Such borrowing will then, upon satisfaction or waiver of the conditions precedent specified in Section 5.3, be made available to the Borrower by the Administrative Agent crediting a Funding Account of the Borrower on the books of the Funding Office with the aggregate of the amounts made available to the Administrative Agent by the Revolving Credit Lenders and in like funds as received by the Administrative Agent.

(c) Each borrowing under the Term Loan Commitments or the Revolving Credit Commitments shall be in an amount equal to (x) in the case of Base Rate Loans, \$5,000,000 or a whole multiple in excess thereof (or, if the then aggregate Available Term Loan Commitments or Available Revolving Credit Commitments, as applicable, are less than \$5,000,000, such lesser amount) and (y) in the case of Eurodollar Loans, \$10,000,000 or a \$1,000,000 whole multiple in excess thereof; *provided*, that the Swing Line Lender may request, on behalf of the Borrower, borrowings under the Revolving Credit Commitments which are Base Rate Loans in other amounts pursuant to Section 2.7.

(d) In the event that the proceeds of any Loans deposited into the Collection Account pursuant to subsection (a) above are not disbursed by the Disbursement Agent on the applicable Borrowing Date, the proceeds of such Loans shall be held by the Disbursement Agent and/or returned to the Administrative Agent in accordance with the provisions set forth in the Disbursement Agreement; *provided, however*, that the proceeds of such Loans shall continue to bear interest and be repayable in accordance with the provisions set forth in this Agreement. In the event that the Administrative Agent

receives a Stop Funding Notice from the Disbursement Agent in accordance with and pursuant to the terms of the Disbursement Agreement, none of the Administrative Agent and the Lenders shall, or shall have any obligation to, advance the Loans associated with such Stop Funding Notice; *provided, however*, that the Borrower shall be obligated to make any payments due pursuant to Section 2.21 as a result thereof.

2.6 *Swing Line Commitment.* (a) Subject to the terms and conditions hereof, the Swing Line Lender agrees to make available to the Borrower a portion of the credit otherwise available to the Borrower under the Revolving Credit Commitments from time to time during the Swing Line Credit Commitment Period by making swing line loans ("*Swing Line Loans*") to the Borrower; *provided*, that (i) the aggregate principal amount of Swing Line Loans outstanding at any time shall not exceed the Swing Line Commitment then in effect (notwithstanding that the Swing Line Loans outstanding at any time, when aggregated with the Swing Line Lender's other outstanding Revolving Credit Loans hereunder, may exceed the Swing Line Commitment then in effect) and (ii) the Borrower shall not request, and the Swing Line Lender shall not make, any Swing Line Loan if, after giving effect to the making of such Swing Line Loan, the aggregate amount of the Available Revolving Credit Commitments would be less than zero. Swing Line Loans shall be Base Rate Loans only.

(b) The Borrower shall repay all outstanding Swing Line Loans on the Revolving Credit Termination Date.

2.7 *Procedure for Swing Line Borrowing; Refunding of Swing Line Loans.* (a) Whenever the Borrower desires that the Swing Line Lender make Swing Line Loans it shall give the Swing Line Lender irrevocable telephonic notice confirmed promptly in writing (which telephonic notice must be received by the Swing Line Lender not later than 1:00 P.M., New York City time, on the proposed Borrowing Date), specifying (i) the amount to be borrowed and (ii) the requested Borrowing Date (which shall be a Business Day during the Swing Line Credit Commitment Period). Each borrowing under the Swing Line Commitment shall be in an amount equal to \$500,000 or a \$100,000 multiple in excess thereof. Not later than 3:00 P.M., New York City time, on the Borrowing Date specified in a notice in respect of Swing Line Loans, the Swing Line Lender shall make available to the Administrative Agent at the Funding Office an amount in immediately available funds equal to the amount of the Swing Line Loan to be made by the Swing Line Lender; *provided*, that the Swing Line Lender shall not be obligated to make any Swing Line Loans at a time when a Lender Default exists unless the Swing Line Lender has entered into arrangements satisfactory to it to eliminate the Swing Line Lender's risk with respect to the Defaulting Lender's or Lenders' participation in such Swing Line Loans. The Administrative Agent shall make the proceeds of such Swing Line Loan available to the Borrower on such Borrowing Date by depositing such proceeds in a Funding Account of the Borrower with the Administrative Agent on such Borrowing Date in immediately available funds.

(b) The Swing Line Lender, at any time and from time to time in its sole and absolute discretion may, on behalf of the Borrower (which hereby irrevocably directs the Swing Line Lender to act on its behalf), on one Business Day's notice given by the Swing Line Lender no later than 12:00 Noon, New York City time, request each Revolving Credit Lender to make, and each Revolving Credit Lender hereby agrees to make, a Revolving Credit Loan, in an amount equal to such Revolving Credit Lender's Revolving Credit Percentage of the aggregate amount of the Swing Line Loans (the "*Refunded Swing Line Loans*") outstanding on the date of such notice, to repay the Swing Line Lender. Each Revolving Credit Lender shall make the amount of such Revolving Credit Loan available to the Administrative Agent at the Funding Office in immediately available funds, not later than 10:00 A.M., New York City time, one Business Day after the date of such notice. The proceeds of such Revolving Credit Loans shall be immediately made available by the Administrative Agent to the Swing Line Lender for application by the Swing Line Lender to the repayment of the Refunded Swing Line Loans.

47

The Borrower irrevocably authorizes the Swing Line Lender to charge the Borrower's accounts with the Administrative Agent (up to the amount available in each such account) in order to immediately pay the amount of such Refunded Swing Line Loans to the extent amounts received from the Revolving Credit Lenders are not sufficient to repay in full such Refunded Swing Line Loans.

(c) If prior to the time a Revolving Credit Loan would have otherwise been made pursuant to Section 2.7(b), one of the events described in Section 8(f) shall have occurred and be continuing with respect to the Borrower or if for any other reason, as determined by the Swing Line Lender in its sole discretion, Revolving Credit Loans may not be made as contemplated by Section 2.7(b), each Revolving Credit Lender shall, on the date such Revolving Credit Loan was to have been made pursuant to the notice referred to in Section 2.7(b) (the "*Refunding Date*"), purchase for cash an undivided participating interest in the then outstanding Swing Line Loans by paying to the Swing Line Lender an amount (the "*Swing Line Participation Amount*") equal to (i) such Revolving Credit Lender's Revolving Credit Percentage *times* (ii) the sum of the aggregate principal amount of Swing Line Loans then outstanding which were to have been repaid with such Revolving Credit Loans.

(d) Whenever, at any time after the Swing Line Lender has received from any Revolving Credit Lender such Lender's Swing Line Participation Amount, the Swing Line Lender receives any payment on account of the Swing Line Loans, the Swing Line Lender will distribute to such Revolving Credit Lender its Swing Line Participation Amount (appropriately adjusted, in the case of interest payments, to reflect the period of time during which such Revolving Credit Lender's participating interest was outstanding and funded and, in the case of principal and interest payments, to reflect such Revolving Credit Lender's *pro rata* portion of such payment if such payment is not sufficient to pay the principal of and interest on all Swing Line Loans then due); *provided, however*, that in the event that such payment received by the Swing Line Lender is required to be returned, such Revolving Credit Lender will return to the Swing Line Lender any portion thereof previously distributed to it by the Swing Line Lender.

(e) Each Revolving Credit Lender's obligation to make the Loans referred to in Section 2.7(b) and to purchase participating interests pursuant to Section 2.7(c) shall be absolute and unconditional and shall not be affected by any circumstance, including, without limitation, (i) any setoff, counterclaim, recoupment, defense or other right which such Revolving Credit Lender or the Borrower may have against the Swing Line Lender, the Borrower or any other Person for any reason whatsoever; (ii) the occurrence or continuance of a Default or an Event of Default or the failure to satisfy any of the other conditions specified in Section 5; (iii) any adverse change in the condition (financial or otherwise) of the Borrower or any other Person; (iv) any breach of this Agreement or any other Loan Document by the Borrower or any other Person (including, without limitation, any other Revolving Credit Lender); (v) any reduction or termination of the Commitments; or (vi) any other circumstance, happening or event whatsoever, whether or not similar to any of the foregoing, and each such payment shall be made without any offset, abatement, withholding or reduction whatsoever.

2.8 *Repayment of Loans; Evidence of Indebtedness.* (a) The Borrower hereby unconditionally promises to pay to the Administrative Agent for the account of the appropriate Revolving Credit Lender or Term Loan Lender, as the case may be, (i) the then unpaid principal amount of each Revolving Credit Loan of such Revolving Credit Lender on the Revolving Credit Termination Date, (ii) the then unpaid principal amount of each Swing Line Loan of such Swing Line Lender on the Revolving Credit Termination Date, and (iii) the principal amount of each Term Loan of such Term Loan Lender in installments according to the amortization schedule set forth in Section 2.2 and the then unpaid principal amount of each Term Loan of such Term Loan Lender on the Term Loan Termination Date. The Borrower hereby further agrees to pay interest on the unpaid principal amount of the Loans from time to time outstanding from the date hereof until payment in full thereof at the rates per annum, and on the dates, set forth in Section 2.15.

48

(b) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing indebtedness of the Borrower to such Lender resulting from each Loan of such Lender from time to time, including the amounts of principal and interest payable and paid to such Lender from time to time under this Agreement.

(c) The Administrative Agent, on behalf of the Borrower, shall maintain the Register pursuant to Section 10.6(d), and a subaccount therein for each Lender, in which shall be recorded (i) the amount of each Loan made hereunder and any Note evidencing such Loan, the Type thereof and each Interest Period applicable thereto, (ii) the amount of any principal or interest due and payable or to become due and payable from the Borrower to each Lender hereunder and (iii) both the amount of any sum received by the Administrative Agent hereunder from the Borrower and each Lender's share thereof.

(d) The entries made in the Register and the accounts of each Lender maintained pursuant to Section 2.8(b) shall, to the extent permitted by applicable law, be *prima facie* evidence of the existence and amounts of the obligations of the Borrower therein recorded; *provided, however*, that the failure of any Lender or the Administrative Agent to maintain the Register or any such account, or any error therein, shall not in any manner affect the obligation of the Borrower to repay (with applicable interest) the Loans made to such Borrower by such Lender in accordance with the terms of this Agreement.

(e) The Borrower agrees that, upon the request to the Administrative Agent by any Lender, the Borrower will execute and deliver to such Lender a promissory note of the Borrower evidencing any Term Loans, Revolving Credit Loans or Swing Line Loans, as the case may be, of such Lender, substantially in the forms of Exhibit G-1, G-2 or G-3 hereto, respectively, with appropriate insertions as to date and principal amount (such notes, respectively, "*Term Notes*", "*Revolving Credit Notes*" and "*Swing Line Notes*").

2.9 *Commitment Fees, etc.* (a) The Borrower agrees to pay to the Administrative Agent for the account of each Revolving Credit Lender a commitment fee (the "*Revolving Commitment Fee*") for the period from and including the Closing Date to the last day of the Revolving Credit Commitment Period, computed at the Revolving Commitment Fee Rate on the average daily amount of the Available Revolving Credit Commitment of such Lender during the period for which payment is made, payable quarterly in arrears on the last day of each March, June, September and December and on the Revolving Credit Termination Date, commencing on the first of such dates to occur after the date hereof; *provided, however*, that any Revolving Commitment Fee accrued with respect to any of the Commitments of a Defaulting Lender during the period prior to the time such Lender became a Defaulting Lender and unpaid at such time shall not be payable by the Borrower so long as such Lender shall be a Defaulting Lender, except to the extent that such Revolving Commitment Fee shall otherwise have been due and payable by the Borrower prior to such time; *provided, further*, that no such Revolving Commitment Fee shall accrue on any of the Commitments of a Defaulting Lender so long as such Lender shall be a Defaulting Lender.

(b) The Borrower agrees to pay to the Administrative Agent for the account of each Term Loan Lender a commitment fee for the period from and including the Closing Date to the last day of the Term Loan Commitment Period, computed at the Term Loan Commitment Fee Rate on the average daily amount of the Available Term Loan Commitment of such Lender during the period for which payment is made, payable quarterly in arrears on the last day of each March, June, September and December and on the last day of the Term Loan Commitment Period, commencing on the first of such dates to occur after the date hereof; *provided, however*, that any such commitment fee accrued with respect to any of the Commitments of a Defaulting Lender during the period prior to the time such Lender became a Defaulting Lender and unpaid at such time shall not be payable by the Borrower so long as such Lender shall be a Defaulting Lender, except to the extent that such commitment fee shall otherwise have been due and payable by the Borrower prior to such time; *provided, further*, that no

49

such commitment fee shall accrue on any of the Commitments of a Defaulting Lender so long as such Lender shall be a Defaulting Lender.

(c) The Borrower agrees to pay to the Arrangers, the Managers and the Agents the fees in the amounts and on the dates previously agreed to in writing by the Borrower, the Arrangers, the Managers and the Agents including, without limitation, pursuant to the Facility Fee Letter.

(d) The Borrower agrees to pay to the Administrative Agent the fees in the amounts and on the dates from time to time agreed to in writing by the Borrower and the Administrative Agent including, without limitation, pursuant to the Administrative Agent Fee Letter.

2.10 *Termination or Reduction of Revolving Credit Commitments.* The Borrower shall have the right, upon not less than three Business Days' notice to the Administrative Agent, to terminate the Revolving Credit Commitments or, from time to time, to reduce the amount of the Revolving Credit Commitments; *provided*, that no such termination or reduction of Revolving Credit Commitments shall be permitted if, (x) after giving effect thereto and to any prepayments of the Revolving Credit Loans and Swing Line Loans made on the effective date thereof, (i) the Total Revolving Extensions of Credit would exceed the Total Revolving Credit Commitments or (ii) if prior to the Completion Date, the Remaining Costs would exceed the Available Funds or the Required Minimum Contingency would exceed the Unallocated Contingency Balance or (y) such termination or reduction is not permitted by the Disbursement Agreement (while in effect). Any such reduction shall be in an amount equal to \$5,000,000, or a whole multiple thereof (or, if less, shall reduce the Revolving Credit Commitments to zero), and shall reduce permanently the Revolving Credit Commitments then in effect.

2.11 *Optional Prepayments.* The Borrower may at any time and from time to time prepay the Loans, in whole or in part, without premium or penalty, upon irrevocable notice delivered to the Administrative Agent at least three Business Days prior thereto in the case of Eurodollar Loans and at least one Business Day prior thereto in the case of Base Rate Loans, which notice shall (i) designate whether the Borrower is prepaying Revolving Credit Loans and/or Term Loans and (ii) specify the date and amount of prepayment and whether the prepayment is of Eurodollar Loans or Base Rate Loans; *provided*, that if a Eurodollar Loan is prepaid on any day other than the last day of the Interest Period applicable thereto, the Borrower shall also pay any amounts owing pursuant to Section 2.21. Upon receipt of any such notice the Administrative Agent shall promptly notify each relevant Lender thereof. If any such notice is given, the amount specified in such notice shall be due and payable on the date specified therein, together with (except in the case of Revolving Credit Loans (unless all Revolving Credit Loans are being repaid and the Revolving Credit Commitments terminated) that are Base Rate Loans and Swing Line Loans) accrued interest to such date on the amount prepaid. Partial prepayments of Term Loans and Revolving Credit Loans shall be in an aggregate principal amount of \$5,000,000 or a whole multiple in excess thereof. Partial prepayments of Swing Line Loans shall be in an aggregate principal amount of \$100,000 or a whole multiple in excess thereof.

2.12 *Mandatory Prepayments and Commitment Reductions.* (a) If any Indebtedness shall be incurred by the Borrower or any of the other Loan Parties (excluding any Indebtedness incurred in accordance with Section 7.2 (other than with respect to subsection (i) thereof)), an amount equal to 100% of the Net Cash Proceeds thereof shall be applied on the date of such incurrence toward the prepayment of the Term Loans and the reduction of the Revolving Credit Commitments as set forth in Section 2.12(g).

(b) With respect to the Net Cash Proceeds from any Asset Sale as to which the Borrower or any other Loan Party making such Asset Sale has not delivered a Reinvestment Notice within the period required therefor such Net Cash Proceeds (or portion thereof not subject to such a Reinvestment Notice) shall be applied, within one Business Day of the expiration of the aforesaid required period for delivery of a Reinvestment Notice with respect to such Asset Sale, on such date toward the prepayment of the Term Loans and the reduction of the Revolving Credit Commitments as set forth in

50

Section 2.12(g); *provided*, that, notwithstanding the foregoing, (i) the aggregate Net Cash Proceeds of Asset Sales that may be excluded from the foregoing prepayment requirement pursuant to a Reinvestment Notice shall not exceed \$5,000,000 in any Fiscal Year and (ii) on each Reinvestment Prepayment Date, an amount equal to the Reinvestment Prepayment Amount with respect to the relevant Reinvestment Event shall be applied toward the prepayment of the Term Loans and the reduction of the Revolving Credit Commitments as set forth in Section 2.12(g).

(c) No later than (i) the Business Day following the date on which funds, whether representing the proceeds of Loans or otherwise, are returned or distributed to the Administrative Agent on behalf of Lenders under the Disbursement Agreement (whether pursuant to Section 2.10 thereof or otherwise), (ii) the Business Day following the date on which Loss Proceeds are required to be applied to the prepayment of Loans under Section 5.21 of the Disbursement Agreement, (iii) the Business Day following the date on which Insurance Proceeds or Eminent Domain Proceeds are required to be applied to the prepayment of Loans pursuant to Section 2.24(f), (iv) the Business Day following the date on which any Loan Party receives Liquidated Damages (*provided*, that to the extent such Liquidated Damages are paid pursuant to any obligation, default or breach, the results of which can be remedied through the expenditure of money, and the applicable Loan Party determines in its reasonable judgment to undertake such remedy, the Liquidated Damages subject to this subsection (iv) shall be net of reasonable amounts that such Loan Party anticipates to incur in connection with such remedy (such amounts, the "*Reinvested Amounts*"); *provided, further*, that in the event such Loan Party has not expended, any Reinvested Amounts in furtherance of such remedy by the date that is six months after a Loan Party initially received the relevant Liquidated Damages or, in the case of any Reinvested Amounts to be expended in furtherance of such remedy pursuant to a contract entered into during such six-month period, such amounts have not been expended by the date that is twelve months after a Loan Party initially received the relevant Liquidated Damages, such non-expended amounts shall be applied on the second Business Day following such sixth-month or twelve-month, as the case may be, anniversary date to the prepayment of the Term Loans and the reduction of the Revolving Credit Commitments as set forth in Section 2.12(g)(ii)), (v) the Business Day following the date on which amounts under Sections 2.9(e) and 2.11 of the Disbursement Agreement are required to be applied to the prepayment of Loans or (vi) the Business Day following the date on which Insurance Proceeds or Eminent Domain Proceeds are required to be applied to the prepayment of Loans pursuant to Section 2.24(a) or 2.24(h), the Borrower shall prepay and the Administrative Agent shall apply such funds toward the prepayment of the Term Loans and the reduction of the Revolving Credit Commitments (or with respect to subsections (c)(i), (c)(iii) and (c)(v) above, prepayment of the Revolving Credit Loans (without any permanent reduction of Revolving Credit Commitments)), in each case as set forth in Section 2.12(g).

(d) If, for any Fiscal Year commencing with the Fiscal Year in which the Completion Date occurs, there shall be Excess Cash Flow, the Borrower shall, and shall cause the applicable Loan Parties to, on the relevant Excess Cash Flow Application Date, apply the ECF Percentage of such Excess Cash Flow toward the prepayment of the Term Loans and the reduction of the Revolving Credit Commitments as set forth in Section 2.12(g). Each such prepayment and commitment reduction shall be made on a date (an "*Excess Cash Flow Application Date*") no later than five Business Days after the earlier of (i) the date on which the financial statements of the Loan Parties referred to in Section 6.1(a), for the Fiscal Year with respect to which such prepayment is made, are required to be delivered to the Lenders and (ii) the date such financial statements are actually delivered. Notwithstanding the foregoing, the requirements of this subsection (d) shall be terminated and no longer be applicable if for any Fiscal Year the Consolidated Leverage Ratio of the Borrower as of the last day of such Fiscal Year is not greater than 2.5 to 1.0.

(e) If, on any date after Loans have been made hereunder, the Borrower or any other Loan Party shall receive any Extraordinary Deposit Receipts, the Borrower or such Loan Party shall apply, on such

51

date, the amount of such Extraordinary Deposit Receipts toward the prepayment of Revolving Credit Loans (without any permanent reduction of the Revolving Credit Commitments) and the Term Loans as set forth in Section 2.12(g).

(f) If on the last day of any period of four full consecutive fiscal quarters of the Borrower ending on a Quarterly Date the Consolidated EBITDA of the Borrower for such four full consecutive fiscal quarter period was equal to or greater than \$275,000,000, the Borrower shall apply any amounts on deposit in the Project Liquidity Reserve Account on the Liquidity Reserve Payment Date toward the prepayment of the Revolving Credit Loans (without any permanent reduction of Revolving Credit Commitments) and the Term Loans as set forth in Section 2.12(g).

(g) Subject to Section 2.18, amounts to be applied in connection with prepayments and/or Commitment reductions made pursuant to this Section 2.12 or Section 7.2(i) shall be applied (i) in the case of Sections 2.12(a), 2.12(b) or 7.2(i), *first*, to the prepayment of Term Loans and the permanent reduction of Revolving Credit Commitments pro rata based on the Total Revolving Credit Exposure and the Total Term Loan Exposure, and *second*, to the Borrower or such other Person as shall be lawfully entitled thereto, (ii) in the case of Sections 2.12(c)(ii), 2.12(c)(iv), 2.12(c)(vi) and 2.12(d), *first*, to the prepayment of the Term Loans, *second*, to reduce permanently the Revolving Credit Commitments and, *third*, to the Borrower or such other Person as shall be lawfully entitled thereto and (iii) in the case of Sections 2.12(c)(i), 2.12(c)(iii), 2.12(c)(v), 2.12(e) and 2.12(f), *first*, to the prepayment of Revolving Credit Loans (without any permanent reduction of Revolving Credit Commitments), *second*, to the prepayment of Term Loans, and *third*, to the Borrower or such other Person as shall be lawfully entitled thereto (*provided*, that in the case of subsections (i) and (ii) above, prior to the Completion Date, no such termination or reduction of Revolving Credit Commitments shall be permitted if, after giving effect thereto and to any prepayments of the Revolving Credit Loans made on the effective date thereof, the Remaining Costs shall exceed the Available Funds or the Required Minimum Contingency shall exceed the Unallocated Contingency Balance; *provided, further*, that, in such event, amounts allocable to the termination or reduction of Revolving Credit Commitments that are not so applied due to the first proviso hereof shall nonetheless be applied to prepay Revolving Credit Loans (without any permanent reduction of Revolving Credit Commitments)). Any reduction of the Revolving Credit Commitments in accordance with the foregoing shall be accompanied by prepayment of the Revolving Credit Loans and/or Swing Line Loans to the extent, if any, that the Total Revolving Extensions of Credit exceed the amount of the Total Revolving Credit Commitments as so reduced, *provided* that if the aggregate principal amount of Revolving Credit Loans and Swing Line Loans then outstanding is less than the amount of the Total Revolving Credit Commitments as so reduced (because L/C Obligations constitute a portion thereof), the Borrower shall, to the extent of the balance of such excess, replace outstanding Letters of Credit and/or deposit an amount in immediately available funds in a cash collateral account established with the Administrative Agent for the benefit of the Secured Parties on terms and conditions satisfactory to the Administrative Agent (and the Borrower hereby grants to the Administrative Agent, for the ratable benefit of the Secured Parties, a continuing first priority security interest (subject to no other Liens other than Liens permitted pursuant to Section 7.3(k) in all amounts at any time on deposit in such cash collateral account to secure all L/C Obligations from time to time outstanding and all other Obligations). If at any time the Administrative Agent determines that any funds held in such cash collateral account are subject to any right or claim of any Person other than the Administrative Agent, the Secured Parties and as otherwise permitted pursuant to Section 7.3(k) or that the total amount of such funds is less than the amount of such excess, the Borrower shall, forthwith upon demand by the Administrative Agent, pay to the Administrative Agent, as additional funds to be deposited and held in such cash collateral account, an amount equal to the excess of (a) the amount of such excess over (b) the total amount of funds, if any, then held in such cash collateral account that the Administrative Agent determines to be free and clear of any such right and claim. The application of any prepayment pursuant to Section 2.11 and this Section 2.12 shall be made, *first*, to Base Rate Loans and, *second*, to

Eurodollar Loans. Each prepayment of the Loans under Section 2.11 and this Section 2.12 (except in the case of Revolving Credit Loans (unless the Revolving Credit Loans are being repaid in full and the Revolving Credit Commitments terminated) that are Base Rate Loans and Swing Line Loans) shall be accompanied by accrued interest to the date of such prepayment to the applicable Lender on the amount prepaid.

2.13 *Conversion and Continuation Options.* (a) The Borrower may elect from time to time to convert Eurodollar Loans to Base Rate Loans by giving the Administrative Agent at least two Business Days' prior irrevocable notice of such election, *provided* that any such conversion of Eurodollar Loans may only be made on the last day of an Interest Period with respect thereto. Other than with respect to Swing Line Loans which shall at all times be Base Rate Loans, the Borrower may elect from time to time to convert Base Rate Loans to Eurodollar Loans by giving the Administrative Agent at least three Business Days' prior irrevocable notice of such election (which notice shall specify the length of the initial Interest Period therefor), *provided* that no Base Rate Loan under a particular Facility may be converted into a Eurodollar Loan (i) when any Event of Default has occurred and is continuing and the Administrative Agent or the Required Facility Lenders in respect of such Facility have determined in its or their sole discretion not to permit such conversions or (ii) after the date that is one month prior to the final scheduled termination or maturity date of such Facility. Upon receipt of any such notice the Administrative Agent shall promptly notify each relevant Lender thereof.

