sell, assign, transfer, convey or otherwise dispose of all or substantially all of its properties or assets to another Guarantor, so long as (1) the conditions in clauses (iii), (iv) and (vii) of the preceding paragraph are satisfied, and (2) such Guarantor or the Person formed by or surviving any such consolidation or merger, or the Guarantor to which such sale, assignment, transfer, conveyance or other disposition shall have been made, as the case may be, is Solvent.

(b) In addition, no Guarantor may, directly or indirectly, lease all or substantially all of its properties or assets, in one or more related transactions, to any other Person. This Section 4 shall not apply to a sale, assignment, transfer, conveyance or other disposition of assets (excluding any sale, assignment, transfer, conveyance or disposition of assets that would otherwise be subject to this Section 4 from a Person that is a Guarantor to a Person, other than Wynn Las Vegas, that is not a Guarantor):

(i) to Wynn Las Vegas and/or its Restricted Subsidiaries,

(ii) between Wynn Resorts Holdings and Valvino Lamore, excluding a transfer of any or all of the Golf Course Land, unless such Golf Course Land is then a Released Asset,

(iii) by (i) any Restricted Entity or any Restricted Subsidiary of a Restricted Entity, that, in each case, is not a Guarantor to (ii) any Restricted Entity or any Restricted Subsidiary of a Restricted Entity that, in each case, is a Guarantor, or

(iv) by any Wynn Group Entity to any Restricted Entity.

For purposes of this Section 4, a sale of properties or assets by a Guarantor shall not constitute a sale of "substantially all of the properties or assets" of that Guarantor if, following that sale, the Guarantor owns or holds (1) any of the Water Rights for the Project (excluding Water Rights that are then Released Assets), or (2) any of the Phase II Land or the Golf Course Land (excluding any such land that is then a Released Asset).

Notwithstanding the provisions of this Section 4 or the provisions of Section 5.01 of the Indenture, each Guarantor is permitted to reorganize as a corporation pursuant to a Permitted C-Corp. Conversion.

(c) In case of any such consolidation, merger, sale or conveyance of or involving a Guarantor and upon the assumption by the successor Person, by supplemental indenture, executed and delivered to the Trustee and satisfactory in form to the Trustee, of the Note Guarantee endorsed upon the Notes and the due and punctual performance of all of the covenants and conditions of the Indenture to be performed by the Guarantor, such successor Person shall succeed to and be substituted for the Guarantor with the same effect as if it had been named in the Indenture as a Guarantor. Such successor Person thereupon may cause to be signed any or all of the Note Guarantees to be endorsed upon all of the Notes issuable under the Indenture which theretofore shall not have been signed by the Issuers and delivered to the Trustee. All the Note Guarantees so issued shall in all respects have the same legal rank and benefit under the Indenture as the Note Guarantees theretofore and thereafter issued in accordance with the terms of the Indenture as though all of such Note Guarantees had been issued at the date of the execution hereof.

(d) Except as set forth in Articles 4 and 5 of the Indenture, and notwithstanding clauses (a), (b) and (c) above, nothing contained in the Indenture or in any of the Notes shall prevent any consolidation or merger of a Guarantor with or into the Issuers or another Guarantor, or shall prevent any sale or conveyance of the property of a Guarantor as an entirety or substantially as an entirety to the Issuers or another Guarantor.

C-4

5. RELEASES.

(a) Subject to compliance with Section 5.01 of the Indenture, the Note Guarantee of a Guarantor and the security interests granted by that Guarantor to secure its Note Guarantee shall be released: (1) in connection with any sale or other disposition of all or substantially all of the assets of that Guarantor (including by way of merger or consolidation) to a Person that is not (either before or after giving effect to such transaction) Wynn Las Vegas, a Restricted Entity or one of their respective Restricted Subsidiaries, or the Parent Guarantor, if the sale or other disposition complies with the applicable provisions of

the Indenture, including, without limitation, Section 4.10 of the Indenture; or (2) in connection with any sale of all of the Capital Stock of a Guarantor to a Person that is not (either before or after giving effect to such transaction) Wynn Las Vegas, a Restricted Entity or one of their respective Restricted Subsidiaries, or the Parent Guarantor, if the sale complies with the applicable provisions of the Indenture, including, without limitation, Section 4.10 of the Indenture. Upon delivery by Wynn Las Vegas to the Trustee of an Officers' Certificate and an Opinion of Counsel to the effect that such sale or other disposition was made by the Issuers in accordance with the provisions of the Indenture, including, without limitation, Section 4.10 of the Indenture, the Trustee shall execute any documents reasonably required in order to evidence the release of any Guarantor from its obligations under its Note Guarantee.

(b) In the event Wynn Las Vegas properly designates any Restricted Subsidiary that is a Guarantor as an Unrestricted Subsidiary pursuant to the terms of the Indenture, such Guarantor shall be released and relieved of any obligations under its Note Guarantee.

(c) Any Guarantor not released from its obligations under its Note Guarantee shall remain liable for the full amount of principal of and interest on the Notes and for the other obligations of any Guarantor and the Parent Guarantor under the Indenture as provided in Article 11 of the Indenture.

6. **NO RECOURSE AGAINST OTHERS.** No director, officer, employee, incorporator, organizer, equity holder or member of any Guarantor or the Parent Guarantor shall have any liability for any obligations of either Issuer, any Restricted Entity, any such Restricted Subsidiary or any Guarantor or the Parent Guarantor under the Notes, the Note Guarantees, the Indenture, the Collateral Documents or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes. The waiver may not be effective to waive liabilities under the federal securities laws.

7. **NEW YORK LAW TO GOVERN.** THE INTERNAL LAW OF THE STATE OF NEW YORK SHALL GOVERN AND BE USED TO CONSTRUCT THIS SUPPLEMENTAL INDENTURE BUT WITHOUT GIVING EFFECT TO APPLICABLE PRINCIPLES OF CONFLICTS OF LAW TO THE EXTENT THAT THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION WOULD BE REQUIRED THEREBY.

8. **CONFLICTS WITH INDENTURE.** This Supplemental Indenture is subject to all terms of the Indenture. To the extent any provision of this Supplemental Indenture conflicts with express provisions of the Indenture, the provisions of the Indenture shall govern and be controlling.

9. **COUNTERPARTS.** The parties may sign any number of copies of this Supplemental Indenture. Each signed copy shall be an original, but all of them together represent the same agreement.

10. **EFFECT OF HEADINGS.** The Section headings herein are for convenience only and shall not affect the construction hereof.

11. **THE TRUSTEE.** The Trustee shall not be responsible in any manner whatsoever for or in respect of the validity or sufficiency of this Supplemental Indenture or for or in respect of the recitals contained herein, all of which recitals are made solely by the Guaranteeing Subsidiary and the Issuers.

C-5

IN WITNESS WHEREOF, the parties hereto have caused this Supplemental Indenture to be duly executed and attested, all as of the date first above written.

SECTION 2. GUARANTEE

2.1. *Guarantee.*

(a) Each of the Guarantors hereby, jointly and severally, unconditionally and irrevocably, guarantees to the Mortgage Notes Indenture Trustee, for the ratable benefit of the Secured Parties and their respective successors, indorsees, transferees and assigns, the prompt and complete payment and performance by each of the Note Issuers when due (whether at the stated maturity, by acceleration or otherwise) of the Issuer Obligations.

(b) Each Guarantor, and by its acceptance of Notes, each Holder, hereby confirms that it is the intention of all such parties that the Obligations of such Guarantor under this Section 2 not constitute a fraudulent transfer or conveyance for purposes of Bankruptcy Law, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar federal or state law to the extent applicable to any such Obligation. If and to the extent required in order for the Obligations of any Guarantor to be enforceable under applicable federal, state and other laws

6

relating to the insolvency of debtors, the maximum liability of such Guarantor hereunder shall be limited to the greatest amount which can lawfully be guaranteed by such Guarantor under such laws, after giving effect to any rights of contribution, reimbursement and subrogation arising under Section 2.2. Each Guarantor acknowledges and agrees that, to the extent not prohibited by applicable law, (i) such Guarantor (as opposed to its creditors, representatives of creditors or bankruptcy trustee, including such Guarantor in its capacity as debtor in possession exercising any powers of a bankruptcy trustee) has no personal right under such laws to reduce, or request any judicial relief that has the effect of reducing, the amount of its liability under this Agreement, (ii) such Guarantor (as opposed to its creditors, representatives of creditors or bankruptcy trustee, including such Guarantor in its capacity as debtor in possession exercising any powers of a bankruptcy trustee) has no personal right to enforce the limitation set forth in this Section 2.1(b) or to reduce, or request judicial relief reducing, the amount of its liability under this Agreement, and (iii) the limitation set forth in this Section 2.1(b) may be enforced only to the extent required under such laws in order for the obligations of such Guarantor under this Agreement to be enforceable under such laws and only by or for the benefit of a creditor, representative of creditors or bankruptcy trustee of such Guarantor or other Person entitled, under such laws, to enforce the provisions thereof.

(c) Each Guarantor agrees that the Issuer Obligations may at any time and from time to time be incurred or permitted in an amount exceeding the maximum liability of such Guarantor under Section 2.1(b) without impairing the guarantee contained in this Section 2 or affecting the rights and remedies of any Secured Party hereunder.

(d) The guarantee contained in this Section 2 shall remain in full force and effect until payment in full of all Obligations, notwithstanding that from time to time during the term of the Indenture the Note Issuers may be free from any Issuer Obligations.

(e) No payment made by either of the Note Issuers, any of the Guarantors, any other guarantor or any other Person or received or collected by any Secured Party from either of the Note Issuers, any of the Guarantors, any other guarantor or any other Person by virtue of any action or proceeding or any set-off or appropriation or application at any time or from time to time in reduction of or in payment of the Issuer Obligations shall be deemed to modify, reduce, release or otherwise affect the liability of any Guarantor hereunder which shall, notwithstanding any such payment (other than any payment made by such Guarantor in respect of the Issuer Obligations or any payment received or collected from such Guarantor in respect of the Issuer Obligations), remain liable for the Issuer Obligations up to the maximum liability of such Guarantor hereunder until the Issuer Obligations are paid in full.

2.2 *Rights of Reimbursement, Contribution and Subrogation.* In case any payment is made on account of the Obligations by any Grantor or is received or collected on account of the Obligations from any Grantor or its property:

(a) If such payment is made by either of the Note Issuers or from their property, then, if and to the extent such payment is made on account of Obligations arising from or relating to a Note issued by the Note Issuers, neither of the Note Issuers shall be entitled (A) to demand or enforce reimbursement or contribution in respect of such payment from any other Grantor or (B) to be subrogated to any claim, interest, right or remedy of any Secured Party against any other Person, including any other Grantor or its property; and

(b) If such payment is made by a Guarantor or from its property, such Guarantor shall be entitled, subject to and upon payment in full of the Obligations, (A) to demand and enforce reimbursement for the full amount of such payment from the Note Issuers and (B) to demand and enforce contribution in respect of such payment from each other Guarantor which has not paid its fair share of such payment, as necessary to ensure that (after giving effect to any enforcement of

7

reimbursement rights provided hereby) each Guarantor pays its fair share of the unreimbursed portion of such payment. For this purpose, the fair share of each Guarantor as to any unreimbursed payment shall be determined based on an equitable apportionment of such unreimbursed payment among all Guarantors based on the relative value of their assets and any other equitable considerations deemed appropriate by the court.

(c) If and whenever (after payment in full of the Obligations) any right of reimbursement or contribution becomes enforceable by any Grantor against any other Grantor under Sections 2.2(a) and 2.2(b), such Grantor shall be entitled, subject to and upon payment in full of the Obligations, to be subrogated (equally and ratably with all other Grantors entitled to reimbursement or contribution from any other Grantor as set forth in this Section 2.2) to any security interest that may then be held by the Mortgage Notes Indenture Trustee upon any Collateral granted to it in this Agreement. Such right of subrogation shall be enforceable solely against the Grantors, and not against the Secured Parties, and neither the Mortgage Notes Indenture Trustee nor any other Secured Party shall have any duty whatsoever to warrant, ensure or protect any such right of subrogation or to obtain, perfect, maintain, hold, enforce or retain any Collateral for any purpose related to any such right of subrogation. If subrogation is demanded by any Grantor, then (after payment in full of the Obligations) the Mortgage Notes Indenture Trustee shall deliver to the Grantors making such demand, or to a representative of such Grantors or of the Grantors generally, an instrument satisfactory to the Mortgage Notes Indenture Trustee transferring, on a quitclaim basis without any recourse, representation, warranty or obligation whatsoever, whatever security interest the Mortgage Notes Indenture Trustee then may hold in whatever Collateral may then exist that was not previously released or disposed of by the Mortgage Notes Indenture Trustee.

(d) All rights and claims arising under this Section 2.2 or based upon or relating to any other right of reimbursement, indemnification, contribution or subrogation that may at any time arise or exist in favor of any Grantor as to any payment on account of the Obligations made by it or received or collected from its property shall be fully subordinated in all respects to the prior payment in full of all of the Obligations. Until payment in full of the Obligations, no Grantor shall demand or receive any collateral security, payment or distribution whatsoever (whether in cash, property or securities or otherwise) on account of any such right or claim. If any such payment or distribution is made or becomes available to any Grantor in any bankruptcy case or receivership, insolvency or liquidation proceeding, such payment or distribution shall be delivered by the person making such payment or distribution directly to the Mortgage Notes Indenture Trustee, for application to the payment of the Obligations. If any such payment or distribution is received by any Grantor, it shall be held by such Grantor in trust, as trustee of an express trust for the benefit of the Secured Parties, and shall forthwith be transferred and delivered by such Grantor to the Mortgage Notes Indenture Trustee, in the exact form received and, if necessary, duly endorsed.

(e) The obligations of the Grantors under the Indenture and the Collateral Documents, including their liability for the Obligations and the enforceability of the security interests granted thereby, are not contingent upon the validity, legality, enforceability, collectibility or sufficiency of any right of reimbursement, contribution or subrogation arising under this Section 2.2. The invalidity, insufficiency, unenforceability or uncollectibility of any such right shall not in any respect diminish, affect or impair any such obligation or any other claim, interest, right or remedy at any time held by any Secured Party against any Guarantor or its property. The Secured Parties make no representations or warranties in respect of any such right and shall have no duty to assure, protect, enforce or ensure any such right or otherwise relating to any such right.

(f) Each Grantor reserves any and all other rights of reimbursement, contribution or subrogation at any time available to it as against any other Grantor, but (i) the exercise and enforcement of such rights shall be subject to Section 2.2(d) and (ii) neither the Mortgage Notes

Indenture Trustee nor any other Secured Party shall ever have any duty or liability whatsoever in respect of any such right, except as provided in Section 2.2(c).

(g) Each Guarantor waives any right or claims of right to cause a marshalling of the Note Issuers' or another Guarantor's assets or to proceed against any Guarantor, the Note Issuers or any other guarantor or any of the Note Issuers' obligations in any particular order, including, but not limited to, any right arising out of Nevada Revised Statutes 40.430, to the fullest extent permitted by Nevada Revised Statutes 40.495(2).

2.3 *Amendments, etc. with respect to the Issuer Obligations.* Each Guarantor shall remain obligated hereunder notwithstanding that, without any reservation of rights against any Guarantor and without notice to or further assent by any Guarantor, any demand for payment of any of the Issuer Obligations made by any Secured Party may be rescinded by such Secured Party and any of the Issuer Obligations continued, and the Issuer Obligations, or the liability of any other Person upon or for any part thereof, or any collateral security or guarantee therefor or right of offset with respect thereto, may, from time to time, in whole or in part, be renewed, increased, extended, amended, modified, accelerated, compromised, waived, surrendered or released by any Secured Party, and the Indenture and the Collateral Documents and any other documents executed and delivered in connection therewith may be amended, modified, supplemented or terminated, in whole or in part, as the Mortgage Notes Indenture Trustee (or the requisite Holders under the Indenture or all Holders, as the case may be) may deem advisable from time to time, and any collateral security, guarantee or right of offset at any time held by any Secured Party for the payment of the Issuer Obligations may be sold, exchanged, waived, surrendered or released. No Secured Party shall have any obligation to protect, secure, perfect or insure any Lien at any time held by it as security for the Issuer Obligations or for the guarantee contained in this Section 2 or any property subject thereto.

2.4 *Guarantee Absolute and Unconditional.* Each Guarantor waives any and all notice of the creation, renewal, extension or accrual of any of the Issuer Obligations and notice of or proof of reliance by any Secured Party upon the guarantee contained in this Section 2 or acceptance of the guarantee contained in this Section 2; the Issuer Obligations, and any of them, shall conclusively be deemed to have been created, contracted or incurred, or renewed, extended, amended or waived, in reliance upon the guarantee contained in this Section 2; and all dealings between the Note Issuers and any of the Guarantors, on the one hand, and the Secured Parties, on the other hand, likewise shall be conclusively presumed to have been had or consummated in reliance upon the guarantee contained in this Section 2. Each Guarantor waives diligence, presentment, protest, demand for payment and notice of default or nonpayment to or upon either of the Note Issuers or any of the Guarantors with respect to the Issuer Obligations. Each Guarantor understands and agrees that the guarantee contained in this Section 2 shall be construed as a continuing, absolute and unconditional guarantee of payment and performance without regard to (a) the validity or enforceability of the Indenture or any Collateral Document, any of the Issuer Obligations or any other collateral security therefor or guarantee or right of offset with respect thereto at any time or from time to time held by any Secured Party, (b) any defense, set-off or counterclaim (other than a defense of payment or performance hereunder) which may at any time be available to or be asserted by either of the Note Issuers or any other Person against any Secured Party, or (c) any other circumstance whatsoever (with or without notice to or knowledge of either of the Note Issuers or such Guarantor) which constitutes, or might be construed to constitute, an equitable or legal discharge of either of the Note Issuers for the Issuer Obligations, or of such Guarantor under the guarantee contained in this Section 2, in bankruptcy or in any other instance. When making any demand hereunder or otherwise pursuing its rights and remedies hereunder against any Guarantor, any Secured Party may, but shall be under no obligation to, make a similar demand on or otherwise pursue such rights and remedies as it may have against either of the Note Issuers, any

any such demand, to pursue such other rights or remedies or to collect any payments from either of the Note Issuers, any other Guarantor or any other Person or to realize upon any such collateral security or guarantee or to exercise any such right of offset, or any release of either of the Note Issuers, any other Guarantor or any other Person or any such collateral security, guarantee or right of offset, shall not relieve any Guarantor of any obligation or liability hereunder, and shall not impair or affect the rights and remedies, whether express, implied or available as a matter of law, of any Secured Party against any Guarantor. For the purposes hereof "demand" shall include the commencement and continuance of any legal proceedings.

2.5 *Reinstatement.* The guarantee contained in this Section 2 shall continue to be effective, or be reinstated, as the case may be, if at any time payment, or any part thereof, of any of the Issuer Obligations is rescinded or must otherwise be restored or returned by any Secured Party upon the insolvency, bankruptcy, dissolution, liquidation or reorganization of either of the Note Issuers or any Guarantor, or upon or as a result of the appointment of a receiver, intervenor or conservator of, or trustee or similar officer for, either of the Note Issuers or any Guarantor or any substantial part of its property, or otherwise, all as though such payments had not been made.

2.6 *Payments.* Each Guarantor hereby guarantees that payments hereunder will be paid to the Mortgage Notes Indenture Trustee without set-off or counterclaim in Dollars in immediately available funds at the Corporate Trust Office of the Trustee.

4.1. *Title; No Other Liens.* Such Grantor owns each item of the Collateral free and clear of any and all Liens or claims, including, without limitation, Liens arising as a result of such Grantor becoming bound (as a result of merger or otherwise) as Grantor under a security agreement entered into by another Person, except for Permitted Liens. No effective financing statement, mortgage or other instrument similar in effect with respect to all or any part of the Collateral is on file or of record in any public office, except such as have been filed in favor of the Mortgage Notes Indenture Trustee, for the ratable benefit of the Secured Parties, pursuant to this Agreement or as are otherwise permitted by the Indenture.

(f) Such Grantor has delivered to the Mortgage Notes Indenture Trustee a complete and correct copy of each Contract, including all amendments, supplements and other modifications thereto.

(g) No amount payable to such Grantor under or in connection with any Contract is evidenced by any Instrument or Chattel Paper which has not been delivered to the Mortgage Notes Indenture Trustee.

Except as set forth in *Schedule 6*, such Grantor is the exclusive owner of the entire and unencumbered right, title and interest in and to such Intellectual Property and is otherwise entitled to use all such Intellectual Property, without limitation, subject only to the license terms of the licensing or franchise agreements referred to in paragraph (c) below.

(b) On the date hereof, all of such Grantor's material Intellectual Property is valid, subsisting, unexpired and enforceable and has not been abandoned.

(c) Except as set forth in *Schedule 6* and for licenses between Grantors in the ordinary course of business, on the date hereof (i) none of such Grantor's Intellectual Property is the subject of any licensing or franchise agreement pursuant to which such Grantor is the licensor or franchisor, and (ii) there are no other agreements, obligations, orders or judgments which affect the use of any material Intellectual Property.

(d) With respect to Wynn Resorts Holdings, (i) the rights of Wynn Resorts Holdings in or to the "Le Rêve" name do not infringe upon the rights of any third party, which infringement could reasonably be expected to have a material adverse effect on such Grantor's ability to use the "Le Reve" name in its Permitted Businesses as currently used or contemplated to be used, (ii) no claim has been asserted that the use of such Intellectual Property does or

(e) The rights of such Grantor in or to the Intellectual Property do not infringe upon the rights of any third party, and no claim has been asserted that the use of such Intellectual Property does or may infringe upon the rights of any third party, in either case, which conflict or infringement could reasonably be expected to have a Material Adverse Effect. To such Grantor's

14

knowledge, there is currently no infringement or unauthorized use of any item of Intellectual Property that could reasonably be expected to have a Material Adverse Effect.

(f) No holding, decision or judgment has been rendered by any Governmental Authority which would limit, cancel or question the validity or enforceability of, or such Grantor's rights in, any of such Grantor's Intellectual Property in any respect that could reasonably be expected to have a Material Adverse Effect. Such Grantor is not aware of any uses of any item of its material Intellectual Property that could reasonably be expected to lead to such item becoming invalid or unenforceable.

(g) Except as could not reasonably be expected to have a Material Adverse Effect, no action or proceeding is pending, or, to the knowledge of such Grantor, threatened, on the date hereof (i) seeking to limit, cancel or question the validity of any of such Grantor's Intellectual Property or such Grantor's ownership interest therein, (ii) alleging that any services provided by, processes used by, or products manufactured or sold by such Grantor infringe any patent, trademark, copyright, or any other right of any third party, (iii) alleging that any material Intellectual Property of such Grantor is being licensed, sublicensed or used in violation of any patent, trademark, copyright or any other right of any third party, or (iv) which, if adversely determined, would have a material adverse effect on the value of any of such Grantor's Intellectual Property. To the knowledge of such Grantor, no Person is engaging in any activity that infringes upon Grantor's material Intellectual Property or upon the rights of such Grantor therein, except (i) with respect to the Intellectual Property related to or otherwise associated with the Grantor's use of the "Le Reve" name, such claims that, if determined adversely to a Grantor, could not reasonably be expected to have a material adverse effect on such Grantor's ability to use the "Le Reve" name in its Permitted Businesses as currently used or contemplated to be used and (ii) with respect to all other material Intellectual Property of such Grantor, as could not reasonably be expected to have a Material Adverse Effect. Except as set forth in *Schedule 6* hereto, such Grantor has not granted any material license, or any release, covenant not to sue, non-assertion assurance, or other material right to any person with respect to any part of its material Intellectual Property. (i) Except as could not reasonably be expected to have a Material Adverse Effect, such Grantor has performed all acts and has paid all required fees and taxes to maintain each and every

15

item of its material Intellectual Property in full force and effect and to protect and maintain its interest therein. Such Grantor has either used proper statutory notice in connection with its use of each material Patent, Trademark and Copyright included in its Intellectual Property, or such Grantor's failure to use proper statutory notice could not reasonably be expected to have a Material Adverse Effect.

5.1. *Delivery and Control of Instruments, Chattel Paper, Investment Property and Deposit Accounts.* (a) If any of the Collateral shall be or become evidenced or represented by any Instrument, Certificated Security, Chattel Paper or Negotiable Document, such Instrument, Certificated Security, Chattel Paper or Negotiable Document shall be promptly delivered to the Mortgage Notes Indenture Trustee, duly endorsed in a manner satisfactory to the Mortgage Notes Indenture Trustee, to be held as Collateral pursuant to this Agreement (other than Non-Deliverable Collateral).

16

consent of such Grantor, such agreement to be in substantially the form of *Exhibit C*. Notwithstanding the foregoing, each Grantor covenants that (x) the representations and warranties contained in Section 4.6(c) shall at all times be true and correct and (y) it will not issue or cause or permit its Subsidiaries to issue any Capital Stock in uncertificated form or seek to convert all or any part of its existing Capital Stock into uncertificated form.

(c) If any of the Collateral now or hereafter constitutes a Deposit Account or a Securities Account, such Grantor shall cause the financial institution maintaining such account to agree in writing with such Grantor and the Mortgage Notes Indenture Trustee that such financial institution shall comply with all Entitlement Orders and instructions originated or issued by the Mortgage Notes Indenture Trustee with respect to such Deposit Account or Securities Account without further consent of such Grantor, such agreement to be substantially in the form of *Exhibit D* or in such other form as shall be satisfactory to the Mortgage Notes Indenture Trustee (including, without limitation, the Collateral Account Agreements (as defined in the Disbursement Agreement), which such agreements must be satisfactory to the Mortgage Notes Indenture Trustee).

(d) If any of the Collateral shall be or become evidenced or represented by a Commodity Contract, such Grantor shall cause the Commodity Intermediary with respect to such Commodity Contract to agree in writing with such Grantor and the Mortgage Notes Indenture Trustee that such Commodity Intermediary will apply any value distributed on account of such Commodity Contract as directed by the Mortgage Notes Indenture Trustee without further consent of such Grantor, such agreement to be in substantially the form of *Exhibit E* or in such other form as may be satisfactory to the Mortgage Notes Indenture Trustee.

5.3. *Maintenance of Perfected Security Interest; Further Documentation.* (a) Such Grantor shall maintain the security interest created by this Agreement as a perfected security interest having at least the priority described in Section 4.2 and shall defend such security interest against the claims and demands of all Persons whomsoever.

(b) Such Grantor will furnish to the Secured Parties from time to time statements and schedules further identifying and describing the Collateral and such other reports in connection with the assets and property of such Grantor as the Mortgage Notes Indenture Trustee may reasonably request, all in reasonable detail.

(c) At any time and from time to time, upon the written request of the Mortgage Notes Indenture Trustee, and at the sole expense of such Grantor, such Grantor will promptly and duly authorize, execute and deliver, and have recorded, such further instruments and documents and

17

take such further actions as the Mortgage Notes Indenture Trustee may reasonably request for the purpose of obtaining or preserving the full benefits of this Agreement and of the rights and powers herein granted, including, without limitation, (i) the filing of any financing or continuation statements under the Uniform Commercial Code (or other similar laws) in effect in any jurisdiction with respect to the security interests created hereby and (ii) in the case of Investment Property, Deposit Accounts and any other relevant Collateral, taking any actions necessary to enable the Mortgage Notes Indenture Trustee to obtain "control" (within the meaning of the applicable Uniform Commercial Code) with respect thereto, including without limitation, executing and

5.5. *Notices.* Such Grantor will advise the Secured Parties promptly, in reasonable detail, of:

(a) any Lien (other than any Permitted Lien) on any of the Collateral which would adversely affect the ability of the Mortgage Notes Indenture Trustee to exercise any of its remedies hereunder; and

(b) of the occurrence of any other event which could reasonably be expected to have a material adverse effect on the aggregate value of the Collateral or on the security interests created hereby.

5.6. *Investment Property.* (a) Subject to compliance with applicable Gaming Laws, if such Grantor shall become entitled to receive or shall receive any stock or other ownership certificate (including, without limitation, any certificate representing a stock dividend or a distribution in connection with any reclassification, increase or reduction of capital or any certificate issued in connection with any reorganization), option or rights in respect of the Capital Stock of any Issuer, whether in addition to, in substitution of, as a conversion of, or in exchange for, any shares of or other ownership interests in the Pledged Stock, or otherwise in respect thereof, such Grantor shall accept the same as the agent of the Secured Parties, hold the same in trust for the Secured Parties and deliver the same forthwith to the Mortgage Notes Indenture Trustee in the exact form received, duly endorsed by such Grantor to the Mortgage Notes Indenture Trustee, if required, together with an undated stock power covering such certificate duly executed in blank by such Grantor and with, if the Mortgage Notes Indenture Trustee so requests, signature guaranteed, to be held by the Mortgage Notes Indenture Trustee, subject to the terms hereof, as additional collateral security for the Obligations. So long as no Event of Default shall have occurred and be continuing, the Mortgage Notes Indenture Trustee

18

authorizes each Grantor to retain all ordinary cash dividends and distributions paid in the normal course of the business of the Issuer and all scheduled payments of interest. All other dividends and distributions of any type or nature, including, without limitation, any dividends or distributions paid in respect of Pledged Securities upon liquidation or dissolution of any Issuer shall immediately be delivered to the Mortgage Notes Indenture Trustee to be held as additional Collateral hereunder. If any sums of money or property so paid or distributed in respect of the Pledged Securities shall be received by such Grantor, such Grantor shall, until such money or property is paid or delivered to the Mortgage Notes Indenture Trustee, hold such money or property in trust for the Secured Parties, segregated from other funds of such Grantor, as additional collateral security for the Obligations.

(b) Without the prior written consent of the Mortgage Notes Indenture Trustee (which consent shall not be unreasonably withheld), such Grantor will not (i) vote to enable, or take any other action to permit, any Issuer to issue any stock or other equity securities of any nature or to issue any other securities convertible into or granting the right to purchase or exchange for any stock or other equity securities of any nature of any Issuer (except pursuant to a transaction permitted by the Indenture), (ii) sell, assign, transfer, exchange, or otherwise dispose of, or grant any option with respect to, any of the Investment Property or Proceeds thereof or any interest therein (except pursuant to a transaction expressly permitted by the Indenture), (iii) create, incur or permit to exist any Lien or option in favor of, or any claim of any Person with respect to, any of the Investment Property or Proceeds thereof, or any interest therein, except for the security interests created by this Agreement and other Permitted Liens or (iv) enter into any agreement or undertaking restricting the right or ability of such Grantor or the Mortgage Notes Indenture Trustee to sell, assign or transfer any of the Investment Property or Proceeds thereof or any interest therein (except pursuant to a transaction expressly permitted by the Indenture).

(c) In the case of each Grantor which is an Issuer, such Issuer agrees that (i) it will be bound by the terms of this Agreement relating to the Pledged Securities issued by it and will comply with such terms insofar as such terms are applicable to it, (ii) it will notify the Mortgage Notes Indenture Trustee promptly in writing of the occurrence of any of the events described in Section 5.6(a) with respect to the Pledged Securities issued by it and (iii) the terms of Sections 6.3(c) and 6.7 shall apply to it, *mutatis mutandis*, with respect to all actions that may be required of it pursuant to Section 6.4(c) or 6.8 with respect to the Pledged Securities issued by it. In addition, each Grantor which is either an Issuer or an owner of any Pledged Security hereby consents to the grant by each other Grantor of the security interest hereunder in favor of the Mortgage Notes Indenture Trustee and to the transfer of any Pledged Security to the Mortgage Notes Indenture Trustee or its nominee following an Event of Default and to the substitution of the Mortgage Notes Indenture Trustee or its nominee as a partner, member or shareholder of the Issuer of the related Pledged Security.

5.7. *Receivables.* (a) Other than in the ordinary course of business consistent with customary gaming practices in its Permitted Businesses and so long as no Event of Default shall have occurred and be continuing, such Grantor will not (i) grant any extension of the time of payment of any Receivable, (ii) compromise or settle any Receivable for less than the full amount thereof, (iii) release, wholly or partially, any Person liable for the payment of any Receivable, (iv) allow any credit or discount whatsoever on any Receivable or (v) amend, supplement or modify any Receivable in any manner that could materially adversely affect the value thereof.

(b) Such Grantor will deliver to the Mortgage Notes Indenture Trustee a copy of each material demand, notice or document received by it that questions or calls into doubt the validity or enforceability of more than 5% of the aggregate amount of the then outstanding Receivables.

19

5.8. *Contracts.* (a) Except to the extent permitted under the Indenture or Disbursement Agreement, such Grantor will perform and comply in all material respects with all its obligations under the Contracts.

(b) Except to the extent the same could not reasonably be expected to have a Material Adverse Effect, such Grantor will not amend, modify, cancel, terminate, waive or fail to enforce any provision of any Contract or suspend such Contract or the performance of work thereunder, or agree to the sale, assignment or disposition by any counterparty to such Contract of any part of its interest therein (all of which powers are rested in the Mortgage Notes Indenture Trustee).

(c) Except to the extent the same could not reasonably be expected to have a Material Adverse Effect, such Grantor will exercise promptly and diligently each and every material right which it may have under each Contract.

(d) Such Grantor will deliver to the Mortgage Notes Indenture Trustee a copy of each material demand, notice or document received by it relating in any way to any Contract that questions the validity or enforceability of such Contract that is material to its business.

(e) In the event that such Grantor enters into any new contract (i) that would qualify as a Material Project Document (as defined in the Disbursement Agreement) or (ii) for which breach, nonperformance, cancellation or failure to renew could reasonably be expected to have a Material Adverse Effect (taking into consideration any viable replacements or substitutions therefor at the time such determination is made), such Grantor shall provide the Mortgage Notes Indenture Trustee promptly with an amended *Schedule 7* hereto and any such new contract shall be deemed for all purposes to be a Contract hereunder.

5.9. *Intellectual Property.* (a) Such Grantor (either itself or through licensees) will (i) continue to use each of its material Trademarks on each and every trademark class of goods necessary in order to maintain such Trademark (in the trademark classes of goods in which it is used) in full force free from any claim of abandonment for non-use, (ii) use such Trademark with the appropriate notice of registration and all other notices and legends required by applicable Requirements of Law, (iii) not adopt or use any mark which is confusingly similar or a colorable imitation of such Trademark unless the Mortgage Notes Indenture Trustee, for the ratable benefit of the Secured Parties, shall obtain a perfected security interest in such mark pursuant to this Agreement and the Intellectual Property Security Agreement, and (iv) not (and not permit any licensee or sublicensee thereof to) do any act or knowingly omit to do any act whereby such Trademark may become invalidated or impaired in any way.

(b) Except as could not reasonably be expected to have a Material Adverse Effect, such Grantor (either itself or through licensees) will not do any act, or omit to do any act, whereby any material Patent may become forfeited, abandoned or dedicated to the public.

(c) Except as could not reasonably be expected to have a Material Adverse Effect, such Grantor (either itself or through licensees) (i) will employ each of its material Copyrights and (ii) will not (and will not permit any licensee or sublicensee thereof to) do any act or knowingly omit to do any act whereby any material portion of the Copyrights may become invalidated or otherwise impaired. Except as could not reasonably be expected to have a Material Adverse Effect, such Grantor will not (either itself or through licensees) do any act whereby any material Copyright may fall into the public domain.

(d) Such Grantor (either itself or through licensees) will not do any act that knowingly uses any material Intellectual Property to infringe the intellectual property rights of any other Person.

(e) Except as could not reasonably be expected to have a Material Adverse Effect, such Grantor (either itself or through licensees) will use proper statutory notice in connection with the use of each material Patent, Trademark and Copyright included in its Intellectual Property.

(f) Such Grantor will notify the Secured Parties promptly if it knows that any application or registration relating to any of its material Intellectual Property may become forfeited, abandoned or dedicated to the public, or of any adverse determination or development (including, without limitation, the institution of, or any such determination or development in, any proceeding in the United States Patent and Trademark Office, the United States Copyright Office or any court or tribunal in any country) regarding such Grantor's ownership of, or the validity of, any material Intellectual Property or such Grantor's right to register the same or to own and maintain the same, unless such forfeiture, abandonment, dedication to the public, or adverse determination or development could not reasonably be expected to have a Material Adverse Effect.

(g) Whenever such Grantor, either by itself or through any agent, employee, licensee or designee, shall file an application for the registration of any Intellectual Property with the United States Patent and Trademark Office, the United States Copyright Office or any similar office or agency in any other country or any political subdivision thereof, such Grantor shall report such filing to the Mortgage Notes Indenture Trustee within five Business Days after the last day of the fiscal quarter in which such filing occurs. Upon request of the Mortgage Notes Indenture Trustee, such Grantor shall execute and deliver, and have recorded, any and all agreements, instruments, documents, and papers as the Mortgage Notes Indenture Trustee may request to evidence the Secured Parties' security interest in any Copyright, Patent, Trademark or other Intellectual Property included in the Collateral and the goodwill and general intangibles of such Grantor relating thereto or represented thereby.

(h) Except as could not reasonably be expected to have a Material Adverse Effect, such Grantor will take all reasonable and necessary steps, including, without limitation, in any proceeding before the United States Patent and Trademark Office, the United States Copyright Office or any similar office or agency in any other country or any political subdivision thereof, to maintain and pursue each application (and to obtain the relevant registration) and to maintain each registration of its material Intellectual Property, including, without limitation, the payment of required fees and taxes, the filing of responses to office actions issued by the United States Patent and Trademark Office and the United States Copyright Office, the filing of applications for renewal or extension, the filing of affidavits of use and affidavits of incontestability, the filing of divisional, continuation, continuation-in-part, reissue, and renewal applications or extensions, the payment of maintenance fees, and the participation in interference, reexamination, opposition, cancellation, infringement and misappropriation proceedings.

(i) Such Grantor (either itself or through licensees) will not, without the prior written consent of the Mortgage Notes Indenture Trustee, discontinue use of or otherwise abandon any of its Intellectual Property, or abandon any application or any right to file an application for letters patent, trademark, or copyright, unless such Grantor shall have previously determined that such use or the pursuit or maintenance of such Intellectual Property is no longer desirable in the conduct of such Grantor's business and that the loss thereof could not reasonably be expected to have a Material Adverse Effect and, in

which case, such Grantor shall give prompt notice of any such abandonment of any material Intellectual Property to the Mortgage Notes Indenture Trustee in accordance herewith.

(j) In the event that any of its material Intellectual Property is infringed, misappropriated or diluted by a third party, such Grantor shall (i) take such actions as such Grantor shall reasonably deem appropriate under the circumstances to protect such Intellectual Property and (ii) if such Intellectual Property is of material economic value, promptly notify the Mortgage Notes Indenture Trustee after it learns thereof and sue for infringement, misappropriation or dilution (as applicable), seek injunctive relief where appropriate and recover any and all damages awarded for any such infringement, misappropriation or dilution (or take other action as such Grantor deems appropriate in the exercise of its prudent business judgment).

21

(k) Such Grantor agrees that, should it obtain an ownership interest in any item of Intellectual Property which is not now a part of the Intellectual Property Collateral (the "After-Acquired Intellectual Property"), (i) the provisions of Section 3 shall automatically apply thereto, (ii) any such After-Acquired Intellectual Property, and in the case of trademarks, the goodwill of the business connected therewith or symbolized thereby, shall automatically become part of the Intellectual Property Collateral, (iii) with respect to any material Intellectual Property, it shall give prompt (and, in any event within five business days after the last day of the fiscal quarter in which such Grantor acquires such ownership interest in any material Intellectual Property) written notice thereof to the Mortgage Notes Indenture Trustee in accordance herewith, and (iv) with respect to any material Intellectual Property, it shall provide the Mortgage Notes Indenture Trustee promptly (and, in any event within five business days after the last day of the fiscal quarter in which such Grantor acquires such ownership interest in any material Intellectual Property) with an amended *Schedule 6* hereto and take the actions specified in 5.9(m).

(l) Such Grantor agrees to execute an Intellectual Property Security Agreement with respect to its Intellectual Property in substantially the form of *Exhibit B-1* in order to record the security interest granted herein to the Mortgage Notes Indenture Trustee for the ratable benefit of the Secured Parties with the United States Patent and Trademark Office, the United States Copyright Office, and any other applicable Governmental Authority.

(m) Promptly after filing an application for the registration of any After-Acquired Intellectual Property with the United States Patent and Trademark Office, the United States Copyright Office, or any similar office or agency in any other county or any political subdivision thereof, such Grantor agrees to execute an After-Acquired Intellectual Property Security Agreement with respect to such After-Acquired Intellectual Property in substantially the form of *Exhibit B-2* in order to record the security interest granted herein to the Mortgage Notes Indenture Trustee for the ratable benefit of the Secured Parties with the United States Patent and Trademark Office, the United States Copyright Office, or other Governmental Authority (as applicable).

5.10. *Vehicles.* (a) No Vehicle shall be removed from the state which has issued the certificate of title or ownership therefor for a period in excess of the period after which such vehicle would be required to be retitled under applicable state law.

(b) With respect to any Vehicles acquired by such Grantor subsequent to the date hereof, within 30 days after the date of acquisition thereof, all applications for certificates of title or ownership indicating the Mortgage Notes Indenture Trustee's security interest in the Vehicle covered by such certificate, and any other necessary documentation, shall be filed in each office in each jurisdiction which the Mortgage Notes Indenture Trustee shall deem advisable to perfect its security interests in the Vehicles.

5.11. *Leases.* Wynn Las Vegas may (b) enter into any leases with respect to any space on or within the Project and any subleases with respect to any space in the Phase II Land Building; *provided*, that (a) no Default or Event of Default shall exist and be continuing at the time of such transaction, lease or sublease or would occur after as a result of entering into such transaction, lease or sublease (or immediately after any renewal or extension thereof at the option of Wynn Las Vegas), (b) such transaction, lease or sublease could not reasonably be expected to materially interfere with, impair or detract from the operation of the business of Wynn Las Vegas or Valvino Lamore, LLC, as the case may be, and will, in the case of leases associated with the casino, hotel and shopping operations, in the reasonable good faith judgment of Wynn Las Vegas enhance the value and operations of the Project, (c) except with respect to the Dealership Lease Agreement and subleases of space in the Phase II Land Building by Wynn Las Vegas, such transaction, lease or sublease is at a fair market rent or value (in light of other similar or comparable prevailing commercial transactions) and contains such other terms such that the lease, taken as a whole, is commercially reasonable and fair to Wynn Las Vegas in light

22

of prevailing or comparable transactions in other casinos, hotels, hotel attractions, shopping venues or similarly situated buildings, as applicable (*provided*, that each sublease of the Phase II Land Building by Wynn Las Vegas and the Dealership Lease Agreement shall contain such terms such that the transaction, taken as a whole, does not expose Wynn Las Vegas to undue liabilities or obligations in light prevailing or comparable transactions), (d) no gaming, hotel or casino operations (other than the operation of arcades and games for minors) may be conducted on any space that is subject to such transaction, lease or sublease other than by Wynn Las Vegas, and (e) no lease or sublease may provide that the Wynn Las Vegas or Valvino Lamore, LLC, as the case may be, may subordinate its fee, condominium or leasehold interest to any lessee or any party financing any lessee; *provided*, that (x) in the event the the Mortgage Notes Indenture Trustee on behalf of the Holders shall agree to provide the tenant under any such lease or sublease with a subordination, non-disturbance and attornment agreement and (y) with respect to any such lease having a term of two years or more or aggregate annual rents in excess of \$500,000 (other than leases solely between Grantors), Wynn Las Vegas shall enter into, and cause the tenant under any such lease or sublease to enter into with the Mortgage Notes Indenture Trustee for the benefit of the Holders, a subordination, non-disturbance and attornment agreement, in each case with terms and conditions that, taken as a whole, are no less favorable than those set forth in any similar agreement entered into between such tenant and Deutsche Bank Trust Company Americas, as administrative agent under the Credit Agreement, or otherwise in form and substance satisfactory to the Mortgage Notes Indenture Trustee.

5.12. *Non-Deliverable Collateral.* At no time shall any item of Non-Deliverable Collateral be delivered to or held by any Person (other than the Mortgage Notes Indenture Trustee) as collateral security for any obligation of any Grantor.

SECTION 6. REMEDIAL PROVISIONS

6.1. *Gaming Laws and Intercreditor Agreements.* Each of the provisions of this Section 6 shall be subject to compliance with (i) applicable Gaming Laws and (ii) applicable provisions of the Intercreditor Agreements.

6.2. *Certain Matters Relating to Receivables.* (a) The Mortgage Notes Indenture Trustee shall have the right to make test verifications of the Receivables in any manner and through any medium that it reasonably considers advisable, and each Grantor shall furnish all such assistance and information as the Mortgage Notes Indenture Trustee may require in connection with such test verifications.

(b) The Mortgage Notes Indenture Trustee hereby authorizes each Grantor to collect such Grantor's Receivables; provided that the Mortgage Notes Indenture Trustee may curtail or terminate said authority at any time after the occurrence and during the continuance of an Event of Default. If required by the Mortgage Notes Indenture Trustee at any time after the occurrence and during the continuance of an Event of Default, any payments of Receivables, when collected by any Grantor, (i) shall be forthwith (and, in any event, within two business days) deposited by such Grantor in the exact form received, duly endorsed by such Grantor to the Mortgage Notes Indenture Trustee if required, in a Collateral Account maintained under the control of the Mortgage Notes Indenture Trustee, subject to withdrawal by the Mortgage Notes Indenture Trustee for the account of the Secured Parties only as provided in Section 6.4, and (ii) until so turned over, shall be held by such Grantor in trust for the Secured Parties, segregated from other funds of such Grantor. Each such deposit of Proceeds of Receivables shall be accompanied by a report identifying in reasonable detail the nature and source of the payments included in the deposit.

(c) At the Mortgage Notes Indenture Trustee's request, each Grantor shall deliver to the Mortgage Notes Indenture Trustee all original and other documents evidencing, and relating to,

23

the agreements and transactions which gave rise to the Receivables, including, without limitation, all original orders, invoices and shipping receipts (other than Non-Deliverable Collateral).

6.3. *Communications with Obligors; Grantors Remain Liable.* (a) The Mortgage Notes Indenture Trustee in its own name or in the name of others may at any time after the occurrence and during the continuance of an Event of Default communicate with obligors under the Receivables and parties to the Contracts to verify with them to the Mortgage Notes Indenture Trustee's satisfaction the existence, amount and terms of any Receivables or Contracts.

(b) Upon the request of the Mortgage Notes Indenture Trustee at any time after the occurrence and during the continuance of an Event of Default, each Grantor shall notify obligors on the Receivables and parties to the Contracts that the Receivables and the Contracts have been assigned to the Mortgage Notes Indenture Trustee for the ratable benefit of the Secured Parties and that payments in respect thereof shall be made directly to the Mortgage Notes Indenture Trustee.

(c) Anything herein to the contrary notwithstanding, each Grantor shall remain liable under each of the Receivables and Contracts to observe and perform all the conditions and obligations to be observed and performed by it thereunder, all in accordance with the terms of any agreement giving rise thereto. No Secured Party shall have any obligation or liability under any Receivable (or any agreement giving rise thereto) or Contract by reason of or arising out of this Agreement or the receipt by any Secured Party of any payment relating thereto, nor shall any Secured Party be obligated in any manner to perform any of the obligations of any Grantor under or pursuant to any Receivable (or any agreement giving rise thereto) or Contract, to make any payment, to make any inquiry as to the nature or the sufficiency of any payment received by it or as to the sufficiency of any performance by any party thereunder, to present or file any claim, to take any action to enforce any performance or to collect the payment of any amounts which may have been assigned to it or to which it may be entitled at any time or times.

6.4. *Pledged Securities.* (a) Unless an Event of Default shall have occurred and be continuing, each Grantor shall be permitted to receive all cash dividends paid in respect of the Pledged Stock and all payments made in respect of the Pledged Notes, in each case paid in the normal course of business of the relevant Issuer, to the extent permitted in the Indenture, and to exercise all voting and corporate or other ownership rights with respect to the Pledged Securities; *provided, however*, that no vote shall be cast or corporate or other ownership right exercised or other action taken which would impair the Collateral or which would be inconsistent with or result in any violation of any provision of the Indenture, this Agreement or any other Collateral Document.

(b) Subject to applicable provisions of Gaming Laws, if an Event of Default shall occur and be continuing and the Mortgage Notes Indenture Trustee shall give notice of its intent to exercise such rights to the relevant Grantor or Grantors, (i) the Mortgage Notes Indenture Trustee shall have the right to receive any and all cash dividends, payments or other Proceeds paid in respect of the Pledged Securities and make application thereof to the Obligations in the order set forth in Section 6.6, and (ii) any or all of the Pledged Securities shall be registered in the name of the Mortgage Notes Indenture Trustee or its nominee, and the Mortgage Notes Indenture Trustee or its nominee may thereafter exercise (x) all voting, corporate or other ownership and other rights pertaining to such Pledged Securities at any meeting of shareholders or other equity holders of the relevant Issuer or Issuers or otherwise and (y) any and all rights of conversion, exchange and subscription and any other rights, privileges or options pertaining to such Pledged Securities as if it were the absolute owner thereof (including, without limitation, the right to exchange at its discretion any and all of the Pledged Securities upon the merger, consolidation, reorganization, recapitalization or other fundamental change in the corporate or other structure of any Issuer, or upon the exercise by any Grantor or the Mortgage Notes Indenture Trustee of any right, privilege

24

or option pertaining to such Pledged Securities, and in connection therewith, the right to deposit and deliver any and all of the Pledged Securities with any committee, depository, transfer agent, registrar or other designated agency upon such terms and conditions as the Mortgage Notes Indenture Trustee may determine), all without liability except to account for property actually received by it, but the Mortgage Notes Indenture Trustee shall have no duty to any Grantor to exercise any such right, privilege or option and shall not be responsible for any failure to do so or delay in so doing.

(c) Each Grantor hereby authorizes and instructs each Issuer of any Pledged Securities pledged by such Grantor hereunder (i) to comply with any instruction received by it from the Mortgage Notes Indenture Trustee in writing that (x) states that an Event of Default has occurred and is continuing and (y) is otherwise in accordance with the terms of this Agreement, without any other or further instructions from such Grantor, and each Grantor agrees that each Issuer shall be fully protected in so complying, and (ii) unless otherwise expressly permitted hereby, to pay any dividends or other payments with respect to the Pledged Securities directly to the Mortgage Notes Indenture Trustee.

6.5. *Proceeds to be Turned Over To Mortgage Notes Indenture Trustee.* In addition to the rights of the Secured Parties specified in Section 6.2, and subject to applicable provisions of Gaming Laws, with respect to payments of Receivables, if an Event of Default shall occur and be continuing, all Proceeds

received by any Grantor consisting of cash, Cash Equivalents, checks and other near-cash items shall be held by such Grantor in trust for the Secured Parties, segregated from other funds of such Grantor, and shall, forthwith upon receipt by such Grantor, be turned over to the Mortgage Notes Indenture Trustee in the exact form received by such Grantor (duly endorsed by such Grantor to the Mortgage Notes Indenture Trustee, if required). All Proceeds received by the Mortgage Notes Indenture Trustee hereunder shall be held by the Mortgage Notes Indenture Trustee in a Collateral Account maintained under its control. All Proceeds while held by the Mortgage Notes Indenture Trustee in a Collateral Account (or by such Grantor in trust for the Secured Parties) shall continue to be held as collateral security for all the Obligations and shall not constitute payment thereof until applied as provided in Section 6.6.

6.6. *Application of Proceeds.* If an Event of Default shall have occurred and be continuing, at any time at the Mortgage Notes Indenture Trustee's election, the Mortgage Notes Indenture Trustee may, notwithstanding any provisions of the Indenture to the contrary, apply all or any part of Proceeds constituting Collateral realized through the exercise by the Mortgage Notes Indenture Trustee of its remedies hereunder, whether or not held in any Collateral Account, and any proceeds of the guarantee set forth in Section 2, in payment of the Obligations in the following order:

First, to the Mortgage Notes Indenture Trustee, to pay incurred and unpaid fees and expenses of the Secured Parties under the Indenture and the Collateral Documents;

Second, to the Mortgage Notes Indenture Trustee, for application by it towards payment of amounts then due and owing and remaining unpaid in respect of the Obligations, *pro rata* among the Holders according to the amounts of the Obligations then due and owing and remaining unpaid to the Holders;

Third, to the Mortgage Notes Indenture Trustee, for application by it towards prepayment of the Obligations, *pro rata* among the Holders according to the amounts of the Obligations then held by the Holders; and

Fourth, any balance of such Proceeds remaining after the Obligations (other than unmatured contingent reimbursement and indemnification Obligations) shall have been paid in full shall be paid over to the Note Issuers or to whomsoever may be lawfully entitled to receive the same.

25

6.7. *Code and Other Remedies.* (a) If an Event of Default shall occur and be continuing, the Mortgage Notes Indenture Trustee, on behalf of the Secured Parties, may exercise (subject to obtaining any required approvals from any Governmental Authorities that may not be waived by the Grantors), in addition to all other rights and remedies granted to them in this Agreement and in any other instrument or agreement securing, evidencing or relating to the Obligations, all rights and remedies of a secured party under the New York UCC (whether or not the New York UCC applies to the affected Collateral) or any other applicable law or in equity. Without limiting the generality of the foregoing, the Mortgage Notes Indenture Trustee, without demand of performance or other demand, presentment, protest, advertisement or notice of any kind (except any notice required by law referred to below) to or upon any Grantor or any other Person (all and each of which demands, defenses, advertisements and notices are hereby waived), may in such circumstances forthwith collect, receive, appropriate and realize upon the Collateral, or any part thereof, and/or may forthwith sell, lease, license, assign, give option or options to purchase, or otherwise dispose of and deliver the Collateral or any part thereof (or contract to do any of the foregoing), in one or more parcels at public or private sale or sales, at any exchange, broker's board or office of any Secured Party or elsewhere upon such terms and conditions as it may deem advisable and at such prices as it may deem best, for cash or on credit or for future delivery without assumption of any credit risk. Each Secured Party shall have the right upon any such public sale or sales, and, to the extent permitted by law, upon any such private sale or sales, to purchase the whole or any part of the Collateral so sold, free of any right or equity of redemption in any Grantor, which right or equity is hereby waived and released. Each purchaser at any such sale shall hold the property sold absolutely free from any claim or right on the part of any Grantor, and each Grantor hereby waives (to the extent permitted by applicable law) all rights of redemption, stay and/or appraisal which it now has or may at any time in the future have under any rule of law or statute now existing or hereafter enacted. Each Grantor agrees that, to the extent notice of sale shall be required by law, at least ten (10) days notice to such Grantor of the time and place of any public sale or the time after which any private sale is to be made shall constitute reasonable notification. The Mortgage Notes Indenture Trustee shall not be obligated to make any sale of Collateral regardless of notice of sale having been given. The Mortgage Notes Indenture Trustee may adjourn any public or private sale from time to time by announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was so adjourned. The Mortgage Notes Indenture Trustee may sell the Collateral without giving any warranties as to the Collateral. The Mortgage Notes Indenture Trustee may specifically disclaim or modify any warranties of title or the like. This procedure will not be considered to adversely effect the commercial reasonableness of any sale of the Collateral. Each Grantor agrees that it would not be commercially unreasonable for the Mortgage Notes Indenture Trustee to dispose of the Collateral or any portion thereof by using Internet sites that provide for the auction of assets of the types included in the Collateral or that have the reasonable capability of doing so, or that match buyers and sellers of assets. Each Grantor hereby waives any claims against the Mortgage Notes Indenture Trustee arising by reason of the fact that the price at which any Collateral may have been sold at such a private sale was less than the price which might have been obtained at a public sale, even if the Mortgage Notes Indenture Trustee accepts the first offer received and does not offer such Collateral to more than one offeree. Each Grantor further agrees, at the Mortgage Notes Indenture Trustee's request, to assemble the Collateral and make it available to the Mortgage Notes Indenture Trustee at places which the Mortgage Notes Indenture Trustee shall reasonably select, whether at such Grantor's premises or elsewhere. The Mortgage Notes Indenture Trustee shall apply the net proceeds of any action taken by it pursuant to this Section 6.7, after deducting all reasonable costs and expenses of every kind incurred in connection therewith or incidental to the care or safekeeping of any of the Collateral or in any way relating to the Collateral or the rights of the Secured Parties hereunder, including, without limitation, reasonable attorneys' fees and disbursements, to the payment in whole or in part of the Obligations, in such order as the Mortgage Notes Indenture Trustee may elect, and only after such application and after the payment by the Mortgage Notes Indenture Trustee of any other amount required by any provision of law, including,

26

without limitation, Section 9-615(a) of the New York UCC, need the Mortgage Notes Indenture Trustee account for the surplus, if any, to any Grantor. To the extent permitted by applicable law, each Grantor waives all claims, damages and demands it may acquire against any Secured Party arising out of the exercise by them of any rights hereunder.

(b) In the event of any sale or transfer of any of the Intellectual Property, the goodwill of the business connected with and symbolized by any Trademarks subject to such sale or transfer shall be included, and the applicable Grantor shall supply the Mortgage Notes Indenture Trustee or its designee with such Grantor's know-how and expertise, and with documents and things embodying the same, relating to the manufacture, distribution, advertising and sale of products or the provision of services relating to any Intellectual Property subject to such sale or transfer, and such Grantor's customer lists and other records and documents relating to such Intellectual Property and to the manufacture, distribution, advertising and sale of such products and services.

6.8. *Registration Rights.* (a) If the Mortgage Notes Indenture Trustee shall determine to exercise its right to sell any or all of the Pledged Stock pursuant to Section 6.7, and if in the opinion of the Mortgage Notes Indenture Trustee it is necessary or advisable to have the Pledged Stock, or that portion thereof to be sold, registered under the provisions of the Securities Act, the relevant Grantor will cause, or with respect to any Issuer that is not an Affiliate of any Grantor, use commercially reasonable efforts to cause, the Issuer thereof to (i) execute and deliver, and cause the directors and officers of such Issuer to execute and deliver, all such instruments and documents, and do or cause to be done all such other acts as may be, in the opinion of the Mortgage Notes Indenture Trustee, necessary or advisable to register the Pledged Stock, or that portion thereof to be sold, under the provisions of the Securities Act, (ii) use its best efforts to cause the registration statement relating thereto to become effective and to remain effective for a period of one year from the date of the first public offering of the Pledged Stock, or that portion thereof to be sold, and (iii) make all amendments thereto and/or to the related prospectus which, in the opinion of the Mortgage Notes Indenture Trustee, are necessary or advisable, all in conformity with the requirements of the Securities Act and the rules and regulations of the SEC applicable thereto. Each Grantor agrees to cause, or with respect to any Issuer that is not an Affiliate of any Grantor, use commercially reasonable efforts to cause, such Issuer to comply with the provisions of the securities or "Blue Sky" laws of any and all jurisdictions which the Mortgage Notes Indenture Trustee shall designate and to make available to its security holders, as soon as practicable, an earnings statement (which need not be audited) which will satisfy the provisions of Section 11(a) of the Securities Act.

(b) Each Grantor recognizes that the Mortgage Notes Indenture Trustee may be unable to effect a public sale of any or all the Pledged Stock or the Pledged Debt Securities, by reason of certain prohibitions contained in the Securities Act and applicable state securities laws or otherwise, and may be compelled to resort to one or more private sales thereof to a restricted group of purchasers which will be obliged to agree, among other things, to acquire such securities for their own account for investment and not with a view to the distribution or resale thereof. Each Grantor acknowledges and agrees that any such private sale may result in prices and other terms less favorable than if such sale were a public sale and, notwithstanding such circumstances, agrees that any such private sale shall be deemed to have been made in a commercially reasonable manner. The Mortgage Notes Indenture Trustee shall be under no obligation to delay a sale of any of the Pledged Stock or the Pledged Debt Securities for the period of time necessary to permit the Issuer thereof to register such securities for public sale under the Securities Act, or under applicable state securities laws, even if such Issuer would agree to do so.

(c) Each Grantor agrees to use its best efforts to do or cause to be done all such other acts as may be necessary to make such sale or sales of all or any portion of the Pledged Stock pursuant to this Section 6.8 valid and binding and in compliance with any and all other applicable Requirements of Law. Each Grantor further agrees that a breach of any of the covenants

27

contained in this Section 6.8 will cause irreparable injury to the Secured Parties, that the Secured Parties have no adequate remedy at law in respect of such breach and, as a consequence, that each and every covenant contained in this Section 6.8 shall be specifically enforceable against such Grantor, and such Grantor hereby waives and agrees not to assert any defenses against an action for specific performance of such covenants except for a defense that no Event of Default has occurred and is continuing under the Indenture or a defense of payment.

6.9. *Waiver; Deficiency.* Each Grantor shall remain liable for any deficiency if the proceeds of any sale or other disposition of the Collateral are insufficient to pay its Obligations and the fees and disbursements of any attorneys employed by any Secured Party to collect such deficiency.

SECTION 7. THE MORTGAGE NOTES INDENTURE TRUSTEE

7.1. *Mortgage Notes Indenture Trustee's Appointment as Attorney-in-Fact, etc.* (a) Subject to compliance with applicable Gaming Laws, each Grantor hereby irrevocably constitutes and appoints the Mortgage Notes Indenture Trustee and any officer or agent thereof, with full power of substitution, as its true and lawful attorney-in-fact with full irrevocable power and authority in the place and stead of such Grantor and in the name of such Grantor or in its own name, for the purpose of carrying out the terms of this Agreement, to take any and all appropriate action and to execute any and all documents and instruments which may be necessary or desirable to accomplish the purposes of this Agreement, and, without limiting the generality of the foregoing, each Grantor hereby gives the Mortgage Notes Indenture Trustee the power and right, on behalf of such Grantor, without notice to or assent by such Grantor, to do any or all of the following:

(i) in the name of such Grantor or its own name, or otherwise, take possession of and endorse and collect any checks, drafts, notes, acceptances or other instruments for the payment of moneys due under any Receivable or Contract or with respect to any other Collateral and file any claim or take any other action or proceeding in any court of law or equity or otherwise deemed appropriate by the Mortgage Notes Indenture Trustee for the purpose of collecting any and all such moneys due under any Receivable or Contract or with respect to any other Collateral whenever payable;

(ii) in the case of any Intellectual Property, execute and deliver, and have recorded, any and all agreements, instruments, documents and papers as the Mortgage Notes Indenture Trustee may request to evidence the Secured Parties' security interest in such Intellectual Property and the goodwill and general intangibles of such Grantor relating thereto or represented thereby;

(iii) pay or discharge taxes and Liens levied or placed on or threatened against the Collateral, effect any repairs or any insurance called for by the terms of this Agreement and pay all or any part of the premiums therefor and the costs thereof;

(iv) execute, in connection with any sale provided for in Section 6.7 or 6.8, any endorsements, assignments or other instruments of conveyance or transfer with respect to the Collateral; and

(v) (1) direct any party liable for any payment under any of the Collateral to make payment of any and all moneys due or to become due thereunder directly to the Mortgage Notes Indenture Trustee or as the Mortgage Notes Indenture Trustee shall direct; (2) ask or demand for, collect, and receive payment of and receipt for, any and all moneys, claims and other amounts due or to become due at any time in respect of or arising out of any Collateral; (3) sign and endorse any invoices, freight or express bills, bills of lading, storage or warehouse receipts, drafts against debtors, assignments, verifications, notices and other documents in connection with any of the Collateral; (4) commence and prosecute any suits,

28

actions or proceedings at law or in equity in any court of competent jurisdiction to collect the Collateral or any portion thereof and to enforce any other right in respect of any Collateral; (5) defend any suit, action or proceeding brought against such Grantor with respect to any Collateral; (6) settle, compromise or adjust any such suit, action or proceeding and, in connection therewith, give such discharges or releases as the Mortgage Notes Indenture Trustee may deem appropriate; (7) assign any Copyright, Patent or Trademark (along with the goodwill of the business to which any such Copyright, Patent or Trademark pertains), throughout the world for such term or terms, on such conditions, and in such manner, as the Mortgage Notes Indenture Trustee shall in its reasonable judgment determine; and (8) generally, sell, transfer, pledge and make any agreement with respect to or otherwise deal with any of the Collateral as fully and completely as though the Mortgage Notes Indenture Trustee were the absolute owner thereof for all purposes, and do, at the Mortgage Notes Indenture Trustee's option and such Grantor's expense, at any time, or from time to time, all acts and things which the Mortgage Notes Indenture Trustee deems necessary to protect, preserve or realize upon the Collateral and the Secured Parties' security interests therein and to effect the intent of this Agreement, all as fully and effectively as such Grantor might do.

Anything in this Section 7.1(a) to the contrary notwithstanding, the Mortgage Notes Indenture Trustee agrees that, except as provided in Section 7.1(b), it will not exercise any rights under the power of attorney provided for in this Section 7.1(a) unless and until an Event of Default shall have occurred and be continuing.

(b) If any Grantor fails to perform or comply with any of its agreements contained herein, the Mortgage Notes Indenture Trustee, at its option, but without any obligation so to do, may perform or comply, or otherwise cause performance or compliance, with such agreement.

(c) The expenses of the Mortgage Notes Indenture Trustee incurred in connection with actions undertaken as provided in this Section 7.1, together with interest thereon at a rate per annum equal to the rate per annum at which interest would then be payable on past due interest pursuant to Section 2.12 of the Indenture, from the date of payment by the Mortgage Notes Indenture Trustee to the date reimbursed by the relevant Grantor, shall be payable by such Grantor to the Mortgage Notes Indenture Trustee on demand.

(d) Each Grantor hereby ratifies all that said attorneys shall lawfully do or cause to be done by virtue hereof. All powers, authorizations and agencies contained in this Agreement are coupled with an interest and are irrevocable until this Agreement is terminated and the security interests created hereby are released.

The Mortgage Notes Indenture Trustee's sole duty with respect to the custody, safekeeping and physical preservation of the Collateral in its possession, under Section 9-207 or 9-208 of the New York UCC or otherwise, shall be to deal with it in the same manner as the Mortgage Notes Indenture Trustee deals with similar property for its own account. Neither the Mortgage Notes Indenture Trustee, nor any other Secured Party nor any of their respective officers, directors, partners, employees, agents, attorneys and other advisors, attorneys-in-fact or affiliates shall be liable for failure to demand, collect or realize upon any of the Collateral or for any delay in doing so or shall be under any obligation to sell or otherwise dispose of any Collateral upon the request of any Grantor or any other Person or to take any other action whatsoever with regard to the Collateral or any part thereof. The powers conferred on the Secured Parties hereunder are solely to protect the Secured Parties' interests in the Collateral and shall not impose any duty upon any Secured Party to exercise any such powers. The Secured Parties shall be accountable only for amounts that they actually receive as a result of the exercise of such powers, and neither they nor any of their officers, directors, partners, employees, agents, attorneys and other advisors, attorneys-in-fact or affiliates shall be responsible to any Grantor for any act or failure to act hereunder, except to the extent that any

such act or failure to act is found by a final and nonappealable decision of a court of competent jurisdiction to have resulted solely and proximately from their own gross negligence or willful misconduct in breach of a duty owed to such Grantor.

7.3. Filing of Financing Statements. Each Grantor acknowledges that pursuant to Section 9-509(b) of the New York UCC and any other applicable law, each Grantor authorizes the Mortgage Notes Indenture Trustee to file or record financing or continuation statements, and amendments thereto, and other filing or recording documents or instruments with respect to the Collateral in such form and in such offices as the Mortgage Notes Indenture Trustee reasonably determines appropriate to perfect or maintain the perfection of the security interests of the Mortgage Notes Indenture Trustee under this Agreement. Each Grantor hereby agrees that such financing statements may describe the collateral in the same manner as described in the Collateral Documents or as "all assets" or "all personal property" of the undersigned, whether now owned or hereafter existing or acquired by the undersigned. If and to the extent permitted by applicable law, a photographic or other reproduction of this Agreement shall be sufficient as a financing statement or other filing or recording document or instrument for filing or recording in any jurisdiction.

7.4. Authority of Mortgage Notes Indenture Trustee. Each Grantor acknowledges that the rights and responsibilities of the Mortgage Notes Indenture Trustee under this Agreement with respect to any action taken by the Mortgage Notes Indenture Trustee or the exercise or non-exercise by the Mortgage Notes Indenture Trustee of any option, voting right, request, judgment or other right or remedy provided for herein or resulting or arising out of this Agreement shall, as between the Mortgage Notes Indenture Trustee and the other Secured Parties, be governed by the Indenture and by such other agreements with respect thereto as may exist from time to time among them, but, as between the Mortgage Notes Indenture Trustee and the Grantors, the Mortgage Notes Indenture Trustee shall be conclusively presumed to be acting as agent for the Secured Parties with full and valid authority so to act or refrain from acting, and no Grantor shall be under any obligation, or entitlement, to make any inquiry respecting such authority.

7.5. Appointment of Co-Collateral Agents. At any time or from time to time, in order to comply with any Requirement of Law or otherwise, the Mortgage Notes Indenture Trustee may appoint another bank or trust company or one of more other persons, either to act as bailee, co-agent or agents on behalf of the Secured Parties with such power and authority as may be necessary for the effectual operation of the provisions hereof and which may be specified in the instrument of appointment (which may, in the discretion of the Mortgage Notes Indenture Trustee, include provisions for indemnification and similar protections of such co-agent or separate agent); provided that the Mortgage Notes Indenture Trustee shall give prompt notice of such appointment to all Grantors pursuant to Section 8.2 hereof.

SECTION 8. MISCELLANEOUS

8.1. Amendments in Writing. None of the terms or provisions of this Agreement may be waived, amended, supplemented or otherwise modified except in accordance with the terms of the Indenture.

8.2. Notices. All notices, requests and demands to or upon the Mortgage Notes Indenture Trustee or any Grantor hereunder shall be effected in the manner provided for in Section 13.02 of the Indenture; *provided* that any such notice, request or demand to or upon any Guarantor shall be addressed to such Guarantor at its notice address set forth on *Schedule 1*.

8.3. *No Waiver by Course of Conduct; Cumulative Remedies.* No Secured Party shall by any act (except by a written instrument pursuant to Section 8.1), delay, indulgence, omission or otherwise be deemed to have waived any right or remedy hereunder or to have acquiesced in any Default or Event of Default. No failure to exercise, nor any delay in exercising, on the part of any Secured Party, any right, power or privilege hereunder shall operate as a waiver thereof. No single or partial exercise of

any right, power or privilege hereunder shall preclude any other or further exercise thereof or the exercise of any other right, power or privilege. A waiver by any Secured Party of any right or remedy hereunder on any one occasion shall not be construed as a bar to any right or remedy which such Secured Party would otherwise have on any future occasion. The rights and remedies herein provided are cumulative, may be exercised singly or concurrently and are not exclusive of any other rights or remedies provided by law.

8.4. *Enforcement Expenses; Indemnification.* (a) Each Grantor agrees to pay or reimburse each Secured Party for all its costs and expenses incurred in collecting against such Grantor under the guarantee contained in Section 2 or otherwise enforcing or preserving any rights under this Agreement, the Indenture and the other Collateral Documents to which such Grantor is a party, including, without limitation, the fees and disbursements of counsel to each Secured Party and of counsel to the Mortgage Notes Indenture Trustee.

(b) Each Grantor agrees to pay, and to save the Secured Parties harmless from, any and all liabilities with respect to, or resulting from any delay in paying, any and all stamp, excise, sales or other taxes which may be payable or determined to be payable with respect to any of the Collateral or in connection with any of the transactions contemplated by this Agreement.

(c) Each Grantor agrees to pay, and to save the Secured Parties harmless from, any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever with respect to the execution, delivery, enforcement, performance and administration of this Agreement to the extent the Issuers would be required to indemnify the Trustee under Section 7.07 of the Indenture.

(d) The agreements in this Section 8.4 shall survive repayment of the Obligations and all other amounts payable under the Indenture, the Notes and the Collateral Documents.

8.5. *Successors and Assigns.* This Agreement shall be binding upon the successors and assigns of each Grantor and shall inure to the benefit of the Secured Parties and their successors and assigns; *provided* that no Grantor may assign, transfer or delegate any of its rights or obligations under this Agreement without the prior written consent of the Mortgage Notes Indenture Trustee.

8.6. *Set-Off.* Each Grantor hereby irrevocably authorizes each Secured Party at any time and from time to time while an Event of Default shall have occurred and be continuing, without notice to such Grantor or any other Grantor, any such notice being expressly waived by each Grantor, to set-off and appropriate and apply any and all deposits (general or special, time or demand, provisional or final), in any currency, and any other credits, indebtedness or claims, in any currency, in each case whether direct or indirect, absolute or contingent, matured or unmatured, at any time held or owing by such Secured Party to or for the credit or the account of such Grantor, or any part thereof in such amounts as such Secured Party may elect, against and on account of the obligations and liabilities of such Grantor to such Secured Party hereunder and claims of every nature and description of such Secured Party against such Grantor, in any currency, whether arising hereunder, under the Indenture, any Collateral Document or otherwise, as such Secured Party may elect, whether or not any Secured Party has made any demand for payment and although such obligations, liabilities and claims may be contingent or unmatured. Each Secured Party shall notify such Grantor promptly of any such set-off and the application made by such Secured Party of the proceeds thereof, provided that the failure to give such notice shall not affect the validity of such set-off and application. 8.8. *Severability.* Any provision of this Agreement which is prohibited or unenforceable in any jurisdiction (including by reason of the application of Gaming Laws or non-approval of the Gaming Authorities as set forth in Section 8.17) shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

8.9. *Section Headings.* The Section headings used in this Agreement are for convenience of reference only and are not to affect the construction hereof or be taken into consideration in the interpretation hereof.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

SECTION 1. *Establishment and Maintenance of Collateral Accounts.*

(a) The Financial Institution hereby represents and warrants that it has established and currently maintains the accounts listed on *Schedule 1* hereto and that the Secured Party is its sole customer or entitlement holder with respect to each such account. Guarantee and Collateral Agreement

FORM OF CONTROL AGREEMENT

This CONTROL AGREEMENT (as amended, supplemented or otherwise modified from time to time, the "*Control Agreement*") dated as of _____, 2002, is made by and among _____, a _____ (the "*Grantor*"), WELLS FARGO BANK, NATIONAL ASSOCIATION, as Mortgage Notes Indenture Trustee (in such capacity, the "*Mortgage Notes Indenture Trustee*") for the Secured Parties (as defined in the Guarantee and Collateral Agreement referred to below), and _____, a _____ (the "*Broker*").

WHEREAS, the Broker maintains for the Grantor a commodity account, Account No. _____ (the "*Pledged Account*"), in the name of the Grantor.

WHEREAS, the Grantor has granted to the Mortgage Notes Indenture Trustee for the benefit of the Secured Parties a security interest in the Pledged Account, the commodity contracts and any free credit balance carried therein, and all additions thereto and substitutions and proceeds thereof (collectively, the "*Collateral*") pursuant to a Guarantee and Collateral Agreement, dated as of October 30, 2002 (as amended, supplemented, replaced or otherwise modified from time to time, the "*Guarantee and Collateral Agreement*"), among the Grantor and the other persons party thereto as grantors in favor of the Mortgage Notes Indenture Trustee.

WHEREAS, the following terms which are defined in Articles 8 and 9 of the Uniform Commercial Code in effect in the State of New York on the date hereof (the "*UCC*") are used herein as so defined: Commodity Account, Commodity Contract, Commodity Intermediary's Jurisdiction, Control and Proceeds. Capitalized terms used and not defined herein have the meanings given such terms in the Guarantee and Collateral Agreement or that certain Indenture (as amended, supplemented, replaced or otherwise modified from time to time, the "*Indenture*") dated as of October 30, 2002 among Wynn Las Vegas, LLC, a Nevada limited liability company, Wynn Las Vegas Capital Corp., a Nevada corporation, the Mortgage Notes Indenture Trustee and the Restricted Entities (as defined in the Indenture), as the case may be.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

SECTION 1. *Notice of Security Interest.* The Grantor, the Mortgage Notes Indenture Trustee and the Broker are entering into this Control Agreement to perfect, and to confirm the priority of, the Mortgage Notes Indenture Trustee's security interest in the Collateral. The Broker acknowledges that this Control Agreement constitutes written notification to the Broker of the Mortgage Notes Indenture Trustee's security interest in the Collateral. The Broker agrees to promptly make all necessary entries or notations in its books and records to reflect the Mortgage Notes Indenture Trustee's security interest in the Collateral. The Broker acknowledges that the Mortgage Notes Indenture Trustee has control over the Pledged Account and all commodity contracts and any free credit balance carried therein from time to time.

SECTION 2. *Collateral; Pledged Account.* (a) The Grantor hereby represents and warrants to, and agrees with the Mortgage Notes Indenture Trustee and the Broker that, all commodity contracts carried by the Broker on its books for the Grantor are and shall be credited to the Pledged Account.

(b) The Broker hereby represents and warrants to, and agrees with the Grantor and the Mortgage Notes Indenture Trustee that (i) the Broker is a commodity intermediary with respect to the Grantor and the Pledged Account is a commodity account, (ii) the commodity intermediary's jurisdiction (within the meaning of Section 9305(b) of the UCC) is, and during the term of this Control Agreement shall for all purposes of this Control Agreement remain, the State of New

E-1

York, (iii) *Schedule 1* contains a true and complete statement of the Pledged Account and the commodity contracts and any free credit balance carried therein as of the date hereof, and (iv) the Pledged Account is and shall remain a cash account, and the Broker will not extend, directly or indirectly, any "purpose credit" (within the meaning of such term under Regulation T of the Board of Governors of the Federal Reserve System of the United States) to the Grantor in respect of the Pledged Account.

(c) The Mortgage Notes Indenture Trustee hereby instructs the Broker, and the Broker hereby confirms and agrees that, unless the Mortgage Notes Indenture Trustee shall otherwise direct the Broker in writing, all commodity contracts carried by the Broker on its books for the Grantor shall be credited only to, and carried only in, the Pledged Account.

SECTION 3. *Control.*

(a) Subject to Section 3(b) below, the Broker hereby agrees, upon written direction from the Mortgage Notes Indenture Trustee and without further consent from the Grantor, (a) to apply any value distributed on account of the commodity contracts carried in the Pledged Account as directed by the Mortgage Notes Indenture Trustee, to liquidate or otherwise dispose of the Collateral as and to the extent directed by the Mortgage Notes Indenture Trustee and to pay over to the Mortgage Notes Indenture Trustee all proceeds and other value therefrom or otherwise distributed with respect thereto without any setoff or deduction, and (b) except as otherwise directed by the Mortgage Notes Indenture Trustee, not to apply any value distributed on account of any commodity contract carried in the Pledged Account as directed by the Grantor or any other person at any time after the Broker has received notice from the Mortgage Notes Indenture Trustee that an Event of Default exists and is continuing (and thereafter not until such time as the Mortgage

Notes Indenture Trustee sends written notice to the Broker that such Event of Default has been cured or waived). Subject to all other terms of this Control Agreement, and subject to the terms of the Guarantee and Collateral Agreement, until such time as the Broker has received notice from the Mortgage Notes Indenture Trustee of the occurrence and continuation of an Event of Default (and after such time as the Issuer has received notice from the Mortgage Notes Indenture Trustee that such Event of Default has been cured or waived), the Grantor shall be entitled to issue directions concerning the application of any value distributed on account of any commodity contract carried in the Pledge Account, and the Broker shall comply with such directions; provided, however, that if and when the Broker receives conflicting directions from the Grantor and the Mortgage Notes Indenture Trustee, the Bank shall only follow the directions of the Mortgage Notes Indenture Trustee.

(b) Notwithstanding any other provision of this Control Agreement to the contrary, the Broker and the Mortgage Notes Indenture Trustee agree that until such time as they have been notified in writing by the Administrative Agent that the Control Agreement, dated as of _____, 200____, among [the Grantor], the Administrative Agent and [the Broker] (the "*Bank Control Agreement*") has been terminated, the Mortgage Notes Indenture Trustee shall not apply any value distributed on account of the commodity contract carried in the Pledged Accounts, and Broker shall not comply with, any such request to apply such value directed by the Mortgage Notes Indenture Trustee in respect of the Pledged Accounts covered by the Bank Control Agreement or take any of the actions specified in Section 3(a) above in respect of such Pledged Accounts at the direction of the Mortgage Notes Indenture Trustee, except with the consent of the Administrative Agent. It is understood and agreed that the Administrative Agent is a third party beneficiary of this Section 3(b) and that the provisions of this Section 3(b) may not be amended, modified, supplemented or repealed without the express written consent of the Administrative Agent.

SECTION 4. *Other Agreements; Termination; Successor Brokers.* The Broker shall simultaneously send to the Mortgage Notes Indenture Trustee copies of all notices given and statements rendered

pursuant to the Pledged Account. The Broker shall notify promptly the Mortgage Notes Indenture Trustee and the Grantor if any other person asserts any lien, encumbrance, claim or security interest in or against any of the Collateral. As long as the Guarantee and Collateral Agreement remains in effect, neither the Grantor nor the Broker shall terminate the Pledged Account without thirty (30) days' prior written notice to the other party and the Mortgage Notes Indenture Trustee. In the event of any conflict between the provisions of this Control Agreement and any other agreement governing the Pledged Account or the Collateral, the provisions of this Control Agreement shall control. In the event the Broker no longer serves as Broker for the Collateral, the Pledged Account, the commodity contracts and any free credit balance carried therein shall be transferred to a successor broker, custodian or futures commission merchant satisfactory to the Mortgage Notes Indenture Trustee, provided, that prior to such transfer, such successor broker, custodian or futures commission merchant shall execute an agreement that is substantially in the form of this Control Agreement or is otherwise in form and substance satisfactory to the Mortgage Notes Indenture Trustee.

SECTION 5. *Protection of Broker.* The Broker may rely and shall be protected in acting upon any notice, instruction or other communication that it reasonably believes to be genuine and authorized.

SECTION 6. *Termination.* This Control Agreement shall terminate automatically upon receipt by the Broker of written notice executed by the Mortgage Notes Indenture Trustee that (i) all of the Obligations (excluding unmatured contingent reimbursement and indemnification obligations) secured by the Collateral have been paid in full in immediately available funds, or (ii) all of the Collateral has been released, whichever is sooner, and the Broker shall thereafter be relieved of all duties and obligations hereunder.

SECTION 7. *Waiver; Priority of Mortgage Notes Indenture Trustee's Interests.* Other than with respect to its fees and customary commissions with respect to the Pledged Account, the Broker hereby waives its right to set off any obligations of the Grantor to the Broker against any or all of the Collateral, and hereby agrees that any and all liens, encumbrances, claims or security interests which the Broker may have against the Collateral, either now or in the future in connection with the Pledged Account are and shall be subordinate and junior to the prior payment in full in immediately available funds of all obligations of the Grantor now or hereafter existing under the Indenture, the Guarantee and Collateral Agreement and the other Collateral Agreements, and all other documents related thereto, whether for principal, interest (including, without limitation, interest as provided in the Indenture, whether or not such interest accrues after the filing of such petition for purposes of the federal Bankruptcy Code or is an allowed claim in such proceeding), indemnities, fees, premiums, expenses or otherwise. Except for the foregoing and claims and interests of the Mortgage Notes Indenture Trustee and the Grantor in the Collateral, the Broker does not know of any claim to or security interest or other interest in the Collateral.