(b) Any Eurodollar Loan may be continued as such upon the expiration of the then current Interest Period with respect thereto by the Borrower giving irrevocable notice to the Administrative Agent, in accordance with the applicable provisions of the term "Interest Period" set forth in Section 1.1, of the length of the next Interest Period to be applicable to such Loans, *provided* that no Eurodollar Loan under a particular Facility may be continued as such (i) when any Event of Default has occurred and is continuing and the Administrative Agent has or the Required Facility Lenders in respect of such Facility have determined in its or their sole discretion not to permit such continuations or (ii) after the date that is one month prior to the final scheduled termination or maturity date of such Facility, and *provided, further*, that if the Borrower shall fail to give any required notice as described above in this paragraph or if such continuation is not permitted pursuant to the preceding proviso such Loans shall be automatically converted to Base Rate Loans on the last day of such then expiring Interest Period. Upon receipt of any such notice the Administrative Agent shall promptly notify each relevant Lender thereof.

2.14 *Minimum Amounts and Maximum Number of Eurodollar Tranches.* Notwithstanding anything to the contrary in this Agreement, all borrowings, conversions, continuations and optional prepayments of Eurodollar Loans hereunder and all selections of Interest Periods hereunder shall be in such amounts and be made pursuant to such elections so that, (a) after giving effect thereto, the aggregate principal amount of the Eurodollar Loans comprising each Eurodollar Tranche shall be equal to \$5,000,000 or a whole multiple of \$1,000,000 in excess thereof and (b) no more than ten Eurodollar Tranches shall be outstanding at any one time.

2.15 *Interest Rates and Payment Dates.* (a) Each Eurodollar Loan shall bear interest for each day during each Interest Period with respect thereto at a rate per annum equal to the Eurodollar Rate determined for such day plus the Applicable Margin.

(b) Each Base Rate Loan shall bear interest at a rate per annum equal to the Base Rate plus the Applicable Margin.

(c) (i) If all or a portion of the principal amount of any Loan or Reimbursement Obligation shall not be paid when due (whether at the stated maturity, by acceleration or otherwise) or an Event of Default has otherwise occurred and is continuing, all outstanding Loans and Reimbursement Obligations (whether or not overdue) shall bear interest at a rate per annum that is equal to (x) in the case of the Loans, the rate that would otherwise be applicable thereto pursuant to the foregoing provisions of this Section *plus* 2.0% or (y) in the case of Reimbursement Obligations, the rate applicable to Base Rate Loans under the Revolving Credit Facility *plus* 2.0%, and (ii) if all or a portion of any interest payable on any Loan or Reimbursement Obligation or any commitment fee or other amount payable hereunder (in accordance with Section 2.9 or otherwise) shall not be paid when due (whether at the stated maturity, by acceleration or otherwise), such overdue amount shall bear interest at a rate per annum equal to the rate then applicable to Base Rate Loans under the relevant Facility *plus* 2.0% (or, in the case of any such other amounts that do not relate to a particular Facility, the rate then applicable to Base Rate Loans under the Revolving Credit Facility *plus* 2.0%), in each case, with respect to subsections (i) and (ii) above, from the date of such non-payment until such amount is paid in full (after as well as before judgment) or so long as such Event of Default is continuing.

(d) Interest shall be payable in arrears on each Interest Payment Date, *provided* that interest accruing pursuant to paragraph (c) of this Section shall be payable from time to time on demand.

2.16 *Computation of Interest and Fees.* (a) Interest, fees and commissions payable pursuant hereto shall be calculated on the basis of a 360-day year for the actual days elapsed, except that, with respect to Base Rate Loans the rate of interest on which is calculated on the basis of the Prime Rate, the interest thereon shall be calculated on the basis of a 365-day year for the actual days elapsed. The Administrative Agent shall as soon as practicable notify the Borrower and the relevant Lenders of each determination of a Eurodollar Rate. Any change in the interest rate on a Loan resulting from a change in the Base Rate or the Eurocurrency Reserve Requirements shall become effective as of the opening of business on the day on which such change becomes effective. The Administrative Agent shall as soon as practicable notify the Borrower and the relevant Lenders of the effective date and the amount of each such change in interest rate.

(b) Each determination of an interest rate by the Administrative Agent pursuant to any provision of this Agreement shall be conclusive and binding on the Borrower and the Lenders in the absence of manifest error. The Administrative Agent shall, at the request of the Borrower, deliver to the Borrower a statement showing the quotations, if any, used by the Administrative Agent in determining any interest rate pursuant to Section 2.15(a).

2.17 *Inability to Determine Interest Rate.* If prior to the first day of any Interest Period:

(a) the Administrative Agent shall have determined (which determination shall be conclusive and binding upon the Borrower) that, by reason of circumstances affecting the relevant market, adequate and reasonable means do not exist for ascertaining the Eurodollar Rate for such Interest Period, or

(b) the Administrative Agent shall have received notice from the Applicable Facility Lenders in respect of the relevant Facility that the Eurodollar Rate determined or to be determined for such Interest Period will not adequately and fairly reflect the cost to such Lenders (as conclusively certified by such Lenders) of making or maintaining their affected Loans during such Interest Period,

the Administrative Agent shall give telecopy or telephonic notice thereof to the Borrower and the relevant Lenders as soon as practicable thereafter. If such notice is given (x) any Eurodollar Loans under the relevant Facility requested to be made on the first day of such Interest Period shall be made as Base Rate Loans, (y) any Loans under the relevant Facility that were to have been converted on the first day of such Interest Period to Eurodollar Loans shall be continued as Base Rate Loans and (z) any outstanding Eurodollar Loans under the relevant Facility shall be converted, on the last day of the then current Interest Period with respect thereto, to Base Rate Loans. Until such notice has been

withdrawn by the Administrative Agent, no further Eurodollar Loans under the relevant Facility shall be made or continued as such, nor shall the Borrower have the right to convert Loans under the relevant Facility to Eurodollar Loans.

2.18 *Pro Rata Treatment and Payments.* (a) Each borrowing by the Borrower from the Lenders hereunder, each payment by the Borrower on account of any commitment fee and any reduction of the Commitments of the Lenders shall be made *pro rata* according to the respective Term Loan Percentages or Revolving Credit Percentages, as the case may be, of the relevant Lenders. Subject to Section 2.18(c), each payment (other than prepayments) in respect of principal or interest in respect of the Loans, and each payment in respect of fees or expenses payable hereunder shall be applied to the amounts of such obligations owing to the Lenders *pro rata* according to the respective amounts then due and owing to the Lenders. The application of any mandatory prepayment pursuant to this Section 2.18 shall be made, first, to Base Rate Loans and, *second*, to Eurodollar Loans.

(b) Each payment (including each prepayment) of Term Loans shall be allocated among the Term Loan Lenders holding such Term Loans *pro rata* based on the principal amount of such Term Loans held by such Term Loan Lenders, and shall be applied to the installments of such Term Loans (provided that the final payment of Term Loans on the Term Loan Termination Date shall be treated as an "installment" for purposes of this subsection (b)) (i) *pro rata* based on the remaining outstanding principal amount of such installments in the case of mandatory prepayments required pursuant to Section 2.12(e) and (ii) in the inverse order of the scheduled maturities of such installments in the case of all other mandatory prepayments. Amounts prepaid on account of the Term Loans may not be reborrowed.

(c) Each payment (including each prepayment) by the Borrower on account of principal of and interest on the Revolving Credit Loans shall be made *pro rata* according to the respective outstanding principal amounts of the Revolving Credit Loans then held by the Revolving Credit Lenders. Each payment in respect of Reimbursement Obligations in connection with any Letter of Credit shall be made to the Issuing Lender.

(d) All payments (including prepayments) to be made by the Borrower hereunder, whether on account of principal, interest, fees or otherwise, shall be made without setoff or counterclaim and shall be made prior to 12:00 Noon, New York City time, on the due date thereof to the Administrative Agent, for the account of the Lenders, at the Payment Office, in Dollars and in immediately available funds. The Administrative Agent shall distribute such payments to the Lenders promptly upon receipt in like funds as received. If any payment hereunder (other than payments on the Eurodollar Loans) becomes due and payable on a day other than a Business Day, such payment shall be extended to the next succeeding Business Day. If any payment on a Eurodollar Loan becomes due and payable

on a day other than a Business Day, the maturity thereof shall be extended to the next succeeding Business Day unless the result of such extension would be to extend such payment into another calendar month, in which event such payment shall be made on the immediately preceding Business Day. In the case of any extension of any payment of principal pursuant to the preceding two sentences, interest thereon shall be payable at the then applicable rate during such extension.

(e) Unless the Administrative Agent shall have been notified in writing by any Lender prior to a borrowing that such Lender will not make the amount that would constitute its share of such borrowing available to the Administrative Agent, the Administrative Agent may assume that such Lender is making such amount available to the Administrative Agent, and the Administrative Agent may, in reliance upon such assumption, make available to the Borrower a corresponding amount. If such amount is not made available to the Administrative Agent by the required time on the Borrowing Date therefor, such Lender shall pay to the Administrative Agent, on demand, such amount with interest thereon at a rate equal to the daily average Federal Funds Effective Rate for the period until such Lender makes such amount immediately available to the Administrative Agent. A certificate of the

55

Administrative Agent submitted to any Lender with respect to any amounts owing under this paragraph shall be conclusive in the absence of manifest error. If such Lender's share of such borrowing is not made available to the Administrative Agent by such Lender within three Business Days of such Borrowing Date, the Administrative Agent shall also be entitled to recover such amount with interest thereon at the rate per annum applicable to Base Rate Loans under the relevant Facility, on demand, from the Borrower.

(f) Unless the Administrative Agent shall have been notified in writing by the Borrower prior to the date of any payment being made hereunder that the Borrower will not make such payment to the Administrative Agent, the Administrative Agent may assume that the Borrower is making such payment, and the Administrative Agent may, but shall not be required to, in reliance upon such assumption, make available to the Lenders their respective *pro rata* shares of a corresponding amount. If such payment is not made to the Administrative Agent by the Borrower within three Business Days of such required date, the Administrative Agent shall be entitled to recover, on demand, from each Lender to which any amount which was made available pursuant to the preceding sentence, such amount with interest thereon at the rate per annum equal to the daily average Federal Funds Effective Rate. Nothing herein shall be deemed to limit the rights of the Administrative Agent or any Lender against the Borrower.

2.19 *Requirements of Law.* (a) If the adoption of or any change in any Requirement of Law or in the interpretation or application thereof or compliance by any Lender with any request or directive (whether or not having the force of law) from any central bank or other Governmental Authority made subsequent to the date hereof:

(i) shall subject any Lender to any tax of any kind whatsoever with respect to this Agreement, any Letter of Credit or any Eurodollar Loan made by it, or change the basis of taxation of payments to such Lender in respect thereof (except for Non-Excluded Taxes covered by Section 2.20 and changes in the rate of tax on the overall net income of such Lender);

(ii) shall impose, modify or hold applicable any reserve, special deposit, compulsory loan or similar requirement against assets held by, deposits or other liabilities in or for the account of, advances, loans or other extensions of credit by, or any other acquisition of funds by, any office of such Lender that is not otherwise included in the determination of the Eurodollar Rate hereunder; or

(iii) shall impose on such Lender any other condition;

and the result of any of the foregoing is to increase the cost to such Lender, by an amount which such Lender deems to be material, of making, converting into, continuing or maintaining Eurodollar Loans or issuing or participating in Letters of Credit, or to reduce any amount receivable hereunder in respect thereof, then, in any such case, the Borrower shall promptly pay such Lender, upon its demand, any additional amounts necessary to compensate such Lender on an after-tax basis for such increased cost or reduced amount receivable. If any Lender becomes entitled to claim any additional amounts pursuant to this Section, it shall promptly notify the Borrower in writing (with a copy to the Administrative Agent) of the event by reason of which it has become so entitled, and setting forth in such notice, in reasonable detail, the basis and calculation of such amounts.

(b) If any Lender shall have determined that the adoption of or any change in any Requirement of Law regarding capital adequacy or in the interpretation or application thereof or compliance by such Lender or any corporation controlling such Lender with any request or directive regarding capital adequacy (whether or not having the force of law) from any Governmental Authority made subsequent to the date hereof shall have the effect of reducing the rate of return on such Lender's or such corporation's capital as a consequence of its obligations hereunder or under or in respect of any Letter of Credit to a level below that which such Lender or such corporation could have achieved but for such

56

adoption, change or compliance (taking into consideration such Lender's or such corporation's policies with respect to capital adequacy) by an amount deemed by such Lender to be material, then from time to time, after submission by such Lender to the Borrower (with a copy to the Administrative Agent) of a written request therefor (which request shall set forth, in reasonable detail, the basis and calculation of the additional amounts sought), the Borrower shall pay to such Lender such additional amount or amounts as set forth in the aforesaid notice; *provided*, that the Borrower shall not be required to compensate a Lender pursuant to this subsection (b) for any amounts incurred more than six months prior to the date on which such Lender notified the Borrower of such Lender's intention to claim compensation therefor; *provided, further*, that, if the circumstances giving rise to such claim have a retroactive effect, then such six-month period shall be extended to include the period of such retroactive effect.

(c) A certificate as to any additional amounts payable pursuant to this Section submitted by any Lender to the Borrower (with a copy to the Administrative Agent) and setting forth, in reasonable detail, the basis and calculation of such amounts shall be conclusive in the absence of manifest error. The obligations of the Borrower pursuant to this Section shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder.

2.20 *Taxes.* (a) All payments made by the Borrower or any Guarantor under this Agreement or any other Loan Document shall be made free and clear of, and without deduction or withholding for or on account of, any present or future income, stamp or other taxes, levies, imposts, duties, charges, fees, deductions or withholdings, now or hereafter imposed, levied, collected, withheld or assessed by any Governmental Authority, excluding net income taxes and franchise taxes (imposed in lieu of net income taxes) imposed on any Arranger, any Agent, any Manager or any Lender as a result of a present or former connection between

such Arranger, such Agent, such Manager or such Lender and the jurisdiction of the Governmental Authority imposing such tax or any political subdivision or taxing authority thereof or therein (other than any such connection arising solely from such Arranger's, such Agent's, such Manager's or such Lender's having executed, delivered or performed its obligations or received a payment under, or enforced, this Agreement or any other Loan Document). If any such non-excluded taxes, levies, imposts, duties, charges, fees, deductions or withholdings ("*Non-Excluded Taxes*") are required to be withheld from any amounts payable to any Arranger, any Agent, any Manager or any Lender hereunder, the amounts so payable to such Arranger, such Agent, such Manager or such Lender shall be increased to the extent necessary to yield to such Arranger, such Agent, such Manager or such Lender (after payment of all Non-Excluded Taxes) interest or any such other amounts that would have been received hereunder or under any other Loan Document had such withholding not been required; *provided, however*, that the Borrower or a Guarantor shall not be required to increase any such amounts payable to any Arranger, any Agent, any Manager or any Lender with respect to any Non-Excluded Taxes (i) that are attributable to such Arranger's, such Agent's, such Manager's or such Lender's failure to comply with the requirements of subsection (f) or (g) of this Section 2.20, or (ii) that are United States withholding taxes imposed on amounts payable to such Arranger, such Agent, such Manager or such Lender at the time such Arranger, such Agent, such Manager or such Lender becomes a party to this Agreement, except to the extent that such Arranger's, such Agent's, such Manager's or such Lender's assignor (if any) was entitled, at the time of assignment, to receive additional amounts from the Borrower or a Guarantor with respect to such Non-Excluded Taxes pursuant to this Section 2.20(a). The Borrower or the applicable Guarantor shall make any such required withholding and pay the full amount withheld to the relevant tax authority or other Governmental Authority in accordance with applicable Requirements of Law.

(b) If any Arranger, Agent, Manager or Lender, as applicable, receives a refund of a tax for which a payment has been made by the Borrower or any Guarantor pursuant to this Section 2.20, which refund in the good faith judgment of such Arranger, Agent, Manager or Lender, as the case may be, is attributable to such payment made by the Borrower or such Guarantor, then such Arranger,

57

Agent, Manager or Lender, as the case may be, shall reimburse the Borrower or such Guarantor for such amount as such Arranger, Agent, Manager or Lender, as the case may be, determines in good faith to be the proportion of the refund as will leave it, after such reimbursement, in the same position it would have been in if the payment of such tax and any payment by the Borrower or such Guarantor under this Section 2.20 had not been made. Subject to the first sentence of this Section 2.20(b), upon the reasonable request of the Borrower or a Guarantor (and at the expense of such Persons), the Lender or the Administrative Agent, as applicable, shall at its sole discretion, exercised in good faith, use reasonable efforts to cooperate with the Borrower or a Guarantor with a view to obtaining a refund of any Non-Excluded Taxes with respect to which the Borrower or a Guarantor has paid any amounts pursuant to Section 2.20 and which the Borrower or a Guarantor, on advice of counsel, reasonably believes were not correctly or legally asserted by the relevant Governmental Authority.

(c) Subject to subsection (f) below, the Borrower shall indemnify each Arranger, each Agent, each Manager and any Lender for the full amount of Non-Excluded Taxes to the extent payable but not paid by the Borrower or any Guarantor pursuant to Section 2.20(a) and paid by such Arranger, Agent, Manager or Lender or any of their respective Affiliates (including, without limitation, any Non-Excluded Taxes imposed by any Governmental Authority on amounts payable under Section 2.20(a) or this Section 2.20(c) and any penalties, additions to tax interest and related expenses attributable to such Non-Excluded Taxes). Payment under this indemnification shall be made within ten (10) Business Days from the date any Arranger, any Agent, any Manager or any Lender or any of their respective Affiliates makes written demand therefor, which demand shall set forth in reasonable detail the basis and calculation of the amounts demanded. Any Lender (or Transferee) claiming any indemnity payment or additional amounts payable pursuant to Section 2.20(a) shall use reasonable efforts (consistent with legal and regulatory restrictions) to file any certificate or document reasonably requested in writing by the Borrower or a Guarantor if the making of such a filing would avoid the need for or reduce the amount of any such indemnity payment or additional amounts that may thereafter accrue.

(d) Whenever any Non-Excluded Taxes are payable by the Borrower or a Guarantor, as promptly as possible thereafter the Borrower or such Guarantor shall send to the Administrative Agent for the account of the relevant Arranger, Agent, Manager or Lender, as the case may be, a certified copy of an original official receipt received by the Borrower or such Guarantor showing payment thereof.

(e) The agreements in this Section 2.20 shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder.

(f) Each Lender (or Transferee) that is not a U.S. Person (as defined in Section 7701(a)(30) of the Code) (a "*Non-U.S. Lender*") shall deliver to the Borrower and the Administrative Agent (and, in the case of a Participant, to the Lender from which the related participation shall have been purchased) two duly completed copies of either U.S. Internal Revenue Service Form W-8BEN or Form W-8ECI, or, in the case of a Non-U.S. Lender claiming exemption from U.S. federal withholding tax under Section 871(h) or 881(c) of the Code with respect to payments of "portfolio interest," a Form W-8BEN and a statement substantially in the form of Exhibit I hereto to the effect that such Non-U.S. Lender is eligible for a complete exemption from withholding of U.S. taxes under Section 871(h) or 881(c) of the Code, or any subsequent versions of any of the foregoing or successors thereto, properly completed and duly executed by such Non-U.S. Lender claiming complete exemption from, or a reduced rate of, U.S. federal withholding tax on all payments by the Borrower or any Guarantor under this Agreement and the other Loan Documents. Such forms shall be delivered by each Non-U.S. Lender on or before the date it becomes a party to this Agreement (or, in the case of any Participant, on or before the date such Participant purchases the related participation) and on or before the date of the first payment to it following the date, if any, such Non-U.S. Lender changes its applicable lending office pursuant to Section 2.23 hereof. In addition, each Non-U.S. Lender shall deliver such forms promptly upon the obsolescence or invalidity of any form previously delivered by

58

such Non-U.S. Lender. Each Non-U.S. Lender shall promptly notify the Borrower at any time it determines that it is no longer in a position to provide any previously delivered certificate to the Borrower (or any other form of certification adopted by the U.S. taxing authorities for such purpose). If a Non-U.S. Lender is unable to deliver any form pursuant to this Section 2.20(f), such Non-U.S. Lender shall be entitled to neither relief from withholding nor indemnity hereunder with respect to Non-Excluded Taxes for the period that would have been covered by such form, unless (i) such Non-U.S. Lender's inability to deliver such form resulted from a change in law after the date on which such Lender became a Lender hereunder or as a result of a change in the circumstances of the Borrower or any Guarantor or the use of proceeds of such Non-U.S. Lender's loans or (ii) such Non-U.S. Lender's assignor (if any) was entitled, at the time of assignment, to the indemnity afforded hereunder. Notwithstanding any other provision of this paragraph, a Non-U.S. Lender shall not be required to deliver any form pursuant to this paragraph that such Non-U.S. Lender is not legally able to deliver.

(g) Each Arranger, Agent, Manager and Lender that is entitled to an exemption from non-U.S. withholding taxes under the law of the jurisdiction in which the Borrower or a Guarantor is located, or any treaty to which such jurisdiction is a party, with respect to payments under this Agreement or any other Loan

Document shall deliver to the Borrower and the relevant Guarantor(s), as applicable (with a copy to the Administrative Agent), at the time or times prescribed by applicable Requirements of Law or reasonably requested by the Borrower or such Guarantor(s), such properly completed and executed documentation prescribed by applicable Requirements of Law as will permit such payments to be made without withholding; *provided*, that such Arranger, Agent, Manager or Lender is legally entitled to complete, execute and deliver such documentation and in such Person's judgment such completion, execution or submission would not materially prejudice the legal position of such Person.

(h) The Borrower and each Guarantor shall pay all Non-Excluded Taxes to the relevant Governmental Authority in accordance with applicable Requirements of Law.

2.21 *Indemnity.* The Borrower agrees to indemnify each Lender and to hold each Lender harmless from any loss or expense that such Lender may sustain or incur as a consequence of (a) default by the Borrower in making a borrowing of, conversion into or continuation of Eurodollar Loans after the Borrower has given a notice requesting the same in accordance with the provisions of this Agreement (whether as a result of a Stop Funding Notice or otherwise), (b) default by the Borrower in making any prepayment after the Borrower has given a notice thereof in accordance with the provisions of this Agreement or (c) the making of a prepayment or conversion of Eurodollar Loans on a day that is not the last day of an Interest Period with respect thereto. Such indemnification may include an amount equal to the excess, if any, of (i) the amount of interest that would have accrued on the amount so prepaid, or not so borrowed, converted or continued, for the period from the date of such prepayment or of such failure to borrow, convert or continue to the last day of such Interest Period (or, in the case of a failure to borrow, convert or continue, the Interest Period that would have commenced on the date of such failure) in each case at the applicable rate of interest for such Loans provided for herein (excluding, however, the Applicable Margin included therein, if any) *over* (ii) the amount of interest (as reasonably determined by such Lender) that would have accrued to such Lender on such amount by placing such amount on deposit for a comparable period with leading banks in the interbank eurodollar market. A certificate as to any amounts payable pursuant to this Section submitted to the Borrower by any Lender shall be conclusive in the absence of manifest error. This covenant shall survive the termination of this Agreement and the payment of the Loans and Letters of Credit and all other amounts payable hereunder.

2.22 *Illegality.* Notwithstanding any other provision herein, if the adoption of or any change in any Requirement of Law or in the interpretation or application thereof shall make it unlawful for any Lender to make or maintain Eurodollar Loans as contemplated by this Agreement, then (a) the commitment of such Lender hereunder to make Eurodollar Loans, continue Eurodollar Loans as such

59

and convert Base Rate Loans to Eurodollar Loans shall forthwith be canceled and (b) such Lender's Loans then outstanding as Eurodollar Loans, if any, shall be converted automatically to Base Rate Loans on the respective last days of the then current Interest Periods with respect to such Loans or within such earlier period as required by law. If any such conversion of a Eurodollar Loan occurs on a day which is not the last day of the then current Interest Period with respect thereto, the Borrower shall pay to such Lender such amounts, if any, as may be required pursuant to Section 2.21.

2.23 *Change of Lending Office.* Each Lender agrees that, upon the occurrence of any event giving rise to the operation of Section 2.19, 2.20 or 2.22 with respect to such Lender, it will, if requested by the Borrower or a Guarantor, use reasonable efforts (subject to overall policy considerations of such Lender) to designate another lending office for any Loans affected by such event with the object of avoiding the consequences of such event; *provided*, that such designation is made on terms that, in the sole judgment of such Lender, cause such Lender and its lending office(s) to suffer no economic, legal or regulatory disadvantage, and *provided, further*, that nothing in this Section shall affect or postpone any of the obligations or rights of any Borrower or Lender pursuant to Section 2.19, 2.20 or 2.22.

2.24 *Insurance Proceeds and Eminent Domain Proceeds.* (a) This Section 2.24 shall apply to all Insurance Proceeds and all Eminent Domain Proceeds received by any Loan Party after the Final Completion Date. Any such Insurance Proceeds or Eminent Domain Proceeds (other than those described in subsection (b) below and those that the Administrative Agent is required to deliver to the FF&E Agent pursuant to the FF&E Intercreditor Agreement) shall be applied to the prepayment of the Obligations of the Borrower in accordance with Sections 2.12 and 2.18, unless, subject to Section 2.24(h) in the case of Eminent Domain Proceeds with respect to the Phase II Land, each of the following conditions are satisfied or waived by the Majority Initial Arrangers (and the Required Lenders, as applicable) as required pursuant to Section 2.24(c) or 2.24(d), within 30 Business Days (or, in the case of Insurance Proceeds or Eminent Domain Proceeds described in Section 2.24(d), 60 Business Days) after any Loan Party's receipt of such Insurance Proceeds or Eminent Domain Proceeds, in which event such amounts shall be applied to the repair or restoration of the Project in accordance with the terms of such Sections:

(i) such damage or destruction or Event of Eminent Domain does not constitute the destruction of all or substantially all of the man-made portion of the Project;

(ii) neither a Default nor an Event of Default has occurred and is continuing (other than a Default or an Event of Default resulting solely from such damage or destruction or Event of Eminent Domain) and after giving effect to any proposed repair and restoration, no Default or Event of Default will result from such damage or destruction or proposed repair and restoration or Event of Eminent Domain;

(iii) the Borrower and the Construction Consultant certify, and the Majority Initial Arrangers (with, if applicable, the consent of the Required Lenders) determine in their reasonable judgment, that repair or restoration of the Project to a condition substantially similar to the condition of the Project immediately prior to the event or events to which the relevant Insurance Proceeds or Eminent Domain Proceeds, as the case may be relate, is technically and economically feasible within a twelve-month period and that a sufficient amount of funds is or will be available to the relevant Loan Party to make such repairs and restorations (subject at all times to Section 7.7);

(iv) the Borrower delivers to the Administrative Agent a plan describing in reasonable detail the nature of the repairs or restoration to be effected and the anticipated costs and schedule associated therewith (the "*Repair Plan*"), in form and substance reasonably satisfactory to the Majority Initial Arrangers (and, if applicable, the Required Lenders);

60

(v) the Borrower certifies, and the Majority Initial Arrangers (with, if applicable, the consent of the Required Lenders) determine in their reasonable judgment, that a sufficient amount of funds is or will be available to the Borrower to make all payments on Indebtedness which will become due during and following the repair period and, in any event, to maintain compliance with the covenants set forth in Section 7.1 during such repair period;

(vi) no Permit is necessary to proceed with the repair and restoration of the Project and no material amendment to the Project Documents, or, except with the consent of the Required Lenders, this Agreement or any of the Loan Document, and no other instrument is necessary for the purpose of effecting the repairs or restoration of the Project or subjecting the repairs or restoration to the Liens of the applicable Security Documents and maintaining the priority of such Liens or, if any of the above is necessary, the Borrower and/or the appropriate Loan Party will be able to obtain the same as and when required;

(vii) the Majority Initial Arrangers shall receive such additional title insurance, title insurance endorsements, mechanic's lien waivers, certificates, opinions or other matters as they may reasonably request (or, if applicable, as the Required Lenders may request) as necessary or appropriate in connection with such repairs or restoration of the Project or to preserve or protect the Lenders' interests hereunder and in the applicable Collateral; and

(viii) the proposed repair or restoration is permitted by each of the other Financing Agreements.

(b) If there shall occur any damage, destruction or Event of Eminent Domain of or with respect to the Project with respect to which Insurance Proceeds and/or Eminent Domain Proceeds received by the relevant Loan Party(ies) for any single loss or series of related losses not in excess of \$15,000,000 are payable, such Insurance Proceeds and/or Eminent Domain Proceeds shall be held by the Administrative Agent in a Funding Account and released by the Administrative Agent to the relevant Loan Party(ies) in amounts from time to time necessary to make payments for work undertaken towards repair, restoration or reconstruction necessitated by such event(s), upon presentation of documentation reasonably satisfactory to the Administrative Agent supporting such requested payments.

(c) Provided that the conditions set forth in subsection (a) above have been waived by the Majority Initial Arrangers, or have been acknowledged by such Persons as having been satisfied, which acknowledgement shall not be unreasonably withheld, delayed or conditioned, if there shall occur any damage, destruction or Event of Eminent Domain of or with respect to the Project with respect to which Insurance Proceeds and/or Eminent Domain Proceeds received by the relevant Loan Party(ies) for any single loss or series of related losses in excess of \$15,000,000, but not in excess of \$30,000,000, are payable, such Insurance Proceeds and/or Eminent Domain Proceeds received by relevant Loan Party(ies) shall be held by the Administrative Agent in a Funding Account and released by the Administrative Agent to relevant Loan Party(ies) in accordance with subsection (e) below.

(d) Provided that the conditions set forth in subsection (a) above have been waived by the Majority Initial Arrangers and the Required Lenders, or have been acknowledged by such Persons as having been satisfied, which acknowledgement shall not be unreasonably withheld, delayed or conditioned, if there shall occur any damage, destruction or Event of Eminent Domain of or with respect to the Project with respect to which Insurance Proceeds and/or Eminent Domain Proceeds received by the relevant Loan Party(ies) for any single loss or series of related losses in excess of \$30,000,000 are payable, such Insurance Proceeds and/or Eminent Domain Proceeds shall be held by the Administrative Agent in a Funding Account and released by the Administrative Agent to the relevant Loan Party(ies) in accordance with subsection (e) below.

(e) Except as provided in Section 2.24(b), amounts which are to be applied to repair or restoration of the Project pursuant to this Section 2.24 shall be disbursed by the Administrative Agent

from the applicable Funding Account in accordance with the procedures set forth in this Section 2.24(e). From time to time the Administrative Agent's authorization of release of Insurance Proceeds and/or Eminent Domain Proceeds for application toward such repairs or restoration shall be conditioned upon the relevant Loan Party's delivery to the Administrative Agent of (i) a certificate from the Borrower (I) describing in reasonable detail the nature of the repairs or restoration to be effected with such release and certifying that such repairs or restoration are materially consistent with, and shall be undertaken in accordance with, the Repair Plan, (II) stating the cost of such repairs or restoration, which shall be no less than the amount of Insurance Proceeds and/or Eminent Domain Proceeds requested in such release, and that such requested release amount will be applied to the cost thereof, (III) stating that the aggregate amount requested in respect of such repairs or restoration (when added to any other Insurance Proceeds and/or Eminent Domain Proceeds received by the relevant Loan Party(ies) or funds otherwise made available to the Project in respect of such damage or destruction or Event of Eminent Domain) does not exceed the cost of such repairs or restoration and that a sufficient amount of funds is or will be available to the relevant Loan Party(ies) to complete such repair or restoration, and (IV) stating that neither a Default nor an Event of Default has occurred and is continuing other than a Default or an Event of Default resulting solely from such damage, destruction or Event of Eminent Domain (*provided*, that in any event no Default or Event of Default under Sections 7.1 or 8(a) shall have occurred and be continuing), (ii) such documents, certificates and information of the type described in Section 2.24(a)(vii) as the Majority Initial Arrangers may reasonably request and (iii) in the event such repairs or restorations relate to damage, destruction or Event of Eminent Domain of the type described in Section 2.24(d), all other documents, certificates and information with respect to such Insurance Proceeds, Eminent Domain Proceeds, repair and/or restoration as the Majority Initial Arrangers may reasonably request as necessary or appropriate in connection with such repairs or restoration of the Project or to preserve or protect the Lenders' interests hereunder and in the applicable Collateral.

(f) If, after Insurance Proceeds and/or Eminent Domain Proceeds have been applied to the repair or restoration of the Project as provided in this Section 2.24, any excess Insurance Proceeds and/or Eminent Domain Proceeds shall be applied to the prepayment of the Obligations of the Borrower in accordance with Section 2.12.

(g) If an Event of Default shall have occurred and be continuing (other than a Default or an Event of Default resulting solely from the damage or destruction or Event of Eminent Domain giving rise to the receipt of such Insurance Proceeds or Eminent Domain Proceeds (but in any event including any Default or Event of Default under Sections 7.1 or 8(a))), then any provisions of this Section 2.24 to the contrary notwithstanding, any Insurance Proceeds or Eminent Domain Proceeds may be applied by the Administrative Agent (i) to curing such Event of Default, and any Insurance Proceeds or Eminent Domain Proceeds remaining thereafter shall be applied as provided in this Section 2.24 or (ii) if such Event of Default cannot be cured, toward payment of all other Obligations of the Borrower, in connection with exercise of the Lenders' remedies pursuant to Section 8.

(h) Notwithstanding anything to the contrary contained in this Section 2.24, all Eminent Domain Proceeds received by any Loan Party with respect to the Phase II Land (including, without limitation, the Phase II Land Building) shall be applied to the prepayment of Obligations of the Borrower in accordance with Sections 2.12 and 2.18.

3.1 *L/C Commitment.* (a) Subject to the terms and conditions hereof, the Issuing Lender, in reliance on the agreements of the other Revolving Credit Lenders set forth in Section 3.4(a), agrees to issue standby and, if agreed to by the applicable Issuing Lender, commercial letters of credit ("*Letters of Credit*") for the account of the Borrower on any Business Day during the Letter of Credit Commitment Period (*provided*, that until the Total Term Loan Extensions of Credit equals the Total

62

Term Loan Commitments, Letters of Credit shall not be available to the Borrower hereunder) in such form as may be approved from time to time by the Issuing Lender; *provided*, that the Issuing Lender shall have no obligation to issue any Letter of Credit if, after giving effect to such issuance, (i) the L/C Obligations would exceed the L/C Commitment, (ii) the aggregate amount of the Available Revolving Credit Commitments would be less than zero, (iii) if such issuance is prior to the Debt Service Availability Date, the Total Revolving Extensions of Credit would exceed an amount equal to the difference between (x) the Total Revolving Credit Commitments at such time and (y) \$31,509,475 (or, during such times as the conditions set forth in Section 3.3.22 of the Disbursement Agreement have not been satisfied or waived, \$36,509,475), (iv) if such issuance is during the Additional Completion Period, the Total Revolving Extensions of Credit would exceed an amount equal to the difference between (x) the Total Revolving Credit Commitments at such time and (y) \$3,000,000 (or, during such times as the conditions set forth in Section 3.3.22 of the Disbursement Agreement have not been satisfied or waived, \$8,000,000) or (v) if such issuance is during such times as the conditions set forth in Section 3.3.22 of the Disbursement Agreement have not been satisfied or waived, the Total Revolving Extensions of Credit would exceed an amount equal to the difference between (x) the Total Revolving Credit Commitments at such time and (y) \$5,000,000. Each Letter of Credit shall (i) be denominated in Dollars and (ii) expire no later than the earlier of (x) the date which is one year after the date of issuance and (y) the date which is five Business Days prior to the Scheduled Revolving Credit Termination Date, *provided* that any Letter of Credit may provide for the extension of the expiry date thereof for additional one-year periods (which shall in no event extend beyond the date referred to in subsection (y) above).

(b) The Issuing Lender shall not at any time be obligated to issue any Letter of Credit hereunder if such issuance would conflict with, or cause the Issuing Lender or any L/C Participant to exceed any limits imposed by, any applicable Requirement of Law.

3.2 *Procedure for Issuance of Letters of Credit.* (a) Prior to the Completion Date, and, to the extent the Letter of Credit is being utilized in furtherance of the payment or support for Project Costs, after the Completion Date but prior to the Final Completion Date, the Borrower may request that the Issuing Lender issue a Letter of Credit by delivering to the Issuing Lender and the Disbursement Agent, in each case in accordance with and pursuant to the terms of Section 2.4 of the Disbursement Agreement such Notice of Advance Requests in the form, at the times and as required under the Disbursement Agreement. Notwithstanding any provisions of the Disbursement Agreement to the contrary, such Notice of Advance Requests and the related Advance Confirmation Notices from the Disbursement Agent in accordance with the provisions of Section 2.4 of the Disbursement Agreement must be received by the Issuing Lender at least 3 Business Days (or such shorter period agreed to by the Issuing Lender) prior to the proposed date of issuance (in addition to such other documents, certificates, documents and papers as the Issuing Lender may request) and must contain all the information relevant to the proposed Letter of Credit issuance as set forth in a Letter of Credit Request.

(b) On or after the Completion Date, the Borrower may request that the Issuing Lender issue a Letter of Credit by delivering to the Issuing Lender and the Administrative Agent, at least 3 Business Days (or such shorter period agreed to by the Issuing Lender) prior to the proposed date of issuance (such proposed date to be a Business Day), a Letter of Credit Request accompanied by such other documents, certificates, documents and papers as the Issuing Lender may request. Letter of Credit Requests may be delivered by facsimile transmission.

Promptly after the issuance or amendment of a Letter of Credit (in any event upon satisfaction or waiver of the conditions precedent set forth in Section 5.2 or 5.3, as the case may be), the Issuing Lender shall notify the Borrower and the Administrative Agent, in writing, of such issuance or amendment and such notice shall be accompanied by a copy of such issuance or amendment. Upon receipt of such notice, the Administrative Agent shall promptly notify the Revolving Credit Lenders, in

63

writing of such issuance or amendment and if so requested by any such Lender the Administrative Agent shall furnish such Lender with a copy of such issuance or amendment. Notwithstanding the foregoing, the Issuing Lender shall not be obligated to make any Letters of Credit available to the Borrower at a time when a Lender Default exists unless the Issuing Lender has entered into arrangements satisfactory to it to eliminate the Issuing Lender's risk with respect to the Defaulting Lender's or Lenders' participation in such Letters of Credit.

3.3 *Fees and Other Charges.* (a) The Borrower shall pay a fee on the aggregate drawable amount of each outstanding Letter of Credit at a per annum rate equal to the Applicable Margin then in effect with respect to Eurodollar Loans under the Revolving Credit Facility, shared ratably among the Revolving Credit Lenders and payable quarterly in arrears on each L/C Fee Payment Date after the issuance date of such Letter of Credit; *provided, however*, that any such fee accrued with respect to any Defaulting Lender during the period prior to the time such Lender became a Defaulting Lender and unpaid at such time shall not be payable by the Borrower so long as such Lender shall be a Defaulting Lender except to the extent that such fee shall otherwise have been due and payable by such Borrower prior to such time; and provided further that no such fee shall accrue for the benefit of a Defaulting Lender so long as such Lender shall be a Defaulting Lender. In addition, the Borrower shall pay to the Issuing Lender for its own account a fronting fee equal to $\frac{1}{4}$ of 1% per annum on the aggregate drawable amount of each outstanding Letter of Credit (but in any event not less than \$500.00 per annum per Letter of Credit), payable quarterly in arrears on each L/C Fee Payment Date after the issuance date of such Letter of Credit.

(b) In addition to the foregoing fees, the Borrower shall pay or reimburse the Issuing Lender for such normal and customary costs and expenses as are incurred or charged by the Issuing Lender in issuing, negotiating, effecting payment under, amending or otherwise administering any Letter of Credit.

3.4 *L/C Participations.* (a) The Issuing Lender irrevocably agrees to grant and hereby grants to each L/C Participant, and, to induce the Issuing Lender to issue Letters of Credit hereunder, each L/C Participant irrevocably agrees to accept and purchase and hereby accepts and purchases from the Issuing Lender, on the terms and conditions hereinafter stated, for such L/C Participant's own account and risk an undivided interest equal to such L/C Participant's Revolving Credit Percentage in the Issuing Lender's obligations and rights under each Letter of Credit issued hereunder and the amount of each draft paid by the Issuing Lender thereunder. Each L/C Participant unconditionally and irrevocably agrees with the Issuing Lender that, if a draft is paid under any Letter of Credit for which the Issuing Lender is not reimbursed in full by the Borrower in accordance with the terms of this Agreement, such L/C Participant shall pay to the Issuing Lender,

regardless of the occurrence or continuance of a Default or an Event of Default or the failure to satisfy any of the other conditions specified in Section 5, upon demand, at the Issuing Lender's address for notices specified herein an amount equal to such L/C Participant's Revolving Credit Percentage of the amount of such draft, or any part thereof, that is not so reimbursed. Each L/C Participant acknowledges and agrees that its obligation to acquire participations and make payments pursuant to this paragraph in respect of Letters of Credit is absolute and unconditional and shall not be affected by any circumstance whatsoever, including any amendment, renewal or extension of any Letter of Credit, the occurrence and continuance of a Default or Event of Default, the reduction or termination of the Commitments, any adverse change in the condition (financial or otherwise) of the Borrower or any other Person or any breach of this Agreement or any other Loan Document by the Borrower or any other Person (including, without limitation, any other Revolving Credit Lender), and each such payment shall be made without any offset, abatement, withholding or reduction whatsoever.

(b) If any amount required to be paid by any L/C Participant to the Issuing Lender pursuant to Section 3.4(a) in respect of any unreimbursed portion of any payment made by the Issuing Lender under any Letter of Credit is paid to the Issuing Lender within three Business Days after the date such

64

payment is due, such L/C Participant shall pay to the Issuing Lender on demand an amount equal to the product of (i) such amount, times (ii) the daily average Federal Funds Effective Rate during the period from and including the date such payment is required to the date on which such payment is immediately available to the Issuing Lender, times (iii) a fraction the numerator of which is the number of days that elapse during such period and the denominator of which is 360. If any such amount required to be paid by any L/C Participant pursuant to Section 3.4(a) is not made available to the Issuing Lender by such L/C Participant within three Business Days after the date such payment is due, the Issuing Lender shall be entitled to recover from such L/C Participant, on demand, such amount with interest thereon calculated from such due date at the rate per annum applicable to Base Rate Loans under the Revolving Credit Facility. A certificate of the Issuing Lender submitted to any L/C Participant with respect to any amounts owing under this Section shall be conclusive in the absence of manifest error.

(c) Whenever, at any time after the Issuing Lender has made payment under any Letter of Credit and has received from any L/C Participant its *pro rata* share of such payment in accordance with Section 3.4(a), the Issuing Lender receives any payment related to such Letter of Credit (whether directly from the Borrower or otherwise, including proceeds of collateral applied thereto by the Issuing Lender), or any payment of interest on account thereof, the Issuing Lender will distribute to such L/C Participant its *pro rata* share thereof; *provided, however*, that in the event that any such payment received by the Issuing Lender shall be required to be returned by the Issuing Lender, such L/C Participant shall return to the Issuing Lender the portion thereof previously distributed by the Issuing Lender to it.

3.5 Reimbursement Obligation of the Borrower. The Borrower agrees to reimburse the Issuing Lender on each date on which the Issuing Lender notifies the Borrower and the Administrative Agent of the date and amount of a draft presented under any Letter of Credit and paid by the Issuing Lender for the amount of (a) such draft so paid and (b) any taxes, fees, charges or other costs or expenses incurred by the Issuing Lender in connection with such payment (the amounts described in the foregoing subsections (a) and (b) in respect of any drawing, collectively, the "*Payment Amount*"). Each such payment shall be made to the Administrative Agent at the Payment Office, for the account of the Issuing Lender, in Dollars and in immediately available funds. The Administrative Agent shall distribute such payments to the Issuing Lender promptly upon receipt at its address for notices specified herein in like funds as received. Interest shall be payable on each Payment Amount from the date of the applicable drawing until payment in full at the rate set forth in (i) until the second Business Day following the date of the applicable drawing, Section 2.15(b) and (ii) thereafter, Section 2.15(c). Each drawing under any Letter of Credit shall (unless an event of the type described in subsection (i) or (ii) of Section 8(f) shall have occurred and be continuing with respect to the Borrower, in which case the procedures specified in Section 3.4 for funding by L/C Participants shall apply) constitute a request by the Borrower to the Administrative Agent for a borrowing pursuant to Section 2.5 of Base Rate Loans (or, at the option of the Administrative Agent and the Swing Line Lender in their sole discretion, a borrowing pursuant to Section 2.7 of Swing Line Loans) in the amount of such drawing. The Borrowing Date with respect to such borrowing shall be the first date on which a borrowing of Revolving Credit Loans (or, if applicable, Swing Line Loans) could be made, pursuant to Section 2.5 (or, if applicable, Section 2.7), if the Administrative Agent had received a notice of such borrowing at the time of such drawing under such Letter of Credit.

3.6 Obligations Absolute. The Borrower's obligations under this Section 3 shall be absolute and unconditional under any and all circumstances and irrespective of any setoff, counterclaim or defense to payment that the Borrower may have or have had against the Issuing Lender, any beneficiary of a Letter of Credit or any other Person. The Borrower also agrees with the Issuing Lender that the Issuing Lender shall not be responsible for, and the Borrower's Reimbursement Obligations under Section 3.5 shall not be affected by, among other things, the validity or genuineness of documents or of

65

any endorsements thereon, even though such documents shall in fact prove to be invalid, fraudulent or forged, or any dispute between or among the Borrower and any beneficiary of any Letter of Credit or any other party to which such Letter of Credit may be transferred or any claims whatsoever of the Borrower against any beneficiary of such Letter of Credit or any such transferee. The Issuing Lender shall not be liable for any error, omission, interruption or delay in transmission, dispatch or delivery of any message or advice, however transmitted, in connection with any Letter of Credit. The Borrower agrees that any action taken or omitted by the Issuing Lender under or in connection with any Letter of Credit or the related drafts or documents, if done in accordance with the standards or care specified in the UCC of the State of New York, shall be binding on the Borrower and shall not result in any liability of the Issuing Lender to the Borrower.

3.7 Letter of Credit Payments. If any draft or other form of demand shall be presented for payment under any Letter of Credit, the Issuing Lender shall promptly notify the Borrower of the date and amount thereof. The responsibility of the Issuing Lender to the Borrower in connection with any draft presented for payment under any Letter of Credit shall, in addition to any payment obligation expressly provided for in such Letter of Credit, be limited to determining that the documents (including each draft) delivered under such Letter of Credit in connection with such presentment are substantially in conformity with such Letter of Credit.

SECTION 4. REPRESENTATIONS AND WARRANTIES

To induce the Arrangers, the Agents, the Managers and the Lenders to enter into this Agreement and to make the Loans and issue or participate in the Letters of Credit, the Borrower hereby represents and warrants to each Arranger, each Agent, each Manager and each Lender that, on the Closing Date (except with respect to Sections 4.25(h), 4.26, 4.27 and 4.28), on each Borrowing Date for Revolving Loans on or after the Completion Date and on the date of issuance or amendment of each Letter of Credit on or after the Completion Date, the following statements are true, correct and complete, it being understood that such representations and warranties are being made solely as of the Closing Date and as a condition to the making of Revolving Loans on or after the Completion Date,

the making of Swing Line Loans and the issuance or amendment of Letters of Credit on or after the Completion Date and shall not be made or be a condition to the funding of any Loans or the issuance or amendment of any Letters of Credit prior to the Completion Date:

4.1 *Financial Condition.*

The restated audited consolidated and consolidating balance sheets of Valvino and its consolidated Subsidiaries as at December 31, 2000 and December 31, 2001, and the related consolidated and consolidating statements of income and of cash flows for the Fiscal Years ended on such dates, reported on by and accompanied by an unqualified report from Deloitte & Touche LLP, present fairly in all material respects the consolidated and consolidating financial condition of Valvino and its consolidated Subsidiaries as at such date, and the consolidated and consolidating results of its operations and its consolidated and consolidating cash flows for the respective Fiscal Years then ended. The unaudited consolidated and consolidating balance sheets of Valvino and its consolidated Subsidiaries as at June 30, 2002, and the related unaudited consolidated and consolidating statements of income and cash flows for the 6-month period ended on such date, present fairly in all material respects the consolidated and consolidating financial condition of Valvino and its consolidated Subsidiaries as at such date, and the consolidated and consolidating results of its operations and its consolidated and consolidating cash flows for the 6-month period then ended (subject to normal year-end audit adjustments). All such financial statements, including the related schedules and notes thereto, have been prepared in accordance with GAAP applied consistently throughout the periods involved (except as approved by the aforementioned firm of accountants and disclosed therein). Valvino and its Subsidiaries do not have any material Guarantee Obligations, contingent liabilities and liabilities for taxes, or any long-term leases or unusual forward or long-term commitments, including, without

66

limitation, any interest rate or foreign currency swap or exchange transaction or other obligation in respect of derivatives, that are not reflected in the most recent financial statements referred to in this paragraph. During the period from January 1, 2002 to and including the Closing Date there has been no Disposition by Valvino or any of its Subsidiaries of any material part of its business or Property.

4.2 *No Change.* Since December 31, 2001, there have been no developments or events that, individually or collectively, have had or could reasonably be expected to have a Material Adverse Effect.

4.3 *Corporate/LLC Existence; Compliance with Law.* Each of the Loan Parties and the Completion Guarantor (a) is duly organized, validly existing and in good standing under the laws of the jurisdiction of its organization, (b) has the corporate or limited liability company power and authority, and the legal right, to own and operate its Property, to lease the Property it operates as lessee and to conduct the business in which it is currently engaged, (c) is duly qualified as a foreign corporation or limited liability company and in good standing under the laws of each jurisdiction where its ownership, lease or operation of Property or the conduct of its business requires such qualification, except to the extent the failure to be so qualified or in good standing could not reasonably be expected to have a Material Adverse Effect and (d) is in compliance with all Requirements of Law except to the extent that the failure to comply therewith could not, in the aggregate, reasonably be expected to have a Material Adverse Effect.

4.4 *Corporate Power; Authorization; Enforceable Obligations.* Each Loan Party and the Completion Guarantor has the corporate or limited liability company power, as the case may be, and authority, and the legal right, to make, deliver and perform the Loan Documents and the other Operative Documents to which it is a party and to carry out the transactions contemplated thereby and, in the case of the Borrower, to borrow hereunder. Each Loan Party and the Completion Guarantor has taken all necessary corporate or limited liability company action, as the case may be, to authorize the execution, delivery and performance of the Loan Documents and the other Operative Documents to which it is a party and, in the case of the Borrower and Capital Corp., to authorize the borrowings and issuances of Indebtedness on the terms and conditions of this Agreement and the other Operative Documents. No consent or authorization of, filing with, notice to or other act by or in respect of, any Governmental Authority or any Person (other than a Loan Party) is required in connection with the borrowings hereunder or with the execution, delivery, performance, validity or enforceability of this Agreement, any of the Loan Documents or any of the other Operative Documents, except (i) consents, authorizations, filings and notices described in *Schedule 4.4*, which consents, authorizations, filings and notices have, unless otherwise indicated on *Schedule 4.4*, been obtained or made and are in full force and effect and (ii) the filings and actions referred to in Section 4.19. Each Loan Document and other Operative Document has been duly executed and delivered on behalf of the Completion Guarantor and each Loan Party party thereto. This Agreement constitutes, and each other Loan Document, Project Document and Operative Document upon execution will constitute, a legal, valid and binding obligation of the Completion Guarantor and each Loan Party party thereto, enforceable against the Completion Guarantor and each such Loan Party in accordance with its terms, except as enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the enforcement of creditors' rights generally and by general equitable principles (whether enforcement is sought by proceedings in equity or at law).