SECTION 8. *Notices.* All notices, requests and demands to or upon the respective parties hereto to be effective shall be in writing (including by telecopy), and, unless otherwise expressly provided herein, shall be deemed to have been duly given or made when delivered, or three days after being deposited in the mail and sent by first-class mail, postage prepaid, or, in the case of telecopy notice, when received, to the Grantor's and the Mortgage Notes Indenture Trustee's addresses as set forth in the Guarantee and Collateral Agreement, and to the Broker's address as set forth below, or to such other address as any party may give to the others in writing for such purpose:

SECTION 11. *Execution in Counterparts.* This Control Agreement may be executed in any number of counterparts (including by telecopy), each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

SECTION 12. *Successors and Assigns.* This Control Agreement will be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns, except that the Grantor may not assign, transfer or delegate any of its rights or obligations under this Control Agreement without the prior written consent of the Mortgage Notes Indenture Trustee.

SECTION 13. *Governing Law and Jurisdiction.* This Control Agreement has been delivered to and accepted by the Mortgage Notes Indenture Trustee and will be deemed to be made in the State of New York. **SUBJECT TO COMPLIANCE WITH APPLICABLE NEVADA GAMING LAWS, THIS CONTROL AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.** Each of the parties hereto submits for itself and its property in any legal action or proceeding relating to this Control Agreement, or for recognition and enforcement of any judgment in respect thereof, to the non-exclusive general jurisdiction of the Courts of the State of New York, the courts of the United States of America for the Southern District of New York, and appellate courts from any thereof.

For all purposes under this Deed of Trust it shall be deemed that the term "Trustor" includes all trade or fictitious names that Wynn Resorts Holdings, LLC (or any successor or assign thereof) now or hereafter uses, or has in the past used, including, without limitation, the Enumerated Names, with the same force and effect as if this Deed of Trust had been executed in all such names (in addition to "Wynn Resorts Holdings, LLC").

(a) Hazard Insurance Requirements and Proceeds.

(1) *Hazard Insurance.* Trustor shall at its sole expense obtain for, deliver to, assign and maintain for the benefit of Beneficiary, during the term of this Deed of Trust, insurance policies insuring the Trust Estate and liability insurance policies, all in accordance with the requirements of the Mortgage Notes Indenture. Trustor shall pay promptly when due any premiums on such insurance policies and on any renewals thereof. In the event of the foreclosure of this Deed of Trust or any other transfer of title to the Trust Estate in partial or complete extinguishment of the indebtedness and other sums secured hereby, all right, title and interest of Beneficiary in and to all insurance policies and renewals thereof then in force shall pass to the purchaser or grantee.

Any such proceeds disbursed to Beneficiary shall be applied to pay amounts then due and payable under this Deed of Trust. The balance shall be retained by Beneficiary or its designee in an interest bearing or other investment account approved by Beneficiary, which account Trustor hereby pledges to Beneficiary to secure the Obligations. Disbursements shall be permitted from such account to pay expenses reasonably incurred by Trustor in owning and operating the Trust Estate, as reasonably approved by Beneficiary.

Trustor shall not violate or permit to be violated any of the conditions or provisions of any policy of insurance required by the Mortgage Notes Indenture or this Deed of Trust and Trustor shall so perform and satisfy the requirements of the companies writing such policies that, at all times, companies of good standing shall be willing to write and/or continue such insurance. Trustor further covenants to promptly send to Beneficiary all notices relating to any violation of such policies or otherwise affecting Trustor's insurance coverage or ability to obtain and maintain such insurance coverage.

1.6 Condemnation. Beneficiary is hereby authorized, at its option, to commence, appear in and prosecute in its own or Trustor's name any action or proceeding relating to any condemnation and to settle or compromise any claim in connection therewith, and Trustor hereby appoints Beneficiary as its attorney-in-fact to take any action in Trustor's name pursuant to Beneficiary's rights hereunder. Immediately upon obtaining knowledge of the institution of any proceedings for the condemnation of the Trust Estate or any portion thereof, Trustor shall notify the Trustee and Beneficiary of the pendency of such proceedings. Trustor from time to time shall execute and deliver to Beneficiary all instruments requested by it to permit such participation; provided, however, that such instruments shall be deemed as supplemental to the foregoing grant of permission to Trustee and Beneficiary, and unless otherwise required, the foregoing permission shall, without more, be deemed sufficient to permit Trustee and/or Beneficiary to participate in such proceedings on behalf of Trustor. All such compensation awards, damages, claims, rights of action and Proceeds, and any other payments or relief, and the right thereto, are, whether paid to Beneficiary or Trustor or a third party trustee, included in the Trust Estate. Beneficiary, after deducting therefrom all its expenses, including reasonable attorneys fees, shall apply all Proceeds paid directly to it in accordance with the provisions of the Mortgage Notes Indenture. All Proceeds paid directly to the Trustor shall be applied, if received by Trustor prior to the Final Completion Date, in accordance with the Disbursement Agreement and, if received on or after the Final Completion Date, in accordance with the Mortgage Notes Indenture. To the extent that any condemnation proceeds are not required to be applied towards restoration of the improvements upon the Site, then Beneficiary shall have the right to apply said condemnation proceeds towards repayment of the Obligations. Trustor hereby waives any rights it may have under NRS 37.115, as amended or recodified from time to time.

1.7 Care of Trust Estate.

(a) Trustor shall preserve and maintain the Trust Estate in good condition and repair. Trustor shall not permit, commit or suffer to exist any waste, impairment or deterioration of the Trust Estate or of any part thereof that in any manner materially impairs Beneficiary's security hereunder and shall not take any action which will increase the risk of fire or other hazard to the Trust Estate or to any part thereof.

(b) Except for Permitted Dispositions, no material part of the Improvements or Tangible Collateral that are part of the Trust Estate shall be removed, demolished or materially altered, without the prior written consent of Beneficiary, which consent shall not be unreasonably withheld or delayed. Trustor shall have the right, without such consent, to remove and dispose of free from the lien of this Deed of Trust any part of the Improvements or Tangible Collateral that are part of the Trust Estate as from time to time may become worn out or obsolete or otherwise not useful in connection with the operation of the Trust Estate, provided that either (i) such removal or disposition does not materially affect the value of the Trust Estate or (ii) prior to or promptly following such removal, any such property shall be replaced with other property of substantially equal utility and of a value at least substantially equal to that of the replaced property when first acquired and free from any security interest of any other person (subject only to Permitted Liens), and by such removal and replacement Trustor shall be deemed to have subjected such replacement property to the lien of this Deed of Trust.

(c) Notwithstanding the foregoing provisions of this *Section 1.7*, the Trustor may develop the Project in the manner contemplated by the Disbursement Agreement, the Mortgage Notes Indenture and the other Indenture Documents.

1.8 *Leases.*

(a) Trustor represents, warrants and covenants that:

(i) except for the assignment effected hereby and in the other Financing Agreements, Trustor has not executed any assignment or pledge of any of the Space Leases, the Rents, or of Trustor's right, title and interest in the same; and

(ii) this Deed of Trust does not and will not constitute a violation or default under any Space Lease, and is and shall at all times constitute a valid lien on Trustor's interests in the Space Leases.

(b) Trustor shall not enter into any Space Lease or any modifications or amendments to any Space Lease, either orally or in writing, unless such Space Lease complies with the requirements of the Mortgage Notes Indenture and the Second Mortgage Notes Security Documents.

(c) After an Event of Default, upon the request of Beneficiary Trustor shall deliver to Beneficiary executed copies of all Space Leases.

1.9 *Further Encumbrance.*

(a) Trustor covenants that at all times prior to the discharge of the Obligations, except for Permitted Liens and Permitted Dispositions, Trustor shall neither make nor suffer to exist, nor enter into any agreement for, any sale, assignment, exchange, mortgage, transfer, Lien, hypothecation or encumbrance of all or any part of the Trust Estate, including, without limitation, the Rents. As used herein, "transfer" includes the actual transfer or other disposition, whether voluntary or involuntary, by law, or otherwise, except those transfers specifically permitted herein, provided, however, that "transfer" shall not include the granting of utility or other beneficial easements with respect to the Trust Estate which have been or are granted by Trustor and are reasonably necessary to the construction, maintenance or operation of the Project.

(b) Any Permitted Lien consisting of the lien of a deed of trust which is junior to the lien of the Indenture Documents (a "Subordinate Deed of Trust") shall be permitted hereunder so long as there shall have been delivered to Beneficiary, not less than thirty (30) days prior to the date thereof, a copy thereof which shall contain express covenants in form and substance satisfactory to Beneficiary to the effect that: (i) the Subordinate Deed of Trust is in all respects subject and subordinate to this Deed of Trust; (ii) if any action or proceeding shall be brought to foreclose the Subordinate Deed of Trust (regardless of whether the same is a judicial proceeding or pursuant to a power of sale contained therein), no tenant of any portion of the Trust Estate shall be named as a party defendant nor shall any action be taken with respect to the Trust Estate which would terminate any occupancy or tenancy of the Trust Estate, or any portion thereof, without the consent of Beneficiary; (iii) any Rents, if collected through a receiver or by the holder of the Subordinate Deed of Trust, shall be applied first to the obligations secured by this Deed of Trust, including principal and interest due and owing on or to become due and owing on the Notes or the other Indenture Documents, and then to the payment of maintenance expenses, operating charges, taxes, assessments, and disbursements incurred in connection with the ownership, operation, and maintenance of the Trust Estate; and (iv) if any action or proceeding shall be brought to foreclose the Subordinate Deed of Trust, prompt notice of the commencement thereof shall be given to Beneficiary.

(c) Trustor agrees that in the event the ownership of the Trust Estate or any part thereof becomes vested in a person other than Trustor, Beneficiary may, without notice to Trustor, deal in

any way with such successor or successors in interest with reference to this Deed of Trust, the Notes, the other Indenture Documents and other Obligations hereby secured without in any way vitiating or discharging Trustor's or any guarantor's, surety's or endorser's liability hereunder or upon the obligations hereby secured. No sale of the Trust Estate and no forbearance to any person with respect to this Deed of Trust and no extension to any person of the time for payment of the Obligations, and other sums hereby secured given by Beneficiary shall operate to release, discharge, modify, change or affect the original liability of Trustor, or such guarantor, surety or endorser either in whole or in part.

(d) If Trustor shall fail to make any payment required to be made by it under any FF&E Financing Agreement, except where Trustor is contesting such payment in good faith, then the Beneficiary shall be entitled to make such payment on Trustor's behalf and any and all sums so expended by the Beneficiary shall be secured by this Deed of Trust and shall be repaid by Trustor upon demand, together with interest thereon at the interest at the rate applicable to overdue principal set forth in the Mortgage Notes Indenture from the date of advance.

1.10 *Partial Releases of Trust Estate.*

(a) Trustor may from time to time make a Permitted Disposition including, but not limited to, (i) transferring a portion of the Trust Estate (including any temporary taking) to any person legally empowered to exercise the power of eminent domain, or pursuant to dedication agreements that are now in effect or entered into in the future in connection with the development of the Project, (ii) granting utility easements reasonably necessary or desirable for the construction and/or operation of the Project, which grant or transfer is for the benefit of the Trust Estate, or (iii) transferring all or a portion of the Trust Estate as permitted pursuant to the Disbursement Agreement or the other Indenture Documents. In each such case, Beneficiary shall execute and deliver any instruments necessary or appropriate to effectuate or confirm any such transfer or grant, free from the lien of this Deed of Trust, *provided, however*, that Beneficiary shall execute a lien release or subordination agreement, as appropriate, for matters described in clauses (i) and (iii) above only if:

(A) Such transfer, grant or release is not prohibited by the Mortgage Notes Indenture and all conditions precedent contained in the Mortgage Notes Indenture for such transfer, grant or release, if any, shall have been satisfied;

(B) Beneficiary and Trustee shall have received a counterpart of the instrument pursuant to which such transfer, grant or release is to be made, and each instrument which Beneficiary or Trustee is requested to execute in order to effectuate or confirm such transfer, grant or release; and

(C) Beneficiary and Trustee shall have received an Officer's Certificate if required pursuant to the Mortgage Notes Indenture.

(b) Any consideration received for a transfer to any person empowered to exercise the right of eminent domain shall be subject to *Section 1.6* hereof.

1.11 **Further Assurances.**

(a) At its sole cost and without expense to Trustee or Beneficiary, and subject in all events to compliance with the Nevada Gaming Laws and other applicable Legal Requirements, Trustor shall do, execute, acknowledge and deliver any and all such further acts, deeds, conveyances, notices, requests for notices, financing statements, continuation statements, certificates, assignments, notices of assignments, agreements, instruments and further assurances, and shall mark any chattel paper, deliver any chattel paper or instruments to Beneficiary and take any other actions that are necessary, prudent, or reasonably requested by Beneficiary or Trustee to perfect or continue the

S-14

perfection and first priority of Beneficiary's security interest in the Trust Estate, to protect the Trust Estate against the rights, claims, or interests of third persons other than holders of Permitted Liens or to effect the purposes of this Deed of Trust, including the security agreement and the absolute assignment of Rents contained herein, or for the filing, registering or recording thereof.

(b) Trustor shall forthwith upon the execution and delivery of this Deed of Trust, and thereafter from time to time, cause this Deed of Trust and each instrument of further assurance to be filed, indexed, registered, recorded, given or delivered in such manner and in such places as may be required by any present or future law in order to publish notice of and fully to protect the lien hereof upon, and the title of Trustee and/or Beneficiary to, the Trust Estate.

1.12 **Security Agreement and Financing Statements.** Trustor (as debtor) hereby grants to Beneficiary (as creditor and secured party) a present and future security interest in all Tangible Collateral, Intangible Collateral, FF&E, Improvements, all other personal property now or hereafter owned or leased by Trustor or in which Trustor has or will have any interest, to the extent that such property constitutes a part of the Trust Estate (whether or not such items are stored on the premises or elsewhere), Proceeds of the foregoing comprising a portion of the Trust Estate and all products, substitutions, and accessions therefor and thereto, subject to Beneficiary's rights to treat such property as real property as herein provided (collectively, the "**Personal Property**"). Trustor shall execute and/or deliver any and all documents and writings, including without limitation financing statements pursuant to the UCC, as may be necessary or prudent to preserve and maintain the priority of the security interest granted hereby on property which may be deemed subject to the foregoing security agreement or as Beneficiary may reasonably request, and shall pay to Beneficiary on demand any reasonable expenses incurred by Beneficiary in connection with the preparation, execution and filing of any such documents. Trustor hereby authorizes and empowers Beneficiary to file, on Trustor's behalf, all financing statements and refiling and continuations thereof as advisable to create, preserve and protect said security interest. Trustor acknowledges and agrees that it is not authorized to, and will not, authenticate or file, or authorize the filing of, any financing statements or other record with respect to the Personal Property (including any amendments thereto, or continuation or termination statements thereof), except as permitted by the Indenture Documents. Trustor approves and ratifies any filing or recording of records made by or on behalf of Beneficiary in connection with the perfection of the security interest in favor of Beneficiary hereunder. This Deed of Trust constitutes both a real property deed of trust and a "security agreement," within the meaning of the UCC, and the Trust Estate includes both real and personal property and all other rights and interests, whether tangible or intangible in nature, of Trustor in the Trust Estate. Trustor by executing and delivering this Deed of Trust has granted to Beneficiary, as security of the Obligations, a security interest in the Trust Estate.

(a) **Fixture Filing.** Without in any way limiting the generality of the immediately preceding paragraph or of the definition of the Trust Estate, this Deed of Trust constitutes a fixture filing under Sections 9-334 and 9-502 of the UCC (NRS 104.9334 and 104.9502). For such purposes, (i) the "debtor" is Trustor and its address is the address given for it in the initial paragraph of this Deed of Trust; (ii) the "secured party" is Beneficiary, and its address for the purpose of obtaining information is the address given for it in the initial paragraph of this Deed of Trust; (iii) the real estate to which the fixtures are or are to become attached is Trustor's interest in the Site; and (iv) the record owner of such real estate is Trustor.

(b) **Remedies.** This Deed of Trust shall be deemed a security agreement as defined in the UCC and the remedies for any violation of the covenants, terms and conditions of the agreements herein contained shall include any or all of (i) those prescribed herein, and (ii) those available under applicable law, and (iii) those available under the UCC, all at Beneficiary's sole election. In addition, a photographic or other reproduction of this Deed of Trust shall be sufficient as a financing statement for filing wherever filing may be necessary to perfect or continue the security interest granted herein.

S-15

(c) **Derogation of Real Property.** It is the intention of the parties that the filing of a financing statement in the records normally having to do with personal property shall never be construed as in anyway derogating from or impairing the express declaration and intention of the parties hereto as hereinabove stated that everything used in connection with the production of income from the Trust Estate and/or adapted for use therein and/or which is described or reflected in this Deed of Trust is, and at all times and for all purposes and in all proceedings both legal or equitable, shall be regarded as part of the real property encumbered by this Deed of Trust irrespective of whether (i) any such item is physically attached to the Improvements, (ii) serial numbers are used for the better identification of certain equipment items capable of being thus identified in a recital contained herein or in any list filed with Beneficiary, or (iii) any such item is referred to or reflected in any such financing statement so filed at any time. It is the intention of the parties that the mention in any such financing statement of (1) rights in or to the proceeds of any fire and/or hazard insurance policy, or (2) any award in eminent domain proceedings for a taking or for loss of value, or (3) Trustor's interest as lessors in any present or future Space Lease or rights to Rents, shall never be construed as in anyway altering any of the rights of Beneficiary as determined by this Deed of Trust or impugning the priority of Beneficiary's real property lien granted hereby or by any other recorded document, but such mention in the financing statement is declared to be for the protection of Beneficiary in the event any court or judge shall at any time hold with respect to the matters set forth in the foregoing clauses (1), (2) and (3) that notice of Beneficiary's priority of interest to be effective against a particular class of persons, including but not limited to, the federal government and any subdivisions or entity of the federal government, must be filed in the UCC records.

(d) **Priority; Permitted Financing of Tangible Collateral.** All Personal Property of any nature whatsoever which is subject to the provisions of this security agreement shall be purchased or obtained by Trustor in its name and free and clear of any lien or encumbrance, except for Permitted Liens and the lien hereof, for use only in connection with the business and operation of the Project, and shall be and at all times remain free and clear of any lease or similar arrangement, chattel financing, installment sale agreement, security agreement and any encumbrance of like kind, so that Beneficiary's security interest shall attach to and vest in Trustor for the benefit of Beneficiary, with the priority herein specified, immediately upon the installation or use of the Personal Property at the Site and Trustor warrants and represents that Beneficiary's security interest in the Personal Property is a validly attached and binding security interest, properly perfected and prior to all other security interests therein except as otherwise permitted in this Deed of Trust. The foregoing shall not be construed as limiting Trustor's rights to transfer Personal Property pursuant to Permitted Dispositions or to obtain releases of Personal Property from the Lien of this Deed of Trust pursuant to *Section 1.10* hereof.

(e) **Preservation of Contractual Rights of Collateral.** Trustor shall, prior to delinquency, default, or forfeiture, perform all obligations and satisfy all material conditions required on its part to be satisfied to preserve its rights and privileges under any contract, lease, license, permit, or other authorization (i) under which it holds any Tangible Collateral or (ii) which constitutes part of the Intangible Collateral, except where Trustor is contesting such obligations in good faith.

(f) **Removal of Collateral.** Except for damaged or obsolete Tangible Collateral which is either no longer usable or which is removed temporarily for repair or improvement or removed for replacement on the Trust Estate with Tangible Collateral of similar function or as otherwise permitted herein, none of the Tangible Collateral shall be removed from the Trust Estate without Beneficiary's prior written consent.

(g) **Change of Name.** Trustor shall not change its corporate (or other entity) or business name, or do business within the State of Nevada under any name other than such name, or any trade name(s) other than those as to which Trustor gives prior written notice to Beneficiary of its intent

S-16

to use such trade names, or any other business names (if any) specified in the financing statements delivered to Beneficiary for filing in connection with the execution hereof, without, in each case, providing Beneficiary with the additional financing statement(s) and any other similar documents deemed reasonably necessary by Beneficiary to assure that its security interest remains perfected and of undiminished priority in all such Personal Property notwithstanding such name change.

1.13 **Assignment of Leases and Rents.** Subject to Nevada Gaming Laws and other applicable Legal Requirements, the assignment of Leases and Rents set out above in Granting Clause (G) shall constitute an absolute and present assignment to Beneficiary, subject to the license herein given to Trustor to collect the Rents, and shall be fully operative without any further action on the part of any party, and specifically Beneficiary shall be entitled upon the occurrence of an Event of Default hereunder to all Rents and to enter upon the Site and the Improvements to collect such Rents, provided, however, that Beneficiary shall not be obligated to take possession of the Trust Estate, or any portion thereof. The absolute assignment contained in Granting Clause (G) shall not be deemed to impose upon Beneficiary any of the obligations or duties of Trustor provided in any such Space Lease (including, without limitation, any liability under the covenant of quiet enjoyment contained in any lease in the event that any lessee shall have been joined as a party defendant in any action to foreclose this Deed of Trust and shall have been barred and foreclosed thereby of all right, title and interest and equity of redemption in the Trust Estate or any part thereof).

1.14 **Expenses.**

(a) Trustor shall pay when due and payable all out-of-pocket costs, including without limitation, those reasonable appraisal fees, recording fees, taxes, abstract fees, title policy fees, escrow fees, attorneys' and paralegal fees, travel expenses, fees for inspecting architect(s) and engineer(s) and all other costs and expenses of every character which may hereafter be incurred by Beneficiary or any assignee of Beneficiary in connection with the preparation and execution of the Mortgage Notes Indenture and the other Indenture Documents to which Trustor is a party or instruments, agreements or documents of further assurance, the funding of the indebtedness secured hereby, and the enforcement of the Mortgage Notes Indenture or any other Indenture Document to which Trustor is a party. Other than costs associated with the enforcement of any Indenture Document, all such costs shall be itemized in reasonable detail; and

(b) Trustor shall, upon demand by Beneficiary, reimburse Beneficiary or any assignee of Beneficiary for all such reasonable expenses which have been incurred or which shall be incurred by it; and

(c) Trustor shall indemnify Beneficiary with respect to any transaction or matter in any way connected with any portion of the Trust Estate, this Deed of Trust, including any occurrence at, in, on, upon or about the Trust Estate (including any personal injury, loss of life, or property damage), or Trustor's use, occupancy, or operation of the Trust Estate, or the filing or enforcement of any mechanic's lien, or otherwise caused in whole or in part by any act, omission or negligence occurring on or at the Trust Estate, including failure to comply with any Legal Requirement or with any requirement of this Deed of Trust that applies to Trustor, except to the extent resulting from the gross negligence, fraud or willful misconduct of Trustee or Beneficiary. If Beneficiary is a party to any litigation as to which either Trustor is required to indemnify Beneficiary (or is made a defendant in any action of any kind against Trustor or relating directly or indirectly to any portion of the Trust Estate) then, at Beneficiary's option, Trustor shall undertake Beneficiary's defense, using counsel reasonably satisfactory to Beneficiary (and any settlement shall be subject to Beneficiary's consent, which consent shall not be unreasonably withheld), and in any case shall indemnify Beneficiary against such litigation. Trustor shall pay all reasonable costs and expenses, including reasonable legal costs, that Beneficiary pays or incurs in connection with any such litigation. Any amount payable under any indemnity in this Deed of Trust shall be a demand

S-17

obligation, shall be added to, and become a part of, the secured obligations under this Deed of Trust, shall be secured by this Deed of Trust and shall bear interest at the interest rate specified in the Mortgage Notes Indenture. Such indemnity shall survive any release of this Deed of Trust and any foreclosure.

1.15 **Beneficiary's Cure of Trustor's Default.** If Trustor defaults hereunder in the payment of any tax, assessment, lien, encumbrance or other Imposition, in its obligation to furnish insurance hereunder, or in the performance or observance of any other covenant, condition or term of this Deed of Trust or any other

Financing Agreement or any FF&E Financing Agreement, Beneficiary may, but is not obligated to, to preserve its interest in the Trust Estate, perform or observe the same, and all payments made (whether such payments are regular or accelerated payments) and reasonable costs and expenses incurred or paid by Beneficiary in connection therewith shall become due and payable immediately. The amounts so incurred or paid by Beneficiary, together with interest thereon at the interest rate applicable to overdue principal set forth in the Mortgage Notes Indenture, from the date incurred until paid by Trustor, shall be added to the indebtedness and secured by the lien of this Deed of Trust. Beneficiary, is hereby empowered to enter and to authorize others to enter upon the Site or any part thereof for the purpose of performing or observing any such defaulted covenant, condition or term, without thereby becoming liable to Trustor or any person in possession holding under Trustor. No exercise of any rights under this Section 1.15 by Beneficiary shall cure or waive any Event of Default or notice of default hereunder or invalidate any act done pursuant hereto or to any such notice, but shall be cumulative of all other rights and remedies.

1.16 **Use of Land.** Trustor covenants that the Trust Estate shall be used and operated in a manner consistent with the requirements of the Indenture Documents.

1.17 **Compliance with Permitted Lien Agreements.** Trustor shall comply with each and every material obligation contained in any agreement pertaining to a Permitted Lien.

1.18 **Defense of Actions.** Trustor shall appear in and defend any action or proceeding affecting or purporting to affect the security hereof or the rights or powers of Beneficiary or Trustee, and shall pay all costs and expenses, including cost of title search and insurance or other evidence of title, preparation of survey, and reasonable attorneys' fees in any such action or proceeding in which Beneficiary or Trustee may appear or may be joined as a party and in any suit brought by Beneficiary based upon or in connection with this Deed of Trust, the Mortgage Notes Indenture or any other Indenture Document to which Trustor is a party. Nothing contained in this section shall, however, limit the right of Beneficiary to appear in such action or proceeding with counsel of its own choice, either on its own behalf or on behalf of Trustor.

1.19 **Affiliates.**

(a) **Subject to Trust Deed.** Subject to compliance with the requirements of applicable Nevada Gaming Laws, Trustor shall cause all of its Affiliates in any way involved with the operation of the Trust Estate or the Project to observe the covenants and conditions of this Deed of Trust to the extent necessary to give the full intended effect to such covenants and conditions and to protect and preserve the security of Beneficiary hereunder.

(b) **Restriction on Use of Subsidiary or Affiliate.** Except as permitted under the Notes, the Mortgage Notes Indenture or the other Indenture Documents, Trustor shall not use any Affiliate in the operation of the Trust Estate or the Project if such use would in any way impair the security for the Obligations or circumvent any covenant or condition of this Deed of Trust, the Mortgage Notes Indenture or of any other Indenture Document.

1.20 **Title Insurance.** Promptly after the execution of this Deed of Trust, Trustor shall cause to be delivered to Trustee at Trustor's expense, one or more ALTA extended coverage Lender's Policies of Title Insurance showing fee title to the real property situated in the County of Clark, State of Nevada,

S-18

more specifically described in Schedule A attached hereto, vested in Trustor and the lien of this Deed of Trust to be a perfected lien, prior to any and all encumbrances other than Permitted Encumbrances (excluding, however, any such non-Permitted Encumbrances for which the Title Insurer has agreed to provide an endorsement or affirmative coverage protecting the lien of this Deed of Trust against such non-Permitted Encumbrances).

ARTICLE TWO MORTGAGE NOTES INDENTURE PROVISIONS

2.1 **Interaction with Mortgage Notes Indenture**

(a) **Incorporation by Reference.** All terms, covenants, conditions, provisions and requirements of the Mortgage Notes Indenture are incorporated by reference in this Deed of Trust.

(b) **Conflicts.** In the event of any conflict or inconsistency between the provisions of this Deed of Trust and those of the Mortgage Notes Indenture or the Disbursement Agreement, the provisions of the Mortgage Notes Indenture or the Disbursement Agreement, as applicable, shall govern.

2.2 **Other Collateral.** This Deed of Trust is one of a number of security agreements delivered by or on behalf of Trustor and other Persons pursuant to the Mortgage Notes Indenture and the other Indenture Documents and securing the Obligations secured hereunder. All potential junior Lien claimants are placed on notice that, under any of the Indenture Documents (including a separate future unrecorded agreement between Trustor and Beneficiary), other collateral for the Obligations secured hereunder (*i.e.*, collateral other than the Trust Estate) may, under certain circumstances, be released without a corresponding reduction in the total principal amount secured by this Deed of Trust. Such a release would decrease the amount of collateral securing the same indebtedness, thereby increasing the burden on the remaining Trust Estate created and continued by this Deed of Trust. No such release shall impair the priority of the lien of this Deed of Trust. By accepting its interest in the Trust Estate, each and every junior Lien claimant shall be deemed to have acknowledged the possibility of, and consented to, any such release. Nothing in this paragraph shall impose any obligation upon Beneficiary.

2.3 **Subordination to Bank Deed of Trust.** Notwithstanding any other provision hereof, this Deed of Trust, including, without limitation, the security interest granted herein, the rights, power and remedies of the Trustee and the Beneficiary and the obligations of Trustor set forth herein, shall, to the extent provided in the Project Lenders Intercreditor Agreement, be subject and subordinate to the Bank Golf Course Deed of Trust.

ARTICLE THREE DEFAULTS

3.1 **Event of Default.** The term "Event of Default," wherever used in this Deed of Trust, shall mean any of (i) one or more of the events of default listed in the Mortgage Notes Indenture (ii) so long as the Disbursement Agreement is in effect, one or more of the events of default listed in the Disbursement Agreement (whether any such event shall be voluntary or involuntary or come about or be effected by operation of law or pursuant to or in compliance with any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body) or (iii) if any "borrower" (as that term is defined in NRS 106.310) who may send a notice pursuant to NRS 106.380(1), (x) delivers, sends by mail or otherwise gives, or purports to deliver, send by mail or otherwise give, to a beneficiary under this Deeds of Trust (A) any notice of an election to terminate the operation of this Deed of Trust as security for any secured

NRS 106.380(3), or (z) causes this Deed of Trust, any secured obligation, or any Secured Party to be subject to NRS 106.380(2), 106.380(3) or 106.400.

ARTICLE FOUR REMEDIES

4.1 Acceleration of Maturity. If an Event of Default occurs, Beneficiary may (except that such acceleration shall be automatic if the Event of Default is caused by either Issuer's or Trustor's Bankruptcy), in accordance with the Indenture Documents, declare the Obligations to be due and payable immediately, and upon such declaration such principal and interest and other sums shall immediately become due and payable without demand, presentment, notice or other requirements of any kind (all of which Trustor waives) notwithstanding anything in this Deed of Trust or any Indenture Document or applicable law to the contrary.

4.2 Protective Advances. If either Issuer or Trustor fails to make any payment or perform any other obligation under the Notes, the Mortgage Notes Indenture or any other Financing Agreement, then without thereby limiting Beneficiary's other rights or remedies, waiving or releasing any of Trustor's obligations, or imposing any obligation on Beneficiary, Beneficiary may either advance any amount owing or perform any or all actions that Beneficiary considers necessary or appropriate to cure such default. All such advances shall constitute "Protective Advances" and shall bear interest thereon at the interest rate applicable to overdue principal set forth in the Mortgage Notes Indenture from the date incurred until paid by Trustor. No sums advanced or performance rendered by Beneficiary shall cure, or be deemed a waiver of any Event of Default.

4.3 Institution of Equity Proceedings. If an Event of Default occurs, Beneficiary may institute an action, suit or proceeding in equity for specific performance of this Deed of Trust, the Notes, the Mortgage Notes Indenture or any other Indenture Document, all of which shall be specifically enforceable by injunction or other equitable remedy. Trustor waives any defense based on laches or any applicable statute of limitations.

4.4 Beneficiary's Power of Enforcement.

(a) If an Event of Default occurs, Beneficiary shall be entitled, at its option and in its sole and absolute discretion, to prepare and record on its own behalf, or to deliver to Trustee for recording, if appropriate, written declaration of default and demand for sale and written Notice of Breach and Election to Sell (NRS 107.080(3)) (or other statutory notice) to cause the Trust Estate to be sold to satisfy the obligations hereof, and in the case of delivery to Trustee, Trustee shall cause said notice to be filed for record.

(b) After the lapse of such time as may then be required by law following the recordation of said Notice of Breach and Election to Sell, and notice of sale having been given as then required by law, including compliance with any applicable Nevada Gaming Laws, Trustee without demand on Trustor, shall sell the Trust Estate or any portion thereof at the time and place fixed by it in said notice, either as a whole or in separate parcels, and in such order as it may determine, at public auction to the highest bidder, of cash in lawful money of the United States payable at the time of sale. Trustee may, for any cause it deems expedient, postpone the sale of all or any portion of said property until it shall be completed and, in every case, notice of postponement shall be given by public announcement thereof at the time and place last appointed for the sale and from time to time thereafter Trustee may postpone such sale by public announcement at the time fixed by the preceding postponement. Trustee shall execute and deliver to the purchaser its Deed, Bill of Sale, or other instrument conveying said property so sold, but without any covenant or warranty, express or implied. The recitals in such instrument of conveyance of any matters or facts shall be conclusive proof of the truthfulness thereof. Any person, including Beneficiary, may bid at the sale.

(c) After deducting all costs, fees and expenses of Trustee and of this Deed of Trust, including, without limitation, costs of evidence of title and reasonable attorneys' fees and other legal expenses of Trustee or Beneficiary in connection with a sale, Trustee shall apply the proceeds of such sale to payment of all sums expended under the terms hereof not then repaid, with accrued interest at the rate applicable to overdue principal set forth in the Mortgage Notes Indenture to the payment of all other sums then secured hereby and the remainder, if any, to the person or persons legally entitled thereto as provided in NRS 40.462.

(d) Subject to compliance with applicable Nevada Gaming Laws, if any Event of Default occurs, Beneficiary may, either with or without entry or taking possession of the Trust Estate, and without regard to whether or not the indebtedness and other sums secured hereby shall be due and without prejudice to the right of Beneficiary thereafter to bring an action or proceeding to foreclose or any other action for any default existing at the time such earlier action was commenced, proceed by any appropriate action or proceeding: (1) to enforce payment of the Obligations, to the extent permitted by law, or the performance of any term hereof or any other right; (2) to foreclose this Deed of Trust in any manner provided by law for the foreclosure of mortgages or deeds of trust on real property and to sell, as an entirety or in separate lots or parcels, the Trust Estate or any portion thereof pursuant to the laws of the State of Nevada or under the judgment or decree of a court or courts of competent jurisdiction, and Beneficiary shall be entitled to recover in any such proceeding all costs and expenses incident thereto, including reasonable attorneys' fees in such amount as shall be awarded by the court; (3) to exercise any or all of the rights and remedies available to it under the Indenture Documents; and (4) to pursue any other remedy available to it. Beneficiary shall take action either by such proceedings or by the exercise of its powers with respect to entry or taking possession, or both, as Beneficiary may determine.

(e) The remedies described in this Section 4.4 may be exercised with respect to all or any portion of the Personal Property, either simultaneously with the sale of any real property encumbered hereby or independent thereof. Beneficiary shall at any time be permitted to proceed with respect to all or any portion of the Personal Property in any manner permitted by the UCC. Trustor agrees that Beneficiary's inclusion of all or any portion of the Personal Property (and all personal property that is subject to a security interest in favor, or for the benefit, of Beneficiary) in a sale or other remedy exercised with respect to the real property encumbered hereby, as permitted by the UCC, is a commercially reasonable disposition of such property.

4.5 Beneficiary's Right to Enter and Take Possession, Operate and Apply Income.

(a) Subject to compliance with applicable Nevada Gaming Laws, if an Event of Default occurs, (i) Trustor, upon demand of Beneficiary, shall forthwith surrender to Beneficiary the actual possession and, if and to the extent permitted by law, Beneficiary itself, or by such officers or agents as it may appoint, may enter and take possession of all the Trust Estate including the Personal Property, without liability for trespass, damages or otherwise, and may exclude Trustor and its agents and employees wholly therefrom and may have joint access with Trustor to the books, papers and accounts of Trustor; and (ii) Trustor shall pay monthly in advance to Beneficiary on Beneficiary's entry into possession, or to any receiver appointed to collect the Rents, all Rents then due and payable.

(b) If Trustor shall for any reason fail to surrender or deliver the Trust Estate, the Personal Property or any part thereof after Beneficiary's demand, Beneficiary may obtain a judgment or decree conferring on Beneficiary or Trustee the right to immediate possession or requiring Trustor to deliver immediate possession of all or part of such property to Beneficiary or Trustee and Trustor hereby specifically consents to the entry of such judgment or decree. Trustor shall pay to Beneficiary or Trustee, upon demand, all reasonable costs and expenses of obtaining such judgment or decree and reasonable compensation to Beneficiary or Trustee, their attorneys and

S-21

agents, and all such costs, expenses and compensation shall, until paid, be secured by the lien of this Deed of Trust.

(c) Subject to compliance with applicable Nevada Gaming Laws, upon every such entering upon or taking of possession, Beneficiary or Trustee may hold, store, use, operate, manage and control the Trust Estate and conduct the business thereof, and, from time to time in its sole and absolute discretion and without being under any duty to so act:

(1) make all necessary and proper maintenance, repairs, renewals, replacements, additions, betterments and improvements thereto and thereon and purchase or otherwise acquire additional fixtures, personalty and other property;

(2) insure or keep the Trust Estate insured;

(3) manage and operate the Trust Estate and exercise all the rights and powers of Trustor in their name or otherwise with respect to the same;

(4) enter into agreements with others to exercise the powers herein granted Beneficiary or Trustee, all as Beneficiary or Trustee from time to time may determine; and, subject to the absolute assignment of the Leases and Rents to Beneficiary, Beneficiary or Trustee may collect and receive all the Rents, including those past due as well as those accruing thereafter; and shall apply the monies so received by Beneficiary or Trustee in such priority as Beneficiary may determine to (1) the payment of interest and principal due and payable on the Notes or the other Indenture Documents, (2) the deposits for taxes and assessments and insurance premiums due, (3) the cost of insurance, taxes, assessments and other proper charges upon the Trust Estate or any part thereof; (4) the compensation, expenses and disbursements of the agents, attorneys and other representatives of Beneficiary or Trustee; and (5) any other charges or costs required to be paid by Trustor under the terms hereof; and

(5) rent or sublet the Trust Estate or any portion thereof for any purpose permitted by this Deed of Trust.

Beneficiary or Trustee shall surrender possession of the Trust Estate and the Personal Property to Trustor only when all that is due upon such interest and principal, tax and insurance deposits, and all amounts under any of the terms of the Mortgage Notes Indenture or this Deed of Trust, shall have been paid and all defaults made good. The same right of taking possession, however, shall exist if any subsequent Event of Default shall occur and be continuing.

4.6 Leases. Beneficiary is authorized to foreclose this Deed of Trust subject to the rights of any tenants of the Trust Estate, and the failure to make any such tenants parties defendant to any such foreclosure proceedings and to foreclose their rights shall not be, nor be asserted by Trustor to be, a defense to any proceedings instituted by Beneficiary to collect the sums secured hereby or to collect any deficiency remaining unpaid after the foreclosure sale of the Trust Estate, or any portion thereof. Unless otherwise agreed by Beneficiary in writing, all Space Leases executed subsequent to the date hereof, or any part thereof, shall be subordinate and inferior to the lien of this Deed of Trust; provided, however that (i) in accordance with the terms of the Indenture Documents, Beneficiary may be required to execute a non-disturbance and attornment agreement in connection with certain Space Leases; and (ii) from time to time Beneficiary may execute and record among the land records of the jurisdiction where this Deed of Trust is recorded, subordination statements with respect to such of said Space Leases as Beneficiary may designate in its sole discretion, whereby the Space Leases so designated by Beneficiary shall be made superior to the lien of this Deed of Trust for the term set forth in such subordination statement. From and after the recordation of such subordination statements, and for the respective periods as may be set forth therein, the Space Leases therein referred to shall be superior to the lien of this Deed of Trust and shall not be affected by any foreclosure hereof. All such Space Leases shall contain a provision to the effect that the Trustor and Space Lessee recognize the

S-22

right of Beneficiary to elect and to effect such subordination of this Deed of Trust and consents thereto.

4.7 Purchase by Beneficiary. Upon any foreclosure sale (whether judicial or nonjudicial), Beneficiary may bid for and purchase the property subject to such sale and, upon compliance with the terms of sale, may hold, retain and possess and dispose of such property in its own absolute right without further accountability.

4.8 Waiver of Appraisal, Valuation, Stay, Extension and Redemption Laws. Trustor agrees to the full extent permitted by law that if an Event of Default occurs, neither Trustor nor anyone claiming through or under it shall or will set up, claim or seek to take advantage of any appraisal, valuation, stay, extension or redemption laws now or hereafter in force, in order to prevent or hinder the enforcement or foreclosure of this Deed of Trust or the absolute sale of the Trust Estate or any portion thereof or the final and absolute putting into possession thereof, immediately after such sale, of the purchasers thereof, and Trustor for itself and all who may at any time claim through or under it, hereby waives, to the full extent that it may lawfully so do, the benefit of all such laws, and any and all right to have the assets comprising the Trust Estate marshalled upon any foreclosure of the lien hereof and agrees that Trustee or any court having jurisdiction to foreclose such lien may sell the Trust Estate in part or as an entirety.

4.9 Receiver. If an Event of Default occurs, Beneficiary, to the extent permitted by law and subject to compliance with all applicable Nevada Gaming Laws, and without regard to the value, adequacy or occupancy of the security for the indebtedness and other sums secured hereby, shall be entitled as a matter of right if it so elects to the appointment of a receiver to enter upon and take possession of the Trust Estate and to collect all Rents and apply the same as the court may direct, and such receiver may be appointed by any court of competent jurisdiction upon application by Beneficiary. Beneficiary may have a receiver appointed without notice to Trustor or any third party, and Beneficiary may waive any requirement that the receiver post a bond. Beneficiary shall have the power to designate and select the Person who shall serve as the receiver and to negotiate all terms and conditions under which such receiver shall serve. Any receiver appointed on Beneficiary's behalf may be an Affiliate of Beneficiary. The expenses, including receiver's fees, attorneys' fees, costs and agent's compensation, incurred pursuant to the powers herein contained shall be secured by this Deed of Trust. The right to enter and take possession of and to manage and operate the Trust Estate and to collect all Rents, whether by a receiver or otherwise, shall be cumulative to any other right or remedy available to Beneficiary under this Deed of Trust, the Mortgage Notes Indenture or the other Indenture Documents or otherwise available to Beneficiary and may be exercised concurrently therewith or independently thereof. Beneficiary shall be liable to account only for such Rents (including, without limitation, security deposits) actually received by Beneficiary, whether received pursuant to this section or any other provision hereof. Notwithstanding the appointment of any receiver or other custodian, Beneficiary shall be entitled as pledgee to the possession and control of any cash, deposits, or instruments at the time held by, or payable or deliverable under the terms of this Deed of Trust to, Beneficiary.

4.10 Suits to Protect the Trust Estate. Beneficiary shall have the power and authority to institute and maintain any suits and proceedings as Beneficiary, in its sole and absolute discretion, may deem advisable (a) to prevent any impairment of the Trust Estate by any acts which may be unlawful or in violation of this Deed of Trust, (b) to preserve or protect its interest in the Trust Estate, or (c) to restrain the enforcement of or compliance with any legislation or other Legal Requirement that may be unconstitutional or otherwise invalid, if the enforcement of or compliance with such enactment, rule or order might impair the security hereunder or be prejudicial to Beneficiary's interest.

4.11 Proofs of Claim. In the case of any receivership, Insolvency, Bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceedings affecting Trustor, or, to the extent the same would result in an Event of Default hereunder, any Subsidiary, or any guarantor, co-maker or endorser of any of Trustor's obligations, its creditors or its property, Beneficiary, to the extent

S-23

permitted by law, shall be entitled to file such proofs of claim or other documents as it may deem to be necessary or advisable in order to have its claims allowed in such proceedings for the entire amount due and payable by Trustor under the Indenture Documents, at the date of the institution of such proceedings, and for any additional amounts which may become due and payable by Trustor after such date.

4.12 Trustor to Pay the Obligations on Any Default in Payment; Application of Monies by Beneficiary.

(a) In case of a foreclosure sale of all or any part of the Trust Estate and of the application of the proceeds of sale to the payment of the sums secured hereby, Beneficiary shall be entitled to enforce payment from Trustor of any additional amounts then remaining due and unpaid with respect to the Obligations and to recover judgment against Trustor for any portion thereof remaining unpaid, with interest at the rate applicable to overdue principal as set forth in the Mortgage Notes Indenture.

(b) Trustor hereby agrees to the extent permitted by law, that no recovery of any judgment by Beneficiary or other action by Beneficiary and no attachment or levy of any execution upon any Property of Trustor by Beneficiary (other than a foreclosure of the entire Trust Estate hereunder) shall in any way affect the Lien and security interest of this Deed of Trust upon the Trust Estate or any part thereof or any Lien, rights, powers or remedies of Beneficiary hereunder, but such Lien, rights, powers and remedies shall continue unimpaired as before.

(c) Any monies collected or received by Beneficiary under this *Section 4.12* shall be first applied to the payment of reasonable compensation, expenses and disbursements of the agents, attorneys and other representatives of Beneficiary, and the balance remaining shall be applied to the Obligations.

(d) The provisions of this section shall not be deemed to limit or otherwise modify the provisions of any guaranty of the indebtedness evidenced by the Notes or the other Indenture Documents.

4.13 Delay or Omission; No Waiver. No delay or omission of Beneficiary or any Second Mortgage Note Holder to exercise any right, power or remedy upon any Event of Default shall exhaust or impair any such right, power or remedy or shall be construed to waive any such Event of Default or to constitute acquiescence therein. Every right, power and remedy given to Beneficiary whether contained herein or in the other Indenture Documents or otherwise available to Beneficiary may be exercised from time to time and as often as may be deemed expedient by Beneficiary.

4.14 No Waiver of One Default to Affect Another. No waiver of any Event of Default hereunder shall extend to or affect any subsequent or any other Event of Default then existing, or impair any rights, powers or remedies consequent thereon. If Beneficiary or the required percentage of the Second Mortgage Note Holders (as determined pursuant to the Mortgage Notes Indenture), to the extent applicable under the Mortgage Notes Indenture, (a) grants forbearance or an extension of time for the payment of any sums secured hereby; (b) takes other or additional security for the payment thereof; (c) waives or does not exercise any right granted in the Notes, the Mortgage Notes Indenture, this Deed of Trust, the Disbursement Agreement or any other Indenture Document; (d) releases any part of the Trust Estate from the lien or security interest of this Deed of Trust or any other instrument securing the Obligations; (e) consents to the filing of any map, plat or replat of the Site (to the extent such consent is required); (f) consents to the granting of any easement on the Site (to the extent such consent is required); or (g) makes or consents to any agreement changing the terms of this Deed of Trust or any other Indenture Document subordinating the lien or any charge hereof, no such act or omission shall release, discharge, modify, change or affect the original liability of Trustor under the Mortgage Notes Indenture or any other Indenture Document or otherwise, or any subsequent purchaser of the Trust Estate or any part thereof or any maker, co-signer, surety or guarantor. No such act or omission shall preclude Beneficiary from exercising any right, power or privilege herein granted

S-24

or intended to be granted in case of any Event of Default then existing or of any subsequent Event of Default, nor, except as otherwise expressly provided in an instrument or instruments executed by Beneficiary, shall the lien or security interest of this Deed of Trust be altered thereby, except to the extent expressly

provided in any releases, maps, easements or subordinations described in clause (d), (e), (f) or (g) above of this Section 4.14. In the event of the sale or transfer by operation of law or otherwise of all or any part of the Trust Estate, Beneficiary, without notice to any person, firm or corporation, is hereby authorized and empowered to deal with any such vendee or transferee with reference to the Trust Estate or the indebtedness secured hereby, or with reference to any of the terms or conditions hereof, as fully and to the same extent as it might deal with the original parties hereto and without in any way releasing or discharging any of the liabilities or undertakings hereunder, or waiving its right to declare such sale or transfer an Event of Default as provided herein. Notwithstanding anything to the contrary contained in this Deed of Trust or any other Indenture Document, (i) in the case of any non-monetary Event of Default, Beneficiary may continue to accept payments secured hereunder without thereby waiving the existence of such or any other Event of Default and (ii) in the case of any monetary Event of Default, Beneficiary may accept partial payments of any sums secured hereunder without thereby waiving the existence of such Event of Default if the partial payment is not sufficient to completely cure such Event of Default.

4.15 Discontinuance of Proceedings; Position of Parties Restored. If Beneficiary shall have proceeded to enforce any right or remedy under this Deed of Trust by foreclosure, entry of judgment or otherwise and such proceedings shall have been discontinued or abandoned for any reason, or such proceedings shall have resulted in a final determination adverse to Beneficiary, then and in every such case Trustor and Beneficiary shall be restored to their former positions and rights hereunder, and all rights, powers and remedies of Beneficiary shall continue as if no such proceedings had occurred or had been taken.

4.16 Remedies Cumulative. No right, power or remedy, including without limitation remedies with respect to any security for Obligations, conferred upon or reserved to Beneficiary by this Deed of Trust or any other Indenture Document is exclusive of any other right, power or remedy, but each and every such right, power and remedy shall be cumulative and concurrent and shall be in addition to any other right, power and remedy given hereunder or any other Indenture Document, now or hereafter existing at law, in equity or by statute, and Beneficiary shall be entitled to resort to such rights, powers, remedies or security as Beneficiary shall in its sole and absolute discretion deem advisable.

4.17 Interest After Event of Default. If an Event of Default shall have occurred and is continuing, all sums outstanding and unpaid under the Obligations shall, at Beneficiary's option, bear interest at the rate applicable to overdue principal set forth in the Mortgage Notes Indenture until such Event of Default has been cured. Trustor's obligation to pay such interest shall be secured by this Deed of Trust.

4.18 Foreclosure; Expenses of Litigation. If Trustee forecloses, reasonable attorneys' fees for services in the supervision of said foreclosure proceeding shall be allowed to the Trustee and Beneficiary as part of the foreclosure costs. In the event of foreclosure of the lien hereof, there shall be allowed and included as additional indebtedness all reasonable expenditures and expenses which may be paid or incurred by or on behalf of Beneficiary for attorneys' fees, appraiser's fees, outlays for documentary and expert evidence, stenographers' charges, publication costs, and costs (which may be estimated as to items to be expended after foreclosure sale or entry of the decree) of procuring all such abstracts of title, title searches and examinations, title insurance policies and guarantees, and similar data and assurances with respect to title as Beneficiary may deem reasonably advisable either to prosecute such suit or to evidence to a bidder at any sale which may be had pursuant to such decree the true condition of the title to or the value of the Trust Estate or any portion thereof. All expenditures and expenses of the nature in this section mentioned, and such expenses and fees as may be incurred in the protection of the Trust Estate and the maintenance of the lien and security interest of this Deed of Trust, including the fees of any attorney employed by Beneficiary in any litigation or proceeding affecting this Deed of Trust, the Mortgage Notes Indenture or any other Indenture Document, the Trust Estate or

S-25

any portion thereof, including, without limitation, civil, probate, appellate and bankruptcy proceedings, or in preparation for the commencement or defense of any proceeding or threatened suit or proceeding, shall be immediately due and payable by Trustor, with interest thereon at the rate applicable to overdue principal set forth in the Mortgage Notes Indenture, and shall be secured by this Deed of Trust. Trustee waives its right to any statutory fee in connection with any judicial or nonjudicial foreclosure of the lien hereof and agrees to accept a reasonable fee for such services.

4.19 Deficiency Judgments. If after foreclosure of this Deed of Trust or Trustee's sale hereunder, there shall remain any deficiency with respect to any Obligations, and Beneficiary shall institute any proceedings to recover such deficiency or deficiencies, all such amounts shall continue to bear interest at the rate applicable to overdue principal set forth in the Mortgage Notes Indenture. Trustor waives any defense to Beneficiary's recovery against Trustor of any deficiency after any foreclosure sale of the Trust Estate. Trustor expressly waives any defense or benefits that may be derived from any statute granting Trustor any defense to any such recovery by Beneficiary. In addition, Beneficiary and Trustee shall be entitled to recovery of all of their reasonable costs and expenditures (including without limitation any court imposed costs) in connection with such proceedings, including their reasonable attorneys' fees, appraisal fees and the other costs, fees and expenditures referred to in Section 4.18 above. This provision shall survive any foreclosure or sale of the Trust Estate, any portion thereof and/or the extinguishment of the lien hereof.

4.20 Waiver of Jury Trial. Beneficiary and Trustor each waive any right to have a jury participate in resolving any dispute whether sounding in contract, tort or otherwise arising out of, connected with, related to or incidental to the relationship established between them in connection with the Obligations. Any such disputes shall be resolved in a bench trial without a jury.

4.21 Exculpation of Beneficiary. The acceptance by Beneficiary of the assignment contained herein with all of the rights, powers, privileges and authority created hereby shall not, prior to entry upon and taking possession of the Trust Estate by Beneficiary, be deemed or construed to make Beneficiary a "mortgagee in possession"; nor thereafter or at any time or in any event obligate Beneficiary to appear in or defend any action or proceeding relating to the Space Leases, the Rents or the Trust Estate, or to take any action hereunder or to expend any money or incur any expenses or perform or discharge any obligation, duty or liability under any Space Lease or to assume any obligation or responsibility for any security deposits or other deposits except to the extent such deposits are actually received by Beneficiary, nor shall Beneficiary, prior to such entry and taking, be liable in any way for any injury or damage to person or property sustained by any Person in or about the Trust Estate.

**ARTICLE FIVE
RIGHTS AND RESPONSIBILITIES OF TRUSTEE;
OTHER PROVISIONS RELATING TO TRUSTEE**

Notwithstanding anything to the contrary in this Deed of Trust, Trustor and Beneficiary agree as follows.

5.1 Exercise of Remedies by Trustee. To the extent that this Deed of Trust or applicable law, including all applicable Nevada Gaming Laws, authorizes or empowers, or does not require approval for, Beneficiary to exercise any remedies set forth in Article Four hereof or otherwise, or perform any acts in connection therewith, Trustee (but not to the exclusion of Beneficiary unless so required under the law of the State of Nevada) shall have the power to exercise any or all

such remedies, and to perform any acts provided for in this Deed of Trust in connection therewith, all for the benefit of Beneficiary and on Beneficiary's behalf in accordance with applicable law of the State of Nevada. In connection therewith, Trustee: (a) shall not exercise, or waive the exercise of, any of Beneficiary's remedies (other than any rights of Trustee to any indemnity or reimbursement), except at Beneficiary's request, and (b) shall exercise, or waive the exercise of, any or all of Beneficiary's remedies at Beneficiary's request, and in accordance with Beneficiary's directions as to the manner of such exercise

S-26

or waiver. Trustee may, however, decline to follow Beneficiary's request or direction if Trustee shall be advised by counsel that the action or proceeding, or manner thereof, so directed may not lawfully be taken or waived.

5.2 Rights and Privileges of Trustee. To the extent that this Deed of Trust requires Trustor to indemnify Beneficiary or reimburse Beneficiary for any expenditures Beneficiary may incur, Trustee shall be entitled to the same indemnity and the same rights to reimbursement of expenses as Beneficiary, subject to such limitations and conditions as would apply in the case of Beneficiary. To the extent that this Deed of Trust negates or limits Beneficiary's liability as to any matter, Trustee shall be entitled to the same negation or limitation of liability. To the extent that Trustor, pursuant to this Deed of Trust, appoints Beneficiary as Trustor's attorney in fact for any purpose, Beneficiary or (when so instructed by Beneficiary) Trustee shall be entitled to act on Trustor's behalf without joinder or confirmation by the other.

5.3 Resignation or Replacement of Trustee. Trustee may resign by an instrument in writing addressed to Beneficiary, and Trustee may be removed at any time with or without cause (i.e., in Beneficiary's sole and absolute discretion) by an instrument in writing executed by Beneficiary. In case of the death, resignation, removal or disqualification of Trustee or if for any reason Beneficiary shall deem it desirable to appoint a substitute, successor or replacement Trustee to act instead of Trustee originally named (or in place of any substitute, successor or replacement Trustee), then Beneficiary shall have the right and is hereby authorized and empowered to appoint a successor, substitute or replacement Trustee, without any formality other than appointment and designation in writing executed by Beneficiary, which instrument shall be recorded in the Office of the Recorder of Clark County, Nevada. The law of the State of Nevada (including, without limitation, the Nevada Gaming Laws) shall govern the qualifications of any Trustee. The authority conferred upon Trustee by this Deed of Trust shall automatically extend to any and all other successor, substitute and replacement Trustee(s) successively until the obligations secured hereunder have been paid in full or the Trust Estate has been sold hereunder or released in accordance with the provisions of the Mortgage Notes Indenture and the other Indenture Documents. Beneficiary's written appointment and designation of any Trustee shall be full evidence of Beneficiary's right and authority to make the same and of all facts therein recited. No confirmation, authorization, approval or other action by Trustor shall be required in connection with any resignation or other replacement of Trustee.

5.4 Authority of Beneficiary. If Beneficiary is a banking corporation, state banking corporation or a national banking association and the instrument of appointment of any successor or replacement Trustee is executed on Beneficiary's behalf by an officer of such corporation, state banking corporation or national banking association, then such appointment shall be conclusively presumed to be executed with authority and shall be valid and sufficient without proof of any action by the board of directors or any superior officer of Beneficiary.

5.5 Effect of Appointment of Successor Trustee. Upon the appointment and designation of any successor, substitute or replacement Trustee, and subject to compliance with applicable Nevada Gaming Laws and other applicable laws, Trustee's entire estate and title in the Trust Estate shall vest in the designated successor, substitute or replacement Trustee. Such successor, substitute or replacement Trustee shall thereupon succeed to and shall hold, possess and execute all the rights, powers, privileges, immunities and duties herein conferred upon Trustee. All references herein to Trustee shall be deemed to refer to Trustee (including any successor or substitute appointed and designated as herein provided) from time to time acting hereunder.

5.6 Confirmation of Transfer and Succession. Upon the written request of Beneficiary or of any successor, substitute or replacement Trustee, any former Trustee ceasing to act shall execute and deliver an instrument transferring to such successor, substitute or replacement Trustee all of the right, title, estate and interest in the Trust Estate of Trustee so ceasing to act, together with all the rights, powers, privileges, immunities and duties herein conferred upon Trustee, and shall duly assign, transfer and

S-27

deliver all properties and moneys held by said Trustee hereunder to said successor, substitute or replacement Trustee.

5.7 Exculpation. Trustee shall not be liable for any error of judgment or act done by Trustee in good faith, or otherwise be responsible or accountable under any circumstances whatsoever, except for Trustee's gross negligence, willful misconduct or knowing violation of law. Trustee shall have the right to rely on any instrument, document or signature authorizing or supporting any action taken or proposed to be taken by it hereunder, believed by it in good faith to be genuine. All moneys received by Trustee shall, until used or applied as herein provided, be held in trust for the purposes for which they were received, but need not be segregated in any manner from any other moneys (except to the extent required by law). Trustee shall be under no liability for interest on any moneys received by it hereunder.

5.8 Endorsement and Execution of Documents. Upon Beneficiary's written request, Trustee shall, without liability or notice to Trustor, execute, consent to, or join in any instrument or agreement in connection with or necessary to effectuate the purposes of the Mortgage Notes Indenture and the other Indenture Documents. Trustor hereby irrevocably designates Trustee as its attorney in fact to execute, acknowledge and deliver, on Trustor's behalf and in Trustor's name, all instruments or agreements necessary to implement any provision(s) of this Deed of Trust or to further perfect the lien created by this Deed of Trust on the Trust Estate. This power of attorney shall be deemed to be coupled with an interest and shall survive any disability of Trustor.

5.9 Multiple Trustees. If Beneficiary appoints multiple trustees, then any Trustee, individually, may exercise all powers granted to Trustee under this instrument, without the need for action by any other Trustee(s).

5.10 Terms of Trustee's Acceptance. Trustee accepts the trust created by this Deed of Trust upon the following terms and conditions:

(a) **Delegation.** Trustee may exercise any of its powers through appointment of attorney(s) in fact or agents.

(b) **Counsel.** Trustee may select and employ legal counsel (including any law firm representing Beneficiary). Trustor shall reimburse all reasonable legal fees and expenses that Trustee may thereby incur.

(c) **Security.** Trustee shall be under no obligation to take any action upon any Event of Default unless furnished security or indemnity, in form satisfactory to Trustee, against costs, expenses, and liabilities that Trustee may incur.

(d) **Costs and Expenses.** Trustor shall reimburse Trustee, as part of the Obligations secured hereunder, for all reasonable disbursements and expenses (including reasonable legal fees and expenses) incurred by reason of and as provided for in this Deed of Trust, including any of the foregoing incurred in Trustee's administering and executing the trust created by this Deed of Trust, in complying with all applicable Nevada Gaming Laws and performing Trustee's duties and exercising Trustee's powers under this Deed of Trust.

(e) **Release.** Upon full and indefeasible payment and performance of the Obligations secured hereunder, Beneficiary shall request that Trustee release this Deed of Trust. Upon receipt of such request Trustee shall release this Deed of Trust to Trustor. Trustor shall pay all costs of recordation, if any.

6.1 **Heirs, Successors and Assigns Included in Parties.** Whenever one of the parties hereto is named or referred to herein, the heirs, successors and assigns of such party shall be included, and subject to the limitations set forth in Section 1.9, all covenants and agreements contained in this Deed of Trust, by or on behalf of Trustor or Beneficiary shall bind and inure to the benefit of its heirs, successors and assigns, whether so expressed or not.

6.2 **Addresses for Notices, Etc.** Any notice, report, demand or other instrument authorized or required to be given or furnished under this Deed of Trust to Trustor or Beneficiary shall be deemed given or furnished (i) when addressed to the party intended to receive the same, at the address of such party set forth below, and delivered by hand at such address or (ii) three (3) days after the same is deposited in the United States mail as first class certified mail, return receipt requested, postage paid, whether or not the same is actually received by such party:

6.3 **Change of Notice Address.** Any Person may change the address to which any such notice, report, demand or other instrument is to be delivered or mailed to that person, by furnishing written notice of such change to the other parties, but no such notice of change shall be effective unless and until received by such other parties.

6.4 **Headings.** The headings of the articles, sections, paragraphs and subdivisions of this Deed of Trust are for convenience of reference only, are not to be considered a part hereof, and shall not limit or expand or otherwise affect any of the terms hereof.

6.5 **Invalid Provisions to Affect No Others.** In the event that any of the covenants, agreements, terms or provisions contained herein or in the Notes, the Mortgage Notes Indenture or any other Indenture Document shall be invalid, illegal or unenforceable in any respect, the validity of the lien hereof and the remaining covenants, agreements, terms or provisions contained herein or in the Notes, the Mortgage Notes Indenture or any other Indenture Document shall be in no way affected, prejudiced or disturbed thereby. To the extent permitted by law, Trustor waives any provision of law which renders any provision hereof prohibited or unenforceable in any respect.

6.6 **Changes and Priority Over Intervening Liens.** Neither this Deed of Trust nor any term hereof may be changed, waived, discharged or terminated orally, or by any action or inaction, but only by an

S-29

instrument in writing signed by the party against which enforcement of the change, waiver, discharge or termination is sought. Any agreement hereafter made by Trustor and Beneficiary relating to this Deed of Trust shall be superior to the rights of the holder of any intervening lien or encumbrance.

6.7 Estoppel Certificates. Within ten (10) Business Days after Beneficiary's written request, Trustor shall from time to time execute a certificate, in recordable form (an "Estoppel Certificate"), stating, except to the extent it would be inaccurate to so state: (a) the current amount of the Obligations secured hereunder and all elements thereof, including principal, interest, and all other elements; (b) that Trustor has no defense, offset, claim, counterclaim, right of recoupment, deduction, or reduction against any of the Obligations secured hereunder; (c) that neither the Mortgage Notes Indenture, this Deed of Trust nor any other Indenture Documents to which it is a party have been amended, whether orally or in writing; (d) that Trustor has no claims against Beneficiary of any kind; (e) that any power of attorney granted to Beneficiary is in full force and effect; and (f) such other matters relating to this Deed of Trust, the Mortgage Notes Indenture or any other Indenture Document to which it is a party and the relationship of Trustor and Beneficiary as Beneficiary shall request. In addition, the Estoppel Certificate shall set forth the reasons why it would be inaccurate to make any of the foregoing assurances.

6.8 Waiver of Setoff and Counterclaim. All Obligations shall be payable without setoff, counterclaim or any deduction whatsoever. Trustor hereby waives the right to assert a counterclaim (other than a compulsory counterclaim) in any action or proceeding brought against it by Beneficiary and/or any Second Mortgage Note Holder under the Indenture Documents, or arising out of or in any way connected with this Deed of Trust or the other Indenture Documents or the Obligations.

6.9 Governing Law. The Mortgage Notes Indenture and the Notes provide that they are governed by, and construed and enforced in accordance with, the laws of the State of New York. This Deed of Trust shall also be construed under and governed by the laws of the State of New York; provided, however, that (i) the terms and provisions of this Deed of Trust pertaining to the priority, perfection, enforcement or realization by Beneficiary of its respective rights and remedies under this Deed of Trust with respect to the Trust Estate shall be governed and construed and enforced in accordance with the internal laws of the State of Nevada (the "State") without giving effect to the conflicts-of-law rules and principles of the State; (ii) Trustor agrees that to the extent deficiency judgments are available under the laws of the State after a foreclosure (judicial or nonjudicial) of the Trust Estate, or any portion thereof, or any other realization thereon by Beneficiary or any Second Mortgage Note Holder under the Indenture Documents, Beneficiary or such Second Mortgage Note Holder, as the case may be, shall have the right to seek such a deficiency judgment against Trustor in the State; and (iii) Trustor agrees that if Beneficiary or any Second Mortgage Note Holder under the Indenture Documents obtains a deficiency judgment in another state against Trustor, then Beneficiary or such Second Mortgage Note Holder, as the case may be, shall have the right to enforce such judgment in the State to the extent permitted under the laws of the State, as well as in other states.

6.10 Required Notices. Trustor shall notify Beneficiary promptly of the occurrence of any of the following and shall immediately provide Beneficiary a copy of the notice or documents referred to: (i) receipt of notice from any Governmental Authority relating to all or any material part of the Trust Estate if such notice relates to a default or act, omission or circumstance which would result in a default after notice or passage of time or both; (ii) receipt of any notice from any tenant leasing all or any material portion of the Trust Estate if such notice relates to a default or act, omission or circumstance which would result in a default after notice or passage of time or both; (iii) receipt of notice from the holder of any Permitted Lien relating to a default or act, omission or circumstance which would result in a default after notice or passage of time or both; (iv) the commencement of any proceedings or the entry of any judgment, decree or order materially affecting all or any portion of the Trust Estate or which involve the potential liability of Trustor or its Affiliates in an amount in excess of \$25,000,000 (other than for personal injury actions and related property damage suits which are

S-30

covered by such insurance); or (v) commencement of any judicial or administrative proceedings or the entry of any judgment, decree or order by or against or otherwise affecting Trustor or any Affiliate of Trustor, a material portion of the Trust Estate, or a material portion of the Personal Property, or any other action by any creditor or lessor thereof as a result of any default under the terms of any lease.

6.11 Reconveyance. Upon written request of Trustor when the Obligations secured hereby have been satisfied in full, Beneficiary shall cause Trustee to reconvey, without warranty, the property then held hereunder. The recitals in such reconveyance of any matters or facts shall be conclusive proof of the truthfulness thereof. The grantee in such reconveyance may be described as "the person or persons legally entitled thereto."

6.12 Attorneys' Fees. Without limiting any other provision contained herein, Trustor agrees to pay all costs of Beneficiary or Trustee incurred in connection with the enforcement of this Deed of Trust, the Mortgage Notes Indenture or the other Indenture Documents to which it is a party, including without limitation all reasonable attorneys' fees whether or not suit is commenced, and including, without limitation, fees incurred in connection with any probate, appellate, bankruptcy, deficiency or any other litigation proceedings, all of which sums shall be secured hereby.

6.13 Late Charges. By accepting payment of any sum secured hereby after its due date, Beneficiary does not waive its right to collect any late charge thereon or interest thereon at the interest rate on the Notes or as otherwise specified in the Mortgage Notes Indenture, if so provided, not then paid or its right either to require prompt payment when due of all other sums so secured or to declare default for failure to pay any amounts not so paid.

6.14 Cost of Accounting. Trustor shall pay to Beneficiary, for and on account of the preparation and rendition of any accounting, which Trustor may be entitled to require under any law or statute now or hereafter providing therefor, the reasonable costs thereof.

6.15 Right of Entry. Subject to compliance with applicable Nevada Gaming Laws, Beneficiary may at any reasonable time or times and on reasonable prior written notice to Trustor make or cause to be made entry upon and inspections of the Trust Estate or any part thereof in person or by agent.

6.16 Corrections. Trustor shall, upon request of Beneficiary or Trustee, promptly correct any defect, error or omission which may be discovered in the contents of this Deed of Trust (including, but not limited to, in the exhibits and schedules attached hereto) or in the execution or acknowledgement hereof, and shall execute, acknowledge and deliver such further instruments and do such further acts as may be necessary or as may be reasonably requested by Trustee to carry out more effectively the purposes of this Deed of Trust, to subject to the lien and security interest hereby created any of Trustor's properties, rights or interest covered or intended to be covered hereby, and to perfect and maintain such lien and security interest.

6.17 Statute of Limitations. To the fullest extent allowed by the law, the right to plead, use or assert any statute of limitations as a plea or defense or bar of any kind, or for any purpose, to any debt, demand or obligation secured or to be secured hereby, or to any complaint or other pleading or proceeding filed, instituted or maintained for the purpose of enforcing this Deed of Trust or any rights hereunder, is hereby waived by Trustor.

6.18 **Subrogation.** Should the proceeds of any Note or advance made by Beneficiary or any Second Mortgage Note Holder under the Mortgage Notes Indenture, repayment of which is hereby secured, or any part thereof, or any amount paid out or advanced by Beneficiary or any Second Mortgage Note Holder under the Mortgage Notes Indenture, be used directly or indirectly to pay off, discharge, or satisfy, in whole or in part, any prior or superior lien or encumbrance upon the Trust Estate, or any part thereof, then, as additional security hereunder, Trustee, on behalf of Beneficiary, shall be subrogated to any and all rights, superior titles, liens, and equities owned or claimed by any owner or holder of said outstanding liens, charges, and indebtedness, however remote, regardless of whether said

S-31

liens, charges, and indebtedness are acquired by assignment or have been released of record by the holder thereof upon payment.

6.19 **Joint and Several Liability.** All obligations of Trustor hereunder, if more than one, are joint and several. Recourse for deficiency after sale hereunder may be had against the property of Trustor, without, however, creating a present or other lien or charge thereon.

6.20 **Homestead.** Trustor hereby waives and renounces all homestead and exemption rights provided by the constitution and the laws of the United States and of any state, in and to the Trust Estate as against the collection of the Obligations, or any part hereof.

6.21 **Context.** In this Deed of Trust, whenever the context so requires, the neuter includes the masculine and feminine, and the singular including the plural, and vice versa.

6.22 **Time.** Time is of the essence of each and every term, covenant and condition hereof. Unless otherwise specified herein, any reference to "days" in this Deed of Trust shall be deemed to mean "calendar days."

6.23 **Interpretation.** As used in this Deed of Trust unless the context clearly requires otherwise: The terms "herein" or "hereunder" and similar terms without reference to a particular section shall refer to the entire Deed of Trust and not just to the section in which such terms appear; the term "lien" shall also mean a security interest, and the term "security interest" shall also mean a lien.

6.24 **Effect of NRS 107.030.** To the extent not inconsistent herewith, the provisions of NRS 107.030 (1), (2) (in amounts hereinabove provided for), (3), (4) (with interest at the default rate provided for under the Mortgage Notes Indenture), (5), (6), (7) (reasonable), (8) and (9) are included herein by reference and made part of this Deed of Trust.

6.25 **Amendments.** This Deed of Trust cannot be waived, changed, discharged or terminated orally, but only by an instrument in writing signed by the party against whom enforcement of any waiver, change, discharge or termination is sought and only as permitted by the provisions of the Mortgage Notes Indenture.

6.26 **No Conflicts.** In the event that any of the provisions contained here conflict with the Mortgage Notes Indenture, the provisions contained in the Mortgage Notes Indenture shall prevail.

ARTICLE SEVEN POWER OF ATTORNEY

7.1 **Grant of Power.** Subject to compliance with applicable Nevada Gaming Laws, Trustor irrevocably appoints Beneficiary and any successor thereto as its attorney-in-fact, with full power and authority, including the power of substitution, exercisable only during the continuance of an Event of Default to act for Trustor in its name, place and stead as hereinafter provided:

7.1.1 **Possession and Completion.** To take possession of the Site and the Project, remove all employees, contractors and Trustor therefrom, complete or attempt to complete the work of construction, and market, sell or lease the Site and the Project.

7.1.2 **Plans.** To make such additions, changes and corrections in the current Plans and Specifications as may be necessary, in Beneficiary's reasonable discretion, or as it deems proper to complete the Project.

7.1.3 **Employment of Others.** To employ such contractors, subcontractors, suppliers, architects, inspectors, consultants, property managers and other agents as Beneficiary, in its discretion, deems proper for the completion of the Project, for the protection or clearance of title to the Site or Personal Property, or for the protection of Beneficiary's interests with respect thereto.

S-32

7.1.4 **Security Guards.** To employ watchmen to protect the Site and the Project from injury.

7.1.5 **Compromise Claims.** To pay, settle or compromise all bills and claims then existing or thereafter arising against Trustor, which Beneficiary, in its discretion, deems proper for the protection or clearance of title to the Site or Personal Property, or for the protection of Beneficiary's interests with respect thereto.

7.1.6 **Legal Proceedings.** To prosecute and defend all actions and proceedings in connection with the Site or the Project.

7.2 **Other Acts.** To execute, acknowledge and deliver all other instruments and documents in the name of Trustor that are necessary or desirable, to exercise Trustor's rights under all contracts concerning the Site or the Project, including, without limitation, under any Space Leases, and to do all other acts with respect to the Site or the Project that Trustor might do on its own behalf, as Beneficiary, in its reasonable discretion, deems proper.

ARTICLE EIGHT GUARANTOR PROVISIONS

8.1 Absolute and Unconditional Obligations. All rights of Beneficiary and all obligations of Trustor hereunder shall be absolute and unconditional irrespective of (i) any lack of validity, legality or enforceability of the Mortgage Notes Indenture, any Note, or any other Indenture Document, (ii) the failure of any Second Mortgage Note Holder or any holder of any of the Obligations to assert any claim or demand or to enforce any right or remedy against the Issuers, Trustor or any other Person (including any other guarantor of the Obligations) under the provisions of the Mortgage Notes Indenture, any Note, any other Indenture Document or otherwise or to exercise any right or remedy against any other guarantor of, or collateral securing, any of the Obligations, (iii) any change in the time, manner or place of payment of, or in any other term of, all of the Obligations, or any other extension or renewal of any Obligation, (iv) any reduction, limitation, impairment or termination of any of the Obligations for any reason, including any claim of waiver, release, surrender, alteration or compromise, and shall not be subject to, and Trustor hereby waives any right to or claim of, any defense or setoff, counterclaim, recoupment, or termination whatsoever by reason of the invalidity, illegality, nongenuineness, irregularity, compromise, unenforceability of, or any other event or occurrence affecting, any Obligation, (v) any amendment to, rescission, waiver, or other modification of, or any consent to departure from, any of the terms of the Mortgage Notes Indenture, any Note or any other Indenture Document, (vi) any sale, exchange, release or surrender of, realization upon or other manner or order of dealing with any property by whomsoever pledged or mortgaged to secure or howsoever securing the Obligations or any liabilities or obligations (including any of those hereunder) incurred directly or indirectly in respect thereof or hereof and/or any offset there against, (vii) the application of any sums by whomsoever paid or howsoever realized to any obligations and liabilities of the Issuers or any other Person to the Second Mortgage Note Holders under the Indenture Documents in the manner provided therein regardless of what obligations and liabilities remain unpaid, (viii) any action or failure to act in any manner referred to in this Deed of Trust which may deprive Trustor of its right to subrogation against the Issuers or any other Person to recover full indemnity for any payments or performances made pursuant to this Deed of Trust or of its right of contribution against any other party and (ix) any other circumstance which might otherwise constitute a defense available to, or a legal or equitable discharge of, the Issuers, any other Person, Trustor, any surety or any guarantor.

8.2 Waiver. Trustor hereby waives and relinquishes all rights and remedies accorded by applicable law to sureties or guarantors and agrees not to assert or take advantage of any such rights or remedies, including (i) any right to require Beneficiary or any other Second Mortgage Note Holder to proceed against the Issuers or any other Person or to proceed against or exhaust any security held by Beneficiary or any other Second Mortgage Note Holder at any time or to pursue any other remedy in

S-33

Beneficiary's or any other Second Mortgage Note Holder's power before proceeding against Trustor, (ii) any defense that may arise by reason of the incapacity, lack of power or authority, death, dissolution, merger, termination or disability of the Issuers or any other Person or the failure of Beneficiary or any other Second Mortgage Note Holder to file or enforce a claim against the estate (in administration, bankruptcy or any other proceeding) of the Issuers or any other Person, (iii) demand, presentment, protest and notice of any kind except as provided herein, including notice of the existence, creation or incurring of any new or additional indebtedness or obligation or of any action or non-action on the part of the Issuers, Beneficiary, any other Second Mortgage Note Holder, any endorser or creditor of the Issuers, Trustor or on the part of any other Person under this or any other instrument in connection with any obligation or evidence of indebtedness held by Beneficiary or any other Second Mortgage Note Holder as collateral or in connection with any Obligation, (iv) any defense based upon an election of remedies by Beneficiary or any other Second Mortgage Note Holder, including an election to proceed by non-judicial rather than judicial foreclosure, which destroys or otherwise impairs the subrogation rights of Trustor, the right of Trustor to proceed against the Issuers or any other Person for reimbursement, or both, (v) any defense based on any offset against any amounts which may be owed by any Person to Trustor for any reason whatsoever, (vi) any defense based on any act, failure to act, delay or omission whatsoever on the part of the Issuers or any other Person of the failure by the Issuers or any other Person to do any act or thing or to observe or perform any covenant, condition or agreement to be observed or performed by it under the Indenture Documents, (vii) any defense based upon any statute or rule of law which provides that the obligation of a surety must be neither larger in amount nor in other respects more burdensome than that of the principal, provided, that, upon payment or performance in full of the Obligations, this Deed of Trust shall no longer be of any force or effect, (viii) any defense, setoff or counterclaim which may at any time be available to or asserted by the Issuers or any other Person against Beneficiary, any other Second Mortgage Note Holder or any other Person under the Indenture Documents, (ix) any duty on the part of Beneficiary or any other Second Mortgage Note Holder to disclose to Trustor any facts Beneficiary or any other Second Mortgage Note Holder may now or hereafter know about the Issuers or any other Person, regardless of whether Beneficiary or such Second Mortgage Note Holder have reason to believe that any such facts materially increase the risk beyond that which Trustor intends to assume, or have reason to believe that such facts are unknown to Trustor, or have a reasonable opportunity to communicate such facts to Trustor, since Trustor acknowledges that Trustor is fully responsible for being and keeping informed of the financial condition of the Issuers and any other Person liable for the Obligations and of all circumstances bearing on the risk of non-payment or non-performance of any obligations and liabilities hereby guaranteed, (x) the fact that Trustor may at any time in the future dispose of all or part of its direct or indirect interest in the Issuers or any other Person or otherwise cease to be an Affiliate of the Issuers or any other Person, as the case may be, (xi) any defense based on any change in the time, manner or place of any payment or performance under, or in any other term of, the Indenture Documents or any other amendment, renewal, extension, acceleration, compromise or waiver of or any consent or departure from the terms of the Indenture Documents, (xii) any defense arising because of Beneficiary's or any other Second Mortgage Note Holder's election, in any proceeding instituted under the Bankruptcy Code, of the application of Section 1111(b)(2) of the Bankruptcy Code, and (xiii) any defense based upon any borrowing or grant of a security interest under Section 364 of the Bankruptcy Code. To the fullest extent permitted by NRS 40.485 (1) and (2), the provisions of NRS 40.430 are waived.

8.3 Net Worth Limitation. If, notwithstanding the representation and warranty set forth in Section 1.2(b) hereof or anything to the contrary herein, enforcement of the liability of Trustor under this Deed of Trust for the full amount of the Obligations would be an unlawful or voidable transfer under any applicable fraudulent conveyance or fraudulent transfer law or any comparable law, then the liability of Trustor hereunder shall be reduced to the highest amount for which such liability may then be enforced without giving rise to an unlawful or voidable transfer under any such law.

ARTICLE ONE COVENANTS OF TRUSTOR

The Beneficiary and the Second Mortgage Note Holders have been induced to enter into the Indenture Documents and to purchase the Notes, as the case may be, on the basis of the following material covenants, all agreed to by Trustor:

1.1 Performance of Indenture Documents. Trustor shall perform, observe and comply with each and every provision hereof, and with each and every provision contained in the Mortgage Notes Indenture and the other Indenture Documents and shall promptly pay to the Beneficiary or the Disbursement Agent, as applicable, when payment shall become due, the principal with interest thereon and all other sums required to be paid by Trustor under this Deed of Trust, the Mortgage Notes Indenture and the other Indenture Documents.

1.2 General Representations, Covenants and Warranties. Trustor represents, covenants and warrants that: (a) Trustor has good and marketable title to an indefeasible fee estate in the Site, free and clear of all encumbrances except Permitted Encumbrances, and that it has the right to hold, occupy and enjoy its interest in the Trust Estate, and has good right, full power and lawful authority to subject the Trust Estate to the Lien of this Deed of Trust and pledge the same as provided herein and Beneficiary may at all times peaceably and quietly enter upon, hold, occupy and enjoy the entire Trust Estate in accordance with the terms hereof; (b) Trustor is not Insolvent and no bankruptcy or insolvency proceedings are pending or contemplated by or, to the best of Trustor's knowledge, threatened against Trustor; (c) all costs arising from construction of any Improvements, the performance of any labor and the purchase of all Tangible Collateral and Improvements have been or shall be paid when due (subject to the provisions of the Disbursement Agreement, the Mortgage Notes Indenture and this Deed of Trust); (d) the Land has direct access for ingress and egress to dedicated street(s); (e) Trustor shall at all times conduct and operate the Trust Estate in a manner so as not to lose, or permit its affiliate to lose, the right to conduct gaming activities at the Project; (f) no material part of the Trust Estate has been damaged, destroyed, condemned or abandoned, other than those portions of the Trust Estate that (i) have been the subject of condemnation proceedings that have resulted in the conveyance of such portion of the Trust Estate to the Trustor or (ii) have been demolished in furtherance of the development of the Project as contemplated under the Disbursement Agreement; (g) as of the date hereof, no part of the Trust Estate is the subject of condemnation proceedings and Trustor has no knowledge of any contemplated or pending condemnation proceeding with respect to any portion of the Trust Estate; and (h) Trustor acknowledges and agrees that it presently may use, and in the past may have used, one or more of the trade or fictitious names, "Le Reve", "Wynn Collection", "Wynn Resorts" and "Desert Inn" and in each case variations thereof (collectively, the "**Enumerated Names**") in connection with the operation of the business at the Trust Estate, and Trustor further represents and warrants that the Enumerated Names are the only such trade or fictitious names Trustor has so used. For all purposes under this Deed of Trust it shall be deemed that the term "Trustor" includes all trade or fictitious names that Valvino Lamore, LLC (or any successor or assign thereof) now or hereafter uses, or has in the past used, including, without limitation, the Enumerated Names, with the same force and effect as if this Deed of Trust had been executed in all such names (in addition to "Valvino Lamore, LLC").