4.5 *No Legal Bar.* The execution, delivery and performance of this Agreement, the other Loan Documents and the other Operative Documents, the issuance of Letters of Credit, the borrowings hereunder and the use of the proceeds thereof will not violate any Requirement of Law or any Contractual Obligation of the Completion Guarantor or any Loan Party and will not result in, or require, the creation or imposition of any Lien on any of their respective properties or revenues pursuant to any Requirement of Law or any such Contractual Obligation (other than the Liens created by the Security Documents and the Other Security Documents). No Requirement of Law or

67

Contractual Obligation applicable to the Completion Guarantor or any Loan Party could, individually or collectively, reasonably be expected to have a Material Adverse Effect.

4.6 *No Material Litigation.* No litigation, investigation or proceeding of or before any arbitrator or Governmental Authority is pending or, to the knowledge of the Borrower, threatened by or against the Completion Guarantor or any Loan Party or against any of their respective properties or revenues (a) with respect to any of the Financing Agreements or any of the transactions contemplated hereby or thereby, or (b) that, individually or collectively, could reasonably be expected to have a Material Adverse Effect.

4.7 *No Default.* Neither the Completion Guarantor nor any Loan Party is in default under or with respect to any of its Contractual Obligations in any respect that, individually or collectively, could reasonably be expected to have a Material Adverse Effect. No Default or Event of Default has occurred and is continuing.

4.8 *Ownership of Property; Liens.* Each of the Loan Parties is the sole owner of, legally and beneficially, and has good, marketable and insurable title to, or has a valid leasehold interest in, all its Real Estate, and good title to, or a valid leasehold interest in, all its other Property, and none of such Property is subject to any claims, liabilities, obligations, charges or restrictions of any kind, nature or description (other than claims, liabilities, obligations, charges or restrictions that individually or in the aggregate could not reasonably be expected to materially interfere with the business or assets of any Loan Party), or to any Lien except for Permitted Liens. None of the Pledged Stock is subject to any Lien except for Permitted Liens.

4.9 *Intellectual Property.* (a) Each Loan Party owns, or is licensed to use, all Intellectual Property necessary for the conduct of its business as currently conducted. No claim has been asserted or is pending by any Person challenging or questioning the use of any such Intellectual Property or the validity or effectiveness of any such Intellectual Property, nor does the Borrower know of any valid basis for any such claim, except (i) with respect to the Intellectual Property related to or otherwise associated with the Loan Parties' use of the "Le Reve" name, such claims that, if determined adversely to a Loan Party, could not reasonably be expected to have a material adverse effect on such Loan Party's ability to use the "Le Reve" name in its Permitted Business as currently used or contemplated to be used and (ii) with respect to all other Intellectual Property, as could not, individually or collectively, reasonably be expected to have a Material Adverse Effect. The use by each Loan Party of the Intellectual Property related to or otherwise associated with such Loan Party's use of the "Le Reve" name does not infringe on the rights of any Person, which infringement could reasonably be expected to have a material adverse effect on such Loan Party's ability to use the "Le Reve" name in its Permitted Business as currently used or contemplated to be used. The use by each Loan Party of Intellectual Property other than Intellectual Property related to or otherwise associated with such Loan Party's use of the "Le Reve" name, does not infringe on the rights of any Person, which infringement, individually or collectively, could reasonably be expected to have a Material Adverse Effect.

(b) As of the Closing Date, *Schedule 4.9(b)* (i) identifies each of the trademarks, service marks and trade name applications and registrations currently registered by, made by or otherwise held, directly or indirectly, by each of the Loan Parties (including, without limitation, any Intellectual Property related to or otherwise associated with the Loan Parties' use of the "Le Reve" name) and identifies which such Person registered, made or otherwise holds such Intellectual Property, and (ii) specifies as to each, the jurisdiction in which such Intellectual Property has been issued or registered (or, if applicable, in which an application for such issuance or registration has been filed), including the respective registration or application numbers and applicable dates of registration or application and expiration.

(c) As of the Closing Date, *Schedule 4.9(c)* (i) identifies each of the material patents and patent applications currently owned by, made by or otherwise held, directly or indirectly, by each of the Loan

68

Parties and identifies which such Person owns, made or otherwise holds such Intellectual Property, and (ii) specifies as to each, the jurisdiction in which such Intellectual Property has been issued or registered (or, if applicable, in which an application for such issuance or registration has been filed), including the respective patent or application numbers and applicable dates of issuance or application and expiration.

(d) As of the Closing Date, *Schedule 4.9(d)* (i) identifies each of the material copyrights and copyright applications and registrations currently registered by, made by or otherwise held, directly or indirectly, by each of the Loan Parties and identifies which such Person registered, made or otherwise holds such Intellectual Property, and (ii) specifies as to each, the jurisdiction in which such Intellectual Property has been issued or registered (or, if applicable, in which an application for such issuance or registration has been filed), including the respective registration or application numbers and applicable dates of registration or application and expiration.

(e) As of the Closing Date, *Schedule 4.9(e)* (i) identifies, each of the material trade secrets currently owned by, claimed by, or otherwise held, directly or indirectly, by each of the Loan Parties and identifies which such Person owns, claims or otherwise holds such Intellectual Property, and (ii) specifies as to each, the jurisdiction in which such Intellectual Property exists.

(f) As of the Closing Date, *Schedule 4.9(f)* identifies all licenses, sublicenses and other agreements relating to Intellectual Property to which any of the Loan Parties is a party that are material to the conduct of such Loan Party's Permitted Business and pursuant to which (i) any of the Loan Parties is a licensor or sub-licensor or the equivalent or (ii) any other Person is authorized to use any Intellectual Property as a licensee, sub-licensee or the equivalent.

4.10 *Taxes.* (a) Each of the Completion Guarantor and the Loan Parties has filed, or caused to be filed, all tax and informational returns that are required to have been filed by it in any jurisdiction, and all such tax and informational returns are correct and complete in all material respects. Each of the Completion Guarantor and the Loan Parties has paid all taxes shown to be due and payable on such returns and all other taxes and assessments payable by it, to the extent the same have become due and payable (other than (x) those taxes that it is contesting in good faith and by appropriate proceedings, and (y) taxes that are not yet due, with respect to each of which it has established reserves that are adequate for the payment thereof and as are required by GAAP).

(b) Neither the Completion Guarantor nor any of the Loan Parties has incurred any material tax liability in connection with the Project or the other transactions contemplated by the Operative Documents which has not been disclosed in writing to the Administrative Agent (including as disclosed in the financial statements delivered to the Lenders hereunder).

(c) There are no Liens for Taxes on any of the Properties of the Completion Guarantor or any of the Loan Parties other than Liens permitted pursuant to Section 7.3(a).

4.11 *Federal Regulations.* No part of the proceeds of the Loans or Letters of Credit will be used for purchasing or carrying any "margin stock" (within the meaning of Regulation U) or for the purpose of purchasing, carrying or trading in any securities under such circumstances as to involve the Borrower in a violation of Regulation X or to involve any broker or dealer in a violation of Regulation T. No indebtedness being reduced or retired out of the proceeds of the Loans or Letters of Credit was or will be incurred for the purpose of purchasing or carrying any "margin stock" (within the meaning of Regulation U). Following application of the proceeds of the Loans and Letters of Credit, "margin stock" (within the meaning of Regulation U) does not constitute more than 25% of the value of the assets of the Borrower and its Subsidiaries. None of the transactions contemplated by this Agreement (including, without limitation, the direct and indirect use of proceeds of the Loans and Letters of Credit) will violate or result in a violation of Regulation T, Regulation U or Regulation X. If requested by any Lender or the Administrative Agent, the Borrower will furnish to the Administrative Agent and

69

each Lender a statement to the foregoing effect in conformity with the requirements of FR Form G-3 or FR Form U-1 referred to in Regulation U.

4.12 *Labor Matters.* There are no strikes, stoppages, slowdowns or other labor disputes against any of the Loan Parties pending or, to the knowledge of the Borrower, threatened that (individually or in the aggregate) could reasonably be expected to have a Material Adverse Effect. Hours worked by and payment made to employees of the Loan Parties have not been in violation of the Fair Labor Standards Act or any other applicable Requirement of Law dealing with such matters that (individually or in the aggregate) could reasonably be expected to have a Material Adverse Effect. All payments due from any of the Loan Parties on account of employee health and welfare insurance that (individually or in the aggregate) could reasonably be expected to have a Material Adverse Effect if not paid have been paid or accrued as a liability on the books of the relevant Loan Party.

4.13 *ERISA.* Neither a Reportable Event nor an "accumulated funding deficiency" (within the meaning of Section 412 of the Code or Section 302 of ERISA) has occurred during the five-year period prior to the date on which this representation is made or deemed made with respect to any Plan, and each Plan has complied in all material respects with all applicable provisions of ERISA and the Code. No termination of a Single Employer Plan has occurred, and no Lien in favor of the PBGC or a Plan has arisen, during such five-year period. The actuarial present value of all benefit liabilities under each Single Employer Plan (based on those assumptions that would be used to determine whether each such Single Employer Plan could be terminated in a standard termination under Section 4041(b) of ERISA) did not, as of the last annual valuation date prior to the date on which this representation is made or deemed made, exceed the value of the assets of such Plan allocable to such accrued benefits by a material amount. Neither the Borrower, any other Loan Party nor any Commonly Controlled Entity has had a complete or partial withdrawal from any Multiemployer Plan that has resulted or could reasonably be expected to result in a material liability under ERISA, and neither the Borrower, any other Loan Party nor any Commonly Controlled Entity would become subject to any material liability under ERISA if any such Person were to withdraw completely from all Multiemployer Plans as of the most recent valuation date for which each such Multiemployer Plan has furnished data regarding potential withdrawal liability to the applicable Loan Party. As of the Closing Date, no such Multiemployer Plan is in Reorganization or Insolvent.

4.14 *Investment Company Act; Other Regulations.* Neither the Completion Guarantor nor any Loan Party is an "investment company", or a company "controlled" by an "investment company", within the meaning of the Investment Company Act of 1940, as amended. Neither the Completion Guarantor nor any Loan Party is subject to regulation under the Public Utility Holding Company Act of 1935, the Federal Power Act, or the Interstate Commerce Act or registration under the Investment Company Act of 1940 or under any other federal or state statute or regulation which may limit its ability to incur Indebtedness other than the Nevada Gaming Laws or which may otherwise render all or any portion of the Obligations unenforceable. Incurrence of the Obligations by the Completion Guarantor and the Loan Parties under the Loan Documents complies with all applicable provisions of the Nevada Gaming Laws, subject to any informational filings or reports required by Nevada Gaming Commission Regulation Section 8.130 and subject to the receipt of requisite approvals from the Nevada Gaming Authorities relating to the pledges of Capital Stock of the Loan Parties that are licensed or registered by the Nevada Gaming Authorities, which approvals shall be sought diligently and in good faith by the Borrower prior to the Opening Date, when the gaming license with respect to the Project is applied for by the Borrower.

4.15 *Subsidiaries.* (a) The Persons listed on *Schedule 4.15* constitute all the Subsidiaries of Valvino as of the Closing Date. *Schedule 4.15* sets forth as of the Closing Date, the name and jurisdiction of formation of each Subsidiary of Valvino and, as to each such Subsidiary, the percentage and number of each class of Capital Stock owned by its requisite parent entity. Each such Subsidiary is

70

a Wholly Owned Subsidiary of Valvino and, if such Subsidiary's direct parent entity is other than Valvino, its direct parent entity.

(b) There are no outstanding subscriptions, options, warrants, calls, rights or other agreements or commitments (other than stock options granted to employees or directors and directors' qualifying shares) of any nature relating to any Capital Stock of any Subsidiary of Valvino. None of the Subsidiaries of Valvino have issued, or authorized the issuance of, any Disqualified Stock.

(c) Neither Valvino nor any of its Subsidiaries are engaged in any businesses other than the Permitted Businesses. As of the Closing Date, other than, (i) in the case of Las Vegas Jet and World Travel, the Aircraft and Collateral related to the operation and maintenance of the Aircraft, (ii) in the case of Palo, the Palo Home Site Land, (iii) in the case of Wynn Design, Property reasonably related to architectural, engineering, design and project management activities and (iv) in the case of Desert Inn Improvement, the DIIC Water Permits and the Water Utility Land, none of the Water Companies or the Wynn Group Entities owns any material Property other than the Capital Stock of its Subsidiaries (if any).

4.16 *Use of Proceeds; Letters of Credit.* (a) The proceeds of the extensions of credit under this Agreement made prior to the Completion Date and amounts released from the Project Liquidity Reserve Account prior to the Completion Date shall be applied toward Project Costs in accordance with the Disbursement Agreement;

(b) The proceeds of the Revolving Credit Loans made after the Completion Date, the proceeds of the Swing Line Loans and the Letters of Credit shall be used for general business purposes of the Borrower and, to the extent otherwise permitted under the Loan Documents, the other Loan Parties; *provided*, that such general business purposes are in furtherance of, or associated with, the Permitted Business of such Persons; *provided, further*, that to the extent proceeds of extensions of credit made after the Completion Date but prior to the Final Completion Date are to be applied to Project Costs, such proceeds shall be applied to Project Costs in accordance with the Disbursement Agreement.

4.17 *Environmental Matters.* (a) To the knowledge of the Borrower, the Loan Parties: (i) are, and within the period of all applicable statutes of limitation have been, in material compliance with all applicable Environmental Laws; and (ii) reasonably believe that material compliance with all applicable Environmental Laws that is or is expected to become applicable to any of them will be timely attained and maintained.

(b) To the knowledge of the Borrower, Hazardous Substances are not present at, on, under, in, or about any real property now or formerly owned, leased or operated by any of the Loan Parties, or at any other location (including, without limitation, any location to which Hazardous Substances have been sent for re-use or recycling or for treatment, storage, or disposal) which could, individually or collectively, reasonably be expected to (i) give rise to liability of any of the Loan Parties under any applicable Environmental Law or otherwise result in costs to any of the Loan Parties that could reasonably be expected to have a Material Adverse Effect, or (ii) materially interfere with any of the Loan Parties' continued operations, or (iii) materially impair the fair saleable value of any real property owned or leased by any of the Loan Parties.

(c) Except as could not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect, there is no judicial, administrative, or arbitral proceeding (including any notice of violation or alleged violation) under or relating to any Environmental Law (including, without limitation, any

Environmental Claims) to which any of the Loan Parties is, or to the knowledge of the Borrower will be, named as a party that is pending or, to the knowledge of the Borrower, threatened.

(d) No Loan Party has received any written request for information, or been notified that it is a potentially responsible party, under or relating to the federal Comprehensive Environmental Response, Compensation, and Liability Act or any similar Environmental Law.

71

(e) Except as could not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect, no Loan Party has entered into or agreed to any consent decree, order, or settlement or other agreement, or is subject to any judgment, decree, or order or other agreement, in any judicial, administrative, arbitral, or other forum for dispute resolution, relating to compliance with or liability under any Environmental Law or Environmental Claim.

(f) Except as could not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect, no Loan Party has assumed or retained, by contract or operation of law, any liabilities of any kind, fixed or contingent, known or unknown, under any Environmental Law or with respect to any Hazardous Substances.

(g) Except as could not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect, (i) Hazardous Materials Activities are not presently occurring, and have not previously occurred, at, on, under, in, or about any Real Estate now or formerly owned, leased or operated by any of the Loan Parties, and (ii) none of the Loan Parties have ever engaged in any Hazardous Materials Activities at any location.

4.18 *Accuracy of Information, etc.* No statement or information contained in this Agreement, any other Loan Document, the Confidential Information Memorandum or any other document, certificate or statement furnished to the Arrangers, the Agents, the Managers or the Lenders or any of them, by or on behalf of the Completion Guarantor or any Loan Party for use in connection with the transactions contemplated by this Agreement or the other Loan Documents, contained as of the date such statement, information, document or certificate was so furnished (or, in the case of the Confidential Information Memorandum, as of the date of this Agreement), any untrue statement of a material fact or omitted to state a material fact necessary in order to make the statements contained herein or therein not misleading. The projections and *pro forma* financial information contained in the materials referenced above (including, without limitation, the Projections) are based upon good faith estimates and assumptions believed by management of the Borrower to be reasonable at the time made, it being recognized by the Lenders that such financial information as it relates to future events is not to be viewed as fact and that actual results during the period or periods covered by such financial information may differ from the projected results set forth therein by a material amount. There are no facts known to the Completion Guarantor or any Loan Party that could, individually or collectively, reasonably be expected to have a Material Adverse Effect that has not been expressly disclosed herein, in the other Loan Documents, in the Confidential Information Memorandum or in any other documents, certificates and written statements furnished to the Arrangers, the Agents, the Managers and the Lenders for use in connection with the transactions contemplated hereby and by the other Loan Documents.

4.19 *Security Documents.* (a) The Guarantee and Collateral Agreement is effective to create in favor of the Administrative Agent, for the benefit of the Secured Parties, a legal, valid, binding and enforceable security interest in the Collateral described therein and proceeds and products thereof. In the case of the Pledged Stock, when any stock or membership certificates representing such Pledged Stock are delivered to the Administrative Agent with a corresponding endorsement, and in the case of the other Collateral described in the Guarantee and Collateral Agreement (other than Intellectual Property Collateral arising under foreign laws which have not been identified by the Loan Parties as material to their Permitted Businesses and have not been set forth on Schedule 6 of the Guarantee and Collateral Agreement), when financing statements in appropriate form are filed in the offices specified on *Schedule 4.19(a)-1* and such other filings and actions as are specified on Schedule 3 to the Guarantee and Collateral Agreement are made and taken, the Guarantee and Collateral Agreement shall constitute a fully perfected Lien on, and security interest in, all right, title and interest of the Loan Parties in such Collateral and the proceeds and products thereof, as security for the Obligations, in each case subject only to Permitted Liens and prior and superior in right to any other Lien (except

72

Senior Permitted Liens). *Schedule 4.19(a)-2* lists as of the Closing Date each UCC Financing Statement that names any Loan Party as debtor and will remain on file after the Closing Date.

(b) Each of the Mortgages is effective to create in favor of the Administrative Agent, for the benefit of the Secured Parties, a legal, valid, binding and enforceable Lien on, and security interest in, the Mortgaged Properties described therein and proceeds and products thereof, and when the Mortgages are filed in the offices specified on *Schedule 4.19(b)*, each such Mortgage shall constitute a fully perfected Lien on, and security interest in, all of the Mortgaged Properties and the proceeds and products thereof, as security for the Obligations, in each case subject only to Permitted Liens and prior and superior in right to any other Lien (except Senior Permitted Liens).

(c) The Intellectual Property Security Agreements are effective to create in favor of the Administrative Agent, for the benefit of the Secured Parties, a legal, valid and enforceable security interest in the Intellectual Property Collateral described therein and proceeds and products thereof. With respect to domestic Intellectual Property Collateral, upon the filing of (i) the Intellectual Property Security Agreements in the appropriate indexes of the United States Patent and Trademark Office relative to patents and trademarks (within three (3) months after the Closing Date), and the United States Copyright Office relative to copyrights (within thirty (30) days after the Closing Date), together with provision for payment of all requisite fees, and (ii) financing statements in appropriate form for filing in the offices specified on *Schedule 4.19(c)* (which financing statements have been duly completed and executed and filed in accordance with applicable Requirements of Law) the Intellectual Property Security Agreements shall constitute a fully perfected Lien on, and security interest in, all right, title and interest of the Loan Parties in the Intellectual Property Collateral and the proceeds and products thereof, as security for the Obligations, in each case subject only to Permitted Liens and prior and superior in right to any other Lien (except Senior Permitted Liens).

(d) The Control Agreements are effective to create in favor of the Administrative Agent, for the benefit of the Secured Parties, a legal, valid and enforceable security interest in the Accounts described therein and proceeds and products thereof. Upon the execution of the Control Agreements, the Control Agreements shall constitute fully perfected Liens on, and security interests in, all right, title and interest of the Loan Parties in the Accounts and the proceeds and products thereof, as security for the Obligations, in each case subject only to Permitted Liens and prior and superior in right to any other Lien (except Senior Permitted Liens).

4.20 *Solvency.* Each Loan Party and the Completion Guarantor is, and after giving effect to (i) the incurrence of all Indebtedness, (ii) the use of the proceeds of such Indebtedness (including, without limitation, the use of proceeds of the extensions of credit made by the Lenders hereunder) and (iii) obligations being incurred in connection with the Operative Documents, will be and will continue to be Solvent.

4.21 *Senior Indebtedness.* The Obligations (including, without limitation, the guarantee obligations of each Guarantor under the Loan Documents) constitute senior secured debt of each of the Loan Parties and "Permitted Debt" under and as defined in the Mortgage Notes Indenture. The Mortgage Notes, when issued and paid for, will be the legally valid and binding obligations of the Borrower and Capital Corp., enforceable against the Borrower and Capital Corp. in accordance with their terms, except as may be limited by bankruptcy, insolvency, reorganization, moratorium or similar laws relating to or limiting creditors' rights generally or by equitable principles relating to enforceability. The issuance and sale of Mortgage Notes, either (a) have been registered or qualified under applicable federal and state securities laws or (b) are exempt therefrom.

4.22 *Regulation H.* No Mortgage encumbers improved real property which is located in an area that has been identified by the Secretary of Housing and Urban Development as an area having special flood hazards and in which flood insurance has been made available under the National Flood Insurance Act of 1968.

73

4.23 *Insurance.* Each of the Loan Parties is insured by insurers of recognized financial responsibility against such losses and risks and in such amounts as are prudent and customary in the businesses in which it is engaged and in any event in accordance with Section 6.5; and none of the Loan Parties has any reason to believe that it will not be able to renew its existing insurance coverage as and when such coverage expires or to obtain similar coverage from similar insurers at a cost that could not reasonably be expected to have a Material Adverse Effect (other than as a result of general market conditions).

4.24 *Performance of Agreements; Material Contracts.* Neither the Completion Guarantor nor any Loan Party is in default in the performance, observance or fulfillment of any of the obligations, covenants or conditions contained in any of its Contractual Obligations, and no condition exists that, with the giving of notice or the lapse of time or both, would constitute such a default, in each case, except where the consequences of such default or defaults, if any, could not reasonably be expected to have a Material Adverse Effect. *Schedule 4.24* contains a true, correct and complete list of all the Material Contracts in effect on the Closing Date. All Material Contracts (other than Material Contracts described in clause (ii) of the definition thereof) are, to the knowledge of the Borrower, in full force and effect and no material defaults currently exist thereunder.

4.25 *Real Estate.*

(a) As of the Closing Date, *Schedule 4.25(a)* sets forth a true, complete and correct list of all Real Estate, including a brief description thereof, including, in the case of leases, the street address, landlord name, tenant name, guarantor name, current rent amount, lease date and lease expiration date. The Borrower has delivered to the Administrative Agent true, complete and correct copies of all such leases.

(b) All Real Estate and the current use thereof complies with all applicable Requirements of Law (including building and zoning ordinances and codes) and with all Insurance Requirements, and none of the Loan Parties are non-conforming users of such Real Estate, except where noncompliance or such non-conforming use could not, individually or collectively, reasonably be expected to have a Material Adverse Effect.

(c) No Taking has been commenced or, to the Borrower's knowledge, is contemplated with respect to all or any portion of any Real Estate or for the relocation of roadways providing access to such Real Estate except, in each case, as could not, individually or collectively, reasonably be expected to have a Material Adverse Effect.

(d) Except as set forth on *Schedule 4.25(d)*, as of the Closing Date there are no current, pending or, to the knowledge of the Borrower, proposed special or other assessments for public improvements or otherwise affecting any Real Estate, nor are there any contemplated improvements to such Real Estate that may result in such special or other assessments. There are no current, pending or, to the knowledge of the Borrower, proposed special or other assessments for public improvements or otherwise affecting any Real Estate, nor are there any contemplated improvements to such Real Estate that may result in such special or other assessments, in any case that could reasonably be expected to result in a material liability to any Loan Party.

(e) None of the Loan Parties has suffered, permitted or initiated the joint assessment of any Real Estate with any other real property constituting a separate tax lot. The Mortgaged Properties have been properly subdivided or entitled to exception therefrom, and for all purposes the Mortgaged Properties may be mortgaged, conveyed and, other than those with respect to leasehold interests, otherwise dealt with as separate legal lots or parcels.

(f) The use being made of all Real Estate is in conformity with the certificate of occupancy and/or such other permits, licenses, variances and certificates for such Real Estate and any other reciprocal easement agreements, restrictions, covenants or conditions affecting such Real Estate except,

74

in each case, to the extent such non-conformity could not reasonably be expected to materially and adversely affect the ownership, occupancy, use or operation of the Mortgaged Properties in furtherance of the Permitted Business of the applicable Loan Party.

(g) There are no outstanding options to purchase or rights of first refusal or restrictions on transferability affecting any Real Estate (other than those set forth in the Financing Agreements).

(h) All Real Estate (other than the Phase II Land) has adequate rights of access to public ways and is served by installed, operating and adequate water, electric, gas, telephone, sewer, sanitary sewer and storm drain facilities, in each case as necessary to permit the Real Estate to be used for its intended purposes. All roads necessary for the utilization of the Real Estate (other than the Phase II Land) for its current purpose have been completed and dedicated to public use and accepted by all Governmental Authorities or are the subject of access easements for the benefit of such Real Estate.

(i) Except as could not, individually or collectively, reasonably be expected to have a Material Adverse Effect, no building or structure constituting Real Estate or any appurtenance thereto or equipment thereon, or the use, operation or maintenance thereof, violates any restrictive covenant or encroaches on any

easement or on any property owned by others.

(j) Since the Closing Date, no portion of the Real Estate has suffered any material damage by fire or other casualty loss that has not heretofore been repaired and restored. No portion of the Real Estate is located in a special flood hazard area as designated by any federal governmental authorities.

(g) (i) Any Person shall engage in any "prohibited transaction" (as defined in Section 406 of ERISA or Section 4975 of the Code) involving any Plan, (ii) any "accumulated funding deficiency" (as defined in Section 302 of ERISA), whether or not waived, shall exist with respect to any Plan or any Lien in favor of the PBGC or a Plan shall arise on the assets of any Loan Party or any Commonly Controlled Entity, (iii) a Reportable Event shall occur with respect to, or proceedings shall commence to have a trustee appointed, or a trustee shall be appointed, to administer or to terminate, any Single Employer Plan, which Reportable Event or commencement of proceedings or appointment of a trustee is, in the reasonable opinion of the Required Lenders, likely to result in the termination of such Plan for purposes of Title IV of ERISA, (iv) any Single Employer Plan shall terminate for purposes of Title IV of ERISA other than in a standard termination under Section 4041(b) of ERISA, (v) any Loan Party or any Commonly Controlled Entity shall, or in the reasonable opinion of the Required Lenders is likely to, incur any liability in connection with a withdrawal from, or the Insolvency or Reorganization of, a Multiemployer Plan or (vi) any Loan Party, or any of their Subsidiaries or any Commonly Controlled Entity shall be required to make during any Fiscal Year payments pursuant to any employee welfare benefit plan (as defined in Section 3(1) of ERISA) that provides benefits to retired employees (or their dependents), other than as required by Sections 601 et. seq. of ERISA, Section 4980B of the Code, or the corresponding provisions of applicable state law; and in each case in subsections (i) through (vi) above, such event or condition, together with all other such events or conditions, if any, could reasonably be expected to have a Material Adverse Effect; or

(h) One or more judgments or decrees shall be entered against any Loan Party involving for the Loan Parties taken as a whole a liability (not paid or fully covered by insurance as to which the relevant insurance company has acknowledged coverage) of \$5,000,000 or more, and all such judgments or decrees shall not have been vacated, discharged, stayed or bonded pending appeal within 45 days from the entry thereof; or

(i) Any of the Security Documents, the guarantee contained in Section 2 of the Guarantee and Collateral Agreement or, to the extent executed and delivered pursuant to the Wynn Resorts Guaranty, the Wynn Resorts Security Agreement, shall cease, for any reason (other than pursuant to the terms thereof), to be in full force and effect, or any Loan Party or any Affiliate of any Loan Party shall so assert or shall assert that any provision of any Loan Document is not in full force

and effect, or any Lien created by any of the Security Documents shall cease to be enforceable and of the same effect and priority purported to be created thereby; or

(j) Any of the Operative Documents shall terminate or be terminated or canceled, become invalid or illegal or otherwise cease to be in full force and effect prior to its stated expiration date or Wynn Resorts, the Borrower, any other Loan Party, any Affiliate of the Borrower or any other Person shall breach or default under any term, condition, provision, covenant, representation or warranty contained in any Project Document (after the giving of any applicable notice and the expiration of any applicable grace period); provided, that the occurrence of any of the foregoing events with respect to any Project Document (other than any Material Affiliated Contract) shall constitute an Event of Default hereunder only if the same could reasonably be expected to result in a Material Adverse Effect and the same shall continue unremedied for thirty (30) days after the earlier of (i) the Borrower or any other Loan Party becoming aware of such occurrence or (ii) receipt by the Borrower or any other Loan Party of notice from the Administrative Agent or any Lender of such occurrence; provided, however, that in the case of any such Project Document, if the occurrence is the result of actions or inactions by a party other than a Loan Party, then no Event of Default shall be deemed to have occurred as a result thereof if the Borrower provides written notice to the Administrative Agent immediately upon (but in no event more than two (2) Banking Days after) the Borrower or any Loan Party becoming aware of, or receiving notice of, such occurrence that the relevant Loan Party intends to replace such Project Document and (x) such Loan Party obtains a replacement obligor or obligors for the affected party, (y) such Loan Party enters into a replacement Project Document on terms no less beneficial to such Loan Party and the Secured Parties in any material respect than the Project Document being replaced within sixty (60) days of such occurrence; *provided, however*, that the replacement Project Document may require the applicable Loan Party to pay amounts under the replacement Project Document in excess of those that would have been payable under the replaced Project Document and (z) such occurrence, after considering any replacement obligor and replacement Project Document and the time required to implement such replacement, has not had and could not reasonably be expected to have a Material Adverse Effect; *provided, further*, that a breach, default or termination under any Construction Contract prior to the Completion Date shall constitute an Event of Default hereunder only to the extent such breach, default or termination constitutes a Disbursement Agreement Event of Default; or

(k) an "event of default" under and as defined in any of the Financing Agreements (other than the Loan Documents) (in any event, after the expiration of any applicable cure periods); or

(l) (i) A Change of Control shall occur; or (ii) a Specified Change of Control shall occur; or

(m) The Liens on the Property of the Completion Guarantor, the Loan Parties or Wynn Resorts, under the Mortgage Notes Indenture or the Mortgage Notes Guarantee, in each case as permitted pursuant to Section 7.3(k), shall cease, for any reason, to be validly subordinated and junior in right to the Liens of the Administrative Agent and the Secured Parties on the Property of such Persons under the Loan Documents;

(n) Any Subordinated Debt or the Management Fees payable under the Management Agreement shall cease, for any reason, to be validly subordinated to the Obligations of the Loan Parties as provided in the Management Agreement, the Management Fee Subordination Agreement and the documentation, instruments or other agreements related to the Subordinated Debt, as the case may be;

(p) The Borrower or any other Loan Party shall fail to observe, satisfy or perform, or there shall be a violation or breach of, any of the terms, provisions, agreements, covenants or conditions attaching to or under the issuance to such Person of any Permit or any such Permit or any provision thereof shall be suspended, revoked, cancelled, terminated or materially and adversely modified or fail to be in full force and effect or any Governmental Authority shall challenge or seek to revoke any such Permit if such failure to perform, violation, breach, suspension, revocation, cancellation, termination or modification could reasonably be expected to have a Material Adverse Effect; or

(p) The Completion Date shall not have occurred by the Scheduled Completion Date.

then, and in any such event, (A) if such event is an Event of Default specified in subsection (i) or (ii) of paragraph (f) above with respect to Wynn Resorts or any Loan Party, automatically the Commitments shall immediately terminate and the Loans hereunder (with accrued interest thereon) and all other amounts owing under this Agreement and the other Loan Documents (including, without limitation, all amounts of L/C Obligations, whether or not the beneficiaries of the then outstanding Letters of Credit shall have presented the documents required thereunder) shall immediately become due and payable, and (B) if such event is any other Event of Default, either or both of the following actions may be taken: (i) with the consent of the Required Facility Lenders for the respective Facility, the Administrative Agent may, or upon the request of the Required Facility Lenders for the respective Facility, the Administrative Agent shall, by notice to the Borrower, declare the Revolving Credit Commitments and/or the Term Loan Commitments, as the case may be, to be terminated forthwith, whereupon the applicable Commitments shall immediately terminate; and (ii) with the consent of the Required Lenders, the Administrative Agent may, or upon the request of the Required Lenders, the Administrative Agent shall, by notice to the Borrower, declare the Loans hereunder (with accrued interest thereon) and all other amounts owing under this Agreement and the other Loan Documents (including, without limitation, all amounts of L/C Obligations, whether or not the beneficiaries of the then outstanding Letters of Credit shall have presented the documents required thereunder) to be due and payable forthwith, whereupon the same shall immediately become due and payable. Upon the occurrence and during the continuation of an Event of Default, the Administrative Agent and the Lenders shall be entitled to exercise any and all remedies available under the Security Documents (subject to applicable Nevada Gaming Laws and securing any required Nevada Gaming Approvals), including, without limitation, the Guarantee and Collateral Agreement and the Mortgages, or otherwise available under applicable law, in equity or otherwise, including, without limitation, the right to (I) enter into possession of the Project and perform any and all work and labor necessary to complete the Project or to operate and maintain the Project, and all sums expended by the Administrative Agent or any other Secured Party in so doing, together with interest on such total amount at the highest default rate provided hereunder, shall be Obligations hereunder, shall be repaid by the Borrower to the Administrative Agent or such Secured Party upon demand and shall be secured by the Loan Documents, notwithstanding that such expenditures may, together with amounts advanced under this Agreement, exceed the total amount of the Commitments and (II) set off and apply all monies on deposit in any Account or any amounts paid under the Completion Guaranty or any other monies of a Loan Party on deposit with the Administrative Agent or any Lender to the satisfaction of the Obligations. With respect to all Letters of Credit with respect to which presentment for honor shall not have occurred at the time of an acceleration pursuant to this paragraph, the Borrower shall at such time deposit in a cash collateral account opened by the Administrative Agent an amount in immediately available funds equal to the aggregate then undrawn and unexpired amount of such Letters of Credit (and the Borrower hereby grants to the Administrative Agent, for the ratable benefit of the Secured Parties, a continuing security interest in all amounts at any time on deposit in such cash collateral account to secure the undrawn and unexpired amount of such Letters of Credit and all other Obligations). If

at any time the Administrative Agent determines that any funds held in such cash collateral account are subject to any right or claim of any Person other than the Administrative Agent and the Secured Parties or as otherwise permitted pursuant to Section 7.3(k) or that the total amount of such funds is less than the aggregate undrawn and unexpired amount of outstanding Letters of Credit, the Borrower shall, forthwith upon demand by the Administrative Agent, pay to the Administrative Agent, as additional funds to be deposited and held in such cash collateral account, an amount equal to the excess of (a) such aggregate undrawn and unexpired amount over (b) the total amount of funds, if any, then held in such cash collateral account that the Administrative Agent determines to be free and clear of any such right and claim. Amounts held in such cash collateral account shall be applied by the Administrative Agent to the payment of drafts drawn under such Letters of Credit, and the unused portion thereof after all such Letters of Credit shall have expired or been fully drawn upon, if any, shall be applied to repay other Obligations of the Loan Parties hereunder and under the other Loan Documents. After all such Letters of Credit shall have expired or been fully drawn upon, all Reimbursement Obligations shall have been satisfied and all other Obligations of the Loan Parties hereunder and under the other Loan Documents shall have been paid in full, the balance, if any, in such cash collateral account shall be returned to the Loan Parties (or such other Person as may be lawfully entitled thereto). Notwithstanding anything to the contrary contained in this Agreement, in the event the consent of the Lenders (whether the Required Lenders, the Required Facility Lenders for a particular Facility or otherwise) is required in connection with the exercise of remedies pursuant to this Section 8, for purposes of determining the required lender consent pursuant to the applicable definitions thereto (whether the "Required Lenders", the "Required Facility Lenders" or otherwise), the Commitments of the Lenders shall be deemed terminated.

SECTION 9. THE AGENTS; THE ARRANGERS; THE MANAGERS

9.1 *Appointment.* Each Lender hereby irrevocably designates and appoints the Agents as the agents of such Lender under this Agreement and the other Loan Documents, and each such Lender irrevocably authorizes each Agent, in such capacity, to take such action on its behalf under the provisions of this Agreement and the other Loan Documents and to exercise such powers and perform such duties as are expressly delegated to such Agent by the terms of this Agreement and the other Loan Documents, together with such other powers as are reasonably incidental thereto. Notwithstanding any provision to the contrary elsewhere in this Agreement, no Agent shall have any duties or responsibilities, except those expressly set forth herein, or any fiduciary relationship with any Lender, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Loan Document or otherwise exist against any Agent.

9.2 *Delegation of Duties.* Each Agent may execute any of its duties under this Agreement and the other Loan Documents by or through agents or attorneys-in-fact and shall be entitled to advice of counsel concerning all matters pertaining to such duties. No Agent shall be responsible for the negligence or

misconduct of any agents or attorneys in-fact selected by it with reasonable care.

9.3 *Exculpatory Provisions.* No Arranger, Manager or Agent nor any of their respective officers, directors, partners, employees, agents, attorneys and other advisors, attorneys-in-fact or affiliates shall be (i) liable for any action lawfully taken or omitted to be taken by it or such Person under or in connection with this Agreement or any other Loan Document (except to the extent that any of the foregoing are found by a final and nonappealable decision of a court of competent jurisdiction to have resulted solely and proximately from its or such Person's own gross negligence or willful misconduct in breach of a duty owed to the party asserting liability) or (ii) responsible in any manner to any of the Lenders for any recitals, statements, representations or warranties made by any Person or any officer thereof contained in this Agreement or any other Loan Document or in any certificate, report, statement or other document referred to or provided for in, or received by the Arrangers, the

114

Managers or the Agents under or in connection with, this Agreement or any other Loan Document or for the value, validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Loan Document or for any failure of any Person party thereto to perform its obligations hereunder or thereunder. Neither the Agents, the Managers nor the Arrangers shall be under any obligation to any Lender to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Loan Document, or to inspect the properties, books or records of any Person.

9.4 *Reliance by Agents.* Each Agent shall be entitled to rely, and shall be fully protected in relying, upon any instrument, writing, resolution, notice, consent, certificate, affidavit, letter, teletype, telex or teletype message, statement, order or other document or conversation believed by it to be genuine and correct and to have been signed, sent or made by the proper Person or Persons and upon advice and statements of legal counsel (including, without limitation, counsel to the Loan Parties), independent accountants and other experts selected by such Agent. The Agents may deem and treat the payee of any Note as the owner thereof for all purposes unless a written notice of assignment, negotiation or transfer thereof shall have been filed with the Administrative Agent. Each Agent shall be fully justified in failing or refusing to take any action under this Agreement or any other Loan Document unless it shall first receive such advice or concurrence of the Required Lenders or the requisite Lenders required under Section 10.1 to authorize or require such action (or, if so specified by this Agreement, all Lenders) as it deems appropriate or it shall first be indemnified to its satisfaction by the Lenders against any and all liability and expense that may be incurred by it by reason of taking or continuing to take any such action. Each Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement and the other Loan Documents in accordance with a request of the Required Lenders or the requisite Lenders under Section 10.1 to authorize or require such action (or, if so specified by this Agreement, all Lenders), and such request and any action taken or failure to act pursuant thereto shall be binding upon all the Lenders and all future holders of the Loans and Letters of Credit.

9.5 *Notice of Default.* No Agent shall be deemed to have knowledge or notice of the occurrence of any Default or Event of Default hereunder unless such Agent has received notice from a Lender or the Borrower referring to this Agreement, describing such Default or Event of Default and stating that such notice is a "notice of default". In the event that the Administrative Agent receives such a notice, the Administrative Agent shall give notice thereof to the Lenders. The Administrative Agent shall take such action with respect to such Default or Event of Default as shall be reasonably directed by the requisite Lenders (or, if so specified by this Agreement, all Lenders); *provided*, that unless and until the Administrative Agent shall have received such directions, the Administrative Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default or Event of Default as it shall deem advisable in the best interests of the Lenders.

9.6 *Non-Reliance on Agents, Managers, Arrangers and Other Lenders.* Each Lender expressly acknowledges that neither the Arrangers, the Agents, the Managers nor any of their respective officers, directors, employees, agents, attorneys and other advisors, partners, attorneys-in-fact or affiliates have made any representations or warranties to it and that no act by any Arranger, Agent or Manager hereinafter taken, including any review of the affairs of a Loan Party, the Completion Guarantor or any other Person, shall be deemed to constitute any representation or warranty by any Arranger, Agent or Manager to any Lender. Each Lender represents to the Arrangers, the Agents and the Managers that it has, independently and without reliance upon any Arranger, Agent or Manager or any other Lender, and based on such documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, operations, property, financial and other condition, prospects and creditworthiness of the Loan Parties and the Completion Guarantor and their affiliates and made its own decision to make its Loans (and in the case of the Issuing Lender, its Letters of Credit) hereunder and enter into this Agreement. Each Lender also represents that it will, independently and without

115

reliance upon any Arranger, Agent or Manager or any other Lender, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement and the other Loan Documents, and to make such investigation as it deems necessary to inform itself as to the business, operations, property, financial and other condition, prospects and creditworthiness of the Loan Parties and the Completion Guarantor and their affiliates. Except for notices, reports and other documents expressly required to be furnished to the Lenders by the Administrative Agent hereunder, no Arranger, Agent or Manager shall have any duty or responsibility to provide any Lender with any credit or other information concerning the business, operations, property, condition (financial or otherwise), prospects or creditworthiness of any Loan Party or the Completion Guarantor or any other Person that may come into the possession of such Arranger, Agent or Manager or any of its officers, directors, employees, agents, attorneys and other advisors, partners, attorneys-in-fact or affiliates.

9.7 *Indemnification.* The Lenders agree to indemnify each Arranger, Agent and Manager in its capacity as such (to the extent not reimbursed by the Borrower and without limiting the obligation of the Borrower to do so), ratably according to their respective Aggregate Exposure Percentages in effect on the date on which indemnification is sought under this Section (or, if indemnification is sought after the date upon which the Commitments shall have terminated and the Loans shall have been paid in full, ratably in accordance with such Aggregate Exposure Percentages immediately prior to such date), from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind whatsoever that may at any time (including, without limitation, at any time following the payment of the Loans) be imposed on, incurred by or asserted against such Arranger, Agent or Manager in any way relating to or arising out of, the Commitments, this Agreement, any of the other Loan Documents or any documents contemplated by or referred to herein or therein or the transactions contemplated hereby or thereby or any action taken or omitted by such Arranger, Agent or Manager under or in connection with any of the foregoing; provided, that no Lender shall be liable for the payment of any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements that are found by a final and nonappealable decision of a court of competent jurisdiction to have

resulted solely and proximately from such Arranger's, Agent's or Manager's gross negligence or willful misconduct in breach of a duty owed to such Lender. The agreements in this Section 9.7 shall survive the payment of the Loans and Letters of Credit and all other amounts payable hereunder.

9.8 *Arrangers, Agents and Managers in Their Individual Capacities.* Each Arranger, Agent and Manager and their respective affiliates may make loans to, accept deposits from and generally engage in any kind of business with any Loan Party as though such Arranger was not an Arranger, such Agent was not an Agent and such Manager was not a Manager. With respect to any Loans made or renewed by it and with respect to any Letter of Credit issued or participated in by it, each Arranger, Agent and Manager shall have the same rights and powers under this Agreement and the other Loan Documents as any Lender and may exercise the same as though it were not an Arranger, an Agent or a Manager, as the case may be, and the terms "Lender" and "Lenders" shall include each Arranger, Agent and Manager in their respective individual capacities.

9.9 *Successor Agents.* The Administrative Agent may resign as Administrative Agent upon 10 days' notice to the Lenders and the Borrower. If the Administrative Agent shall resign as Administrative Agent under this Agreement and the other Loan Documents, then the Required Lenders shall appoint from among the Lenders a successor agent for the Lenders, which successor agent shall (unless an Event of Default under Section 8(a) or Section 8(f) with respect to the Borrower shall have occurred and be continuing) be subject to approval by the Borrower (which approval shall not be unreasonably withheld, conditioned or delayed), whereupon such successor agent shall succeed to the rights, powers and duties of the Administrative Agent, and the term "Administrative Agent" shall mean such successor agent effective upon such appointment and approval, and the former

116

Administrative Agent's rights, powers and duties as Administrative Agent shall be terminated, without any other or further act or deed on the part of such former Administrative Agent or any of the parties to this Agreement or any holders of the Loans or Letters of Credit. If no successor agent has accepted appointment as Administrative Agent by the date that is 10 days following a retiring Administrative Agent's notice of resignation, the retiring Administrative Agent's resignation shall nevertheless thereupon become effective, and the Lenders shall assume and perform all of the duties of the Administrative Agent hereunder until such time, if any, as the Required Lenders appoint a successor agent as provided for above. After any retiring Administrative Agent's resignation as the Administrative Agent, the provisions of this Section 9 shall inure to its benefit as to any actions taken or omitted to be taken by it while it was the Administrative Agent under this Agreement and the other Loan Documents.

9.10 *Authorization to Release Liens.* The Administrative Agent is hereby irrevocably authorized by each of the Lenders to release any Lien covering any Property of the Completion Guarantor, the Borrower or any of the other Loan Parties or any other Person that is the subject of a Disposition which is permitted by this Agreement or any other Loan Document or which has been consented to in accordance with Section 10.1.

9.11 *The Arrangers and Managers.* Other than with respect to, in the case of the Arrangers, Sections 2.4, 2.24, 7.2(h) and 7.5 and the definition of "Subordinated Debt", the Arrangers and the Managers, in their capacity as such, shall have no duties or responsibilities, and shall incur no liability, under this Agreement and the other Loan Documents.

9.12 *Withholdings.* (a) To the extent required by any applicable law, the Administrative Agent may withhold from any interest payment to any Lender an amount equivalent to any applicable withholding tax. If the forms or other documentation required by Section 2.20(f) are not delivered to the Administrative Agent, then the Administrative Agent may withhold from any interest payment to any Lender not providing such forms or other documentation, an amount equivalent to the applicable withholding tax.

(b) If the Internal Revenue Service or any authority of the United States or other jurisdiction asserts a claim that the Administrative Agent did not properly withhold tax from amounts paid to or for the account of any Lender (because the appropriate form was not delivered, was not properly executed, or because such Lender failed to notify the Administrative Agent of a change in circumstances which rendered the exemption from, or reduction of, withholding tax ineffective, or for any other reason), such Lender shall indemnify the Administrative Agent fully for all amounts paid, directly or indirectly, by the Administrative Agent as tax or otherwise, including penalties and interest, together with all expenses incurred, including legal expenses, allocated staff costs and any out of pocket expenses.

(c) If any Lender sells, assigns, grants a participation in, or otherwise transfers its rights under this Agreement, the purchaser, assignee, participant or transferee, as applicable, shall comply and be bound by the terms of Section 2.20(f) and this Section 9.12.

117

SECTION 10. MISCELLANEOUS

10.1 *Amendments and Waivers.* (a) Neither this Agreement nor any other Loan Document, nor any terms hereof or thereof may be amended, supplemented or modified except in accordance with the provisions of this Section 10.1. The Required Lenders and each other Person party to the relevant Loan Document may, or (with the written consent of the Required Lenders) the Administrative Agent and each other Person party to the relevant Loan Document may, from time to time, (x) enter into written amendments, supplements or modifications hereto and to the other Loan Documents (including amendments and restatements hereof or thereof) for the purpose of adding any provisions to this Agreement or the other Loan Documents or changing in any manner the rights of the Lenders or of the other Persons hereunder or thereunder or (y) waive, on such terms and conditions as may be specified in the instrument of waiver, any of the requirements of this Agreement or the other Loan Documents or any Default or Event of Default and its consequences. Notwithstanding the foregoing, no such waiver and no such amendment, supplement or modification shall (i) forgive the principal amount or extend the final scheduled date of maturity of any Loan or Reimbursement Obligation, extend the scheduled date of any amortization payment in respect of any Term Loan, reduce the stated rate of any interest or fee payable hereunder or forgive the payment of any interest or fee payable hereunder or extend the scheduled date of any payment thereof, or increase the amount or extend the expiration date of any Commitment of any Lender, in each case without the consent of each Lender (other than a Defaulting Lender) directly affected thereby (such consent being in lieu of the consent of the Required Lenders required pursuant to the second sentence of this Section 10.1); (ii) amend, modify or waive any provision of this Section or reduce any percentage specified in the definition of Required Lenders, Required Facility Lenders, Applicable Facility Lenders or Majority Initial Arrangers, consent to the assignment or transfer by any Person (other than a Lender) of any of its rights and obligations under this Agreement and the other Loan Documents, release all or substantially all of the Collateral or release a significant Guarantor from its guarantee obligations under the Loan Documents, in each case without the consent of all Lenders (other than Defaulting Lenders); (iii) amend, modify or waive any provision of Section 9 without the consent of any Arranger, Agent or Manager directly affected thereby (in addition to the consent of the Required Lenders required pursuant to the second sentence of this Section 10.1); (iv) amend, modify or waive any provision of Section 2.6 or 2.7 without the written consent of the Swing Line Lender (in

addition to the consent of the Required Lenders required pursuant to the second sentence of this Section 10.1); (v) amend, modify or waive any provision of Section 2.12(g) or Section 2.18 without the consent of the Required Facility Lenders with respect to the Facility directly affected thereby (such consent being in lieu of the consent of the Required Lenders required pursuant to the second sentence of this Section 10.1); (vi) amend, modify or waive any provision of Section 3 without the consent of the Issuing Lender (in addition to the consent of the Required Lenders required pursuant to the second sentence of this Section 10.1), (vii) amend, modify or waive any condition, provision or requirement to the funding of Loans or the issuance or amendment of Letters of Credit (whether pursuant to the Disbursement Agreement, this Agreement or otherwise) without the consent of, (I) in the case of Term Loans, the Required Facility Lenders with respect to the Term Loan Facility, (II) in the case of Revolving Credit Loans, the Required Facility Lenders with respect to the Revolving Credit Facility, and (III) in the case of the issuance or amendment of Letters of Credit, the Required Facility Lenders with respect to the Revolving Credit Facility (in each case such consent being in lieu of the consent of the Required Lenders required pursuant to the second sentence of this Section 10.1), (viii) subject to clause (ii) above, amend, modify or waive any condition, provision or requirement set forth in Section 7.5 or release any Collateral not permitted to be Disposed of pursuant to Section 7.5 without, in each case, the consent of the Supermajority Lenders, (ix) amend, modify or waive any provision of Section 2.5.1 or 2.5.2 of the Disbursement Agreement without the written consent of all Lenders (other than Defaulting Lenders) and (x) reduce or otherwise diminish the amounts (I) required to be deposited, and from time to time maintained on deposit, by the Borrower in the Company's Funds Account and

118

the Second Mortgage Notes Proceeds Account, respectively, as required pursuant to the Disbursement Agreement or (II) utilized or to be utilized from such Accounts for the payment of Project Costs as required pursuant to the Disbursement Agreement, in each case without the written consent of all Lenders (other than Defaulting Lenders); *provided, however*, that any Loan Conversion shall be at the sole discretion of the Majority Initial Arrangers and shall not require the consent of any other Lender pursuant to this Section 10.1 or otherwise. Any such waiver and any such amendment, supplement or modification shall apply equally to each of the Lenders and shall be binding upon the Loan Parties, the Lenders, the Agents, the Arrangers, the Managers and all future holders of the Loans and Letters of Credit. In the case of any waiver, the Loan Parties, the Lenders, the Arrangers, the Managers and the Agents shall be restored to their former position and rights hereunder and under the other Loan Documents, and any Default or Event of Default waived shall be deemed to be cured and not continuing; but no such waiver shall extend to any subsequent or other Default or Event of Default, or impair any right consequent thereon. Any such waiver, amendment, supplement or modification shall be effected by a written instrument signed by the parties required to sign pursuant to the foregoing provisions of this Section; *provided*, that delivery of an executed signature page of any such instrument by facsimile transmission shall be effective as delivery of a manually executed counterpart thereof. Subject to subsections (vii), (ix) and (x) above, to the extent the Administrative Agent is entitled or required to make any determinations (whether a consent, waiver or otherwise) under the Intercreditor Agreements or the Disbursement Agreement, the Administrative Agent shall make such determinations upon the advice of the Required Lenders.