1.3 Compliance with Legal Requirements. Except as provided in the Mortgage Notes Indenture, Trustor shall promptly, fully, and faithfully comply in all material respects with all Legal Requirements

and shall cause all portions of the Trust Estate and its use and occupancy to fully comply in all material respects with Legal Requirements at all times, whether or not such compliance requires work or remedial measures that are ordinary or extraordinary, foreseen or unforeseen, structural or nonstructural, or that interfere with the use or enjoyment of the Trust Estate.

1.4 Taxes. Except as otherwise permitted by the Mortgage Notes Indenture, (a) Trustor shall pay all Impositions as they become due and payable and shall deliver to Beneficiary promptly upon Beneficiary's request, evidence satisfactory to Beneficiary that the Impositions have been paid or are not delinquent; (b) Trustor shall not suffer to exist, permit or initiate the joint assessment of the real and personal property, or any other procedure whereby the lien of the real property taxes and the lien of the personal property taxes shall be assessed, levied or charged to the Land as a single lien, except as may be required by law; and (c) in the event of the passage of any law deducting from the value of real property for the purposes of taxation any lien thereon, or changing in any way the taxation of deeds of trust or obligations secured thereby for state or local purposes, or the manner of collecting such taxes and imposing a tax, either directly or indirectly, on this Deed of Trust or the other Indenture Documents to which Trustor is a party, Trustor shall pay all such taxes.

1.5 Insurance.

(a) Hazard Insurance Requirements and Proceeds.

(1) *Hazard Insurance.* Trustor shall at its sole expense obtain for, deliver to, assign and maintain for the benefit of Beneficiary, during the term of this Deed of Trust, insurance policies insuring the Trust Estate and liability insurance policies, all in accordance with the requirements of the Mortgage Notes Indenture. Trustor shall pay promptly when due any premiums on such insurance policies and on any renewals thereof. In the event of the foreclosure of this Deed of Trust or any other transfer of title to the Trust Estate in partial or complete extinguishment of the indebtedness and other sums secured hereby, all right, title and interest of Beneficiary in and to all insurance policies and renewals thereof then in force shall pass to the purchaser or grantee.

(2) *Handling of Proceeds.* All Proceeds from any insurance policies shall be collected, held, handled and disbursed in accordance with the provisions of the Mortgage Notes Indenture and the Disbursement Agreement (while in effect). All proceeds of insurance allocable to Trustor, as owner of the Site, and attributable to business interruption insurance shall be collected, held, handled and disbursed in accordance with the provisions of the Mortgage Notes Indenture and the Disbursement Agreement. Any such proceeds disbursed to Beneficiary shall be applied to pay amounts then due and payable under this Deed of Trust. The balance shall be retained by Beneficiary or its designee in an interest bearing or other investment account approved by Beneficiary, which account Trustor hereby pledges to Beneficiary to secure the Obligations. Disbursements shall be permitted from such account to pay expenses reasonably incurred by Trustor in owning and operating the Trust Estate, as reasonably approved by Beneficiary.

(b) **Compliance with Insurance Policies.** Trustor shall not violate or permit to be violated any of the conditions or provisions of any policy of insurance required by the Mortgage Notes Indenture or this Deed of Trust and Trustor shall so perform and satisfy the requirements of the companies writing such policies that, at all times, companies of good standing shall be willing to write and/or continue such insurance. Trustor further covenants to promptly send to Beneficiary all notices relating to any violation of such policies or otherwise affecting Trustor's insurance coverage or ability to obtain and maintain such insurance coverage.

1.6 Condemnation. Beneficiary is hereby authorized, at its option, to commence, appear in and prosecute in its own or Trustor's name any action or proceeding relating to any condemnation and to

settle or compromise any claim in connection therewith, and Trustor hereby appoints Beneficiary as its attorney-in-fact to take any action in Trustor's name pursuant to Beneficiary's rights hereunder. Immediately upon obtaining knowledge of the institution of any proceedings for the condemnation of the Trust Estate or any portion thereof, Trustor shall notify the Trustee and Beneficiary of the pendency of such proceedings. Trustor from time to time shall execute and deliver to Beneficiary all instruments requested by it to permit such participation; provided, however, that such instruments shall be deemed as supplemental to the foregoing grant of permission to Trustee and Beneficiary, and unless otherwise required, the foregoing permission shall, without more, be deemed sufficient to permit Trustee and/or Beneficiary to participate in such proceedings on behalf of Trustor. All such compensation awards, damages, claims, rights of action and Proceeds, and any other payments or relief, and the right thereto, are, whether paid to Beneficiary or Trustor or a third party trustee, included in the Trust Estate. Beneficiary, after deducting therefrom all its expenses, including reasonable attorneys fees, shall apply all Proceeds paid directly to it in accordance with the provisions of the Mortgage Notes Indenture. All Proceeds paid directly to the Trustor shall be applied, if received by Trustor prior to the Final Completion Date, in accordance with the Disbursement Agreement and, if received on or after the Final Completion Date, in accordance with the Mortgage Notes Indenture. To the extent that any condemnation proceeds are not required to be applied towards restoration of the improvements upon the Site, then Beneficiary shall have the right to apply said condemnation proceeds towards repayment of the Obligations. Trustor hereby waives any rights it may have under NRS 37.115, as amended or recodified from time to time.

1.7 Care of Trust Estate.

(a) Trustor shall preserve and maintain the Trust Estate in good condition and repair. Trustor shall not permit, commit or suffer to exist any waste, impairment or deterioration of the Trust Estate or of any part thereof that in any manner materially impairs Beneficiary's security hereunder and shall not take any action which will increase the risk of fire or other hazard to the Trust Estate or to any part thereof.

(b) Except for Permitted Dispositions, no material part of the Improvements or Tangible Collateral that are part of the Trust Estate shall be removed, demolished or materially altered, without the prior written consent of Beneficiary, which consent shall not be unreasonably withheld or delayed. Trustor shall have the right, without such consent, to remove and dispose of free from the lien of this Deed of Trust any part of the Improvements or Tangible Collateral that are part of the Trust Estate as from time to time may become worn out or obsolete or otherwise not useful in connection with the operation of the Trust Estate, provided that either (i) such removal or disposition does not materially affect the value of the Trust Estate or (ii) prior to or promptly following such removal, any such property shall be replaced with other property of substantially equal utility and of a value at least substantially equal to that of the replaced property when first acquired and free from any security interest of any other person (subject only to Permitted Liens), and by such removal and replacement Trustor shall be deemed to have subjected such replacement property to the lien of this Deed of Trust.

(c) Notwithstanding the foregoing provisions of this *Section 1.7*, the Trustor may develop the Project in the manner contemplated by the Disbursement Agreement, the Mortgage Notes Indenture and the other Indenture Documents.

1.8 *Leases.*

(a) Trustor represents, warrants and covenants that:

(i) except for the assignment effected hereby and in the other Financing Agreements, Trustor has not executed any assignment or pledge of any of the Space Leases, the Rents, or of Trustor's right, title and interest in the same; and

12

(ii) this Deed of Trust does not and will not constitute a violation or default under any Space Lease, and is and shall at all times constitute a valid lien on Trustor's interests in the Space Leases.

(b) Trustor shall not enter into any Space Lease or any modifications or amendments to any Space Lease, either orally or in writing, unless such Space Lease complies with the requirements of the Mortgage Notes Indenture and the Secured Mortgage Notes Security Documents.

(c) After an Event of Default, upon the request of Beneficiary Trustor shall deliver to Beneficiary executed copies of all Space Leases.

1.9 *Further Encumbrance.*

(a) Trustor covenants that at all times prior to the discharge of the Obligations, except for Permitted Liens and Permitted Dispositions, Trustor shall neither make nor suffer to exist, nor enter into any agreement for, any sale, assignment, exchange, mortgage, transfer, Lien, hypothecation or encumbrance of all or any part of the Trust Estate, including, without limitation, the Rents. As used herein, "transfer" includes the actual transfer or other disposition, whether voluntary or involuntary, by law, or otherwise, except those transfers specifically permitted herein, provided, however, that "transfer" shall not include the granting of utility or other beneficial easements with respect to the Trust Estate which have been or are granted by Trustor and are reasonably necessary to the construction, maintenance or operation of the Project.

(b) Any Permitted Lien consisting of the lien of a deed of trust which is junior to the lien of the Indenture Documents (a "Subordinate Deed of Trust") shall be permitted hereunder so long as there shall have been delivered to Beneficiary, not less than thirty (30) days prior to the date thereof, a copy thereof which shall contain express covenants in form and substance satisfactory to Beneficiary to the effect that: (i) the Subordinate Deed of Trust is in all respects subject and subordinate to this Deed of Trust; (ii) if any action or proceeding shall be brought to foreclose the Subordinate Deed of Trust (regardless of whether the same is a judicial proceeding or pursuant to a power of sale contained therein), no tenant of any portion of the Trust Estate shall be named as a party defendant nor shall any action be taken with respect to the Trust Estate which would terminate any occupancy or tenancy of the Trust Estate, or any portion thereof, without the consent of Beneficiary; (iii) any Rents, if collected through a receiver or by the holder of the Subordinate Deed of Trust, shall be applied first to the obligations secured by this Deed of Trust, including principal and interest due and owing on or to become due and owing on the Notes or the other Indenture Documents, and then to the payment of maintenance expenses, operating charges, taxes, assessments, and disbursements incurred in connection with the ownership, operation, and maintenance of the Trust Estate; and (iv) if any action or proceeding shall be brought to foreclose the Subordinate Deed of Trust, prompt notice of the commencement thereof shall be given to Beneficiary.

(c) Trustor agrees that in the event the ownership of the Trust Estate or any part thereof becomes vested in a person other than Trustor, Beneficiary may, without notice to Trustor, deal in any way with such successor or successors in interest with reference to this Deed of Trust, the Notes, the other Indenture Documents and other Obligations hereby secured without in any way vitiating or discharging Trustor's or any guarantor's, surety's or endorser's liability hereunder or upon the obligations hereby secured. No sale of the Trust Estate and no forbearance to any person with respect to this Deed of Trust and no extension to any person of the time for payment of the Obligations, and other sums hereby secured given by Beneficiary shall operate to release, discharge, modify, change or affect the original liability of Trustor, or such guarantor, surety or endorser either in whole or in part.

13

(d) If Trustor shall fail to make any payment required to be made by it under any FF&E Financing Agreement, except where Trustor is contesting such payment in good faith, then the Beneficiary shall be entitled to make such payment on Trustor's behalf and any and all sums so expended by the Beneficiary shall be secured by this Deed of Trust and shall be repaid by Trustor upon demand, together with interest thereon at the interest at the rate applicable to overdue principal set forth in the Mortgage Notes Indenture from the date of advance.

1.10 *Partial Releases of Trust Estate.*

(a) Trustor may from time to time make a Permitted Disposition including, but not limited to, (i) transferring a portion of the Trust Estate (including any temporary taking) to any person legally empowered to exercise the power of eminent domain, or pursuant to dedication agreements that are now in effect or entered into in the future in connection with the development of the Project, (ii) granting utility easements reasonably necessary or desirable for the construction and/or operation of the Project, which grant or transfer is for the benefit of the Trust Estate, or (iii) transferring all or a portion of the Trust Estate as permitted pursuant to the Disbursement Agreement or the other Indenture Documents. In each such case, Beneficiary shall execute and deliver any instruments necessary or appropriate to effectuate or confirm any such transfer or grant, free from the lien of this Deed of Trust, *provided, however*, that Beneficiary shall execute a lien release or subordination agreement, as appropriate, for matters described in clauses (i) and (iii) above only if:

(A) Such transfer, grant or release is not prohibited by the Mortgage Notes Indenture and all conditions precedent contained in the Mortgage Notes Indenture for such transfer, grant or release, if any, shall have been satisfied;

(B) Beneficiary and Trustee shall have received a counterpart of the instrument pursuant to which such transfer, grant or release is to be made, and each instrument which Beneficiary or Trustee is requested to execute in order to effectuate or confirm such transfer, grant or release; and

(b) Any consideration received for a transfer to any person empowered to exercise the right of eminent domain shall be subject to *Section 1.6* hereof.

1.11 **Further Assurances.**

(a) At its sole cost and without expense to Trustee or Beneficiary, and subject in all events to compliance with the Nevada Gaming Laws and other applicable Legal Requirements, Trustor shall do, execute, acknowledge and deliver any and all such further acts, deeds, conveyances, notices, requests for notices, financing statements, continuation statements, certificates, assignments, notices of assignments, agreements, instruments and further assurances, and shall mark any chattel paper, deliver any chattel paper or instruments to Beneficiary and take any other actions that are necessary, prudent, or reasonably requested by Beneficiary or Trustee to perfect or continue the perfection and first priority of Beneficiary's security interest in the Trust Estate, to protect the Trust Estate against the rights, claims, or interests of third persons other than holders of Permitted Liens or to effect the purposes of this Deed of Trust, including the security agreement and the absolute assignment of Rents contained herein, or for the filing, registering or recording thereof.

(b) Trustor shall forthwith upon the execution and delivery of this Deed of Trust, and thereafter from time to time, cause this Deed of Trust and each instrument of further assurance to be filed, indexed, registered, recorded, given or delivered in such manner and in such places as

14

may be required by any present or future law in order to publish notice of and fully to protect the lien hereof upon, and the title of Trustee and/or Beneficiary to, the Trust Estate.

1.12 Security Agreement and Financing Statements. Trustor (as debtor) hereby grants to Beneficiary (as creditor and secured party) a present and future security interest in all Tangible Collateral, Intangible Collateral, FF&E, Improvements, all other personal property now or hereafter owned or leased by Trustor or in which Trustor has or will have any interest, to the extent that such property constitutes a part of the Trust Estate (whether or not such items are stored on the premises or elsewhere), Proceeds of the foregoing comprising a portion of the Trust Estate and all products, substitutions, and accessions therefor and thereto, subject to Beneficiary's rights to treat such property as real property as herein provided (collectively, the "**Personal Property**"). Trustor shall execute and/or deliver any and all documents and writings, including without limitation financing statements pursuant to the UCC, as may be necessary or prudent to preserve and maintain the priority of the security interest granted hereby on property which may be deemed subject to the foregoing security agreement or as Beneficiary may reasonably request, and shall pay to Beneficiary on demand any reasonable expenses incurred by Beneficiary in connection with the preparation, execution and filing of any such documents. Trustor hereby authorizes and empowers Beneficiary to file, on Trustor's behalf, all financing statements and refiling and continuations thereof as advisable to create, preserve and protect said security interest. Trustor acknowledges and agrees that it is not authorized to, and will not, authenticate or file, or authorize the filing of, any financing statements or other record with respect to the Personal Property (including any amendments thereto, or continuation or termination statements thereof), except as permitted by the Indenture Documents. Trustor approves and ratifies any filing or recording of records made by or on behalf of Beneficiary in connection with the perfection of the security interest in favor of Beneficiary hereunder. This Deed of Trust constitutes both a real property deed of trust and a "security agreement," within the meaning of the UCC, and the Trust Estate includes both real and personal property and all other rights and interests, whether tangible or intangible in nature, of Trustor in the Trust Estate. Trustor by executing and delivering this Deed of Trust has granted to Beneficiary, as security of the Obligations, a security interest in the Trust Estate.

(a) **Fixture Filing.** Without in any way limiting the generality of the immediately preceding paragraph or of the definition of the Trust Estate, this Deed of Trust constitutes a fixture filing under Sections 9-334 and 9-502 of the UCC (NRS 104.9334 and 104.9502). For such purposes, (i) the "debtor" is Trustor and its address is the address given for it in the initial paragraph of this Deed of Trust; (ii) the "secured party" is Beneficiary, and its address for the purpose of obtaining information is the address given for it in the initial paragraph of this Deed of Trust; (iii) the real estate to which the fixtures are or are to become attached is Trustor's interest in the Site; and (iv) the record owner of such real estate is Trustor.

(b) **Remedies.** This Deed of Trust shall be deemed a security agreement as defined in the UCC and the remedies for any violation of the covenants, terms and conditions of the agreements herein contained shall include any or all of (i) those prescribed herein, and (ii) those available under applicable law, and (iii) those available under the UCC, all at Beneficiary's sole election. In addition, a photographic or other reproduction of this Deed of Trust shall be sufficient as a financing statement for filing wherever filing may be necessary to perfect or continue the security interest granted herein.

(c) **Derogation of Real Property.** It is the intention of the parties that the filing of a financing statement in the records normally having to do with personal property shall never be construed as in anyway derogating from or impairing the express declaration and intention of the parties hereto as hereinabove stated that everything used in connection with the production of income from the Trust Estate and/or adapted for use therein and/or which is described or reflected in this Deed of Trust is, and at all times and for all purposes and in all proceedings both legal or equitable, shall be regarded as part of the real property encumbered by this Deed of Trust irrespective of whether

15

(i) any such item is physically attached to the Improvements, (ii) serial numbers are used for the better identification of certain equipment items capable of being thus identified in a recital contained herein or in any list filed with Beneficiary, or (iii) any such item is referred to or reflected in any such financing statement so filed at any time. It is the intention of the parties that the mention in any such financing statement of (1) rights in or to the proceeds of any fire and/or hazard insurance policy, or (2) any award in eminent domain proceedings for a taking or for loss of value, or (3) Trustor's interest as lessors in any present or future Space Lease or rights to Rents, shall never be construed as in anyway altering any of the rights of Beneficiary as determined by this Deed of Trust or impugning the priority of Beneficiary's real property lien granted hereby or by any other recorded document, but such mention in the financing statement is declared to be for the protection of Beneficiary in the event any court or judge shall at any time hold with respect to the matters set forth in the foregoing clauses (1), (2) and (3) that notice of Beneficiary's priority of interest to be effective against a particular class of persons, including but not limited to, the federal government and any subdivisions or entity of the federal government, must be filed in the UCC records.

(d) **Priority; Permitted Financing of Tangible Collateral.** All Personal Property of any nature whatsoever which is subject to the provisions of this security agreement shall be purchased or obtained by Trustor in its name and free and clear of any lien or encumbrance, except for Permitted Liens and the

lien hereof, for use only in connection with the business and operation of the Project, and shall be and at all times remain free and clear of any lease or similar arrangement, chattel financing, installment sale agreement, security agreement and any encumbrance of like kind, so that Beneficiary's security interest shall attach to and vest in Trustor for the benefit of Beneficiary, with the priority herein specified, immediately upon the installation or use of the Personal Property at the Site and Trustor warrants and represents that Beneficiary's security interest in the Personal Property is a validly attached and binding security interest, properly perfected and prior to all other security interests therein except as otherwise permitted in this Deed of Trust. The foregoing shall not be construed as limiting Trustor's rights to transfer Personal Property pursuant to Permitted Dispositions or to obtain releases of Personal Property from the Lien of this Deed of Trust pursuant to Section 1.10 hereof.

(e) **Preservation of Contractual Rights of Collateral.** Trustor shall, prior to delinquency, default, or forfeiture, perform all obligations and satisfy all material conditions required on its part to be satisfied to preserve its rights and privileges under any contract, lease, license, permit, or other authorization (i) under which it holds any Tangible Collateral or (ii) which constitutes part of the Intangible Collateral, except where Trustor is contesting such obligations in good faith.

(f) **Removal of Collateral.** Except for damaged or obsolete Tangible Collateral which is either no longer usable or which is removed temporarily for repair or improvement or removed for replacement on the Trust Estate with Tangible Collateral of similar function or as otherwise permitted herein, none of the Tangible Collateral shall be removed from the Trust Estate without Beneficiary's prior written consent.

(g) **Change of Name.** Trustor shall not change its corporate (or other entity) or business name, or do business within the State of Nevada under any name other than such name, or any trade name(s) other than those as to which Trustor gives prior written notice to Beneficiary of its intent to use such trade names, or any other business names (if any) specified in the financing statements delivered to Beneficiary for filing in connection with the execution hereof, without, in each case, providing Beneficiary with the additional financing statement(s) and any other similar documents deemed reasonably necessary by Beneficiary to assure that its security interest remains perfected and of undiminished priority in all such Personal Property notwithstanding such name change.

1.13 Assignment of Leases and Rents. Subject to Nevada Gaming Laws and other applicable Legal Requirements, the assignment of Leases and Rents set out above in Granting Clause (G) shall constitute an absolute and present assignment to Beneficiary, subject to the license herein given to Trustor to collect the Rents, and shall be fully operative without any further action on the part of any party, and specifically Beneficiary shall be entitled upon the occurrence of an Event of Default hereunder to all Rents and to enter upon the Site and the Improvements to collect such Rents, provided, however, that Beneficiary shall not be obligated to take possession of the Trust Estate, or any portion thereof. The absolute assignment contained in Granting Clause (G) shall not be deemed to impose upon Beneficiary any of the obligations or duties of Trustor provided in any such Space Lease (including, without limitation, any liability under the covenant of quiet enjoyment contained in any lease in the event that any lessee shall have been joined as a party defendant in any action to foreclose this Deed of Trust and shall have been barred and foreclosed thereby of all right, title and interest and equity of redemption in the Trust Estate or any part thereof).

1.14 Expenses.

(a) Trustor shall pay when due and payable all out-of-pocket costs, including without limitation, those reasonable appraisal fees, recording fees, taxes, abstract fees, title policy fees, escrow fees, attorneys' and paralegal fees, travel expenses, fees for inspecting architect(s) and engineer(s) and all other costs and expenses of every character which may hereafter be incurred by Beneficiary or any assignee of Beneficiary in connection with the preparation and execution of the Mortgage Notes Indenture and the other Indenture Documents to which Trustor is a party or instruments, agreements or documents of further assurance, the funding of the indebtedness secured hereby, and the enforcement of the Mortgage Notes Indenture or any other Indenture Document to which Trustor is a party. Other than costs associated with the enforcement of any Indenture Document, all such costs shall be itemized in reasonable detail; and

(b) Trustor shall, upon demand by Beneficiary, reimburse Beneficiary or any assignee of Beneficiary for all such reasonable expenses which have been incurred or which shall be incurred by it; and

(c) Trustor shall indemnify Beneficiary with respect to any transaction or matter in any way connected with any portion of the Trust Estate, this Deed of Trust, including any occurrence at, in, on, upon or about the Trust Estate (including any personal injury, loss of life, or property damage), or Trustor's use, occupancy, or operation of the Trust Estate, or the filing or enforcement of any mechanic's lien, or otherwise caused in whole or in part by any act, omission or negligence occurring on or at the Trust Estate, including failure to comply with any Legal Requirement or with any requirement of this Deed of Trust that applies to Trustor, except to the extent resulting from the gross negligence, fraud or willful misconduct of Trustee or Beneficiary. If Beneficiary is a party to any litigation as to which either Trustor is required to indemnify Beneficiary (or is made a defendant in any action of any kind against Trustor or relating directly or indirectly to any portion of the Trust Estate) then, at Beneficiary's option, Trustor shall undertake Beneficiary's defense, using counsel reasonably satisfactory to Beneficiary (and any settlement shall be subject to Beneficiary's consent, which consent shall not be unreasonably withheld), and in any case shall indemnify Beneficiary against such litigation. Trustor shall pay all reasonable costs and expenses, including reasonable legal costs, that Beneficiary pays or incurs in connection with any such litigation. Any amount payable under any indemnity in this Deed of Trust shall be a demand obligation, shall be added to, and become a part of, the secured obligations under this Deed of Trust, shall be secured by this Deed of Trust and shall bear interest at the interest rate specified in the Mortgage Notes Indenture. Such indemnity shall survive any release of this Deed of Trust and any foreclosure.

1.15 Beneficiary's Cure of Trustor's Default. If Trustor defaults hereunder in the payment of any tax, assessment, lien, encumbrance or other Imposition, in its obligation to furnish insurance hereunder, or in the performance or observance of any other covenant, condition or term of this Deed of Trust or any other Financing Agreement or any FF&E Financing Agreement, Beneficiary may, but is not obligated to, to preserve its interest in the Trust Estate, perform or observe the same, and all payments made (whether such payments are regular or accelerated payments) and reasonable costs and expenses incurred or paid by Beneficiary in connection therewith shall become due and payable immediately. The amounts so incurred or paid by Beneficiary, together with interest thereon at the interest rate applicable to overdue principal set forth in the Mortgage Notes Indenture, from the date incurred until paid by Trustor, shall be added to the indebtedness and

secured by the lien of this Deed of Trust. Beneficiary, is hereby empowered to enter and to authorize others to enter upon the Site or any part thereof for the purpose of performing or observing any such defaulted covenant, condition or term, without thereby becoming liable to Trustor or any person in possession holding under Trustor. No exercise of any rights under this Section 1.15 by Beneficiary shall cure or waive any Event of Default or notice of default hereunder or invalidate any act done pursuant hereto or to any such notice, but shall be cumulative of all other rights and remedies.

1.16 **Use of Land.** Trustor covenants that the Trust Estate shall be used and operated in a manner consistent with the requirements of the Indenture Documents.

1.17 **Compliance with Permitted Lien Agreements.** Trustor shall comply with each and every material obligation contained in any agreement pertaining to a Permitted Lien.

1.18 **Defense of Actions.** Trustor shall appear in and defend any action or proceeding affecting or purporting to affect the security hereof or the rights or powers of Beneficiary or Trustee, and shall pay all costs and expenses, including cost of title search and insurance or other evidence of title, preparation of survey, and reasonable attorneys' fees in any such action or proceeding in which Beneficiary or Trustee may appear or may be joined as a party and in any suit brought by Beneficiary based upon or in connection with this Deed of Trust, the Mortgage Notes Indenture or any other Indenture Document to which Trustor is a party. Nothing contained in this section shall, however, limit the right of Beneficiary to appear in such action or proceeding with counsel of its own choice, either on its own behalf or on behalf of Trustor.

18

1.19 **Affiliates.**

(a) **Subject to Trust Deed.** Subject to compliance with the requirements of applicable Nevada Gaming Laws, Trustor shall cause all of its Affiliates in any way involved with the operation of the Trust Estate or the Project to observe the covenants and conditions of this Deed of Trust to the extent necessary to give the full intended effect to such covenants and conditions and to protect and preserve the security of Beneficiary hereunder.

(b) **Restriction on Use of Subsidiary or Affiliate.** Except as permitted under the Notes, the Mortgage Notes Indenture or the other Indenture Documents, Trustor shall not use any Affiliate in the operation of the Trust Estate or the Project if such use would in any way impair the security for the Obligations or circumvent any covenant or condition of this Deed of Trust, the Mortgage Notes Indenture or of any other Indenture Document.

1.20 **Title Insurance.** Promptly after the execution of this Deed of Trust, Trustor shall cause to be delivered to Trustee at Trustor's expense, one or more ALTA extended coverage Lender's Policies of Title Insurance showing fee title to the real property situated in the County of Clark, State of Nevada, more specifically described in Schedule A attached hereto, vested in Trustor and the lien of this Deed of Trust to be a perfected lien, prior to any and all encumbrances other than Permitted Encumbrances (excluding, however, any such non-Permitted Encumbrances for which the Title Insurer has agreed to provide an endorsement or affirmative coverage protecting the lien of this Deed of Trust against such non-Permitted Encumbrances).

**ARTICLE TWO
MORTGAGE NOTES INDENTURE PROVISIONS**

2.1 **Interaction with Mortgage Notes Indenture**

(a) **Incorporation by Reference.** All terms, covenants, conditions, provisions and requirements of the Mortgage Notes Indenture are incorporated by reference in this Deed of Trust.

(b) **Conflicts.** In the event of any conflict or inconsistency between the provisions of this Deed of Trust and those of the Mortgage Notes Indenture or the Disbursement Agreement, the provisions of the Mortgage Notes Indenture or the Disbursement Agreement, as applicable, shall govern.

2.2 **Other Collateral.** This Deed of Trust is one of a number of security agreements delivered by or on behalf of Trustor and other Persons pursuant to the Mortgage Notes Indenture and the other Indenture Documents and securing the Obligations secured hereunder. All potential junior Lien claimants are placed on notice that, under any of the Indenture Documents (including a separate future unrecorded agreement between Trustor and Beneficiary), other collateral for the Obligations secured hereunder (*i.e.*, collateral other than the Trust Estate) may, under certain circumstances, be released without a corresponding reduction in the total principal amount secured by this Deed of Trust. Such a release would decrease the amount of collateral securing the same indebtedness, thereby increasing the burden on the remaining Trust Estate created and continued by this Deed of Trust. No such release shall impair the priority of the lien of this Deed of Trust. By accepting its interest in the Trust Estate, each and every junior Lien claimant shall be deemed to have acknowledged the possibility of, and consented to, any such release. Nothing in this paragraph shall impose any obligation upon Beneficiary.

2.3 **Subordination to Bank Deed of Trust.** Notwithstanding any other provision hereof, this Deed of Trust, including, without limitation, the security interest granted herein, the rights, power and remedies of the Trustee and the Beneficiary and the obligations of Trustor set forth herein, shall, to the extent provided in the Project Lenders Intercreditor Agreement, be subject and subordinate to the Bank Phase II Deed of Trust.

19

**ARTICLE THREE
DEFAULTS**

3.1 **Event of Default.** The term "Event of Default," wherever used in this Deed of Trust, shall mean any of (i) one or more of the events of default listed in the Mortgage Notes Indenture (ii) so long as the Disbursement Agreement is in effect, one or more of the events of default listed in the Disbursement Agreement (whether any such event shall be voluntary or involuntary or come about or be effected by operation of law or pursuant to or in compliance with any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body) or (iii) if any "borrower" (as that term is defined in NRS 106.310) who may send a notice pursuant to NRS 106.380(1), (x) delivers, sends by mail or otherwise gives, or purports to deliver, send by mail or otherwise give, to a beneficiary under this Deeds of Trust (A) any notice of an election to terminate the operation of this Deed of Trust as security for any secured obligation, including, without limitation, any obligation to repay any "future advance" (as defined in NRS 106.320) of "principal" (as defined in NRS 106.345), or

(B) any other notice pursuant to NRS 106.380(1), (y) records a statement pursuant to NRS 106.380(3), or (z) causes this Deed of Trust, any secured obligation, or any Secured Party to be subject to NRS 106.380(2), 106.380(3) or 106.400.

ARTICLE FOUR REMEDIES

4.1 Acceleration of Maturity. If an Event of Default occurs, Beneficiary may (except that such acceleration shall be automatic if the Event of Default is caused by either Issuer's or Trustor's Bankruptcy), in accordance with the Indenture Documents, declare the Obligations to be due and payable immediately, and upon such declaration such principal and interest and other sums shall immediately become due and payable without demand, presentment, notice or other requirements of any kind (all of which Trustor waives) notwithstanding anything in this Deed of Trust or any Indenture Document or applicable law to the contrary.

4.2 Protective Advances. If either Issuer or Trustor fails to make any payment or perform any other obligation under the Notes, the Mortgage Notes Indenture or any other Financing Agreement, then without thereby limiting Beneficiary's other rights or remedies, waiving or releasing any of Trustor's obligations, or imposing any obligation on Beneficiary, Beneficiary may either advance any amount owing or perform any or all actions that Beneficiary considers necessary or appropriate to cure such default. All such advances shall constitute "Protective Advances" and shall bear interest thereon at the interest rate applicable to overdue principal set forth in the Mortgage Notes Indenture from the date incurred until paid by Trustor. No sums advanced or performance rendered by Beneficiary shall cure, or be deemed a waiver of any Event of Default.

4.3 Institution of Equity Proceedings. If an Event of Default occurs, Beneficiary may institute an action, suit or proceeding in equity for specific performance of this Deed of Trust, the Notes, the Mortgage Notes Indenture or any other Indenture Document, all of which shall be specifically enforceable by injunction or other equitable remedy. Trustor waives any defense based on laches or any applicable statute of limitations.

4.4 Beneficiary's Power of Enforcement.

(a) If an Event of Default occurs, Beneficiary shall be entitled, at its option and in its sole and absolute discretion, to prepare and record on its own behalf, or to deliver to Trustee for recording, if appropriate, written declaration of default and demand for sale and written Notice of Breach and Election to Sell (NRS 107.080(3)) (or other statutory notice) to cause the Trust Estate to be sold to satisfy the obligations hereof, and in the case of delivery to Trustee, Trustee shall cause said notice to be filed for record.

20

(b) After the lapse of such time as may then be required by law following the recordation of said Notice of Breach and Election to Sell, and notice of sale having been given as then required by law, including compliance with any applicable Nevada Gaming Laws, Trustee without demand on Trustor, shall sell the Trust Estate or any portion thereof at the time and place fixed by it in said notice, either as a whole or in separate parcels, and in such order as it may determine, at public auction to the highest bidder, of cash in lawful money of the United States payable at the time of sale. Trustee may, for any cause it deems expedient, postpone the sale of all or any portion of said property until it shall be completed and, in every case, notice of postponement shall be given by public announcement thereof at the time and place last appointed for the sale and from time to time thereafter Trustee may postpone such sale by public announcement at the time fixed by the preceding postponement. Trustee shall execute and deliver to the purchaser its Deed, Bill of Sale, or other instrument conveying said property so sold, but without any covenant or warranty, express or implied. The recitals in such instrument of conveyance of any matters or facts shall be conclusive proof of the truthfulness thereof. Any person, including Beneficiary, may bid at the sale.

(c) After deducting all costs, fees and expenses of Trustee and of this Deed of Trust, including, without limitation, costs of evidence of title and reasonable attorneys' fees and other legal expenses of Trustee or Beneficiary in connection with a sale, Trustee shall apply the proceeds of such sale to payment of all sums expended under the terms hereof not then repaid, with accrued interest at the rate applicable to overdue principal set forth in the Mortgage Notes Indenture to the payment of all other sums then secured hereby and the remainder, if any, to the person or persons legally entitled thereto as provided in NRS 40.462.

(d) Subject to compliance with applicable Nevada Gaming Laws, if any Event of Default occurs, Beneficiary may, either with or without entry or taking possession of the Trust Estate, and without regard to whether or not the indebtedness and other sums secured hereby shall be due and without prejudice to the right of Beneficiary thereafter to bring an action or proceeding to foreclose or any other action for any default existing at the time such earlier action was commenced, proceed by any appropriate action or proceeding: (1) to enforce payment of the Obligations, to the extent permitted by law, or the performance of any term hereof or any other right; (2) to foreclose this Deed of Trust in any manner provided by law for the foreclosure of mortgages or deeds of trust on real property and to sell, as an entirety or in separate lots or parcels, the Trust Estate or any portion thereof pursuant to the laws of the State of Nevada or under the judgment or decree of a court or courts of competent jurisdiction, and Beneficiary shall be entitled to recover in any such proceeding all costs and expenses incident thereto, including reasonable attorneys' fees in such amount as shall be awarded by the court; (3) to exercise any or all of the rights and remedies available to it under the Indenture Documents; and (4) to pursue any other remedy available to it. Beneficiary shall take action either by such proceedings or by the exercise of its powers with respect to entry or taking possession, or both, as Beneficiary may determine.

(e) The remedies described in this Section 4.4 may be exercised with respect to all or any portion of the Personal Property, either simultaneously with the sale of any real property encumbered hereby or independent thereof. Beneficiary shall at any time be permitted to proceed with respect to all or any portion of the Personal Property in any manner permitted by the UCC. Trustor agrees that Beneficiary's inclusion of all or any portion of the Personal Property (and all personal property that is subject to a security interest in favor, or for the benefit, of Beneficiary) in a sale or other remedy exercised with respect to the real property encumbered hereby, as permitted by the UCC, is a commercially reasonable disposition of such property.

21

4.5 Beneficiary's Right to Enter and Take Possession, Operate and Apply Income.

(a) Subject to compliance with applicable Nevada Gaming Laws, if an Event of Default occurs, (i) Trustor, upon demand of Beneficiary, shall forthwith surrender to Beneficiary the actual possession and, if and to the extent permitted by law, Beneficiary itself, or by such officers or agents as it

may appoint, may enter and take possession of all the Trust Estate including the Personal Property, without liability for trespass, damages or otherwise, and may exclude Trustor and its agents and employees wholly therefrom and may have joint access with Trustor to the books, papers and accounts of Trustor; and (ii) Trustor shall pay monthly in advance to Beneficiary on Beneficiary's entry into possession, or to any receiver appointed to collect the Rents, all Rents then due and payable.

(b) If Trustor shall for any reason fail to surrender or deliver the Trust Estate, the Personal Property or any part thereof after Beneficiary's demand, Beneficiary may obtain a judgment or decree conferring on Beneficiary or Trustee the right to immediate possession or requiring Trustor to deliver immediate possession of all or part of such property to Beneficiary or Trustee and Trustor hereby specifically consents to the entry of such judgment or decree. Trustor shall pay to Beneficiary or Trustee, upon demand, all reasonable costs and expenses of obtaining such judgment or decree and reasonable compensation to Beneficiary or Trustee, their attorneys and agents, and all such costs, expenses and compensation shall, until paid, be secured by the lien of this Deed of Trust.

(c) Subject to compliance with applicable Nevada Gaming Laws, upon every such entering upon or taking of possession, Beneficiary or Trustee may hold, store, use, operate, manage and control the Trust Estate and conduct the business thereof, and, from time to time in its sole and absolute discretion and without being under any duty to so act:

(1) make all necessary and proper maintenance, repairs, renewals, replacements, additions, betterments and improvements thereto and thereon and purchase or otherwise acquire additional fixtures, personalty and other property;

(2) insure or keep the Trust Estate insured;

(3) manage and operate the Trust Estate and exercise all the rights and powers of Trustor in their name or otherwise with respect to the same;

(4) enter into agreements with others to exercise the powers herein granted Beneficiary or Trustee, all as Beneficiary or Trustee from time to time may determine; and, subject to the absolute assignment of the Leases and Rents to Beneficiary, Beneficiary or Trustee may collect and receive all the Rents, including those past due as well as those accruing thereafter; and shall apply the monies so received by Beneficiary or Trustee in such priority as Beneficiary may determine to (1) the payment of interest and principal due and payable on the Notes or the other Indenture Documents, (2) the deposits for taxes and assessments and insurance premiums due, (3) the cost of insurance, taxes, assessments and other proper charges upon the Trust Estate or any part thereof; (4) the compensation, expenses and disbursements of the agents, attorneys and other representatives of Beneficiary or Trustee; and (5) any other charges or costs required to be paid by Trustor under the terms hereof; and

(5) rent or sublet the Trust Estate or any portion thereof for any purpose permitted by this Deed of Trust.

Beneficiary or Trustee shall surrender possession of the Trust Estate and the Personal Property to Trustor only when all that is due upon such interest and principal, tax and insurance deposits, and all amounts under any of the terms of the Mortgage Notes Indenture or this Deed of Trust, shall have

been paid and all defaults made good. The same right of taking possession, however, shall exist if any subsequent Event of Default shall occur and be continuing.

4.6 Leases. Beneficiary is authorized to foreclose this Deed of Trust subject to the rights of any tenants of the Trust Estate, and the failure to make any such tenants parties defendant to any such foreclosure proceedings and to foreclose their rights shall not be, nor be asserted by Trustor to be, a defense to any proceedings instituted by Beneficiary to collect the sums secured hereby or to collect any deficiency remaining unpaid after the foreclosure sale of the Trust Estate, or any portion thereof. Unless otherwise agreed by Beneficiary in writing, all Space Leases executed subsequent to the date hereof, or any part thereof, shall be subordinate and inferior to the lien of this Deed of Trust; provided, however that (i) in accordance with the terms of the Indenture Documents, Beneficiary may be required to execute a non-disturbance and attornment agreement in connection with certain Space Leases; and (ii) from time to time Beneficiary may execute and record among the land records of the jurisdiction where this Deed of Trust is recorded, subordination statements with respect to such of said Space Leases as Beneficiary may designate in its sole discretion, whereby the Space Leases so designated by Beneficiary shall be made superior to the lien of this Deed of Trust for the term set forth in such subordination statement. From and after the recordation of such subordination statements, and for the respective periods as may be set forth therein, the Space Leases therein referred to shall be superior to the lien of this Deed of Trust and shall not be affected by any foreclosure hereof. All such Space Leases shall contain a provision to the effect that the Trustor and Space Lessee recognize the right of Beneficiary to elect and to effect such subordination of this Deed of Trust and consents thereto.

4.7 Purchase by Beneficiary. Upon any foreclosure sale (whether judicial or nonjudicial), Beneficiary may bid for and purchase the property subject to such sale and, upon compliance with the terms of sale, may hold, retain and possess and dispose of such property in its own absolute right without further accountability.

4.8 Waiver of Appraisal, Valuation, Stay, Extension and Redemption Laws. Trustor agrees to the full extent permitted by law that if an Event of Default occurs, neither Trustor nor anyone claiming through or under it shall or will set up, claim or seek to take advantage of any appraisal, valuation, stay, extension or redemption laws now or hereafter in force, in order to prevent or hinder the enforcement or foreclosure of this Deed of Trust or the absolute sale of the Trust Estate or any portion thereof or the final and absolute putting into possession thereof, immediately after such sale, of the purchasers thereof, and Trustor for itself and all who may at any time claim through or under it, hereby waives, to the full extent that it may lawfully so do, the benefit of all such laws, and any and all right to have the assets comprising the Trust Estate marshalled upon any foreclosure of the lien hereof and agrees that Trustee or any court having jurisdiction to foreclose such lien may sell the Trust Estate in part or as an entirety.

4.9 Receiver. If an Event of Default occurs, Beneficiary, to the extent permitted by law and subject to compliance with all applicable Nevada Gaming Laws, and without regard to the value, adequacy or occupancy of the security for the indebtedness and other sums secured hereby, shall be entitled as a matter of right if it so elects to the appointment of a receiver to enter upon and take possession of the Trust Estate and to collect all Rents and apply the same as the court may direct, and such receiver may be appointed by any court of competent jurisdiction upon application by Beneficiary. Beneficiary may have a receiver appointed without notice to Trustor or any third party, and Beneficiary may waive any requirement that the receiver post a bond. Beneficiary shall have the power to designate and select the Person who shall serve as the receiver and to negotiate all terms and conditions under which such receiver shall serve. Any receiver appointed on Beneficiary's behalf may be an Affiliate of Beneficiary. The expenses, including receiver's fees, attorneys' fees, costs and agent's compensation, incurred pursuant to the powers herein contained shall be secured by this Deed of Trust. The right to enter and take possession of and to manage and operate the Trust Estate and to collect all Rents, whether by a

receiver or otherwise, shall be cumulative to any other right or remedy available to Beneficiary under this Deed of Trust, the Mortgage Notes Indenture or the other Indenture Documents or otherwise available to Beneficiary and may be exercised concurrently therewith or independently thereof. Beneficiary shall be liable to account only for such Rents (including, without limitation, security deposits) actually received by Beneficiary, whether received pursuant to this section or any other provision hereof. Notwithstanding the appointment of any receiver or other custodian, Beneficiary shall be entitled as pledgee to the possession and control of any cash, deposits, or instruments at the time held by, or payable or deliverable under the terms of this Deed of Trust to, Beneficiary.

4.10 Suits to Protect the Trust Estate. Beneficiary shall have the power and authority to institute and maintain any suits and proceedings as Beneficiary, in its sole and absolute discretion, may deem advisable (a) to prevent any impairment of the Trust Estate by any acts which may be unlawful or in violation of this Deed of Trust, (b) to preserve or protect its interest in the Trust Estate, or (c) to restrain the enforcement of or compliance with any legislation or other Legal Requirement that may be unconstitutional or otherwise invalid, if the enforcement of or compliance with such enactment, rule or order might impair the security hereunder or be prejudicial to Beneficiary's interest.

4.11 Proofs of Claim. In the case of any receivership, Insolvency, Bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceedings affecting Trustor, or, to the extent the same would result in an Event of Default hereunder, any Subsidiary, or any guarantor, co-maker or endorser of any of Trustor's obligations, its creditors or its property, Beneficiary, to the extent permitted by law, shall be entitled to file such proofs of claim or other documents as it may deem to be necessary or advisable in order to have its claims allowed in such proceedings for the entire amount due and payable by Trustor under the Indenture Documents, at the date of the institution of such proceedings, and for any additional amounts which may become due and payable by Trustor after such date.

4.12 Trustor to Pay the Obligations on Any Default in Payment; Application of Monies by Beneficiary.

(a) In case of a foreclosure sale of all or any part of the Trust Estate and of the application of the proceeds of sale to the payment of the sums secured hereby, Beneficiary shall be entitled to enforce payment from Trustor of any additional amounts then remaining due and unpaid with respect to the Obligations and to recover judgment against Trustor for any portion thereof remaining unpaid, with interest at the rate applicable to overdue principal as set forth in the Mortgage Notes Indenture.

(b) Trustor hereby agrees to the extent permitted by law, that no recovery of any judgment by Beneficiary or other action by Beneficiary and no attachment or levy of any execution upon any Property of Trustor by Beneficiary (other than a foreclosure of the entire Trust Estate hereunder) shall in any way affect the Lien and security interest of this Deed of Trust upon the Trust Estate or any part thereof or any Lien, rights, powers or remedies of Beneficiary hereunder, but such Lien, rights, powers and remedies shall continue unimpaired as before.

(c) Any monies collected or received by Beneficiary under this *Section 4.12* shall be first applied to the payment of reasonable compensation, expenses and disbursements of the agents, attorneys and other representatives of Beneficiary, and the balance remaining shall be applied to the Obligations.

(d) The provisions of this section shall not be deemed to limit or otherwise modify the provisions of any guaranty of the indebtedness evidenced by the Notes or the other Indenture Documents.

4.13 Delay or Omission; No Waiver. No delay or omission of Beneficiary or any Second Mortgage Note Holder to exercise any right, power or remedy upon any Event of Default shall exhaust or impair any such right, power or remedy or shall be construed to waive any such Event of Default or to

constitute acquiescence therein. Every right, power and remedy given to Beneficiary whether contained herein or in the other Indenture Documents or otherwise available to Beneficiary may be exercised from time to time and as often as may be deemed expedient by Beneficiary.

4.14 No Waiver of One Default to Affect Another. No waiver of any Event of Default hereunder shall extend to or affect any subsequent or any other Event of Default then existing, or impair any rights, powers or remedies consequent thereon. If Beneficiary or the required percentage of the Second Mortgage Note Holders (as determined pursuant to the Mortgage Notes Indenture), to the extent applicable under the Mortgage Notes Indenture, (a) grants forbearance or an extension of time for the payment of any sums secured hereby; (b) takes other or additional security for the payment thereof; (c) waives or does not exercise any right granted in the Notes, the Mortgage Notes Indenture, this Deed of Trust, the Disbursement Agreement or any other Indenture Document; (d) releases any part of the Trust Estate from the lien or security interest of this Deed of Trust or any other instrument securing the Obligations; (e) consents to the filing of any map, plat or replat of the Site (to the extent such consent is required); (f) consents to the granting of any easement on the Site (to the extent such consent is required); or (g) makes or consents to any agreement changing the terms of this Deed of Trust or any other Indenture Document subordinating the lien or any charge hereof, no such act or omission shall release, discharge, modify, change or affect the original liability of Trustor under the Mortgage Notes Indenture or any other Indenture Document or otherwise, or any subsequent purchaser of the Trust Estate or any part thereof or any maker, co-signer, surety or guarantor. No such act or omission shall preclude Beneficiary from exercising any right, power or privilege herein granted or intended to be granted in case of any Event of Default then existing or of any subsequent Event of Default, nor, except as otherwise expressly provided in an instrument or instruments executed by Beneficiary, shall the lien or security interest of this Deed of Trust be altered thereby, except to the extent expressly provided in any releases, maps, easements or subordinations described in clause (d), (e), (f) or (g) above of this Section 4.14. In the event of the sale or transfer by operation of law or otherwise of all or any part of the Trust Estate, Beneficiary, without notice to any person, firm or corporation, is hereby authorized and empowered to deal with any such vendee or transferee with reference to the Trust Estate or the indebtedness secured hereby, or with reference to any of the terms or conditions hereof, as fully and to the same extent as it might deal with the original parties hereto and without in any way releasing or discharging any of the liabilities or undertakings hereunder, or waiving its right to declare such sale or transfer an Event of Default as provided herein. Notwithstanding anything to the contrary contained in this Deed of Trust or any other Indenture Document, (i) in the case of any non-monetary Event of Default, Beneficiary may continue to accept payments secured hereunder without thereby waiving the existence of such or any other Event of Default and (ii) in the case of any monetary Event of Default, Beneficiary may accept partial payments of any sums secured hereunder without thereby waiving the existence of such Event of Default if the partial payment is not sufficient to completely cure such Event of Default.

4.15 Discontinuance of Proceedings; Position of Parties Restored. If Beneficiary shall have proceeded to enforce any right or remedy under this Deed of Trust by foreclosure, entry of judgment or otherwise and such proceedings shall have been discontinued or abandoned for any reason, or such proceedings shall

have resulted in a final determination adverse to Beneficiary, then and in every such case Trustor and Beneficiary shall be restored to their former positions and rights hereunder, and all rights, powers and remedies of Beneficiary shall continue as if no such proceedings had occurred or had been taken.

4.16 **Remedies Cumulative.** No right, power or remedy, including without limitation remedies with respect to any security for Obligations, conferred upon or reserved to Beneficiary by this Deed of Trust or any other Indenture Document is exclusive of any other right, power or remedy, but each and every such right, power and remedy shall be cumulative and concurrent and shall be in addition to any other right, power and remedy given hereunder or any other Indenture Document, now or hereafter existing

25

at law, in equity or by statute, and Beneficiary shall be entitled to resort to such rights, powers, remedies or security as Beneficiary shall in its sole and absolute discretion deem advisable.

4.17 **Interest After Event of Default.** If an Event of Default shall have occurred and is continuing, all sums outstanding and unpaid under the Obligations shall, at Beneficiary's option, bear interest at the rate applicable to overdue principal set forth in the Mortgage Notes Indenture until such Event of Default has been cured. Trustor's obligation to pay such interest shall be secured by this Deed of Trust.

4.18 **Foreclosure; Expenses of Litigation.** If Trustee forecloses, reasonable attorneys' fees for services in the supervision of said foreclosure proceeding shall be allowed to the Trustee and Beneficiary as part of the foreclosure costs. In the event of foreclosure of the lien hereof, there shall be allowed and included as additional indebtedness all reasonable expenditures and expenses which may be paid or incurred by or on behalf of Beneficiary for attorneys' fees, appraiser's fees, outlays for documentary and expert evidence, stenographers' charges, publication costs, and costs (which may be estimated as to items to be expended after foreclosure sale or entry of the decree) of procuring all such abstracts of title, title searches and examinations, title insurance policies and guarantees, and similar data and assurances with respect to title as Beneficiary may deem reasonably advisable either to prosecute such suit or to evidence to a bidder at any sale which may be had pursuant to such decree the true condition of the title to or the value of the Trust Estate or any portion thereof. All expenditures and expenses of the nature in this section mentioned, and such expenses and fees as may be incurred in the protection of the Trust Estate and the maintenance of the lien and security interest of this Deed of Trust, including the fees of any attorney employed by Beneficiary in any litigation or proceeding affecting this Deed of Trust, the Mortgage Notes Indenture or any other Indenture Document, the Trust Estate or any portion thereof, including, without limitation, civil, probate, appellate and bankruptcy proceedings, or in preparation for the commencement or defense of any proceeding or threatened suit or proceeding, shall be immediately due and payable by Trustor, with interest thereon at the rate applicable to overdue principal set forth in the Mortgage Notes Indenture, and shall be secured by this Deed of Trust. Trustee waives its right to any statutory fee in connection with any judicial or nonjudicial foreclosure of the lien hereof and agrees to accept a reasonable fee for such services.

4.19 **Deficiency Judgments.** If after foreclosure of this Deed of Trust or Trustee's sale hereunder, there shall remain any deficiency with respect to any Obligations, and Beneficiary shall institute any proceedings to recover such deficiency or deficiencies, all such amounts shall continue to bear interest at the rate applicable to overdue principal set forth in the Mortgage Notes Indenture. Trustor waives any defense to Beneficiary's recovery against Trustor of any deficiency after any foreclosure sale of the Trust Estate. Trustor expressly waives any defense or benefits that may be derived from any statute granting Trustor any defense to any such recovery by Beneficiary. In addition, Beneficiary and Trustee shall be entitled to recovery of all of their reasonable costs and expenditures (including without limitation any court imposed costs) in connection with such proceedings, including their reasonable attorneys' fees, appraisal fees and the other costs, fees and expenditures referred to in Section 4.18 above. This provision shall survive any foreclosure or sale of the Trust Estate, any portion thereof and/or the extinguishment of the lien hereof.

4.20 **Waiver of Jury Trial.** Beneficiary and Trustor each waive any right to have a jury participate in resolving any dispute whether sounding in contract, tort or otherwise arising out of, connected with, related to or incidental to the relationship established between them in connection with the Obligations. Any such disputes shall be resolved in a bench trial without a jury.

4.21 **Exculpation of Beneficiary.** The acceptance by Beneficiary of the assignment contained herein with all of the rights, powers, privileges and authority created hereby shall not, prior to entry upon and taking possession of the Trust Estate by Beneficiary, be deemed or construed to make Beneficiary a "mortgagee in possession"; nor thereafter or at any time or in any event obligate Beneficiary to appear in or defend any action or proceeding relating to the Space Leases, the Rents or the Trust Estate, or to

26

take any action hereunder or to expend any money or incur any expenses or perform or discharge any obligation, duty or liability under any Space Lease or to assume any obligation or responsibility for any security deposits or other deposits except to the extent such deposits are actually received by Beneficiary, nor shall Beneficiary, prior to such entry and taking, be liable in any way for any injury or damage to person or property sustained by any Person in or about the Trust Estate.

ARTICLE FIVE RIGHTS AND RESPONSIBILITIES OF TRUSTEE; OTHER PROVISIONS RELATING TO TRUSTEE

Notwithstanding anything to the contrary in this Deed of Trust, Trustor and Beneficiary agree as follows.

5.1 **Exercise of Remedies by Trustee.** To the extent that this Deed of Trust or applicable law, including all applicable Nevada Gaming Laws, authorizes or empowers, or does not require approval for, Beneficiary to exercise any remedies set forth in Article Four hereof or otherwise, or perform any acts in connection therewith, Trustee (but not to the exclusion of Beneficiary unless so required under the law of the State of Nevada) shall have the power to exercise any or all such remedies, and to perform any acts provided for in this Deed of Trust in connection therewith, all for the benefit of Beneficiary and on Beneficiary's behalf in accordance with applicable law of the State of Nevada. In connection therewith, Trustee: (a) shall not exercise, or waive the exercise of, any of Beneficiary's remedies (other than any rights of Trustee to any indemnity or reimbursement), except at Beneficiary's request, and (b) shall exercise, or waive the exercise of, any or all of Beneficiary's remedies at Beneficiary's request, and in accordance with Beneficiary's directions as to the manner of such exercise or waiver. Trustee

may, however, decline to follow Beneficiary's request or direction if Trustee shall be advised by counsel that the action or proceeding, or manner thereof, so directed may not lawfully be taken or waived.

5.2 Rights and Privileges of Trustee. To the extent that this Deed of Trust requires Trustor to indemnify Beneficiary or reimburse Beneficiary for any expenditures Beneficiary may incur, Trustee shall be entitled to the same indemnity and the same rights to reimbursement of expenses as Beneficiary, subject to such limitations and conditions as would apply in the case of Beneficiary. To the extent that this Deed of Trust negates or limits Beneficiary's liability as to any matter, Trustee shall be entitled to the same negation or limitation of liability. To the extent that Trustor, pursuant to this Deed of Trust, appoints Beneficiary as Trustor's attorney in fact for any purpose, Beneficiary or (when so instructed by Beneficiary) Trustee shall be entitled to act on Trustor's behalf without joinder or confirmation by the other.

5.3 Resignation or Replacement of Trustee. Trustee may resign by an instrument in writing addressed to Beneficiary, and Trustee may be removed at any time with or without cause (i.e., in Beneficiary's sole and absolute discretion) by an instrument in writing executed by Beneficiary. In case of the death, resignation, removal or disqualification of Trustee or if for any reason Beneficiary shall deem it desirable to appoint a substitute, successor or replacement Trustee to act instead of Trustee originally named (or in place of any substitute, successor or replacement Trustee), then Beneficiary shall have the right and is hereby authorized and empowered to appoint a successor, substitute or replacement Trustee, without any formality other than appointment and designation in writing executed by Beneficiary, which instrument shall be recorded in the Office of the Recorder of Clark County, Nevada. The law of the State of Nevada (including, without limitation, the Nevada Gaming Laws) shall govern the qualifications of any Trustee. The authority conferred upon Trustee by this Deed of Trust shall automatically extend to any and all other successor, substitute and replacement Trustee(s) successively until the obligations secured hereunder have been paid in full or the Trust Estate has been sold hereunder or released in accordance with the provisions of the Mortgage Notes Indenture and the other Indenture Documents. Beneficiary's written appointment and designation of any Trustee shall be

27

full evidence of Beneficiary's right and authority to make the same and of all facts therein recited. No confirmation, authorization, approval or other action by Trustor shall be required in connection with any resignation or other replacement of Trustee.

5.4 Authority of Beneficiary. If Beneficiary is a banking corporation, state banking corporation or a national banking association and the instrument of appointment of any successor or replacement Trustee is executed on Beneficiary's behalf by an officer of such corporation, state banking corporation or national banking association, then such appointment shall be conclusively presumed to be executed with authority and shall be valid and sufficient without proof of any action by the board of directors or any superior officer of Beneficiary.

5.5 Effect of Appointment of Successor Trustee. Upon the appointment and designation of any successor, substitute or replacement Trustee, and subject to compliance with applicable Nevada Gaming Laws and other applicable laws, Trustee's entire estate and title in the Trust Estate shall vest in the designated successor, substitute or replacement Trustee. Such successor, substitute or replacement Trustee shall thereupon succeed to and shall hold, possess and execute all the rights, powers, privileges, immunities and duties herein conferred upon Trustee. All references herein to Trustee shall be deemed to refer to Trustee (including any successor or substitute appointed and designated as herein provided) from time to time acting hereunder.

5.6 Confirmation of Transfer and Succession. Upon the written request of Beneficiary or of any successor, substitute or replacement Trustee, any former Trustee ceasing to act shall execute and deliver an instrument transferring to such successor, substitute or replacement Trustee all of the right, title, estate and interest in the Trust Estate of Trustee so ceasing to act, together with all the rights, powers, privileges, immunities and duties herein conferred upon Trustee, and shall duly assign, transfer and deliver all properties and moneys held by said Trustee hereunder to said successor, substitute or replacement Trustee.

5.7 Exculpation. Trustee shall not be liable for any error of judgment or act done by Trustee in good faith, or otherwise be responsible or accountable under any circumstances whatsoever, except for Trustee's gross negligence, willful misconduct or knowing violation of law. Trustee shall have the right to rely on any instrument, document or signature authorizing or supporting any action taken or proposed to be taken by it hereunder, believed by it in good faith to be genuine. All moneys received by Trustee shall, until used or applied as herein provided, be held in trust for the purposes for which they were received, but need not be segregated in any manner from any other moneys (except to the extent required by law). Trustee shall be under no liability for interest on any moneys received by it hereunder.

5.8 Endorsement and Execution of Documents. Upon Beneficiary's written request, Trustee shall, without liability or notice to Trustor, execute, consent to, or join in any instrument or agreement in connection with or necessary to effectuate the purposes of the Mortgage Notes Indenture and the other Indenture Documents. Trustor hereby irrevocably designates Trustee as its attorney in fact to execute, acknowledge and deliver, on Trustor's behalf and in Trustor's name, all instruments or agreements necessary to implement any provision(s) of this Deed of Trust or to further perfect the lien created by this Deed of Trust on the Trust Estate. This power of attorney shall be deemed to be coupled with an interest and shall survive any disability of Trustor.

5.9 Multiple Trustees. If Beneficiary appoints multiple trustees, then any Trustee, individually, may exercise all powers granted to Trustee under this instrument, without the need for action by any other Trustee(s).

5.10 Terms of Trustee's Acceptance. Trustee accepts the trust created by this Deed of Trust upon the following terms and conditions:

28

(a) **Delegation.** Trustee may exercise any of its powers through appointment of attorney(s) in fact or agents.

(b) **Counsel.** Trustee may select and employ legal counsel (including any law firm representing Beneficiary). Trustor shall reimburse all reasonable legal fees and expenses that Trustee may thereby incur.

(c) **Security.** Trustee shall be under no obligation to take any action upon any Event of Default unless furnished security or indemnity, in form satisfactory to Trustee, against costs, expenses, and liabilities that Trustee may incur.

(d) **Costs and Expenses.** Trustor shall reimburse Trustee, as part of the Obligations secured hereunder, for all reasonable disbursements and expenses (including reasonable legal fees and expenses) incurred by reason of and as provided for in this Deed of Trust, including any of the foregoing incurred in Trustee's administering and executing the trust created by this Deed of Trust, in complying with all applicable Nevada Gaming Laws and performing Trustee's duties and exercising Trustee's powers under this Deed of Trust.

(e) **Release.** Upon full and indefeasible payment and performance of the Obligations secured hereunder, Beneficiary shall request that Trustee release this Deed of Trust. Upon receipt of such request Trustee shall release this Deed of Trust to Trustor. Trustor shall pay all costs of recordation, if any.

6.4 **Headings.** The headings of the articles, sections, paragraphs and subdivisions of this Deed of Trust are for convenience of reference only, are not to be considered a part hereof, and shall not limit or expand or otherwise affect any of the terms hereof.

6.5 **Invalid Provisions to Affect No Others.** In the event that any of the covenants, agreements, terms or provisions contained herein or in the Notes, the Mortgage Notes Indenture or any other Indenture Document shall be invalid, illegal or unenforceable in any respect, the validity of the lien hereof and the remaining covenants, agreements, terms or provisions contained herein or in the Notes, the Mortgage Notes Indenture or any other Indenture Document shall be in no way affected, prejudiced or disturbed thereby. To the extent permitted by law, Trustor waives any provision of law which renders any provision hereof prohibited or unenforceable in any respect.

6.6 **Changes and Priority Over Intervening Liens.** Neither this Deed of Trust nor any term hereof may be changed, waived, discharged or terminated orally, or by any action or inaction, but only by an instrument in writing signed by the party against which enforcement of the change, waiver, discharge or termination is sought. Any agreement hereafter made by Trustor and Beneficiary relating to this Deed of Trust shall be superior to the rights of the holder of any intervening lien or encumbrance.

6.7 **Estoppel Certificates.** Within ten (10) Business Days after Beneficiary's written request, Trustor shall from time to time execute a certificate, in recordable form (an "Estoppel Certificate"), stating, except to the extent it would be inaccurate to so state: (a) the current amount of the Obligations secured hereunder and all elements thereof, including principal, interest, and all other elements; (b) that Trustor has no defense, offset, claim, counterclaim, right of recoupment, deduction, or reduction against any of the Obligations secured hereunder; (c) that neither the Mortgage Notes Indenture, this Deed of Trust nor any other Indenture Documents to which it is a party have been amended, whether orally or in writing; (d) that Trustor has no claims against Beneficiary of any kind; (e) that any power of attorney granted to Beneficiary is in full force and effect; and (f) such other matters relating to this Deed of Trust, the Mortgage Notes Indenture or any other Indenture Document to which it is a party and the relationship of Trustor and Beneficiary as Beneficiary shall request. In addition, the Estoppel Certificate shall set forth the reasons why it would be inaccurate to make any of the foregoing assurances.

6.8 Waiver of Setoff and Counterclaim. All Obligations shall be payable without setoff, counterclaim or any deduction whatsoever. Trustor hereby waives the right to assert a counterclaim (other than a compulsory counterclaim) in any action or proceeding brought against it by Beneficiary and/or any Second Mortgage Note Holder under the Indenture Documents, or arising out of or in any way connected with this Deed of Trust or the other Indenture Documents or the Obligations.

6.9 Governing Law. The Mortgage Notes Indenture and the Notes provide that they are governed by, and construed and enforced in accordance with, the laws of the State of New York. This Deed of Trust shall also be construed under and governed by the laws of the State of New York; provided, however, that (i) the terms and provisions of this Deed of Trust pertaining to the priority, perfection, enforcement or realization by Beneficiary of its respective rights and remedies under this Deed of Trust with respect to the Trust Estate shall be governed and construed and enforced in accordance with the

30

internal laws of the State of Nevada (the "State") without giving effect to the conflicts-of-law rules and principles of the State; (ii) Trustor agrees that to the extent deficiency judgments are available under the laws of the State after a foreclosure (judicial or nonjudicial) of the Trust Estate, or any portion thereof, or any other realization thereon by Beneficiary or any Second Mortgage Note Holder under the Indenture Documents, Beneficiary or such Second Mortgage Note Holder, as the case may be, shall have the right to seek such a deficiency judgment against Trustor in the State; and (iii) Trustor agrees that if Beneficiary or any Second Mortgage Note Holder under the Indenture Documents obtains a deficiency judgment in another state against Trustor, then Beneficiary or such Second Mortgage Note Holder, as the case may be, shall have the right to enforce such judgment in the State to the extent permitted under the laws of the State, as well as in other states.

6.10 Required Notices. Trustor shall notify Beneficiary promptly of the occurrence of any of the following and shall immediately provide Beneficiary a copy of the notice or documents referred to: (i) receipt of notice from any Governmental Authority relating to all or any material part of the Trust Estate if such notice relates to a default or act, omission or circumstance which would result in a default after notice or passage of time or both; (ii) receipt of any notice from any tenant leasing all or any material portion of the Trust Estate if such notice relates to a default or act, omission or circumstance which would result in a default after notice or passage of time or both; (iii) receipt of notice from the holder of any Permitted Lien relating to a default or act, omission or circumstance which would result in a default after notice or passage of time or both; (iv) the commencement of any proceedings or the entry of any judgment, decree or order materially affecting all or any portion of the Trust Estate or which involve the potential liability of Trustor or its Affiliates in an amount in excess of \$25,000,000 (other than for personal injury actions and related property damage suits which are covered by such insurance); or (v) commencement of any judicial or administrative proceedings or the entry of any judgment, decree or order by or against or otherwise affecting Trustor or any Affiliate of Trustor, a material portion of the Trust Estate, or a material portion of the Personal Property, or any other action by any creditor or lessor thereof as a result of any default under the terms of any lease.

The recitals in such reconveyance of any matters or facts shall be conclusive proof of the truthfulness thereof. The grantee in such reconveyance may be described as "the person or persons legally entitled thereto."

6.12 Attorneys' Fees. Without limiting any other provision contained herein, Trustor agrees to pay all costs of Beneficiary or Trustee incurred in connection with the enforcement of this Deed of Trust, the Mortgage Notes Indenture or the other Indenture Documents to which it is a party, including without limitation all reasonable attorneys' fees whether or not suit is commenced, and including, without limitation, fees incurred in connection with any probate, appellate, bankruptcy, deficiency or any other litigation proceedings, all of which sums shall be secured hereby.

6.13 Late Charges. accepting payment of any sum secured hereby after its due date, Beneficiary does not waive its right to collect any late charge thereon or interest thereon at the interest rate on the Notes or as otherwise specified in the Mortgage Notes Indenture, if so provided, not then paid or its right either to require prompt payment when due of all other sums so secured or to declare default for failure to pay any amounts not so paid.

6.14 Cost of Accounting. Trustor shall pay to Beneficiary, for and on account of the preparation and rendition of any accounting, which Trustor may be entitled to require under any law or statute now or hereafter providing therefor, the reasonable costs thereof.

6.15 Right of Entry. Subject to compliance with applicable Nevada Gaming Laws, Beneficiary may at any reasonable time or times and on reasonable prior written notice to Trustor make or cause to be made entry upon and inspections of the Trust Estate or any part thereof in person or by agent.

31

6.16 Corrections. Trustor shall, upon request of Beneficiary or Trustee, promptly correct any defect, error or omission which may be discovered in the contents of this Deed of Trust (including, but not limited to, in the exhibits and schedules attached hereto) or in the execution or acknowledgement hereof, and shall execute, acknowledge and deliver such further instruments and do such further acts as may be necessary or as may be reasonably requested by Trustee to carry out more effectively the purposes of this Deed of Trust, to subject to the lien and security interest hereby created any of Trustor's properties, rights or interest covered or intended to be covered hereby, and to perfect and maintain such lien and security interest.

6.17 Statute of Limitations. To the fullest extent allowed by the law, the right to plead, use or assert any statute of limitations as a plea or defense or bar of any kind, or for any purpose, to any debt, demand or obligation secured or to be secured hereby, or to any complaint or other pleading or proceeding filed, instituted or maintained for the purpose of enforcing this Deed of Trust or any rights hereunder, is hereby waived by Trustor.

6.18 Subrogation. Should the proceeds of any Note or advance made by Beneficiary or any Second Mortgage Note Holder under the Mortgage Notes Indenture, repayment of which is hereby secured, or any part thereof, or any amount paid out or advanced by Beneficiary or any Second Mortgage Note Holder under the Mortgage Notes Indenture, be used directly or indirectly to pay off, discharge, or satisfy, in whole or in part, any prior or superior lien or encumbrance upon the Trust Estate, or any part thereof, then, as additional security hereunder, Trustee, on behalf of Beneficiary, shall be subrogated to any and all rights, superior titles, liens, and equities owned or claimed by any owner or holder of said outstanding liens, charges, and indebtedness, however remote, regardless of whether said liens, charges, and indebtedness are acquired by assignment or have been released of record by the holder thereof upon payment.

6.19 Joint and Several Liability. All obligations of Trustor hereunder, if more than one, are joint and several. Recourse for deficiency after sale hereunder may be had against the property of Trustor, without, however, creating a present or other lien or charge thereon.

6.20 **Homestead.** Trustor hereby waives and renounces all homestead and exemption rights provided by the constitution and the laws of the United States and of any state, in and to the Trust Estate as against the collection of the Obligations, or any part hereof.

6.21 **Context.** In this Deed of Trust, whenever the context so requires, the neuter includes the masculine and feminine, and the singular including the plural, and vice versa.

6.22 **Time.** Time is of the essence of each and every term, covenant and condition hereof. Unless otherwise specified herein, any reference to "days" in this Deed of Trust shall be deemed to mean "calendar days."

6.23 **Interpretation.** As used in this Deed of Trust unless the context clearly requires otherwise: The terms "herein" or "hereunder" and similar terms without reference to a particular section shall refer to the entire Deed of Trust and not just to the section in which such terms appear; the term "lien" shall also mean a security interest, and the term "security interest" shall also mean a lien.

6.24 **Effect of NRS 107.030.** To the extent not inconsistent herewith, the provisions of NRS 107.030 (1), (2) (in amounts as hereinabove provided for), (3), (4) (with interest at the default rate provided for under the Mortgage Notes Indenture), (5), (6), (7) (reasonable), (8) and (9) are included herein by reference and made part of this Deed of Trust.

6.25 **Amendments.** This Deed of Trust cannot be waived, changed, discharged or terminated orally, but only by an instrument in writing signed by the party against whom enforcement of any waiver, change, discharge or termination is sought and only as permitted by the provisions of the Mortgage Notes Indenture.

32

6.26 **No Conflicts.** In the event that any of the provisions contained here conflict with the Mortgage Notes Indenture, the provisions contained in the Mortgage Notes Indenture shall prevail.

ARTICLE SEVEN POWER OF ATTORNEY

7.1 **Grant of Power.** Subject to compliance with applicable Nevada Gaming Laws, Trustor irrevocably appoints Beneficiary and any successor thereto as its attorney-in-fact, with full power and authority, including the power of substitution, exercisable only during the continuance of an Event of Default to act for Trustor in its name, place and stead as hereinafter provided:

7.1.3 **Employment of Others.** To employ such contractors, subcontractors, suppliers, architects, inspectors, consultants, property managers and other agents as Beneficiary, in its discretion, deems proper for the completion of the Project, for the protection or clearance of title to the Site or Personal Property, or for the protection of Beneficiary's interests with respect thereto.

7.1.4 **Security Guards.** To employ watchmen to protect the Site and the Project from injury.

7.1.5 **Compromise Claims.** To pay, settle or compromise all bills and claims then existing or thereafter arising against Trustor, which Beneficiary, in its discretion, deems proper for the protection or clearance of title to the Site or Personal Property, or for the protection of Beneficiary's interests with respect thereto.

7.1.6 **Legal Proceedings.** To prosecute and defend all actions and proceedings in connection with the Site or the Project.

7.2 **Other Acts.** To execute, acknowledge and deliver all other instruments and documents in the name of Trustor that are necessary or desirable, to exercise Trustor's rights under all contracts concerning the Site or the Project, including, without limitation, under any Space Leases, and to do all other acts with respect to the Site or the Project that Trustor might do on its own behalf, as Beneficiary, in its reasonable discretion, deems proper.

ARTICLE EIGHT GUARANTOR PROVISIONS

8.1 **Absolute and Unconditional Obligations.** All rights of Beneficiary and all obligations of Trustor hereunder shall be absolute and unconditional irrespective of (i) any lack of validity, legality or enforceability of the Mortgage Notes Indenture, any Note, or any other Indenture Document, (ii) the failure of any Second Mortgage Note Holder or any holder of any of the Obligations to assert any claim or demand or to enforce any right or remedy against the Issuers, Trustor or any other Person (including any other guarantor of the Obligations) under the provisions of the Mortgage Notes Indenture, any Note, any other Indenture Document or otherwise or to exercise any right or remedy against any other guarantor of, or collateral securing, any of the Obligations, (iii) any change in the time, manner or place of payment of, or in any other term of, all of the Obligations, or any other extension or renewal of any Obligation, (iv) any reduction, limitation, impairment or termination of any of the Obligations for any reason, including any claim of waiver, release, surrender, alteration or compromise, and shall not be subject to, and Trustor hereby waives any right to or claim of, any

33

defense or setoff, counterclaim, recoupment, or termination whatsoever by reason of the invalidity, illegality, nongenuineness, irregularity, compromise, unenforceability of, or any other event or occurrence affecting, any Obligation, (v) any amendment to, rescission, waiver, or other modification of, or any consent

to departure from, any of the terms of the Mortgage Notes Indenture, any Note or any other Indenture Document, (vi) any sale, exchange, release or surrender of, realization upon or other manner or order of dealing with any property by whomsoever pledged or mortgaged to secure or howsoever securing the Obligations or any liabilities or obligations (including any of those hereunder) incurred directly or indirectly in respect thereof or hereof and/or any offset there against, (vii) the application of any sums by whomsoever paid or howsoever realized to any obligations and liabilities of the Issuers or any other Person to the Second Mortgage Note Holders under the Indenture Documents in the manner provided therein regardless of what obligations and liabilities remain unpaid, (viii) any action or failure to act in any manner referred to in this Deed of Trust which may deprive Trustor of its right to subrogation against the Issuers or any other Person to recover full indemnity for any payments or performances made pursuant to this Deed of Trust or of its right of contribution against any other party and (ix) any other circumstance which might otherwise constitute a defense available to, or a legal or equitable discharge of, the Issuers, any other Person, Trustor, any surety or any guarantor.

8.2 **Waiver.** Trustor hereby waives and relinquishes all rights and remedies accorded by applicable law to sureties or guarantors and agrees not to assert or take advantage of any such rights or remedies, including (i) any right to require Beneficiary or any other Second Mortgage Note Holder to proceed against the Issuers or any other Person or to proceed against or exhaust any security held by Beneficiary or any other Second Mortgage Note Holder at any time or to pursue any other remedy in Beneficiary's or any other Second Mortgage Note Holder's power before proceeding against Trustor, (ii) any defense that may arise by reason of the incapacity, lack of power or authority, death, dissolution, merger, termination or disability of the Issuers or any other Person or the failure of Beneficiary or any other Second Mortgage Note Holder to file or enforce a claim against the estate (in administration, bankruptcy or any other proceeding) of the Issuers or any other Person, (iii) demand, presentment, protest and notice of any kind except as provided herein, including notice of the existence, creation or incurring of any new or additional indebtedness or obligation or of any action or non-action on the part of the Issuers, Beneficiary, any other Second Mortgage Note Holder, any endorser or creditor of the Issuers, Trustor or on the part of any other Person under this or any other instrument in connection with any obligation or evidence of indebtedness held by Beneficiary or any other Second Mortgage Note Holder as collateral or in connection with any Obligation, (iv) any defense based upon an election of remedies by Beneficiary or any other Second Mortgage Note Holder, including an election to proceed by non-judicial rather than judicial foreclosure, which destroys or otherwise impairs the subrogation rights of Trustor, the right of Trustor to proceed against the Issuers or any other Person for reimbursement, or both, (v) any defense based on any offset against any amounts which may be owed by any Person to Trustor for any reason whatsoever, (vi) any defense based on any act, failure to act, delay or omission whatsoever on the part of the Issuers or any other Person of the failure by the Issuers or any other Person to do any act or thing or to observe or perform any covenant, condition or agreement to be observed or performed by it under the Indenture Documents, (vii) any defense based upon any statute or rule of law which provides that the obligation of a surety must be neither larger in amount nor in other respects more burdensome than that of the principal, provided, that, upon payment or performance in full of the Obligations, this Deed of Trust shall no longer be of any force or effect, (viii) any defense, setoff or counterclaim which may at any time be available to or asserted by the Issuers or any other Person against Beneficiary, any other Second Mortgage Note Holder or any other Person under the Indenture Documents, (ix) any duty on the part of Beneficiary or any other Second Mortgage Note Holder to disclose to Trustor any facts Beneficiary or any other Second Mortgage Note Holder may now or hereafter know about the Issuers or any other Person, regardless of whether Beneficiary or such Second Mortgage Note Holder have reason to believe that any such facts materially increase the risk beyond that which Trustor intends to

34

assume, or have reason to believe that such facts are unknown to Trustor, or have a reasonable opportunity to communicate such facts to Trustor, since Trustor acknowledges that Trustor is fully responsible for being and keeping informed of the financial condition of the Issuers and any other Person liable for the Obligations and of all circumstances bearing on the risk of non-payment or non-performance of any obligations and liabilities hereby guaranteed, (x) the fact that Trustor may at any time in the future dispose of all or part of its direct or indirect interest in the Issuers or any other Person or otherwise cease to be an Affiliate of the Issuers or any other Person, as the case may be, (xi) any defense based on any change in the time, manner or place of any payment or performance under, or in any other term of, the Indenture Documents or any other amendment, renewal, extension, acceleration, compromise or waiver of or any consent or departure from the terms of the Indenture Documents, (xii) any defense arising because of Beneficiary's or any other Second Mortgage Note Holder's election, in any proceeding instituted under the Bankruptcy Code, of the application of Section 1111(b)(2) of the Bankruptcy Code, and (xiii) any defense based upon any borrowing or grant of a security interest under Section 364 of the Bankruptcy Code. To the fullest extent permitted by NRS 40.485 (1) and (2), the provisions of NRS 40.430 are waived.

Trustor agrees that any greater title to the Trust Estate hereafter acquired by Trustor during the term hereof shall be automatically subject hereto.

ARTICLE ONE COVENANTS OF TRUSTOR

The Beneficiary and the Second Mortgage Note Holders have been induced to enter into the Indenture Documents and to purchase the Notes, as the case may be, on the basis of the following material covenants, all agreed to by Trustor:

1.1 Performance of Indenture Documents. Trustor shall perform, observe and comply with each and every provision hereof, and with each and every provision contained in the Mortgage Notes Indenture and the other Indenture Documents and shall promptly pay to the Beneficiary or the Disbursement Agent, as applicable, when payment shall become due, the principal with interest thereon and all other sums required to be paid by Trustor under this Deed of Trust, the Mortgage Notes Indenture and the other Indenture Documents.

1.2 General Representations, Covenants and Warranties. Trustor represents, covenants and warrants that: (a) Trustor has good and marketable title to an indefeasible fee estate in the Site, free and clear of all encumbrances except Permitted Encumbrances, and that it has the right to hold, occupy and enjoy its interest in the Trust Estate, and has good right, full power and lawful authority to subject the Trust Estate to the Lien of this Deed of Trust and pledge the same as provided herein and Beneficiary may at all times peaceably and quietly enter upon, hold, occupy and enjoy the entire Trust Estate in accordance with the terms hereof; (b) Trustor is not Insolvent and no bankruptcy or insolvency proceedings are pending or contemplated by or, to the best of Trustor's knowledge, threatened against Trustor; (c) all costs arising from construction of any Improvements, the performance of any labor and the purchase of all Tangible Collateral and Improvements have been or shall be paid when due (subject to the provisions of the Disbursement Agreement, the Mortgage Notes Indenture and this Deed of Trust); (d) the Land has direct access for ingress and egress to dedicated street(s); (e) Trustor shall at all times conduct and operate the Trust Estate in a manner so as not to lose, or permit its affiliate to lose, the right to conduct gaming activities at the Project; (f) no material part of the Trust Estate has been damaged, destroyed, condemned or abandoned, other than those portions of the Trust Estate that (i) have been the subject of condemnation proceedings that have resulted in the conveyance of such portion of the Trust Estate to the Trustor or (ii) have been demolished in furtherance of the development of the Project as contemplated under the Disbursement Agreement; (g) as of the date hereof, no part of the Trust Estate is the subject of condemnation proceedings and Trustor has no knowledge of any contemplated or pending condemnation proceeding with respect to any portion of the Trust Estate; and (h) Trustor acknowledges and agrees that it presently may use, and in the past may have used, one or more of the trade or fictitious names, "Le Reve", "Wynn Collection", "Wynn Resorts" and "Desert Inn" and in each case variations thereof (collectively, the "**Enumerated Names**") in connection with the operation of the business at the Trust Estate, and Trustor further represents and warrants that the Enumerated Names are the only such trade or fictitious names Trustor has so used. For all purposes under this Deed of Trust it shall be deemed that the term "Trustor" includes all trade or fictitious names that Palo, LLC (or any successor or assign thereof) now or hereafter uses, or has in

10

the past used, including, without limitation, the Enumerated Names, with the same force and effect as if this Deed of Trust had been executed in all such names (in addition to "Palo, LLC").

1.3 Compliance with Legal Requirements. Except as provided in the Mortgage Notes Indenture, Trustor shall promptly, fully, and faithfully comply in all material respects with all Legal Requirements and shall cause all portions of the Trust Estate and its use and occupancy to fully comply in all material respects

with Legal Requirements at all times, whether or not such compliance requires work or remedial measures that are ordinary or extraordinary, foreseen or unforeseen, structural or nonstructural, or that interfere with the use or enjoyment of the Trust Estate.

1.4 Taxes. Except as otherwise permitted by the Mortgage Notes Indenture, (a) Trustor shall pay all Impositions as they become due and payable and shall deliver to Beneficiary promptly upon Beneficiary's request, evidence satisfactory to Beneficiary that the Impositions have been paid or are not delinquent; (b) Trustor shall not suffer to exist, permit or initiate the joint assessment of the real and personal property, or any other procedure whereby the lien of the real property taxes and the lien of the personal property taxes shall be assessed, levied or charged to the Land as a single lien, except as may be required by law; and (c) in the event of the passage of any law deducting from the value of real property for the purposes of taxation any lien thereon, or changing in any way the taxation of deeds of trust or obligations secured thereby for state or local purposes, or the manner of collecting such taxes and imposing a tax, either directly or indirectly, on this Deed of Trust or the other Indenture Documents to which Trustor is a party, Trustor shall pay all such taxes.

1.5 Insurance.

(a) Hazard Insurance Requirements and Proceeds.

(1) *Hazard Insurance.* Trustor shall at its sole expense obtain for, deliver to, assign and maintain for the benefit of Beneficiary, during the term of this Deed of Trust, insurance policies insuring the Trust Estate and liability insurance policies, all in accordance with the requirements of the Mortgage Notes Indenture. Trustor shall pay promptly when due any premiums on such insurance policies and on any renewals thereof. In the event of the foreclosure of this Deed of Trust or any other transfer of title to the Trust Estate in partial or complete extinguishment of the indebtedness and other sums secured hereby, all right, title and interest of Beneficiary in and to all insurance policies and renewals thereof then in force shall pass to the purchaser or grantee.

(2) *Handling of Proceeds.* All Proceeds from any insurance policies shall be collected, held, handled and disbursed in accordance with the provisions of the Mortgage Notes Indenture and the Disbursement Agreement (while in effect). All proceeds of insurance allocable to Trustor, as owner of the Site, and attributable to business interruption insurance shall be collected, held, handled and disbursed in accordance with the provisions of the Mortgage Notes Indenture and the Disbursement Agreement. Any such proceeds disbursed to Beneficiary shall be applied to pay amounts then due and payable under this Deed of Trust. The balance shall be retained by Beneficiary or its designee in an interest bearing or other investment account approved by Beneficiary, which account Trustor hereby pledges to Beneficiary to secure the Obligations. Disbursements shall be permitted from such account to pay expenses reasonably incurred by Trustor in owning and operating the Trust Estate, as reasonably approved by Beneficiary.

(b) **Compliance with Insurance Policies.** Trustor shall not violate or permit to be violated any of the conditions or provisions of any policy of insurance required by the Mortgage Notes Indenture or this Deed of Trust and Trustor shall so perform and satisfy the requirements of the companies writing such policies that, at all times, companies of good standing shall be willing to write and/or continue such insurance. Trustor further covenants to promptly send to Beneficiary all

notices relating to any violation of such policies or otherwise affecting Trustor's insurance coverage or ability to obtain and maintain such insurance coverage.

1.6 Condemnation. Beneficiary is hereby authorized, at its option, to commence, appear in and prosecute in its own or Trustor's name any action or proceeding relating to any condemnation and to settle or compromise any claim in connection therewith, and Trustor hereby appoints Beneficiary as its attorney-in-fact to take any action in Trustor's name pursuant to Beneficiary's rights hereunder. Immediately upon obtaining knowledge of the institution of any proceedings for the condemnation of the Trust Estate or any portion thereof, Trustor shall notify the Trustee and Beneficiary of the pendency of such proceedings. Trustor from time to time shall execute and deliver to Beneficiary all instruments requested by it to permit such participation; provided, however, that such instruments shall be deemed as supplemental to the foregoing grant of permission to Trustee and Beneficiary, and unless otherwise required, the foregoing permission shall, without more, be deemed sufficient to permit Trustee and/or Beneficiary to participate in such proceedings on behalf of Trustor. All such compensation awards, damages, claims, rights of action and Proceeds, and any other payments or relief, and the right thereto, are, whether paid to Beneficiary or Trustor or a third party trustee, included in the Trust Estate. Beneficiary, after deducting therefrom all its expenses, including reasonable attorneys fees, shall apply all Proceeds paid directly to it in accordance with the provisions of the Mortgage Notes Indenture. All Proceeds paid directly to the Trustor shall be applied, if received by Trustor prior to the Final Completion Date, in accordance with the Disbursement Agreement and, if received on or after the Final Completion Date, in accordance with the Mortgage Notes Indenture. To the extent that any condemnation proceeds are not required to be applied towards restoration of the improvements upon the Site, then Beneficiary shall have the right to apply said condemnation proceeds towards repayment of the Obligations. Trustor hereby waives any rights it may have under NRS 37.115, as amended or recodified from time to time.

1.7 Care of Trust Estate.

(a) Trustor shall preserve and maintain the Trust Estate in good condition and repair. Trustor shall not permit, commit or suffer to exist any waste, impairment or deterioration of the Trust Estate or of any part thereof that in any manner materially impairs Beneficiary's security hereunder and shall not take any action which will increase the risk of fire or other hazard to the Trust Estate or to any part thereof.

(b) Except for Permitted Dispositions, no material part of the Improvements or Tangible Collateral that are part of the Trust Estate shall be removed, demolished or materially altered, without the prior written consent of Beneficiary, which consent shall not be unreasonably withheld or delayed. Trustor shall have the right, without such consent, to remove and dispose of free from the lien of this Deed of Trust any part of the Improvements or Tangible Collateral that are part of the Trust Estate as from time to time may become worn out or obsolete or otherwise not useful in connection with the operation of the Trust Estate, provided that either (i) such removal or disposition does not materially affect the value of the Trust Estate or (ii) prior to or promptly following such removal, any such property shall be replaced with other property of substantially equal utility and of a value at least substantially equal to that of the replaced property when first acquired and free from any security interest of any other person (subject only to Permitted Liens), and by such removal and replacement Trustor shall be deemed to have subjected such replacement property to the lien of this Deed of Trust.

(c) Notwithstanding the foregoing provisions of this *Section 1.7*, the Trustor may develop the Project in the manner contemplated by the Disbursement Agreement, the Mortgage Notes Indenture and the other Indenture Documents.

1.8 Leases.

(a) Trustor represents, warrants and covenants that:

(i) except for the assignment effected hereby and in the other Financing Agreements, Trustor has not executed any assignment or pledge of any of the Space Leases, the Rents, or of Trustor's right, title and interest in the same; and

(ii) this Deed of Trust does not and will not constitute a violation or default under any Space Lease, and is and shall at all times constitute a valid lien on Trustor's interests in the Space Leases.

(b) Trustor shall not enter into any Space Lease or any modifications or amendments to any Space Lease, either orally or in writing, unless such Space Lease complies with the requirements of the Mortgage Notes Indenture and the Second Mortgage Notes Security Documents.

(c) After an Event of Default, upon the request of Beneficiary Trustor shall deliver to Beneficiary executed copies of all Space Leases.

1.9 *Further Encumbrance.*

(a) Trustor covenants that at all times prior to the discharge of the Obligations, except for Permitted Liens and Permitted Dispositions, Trustor shall neither make nor suffer to exist, nor enter into any agreement for, any sale, assignment, exchange, mortgage, transfer, Lien, hypothecation or encumbrance of all or any part of the Trust Estate, including, without limitation, the Rents. As used herein, "transfer" includes the actual transfer or other disposition, whether voluntary or involuntary, by law, or otherwise, except those transfers specifically permitted herein, provided, however, that "transfer" shall not include the granting of utility or other beneficial easements with respect to the Trust Estate which have been or are granted by Trustor and are reasonably necessary to the construction, maintenance or operation of the Project.

(b) Any Permitted Lien consisting of the lien of a deed of trust which is junior to the lien of the Indenture Documents (a "Subordinate Deed of Trust") shall be permitted hereunder so long as there shall have been delivered to Beneficiary, not less than thirty (30) days prior to the date thereof, a copy thereof which shall contain express covenants in form and substance satisfactory to Beneficiary to the effect that: (i) the Subordinate Deed of Trust is in all respects subject and subordinate to this Deed of Trust; (ii) if any action or proceeding shall be brought to foreclose the Subordinate Deed of Trust (regardless of whether the same is a judicial proceeding or pursuant to a power of sale contained therein), no tenant of any portion of the Trust Estate shall be named as a party defendant nor shall any action be taken with respect to the Trust Estate which would terminate any occupancy or tenancy of the Trust Estate, or any portion thereof, without the consent of Beneficiary; (iii) any Rents, if collected through a receiver or by the holder of the Subordinate Deed of Trust, shall be applied first to the obligations secured by this Deed of Trust, including principal and interest due and owing on or to become due and owing on the Notes or the other Indenture Documents, and then to the payment of maintenance expenses, operating charges, taxes, assessments, and disbursements incurred in connection with the ownership, operation, and maintenance of the Trust Estate; and (iv) if any action or proceeding shall be brought to foreclose the Subordinate Deed of Trust, prompt notice of the commencement thereof shall be given to Beneficiary.

(c) Trustor agrees that in the event the ownership of the Trust Estate or any part thereof becomes vested in a person other than Trustor, Beneficiary may, without notice to Trustor, deal in any way with such successor or successors in interest with reference to this Deed of Trust, the Notes, the other Indenture Documents and other Obligations hereby secured without in any way vitiating or discharging Trustor's or any guarantor's, surety's or endorser's liability hereunder or upon the obligations hereby secured. No sale of the Trust Estate and no forbearance to any person with respect to this Deed of Trust and no extension to any person of the time for payment of the

Obligations, and other sums hereby secured given by Beneficiary shall operate to release, discharge, modify, change or affect the original liability of Trustor, or such guarantor, surety or endorser either in whole or in part.

(d) If Trustor shall fail to make any payment required to be made by it under any FF&E Financing Agreement, except where Trustor is contesting such payment in good faith, then the Beneficiary shall be entitled to make such payment on Trustor's behalf and any and all sums so expended by the Beneficiary shall be secured by this Deed of Trust and shall be repaid by Trustor upon demand, together with interest thereon at the interest at the rate applicable to overdue principal set forth in the Mortgage Notes Indenture from the date of advance.

1.10 *Partial Releases of Trust Estate.*

(a) Trustor may from time to time make a Permitted Disposition including, but not limited to, (i) transferring a portion of the Trust Estate (including any temporary taking) to any person legally empowered to exercise the power of eminent domain, or pursuant to dedication agreements that are now in effect or entered into in the future in connection with the development of the Project, (ii) granting utility easements reasonably necessary or desirable for the construction and/or operation of the Project, which grant or transfer is for the benefit of the Trust Estate, or (iii) transferring all or a portion of the Trust Estate as permitted pursuant to the Disbursement Agreement or the other Indenture Documents. In each such case, Beneficiary shall execute and deliver any instruments necessary or appropriate to effectuate or confirm any such transfer or grant, free from the lien of this Deed of Trust, provided, however, that Beneficiary shall execute a lien release or subordination agreement, as appropriate, for matters described in clauses (i) and (iii) above only if:

(A) Such transfer, grant or release is not prohibited by the Mortgage Notes Indenture and all conditions precedent contained in the Mortgage Notes Indenture for such transfer, grant or release, if any, shall have been satisfied;

(B) Beneficiary and Trustee shall have received a counterpart of the instrument pursuant to which such transfer, grant or release is to be made, and each instrument which Beneficiary or Trustee is requested to execute in order to effectuate or confirm such transfer, grant or release; and

(C) Beneficiary and Trustee shall have received an Officer's Certificate if required pursuant to the Mortgage Notes Indenture.

(b) Any consideration received for a transfer to any person empowered to exercise the right of eminent domain shall be subject to *Section 1.6* hereof.

1.11 **Further Assurances.**

(a) At its sole cost and without expense to Trustee or Beneficiary, and subject in all events to compliance with the Nevada Gaming Laws and other applicable Legal Requirements, Trustor shall do, execute, acknowledge and deliver any and all such further acts, deeds, conveyances, notices, requests for notices, financing statements, continuation statements, certificates, assignments, notices of assignments, agreements, instruments and further assurances, and shall mark any chattel paper, deliver any chattel paper or instruments to Beneficiary and take any other actions that are necessary, prudent, or reasonably requested by Beneficiary or Trustee to perfect or continue the perfection and first priority of Beneficiary's security interest in the Trust Estate, to protect the Trust Estate against the rights, claims, or interests of third persons other than holders of Permitted Liens or to effect the purposes of this Deed of Trust, including the security agreement and the absolute assignment of Rents contained herein, or for the filing, registering or recording thereof.

14

(b) Trustor shall forthwith upon the execution and delivery of this Deed of Trust, and thereafter from time to time, cause this Deed of Trust and each instrument of further assurance to be filed, indexed, registered, recorded, given or delivered in such manner and in such places as may be required by any present or future law in order to publish notice of and fully to protect the lien hereof upon, and the title of Trustee and/or Beneficiary to, the Trust Estate.

1.12 Security Agreement and Financing Statements. Trustor (as debtor) hereby grants to Beneficiary (as creditor and secured party) a present and future security interest in all Tangible Collateral, Intangible Collateral, FF&E, Improvements, all other personal property now or hereafter owned or leased by Trustor or in which Trustor has or will have any interest, to the extent that such property constitutes a part of the Trust Estate (whether or not such items are stored on the premises or elsewhere), Proceeds of the foregoing comprising a portion of the Trust Estate and all products, substitutions, and accessions therefor and thereto, subject to Beneficiary's rights to treat such property as real property as herein provided (collectively, the "**Personal Property**"). Trustor shall execute and/or deliver any and all documents and writings, including without limitation financing statements pursuant to the UCC, as may be necessary or prudent to preserve and maintain the priority of the security interest granted hereby on property which may be deemed subject to the foregoing security agreement or as Beneficiary may reasonably request, and shall pay to Beneficiary on demand any reasonable expenses incurred by Beneficiary in connection with the preparation, execution and filing of any such documents. Trustor hereby authorizes and empowers Beneficiary to file, on Trustor's behalf, all financing statements and refiling and continuations thereof as advisable to create, preserve and protect said security interest. Trustor acknowledges and agrees that it is not authorized to, and will not, authenticate or file, or authorize the filing of, any financing statements or other record with respect to the Personal Property (including any amendments thereto, or continuation or termination statements thereof), except as permitted by the Indenture Documents. Trustor approves and ratifies any filing or recording of records made by or on behalf of Beneficiary in connection with the perfection of the security interest in favor of Beneficiary hereunder. This Deed of Trust constitutes both a real property deed of trust and a "security agreement," within the meaning of the UCC, and the Trust Estate includes both real and personal property and all other rights and interests, whether tangible or intangible in nature, of Trustor in the Trust Estate. Trustor by executing and delivering this Deed of Trust has granted to Beneficiary, as security of the Obligations, a security interest in the Trust Estate.

(a) **Fixture Filing.** Without in any way limiting the generality of the immediately preceding paragraph or of the definition of the Trust Estate, this Deed of Trust constitutes a fixture filing under Sections 9-334 and 9-502 of the UCC (NRS 104.9334 and 104.9502). For such purposes, (i) the "debtor" is Trustor and its address is the address given for it in the initial paragraph of this Deed of Trust; (ii) the "secured party" is Beneficiary, and its address for the purpose of obtaining information is the address given for it in the initial paragraph of this Deed of Trust; (iii) the real estate to which the fixtures are or are to become attached is Trustor's interest in the Site; and (iv) the record owner of such real estate is Trustor.

(b) **Remedies.** This Deed of Trust shall be deemed a security agreement as defined in the UCC and the remedies for any violation of the covenants, terms and conditions of the agreements herein contained shall include any or all of (i) those prescribed herein, and (ii) those available under applicable law, and (iii) those available under the UCC, all at Beneficiary's sole election. In addition, a photographic or other reproduction of this Deed of Trust shall be sufficient as a financing statement for filing wherever filing may be necessary to perfect or continue the security interest granted herein.

(c) **Derogation of Real Property.** It is the intention of the parties that the filing of a financing statement in the records normally having to do with personal property shall never be construed as in anyway derogating from or impairing the express declaration and intention of the parties hereto as hereinabove stated that everything used in connection with the production of income from the

15

Trust Estate and/or adapted for use therein and/or which is described or reflected in this Deed of Trust is, and at all times and for all purposes and in all proceedings both legal or equitable, shall be regarded as part of the real property encumbered by this Deed of Trust irrespective of whether (i) any such item is physically attached to the Improvements, (ii) serial numbers are used for the better identification of certain equipment items capable of being thus identified in a recital contained herein or in any list filed with Beneficiary, or (iii) any such item is referred to or reflected in any such financing statement so filed at any time. It is the intention of the parties that the mention in any such financing statement of (1) rights in or to the proceeds of any fire and/or hazard insurance policy, or (2) any award in eminent domain proceedings for a taking or for loss of value, or (3) Trustor's interest as lessors in any present or future Space Lease or rights to Rents, shall never be construed as in anyway altering any of the rights of Beneficiary as determined by this Deed of Trust or impugning the priority of Beneficiary's real property lien granted hereby or by any other recorded document, but such mention in the financing statement is declared to be for the protection of Beneficiary in the event any court or judge shall at any time hold with respect to the matters set forth in the foregoing clauses (1), (2) and (3) that notice of Beneficiary's priority of interest to be effective against a particular class of persons, including but not limited to, the federal government and any subdivisions or entity of the federal government, must be filed in the UCC records.

(d) **Priority; Permitted Financing of Tangible Collateral.** All Personal Property of any nature whatsoever which is subject to the provisions of this security agreement shall be purchased or obtained by Trustor in its name and free and clear of any lien or encumbrance, except for Permitted Liens and the lien hereof, for use only in connection with the business and operation of the Project, and shall be and at all times remain free and clear of any lease or similar arrangement, chattel financing, installment sale agreement, security agreement and any encumbrance of like kind, so that Beneficiary's security interest shall attach to and vest in Trustor for the benefit of Beneficiary, with the priority herein specified, immediately upon the installation or use of the Personal Property at the Site and Trustor warrants and represents that Beneficiary's security interest in the Personal Property is a validly attached and binding security interest, properly perfected and prior to all other security interests therein except as otherwise permitted in this Deed of Trust. The

foregoing shall not be construed as limiting Trustor's rights to transfer Personal Property pursuant to Permitted Dispositions or to obtain releases of Personal Property from the Lien of this Deed of Trust pursuant to *Section 1.10* hereof.

(e) **Preservation of Contractual Rights of Collateral.** Trustor shall, prior to delinquency, default, or forfeiture, perform all obligations and satisfy all material conditions required on its part to be satisfied to preserve its rights and privileges under any contract, lease, license, permit, or other authorization (i) under which it holds any Tangible Collateral or (ii) which constitutes part of the Intangible Collateral, except where Trustor is contesting such obligations in good faith.

(f) **Removal of Collateral.** Except for damaged or obsolete Tangible Collateral which is either no longer usable or which is removed temporarily for repair or improvement or removed for replacement on the Trust Estate with Tangible Collateral of similar function or as otherwise permitted herein, none of the Tangible Collateral shall be removed from the Trust Estate without Beneficiary's prior written consent.

16

(g) **Change of Name.** Trustor shall not change its corporate (or other entity) or business name, or do business within the State of Nevada under any name other than such name, or any trade name(s) other than those as to which Trustor gives prior written notice to Beneficiary of its intent to use such trade names, or any other business names (if any) specified in the financing statements delivered to Beneficiary for filing in connection with the execution hereof, without, in each case, providing Beneficiary with the additional financing statement(s) and any other similar documents deemed reasonably necessary by Beneficiary to assure that its security interest remains perfected and of undiminished priority in all such Personal Property notwithstanding such name change.

1.13 **Assignment of Leases and Rents.** Subject to Nevada Gaming Laws and other applicable Legal Requirements, the assignment of Leases and Rents set out above in Granting Clause (G) shall constitute an absolute and present assignment to Beneficiary, subject to the license herein given to Trustor to collect the Rents, and shall be fully operative without any further action on the part of any party, and specifically Beneficiary shall be entitled upon the occurrence of an Event of Default hereunder to all Rents and to enter upon the Site and the Improvements to collect such Rents, provided, however, that Beneficiary shall not be obligated to take possession of the Trust Estate, or any portion thereof. The absolute assignment contained in Granting Clause (G) shall not be deemed to impose upon Beneficiary any of the obligations or duties of Trustor provided in any such Space Lease (including, without limitation, any liability under the covenant of quiet enjoyment contained in any lease in the event that any lessee shall have been joined as a party defendant in any action to foreclose this Deed of Trust and shall have been barred and foreclosed thereby of all right, title and interest and equity of redemption in the Trust Estate or any part thereof).

1.14 Expenses.

(a) Trustor shall pay when due and payable all out-of-pocket costs, including without limitation, those reasonable appraisal fees, recording fees, taxes, abstract fees, title policy fees, escrow fees, attorneys' and paralegal fees, travel expenses, fees for inspecting architect(s) and engineer(s) and all other costs and expenses of every character which may hereafter be incurred by Beneficiary or any assignee of Beneficiary in connection with the preparation and execution of the Mortgage Notes Indenture and the other Indenture Documents to which Trustor is a party or instruments, agreements or documents of further assurance, the funding of the indebtedness secured hereby, and the enforcement of the Mortgage Notes Indenture or any other Indenture Document to which Trustor is a party. Other than costs associated with the enforcement of any Indenture Document, all such costs shall be itemized in reasonable detail; and

(b) Trustor shall, upon demand by Beneficiary, reimburse Beneficiary or any assignee of Beneficiary for all such reasonable expenses which have been incurred or which shall be incurred by it; and

(c) Trustor shall indemnify Beneficiary with respect to any transaction or matter in any way connected with any portion of the Trust Estate, this Deed of Trust, including any occurrence at, in, on, upon or about the Trust Estate (including any personal injury, loss of life, or property damage), or Trustor's use, occupancy, or operation of the Trust Estate, or the filing or enforcement of any mechanic's lien, or otherwise caused in whole or in part by any act, omission or negligence occurring on or at the Trust Estate, including failure to comply with any Legal Requirement or with any requirement of this Deed of Trust that applies to Trustor, except to the extent resulting from the gross negligence, fraud or willful misconduct of Trustee or Beneficiary. If Beneficiary is a party to any litigation as to which either Trustor is required to indemnify Beneficiary (or is made a defendant in any action of any kind against Trustor or relating directly or indirectly to any portion of the Trust Estate) then, at Beneficiary's option, Trustor shall undertake Beneficiary's defense, using counsel reasonably satisfactory to Beneficiary (and any settlement shall be subject to Beneficiary's consent, which consent shall not be unreasonably withheld), and in any case shall

17

indemnify Beneficiary against such litigation. Trustor shall pay all reasonable costs and expenses, including reasonable legal costs, that Beneficiary pays or incurs in connection with any such litigation. Any amount payable under any indemnity in this Deed of Trust shall be a demand obligation, shall be added to, and become a part of, the secured obligations under this Deed of Trust, shall be secured by this Deed of Trust and shall bear interest at the interest rate specified in the Mortgage Notes Indenture. Such indemnity shall survive any release of this Deed of Trust and any foreclosure.

1.15 **Beneficiary's Cure of Trustor's Default.** If Trustor defaults hereunder in the payment of any tax, assessment, lien, encumbrance or other Imposition, in its obligation to furnish insurance hereunder, or in the performance or observance of any other covenant, condition or term of this Deed of Trust or any other Financing Agreement or any FF&E Financing Agreement, Beneficiary may, but is not obligated to, to preserve its interest in the Trust Estate, perform or observe the same, and all payments made (whether such payments are regular or accelerated payments) and reasonable costs and expenses incurred or paid by Beneficiary in connection therewith shall become due and payable immediately. The amounts so incurred or paid by Beneficiary, together with interest thereon at the interest rate applicable to overdue principal set forth in the Mortgage Notes Indenture, from the date incurred until paid by Trustor, shall be added to the indebtedness and secured by the lien of this Deed of Trust. Beneficiary, is hereby empowered to enter and to authorize others to enter upon the Site or any part thereof for the purpose of performing or observing any such defaulted covenant, condition or term, without thereby becoming liable to Trustor or any person in possession holding under Trustor. No exercise of any rights under this Section 1.15 by Beneficiary shall cure or waive any Event of Default or notice of default hereunder or invalidate any act done pursuant hereto or to any such notice, but shall be cumulative of all other rights and remedies.

1.16 **Use of Land.** Trustor covenants that the Trust Estate shall be used and operated in a manner consistent with the requirements of the Indenture Documents.

1.17 **Compliance with Permitted Lien Agreements.** Trustor shall comply with each and every material obligation contained in any agreement pertaining to a Permitted Lien.

1.18 **Defense of Actions.** Trustor shall appear in and defend any action or proceeding affecting or purporting to affect the security hereof or the rights or powers of Beneficiary or Trustee, and shall pay all costs and expenses, including cost of title search and insurance or other evidence of title, preparation of survey, and reasonable attorneys' fees in any such action or proceeding in which Beneficiary or Trustee may appear or may be joined as a party and in any suit brought by Beneficiary based upon or in connection with this Deed of Trust, the Mortgage Notes Indenture or any other Indenture Document to which Trustor is a party. Nothing contained in this section shall, however, limit the right of Beneficiary to appear in such action or proceeding with counsel of its own choice, either on its own behalf or on behalf of Trustor.

1.19 **Affiliates.**

(a) **Subject to Trust Deed.** Subject to compliance with the requirements of applicable Nevada Gaming Laws, Trustor shall cause all of its Affiliates in any way involved with the operation of the Trust Estate or the Project to observe the covenants and conditions of this Deed of Trust to the extent necessary to give the full intended effect to such covenants and conditions and to protect and preserve the security of Beneficiary hereunder.

(b) **Restriction on Use of Subsidiary or Affiliate.** Except as permitted under the Notes, the Mortgage Notes Indenture or the other Indenture Documents, Trustor shall not use any Affiliate in the operation of the Trust Estate or the Project if such use would in any way impair the security for the Obligations or circumvent any covenant or condition of this Deed of Trust, the Mortgage Notes Indenture or of any other Indenture Document.

18

1.20 **Title Insurance.** Promptly after the execution of this Deed of Trust, Trustor shall cause to be delivered to Trustee at Trustor's expense, one or more ALTA extended coverage Lender's Policies of Title Insurance showing fee title to the real property situated in the County of Clark, State of Nevada, more specifically described in Schedule A attached hereto, vested in Trustor and the lien of this Deed of Trust to be a perfected lien, prior to any and all encumbrances other than Permitted Encumbrances (excluding, however, any such non-Permitted Encumbrances for which the Title Insurer has agreed to provide an endorsement or affirmative coverage protecting the lien of this Deed of Trust against such non-Permitted Encumbrances).

ARTICLE TWO MORTGAGE NOTES INDENTURE PROVISIONS

2.1 **Interaction with Mortgage Notes Indenture**

(a) **Incorporation by Reference.** All terms, covenants, conditions, provisions and requirements of the Mortgage Notes Indenture are incorporated by reference in this Deed of Trust.

(b) **Conflicts.** In the event of any conflict or inconsistency between the provisions of this Deed of Trust and those of the Mortgage Notes Indenture or the Disbursement Agreement, the provisions of the Mortgage Notes Indenture or the Disbursement Agreement, as applicable, shall govern.

2.2 **Other Collateral.** This Deed of Trust is one of a number of security agreements delivered by or on behalf of Trustor and other Persons pursuant to the Mortgage Notes Indenture and the other Indenture Documents and securing the Obligations secured hereunder. All potential junior Lien claimants are placed on notice that, under any of the Indenture Documents (including a separate future unrecorded agreement between Trustor and Beneficiary), other collateral for the Obligations secured hereunder (*i.e.*, collateral other than the Trust Estate) may, under certain circumstances, be released without a corresponding reduction in the total principal amount secured by this Deed of Trust. Such a release would decrease the amount of collateral securing the same indebtedness, thereby increasing the burden on the remaining Trust Estate created and continued by this Deed of Trust. No such release shall impair the priority of the lien of this Deed of Trust. By accepting its interest in the Trust Estate, each and every junior Lien claimant shall be deemed to have acknowledged the possibility of, and consented to, any such release. Nothing in this paragraph shall impose any obligation upon Beneficiary.

2.3 **Subordination to Bank Deed of Trust** Notwithstanding any other provision hereof, this Deed of Trust, including, without limitation, the security interest granted herein, the rights, power and remedies of the Trustee and the Beneficiary and the obligations of Trustor set forth herein, shall, to the extent provided in the Project Lenders Intercreditor Agreement, be subject and subordinate to the Bank Palo Deed of Trust.

ARTICLE THREE DEFAULTS

3.1 **Event of Default.** The term "Event of Default," wherever used in this Deed of Trust, shall mean any of (i) one or more of the events of default listed in the Mortgage Notes Indenture (ii) so long as the Disbursement Agreement is in effect, one or more of the events of default listed in the Disbursement Agreement (whether any such event shall be voluntary or involuntary or come about or be effected by operation of law or pursuant to or in compliance with any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body) or (iii) if any "borrower" (as that term is defined in NRS 106.310) who may send a notice pursuant to NRS 106.380(1), (x) delivers, sends by mail or otherwise gives, or purports to deliver, send by mail or otherwise give, to a beneficiary under this Deeds of Trust (A) any notice of an election to terminate

19

the operation of this Deed of Trust as security for any secured obligation, including, without limitation, any obligation to repay any "future advance" (as defined in NRS 106.320) of "principal" (as defined in NRS 106.345), or (B) any other notice pursuant to NRS 106.380(1), (y) records a statement pursuant to NRS 106.380(3), or (z) causes this Deed of Trust, any secured obligation, or any Secured Party to be subject to NRS 106.380(2), 106.380(3) or 106.400.

**ARTICLE FOUR
REMEDIES**

4.1 Acceleration of Maturity. If an Event of Default occurs, Beneficiary may (except that such acceleration shall be automatic if the Event of Default is caused by either Issuer's or Trustor's Bankruptcy), in accordance with the Indenture Documents, declare the Obligations to be due and payable immediately, and upon such declaration such principal and interest and other sums shall immediately become due and payable without demand, presentment, notice or other requirements of any kind (all of which Trustor waives) notwithstanding anything in this Deed of Trust or any Indenture Document or applicable law to the contrary.

4.2 Protective Advances. If either Issuer or Trustor fails to make any payment or perform any other obligation under the Notes, the Mortgage Notes Indenture or any other Financing Agreement, then without thereby limiting Beneficiary's other rights or remedies, waiving or releasing any of Trustor's obligations, or imposing any obligation on Beneficiary, Beneficiary may either advance any amount owing or perform any or all actions that Beneficiary considers necessary or appropriate to cure such default. All such advances shall constitute "Protective Advances" and shall bear interest thereon at the interest rate applicable to overdue principal set forth in the Mortgage Notes Indenture from the date incurred until paid by Trustor. No sums advanced or performance rendered by Beneficiary shall cure, or be deemed a waiver of any Event of Default.

4.3 Institution of Equity Proceedings. If an Event of Default occurs, Beneficiary may institute an action, suit or proceeding in equity for specific performance of this Deed of Trust, the Notes, the Mortgage Notes Indenture or any other Indenture Document, all of which shall be specifically enforceable by injunction or other equitable remedy. Trustor waives any defense based on laches or any applicable statute of limitations.

4.4 Beneficiary's Power of Enforcement.

(a) If an Event of Default occurs, Beneficiary shall be entitled, at its option and in its sole and absolute discretion, to prepare and record on its own behalf, or to deliver to Trustee for recording, if appropriate, written declaration of default and demand for sale and written Notice of Breach and Election to Sell (NRS 107.080(3)) (or other statutory notice) to cause the Trust Estate to be sold to satisfy the obligations hereof, and in the case of delivery to Trustee, Trustee shall cause said notice to be filed for record.

(b) After the lapse of such time as may then be required by law following the recordation of said Notice of Breach and Election to Sell, and notice of sale having been given as then required by law, including compliance with any applicable Nevada Gaming Laws, Trustee without demand on Trustor, shall sell the Trust Estate or any portion thereof at the time and place fixed by it in said notice, either as a whole or in separate parcels, and in such order as it may determine, at public auction to the highest bidder, of cash in lawful money of the United States payable at the time of sale. Trustee may, for any cause it deems expedient, postpone the sale of all or any portion of said property until it shall be completed and, in every case, notice of postponement shall be given by public announcement thereof at the time and place last appointed for the sale and from time to time thereafter Trustee may postpone such sale by public announcement at the time fixed by the preceding postponement. Trustee shall execute and deliver to the purchaser its Deed, Bill of Sale, or other instrument conveying said property so sold, but without any covenant or warranty,

20

express or implied. The recitals in such instrument of conveyance of any matters or facts shall be conclusive proof of the truthfulness thereof. Any person, including Beneficiary, may bid at the sale.

(c) After deducting all costs, fees and expenses of Trustee and of this Deed of Trust, including, without limitation, costs of evidence of title and reasonable attorneys' fees and other legal expenses of Trustee or Beneficiary in connection with a sale, Trustee shall apply the proceeds of such sale to payment of all sums expended under the terms hereof not then repaid, with accrued interest at the rate applicable to overdue principal set forth in the Mortgage Notes Indenture to the payment of all other sums then secured hereby and the remainder, if any, to the person or persons legally entitled thereto as provided in NRS 40.462.

(d) Subject to compliance with applicable Nevada Gaming Laws, if any Event of Default occurs, Beneficiary may, either with or without entry or taking possession of the Trust Estate, and without regard to whether or not the indebtedness and other sums secured hereby shall be due and without prejudice to the right of Beneficiary thereafter to bring an action or proceeding to foreclose or any other action for any default existing at the time such earlier action was commenced, proceed by any appropriate action or proceeding: (1) to enforce payment of the Obligations, to the extent permitted by law, or the performance of any term hereof or any other right; (2) to foreclose this Deed of Trust in any manner provided by law for the foreclosure of mortgages or deeds of trust on real property and to sell, as an entirety or in separate lots or parcels, the Trust Estate or any portion thereof pursuant to the laws of the State of Nevada or under the judgment or decree of a court or courts of competent jurisdiction, and Beneficiary shall be entitled to recover in any such proceeding all costs and expenses incident thereto, including reasonable attorneys' fees in such amount as shall be awarded by the court; (3) to exercise any or all of the rights and remedies available to it under the Indenture Documents; and (4) to pursue any other remedy available to it. Beneficiary shall take action either by such proceedings or by the exercise of its powers with respect to entry or taking possession, or both, as Beneficiary may determine.

(e) The remedies described in this *Section 4.4* may be exercised with respect to all or any portion of the Personal Property, either simultaneously with the sale of any real property encumbered hereby or independent thereof. Beneficiary shall at any time be permitted to proceed with respect to all or any portion of the Personal Property in any manner permitted by the UCC. Trustor agrees that Beneficiary's inclusion of all or any portion of the Personal Property (and all personal property that is subject to a security interest in favor, or for the benefit, of Beneficiary) in a sale or other remedy exercised with respect to the real property encumbered hereby, as permitted by the UCC, is a commercially reasonable disposition of such property.

4.5 Beneficiary's Right to Enter and Take Possession, Operate and Apply Income.

(a) Subject to compliance with applicable Nevada Gaming Laws, if an Event of Default occurs, (i) Trustor, upon demand of Beneficiary, shall forthwith surrender to Beneficiary the actual possession and, if and to the extent permitted by law, Beneficiary itself, or by such officers or agents as it may appoint, may enter and take possession of all the Trust Estate including the Personal Property, without liability for trespass, damages or otherwise, and may exclude Trustor and its agents and employees wholly therefrom and may have joint access with Trustor to the books, papers and accounts of Trustor; and (ii) Trustor shall pay monthly in advance to Beneficiary on Beneficiary's entry into possession, or to any receiver appointed to collect the Rents, all Rents then due and payable.

(b) If Trustor shall for any reason fail to surrender or deliver the Trust Estate, the Personal Property or any part thereof after Beneficiary's demand, Beneficiary may obtain a judgment or decree conferring on Beneficiary or Trustee the right to immediate possession or requiring Trustor to deliver immediate possession of all or part of such property to Beneficiary or Trustee and

Trustor hereby specifically consents to the entry of such judgment or decree. Trustor shall pay to Beneficiary or Trustee, upon demand, all reasonable costs and expenses of obtaining such judgment or decree and reasonable compensation to Beneficiary or Trustee, their attorneys and agents, and all such costs, expenses and compensation shall, until paid, be secured by the lien of this Deed of Trust.

(c) Subject to compliance with applicable Nevada Gaming Laws, upon every such entering upon or taking of possession, Beneficiary or Trustee may hold, store, use, operate, manage and control the Trust Estate and conduct the business thereof, and, from time to time in its sole and absolute discretion and without being under any duty to so act:

- (1) make all necessary and proper maintenance, repairs, renewals, replacements, additions, betterments and improvements thereto and thereon and purchase or otherwise acquire additional fixtures, personalty and other property;
- (2) insure or keep the Trust Estate insured;
- (3) manage and operate the Trust Estate and exercise all the rights and powers of Trustor in their name or otherwise with respect to the same;
- (4) enter into agreements with others to exercise the powers herein granted Beneficiary or Trustee, all as Beneficiary or Trustee from time to time may determine; and, subject to the absolute assignment of the Leases and Rents to Beneficiary, Beneficiary or Trustee may collect and receive all the Rents, including those past due as well as those accruing thereafter; and shall apply the monies so received by Beneficiary or Trustee in such priority as Beneficiary may determine to (1) the payment of interest and principal due and payable on the Notes or the other Indenture Documents, (2) the deposits for taxes and assessments and insurance premiums due, (3) the cost of insurance, taxes, assessments and other proper charges upon the Trust Estate or any part thereof; (4) the compensation, expenses and disbursements of the agents, attorneys and other representatives of Beneficiary or Trustee; and (5) any other charges or costs required to be paid by Trustor under the terms hereof; and
- (5) rent or sublet the Trust Estate or any portion thereof for any purpose permitted by this Deed of Trust.

Beneficiary or Trustee shall surrender possession of the Trust Estate and the Personal Property to Trustor only when all that is due upon such interest and principal, tax and insurance deposits, and all amounts under any of the terms of the Mortgage Notes Indenture or this Deed of Trust, shall have been paid and all defaults made good. The same right of taking possession, however, shall exist if any subsequent Event of Default shall occur and be continuing.

4.6 Leases. Beneficiary is authorized to foreclose this Deed of Trust subject to the rights of any tenants of the Trust Estate, and the failure to make any such tenants parties defendant to any such foreclosure proceedings and to foreclose their rights shall not be, nor be asserted by Trustor to be, a defense to any proceedings instituted by Beneficiary to collect the sums secured hereby or to collect any deficiency remaining unpaid after the foreclosure sale of the Trust Estate, or any portion thereof. Unless otherwise agreed by Beneficiary in writing, all Space Leases executed subsequent to the date hereof, or any part thereof, shall be subordinate and inferior to the lien of this Deed of Trust; provided, however that (i) in accordance with the terms of the Indenture Documents, Beneficiary may be required to execute a non-disturbance and attornment agreement in connection with certain Space Leases; and (ii) from time to time Beneficiary may execute and record among the land records of the jurisdiction where this Deed of Trust is recorded, subordination statements with respect to such of said Space Leases as Beneficiary may designate in its sole discretion, whereby the Space Leases so designated by Beneficiary shall be made superior to the lien of this Deed of Trust for the term set forth in such subordination statement. From and after the recordation of such subordination statements, and

for the respective periods as may be set forth therein, the Space Leases therein referred to shall be superior to the lien of this Deed of Trust and shall not be affected by any foreclosure hereof. All such Space Leases shall contain a provision to the effect that the Trustor and Space Lessee recognize the right of Beneficiary to elect and to effect such subordination of this Deed of Trust and consents thereto.

4.7 Purchase by Beneficiary. Upon any foreclosure sale (whether judicial or nonjudicial), Beneficiary may bid for and purchase the property subject to such sale and, upon compliance with the terms of sale, may hold, retain and possess and dispose of such property in its own absolute right without further accountability.

4.8 Waiver of Appraisal, Valuation, Stay, Extension and Redemption Laws. Trustor agrees to the full extent permitted by law that if an Event of Default occurs, neither Trustor nor anyone claiming through or under it shall or will set up, claim or seek to take advantage of any appraisal, valuation, stay, extension or redemption laws now or hereafter in force, in order to prevent or hinder the enforcement or foreclosure of this Deed of Trust or the absolute sale of the Trust Estate or any portion thereof or the final and absolute putting into possession thereof, immediately after such sale, of the purchasers thereof, and Trustor for itself and all who may at any time claim through or under it, hereby waives, to the full extent that it may lawfully so do, the benefit of all such laws, and any and all right to have the assets comprising the Trust Estate marshalled upon any foreclosure of the lien hereof and agrees that Trustee or any court having jurisdiction to foreclose such lien may sell the Trust Estate in part or as an entirety.

4.9 Receiver. If an Event of Default occurs, Beneficiary, to the extent permitted by law and subject to compliance with all applicable Nevada Gaming Laws, and without regard to the value, adequacy or occupancy of the security for the indebtedness and other sums secured hereby, shall be entitled as a matter of right if it so elects to the appointment of a receiver to enter upon and take possession of the Trust Estate and to collect all Rents and apply the same as the court may direct, and such receiver may be appointed by any court of competent jurisdiction upon application by Beneficiary. Beneficiary may have a receiver appointed without notice to Trustor or any third party, and Beneficiary may waive any requirement that the receiver post a bond. Beneficiary shall have the power to designate and select the Person who shall serve as the receiver and to negotiate all terms and conditions under which such receiver shall serve. Any receiver appointed on Beneficiary's behalf may be an Affiliate of Beneficiary. The expenses, including receiver's fees, attorneys' fees, costs and agent's compensation,

incurred pursuant to the powers herein contained shall be secured by this Deed of Trust. The right to enter and take possession of and to manage and operate the Trust Estate and to collect all Rents, whether by a receiver or otherwise, shall be cumulative to any other right or remedy available to Beneficiary under this Deed of Trust, the Mortgage Notes Indenture or the other Indenture Documents or otherwise available to Beneficiary and may be exercised concurrently therewith or independently thereof. Beneficiary shall be liable to account only for such Rents (including, without limitation, security deposits) actually received by Beneficiary, whether received pursuant to this section or any other provision hereof. Notwithstanding the appointment of any receiver or other custodian, Beneficiary shall be entitled as pledgee to the possession and control of any cash, deposits, or instruments at the time held by, or payable or deliverable under the terms of this Deed of Trust to, Beneficiary.

4.10 Suits to Protect the Trust Estate. Beneficiary shall have the power and authority to institute and maintain any suits and proceedings as Beneficiary, in its sole and absolute discretion, may deem advisable (a) to prevent any impairment of the Trust Estate by any acts which may be unlawful or in violation of this Deed of Trust, (b) to preserve or protect its interest in the Trust Estate, or (c) to restrain the enforcement of or compliance with any legislation or other Legal Requirement that may be unconstitutional or otherwise invalid, if the enforcement of or compliance with such enactment, rule or order might impair the security hereunder or be prejudicial to Beneficiary's interest.

23

4.11 Proofs of Claim. In the case of any receivership, Insolvency, Bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceedings affecting Trustor, or, to the extent the same would result in an Event of Default hereunder, any Subsidiary, or any guarantor, co-maker or endorser of any of Trustor's obligations, its creditors or its property, Beneficiary, to the extent permitted by law, shall be entitled to file such proofs of claim or other documents as it may deem to be necessary or advisable in order to have its claims allowed in such proceedings for the entire amount due and payable by Trustor under the Indenture Documents, at the date of the institution of such proceedings, and for any additional amounts which may become due and payable by Trustor after such date.

4.12 Trustor to Pay the Obligations on Any Default in Payment; Application of Monies by Beneficiary.

(a) In case of a foreclosure sale of all or any part of the Trust Estate and of the application of the proceeds of sale to the payment of the sums secured hereby, Beneficiary shall be entitled to enforce payment from Trustor of any additional amounts then remaining due and unpaid with respect to the Obligations and to recover judgment against Trustor for any portion thereof remaining unpaid, with interest at the rate applicable to overdue principal as set forth in the Mortgage Notes Indenture.

(b) Trustor hereby agrees to the extent permitted by law, that no recovery of any judgment by Beneficiary or other action by Beneficiary and no attachment or levy of any execution upon any Property of Trustor by Beneficiary (other than a foreclosure of the entire Trust Estate hereunder) shall in any way affect the Lien and security interest of this Deed of Trust upon the Trust Estate or any part thereof or any Lien, rights, powers or remedies of Beneficiary hereunder, but such Lien, rights, powers and remedies shall continue unimpaired as before.

(c) Any monies collected or received by Beneficiary under this Section 4.12 shall be first applied to the payment of reasonable compensation, expenses and disbursements of the agents, attorneys and other representatives of Beneficiary, and the balance remaining shall be applied to the Obligations.

(d) The provisions of this section shall not be deemed to limit or otherwise modify the provisions of any guaranty of the indebtedness evidenced by the Notes or the other Indenture Documents.

4.13 Delay or Omission; No Waiver. No delay or omission of Beneficiary or any Second Mortgage Note Holder to exercise any right, power or remedy upon any Event of Default shall exhaust or impair any such right, power or remedy or shall be construed to waive any such Event of Default or to constitute acquiescence therein. Every right, power and remedy given to Beneficiary whether contained herein or in the other Indenture Documents or otherwise available to Beneficiary may be exercised from time to time and as often as may be deemed expedient by Beneficiary.

4.14 No Waiver of One Default to Affect Another. No waiver of any Event of Default hereunder shall extend to or affect any subsequent or any other Event of Default then existing, or impair any rights, powers or remedies consequent thereon. If Beneficiary or the required percentage of the Second Mortgage Note Holders (as determined pursuant to the Mortgage Notes Indenture), to the extent applicable under the Mortgage Notes Indenture, (a) grants forbearance or an extension of time for the payment of any sums secured hereby; (b) takes other or additional security for the payment thereof; (c) waives or does not exercise any right granted in the Notes, the Mortgage Notes Indenture, this Deed of Trust, the Disbursement Agreement or any other Indenture Document; (d) releases any part of the Trust Estate from the lien or security interest of this Deed of Trust or any other instrument securing the Obligations; (e) consents to the filing of any map, plat or replat of the Site (to the extent such consent is required); (f) consents to the granting of any easement on the Site (to the extent such consent is required); or (g) makes or consents to any agreement changing the terms of this Deed of

24

Trust or any other Indenture Document subordinating the lien or any charge hereof, no such act or omission shall release, discharge, modify, change or affect the original liability of Trustor under the Mortgage Notes Indenture or any other Indenture Document or otherwise, or any subsequent purchaser of the Trust Estate or any part thereof or any maker, co-signer, surety or guarantor. No such act or omission shall preclude Beneficiary from exercising any right, power or privilege herein granted or intended to be granted in case of any Event of Default then existing or of any subsequent Event of Default, nor, except as otherwise expressly provided in an instrument or instruments executed by Beneficiary, shall the lien or security interest of this Deed of Trust be altered thereby, except to the extent expressly provided in any releases, maps, easements or subordinations described in clause (d), (e), (f) or (g) above of this Section 4.14. In the event of the sale or transfer by operation of law or otherwise of all or any part of the Trust Estate, Beneficiary, without notice to any person, firm or corporation, is hereby authorized and empowered to deal with any such vendee or transferee with reference to the Trust Estate or the indebtedness secured hereby, or with reference to any of the terms or conditions hereof, as fully and to the same extent as it might deal with the original parties hereto and without in any way releasing or discharging any of the liabilities or undertakings hereunder, or waiving its right to declare such sale or transfer an Event of Default as provided herein. Notwithstanding anything to the contrary contained in this Deed of Trust or any other Indenture Document, (i) in the case of any non-monetary Event of Default, Beneficiary may continue to accept payments secured hereunder without thereby waiving the existence of such or any other Event of Default and (ii) in the case of any monetary Event of

Default, Beneficiary may accept partial payments of any sums secured hereunder without thereby waiving the existence of such Event of Default if the partial payment is not sufficient to completely cure such Event of Default.

4.15 Discontinuance of Proceedings; Position of Parties Restored. If Beneficiary shall have proceeded to enforce any right or remedy under this Deed of Trust by foreclosure, entry of judgment or otherwise and such proceedings shall have been discontinued or abandoned for any reason, or such proceedings shall have resulted in a final determination adverse to Beneficiary, then and in every such case Trustor and Beneficiary shall be restored to their former positions and rights hereunder, and all rights, powers and remedies of Beneficiary shall continue as if no such proceedings had occurred or had been taken.

4.16 Remedies Cumulative. No right, power or remedy, including without limitation remedies with respect to any security for Obligations, conferred upon or reserved to Beneficiary by this Deed of Trust or any other Indenture Document is exclusive of any other right, power or remedy, but each and every such right, power and remedy shall be cumulative and concurrent and shall be in addition to any other right, power and remedy given hereunder or any other Indenture Document, now or hereafter existing at law, in equity or by statute, and Beneficiary shall be entitled to resort to such rights, powers, remedies or security as Beneficiary shall in its sole and absolute discretion deem advisable.

4.17 Interest After Event of Default. If an Event of Default shall have occurred and is continuing, all sums outstanding and unpaid under the Obligations shall, at Beneficiary's option, bear interest at the rate applicable to overdue principal set forth in the Mortgage Notes Indenture until such Event of Default has been cured. Trustor's obligation to pay such interest shall be secured by this Deed of Trust.

4.18 Foreclosure; Expenses of Litigation. If Trustee forecloses, reasonable attorneys' fees for services in the supervision of said foreclosure proceeding shall be allowed to the Trustee and Beneficiary as part of the foreclosure costs. In the event of foreclosure of the lien hereof, there shall be allowed and included as additional indebtedness all reasonable expenditures and expenses which may be paid or incurred by or on behalf of Beneficiary for attorneys' fees, appraiser's fees, outlays for documentary and expert evidence, stenographers' charges, publication costs, and costs (which may be estimated as to items to be expended after foreclosure sale or entry of the decree) of procuring all such abstracts of title, title searches and examinations, title insurance policies and guarantees, and similar data and assurances with respect to title as Beneficiary may deem reasonably advisable either to prosecute such suit or to evidence to a bidder at any sale which may be had pursuant to such decree the true condition

25

of the title to or the value of the Trust Estate or any portion thereof. All expenditures and expenses of the nature in this section mentioned, and such expenses and fees as may be incurred in the protection of the Trust Estate and the maintenance of the lien and security interest of this Deed of Trust, including the fees of any attorney employed by Beneficiary in any litigation or proceeding affecting this Deed of Trust, the Mortgage Notes Indenture or any other Indenture Document, the Trust Estate or any portion thereof, including, without limitation, civil, probate, appellate and bankruptcy proceedings, or in preparation for the commencement or defense of any proceeding or threatened suit or proceeding, shall be immediately due and payable by Trustor, with interest thereon at the rate applicable to overdue principal set forth in the Mortgage Notes Indenture, and shall be secured by this Deed of Trust. Trustee waives its right to any statutory fee in connection with any judicial or nonjudicial foreclosure of the lien hereof and agrees to accept a reasonable fee for such services.

4.19 Deficiency Judgments. If after foreclosure of this Deed of Trust or Trustee's sale hereunder, there shall remain any deficiency with respect to any Obligations, and Beneficiary shall institute any proceedings to recover such deficiency or deficiencies, all such amounts shall continue to bear interest at the rate applicable to overdue principal set forth in the Mortgage Notes Indenture. Trustor waives any defense to Beneficiary's recovery against Trustor of any deficiency after any foreclosure sale of the Trust Estate. Trustor expressly waives any defense or benefits that may be derived from any statute granting Trustor any defense to any such recovery by Beneficiary. In addition, Beneficiary and Trustee shall be entitled to recovery of all of their reasonable costs and expenditures (including without limitation any court imposed costs) in connection with such proceedings, including their reasonable attorneys' fees, appraisal fees and the other costs, fees and expenditures referred to in Section 4.18 above. This provision shall survive any foreclosure or sale of the Trust Estate, any portion thereof and/or the extinguishment of the lien hereof.

4.20 Waiver of Jury Trial. Beneficiary and Trustor each waive any right to have a jury participate in resolving any dispute whether sounding in contract, tort or otherwise arising out of, connected with, related to or incidental to the relationship established between them in connection with the Obligations. Any such disputes shall be resolved in a bench trial without a jury.

4.21 Exculpation of Beneficiary. The acceptance by Beneficiary of the assignment contained herein with all of the rights, powers, privileges and authority created hereby shall not, prior to entry upon and taking possession of the Trust Estate by Beneficiary, be deemed or construed to make Beneficiary a "mortgagee in possession"; nor thereafter or at any time or in any event obligate Beneficiary to appear in or defend any action or proceeding relating to the Space Leases, the Rents or the Trust Estate, or to take any action hereunder or to expend any money or incur any expenses or perform or discharge any obligation, duty or liability under any Space Lease or to assume any obligation or responsibility for any security deposits or other deposits except to the extent such deposits are actually received by Beneficiary, nor shall Beneficiary, prior to such entry and taking, be liable in any way for any injury or damage to person or property sustained by any Person in or about the Trust Estate.

ARTICLE FIVE RIGHTS AND RESPONSIBILITIES OF TRUSTEE; OTHER PROVISIONS RELATING TO TRUSTEE

Notwithstanding anything to the contrary in this Deed of Trust, Trustor and Beneficiary agree as follows.

5.1 Exercise of Remedies by Trustee. To the extent that this Deed of Trust or applicable law, including all applicable Nevada Gaming Laws, authorizes or empowers, or does not require approval for, Beneficiary to exercise any remedies set forth in Article Four hereof or otherwise, or perform any acts in connection therewith, Trustee (but not to the exclusion of Beneficiary unless so required under the law of the State of Nevada) shall have the power to exercise any or all such remedies, and to

26

perform any acts provided for in this Deed of Trust in connection therewith, all for the benefit of Beneficiary and on Beneficiary's behalf in accordance with applicable law of the State of Nevada. In connection therewith, Trustee: (a) shall not exercise, or waive the exercise of, any of Beneficiary's remedies (other than any rights of Trustee to any indemnity or reimbursement), except at Beneficiary's request, and (b) shall exercise, or waive the exercise of, any or all of Beneficiary's remedies at Beneficiary's request, and in accordance with Beneficiary's directions as to the manner of such exercise or waiver. Trustee may, however, decline to follow Beneficiary's request or direction if Trustee shall be advised by counsel that the action or proceeding, or manner thereof, so directed may not lawfully be taken or waived.

5.2 Rights and Privileges of Trustee. To the extent that this Deed of Trust requires Trustor to indemnify Beneficiary or reimburse Beneficiary for any expenditures Beneficiary may incur, Trustee shall be entitled to the same indemnity and the same rights to reimbursement of expenses as Beneficiary, subject to such limitations and conditions as would apply in the case of Beneficiary. To the extent that this Deed of Trust negates or limits Beneficiary's liability as to any matter, Trustee shall be entitled to the same negation or limitation of liability. To the extent that Trustor, pursuant to this Deed of Trust, appoints Beneficiary as Trustor's attorney in fact for any purpose, Beneficiary or (when so instructed by Beneficiary) Trustee shall be entitled to act on Trustor's behalf without joinder or confirmation by the other.

5.3 Resignation or Replacement of Trustee. Trustee may resign by an instrument in writing addressed to Beneficiary, and Trustee may be removed at any time with or without cause (i.e., in Beneficiary's sole and absolute discretion) by an instrument in writing executed by Beneficiary. In case of the death, resignation, removal or disqualification of Trustee or if for any reason Beneficiary shall deem it desirable to appoint a substitute, successor or replacement Trustee to act instead of Trustee originally named (or in place of any substitute, successor or replacement Trustee), then Beneficiary shall have the right and is hereby authorized and empowered to appoint a successor, substitute or replacement Trustee, without any formality other than appointment and designation in writing executed by Beneficiary, which instrument shall be recorded in the Office of the Recorder of Clark County, Nevada. The law of the State of Nevada (including, without limitation, the Nevada Gaming Laws) shall govern the qualifications of any Trustee. The authority conferred upon Trustee by this Deed of Trust shall automatically extend to any and all other successor, substitute and replacement Trustee(s) successively until the obligations secured hereunder have been paid in full or the Trust Estate has been sold hereunder or released in accordance with the provisions of the Mortgage Notes Indenture and the other Indenture Documents. Beneficiary's written appointment and designation of any Trustee shall be full evidence of Beneficiary's right and authority to make the same and of all facts therein recited. No confirmation, authorization, approval or other action by Trustor shall be required in connection with any resignation or other replacement of Trustee.

5.4 Authority of Beneficiary. If Beneficiary is a banking corporation, state banking corporation or a national banking association and the instrument of appointment of any successor or replacement Trustee is executed on Beneficiary's behalf by an officer of such corporation, state banking corporation or national banking association, then such appointment shall be conclusively presumed to be executed with authority and shall be valid and sufficient without proof of any action by the board of directors or any superior officer of Beneficiary.

5.5 Effect of Appointment of Successor Trustee. Upon the appointment and designation of any successor, substitute or replacement Trustee, and subject to compliance with applicable Nevada Gaming Laws and other applicable laws, Trustee's entire estate and title in the Trust Estate shall vest in the designated successor, substitute or replacement Trustee. Such successor, substitute or replacement Trustee shall thereupon succeed to and shall hold, possess and execute all the rights, powers, privileges, immunities and duties herein conferred upon Trustee. All references herein to Trustee shall be deemed

to refer to Trustee (including any successor or substitute appointed and designated as herein provided) from time to time acting hereunder.

5.6 Confirmation of Transfer and Succession. Upon the written request of Beneficiary or of any successor, substitute or replacement Trustee, any former Trustee ceasing to act shall execute and deliver an instrument transferring to such successor, substitute or replacement Trustee all of the right, title, estate and interest in the Trust Estate of Trustee so ceasing to act, together with all the rights, powers, privileges, immunities and duties herein conferred upon Trustee, and shall duly assign, transfer and deliver all properties and moneys held by said Trustee hereunder to said successor, substitute or replacement Trustee.

5.7 Exculpation. Trustee shall not be liable for any error of judgment or act done by Trustee in good faith, or otherwise be responsible or accountable under any circumstances whatsoever, except for Trustee's gross negligence, willful misconduct or knowing violation of law. Trustee shall have the right to rely on any instrument, document or signature authorizing or supporting any action taken or proposed to be taken by it hereunder, believed by it in good faith to be genuine. All moneys received by Trustee shall, until used or applied as herein provided, be held in trust for the purposes for which they were received, but need not be segregated in any manner from any other moneys (except to the extent required by law). Trustee shall be under no liability for interest on any moneys received by it hereunder.

5.8 Endorsement and Execution of Documents. Upon Beneficiary's written request, Trustee shall, without liability or notice to Trustor, execute, consent to, or join in any instrument or agreement in connection with or necessary to effectuate the purposes of the Mortgage Notes Indenture and the other Indenture Documents. Trustor hereby irrevocably designates Trustee as its attorney in fact to execute, acknowledge and deliver, on Trustor's behalf and in Trustor's name, all instruments or agreements necessary to implement any provision(s) of this Deed of Trust or to further perfect the lien created by this Deed of Trust on the Trust Estate. This power of attorney shall be deemed to be coupled with an interest and shall survive any disability of Trustor.

5.9 Multiple Trustees. If Beneficiary appoints multiple trustees, then any Trustee, individually, may exercise all powers granted to Trustee under this instrument, without the need for action by any other Trustee(s).

5.10 Terms of Trustee's Acceptance. Trustee accepts the trust created by this Deed of Trust upon the following terms and conditions:

(a) **Delegation.** Trustee may exercise any of its powers through appointment of attorney(s) in fact or agents.

(b) **Counsel.** Trustee may select and employ legal counsel (including any law firm representing Beneficiary). Trustor shall reimburse all reasonable legal fees and expenses that Trustee may thereby incur.

(c) **Security.** Trustee shall be under no obligation to take any action upon any Event of Default unless furnished security or indemnity, in form satisfactory to Trustee, against costs, expenses, and liabilities that Trustee may incur.

(d) **Costs and Expenses.** Trustor shall reimburse Trustee, as part of the Obligations secured hereunder, for all reasonable disbursements and expenses (including reasonable legal fees and expenses) incurred by reason of and as provided for in this Deed of Trust, including any of the foregoing incurred in Trustee's administering and executing the trust created by this Deed of Trust, in complying with all applicable Nevada Gaming Laws and performing Trustee's duties and exercising Trustee's powers under this Deed of Trust.

28

(e) **Release.** Upon full and indefeasible payment and performance of the Obligations secured hereunder, Beneficiary shall request that Trustee release this Deed of Trust. Upon receipt of such request Trustee shall release this Deed of Trust to Trustor. Trustor shall pay all costs of recordation, if any.

ARTICLE SIX MISCELLANEOUS PROVISIONS

6.1 **Heirs, Successors and Assigns Included in Parties.** Whenever one of the parties hereto is named or referred to herein, the heirs, successors and assigns of such party shall be included, and subject to the limitations set forth in Section 1.9, all covenants and agreements contained in this Deed of Trust, by or on behalf of Trustor or Beneficiary shall bind and inure to the benefit of its heirs, successors and assigns, whether so expressed or not.

6.2 **Addresses for Notices, Etc.** Any notice, report, demand or other instrument authorized or required to be given or furnished under this Deed of Trust to Trustor or Beneficiary shall be deemed given or furnished (i) when addressed to the party intended to receive the same, at the address of such party set forth below, and delivered by hand at such address or (ii) three (3) days after the same is deposited in the United States mail as first class certified mail, return receipt requested, postage paid, whether or not the same is actually received by such party:

6.3 **Change of Notice Address.** Any Person may change the address to which any such notice, report, demand or other instrument is to be delivered or mailed to that person, by furnishing written notice of such change to the other parties, but no such notice of change shall be effective unless and until received by such other parties.

6.4 **Headings.** The headings of the articles, sections, paragraphs and subdivisions of this Deed of Trust are for convenience of reference only, are not to be considered a part hereof, and shall not limit or expand or otherwise affect any of the terms hereof.

6.5 **Invalid Provisions to Affect No Others.** In the event that any of the covenants, agreements, terms or provisions contained herein or in the Notes, the Mortgage Notes Indenture or any other Indenture Document shall be invalid, illegal or unenforceable in any respect, the validity of the lien hereof and the remaining covenants, agreements, terms or provisions contained herein or in the Notes, the Mortgage Notes Indenture or any other Indenture Document shall be in no way affected, prejudiced or

29

disturbed thereby. To the extent permitted by law, Trustor waives any provision of law which renders any provision hereof prohibited or unenforceable in any respect.

6.6 **Changes and Priority Over Intervening Liens.** Neither this Deed of Trust nor any term hereof may be changed, waived, discharged or terminated orally, or by any action or inaction, but only by an instrument in writing signed by the party against which enforcement of the change, waiver, discharge or termination is sought. Any agreement hereafter made by Trustor and Beneficiary relating to this Deed of Trust shall be superior to the rights of the holder of any intervening lien or encumbrance.

6.7 **Estoppel Certificates.** Within ten (10) Business Days after Beneficiary's written request, Trustor shall from time to time execute a certificate, in recordable form (an "Estoppel Certificate"), stating, except to the extent it would be inaccurate to so state: (a) the current amount of the Obligations secured hereunder and all elements thereof, including principal, interest, and all other elements; (b) that Trustor has no defense, offset, claim, counterclaim, right of

recoupment, deduction, or reduction against any of the Obligations secured hereunder; (c) that neither the Mortgage Notes Indenture, this Deed of Trust nor any other Indenture Documents to which it is a party have been amended, whether orally or in writing; (d) that Trustor has no claims against Beneficiary of any kind; (e) that any power of attorney granted to Beneficiary is in full force and effect; and (f) such other matters relating to this Deed of Trust, the Mortgage Notes Indenture or any other Indenture Document to which it is a party and the relationship of Trustor and Beneficiary as Beneficiary shall request. In addition, the Estoppel Certificate shall set forth the reasons why it would be inaccurate to make any of the foregoing assurances.

6.8 Waiver of Setoff and Counterclaim. All Obligations shall be payable without setoff, counterclaim or any deduction whatsoever. Trustor hereby waives the right to assert a counterclaim (other than a compulsory counterclaim) in any action or proceeding brought against it by Beneficiary and/or any Second Mortgage Note Holder under the Indenture Documents, or arising out of or in any way connected with this Deed of Trust or the other Indenture Documents or the Obligations.

6.9 Governing Law. The Mortgage Notes Indenture and the Notes provide that they are governed by, and construed and enforced in accordance with, the laws of the State of New York. This Deed of Trust shall also be construed under and governed by the laws of the State of New York; provided, however, that (i) the terms and provisions of this Deed of Trust pertaining to the priority, perfection, enforcement or realization by Beneficiary of its respective rights and remedies under this Deed of Trust with respect to the Trust Estate shall be governed and construed and enforced in accordance with the internal laws of the State of Nevada (the "State") without giving effect to the conflicts-of-law rules and principles of the State; (ii) Trustor agrees that to the extent deficiency judgments are available under the laws of the State after a foreclosure (judicial or nonjudicial) of the Trust Estate, or any portion thereof, or any other realization thereon by Beneficiary or any Second Mortgage Note Holder under the Indenture Documents, Beneficiary or such Second Mortgage Note Holder, as the case may be, shall have the right to seek such a deficiency judgment against Trustor in the State; and (iii) Trustor agrees that if Beneficiary or any Second Mortgage Note Holder under the Indenture Documents obtains a deficiency judgment in another state against Trustor, then Beneficiary or such Second Mortgage Note Holder, as the case may be, shall have the right to enforce such judgment in the State to the extent permitted under the laws of the State, as well as in other states.

6.10 Required Notices. Trustor shall notify Beneficiary promptly of the occurrence of any of the following and shall immediately provide Beneficiary a copy of the notice or documents referred to: (i) receipt of notice from any Governmental Authority relating to all or any material part of the Trust Estate if such notice relates to a default or act, omission or circumstance which would result in a default after notice or passage of time or both; (ii) receipt of any notice from any tenant leasing all or any material portion of the Trust Estate if such notice relates to a default or act, omission or circumstance which would result in a default after notice or passage of time or both; (iii) receipt of

30

notice from the holder of any Permitted Lien relating to a default or act, omission or circumstance which would result in a default after notice or passage of time or both; (iv) the commencement of any proceedings or the entry of any judgment, decree or order materially affecting all or any portion of the Trust Estate or which involve the potential liability of Trustor or its Affiliates in an amount in excess of \$25,000,000 (other than for personal injury actions and related property damage suits which are covered by such insurance); or (v) commencement of any judicial or administrative proceedings or the entry of any judgment, decree or order by or against or otherwise affecting Trustor or any Affiliate of Trustor, a material portion of the Trust Estate, or a material portion of the Personal Property, or any other action by any creditor or lessor thereof as a result of any default under the terms of any lease.

6.11 Reconveyance. Upon written request of Trustor when the Obligations secured hereby have been satisfied in full, Beneficiary shall cause Trustee to reconvey, without warranty, the property then held hereunder. The recitals in such reconveyance of any matters or facts shall be conclusive proof of the truthfulness thereof. The grantee in such reconveyance may be described as "the person or persons legally entitled thereto."

6.12 Attorneys' Fees. Without limiting any other provision contained herein, Trustor agrees to pay all costs of Beneficiary or Trustee incurred in connection with the enforcement of this Deed of Trust, the Mortgage Notes Indenture or the other Indenture Documents to which it is a party, including without limitation all reasonable attorneys' fees whether or not suit is commenced, and including, without limitation, fees incurred in connection with any probate, appellate, bankruptcy, deficiency or any other litigation proceedings, all of which sums shall be secured hereby.

6.13 Late Charges By accepting payment of any sum secured hereby after its due date, Beneficiary does not waive its right to collect any late charge thereon or interest thereon at the interest rate on the Notes or as otherwise specified in the Mortgage Notes Indenture, if so provided, not then paid or its right either to require prompt payment when due of all other sums so secured or to declare default for failure to pay any amounts not so paid.

6.14 Cost of Accounting. Trustor shall pay to Beneficiary, for and on account of the preparation and rendition of any accounting, which Trustor may be entitled to require under any law or statute now or hereafter providing therefor, the reasonable costs thereof.

6.15 Right of Entry. Subject to compliance with applicable Nevada Gaming Laws, Beneficiary may at any reasonable time or times and on reasonable prior written notice to Trustor make or cause to be made entry upon and inspections of the Trust Estate or any part thereof in person or by agent.

6.16 Corrections. Trustor shall, upon request of Beneficiary or Trustee, promptly correct any defect, error or omission which may be discovered in the contents of this Deed of Trust (including, but not limited to, in the exhibits and schedules attached hereto) or in the execution or acknowledgement hereof, and shall execute, acknowledge and deliver such further instruments and do such further acts as may be necessary or as may be reasonably requested by Trustee to carry out more effectively the purposes of this Deed of Trust, to subject to the lien and security interest hereby created any of Trustor's properties, rights or interest covered or intended to be covered hereby, and to perfect and maintain such lien and security interest.

6.17 Statute of Limitations. To the fullest extent allowed by the law, the right to plead, use or assert any statute of limitations as a plea or defense or bar of any kind, or for any purpose, to any debt, demand or obligation secured or to be secured hereby, or to any complaint or other pleading or proceeding filed, instituted or maintained for the purpose of enforcing this Deed of Trust or any rights hereunder, is hereby waived by Trustor.

6.18 Subrogation. Should the proceeds of any Note or advance made by Beneficiary or any Second Mortgage Note Holder under the Mortgage Notes Indenture, repayment of which is hereby secured, or any part thereof, or any amount paid out or advanced by Beneficiary or any Second Mortgage Note

31

Holder under the Mortgage Notes Indenture, be used directly or indirectly to pay off, discharge, or satisfy, in whole or in part, any prior or superior lien or encumbrance upon the Trust Estate, or any part thereof, then, as additional security hereunder, Trustee, on behalf of Beneficiary, shall be subrogated to any and all rights, superior titles, liens, and equities owned or claimed by any owner or holder of said outstanding liens, charges, and indebtedness, however remote, regardless of whether said liens, charges, and indebtedness are acquired by assignment or have been released of record by the holder thereof upon payment.

6.19 **Joint and Several Liability.** All obligations of Trustor hereunder, if more than one, are joint and several. Recourse for deficiency after sale hereunder may be had against the property of Trustor, without, however, creating a present or other lien or charge thereon.

6.20 **Homestead.** Trustor hereby waives and renounces all homestead and exemption rights provided by the constitution and the laws of the United States and of any state, in and to the Trust Estate as against the collection of the Obligations, or any part hereof.

6.21 **Context.** In this Deed of Trust, whenever the context so requires, the neuter includes the masculine and feminine, and the singular including the plural, and vice versa.

6.22 **Time.** Time is of the essence of each and every term, covenant and condition hereof. Unless otherwise specified herein, any reference to "days" in this Deed of Trust shall be deemed to mean "calendar days."

6.23 **Interpretation.** As used in this Deed of Trust unless the context clearly requires otherwise: The terms "herein" or "hereunder" and similar terms without reference to a particular section shall refer to the entire Deed of Trust and not just to the section in which such terms appear; the term "lien" shall also mean a security interest, and the term "security interest" shall also mean a lien.

6.24 **Effect of NRS 107.030.** To the extent not inconsistent herewith, the provisions of NRS 107.030 (1), (2) (in amounts as hereinafter provided for), (3), (4) (with interest at the default rate provided for under the Mortgage Notes Indenture), (5), (6), (7) (reasonable), (8) and (9) are included herein by reference and made part of this Deed of Trust.

6.25 **Amendments.** This Deed of Trust cannot be waived, changed, discharged or terminated orally, but only by an instrument in writing signed by the party against whom enforcement of any waiver, change, discharge or termination is sought and only as permitted by the provisions of the Mortgage Notes Indenture.

6.26 **No Conflicts.** In the event that any of the provisions contained here conflict with the Mortgage Notes Indenture, the provisions contained in the Mortgage Notes Indenture shall prevail.

ARTICLE SEVEN POWER OF ATTORNEY

7.1 **Grant of Power.** Subject to compliance with applicable Nevada Gaming Laws, Trustor irrevocably appoints Beneficiary and any successor thereto as its attorney-in-fact, with full power and authority, including the power of substitution, exercisable only during the continuance of an Event of Default to act for Trustor in its name, place and stead as hereinafter provided:

7.1.1 **Possession and Completion.** To take possession of the Site and the Project, remove all employees, contractors and agents of Trustor therefrom, complete or attempt to complete the work of construction, and market, sell or lease the Site and the Project.

7.1.2 **Plans.** To make such additions, changes and corrections in the current Plans and Specifications as may be necessary or desirable, in Beneficiary's reasonable discretion, or as it deems proper to complete the Project.

32

7.1.3 **Employment of Others.** To employ such contractors, subcontractors, suppliers, architects, inspectors, consultants, property managers and other agents as Beneficiary, in its discretion, deems proper for the completion of the Project, for the protection or clearance of title to the Site or Personal Property, or for the protection of Beneficiary's interests with respect thereto.

7.1.4 **Security Guards.** To employ watchmen to protect the Site and the Project from injury.

7.1.5 **Compromise Claims.** To pay, settle or compromise all bills and claims then existing or thereafter arising against Trustor, which Beneficiary, in its discretion, deems proper for the protection or clearance of title to the Site or Personal Property, or for the protection of Beneficiary's interests with respect thereto.

7.1.6 **Legal Proceedings.** To prosecute and defend all actions and proceedings in connection with the Site or the Project.

7.2 **Other Acts.** To execute, acknowledge and deliver all other instruments and documents in the name of Trustor that are necessary or desirable, to exercise Trustor's rights under all contracts concerning the Site or the Project, including, without limitation, under any Space Leases, and to do all other acts with respect to the Site or the Project that Trustor might do on its own behalf, as Beneficiary, in its reasonable discretion, deems proper.

ARTICLE EIGHT GUARANTOR PROVISIONS

8.1 **Absolute and Unconditional Obligations.** All rights of Beneficiary and all obligations of Trustor hereunder shall be absolute and unconditional irrespective of (i) any lack of validity, legality or enforceability of the Mortgage Notes Indenture, any Note, or any other Indenture Document, (ii) the failure of any Second Mortgage Note Holder or any holder of any of the Obligations to assert any claim or demand or to enforce any right or remedy against the Issuers, Trustor or any other Person (including any other guarantor of the Obligations) under the provisions of the Mortgage Notes Indenture, any Note, any other Indenture Document or otherwise or to exercise any right or remedy against any other guarantor of, or collateral securing, any of the Obligations, (iii) any change in the time, manner or place of payment of, or in any other term of, all of the Obligations, or any other extension or renewal of any Obligation, (iv) any reduction, limitation, impairment or termination of any of the Obligations for any reason, including any claim of waiver, release, surrender, alteration or compromise, and shall not be subject to, and Trustor hereby waives any right to or claim of, any defense or setoff, counterclaim, recoupment, or termination whatsoever by reason

of the invalidity, illegality, nongenuineness, irregularity, compromise, unenforceability of, or any other event or occurrence affecting, any Obligation, (v) any amendment to, rescission, waiver, or other modification of, or any consent to departure from, any of the terms of the Mortgage Notes Indenture, any Note or any other Indenture Document, (vi) any sale, exchange, release or surrender of, realization upon or other manner or order of dealing with any property by whomsoever pledged or mortgaged to secure or howsoever securing the Obligations or any liabilities or obligations (including any of those hereunder) incurred directly or indirectly in respect thereof or hereof and/or any offset there against, (vii) the application of any sums by whomsoever paid or howsoever realized to any obligations and liabilities of the Issuers or any other Person to the Second Mortgage Note Holders under the Indenture Documents in the manner provided therein regardless of what obligations and liabilities remain unpaid, (viii) any action or failure to act in any manner referred to in this Deed of Trust which may deprive Trustor of its right to subrogation against the Issuers or any other Person to recover full indemnity for any payments or performances made pursuant to this Deed of Trust or of its right of contribution against any other party and (ix) any other circumstance which might otherwise constitute a defense available to, or a legal or equitable discharge of, the Issuers, any other Person, Trustor, any surety or any guarantor.

8.2 Waiver. Trustor hereby waives and relinquishes all rights and remedies accorded by applicable law to sureties or guarantors and agrees not to assert or take advantage of any such rights or remedies, including (i) any right to require Beneficiary or any other Second Mortgage Note Holder to proceed against the Issuers or any other Person or to proceed against or exhaust any security held by Beneficiary or any other Second Mortgage Note Holder at any time or to pursue any other remedy in Beneficiary's or any other Second Mortgage Note Holder's power before proceeding against Trustor, (ii) any defense that may arise by reason of the incapacity, lack of power or authority, death, dissolution, merger, termination or disability of the Issuers or any other Person or the failure of Beneficiary or any other Second Mortgage Note Holder to file or enforce a claim against the estate (in administration, bankruptcy or any other proceeding) of the Issuers or any other Person, (iii) demand, presentment, protest and notice of any kind except as provided herein, including notice of the existence, creation or incurring of any new or additional indebtedness or obligation or of any action or non-action on the part of the Issuers, Beneficiary, any other Second Mortgage Note Holder, any endorser or creditor of the Issuers, Trustor or on the part of any other Person under this or any other instrument in connection with any obligation or evidence of indebtedness held by Beneficiary or any other Second Mortgage Note Holder as collateral or in connection with any Obligation, (iv) any defense based upon an election of remedies by Beneficiary or any other Second Mortgage Note Holder, including an election to proceed by non-judicial rather than judicial foreclosure, which destroys or otherwise impairs the subrogation rights of Trustor, the right of Trustor to proceed against the Issuers or any other Person for reimbursement, or both, (v) any defense based on any offset against any amounts which may be owed by any Person to Trustor for any reason whatsoever, (vi) any defense based on any act, failure to act, delay or omission whatsoever on the part of the Issuers or any other Person of the failure by the Issuers or any other Person to do any act or thing or to observe or perform any covenant, condition or agreement to be observed or performed by it under the Indenture Documents, (vii) any defense based upon any statute or rule of law which provides that the obligation of a surety must be neither larger in amount nor in other respects more burdensome than that of the principal, provided, that, upon payment or performance in full of the Obligations, this Deed of Trust shall no longer be of any force or effect, (viii) any defense, setoff or counterclaim which may at any time be available to or asserted by the Issuers or any other Person against Beneficiary, any other Second Mortgage Note Holder or any other Person under the Indenture Documents, (ix) any duty on the part of Beneficiary or any other Second Mortgage Note Holder to disclose to Trustor any facts Beneficiary or any other Second Mortgage Note Holder may now or hereafter know about the Issuers or any other Person, regardless of whether Beneficiary or such Second Mortgage Note Holder have reason to believe that any such facts materially increase the risk beyond that which Trustor intends to assume, or have reason to believe that such facts are unknown to Trustor, or have a reasonable opportunity to communicate such facts to Trustor, since Trustor acknowledges that Trustor is fully responsible for being and keeping informed of the financial condition of the Issuers and any other Person liable for the Obligations and of all circumstances bearing on the risk of non-payment or non-performance of any obligations and liabilities hereby guaranteed, (x) the fact that Trustor may at any time in the future dispose of all or part of its direct or indirect interest in the Issuers or any other Person or otherwise cease to be an Affiliate of the Issuers or any other Person, as the case may be, (xi) any defense based on any change in the time, manner or place of any payment or performance under, or in any other term of, the Indenture Documents or any other amendment, renewal, extension, acceleration, compromise or waiver of or any consent or departure from the terms of the Indenture Documents, (xii) any defense arising because of Beneficiary's or any other Second Mortgage Note Holder's election, in any proceeding instituted under the Bankruptcy Code, of the application of Section 1111(b)(2) of the Bankruptcy Code, and (xiii) any defense based upon any borrowing or grant of a security interest under Section 364 of the Bankruptcy Code. To the fullest extent permitted by NRS 40.485 (1) and (2), the provisions of NRS 40.430 are waived.

8.3 Net Worth Limitation. If, notwithstanding the representation and warranty set forth in Section 1.2(b) hereof or anything to the contrary herein, enforcement of the liability of Trustor under this Deed of Trust for the full amount of the Obligations would be an unlawful or voidable transfer under any applicable fraudulent conveyance or fraudulent transfer law or any comparable law, then the liability of Trustor hereunder shall be reduced to the highest amount for which such liability may then be enforced without giving rise to an unlawful or voidable transfer under any such law.

For all purposes under this Deed of Trust it shall be deemed that the term "Trustor" includes all trade or fictitious names that Wynn Las Vegas, LLC (or any successor or assign thereof) now or hereafter uses, or has in the past used, including, without limitation, the Enumerated Names, with the same force and effect as if this Deed of Trust had been executed in all such names (in addition to "Wynn Las Vegas, LLC").

1.3 Compliance with Legal Requirements. Except as provided in the Mortgage Notes Indenture, Trustor shall promptly, fully, and faithfully comply in all material respects with all Legal Requirements and shall cause all portions of the Trust Estate and its use and occupancy to fully comply in all material respects with Legal Requirements at all times, whether or not such compliance requires work or remedial measures that are ordinary or extraordinary, foreseen or unforeseen, structural or nonstructural, or that interfere with the use or enjoyment of the Trust Estate.

1.4 Taxes. Except as otherwise permitted by the Mortgage Notes Indenture and the Disbursement Agreement, (a) Trustor shall pay all Impositions as they become due and payable and shall deliver to Beneficiary promptly upon Beneficiary's request, evidence satisfactory to Beneficiary that the Impositions have been paid or are not delinquent; (b) Trustor shall not suffer to exist, permit or initiate the joint assessment of the real and personal property, or any other procedure whereby the lien of the real property taxes and the lien of the personal property taxes shall be assessed, levied or charged to the Land as a single lien, except as may be required by law; and (c) in the event of the passage of any law deducting from the value of real property for the purposes of taxation any lien thereon, or changing in any way the taxation of deeds of trust or obligations secured thereby for state or local purposes, or the manner of collecting such taxes and imposing a tax, either directly or indirectly, on this Deed of Trust, the Notes or the other Indenture Documents, Trustor shall pay all such taxes.

1.5 Insurance.

11

(a) Hazard Insurance Requirements and Proceeds.

(1) *Hazard Insurance.* Trustor shall at its sole expense obtain for, deliver to, assign and maintain for the benefit of Beneficiary, during the term of this Deed of Trust, insurance policies insuring the Trust Estate and liability insurance policies, all in accordance with the requirements of the Mortgage Notes Indenture and the Disbursement Agreement (while in effect). Trustor shall pay promptly when due any premiums on such insurance policies and on any renewals thereof. In the event of the foreclosure of this Deed of Trust or any other transfer of title to the Trust Estate in partial or complete extinguishment of the indebtedness and other sums secured hereby, all right, title and interest of Beneficiary in and to all insurance policies and renewals thereof then in force shall pass to the purchaser or grantee.

(2) *Handling of Proceeds.* All Proceeds from any insurance policies shall be collected, held, handled and disbursed in accordance with the provisions of the Mortgage Notes Indenture and the Disbursement Agreement (while in effect). All proceeds of insurance allocable to Trustor, as owner or lessee of the Site, and attributable to business interruption insurance shall be collected, held, handled and disbursed in accordance with the provisions of the Mortgage Notes Indenture and the Disbursement Agreement. Any such proceeds disbursed to Beneficiary shall be applied to pay amounts then due and payable under this Deed of Trust. The balance shall be retained by Beneficiary or its designee in an interest bearing or other investment account approved by Beneficiary, which account Trustor hereby pledges to Beneficiary to secure the Obligations. Disbursements

shall be permitted from such account to pay expenses reasonably incurred by Trustor in owning and operating the Trust Estate, as reasonably approved by Beneficiary.