(b) Notwithstanding the foregoing, this Agreement may be amended (or amended and restated) with the written consent of the Required Lenders, the Required Facility Lenders with respect to the affected Facility and the Borrower to permit a Revolving Credit Lender(s) or a Term Loan Lender(s), as the case may be (or other Eligible Assignee reasonably acceptable to the Administrative Agent, who desires to become a Revolving Credit Lender or a Term Loan Lender, as the case may be), to increase its (their) Revolving Credit Commitments or Term Loan Commitments, as the case may be (or, in the case of an Eligible Assignee, acquire Revolving Credit Commitments or Term Loan Commitments, as the case may be, in which case such Eligible Assignee shall be deemed a "Revolving Credit Lender" or "Term Loan Lender", as the case may be, hereunder), *provided*, that the Administrative Agent may make such changes to this Agreement and the other Loan Documents as are necessary solely to permit a Revolving Credit Lender(s) or a Term Loan Lender(s), as the case may be (or other Eligible Assignee reasonably acceptable to the Administrative Agent, who desires to become a Revolving Credit Lender or a Term Loan Lender, as the case may be), to increase its (their) Revolving Credit Commitments or Term Loan Commitments, as the case may be (or, in the case of an Eligible Assignee, acquire Revolving Credit Commitments or Term Loan Commitments, as the case may be, in which case such Eligible Assignee shall be deemed a "Revolving Credit Lender" or "Term Loan Lender", as the case may be, hereunder), in an amount permitted by, and for the purposes set forth in, Section 7.2(m); *provided, further*, that with respect to any increases in the aggregate Commitments prior to the Completion Date in excess of the sum of (I) \$50,000,000 and (II) Commitment increases made pursuant to the first proviso of this subsection 10.1(b), this Agreement may be amended (or amended and restated) only with the written consent of the Supermajority Lenders, the Supermajority Facility Lenders with respect to the affected Facility and the Borrower to permit a Revolving Credit Lender(s) or a Term Loan Lender(s), as the case may be (or other Eligible Assignee reasonably acceptable to the Administrative Agent, who desires to become a Revolving Credit Lender or a Term Loan Lender, as the case may be), to increase its (their) Revolving Credit Commitments or Term Loan Commitments, as the case may be (or, in the case of an Eligible Assignee, acquire Revolving Credit Commitments or Term Loan Commitments, as the case may be, in which case such Eligible Assignee shall be deemed a "Revolving Credit Lender" or "Term Loan Lender", as the case may be, hereunder) (all such increases in the Revolving Credit Commitments and the Term Loan Commitments pursuant to this subsection 10.1(b), the "*Increased Commitments*"), in each which case the Lenders holding such Increased

119

Commitments shall be appropriately included in any future determination of the Required Lenders, the Supermajority Lenders and the Required Facility Lenders and Supermajority Facility Lenders with respect to the applicable Facility; *provided*, that nothing contained in this sentence is intended, nor shall it be construed, to be a commitment or otherwise create an obligation on behalf of any Lender to make Increased Commitments; *provided, further*, that, except with respect to Loan Conversions, in no event shall the Commitment of any Lender be increased without such Lender's consent.

(c) Notwithstanding anything to the contrary in this Section 10.1, the parties to the Administrative Agent Fee Letter and the Facility Fee Letter may, (i) enter into written amendments, supplements or modifications to the Administrative Agent Fee Letter or the Facility Fee Letter, as the case may be (including amendments and restatements thereof), for the purpose of adding any provisions thereto or changing in any manner the rights thereunder of the parties thereto or (ii) waive, on such terms and conditions as may be specified in the instrument of waiver, (1) any of the requirements of the Administrative Agent Fee Letter or the Facility Fee Letter, as the case may be, or (2) any Default or Event of Default to the extent (and only to the extent) relating to the Administrative Agent Fee Letter or the Facility Fee Letter, it being understood that the waiver of any Default or Event of Default (or portion thereof) relating to any of the other Loan Documents may be accomplished only as set forth in the immediately preceding paragraph.

10.2 *Notices.* All notices, requests and demands to or upon the respective parties hereto to be effective shall be in writing (including by telecopy), and, unless otherwise expressly provided herein, shall be deemed to have been duly given or made when delivered, or three Business Days after being deposited in the mail, postage prepaid, or, in the case of telecopy notice, when received, addressed (a) in the case of the Borrower, the Arrangers, the Managers and the Agents, as follows and (b) in the case of the Lenders, as set forth on Schedule I to the Lender Addendum to which such Lender is a party or, in the case of a Lender which becomes a party to this Agreement pursuant to an Assignment and Acceptance, in such Assignment and Acceptance or (c) in the case of any party, to such other address as such party may hereafter notify to the other parties hereto:

Issuing Lender:

As notified by the Issuing Lender to the
Administrative Agent and the Borrower

10.3 *No Waiver; Cumulative Remedies.* No failure to exercise and no delay in exercising, on the part of any Arranger, any Agent, any Manager or any Lender, any right, remedy, power or privilege hereunder or under the other Loan Documents shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided are cumulative and not exclusive of any rights, remedies, powers and privileges provided by law.

10.4 *Survival of Representations and Warranties.* All representations and warranties made hereunder, in the other Loan Documents and in any document, certificate or statement delivered pursuant hereto or in connection herewith shall survive the execution and delivery of this Agreement and the making of the Loans and other extensions of credit hereunder.

122

10.5 *Payment of Expenses; Indemnification.* The Borrower agrees (a) to pay or reimburse the Arrangers, the Agents and the Managers for all their reasonable and itemized out-of-pocket costs and expenses incurred in connection with the syndication of the Facilities (other than fees payable to syndicate members) and the development, preparation, negotiation and execution of, and any amendment, supplement or modification to, this Agreement and the other Loan Documents and any other documents prepared in connection herewith or therewith, and the consummation and administration of the transactions contemplated hereby and thereby, including, without limitation, the reasonable fees and disbursements and other charges of the Collateral Agent and counsel to each of the Arrangers, the Agents and the Managers and the charges of IntraLinks and the fees, expenses and disbursements of consultants (including, without limitation, the Construction Consultant and any other engineering, insurance or construction consultants), (b) to pay or reimburse each Lender, Arranger, Manager

and Agent for all its costs and expenses incurred in connection with the enforcement or preservation of any rights under this Agreement, the other Loan Documents and any such other documents, including, without limitation, the fees and disbursements of counsel (including the allocated fees and disbursements and other charges of in-house counsel) to each Lender and of counsel to each Arranger, Manager and Agent and the charges of IntraLinks, (c) to pay, indemnify, and hold each Lender, Arranger, Manager and Agent harmless from, any and all recording and filing fees and any and all liabilities with respect to, or resulting from any delay in paying, stamp, excise and other taxes, if any, which may be payable or determined to be payable in connection with the execution and delivery of, or consummation or administration of any of the transactions contemplated by, or any amendment, supplement or modification of, or any waiver or consent under or in respect of, this Agreement, the other Loan Documents and any such other documents, and (d) to pay, indemnify, and hold each Lender, Arranger, Agent, Manager, their respective affiliates, and their respective officers, directors, partners, trustees, employees, affiliates, shareholders, attorneys and other advisors, agents, attorneys-in-fact and controlling persons (each, an "Indemnitee") harmless from and against any and all other liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever with respect to or arising out of the execution, delivery, enforcement, performance and administration of this Agreement, the other Loan Documents and any such other documents, including, without limitation, any of the foregoing relating to the use of proceeds of the Loans or Letters of Credit, the violation of, noncompliance with or liability under, any Environmental Law applicable to the operations of any Loan Party or any of their Properties or the use by unauthorized persons of information or other materials sent through electronic, telecommunications or other information transmission systems that are intercepted by such persons and the fees and disbursements and other charges of legal counsel in connection with claims, actions or proceedings by any Indemnitee against the Borrower hereunder (all the foregoing in this subsection (d), collectively, the "Indemnified Liabilities"), provided, that the Borrower shall have no obligation hereunder to any Indemnitee with respect to Indemnified Liabilities to the extent such Indemnified Liabilities are found by a final and nonappealable decision of a court of competent jurisdiction to have resulted solely and proximately from the gross negligence or willful misconduct of such Indemnitee in breach of a duty owed to the Borrower. Without limiting the foregoing, and to the extent permitted by applicable law, the Borrower agrees not to assert and to cause the other Loan Parties not to assert, and hereby waives and agrees to cause the other Loan Parties so to waive, all rights for contribution or any other rights of recovery with respect to all claims, demands, penalties, fines, liabilities, settlements, damages, costs and expenses of whatever kind or nature, under or related to Environmental Laws, that any of them might have by statute or otherwise against any Indemnitee. All amounts due under this Section shall be payable not later than five days after written demand therefor. Statements payable by the Borrower pursuant to this Section shall be submitted to the Borrower in accordance with Section 10.2, or to such other Person or address as may be hereafter designated by the Borrower in a written notice to the Administrative Agent. The agreements in this Section shall survive repayment of the Loans and Letters of Credit and all other amounts payable hereunder.

10.6 *Successors and Assigns; Participations and Assignments* (a) This Agreement shall be binding upon and inure to the benefit of the Borrower, the Lenders, the Arrangers, the Agents, the Managers, all future holders of the Loans and Letters of Credit and their respective successors and assigns, except that the Borrower may not assign or transfer any of its rights or obligations under this Agreement without the prior written consent of the Administrative Agent and each Lender.

(b) Any Lender may, without the consent of the Borrower or any other Person, in accordance with applicable law, at any time sell to one or more banks, financial institutions or other entities (each, a "Participant") participating interests in any Loan owing to such Lender, any Commitment of such Lender or any other interest of such Lender hereunder and under the other Loan Documents. In the event of any such sale by a Lender of a participating interest to a Participant, such Lender's obligations under this Agreement to the other parties to this Agreement shall remain unchanged, such Lender shall remain solely responsible for the performance thereof, such Lender shall remain the holder of any such Loan for all purposes under this Agreement and the other Loan Documents, and the Borrower, the Arrangers, the Agents and the Managers shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement and the other Loan Documents. In no event shall any Participant under any such participation have any right to approve any amendment or waiver of any provision of any Loan Document, or any consent to any departure by any Loan Party therefrom, except to the extent that such amendment, waiver or consent would reduce the principal of, or interest on, the Loans or any fees payable hereunder, or postpone the date of the final maturity of the Loans, in each case to the extent subject to such participation. The Borrower agrees that if amounts outstanding under this Agreement and the Loans are due or unpaid, or shall have been declared or shall have become due and payable upon the occurrence of an Event of Default, each Participant shall, to the maximum extent permitted by applicable law, be deemed to have the right of setoff in respect of its participating interest in amounts owing under this Agreement to the same extent as if the amount of its participating interest were owing directly to it as a Lender under this Agreement, provided that, in purchasing such participating interest, such Participant shall be deemed to have agreed to share with the Lenders the proceeds thereof as provided in Section 10.7(a) as fully as if it were a Lender hereunder. The Borrower also agrees that each Participant shall be entitled to the benefits of Sections 2.19, 2.20 and 2.21 with respect to its participation in the Commitments and the Loans outstanding from time to time as if it was a Lender; provided, that, in the case of Section 2.20, such Participant shall have complied with the requirements of said Section and provided, further, that no Participant shall be entitled to receive any greater amount pursuant to any such Section than the transferor Lender would have been entitled to receive in respect of the amount of the participation transferred by such transferor Lender to such Participant had no such transfer occurred.

(c) Any Lender (an "Assignor") may, in accordance with applicable law and upon written notice to the Administrative Agent, at any time and from time to time assign to any Lender, any Affiliate of the assigning Lender or of another Lender or any Affiliated Fund of the assigning Lender or of another Lender (provided, that if any funding obligations are assigned to such an Affiliate or such an Affiliated Fund, such Affiliate or Affiliated Fund, as applicable, shall have demonstrable resources to comply with such obligations) or, with the consent of the Borrower and the Administrative Agent and, in the case of any assignment of Revolving Credit Commitments, the written consent of the Issuing Lender and the Swing Line Lender (which, in the case of the Borrower, the Administrative Agent, the Issuing Lender and the Swing Line Lender, shall not be unreasonably withheld, conditioned or delayed), to an additional bank, financial institution or other entity that is an Eligible Assignee (an "Assignee") all or any part of its rights and obligations under this Agreement pursuant to an assignment and acceptance agreement, in the form of Exhibit E hereto (an "Assignment and Acceptance"), executed by such Assignee and such Assignor (and, where the consent of the Borrower, the Administrative Agent or the Issuing Lender or the Swing Line Lender is required pursuant to the foregoing provisions, by the Borrower and such other Persons) and delivered to the Administrative Agent for its acceptance and recording in the Register; provided, that no such assignment to an Assignee (other than any Lender

or any Affiliate of the assigning Lender or of another Lender or Affiliated Fund of the assigning Lender or of another Lender) shall be in an aggregate principal amount of less than \$5,000,000 with respect to Revolving Credit Commitments or \$1,000,000 with respect to Term Loan Commitments, unless otherwise agreed by the Borrower and the Administrative Agent (provided, that for purposes of the foregoing limitations only, any two or more funds that concurrently invest in Loans and are managed by the same investment advisor, or investment advisors that are Affiliates of one another, shall be treated as a single Assignee). Any such

assignment need not be ratable as among the Facilities. Upon such execution, delivery, acceptance and recording, from and after the effective date determined pursuant to such Assignment and Acceptance, (x) the Assignee thereunder shall be a party hereto and, to the extent provided in such Assignment and Acceptance, have the rights and obligations of a Lender hereunder with a Commitment and/or Loans as set forth therein, and (y) the Assignor thereunder shall, to the extent provided in such Assignment and Acceptance, be released from its obligations under this Agreement (and, in the case of an Assignment and Acceptance covering all of an Assignor's rights and obligations under this Agreement, such Assignor shall cease to be a party hereto). Notwithstanding any provision of this Section, the consent of the Borrower shall not be required for any assignment that occurs at any time when any Event of Default shall have occurred and be continuing.

(d) The Administrative Agent shall, on behalf of the Borrower, maintain at its address referred to in Section 10.2 a copy of each Assignment and Acceptance delivered to it and a register (the "*Register*") for the recordation of the names and addresses of the Lenders and the Commitment of, and principal amount of the Loans owing to, each Lender from time to time. The entries in the Register shall be conclusive, in the absence of manifest error, and the Borrower, the Administrative Agent and the Lenders shall treat each Person whose name is recorded in the Register as the owner of the Loans and any Notes evidencing such Loans recorded therein for all purposes of this Agreement. Any assignment of any Loan, whether or not evidenced by a Note, shall be effective only upon appropriate entries with respect thereto being made in the Register (and each Note shall expressly so provide). Any assignment or transfer of all or part of a Loan evidenced by a Note shall be registered on the Register only upon surrender for registration of assignment or transfer of the Note evidencing such Loan, accompanied by a duly executed Assignment and Acceptance; thereupon one or more new Notes in the same aggregate principal amount shall be issued to the designated Assignee, and the old Notes shall be returned by the Administrative Agent to the Borrower marked "canceled". The Register shall be available for inspection by the Borrower or any Lender (with respect to any entry relating to such Lender's Loans) at any reasonable time and from time to time upon reasonable prior notice.

(e) Upon its receipt of an Assignment and Acceptance executed by an Assignor and an Assignee (and, in any case where the consent of any other Person is required by Section 10.6(c), by each such other Person) together with payment to the Administrative Agent of a registration and processing fee of \$3,500 (except that no such registration and processing fee shall be payable in the case of an Assignee which is already a Lender or is an Affiliate of the assigning Lender or of another Lender or an Affiliated Fund of the assigning Lender or of another Lender or with respect to the initial syndication of the Commitments), the Administrative Agent shall (i) promptly accept such Assignment and Acceptance and (ii) on the effective date determined pursuant thereto record the information contained therein in the Register and give notice of such acceptance and recordation to the Borrower. On or prior to such effective date, the Borrower, at its own expense, upon request, shall execute and deliver to the Administrative Agent (in exchange for the Revolving Credit Note and/or Term Note, as the case may be, of the assigning Lender) a new Revolving Credit Note and/or Term Note, as the case may be, to such Assignee or its registered assigns in an amount equal to the Revolving Credit Commitment and/or Term Loan Commitment, as the case may be, assumed or acquired by it pursuant to such Assignment and Acceptance and, if the Assignor has retained a Revolving Credit Commitment and/or Term Loan Commitment, as the case may be, upon request, a new Revolving Credit Note and/or Term Notes, as the case may be, to the Assignor or its registered assigns in an amount equal to the Revolving Credit Commitment and/or Term Loans or Term Loan Commitment, as the case may be,

125

retained by it hereunder. Such new Note or Notes shall be dated the Closing Date and shall otherwise be in the form of the Note or Notes replaced thereby.

(f) For the avoidance of doubt, the parties to this Agreement acknowledge that the provisions of this Section concerning assignments of Loans and Notes relate only to absolute assignments and that such provisions do not prohibit assignments creating security interests, including, without limitation, any pledge or assignment by a Lender of any Loan or Note to any Federal Reserve Bank in accordance with applicable law.

10.7 *Adjustments; Set-off.* (a) Except to the extent that this Agreement provides for payments to be allocated to a particular Lender or to the Lenders under a particular Facility, if any Lender (a "*Benefited Lender*") shall at any time receive any payment of all or part of the Obligations owing to it, or receive any collateral in respect thereof (whether voluntarily or involuntarily, by set-off, pursuant to events or proceedings of the nature referred to in Section 8(f), or otherwise), in a greater proportion than any such payment to or collateral received by any other Lender, if any, in respect of such other Lender's Obligations, such Benefited Lender shall purchase for cash from the other Lenders a participating interest in such portion of each such other Lender's Obligations, or shall provide such other Lenders with the benefits of any such collateral, as shall be necessary to cause such Benefited Lender to share the excess payment or benefits of such collateral ratably with each of the Lenders; *provided, however*, that if all or any portion of such excess payment or benefits is thereafter recovered from such Benefited Lender, such purchase shall be rescinded, and the purchase price and benefits returned, to the extent of such recovery, but without interest.

(b) In addition to any rights and remedies of the Lenders provided by law, each Lender shall have the right, without prior notice to the Borrower, any such notice being expressly waived by the Borrower to the extent permitted by applicable law, upon any amount becoming due and payable by the Borrower hereunder (whether at the stated maturity, by acceleration or otherwise), to set off and appropriate and apply against such amount any and all deposits (general or special, time or demand, provisional or final), in any currency, and any other credits, indebtedness or claims, in any currency, in each case whether direct or indirect, absolute or contingent, matured or unmatured, at any time held or owing by such Lender or any branch or agency thereof to or for the credit or the account of the Borrower. Each Lender agrees to notify promptly the Borrower and the Administrative Agent after any such setoff and application made by such Lender, *provided* that the failure to give such notice shall not affect the validity of such setoff and application.

10.8 *Counterparts.* This Agreement may be executed by one or more of the parties to this Agreement on any number of separate counterparts, and all of said counterparts taken together shall be deemed to constitute one and the same instrument. Delivery of an executed signature page of this Agreement by facsimile transmission shall be effective as delivery of a manually executed counterpart hereof. A set of the copies of this Agreement signed by all the parties shall be lodged with the Borrower and the Administrative Agent.

126

10.9 *Severability.* Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

10.10 *Integration.* Other than the promises, undertakings, representations or warranties set forth in the Administrative Agent Fee Letter and the Facility Fee Letter, this Agreement and the other Loan Documents represent the agreement of the Borrower, the Agents, the Arrangers, the Managers and the Lenders

with respect to the subject matter hereof, and there are no promises, undertakings, representations or warranties by any Arranger, any Manager, any Agent or any Lender relative to the subject matter hereof not expressly set forth or referred to herein or in the other Loan Documents.

10.11 GOVERNING LAW. THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES UNDER THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK WITHOUT REGARD TO THE CONFLICT OF LAW RULES THEREOF OTHER THAN SECTION 5-1041 OF THE NEW YORK GENERAL OBLIGATIONS LAW.

10.12 *Submission To Jurisdiction; Waivers.* The Borrower hereby irrevocably and unconditionally:

(a) submits for itself and its Property in any legal action or proceeding relating to this Agreement and the other Loan Documents to which it is a party, or for recognition and enforcement of any judgment in respect thereof, to the non-exclusive general jurisdiction of the courts of the State of New York, the courts of the United States of America for the Southern District of New York, and appellate courts from any thereof;

(b) consents that any such action or proceeding may be brought in such courts and waives any objection that it may now or hereafter have to the venue of any such action or proceeding in any such court or that such action or proceeding was brought in an inconvenient court and agrees not to plead or claim the same;

(c) agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to the Borrower at its address set forth in Section 10.2 or at such other address of which the Administrative Agent shall have been notified pursuant thereto;

(d) agrees that nothing herein shall affect the right to effect service of process in any other manner permitted by law or shall limit the right to sue in any other jurisdiction; and

(e) waives, to the maximum extent not prohibited by law, any right it may have to claim or recover in any legal action or proceeding referred to in this Section any special, exemplary, punitive or consequential damages.

10.13 *Certain Matters Affecting Lenders.* (a) If (i) the Nevada Gaming Authorities shall determine that any Lender does not meet suitability standards prescribed under the Nevada Gaming Laws or (ii) any other gaming authority with jurisdiction over the gaming business of the Borrower shall determine that any Lender does not meet its suitability standards (in any such case, a "Former Lender"), the Administrative Agent shall have the right (but not the duty) to designate bank(s) or other financial institution(s) (in each case, a "Substitute Lender," which may (but not need) be any Lender or Lenders or Affiliated Fund of a Lender that agree to become a Substitute Lender and to assume the rights and obligations of the Former Lender, subject to receipt by the Administrative Agent of evidence that such Substitute Lender (if not a Lender or Lenders or Affiliated Fund of a Lender) is an Eligible Assignee. The Substitute Lender shall assume the rights and obligations of the Former Lender under this Agreement. The Borrower shall bear the costs and expenses of any Lender required by the Nevada

127

Gaming Authorities, or any other gaming authority with jurisdiction over the gaming business of the Borrower, to file an application for a finding of suitability in connection with the investigation of an application by the Borrower for a license to operate a gaming establishment.

(b) Notwithstanding the provisions of subsection (a) of this Section 10.13, if any Lender becomes a Former Lender, and if the Administrative Agent fails to find a Substitute Lender pursuant to subsection (a) of this Section 10.13 within any time period specified by the appropriate gaming authority for the withdrawal of a Former Lender (the "Withdrawal Period"), the Borrower shall immediately prepay in full the outstanding amount of all Revolving Extensions of Credit and Term Loans Extensions of Credit of such Former Lender, together with accrued interest thereon to the earlier of (x) the date of payment or (y) the last day of the applicable Withdrawal Period.

10.14 *Acknowledgments.* The Borrower hereby acknowledges that:

(a) it has been advised by counsel in the negotiation, execution and delivery of this Agreement and the other Loan Documents;

(b) neither any Arranger, any Agent, any Manager nor any Lender has any fiduciary relationship with or duty to the Borrower, the Completion Guarantor or any other Loan Party arising out of or in connection with this Agreement or any of the other Loan Documents, and the relationship between the Arrangers, the Agents, the Managers and the Lenders, on one hand, and the Borrower, the Completion Guarantor any other Loan Party, on the other hand, in connection herewith or therewith is solely that of debtor and creditor; and

(c) no joint venture is created hereby or by the other Loan Documents or otherwise exists by virtue of the transactions contemplated hereby among the Arrangers, the Agents, the Managers and the Lenders or among the Borrower, the Completion Guarantor, the other Loan Parties and the Lenders.

(c) After an Event of Default, upon the request of Administrative Agent Trustor shall deliver to Beneficiary executed copies of all Space Leases.

1.9 **Further Encumbrance.**

(a) Trustor covenants that at all times prior to the discharge of the Obligations, except for Permitted Liens and Permitted Dispositions, Trustor shall neither make nor suffer to exist, nor enter into any agreement for, any sale, assignment, exchange, mortgage, transfer, Lien, hypothecation or encumbrance of all or any part of the Trust Estate, including, without limitation, the Rents. As used herein, "transfer" includes the actual transfer or other disposition, whether voluntary or involuntary, by law, or otherwise, except those transfers specifically permitted herein, provided, however, that "transfer" shall not include the granting of utility or other beneficial easements with respect to the Trust Estate which have been or are granted by Trustor and are reasonably necessary to the construction, maintenance or operation of the Project.