(b) **Compliance with Insurance Policies.** Trustor shall not violate or permit to be violated any of the conditions or provisions of any policy of insurance required by the Mortgage Notes Indenture, the Disbursement Agreement (while in effect) or this Deed of Trust and Trustor shall so perform and satisfy the requirements of the companies writing such policies that, at all times, companies of good standing shall be willing to write and/or continue such insurance. Trustor further covenants to promptly send to Beneficiary all notices relating to any violation of such policies or otherwise affecting Trustor's insurance coverage or ability to obtain and maintain such insurance coverage.

1.6 Condemnation. Beneficiary is hereby authorized, at its option, to commence, appear in and prosecute in its own or Trustor's name any action or proceeding relating to any condemnation and to settle or compromise any claim in connection therewith, and Trustor hereby appoints Beneficiary as its attorney-in-fact to take any action in Trustor's name pursuant to Beneficiary's rights hereunder. Immediately upon obtaining knowledge of the institution of any proceedings for the condemnation of the Trust Estate or any portion thereof, Trustor shall notify the Trustee and Beneficiary of the pendency of such proceedings. Trustor from time to time shall execute and deliver to Beneficiary all instruments requested by it to permit such participation; provided, however, that such instruments shall be deemed as supplemental to the foregoing grant of permission to Trustee and Beneficiary, and unless otherwise required, the foregoing permission shall, without more, be deemed sufficient to permit Trustee and/or Beneficiary to participate in such proceedings on behalf of Trustor. All such compensation awards, damages, claims, rights of action and Proceeds, and any other payments or relief, and the right thereto, are, whether paid to Beneficiary or Trustor or a third party trustee, included in the Trust Estate. All Proceeds paid directly to the Trustor shall be applied, if received by Trustor prior to the Final Completion Date, in accordance with the Disbursement Agreement and, if received on or after the Final Completion Date, in accordance with the Mortgage Notes Indenture. To the extent that any condemnation proceeds are not required to be applied towards restoration of the improvements

12

upon the Site, then Beneficiary shall have the right to apply said condemnation proceeds towards repayment of the Obligations. Trustor hereby waives any rights it may have under NRS 37.115, as amended or recodified from time to time.

1.7 Care of Trust Estate.

(a) Trustor shall preserve and maintain the Trust Estate in good condition and repair. Trustor shall not permit, commit or suffer to exist any waste, impairment or deterioration of the Trust Estate or of any part thereof that in any manner materially impairs Beneficiary's security hereunder and shall not take any action which will increase the risk of fire or other hazard to the Trust Estate or to any part thereof.

(b) Except for Permitted Dispositions, no material part of the Improvements or Tangible Collateral that are part of the Trust Estate shall be removed, demolished or materially altered, without the prior written consent of Beneficiary, which consent shall not be unreasonably withheld or delayed. Trustor shall have the right, without such consent, to remove and dispose of free from the lien of this Deed of Trust any part of the Improvements or Tangible Collateral that are part of the Trust Estate as from time to time may become worn out or obsolete or otherwise not useful in connection with the operation of the Trust Estate, provided that either (i) such removal or disposition does not materially affect the value of the Trust Estate or (ii) prior to or promptly following such removal, any such property shall be replaced with other property of substantially equal utility and of a value at least substantially equal to that of the replaced property when first acquired and free from any security interest of any other person (subject only to Permitted Liens), and by such removal and replacement Trustor shall be deemed to have subjected such replacement property to the lien of this Deed of Trust.

(c) Notwithstanding the foregoing provisions of this *Section 1.7*, the Trustor may develop the Project in the manner contemplated by the Disbursement Agreement, the Mortgage Notes Indenture and the other Indenture Documents.

1.8 Leases.

(a) Trustor represents, warrants and covenants that:

(i) as of the date hereof, Trustor has not entered into any Space Leases;

(iii) this Deed of Trust does not and will not constitute a violation or default under any Space Lease, and is and shall at all times constitute a valid lien on Trustor's interests in the Space Leases.

(b) Trustor shall not enter into any Space Lease or any modifications or amendments to any Space Lease, either orally or in writing, unless such Space Lease complies with the requirements of the Mortgage Notes Indenture and the Second Mortgage Notes Security Documents.

(c) After an Event of Default, upon the request of Beneficiary Trustor shall deliver to Beneficiary executed copies of all Space Leases.

1.9 Further Encumbrance.

(a) Trustor covenants that at all times prior to the discharge of the Mortgage Notes Indenture and the Notes, except for Permitted Liens and Permitted Dispositions, Trustor shall neither make nor suffer to exist, nor enter into any agreement for, any sale, assignment, exchange, mortgage, transfer, Lien, hypothecation or encumbrance of all or any part of the Trust Estate, including,

13

without limitation, the Rents. As used herein, "transfer" includes the actual transfer or other disposition, whether voluntary or involuntary, by law, or otherwise, except those transfers specifically permitted herein, provided, however, that "transfer" shall not include the granting of utility or other

beneficial easements with respect to the Trust Estate which have been or are granted by Trustor and are reasonably necessary to the construction, maintenance or operation of the Project.

(b) Any Permitted Lien consisting of the lien of a deed of trust which is junior to the lien of the Second Mortgage Notes Security Documents or any other Indenture Document (a "Subordinate Deed of Trust") shall be permitted hereunder so long as there shall have been delivered to Beneficiary, not less than thirty (30) days prior to the date thereof, a copy thereof which shall contain express covenants in form and substance satisfactory to Beneficiary to the effect that: (i) the Subordinate Deed of Trust is in all respects subject and subordinate to this Deed of Trust; (ii) if any action or proceeding shall be brought to foreclose the Subordinate Deed of Trust (regardless of whether the same is a judicial proceeding or pursuant to a power of sale contained therein), no tenant of any portion of the Trust Estate shall be named as a party defendant nor shall any action be taken with respect to the Trust Estate which would terminate any occupancy or tenancy of the Trust Estate, or any portion thereof, without the consent of Beneficiary; (iii) any Rents, if collected through a receiver or by the holder of the Subordinate Deed of Trust, shall be applied first to the obligations secured by this Deed of Trust, including principal and interest due and owing on or to become due and owing on the Notes or the other Indenture Documents, and then to the payment of maintenance expenses, operating charges, taxes, assessments, and disbursements incurred in connection with the ownership, operation, and maintenance of the Trust Estate; and (iv) if any action or proceeding shall be brought to foreclose the Subordinate Deed of Trust, prompt notice of the commencement thereof shall be given to Beneficiary.

(c) Trustor agrees that in the event the ownership of the Trust Estate or any part thereof becomes vested in a person other than Trustor, Beneficiary may, without notice to Trustor, deal in any way with such successor or successors in interest with reference to this Deed of Trust, the Notes, the other Indenture Documents and other Obligations hereby secured without in any way vitiating or discharging Trustor's or any guarantor's, surety's or endorser's liability hereunder or upon the obligations hereby secured. No sale of the Trust Estate and no forbearance to any person with respect to this Deed of Trust and no extension to any person of the time for payment of the Notes or other payment obligations under the Indenture Documents (whether principal and interest payments or otherwise), and other sums hereby secured given by Beneficiary shall operate to release, discharge, modify, change or affect the original liability of Trustor, or such guarantor, surety or endorser either in whole or in part.

(d) If Trustor shall fail to make any payment required to be made by it under any FF&E Financing Agreement, except where Trustor is contesting such payment in good faith, then the Beneficiary shall be entitled to make such payment on Trustor's behalf and any and all sums so expended by the Beneficiary shall be secured by this Deed of Trust and shall be repaid by Trustor upon demand, together with interest thereon at the interest at the rate applicable to overdue principal set forth in the Mortgage Notes Indenture from the date of advance.

1.10 **Partial Releases of Trust Estate.**

(a) Trustor may from time to time make a Permitted Disposition including, but not limited to, (i) transferring a portion of the Trust Estate (including any temporary taking) to any person legally empowered to exercise the power of eminent domain, or pursuant to dedication agreements that are now in effect or entered into in the future in connection with the development of the Project, (ii) granting utility easements reasonably necessary or desirable for the construction and/or

14

operation of the Project, which grant or transfer is for the benefit of the Trust Estate, or (iii) transferring all or a portion of the Trust Estate as permitted pursuant to the Disbursement Agreement or the other Indenture Documents. In each such case, Beneficiary shall execute and deliver any instruments necessary or appropriate to effectuate or confirm any such transfer or grant, free from the lien of this Deed of Trust, *provided, however*, that Beneficiary shall execute a lien release or subordination agreement, as appropriate, for matters described in clauses (i) and (iii) above only if:

(A) Such transfer, grant or release is not prohibited by the Mortgage Notes Indenture and all conditions precedent contained in the Mortgage Notes Indenture for such transfer, grant or release, if any, shall have been satisfied;

(B) Beneficiary and Trustee shall have received a counterpart of the instrument pursuant to which such transfer, grant or release is to be made, and each instrument which Beneficiary or Trustee is requested to execute in order to effectuate or confirm such transfer, grant or release; and

(b) Trustor shall forthwith upon the execution and delivery of this Deed of Trust, and thereafter from time to time, cause this Deed of Trust and each instrument of further assurance to be filed, indexed, registered, recorded, given or delivered in such manner and in such places as may be required by any present or future law in order to publish notice of and fully to protect the lien hereof upon, and the title of Trustee and/or Beneficiary to, the Trust Estate.

(c) Upon any modification of the boundaries of the Leased Premises (or any portion thereof), Trustor, at Trustor's expense, shall notify Beneficiary and amend this Deed of Trust to reflect an accurate description of the Leased Premises (or such portion thereof). In connection therewith, Trustor shall provide Beneficiary with such title insurance endorsements to Beneficiary's ALTA extended coverage Lender's Policy(ies) of Title Insurance as Beneficiary may reasonably request.

substitutions, and accessions therefor and thereto, subject to Beneficiary's rights to treat such property as real property as herein provided (collectively, the "**Personal Property**"). Trustor shall execute and/or deliver any and all documents and writings, including without limitation financing statements pursuant to the UCC, as may be necessary or prudent to preserve and maintain the priority of the security interest granted hereby on property which may be deemed subject to the foregoing security agreement or as Beneficiary may reasonably request, and shall pay to Beneficiary on demand any reasonable expenses incurred by Beneficiary in connection with the preparation, execution and filing of any such documents. Trustor hereby authorizes and empowers Beneficiary to file, on Trustor's behalf, all financing statements and refiling and continuations thereof as advisable to create, preserve and protect said security interest. Trustor acknowledges and agrees that it is not authorized to, and will not, authenticate or file, or authorize the filing of, any financing statements or other record with respect to the Personal Property (including any amendments thereto, or continuation or termination statements thereof), except as permitted by the Mortgage Notes Indenture. Trustor approves and ratifies any filing or recording of records made by or on behalf of Beneficiary in connection with the perfection of the security interest in favor of Beneficiary hereunder. This Deed of Trust constitutes both a real property deed of trust and a "security agreement," within the meaning of the UCC, and the Trust Estate includes both real and personal property and all other rights and interests, whether tangible or intangible in nature, of Trustor in the Trust Estate. Trustor by executing and delivering this Deed of Trust has granted to Beneficiary, as security of the Obligations, a security interest in the Trust Estate.

(a) **Fixture Filing.** Without in any way limiting the generality of the immediately preceding paragraph or of the definition of the Trust Estate, this Deed of Trust constitutes a fixture filing under Sections 9-334 and 9-502 of the UCC (NRS 104.9334 and 104.9502). (b) **Remedies.** This Deed of Trust shall be deemed a security agreement as defined in the UCC and the remedies for any violation of the covenants, terms and conditions of the agreements herein contained shall include any or all of (i) those prescribed herein, and (ii) those available under applicable law, and (iii) those available under the UCC, all at Beneficiary's sole election. In addition, a photographic or other reproduction of this Deed of Trust shall be sufficient as a financing statement for filing wherever filing may be necessary to perfect or continue the security interest granted herein.

(c) **Derogation of Real Property.** It is the intention of the parties that the filing of a financing statement in the records normally having to do with personal property shall never be construed as in anyway derogating from or impairing the express declaration and intention of the parties hereto as hereinabove stated that everything used in connection with the production of income from the Trust Estate and/or adapted for use therein and/or which is described or reflected in this Deed of Trust is, and at all times and for all purposes and in all proceedings both legal or equitable, shall be regarded as part of the real property encumbered by this Deed of Trust irrespective of whether (i) any such item is physically attached to the Improvements, (ii) serial numbers are used for the better identification of certain equipment items capable of being thus identified in a recital contained herein or in any list filed with Beneficiary, or (iii) any such item is referred to or reflected in any such financing statement so filed at any time. It is the intention of the parties that the mention in any such financing statement of (1) rights in or to the proceeds of any fire and/or hazard insurance policy, or (2) any award in eminent domain proceedings for a taking or for loss of value, or (3) Trustor's interest as lessors in any present or future Space Lease or rights to Rents,

shall never be construed as in anyway altering any of the rights of Beneficiary as determined by this Deed of Trust or impugning the priority of Beneficiary's real property lien granted hereby or by any other recorded document, but such mention in the financing statement is declared to be for the protection of Beneficiary in the event any court or judge shall at any time hold with respect to the matters set forth in the foregoing clauses (1), (2) and (3) that notice of Beneficiary's priority of interest to be effective against a particular class of persons, including but not limited to, the federal government and any subdivisions or entity of the federal government, must be filed in the UCC records.

(d) **Priority; Permitted Financing of Tangible Collateral.** All Personal Property of any nature whatsoever which is subject to the provisions of this security agreement shall be purchased or obtained by Trustor in its name and free and clear of any lien or encumbrance, except for Permitted Liens and the lien hereof, for use only in connection with the business and operation of the Project, and shall be and at all times remain free and clear of any lease or similar arrangement, chattel financing, installment sale agreement, security agreement and any encumbrance of like kind, so that Beneficiary's security interest shall attach to and vest in Trustor for the benefit of Beneficiary, with the priority herein specified, immediately upon the installation or use of the Personal Property at the Site and Trustor warrants and represents that Beneficiary's security interest in the Personal Property is a validly attached and binding security interest, properly perfected and prior to all other security interests therein except as otherwise permitted in this Deed of Trust. The foregoing shall not be construed as limiting Trustor's rights to transfer Personal Property pursuant to Permitted Dispositions or to obtain releases of Personal Property from the Lien of this Deed of Trust pursuant to *Section 1.10* hereof.

(e) **Preservation of Contractual Rights of Collateral.** Trustor shall, prior to delinquency, default, or forfeiture, perform all obligations and satisfy all material conditions required on its part to be satisfied to preserve its rights and privileges under any contract, lease, license, permit, or other authorization (i) under which it holds any Tangible Collateral or (ii) which constitutes part of the Intangible Collateral, except where Trustor is contesting such obligations in good faith.

(f) **Removal of Collateral.** Except for damaged or obsolete Tangible Collateral which is either no longer usable or which is removed temporarily for repair or improvement or removed for replacement on the Trust Estate with Tangible Collateral of similar function or as otherwise permitted herein, none of the Tangible Collateral shall be removed from the Trust Estate without Beneficiary's prior written consent.

(g) **Change of Name.** Trustor shall not change its corporate (or other entity) or business name, or do business within the State of Nevada under any name other than such name, or any trade name(s) other than those as to which Trustor gives prior written notice to Beneficiary of its intent to use such trade names, or any other business names (if any) specified in the financing statements delivered to Beneficiary for filing in connection with the execution hereof, without, in each case, providing Beneficiary with the additional financing statement(s) and any other similar documents deemed reasonably

necessary by Beneficiary to assure that its security interest remains perfected and of undiminished priority in all such Personal Property notwithstanding such name change.

1.13 Assignment of Leases and Rents. Subject to Nevada Gaming Laws and other applicable Legal Requirements, the assignment of Leases and Rents set out above in Granting Clause (G) shall constitute an absolute and present assignment to Beneficiary, subject to the license herein given to Trustor to collect the Rents, and shall be fully operative without any further action on the part of any party, and specifically Beneficiary shall be entitled upon the occurrence of an Event of Default hereunder to all Rents and to enter upon the Site and the Improvements to collect such Rents, provided, however, that Beneficiary shall not be obligated to take possession of the Trust Estate, or any portion thereof. The absolute assignment contained in Granting Clause (G) shall not be deemed to

17

impose upon Beneficiary any of the obligations or duties of Trustor provided in any such Space Lease (including, without limitation, any liability under the covenant of quiet enjoyment contained in any lease in the event that any lessee shall have been joined as a party defendant in any action to foreclose this Deed of Trust and shall have been barred and foreclosed thereby of all right, title and interest and equity of redemption in the Trust Estate or any part thereof).

1.14 Expenses.

(a) Trustor shall pay when due and payable all out-of-pocket costs, including without limitation, those reasonable appraisal fees, recording fees, taxes, abstract fees, title policy fees, escrow fees, attorneys' and paralegal fees, travel expenses, fees for inspecting architect(s) and engineer(s) and all other costs and expenses of every character which may hereafter be incurred by Beneficiary or any assignee of Beneficiary in connection with the preparation and execution of the Mortgage Notes Indenture, the Second Mortgage Notes Security Documents and the other Indenture Documents or instruments, agreements or documents of further assurance, the funding of the indebtedness secured hereby, and the enforcement of any of the foregoing. Other than costs associated with the enforcement of any of the foregoing, all such costs shall be itemized in reasonable detail; and

(b) Trustor shall, upon demand by Beneficiary, reimburse Beneficiary or any assignee of Beneficiary for all such reasonable expenses which have been incurred or which shall be incurred by it; and

(c) Trustor shall indemnify Beneficiary with respect to any transaction or matter in any way connected with any portion of the Trust Estate, this Deed of Trust, including any occurrence at, in, on, upon or about the Trust Estate (including any personal injury, loss of life, or property damage), or Trustor's use, occupancy, or operation of the Trust Estate, or the filing or enforcement of any mechanic's lien, or otherwise caused in whole or in part by any act, omission or negligence occurring on or at the Trust Estate, including failure to comply with any Legal Requirement or with any requirement of this Deed of Trust that applies to Trustor, except to the extent resulting from the gross negligence, fraud or willful misconduct of Trustee or Beneficiary. If Beneficiary is a party to any litigation as to which either Trustor is required to indemnify Beneficiary (or is made a defendant in any action of any kind against Trustor or relating directly or indirectly to any portion of the Trust Estate) then, at Beneficiary's option, Trustor shall undertake Beneficiary's defense, using counsel reasonably satisfactory to Beneficiary (and any settlement shall be subject to Beneficiary's consent, which consent shall not be unreasonably withheld), and in any case shall indemnify Beneficiary against such litigation. Trustor shall pay all reasonable costs and expenses, including reasonable legal costs, that Beneficiary pays or incurs in connection with any such litigation. Any amount payable under any indemnity in this Deed of Trust shall be a demand obligation, shall be added to, and become a part of, the secured obligations under this Deed of Trust, shall be secured by this Deed of Trust and shall bear interest at the interest rate specified in the Mortgage Notes Indenture. Such indemnity shall survive any release of this Deed of Trust and any foreclosure.

18

1.15 Beneficiary's Cure of Trustor's Default. If Trustor defaults hereunder in the payment of any tax, assessment, lien, encumbrance or other Imposition, in its obligation to furnish insurance hereunder, or in the performance or observance of any other covenant, condition or term of this Deed of Trust or any other Financing Agreement or any FF&E Financing Agreement, Beneficiary may, but is not obligated to, to preserve its interest in the Trust Estate, perform or observe the same, and all payments made (whether such payments are regular or accelerated payments) and reasonable costs and expenses incurred or paid by Beneficiary in connection therewith shall become due and payable immediately. The amounts so incurred or paid by Beneficiary, together with interest thereon at the interest rate applicable to overdue principal set forth in the Mortgage Notes Indenture, from the date incurred until paid by Trustor, shall be added to the indebtedness and secured by the lien of this Deed of Trust. Beneficiary, is hereby empowered to enter and to authorize others to enter upon the Site or any part thereof for the purpose of performing or observing any such defaulted covenant, condition or term, without thereby becoming liable to Trustor or any person in possession holding under Trustor. No exercise of any rights under this Section 1.15 by Beneficiary shall cure or waive any Event of Default or notice of default hereunder or invalidate any act done pursuant hereto or to any such notice, but shall be cumulative of all other rights and remedies.

1.16 Use of Land. Trustor covenants that the Trust Estate shall be (i) used and operated in a manner consistent with the requirements of the Indenture Documents and (ii) open during such days and hours as are customarily observed by casino-hotels located in Las Vegas, Nevada, reasonably consistent with the provisions of the Mortgage Notes Indenture.

1.17 Compliance with Permitted Lien Agreements. Trustor shall comply with each and every material obligation contained in any agreement pertaining to a Permitted Lien.

1.18 Defense of Actions. Trustor shall appear in and defend any action or proceeding affecting or purporting to affect the security hereof or the rights or powers of Beneficiary or Trustee, and shall pay all costs and expenses, including cost of title search and insurance or other evidence of title, preparation of survey, and reasonable attorneys' fees in any such action or proceeding in which Beneficiary or Trustee may appear or may be joined as a party and in any suit brought by Beneficiary based upon or in connection with this Deed of Trust or any other Indenture Document. Nothing contained in this section shall, however, limit the right of Beneficiary to appear in such action or proceeding with counsel of its own choice, either on its own behalf or on behalf of Trustor.

1.19 Affiliates.

(a) **Subject to Trust Deed.** Subject to compliance with the requirements of applicable Nevada Gaming Laws, Trustor shall cause all of its Affiliates in any way involved with the operation of the Trust Estate or the Project to observe the covenants and conditions of this Deed of Trust to the extent necessary to give the full intended effect to such covenants and conditions and to protect and preserve the security of Beneficiary hereunder.

(b) **Restriction on Use of Subsidiary or Affiliate.** Except as permitted under the Mortgage Notes Indenture, the Notes, the Second Mortgage Notes Security Documents or any other Indenture Document, Trustor shall not use any Affiliate in the operation of the Trust Estate or the Project if such use would in any way impair the security for the Notes or the other Indenture Documents or circumvent any covenant or condition of this Deed of Trust or of any other Indenture Document.

1.20 **Title Insurance.** Promptly after the execution of this Deed of Trust, Trustor shall cause to be delivered to Trustee at Trustor's expense, one or more ALTA extended coverage Lender's Policies of Title Insurance showing fee title to the real property situated in the County of Clark, State of Nevada, more specifically described in Schedule A attached hereto, vested in Trustor and the lien of this Deed of Trust to be a perfected lien, prior to any and all encumbrances other than Permitted Encumbrances

19

(excluding, however, any such non-Permitted Encumbrances for which the Title Insurer has agreed to provide an endorsement or affirmative coverage protecting the lien of this Deed of Trust against such non-Permitted Encumbrances).

1.21 **Leasehold Estates.** Trustor represents, covenants and warrants: (a) that the Subject Leases are in full force and effect and unmodified; (b) Trustor will defend the leasehold estate under each Subject Lease for the entire remainder of the term set forth in each of the said Subject Leases against all and every Person or Persons lawfully claiming, or who may claim the same or any part thereof, subject to the payment of the rents in the Subject Leases reserved and subject to the performance and observance of all of the terms, covenants, conditions and warranties thereof; and (c) that there is no uncured default under any Subject Lease or in the performance of any of the terms, covenants, conditions or warranties thereof on the part of the lessor or the lessee to be observed and performed and that no state of facts exist under a Subject Lease which, with the lapse of time or giving of notice or both would constitute a default thereunder.

1.22 **Payment of Subject Leases Expenses.** The Trustor shall pay or cause to be paid on or prior to the date due all rents, additional rents and other charges and Impositions payable by the lessor or the lessee under the Subject Leases for which provision has not been made hereinbefore, when and as often as the same shall become due and payable.

1.23 **Trustor's Covenants with Respect to Subject Leases.**

(a) Trustor shall at all times promptly and faithfully keep and perform, or cause to be kept and performed, all the covenants and conditions contained in the Subject Leases to be kept and performed by it under the Subject Leases and in all respects conform to and comply with the terms and conditions of the Subject Leases. Trustor shall, within ten days after written demand from Beneficiary, deliver to Beneficiary proof of payment of all items that are required to be paid by Trustor under the Subject Leases, including, without limitation, rent, taxes, operating expenses and other charges. Trustor shall promptly deliver to Beneficiary copies of all notices given with respect to or which affect the Subject Leases including pleadings or notices of default given under the Subject Leases. Trustor further covenants that it shall not do or permit anything to occur or fail to occur which will impair or tend to impair the security of this Deed of Trust or will be grounds for declaring a forfeiture or termination of either Subject Lease, and upon any such failure as aforesaid, Trustor shall be subject to all of the rights and remedies granted Beneficiary in this Deed of Trust.

(b) Except as otherwise permitted in the Indenture Documents, Trustor shall not modify, extend or in any way alter the terms of the Subject Leases or cancel or surrender said Subject Leases or reject the Subject Leases in a case pending under the Bankruptcy Code, or waive, execute, condone or in anyway release or discharge the lessor thereunder of or from the obligations, covenants, conditions and agreements by said lessor to be done and performed; and Trustor does expressly release, relinquish and surrender unto Beneficiary all of its rights, power and authority to cancel, surrender, amend, modify or alter in any way the terms and provisions of the Subject Leases and any attempt on the part of Trustor to exercise any such right without the written approval and consent of Beneficiary thereto being first had and obtained shall constitute an Event of Default under the terms hereof and the other Indenture Documents and all Obligations and other sums secured hereby shall, at the option of Beneficiary, become due and payable forthwith. If Trustor becomes a debtor under the Bankruptcy Code, Trustor shall assume and assign the Subject Leases to Beneficiary, and it further agrees that it shall not object to any request by Beneficiary that the Subject Leases not be rejected, or that Beneficiary be authorized to assume Trustor's rights under the Subject Leases.

(c) Trustor shall deliver to Beneficiary an original executed copy of each Subject Lease, an estoppel certificate from the Lessor within ten (10) days of request by Beneficiary and in such

20

form and content as shall be satisfactory to Beneficiary, as well as any and all documentary evidence received by it showing compliance by Trustor with the provisions of the Subject Leases.

(d) Trustor does hereby authorize and irrevocably appoint and constitute Beneficiary as its true and lawful attorney-in-fact, which appointment is coupled with an interest, in its name, place and stead, to, upon the occurrence and during the continuance of an Event of Default, take any and all actions deemed necessary or desirable by Beneficiary to perform and comply with all the obligations of Trustor under the Subject Leases, and to do and take upon the occurrence and during continuation of an Event of Default, but without any obligation so to do or take, any action which Beneficiary deems reasonably necessary to prevent or cure any default by Trustor under the Subject Leases, to enter into and upon the Site, the Project or the Improvements or any part thereof as provided in the Indenture Documents in order to prevent or cure any default of Trustor pursuant thereto, to the end that the rights of Trustor in and to the leasehold estate created by the Subject Leases shall be kept free from default.

(e) In the event of any failure by Trustor to perform or cause the performance of any covenant on the part of lessor or lessee to be observed and performed under the Subject Leases, the performance by Beneficiary on behalf of Trustor of the applicable Subject Lease covenant shall not remove or waive, as between Trustor and Beneficiary, the corresponding Event of Default under the terms hereof and any amount so advanced by Beneficiary or any costs incurred in connection therewith, with interest thereon at the interest rate applicable to overdue principal under the Mortgage Notes Indenture, shall constitute additional Obligations secured hereby and be immediately due and payable.

(f) To the extent permitted by law, the price payable by Trustor, or by any other party so entitled, in the exercise of the right of redemption, if any, shall include all rents paid and other sums advanced by Beneficiary, on behalf of Trustor, as lessee under the Subject Leases.

(g) Trustor shall use all reasonable efforts to enforce the obligations of the lessor under the Subject Leases in a commercially reasonable manner.

(h) No release or forbearance of any of Trustor's obligations under the Subject Leases by the lessor thereunder, shall release Trustor from any of its obligations under this Deed of Trust.

(i) The lien of this Deed of Trust shall attach to all of Trustor's rights and remedies at any time arising under or pursuant to section 365(h) of the Bankruptcy Law, including, without limitation, all of Trustor's rights to remain in possession of the Leased Premises. Trustor shall not elect to treat the Subject Leases as terminated under section 365(h)(1) of the Bankruptcy Law, and any such election shall be void.

(i) If pursuant to section 365(h)(2) of the Bankruptcy Law, Trustor shall seek to offset against the rent reserved in the Subject Leases the amount of any damages caused by the nonperformance by the lessor or any other party of any of their respective obligations thereunder after the rejection by the lessor or such other party of the Subject Leases under the Bankruptcy Law, then Trustor shall, prior to effecting such offset, notify Beneficiary of its intent to do so, setting forth the amount proposed to be so offset and the basis therefor. Beneficiary shall have the right to object to all or any part of such offset that, in the reasonable judgment of Beneficiary, would constitute a breach of the Subject Leases, and in the event of such objection, Trustor shall not effect any offset of the amounts found objectionable by Beneficiary. Neither Beneficiary's failure to object as aforesaid nor any objection relating to such offset shall constitute an approval of any such offset by Beneficiary.

(ii) If any action, proceeding, motion or notice shall be commenced or filed in respect of the lessor under the Subject Leases or any other party or in respect of the Subject Leases in connection with any case under the Bankruptcy Law, then Beneficiary shall have the option to

21

intervene in any such litigation with counsel of Beneficiary's choice. Beneficiary may proceed in its own name in connection with any such litigation, and Trustor agrees to execute any and all powers, authorizations, consents or other documents required by Beneficiary in connection therewith.

(iii) Trustor shall, after obtaining knowledge thereof, promptly notify Beneficiary of any filing by or against the lessor or any other party with an interest in the Leased Premises of a petition under the Bankruptcy Law. Trustor shall promptly deliver to Beneficiary, following receipt, copies of any and all notices, summonses, pleadings, applications and other documents received by Trustor in connection with any such petition and any proceedings relating thereto.

(iv) If there shall be filed by or against Trustor a petition under the Bankruptcy Law, and Trustor, as lessee under the Subject Leases, shall determine to reject the Subject Leases pursuant to section 365(a) of the Bankruptcy Law, then Trustor shall give Beneficiary a notice of the date on which Trustor shall apply to the bankruptcy court for authority to reject the Subject Leases (such notice to be no later than twenty (20) days prior to such date). Beneficiary shall have the right, but not the obligation, to serve upon Trustor at any time prior to the date on which Trustor shall so apply to the bankruptcy court a notice stating that Beneficiary demands that Trustor assume and assign the Subject Leases to Beneficiary pursuant to section 365 of the Bankruptcy Law. If Beneficiary shall serve upon Trustor the notice described in the preceding sentence, to the extent permitted by law Trustor shall not seek to reject the Subject Leases and shall comply with the demand provided for in the preceding sentence. In addition, effective upon the entry of an order for relief with respect to Trustor under the Bankruptcy Law, Trustor hereby assigns and transfers to Beneficiary a non-exclusive right to apply to the bankruptcy court under section 365(d)(4) of the Bankruptcy Law for an order extending the period during which the Subject Leases may be rejected or assumed; and shall (a) promptly notify Beneficiary of any default by Trustor in the performance or observance of any of the terms, covenants or conditions on the part of Trustor to be performed or observed under the Subject Leases and of the giving of any written notice by the lessor thereunder to Trustor of any such default, and (b) promptly cause a copy of each written notice given to Trustor by the lessor under the Subject Leases to be delivered to Beneficiary. Beneficiary may rely on any notice received by it from any such lessor of any default by Trustor under the Subject Leases and may take such action as may be permitted by law to cure such default even though the existence of such default or the nature thereof shall be questioned or denied by Trustor or by any Person on its behalf.

(k) Beneficiary shall have the right upon notice to Trustor to participate in the adjustment and settlement of any insurance proceeds and in the determination of any condemnation award under the Subject Leases to the extent and in the manner provided in the Subject Leases.

1.24 Rejection of Subject Leases.

To the extent applicable, if the lessor under the Subject Leases rejects or disaffirms the Subject Leases or purports or seeks to disaffirm the Subject Leases pursuant to any Bankruptcy Law, then:

(a) To the extent permitted by law, Trustor shall remain in possession of the Leased Premises demised under the Subject Leases and shall perform all acts reasonably necessary for Trustor to remain in such possession for the unexpired term of such Subject Leases (including all renewals), whether the then existing terms and provisions of such Subject Leases require such acts or otherwise; and

(b) All the terms and provisions of this Deed of Trust and the Lien created by this Deed of Trust shall remain in full force and effect and shall extend automatically to all of Trustor's rights

22

and remedies arising at any time under, or pursuant to, Section 365(h) of the Bankruptcy Code, including all of Trustor's rights to remain in possession of the Leased Premises.

2.1 *Interaction with Mortgage Notes Indenture.*

(a) **Incorporation by Reference.** All terms, covenants, conditions, provisions and requirements of the Mortgage Notes Indenture are incorporated by reference in this Deed of Trust.

(b) **Conflicts.** In the event of any conflict or inconsistency between the provisions of this Deed of Trust and those of the Mortgage Notes Indenture or the Disbursement Agreement, the provisions of the Mortgage Notes Indenture or the Disbursement Agreement, as applicable, shall govern.

2.2 **Other Collateral.** This Deed of Trust is one of a number of security agreements to secure the debt delivered by or on behalf of Trustor pursuant to the Mortgage Notes Indenture and the other Indenture Documents and securing the Obligations secured hereunder. All potential junior Lien claimants are placed on notice that, under any of the Indenture Documents (including a separate future unrecorded agreement between Trustor and Beneficiary), other collateral for the Obligations secured hereunder (*i.e.*, collateral other than the Trust Estate) may, under certain circumstances, be released without a corresponding reduction in the total principal amount secured by this Deed of Trust. Such a release would decrease the amount of collateral securing the same indebtedness, thereby increasing the burden on the remaining Trust Estate created and continued by this Deed of Trust. No such release shall impair the priority of the lien of this Deed of Trust. By accepting its interest in the Trust Estate, each and every junior Lien claimant shall be deemed to have acknowledged the possibility of, and consented to, any such release. Nothing in this paragraph shall impose any obligation upon Beneficiary.

2.3 **Subordination to Bank Deed of Trust.** Notwithstanding any other provision hereof, this Deed of Trust, including, without limitation, the security interest granted herein, the rights, power and remedies of the Trustee and the Beneficiary and the obligations of Trustor set forth herein, shall, to the extent provided in the Project Lenders Intercreditor Agreement, be subject and subordinate to the Bank Hotel/Casino Deed of Trust.

ARTICLE THREE DEFAULTS

3.1 **Event of Default.** The term "Event of Default," wherever used in this Deed of Trust, shall mean any of (i) one or more of the events of default listed in the Mortgage Notes Indenture (ii) so long as the Disbursement Agreement is in effect, one or more of the events of default listed in the Disbursement Agreement (whether any such event shall be voluntary or involuntary or come about or be effected by operation of law or pursuant to or in compliance with any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body) or (iii) if any "borrower" (as that term is defined in NRS 106.310) who may send a notice pursuant to NRS 106.380(1), (x) delivers, sends by mail or otherwise gives, or purports to deliver, send by mail or otherwise give, to a beneficiary under this Deeds of Trust (A) any notice of an election to terminate the operation of this Deed of Trust as security for any secured obligation, including, without limitation, any obligation to repay any "future advance" (as defined in NRS 106.320) of "principal" (as defined in NRS 106.345), or (B) any other notice pursuant to NRS 106.380(1), (y) records a statement pursuant to NRS 106.380(3), or (z) causes this Deed of Trust, any secured obligation, or any Secured Party to be subject to NRS 106.380(2), 106.380(3) or 106.400.

23

ARTICLE FOUR REMEDIES

4.1 **Acceleration of Maturity.** If an Event of Default occurs, Beneficiary may (except that such acceleration shall be automatic if the Event of Default is caused by Trustor's Bankruptcy), in accordance with the Mortgage Notes Indenture, declare the Notes and other indebtedness under the Indenture Documents and all indebtedness or sums secured hereby, to be due and payable immediately, and upon such declaration such principal and interest and other sums shall immediately become due and payable without demand, presentment, notice or other requirements of any kind (all of which Trustor waives) notwithstanding anything in this Deed of Trust or any other Indenture Document or applicable law to the contrary.

4.2 **Protective Advances.** If Trustor fails to make any payment or perform any other obligation under the Notes, the Mortgage Notes Indenture or any other Financing Agreement, then without thereby limiting Beneficiary's other rights or remedies, waiving or releasing any of Trustor's obligations, or imposing any obligation on Beneficiary, Beneficiary may either advance any amount owing or perform any or all actions that Beneficiary considers necessary or appropriate to cure such default. All such advances shall constitute "Protective Advances" and shall bear interest thereon at the interest rate applicable to overdue principal set forth in the Mortgage Notes Indenture from the date incurred until paid by Trustor. No sums advanced or performance rendered by Beneficiary shall cure, or be deemed a waiver of any Event of Default.

4.3 **Institution of Equity Proceedings.** If an Event of Default occurs, Beneficiary may institute an action, suit or proceeding in equity for specific performance of this Deed of Trust, the Notes, or any other Indenture Document, all of which shall be specifically enforceable by injunction or other equitable remedy. Trustor waives any defense based on laches or any applicable statute of limitations.

4.4 *Beneficiary's Power of Enforcement.*

(a) If an Event of Default occurs, Beneficiary shall be entitled, at its option and in its sole and absolute discretion, to prepare and record on its own behalf, or to deliver to Trustee for recording, if appropriate, written declaration of default and demand for sale and written Notice of Breach and Election to Sell (NRS 107.080(3)) (or other statutory notice) to cause the Trust Estate to be sold to satisfy the obligations hereof, and in the case of delivery to Trustee, Trustee shall cause said notice to be filed for record.

(b) After the lapse of such time as may then be required by law following the recordation of said Notice of Breach and Election to Sell, and notice of sale having been given as then required by law, including compliance with any applicable Nevada Gaming Laws, Trustee without demand on Trustor, shall sell the Trust Estate or any portion thereof at the time and place fixed by it in said notice, either as a whole or in separate parcels, and in such order as it may determine, at public auction to the highest bidder, of cash in lawful money of the United States payable at the time of sale. Trustee may, for any cause it deems expedient, postpone the sale of all or any portion of said property until it shall be completed and, in every case, notice of postponement shall be given by public announcement thereof at the time and place last appointed for the sale and from time to time thereafter Trustee may postpone such sale by public announcement at the time fixed by the preceding postponement. Trustee shall execute and deliver to the purchaser its Deed, Bill of Sale, or other instrument conveying said property so sold, but without any covenant or warranty, express or implied. The recitals in such instrument of conveyance of any matters or facts shall be conclusive proof of the truthfulness thereof. Any person, including Beneficiary, may bid at the sale.

such sale to payment of all sums expended under the terms hereof not then repaid, with accrued interest at the rate applicable to overdue principal set forth in the Mortgage Notes Indenture to the payment of all other sums then secured hereby and the remainder, if any, to the person or persons legally entitled thereto as provided in NRS 40.462.

(d) Subject to compliance with applicable Nevada Gaming Laws, if any Event of Default occurs, Beneficiary may, either with or without entry or taking possession of the Trust Estate, and without regard to whether or not the indebtedness and other sums secured hereby shall be due and without prejudice to the right of Beneficiary thereafter to bring an action or proceeding to foreclose or any other action for any default existing at the time such earlier action was commenced, proceed by any appropriate action or proceeding: (1) to enforce payment of the Notes or other payment obligations under the Indenture Documents (whether principal and interest payments or otherwise), to the extent permitted by law, or the performance of any term hereof or any other right; (2) to foreclose this Deed of Trust in any manner provided by law for the foreclosure of mortgages or deeds of trust on real property and to sell, as an entirety or in separate lots or parcels, the Trust Estate or any portion thereof pursuant to the laws of the State of Nevada or under the judgment or decree of a court or courts of competent jurisdiction, and Beneficiary shall be entitled to recover in any such proceeding all costs and expenses incident thereto, including reasonable attorneys' fees in such amount as shall be awarded by the court; (3) to exercise any or all of the rights and remedies available to it under the Indenture Documents; and (4) to pursue any other remedy available to it. Beneficiary shall take action either by such proceedings or by the exercise of its powers with respect to entry or taking possession, or both, as Beneficiary may determine.

(e) The remedies described in this *Section 4.4* may be exercised with respect to all or any portion of the Personal Property, either simultaneously with the sale of any real property encumbered hereby or independent thereof. Beneficiary shall at any time be permitted to proceed with respect to all or any portion of the Personal Property in any manner permitted by the UCC. Trustor agrees that Beneficiary's inclusion of all or any portion of the Personal Property (and all personal property that is subject to a security interest in favor, or for the benefit, of Beneficiary) in a sale or other remedy exercised with respect to the real property encumbered hereby, as permitted by the UCC, is a commercially reasonable disposition of such property.

4.5 Beneficiary's Right to Enter and Take Possession, Operate and Apply Income.

(a) Subject to compliance with applicable Nevada Gaming Laws, if an Event of Default occurs, (i) Trustor, upon demand of Beneficiary, shall forthwith surrender to Beneficiary the actual possession and, if and to the extent permitted by law, Beneficiary itself, or by such officers or agents as it may appoint, may enter and take possession of all the Trust Estate including the Personal Property, without liability for trespass, damages or otherwise, and may exclude Trustor and its agents and employees wholly therefrom and may have joint access with Trustor to the books, papers and accounts of Trustor; and (ii) Trustor shall pay monthly in advance to Beneficiary on Beneficiary's entry into possession, or to any receiver appointed to collect the Rents, all Rents then due and payable.

(b) If Trustor shall for any reason fail to surrender or deliver the Trust Estate, the Personal Property or any part thereof after Beneficiary's demand, Beneficiary may obtain a judgment or decree conferring on Beneficiary or Trustee the right to immediate possession or requiring Trustor to deliver immediate possession of all or part of such property to Beneficiary or Trustee and Trustor hereby specifically consents to the entry of such judgment or decree. Trustor shall pay to Beneficiary or Trustee, upon demand, all reasonable costs and expenses of obtaining such judgment or decree and reasonable compensation to Beneficiary or Trustee, their attorneys and

agents, and all such costs, expenses and compensation shall, until paid, be secured by the lien of this Deed of Trust.

(c) Subject to compliance with applicable Nevada Gaming Laws, upon every such entering upon or taking of possession, Beneficiary or Trustee may hold, store, use, operate, manage and control the Trust Estate and conduct the business thereof, and, from time to time in its sole and absolute discretion and without being under any duty to so act:

(1) make all necessary and proper maintenance, repairs, renewals, replacements, additions, betterments and improvements thereto and thereon and purchase or otherwise acquire additional fixtures, personalty and other property;

(2) insure or keep the Trust Estate insured;

(3) manage and operate the Trust Estate and exercise all the rights and powers of Trustor in their name or otherwise with respect to the same;

(4) enter into agreements with others to exercise the powers herein granted Beneficiary or Trustee, all as Beneficiary or Trustee from time to time may determine; and, subject to the absolute assignment of the Leases and Rents to Beneficiary, Beneficiary or Trustee may collect and receive all the Rents, including those past due as well as those accruing thereafter; and shall apply the monies so received by Beneficiary or Trustee in such priority as Beneficiary may determine to (1) the payment of interest and principal due and payable on the Notes or the other Indenture Documents, (2) the deposits for taxes and assessments and insurance premiums due, (3) the cost of insurance, taxes, assessments and other proper charges upon the Trust Estate or any part thereof; (4) the compensation, expenses and disbursements of the agents, attorneys and other representatives of Beneficiary or Trustee; and (5) any other charges or costs required to be paid by Trustor under the terms hereof; and

(5) rent or sublet the Trust Estate or any portion thereof for any purpose permitted by this Deed of Trust.

Beneficiary or Trustee shall surrender possession of the Trust Estate and the Personal Property to Trustor only when all that is due upon such interest and principal, tax and insurance deposits, and all amounts under any of the terms of the Mortgage Notes Indenture or this Deed of Trust, shall have been paid and all defaults made good. The same right of taking possession, however, shall exist if any subsequent Event of Default shall occur and be continuing.

4.6 Leases. Beneficiary is authorized to foreclose this Deed of Trust subject to the rights of any tenants of the Trust Estate, and the failure to make any such tenants parties defendant to any such foreclosure proceedings and to foreclose their rights shall not be, nor be asserted by Trustor to be, a defense to any proceedings instituted by Beneficiary to collect the sums secured hereby or to collect any deficiency remaining unpaid after the foreclosure sale of the Trust Estate, or any portion thereof. Unless otherwise agreed by Beneficiary in writing, all Space Leases executed subsequent to the date hereof, or any part thereof, shall be subordinate and inferior to the lien of this Deed of Trust; provided, however that (i) in accordance with the terms of the Mortgage Notes Indenture, Beneficiary may be required to execute a non-disturbance and attornment agreement in connection with certain Space Leases; and (ii) from time to time Beneficiary may execute and record among the land records of the jurisdiction where this Deed of Trust is recorded, subordination statements with respect to such of said Space Leases as Beneficiary may designate in its sole discretion, whereby the Space Leases so designated by Beneficiary shall be made superior to the lien of this Deed of Trust for the term set forth in such subordination statement. From and after the recordation of such subordination statements, and for the respective periods as may be set forth therein, the Space Leases therein referred to shall be superior to the lien of this Deed of Trust and shall not be affected by any foreclosure hereof. All such Space Leases shall contain a provision to the effect that the Trustor and Space Lessee recognize the

right of Beneficiary to elect and to effect such subordination of this Deed of Trust and consents thereto.

4.7 Purchase by Beneficiary. Upon any foreclosure sale (whether judicial or nonjudicial), Beneficiary may bid for and purchase the property subject to such sale and, upon compliance with the terms of sale, may hold, retain and possess and dispose of such property in its own absolute right without further accountability.

4.8 Waiver of Appraisal, Valuation, Stay, Extension and Redemption Laws. Trustor agrees to the full extent permitted by law that if an Event of Default occurs, neither Trustor nor anyone claiming through or under it shall or will set up, claim or seek to take advantage of any appraisal, valuation, stay, extension or redemption laws now or hereafter in force, in order to prevent or hinder the enforcement or foreclosure of this Deed of Trust or the absolute sale of the Trust Estate or any portion thereof or the final and absolute putting into possession thereof, immediately after such sale, of the purchasers thereof, and Trustor for itself and all who may at any time claim through or under it, hereby waives, to the full extent that it may lawfully so do, the benefit of all such laws, and any and all right to have the assets comprising the Trust Estate marshalled upon any foreclosure of the lien hereof and agrees that Trustee or any court having jurisdiction to foreclose such lien may sell the Trust Estate in part or as an entirety.

4.9 Receiver. If an Event of Default occurs, Beneficiary, to the extent permitted by law and subject to compliance with all applicable Nevada Gaming Laws, and without regard to the value, adequacy or occupancy of the security for the indebtedness and other sums secured hereby, shall be entitled as a matter of right if it so elects to the appointment of a receiver to enter upon and take possession of the Trust Estate and to collect all Rents and apply the same as the court may direct, and such receiver may be appointed by any court of competent jurisdiction upon application by Beneficiary. Beneficiary may have a receiver appointed without notice to Trustor or any third party, and Beneficiary may waive any requirement that the receiver post a bond. Beneficiary shall have the power to designate and select the Person who shall serve as the receiver and to negotiate all terms and conditions under which such receiver shall serve. Any receiver appointed on Beneficiary's behalf may be an Affiliate of Beneficiary. The expenses, including receiver's fees, attorneys' fees, costs and agent's compensation, incurred pursuant to the powers herein contained shall be secured by this Deed of Trust. The right to enter and take possession of and to manage and operate the Trust Estate and to collect all Rents, whether by a receiver or otherwise, shall be cumulative to any other right or remedy available to Beneficiary under this Deed of Trust or the other Indenture Documents or otherwise available to Beneficiary and may be exercised concurrently therewith or independently thereof. Beneficiary shall be liable to account only for such Rents (including, without limitation, security deposits) actually received by Beneficiary, whether received pursuant to this section or any other provision hereof. Notwithstanding the appointment of any receiver or other custodian, Beneficiary shall be entitled as pledgee to the possession and control of any cash, deposits, or instruments at the time held by, or payable or deliverable under the terms of this Deed of Trust to, Beneficiary.

4.10 Suits to Protect the Trust Estate. Beneficiary shall have the power and authority to institute and maintain any suits and proceedings as Beneficiary, in its sole and absolute discretion, may deem advisable (a) to prevent any impairment of the Trust Estate by any acts which may be unlawful or in violation of this Deed of Trust, (b) to preserve or protect its interest in the Trust Estate, or (c) to restrain the enforcement of or compliance with any legislation or other Legal Requirement that may be unconstitutional or otherwise invalid, if the enforcement of or compliance with such enactment, rule or order might impair the security hereunder or be prejudicial to Beneficiary's interest.

4.11 Proofs of Claim. In the case of any receivership, Insolvency, Bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceedings affecting Trustor, or, to the extent the same would result in an Event of Default hereunder, any Subsidiary, or any guarantor, co-maker or

endorser of any of Trustor's obligations, its creditors or its property, Beneficiary, to the extent permitted by law, shall be entitled to file such proofs of claim or other documents as it may deem to be necessary or advisable in order to have its claims allowed in such proceedings for the entire amount due and payable by Trustor under the Notes, the Second Mortgage Notes Security Documents or any other Indenture Document, at the date of the institution of such proceedings, and for any additional amounts which may become due and payable by Trustor after such date.

4.12 Trustor to Pay the Notes on Any Default in Payment; Application of Monies by Beneficiary.

(a) In case of a foreclosure sale of all or any part of the Trust Estate and of the application of the proceeds of sale to the payment of the sums secured hereby, Beneficiary shall be entitled to enforce payment from Trustor of any additional amounts then remaining due and unpaid and to recover judgment against Trustor for any portion thereof remaining unpaid, with interest at the rate applicable to overdue principal as set forth in the Mortgage Notes Indenture.

(b) Trustor hereby agrees to the extent permitted by law, that no recovery of any judgment by Beneficiary or other action by Beneficiary and no attachment or levy of any execution upon any Property of Trustor by Beneficiary (other than a foreclosure of the entire Trust Estate hereunder) shall in any way affect the Lien and security interest of this Deed of Trust upon the Trust Estate or any part thereof or any Lien, rights, powers or remedies of Beneficiary hereunder, but such Lien, rights, powers and remedies shall continue unimpaired as before.

(c) Any monies collected or received by Beneficiary under this *Section 4.12* shall be first applied to the payment of reasonable compensation, expenses and disbursements of the agents, attorneys and other representatives of Beneficiary, and the balance remaining shall be applied to the payment of amounts due and unpaid under the Notes and the other Indenture Documents.

(d) The provisions of this section shall not be deemed to limit or otherwise modify the provisions of any guaranty of the indebtedness evidenced by the Notes or the other Indenture Documents.

4.13 Delay or Omission; No Waiver. No delay or omission of Beneficiary or any Mortgage Note Holder to exercise any right, power or remedy upon any Event of Default shall exhaust or impair any such right, power or remedy or shall be construed to waive any such Event of Default or to constitute acquiescence therein. Every right, power and remedy given to Beneficiary whether contained herein or in the other Indenture Documents or otherwise available to Beneficiary may be exercised from time to time and as often as may be deemed expedient by Beneficiary.

4.14 No Waiver of One Default to Affect Another. No waiver of any Event of Default hereunder shall extend to or affect any subsequent or any other Event of Default then existing, or impair any rights, powers or remedies consequent thereon. If Beneficiary or the required percentage of the Second Mortgage Note Holders (as determined pursuant to the Mortgage Notes Indenture), to the extent applicable under the Mortgage Notes Indenture, (a) grants forbearance or an extension of time for the payment of any sums secured hereby; (b) takes other or additional security for the payment thereof; (c) waives or does not exercise any right granted in the Notes, the Mortgage Notes Indenture, this Deed of Trust, the Disbursement Agreement or any other Indenture Document; (d) releases any part of the Trust Estate from the lien or security interest of this Deed of Trust or any other instrument securing the Notes or the other Indenture Documents; (e) consents to the filing of any map, plat or replat of the Site (to the extent such consent is required); (f) consents to the granting of any easement on the Site (to the extent such consent is required); or (g) makes or consents to any agreement changing the terms of this Deed of Trust or any other Indenture Document subordinating the lien or any charge hereof, no such act or omission shall release, discharge, modify, change or affect the original liability of Trustor under the Notes, this Deed of Trust or any other Indenture Document or otherwise, or any subsequent purchaser of the Trust Estate or any part thereof or any maker, co-signer,

28

surety or guarantor. No such act or omission shall preclude Beneficiary from exercising any right, power or privilege herein granted or intended to be granted in case of any Event of Default then existing or of any subsequent Event of Default, nor, except as otherwise expressly provided in an instrument or instruments executed by Beneficiary, shall the lien or security interest of this Deed of Trust be altered thereby, except to the extent expressly provided in any releases, maps, easements or subordinations described in clause (d), (e), (f) or (g) above of this Section 4.14. In the event of the sale or transfer by operation of law or otherwise of all or any part of the Trust Estate, Beneficiary, without notice to any person, firm or corporation, is hereby authorized and empowered to deal with any such vendee or transferee with reference to the Trust Estate or the indebtedness secured hereby, or with reference to any of the terms or conditions hereof, as fully and to the same extent as it might deal with the original parties hereto and without in any way releasing or discharging any of the liabilities or undertakings hereunder, or waiving its right to declare such sale or transfer an Event of Default as provided herein. Notwithstanding anything to the contrary contained in this Deed of Trust or any other Indenture Document, (i) in the case of any non-monetary Event of Default, Beneficiary may continue to accept payments due hereunder without thereby waiving the existence of such or any other Event of Default and (ii) in the case of any monetary Event of Default, Beneficiary may accept partial payments of any sums due hereunder without thereby waiving the existence of such Event of Default if the partial payment is not sufficient to completely cure such Event of Default.

4.15 Discontinuance of Proceedings; Position of Parties Restored. If Beneficiary shall have proceeded to enforce any right or remedy under this Deed of Trust by foreclosure, entry of judgment or otherwise and such proceedings shall have been discontinued or abandoned for any reason, or such proceedings shall have resulted in a final determination adverse to Beneficiary, then and in every such case Trustor and Beneficiary shall be restored to their former positions and rights hereunder, and all rights, powers and remedies of Beneficiary shall continue as if no such proceedings had occurred or had been taken.

4.16 Remedies Cumulative. No right, power or remedy, including without limitation remedies with respect to any security for the Notes or any other Indenture Document, conferred upon or reserved to Beneficiary by this Deed of Trust or any other Indenture Document is exclusive of any other right, power or remedy, but each and every such right, power and remedy shall be cumulative and concurrent and shall be in addition to any other right, power and remedy given hereunder or any other Indenture Document, now or hereafter existing at law, in equity or by statute, and Beneficiary shall be entitled to resort to such rights, powers, remedies or security as Beneficiary shall in its sole and absolute discretion deem advisable.

4.17 Interest After Event of Default. If an Event of Default shall have occurred and is continuing, all sums outstanding and unpaid under the Notes, this Deed of Trust and the other Indenture Documents shall, at Beneficiary's option, bear interest at the rate applicable to overdue principal set forth in the Mortgage Notes Indenture until such Event of Default has been cured. Trustor's obligation to pay such interest shall be secured by this Deed of Trust.

4.18 Foreclosure; Expenses of Litigation. If Trustee forecloses, reasonable attorneys' fees for services in the supervision of said foreclosure proceeding shall be allowed to the Trustee and Beneficiary as part of the foreclosure costs. In the event of foreclosure of the lien hereof, there shall be allowed and included as additional indebtedness all reasonable expenditures and expenses which may be paid or incurred by or on behalf of Beneficiary for attorneys' fees, appraiser's fees, outlays for documentary and expert evidence, stenographers' charges, publication costs, and costs (which may be estimated as to items to be expended after foreclosure sale or entry of the decree) of procuring all such abstracts of title, title searches and examinations, title insurance policies and guarantees, and similar data and assurances with respect to title as Beneficiary may deem reasonably advisable either to prosecute such suit or to evidence to a bidder at any sale which may be had pursuant to such decree the true condition of the title to or the value of the Trust Estate or any portion thereof. All expenditures and expenses of the nature in this section mentioned, and such expenses and fees as may be incurred in the protection

29

of the Trust Estate and the maintenance of the lien and security interest of this Deed of Trust, including the fees of any attorney employed by Beneficiary in any litigation or proceeding affecting this Deed of Trust or any other Indenture Document, the Trust Estate or any portion thereof, including, without limitation, civil, probate, appellate and bankruptcy proceedings, or in preparation for the commencement or defense of any proceeding or threatened suit or proceeding, shall be immediately due and payable by Trustor, with interest thereon at the rate applicable to overdue principal set forth in the Mortgage Notes Indenture, and shall be secured by this Deed of Trust. Trustee waives its right to any statutory fee in connection with any judicial or nonjudicial foreclosure of the lien hereof and agrees to accept a reasonable fee for such services.

4.19 **Deficiency Judgments.** If after foreclosure of this Deed of Trust or Trustee's sale hereunder, there shall remain any deficiency with respect to any amounts payable under the Notes, this Deed of Trust or the other Indenture Documents or any amounts secured hereby, and Beneficiary shall institute any proceedings to recover such deficiency or deficiencies, all such amounts shall continue to bear interest at the rate applicable to overdue principal set forth in the Mortgage Notes Indenture. Trustor waives any defense to Beneficiary's recovery against Trustor of any deficiency after any foreclosure sale of the Trust Estate. Trustor expressly waives any defense or benefits that may be derived from any statute granting Trustor any defense to any such recovery by Beneficiary. In addition, Beneficiary and Trustee shall be entitled to recovery of all of their reasonable costs and expenditures (including without limitation any court imposed costs) in connection with such proceedings, including their reasonable attorneys' fees, appraisal fees and the other costs, fees and expenditures referred to in Section 4.18 above. This provision shall survive any foreclosure or sale of the Trust Estate, any portion thereof and/or the extinguishment of the lien hereof.

4.20 **Waiver of Jury Trial.** Beneficiary and Trustor each waive any right to have a jury participate in resolving any dispute whether sounding in contract, tort or otherwise arising out of, connected with, related to or incidental to the relationship established between them in connection with the Notes, this Deed of Trust or any other Indenture Document. Any such disputes shall be resolved in a bench trial without a jury.

4.21 **Exculpation of Beneficiary.** The acceptance by Beneficiary of the assignment contained herein with all of the rights, powers, privileges and authority created hereby shall not, prior to entry upon and taking possession of the Trust Estate by Beneficiary, be deemed or construed to make Beneficiary a "mortgagee in possession"; nor thereafter or at any time or in any event obligate Beneficiary to appear in or defend any action or proceeding relating to the Space Leases, the Rents or the Trust Estate, or to take any action hereunder or to expend any money or incur any expenses or perform or discharge any obligation, duty or liability under any Space Lease or to assume any obligation or responsibility for any security deposits or other deposits except to the extent such deposits are actually received by Beneficiary, nor shall Beneficiary, prior to such entry and taking, be liable in any way for any injury or damage to person or property sustained by any Person in or about the Trust Estate.

ARTICLE FIVE RIGHTS AND RESPONSIBILITIES OF TRUSTEE; OTHER PROVISIONS RELATING TO TRUSTEE

Notwithstanding anything to the contrary in this Deed of Trust, Trustor and Beneficiary agree as follows.

5.1 **Exercise of Remedies by Trustee.** To the extent that this Deed of Trust or applicable law, including all applicable Nevada Gaming Laws, authorizes or empowers, or does not require approval for, Beneficiary to exercise any remedies set forth in Article Four hereof or otherwise, or perform any acts in connection therewith, Trustee (but not to the exclusion of Beneficiary unless so required under the law of the State of Nevada) shall have the power to exercise any or all such remedies, and to

30

perform any acts provided for in this Deed of Trust in connection therewith, all for the benefit of Beneficiary and on Beneficiary's behalf in accordance with applicable law of the State of Nevada. In connection therewith, Trustee: (a) shall not exercise, or waive the exercise of, any of Beneficiary's remedies (other than any rights of Trustee to any indemnity or reimbursement), except at Beneficiary's request, and (b) shall exercise, or waive the exercise of, any or all of Beneficiary's remedies at Beneficiary's request, and in accordance with Beneficiary's directions as to the manner of such exercise or waiver. Trustee may, however, decline to follow Beneficiary's request or direction if Trustee shall be advised by counsel that the action or proceeding, or manner thereof, so directed may not lawfully be taken or waived.

5.2 **Rights and Privileges of Trustee.** To the extent that this Deed of Trust requires Trustor to indemnify Beneficiary or reimburse Beneficiary for any expenditures Beneficiary may incur, Trustee shall be entitled to the same indemnity and the same rights to reimbursement of expenses as Beneficiary, subject to such limitations and conditions as would apply in the case of Beneficiary. To the extent that this Deed of Trust negates or limits Beneficiary's liability as to any matter, Trustee shall be entitled to the same negation or limitation of liability. To the extent that Trustor, pursuant to this Deed of Trust, appoints Beneficiary as Trustor's attorney in fact for any purpose, Beneficiary or (when so instructed by Beneficiary) Trustee shall be entitled to act on Trustor's behalf without joinder or confirmation by the other.

5.3 **Resignation or Replacement of Trustee.** Trustee may resign by an instrument in writing addressed to Beneficiary, and Trustee may be removed at any time with or without cause (i.e., in Beneficiary's sole and absolute discretion) by an instrument in writing executed by Beneficiary. In case of the death, resignation, removal or disqualification of Trustee or if for any reason Beneficiary shall deem it desirable to appoint a substitute, successor or replacement Trustee to act instead of Trustee originally named (or in place of any substitute, successor or replacement Trustee), then Beneficiary shall have the right and is hereby authorized and empowered to appoint a successor, substitute or replacement Trustee, without any formality other than appointment and designation in writing executed by Beneficiary, which instrument shall be recorded in the Office of the Recorder of Clark County, Nevada. The law of the State of Nevada (including, without limitation, the Nevada Gaming Laws) shall govern the qualifications of any Trustee. The authority conferred upon Trustee by this Deed of Trust shall automatically extend to any and all other successor, substitute and replacement Trustee(s) successively until the obligations secured hereunder have been paid in full or the Trust Estate has been sold hereunder or released in accordance with the provisions of the Indenture Documents. Beneficiary's written appointment and designation of any Trustee shall be full evidence of Beneficiary's right and authority to make the same and of all facts therein recited. No confirmation, authorization, approval or other action by Trustor shall be required in connection with any resignation or other replacement of Trustee.

5.4 **Authority of Beneficiary.** If Beneficiary is a banking corporation, state banking corporation or a national banking association and the instrument of appointment of any successor or replacement Trustee is executed on Beneficiary's behalf by an officer of such corporation, state banking corporation or national banking association, then such appointment shall be conclusively presumed to be executed with authority and shall be valid and sufficient without proof of any action by the board of directors or any superior officer of Beneficiary.

5.5 **Effect of Appointment of Successor Trustee.** Upon the appointment and designation of any successor, substitute or replacement Trustee, and subject to compliance with applicable Nevada Gaming Laws and other applicable laws, Trustee's entire estate and title in the Trust Estate shall vest in the designated successor, substitute or replacement Trustee. Such successor, substitute or replacement Trustee shall thereupon succeed to and shall hold, possess and execute all the rights, powers, privileges, immunities and duties herein conferred upon Trustee. All references herein to Trustee shall be deemed

31

to refer to Trustee (including any successor or substitute appointed and designated as herein provided) from time to time acting hereunder.

5.6 Confirmation of Transfer and Succession. Upon the written request of Beneficiary or of any successor, substitute or replacement Trustee, any former Trustee ceasing to act shall execute and deliver an instrument transferring to such successor, substitute or replacement Trustee all of the right, title, estate and interest in the Trust Estate of Trustee so ceasing to act, together with all the rights, powers, privileges, immunities and duties herein conferred upon Trustee, and shall duly assign, transfer and deliver all properties and moneys held by said Trustee hereunder to said successor, substitute or replacement Trustee.

5.7 Exculpation. Trustee shall not be liable for any error of judgment or act done by Trustee in good faith, or otherwise be responsible or accountable under any circumstances whatsoever, except for Trustee's gross negligence, willful misconduct or knowing violation of law. Trustee shall have the right to rely on any instrument, document or signature authorizing or supporting any action taken or proposed to be taken by it hereunder, believed by it in good faith to be genuine. All moneys received by Trustee shall, until used or applied as herein provided, be held in trust for the purposes for which they were received, but need not be segregated in any manner from any other moneys (except to the extent required by law). Trustee shall be under no liability for interest on any moneys received by it hereunder.

5.8 Endorsement and Execution of Documents. Upon Beneficiary's written request, Trustee shall, without liability or notice to Trustor, execute, consent to, or join in any instrument or agreement in connection with or necessary to effectuate the purposes of the Indenture Documents. Trustor hereby irrevocably designates Trustee as its attorney in fact to execute, acknowledge and deliver, on Trustor's behalf and in Trustor's name, all instruments or agreements necessary to implement any provision(s) of this Deed of Trust or to further perfect the lien created by this Deed of Trust on the Trust Estate. This power of attorney shall be deemed to be coupled with an interest and shall survive any disability of Trustor.

5.9 Multiple Trustees. If Beneficiary appoints multiple trustees, then any Trustee, individually, may exercise all powers granted to Trustee under this instrument, without the need for action by any other Trustee(s).

5.10 Terms of Trustee's Acceptance. Trustee accepts the trust created by this Deed of Trust upon the following terms and conditions:

(a) **Delegation.** Trustee may exercise any of its powers through appointment of attorney(s) in fact or agents.

(b) **Counsel.** Trustee may select and employ legal counsel (including any law firm representing Beneficiary). Trustor shall reimburse all reasonable legal fees and expenses that Trustee may thereby incur.

(c) **Security.** Trustee shall be under no obligation to take any action upon any Event of Default unless furnished security or indemnity, in form satisfactory to Trustee, against costs, expenses, and liabilities that Trustee may incur.

(d) **Costs and Expenses.** Trustor shall reimburse Trustee, as part of the Obligations secured hereunder, for all reasonable disbursements and expenses (including reasonable legal fees and expenses) incurred by reason of and as provided for in this Deed of Trust, including any of the foregoing incurred in Trustee's administering and executing the trust created by this Deed of Trust, in complying with all applicable Nevada Gaming Laws and performing Trustee's duties and exercising Trustee's powers under this Deed of Trust.

32

(e) **Release.** Upon full and indefeasible payment and performance of the Obligations secured hereunder, Beneficiary shall request that Trustee release this Deed of Trust. Upon receipt of such request Trustee shall release this Deed of Trust to Trustor. Trustor shall pay all costs of recordation, if any.

ARTICLE SIX MISCELLANEOUS PROVISIONS

Whenever one of the parties hereto is named or referred to herein, the heirs, successors and assigns of such party shall be included, and subject to the limitations set forth in Section 1.9, all covenants and agreements contained in this Deed of Trust, by or on behalf of Trustor or Beneficiary shall bind and inure to the benefit of its heirs, successors and assigns, whether so expressed or not.

Any Person may change the address to which any such notice, report, demand or other instrument is to be delivered or mailed to that person, by furnishing written notice of such change to the other parties, but no such notice of change shall be effective unless and until received by such other parties.

6.4 Headings. The headings of the articles, sections, paragraphs and subdivisions of this Deed of Trust are for convenience of reference only, are not to be considered a part hereof, and shall not limit or expand or otherwise affect any of the terms hereof.

6.5 Invalid Provisions to Affect No Others. In the event that any of the covenants, agreements, terms or provisions contained herein or in the Notes, the Mortgage Notes Indenture or any other Indenture Document shall be invalid, illegal or unenforceable in any respect, the validity of the lien hereof and the remaining covenants, agreements, terms or provisions contained herein or in the Notes, the

33

Mortgage Notes Indenture or any other Indenture Document shall be in no way affected, prejudiced or disturbed thereby. To the extent permitted by law, Trustor waives any provision of law which renders any provision hereof prohibited or unenforceable in any respect.

6.6 Changes and Priority Over Intervening Liens. Neither this Deed of Trust nor any term hereof may be changed, waived, discharged or terminated orally, or by any action or inaction, but only by an instrument in writing signed by the party against which enforcement of the change, waiver, discharge or termination is sought. Any agreement hereafter made by Trustor and Beneficiary relating to this Deed of Trust shall be superior to the rights of the holder of any intervening lien or encumbrance.

6.7 Estoppel Certificates. Within ten (10) Business Days after Beneficiary's written request, Trustor shall from time to time execute a certificate, in recordable form (an "Estoppel Certificate"), stating, except to the extent it would be inaccurate to so state: (a) the current amount of the Obligations secured hereunder and all elements thereof, including principal, interest, and all other elements; (b) that Trustor has no defense, offset, claim, counterclaim, right of recoupment, deduction, or reduction against any of the Obligations secured hereunder; (c) that none of the Indenture Documents have been amended, whether orally or in writing; (d) that Trustor has no claims against Beneficiary of any kind; (e) that any power of attorney granted to Beneficiary is in full force and effect; and (f) such other matters relating to this Deed of Trust or any other Indenture Document and the relationship of Trustor and Beneficiary as Beneficiary shall request. In addition, the Estoppel Certificate shall set forth the reasons why it would be inaccurate to make any of the foregoing assurances.

6.8 Waiver of Setoff and Counterclaim; Other Waivers. All amounts due under this Deed of Trust, the Notes and the other Indenture Documents shall be payable without setoff, counterclaim or any deduction whatsoever. Trustor hereby waives the right to assert a counterclaim (other than a compulsory counterclaim) in any action or proceeding brought against it by Beneficiary and/or any Second Mortgage Note Holder under the Indenture Documents, or arising out of or in any way connected with this Deed of Trust or the other Indenture Documents or the Obligations.

6.9 Governing Law. The Mortgage Notes Indenture and the Notes provide that they are governed by, and construed and enforced in accordance with, the laws of the State of New York. This Deed of Trust shall also be construed under and governed by the laws of the State of New York; provided, however, that (i) the terms and provisions of this Deed of Trust pertaining to the priority, perfection, enforcement or realization by Beneficiary of its respective rights and remedies under this Deed of Trust with respect to the Trust Estate shall be governed and construed and enforced in accordance with the internal laws of the State of Nevada (the "State") without giving effect to the conflicts-of-law rules and principles of the State; (ii) Trustor agrees that to the extent deficiency judgments are available under the laws of the State after a foreclosure (judicial or nonjudicial) of the Trust Estate, or any portion thereof, or any other realization thereon by Beneficiary or any Second Mortgage Note Holder under the Indenture Documents, Beneficiary or such Second Mortgage Note Holder, as the case may be, shall have the right to seek such a deficiency judgment against Trustor in the State; and (iii) Trustor agrees that if Beneficiary or any Second Mortgage Note Holder under the Indenture Documents obtains a deficiency judgment in another state against Trustor, then Beneficiary or such Second Mortgage Note Holder, as the case may be, shall have the right to enforce such judgment in the State to the extent permitted under the laws of the State, as well as in other states.

6.10 Required Notices. Trustor shall notify Beneficiary promptly of the occurrence of any of the following and shall immediately provide Beneficiary a copy of the notice or documents referred to: (i) receipt of notice from any Governmental Authority relating to all or any material part of the Trust Estate if such notice relates to a default or act, omission or circumstance which would result in a default after notice or passage of time or both; (ii) receipt of any notice from any tenant leasing all or any material portion of the Trust Estate if such notice relates to a default or act, omission or circumstance which would result in a default after notice or passage of time or both; (iii) receipt of

34

notice from the holder of any Permitted Lien relating to a default or act, omission or circumstance which would result in a default after notice or passage of time or both; (iv) the commencement of any proceedings or the entry of any judgment, decree or order materially affecting all or any portion of the Trust Estate or which involve the potential liability of Trustor or its Affiliates in an amount in excess of \$25,000,000 (other than for personal injury actions and related property damage suits which are covered by such insurance); or (v) commencement of any judicial or administrative proceedings or the entry of any judgment, decree or order by or against or otherwise affecting Trustor or any Affiliate of Trustor, a material portion of the Trust Estate, or a material portion of the Personal Property, or any other action by any creditor or lessor thereof as a result of any default under the terms of any lease.

6.11 Reconveyance. Upon written request of Trustor when the Obligations secured hereby have been satisfied in full, Beneficiary shall cause Trustee to reconvey, without warranty, the property then held hereunder. The recitals in such reconveyance of any matters or facts shall be conclusive proof of the truthfulness thereof. The grantee in such reconveyance may be described as "the person or persons legally entitled thereto."

6.12 Attorneys' Fees. Without limiting any other provision contained herein, Trustor agrees to pay all costs of Beneficiary or Trustee incurred in connection with the enforcement of this Deed of Trust, the Notes or the other Indenture Documents, including without limitation all reasonable attorneys' fees whether or not suit is commenced, and including, without limitation, fees incurred in connection with any probate, appellate, bankruptcy, deficiency or any other litigation proceedings, all of which sums shall be secured hereby.

6.13 **Late Charges.** By accepting payment of any sum secured hereby after its due date, Beneficiary does not waive its right to collect any late charge thereon or interest thereon at the interest rate on the Notes or as otherwise specified in the Mortgage Notes Indenture, if so provided, not then paid or its right either to require prompt payment when due of all other sums so secured or to declare default for failure to pay any amounts not so paid.

6.14 **Cost of Accounting.** Trustor shall pay to Beneficiary, for and on account of the preparation and rendition of any accounting, which Trustor may be entitled to require under any law or statute now or hereafter providing therefor, the reasonable costs thereof.

6.15 **Right of Entry.** Subject to compliance with applicable Nevada Gaming Laws, Beneficiary may at any reasonable time or times and on reasonable prior written notice to Trustor make or cause to be made entry upon and inspections of the Trust Estate or any part thereof in person or by agent.

6.16 **Corrections.** Trustor shall, upon request of Beneficiary or Trustee, promptly correct any defect, error or omission which may be discovered in the contents of this Deed of Trust (including, but not limited to, in the exhibits and schedules attached hereto) or in the execution or acknowledgement hereof, and shall execute, acknowledge and deliver such further instruments and do such further acts as may be necessary or as may be reasonably requested by Trustee to carry out more effectively the purposes of this Deed of Trust, to subject to the lien and security interest hereby created any of Trustor's properties, rights or interest covered or intended to be covered hereby, and to perfect and maintain such lien and security interest.

6.17 **Statute of Limitations.** To the fullest extent allowed by the law, the right to plead, use or assert any statute of limitations as a plea or defense or bar of any kind, or for any purpose, to any debt, demand or obligation secured or to be secured hereby, or to any complaint or other pleading or proceeding filed, instituted or maintained for the purpose of enforcing this Deed of Trust or any rights hereunder, is hereby waived by Trustor.

6.18 **Subrogation.** Should the proceeds of any Note or advance made by Beneficiary or any Second Mortgage Note Holder under the Mortgage Notes Indenture to Trustor, repayment of which is hereby secured, or any part thereof, or any amount paid out or advanced by Beneficiary or any Second

35

Mortgage Note Holder under the Mortgage Notes Indenture, be used directly or indirectly to pay off, discharge, or satisfy, in whole or in part, any prior or superior lien or encumbrance upon the Trust Estate, or any part thereof, then, as additional security hereunder, Trustee, on behalf of Beneficiary, shall be subrogated to any and all rights, superior titles, liens, and equities owned or claimed by any owner or holder of said outstanding liens, charges, and indebtedness, however remote, regardless of whether said liens, charges, and indebtedness are acquired by assignment or have been released of record by the holder thereof upon payment.

6.19 **Joint and Several Liability.** All obligations of Trustor hereunder, if more than one, are joint and several. Recourse for deficiency after sale hereunder may be had against the property of Trustor, without, however, creating a present or other lien or charge thereon.

6.20 **Homestead.** Trustor hereby waives and renounces all homestead and exemption rights provided by the constitution and the laws of the United States and of any state, in and to the Trust Estate as against the collection of the Obligations, or any part hereof.

6.21 **Context.** In this Deed of Trust, whenever the context so requires, the neuter includes the masculine and feminine, and the singular including the plural, and vice versa.

6.22 **Time.** Time is of the essence of each and every term, covenant and condition hereof. Unless otherwise specified herein, any reference to "days" in this Deed of Trust shall be deemed to mean "calendar days."

6.23 **Interpretation.** As used in this Deed of Trust unless the context clearly requires otherwise: The terms "herein" or "hereunder" and similar terms without reference to a particular section shall refer to the entire Deed of Trust and not just to the section in which such terms appear; the term "lien" shall also mean a security interest, and the term "security interest" shall also mean a lien.

6.24 **Effect of NRS 107.030.** To the extent not inconsistent herewith, the provisions of NRS 107.030 (1), (2) (in amounts as hereinabove provided for), (3), (4) (with interest at the default rate provided for under the Mortgage Notes Indenture), (5), (6), (7) (reasonable), (8) and (9) are included herein by reference and made part of this Deed of Trust.

6.25 **Amendments.** This Deed of Trust cannot be waived, changed, discharged or terminated orally, but only by an instrument in writing signed by the party against whom enforcement of any waiver, change, discharge or termination is sought and only as permitted by the provisions of the Mortgage Notes Indenture.

6.26 **No Conflicts.** In the event that any of the provisions contained here conflict with the Mortgage Notes Indenture, the provisions contained in the Mortgage Notes Indenture shall prevail.

ARTICLE SEVEN POWER OF ATTORNEY

7.1 **Grant of Power.** Subject to compliance with applicable Nevada Gaming Laws, Trustor irrevocably appoints Beneficiary and any successor thereto as its attorney-in-fact, with full power and authority, including the power of substitution, exercisable only during the continuance of an Event of Default to act for Trustor in its name, place and stead as hereinafter provided:

7.1.4 **Security Guards.** To employ watchmen to protect the Site and the Project from injury.

7.1.5 **Compromise Claims.** To pay, settle or compromise all bills and claims then existing or thereafter arising against Trustor, which Beneficiary, in its discretion, deems proper for the protection or clearance of title to the Site or Personal Property, or for the protection of Beneficiary's interests with respect thereto.

PARENT GUARANTY

This PARENT GUARANTY, dated as of October 30, 2002, is made by WYNN RESORTS, LIMITED, a Nevada corporation ("*Wynn Resorts*"), in favor of WELLS FARGO BANK, NATIONAL ASSOCIATION, in its capacity as the Mortgage Notes Indenture Trustee (in such capacity, the "*Mortgage Notes Indenture Trustee*"), for the registered holders (the "*Holder*s") of the 12% mortgage notes due 2010 (the "*Notes*") issued by Wynn Las Vegas, LLC, a Nevada limited liability company ("*Wynn Las Vegas*"), and Wynn Las Vegas Capital Corp., a Nevada corporation (together with Wynn Las Vegas, the "*Note Issuers*"), in the aggregate principal amount of \$370,000,000 under that certain Indenture, dated as of even date herewith (as amended, supplemented or otherwise modified from time to time, the "*Indenture*"), among the Note Issuers, the Mortgage Notes Indenture Trustee and certain other parties signatory thereto.

RECITALS:

WHEREAS, pursuant to the Indenture, the Holders have agreed to purchase the Notes upon the terms and subject to the conditions set forth therein;

WHEREAS, Wynn Resorts indirectly owns 100% of the Capital Stock of each of the Note Issuers;

WHEREAS, the proceeds of the Notes issued under the Indenture will be used in part to enable the Note Issuers to make valuable transfers to one or more other Persons, each of which are directly or indirectly wholly-owned Subsidiaries of Wynn Resorts;

WHEREAS, Wynn Resorts will derive substantial direct and indirect benefit from the purchase of the Notes by the Holders under the Indenture; and

WHEREAS, it is a condition precedent to the obligation of the Holders to purchase the Notes under the Indenture that Wynn Resorts shall have executed and delivered this Agreement to the Mortgage Notes Indenture Trustee for the ratable benefit of the Holders;

NOW, THEREFORE, in consideration of the premises and to induce the Mortgage Notes Indenture Trustee and the Holders to enter into the Indenture and purchase the Notes, as the case may be, Wynn Resorts hereby agrees with the Mortgage Notes Indenture Trustee, for the ratable benefit of the Holders, as follows:

SECTION 1. DEFINED TERMS

1.1. *Definitions*. Any capitalized terms used in this Agreement which are not otherwise defined herein shall have the respective meanings ascribed to such terms in the Indenture. The following terms shall have the following meanings:

"*Agreement*": this Parent Guaranty, as the same may be amended, supplemented, replaced or otherwise modified from time to time.

"*Disbursement Agreement*": that certain Master Disbursement Agreement, dated as of October 30, 2002, among the Note Issuers, the Mortgage Notes Indenture Trustee and the other parties signatory thereto, as the same may hereafter be amended or modified in accordance with its terms and the terms of the Indenture.

"*Excluded Assets*": any Capital Stock held by Wynn Resorts, other than the Capital Stock of Valvino Lamore, LLC, or any other Restricted Entity.

"*Issuer Obligations*": with respect to each Note Issuer, the collective reference to the payment and performance by such Note Issuer of each covenant and agreement of such Note Issuer contained in the Indenture, the Notes, each Collateral Document to which such Note Issuer is a party and each other document related thereto to which such Note Issuer is a party.

"*Other Guarantors*": collectively, any Person who guaranties the Issuer Obligations for the benefit of the Mortgage Notes Indenture Trustee other than Wynn Resorts.

"*Secured Parties*": collectively, the Mortgage Notes Indenture Trustee and the Holders.

"*Wynn Put Agreement*": the Agreement, dated as of June 13, 2002, among Stephen A. Wynn and Wynn Resorts, relating to the Buy-Sell Agreement, dated as of June 13, 2002, among Stephen A. Wynn, Kazuo Okada, Aruze USA and Aruze Corp.

1.2. *Other Definitional Provisions*. (a) The words "hereof", "herein", "hereto" and "hereunder" and words of similar import when used in this Agreement shall refer to this Agreement as a whole and not to any particular provision of this Agreement, and Section and Schedule references are to this Agreement unless otherwise specified.

(b) The meanings given to terms defined herein shall be equally applicable to both the singular and plural forms of such terms.

(c) The expressions "payment in full," "paid in full" and any other similar terms or phrases when used herein with respect to the Issuer Obligations shall mean the unconditional, final and irrevocable payment in full, in immediately available funds, of all of the Issuer Obligations.

SECTION 2. GUARANTEE

2.1. *Guarantee*.

(a) Wynn Resorts hereby unconditionally and irrevocably, guaranties to the Mortgage Notes Indenture Trustee, for the ratable benefit of the Secured Parties and their respective successors, indorsees, transferees and assigns, the prompt and complete payment and performance by each Note Issuer when due (whether at the stated maturity, by acceleration or otherwise) of the Issuer Obligations.

(b) The guarantee contained in this Section 2 shall remain in full force and effect until payment in full of all Issuer Obligations, notwithstanding that from time to time during the term of the Indenture the Note Issuers may be free from any Issuer Obligations.

(c) No payment made by either Note Issuer, Wynn Resorts, any Other Guarantor or any other Person or received or collected by any Secured Party from either Note Issuer, Wynn Resorts, any Other Guarantor or any other Person by virtue of any action or proceeding or any set-off or appropriation or application at any time or from time to time in reduction of or in payment of the Issuer Obligations shall be deemed to modify, reduce, release or otherwise affect the liability of Wynn Resorts hereunder which shall, notwithstanding any such payment (other than any payment made by Wynn Resorts in respect of the Issuer Obligations or any payment received or collected from Wynn Resorts in respect of the Issuer Obligations), remain liable for the Issuer Obligations up to the maximum liability of Wynn Resorts hereunder until the Issuer Obligations are paid in full.

2.2. *Rights of Reimbursement, Contribution and Subrogation.*

(a) In case any payment is made on account of the Issuer Obligations by Wynn Resorts or is received or collected on account of the Obligations from Wynn Resorts or its property, Wynn Resorts may be entitled, subject to and upon payment in full of the Issuer Obligations, (A) to demand and enforce reimbursement for the full amount of such payment from the Note Issuers and (B) to demand and enforce contribution in respect of such payment from each Other Guarantor which has not paid its fair share of such payment, as necessary to ensure that (after giving effect to any enforcement of reimbursement rights provided hereby) Wynn Resorts and each Other Guarantor pays its fair share of the unreimbursed portion of such payment.

2

(b) If and whenever (after payment in full of the Issuer Obligations) any right of reimbursement or contribution becomes enforceable by Wynn Resorts against any Other Guarantor as described in Section 2.2(a) or otherwise, Wynn Resorts may be entitled, subject to and upon payment in full of the Issuer Obligations, to be subrogated (equally and ratably with all Other Guarantors entitled to reimbursement or contribution from Wynn Resorts or any Other Guarantor as described in this Section 2.2) to any security interest that may then be held by the Mortgage Notes Indenture Trustee upon any Collateral granted to it pursuant to the Collateral Documents. Such right of subrogation shall be enforceable solely against the Other Guarantors, and not against the Secured Parties, and neither the Mortgage Notes Indenture Trustee nor any other Secured Party shall have any duty whatsoever to warrant, ensure or protect any such right of subrogation or to obtain, perfect, maintain, hold, enforce or retain any Collateral for any purpose related to any such right of subrogation. If subrogation is demanded by Wynn Resorts, then (after payment in full of the Issuer Obligations) the Mortgage Notes Indenture Trustee shall deliver to Wynn Resorts, or to a representative of Wynn Resorts or of the guarantors of the Issuer Obligations generally, at the expense of Wynn Resorts, an instrument satisfactory to the Mortgage Notes Indenture Trustee transferring, on a quitclaim basis without any recourse, representation, warranty or obligation whatsoever, whatever security interest the Mortgage Notes Indenture Trustee then may hold in whatever Collateral may then exist that was not previously released or disposed of by the Mortgage Notes Indenture Trustee.

(c) All rights and claims arising under this Section 2.2 or based upon or relating to any other right of reimbursement, indemnification, contribution or subrogation that may at any time arise or exist in favor of Wynn Resorts as to any payment on account of the Issuer Obligations made by it or received or collected from its property shall be fully subordinated in all respects to the prior payment in full of all of the Issuer Obligations. Until payment in full of the Issuer Obligations, Wynn Resorts shall not demand or receive any collateral security, payment or distribution whatsoever (whether in cash, property or securities or otherwise) on account of any such right or claim. If any such payment or distribution is made or becomes available to Wynn Resorts in any bankruptcy case or receivership, insolvency or liquidation proceeding, such payment or distribution shall be delivered by the Person making such payment or distribution directly to the Mortgage Notes Indenture Trustee, for application to the payment of the Issuer Obligations. If any such payment or distribution is received by Wynn Resorts, it shall be held by Wynn Resorts in trust, as trustee of an express trust for the benefit of the Secured Parties, and shall forthwith be transferred and delivered by Wynn Resorts to the Mortgage Notes Indenture Trustee, in the exact form received and, if necessary, duly endorsed.

(d) The obligations of Wynn Resorts under this Agreement, including its liability for the Issuer Obligations, are not contingent upon the validity, legality, enforceability, collectibility or sufficiency of any right of reimbursement, contribution or subrogation arising under this Section 2.2. The invalidity, insufficiency, unenforceability or uncollectibility of any such right shall not in any respect diminish, affect or impair any such obligation or any other claim, interest, right or remedy at any time held by any Secured Party against Wynn Resorts or its property. The Secured Parties make no representations or warranties in respect of any such right and shall have no duty to assure, protect, enforce or ensure any such right or otherwise relating to any such right.

(e) Wynn Resorts reserves any and all other rights of reimbursement, contribution or subrogation at any time available to it as against any Other Guarantor, but (i) the exercise and enforcement of such rights shall be subject to Section 2.2(d) and (ii) neither the Mortgage Notes Indenture Trustee nor any other Secured Party shall ever have any duty or liability whatsoever in respect of any such right, except as provided in Section 2.2(c).

(f) Wynn Resorts waives any right or claims of right to cause a marshalling of either Note Issuer's, Wynn Resorts' or any Other Guarantor's assets or to proceed against Wynn Resorts, either Note Issuer or any Other Guarantor in any particular order, including, but not limited to, any right arising out of Nevada Revised Statutes 40.430.

3

2.3. *Amendments, etc. with respect to the Issuer Obligations.* Wynn Resorts shall remain obligated hereunder notwithstanding that, without any reservation of rights against any Other Guarantor and without notice to or further assent by any such guarantor, any demand for payment of any of the Issuer Obligations made by any Secured Party may be rescinded by such Secured Party and any of the Issuer Obligations continued, and the Issuer Obligations, or the liability of any other Person upon or for any part thereof, or any collateral security or guarantee therefor or right of offset with respect thereto, may, from time to time, in whole or in part, be renewed, increased, extended, amended, modified, accelerated, compromised, waived, surrendered or released by any Secured Party, and the Indenture, the Notes and the Collateral Documents and any other documents executed and delivered in connection therewith may be amended, modified, supplemented or terminated, in whole or in part, as the Mortgage Notes Indenture Trustee (or the requisite Holders under the Indenture or all Holders, as the case may be) may deem advisable from time to time, and any collateral security, guarantee or right of offset at any time held by any Secured Party for the payment of the Issuer Obligations may be sold, exchanged, waived, surrendered or released. No Secured Party shall have any obligation to protect, secure, perfect or insure any Lien at any time held by it as security for the Issuer Obligations or for the guarantee contained in this Section 2 or any property subject thereto.

2.4. *Guarantee Absolute and Unconditional.* Wynn Resorts waives any and all notice of the creation, renewal, extension or accrual of any of the Issuer Obligations and notice of or proof of reliance by any Secured Party upon the guarantee contained in this Section 2 or acceptance of the guarantee contained in this Section 2; the Issuer Obligations, and any of them, shall conclusively be deemed to have been created, contracted or incurred, or renewed, extended, amended or

waived, in reliance upon the guarantee contained in this Section 2; and all dealings between either Note Issuer and Wynn Resorts or any of the Other Guarantors, on the one hand, and the Secured Parties, on the other hand, likewise shall be conclusively presumed to have been had or consummated in reliance upon the guarantee contained in this Section 2. Wynn Resorts waives diligence, presentment, protest, demand for payment and notice of default or nonpayment to or upon either Note Issuer, Wynn Resorts or any of the Other Guarantors. Wynn Resorts understands and agrees that the guarantee contained in this Section 2 shall be construed as a continuing, absolute and unconditional guarantee of payment and performance without regard to (a) the validity or enforceability of the Indenture, the Notes or any Collateral Document, any of the Issuer Obligations or any other collateral security therefor or guarantee or right of offset with respect thereto at any time or from time to time held by any Secured Party, (b) any defense, set-off or counterclaim (other than a defense of payment or performance hereunder) which may at any time be available to or be asserted by either Note Issuer or any other Person against any Secured Party, or (c) any other circumstance whatsoever (with or without notice to or knowledge of either Note Issuer or Wynn Resorts) which constitutes, or might be construed to constitute, an equitable or legal discharge of either Note Issuer for the Issuer Obligations, or of Wynn Resorts under the guarantee contained in this Section 2, in bankruptcy or in any other instance. When making any demand hereunder or otherwise pursuing its rights and remedies hereunder against Wynn Resorts, any Secured Party may, but shall be under no obligation to, make a similar demand on or otherwise pursue such rights and remedies as it may have against either Note Issuer, any Other Guarantor or any other Person or against any collateral security or guarantee for the Issuer Obligations or any right of offset with respect thereto, and any failure by any Secured Party to make any such demand, to pursue such other rights or remedies or to collect any payments from either Note Issuer, any Other Guarantor or any other Person or to realize upon any such collateral security or guarantee or to exercise any such right of offset, or any release of either Note Issuer, any Other Guarantor or any other Person or any such collateral security, guarantee or right of offset, shall not relieve Wynn Resorts of any obligation or liability hereunder, and shall not impair or affect the rights and remedies, whether express, implied or available as a matter of law, of any Secured Party against Wynn Resorts. For the purposes hereof "demand" shall include the commencement and continuance of any legal proceedings.

4

2.5. *Reinstatement.* The guarantee contained in this Section 2 shall continue to be effective, or be reinstated, as the case may be, if at any time payment, or any part thereof, of any of the Issuer Obligations is rescinded or must otherwise be restored or returned by any Secured Party upon the insolvency, bankruptcy, dissolution, liquidation or reorganization of the Note Issuer, Wynn Resorts or any Other Guarantor, or upon or as a result of the appointment of a receiver, intervenor or conservator of, or trustee or similar officer for, either Note Issuer, Wynn Resorts or any Other Guarantor or any substantial part of its property, or otherwise, all as though such payments had not been made.

2.6. *Payments.* Wynn Resorts hereby guarantees that payments hereunder will be paid to the Mortgage Notes Indenture Trustee without set-off or counterclaim in Dollars in immediately available funds at the Corporate Trust Office of the Trustee.

SECTION 3. SECURITY INTERESTS

3.1. *Restriction on Grant of Security Interest.* Wynn Resorts hereby agrees that it shall not grant any security interests in any of its assets or properties (other than a security interest in favor of the Mortgage Notes Indenture Trustee for the benefit of the Holders and security interests granted in Excluded Assets or assets or properties that individually or in the aggregate have a fair market value of less than \$10,000,000) in favor of any Person to secure (i) any Indebtedness of any of its Affiliates, (ii) any Guarantee by Wynn Resorts of Indebtedness of any of its Affiliates, or (iii) any Indebtedness incurred by Wynn Resorts (any such grant of security interest, a "*Granted Security Interest*"), unless:

(a) Wynn Resorts concurrently executes and delivers to the Mortgage Notes Indenture Trustee a security agreement in substantially the form of the security agreement related to the Granted Security Interest (a "*Parent Security Agreement*") and thereby grants a perfected, enforceable security interest in those assets or properties in favor of the Mortgage Notes Indenture Trustee for the benefit of the Holders to secure the obligations of Wynn Resorts pursuant to this Agreement; and

(b) subject to the Intercreditor Agreements, the security interest described in clause (a) above ranks senior to or is *pari passu* with the Granted Security Interest.

3.2. *Further Assurances.* Wynn Resorts shall execute and deliver such additional instruments, certificates or documents, and take all such actions as may be reasonably required from time to time in order to (a) carry out more effectively the purposes of this Agreement and the Parent Security Agreement (if any), (b) create, grant, perfect and maintain the validity, effectiveness, perfection and priority of the Parent Security Agreement (if any) and the Liens created, or intended to be created, thereby (if any), (c) ensure that this Agreement and the Liens created or purported to be created under the Parent Security Agreement (if any) have the ranking required under this Agreement; and (d) ensure that any of the rights granted or intended to be granted to the Mortgage Notes Indenture Trustee under this Agreement or the Parent Security Agreement (if any) or under any other instrument executed in connection therewith or granted to Wynn Resorts thereunder or under any other instrument executed in connection therewith are protected and enforced. Upon the exercise by the Mortgage Notes Indenture Trustee or any Holder of any power, right, privilege or remedy under this Agreement or the Parent Security Agreement which requires any consent, approval, recording, qualification or authorization of any governmental authority, Wynn Resorts shall execute and deliver all applications, certifications, instruments and other documents and papers that may be required from Wynn Resorts for such governmental consent, approval, recording, qualification or authorization.

5

SECTION 4. SEPARATENESS

Wynn Resorts hereby agrees that, for so long as there continues to be any outstanding Issuer Obligations, it shall comply with each of the following:

(a) Wynn Resorts shall not conduct business in the name of either Note Issuer, or any of the Restricted Entities, any of their Restricted Subsidiaries or the Completion Guarantor (collectively, the "*Wynn Group Members*"), nor shall it refer to any of the Wynn Group Members as a division, department or other subdivision of Wynn Resorts that is not recognized as a separate and distinct legal entity under applicable law. Wynn Resorts shall have separate stationery, invoices and checks in its own name and shall observe all organizational formalities. Wynn Resorts shall not refer to employees of a Wynn Group Member as employees of Wynn Resorts or of any Affiliate of Wynn Resorts that is not a Wynn Group Member. Wynn Resorts shall maintain arms'-length relationships with the Wynn Group Members, except for management fees, distributions and other specific transactions, to the extent expressly permitted by the Indenture, the Notes or the Collateral Documents. Wynn Resorts shall maintain adequate capital in light of its contemplated business purpose, transactions and liabilities. Wynn

Resorts shall not commingle its funds with those of the Wynn Group Entities, and in all transactions involving the Wynn Group Entities and Wynn Resorts, the separate funds of each of the Wynn Group Members and Wynn Resorts shall be clearly traceable. The assets of Wynn Resorts shall remain identifiably separate from those of the Wynn Group Members such that there will be no material difficulty in segregating the assets of the Wynn Group Members from those of Wynn Resorts.

(b) Wynn Resorts shall not hold out the Wynn Group Members to be other than legal entities separate and distinct from Wynn Resorts, and Wynn Resorts shall not hold out that the assets of the Wynn Group Members are available to satisfy the liabilities of Wynn Resorts. In any communications with creditors of Wynn Resorts that refer in any way directly or indirectly to the assets, liabilities, operations or results from operations of the Wynn Group Members, Wynn Resorts shall ensure that such communications accurately describe the separate existence of the Wynn Group Members and the fact that the assets of the Wynn Group Members are not available to satisfy the liabilities of Wynn Resorts.

(c) Wynn Resorts shall maintain books, records and accounts separate and apart from each of the Wynn Group Members. In any consolidated financial statements of Wynn Resorts that refer to assets, liabilities, operations or results from operations of the Wynn Group Members, Wynn Resorts shall, in footnotes or otherwise, describe the assets, liabilities, operations and results from operations of the Wynn Group Members separately from those of Wynn Resorts and further shall note that (i) each Wynn Group Member is organized as a legal entity separate and distinct from Wynn Resorts, (ii) there is no agreement or other arrangement or relationship under which or pursuant to which the assets of a Wynn Group Member have been pledged or otherwise made available to satisfy the obligations of Wynn Resorts or any of its Affiliates that are not Wynn Group Members, and (iii) each Wynn Group Member has issued or guaranteed indebtedness that is secured by Liens on substantially all of the assets of said Wynn Group Member (except as otherwise permitted by the terms of the Indenture, the Notes or the Collateral Documents).

(d) In addition to the foregoing, Wynn Resorts shall not take any other action that would reasonably be expected to call into question the separate identity of each Wynn Group Member from Wynn Resorts, or to create or increase any risk that the assets of any Wynn Group Member will be consolidated with those of Wynn Resorts or any other Person (other than another Wynn Group Member) under applicable federal or state bankruptcy or insolvency law.

SECTION 5. WYNN PUT AGREEMENT

Wynn Resorts hereby agrees that it shall not amend, modify, waive or otherwise change, or consent or agree to any amendment, modification, waiver or other change to, or otherwise fail to enforce, or

6

terminate or abandon, any of the provisions of the Wynn Put Agreement, if such amendment, modification, waiver or other change, failure to enforce, termination or abandonment (individually or collectively with all such amendments, modifications, waivers and other changes, failures to enforce, terminations or abandonments taken as a whole) would (a) have a material adverse affect on the ability of either Note Issuer, or any Restricted Entity or any of their Restricted Subsidiaries to develop, construct or operate the Project, (b) cause the Completion Date to occur or result in that date occurring after the Scheduled Completion Deadline (as defined in the Disbursement Agreement), (c) materially impair the rights or remedies of the Holders under the Indenture, the Notes or the Collateral Documents, or (d) materially impair the development, use or operation of the Project. Notwithstanding the provisions of this Agreement, in no event shall Wynn Resorts be required, by reason of this Agreement or the Parent Security Agreement (if any), to become a Restricted Entity or otherwise to become subject to the restrictive covenants or other terms of the Indenture.

SECTION 6. MISCELLANEOUS

6.1. *Amendments in Writing.* None of the terms or provisions of this Agreement may be waived, amended, supplemented or otherwise modified except in accordance with the terms of the Indenture.

6.2. *Notices.* All notices, requests and demands to or upon the Mortgage Notes Indenture Trustee or Wynn Resorts hereunder shall be effected in the manner provided for in Section 13.02 of the Indenture; *provided* that any such notice, request or demand to or upon Wynn Resorts shall be addressed to Wynn Resorts at its notice address set forth below:

Wynn Resorts, Limited
3145 Las Vegas Boulevard South
Las Vegas, Nevada 89109
Attention: Ron Kramer
Telephone: (702) 733-4444
Facsimile: (702) 791-0167

6.3. *No Waiver by Course of Conduct; Cumulative Remedies.* No Secured Party shall by any act (except by a written instrument pursuant to Section 6.1), delay, indulgence, omission or otherwise be deemed to have waived any right or remedy hereunder or to have acquiesced in any Default or Event of Default. No failure to exercise, nor any delay in exercising, on the part of any Secured Party, any right, power or privilege hereunder shall operate as a waiver thereof. No single or partial exercise of any right, power or privilege hereunder shall preclude any other or further exercise thereof or the exercise of any other right, power or privilege. A waiver by any Secured Party of any right or remedy hereunder on any one occasion shall not be construed as a bar to any right or remedy which such Secured Party would otherwise have on any future occasion. The rights and remedies herein provided are cumulative, may be exercised singly or concurrently and are not exclusive of any other rights or remedies provided by law.

6.4. *Enforcement Expenses; Indemnification.* (a) Wynn Resorts agrees to pay or reimburse each Secured Party for all its costs and expenses incurred in collecting against Wynn Resorts under the guarantee contained in Section 2 or otherwise enforcing or preserving any rights under this Agreement, including, without limitation, the fees and disbursements of counsel to each Secured Party and of counsel to the Mortgage Notes Indenture Trustee.

(b) Wynn Resorts agrees to pay, and to save the Secured Parties harmless from, any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever with respect to the execution, delivery, enforcement, performance and administration of this Agreement to the extent the Note Issuers would be required to do so pursuant to Section 7.07 of the Indenture.

7

(c) The agreements in this Section 6.4 shall survive repayment of the Issuer Obligations and all other amounts payable under the Indenture, the Notes and the Collateral Documents.

6.5. *Successors and Assigns.* This Agreement shall be binding upon the successors and assigns of Wynn Resorts and shall inure to the benefit of the Secured Parties and their successors and assigns; *provided*, that Wynn Resorts may not assign, transfer or delegate any of its rights or obligations under this Agreement without the prior written consent of the Mortgage Notes Indenture Trustee.

6.8. *Counterparts.* This Agreement may be executed by one or more of the parties to this Agreement on any number of separate counterparts (including by telecopy), and all of said counterparts taken together shall be deemed to constitute one and the same instrument.

6.9. *Severability.* Any provision of this Agreement which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

(d) agrees that nothing herein shall affect the right to effect service of process in any other manner permitted by law or shall limit the right to sue in any other jurisdiction; and

(e) waives, to the maximum extent not prohibited by law, any right it may have to claim or recover in any legal action or proceeding referred to in this Section any special, exemplary, punitive or consequential damages.

DIIC desires to enter into the agreement regarding the use and licensing of the DIIC Property on the terms and conditions herein set forth.

AGREEMENT

NOW, THEREFORE, for consideration each to the other paid and in consideration of the actions and agreements set forth in this Agreement, the receipt and sufficiency of which are hereby acknowledged by each of the parties, the parties hereto act and agree as follows:

1. *Covenant Regarding Use of DIIC Property.* By these presents, DIIC does hereby covenant and agree to use the DIIC Property for only the following purposes (such covenant and agreement being referred to herein as the "Use Covenant"):

- a. Any use that is consistent with the use made of the portion of Holding's Property that surrounds the DIIC Property;
- b. The use being made of the DIIC Property on the date of this Agreement; or
- c. Any other use to which the Public Utilities Commission of the State of Nevada (the "PUC") requires DIIC to put the DIIC Property, but only during such period of time as the PUC shall impose such requirement.

2. *License.* DIIC hereby grants to Wynn a license (the "**License**") to enter upon the DIIC Property and to permit its invitees and guests to enter upon the DIIC Property to use the DIIC Property in a manner consistent with the use made of the portion of Holding's Property that surrounds the DIIC Property, including,

without limitation, as a portion of a golf course operated on the Holdings' Property; *provided, however*, that DIIC shall retain the right to use the DIIC Property in any manner required by the PUC during any period of time that the PUC imposes such requirement, and to use the DIIC Property as necessary for the present or future performance of its duties to provide water service to the public.

3. *Use Covenant and License Running with the Land.* The Use Covenant and License shall run with the land, does touch and concern the same, is intended to and does burden the DIIC Property and benefits the Holdings' Property. The Use Covenant and License and the covenants and agreements herein contained shall inure to the benefit of and be binding upon the parties hereto and their respective successors and assigns, including, without limitation, all subsequent owners of either DIIC Property or the Holdings' Property, and all persons claiming under them, including, without limitation, in the case of Holdings' Property, Wynn Las Vegas as tenant under the Wynn Las Vegas Lease. Each person or entity hereafter at any time granted or conveyed an interest in or to any part or portion of either Holdings' Property or the DIIC Property shall be deemed to undertake performance and compliance with all the terms, covenants and conditions of this Agreement and the Use Covenant and License imposed hereby on the DIIC Property, and such persons or entities shall in like manner receive the benefits of the Use Covenant and License and the terms, covenants and conditions of this Agreement, to the same extent as if such persons or entities were original parties hereto.

4. *Term.* The Use Covenant and the License shall remain in effect until a termination is recorded, executed by the parties or their successors-in-interest. Provided, however, that the Use Covenant and License may not be terminated prior to reconveyance of the deeds of trust encumbering the Holdings' Property and recorded in the Official Records of Clark County, Nevada on or about the date hereof.

5. *No Dedication.* Nothing contained in this Agreement shall be deemed to be a gift or dedication of any portion of the DIIC Land to the general public or for any public use or purpose whatsoever, it being the intention of the parties hereto and their successors and assigns that nothing in this Agreement, expressed or implied, shall confer upon any person other than the parties hereto, and their successors and assigns, any rights or remedies under or by reason of this Agreement.

6. *Governing Law.* The laws of the State of Nevada applicable to contracts made in that State, without giving effect to its conflict of law rules, shall govern the validity, construction, performance and

11. *Modifications.* This Agreement shall not be modified, amended or changed in any manner unless in writing executed by the parties hereto.

LEASE AGREEMENT

THIS LEASE AGREEMENT (this "Lease") is entered into as of the 21st day of October, 2002 by and between **Valvino Lamore, LLC**, a Nevada limited liability company ("Landlord"), and **Wynn Las Vegas, LLC**, a Nevada limited liability company ("Tenant").

WITNESSETH:

WHEREAS, Landlord owns good and marketable title in and to the parcel of real property described on Exhibit "A" attached hereto (the "Landlord's Property"), including a building and other improvements located and/or to be constructed thereon and therein (the "Building") as shown on Exhibit "B" attached hereto;

WHEREAS, Landlord desires to lease to Tenant and Tenant desires to lease from Landlord the Building, on a triple net basis, upon the terms and conditions hereinafter set forth;

NOW, THEREFORE, in consideration of the terms, covenants, conditions and provisions hereinafter set forth and other good and valuable consideration, it is hereby mutually agreed by and between Landlord and Tenant as follows:

SECTION 1 DEMISED PREMISES

Landlord hereby leases to Tenant and Tenant hereby leases from Landlord the Building located on the real property described on Exhibit "C" attached hereto, together with all and singular improvements, and any appurtenant rights, privileges and/or easements plus all fixtures, equipment and property located therein or thereon (the "Premises"). Landlord reserves to itself the use of the roof, exterior walls and the area above and below the Premises together with the right to install, maintain, use, repair and replace pipes, ducts, conduits, wires and structural elements now or in the future leading through the Premises and which serve the Building, except that such rights shall not materially interfere with Tenant's right to visibility, ingress, egress and operations.

SECTION 2 TERM

2.1 This Lease shall be effective and the term of the Lease (the "Lease Term") and payment of Rent (as defined in Section 3.1 hereof) shall commence on October 21st 2002 (the "Commencement Date") and shall continue for a period of thirty (30) years (the "Initial Term") thereafter unless terminated earlier as elsewhere herein provided. Following the date (the "Lien Release Date") of the release of Landlord's Property from the lien or liens of that certain First Trust Deed (as defined and described on *Schedule I* attached hereto) and that certain Second Trust Deed (as defined and described on *Schedule I* attached hereto) (collectively, the "Deeds of Trust"), Tenant may terminate this Lease on thirty (30) days' written notice to Landlord.

2.2 In the event Tenant is not then in default of its obligations hereunder beyond any applicable cure period and this Lease has not previously been terminated, after the expiration of the Initial Lease Term, the Lease Term shall continue on a month-to-month basis, upon the same terms and conditions as are set forth in this Lease. At any time during any such extension of the Initial Lease Term, either party may terminate the Lease by delivering written notice to the other party no later than ten (10) days prior to the expiration of any thirty (30) day extension period. In the event that such notice is not given within such time period, the Lease shall continue in effect.

2.3 Upon the expiration or sooner termination of the Lease Term, Tenant shall, at its sole cost and expense, within fifteen (15) days after receipt of written notice, remove all personal property and trade fixtures which Tenant has installed or placed on the Premises ("Tenant's Property") from the

Premises and repair all damage thereto resulting from such removal, and Tenant shall thereupon surrender the Premises in the same condition as on the Commencement Date, reasonable wear and tear excepted, broom clean. In the event Tenant fails to remove any of Tenant's Property as provided herein, Landlord may, but is not obligated to, at Tenant's expense, remove all of such property not so removed and repair all damage to the Premises resulting from such removal, and Landlord shall have no responsibility to Tenant for any loss or damage to Tenant's Property caused by, or resulting from, such removal or otherwise. In the event any amount due Landlord pursuant to this Lease has not been paid at the expiration or termination of this Lease, Landlord shall have the right to sell or dispose of Tenant's Property as Landlord so chooses as partial satisfaction of the amount past due.

SECTION 3 RENT

3.1 During the Lease Term, Tenant shall pay as monthly Base Rent for the Premises the sum of One Dollar (\$1.00) per month (the "Base Rent"). The Base Rent shall be due and payable in advance on the first (1st) day of each month during the Lease Term.

3.2 In addition to Base Rent, Tenant shall reimburse Landlord, as "Additional Rent", for all costs ("Operating Costs") incurred by Landlord in connection with the maintenance, repair, replacement, operation and cleaning of the Building, including costs for sewage, janitorial, waste disposal, refuse removal, security and mailroom services. Tenant shall pay Additional Rent, in equal monthly installments with the Base Rent, based on Landlord's good faith estimate of the Operating Costs. After the end of each calendar year, Landlord shall deliver to Tenant Landlord's good faith estimate of the Operating Costs for the following year and a statement, in reasonable detail, of the actual Operating Costs incurred by Landlord during the preceding calendar year. Upon receipt of such statement, there shall be an adjustment between Landlord and Tenant, with payment to Landlord or credit given to Tenant, as the case may be, to reflect the actual Operating Costs.

3.3 The term "Rent" shall mean Base Rent and Additional Rent. All Rent and other monies required to be paid by Tenant hereunder shall be paid to Landlord without deduction or offset, prior notice or demand, in lawful money of the United States of America, at the Building or at such other place as Landlord may from time to time designate in writing.

3.4 If Tenant fails to pay, when due and payable, any Rent or any other amounts or charges to be paid by Tenant hereunder within ten (10) days after written notice from Landlord that the amount is past due, such unpaid amounts shall bear interest from the due date thereof to the date of payment at a rate equal to the prime rate of interest last ascertained by the Commissioner of Financial Institutions of the State of Nevada pursuant to Section 99.040 of the Nevada Revised Statutes, plus five (5) percentage points (the "Default Rate").

SECTION 4 GAMING

Landlord acknowledges that Tenant and its Affiliates (defined below) shall apply for gaming licenses and that such licenses are of vital importance to Tenant's business. In this regard, Landlord agrees to comply with all reasonable requests made by Tenant for information concerning Landlord's background, which may include, without limitation, completion by Landlord of Tenant's standard form of Corporate Background Questionnaire and/or Personal Background Questionnaire, as appropriate. Tenant may immediately terminate this Agreement in the event that (a) Landlord fails to comply with information requests as set forth in the foregoing sentence; or (b) Tenant determines, in its sole discretion, that continued association with Landlord would jeopardize any gaming license held or pursued by Tenant or any of its Affiliates.

2

SECTION 5 FINANCING

Landlord may obtain loans from time to time from third parties to finance acquisition and development of Landlord's and its Affiliates' real property, including the Premises. For purposes of this Lease, an "Affiliate" of a party shall mean any person or entity (a) that is owned or controlled by the party, (b) that owns or controls the party, (c) that is owned or controlled by a person or entity that owns or controls the party, (d) that owns or controls an Affiliate of the party, or (e) that is owned or controlled by an Affiliate of the party. As used in this definition, the words "owns" or "owned" refer to the ownership of twenty percent (20%) or more of the equity interest in the person or entity so owned, regardless of the manner of ownership. Also, as used in this definition, ownership or control may be direct or indirect. By its execution of this Lease, Tenant (i) acknowledges and consents to Landlord's collateral assignment of its rights hereunder to its and its Affiliates' lenders, including the beneficiaries under the Deeds of Trust (collectively, "Lenders"); (ii) acknowledges and affirms Tenant's agreement to attorn performance obligations to the benefit of Lenders in the same manner as it would with respect to Landlord if any such Lender exercises its rights under any collateral assignment from Landlord; and (iii) agrees to execute such separate consents and acknowledgements to and of Landlord's collateral assignment of this Lease to such third party Lenders. A Lender or its successor which acquires the Premises (through foreclosure on Landlord's Property or deed in lieu of foreclosure) shall not disturb Tenant's lease of the Premises and shall respect Tenant's rights under this Lease.

SECTION 6 USE OF PREMISES; EXCLUSIVITY

6.1 The Premises are leased to Tenant solely for use as business and administrative offices and uses related thereto. Tenant shall not use or suffer to be used the Premises, or any portion thereof, for any other purpose or purposes whatsoever, without Landlord's prior written consent, which consent shall not be unreasonably withheld.

6.2 Tenant shall not permit or suffer anything to be done, or kept upon the Premises which will obstruct or interfere with the rights of Landlord, nor will Tenant commit or permit any nuisance on the Premises or commit or suffer any immoral or illegal act to be committed thereon. Tenant shall not, without Landlord's prior written approval:

6.2.1 Do or permit anything to be done in or about the Premises, which will in any way affect fire or other insurance upon the Building, or any of its contents, or which shall in any way conflict with any law, ordinance, rule or regulation affecting the occupancy or use of the Premises;

6.2.2 Operate or permit to be operated on the Premises, any coin or token-operated vending machines or similar devices unless for the sole use of Tenant's employees on the Premises; or

6.2.3 Use the Premises or any portion thereof as living quarters or sleeping quarters.

6.3 Tenant shall not use the Premises for the generation, storage, manufacture, production, releasing, discharge, or disposal or any Hazardous Substance (defined below) or allow or suffer any other entity or person to do so. "Hazardous Substance" shall mean any flammable or related material and any other substance or material defined or designated as a hazardous or toxic substance, material or waste by a governmental law, order, regulation or ordinance presently in effect or as amended or promulgated in the future and shall include, without limitation: (a) those substances included within the definitions of "hazardous substances," "hazardous materials," "toxic substances" or "solid waste" in CERCLA, RCRA, and the Hazardous Materials Transportation Act, 40 U.S.C. §§ 1801 *et seq.*, and in the regulations promulgated pursuant to said laws; (b) those substances listed in the United States Department of Transportation Table (49 CFR 172.101 and amendments thereto) or by the Environmental Protection Agency (or any successor agency) as hazardous substances (40 CFR Part 302

3

and amendments thereto); (c) such other substances, materials and wastes which are or become regulated under applicable local, state or federal law, or the United States government, or which are classified as hazardous or toxic under federal, state or local laws or regulations; and (d) any material, waste or substance which is (i) petroleum, (ii) asbestos, (iii) polychlorinated biphenyls or (iv) designated as a "hazardous substance" pursuant to Section 311 of the Clean Water Act, 33 U.S.C. §§ 1251 *et seq.* (33 U.S.C. 1321) or listed pursuant to Section 307 of the Clean Water Act (33 U.S.C. 1317).

6.3.1 Tenant shall protect, indemnify and hold harmless Landlord, its partners, members, managers, employees, agents, successors and assigns, the Building and the property in general from and against any and all claims, losses, damages, costs, expenses, liabilities, fines, penalties, charges, administrative and judicial proceedings and orders, judgments, remedial action requirements, enforcement actions of any kind (including, without limitation, attorneys' fees and costs at trial and on appeal) directly or indirectly arising out of or attributable to, in whole or in part, the breach of any of the covenants, representations and warranties of this Section 6.3, or the use, generation, manufacture, production, storage, release, threatened release, discharge, disposal, or presence of a Hazardous Substance on, under, from or about the Premises. The foregoing indemnity shall further apply to any residual contamination on, under, from or about the Premises, the Building or the property in general, or affecting any natural resources arising in connection with the use, generation, manufacture, production, handling, storage, transport, discharge or disposal of any such Hazardous Substance, and irrespective of whether any of such activities were or will be undertaken in accordance with environmental laws or other applicable laws, regulations, codes and ordinances.

6.3.2 Landlord reserves the right to request appropriate governmental officials to inspect the Premises, from time to time, in order to determine Tenant's compliance herewith.

6.4 Tenant shall, at all times during the Lease Term, comply with all governmental rules, regulations, ordinances, statutes and laws, now or hereafter in effect pertaining to the Building, the Premises or Tenant's use thereof.

6.5 Tenant hereby covenants and agrees that it, its agents, employees, servants, contractors, subtenants and licensees shall abide by any and all reasonable rules and regulations as Landlord may, from time to time, adopt for the safety, care and cleanliness of the Premises or the Building.

6.6 Tenant shall not erect any signs, posters, billboards, or other advertising device to be displayed to the public (collectively "Signs") without the prior written consent of Landlord. If prior written consent is obtained, Tenant agrees that Tenant will erect any and all Signs at Tenant's sole cost.

6.7 Tenant shall not use the name "Desert Inn" or any other name that Landlord shall use to refer to the Building, or its business in the Building, from time to time or any derivation thereof (the "Landlord's Name") in connection with, or as part of, Tenant's business, without the prior written consent of Landlord. In the event that Landlord allows Tenant to use the Landlord's Name in advertising, such use shall be deemed a nonexclusive license or privilege only, which confers no property rights therein, and such license or privilege may be revoked by Landlord at any time, in which event Tenant shall immediately cease the use of the Landlord's Name. Landlord's permission to use the Landlord's Name shall not be deemed to abridge the right of Landlord to grant or license the use of the Landlord's Name to any other person at any other time. Tenant shall have no right to use any Landlord owned or licensed trademarks or copyrights without the prior written consent of Landlord. Any rights to use Landlord's owned or licensed trademarks or copyrights on Tenant's merchandise shall be nonexclusive and the subject of a separate agreement.

4

SECTION 7 ALTERATIONS AND IMPROVEMENTS

Tenant shall be responsible, at its sole cost and expense, for all decorating, fixturing, furnishing and equipping of the Premises subject to Landlord's prior written approval, which approval shall not be unreasonably withheld or delayed. Tenant shall not make any alterations, improvements or changes ("Improvements") in or to the Premises without the prior written approval of Landlord, which approval shall not be unreasonably withheld or delayed. Any Improvements shall be at the sole cost and expense of Tenant. Landlord may require Tenant, at Tenant's sole cost and expense, to furnish a bond, or other security satisfactory to Landlord, to assure diligent and faithful performance of any work to be performed by Tenant. Any Improvements shall be made promptly, in good and workmanlike manner by duly licensed union contractors and in compliance with all insurance requirements and with all applicable permits, authorizations, building regulations, zoning laws and all other governmental rules, regulations, ordinances, statutes and laws, now or hereafter in effect, pertaining to the Premises or Tenant's use thereof. Tenant shall remove all Improvements, at Tenant's sole cost and expense, upon termination of this Lease and to surrender the Premises in the same condition as they were in prior to the making of any or all such Improvements, ordinary wear and tear excepted. Notwithstanding the above, Tenant shall have the right to remove any trade fixtures installed by Tenant upon the Premises.

SECTION 8 PARKING

Tenant, its agents, employees, servants, contractors, subtenants, licensees, customers and business invitees shall have the nonexclusive right to access and use the parking structure (the "Parking Facility") currently located on the north side of Landlord's Property, as shown on Exhibit "B", subject to such rules and regulations as Landlord may from time to time impose and consistent with Tenant's rights in the Parking Facility pursuant to that certain Parking Facility Lease between the parties dated of even date herewith. In addition, Landlord hereby grants Tenant, its employees, invitees and patrons a non-exclusive license to (a) traverse Landlord's Property in order to travel between the Building and the Parking Facility along sidewalks and pathways designated from Landlord from time to time and (b) to drive in, through, and out of the Parking Facility.

SECTION 9 TAXES

9.1 Tenant will, at Tenant's own cost and expense, bear, pay, and discharge prior to delinquency, all real estate taxes, assessments, sewer rents, water rents and charges, duties, impositions, license and permit fees, charges for public utilities of any kind, payments and other charges of every kind and nature whatsoever, ordinary or extraordinary, foreseen or unforeseen, general or special (all of which are hereinafter collectively referred to as "Impositions"), which shall, pursuant to present or future law or otherwise, during the Lease Term, have been or be levied, charged, assessed, or imposed upon, or become due and payable out of or for, or become or have become a lien on the Premises, the Building and any Improvements; it being the intention of the parties hereto that the rents reserved herein shall be received and enjoyed by Landlord as a net sum free from all such Impositions. Provided, however, that for such part of the Lease Term, if any, as the Premises is not separately assessed but is included as part of Landlord's Property for computation of real property taxes and assessments, or is separately assessed but the taxes attributable thereto are billed to Landlord, then Tenant's share of taxes shall be an amount equal to twenty five percent (25%) of the total assessments for Landlord's Property; provided further that following the release of the liens of the Deeds of Trust, Landlord and Tenant shall either create a tax

parcel for the Premises separate from the remainder of Landlord's Property, or equitably adjust the percentage of property taxes payable by Tenant for the Premises following adjustments in assessments for Landlord's Property attributable to construction or demolition activity

on Landlord's Property other than the Premises. All taxes payable by Tenant hereunder shall be paid to Landlord, as the case may be, on the later of (a) ten (10) days before such tax becomes delinquent or (b) ten (10) days after Landlord, or the taxing authority, notifies Tenant that a payment is due. Subject to any reimbursement due from Tenant as provided herein, Landlord shall be responsible for timely payment of all assessments on Landlord's Property. In the event Landlord fails to timely pay any such assessment, Tenant may, but is not obligated to pay such assessment directly to the taxing authority and pursue reimbursement of Landlord's share of such assessment from Landlord. Upon the termination of this Lease, Landlord shall promptly reimburse Tenant for any Impositions paid by Tenant attributable to the period of time following such termination. All Impositions shall be prorated on the basis of a 365-day year.

9.2 Tenant shall be liable for and shall pay before delinquency (and, upon five (5) days of written demand by Landlord, Tenant shall furnish Landlord with satisfactory evidence of the payment thereof) all Impositions of whatsoever kind or nature, and penalties and interest thereon, if any, levied against any personal property of Tenant of whatsoever kind and to whomsoever belonging situated or installed in or upon the Premises, whether or not affixed to the realty.

9.3 Tenant shall pay when due all taxes, assessments or fees for which Tenant is liable and which arise directly or indirectly from Tenant's operations at the Premises including without limitation all sales and use taxes. Within five (5) days of written demand from Landlord, Tenant shall furnish Landlord evidence satisfactory to Landlord of the timely payment of any such tax, assessment or fee.

9.4 Whenever Landlord shall receive any statement or bill for any tax, payable in whole or in part by Tenant as additional rent, or shall otherwise be required to make any payment on account thereof, except as otherwise provided herein, Tenant shall pay the amount due hereunder within ten (10) days after demand therefor accompanied by delivery to Tenant of a copy of such tax statement, if any.

SECTION 10 UTILITIES

The parties acknowledge that this Lease is intended to be a fully net Lease and that, except as expressly provided in this Lease, Tenant shall be responsible for the payment of all utilities consumed at the Building, including but not limited to water, electricity, gas and telephone, together with any taxes thereon and, to the extent that they are contracted by Tenant, or are paid separately by Tenant, the same shall not constitute Operating Costs under this Lease. Tenant shall contract with and pay, directly to the appropriate supplier, the cost of all such utilities and services supplied to the Building.

SECTION 11 MAINTENANCE AND REPAIRS

11.1 Landlord agrees to keep in good order, condition and repair the foundations, exterior walls, floor and roof of the Building, including cleaning, removal of trash, dirt and debris, sweeping and janitorial services, electrical, mechanical, plumbing, lighting of the Building and service corridors, repair and replacement of sprinkler systems, HVAC, directional signs and other markers and pest extermination, except for reasonable wear and tear and except for any damage thereto caused by any act or negligence of Tenant or its agents, employees, servants, contractors, subtenants or licensees. Further, Landlord acknowledges and agrees that Landlord's security department and security officers are responsible for providing security services in and to the Premises.

11.2 Landlord shall not be obligated to perform any service or to repair or maintain any structure or facility except as provided in this Section 11 and Section 14 of this Lease unless caused by the negligence of Landlord, its agents, customers or contractors. Landlord shall not be obligated to provide any service or maintenance or to make any repairs pursuant to this Lease when such service, maintenance or repair is made necessary because of the negligence or misuse of Tenant, Tenant's

agents, employees, servants, contractors, subtenants or licensees. Landlord reserves the right to stop any service when Landlord reasonably deems such stoppage necessary, whether by reason of accident or emergency, or for repairs or Improvements or otherwise. Landlord shall not be liable under any circumstances for loss or injury however occurring, through or in connection with or incident to any stoppage of such services, provided, however, that Rent and other charges hereunder shall be abated during the period that Tenant cannot open for business due to such stoppage. Landlord shall have no responsibility or liability for failure to supply any services or maintenance or to make any repairs when prevented from doing so by any cause beyond Landlord's reasonable control unless caused by the negligence of Landlord, its agents, customers, or contractors. Landlord shall not be obligated to inspect the Premises and shall not be obligated to make any repairs or perform any maintenance hereunder unless first notified of the need thereof in writing by Tenant, or unless actually known to Landlord. Landlord shall not be liable for any loss or damage to persons or property sustained by Tenant or other persons, which may be caused by the Building or the Premises, or any appurtenances thereto, being out of repair or by bursting or leakage of any water, gas, sewer or steam pipe, or by theft, or by any act or neglect of any tenant or occupant of the Building, or of any other person.

11.3 Except as provided for elsewhere herein, Tenant shall keep and maintain in good order, condition and repair (including any such replacement and restoration as is required for that purpose) the Premises and every part thereof and any and all appurtenances thereto wherever located, including, without limitation, the exterior and interior portion of all doors, door checks, windows, plate glass, all plumbing and sewage facilities within the Premises that exclusively service the Building, fixtures, walls, floors, ceilings and all interior lighting. Tenant shall also keep and maintain in good order, condition and repair (including any such replacement and restoration as is required for that purpose) any Improvements, special equipment, furnishings, fixtures or facilities installed by it on the Premises. Tenant shall store all trash and garbage in containers located where designated by Landlord and so as not to be visible or create a nuisance to guests, customers and business invitees of the Building, and so as not to create or permit any health or fire hazard.

SECTION 12 LIENS

12.1 Tenant, at all times, whether by bond or otherwise, shall keep Landlord, the Building, the Premises, the leasehold estate created by this Lease, and any trade fixtures, equipment or personal property within the Premises, free and clear from any claim, lien or encumbrance (other than personal property, consensual security interests for lines of credit or inventory financing or purchase money liens in connection with the acquisition of any personal property, in each case in the ordinary course of Tenant's business), tax lien or levy, mechanic's lien, attachment, garnishment or encumbrance arising directly or indirectly from any obligation, action or inaction of Tenant whatsoever, except to the extent permitted under Sections 17 and 18 below and except for "Permitted Liens" as defined in the Credit Agreement (as that term is defined in the First Trust Deed) and the Mortgage Notes Indenture (as that term is defined in the Second Trust Deed).

12.2 Tenant shall, within ten (10) business days of the filing of any lien that is not permitted under Section 12.1 above, either pay or satisfy the same in full and procure the discharge thereof or commence an action to discharge the same, fully bond such lien, and diligently prosecute such action, or shall cause Tenant's contractor to do the same.

SECTION 13 INSURANCE

13.1 Landlord and Tenant are covered under the same policies of comprehensive public liability insurance and all-risk, commercial property insurance. The parties each agree to pay its respective share of such insurance cost.

7

13.2 If at any time during the Lease Term Tenant ceases to be covered by common insurance with Landlord, Tenant will, at its sole cost and expense, maintain in full force and effect:

(a) a policy of comprehensive public liability insurance issued by an insurance carrier approved by Landlord, insuring against loss, damage or liability for injury or death to persons and loss or damage to property occurring from any cause whatsoever in connection with the Premises or Tenant's use thereof. Landlord shall be named as an additional insured under each such policy of insurance;

(b) a standard form of all-risk, commercial property insurance with extended coverage insurance covering leasehold improvements, furniture, fixtures and equipment, and personal property located in or on the Premises whether owned by Landlord or Tenant, and the personal property of others in Tenant's possession in, upon or about the Premises. Such insurance shall be in an amount equal to the current replacement value of the property required to be insured. Tenant and Landlord, as their interests may appear, shall be the named insureds under each such policy of insurance; and

(c) During any period of any construction on the Premises, Tenant shall maintain (i) course of construction and builder's risk insurance on an "all risks" basis, including materials in storage and while in transit, and (ii) worker's compensation and employer's liability insurance for any person working on such construction who is employed by Tenant or any general contractor and/or any construction contractor.

13.3 A certificate issued by the insurance carrier for each policy of insurance required to be maintained by Tenant under Section 13.2 above, if any, or a copy of each such policy, shall be delivered to Landlord on or before the Commencement Date and thereafter, as to policy renewals, within thirty (30) days prior to the expiration of the terms of each such policy. Each of said certificates of insurance and each such policy of insurance shall be from an insurer and in a form and substance satisfactory to Landlord, shall expressly evidence insurance coverage as required by this Lease and shall contain an endorsement or provision requiring not less than thirty (30) days written notice to Landlord and all other named insureds prior to the cancellation, diminution in the perils insureds against, or reduction of the amount of coverage of, the particular policy in question. In addition to the foregoing certificates, Tenant shall at all times during the Lease Term maintain (either through common insurance with Landlord or otherwise), at Tenant's sole cost and expense, workers' compensation coverage evidencing coverage at Nevada statutory limits.

13.4 Tenant shall not use or occupy, or permit the Premises to be used or occupied, in a manner that will make void any insurance then in force.

13.5 Landlord and Tenant hereby waive any and all rights of recovery from the other party and its officers, agents and employees for any loss or damage, including consequential loss or damage, caused by any peril or perils (including negligent acts) that are caused by or result from risks insured against under any form of insurance policy.

13.6 Each policy of insurance provided for in this Section 13 shall contain an express waiver of any and all rights of subrogation thereunder whatsoever against the other party, its officers, directors, agents and employees. All such policies shall be written as primary policies and not contributing with or in excess of the coverage, if any, which Landlord may carry. Notwithstanding any other provision contained in this Section 13 or elsewhere in this Lease, the amounts of all insurance required hereunder to be paid by Tenant shall be not less than an amount sufficient to prevent Landlord from becoming a co-insurer. The limits of the public liability insurance required to be maintained by Tenant under this Lease shall in no way limit or diminish Tenant's liability under Section 15 hereof and such limits shall be subject to increase at any time and from time to time during the Lease Term if Landlord, in the exercise of reasonable discretion, deems such an increase necessary for its adequate

8

protection; provided, however, Landlord may not exercise its right under this sentence more frequently than one time every two years during the Lease Term.

13.7 All of the provisions of this Section 13 are subject to, and shall be modified as reasonably necessary to be consistent with, the requirements of the Credit Agreement and the Mortgage Notes Indenture.

SECTION 14 DESTRUCTION OF PREMISES; CONDEMNATION

14.1 During the period prior to the earlier to occur of the expiration of the Initial Lease Term or the Lien Release Date, should the Premises or any portion thereof be destroyed by any cause whatsoever ("Damaged") and provided that restoration is permitted under the Credit Agreement and the Mortgage Notes

Indenture, Tenant shall restore the Premises. After the earlier to occur of the expiration of the Initial Lease Term or the Lien Release Date, should the Premises be Damaged, Tenant may elect to either terminate this Lease or restore the Premises by delivery of written notice to Landlord within thirty (30) days after the casualty event giving rise to the Damage. If Tenant fails to give timely notice of Tenant's election, Tenant shall be deemed to have elected to terminate and this Lease shall terminate at the end of the calendar month following the calendar month in which such casualty event shall have occurred. If Tenant is required or elects to restore the Premises, the following provisions shall apply: After any such casualty and during the reconstruction period, Rent shall continue to accrue and be payable as if such event of destruction had not occurred. Tenant shall reconstruct the Damaged Improvements with all reasonable diligence (allowing for adjustment and collection of insurance proceeds, licensing, permitting, and approvals) and as often as any structures subsequently constructed on the Premises or any part thereof shall be Damaged. No Damage to any building or Improvements on the Premises by fire, windstorm, or any other casualty shall entitle Tenant to violate any of the provisions of this Lease. Landlord hereby agrees to assign to Tenant any insurance proceeds otherwise payable to Landlord, whether payable solely to Landlord or jointly to Landlord and Tenant, subject to reasonable and third party customary construction control procedures, so long as Tenant uses such proceeds solely to repair or rebuild the Damaged buildings or Improvements.

14.2 INTENTIONALLY OMITTED

14.3 Notwithstanding the foregoing provisions, in the event the Premises or any portion thereof shall be Damaged by fire or other casualty due to the fault, negligence or willful misconduct of Tenant, its agents, employees, servants, contractors, subtenants, licensees, customers or business invitees, then this Lease shall not terminate, the Damage shall be repaired by Tenant, and there shall be no apportionment or abatement of any Rent.

14.4 All insurance proceeds payable under any fire and extended coverage risk insurance covering the Premises and maintained by Landlord shall be payable to Landlord in the event of Damage, and Tenant shall have no interest therein, except to the extent of such insurance separately carried by Tenant. Tenant shall in no case be entitled to compensation for damages on account of any annoyance or inconvenience in making repairs under any provision of this Lease. Except to the extent provided for in this Section 14, neither the Rent payable by Tenant nor any of Tenant's other obligations under any provision of this Lease shall be affected by any Damage.

14.5 Should the whole of the Premises be condemned or taken by a competent authority for any public or quasi-public purpose, then this Lease shall terminate upon such taking. If such portion of the Premises is condemned or taken such that the remaining portion thereof will not be reasonably adequate for the operation of Tenant's business after Landlord completes such repairs or alterations as Landlord elects to make, either Landlord or Tenant shall have the option to terminate this Lease by notifying the other party hereto of such election in writing within twenty (20) days after such taking. If by such condemnation and taking a portion of the Premises is taken and the remaining part thereof is

suitable for the purposes for which Tenant has leased the Premises, this Lease shall continue in full force and effect, but the Rent and all other charges hereunder shall be reduced in an amount equal to that proportion of such charges which the square footage of the portion taken bears to the total square feet of the Premises, and Rent and other charges shall be suspended during any period of time that Tenant is closed for business. In the event a partial taking does not terminate this Lease, Landlord, at Landlord's expense, shall repair the damage to the Premises with reasonable dispatch and restore it as nearly as reasonably possible to its condition immediately before the taking. If any part of the Building shall be taken or appropriated so as to materially and adversely affect the ability of Tenant's subtenants, customers and/or invitees to reach the Premises, Tenant shall have the right, at its option to terminate this Lease by notifying the other party within twenty (20) days of such taking.

14.6 For the purposes hereof, a deed in lieu of condemnation shall be deemed a taking.

SECTION 15 INDEMNIFICATION

15.1 Each party ("Indemnitor") hereby covenants and agrees to indemnify, defend, save and hold the other party ("Indemnitee"), the Premises and the leasehold estate created by this Lease free, clear and harmless from any and all liability, loss, costs, expenses (including attorneys' fees), judgments, claims, liens and demands of any kind whatsoever in connection with, arising out of, or by reason of any act, omission, or negligence of Indemnitor, its agents, employees, servants, contractors, subtenants or licensees while in, upon, about, or in any way connected with, the Premises or the Building or arising from any accident, injury or damage, howsoever and by whomsoever caused, to any person or property whatsoever, occurring in, upon, about or in any way connected with the Premises or any portion thereof other than as a result of the intentional or negligent acts of Indemnitee.

SECTION 16 SUBORDINATION

Tenant agrees upon request of Landlord to subordinate this Lease and its rights hereunder to the lien of any mortgage, deed of trust or other encumbrance, together with any renewals, extensions or replacements thereof now or hereafter placed, charged or enforced against the Premises, or any portion thereof, and to execute and deliver at any time, and from time to time, upon demand by Landlord, such documents as may be reasonably required to effectuate such subordination within ten (10) days after receiving such documents, provided that in connection with such subordination agreement Landlord's lender agrees to provide a non-disturbance agreement for the benefit of Tenant in form and substance reasonably acceptable to Tenant and its lender(s).

SECTION 17 ASSIGNMENT AND SUBLETTING

17.1 Except as otherwise set forth herein, Tenant shall not assign, mortgage, pledge, hypothecate or encumber this Lease nor the leasehold estate hereby created or any interest herein, or sublet the Premises or any portion thereof, or license the use of all or any portion of the Premises without the prior written consent of Landlord, which consent may be withheld in Landlord's sole discretion. Provided, however, that Tenant shall have the right, upon giving notice to Landlord, to assign this Lease or sublet all or any portion of the Premises to an Affiliate of Tenant so long as such Affiliate agrees to be bound by the terms and provisions of this Lease and, in the case of an assignment, assumes Tenant's obligations under this Lease. The restriction or limitation on use of the Premises shall continue to apply to any subtenant or assignee hereunder. Any consent by Landlord to any act requiring consent pursuant to this Section 17.1 shall not constitute a

waiver of the necessity for such consent to any subsequent act. Tenant shall pay all reasonable costs, expenses and reasonable attorneys' fees that may be incurred or paid by Landlord in processing, documenting or administering any request of Tenant for Landlord's consent required pursuant to this Section 17.1.

17.2 Landlord may reasonably require that each proposed assignee or sublessee agree, in a written agreement satisfactory to Landlord, to assume and abide by all the terms and provisions of this Lease, including those which govern the permitted uses of the Premises.

17.3 In the absence of an express agreement in writing to the contrary executed by Landlord, no assignment, mortgage, pledge, hypothecation, encumbrance, subletting or license hereof or hereunder shall act as a release of Tenant from any of the provisions, covenants and conditions of this Lease on the part of Tenant to be kept and performed.

SECTION 18 LEASEHOLD FINANCING

18.1 *Leasehold Mortgage Permitted.* Nothing in this Lease shall be construed as restricting in any manner the right of Tenant, from time to time, or at any time, to create one or more liens on, or encumber, by mortgage, deed of trust or trust deed in the nature of a mortgage (each, a "*Leasehold Mortgage*") the leasehold interest of Tenant in the Premises, and subject to the restrictions and limitations contained in any such instrument as to further conveyances, transfers and assignments, Tenant will have the right at any time, and from time to time, to convey, transfer and assign its interest under this Lease to a mortgagee, trustee or beneficiary, of its designee (each "*Leasehold Mortgage*"), under a Leasehold Mortgage given to secure any note or other obligation of Tenant or an Affiliate thereof.

18.2 *Certain Benefits to Leasehold Mortgage.* If Tenant shall execute any Leasehold Mortgage, then, in such event and so long as such Leasehold Mortgage shall constitute a lien or encumbrance against the leasehold estate of Tenant hereunder, the following provisions shall apply:

18.2.1 *Amendment of Lease.* No agreement by Landlord and Tenant for the assignment, cancellation, surrender, acceptance of surrender or termination, modification or amendment of this Lease shall be effective as to any Leasehold Mortgagee without the written consent of such Leasehold Mortgagee. If the Leasehold Mortgagee whose lien has first priority consents to an amendment, any Leasehold Mortgagee of a junior lien on the Premises will not unreasonably withhold its consent to such amendment.

18.2.2 *Exercise of Section 365(h)(i) Rights.* Landlord agrees, for the benefit of such Leasehold Mortgagee, that the right of election arising under Section 365(h)(i) of the Bankruptcy Code shall be exercised by the most senior Leasehold Mortgagee at such time and not by Tenant. Any attempted exercise by Tenant of such right of election in violation hereof shall be void.

18.2.3 *Loss Payee.* The name of each such Leasehold Mortgagee shall be added to the "*Loss Payable Endorsement*" of any and all insurance policies required to be carried by Tenant under this Lease.

18.2.4 *Proceeds of Casualty and Condemnation.* Notwithstanding anything in this Lease to the contrary, in the event of any casualty to or condemnation of the Premises or any portion thereof, the Leasehold Mortgagees shall be entitled to receive all insurance proceeds and/or condemnation awards as their interests appear (up to the amount of the indebtedness secured by the Leasehold Mortgage) otherwise payable to Tenant or Landlord or both and apply them in accordance with the Leasehold Mortgage and shall have the right, but not the obligation, to restore the Premises.

18.2.5 *Merger.* If Tenant shall acquire fee title, or any other estate, title or interest in the Premises which is the subject of this Lease, or any part thereof, or if the leasehold estate created by this Lease, or any portion thereof, shall be assigned, sold or otherwise transferred to the owner of such fee title or other estate, title or interest in the Premises which is the subject of this Lease, then in either such event, upon the election of the Leasehold Mortgagee first in priority expressly

made in writing at any time thereafter, each Leasehold Mortgage shall attach to and be a lien upon such fee title and/or other estate so acquired (but only as the same pertains to the Premises), and such fee title and/or other estate so acquired shall be considered as mortgaged, assigned and conveyed to each Leasehold Mortgagee and the lien of each such Leasehold Mortgage shall be spread to cover such estate with the same force and effect as though specifically mortgaged, assigned or conveyed in such Leasehold Mortgage (and upon request of any Leasehold Mortgagee, either or both Landlord and Tenant shall execute further mortgages, assignments of leases and rents, amendments to documents and instruments as such Leasehold Mortgagee may reasonably require for such purpose); provided, however, that notwithstanding the foregoing, if and so long as any of the indebtedness secured by any such Leasehold Mortgage shall remain unpaid, unless the Leasehold Mortgagee thereunder shall otherwise in writing expressly consent, the fee title to the Premises which is the subject of this Lease and the leasehold estate created by this Lease shall not merge but shall always be kept separate and distinct, notwithstanding the union of said estates either in Landlord or in Tenant, or in a third party, by purchase or otherwise. Nothing in this Section 18.2.5 shall be deemed to subordinate or require Landlord to subordinate the fee interest of Landlord in the Premises to the lien of a Leasehold Mortgage.

18.2.6 *Right of Entry.* Each Leasehold Mortgagee shall have the right to enter upon the Premises at any time for any purpose, including curing any defaults by Tenant under this Lease, and Landlord hereby agrees to accept performance and compliance by any such Leasehold Mortgagee of any covenants, agreements, provisions, conditions and limitations on Tenant's part to be kept, observed or performed hereunder, with the same force and effect as though kept, observed and performed by Tenant. Any default by Tenant that is not susceptible to being cured by a Leasehold Mortgagee shall be deemed waived by Landlord.

18.2.7 *Notice to Tenant.* Landlord shall serve Tenant with notice if Landlord files, or has filed against it, a petition under chapters 7 or 11 of the Bankruptcy Code. Such notice shall be served within twenty-four (24) hours of such filing. Landlord shall, upon serving Tenant with any notice of (1) a bankruptcy filing as herein described, (2) default pursuant to the provisions of this Lease, or (3) a matter on which Landlord may predicate or claim a default, at the same time serve a copy of such notice upon every Leasehold Mortgagee that has provided Landlord with notice of its identity and address,

and no such notice by Landlord to Tenant hereunder shall have been deemed duly given unless and until a copy thereof has been so served on every such Leasehold Mortgagee.

18.2.8 *Termination.* Anything contained in this Lease to the contrary notwithstanding, if any default shall occur which entitles Landlord to terminate this Lease, or to exercise any other rights, powers or remedies available to it under this Lease, Landlord shall have no right to terminate this Lease or to exercise any of such rights, powers or remedies unless following the expiration of the period of time given Tenant to cure such default (or the act or omission which gave rise to such default), Landlord shall notify every Leasehold Mortgagee of Landlord's intent to so terminate or exercise any such rights, powers or remedies ("*Default Notice*") at least (x) sixty (60) days in advance of the proposed effective date of such termination, or exercise of any rights, powers or remedies if such default is capable of being cured by the payment of money, and (y) ninety (90) days in advance of the proposed effective date of such termination, or exercise of any such rights, powers or remedies if such default is not capable of being cured by the payment of money ("*Default Notice Period*"). The provisions of Subsection 18.2.9 below shall apply if during such thirty (60) or ninety (90) day Default Notice Period, any Leasehold Mortgagee shall notify Landlord of such Leasehold Mortgagee's desire to nullify such notice (the "*Nullification Notice*").

12

18.2.9 *Procedure on Default.*

(a) If Landlord shall elect to terminate this Lease or obtain possession of the Premises by reason of any default of Tenant, and a Leasehold Mortgagee shall have delivered the Nullification Notice set forth in Subsection 18.2.8, the specified date for the termination of this Lease as fixed by Landlord in its Default Notice or for the obtaining of possession shall be extended for a period of six (6) months, provided that such Leasehold Mortgagee shall, during such six (6) month period:

(1) pay or cause to be paid the monetary obligations of Tenant under this Lease as the same become due, and continue its good faith efforts to perform all of Tenant's other obligations under this Lease, excepting (i) obligations of Tenant to satisfy or otherwise discharge any lien, charge or encumbrance against Tenant's interest in this Lease or the Premises junior in priority to the lien of the mortgage held by such Leasehold Mortgagee and (ii) past non-monetary obligations then in default and not reasonably susceptible of being cured by such Leasehold Mortgagee (including by reason of a bankruptcy stay or if possession of the Premises is required in order to cure such default); *provided* that Leasehold Mortgagee may offset amounts it expends to cure any defaults by Landlord under this Lease; and

(2) if not enjoined or stayed, take steps to acquire or sell Tenant's interest in this Lease by foreclosure of the Leasehold Mortgage or other appropriate means and prosecute the same to completion with due diligence.

(b) If at the end of such six (6) month period such Leasehold Mortgagee is complying with Subsection 18.2.9(a) then this Lease shall not then terminate, and the time for completion by such Leasehold Mortgagee of its proceedings shall continue so long as such Leasehold Mortgagee is enjoined or stayed and thereafter for so long as such Leasehold Mortgagee proceeds to complete steps to acquire or sell Lessee's interest in this Lease by foreclosure of the Leasehold Mortgage or by other appropriate means with reasonable diligence. Nothing in this Subsection 18.2.9, however, shall be construed to extend this Lease beyond the original term thereof or to require a Leasehold Mortgagee to continue such foreclosure proceedings after the default has been cured. If the default shall be cured and the Leasehold Mortgagee shall discontinue such foreclosure proceedings, this Lease shall continue in full force and effect as if Tenant had not defaulted under this Lease.

(c) If a Leasehold Mortgagee is complying with Subsection 18.2.9(a) of this Section, then upon the acquisition of Tenant's estate herein by such Leasehold Mortgagee or its designee or any other purchaser at a foreclosure sale or otherwise (and the discharge of any lien, charge or encumbrance against the Tenant's interest in this Lease or the demised premises which is junior in priority to the lien of the Leasehold Mortgage held by such Leasehold Mortgagee and which the Tenant is obligated to satisfy and discharge by reason of the terms of this Lease) this Lease shall continue in full force and effect as if Tenant had not defaulted under this Lease.

18.2.10 *Receiver.* A Leasehold Mortgagee shall have the right after institution of foreclosure proceedings to apply to the court for the appointment of a receiver of the Premises. In the event foreclosure proceedings have been instituted, any money held by Landlord which becomes payable to Tenant shall be payable upon demand to such Leasehold Mortgagee as the interest of such Leasehold Mortgagee may appear when the same so becomes payable to Tenant. If Landlord shall at any time be in doubt as to whether such monies are payable to such Leasehold Mortgagee or to Tenant, Landlord may pay such monies into court and file an appropriate action of interpleader in which event all of Landlord's costs and expenses (including attorneys' fees) shall first be paid out of the proceeds so deposited.

13

18.2.11 *No Assumption.* For purposes of this Subsection 18.2.11, the making of a Leasehold Mortgage shall not be deemed to constitute an assignment or transfer of this Lease or of the leasehold estate hereby created, nor shall any Leasehold Mortgagee, as such, be deemed to be an assignee or transferee of this Lease or of the leasehold estate hereby created, so as to require such Leasehold Mortgagee, as such, to assume the performance of any of the terms, covenants or conditions on the part of Tenant to be performed hereunder, but the purchaser at any sale of this Lease and of the leasehold estate hereby created in any proceedings for the foreclosure of any Leasehold Mortgage, or the assignee or transferee of this Lease and of the leasehold estate hereby created under any instrument of assignment or transfer in lieu of the foreclosure of any Leasehold Mortgage, shall be deemed to be an assignee or transferee within the meaning of this Subsection 18.2.11 and shall be deemed to have agreed to perform all of the terms, covenants and conditions on the part of Tenant to be performed hereunder arising and accruing from and after the date of such purchase and assignment, but only for so long as such purchaser or assignee is the owner of the leasehold estate.

18.2.12 *Successive Sales.* Any Leasehold Mortgagee or other acquiror of the leasehold estate of Tenant pursuant to foreclosure, assignment in lieu of foreclosure or other proceedings may, upon acquiring Tenant's leasehold estate, without further consent of Landlord, sell and assign the leasehold estate so acquired on such terms and to such persons or organizations as are acceptable to such Leasehold Mortgagee or acquiror and thereafter be relieved of all obligations under this Lease; provided that such assignee has delivered to Landlord its written agreement to be bound by all of the provisions of this Lease from and after the date of such assignment.

18.2.13 *Leasehold Mortgagee Need Not Cure Specified Defaults.* Nothing herein contained shall require any Leasehold Mortgagee or its designee as a condition to the exercise of its rights hereunder to cure any default of Tenant not reasonably susceptible of being cured by such Leasehold Mortgagee or its designee.

18.2.14 *Lease Proceedings.* Landlord shall give each Leasehold Mortgagee that has provided Landlord with notice of its interest and address, prompt notice of any arbitration or legal proceedings between Landlord and Tenant involving this Lease. Each Leasehold Mortgagee shall have the right to intervene in any such proceedings and be made a party to such proceedings, and the parties hereto do hereby consent to such intervention. In the event that any Leasehold Mortgagee shall not elect to intervene or become a party to any such proceedings, Landlord shall give such Leasehold Mortgagee notice of, and a copy of any award or decision made in any such proceedings, which shall be binding on all Leasehold Mortgagees not intervening after receipt of notice of arbitration. Tenant agrees that each Leasehold Mortgagee shall also have the right to intervene in, and be made a party to, any such proceedings.

18.2.15 *Future Leasehold Mortgage: Amendment of Lease.*

(a) Notwithstanding anything in this Lease to the contrary, each Leasehold Mortgagee shall have the right (if it has such right under its loan documents) to restrict, limit or prohibit the execution of any other Leasehold Mortgage junior in priority to the lien of such senior Leasehold Mortgage, or, in the event of the execution of any such junior Leasehold Mortgage, to accelerate or increase the interest rate under the indebtedness secured by such senior Leasehold Mortgage; and

(b) In the event of a Leasehold Mortgage (each, a "*Successor Leasehold Mortgage*") the proceeds of which are used to pay off in its entirety the indebtedness secured by any existing Leasehold Mortgage (each such existing Leasehold Mortgage, an "*Initial Leasehold Mortgage*"), then the Successor Leasehold Mortgage shall be deemed to have succeeded to the position and all of the rights and priorities of the mortgagee under the Initial Leasehold

14

Mortgage with respect to the mortgagor under the Initial Leasehold Mortgage and with respect to third parties.

18.2.16 *Certificate.* Landlord shall, without charge, at any time and from time to time within ten (10) business days after written request of Tenant to do so, certify by written instrument duly executed and acknowledged to any Leasehold Mortgagee or purchaser, or proposed Leasehold Mortgagee or proposed purchaser, or any other person, firm or corporation specified in such request: (1) as to whether this Lease has been supplemented or amended, and if so, the substance and manner of such supplement or amendment; (2) as to the validity and force and effect of this Lease, in accordance with its tenor; (3) as to the existence of any default hereunder or any event which with the passage of time or notice would constitute a default hereunder; (4) as to the existence of any offsets, claims, counterclaims or defenses hereto on the part of Landlord or, to Landlord's knowledge, on the part of Tenant; (5) as to the commencement and expiration dates of this Lease; and (6) as to any other matters as may be reasonably so requested. Any such certificate may be relied upon by Tenant and any other person, firm or corporation to whom the same may be exhibited or delivered, and the contents of such certificate shall be binding on Landlord.

18.2.17 *Nominee.* Any acquisition by a Leasehold Mortgagee of the leasehold estate under this Lease, or any rights or privileges thereunder may be taken in the name of such Leasehold Mortgagee or in the name of any nominee or designee selected by it.

18.2.18 *New Lease.* In the event of the termination of this Lease as a result of Tenant's default prior to the expiration of the term, or in the event of a rejection by Landlord or Tenant of this Lease under Chapter 11 of the Bankruptcy Code, Landlord shall, in addition to providing the notices of default and termination as required by this Lease, provide each Leasehold Mortgagee with written notice that the Lease has been terminated or that Landlord has filed a request with the Bankruptcy Court seeking to reject the Lease, together with a statement of all sums which would at that time be due under this Lease but for such termination or rejection, and of all other defaults, if any, then known to Landlord. Upon any request of the Leasehold Mortgagee, or its designee, Landlord agrees to enter into a new lease ("*New Lease*") of the Premises with such Leasehold Mortgagee or its designee for the remainder of the term of this Lease, effective as of the date of termination or rejection, as the case may be, at the Rent, and upon the terms, covenants and conditions (including all transfer rights, but excluding requirements which are not applicable or which have already been fulfilled) of this Lease; *provided, however*, that (i) the Leasehold Mortgagee whose lien upon the Premises is superior to the lien of any other Leasehold Mortgage (the "*Senior Leasehold Mortgage*") shall have the right to give notice of its intent to enter into a New Lease to the Landlord for a period of 60 days from its receipt of the notice referred to in the first sentence of this Section 18.2.18 and (ii) if the Senior Leasehold Mortgagee does not exercise its right to enter into the New Lease during this 60-day period; the Leasehold Mortgagee whose lien upon the Premises is superior to the lien of any other Leasehold Mortgage (other than the Senior Leasehold Mortgagee) shall have the right to give notice of its intent to enter into a New Lease to the Landlord during the remainder of the period(s) specified below; and *provided further, however*,

(a) Such Leasehold Mortgagee shall make written request upon Landlord for such New Lease at the later of (1) within one hundred (100) days after the date such Leasehold Mortgagee receives Landlord's notice of termination or rejection of this Lease given pursuant to this Subsection 18.2.18; or (2) within forty-five (45) days after the actual termination of the Lease as same may have been extended by Subsection 18.2.18 hereof.

(b) Such Leasehold Mortgagee or its designee shall pay or cause to be paid to Landlord at the time of the execution and delivery of such New Lease, any and all sums which would at the time of execution and delivery thereof be due pursuant to this Lease but for such

15

termination and, in addition thereto, all reasonable expenses, including reasonable attorneys' fees, court costs and costs and disbursements which Landlord shall have incurred by reason of such termination and the execution and delivery of the New Lease and which have not otherwise been received by Landlord from or on behalf of Tenant. Upon the execution of such New Lease, Landlord shall allow to Tenant named therein as an offset against the sums otherwise due under this Subsection 18.2.18 or under the New Lease, an amount equal to the net income derived by

Landlord from the Premises during the period from the effective date of termination of this Lease to the date of the beginning of the lease term under the New Lease. In the event of a controversy as to the amount to be paid to Landlord pursuant to this Section 18.2, the payment obligation shall be satisfied if Landlord shall be paid the amount not in controversy, and such Leasehold Mortgagee or its designee shall agree to pay any additional sum ultimately determined to be due.

(c) Such Leasehold Mortgagee or its designee shall agree to remedy any of Tenant's defaults of which said Leasehold Mortgagee was notified by Landlord's notice of termination or rejection and which are reasonably susceptible of being so cured by such Leasehold Mortgagee or its designee.

(d) The Tenant under such New Lease shall have the same right, title and interest in and to the Premises and buildings and improvements thereon as Tenant under this Lease. Any holder of any such lien, charge or encumbrance or sublease shall execute such instruments of non-disturbance and/or attornment as the tenant under the New Lease may at any time require.

(e) The tenant under any New Lease shall be liable to perform the obligations imposed on the Tenant by such New Lease only for and during the period such person has ownership of the Premises.

(f) If more than one (1) Leasehold Mortgagee shall request a New Lease pursuant to this Section 18.3, Landlord shall enter into such New Lease with the Leasehold Mortgagee whose mortgage is in the first lien position, or with the designee of such Leasehold Mortgagee.

(g) Concurrently with the execution and delivery of any New Lease, Landlord shall assign to the tenant named therein all of the right, title and interest in and to moneys (including insurance proceeds and condemnation awards), if any, then held by and payable by Landlord which Tenant would have been entitled to receive but for the termination of the Lease. Upon the execution of any New Lease, the tenant named therein shall be entitled to any rent received under any sublease in effect during the period from the date of termination of the Lease to the date of execution of such New Lease.

SECTION 19 RIGHT OF ACCESS

Landlord and its authorized agents, representatives and employees shall be entitled to enter the Premises immediately in the case of an emergency or with reasonable notice for the purpose of observing, posting or keeping posted thereon notices provided for hereunder, and such other notices as Landlord may deem reasonably necessary or appropriate; for the purpose of inspecting the Premises; for the purpose of exhibiting the Premises to prospective purchasers or lessees; and for the purpose of making repairs and providing services to the Premises or the Building and performing any work upon the Premises which Landlord may elect or be required to make. In any such case, Landlord and its agents and representatives shall not unreasonably interfere with Tenant's operations at the Premises.

16

SECTION 20 ESTOPPEL CERTIFICATE

Tenant agrees that within ten (10) business days of any demand therefor by Landlord, Tenant will execute and deliver to Landlord a certificate stating that this Lease is in full force and effect without amendment, or if amended attaching a copy thereof to the certificate, the date to which all rentals have been paid, any defaults or offsets claimed by Tenant and such other information concerning this Lease, the Premises or Tenant as Landlord may request. Landlord will provide a similar document to Tenant upon request by Tenant within ten (10) business days after request.

SECTION 21 EXPENDITURES

21.1 Whenever under any provision of this Lease, Tenant shall be obligated to make any payment or expenditure, or to do any act or thing, or to incur any liability whatsoever, and Tenant fails, refuses or neglects to perform as herein required after notice and an opportunity to cure (which shall be deemed to be thirty (30) days unless provided for specifically herein), Landlord shall be entitled, but shall not be obligated, to make any such payment or to do any such act or thing, or to incur any such liability, all on behalf of and at the cost and for the account of Tenant. In such event, the amount thereof with interest thereon at the Default Rate, shall constitute and be collectable as additional rent on demand.

21.1 Whenever under any provision of this Lease, Landlord shall be obligated to make any payment or expenditure, or to do any act or thing, or to incur any liability whatsoever, and Landlord fails, refuses or neglects to perform as herein required after notice and an opportunity to cure (which shall be deemed to be thirty (30) days unless provided for specifically herein), Tenant shall be entitled, but shall not be obligated, to make any such payment or to do any such act or thing, or to incur any such liability, all on behalf of and at the cost and for the account of Landlord. In such event, the amount thereof with interest thereon at the Default Rate, shall be collectable on demand.

SECTION 22 DEFAULT

22.1 Tenant shall be in default of this Lease if:

22.1.1 Tenant shall fail to make timely and full payment of any sum of money required to be paid hereunder and such failure continues for ten (10) days after written notice thereof from Landlord;

22.1.2 Tenant shall fail to perform any other term, covenant or condition of Tenant contained in this Lease, and such failure continues for twenty (20) days after written notice thereof from Landlord; provided, however, that if correction is impossible to correct within twenty (20) days, Tenant shall not be deemed in default if Tenant commences correction within said twenty (20) day period, and diligently pursues such correction to completion;

22.1.3 Tenant should vacate or abandon the Premises; or

22.1.4 There is filed any petition in bankruptcy or Tenant is adjudicated a bankrupt or insolvent, or there is appointed a receiver or trustee to take possession of Tenant or of all or substantially all of the assets of Tenant, or there is a general assignment by Tenant for the benefit of creditors, or any action is taken by or against Tenant under any state of federal insolvency or bankruptcy act, or any similar law now or hereafter in effect; or

17

22.2 In the event of a default, in addition to any other rights or remedies provided for herein or at law or in equity, Landlord, at its sole option, shall have the following rights:

22.2.1 The right to declare the Lease Term ended and to re-enter the Premises and take possession thereof, and to terminate all of the rights of Tenant in and to the Premises; or

22.2.2 Pursuant to its rights of re-entry, Landlord may, but shall not be obligated to (i) remove all persons from the Premises, (ii) remove all property therefrom, and (iii) enforce any rights Landlord may have against said property or store the same in any warehouse or elsewhere at the cost and for the account of Tenant. Tenant agrees to hold Landlord free and harmless of any liability whatsoever for the removal and/or storage of any such property, whether of Tenant or any third party whomsoever, except for damage caused by the willful misconduct or gross negligence of Landlord, its agents or subcontractors.

22.2.3 Anything contained herein to the contrary notwithstanding, Landlord shall not be deemed to have terminated this Lease or the liability of Tenant to pay any Rent or other sum of money accruing hereunder, by any such re-entry, or by any action in unlawful detainer or otherwise to obtain possession of the Premises, unless Landlord shall specifically notify Tenant in writing that it has so elected to terminate this Lease.

22.3 In any action brought by Landlord to enforce any of its rights under or arising from this Lease, Landlord shall be entitled to receive its reasonable costs and legal expenses, including reasonable attorneys' fees, whether such action is prosecuted to judgment or not.

22.4 The waiver by Landlord of any breach of this Lease by Tenant shall not be a waiver of any preceding or subsequent breach of this Lease by Tenant. The subsequent acceptance of Rent or any other payment hereunder by Landlord shall not be construed to be a waiver of any preceding breach of this Lease by Tenant. No payment by Tenant or receipt by Landlord of a lesser amount than the Rent herein provided shall be deemed to be other than on account of the earliest Rent due and payable hereunder.

SECTION 23 MISCELLANEOUS

23.1 Tenant, upon paying the rentals and other payments herein required and upon performance of all of the terms, covenants and conditions of this Lease on its part to be kept, may quietly have, hold and enjoy the Premises during the Lease Term without any disturbance from Landlord or from any other person claiming through Landlord, except as expressly provided otherwise in this Lease.

23.2 In the event of any sale or exchange of the Premises by Landlord, Landlord shall be, and is, hereby relieved of all liability under and all of its covenants and obligations contained in or derived from this Lease. Tenant agrees to attorn to such purchaser or transferee, provided that such purchaser or transferee agrees to be bound as Landlord under all of the terms and conditions of this Lease. Any sale of the Building or the Premises by Landlord shall be subject to this Lease.

23.3 It is agreed that in the event Landlord fails or refuses to perform any of the provisions, covenants or conditions of this Lease, Tenant, prior to exercising any right or remedy Tenant may have against Landlord, shall give written notice to Landlord of such default, specifying in said notice the default with which Landlord is charged and Landlord shall not be deemed in default if the same is cured within thirty (30) days of receipt of said notice. Notwithstanding any other provision hereof, Tenant agrees that if the default is of such a nature that the same can be rectified or cured by Landlord, but cannot with reasonable diligence be rectified or cured within that thirty (30) day period, then such default shall be deemed to be rectified or cured if Landlord within that thirty (30) day period shall commence the rectification and curing thereof and shall continue thereafter with all due diligence to cause such rectification and curing to proceed.

18

23.4 Neither party shall be in breach of this Lease if it fails to perform as required hereunder due to labor disputes, civil commotion, war, warlike operation, sabotage, governmental regulations or control, fire or other casualty, inability to obtain any materials, or other causes beyond such party's reasonable control (financial inability excepted); provided, however, that nothing contained herein shall excuse Tenant from the prompt payment of any Rent or charge required of Tenant hereunder.

23.5 Any and all notices and demands required or desired to be given hereunder shall be in writing and shall be validly given or made (and effective) if served personally, delivered by a nationally recognized overnight courier service, or deposited in the United States mail, certified or registered, postage prepaid, return receipt requested, to the following addresses:

Either party may change its address for the purpose of receiving notices by providing written notice to the other.

23.6 The various rights, options, elections and remedies of Landlord contained in this Lease shall be cumulative and no one of them shall be construed as exclusive of any other, or of any right, priority or remedy allowed or provided for by law and not expressly waived in this Lease.

23.7 The terms, provisions, covenants and conditions contained in this Lease shall apply to, bind and inure to the benefit of the parties hereto and their respective heirs, executors, administrators, legal representatives, successors and assigns, as permitted in Section 17 hereof.

23.8 If any term, covenant or condition of this Lease, or any application thereof, should be held by a court of competent jurisdiction to be invalid, void or unenforceable, all terms, covenants and conditions of this Lease, and all applications thereof, not held invalid, void or unenforceable, shall continue in full force and effect and shall in no way be affected, impaired or invalidated thereby.

23.9 Time is of the essence of this Lease and all of the terms, covenants and conditions hereof.

23.10 This Lease contains the entire agreement between the parties and cannot be changed or terminated orally.

23.11 Nothing contained herein shall be deemed to create any partnership, joint venture, agency or other relationship between Landlord and Tenant other than the relationship of landlord and tenant.