(b) Any Permitted Lien consisting of the lien of a deed of trust which is junior to the lien of the Loan Documents (including the Security Documents) (a "Subordinate Deed of Trust") shall be permitted hereunder so long as there shall have been delivered to Beneficiary, not less than thirty (30) days prior to the date thereof, a copy thereof which shall contain express covenants in form and substance satisfactory to Beneficiary to the effect that: (i) the Subordinate Deed of Trust is in all respects subject and subordinate to this Deed of Trust; (ii) if any action or proceeding shall be brought to foreclose the Subordinate Deed of Trust (regardless of whether the same is a judicial proceeding or pursuant to a power of sale contained therein), no tenant of any portion of the Trust Estate shall be named as a party defendant nor shall any action be taken with respect to the Trust Estate which would terminate any occupancy or tenancy of the Trust Estate, or any portion thereof, without the consent of Beneficiary; (iii) any Rents, if collected through a receiver or by

15

the holder of the Subordinate Deed of Trust, shall be applied first to the obligations secured by this Deed of Trust, including principal and interest due and owing on or to become due and owing on the Notes, the Guaranty or the other Loan Documents, and then to the payment of maintenance expenses, operating charges, taxes, assessments, and disbursements incurred in connection with the ownership, operation, and maintenance of the Trust Estate; and (iv) if any action or proceeding shall be brought to foreclose the Subordinate Deed of Trust, prompt notice of the commencement thereof shall be given to Beneficiary.

(c) Trustor agrees that in the event the ownership of the Trust Estate or any part thereof becomes vested in a person other than Trustor, Beneficiary may, without notice to Trustor, deal in any way with such successor or successors in interest with reference to this Deed of Trust, the Notes, the Guaranty, the other Loan Documents and other Obligations hereby secured without in any way vitiating or discharging Trustor's or any guarantor's, surety's or endorser's liability hereunder or upon the obligations hereby secured. No sale of the Trust Estate and no forbearance to any person with respect to this Deed of Trust and no extension to any person of the time for payment of the Obligations, and other sums hereby secured given by Beneficiary shall operate to release, discharge, modify, change or affect the original liability of Trustor, or such guarantor, surety or endorser either in whole or in part.

(d) If Trustor shall fail to make any payment required to be made by it under any FF&E Financing Agreement, except where Trustor is contesting such payment in good faith, then the Beneficiary shall be entitled to make such payment on Trustor's behalf and any and all sums so expended by the Beneficiary shall be secured by this Deed of Trust and shall be repaid by Trustor upon demand, together with interest thereon at the interest at the rate applicable to overdue principal set forth in the Credit Agreement from the date of advance.

1.10 *Partial Releases of Trust Estate.*

(a) Trustor may from time to time make a Permitted Disposition including, but not limited to, (i) transferring a portion of the Trust Estate (including any temporary taking) to any person legally empowered to exercise the power of eminent domain, or pursuant to dedication agreements that are now in effect or entered into in the future in connection with the development of the Project, (ii) granting utility easements reasonably necessary or desirable for the construction and/or operation of the Project, which grant or transfer is for the benefit of the Trust Estate, or (iii) transferring all or a portion of the Trust Estate as permitted pursuant to the Disbursement Agreement or the other Loan Documents. In each such case, Beneficiary shall execute and deliver any instruments necessary or appropriate to effectuate or confirm any such transfer or grant, free from the lien of this Deed of Trust, *provided, however*, that Beneficiary shall execute a lien release or subordination agreement, as appropriate, for matters described in clauses (i) and (iii) above only if:

(A) Such transfer, grant or release is not prohibited by the Credit Agreement or the Guaranty and all conditions precedent contained in the Credit Agreement and the Guaranty for such transfer, grant or release, if any, shall have been satisfied; and

(B) Beneficiary and Trustee shall have received a counterpart of the instrument pursuant to which such transfer, grant or release is to be made, and each instrument which Beneficiary or Trustee is requested to execute in order to effectuate or confirm such transfer, grant or release.

(b) Any consideration received for a transfer to any person empowered to exercise the right of eminent domain shall be subject to *Section 1.6* hereof.

16

1.11 *Further Assurances.*

(a) At its sole cost and without expense to Trustee or Beneficiary, and subject in all events to compliance with the Nevada Gaming Laws and other applicable Legal Requirements, Trustor shall do, execute, acknowledge and deliver any and all such further acts, deeds, conveyances, notices, requests for notices, financing statements, continuation statements, certificates, assignments, notices of assignments, agreements, instruments and further assurances, and shall mark any chattel paper, deliver any chattel paper or instruments to Beneficiary and take any other actions that are necessary, prudent, or reasonably requested by Beneficiary or Trustee to perfect or continue the perfection and first priority of Beneficiary's security interest in the Trust Estate, to protect the Trust Estate against the rights, claims, or interests of third persons other than holders of Permitted Liens or to effect the purposes of this Deed of Trust, including the security agreement and the absolute assignment of Rents contained herein, or for the filing, registering or recording thereof.

(b) Trustor shall forthwith upon the execution and delivery of this Deed of Trust, and thereafter from time to time, cause this Deed of Trust and each instrument of further assurance to be filed, indexed, registered, recorded, given or delivered in such manner and in such places as may be required by any present or future law in order to publish notice of and fully to protect the lien hereof upon, and the title of Trustee and/or Beneficiary to, the Trust Estate.

(c) [Upon any modification of the boundaries of the Leased Premises (or any portion thereof), Trustor, at Trustor's expense, shall notify Beneficiary and amend this Deed of Trust to reflect an accurate description of the Leased Premises (or such portion thereof). In connection therewith, Trustor shall provide Beneficiary with such title insurance endorsements to Beneficiary's ALTA extended coverage Lender's Policy(ies) of Title Insurance as Beneficiary may reasonably request.]

1.12 *Security Agreement and Financing Statements.* Trustor (as debtor) hereby grants to Beneficiary (as creditor and secured party) a present and future security interest in all Tangible Collateral, Intangible Collateral, FF&E, Improvements, all other personal property now or hereafter owned or leased by Trustor or in which Trustor has or will have any interest, to the extent that such property constitutes a part of the Trust Estate (whether or not such items are stored on the premises or elsewhere), Proceeds of the foregoing comprising a portion of the Trust Estate and all products, substitutions, and accessions therefor and thereto, subject to Beneficiary's rights to treat such property as real property as herein provided (collectively, the "**Personal Property**"). Trustor shall execute and/or

deliver any and all documents and writings, including without limitation financing statements pursuant to the UCC, as may be necessary or prudent to preserve and maintain the priority of the security interest granted hereby on property which may be deemed subject to the foregoing security agreement or as Beneficiary may reasonably request, and shall pay to Beneficiary on demand any reasonable expenses incurred by Beneficiary in connection with the preparation, execution and filing of any such documents. Trustor hereby authorizes and empowers Beneficiary to file, on Trustor's behalf, all financing statements and refiling and continuations thereof as advisable to create, preserve and protect said security interest. Trustor acknowledges and agrees that it is not authorized to, and will not, authenticate or file, or authorize the filing of, any financing statements or other record with respect to the Personal Property (including any amendments thereto, or continuation or termination statements thereof), except as permitted by the Guaranty. Trustor approves and ratifies any filing or recording of records made by or on behalf of Beneficiary in connection with the perfection of the security interest in favor of Beneficiary hereunder. This Deed of Trust constitutes both a real property deed of trust and a "security agreement," within the meaning of the UCC, and the Trust Estate includes both real and personal property and all other rights and interests, whether tangible or intangible in nature, of Trustor in the Trust Estate. Trustor by executing and delivering this Deed of Trust has granted to Beneficiary, as security of the Obligations, a security interest in the Trust Estate.

17

(a) **Fixture Filing.** Without in any way limiting the generality of the immediately preceding paragraph or of the definition of the Trust Estate, this Deed of Trust constitutes a fixture filing under Sections 9-334 and 9-502 of the UCC (NRS 104.9334 and 104.9502). For such purposes, (i) the "debtor" is Trustor and its address is the address given for it in the initial paragraph of this Deed of Trust; (ii) the "secured party" is Beneficiary, and its address for the purpose of obtaining information is the address given for it in the initial paragraph of this Deed of Trust; (iii) the real estate to which the fixtures are or are to become attached is Trustor's interest in the Site; and (iv) the record owner of such real estate or interests therein is Trustor [(with respect to the Land and as the lessor under the Subject Leases)].

(b) **Remedies.** This Deed of Trust shall be deemed a security agreement as defined in the UCC and the remedies for any violation of the covenants, terms and conditions of the agreements herein contained shall include any or all of (i) those prescribed herein, and (ii) those available under applicable law, and (iii) those available under the UCC, all at Beneficiary's sole election. In addition, a photographic or other reproduction of this Deed of Trust shall be sufficient as a financing statement for filing wherever filing may be necessary to perfect or continue the security interest granted herein.

(c) **Derogation of Real Property.** It is the intention of the parties that the filing of a financing statement in the records normally having to do with personal property shall never be construed as in anyway derogating from or impairing the express declaration and intention of the parties hereto as hereinabove stated that everything used in connection with the production of income from the Trust Estate and/or adapted for use therein and/or which is described or reflected in this Deed of Trust is, and at all times and for all purposes and in all proceedings both legal or equitable, shall be regarded as part of the real property encumbered by this Deed of Trust irrespective of whether (i) any such item is physically attached to the Improvements, (ii) serial numbers are used for the better identification of certain equipment items capable of being thus identified in a recital contained herein or in any list filed with Beneficiary, or (iii) any such item is referred to or reflected in any such financing statement so filed at any time. It is the intention of the parties that the mention in any such financing statement of (1) rights in or to the proceeds of any fire and/or hazard insurance policy, or (2) any award in eminent domain proceedings for a taking or for loss of value, or (3) Trustor's interest as lessors in any present or future Space Lease or rights to Rents, shall never be construed as in anyway altering any of the rights of Beneficiary as determined by this Deed of Trust or impugning the priority of Beneficiary's real property lien granted hereby or by any other recorded document, but such mention in the financing statement is declared to be for the protection of Beneficiary in the event any court or judge shall at any time hold with respect to the matters set forth in the foregoing clauses (1), (2) and (3) that notice of Beneficiary's priority of interest to be effective against a particular class of persons, including but not limited to, the federal government and any subdivisions or entity of the federal government, must be filed in the UCC records.

(d) **Priority; Permitted Financing of Tangible Collateral.** All Personal Property of any nature whatsoever which is subject to the provisions of this security agreement shall be purchased or obtained by Trustor in its name and free and clear of any lien or encumbrance, except for Permitted Liens and the lien hereof, for use only in connection with the business and operation of the Project, and shall be and at all times remain free and clear of any lease or similar arrangement, chattel financing, installment sale agreement, security agreement and any encumbrance of like kind, so that Beneficiary's security interest shall attach to and vest in Trustor for the benefit of Beneficiary, with the priority herein specified, immediately upon the installation or use of the Personal Property at the Site and Trustor warrants and represents that Beneficiary's security interest in the Personal Property is a validly attached and binding security interest, properly perfected and prior to all other security interests therein except as otherwise permitted in

18

this Deed of Trust. The foregoing shall not be construed as limiting Trustor's rights to transfer Personal Property pursuant to Permitted Dispositions or to obtain releases of Personal Property from the Lien of this Deed of Trust pursuant to *Section 1.10* hereof.

(e) **Preservation of Contractual Rights of Collateral.** Trustor shall, prior to delinquency, default, or forfeiture, perform all obligations and satisfy all material conditions required on its part to be satisfied to preserve its rights and privileges under any contract, lease, license, permit, or other authorization (i) under which it holds any Tangible Collateral or (ii) which constitutes part of the Intangible Collateral, except where Trustor is contesting such obligations in good faith.

(f) **Removal of Collateral.** Except for damaged or obsolete Tangible Collateral which is either no longer usable or which is removed temporarily for repair or improvement or removed for replacement on the Trust Estate with Tangible Collateral of similar function or as otherwise permitted herein, none of the Tangible Collateral shall be removed from the Trust Estate without Beneficiary's prior written consent.

(g) **Change of Name.** Trustor shall not change its corporate (or other entity) or business name, or do business within the State of Nevada under any name other than such name, or any trade name(s) other than those as to which Trustor gives prior written notice to Beneficiary of its intent to use such trade names, or any other business names (if any) specified in the financing statements delivered to Beneficiary for filing in connection with the execution hereof, without, in each case, providing Beneficiary with the additional financing statement(s) and any other similar documents deemed reasonably necessary by Beneficiary to assure that its security interest remains perfected and of undiminished priority in all such Personal Property notwithstanding such name change.

1.13 **Assignment of Leases and Rents.** Subject to Nevada Gaming Laws and other applicable Legal Requirements, the assignment of Leases and Rents set out above in Granting Clause (G) shall constitute an absolute and present assignment to Beneficiary, subject to the license herein given to Trustor to collect the

Rents, and shall be fully operative without any further action on the part of any party, and specifically Beneficiary shall be entitled upon the occurrence of an Event of Default hereunder to all Rents and to enter upon the Site and the Improvements to collect such Rents, provided, however, that Beneficiary shall not be obligated to take possession of the Trust Estate, or any portion thereof. The absolute assignment contained in Granting Clause (G) shall not be deemed to impose upon Beneficiary any of the obligations or duties of Trustor provided in any such Space Lease (including, without limitation, any liability under the covenant of quiet enjoyment contained in any lease in the event that any lessee shall have been joined as a party defendant in any action to foreclose this Deed of Trust and shall have been barred and foreclosed thereby of all right, title and interest and equity of redemption in the Trust Estate or any part thereof).

1.14 *Expenses.*

(a) Trustor shall pay when due and payable all out-of-pocket costs, including without limitation, those reasonable appraisal fees, recording fees, taxes, abstract fees, title policy fees, escrow fees, attorneys' and paralegal fees, travel expenses, fees for inspecting architect(s) and engineer(s) and all other costs and expenses of every character which may hereafter be incurred by Beneficiary or any assignee of Beneficiary in connection with the preparation and execution of the Guaranty and the other Loan Documents (including the Security Documents) to which Trustor is a party or instruments, agreements or documents of further assurance, the funding of the indebtedness secured hereby, and the enforcement of the Guaranty or any Loan Document (including any Security Document) to which Trustor is a party. Other than costs associated with the enforcement of any Loan Document, all such costs shall be itemized in reasonable detail; and

19

(b) Trustor shall, upon demand by Beneficiary, reimburse Beneficiary or any assignee of Beneficiary for all such reasonable expenses which have been incurred or which shall be incurred by it; and

(c) Trustor shall indemnify Beneficiary with respect to any transaction or matter in any way connected with any portion of the Trust Estate, this Deed of Trust, including any occurrence at, in, on, upon or about the Trust Estate (including any personal injury, loss of life, or property damage), or Trustor's use, occupancy, or operation of the Trust Estate, or the filing or enforcement of any mechanic's lien, or otherwise caused in whole or in part by any act, omission or negligence occurring on or at the Trust Estate, including failure to comply with any Legal Requirement or with any requirement of this Deed of Trust that applies to Trustor, except to the extent resulting from the gross negligence, fraud or willful misconduct of Trustee or Beneficiary. If Beneficiary is a party to any litigation as to which either Trustor is required to indemnify Beneficiary (or is made a defendant in any action of any kind against Trustor or relating directly or indirectly to any portion of the Trust Estate) then, at Beneficiary's option, Trustor shall undertake Beneficiary's defense, using counsel reasonably satisfactory to Beneficiary (and any settlement shall be subject to Beneficiary's consent, which consent shall not be unreasonably withheld), and in any case shall indemnify Beneficiary against such litigation. Trustor shall pay all reasonable costs and expenses, including reasonable legal costs, that Beneficiary pays or incurs in connection with any such litigation. Any amount payable under any indemnity in this Deed of Trust shall be a demand obligation, shall be added to, and become a part of, the secured obligations under this Deed of Trust, shall be secured by this Deed of Trust and, if not paid promptly following demand therefor (which demand shall, unless associated with Loan Document enforcement actions, set forth in reasonable detail an itemization of the amount so demanded) shall bear interest at the interest rate specified in the Credit Agreement. Such indemnity shall survive any release of this Deed of Trust and any foreclosure.

1.15 ***Beneficiary's Cure of Trustor's Default.*** If Trustor defaults hereunder in the payment of any tax, assessment, lien, encumbrance or other Imposition, in its obligation to furnish insurance hereunder, or in the performance or observance of any other covenant, condition or term of this Deed of Trust or any other Financing Agreement or any FF&E Financing Agreement, Beneficiary may, but is not obligated to, to preserve its interest in the Trust Estate, perform or observe the same, and all payments made (whether such payments are regular or accelerated payments) and reasonable costs and expenses incurred or paid by Beneficiary in connection therewith shall become due and payable immediately. The amounts so incurred or paid by Beneficiary, together with interest thereon at the interest rate applicable to overdue principal set forth in the Credit Agreement, from the date incurred until paid by Trustor, shall be added to the indebtedness and secured by the lien of this Deed of Trust. Beneficiary, is hereby empowered to enter and to authorize others to enter upon the Site or any part thereof for the purpose of performing or observing any such defaulted covenant, condition or term, without thereby becoming liable to Trustor or any person in possession holding under Trustor. No exercise of any rights under this Section 1.15 by Beneficiary shall cure or waive any Event of Default or notice of default hereunder or invalidate any act done pursuant hereto or to any such notice, but shall be cumulative of all other rights and remedies.

1.16 ***Use of Land.*** Trustor covenants that the Trust Estate shall be used and operated in a manner consistent with the requirements of the Loan Documents.

1.17 ***Compliance with Permitted Lien Agreements.*** Trustor shall comply with each and every material obligation contained in any agreement pertaining to a Permitted Lien.

1.18 ***Defense of Actions.*** Trustor shall appear in and defend any action or proceeding affecting or purporting to affect the security hereof or the rights or powers of Beneficiary or Trustee, and shall pay all costs and expenses, including cost of title search and insurance or other evidence of title,

20

preparation of survey, and reasonable attorneys' fees in any such action or proceeding in which Beneficiary or Trustee may appear or may be joined as a party and in any suit brought by Beneficiary based upon or in connection with this Deed of Trust, the Guaranty or any Loan Document to which Trustor is a party. Nothing contained in this section shall, however, limit the right of Beneficiary to appear in such action or proceeding with counsel of its own choice, either on its own behalf or on behalf of Trustor.

1.19 *Affiliates.*

(a) **Subject to Trust Deed.** Subject to compliance with the requirements of applicable Nevada Gaming Laws, Trustor shall cause all of its Affiliates in any way involved with the operation of the Trust Estate or the Project to observe the covenants and conditions of this Deed of Trust to the extent necessary to give the full intended effect to such covenants and conditions and to protect and preserve the security of Beneficiary hereunder.

(b) **Restriction on Use of Subsidiary or Affiliate.** Except as permitted under the Credit Agreement, the Notes, the Guaranty or the other Loan Documents (including any Security Document), Trustor shall not use any Affiliate in the operation of the Trust Estate or the Project if such use would in

any way impair the security for the Obligations or circumvent any covenant or condition of this Deed of Trust, the Guaranty or of any other Loan Document.

1.20 **Title Insurance.** On or promptly after the effective date of this Deed of Trust, Trustor shall cause to be delivered to Trustee at Trustor's expense, one or more ALTA extended coverage Lender's Policies of Title Insurance showing fee title to the real property situated in the County of Clark, State of Nevada, more specifically described in Schedule A attached hereto, vested in Trustor and the lien of this Deed of Trust to be a perfected lien, prior to any and all encumbrances other than Permitted Encumbrances (excluding, however, any such non-Permitted Encumbrances for which the Title Insurer has agreed to provide an endorsement or affirmative coverage protecting the lien of this Deed of Trust against such non-Permitted Encumbrances).

1.21 **[Leasehold Estates.** Trustor represents, covenants and warrants: (a) that the Subject Leases are in full force and effect and unmodified; (b) Trustor will defend the leasehold estate under each Subject Lease for the entire remainder of the term set forth in each of the said Subject Leases against all and every Person or Persons lawfully claiming, or who may claim the same or any part thereof, subject to the payment of the rents in the Subject Leases reserved and subject to the performance and observance of all of the terms, covenants, conditions and warranties thereof; and (c) that there is no uncured default under any Subject Lease or in the performance of any of the terms, covenants, conditions or warranties thereof on the part of the lessor or the lessee to be observed and performed and that no state of facts exist under a Subject Lease which, with the lapse of time or giving of notice or both would constitute a default thereunder.]

1.22 **[Payment of Subject Leases Expenses.** The Trustor shall pay or cause to be paid on or prior to the date due all rents, additional rents and other charges and Impositions payable by the lessor or the lessee under the Subject Leases for which provision has not been made hereinbefore, when and as often as the same shall become due and payable.]

1.23 **[Trustor's Covenants with Respect to Subject Leases.**

(a) Trustor shall at all times promptly and faithfully keep and perform, or cause to be kept and performed, all the covenants and conditions contained in the Subject Leases to be kept and performed by it under the Subject Leases and in all respects conform to and comply with the terms and conditions of the Subject Leases. Trustor shall, within ten days after written demand from Beneficiary, deliver to Beneficiary proof of payment of all items that are required to be paid by Trustor under the Subject Leases, including, without limitation, rent, taxes, operating expenses and other charges. Trustor shall promptly deliver to Beneficiary copies of all notices given with

21

respect to or which affect the Subject Leases including pleadings or notices of default given under the Subject Leases. Trustor further covenants that it shall not do or permit anything to occur or fail to occur which will impair or tend to impair the security of this Deed of Trust or will be grounds for declaring a forfeiture or termination of either Subject Lease, and upon any such failure as aforesaid, Trustor shall be subject to all of the rights and remedies granted Beneficiary in this Deed of Trust.

(b) Except as otherwise permitted in the Loan Documents, Trustor shall not modify, extend or in any way alter the terms of the Subject Leases or cancel or surrender said Subject Leases or reject the Subject Leases in a case pending under the Bankruptcy Code, or waive, execute, condone or in anyway release or discharge the lessor thereunder of or from the obligations, covenants, conditions and agreements by said lessor to be done and performed; and Trustor does expressly release, relinquish and surrender unto Beneficiary all of its rights, power and authority to cancel, surrender, amend, modify or alter in any way the terms and provisions of the Subject Leases and any attempt on the part of Trustor to exercise any such right without the written approval and consent of Beneficiary thereto being first had and obtained shall constitute an Event of Default under the terms hereof and the other Loan Documents Documents and all Obligations and other sums secured hereby shall, at the option of Beneficiary, become due and payable forthwith. If Trustor becomes a debtor under the Bankruptcy Code, Trustor shall assume and assign the Subject Leases to Beneficiary, and it further agrees that it shall not object to any request by Beneficiary that the Subject Leases not be rejected, or that Beneficiary be authorized to assume Trustor's rights under the Subject Leases.

(c) Trustor shall deliver to Beneficiary an original executed copy of each Subject Lease, an estoppel certificate from the Lessor within ten (10) days of request by Beneficiary and in such form and content as shall be satisfactory to Beneficiary, as well as any and all documentary evidence received by it showing compliance by Trustor with the provisions of the Subject Leases.

(d) Trustor does hereby authorize and irrevocably appoint and constitute Beneficiary as its true and lawful attorney-in-fact, which appointment is coupled with an interest, in its name, place and stead, to, upon the occurrence and during the continuance of an Event of Default, take any and all actions deemed necessary or desirable by Beneficiary to perform and comply with all the obligations of Trustor under the Subject Leases, and to do and take upon the occurrence and during continuation of an Event of Default, but without any obligation so to do or take, any action which Beneficiary deems reasonably necessary to prevent or cure any default by Trustor under the Subject Leases, to enter into and upon the Site, the Project or the Improvements or any part thereof as provided in the Loan Documents in order to prevent or cure any default of Trustor pursuant thereto, to the end that the rights of Trustor in and to the leasehold estate created by the Subject Leases shall be kept free from default.

(e) In the event of any failure by Trustor to perform or cause the performance of any covenant on the part of lessor or lessee to be observed and performed under the Subject Leases, the performance by Beneficiary on behalf of Trustor of the applicable Subject Lease covenant shall not remove or waive, as between Trustor and Beneficiary, the corresponding Event of Default under the terms hereof and any amount so advanced by Beneficiary or any costs incurred in connection therewith, with interest thereon at the interest rate applicable to overdue principal under the Credit Agreement, shall constitute additional Obligations secured hereby and be immediately due and payable.

(f) To the extent permitted by law, the price payable by Trustor, or by any other party so entitled, in the exercise of the right of redemption, if any, shall include all rents paid and other sums advanced by Beneficiary, on behalf of Trustor, as lessee under the Subject Leases.

22

(g) Trustor shall use all reasonable efforts to enforce the obligations of the lessor under the Subject Leases in a commercially reasonable manner.

(h) No release or forbearance of any of Trustor's obligations under the Subject Leases by the lessor thereunder, shall release Trustor from any of its obligations under this Deed of Trust.

(i) The lien of this Deed of Trust shall attach to all of Trustor's rights and remedies at any time arising under or pursuant to section 365(h) of the Bankruptcy Law, including, without limitation, all of Trustor's rights to remain in possession of the Leased Premises. Trustor shall not elect to treat the Subject Leases as terminated under section 365(h)(1) of the Bankruptcy Law, and any such election shall be void.

(i) If pursuant to section 365(h)(2) of the Bankruptcy Law, Trustor shall seek to offset against the rent reserved in the Subject Leases the amount of any damages caused by the nonperformance by the lessor or any other party of any of their respective obligations thereunder after the rejection by the lessor or such other party of the Subject Leases under the Bankruptcy Law, then Trustor shall, prior to effecting such offset, notify Beneficiary of its intent to do so, setting forth the amount proposed to be so offset and the basis therefor. Beneficiary shall have the right to object to all or any part of such offset that, in the reasonable judgment of Beneficiary, would constitute a breach of the Subject Leases, and in the event of such objection, Trustor shall not effect any offset of the amounts found objectionable by Beneficiary. Neither Beneficiary's failure to object as aforesaid nor any objection relating to such offset shall constitute an approval of any such offset by Beneficiary.