23.12 The captions are descriptive only and for convenience in reference to this Lease and in no way whatsoever define, limit or describe the scope or intent of this Lease nor in any way affect this Lease.

23.13 The laws of the State of Nevada shall govern the validity, construction, performance and effect of this Lease. Each party hereto consents to, and waives any objection to, Clark County, Nevada as the

19

proper and exclusive venue for any disputes arising out of or relating to this Lease or any alleged breach thereof.

23.14 In the event Tenant now or hereafter shall consist of more than one person, firm, corporation or trust, then and in such event, all such persons, firms, corporations or trusts shall be jointly and severally liable as Tenant hereunder.

23.15 This Lease may not be recorded without Landlord's prior written consent. However, the parties agree to record a Memorandum of Lease in the form attached hereto as Exhibit "D". A Memorandum of Termination of Lease in the form attached hereto as Exhibit "E" shall also be executed by the parties, shall be held by Landlord, and shall be recorded by Landlord upon termination of the Lease.

23.16 All necessary actions have been taken under the parties' organizational documents to authorize the individuals signing this Lease on behalf of the respective parties to do so.

23.17 The prevailing party in any action regarding this Lease shall be entitled to receive its costs and legal expenses including reasonable attorneys' fees, whether such action is prosecuted to judgment or not. The parties hereto shall and they hereby do waive trial by jury in any action, proceeding or counterclaim brought by either of the parties hereto against the other on any matters whatsoever arising out of or in any way connected with this Lease, the relationship of Landlord and Tenant, Tenant's use or occupancy of the Premises, and/or any claim of injury or damage.

23.18 Landlord and Tenant each represent and warrant to the other that they have not entered into any written contractual arrangement with, or promised to pay any broker's fee, finder's fee, commission or other similar compensation to, or otherwise agreed to compensate, any real estate agent or broker in connection with this transaction. Landlord and Tenant each agree to indemnify, defend, save and hold the other harmless from and against all loss, cost and expense incurred by reason of the breach of the foregoing representation and warranty arising from any claim for compensation founded upon or as a result of acts asserted to have been performed on their respective behalf. Such indemnification obligation shall survive any termination of the Lease.

23.19 This Lease may be executed in one or more counterparts, all of which executed counterparts shall be deemed an original, but all of which, together, shall constitute one and the same instrument. Signature pages may be detached from the counterparts and attached to a single copy of this document to physically form one document.

GOLF COURSE LEASE

THIS GOLF COURSE LEASE (this "Lease") is entered into as of the 21st day of October, 2002 by and between **Wynn Resorts Holdings, LLC**, a Nevada limited liability company ("Holdings"), and **Palo, LLC**, a Delaware limited liability company ("Palo", and together with Holdings, collectively, "Landlord"), and **Wynn Las Vegas, LLC**, a Nevada limited liability company ("Tenant").

WITNESSETH:

WHEREAS, Tenant owns good and marketable title in and to the parcel of real property described on Exhibit "A" annexed hereto ("Tenant's Property") upon which Tenant intends to construct and develop a first class luxury hotel and destination casino resort (the "Hotel"); and

WHEREAS, Holdings owns good and marketable title in and to the parcel of real property adjacent to Tenant's Property and described on Exhibit "B-1" annexed hereto and Palo owns good and marketable title in and to the parcel of real property adjacent to Tenant's Property and described on Exhibit "B-2" annexed hereto (collectively, the "Premises"); and

WHEREAS, Landlord desires to lease to Tenant and Tenant desires to lease from Landlord the Premises for the purpose of constructing and operating a golf course on the Premises ("Golf Course"), to be operated as an amenity to the Hotel and which Golf Course will include a clubhouse, restaurant, retail space and facilities ("the Clubhouse") and all structures and facilities located or to be located on the Premises (together with the Golf Course, Clubhouse and all restrooms, refreshment stands, cart storage and maintenance facilities, equipment storage, chemical storage and all infrastructure, landscaping, service areas, equipment, fixtures, trade fixtures, personal property (leased or owned), roads, paths, furnishings, bridges, tunnels, utilities and utility lines, drainage channels, storm and wastewater drains and systems, culverts, spillways, irrigation systems, water features, reservoirs, ponds, golf course tees, traps, fairways, greens, bunkers and other features and properties of any kind located or to be located on the Premises, are referred to herein collectively as the "Golf Facilities") upon the terms conditions hereinafter set forth.

NOW, THEREFORE, in consideration of the terms, covenants, conditions and provisions hereinafter set forth and other good and valuable consideration, it is hereby mutually agreed by and between Landlord and Tenant as follows:

**SECTION 1
DEMISED PREMISES**

1.1 Landlord hereby leases to Tenant and Tenant hereby leases from Landlord the Premises, to have and to hold the Premises, together with all and singular improvements, appurtenances, rights, privileges, and easements thereunto appertaining (including, without limitation, the Golf Facilities) during the Lease Term and subject to the terms and conditions herein contained.

1.2 Tenant shall construct and maintain the Golf Facilities at a standard consistent with a typical first class, championship golf course. In addition, Landlord and Tenant agree to cooperate with respect to fulfilling any and all conditions of Clark County, the Regional Flood Control District, the Southern Nevada Water Authority, the State of Nevada, and any other governmental or regulatory entity having jurisdiction over the Premises and the construction and operation of the Golf Facilities.

**SECTION 2
TERM**

2.1 The term of the Lease (the "Lease Term") and payment of Rent (as defined in Section 3.1 hereof) shall commence (the "Commencement Date") on October 21, 2002, and shall continue for a period of thirty (30) years thereafter (the "Initial Lease Term") unless terminated earlier as elsewhere

herein provided. Following the date (the "Lien Release Date") on which there shall occur the release of Landlord's Property, or any portion thereof, from the lien of (i) the First Trust Deeds (as defined and described on *Schedule I* attached hereto) or, with respect to a portion of Landlord's Property, the First Trust Deed that encumbers such portion and (ii) the Second Trust Deeds (as defined and described on *Schedule I* attached hereto) or, with respect to a portion of Landlord's Property, the Second Trust Deed that encumbers such portion, Tenant may terminate this Lease with respect to such released portion on thirty (30) days' written notice to Landlord. The First Trust Deeds and the Second Trust Deeds are collectively referred to herein as the "Deeds of Trust."

2.2 In the event Tenant is not then in default of its obligations hereunder beyond any applicable cure period and this Lease has not previously been terminated, after the expiration of the Initial Lease Term, the Lease Term shall continue on a month-to-month basis upon the same terms and conditions as are set forth in this Lease. At any time during any such extension of the Initial Lease Term, either party may terminate the Lease by delivering written notice no later than ten (10) days prior to the expiration of any monthly period. In the event that such notice is not given within such time period, the Lease shall continue in effect.

2.3 Upon the expiration or sooner termination of this Lease, Tenant shall, at its sole cost and expense, within fifteen (15) days after receipt of written notice, thereupon surrender the Premises to Landlord in the same condition as on the date of completion of the Tenant's Work. All personal property of Tenant relating to the Golf Facilities and to the operation of the Premises as a Golf Course shall become the property of Landlord on termination of this Lease.

**SECTION 3
RENT**

3.1 During the Lease Term, Tenant shall pay as monthly rent for the Premises the sum of One Dollar (\$1.00) per month (the "Rent"). The Rent shall be due and payable in advance on the first (1st) day of each month.

3.2 All rents and other monies required to be paid by Tenant hereunder shall be paid to Landlord without deduction or offset, prior notice or demand, in lawful money of the United States of America, at the address of Landlord and set forth in Section 24.5 or at such other place as Landlord may from time to time designate in writing.

3.3 If Tenant fails to pay, when due and payable, any Rent or any other amounts or charges to be paid by Tenant hereunder within ten (10) days after written notice from Landlord that the amount is past due, such unpaid amounts shall bear interest from the due date thereof to the date of payment at a rate equal to the prime rate of interest last ascertained by the Commissioner of Financial Institutions of the State of Nevada pursuant to Nevada Revised Statutes 99.040, plus five (5) percentage points (the "Default Rate").

**SECTION 4
CONSTRUCTION OF THE GOLF COURSE; WATER**

4.1 Tenant shall be responsible, at its sole cost, for constructing and maintaining the Golf Facilities ("Tenant's Work") in accordance with the conceptual plans and specifications which have been reviewed and approved by Landlord. If requested by Landlord, Tenant shall use only union labor to perform Tenant's Work. In addition, Tenant agrees that material modifications to such Plans shall be subject to the prior written approval of Landlord, which approval shall not be unreasonably withheld or delayed; provided, however, that Landlord shall be deemed to have approved any and all such Plan modifications if such Plan modifications are approved by the lender or lenders of Tenant financing the construction of the Tenant's Work.

2

4.2 Tenant shall be solely responsible for (i) securing all necessary building, zoning and other governmental permits, approvals and waivers, as necessary, to construct the Golf Facilities and (ii) satisfying any offsite improvement requirements.

4.3 Prior to commencing operation of the Golf Course, Tenant shall provide Landlord with the following:

- (a) Written verification by Tenant's contractor that Tenant's Work has been completed;
- (b) A copy of the Certificate of Occupancy issued by the County of Clark, Nevada with respect to the Premises and the Golf Facilities; and
- (c) Insurance certificates and other evidence, satisfactory to Landlord, of Tenant's compliance with Section 13 of this Lease.

4.4 Subject to any Public Utilities Commission approval or waiver that may be required, Tenant shall be permitted to use on the Premises any rights to water that currently or hereafter have the Premises as their place of use, including, without limitation, any such water rights currently or hereafter owned by Landlord, in connection with the irrigation, construction and operation of the Golf Facilities. Such use shall be without charge, except to the extent Landlord incurs charges therefor. Furthermore, in the event Landlord becomes the owner of any water rights, which rights currently or hereafter have the Premises and/or Golf Facilities as their place of use, Landlord agrees not to transfer such rights to any third person.

**SECTION 5
FINANCING**

Landlord may obtain loans from time to time from third parties to finance acquisition and development of Landlord's and its Affiliates' real property, including the Premises. For purposes of this Lease, an "Affiliate" of a party shall mean any person or entity (a) that is owned or controlled by the party, (b) that owns or controls the party, (c) that is owned or controlled by a person or entity that owns or controls the party, (d) that owns or controls an Affiliate of the party, or (e) that is owned or controlled by an Affiliate of the party. As used in this definition, the words "owns" or "owned" refer to the ownership of twenty percent (20%) or more of the equity interest in the person or entity so owned, regardless of the manner of ownership. Also, as used in this definition, ownership or control may be direct or indirect. By its execution of this Lease, Tenant (i) acknowledges and consents to Landlord's collateral assignment of its rights hereunder to its and its Affiliates' lenders, including the beneficiaries under the Deeds of Trust (collectively, "Lenders"); (ii) acknowledges and affirms Tenant's agreement to attorn performance obligations to the benefit of Lenders in the same manner as it would with respect to Landlord if any such lender exercises its rights under any collateral assignment from Landlord; and (iii) agrees to execute such separate consents and acknowledgements to and of Landlord's collateral assignment of this Lease to such third party Lenders. Any Lender or its successor which acquires the Premises (through foreclosure or deed in lieu of foreclosure) shall not disturb Tenant's lease of the Premises and shall respect Tenant's rights under this Lease.

**SECTION 6
USE OF PREMISES; EXCLUSIVITY**

6.1 The Premises are leased to Tenant solely for the purpose of developing, constructing, operating and maintaining the Golf Course and the Golf Facilities and related and ancillary uses. Tenant shall not use or suffer to be used the Premises, or any portion thereof, for any other purpose or purposes whatsoever, without Landlord's prior written consent, which consent shall not be unreasonably withheld.

3

6.2 Tenant shall, at all times during the Lease Term, comply with all governmental rules, regulations, ordinances, statutes and laws, now or hereafter in effect pertaining to the Golf Facilities, the Premises or Tenant's use thereof.

6.3 Tenant shall not use the Premises for the generation, storage, manufacture, production, releasing, discharge, or disposal or any Hazardous Substance (defined below) or allow or suffer any other entity or person to do so. Provided, however, that Tenant shall be permitted to utilize customary fertilizers, pesticides, and other similar golf course chemicals to the extent such use is consistent with any governmental regulations governing such use. Except as otherwise set forth herein, "Hazardous Substance" shall mean any flammable or related material and any other substance or material defined or designated as a hazardous or toxic substance, material or waste by a governmental law, order, regulation or ordinance presently in effect or as amended or promulgated in the future and shall include, without limitation: (a) those substances included within the definitions of "hazardous substances," "hazardous materials," "toxic substances" or "solid waste" in CERCLA, RCRA, and the Hazardous Materials Transportation Act, 40 U.S.C. §§ 1801 *et seq.*, and in the regulations promulgated pursuant to said laws; (b) those substances listed in the United States Department of Transportation Table (49 CFR 172.101 and amendments thereto) or by the Environmental Protection Agency (or any successor agency) as hazardous substances (40 CFR Part 302 and amendments thereto); (c) such other substances, materials and wastes which are or become regulated under applicable local, state or federal law, or the United States government, or which are classified as hazardous or toxic under federal, state or local laws or regulations; and (d) any material, waste or substance which is (i) petroleum, (ii) asbestos, (iii) polychlorinated biphenyls or (iv) designated as a "hazardous substance" pursuant to Section 311 of the Clean Water Act, 33 U.S.C. §§ 1251 *et seq.* (33 U.S.C. 1321) or listed pursuant to Section 307 of the Clean Water Act (33 U.S.C. 1317).

6.3.1 Tenant shall protect, indemnify and hold harmless Landlord, its partners, members, managers, employees, agents, successors and assigns, the Premises and the Golf Facilities in general from and against any and all claims, losses, damages, costs, expenses, liabilities, fines, penalties, charges, administrative and judicial proceedings and orders, judgments, remedial action requirements, enforcement actions of any kind (including, without limitation, attorneys' fees and costs at trial and on appeal) directly or indirectly arising out of or attributable to, in whole or in part, the breach of any of the covenants, representations and warranties of this Section 6.3, or the use, generation, manufacture, production, storage, release, threatened release, discharge, disposal, or presence of a Hazardous Substance on, under, from or about the Premises. The foregoing indemnity shall further apply to any residual contamination on, under, from or about the Premises, or the property in general, or affecting any natural resources arising in connection with the use, generation, manufacture, production, handling, storage, transport, discharge or disposal of any such Hazardous Substance, and irrespective of whether any of such activities were or will be undertaken in accordance with environmental laws or other applicable laws, regulations, codes and ordinances.

6.3.2 Landlord reserves the right to request appropriate governmental officials to inspect the Premises, from time to time, in order to determine Tenant's compliance herewith.

SECTION 7 ALTERATIONS AND IMPROVEMENTS

7.1 Following the completion of the Tenant's Work, Tenant shall not make any material alterations, improvements or changes (specifically excluding repairs and maintenance work) ("Improvements") in or to the Premises without the prior written approval of Landlord, which approval shall not be unreasonably withheld or delayed. Any Improvements shall be at the sole cost and expense of Tenant. Landlord may require Tenant, at Tenant's sole cost and expense, to furnish a bond, or other security satisfactory to Landlord, to assure diligent and faithful performance of any work to be performed by Tenant. Any Improvements shall be made promptly, in good and workmanlike manner by

4

duly licensed union contractors and in compliance with all insurance requirements and with all applicable permits, authorizations, building regulations, zoning laws and all other governmental rules, regulations, ordinances, statutes and laws, now or hereafter in effect, pertaining to the Premises or Tenant's use thereof.

7.2 Prior to making any Improvements in or to the Premises, Tenant shall notify Landlord ten (10) days in advance in order that Landlord may post and maintain on the Premises and file any notices of nonresponsibility provided for under applicable law. Tenant agrees that Landlord shall have the right to enter upon the Premises to post notices of nonresponsibility.

SECTION 8 UTILITIES

Tenant shall be responsible for the cost and expense of installing all utilities on the Premises. Tenant shall be responsible for the payment of, and shall promptly pay when due, all utility completion fees, connection fees and all utility services (including without limitation, gas, water, electricity, telephone and sanitary sewer) used, rendered or supplied to or in connection with the Premises or the construction, operation and maintenance of the Golf Facilities during the Lease Term.

SECTION 9 TAXES

9.1 Tenant will, at Tenant's own cost and expense, bear, pay, and discharge prior to delinquency, all real estate taxes, assessments, sewer rents, water rents and charges, duties, impositions, license and permit fees, charges for public utilities of any kind, payments and other charges of every kind and nature whatsoever, ordinary or extraordinary, foreseen or unforeseen, general or special (all of which are hereinafter collectively referred to as "Impositions"), which shall, pursuant to present or future law or otherwise, during the Lease Term, have been or be levied, charged, assessed, or imposed upon, or become due and payable out of or for, or become or have become a lien on the Premises, the Golf Facilities and any Improvements; it being the intention of the parties hereto that the rents reserved herein shall be received and enjoyed by Landlord as a net sum free from all such Impositions. Upon the termination of this Lease, Landlord shall promptly reimburse Tenant for any Impositions paid by Tenant attributable to the period of time following such termination. All Impositions shall be prorated on the basis of a 365-day year. Prior to the termination of this Lease with respect to less than all of the Premises, the portion so released shall be a separate tax parcel for property tax purposes or Landlord and Tenant shall agree upon an equitable allocation of property taxes as between the portion of the Premises remaining subject to this Lease and the portion of the Premises for which this Lease has been terminated.

9.2 Tenant shall be liable for and shall pay before delinquency (and, upon five (5) days of written demand by Landlord, Tenant shall furnish Landlord with satisfactory evidence of the payment thereof) all Impositions of whatsoever kind or nature, and penalties and interest thereon, if any, levied against Tenant's property or any other personal property of whatsoever kind and to whomsoever belonging situated or installed in or upon the Premises, whether or not affixed to the realty.

9.3 Tenant shall pay when due all taxes, assessments or fees for which Tenant is liable and which arise directly or indirectly from Tenant's operations at the Premises including without limitation all sales and use taxes. Within five (5) days of written demand from Landlord, Tenant shall furnish Landlord evidence satisfactory to Landlord of the timely payment of any such tax, assessment or fee.

9.4 Whenever Landlord shall receive any statement or bill for any tax, payable in whole or in part by Tenant as additional rent, or shall otherwise be required to make any payment on account thereof, except as otherwise provided herein, Tenant shall pay the amount due hereunder within ten (10) days after demand therefor accompanied by delivery to Tenant of a copy of such tax statement, if any.

SECTION 10
[INTENTIONALLY OMITTED]

SECTION 11
MAINTENANCE AND REPAIRS

11.1 Landlord shall not be obligated to perform any service or to repair or maintain any structure or facility on the Premises except as provided in this Section 11 and Section 14 of this Lease, unless caused by the negligence of Landlord, its agents, customers or contractors. Landlord shall not be obligated to provide any service or maintenance or to make any repairs pursuant to this Lease when such service, maintenance or repair is made necessary because of the negligence or misuse of Tenant, Tenant's agents, employees, servants, contractors, subtenants or licensees. Landlord shall have no responsibility or liability for failure to supply any services or maintenance or to make any repairs on the Premises. Landlord shall not be liable for any loss or damage to persons or property sustained by Tenant or other persons, which may be caused by the Golf Facilities or the Premises, or any appurtenances thereto, being out of repair or by bursting or leakage of any water, gas, sewer or steam pipe, or by theft, or by any act or neglect of any occupant of the Premises, or of any other person.

11.2 Except as provided for elsewhere herein, Tenant shall keep and maintain in good order, condition and repair (including any such replacement and restoration as is required for that purpose) the Premises, the Golf Facilities and every part thereof and any and all appurtenances thereto wherever located, including, without limitation, all repairs and replacements, structural and nonstructural, foreseen and unforeseen, which are necessary to maintain and preserve the Golf Facilities and the Premises in accordance with the Golf Course Standards. All repairs shall be made in accordance with all laws, promptly, efficiently, and in good workmanlike manner. Tenant shall also keep and maintain in good order, condition and repair (including any such replacement and restoration as is required for that purpose) any Improvements, special equipment, furnishings, fixtures or facilities installed by it on the Premises.

SECTION 12
LIENS

12.1 Tenant, at all times, whether by bond or otherwise, shall keep (and shall cause any contractor engaged by Tenant to keep) Landlord, the Golf Facilities, the Premises, the leasehold estate created by this Lease, and any trade fixtures, equipment or personal property within the Premises, free and clear from any claim, lien or encumbrance (other than personal property, consensual security interests for lines of credit or inventory financing in the ordinary course of Tenant's business), tax lien or levy, mechanic's lien, attachment, garnishment or encumbrance arising directly or indirectly from any obligation, action or inaction of Tenant whatsoever, except to the extent permitted under Section 17 and 18 below and except for "Permitted Liens" as defined in the Credit Agreement (as defined in the First Trust Deeds) and the Mortgage Notes Indenture (as defined in the Second Trust Deeds).

12.2 Tenant shall, within ten (10) days of the filing of any lien that is not permitted under Section 12.1 above, either pay or satisfy the same in full and procure the discharge thereof or commence an action to discharge the same, fully bond such lien, and diligently prosecute such action, or shall cause Tenant's contractor to do the same.

SECTION 13
INSURANCE

13.1 Landlord and Tenant are covered under the same policies of comprehensive public liability insurance and all-risk, commercial property insurance. The parties each agree to pay its respective share of such insurance costs.

6

13.2 If at any time during the Lease Term Tenant ceases to be covered by common insurance with Landlord, Tenant will, at its sole cost and expense, maintain in full force and effect:

(a) a policy of comprehensive or commercial general liability insurance issued by an insurance carrier approved by Landlord, insuring against loss, damage or liability for injury or death to persons and loss or damage to property occurring from any cause whatsoever in connection with the Premises or Tenant's use thereof. Landlord shall be named as an additional insured under each such policy of insurance; with a combined single limit for bodily injury and property damage of not less than two million (\$2,000,000) per occurrence and five million (\$5,000,000) in the aggregate;

(b) a standard form of all-risk, commercial property insurance with extended coverage insurance covering leasehold improvements, furniture, fixtures and equipment, and personal property located in or on the Premises whether owned by Landlord or Tenant, and the personal property of others in Tenant's possession in, upon or about the Premises. Such insurance shall be in an amount equal to the current replacement value of the property required to be insured. Tenant and Landlord, as their interests may appear, shall be the named insureds under each such policy of insurance;

(c) During any period of any construction on the Premises, Tenant shall maintain (i) course of construction and builder's risk insurance on an "all risks" basis, including materials in storage and while in transit, and (ii) worker's compensation and employer's liability insurance for any person working

on such construction who is employed by Tenant or any general contractor and/or any construction contractor.

13.3 A certificate issued by the insurance carrier for each policy of insurance required to be maintained by Tenant under Section 13.2 above, if any, or a copy of each such policy, shall be delivered to Landlord on or before the commencement of Tenant's Work and thereafter, as to policy renewals, within thirty (30) days prior to the expiration of the terms of each such policy. Each of said certificates of insurance and each such policy of insurance shall be from an insurer and in a form and substance satisfactory to Landlord, shall expressly evidence insurance coverage as required by this Lease and shall contain an endorsement or provision requiring not less than thirty (30) days written notice to Landlord and all other named insureds prior to the cancellation, diminution in the perils insureds against, or reduction of the amount of coverage of, the particular policy in question. In addition to the foregoing certificates, Tenant shall at all times during the Lease Term maintain (either through common insurance with Landlord or otherwise), at Tenant's sole cost and expense, worker's compensation coverage evidencing coverage at Nevada statutory limits.

13.4 Tenant shall not use or occupy, or permit the Premises to be used or occupied, in a manner that will make void any insurance then in force.

13.5 Landlord and Tenant hereby waive any and all rights of recovery from the other party and its officers, agents and employees for any loss or damage, including consequential loss or damage, caused by any peril or perils (including negligent acts) that are caused by or result from risks insured against under any form of insurance policy.

13.6 Each policy of insurance provided for in this Section 13 shall contain an express waiver of any and all rights of subrogation thereunder whatsoever against the other party, its officers, directors, agents and employees. All such policies shall be written as primary policies and not contributing with or in excess of the coverage, if any, which Landlord may carry. Notwithstanding any other provision contained in this Section 13 or elsewhere in this Lease, the amounts of all insurance required hereunder to be paid by Tenant shall be not less than an amount sufficient to prevent Landlord from becoming a co-insurer. The limits of the public liability insurance required to be maintained by Tenant under this Lease shall in no way limit or diminish Tenant's liability under Section 15 hereof and such

7

limits shall be subject to increase at any time and from time to time during the Lease Term if Landlord, in the exercise of reasonable discretion, deems such an increase necessary for its adequate protection; provided, however, Landlord may not exercise its right under this sentence more frequently than one time every two years during the Lease Term.

13.7 All of the provisions of this Section 13 are subject to, and shall be modified as reasonably necessary to be consistent with, the requirements of the Credit Agreement.

SECTION 14 DESTRUCTION OF PREMISES; CONDEMNATION

14.1 With respect to any portion of the Premises, during the period prior to the earlier to occur of the expiration of the Initial Lease Term or the Lien Release Date for a portion of the Premises, should such portion of the Premises be destroyed by any cause whatsoever ("Damaged") and provided that restoration is permitted under the Credit Agreement and the Mortgage Notes Indenture, Tenant shall restore such portion of the Premises. After the earlier to occur of the expiration of the Initial Lease Term or the Lien Release Date with respect to a portion of the Premises, should such portion of the Premises be Damaged, Tenant may elect to either terminate this Lease with respect to such portion of the Premises or restore such portion of the Premises by delivery of written notice to Landlord within thirty (30) days after the casualty event giving rise to the Damage. If Tenant fails to give timely notice of Tenant's election, Tenant shall be deemed to have elected to terminate and this Lease shall terminate with respect to the portion of the Premises in question at the end of the calendar month following the calendar month in which such casualty event shall have occurred. If Tenant is required or elects to restore the Premises, or any portion thereof, the following provisions shall apply: After any such casualty and during the reconstruction period, Rent shall continue to accrue and be payable as if such event of destruction had not occurred. Tenant shall reconstruct the Damaged Improvements with all reasonable diligence (allowing for adjustment and collection of insurance proceeds, licensing, permitting, and approvals) and as often as any structures subsequently constructed on the Premises or any part thereof shall be Damaged. No Damage to any building or Improvements on the Premises by fire, windstorm, or any other casualty shall entitle Tenant to violate any of the provisions of this Lease. Landlord hereby agrees to assign to Tenant any insurance proceeds otherwise payable to Landlord, whether payable solely to Landlord or jointly to Landlord and Tenant, subject to reasonable and third party customary construction control procedures, so long as Tenant uses such proceeds solely to repair or rebuild the Damaged buildings or Improvements.

14.2 [Intentionally Omitted]

14.3 All insurance proceeds payable under any fire and extended coverage risk insurance covering the Premises and maintained by Landlord shall be payable to Landlord in the event of Damage, and Tenant shall have no interest therein, except to the extent of such insurance separately carried by Tenant. Tenant shall in no case be entitled to compensation for damages on account of any annoyance or inconvenience in making repairs under any provision of this Lease. Except to the extent provided for in this Section 14, neither the Rent payable by Tenant nor any of Tenant's other obligations under any provision of this Lease shall be affected by any Damage.

14.4 Should the whole of the Premises be condemned or taken by a competent authority for any public or quasi-public purpose, then this Lease shall terminate upon such taking. If such portion of the Premises is condemned or taken such that the remaining portion thereof will not be reasonably adequate for the operation of Tenant's business after Landlord completes such repairs or alterations as Landlord elects to make, either Landlord or Tenant shall have the option to terminate this Lease by notifying the other party hereto of such election in writing within twenty (20) days after such taking. If by such condemnation and taking a portion of the Premises is taken and the remaining part thereof is suitable for the purposes for which Tenant has leased the Premises, this Lease shall continue in full

8

force and effect, but the Rent and all other charges hereunder shall be reduced in an amount equal to that proportion of such charges which the square footage of the portion taken bears to the total square feet of the Premises, and Rent and other charges shall be suspended during any period of time that Tenant is closed for business. In the event a partial taking does not terminate this Lease, Landlord, at Landlord's expense, shall repair the damage to the Premises with reasonable dispatch and restore it as nearly as reasonably possible to its condition immediately before the taking. If any part of the Golf Course shall be taken or appropriated so as to materially and adversely affect the ability of Tenant's subtenants, customers and/or invitees to reach the Premises, Tenant shall have the right, at its option to terminate this Lease by notifying the other party within twenty (20) days of such taking.

14.5 For the purposes hereof, a deed in lieu of condemnation shall be deemed a taking.

SECTION 15 INDEMNIFICATION

Each party ("Indemnitor") hereby covenants and agrees to indemnify, defend, save and hold the other party ("Indemnitee"), the Premises and the leasehold estate created by this Lease free, clear and harmless from any and all liability, loss, costs, expenses (including attorneys' fees), judgments, claims, liens and demands of any kind whatsoever in connection with, arising out of, or by reason of any act, omission, or negligence of Indemnitor, its agents, employees, servants, contractors, subtenants or licensees while in, upon, about, or in any way connected with, the Premises or the Golf Facilities or arising from any accident, injury or damage, howsoever and by whomsoever caused, to any person or property whatsoever, occurring in, upon, about or in any way connected with the Premises or any portion thereof other than as a result of the intentional or negligent acts of Indemnitee.

SECTION 16 SUBORDINATION

Tenant agrees upon request of Landlord to subordinate this Lease and its rights hereunder to the lien of any mortgage, deed of trust or other encumbrance, together with any renewals, extensions or replacements thereof now or hereafter placed, charged or enforced against the Premises, or any portion thereof, and to execute and deliver at any time, and from time to time, upon demand by Landlord, such documents as may be reasonably required to effectuate such subordination within ten (10) days after receiving such documents, provided that in connection with such subordination agreement Landlord's lender agrees to provide a non-disturbance agreement for the benefit of Tenant in form and substance reasonably acceptable to Tenant and its lenders.

SECTION 17 ASSIGNMENT AND SUBLETTING

17.1 Except as otherwise set forth herein, Tenant shall not assign, mortgage, pledge, hypothecate or encumber this Lease nor the leasehold estate hereby created or any interest herein, or sublet the Premises or any portion thereof, or license the use of all or any portion of the Premises without the prior written consent of Landlord, which consent may be withheld in Landlord's sole discretion. Tenant shall have the right, upon giving notice to Landlord, to assign to an Affiliate of Tenant so long as Tenant remains as guarantor and liable for all payments due pursuant to this Lease. The restriction or limitation on use of the Premises shall continue to apply to any subtenant or assignee hereunder. Any consent by Landlord to any act requiring consent pursuant to this Section 17.1 shall not constitute a waiver of the necessity for such consent to any subsequent act. Tenant shall pay all reasonable costs, expenses and reasonable attorneys' fees that may be incurred or paid by Landlord in processing, documenting or administering any request of Tenant for Landlord's consent required pursuant to this Section 17.1.

9

17.2 Landlord may reasonably require that each proposed assignee or sublessee agree, in a written agreement satisfactory to Landlord, to assume and abide by all the terms and provisions of this Lease, including those which govern the permitted uses of the Premises.

17.3 In the absence of an express agreement in writing to the contrary executed by Landlord, no assignment, mortgage, pledge, hypothecation, encumbrance, subletting or license hereof or hereunder shall act as a release of Tenant from any of the provisions, covenants and conditions of this Lease on the part of Tenant to be kept and performed.

SECTION 18 LEASEHOLD FINANCING

18.1 *Leasehold Mortgage Permitted.* Nothing in this Lease shall be construed as restricting in any manner the right of Tenant, from time to time, or at any time, to create one or more liens on, or encumber, by mortgage, deed of trust or trust deed in the nature of a mortgage (each, a "*Leasehold Mortgage*") the leasehold interest of Tenant in the Premises, and subject to the restrictions and limitations contained in any such instrument as to further conveyances, transfers and assignments, Tenant will have the right at any time, and from time to time, to convey, transfer and assign its interest under this Lease to a mortgagee, trustee or beneficiary, of its designee (each "*Leasehold Mortgagee*"), under a Leasehold Mortgage given to secure any note or other obligation of Tenant or an Affiliate thereof.

18.2 *Certain Benefits to Leasehold Mortgage.* If Tenant shall execute any Leasehold Mortgage, then, in such event and so long as such Leasehold Mortgage shall constitute a lien or encumbrance against the leasehold estate of Tenant hereunder, the following provisions shall apply:

18.2.1 *Amendment of Lease.* No agreement by Landlord and Tenant for the assignment, cancellation, surrender, acceptance of surrender or termination, modification or amendment of this Lease shall be effective as to any Leasehold Mortgagee without the written consent of such Leasehold Mortgagee. If the Leasehold Mortgagee whose lien has first priority consents to an amendment, any Leasehold Mortgagee of a junior lien on the Premises will not unreasonably withhold its consent to such amendment.

18.2.2 *Exercise of Section 365(h)(i) Rights.* Landlord agrees, for the benefit of such Leasehold Mortgagee, that the right of election arising under Section 365(h)(i) of the Bankruptcy Code shall be exercised by the most senior Leasehold Mortgagee at such time and not by Tenant. Any attempted exercise by Tenant of such right of election in violation hereof shall be void.

18.2.3 *Loss Payee.* The name of each such Leasehold Mortgagee shall be added to the "*Loss Payable Endorsement*" of any and all insurance policies required to be carried by Tenant under this Lease.

18.2.4 *Proceeds of Casualty and Condemnation.* Notwithstanding anything in this Lease to the contrary, in the event of any casualty to or condemnation of the Premises or any portion thereof, the Leasehold Mortgagees shall be entitled to receive all insurance proceeds and/or condemnation awards as their interests appear (up to the amount of the indebtedness secured by the Leasehold Mortgage) otherwise payable to Tenant or Landlord or both and apply them in accordance with the Leasehold Mortgage and shall have the right, but not the obligation, to restore the Premises.

18.2.5 *Merger.* If Tenant shall acquire fee title, or any other estate, title or interest in the Premises which is the subject of this Lease, or any part thereof, or if the leasehold estate created by this Lease, or any portion thereof, shall be assigned, sold or otherwise transferred to the owner of such fee title or other estate, title or interest in the Premises which is the subject of this Lease, then in either such event, upon the election of the Leasehold Mortgagee first in priority expressly

10

made in writing at any time thereafter, each Leasehold Mortgage shall attach to and be a lien upon such fee title and/or other estate so acquired (but only as the same pertains to the Premises), and such fee title and/or other estate so acquired shall be considered as mortgaged, assigned and conveyed to each Leasehold Mortgagee and the lien of each such Leasehold Mortgage shall be spread to cover such estate with the same force and effect as though specifically mortgaged, assigned or conveyed in such Leasehold Mortgage (and upon request of any Leasehold Mortgagee, either or both Landlord and Tenant shall execute further mortgages, assignments of leases and rents, amendments to documents and instruments as such Leasehold Mortgagee may reasonably require for such purpose); provided, however, that notwithstanding the foregoing, if and so long as any of the indebtedness secured by any such Leasehold Mortgage shall remain unpaid, unless the Leasehold Mortgagee thereunder shall otherwise in writing expressly consent, the fee title to the Premises which is the subject of this Lease and the leasehold estate created by this Lease shall not merge but shall always be kept separate and distinct, notwithstanding the union of said estates either in Landlord or in Tenant, or in a third party, by purchase or otherwise. Nothing in this Section 18.2.5 shall be deemed to subordinate or require Landlord to subordinate the fee interest of Landlord in the Premises to the lien of a Leasehold Mortgage.

18.2.6 *Right of Entry.* Each Leasehold Mortgagee shall have the right to enter upon the Premises at any time for any purpose, including curing any defaults by Tenant under this Lease, and Landlord hereby agrees to accept performance and compliance by any such Leasehold Mortgagee of any covenants, agreements, provisions, conditions and limitations on Tenant's part to be kept, observed or performed hereunder, with the same force and effect as though kept, observed and performed by Tenant. Any default by Tenant that is not susceptible to being cured by a Leasehold Mortgagee shall be deemed waived by Landlord.

18.2.7 *Notice to Tenant.* Landlord shall serve Tenant with notice if Landlord files, or has filed against it, a petition under chapters 7 or 11 of the Bankruptcy Code. Such notice shall be served within twenty-four (24) hours of such filing. Landlord shall, upon serving Tenant with any notice of (1) a bankruptcy filing as herein described, (2) default pursuant to the provisions of this Lease, or (3) a matter on which Landlord may predicate or claim a default, at the same time serve a copy of such notice upon every Leasehold Mortgagee that has provided Landlord with notice of its identity and address, and no such notice by Landlord to Tenant hereunder shall have been deemed duly given unless and until a copy thereof has been so served on every such Leasehold Mortgagee.

18.2.8 *Termination.* Anything contained in this Lease to the contrary notwithstanding, if any default shall occur which entitles Landlord to terminate this Lease, or to exercise any other rights, powers or remedies available to it under this Lease, Landlord shall have no right to terminate this Lease or to exercise any of such rights, powers or remedies unless following the expiration of the period of time given Tenant to cure such default (or the act or omission which gave rise to such default), Landlord shall notify every Leasehold Mortgagee of Landlord's intent to so terminate or exercise any such rights, powers or remedies ("*Default Notice*") at least (x) sixty (60) days in advance of the proposed effective date of such termination, or exercise of any rights, powers or remedies if such default is capable of being cured by the payment of money, and (y) ninety (90) days in advance of the proposed effective date of such termination, or exercise of any such rights, powers or remedies if such default is not capable of being cured by the payment of money ("*Default Notice Period*"). The provisions of Subsection 18.2.9 below shall apply if during such thirty (60) or ninety (90) day Default Notice Period, any Leasehold Mortgagee shall notify Landlord of such Leasehold Mortgagee's desire to nullify such notice (the "*Nullification Notice*").

11

18.2.9 *Procedure on Default.*

(a) If Landlord shall elect to terminate this Lease or obtain possession of the Premises by reason of any default of Tenant, and a Leasehold Mortgagee shall have delivered the Nullification Notice set forth in Subsection 18.2.8, the specified date for the termination of this Lease as fixed by Landlord in its Default Notice or for the obtaining of possession shall be extended for a period of six (6) months, provided that such Leasehold Mortgagee shall, during such six (6) month period:

(1) pay or cause to be paid the monetary obligations of Tenant under this Lease as the same become due, and continue its good faith efforts to perform all of Tenant's other obligations under this Lease, excepting (i) obligations of Tenant to satisfy or otherwise discharge any lien, charge or encumbrance against Tenant's interest in this Lease or the Premises junior in priority to the lien of the mortgage held by such Leasehold Mortgagee and (ii) past non-monetary obligations then in default and not reasonably susceptible of being cured by such Leasehold Mortgagee (including by reason of a bankruptcy stay or if possession of the Premises is required in order to cure such default); *provided* that Leasehold Mortgagee may offset amounts it expends to cure any defaults by Landlord under this Lease; and

(2) if not enjoined or stayed, take steps to acquire or sell Tenant's interest in this Lease by foreclosure of the Leasehold Mortgage or other appropriate means and prosecute the same to completion with due diligence.

(b) If at the end of such six (6) month period such Leasehold Mortgagee is complying with Subsection 18.2.9(a) then this Lease shall not then terminate, and the time for completion by such Leasehold Mortgagee of its proceedings shall continue so long as such Leasehold Mortgagee

is enjoined or stayed and thereafter for so long as such Leasehold Mortgagee proceeds to complete steps to acquire or sell Lessee's interest in this Lease by foreclosure of the Leasehold Mortgage or by other appropriate means with reasonable diligence. Nothing in this Subsection 18.2.9, however, shall be construed to extend this Lease beyond the original term thereof or to require a Leasehold Mortgagee to continue such foreclosure proceedings after the default has been cured. If the default shall be cured and the Leasehold Mortgagee shall discontinue such foreclosure proceedings, this Lease shall continue in full force and effect as if Tenant had not defaulted under this Lease.

(c) If a Leasehold Mortgagee is complying with Subsection 18.2.9(a) of this Section, then upon the acquisition of Tenant's estate herein by such Leasehold Mortgagee or its designee or any other purchaser at a foreclosure sale or otherwise (and the discharge of any lien, charge or encumbrance against the Tenant's interest in this Lease or the demised premises which is junior in priority to the lien of the Leasehold Mortgage held by such Leasehold Mortgagee and which the Tenant is obligated to satisfy and discharge by reason of the terms of this Lease) this Lease shall continue in full force and effect as if Tenant had not defaulted under this Lease.

18.2.10 *Receiver.* A Leasehold Mortgagee shall have the right after institution of foreclosure proceedings to apply to the court for the appointment of a receiver of the Premises. In the event foreclosure proceedings have been instituted, any money held by Landlord which becomes payable to Tenant shall be payable upon demand to such Leasehold Mortgagee as the interest of such Leasehold Mortgagee may appear when the same so becomes payable to Tenant. If Landlord shall at any time be in doubt as to whether such monies are payable to such Leasehold Mortgagee or to Tenant, Landlord may pay such monies into court and file an appropriate action of interpleader in which event all of Landlord's costs and expenses (including attorneys' fees) shall first be paid out of the proceeds so deposited.

12

18.2.11 *No Assumption.* For purposes of this Subsection 18.2.11, the making of a Leasehold Mortgage shall not be deemed to constitute an assignment or transfer of this Lease or of the leasehold estate hereby created, nor shall any Leasehold Mortgagee, as such, be deemed to be an assignee or transferee of this Lease or of the leasehold estate hereby created, so as to require such Leasehold Mortgagee, as such, to assume the performance of any of the terms, covenants or conditions on the part of Tenant to be performed hereunder, but the purchaser at any sale of this Lease and of the leasehold estate hereby created in any proceedings for the foreclosure of any Leasehold Mortgage, or the assignee or transferee of this Lease and of the leasehold estate hereby created under any instrument of assignment or transfer in lieu of the foreclosure of any Leasehold Mortgage, shall be deemed to be an assignee or transferee within the meaning of this Subsection 18.2.11 and shall be deemed to have agreed to perform all of the terms, covenants and conditions on the part of Tenant to be performed hereunder arising and accruing from and after the date of such purchase and assignment, but only for so long as such purchaser or assignee is the owner of the leasehold estate.

18.2.12 *Successive Sales.* Any Leasehold Mortgagee or other acquiror of the leasehold estate of Tenant pursuant to foreclosure, assignment in lieu of foreclosure or other proceedings may, upon acquiring Tenant's leasehold estate, without further consent of Landlord, sell and assign the leasehold estate so acquired on such terms and to such persons or organizations as are acceptable to such Leasehold Mortgagee or acquiror and thereafter be relieved of all obligations under this Lease; provided that such assignee has delivered to Landlord its written agreement to be bound by all of the provisions of this Lease from and after the date of such assignment.

18.2.13 *Leasehold Mortgagee Need Not Cure Specified Defaults.* Nothing herein contained shall require any Leasehold Mortgagee or its designee as a condition to the exercise of its rights hereunder to cure any default of Tenant not reasonably susceptible of being cured by such Leasehold Mortgagee or its designee.

18.2.14 *Lease Proceedings.* Landlord shall give each Leasehold Mortgagee that has provided Landlord with notice of its interest and address, prompt notice of any arbitration or legal proceedings between Landlord and Tenant involving this Lease. Each Leasehold Mortgagee shall have the right to intervene in any such proceedings and be made a party to such proceedings, and the parties hereto do hereby consent to such intervention. In the event that any Leasehold Mortgagee shall not elect to intervene or become a party to any such proceedings, Landlord shall give such Leasehold Mortgagee notice of, and a copy of any award or decision made in any such proceedings, which shall be binding on all Leasehold Mortgagees not intervening after receipt of notice of arbitration. Tenant agrees that each Leasehold Mortgagee shall also have the right to intervene in, and be made a party to, any such proceedings.

18.2.15 *Future Leasehold Mortgage: Amendment of Lease.*

(a) Notwithstanding anything in this Lease to the contrary, each Leasehold Mortgagee shall have the right (if it has such right under its loan documents) to restrict, limit or prohibit the execution of any other Leasehold Mortgage junior in priority to the lien of such senior Leasehold Mortgage, or, in the event of the execution of any such junior Leasehold Mortgage, to accelerate or increase the interest rate under the indebtedness secured by such senior Leasehold Mortgage; and

(b) In the event of a Leasehold Mortgage (each, a "*Successor Leasehold Mortgage*") the proceeds of which are used to pay off in its entirety the indebtedness secured by any existing Leasehold Mortgage (each such existing Leasehold Mortgage, an "*Initial Leasehold Mortgage*"), then the Successor Leasehold Mortgage shall be deemed to have succeeded to the position and all of the rights and priorities of the mortgagee under the Initial Leasehold

13

Mortgage with respect to the mortgagor under the Initial Leasehold Mortgage and with respect to third parties.

18.2.16 *Certificate.* Landlord shall, without charge, at any time and from time to time within ten (10) business days after written request of Tenant to do so, certify by written instrument duly executed and acknowledged to any Leasehold Mortgagee or purchaser, or proposed Leasehold Mortgagee or proposed purchaser, or any other person, firm or corporation specified in such request: (1) as to whether this Lease has been supplemented or amended, and if so, the substance and manner of such supplement or amendment; (2) as to the validity and force and effect of this Lease, in accordance with its tenor; (3) as to the existence of any default hereunder or any event which with the passage of time or notice would constitute a default hereunder; (4) as to the existence of any offsets, claims, counterclaims or defenses hereto on the part of Landlord or, to Landlord's knowledge, on the part of Tenant; (5) as to the commencement and expiration dates of this Lease; and (6) as to any other matters as may be reasonably so requested. Any such certificate

may be relied upon by Tenant and any other person, firm or corporation to whom the same maybe exhibited or delivered, and the contents of such certificate shall be binding on Landlord.

18.2.17 *Nominee.* Any acquisition by a Leasehold Mortgagee of the leasehold estate under this Lease, or any rights or privileges thereunder may be taken in the name of such Leasehold Mortgagee or in the name of any nominee or designee selected by it.

18.2.18 *New Lease.* In the event of the termination of this Lease as a result of Tenant's default prior to the expiration of the term, or in the event of a rejection by Landlord or Tenant of this Lease under Chapter 11 of the Bankruptcy Code, Landlord shall, in addition to providing the notices of default and termination as required by this Lease, provide each Leasehold Mortgagee with written notice that the Lease has been terminated or that Landlord has filed a request with the Bankruptcy Court seeking to reject the Lease, together with a statement of all sums which would at that time be due under this Lease but for such termination or rejection, and of all other defaults, if any, then known to Landlord. Upon any request of the Leasehold Mortgagee, or its designee, Landlord agrees to enter into a new lease ("*New Lease*") of the Premises with such Leasehold Mortgagee or its designee for the remainder of the term of this Lease, effective as of the date of termination or rejection, as the case may be, at the Rent, and upon the terms, covenants and conditions (including all transfer rights, but excluding requirements which are not applicable or which have already been fulfilled) of this Lease; *provided, however*, that (i) the Leasehold Mortgagee whose lien upon the Premises is superior to the lien of any other Leasehold Mortgage (the "*Senior Leasehold Mortgage*") shall have the right to give notice of its intent to enter into a New Lease to the Landlord for a period of 60 days from its receipt of the notice referred to in the first sentence of this Section 18.2.18 and (ii) if the Senior Leasehold Mortgagee does not exercise its right to enter into the New Lease during this 60-day period; the Leasehold Mortgagee whose lien upon the Premises is superior to the lien of any other Leasehold Mortgage (other than the Senior Leasehold Mortgagee) shall have the right to give notice of its intent to enter into a New Lease to the Landlord during the remainder of the period(s) specified below; and *provided further, however*,

(a) Such Leasehold Mortgagee shall make written request upon Landlord for such New Lease at the later of (1) within one hundred (100) days after the date such Leasehold Mortgagee receives Landlord's notice of termination or rejection of this Lease given pursuant to this Subsection 18.2.18; or (2) within forty-five (45) days after the actual termination of the Lease as same may have been extended by Subsection 18.2.18 hereof.

(b) Such Leasehold Mortgagee or its designee shall pay or cause to be paid to Landlord at the time of the execution and delivery of such New Lease, any and all sums which would at the time of execution and delivery thereof be due pursuant to this Lease but for such

14

termination and, in addition thereto, all reasonable expenses, including reasonable attorneys' fees, court costs and costs and disbursements which Landlord shall have incurred by reason of such termination and the execution and delivery of the New Lease and which have not otherwise been received by Landlord from or on behalf of Tenant. Upon the execution of such New Lease, Landlord shall allow to Tenant named therein as an offset against the sums otherwise due under this Subsection 18.2.18 or under the New Lease, an amount equal to the net income derived by Landlord from the Premises during the period from the effective date of termination of this Lease to the date of the beginning of the lease term under the New Lease. In the event of a controversy as to the amount to be paid to Landlord pursuant to this Section 18.2, the payment obligation shall be satisfied if Landlord shall be paid the amount not in controversy, and such Leasehold Mortgagee or its designee shall agree to pay any additional sum ultimately determined to be due.

(c) Such Leasehold Mortgagee or its designee shall agree to remedy any of Tenant's defaults of which said Leasehold Mortgagee was notified by Landlord's notice of termination or rejection and which are reasonably susceptible of being so cured by such Leasehold Mortgagee or its designee.

(d) The Tenant under such New Lease shall have the same right, title and interest in and to the Premises and buildings and improvements thereon as Tenant under this Lease. Any holder of any such lien, charge or encumbrance or sublease shall execute such instruments of non-disturbance and/or attornment as the tenant under the New Lease may at any time require.

(e) The tenant under any New Lease shall be liable to perform the obligations imposed on the Tenant by such New Lease only for and during the period such person has ownership of the Premises.

(f) If more than one (1) Leasehold Mortgagee shall request a New Lease pursuant to this Section 18.3, Landlord shall enter into such New Lease with the Leasehold Mortgagee whose mortgage is in the first lien position, or with the designee of such Leasehold Mortgagee;

(g) Concurrently with the execution and delivery of any New Lease, Landlord shall assign to the tenant named therein all of the right, title and interest in and to moneys (including insurance proceeds and condemnation awards), if any, then held by and payable by Landlord which Tenant would have been entitled to receive but for the termination of the Lease. Upon the execution of any New Lease, the tenant named therein shall be entitled to any rent received under any sublease in effect during the period from the date of termination of the Lease to the date of execution of such New Lease.

SECTION 19
[INTENTIONALLY OMITTED]

SECTION 20
RIGHT OF ACCESS

Landlord and its authorized agents and representatives shall be entitled to enter the Premises immediately in the case of an emergency or with reasonable notice for the purpose of observing, posting or keeping posted thereon notices provided for hereunder, and such other notices as Landlord may deem reasonably necessary or appropriate; for the purpose of inspecting the Premises; for the purpose of exhibiting the Premises to prospective purchasers or lessees; and for the purpose of performing any work upon the Premises which Landlord may elect or be required to make. In any such

case, Landlord and its agents and representatives shall not unreasonably interfere with Tenant's operations at the Premises.

SECTION 21 ESTOPPEL CERTIFICATE

Tenant agrees that within ten (10) business days of any demand therefor by Landlord, Tenant will execute and deliver to Landlord a certificate stating that this Lease is in full force and effect without amendment, or if amended attaching a copy thereof to the certificate, the date to which all rentals have been paid, any defaults or offsets claimed by Tenant and such other information concerning the Lease, the Premises or Tenant as Landlord may request. Landlord will provide a similar document to Tenant upon request by Tenant within ten (10) business days after request.

SECTION 22 EXPENDITURES

22.1 Whenever under any provision of this Lease, Tenant shall be obligated to make any payment or expenditure, or to do any act or thing, or to incur any liability whatsoever, and Tenant fails, refuses or neglects to perform as herein required after notice and an opportunity to cure (which shall be deemed to be thirty (30) days unless provided for specifically herein), Landlord shall be entitled, but shall not be obligated, to make any such payment or to do any such act or thing, or to incur any such liability, all on behalf of and at the cost and for the account of Tenant. In such event, the amount thereof with interest thereon at the Default Rate, shall constitute and be collectable as additional rent on demand.

22.2 Whenever under any provision of this Lease, Landlord shall be obligated to make any payment or expenditure, or to do any act or thing, or to incur any liability whatsoever, and Landlord fails, refuses or neglects to perform as herein required after notice and an opportunity to cure (which shall be deemed to be thirty (30) days unless provided for specifically herein), Tenant shall be entitled, but shall not be obligated, to make any such payment or to do any such act or thing, or to incur any such liability, all on behalf of and at the cost and for the account of Landlord. In such event, the amount thereof with interest thereon at the Default Rate, shall be collectable on demand.

SECTION 23 DEFAULT

23.1 Tenant shall be in default of this Lease if:

23.1.1 Tenant shall fail to make timely and full payment of any sum of money required to be paid hereunder and such failure continues for ten (10) days after written notice thereof from Landlord;

23.1.2 Tenant shall fail to perform any other term, covenant or condition of Tenant contained in this Lease, and such failure continues for thirty (30) days after written notice thereof from Landlord; provided, however, that if such failure is impossible to correct within thirty (30) days Tenant shall not be deemed in default if Tenant commences correction within said thirty (30) day period, and diligently pursues such correction to completion;

23.1.3 Tenant should vacate or abandon the Premises or cease operations during the Lease Term;

23.1.4 There is filed any petition in bankruptcy or Tenant is adjudicated a bankrupt or insolvent, or there is appointed a receiver or trustee to take possession of Tenant or of all or substantially all of the assets of Tenant, or there is a general assignment by Tenant for the benefit of creditors, or

any action is taken by or against Tenant under any state of federal insolvency or bankruptcy act, or any similar law now or hereafter in effect; or

23.2 In the event of a default, in addition to any other rights or remedies provided for herein or at law or in equity, Landlord, at its sole option, shall have the following rights:

23.2.1 The right to declare the Lease Term ended and to re-enter the Premises and take possession thereof, and to terminate all of the rights of Tenant in and to the Premises;

23.2.2 Pursuant to its rights of re-entry, Landlord may, but shall not be obligated to (i) remove all persons from the Premises, (ii) remove all property therefrom, and (iii) enforce any rights Landlord may have against said property or store the same in any warehouse or elsewhere at the cost and for the account of Tenant. Tenant agrees to hold Landlord free and harmless of any liability whatsoever for the removal and/or storage of any such property, whether of Tenant or any third party whomsoever, except for damage caused by the willful misconduct or gross negligence of Landlord, its agents or subcontractors.

23.2.3 Anything contained herein to the contrary notwithstanding, Landlord shall not be deemed to have terminated this Lease or the liability of Tenant to pay any rent or other sum of money accruing hereunder, by any such re-entry, or by any action in unlawful detainer or otherwise to obtain possession of the Premises, unless Landlord shall specifically notify Tenant in writing that it has so elected to terminate this Lease.

23.2.4 In any action brought by Landlord to enforce any of its rights under or arising from this Lease, Landlord shall be entitled to receive its reasonable costs and legal expenses, including reasonable attorneys' fees, whether such action is prosecuted to judgment or not.

23.4 The waiver by Landlord of any breach of this Lease by Tenant shall not be a waiver of any preceding or subsequent breach of this Lease by Tenant. The subsequent acceptance of rent or any other payment hereunder by Landlord shall not be construed to be a waiver of any preceding breach of this Lease by Tenant. No payment by Tenant or receipt by Landlord of a lesser amount than the rent herein provided shall be deemed to be other than on account of the earliest rent due and payable hereunder.

SECTION 24 MISCELLANEOUS

24.1 Tenant, upon paying the rentals and other payments herein required and upon performance of all of the terms, covenants and conditions of this Lease on its part to be kept, may quietly have, hold and enjoy the Premises during the Lease Term without any disturbance from Landlord or from any other person claiming through Landlord, except as expressly provided otherwise in this Lease.

24.2 In the event of any sale or exchange of the Premises by Landlord, Landlord shall be, and is, hereby relieved of all liability under and all of its covenants and obligations contained in or derived from this Lease from and after the date of sale or exchange. Tenant agrees to attorn to such purchaser or transferee, provided that such purchaser or transferee agrees to be bound as Landlord under all of the terms and conditions of this Lease. Any sale of the Premises by Landlord shall be subject to this Lease.

24.3 It is agreed that in the event Landlord fails or refuses to perform any of the provisions, covenants or conditions of this Lease, Tenant, prior to exercising any right or remedy Tenant may have against Landlord, shall give written notice to Landlord of such default, specifying in said notice the default with which Landlord is charged and Landlord shall not be deemed in default if the same is cured within thirty (30) days of receipt of said notice. Notwithstanding any other provision hereof, Tenant agrees that if the default is of such a nature that the same can be rectified or cured by

17

Landlord, but cannot with reasonable diligence be rectified or cured within that thirty (30) day period, then such default shall be deemed to be rectified or cured if Landlord within that thirty (30) day period shall commence the rectification and curing thereof and shall continue thereafter with all due diligence to cause such rectification and curing to proceed.

24.4 Neither party shall be in breach of this Lease if it fails to perform as required hereunder due to labor disputes, civil commotion, war, warlike operation, sabotage, governmental regulations or control, fire or other casualty, inability to obtain any materials, or other causes beyond such party's reasonable control (financial inability excepted); provided, however, that nothing contained herein shall excuse Tenant from the prompt payment of any rent or charge required of Tenant hereunder.

24.5 Any and all notices and demands required or desired to be given hereunder shall be in writing and shall be validly given or made (and effective) if served personally, delivered by a nationally recognized overnight courier service, or faxed and deposited in the United States mail, certified or registered, postage prepaid, return receipt requested, to the following addresses:

24.6 The various rights, options, elections and remedies of Landlord contained in this Lease shall be cumulative and no one of them shall be construed as exclusive of any other, or of any right, priority or remedy allowed or provided for by law and not expressly waived in this Lease.

24.7 The terms, provisions, covenants and conditions contained in this Lease shall apply to, bind and inure to the benefit of the parties hereto and their respective heirs, executors, administrators, legal representatives, successors and assigns, as permitted in Section 17 hereof.

24.8 If any term, covenant or condition of this Lease, or any application thereof, should be held by a court of competent jurisdiction to be invalid, void or unenforceable, all terms, covenants and conditions of this Lease, and all applications thereof, not held invalid, void or unenforceable, shall continue in full force and effect and shall in no way be affected, impaired or invalidated thereby.

24.9 Time is of the essence of this Lease and all of the terms, covenants and conditions hereof.

24.10 This Lease contains the entire agreement between the parties and cannot be changed or terminated orally.

24.11 Nothing contained herein shall be deemed to create any partnership, joint venture, agency or other relationship between Landlord and Tenant other than the relationship of landlord and tenant.

24.12 The captions are descriptive only and for convenience in reference to this Lease and in no way whatsoever define, limit or describe the scope or intent of this Lease nor in any way affect this Lease.

24.13 The laws of the State of Nevada shall govern the validity, construction, performance and effect of this Lease. Each party hereto consents to, and waives any objection to, Clark County, Nevada as the proper and exclusive venue for any disputes arising out of or relating to this Lease or any alleged breach thereof.

24.14 In the event Tenant now or hereafter shall consist of more than one person, firm, corporation or trust, then and in such event, all such persons, firms, corporations or trusts shall be jointly and severally liable as Tenant hereunder.

24.15 This Lease may not be recorded without Landlord's prior written consent. However, the parties agree to record a Memorandum of Lease in the form attached hereto as Exhibit "C". A Memorandum of Termination of Lease in the form attached hereto as Exhibit "D" shall also be executed by the parties, shall be held by Landlord, and shall be recorded by Landlord upon termination of the Lease.

24.16 All necessary actions have been taken under the parties' organizational documents to authorize the individuals signing this Lease on behalf of the respective parties to do so.

24.17 The prevailing party in any action regarding this Lease shall be entitled to receive its costs and legal expenses including reasonable attorneys' fees, whether such action is prosecuted to judgment or not. The parties hereto shall and they hereby do waive trial by jury in any action, proceeding or counterclaim brought by either of the parties hereto against the other on any matters whatsoever arising out of or in any way connected with this Lease, the relationship of Landlord and Tenant, Tenant's use or occupancy of the Premises, and/or any claim of injury or damage.

24.18 Landlord and Tenant each represent and warrant to the other that they have not entered into any written contractual arrangement with, or promised to pay any broker's fee, finder's fee, commission or other similar compensation to, or otherwise agreed to compensate, any real estate agent or broker in connection with this transaction. Landlord and Tenant each agree to indemnify, defend, save and hold the other harmless from and against all loss, cost and expense incurred by reason of the breach of the foregoing representation and warranty arising from any claim for compensation founded upon or as a result of acts asserted to have been performed on their respective behalf. Such indemnification obligation shall survive any termination of the Lease.

24.19 This Lease may be executed in one or more counterparts, all of which executed counterparts shall be deemed an original, but all of which, together, shall constitute one and the same instrument. Signature pages may be detached from the counterparts and attached to a single copy of this document to physically form one document.

DRIVING RANGE LEASE

THIS DRIVING RANGE LEASE (this "Lease") is entered into as of the 21st day of October, 2002 by and between **Valvino Lamore, LLC**, a Nevada limited liability company ("Landlord"), and **Wynn Las Vegas, LLC**, a Nevada limited liability company ("Tenant").

WITNESSETH:

WHEREAS, Tenant owns good and marketable title in and to the parcel of real property described on Exhibit A annexed hereto ("Tenant's Property") upon which Tenant intends to construct and develop a first class luxury hotel and destination casino resort (the "Hotel"); and

WHEREAS, Landlord owns good and marketable title in and to the parcel of real property adjacent to Tenant's Property and described on Exhibit B annexed hereto (the "Landlord's Property"); and

WHEREAS, Tenant has entered into a lease to lease real property (the "Golf Course Property") adjacent to the Hotel and the Landlord's Property upon which Tenant intends to construct a golf course, clubhouse and related improvements (the "Golf Facilities"); and

WHEREAS, Landlord desires to lease to Tenant and Tenant desires to lease from Landlord a portion of Landlord's Property, as shown on Exhibit C annexed hereto (the "Premises") for the purpose of constructing and operating a driving range on the Premises ("Driving Range"), to be operated as an amenity to the Hotel and the Golf Course which Driving Range will include all structures and facilities located or to be located on the Premises.

NOW, THEREFORE, in consideration of the terms, covenants, conditions and provisions hereinafter set forth and other good and valuable consideration, it is hereby mutually agreed by and between Landlord and Tenant as follows:

SECTION 1 DEMISED PREMISES

1.1 Landlord hereby leases to Tenant and Tenant hereby leases from Landlord the Premises, to have and to hold the Premises, together with all and singular improvements, appurtenances, rights, privileges, and easements thereunto appertaining during the Lease Term and subject to the terms and conditions herein contained.

1.2 Tenant shall construct and maintain the Driving Range at a standard consistent with a typical first class, driving range. In addition, Landlord and Tenant agree to cooperate with respect to fulfilling any and all conditions of Clark County, the State of Nevada, and any other governmental or regulatory entity having jurisdiction over the Premises and the construction and operation of the Driving Range.

SECTION 2 TERM

2.1 The term of the Lease (the "Lease Term") and payment of Rent (as defined in Section 3.1 hereof) shall commence (the "Commencement Date") on October 21, 2002, and shall continue for a period of thirty (30) years thereafter (the "Initial Lease Term") unless terminated earlier as elsewhere herein provided. Following the earlier to occur of the following (the "Lien Release Date") (x) the release of Landlord's Property from the lien of that certain First Trust Deed (as defined and described on *Schedule I* attached hereto) and of that certain Second Trust Deed (as defined and described on *Schedule I* attached hereto) (collectively, the "Deeds of Trust") or (y) the release of the Golf Course Property and Golf Facilities from the liens of the deeds of trust described on *Schedule II* (collectively,

the "Golf Course Deeds of Trust"), Tenant may terminate this Lease on thirty (30) days' written notice to Landlord.

2.2 In the event Tenant is not then in default of its obligations hereunder beyond any applicable cure period and this Lease has not previously been terminated, after the expiration of the Initial Lease Term, the Lease Term shall continue on a month-to-month basis, upon the same terms and conditions as are set forth in this Lease. At any time during any such extension of the Initial Lease Term, either party may terminate the Lease by delivering written notice no later than ten (10) days prior to the expiration of any thirty (30) day extension period. In the event that such notice is not given within such time period, the Lease shall continue in effect.

2.3 Upon the expiration or sooner termination of this Lease, Tenant shall, at its sole cost and expense, within fifteen (15) days after receipt of written notice, thereupon surrender the Premises to Landlord in the same condition as on the date of completion of the Tenant's Work. All personal property of Tenant relating to the Driving Range and to the operation of the Premises as a Driving Range shall become the property of Landlord on termination of this Lease.

SECTION 3 RENT

3.1 During the Lease Term, Tenant shall pay as monthly rent for the Premises the sum of One Dollar (\$1.00) per month (the "Rent"). The Rent shall be due and payable in advance on the first (1st) day of each month.

3.2 All rents and other monies required to be paid by Tenant hereunder shall be paid to Landlord without deduction or offset, prior notice or demand, in lawful money of the United States of America, at the address of Landlord and set forth in Section 24.5 or at such other place as Landlord may from time to time designate in writing.

3.3 If Tenant fails to pay, when due and payable, any Rent or any other amounts or charges to be paid by Tenant hereunder within ten (10) days after written notice from Landlord that the amount is past due, such unpaid amounts shall bear interest from the due date thereof to the date of payment at a rate equal to the prime rate of interest last ascertained by the Commissioner of Financial Institutions of the State of Nevada pursuant to Nevada Revised Statutes 99.040, plus five (5) percentage points (the "Default Rate").

SECTION 4 CONSTRUCTION OF THE DRIVING RANGE

4.1 Tenant shall be responsible, at its sole cost, for constructing and maintaining the Driving Range ("Tenant's Work") in accordance with the conceptual plans and specifications which have been reviewed and approved by Landlord. If requested by Landlord, Tenant shall use only union labor to perform Tenant's Work. In addition, Tenant agrees that material modifications to such Plans shall be subject to the prior written approval of Landlord, which approval shall not be unreasonably withheld or delayed; provided, however, that Landlord shall be deemed to have approved any and all such Plan modifications if such Plan modifications are approved by the lender or lenders of Tenant financing the construction of the Tenant's Work.

4.2 Tenant shall be solely responsible for (i) securing all necessary building, zoning and other governmental permits, approvals and waivers, as necessary, to construct the Driving Range and (ii) satisfying any offsite improvement requirements.

2

SECTION 5 FINANCING

Landlord may obtain loans from time to time from third parties to finance acquisition and development of Landlord's and its Affiliates' real property, including the Premises. For purposes of this Lease, an "Affiliate" of a party shall mean any person or entity (a) that is owned or controlled by the party, (b) that owns or controls the party, (c) that is owned or controlled by a person or entity that owns or controls the party, (d) that owns or controls an Affiliate of the party, or (e) that is owned or controlled by an Affiliate of the party. As used in this definition, the words "owns" or "owned" refer to the ownership of twenty percent (20%) or more of the equity interest in the person or entity so owned, regardless of the manner of ownership. Also, as used in this definition, ownership or control may be direct or indirect. By its execution of this Lease, Tenant (i) acknowledges and consents to Landlord's collateral assignment of its rights hereunder to its and its Affiliates' lenders, including the beneficiaries under the Deeds of Trust (collectively, "Lenders"); (ii) acknowledges and affirms Tenant's agreement to attorn performance obligations to the benefit of Lenders in the same manner as it would with respect to Landlord if any such Lender exercises its rights under any collateral assignment from Landlord; and (iii) agrees to execute such separate consents and acknowledgements to and of Landlord's collateral assignment of this Lease to such third party Lenders. A Lender or its successor which acquires the Premises (through foreclosure on Landlord's Property or deed in lieu of foreclosure) shall not disturb Tenant's lease of the Premises and shall respect Tenant's rights under this Lease.

SECTION 6 USE OF PREMISES; EXCLUSIVITY

6.1 The Premises are leased to Tenant solely for the purpose of developing, constructing, operating and maintaining the Driving Range and related and ancillary uses. Tenant shall not use or suffer to be used the Premises, or any portion thereof, for any other purpose or purposes whatsoever, without Landlord's prior written consent, which consent shall not be unreasonably withheld.

6.2 Tenant shall, at all times during the Lease Term, comply with all governmental rules, regulations, ordinances, statutes and laws, now or hereafter in effect pertaining to the Driving Range, the Premises or Tenant's use thereof.

6.3 Tenant shall not use the Premises for the generation, storage, manufacture, production, releasing, discharge, or disposal or any Hazardous Substance (defined below) or allow or suffer any other entity or person to do so. Provided, however, that Tenant shall be permitted to utilize customary fertilizers, pesticides, and other similar landscaping chemicals to the extent such use is consistent with any governmental regulations governing such use. Except as otherwise set forth herein, "Hazardous Substance" shall mean any flammable or related material and any other substance or material defined or designated as a hazardous or toxic substance, material or waste by a governmental law, order, regulation or ordinance presently in effect or as amended or promulgated in the future and shall include, without limitation: (a) those substances included within the definitions of "hazardous substances," "hazardous materials," "toxic substances" or "solid waste" in CERCLA, RCRA, and the Hazardous Materials Transportation Act, 40 U.S.C. §§ 1801 *et seq.*, and in the regulations promulgated pursuant to said laws; (b) those substances listed in the United States Department of Transportation Table (49 CFR 172.101 and amendments thereto) or by the Environmental Protection Agency (or any successor agency) as hazardous substances (40 CFR Part 302 and amendments thereto); (c) such other substances, materials and wastes which are or become regulated under applicable local, state or federal law, or the United States government, or which are classified as hazardous or toxic under federal, state or local laws or regulations; and (d) any material, waste or substance which is (i) petroleum, (ii) asbestos, (iii) polychlorinated biphenyls or (iv) designated as a "hazardous substance" pursuant to Section 311 of the Clean Water Act, 33 U.S.C. §§ 1251 *et seq.* (33 U.S.C. 1321) or listed pursuant to Section 307 of the Clean Water Act (33 U.S.C. 1317).

3

6.3.1 Tenant shall protect, indemnify and hold harmless Landlord, its partners, members, managers, employees, agents, successors and assigns, the Premises and the Driving Range in general from and against any and all claims, losses, damages, costs, expenses, liabilities, fines, penalties, charges, administrative and judicial proceedings and orders, judgments, remedial action requirements, enforcement actions of any kind (including, without limitation, attorneys' fees and costs at trial and on appeal) directly or indirectly arising out of or attributable to, in whole or in part, the breach of any of the covenants, representations and warranties of this Section 6.3, or the use, generation, manufacture, production, storage, release, threatened release, discharge, disposal, or presence of a Hazardous Substance on, under, from or about the Premises. The foregoing indemnity shall further apply to any residual contamination on, under, from or about the Premises, or the property in general, or affecting any natural resources arising in connection with the use, generation, manufacture, production, handling, storage, transport, discharge or disposal of any such Hazardous Substance, and irrespective of whether any of such activities were or will be undertaken in accordance with environmental laws or other applicable laws, regulations, codes and ordinances.

6.3.2 Landlord reserves the right to request appropriate governmental officials to inspect the Premises, from time to time, in order to determine Tenant's compliance herewith.

SECTION 7 ALTERATIONS AND IMPROVEMENTS

7.1 Following the completion of the Tenant's Work, Tenant shall not make any material alterations, improvements or changes (specifically excluding repairs and maintenance work) ("Improvements") in or to the Premises without the prior written approval of Landlord, which approval shall not be unreasonably withheld or delayed. Any Improvements shall be at the sole cost and expense of Tenant. Landlord may require Tenant, at Tenant's sole cost and expense, to furnish a bond, or other security satisfactory to Landlord, to assure diligent and faithful performance of any work to be performed by Tenant. Any Improvements shall be made promptly, in good and workmanlike manner by duly licensed union contractors and in compliance with all insurance requirements and with all applicable permits, authorizations, building regulations, zoning laws and all other governmental rules, regulations, ordinances, statutes and laws, now or hereafter in effect, pertaining to the Premises or Tenant's use thereof.

7.2 Prior to making any Improvements in or to the Premises, Tenant shall notify Landlord ten (10) days in advance in order that Landlord may post and maintain on the Premises and file any notices of nonresponsibility provided for under applicable law. Tenant agrees that Landlord shall have the right to enter upon the Premises to post notices of nonresponsibility.

SECTION 8 UTILITIES

Tenant shall be responsible for the cost and expense of installing all utilities on the Premises. Tenant shall be responsible for the payment of, and shall promptly pay when due, all utility completion fees, connection fees and all utility services (including without limitation, gas, water, electricity, telephone and sanitary sewer) used, rendered or supplied to or in connection with the Premises or the construction, operation and maintenance of the Driving Range during the Lease Term.

SECTION 9 TAXES

9.1 Tenant will, at Tenant's own cost and expense, bear, pay, and discharge prior to delinquency, all real estate taxes, assessments, sewer rents, water rents and charges, duties, impositions, license and permit fees, charges for public utilities of any kind, payments and other charges of every kind and

4

nature whatsoever, ordinary or extraordinary, foreseen or unforeseen, general or special (all of which are hereinafter collectively referred to as "Impositions"), which shall, pursuant to present or future law or otherwise, during the Lease Term, have been or be levied, charged, assessed, or imposed upon, or become due and payable out of or for, or become or have become a lien on the Premises, the Driving Range and any Improvements; it being the intention of the parties hereto that the rents reserved herein shall be received and enjoyed by Landlord as a net sum free from all such Impositions. Provided, however, that for such part of the Lease Term, if any, as the Premises is not separately assessed but is included as part of Landlord's Property for computation of real property taxes and assessments, or is separately assessed but the taxes attributable thereto are billed to Landlord, then Tenant's share of taxes shall be an amount equal to twenty two and one-half percent (22.5%) of the total assessments for Landlord's Property; provided further that following the release of the liens of the Deeds of Trust, Landlord and Tenant shall either create a tax parcel for the Driving Range separate from the remainder of Landlord's Property, or equitably adjust the percentage of property taxes payable by Tenant for the Premises following adjustments in assessments for Landlord's Property attributable to construction or demolition activity on Landlord's Property other than the Driving Range. All taxes payable by Tenant hereunder shall be paid to Landlord, as the case may be, on the later of (a) ten (10) days before such tax becomes delinquent or (b) ten (10) days after Landlord, or the taxing authority, notifies Tenant that a payment is due. Subject to any reimbursement due from Tenant as provided herein, Landlord shall be responsible for timely payment of all assessments on Landlord's Property. In the event Landlord fails to timely pay any such assessment, Tenant may, but is not obligated to pay such assessment directly to the taxing authority and pursue reimbursement of Landlord's share of such assessment from Landlord. Upon the termination of this Lease, Landlord shall promptly reimburse Tenant for any Impositions paid by Tenant attributable to the period of time following such termination. All Impositions shall be prorated on the basis of a 365-day year.

9.2 Tenant shall be liable for and shall pay before delinquency (and, upon five (5) days of written demand by Landlord, Tenant shall furnish Landlord with satisfactory evidence of the payment thereof) all Impositions of whatsoever kind or nature, and penalties and interest thereon, if any, levied against any personal property of Tenant of whatsoever kind and to whomsoever belonging situated or installed in or upon the Premises, whether or not affixed to the realty.

9.3 Tenant shall pay when due all taxes, assessments or fees for which Tenant is liable and which arise directly or indirectly from Tenant's operations at the Premises including without limitation all sales and use taxes. Within five (5) days of written demand from Landlord, Tenant shall furnish Landlord evidence satisfactory to Landlord of the timely payment of any such tax, assessment or fee.

9.4 Whenever Landlord shall receive any statement or bill for any tax, payable in whole or in part by Tenant as additional rent, or shall otherwise be required to make any payment on account thereof, except as otherwise provided herein, Tenant shall pay the amount due hereunder within ten (10) days after demand therefor accompanied by delivery to Tenant of a copy of such tax statement, if any.

SECTION 10 [INTENTIONALLY OMITTED]

SECTION 11 MAINTENANCE AND REPAIRS

11.1 Landlord shall not be obligated to perform any service or to repair or maintain any structure or facility on the Premises except as provided in this Section 11 and Section 14 of this Lease, unless caused by the negligence of Landlord, its agents, customers or contractors. Landlord shall not be obligated to

provide any service or maintenance or to make any repairs pursuant to this Lease when such service, maintenance or repair is made necessary because of the negligence or misuse of Tenant,

Tenant's agents, employees, servants, contractors, subtenants or licensees. Landlord shall have no responsibility or liability for failure to supply any services or maintenance or to make any repairs on the Premises. Landlord shall not be liable for any loss or damage to persons or property sustained by Tenant or other persons, which may be caused by the Driving Range or the Premises, or any appurtenances thereto, being out of repair or by bursting or leakage of any water, gas, sewer or steam pipe, or by theft, or by any act or neglect of any occupant of the Premises, or of any other person.

11.2 Except as provided for elsewhere herein, Tenant shall keep and maintain in good order, condition and repair (including any such replacement and restoration as is required for that purpose) the Premises, the Driving Range and every part thereof and any and all appurtenances thereto wherever located, including, without limitation, all repairs and replacements, structural and nonstructural, foreseen and unforeseen, which are necessary to maintain and preserve the Driving Range and the Premises in good condition. All repairs shall be made in accordance with all laws, promptly, efficiently, and in good workmanlike manner. Tenant shall also keep and maintain in good order, condition and repair (including any such replacement and restoration as is required for that purpose) any Improvements, special equipment, furnishings, fixtures or facilities installed by it on the Premises.

SECTION 12 LIENS

12.1 Tenant, at all times, whether by bond or otherwise, shall keep (and shall cause any contractor engaged by Tenant to keep) Landlord, the Driving Range, the Premises, the leasehold estate created by this Lease, and any trade fixtures, equipment or personal property within the Premises, free and clear from any claim, lien or encumbrance (other than personal property, consensual security interests for lines of credit or inventory financing in the ordinary course of Tenant's business), tax lien or levy, mechanic's lien, attachment, garnishment or encumbrance arising directly or indirectly from any obligation, action or inaction of Tenant whatsoever, except to the extent permitted under Sections 17 and 18 below and except for "Permitted Liens" as defined in the Credit Agreement. (as that term is defined in the First Trust Deed) and the Mortgage Notes Indenture (as that term is defined in the Second Trust Deed).

12.2 Tenant shall, within ten (10) days of the filing of any lien that is not permitted under Section 12.1 above, either pay or satisfy the same in full and procure the discharge thereof or commence an action to discharge the same, fully bond such lien, and diligently prosecute such action, or shall cause Tenant's contractor to do the same.

SECTION 13 INSURANCE

13.1 Landlord and Tenant are covered under the same policies of comprehensive public liability insurance and all-risk, commercial property insurance. The parties each agree to pay its respective share of such insurance costs.

13.2 If at any time during the Lease Term Tenant ceases to be covered by common insurance with Landlord, Tenant will, at its sole cost and expense, maintain in full force and effect:

(a) a policy of comprehensive or commercial general liability insurance issued by an insurance carrier approved by Landlord, insuring against loss, damage or liability for injury or death to persons and loss or damage to property occurring from any cause whatsoever in connection with the Premises or Tenant's use thereof. Landlord shall be named as an additional insured under each such policy of insurance; with a combined single limit for bodily injury and property damage of not less than two million (\$2,000,000) per occurrence and five million (\$5,000,000) in the aggregate;

(b) a standard form of all-risk, commercial property insurance with extended coverage insurance covering leasehold improvements, furniture, fixtures and equipment, and personal property located in or on the Premises whether owned by Landlord or Tenant, and the personal property of others in Tenant's possession in, upon or about the Premises. Such insurance shall be in an amount equal to the current replacement value of the property required to be insured. Tenant and Landlord, as their interests may appear, shall be the named insureds under each such policy of insurance;

(c) During any period of any construction on the Premises, Tenant shall maintain (i) course of construction and builder's risk insurance on an "all risks" basis, including materials in storage and while in transit, and (ii) worker's compensation and employer's liability insurance for any person working on such construction who is employed by Tenant or any general contractor and/or any construction contractor.

13.3 A certificate issued by the insurance carrier for each policy of insurance required to be maintained by Tenant under Section 13.2 above, if any, or a copy of each such policy, shall be delivered to Landlord on or before the commencement of Tenant's Work and thereafter, as to policy renewals, within thirty (30) days prior to the expiration of the terms of each such policy. Each of said certificates of insurance and each such policy of insurance shall be from an insurer and in a form and substance satisfactory to Landlord, shall expressly evidence insurance coverage as required by this Lease and shall contain an endorsement or provision requiring not less than thirty (30) days written notice to Landlord and all other named insureds prior to the cancellation, diminution in the perils insured against, or reduction of the amount of coverage of, the particular policy in question. In addition to the foregoing certificates, Tenant shall at all times during the Lease Term maintain (either through common insurance with Landlord or otherwise), at Tenant's sole cost and expense, worker's compensation coverage evidencing coverage at Nevada statutory limits.

13.4 Tenant shall not use or occupy, or permit the Premises to be used or occupied, in a manner that will make void any insurance then in force.

13.5 Landlord and Tenant hereby waive any and all rights of recovery from the other party and its officers, agents and employees for any loss or damage, including consequential loss or damage, caused by any peril or perils (including negligent acts) that are caused by or result from risks insured against under any form of insurance policy.

13.6 Each policy of insurance provided for in this Section 13 shall contain an express waiver of any and all rights of subrogation thereunder whatsoever against the other party, its officers, directors, agents and employees. All such policies shall be written as primary policies and not contributing with or in excess of the coverage, if any, which Landlord may carry. Notwithstanding any other provision contained in this Section 13 or elsewhere in this Lease, the amounts of all insurance required hereunder to be paid by Tenant shall be not less than an amount sufficient to prevent Landlord from becoming a co-insurer. The limits of the public liability insurance required to be maintained by Tenant under this Lease shall in no way limit or diminish Tenant's liability under Section 15 hereof and such limits shall be subject to increase at any time and from time to time during the Lease Term if Landlord, in the exercise of reasonable discretion, deems such an increase necessary for its adequate protection; provided, however, Landlord may not exercise its right under this sentence more frequently than one time every two years during the Lease Term.

13.7 All of the provisions of this Section 13 are subject to, and shall be modified as reasonably necessary to be consistent with, the requirements of the Credit Agreement and the Second Mortgage Notes.

7

SECTION 14 DESTRUCTION OF PREMISES; CONDEMNATION

14.1 During the period prior to the earlier to occur of the expiration of the Initial Lease Term or the Lien Release Date, should the Premises or any portion thereof be destroyed by any cause whatsoever ("Damaged") and provided that restoration is permitted under the Credit Agreement and the Second Mortgage Notes, Tenant shall restore the Premises. After the earlier to occur of the expiration of the Initial Lease Term or the Lien Release Date, should the Premises be Damaged, Tenant may elect to either terminate this Lease or restore the Premises by delivery of written notice to Landlord within thirty (30) days after the casualty event giving rise to the Damage. If Tenant fails to give timely notice of Tenant's election, Tenant shall be deemed to have elected to terminate and this Lease shall terminate at the end of the calendar month following the calendar month in which such casualty event shall have occurred. If Tenant is required or elects to restore the Premises, the following provisions shall apply: After any such casualty and during the reconstruction period, Rent shall continue to accrue and be payable as if such event of destruction had not occurred. Tenant shall reconstruct the Damaged Improvements with all reasonable diligence (allowing for adjustment and collection of insurance proceeds, licensing, permitting, and approvals) and as often as any structures subsequently constructed on the Premises or any part thereof shall be Damaged. No Damage to any building or Improvements on the Premises by fire, windstorm, or any other casualty shall entitle Tenant to violate any of the provisions of this Lease. Landlord hereby agrees to assign to Tenant any insurance proceeds otherwise payable to Landlord, whether payable solely to Landlord or jointly to Landlord and Tenant, subject to reasonable and third party customary construction control procedures, so long as Tenant uses such proceeds solely to repair or rebuild the Damaged buildings or Improvements.

14.2 INTENTIONALLY OMITTED

14.3 Notwithstanding the foregoing provisions, in the event the Premises or any portion thereof shall be Damaged by fire or other casualty due to the fault, negligence or willful misconduct of Tenant, its agents, employees, servants, contractors, subtenants, licensees, customers or business invitees, then this Lease shall not terminate, the Damage shall be repaired by Tenant, and there shall be no apportionment or abatement of any Rent.

14.4 All insurance proceeds payable under any fire and extended coverage risk insurance covering the Premises and maintained by Landlord shall be payable to Landlord in the event of Damage, and Tenant shall have no interest therein, except to the extent of such insurance separately carried by Tenant. Tenant shall in no case be entitled to compensation for damages on account of any annoyance or inconvenience in making repairs under any provision of this Lease. Except to the extent provided for in this Section 14, neither the Rent payable by Tenant nor any of Tenant's other obligations under any provision of this Lease shall be affected by any Damage.

14.5 Should the whole of the Premises be condemned or taken by a competent authority for any public or quasi-public purpose, then this Lease shall terminate upon such taking. If such portion of the Premises is condemned or taken such that the remaining portion thereof will not be reasonably adequate for the operation of Tenant's business after Landlord completes such repairs or alterations as Landlord elects to make, either Landlord or Tenant shall have the option to terminate this Lease by notifying the other party hereto of such election in writing within twenty (20) days after such taking. If by such condemnation and taking a portion of the Premises is taken and the remaining part thereof is suitable for the purposes for which Tenant has leased the Premises, this Lease shall continue in full force and effect, but the Rent and all other charges hereunder shall be reduced in an amount equal to that proportion of such charges which the square footage of the portion taken bears to the total square feet of the Premises, and Rent and other charges shall be suspended during any period of time that Tenant is closed for business. In the event a partial taking does not terminate this Lease, Landlord, at Landlord's expense, shall repair the damage to the Premises with reasonable dispatch and restore it as

8

nearly as reasonably possible to its condition immediately before the taking. If any part of the Driving Range shall be taken or appropriated so as to materially and adversely affect the ability of Tenant's subtenants, customers and/or invitees to reach the Premises, Tenant shall have the right, at its option to terminate this Lease by notifying the other party within twenty (20) days of such taking.

14.6 For the purposes hereof, a deed in lieu of condemnation shall be deemed a taking.

SECTION 15 INDEMNIFICATION

Each party ("Indemnitor") hereby covenants and agrees to indemnify, defend, save and hold the other party ("Indemnitee"), the Premises and the leasehold estate created by this Lease free, clear and harmless from any and all liability, loss, costs, expenses (including attorneys' fees), judgments, claims, liens and demands of any kind whatsoever in connection with, arising out of, or by reason of any act, omission, or negligence of Indemnitor, its agents, employees, servants, contractors, subtenants or licensees while in, upon, about, or in any way connected with, the Premises or the Driving Range or arising from any accident, injury or damage, howsoever and by whomsoever caused, to any person or property whatsoever, occurring in, upon, about or in any way connected with the Premises or any portion thereof other than as a result of the intentional or negligent acts of Indemnitee.

**SECTION 16
SUBORDINATION**

Tenant agrees upon request of Landlord to subordinate this Lease and its rights hereunder to the lien of any mortgage, deed of trust or other encumbrance, together with any renewals, extensions or replacements thereof now or hereafter placed, charged or enforced against the Premises, or any portion thereof, and to execute and deliver at any time, and from time to time, upon demand by Landlord, such documents as may be reasonably required to effectuate such subordination within ten (10) days after receiving such documents, provided that in connection with such subordination agreement Landlord's lender agrees to provide a non-disturbance agreement for the benefit of Tenant in form and substance reasonably acceptable to Tenant and its Lenders.

**SECTION 17
ASSIGNMENT AND SUBLETTING**

17.1 Except as otherwise set forth herein, Tenant shall not assign, mortgage, pledge, hypothecate or encumber this Lease nor the leasehold estate hereby created or any interest herein, or sublet the Premises or any portion thereof, or license the use of all or any portion of the Premises without the prior written consent of Landlord, which consent may be withheld in Landlord's sole discretion. Provided, however, that Tenant shall have the right, upon giving notice to Landlord, to assign this Lease to any successor-in-interest to the Golf Facilities and, upon such assignment Tenant shall be relieved from any further obligation under this Lease except as otherwise expressly provided herein. The restriction or limitation on use of the Premises shall continue to apply to any subtenant or assignee hereunder. Any consent by Landlord to any act requiring consent pursuant to this Section 17.1 shall not constitute a waiver of the necessity for such consent to any subsequent act. Tenant shall pay all reasonable costs, expenses and reasonable attorneys' fees that may be incurred or paid by Landlord in processing, documenting or administering any request of Tenant for Landlord's consent required pursuant to this Section 17.1.

17.2 Landlord may reasonably require that each proposed assignee or sublessee agree, in a written agreement satisfactory to Landlord, to assume and abide by all the terms and provisions of this Lease, including those which govern the permitted uses of the Premises.

9

17.3 In the absence of an express agreement in writing to the contrary executed by Landlord, no assignment, mortgage, pledge, hypothecation, encumbrance, subletting or license hereof or hereunder shall act as a release of Tenant from any of the provisions, covenants and conditions of this Lease on the part of Tenant to be kept and performed.

17.4 Notwithstanding anything to the contrary contained herein, Tenant may encumber Tenant's leasehold estate under this Lease to secure financing of any indebtedness or any obligations of Tenant or any Affiliate of Tenant, in such amount and on such terms as Tenant may determine appropriate in its discretion, and Landlord hereby agrees to effect such amendments and modifications of this Lease as may be required by the obligee of such indebtedness or obligations to make this Lease "financeable" and to execute and deliver to such obligee such documents and instruments as such obligee may require in connection therewith; provided, however, that Landlord shall have no obligation to agree to any amendments or modifications or to execute any documents or instruments that require Landlord to subordinate its fee interest to the lien of any such encumbrance or extend the term of this Lease, or materially decrease Tenant's obligations or materially increase Landlord's obligations under this Lease.

**SECTION 18
LEASEHOLD FINANCING**

18.1 *Leasehold Mortgage Permitted.* Nothing in this Lease shall be construed as restricting in any manner the right of Tenant, from time to time, or at any time, to create one or more liens on, or encumber, by mortgage, deed of trust or trust deed in the nature of a mortgage (each, a "*Leasehold Mortgage*") the leasehold interest of Tenant in the Premises, and subject to the restrictions and limitations contained in any such instrument as to further conveyances, transfers and assignments, Tenant will have the right at any time, and from time to time, to convey, transfer and assign its interest under this Lease to a mortgagee, trustee or beneficiary, of its designee (each "*Leasehold Mortgagee*"), under a Leasehold Mortgage given to secure any note or other obligation of Tenant or an Affiliate thereof.

18.2 *Certain Benefits to Leasehold Mortgage.* If Tenant shall execute any Leasehold Mortgage, then, in such event and so long as such Leasehold Mortgage shall constitute a lien or encumbrance against the leasehold estate of Tenant hereunder, the following provisions shall apply:

18.2.1 *Amendment of Lease.* No agreement by Landlord and Tenant for the assignment, cancellation, surrender, acceptance of surrender or termination, modification or amendment of this Lease shall be effective as to any Leasehold Mortgagee without the written consent of such Leasehold Mortgagee. If the Leasehold Mortgagee whose lien has first priority consents to an amendment, any Leasehold Mortgagee of a junior lien on the Premises will not unreasonably withhold its consent to such amendment.

18.2.2 *Exercise of Section 365(h)(i) Rights.* Landlord agrees, for the benefit of such Leasehold Mortgagee, that the right of election arising under Section 365(h)(i) of the Bankruptcy Code shall be exercised by the most senior Leasehold Mortgagee at such time and not by Tenant. Any attempted exercise by Tenant of such right of election in violation hereof shall be void.

18.2.3 *Loss Payee.* The name of each such Leasehold Mortgagee shall be added to the "*Loss Payable Endorsement*" of any and all insurance policies required to be carried by Tenant under this Lease.

10

18.2.4 *Proceeds of Casualty and Condemnation.* Notwithstanding anything in this Lease to the contrary, in the event of any casualty to or condemnation of the Premises or any portion thereof, the Leasehold Mortgagees shall be entitled to receive all insurance proceeds and/or condemnation awards as their interests appear (up to the amount of the indebtedness secured by the Leasehold Mortgage) otherwise payable to Tenant or Landlord or both and apply them in accordance with the Leasehold Mortgage and shall have the right, but not the obligation, to restore the Premises.

18.2.5 *Merger.* If Tenant shall acquire fee title, or any other estate, title or interest in the Premises which is the subject of this Lease, or any part thereof, or if the leasehold estate created by this Lease, or any portion thereof, shall be assigned, sold or otherwise transferred to the owner of such fee title or other estate, title or interest in the Premises which is the subject of this Lease, then in either such event, upon the election of the Leasehold Mortgagee first in priority expressly made in writing at any time thereafter, each Leasehold Mortgage shall attach to and be a lien upon such fee title and/or other estate so acquired (but only as the same pertains to the Premises), and such fee title and/or other estate so acquired shall be considered as mortgaged, assigned and conveyed to each Leasehold Mortgagee and the lien of each such Leasehold Mortgage shall be spread to cover such estate with the same force and effect as though specifically mortgaged, assigned or conveyed in such Leasehold Mortgage (and upon request of any Leasehold Mortgagee, either or both Landlord and Tenant shall execute further mortgages, assignments of leases and rents, amendments to documents and instruments as such Leasehold Mortgagee may reasonably require for such purpose); provided, however, that notwithstanding the foregoing, if and so long as any of the indebtedness secured by any such Leasehold Mortgage shall remain unpaid, unless the Leasehold Mortgagee thereunder shall otherwise in writing expressly consent, the fee title to the Premises which is the subject of this Lease and the leasehold estate created by this Lease shall not merge but shall always be kept separate and distinct, notwithstanding the union of said estates either in Landlord or in Tenant, or in a third party, by purchase or otherwise. Nothing in this Section 18.2.5 shall be deemed to subordinate or require Landlord to subordinate the fee interest of Landlord in the Premises to the lien of a Leasehold Mortgage.

18.2.6 *Right of Entry.* Each Leasehold Mortgagee shall have the right to enter upon the Premises at any time for any purpose, including curing any defaults by Tenant under this Lease, and Landlord hereby agrees to accept performance and compliance by any such Leasehold Mortgagee of any covenants, agreements, provisions, conditions and limitations on Tenant's part to be kept, observed or performed hereunder, with the same force and effect as though kept, observed and performed by Tenant. Any default by Tenant that is not susceptible to being cured by a Leasehold Mortgagee shall be deemed waived by Landlord.

18.2.7 *Notice to Tenant.* Landlord shall serve Tenant with notice if Landlord files, or has filed against it, a petition under chapters 7 or 11 of the Bankruptcy Code. Such notice shall be served within twenty-four (24) hours of such filing. Landlord shall, upon serving Tenant with any notice of (1) a bankruptcy filing as herein described, (2) default pursuant to the provisions of this Lease, or (3) a matter on which Landlord may predicate or claim a default, at the same time serve a copy of such notice upon every Leasehold Mortgagee that has provided Landlord with notice of its identity and address, and no such notice by Landlord to Tenant hereunder shall have been deemed duly given unless and until a copy thereof has been so served on every such Leasehold Mortgagee.

18.2.8 *Termination.* Anything contained in this Lease to the contrary notwithstanding, if any default shall occur which entitles Landlord to terminate this Lease, or to exercise any other rights, powers or remedies available to it under this Lease, Landlord shall have no right to terminate this Lease or to exercise any of such rights, powers or remedies unless following the expiration of the period of time given Tenant to cure such default (or the act or omission which gave rise to such

default), Landlord shall notify every Leasehold Mortgagee of Landlord's intent to so terminate or exercise any such rights, powers or remedies ("*Default Notice*") at least (x) sixty (60) days in advance of the proposed effective date of such termination, or exercise of any rights, powers or remedies if such default is capable of being cured by the payment of money, and (y) ninety (90) days in advance of the proposed effective date of such termination, or exercise of any such rights, powers or remedies if such default is not capable of being cured by the payment of money ("*Default Notice Period*"). The provisions of Subsection 18.2.9 below shall apply if during such thirty (60) or ninety (90) day Default Notice Period, any Leasehold Mortgagee shall notify Landlord of such Leasehold Mortgagee's desire to nullify such notice (the "*Nullification Notice*").

18.2.9 *Procedure on Default.*

(a) If Landlord shall elect to terminate this Lease or obtain possession of the Premises by reason of any default of Tenant, and a Leasehold Mortgagee shall have delivered the Nullification Notice set forth in Subsection 18.2.8, the specified date for the termination of this Lease as fixed by Landlord in its Default Notice or for the obtaining of possession shall be extended for a period of six (6) months, provided that such Leasehold Mortgagee shall, during such six (6) month period:

(1) pay or cause to be paid the monetary obligations of Tenant under this Lease as the same become due, and continue its good faith efforts to perform all of Tenant's other obligations under this Lease, excepting (i) obligations of Tenant to satisfy or otherwise discharge any lien, charge or encumbrance against Tenant's interest in this Lease or the Premises junior in priority to the lien of the mortgage held by such Leasehold Mortgagee and (ii) past non-monetary obligations then in default and not reasonably susceptible of being cured by such Leasehold Mortgagee (including by reason of a bankruptcy stay or if possession of the Premises is required in order to cure such default); *provided* that Leasehold Mortgagee may offset amounts it expends to cure any defaults by Landlord under this Lease; and

(2) if not enjoined or stayed, take steps to acquire or sell Tenant's interest in this Lease by foreclosure of the Leasehold Mortgage or other appropriate means and prosecute the same to completion with due diligence.

(b) If at the end of such six (6) month period such Leasehold Mortgagee is complying with Subsection 18.2.9(a) then this Lease shall not terminate, and the time for completion by such Leasehold Mortgagee of its proceedings shall continue so long as such Leasehold Mortgagee is enjoined or stayed and thereafter for so long as such Leasehold Mortgagee proceeds to complete steps to acquire or sell Lessee's interest in this Lease by foreclosure of the Leasehold Mortgage or by other appropriate means with reasonable diligence. Nothing in this Subsection 18.2.9, however, shall be construed to extend this Lease beyond the original term thereof or to require a Leasehold Mortgagee to continue such foreclosure proceedings after the default has been cured. If the default shall be cured and the Leasehold Mortgagee shall discontinue such foreclosure proceedings, this Lease shall continue in full force and effect as if Tenant had not defaulted under this Lease.

(c) If a Leasehold Mortgagee is complying with Subsection 18.2.9(a) of this Section, then upon the acquisition of Tenant's estate herein by such Leasehold Mortgagee or its designee or any other purchaser at a foreclosure sale or otherwise (and the discharge of any lien, charge or encumbrance against the Tenant's interest in this Lease or the demised premises which is junior in priority to the lien of the Leasehold Mortgage held by such Leasehold Mortgagee and which the Tenant is obligated to satisfy and discharge by reason of the terms of this Lease) this Lease shall continue in full force and effect as if Tenant had not defaulted under this Lease.

18.2.10 *Receiver.* A Leasehold Mortgagee shall have the right after institution of foreclosure proceedings to apply to the court for the appointment of a receiver of the Premises. In the event foreclosure proceedings have been instituted, any money held by Landlord which becomes payable to Tenant shall be payable upon demand to such Leasehold Mortgagee as the interest of such Leasehold Mortgagee may appear when the same so becomes payable to Tenant. If Landlord shall at any time be in doubt as to whether such monies are payable to such Leasehold Mortgagee or to Tenant, Landlord may pay such monies into court and file an appropriate action of interpleader in which event all of Landlord's costs and expenses (including attorneys' fees) shall first be paid out of the proceeds so deposited.

18.2.11 *No Assumption.* For purposes of this Subsection 18.2.11, the making of a Leasehold Mortgage shall not be deemed to constitute an assignment or transfer of this Lease or of the leasehold estate hereby created, nor shall any Leasehold Mortgagee, as such, be deemed to be an assignee or transferee of this Lease or of the leasehold estate hereby created, so as to require such Leasehold Mortgagee, as such, to assume the performance of any of the terms, covenants or conditions on the part of Tenant to be performed hereunder, but the purchaser at any sale of this Lease and of the leasehold estate hereby created in any proceedings for the foreclosure of any Leasehold Mortgage, or the assignee or transferee of this Lease and of the leasehold estate hereby created under any instrument of assignment or transfer in lieu of the foreclosure of any Leasehold Mortgage, shall be deemed to be an assignee or transferee within the meaning of this Subsection 18.2.11 and shall be deemed to have agreed to perform all of the terms, covenants and conditions on the part of Tenant to be performed hereunder arising and accruing from and after the date of such purchase and assignment, but only for so long as such purchaser or assignee is the owner of the leasehold estate.

18.2.12 *Successive Sales.* Any Leasehold Mortgagee or other acquiror of the leasehold estate of Tenant pursuant to foreclosure, assignment in lieu of foreclosure or other proceedings may, upon acquiring Tenant's leasehold estate, without further consent of Landlord, sell and assign the leasehold estate so acquired on such terms and to such persons or organizations as are acceptable to such Leasehold Mortgagee or acquiror and thereafter be relieved of all obligations under this Lease; provided that such assignee has delivered to Landlord its written agreement to be bound by all of the provisions of this Lease from and after the date of such assignment.

18.2.13 *Leasehold Mortgagee Need Not Cure Specified Defaults.* Nothing herein contained shall require any Leasehold Mortgagee or its designee as a condition to the exercise of its rights hereunder to cure any default of Tenant not reasonably susceptible of being cured by such Leasehold Mortgagee or its designee.

18.2.14 *Lease Proceedings.* Landlord shall give each Leasehold Mortgagee that has provided Landlord with notice of its interest and address, prompt notice of any arbitration or legal proceedings between Landlord and Tenant involving this Lease. Each Leasehold Mortgagee shall have the right to intervene in any such proceedings and be made a party to such proceedings, and the parties hereto do hereby consent to such intervention. In the event that any Leasehold Mortgagee shall not elect to intervene or become a party to any such proceedings, Landlord shall give such Leasehold Mortgagee notice of, and a copy of any award or decision made in any such proceedings, which shall be binding on all Leasehold Mortgagees not intervening after receipt of notice of arbitration. Tenant agrees that each Leasehold Mortgagee shall also have the right to intervene in, and be made a party to, any such proceedings.

18.2.15 *Future Leasehold Mortgage: Amendment of Lease.*

(a) Notwithstanding anything in this Lease to the contrary, each Leasehold Mortgagee shall have the right (if it has such right under its loan documents) to restrict, limit or prohibit the execution of any other Leasehold Mortgage junior in priority to the lien of such senior

Leasehold Mortgage, or, in the event of the execution of any such junior Leasehold Mortgage, to accelerate or increase the interest rate under the indebtedness secured by such senior Leasehold Mortgage; and

(b) In the event of a Leasehold Mortgage (each, a "*Successor Leasehold Mortgage*") the proceeds of which are used to pay off in its entirety the indebtedness secured by any existing Leasehold Mortgage (each such existing Leasehold Mortgage, an "*Initial Leasehold Mortgage*"), then the Successor Leasehold Mortgage shall be deemed to have succeeded to the position and all of the rights and priorities of the mortgagee under the Initial Leasehold Mortgage with respect to the mortgagor under the Initial Leasehold Mortgage and with respect to third parties.

18.2.16 *Certificate.* Landlord shall, without charge, at any time and from time to time within ten (10) business days after written request of Tenant to do so, certify by written instrument duly executed and acknowledged to any Leasehold Mortgagee or purchaser, or proposed Leasehold Mortgagee or proposed purchaser, or any other person, firm or corporation specified in such request: (1) as to whether this Lease has been supplemented or amended, and if so, the substance and manner of such supplement or amendment; (2) as to the validity and force and effect of this Lease, in accordance with its tenor; (3) as to the existence of any default hereunder or any event which with the passage of time or notice would constitute a default hereunder; (4) as to the existence of any offsets, claims, counterclaims or defenses hereto on the part of Landlord or, to Landlord's knowledge, on the part of Tenant; (5) as to the commencement and expiration dates of this Lease; and (6) as to any other matters as may be reasonably so requested. Any such certificate may be relied upon by Tenant and any other person, firm or corporation to whom the same maybe exhibited or delivered, and the contents of such certificate shall be binding on Landlord.

18.2.17 *Nominee.* Any acquisition by a Leasehold Mortgagee of the leasehold estate under this Lease, or any rights or privileges thereunder may be taken in the name of such Leasehold Mortgagee or in the name of any nominee or designee selected by it.

18.2.18 *New Lease.* In the event of the termination of this Lease as a result of Tenant's default prior to the expiration of the term, or in the event of a rejection by Landlord or Tenant of this Lease under Chapter 11 of the Bankruptcy Code, Landlord shall, in addition to providing the notices of default and termination as required by this Lease, provide each Leasehold Mortgagee with written notice that the Lease has been terminated or that Landlord has filed a request with the Bankruptcy Court seeking to reject the Lease, together with a statement of all sums which would at that time be due under this Lease but for such termination or rejection, and of all other defaults, if any, then known to Landlord. Upon any request of the Leasehold Mortgagee, or its designee, Landlord agrees to enter into a new lease ("*New Lease*") of the Premises with such Leasehold Mortgagee or its designee for the remainder of the term of this Lease, effective as of the date of termination or rejection, as the case may be, at the Rent, and upon the terms, covenants and conditions

(including all transfer rights, but excluding requirements which are not applicable or which have already been fulfilled) of this Lease; *provided, however*, that (i) the Leasehold Mortgagee whose lien upon the Premises is superior to the lien of any other Leasehold Mortgage (the "*Senior Leasehold Mortgage*") shall have the right to give notice of its intent to enter into a New Lease to the Landlord for a period of 60 days from its receipt of the notice referred to in the first sentence of this Section 18.2.18 and (ii) if the Senior Leasehold Mortgagee does not exercise its right to enter into the New Lease during this 60-day period; the Leasehold Mortgagee whose lien upon the Premises is superior to the lien of any other Leasehold Mortgage (other than the Senior Leasehold Mortgagee) shall have the right to give notice of its intent to

14

enter into a New Lease to the Landlord during the remainder of the period(s) specified below; and *provided further, however*,

(a) Such Leasehold Mortgagee shall make written request upon Landlord for such New Lease at the later of (1) within one hundred (100) days after the date such Leasehold Mortgagee receives Landlord's notice of termination or rejection of this Lease given pursuant to this Subsection 18.2.18; or (2) within forty-five (45) days after the actual termination of the Lease as same may have been extended by Subsection 18.2.18 hereof.

(b) Such Leasehold Mortgagee or its designee shall pay or cause to be paid to Landlord at the time of the execution and delivery of such New Lease, any and all sums which would at the time of execution and delivery thereof be due pursuant to this Lease but for such termination and, in addition thereto, all reasonable expenses, including reasonable attorneys' fees, court costs and costs and disbursements which Landlord shall have incurred by reason of such termination and the execution and delivery of the New Lease and which have not otherwise been received by Landlord from or on behalf of Tenant. Upon the execution of such New Lease, Landlord shall allow to Tenant named therein as an offset against the sums otherwise due under this Subsection 18.2.18 or under the New Lease, an amount equal to the net income derived by Landlord from the Premises during the period from the effective date of termination of this Lease to the date of the beginning of the lease term under the New Lease. In the event of a controversy as to the amount to be paid to Landlord pursuant to this Section 18.2, the payment obligation shall be satisfied if Landlord shall be paid the amount not in controversy, and such Leasehold Mortgagee or its designee shall agree to pay any additional sum ultimately determined to be due.

(c) Such Leasehold Mortgagee or its designee shall agree to remedy any of Tenant's defaults of which said Leasehold Mortgagee was notified by Landlord's notice of termination or rejection and which are reasonably susceptible of being so cured by such Leasehold Mortgagee or its designee.

(d) The Tenant under such New Lease shall have the same right, title and interest in and to the Premises and buildings and improvements thereon as Tenant under this Lease. Any holder of any such lien, charge or encumbrance or sublease shall execute such instruments of non-disturbance and/or attornment as the tenant under the New Lease may at any time require.

(e) The tenant under any New Lease shall be liable to perform the obligations imposed on the Tenant by such New Lease only for and during the period such person has ownership of the Premises.

(f) If more than one (1) Leasehold Mortgagee shall request a New Lease pursuant to this Section 18.3, Landlord shall enter into such New Lease with the Leasehold Mortgagee whose mortgage is in the first lien position, or with the designee of such Leasehold Mortgagee.

(g) Concurrently with the execution and delivery of any New Lease, Landlord shall assign to the tenant named therein all of the right, title and interest in and to moneys (including insurance proceeds and condemnation awards), if any, then held by and payable by Landlord which Tenant would have been entitled to receive but for the termination of the Lease. Upon the execution of any New Lease, the tenant named therein shall be entitled to any rent received under any sublease in effect during the period from the date of termination of the Lease to the date of execution of such New Lease.

15

SECTION 19
[INTENTIONALLY OMITTED]

SECTION 20
RIGHT OF ACCESS

Landlord and its authorized agents and representatives shall be entitled to enter the Premises immediately in the case of an emergency or with reasonable notice for the purpose of observing, posting or keeping posted thereon notices provided for hereunder, and such other notices as Landlord may deem reasonably necessary or appropriate; for the purpose of inspecting the Premises; for the purpose of exhibiting the Premises to prospective purchasers or lessees; and for the purpose of performing any work upon the Premises which Landlord may elect or be required to make. In any such case, Landlord and its agents and representatives shall not unreasonably interfere with Tenant's operations at the Premises.

SECTION 21
ESTOPPEL CERTIFICATE

Tenant agrees that within ten (10) business days of any demand therefor by Landlord, Tenant will execute and deliver to Landlord a certificate stating that this Lease is in full force and effect without amendment, or if amended attaching a copy thereof to the certificate, the date to which all rentals have been paid, any

defaults or offsets claimed by Tenant and such other information concerning the Lease, the Premises or Tenant as Landlord may request. Landlord will provide a similar document to Tenant upon request by Tenant within ten (10) business days after request.

SECTION 22 EXPENDITURES

22.1 Whenever under any provision of this Lease, Tenant shall be obligated to make any payment or expenditure, or to do any act or thing, or to incur any liability whatsoever, and Tenant fails, refuses or neglects to perform as herein required after notice and an opportunity to cure (which shall be deemed to be thirty (30) days unless provided for specifically herein), Landlord shall be entitled, but shall not be obligated, to make any such payment or to do any such act or thing, or to incur any such liability, all on behalf of and at the cost and for the account of Tenant. In such event, the amount thereof with interest thereon at the Default Rate, shall be collectable on demand.

22.1 Whenever under any provision of this Lease, Landlord shall be obligated to make any payment or expenditure, or to do any act or thing, or to incur any liability whatsoever, and Landlord fails, refuses or neglects to perform as herein required after notice and an opportunity to cure (which shall be deemed to be thirty (30) days unless provided for specifically herein), Tenant shall be entitled, but shall not be obligated, to make any such payment or to do any such act or thing, or to incur any such liability, all on behalf of and at the cost and for the account of Landlord. In such event, the amount thereof with interest thereon at the Default Rate, shall be collectable on demand.

SECTION 23 DEFAULT

23.1 Tenant shall be in default of this Lease if:

23.1.1 Tenant shall fail to make timely and full payment of any sum of money required to be paid hereunder and such failure continues for ten (10) days after written notice thereof from Landlord;

16

23.1.2 Tenant shall fail to perform any other term, covenant or condition of Tenant contained in this Lease, and such failure continues for thirty (30) days after written notice thereof from Landlord; provided, however, that if such failure is impossible to correct within thirty (30) days Tenant shall not be deemed in default if Tenant commences correction within said thirty (30) day period, and diligently pursues such correction to completion;

23.1.3 Tenant should vacate or abandon the Premises or cease operations during the Lease Term;

23.1.4 There is filed any petition in bankruptcy or Tenant is adjudicated a bankrupt or insolvent, or there is appointed a receiver or trustee to take possession of Tenant or of all or substantially all of the assets of Tenant, or there is a general assignment by Tenant for the benefit of creditors, or any action is taken by or against Tenant under any state of federal insolvency or bankruptcy act, or any similar law now or hereafter in effect; or

23.2 In the event of a default, in addition to any other rights or remedies provided for herein or at law or in equity, Landlord, at its sole option, shall have the following rights:

23.2.1 The right to declare the Lease Term ended and to re-enter the Premises and take possession thereof, and to terminate all of the rights of Tenant in and to the Premises;

23.2.2 Pursuant to its rights of re-entry, Landlord may, but shall not be obligated to (i) remove all persons from the Premises, (ii) remove all property therefrom, and (iii) enforce any rights Landlord may have against said property or store the same in any warehouse or elsewhere at the cost and for the account of Tenant. Tenant agrees to hold Landlord free and harmless of any liability whatsoever for the removal and/or storage of any such property, whether of Tenant or any third party whomsoever, except for damage caused by the willful misconduct or gross negligence of Landlord, its agents or subcontractors.

23.2.3 Anything contained herein to the contrary notwithstanding, Landlord shall not be deemed to have terminated this Lease or the liability of Tenant to pay any rent or other sum of money accruing hereunder, by any such re-entry, or by any action in unlawful detainer or otherwise to obtain possession of the Premises, unless Landlord shall specifically notify Tenant in writing that it has so elected to terminate this Lease.

23.2.4 In any action brought by Landlord to enforce any of its rights under or arising from this Lease, Landlord shall be entitled to receive its reasonable costs and legal expenses, including reasonable attorneys' fees, whether such action is prosecuted to judgment or not.

23.4 The waiver by Landlord of any breach of this Lease by Tenant shall not be a waiver of any preceding or subsequent breach of this Lease by Tenant. The subsequent acceptance of rent or any other payment hereunder by Landlord shall not be construed to be a waiver of any preceding breach of this Lease by Tenant. No payment by Tenant or receipt by Landlord of a lesser amount than the rent herein provided shall be deemed to be other than on account of the earliest rent due and payable hereunder.

SECTION 24 MISCELLANEOUS

24.1 Tenant, upon paying the rentals and other payments herein required and upon performance of all of the terms, covenants and conditions of this Lease on its part to be kept, may quietly have, hold and enjoy the Premises during the Lease Term without any disturbance from Landlord or from any other person claiming through Landlord, except as expressly provided otherwise in this Lease.

24.2 In the event of any sale or exchange of the Premises by Landlord, Landlord shall be, and is, hereby relieved of all liability under any or all of its covenants and obligations contained in or derived

from this Lease from and after the date of sale or exchange. Tenant agrees to attorn to such purchaser or transferee, provided that such purchaser or transferee agrees to be bound as Landlord under all of the terms and conditions of this Lease. Any sale of the Premises by Landlord shall be subject to this Lease.

24.3 It is agreed that in the event Landlord fails or refuses to perform any of the provisions, covenants or conditions of this Lease, Tenant, prior to exercising any right or remedy Tenant may have against Landlord, shall give written notice to Landlord of such default, specifying in said notice the default with which Landlord is charged and Landlord shall not be deemed in default if the same is cured within thirty (30) days of receipt of said notice. Notwithstanding any other provision hereof, Tenant agrees that if the default is of such a nature that the same can be rectified or cured by Landlord, but cannot with reasonable diligence be rectified or cured within that thirty (30) day period, then such default shall be deemed to be rectified or cured if Landlord within that thirty (30) day period shall commence the rectification and curing thereof and shall continue thereafter with all due diligence to cause such rectification and curing to proceed.

24.4 Neither party shall be in breach of this Lease if it fails to perform as required hereunder due to labor disputes, civil commotion, war, warlike operation, sabotage, governmental regulations or control, fire or other casualty, inability to obtain any materials, or other causes beyond such party's reasonable control (financial inability excepted); provided, however, that nothing contained herein shall excuse Tenant from the prompt payment of any rent or charge required of Tenant hereunder.

24.5 Any and all notices and demands required or desired to be given hereunder shall be in writing and shall be validly given or made (and effective) if served personally, delivered by a nationally recognized overnight courier service, or faxed and deposited in the United States mail, certified or registered, postage prepaid, return receipt requested, to the following addresses:

If to Landlord: Valvino Lamore, LLC

Either party may change its address for the purpose of receiving notices by providing written notice to the other.

24.6 The various rights, options, elections and remedies of Landlord contained in this Lease shall be cumulative and no one of them shall be construed as exclusive of any other, or of any right, priority or remedy allowed or provided for by law and not expressly waived in this Lease.

24.7 The terms, provisions, covenants and conditions contained in this Lease shall apply to, bind and inure to the benefit of the parties hereto and their respective heirs, executors, administrators, legal representatives, successors and assigns, as permitted in Section 17 hereof.

24.8 If any term, covenant or condition of this Lease, or any application thereof, should be held by a court of competent jurisdiction to be invalid, void or unenforceable, all terms, covenants and

conditions of this Lease, and all applications thereof, not held invalid, void or unenforceable, shall continue in full force and effect and shall in no way be affected, impaired or invalidated thereby.

24.9 Time is of the essence of this Lease and all of the terms, covenants and conditions hereof.

24.10 This Lease contains the entire agreement between the parties and cannot be changed or terminated orally.

24.11 Nothing contained herein shall be deemed to create any partnership, joint venture, agency or other relationship between Landlord and Tenant other than the relationship of landlord and tenant.

24.12 The captions are descriptive only and for convenience in reference to this Lease and in no way whatsoever define, limit or describe the scope or intent of this Lease nor in any way affect this Lease.

24.13 The laws of the State of Nevada shall govern the validity, construction, performance and effect of this Lease. Each party hereto consents to, and waives any objection to, Clark County, Nevada as the proper and exclusive venue for any disputes arising out of or relating to this Lease or any alleged breach thereof.

24.14 In the event Tenant now or hereafter shall consist of more than one person, firm, corporation or trust, then and in such event, all such persons, firms, corporations or trusts shall be jointly and severally liable as Tenant hereunder.

24.15 This Lease may not be recorded without Landlord's prior written consent. However, the parties agree to record a Memorandum of Lease in the form attached hereto as Exhibit D. A Memorandum of Termination of Lease in the form attached hereto as Exhibit E shall also be executed by the parties, shall be held by Landlord, and shall be recorded by Landlord upon termination of the Lease.

24.16 All necessary actions have been taken under the parties' organizational documents to authorize the individuals signing this Lease on behalf of the respective parties to do so.

24.17 The prevailing party in any action regarding this Lease shall be entitled to receive its costs and legal expenses including reasonable attorneys' fees, whether such action is prosecuted to judgment or not. The parties hereto shall and they hereby do waive trial by jury in any action, proceeding or counterclaim brought by either of the parties hereto against the other on any matters whatsoever arising out of or in any way connected with this Lease, the relationship of Landlord and Tenant, Tenant's use or occupancy of the Premises, and/or any claim of injury or damage.

24.18 Landlord and Tenant each represent and warrant to the other that they have not entered into any written contractual arrangement with, or promised to pay any broker's fee, finder's fee, commission or other similar compensation to, or otherwise agreed to compensate, any real estate agent or broker in connection with this transaction. Landlord and Tenant each agree to indemnify, defend, save and hold the other harmless from and against all loss, cost and expense incurred by reason of the breach of the foregoing representation and warranty arising from any claim for compensation founded upon or as a result of acts asserted to have been performed on their respective behalf. Such indemnification obligation shall survive any termination of the Lease.

24.19 This Lease may be executed in one or more counterparts, all of which executed counterparts shall be deemed an original, but all of which, together, shall constitute one and the same instrument. Signature pages may be detached from the counterparts and attached to a single copy of this document to physically form one document.

PARKING FACILITY LEASE

THIS PARKING FACILITY LEASE (this "Lease") is entered into as of the 21st day of October, 2002 by and between **Valvino Lamore, LLC**, a Nevada limited liability company ("Landlord"), and **Wynn Las Vegas, LLC**, a Nevada limited liability company ("Tenant").

WITNESSETH:

WHEREAS, Tenant owns good and marketable title in and to the parcel of real property described on Exhibit "A" annexed hereto ("Tenant's Property") upon which Tenant intends to construct and develop a first class luxury hotel and destination casino resort (the "Hotel"); and

WHEREAS, Landlord owns good and marketable title in and to the 20-acre parcel of real property adjacent to Tenant's Property and described on Exhibit "B" annexed hereto ("Landlord's Property"); and

WHEREAS, Landlord desires to lease to Tenant and Tenant desires to lease from Landlord up to 1,317 parking stalls (the "Stalls") in the parking structure (the "Parking Facility") currently located on the north side of Landlord's Property, as described and depicted on Exhibit "C" annexed hereto, together with the right of access to the Parking Facility over the portion of the Landlord's Property described on Exhibit C-1 (the "Access Area") (the Stalls and Access Area are referred to herein as the "Premises"), all upon the terms and conditions hereinafter set forth.

NOW, THEREFORE, in consideration of the terms, covenants, conditions and provisions hereinafter set forth and other good and valuable consideration, it is hereby mutually agreed by and between Landlord and Tenant as follows:

SECTION 1 DEMISED PREMISES

Landlord hereby leases to Tenant and Tenant hereby leases from Landlord, the Premises, together with all and singular improvements, appurtenances, rights, privileges, and easements thereunto appertaining during the Lease Term and subject to the terms and conditions herein contained.

SECTION 2 TERM

2.1 The term of the Lease (the "Lease Term") and payment of Rent (as defined in Section 3.1 hereof) shall commence (the "Commencement Date") on October 21, 2002, and shall continue for a period of thirty (30) years thereafter (the "Initial Term") unless terminated earlier as elsewhere herein provided. Following the release of Landlord's Property from the lien or liens of that certain First Trust Deed (as defined and described on *Schedule I* attached hereto) and that certain Second Trust Deed (as defined and described on *Schedule I* attached hereto) (collectively, the "Deeds of Trust"), Tenant may terminate this Lease on thirty (30) days' written notice to Landlord. Provided, however, that Tenant shall not exercise its right to terminate until on or after the date (the "Termination Option Date") that it is permitted to do so pursuant to the provisions of the Credit Agreement and the Mortgage Notes Indenture (as defined and described on *Schedule 1* attached hereto).

2.2 In the event Tenant is not then in default of its obligations hereunder beyond any applicable cure period and this Lease has not previously been terminated, after the expiration of the Initial Lease Term, the Lease Term shall continue on a month-to-month basis upon the same terms and conditions as are set forth in this Lease. At any time during any extension of the Initial Lease Term, Tenant may terminate the Lease by delivering written notice no later than ten (10) days prior to the expiration of any thirty (30) day extension period. In the event that such notice is not given within such time period, the Lease shall continue in effect.

1

2.3 Upon the expiration or sooner termination of the Lease Term, Tenant shall cease to have the right to use the Premises.

SECTION 3 RENT

3.1 During the Lease Term, Tenant shall pay as monthly rent for the Premises the sum of One Dollar (\$1.00) per month (the "Rent"). The Rent shall be due and payable in advance on the first (1st) day of each month.

3.2 All rents and other monies required to be paid by Tenant hereunder shall be paid to Landlord without deduction or offset, prior notice or demand, in lawful money of the United States of America, at the address of Landlord and set forth in Section 24.5 or at such other place as Landlord may from time to time designate in writing.

3.3 If Tenant fails to pay, when due and payable, any Rent or any other amounts or charges to be paid by Tenant hereunder within ten (10) days after written notice from Landlord that the amount is past due, such unpaid amounts shall bear interest from the due date thereof to the date of payment at a rate equal to the prime rate of interest last ascertained by the Commissioner of Financial Institutions of the State of Nevada pursuant to Nevada Revised Statutes 99.040, plus five (5) percentage points (the "Default Rate").

SECTION 4

**SECTION 5
FINANCING**

Landlord may obtain loans from time to time from third parties to finance acquisition and development of Landlord's and its Affiliates' real property, including Landlord's Property. For purposes of this Lease, an "Affiliate" of a party shall mean any person or entity (a) that is owned or controlled by the party, (b) that owns or controls the party, (c) that is owned or controlled by a person or entity that owns or controls the party, (d) that owns or controls an Affiliate of the party, or (e) that is owned or controlled by an Affiliate of the party. As used in this definition, the words "owns" or "owned" refer to the ownership of twenty percent (20%) or more of the equity interest in the person or entity so owned, regardless of the manner of ownership. Also, as used in this definition, ownership or control may be direct or indirect. By its execution of this Lease, Tenant (i) acknowledges and consents to Landlord's collateral assignment of its rights hereunder to its and its Affiliates' lenders including the beneficiaries under the Deeds of Trust (collectively "Lenders"); (ii) acknowledges and affirms Tenant's agreement to attorn performance obligations to the benefit of Lenders in the same manner as it would with respect to Landlord if any such Lender exercises its rights under any collateral assignment from Landlord; and (iii) agrees to execute such separate consents and acknowledgements to and of Landlord's collateral assignment of this Lease to such third party Lenders. Any Lender or its successor which acquires the Parking Facility (through foreclosure on Landlord's Property or deed in lieu of foreclosure) shall not disturb Tenant's lease of the Stalls or any other portion of the Premises and shall respect Tenant's rights under this Lease.

**SECTION 6
USE OF STALLS**

6.1 The Stalls are leased to Tenant solely for the purpose of facilitating Hotel employee parking and, from time to time as reasonably necessary, overflow customer parking for Hotel special events. Tenant shall not use or suffer to be used the Stalls, or any portion of the Parking Facility, for any other

2

purpose or purposes whatsoever, without Landlord's prior written consent, which consent may be withheld in Landlord's absolute discretion.

6.2 The parties acknowledge that Tenant's use of the Stalls and the Parking Facility for Hotel employees is nonexclusive and that Landlord and its Affiliates shall have the right to use the Parking Facility, as reasonably necessary, to accommodate the parking requirements of their respective business operations. Provided, however, that Landlord agrees to limit the use of the Parking Facility by others so as not to deprive Tenant of the number of Stalls granted to Tenant hereunder.

**SECTION 7
ALTERATIONS AND IMPROVEMENTS**

Landlord agrees that it shall not make any material alterations, improvements or changes in or to the Stalls, the Parking Facility or the Access Area which would materially interfere with Tenant's use of the Stalls.

**SECTION 8
UTILITIES**

Landlord shall be responsible for the cost and expense of installing any utilities for the Parking Facility.

**SECTION 9
TAXES**

Prior to the opening of the Hotel for business, Landlord will, at Landlord's own cost and expense, bear, pay, and discharge prior to delinquency, all real estate taxes, assessments, sewer rents, water rents and charges, duties, impositions, license and permit fees, charges for public utilities of any kind, payments and other charges of every kind and nature whatsoever, ordinary or extraordinary, foreseen or unforeseen, general or special, which shall, pursuant to present or future law or otherwise, during such period, have been or be levied, charged, assessed, or imposed upon, or become due and payable out of or for, or become or have become a lien on the Premises. After the opening of the Hotel for business, all such items shall be paid by Tenant. Provided, however, that for such part of the Lease Term, if any, as the Premises are not separately assessed but are included as part of Landlord's Property for computation of real property taxes and assessments, or are separately assessed but the taxes attributable thereto are billed to Landlord, then Tenant's share of taxes shall be an amount equal to eleven and two-tenths percent (11.2%) of the total assessments for Landlord's Property; provided further that following the release of the liens of the Deeds of Trust, Landlord and Tenant shall either create a tax parcel for the Premises separate from the remainder of Landlord's Property, or equitably adjust the percentage of property taxes payable by Tenant for the Premises following adjustments in assessments for Landlord's Property attributable to construction or demolition activity on Landlord's Property other than the Premises. All taxes payable by Tenant hereunder shall be paid to Landlord, as the case may be, on the later of (a) ten (10) days before such tax becomes delinquent or (b) ten (10) days after Landlord, or the taxing authority, notifies Tenant that a payment is due. Subject to any reimbursement due from Tenant as provided herein, Landlord shall be responsible for timely payment of all assessments on Landlord's Property. In the event Landlord fails to timely pay any such assessment, Tenant may, but is not obligated to pay such assessment directly to the taxing authority and pursue reimbursement of Landlord's share of such assessment from Landlord. Upon the termination of this Lease, Landlord shall promptly reimburse Tenant for any amounts paid by Tenant pursuant hereto attributable to the period of time following such termination. All amounts payable pursuant hereto shall be prorated on the basis of a 365-day year.

3

SECTION 10
[INTENTIONALLY OMITTED]

SECTION 11
MAINTENANCE AND REPAIRS

Prior to the opening of the Hotel for business, Landlord shall keep and maintain in good order, condition and repair (including any such replacement and restoration as is required for that purpose) the Premises and every part thereof and any and all appurtenances thereto wherever located, including, without limitation, all repairs and replacements, structural and nonstructural, foreseen and unforeseen, which are necessary to maintain and preserve the Premises in good condition. All repairs shall be made in accordance with all laws, promptly, efficiently, and in good workmanlike manner. After the opening of the Hotel for business, such obligations shall be borne by Tenant.

SECTION 12
LIENS

12.1 Tenant, at all times, whether by bond or otherwise, shall keep Landlord, the Premises, and the leasehold estate created by this Lease free and clear from any claim, lien or encumbrance, tax lien or levy, mechanic's lien, attachment, garnishment or encumbrance arising directly or indirectly from any obligation, action or inaction of Tenant whatsoever, except to the extent permitted under Sections 17 and 18 below and except for "Permitted Liens" as defined in the Credit Agreement (as that term is defined in the First Trust Deed) and the Mortgage Notes Indenture (as that term is defined in the Second Trust Deed).

12.2 Tenant shall, within ten (10) days of the filing of any lien that is not permitted under Section 12.1 above, either pay or satisfy the same in full and procure the discharge thereof or commence an action to discharge the same, fully bond such lien, and diligently prosecute such action, or shall cause Tenant's contractor to do the same.

SECTION 13
INSURANCE

13.1 Landlord will, at its sole cost and expense, maintain in full force and effect:

(a) a policy of comprehensive or commercial general liability insurance issued by an insurance carrier approved by Landlord, insuring against loss, damage or liability for injury or death to persons and loss or damage to property occurring from any cause whatsoever in connection with the Parking Facility. Tenant shall be named as an additional insured under each such policy of insurance; with a combined single limit for bodily injury and property damage of not less than two million (\$2,000,000) per occurrence and five million (\$5,000,000) in the aggregate;

(b) a standard form of all-risk, commercial property insurance with extended coverage insurance covering leasehold improvements, furniture, fixtures and equipment, and personal property located in or on the Parking Facility. Such insurance shall be in an amount equal to the current replacement value of the property required to be insured.

13.3 Tenant shall not use or occupy, or permit the Stalls or the Parking Facility or the Access Area to be used or occupied, in a manner that will make void any insurance then in force.

13.4 Landlord and Tenant hereby waive any and all rights of recovery from the other party and its officers, agents and employees for any loss or damage, including consequential loss or damage, caused by any peril or perils (including negligent acts) that are caused by or result from risks insured against under any form of insurance policy.

4

13.5 Each policy of insurance provided for in this Section 13 shall contain an express waiver of any and all rights of subrogation thereunder whatsoever against the other party, its officers, directors, agents and employees.

13.6 All of the provisions of this Section 13 are subject to, and shall be modified as reasonably necessary to be consistent with, the requirements of the Credit Agreement and the Mortgage Notes Indenture.

SECTION 14
DESTRUCTION OF THE PARKING FACILITY; CONDEMNATION

14.1 During the period prior to the earlier to occur of the expiration of the Initial Lease Term or the Termination Option Date or the opening of the Hotel, should any portion of the Premises be destroyed ("Damaged") by any cause whatsoever and provided that restoration is permitted under the Credit Agreement and the Mortgage Notes Indenture, Landlord shall restore the Premises. Following the opening of the Hotel but prior to the earlier to occur of the expiration of the Initial Lease Term or the Termination Option Date, should any portion of the Premises be Damaged by any cause whatsoever and provided that restoration is permitted under the Credit Agreement and the Mortgage Notes Indenture, Tenant shall restore the Premises so Damaged. After the earlier to occur of the expiration of the Initial Lease Term or the Termination Option Date, should the Premises be Damaged, Tenant may elect either to terminate this Lease or request that Landlord restore the Premises by delivery of written notice to Landlord within thirty (30) days after the casualty event giving rise to the Damage. If Tenant fails to give timely notice of Tenant's election, or if after making a timely election Landlord refuses to restore the Premises, this Lease shall terminate at the end of the calendar month following the calendar month in which such casualty event shall have occurred. If either Landlord or Tenant is required to restore the Premises during the Initial Lease Term or if following the Initial Lease Term Tenant requests Landlord to restore the Premises, and if Landlord, in its sole and absolute discretion, agrees to restore the Premises, the following provisions shall apply: After any such casualty and during the reconstruction period, Rent shall continue to accrue and be payable as if such event of destruction had not occurred. Landlord or Tenant, as the case may be, shall reconstruct the Damaged improvements

with all reasonable diligence (allowing for adjustment and collection of insurance proceeds, licensing, permitting, and approvals). No Damage to the Premises by fire, windstorm, or any other casualty shall entitle Tenant to violate any of the provisions of this Lease.

14.2 Should the whole of the Premises be condemned or taken by a competent authority for any public or quasi-public purpose, then this Lease shall terminate upon such taking. If such portion of the Parking Facility is condemned or taken such that the remaining number of Stalls thereof will not be reasonably adequate to accommodate the parking requirements of Hotel employees, as determined by Tenant in its sole and absolute discretion, Tenant shall have the option to terminate this Lease by notifying Landlord of such election in writing within twenty (20) days after such taking. If by such condemnation and taking a portion of the Parking Facility is taken and the remaining part thereof is suitable for the purposes for which Tenant has leased the Stalls, as determined by Tenant in its sole and absolute discretion, this Lease shall continue in full force and effect.

SECTION 15 INDEMNIFICATION

Tenant ("Indemnitor") hereby covenants and agrees to indemnify, defend, save and hold Landlord and other users of the Parking Facility (collectively "Indemnitee"), the Parking Facility, the Access Area, Landlord's Property and the leasehold estate created by this Lease free, clear and harmless from any and all liability, loss, costs, expenses (including attorneys' fees), judgments, claims, liens and demands of any kind whatsoever in connection with, arising out of, or by reason of any act, omission, or negligence of Indemnitor, its agents, employees, servants, contractors, subtenants or licensees while

5

in, upon, about, or in any way connected with, Landlord's Property, the Access Area, the Parking Facility or the Stalls or arising from any accident, injury or damage, howsoever and by whomsoever caused, to any person or property whatsoever, occurring in, upon, about or in any way connected with Landlord's Property, the Premises or any portion thereof other than as a result of the intentional or negligent acts of Indemnitee.

SECTION 16 SUBORDINATION

Tenant agrees upon request of Landlord to subordinate this Lease and its rights hereunder to the lien of any mortgage, deed of trust or other encumbrance, together with any renewals, extensions or replacements thereof now or hereafter placed, charged or enforced against Landlord's Property, or any portion thereof including the Premises, and to execute and deliver at any time, and from time to time, upon demand by Landlord, such documents as may be reasonably required to effectuate such subordination within ten (10) days after receiving such documents, provided that in connection with such subordination agreement Landlord's lender agrees to provide a non-disturbance agreement for the benefit of Tenant in form and substance reasonably acceptable to Tenant and its Lenders.

SECTION 17 ASSIGNMENT AND SUBLETTING

17.1 Except as otherwise set forth herein, Tenant shall not assign, mortgage, pledge, hypothecate or encumber this Lease nor the leasehold estate hereby created or any interest herein, or sublet the Stalls or any of them, or license the use of all or any portion of the Premises without the prior written consent of Landlord, which consent may be withheld in Landlord's sole discretion. Provided, however, Tenant shall have the right to assign this Lease to any successor-in-interest to the Hotel and, upon such assignment Tenant shall be relieved from any further obligation hereunder. The restriction or limitation on use of the Premises shall continue to apply to any subtenant or assignee hereunder. Any consent by Landlord to any act requiring consent pursuant to this Section 17.1 shall not constitute a waiver of the necessity for such consent to any subsequent act. Tenant shall pay all reasonable costs, expenses and reasonable attorneys' fees that may be incurred or paid by Landlord in processing, documenting or administering any request of Tenant for Landlord's consent required pursuant to this Section 17.1.

17.2 Landlord may reasonably require that each proposed assignee or sublessee agree, in a written agreement satisfactory to Landlord, to assume and abide by all the terms and provisions of this Lease, including those which govern the permitted uses of the Premises.

17.3 In the absence of an express agreement in writing to the contrary executed by Landlord, no assignment, mortgage, pledge, hypothecation, encumbrance, subletting or license hereof or hereunder shall act as a release of Tenant from any of the provisions, covenants and conditions of this Lease on the part of Tenant to be kept and performed.

17.4 Notwithstanding anything to the contrary contained herein, Tenant may encumber Tenant's leasehold estate under this Lease to secure financing of any indebtedness or any obligations of Tenant or any Affiliate of Tenant, in such amount and on such terms as Tenant may determine appropriate in its discretion, and Landlord hereby agrees to effect such amendments and modifications of this Lease as may be required by the obligee of such indebtedness or obligations to make this Lease "financeable" and to execute and deliver to such obligee such documents and instruments as such obligee may require in connection therewith; provided, however, that Landlord shall have no obligation to agree to any amendments or modifications or to execute any documents or instruments that require Landlord to subordinate its fee interest to the lien of any such encumbrance or to extend the term of this Lease or decrease the obligation of Landlord hereunder.

6

SECTION 18 LEASEHOLD FINANCING

18.1 *Leasehold Mortgage Permitted.* Nothing in this Lease shall be construed as restricting in any manner the right of Tenant, from time to time, or at any time, to create one or more liens on, or encumber, by mortgage, deed of trust or trust deed in the nature of a mortgage (each, a "*Leasehold Mortgage*") the leasehold interest of Tenant in the Premises, and subject to the restrictions and limitations contained in any such instrument as to further conveyances, transfers and assignments, Tenant will have the right at any time, and from time to time, to convey, transfer and assign its interest under this Lease to a mortgagee, trustee

or beneficiary, of its designee (each "*Leasehold Mortgagee*"), under a Leasehold Mortgage given to secure any note or other obligation of Tenant or an Affiliate thereof.

18.2 *Certain Benefits to Leasehold Mortgage.* If Tenant shall execute any Leasehold Mortgage, then, in such event and so long as such Leasehold Mortgage shall constitute a lien or encumbrance against the leasehold estate of Tenant hereunder, the following provisions shall apply:

18.2.1 *Amendment of Lease.* No agreement by Landlord and Tenant for the assignment, cancellation, surrender, acceptance of surrender or termination, modification or amendment of this Lease shall be effective as to any Leasehold Mortgagee without the written consent of such Leasehold Mortgagee. If the Leasehold Mortgagee whose lien has first priority consents to an amendment, any Leasehold Mortgagee of a junior lien on the Premises will not unreasonably withhold its consent to such amendment.

18.2.2 *Exercise of Section 365(h)(i) Rights.* Landlord agrees, for the benefit of such Leasehold Mortgagee, that the right of election arising under Section 365(h)(i) of the Bankruptcy Code shall be exercised by the most senior Leasehold Mortgagee at such time and not by Tenant. Any attempted exercise by Tenant of such right of election in violation hereof shall be void.

18.2.3 *Loss Payee.* The name of each such Leasehold Mortgagee shall be added to the "*Loss Payable Endorsement*" of any and all insurance policies required to be carried by Tenant under this Lease.

18.2.4 *Proceeds of Casualty and Condemnation.* Notwithstanding anything in this Lease to the contrary, in the event of any casualty to or condemnation of the Premises or any portion thereof, the Leasehold Mortgagees shall be entitled to receive all insurance proceeds and/or condemnation awards as their interests appear (up to the amount of the indebtedness secured by the Leasehold Mortgage) otherwise payable to Tenant or Landlord or both and apply them in accordance with the Leasehold Mortgage and shall have the right, but not the obligation, to restore the Premises.

18.2.5 *Merger.* If Tenant shall acquire fee title, or any other estate, title or interest in the Premises which is the subject of this Lease, or any part thereof, or if the leasehold estate created by this Lease, or any portion thereof, shall be assigned, sold or otherwise transferred to the owner of such fee title or other estate, title or interest in the Premises which is the subject of this Lease, then in either such event, upon the election of the Leasehold Mortgagee first in priority expressly made in writing at any time thereafter, each Leasehold Mortgage shall attach to and be a lien upon such fee title and/or other estate so acquired (but only as the same pertains to the Premises), and such fee title and/or other estate so acquired shall be considered as mortgaged, assigned and conveyed to each Leasehold Mortgagee and the lien of each such Leasehold Mortgage shall be spread to cover such estate with the same force and effect as though specifically mortgaged, assigned or conveyed in such Leasehold Mortgage (and upon request of any Leasehold Mortgagee, either or both Landlord and Tenant shall execute further mortgages, assignments of leases and rents, amendments to documents and instruments as such Leasehold Mortgagee may reasonably

7

require for such purpose); provided, however, that notwithstanding the foregoing, if and so long as any of the indebtedness secured by any such Leasehold Mortgage shall remain unpaid, unless the Leasehold Mortgagee thereunder shall otherwise in writing expressly consent, the fee title to the Premises which is the subject of this Lease and the leasehold estate created by this Lease shall not merge but shall always be kept separate and distinct, notwithstanding the union of said estates either in Landlord or in Tenant, or in a third party, by purchase or otherwise. Nothing in this Section 18.2.5 shall be deemed to subordinate or require Landlord to subordinate the fee interest of Landlord in the Premises to the lien of any Leasehold Mortgage.

18.2.6 *Right of Entry.* Each Leasehold Mortgagee shall have the right to enter upon the Premises at any time for any purpose, including curing any defaults by Tenant under this Lease, and Landlord hereby agrees to accept performance and compliance by any such Leasehold Mortgagee of any covenants, agreements, provisions, conditions and limitations on Tenant's part to be kept, observed or performed hereunder, with the same force and effect as though kept, observed and performed by Tenant. Any default by Tenant that is not susceptible to being cured by a Leasehold Mortgagee shall be deemed waived by Landlord.

18.2.7 *Notice to Tenant.* Landlord shall serve Tenant with notice if Landlord files, or has filed against it, a petition under chapters 7 or 11 of the Bankruptcy Code. Such notice shall be served within twenty-four (24) hours of such filing. Landlord shall, upon serving Tenant with any notice of (1) a bankruptcy filing as herein described, (2) default pursuant to the provisions of this Lease, or (3) a matter on which Landlord may predicate or claim a default, at the same time serve a copy of such notice upon every Leasehold Mortgagee that has provided Landlord with notice of its identity and address, and no such notice by Landlord to Tenant hereunder shall have been deemed duly given unless and until a copy thereof has been so served on every such Leasehold Mortgagee.

18.2.8 *Termination.* Anything contained in this Lease to the contrary notwithstanding, if any default shall occur which entitles Landlord to terminate this Lease, or to exercise any other rights, powers or remedies available to it under this Lease, Landlord shall have no right to terminate this Lease or to exercise any of such rights, powers or remedies unless following the expiration of the period of time given Tenant to cure such default (or the act or omission which gave rise to such default), Landlord shall notify every Leasehold Mortgagee of Landlord's intent to so terminate or exercise any such rights, powers or remedies ("*Default Notice*") at least (x) sixty (60) days in advance of the proposed effective date of such termination, or exercise of any rights, powers or remedies if such default is capable of being cured by the payment of money, and (y) ninety (90) days in advance of the proposed effective date of such termination, or exercise of any such rights, powers or remedies if such default is not capable of being cured by the payment of money ("*Default Notice Period*"). The provisions of Subsection 18.2.9 below shall apply if during such thirty (60) or ninety (90) day Default Notice Period, any Leasehold Mortgagee shall notify Landlord of such Leasehold Mortgagee's desire to nullify such notice (the "*Nullification Notice*").

18.2.9 *Procedure on Default.*

(a) If Landlord shall elect to terminate this Lease or obtain possession of the Premises by reason of any default of Tenant, and a Leasehold Mortgagee shall have delivered the Nullification Notice set forth in Subsection 18.2.8, the specified date for the termination of this Lease as fixed by Landlord in its Default Notice or for the obtaining of possession shall be extended for a period of six (6) months, provided that such Leasehold Mortgagee shall, during such six (6) month period:

(1) pay or cause to be paid the monetary obligations of Tenant under this Lease as the same become due, and continue its good faith efforts to perform all of Tenant's other obligations under this Lease, excepting (i) obligations of Tenant to satisfy or otherwise

discharge any lien, charge or encumbrance against Tenant's interest in this Lease or the Premises junior in priority to the lien of the mortgage held by such Leasehold Mortgagee and (ii) past non-monetary obligations then in default and not reasonably susceptible of being cured by such Leasehold Mortgagee (including by reason of a bankruptcy stay or if possession of the Premises is required in order to cure such default); *provided* that Leasehold Mortgagee may offset amounts it expends to cure any defaults by Landlord under this Lease; and

(2) if not enjoined or stayed, take steps to acquire or sell Tenant's interest in this Lease by foreclosure of the Leasehold Mortgage or other appropriate means and prosecute the same to completion with due diligence.

(b) If at the end of such six (6) month period such Leasehold Mortgagee is complying with Subsection 18.2.9(a) then this Lease shall not then terminate, and the time for completion by such Leasehold Mortgagee of its proceedings shall continue so long as such Leasehold Mortgagee is enjoined or stayed and thereafter for so long as such Leasehold Mortgagee proceeds to complete steps to acquire or sell Lessee's interest in this Lease by foreclosure of the Leasehold Mortgage or by other appropriate means with reasonable diligence. Nothing in this Subsection 18.2.9, however, shall be construed to extend this Lease beyond the original term thereof or to require a Leasehold Mortgagee to continue such foreclosure proceedings after the default has been cured. If the default shall be cured and the Leasehold Mortgagee shall discontinue such foreclosure proceedings, this Lease shall continue in full force and effect as if Tenant had not defaulted under this Lease.

(c) If a Leasehold Mortgagee is complying with Subsection 18.2.9(a) of this Section, then upon the acquisition of Tenant's estate herein by such Leasehold Mortgagee or its designee or any other purchaser at a foreclosure sale or otherwise (and the discharge of any lien, charge or encumbrance against the Tenant's interest in this Lease or the demised premises which is junior in priority to the lien of the Leasehold Mortgage held by such Leasehold Mortgagee and which the Tenant is obligated to satisfy and discharge by reason of the terms of this Lease) this Lease shall continue in full force and effect as if Tenant had not defaulted under this Lease.

18.2.10 *Receiver.* A Leasehold Mortgagee shall have the right after institution of foreclosure proceedings to apply to the court for the appointment of a receiver of the Premises. In the event foreclosure proceedings have been instituted, any money held by Landlord which becomes payable to Tenant shall be payable upon demand to such Leasehold Mortgagee as the interest of such Leasehold Mortgagee may appear when the same so becomes payable to Tenant. If Landlord shall at any time be in doubt as to whether such monies are payable to such Leasehold Mortgagee or to Tenant, Landlord may pay such monies into court and file an appropriate action of interpleader in which event all of Landlord's costs and expenses (including attorneys' fees) shall first be paid out of the proceeds so deposited.

18.2.11 *No Assumption.* For purposes of this Subsection 18.2.11, the making of a Leasehold Mortgage shall not be deemed to constitute an assignment or transfer of this Lease or of the leasehold estate hereby created, nor shall any Leasehold Mortgagee, as such, be deemed to be an assignee or transferee of this Lease or of the leasehold estate hereby created, so as to require such Leasehold Mortgagee, as such, to assume the performance of any of the terms, covenants or conditions on the part of Tenant to be performed hereunder, but the purchaser at any sale of this Lease and of the leasehold estate hereby created in any proceedings for the foreclosure of any Leasehold Mortgage, or the assignee or transferee of this Lease and of the leasehold estate hereby created under any instrument of assignment or transfer in lieu of the foreclosure of any Leasehold Mortgage, shall be deemed to be an assignee or transferee within the meaning of this

Subsection 18.2.11 and shall be deemed to have agreed to perform all of the terms, covenants and conditions on the part of Tenant to be performed hereunder arising and accruing from and after the date of such purchase and assignment, but only for so long as such purchaser or assignee is the owner of the leasehold estate.

18.2.12 *Successive Sales.* Any Leasehold Mortgagee or other acquiror of the leasehold estate of Tenant pursuant to foreclosure, assignment in lieu of foreclosure or other proceedings may, upon acquiring Tenant's leasehold estate, without further consent of Landlord, sell and assign the leasehold estate so acquired on such terms and to such persons or organizations as are acceptable to such Leasehold Mortgagee or acquiror and thereafter be relieved of all obligations under this Lease; provided that such assignee has delivered to Landlord its written agreement to be bound by all of the provisions of this Lease from and after the date of such assignment.

18.2.13 *Leasehold Mortgagee Need Not Cure Specified Defaults.* Nothing herein contained shall require any Leasehold Mortgagee or its designee as a condition to the exercise of its rights hereunder to cure any default of Tenant not reasonably susceptible of being cured by such Leasehold Mortgagee or its designee.

18.2.14 *Lease Proceedings.* Landlord shall give each Leasehold Mortgagee that has provided Landlord with notice of its interest and address, prompt notice of any arbitration or legal proceedings between Landlord and Tenant involving this Lease. Each Leasehold Mortgagee shall have the right to intervene in any such proceedings and be made a party to such proceedings, and the parties hereto do hereby consent to such intervention. In the event that any Leasehold Mortgagee shall not elect to intervene or become a party to any such proceedings, Landlord shall give such Leasehold Mortgagee notice of, and a copy of any award or decision made in any such proceedings, which shall be binding on all Leasehold Mortgagees not intervening after receipt of notice of arbitration. Tenant agrees that each Leasehold Mortgagee shall also have the right to intervene in, and be made a party to, any such proceedings.

18.2.15 *Future Leasehold Mortgage: Amendment of Lease.*

(a) Notwithstanding anything in this Lease to the contrary, each Leasehold Mortgagee shall have the right (if it has such right under its loan documents) to restrict, limit or prohibit the execution of any other Leasehold Mortgage junior in priority to the lien of such senior Leasehold Mortgage, or, in the event of the execution of any such junior Leasehold Mortgage, to accelerate or increase the interest rate under the indebtedness secured by such senior Leasehold Mortgage; and

(b) In the event of a Leasehold Mortgage (each, a "*Successor Leasehold Mortgage*") the proceeds of which are used to pay off in its entirety the indebtedness secured by any existing Leasehold Mortgage (each such existing Leasehold Mortgage, an "*Initial Leasehold Mortgage*"), then the

Successor Leasehold Mortgage shall be deemed to have succeeded to the position and all of the rights and priorities of the mortgagee under the Initial Leasehold Mortgage with respect to the mortgagor under the Initial Leasehold Mortgage and with respect to third parties.

18.2.16 *Certificate.* Landlord shall, without charge, at any time and from time to time within ten (10) business days after written request of Tenant to do so, certify by written instrument duly executed and acknowledged to any Leasehold Mortgagee or purchaser, or proposed Leasehold Mortgagee or proposed purchaser, or any other person, firm or corporation specified in such request: (1) as to whether this Lease has been supplemented or amended, and if so, the substance and manner of such supplement or amendment; (2) as to the validity and force and effect of this Lease, in accordance with its tenor; (3) as to the existence of any default hereunder or any event which with the passage of time or notice would constitute a default hereunder; (4) as to the

10

existence of any offsets, claims, counterclaims or defenses hereto on the part of Landlord or, to Landlord's knowledge, on the part of Tenant; (5) as to the commencement and expiration dates of this Lease; and (6) as to any other matters as may be reasonably so requested. Any such certificate may be relied upon by Tenant and any other person, firm or corporation to whom the same may be exhibited or delivered, and the contents of such certificate shall be binding on Landlord.

18.2.17 *Nominee.* Any acquisition by a Leasehold Mortgagee of the leasehold estate under this Lease, or any rights or privileges thereunder may be taken in the name of such Leasehold Mortgagee or in the name of any nominee or designee selected by it.

18.2.18 *New Lease.* In the event of the termination of this Lease as a result of Tenant's default prior to the expiration of the term, or in the event of a rejection by Landlord or Tenant of this Lease under Chapter 11 of the Bankruptcy Code, Landlord shall, in addition to providing the notices of default and termination as required by this Lease, provide each Leasehold Mortgagee with written notice that the Lease has been terminated or that Landlord has filed a request with the Bankruptcy Court seeking to reject the Lease, together with a statement of all sums which would at that time be due under this Lease but for such termination or rejection, and of all other defaults, if any, then known to Landlord. Upon any request of the Leasehold Mortgagee, or its designee, Landlord agrees to enter into a new lease ("*New Lease*") of the Premises with such Leasehold Mortgagee or its designee for the remainder of the term of this Lease, effective as of the date of termination or rejection, as the case may be, at the Rent, and upon the terms, covenants and conditions (including all transfer rights, but excluding requirements which are not applicable or which have already been fulfilled) of this Lease; provided, however, that (i) the Leasehold Mortgagee whose lien upon the Premises is superior to the lien of any other Leasehold Mortgage (the "*Senior Leasehold Mortgagee*") shall have the right to give notice of its intent to enter into a New Lease to the Landlord for a period of 60 days from its receipt of the notice referred to in the first sentence of this Section 18.2.18 and (ii) if the Senior Leasehold Mortgagee does not exercise its right to enter into the New Lease during this 60-day period; the Leasehold Mortgagee whose lien upon the Premises is superior to the lien of any other Leasehold Mortgage (other than the Senior Leasehold Mortgagee) shall have the right to give notice of its intent to enter into a New Lease to the Landlord during the remainder of the period(s) specified below; and *provided further, however,*

(a) Such Leasehold Mortgagee shall make written request upon Landlord for such New Lease at the later of (1) within one hundred (100) days after the date such Leasehold Mortgagee receives Landlord's notice of termination or rejection of this Lease given pursuant to this Subsection 18.2.18; or (2) within forty-five (45) days after the actual termination of the Lease as same may have been extended by Subsection 18.2.18 hereof.

(b) Such Leasehold Mortgagee or its designee shall pay or cause to be paid to Landlord at the time of the execution and delivery of such New Lease, any and all sums which would at the time of execution and delivery thereof be due pursuant to this Lease but for such termination and, in addition thereto, all reasonable expenses, including reasonable attorneys' fees, court costs and costs and disbursements which Landlord shall have incurred by reason of such termination and the execution and delivery of the New Lease and which have not otherwise been received by Landlord from or on behalf of Tenant. Upon the execution of such New Lease, Landlord shall allow to Tenant named therein as an offset against the sums otherwise due under this Subsection 18.2.18 or under the New Lease, an amount equal to the net income derived by Landlord from the Premises during the period from the effective date of termination of this Lease to the date of the beginning of the lease term under the New Lease. In the event of a controversy as to the amount to be paid to Landlord pursuant to this Section 18.2, the payment obligation shall be satisfied if Landlord shall be paid the amount not in controversy, and such Leasehold Mortgagee or its designee shall agree to pay any additional sum ultimately determined to be due.

11

(c) Such Leasehold Mortgagee or its designee shall agree to remedy any of Tenant's defaults of which said Leasehold Mortgagee was notified by Landlord's notice of termination or rejection and which are reasonably susceptible of being so cured by such Leasehold Mortgagee or its designee.

(d) The Tenant under such New Lease shall have the same right, title and interest in and to the Premises and buildings and improvements thereon as Tenant under this Lease. Any holder of any such lien, charge or encumbrance or sublease shall execute such instruments of non-disturbance and/or attornment as the tenant under the New Lease may at any time require.

(e) The tenant under any New Lease shall be liable to perform the obligations imposed on the Tenant by such New Lease only for and during the period such person has ownership of the Premises.

(f) If more than one (1) Leasehold Mortgagee shall request a New Lease pursuant to this Section 18.3, Landlord shall enter into such New Lease with the Leasehold Mortgagee whose mortgage is in the first lien position, or with the designee of such Leasehold Mortgagee.

(g) Concurrently with the execution and delivery of any New Lease, Landlord shall assign to the tenant named therein all of the right, title and interest in and to moneys (including insurance proceeds and condemnation awards), if any, then held by and payable by Landlord which Tenant would have been entitled to receive but for the termination of the Lease. Upon the execution of any New Lease, the tenant named therein shall be entitled to any rent received under any sublease in effect during the period from the date of termination of the Lease to the date of execution of such New Lease.

SECTION 19
[INTENTIONALLY OMITTED]

SECTION 20
[INTENTIONALLY OMITTED]

SECTION 21
ESTOPPEL CERTIFICATE

Tenant agrees that within ten (10) business days of any demand therefor by Landlord, Tenant will execute and deliver to Landlord a certificate stating that this Lease is in full force and effect without amendment, or if amended attaching a copy thereof to the certificate, the date to which all rentals have been paid, any defaults or offsets claimed by Tenant and such other information concerning the Lease, the Premises or Tenant as Landlord may request. Landlord will provide a similar document to Tenant upon request by Tenant within ten (10) business days after request.

SECTION 22
EXPENDITURES

21.1 Whenever under any provision of this Lease, Tenant shall be obligated to make any payment or expenditure, or to do any act or thing, or to incur any liability whatsoever, and Tenant fails, refuses or neglects to perform as herein required after notice and an opportunity to cure (which shall be deemed to be thirty (30) days unless provided for specifically herein), Landlord shall be entitled, but shall not be obligated, to make any such payment or to do any such act or thing, or to incur any such liability, all on behalf of and at the cost and for the account of Tenant. In such event, the amount

12

thereof with interest thereon at the Default Rate, shall constitute and be collectable as additional rent on demand.

21.1 Whenever under any provision of this Lease, Landlord shall be obligated to make any payment or expenditure, or to do any act or thing, or to incur any liability whatsoever, and Landlord fails, refuses or neglects to perform as herein required after notice and an opportunity to cure (which shall be deemed to be thirty (30) days unless provided for specifically herein), Tenant shall be entitled, but shall not be obligated, to make any such payment or to do any such act or thing, or to incur any such liability, all on behalf of and at the cost and for the account of Landlord. In such event, the amount thereof with interest thereon at the Default Rate, shall be collectable on demand.

SECTION 23
DEFAULT

23.1 Tenant shall be in default of this Lease if:

23.1.1 Tenant shall fail to make timely and full payment of any sum of money required to be paid hereunder and such failure continues for ten (10) days after written notice thereof from Landlord;

23.1.2 Tenant shall fail to perform any other term, covenant or condition of Tenant contained in this Lease, and such failure continues for thirty (30) days after written notice thereof from Landlord; provided, however, that if such failure is impossible to correct within thirty (30) days Tenant shall not be deemed in default if Tenant commences correction within said thirty (30) day period, and diligently pursues such correction to completion;

23.1.3 At any time after the Hotel opens for business, Tenant should cease operations of the Hotel;

23.1.4 There is filed any petition in bankruptcy or Tenant is adjudicated a bankrupt or insolvent, or there is appointed a receiver or trustee to take possession of Tenant or of all or substantially all of the assets of Tenant, or there is a general assignment by Tenant for the benefit of creditors, or any action is taken by or against Tenant under any state of federal insolvency or bankruptcy act, or any similar law now or hereafter in effect; or

23.2 In the event of a default, in addition to any other rights or remedies provided for herein or at law or in equity, Landlord, at its sole option, shall have the following rights:

23.2.1 The right to declare the Lease Term ended and to terminate all of the rights of Tenant in and to the Premises;

23.2.2 Pursuant to its rights of re-entry, Landlord may, but shall not be obligated to (i) remove all persons from the Premises, (ii) remove all property therefrom, and (iii) enforce any rights Landlord may have against said property or store the same in any warehouse or elsewhere at the cost and for the account of Tenant. Tenant agrees to hold Landlord free and harmless of any liability whatsoever for the removal and/or storage of any such property, whether of Tenant or any third party whomsoever, except for damage caused by the willful misconduct or gross negligence of Landlord, its agents or subcontractors.

23.2.3 Anything contained herein to the contrary notwithstanding, Landlord shall not be deemed to have terminated this Lease or the liability of Tenant to pay any rent or other sum of money accruing hereunder, by any such re-entry, or by any action in unlawful detainer or otherwise to obtain possession of the Premises, unless Landlord shall specifically notify Tenant in writing that it has so elected to terminate this Lease.

13

23.2.4 In any action brought by Landlord to enforce any of its rights under or arising from this Lease, Landlord shall be entitled to receive its reasonable costs and legal expenses, including reasonable attorneys' fees, whether such action is prosecuted to judgment or not.

23.4 The waiver by Landlord of any breach of this Lease by Tenant shall not be a waiver of any preceding or subsequent breach of this Lease by Tenant. The subsequent acceptance of rent or any other payment hereunder by Landlord shall not be construed to be a waiver of any preceding breach of this Lease by Tenant. No payment by Tenant or receipt by Landlord of a lesser amount than the rent herein provided shall be deemed to be other than on account of the earliest rent due and payable hereunder.

SECTION 24 MISCELLANEOUS

24.1 Tenant, upon paying the rentals and other payments herein required and upon performance of all of the terms, covenants and conditions of this Lease on its part to be kept, may quietly have, hold and enjoy the Premises during the Lease Term without any disturbance from Landlord or from any other person claiming through Landlord, except as expressly provided otherwise in this Lease.

24.2 In the event of any sale or exchange of the Premises by Landlord, Landlord shall be, and is, hereby relieved of all liability under and all of its covenants and obligations contained in or derived from this Lease from and after the date of sale or exchange. Tenant agrees to attorn to such purchaser or transferee, provided that such purchaser or transferee agrees to be bound as Landlord under all of the terms and conditions of this Lease. Any sale of the Premises by Landlord shall be subject to this Lease.

24.3 It is agreed that in the event Landlord fails or refuses to perform any of the provisions, covenants or conditions of this Lease, Tenant, prior to exercising any right or remedy Tenant may have against Landlord, shall give written notice to Landlord of such default, specifying in said notice the default with which Landlord is charged and Landlord shall not be deemed in default if the same is cured within thirty (30) days of receipt of said notice. Notwithstanding any other provision hereof, Tenant agrees that if the default is of such a nature that the same can be rectified or cured by Landlord, but cannot with reasonable diligence be rectified or cured within that thirty (30) day period, then such default shall be deemed to be rectified or cured if Landlord within that thirty (30) day period shall commence the rectification and curing thereof and shall continue thereafter with all due diligence to cause such rectification and curing to proceed.

24.4 Neither party shall be in breach of this Lease if it fails to perform as required hereunder due to labor disputes, civil commotion, war, warlike operation, sabotage, governmental regulations or control, fire or other casualty, inability to obtain any materials, or other causes beyond such party's reasonable control (financial inability excepted); provided, however, that nothing contained herein shall excuse Tenant from the prompt payment of any rent or charge required of Tenant hereunder.

24.5 Any and all notices and demands required or desired to be given hereunder shall be in writing and shall be validly given or made (and effective) if served personally, delivered by a nationally recognized overnight courier service, or faxed and deposited in the United States mail, certified or registered, postage prepaid, return receipt requested, to the following addresses:

Either party may change its address for the purpose of receiving notices by providing written notice to the other.

24.6 The various rights, options, elections and remedies of Landlord contained in this Lease shall be cumulative and no one of them shall be construed as exclusive of any other, or of any right, priority or remedy allowed or provided for by law and not expressly waived in this Lease.

24.7 The terms, provisions, covenants and conditions contained in this Lease shall apply to, bind and inure to the benefit of the parties hereto and their respective heirs, executors, administrators, legal representatives, successors and assigns, as permitted in Section 17 hereof.

24.8 If any term, covenant or condition of this Lease, or any application thereof, should be held by a court of competent jurisdiction to be invalid, void or unenforceable, all terms, covenants and conditions of this Lease, and all applications thereof, not held invalid, void or unenforceable, shall continue in full force and effect and shall in no way be affected, impaired or invalidated thereby.

24.9 Time is of the essence of this Lease and all of the terms, covenants and conditions hereof.

24.10 This Lease contains the entire agreement between the parties and cannot be changed or terminated orally.

24.11 Nothing contained herein shall be deemed to create any partnership, joint venture, agency or other relationship between Landlord and Tenant other than the relationship of landlord and tenant.

24.12 The captions are descriptive only and for convenience in reference to this Lease and in no way whatsoever define, limit or describe the scope or intent of this Lease nor in any way affect this Lease.

24.13 The laws of the State of Nevada shall govern the validity, construction, performance and effect of this Lease. Each party hereto consents to, and waives any objection to, Clark County, Nevada as the proper and exclusive venue for any disputes arising out of or relating to this Lease or any alleged breach thereof.

24.14 In the event Tenant now or hereafter shall consist of more than one person, firm, corporation or trust, then and in such event, all such persons, firms, corporations or trusts shall be jointly and severally liable as Tenant hereunder.

24.15 This Lease may not be recorded without Landlord's prior written consent. However, the parties agree to record a Memorandum of Lease in the form attached hereto as Exhibit "D". A Memorandum of Termination of Lease in the form attached hereto as Exhibit "E" shall also be executed by the parties, shall be held by Landlord, and shall be recorded by Landlord upon termination of the Lease.

24.16 All necessary actions have been taken under the parties' organizational documents to authorize the individuals signing this Lease on behalf of the respective parties to do so.

24.17 The prevailing party in any action regarding this Lease shall be entitled to receive its costs and legal expenses including reasonable attorneys' fees, whether such action is prosecuted to judgment or not. The parties hereto shall and they hereby do waive trial by jury in any action, proceeding or counterclaim brought by either of the parties hereto against the other on any matters whatsoever

arising out of or in any way connected with this Lease, the relationship of Landlord and Tenant, Tenant's use or occupancy of the Premises, and/or any claim of injury or damage.

24.18 Landlord and Tenant each represent and warrant to the other that they have not entered into any written contractual arrangement with, or promised to pay any broker's fee, finder's fee, commission or other similar compensation to, or otherwise agreed to compensate, any real estate agent or broker in connection with this transaction. Landlord and Tenant each agree to indemnify, defend, save and hold the other harmless from and against all loss, cost and expense incurred by reason of the breach of the foregoing representation and warranty arising from any claim for compensation founded upon or as a result of acts asserted to have been performed on their respective behalf. Such indemnification obligation shall survive any termination of the Lease.

24.19 This Lease may be executed in one or more counterparts, all of which executed counterparts shall be deemed an original, but all of which, together, shall constitute one and the same instrument. Signature pages may be detached from the counterparts and attached to a single copy of this document to physically form one document.