(ii) If any action, proceeding, motion or notice shall be commenced or filed in respect of the lessor under the Subject Leases or any other party or in respect of the Subject Leases in connection with any case under the Bankruptcy Law, then Beneficiary shall have the option to intervene in any such litigation with counsel of Beneficiary's choice. Beneficiary may proceed in its own name in connection with any such litigation, and Trustor agrees to execute any and all powers, authorizations, consents or other documents required by Beneficiary in connection therewith.

(iii) Trustor shall, after obtaining knowledge thereof, promptly notify Beneficiary of any filing by or against the lessor or any other party with an interest in the Leased Premises of a petition under the Bankruptcy Law. Trustor shall promptly deliver to Beneficiary, following receipt, copies of any and all notices, summonses, pleadings, applications and other documents received by Trustor in connection with any such petition and any proceedings relating thereto.

(iv) If there shall be filed by or against Trustor a petition under the Bankruptcy Law, and Trustor, as lessee under the Subject Leases, shall determine to reject the Subject Leases pursuant to section 365(a) of the Bankruptcy Law, then Trustor shall give Beneficiary a notice of the date on which Trustor shall apply to the bankruptcy court for authority to reject the Subject Leases (such notice to be no later than twenty (20) days prior to such date). Beneficiary shall have the right, but not the obligation, to serve upon Trustor at any time prior to the date on which Trustor shall so apply to the bankruptcy court a notice stating that Beneficiary demands that Trustor assume and assign the Subject Leases to Beneficiary pursuant to section 365 of the Bankruptcy Law. If Beneficiary shall serve upon Trustor the notice described in the preceding sentence, to the extent permitted by law Trustor shall not seek to reject the Subject Leases and shall comply with the demand provided for in the preceding sentence. In addition, effective upon the entry of an order for relief with respect to Trustor under the Bankruptcy Law, Trustor hereby assigns and transfers to Beneficiary a non-exclusive right to apply to the bankruptcy court under section 365(d)(4) of the Bankruptcy Law for an order extending the period during which the Subject Leases may be rejected or assumed; and shall (a) promptly notify Beneficiary of any default by Trustor in the

performance or observance of any of the terms, covenants or conditions on the part of Trustor to be performed or observed under the Subject Leases and of the giving of any written notice by the lessor thereunder to Trustor of any such default, and (b) promptly cause a copy of each written notice given to Trustor by the lessor under the Subject Leases to be delivered to Beneficiary. Beneficiary may rely on any notice received by it from any such lessor of any default by Trustor under the Subject Leases and may take such action as may be permitted by law to cure such default even though the existence of such default or the nature thereof shall be questioned or denied by Trustor or by any Person on its behalf.

(k) Beneficiary shall have the right upon notice to Trustor to participate in the adjustment and settlement of any insurance proceeds and in the determination of any condemnation award under the Subject Leases to the extent and in the manner provided in the Subject Leases.]

1.24 **Rejection of Subject Leases.** [To the extent applicable, if the lessor under the Subject Leases rejects or disaffirms the Subject Leases or purports or seeks to disaffirm the Subject Leases pursuant to any Bankruptcy Law, then:

(a) To the extent permitted by law, Trustor shall remain in possession of the Leased Premises demised under the Subject Leases and shall perform all acts reasonably necessary for Trustor to remain in such possession for the unexpired term of such Subject Leases (including all renewals), whether the then existing terms and provisions of such Subject Leases require such acts or otherwise; and

(b) All the terms and provisions of this Deed of Trust and the Lien created by this Deed of Trust shall remain in full force and effect and shall extend automatically to all of Trustor's rights and remedies arising at any time under, or pursuant to, Section 365(h) of the Bankruptcy Code, including all of Trustor's rights to remain in possession of the Leased Premises.]

2.2 **Other Collateral.** This Deed of Trust is one of a number of security agreements to secure the debt delivered by or on behalf of Trustor and other Persons pursuant to the Credit Agreement and the other Loan Documents (including the Security Documents) and securing the Obligations secured hereunder. All

potential junior Lien claimants are placed on notice that, under any of the Loan Documents (including the Security Documents) (including a separate future unrecorded agreement between Trustor and Beneficiary), other collateral for the Obligations secured hereunder (*i.e.*, collateral other than the Trust Estate) may, under certain circumstances, be released without a corresponding reduction in the total principal amount secured by this Deed of Trust. Such a release would decrease the amount of collateral securing the same indebtedness, thereby increasing the burden on the remaining Trust Estate created and continued by this Deed of Trust. No such release shall impair the priority of the lien of this Deed of Trust. By accepting its interest in the Trust Estate, each and every junior Lien claimant shall be deemed to have acknowledged the possibility of, and consented to, any such release. Nothing in this paragraph shall impose any obligation upon Beneficiary.

ARTICLE THREE
DEFAULTS

3.1 **Event of Default.** The term "Event of Default," wherever used in this Deed of Trust, shall mean any of (i) one or more of the events of default listed in the Credit Agreement (ii) so long as the Disbursement Agreement is in effect, one or more of the events of default listed in the Disbursement Agreement (whether any such event shall be voluntary or involuntary or come about or be effected by operation of law or pursuant to or in compliance with any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body) or (iii) if any "borrower" (as that term is defined in NRS 106.310) who may send a notice pursuant to NRS 106.380(1), (x) delivers, sends by mail or otherwise gives, or purports to deliver, send by mail or otherwise give, to a beneficiary under this Deeds of Trust (A) any notice of an election to terminate the operation of this Deed of Trust as security for any secured obligation, including, without limitation, any obligation to repay any "future advance" (as defined in NRS 106.320) of "principal" (as defined in NRS 106.345), or (B) any other notice pursuant to NRS 106.380(1), (y) records a statement pursuant to NRS 106.380(3), or (z) causes this Deed of Trust, any secured obligation, or any Secured Party to be subject to NRS 106.380(2), 106.380(3) or 106.400.

ARTICLE FOUR
REMEDIES

4.1 **Acceleration of Maturity.** If an Event of Default occurs, Beneficiary may (except that such acceleration shall be automatic if the Event of Default is caused by Borrower's or Trustor's Bankruptcy), in accordance with the Loan Documents, declare the Obligations to be due and payable immediately, and upon such declaration such principal and interest and other sums shall immediately become due and payable without demand, presentment, notice or other requirements of any kind (all of which Trustor waives) notwithstanding anything in this Deed of Trust or any Loan Document or applicable law to the contrary.

4.2 **Protective Advances.** If the Borrower or Trustor fails to make any payment or perform any other obligation under the Notes, Credit Agreement, the Guaranty or any other Financing Agreement, then without thereby limiting Beneficiary's other rights or remedies, waiving or releasing any of Trustor's obligations, or imposing any obligation on Beneficiary, Beneficiary may either advance any amount owing or perform any or all actions that Beneficiary considers necessary or appropriate to cure such default. All such advances shall constitute "Protective Advances" and shall bear interest thereon at the interest rate applicable to overdue principal set forth in the Credit Agreement from the date incurred until paid by Trustor. No sums advanced or performance rendered by Beneficiary shall cure, or be deemed a waiver of any Event of Default.

4.3 **Institution of Equity Proceedings.** If an Event of Default occurs, Beneficiary may institute an action, suit or proceeding in equity for specific performance of this Deed of Trust, the Notes, the Guaranty or any other Loan Document (including any Security Document), all of which shall be specifically enforceable by injunction or other equitable remedy. Trustor waives any defense based on laches or any applicable statute of limitations.

4.4 **Beneficiary's Power of Enforcement.**

(a) If an Event of Default occurs, Beneficiary shall be entitled, at its option and in its sole and absolute discretion, to prepare and record on its own behalf, or to deliver to Trustee for recording, if appropriate, written declaration of default and demand for sale and written Notice of Breach and Election to Sell (NRS 107.080(3)) (or other statutory notice) to cause the Trust Estate to be sold to satisfy the obligations hereof, and in the case of delivery to Trustee, Trustee shall cause said notice to be filed for record.

(b) After the lapse of such time as may then be required by law following the recordation of said Notice of Breach and Election to Sell, and notice of sale having been given as then required by law, including compliance with any applicable Nevada Gaming Laws, Trustee without demand on Trustor, shall sell the Trust Estate or any portion thereof at the time and place fixed by it in said notice, either as a whole or in separate parcels, and in such order as it may determine, at public auction to the highest bidder, of cash in lawful money of the United States payable at the time of sale. Trustee may, for any cause it deems expedient, postpone the sale of all or any portion of said property until it shall be completed and, in every case, notice of postponement shall be given by public announcement thereof at the time and place last appointed for the sale and from time to time thereafter Trustee may postpone such sale by public announcement at the time fixed by the preceding postponement. Trustee shall execute and deliver to the purchaser its Deed, Bill of Sale, or other instrument conveying said property so sold, but without any covenant or warranty, express or implied. The recitals in such instrument of conveyance of any matters or facts shall be conclusive proof of the truthfulness thereof. Any person, including Beneficiary, may bid at the sale.

(c) After deducting all costs, fees and expenses of Trustee and of this Deed of Trust, including, without limitation, costs of evidence of title and reasonable attorneys' fees and other legal expenses of Trustee or Beneficiary in connection with a sale, Trustee shall apply the proceeds of such sale to payment of all sums expended under the terms hereof not then repaid, with accrued interest at the rate applicable to overdue principal set forth in the Credit Agreement to the payment of all other sums then secured hereby and the remainder, if any, to the person or persons legally entitled thereto as provided in NRS 40.462.

(d) Subject to compliance with applicable Nevada Gaming Laws, if any Event of Default occurs, Beneficiary may, either with or without entry or taking possession of the Trust Estate, and without regard to whether or not the indebtedness and other sums secured hereby shall be due and without prejudice to the right of Beneficiary thereafter to bring an action or proceeding to foreclose or any other action for any default existing at the time such earlier action was commenced, proceed by any appropriate action or proceeding: (1) to enforce payment of the Obligations, to the extent permitted by law, or the performance of any term hereof or any other right; (2) to foreclose this Deed of Trust in any manner provided by law for the foreclosure of mortgages or deeds of trust on real property and to sell, as an entirety or in separate lots or parcels, the Trust Estate or any portion thereof pursuant to the laws of the State of Nevada or under the judgment or decree of a court or courts of competent jurisdiction, and Beneficiary shall be entitled to recover in

any such proceeding all costs and expenses incident thereto, including reasonable attorneys' fees in such amount as shall be awarded by the court; (3) to exercise any or all of the rights and remedies available to it under the Loan Documents; and (4) to pursue any other remedy available to it. Beneficiary shall take action either by such proceedings or by the exercise of its powers with respect to entry or taking possession, or both, as Beneficiary may determine.

(e) The remedies described in this *Section 4.4* may be exercised with respect to all or any portion of the Personal Property, either simultaneously with the sale of any real property encumbered hereby or independent thereof. Beneficiary shall at any time be permitted to proceed with respect to all or any portion of the Personal Property in any manner permitted by the UCC. Trustor agrees that Beneficiary's inclusion of all or any portion of the Personal Property (and all personal property that is subject to a security interest in favor, or for the benefit, of Beneficiary) in a sale or other remedy exercised with respect to the real property encumbered hereby, as permitted by the UCC, is a commercially reasonable disposition of such property.

4.5 *Beneficiary's Right to Enter and Take Possession, Operate and Apply Income.*

(a) Subject to compliance with applicable Nevada Gaming Laws, if an Event of Default occurs, (i) Trustor, upon demand of Beneficiary, shall forthwith surrender to Beneficiary the actual possession and, if and to the extent permitted by law, Beneficiary itself, or by such officers or agents as it may appoint, may enter and take possession of all the Trust Estate including the Personal Property, without liability for trespass, damages or otherwise, and may exclude Trustor and its agents and employees wholly therefrom and may have joint access with Trustor to the books, papers and accounts of Trustor; and (ii) Trustor shall pay monthly in advance to Beneficiary on Beneficiary's entry into possession, or to any receiver appointed to collect the Rents, all Rents then due and payable.

(b) If Trustor shall for any reason fail to surrender or deliver the Trust Estate, the Personal Property or any part thereof after Beneficiary's demand, Beneficiary may obtain a judgment or decree conferring on Beneficiary or Trustee the right to immediate possession or requiring Trustor to deliver immediate possession of all or part of such property to Beneficiary or Trustee and Trustor hereby specifically consents to the entry of such judgment or decree. Trustor shall pay to Beneficiary or Trustee, upon demand, all reasonable costs and expenses of obtaining such judgment or decree and reasonable compensation to Beneficiary or Trustee, their attorneys and agents, and all such costs, expenses and compensation shall, until paid, be secured by the lien of this Deed of Trust.

(c) Subject to compliance with applicable Nevada Gaming Laws, upon every such entering upon or taking of possession, Beneficiary or Trustee may hold, store, use, operate, manage and control the Trust Estate and conduct the business thereof, and, from time to time in its sole and absolute discretion and without being under any duty to so act:

- (1) make all necessary and proper maintenance, repairs, renewals, replacements, additions, betterments and improvements thereto and thereon and purchase or otherwise acquire additional fixtures, personalty and other property;
- (2) insure or keep the Trust Estate insured;
- (3) manage and operate the Trust Estate and exercise all the rights and powers of Trustor in their name or otherwise with respect to the same;
- (4) enter into agreements with others to exercise the powers herein granted Beneficiary or Trustee, all as Beneficiary or Trustee from time to time may determine; and, subject to the absolute assignment of the Leases and Rents to Beneficiary, Beneficiary or Trustee may collect and receive all the Rents, including those past due as well as those accruing thereafter; and shall apply the monies so received by Beneficiary or Trustee in such priority as Beneficiary may determine to (1) the payment of interest and principal due and payable on the Notes or the other Loan Documents, (2) the deposits for taxes and assessments and insurance premiums due, (3) the cost of insurance, taxes, assessments and other proper charges upon the Trust Estate or any part thereof; (4) the compensation, expenses and disbursements of the agents, attorneys and other representatives of Beneficiary or Trustee; and (5) any other charges or costs required to be paid by Trustor under the terms hereof; and
- (5) rent or sublet the Trust Estate or any portion thereof for any purpose permitted by this Deed of Trust.

Beneficiary or Trustee shall surrender possession of the Trust Estate and the Personal Property to Trustor only when all that is due upon such interest and principal, tax and insurance deposits, and all amounts under any of the terms of the Credit Agreement or this Deed of Trust, shall have been paid

and all defaults made good. The same right of taking possession, however, shall exist if any subsequent Event of Default shall occur and be continuing.

4.6 **Leases.** Beneficiary is authorized to foreclose this Deed of Trust subject to the rights of any tenants of the Trust Estate, and the failure to make any such tenants parties defendant to any such foreclosure proceedings and to foreclose their rights shall not be, nor be asserted by Trustor to be, a defense to any proceedings instituted by Beneficiary to collect the sums secured hereby or to collect any deficiency remaining unpaid after the foreclosure sale of the Trust Estate, or any portion thereof. Unless otherwise agreed by Beneficiary in writing, all Space Leases executed subsequent to the date hereof, or any part thereof, shall be subordinate and inferior to the lien of this Deed of Trust; provided, however that (i) in accordance with the terms of the Loan Documents, Beneficiary may be required to execute a non-disturbance and attornment agreement in connection with certain Space Leases; and (ii) from time to time Beneficiary may execute and record among the land records of the jurisdiction where this Deed of Trust is recorded, subordination statements with respect to such of said Space Leases as Beneficiary may designate in its sole discretion, whereby the Space Leases so designated by Beneficiary shall be made superior to the lien of this Deed of Trust for the term set forth in such subordination statement. From and after the recordation of such subordination statements, and for the respective periods as may be set forth therein, the Space Leases therein referred to shall be superior to the lien of this Deed of Trust and shall not be affected by any foreclosure hereof. All such Space Leases shall contain a provision to the effect that the Trustor and Space Lessee recognize the right of Beneficiary to elect and to effect such subordination of this Deed of Trust and consents thereto.

4.7 **Purchase by Beneficiary.** Upon any foreclosure sale (whether judicial or nonjudicial), Beneficiary may bid for and purchase the property subject to such sale and, upon compliance with the terms of sale, may hold, retain and possess and dispose of such property in its own absolute right without further

accountability.

4.8 Waiver of Appraisal, Valuation, Stay, Extension and Redemption Laws. Trustor agrees to the full extent permitted by law that if an Event of Default occurs, neither Trustor nor anyone claiming through or under it shall or will set up, claim or seek to take advantage of any appraisal, valuation, stay, extension or redemption laws now or hereafter in force, in order to prevent or hinder the enforcement or foreclosure of this Deed of Trust or the absolute sale of the Trust Estate or any portion thereof or the final and absolute putting into possession thereof, immediately after such sale, of the purchasers thereof, and Trustor for itself and all who may at any time claim through or under it, hereby waives, to the full extent that it may lawfully so do, the benefit of all such laws, and any and all right to have the assets comprising the Trust Estate marshalled upon any foreclosure of the lien hereof and agrees that Trustee or any court having jurisdiction to foreclose such lien may sell the Trust Estate in part or as an entirety.

4.9 Receiver. If an Event of Default occurs, Beneficiary, to the extent permitted by law and subject to compliance with all applicable Nevada Gaming Laws, and without regard to the value, adequacy or occupancy of the security for the indebtedness and other sums secured hereby, shall be entitled as a matter of right if it so elects to the appointment of a receiver to enter upon and take possession of the Trust Estate and to collect all Rents and apply the same as the court may direct, and such receiver may be appointed by any court of competent jurisdiction upon application by Beneficiary. Beneficiary may have a receiver appointed without notice to Trustor or any third party, and Beneficiary may waive any requirement that the receiver post a bond. Beneficiary shall have the power to designate and select the Person who shall serve as the receiver and to negotiate all terms and conditions under which such receiver shall serve. Any receiver appointed on Beneficiary's behalf may be an Affiliate of Beneficiary. The expenses, including receiver's fees, attorneys' fees, costs and agent's compensation, incurred pursuant to the powers herein contained shall be secured by this Deed of Trust. The right to enter and take possession of and to manage and operate the Trust Estate and to collect all Rents,

28

whether by a receiver or otherwise, shall be cumulative to any other right or remedy available to Beneficiary under this Deed of Trust, the Guaranty or the other Loan Documents or otherwise available to Beneficiary and may be exercised concurrently therewith or independently thereof. Beneficiary shall be liable to account only for such Rents (including, without limitation, security deposits) actually received by Beneficiary, whether received pursuant to this section or any other provision hereof. Notwithstanding the appointment of any receiver or other custodian, Beneficiary shall be entitled as pledgee to the possession and control of any cash, deposits, or instruments at the time held by, or payable or deliverable under the terms of this Deed of Trust to, Beneficiary.

4.10 Suits to Protect the Trust Estate. Beneficiary shall have the power and authority to institute and maintain any suits and proceedings as Beneficiary, in its sole and absolute discretion, may deem advisable (a) to prevent any impairment of the Trust Estate by any acts which may be unlawful or in violation of this Deed of Trust, (b) to preserve or protect its interest in the Trust Estate, or (c) to restrain the enforcement of or compliance with any legislation or other Legal Requirement that may be unconstitutional or otherwise invalid, if the enforcement of or compliance with such enactment, rule or order might impair the security hereunder or be prejudicial to Beneficiary's interest.

4.11 Proofs of Claim. In the case of any receivership, Insolvency, Bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceedings affecting Trustor, or, to the extent the same would result in an Event of Default hereunder, any Subsidiary, or any guarantor, co-maker or endorser of any of Trustor's obligations, its creditors or its property, Beneficiary, to the extent permitted by law, shall be entitled to file such proofs of claim or other documents as it may deem to be necessary or advisable in order to have its claims allowed in such proceedings for the entire amount due and payable by Trustor under the Loan Document, at the date of the institution of such proceedings, and for any additional amounts which may become due and payable by Trustor after such date.

4.12 Trustor to Pay the Obligations on Any Default in Payment; Application of Monies by Beneficiary.

(a) In case of a foreclosure sale of all or any part of the Trust Estate and of the application of the proceeds of sale to the payment of the sums secured hereby, Beneficiary shall be entitled to enforce payment from Trustor of any additional amounts then remaining due and unpaid with respect to the Obligations and to recover judgment against Trustor for any portion thereof remaining unpaid, with interest at the rate applicable to overdue principal as set forth in the Credit Agreement.

(b) Trustor hereby agrees to the extent permitted by law, that no recovery of any judgment by Beneficiary or other action by Beneficiary and no attachment or levy of any execution upon any Property of Trustor by Beneficiary (other than a foreclosure of the entire Trust Estate hereunder) shall in any way affect the Lien and security interest of this Deed of Trust upon the Trust Estate or any part thereof or any Lien, rights, powers or remedies of Beneficiary hereunder, but such Lien, rights, powers and remedies shall continue unimpaired as before.

(c) Any monies collected or received by Beneficiary under this *Section 4.12* shall be first applied to the payment of reasonable compensation, expenses and disbursements of the agents, attorneys and other representatives of Beneficiary, and the balance remaining shall be applied to the Obligations.

29

(d) The provisions of this section shall not be deemed to limit or otherwise modify the provisions of any guaranty of the indebtedness evidenced by the Notes or the other Loan Documents.

4.13 Delay or Omission; No Waiver. No delay or omission of Beneficiary or any Bank to exercise any right, power or remedy upon any Event of Default shall exhaust or impair any such right, power or remedy or shall be construed to waive any such Event of Default or to constitute acquiescence therein. Every right, power and remedy given to Beneficiary whether contained herein or in the other Loan Documents or otherwise available to Beneficiary may be exercised from time to time and as often as may be deemed expedient by Beneficiary.

4.14 No Waiver of One Default to Affect Another. No waiver of any Event of Default hereunder shall extend to or affect any subsequent or any other Event of Default then existing, or impair any rights, powers or remedies consequent thereon. If Beneficiary or the required percentage of the Banks (as determined pursuant to the Credit Agreement), to the extent applicable under the Credit Agreement, (a) grants forbearance or an extension of time for the

payment of any sums secured hereby; (b) takes other or additional security for the payment thereof; (c) waives or does not exercise any right granted in the Notes, the Credit Agreement, this Deed of Trust, the Guaranty, the Disbursement Agreement or any other Loan Document (including any Security Document); (d) releases any part of the Trust Estate from the lien or security interest of this Deed of Trust or any other instrument securing the Obligations; (e) consents to the filing of any map, plat or replat of the Site (to the extent such consent is required); (f) consents to the granting of any easement on the Site (to the extent such consent is required); or (g) makes or consents to any agreement changing the terms of this Deed of Trust or any other Loan Document subordinating the lien or any charge hereof, no such act or omission shall release, discharge, modify, change or affect the original liability of Trustor under the Guaranty, this Deed of Trust or any other Loan Document (including any Security Document) or otherwise, or any subsequent purchaser of the Trust Estate or any part thereof or any maker, co-signer, surety or guarantor. No such act or omission shall preclude Beneficiary from exercising any right, power or privilege herein granted or intended to be granted in case of any Event of Default then existing or of any subsequent Event of Default, nor, except as otherwise expressly provided in an instrument or instruments executed by Beneficiary, shall the lien or security interest of this Deed of Trust be altered thereby, except to the extent expressly provided in any releases, maps, easements or subordinations described in clause (d), (e), (f) or (g) above of this Section 4.14. In the event of the sale or transfer by operation of law or otherwise of all or any part of the Trust Estate, Beneficiary, without notice to any person, firm or corporation, is hereby authorized and empowered to deal with any such vendee or transferee with reference to the Trust Estate or the indebtedness secured hereby, or with reference to any of the terms or conditions hereof, as fully and to the same extent as it might deal with the original parties hereto and without in any way releasing or discharging any of the liabilities or undertakings hereunder, or waiving its right to declare such sale or transfer an Event of Default as provided herein. Notwithstanding anything to the contrary contained in this Deed of Trust or any other Loan Document (including any Security Document), (i) in the case of any non-monetary Event of Default, Beneficiary may continue to accept payments due or secured hereunder without thereby waiving the existence of such or any other Event of Default and (ii) in the case of any monetary Event of Default, Beneficiary may accept partial payments of any sums due or secured hereunder without thereby waiving the existence of such Event of Default if the partial payment is not sufficient to completely cure such Event of Default.

4.15 Discontinuance of Proceedings; Position of Parties Restored. If Beneficiary shall have proceeded to enforce any right or remedy under this Deed of Trust by foreclosure, entry of judgment or otherwise and such proceedings shall have been discontinued or abandoned for any reason, or such proceedings shall have resulted in a final determination adverse to Beneficiary, then and in every such case Trustor and Beneficiary shall be restored to their former positions and rights hereunder, and all

30

rights, powers and remedies of Beneficiary shall continue as if no such proceedings had occurred or had been taken.

4.16 Remedies Cumulative. No right, power or remedy, including without limitation remedies with respect to any security for the Obligations, conferred upon or reserved to Beneficiary by this Deed of Trust or any other Loan Document (including any Security Document) is exclusive of any other right, power or remedy, but each and every such right, power and remedy shall be cumulative and concurrent and shall be in addition to any other right, power and remedy given hereunder or any other Loan Document (including any Security Document), now or hereafter existing at law, in equity or by statute, and Beneficiary shall be entitled to resort to such rights, powers, remedies or security as Beneficiary shall in its sole and absolute discretion deem advisable.

4.17 Interest After Event of Default. If an Event of Default shall have occurred and is continuing, all sums outstanding and unpaid under the Obligations shall, at Beneficiary's option, bear interest at the rate applicable to overdue principal set forth in the Credit Agreement until such Event of Default has been cured. Trustor's obligation to pay such interest shall be secured by this Deed of Trust.

4.18 Foreclosure; Expenses of Litigation. If Trustee forecloses, reasonable attorneys' fees for services in the supervision of said foreclosure proceeding shall be allowed to the Trustee and Beneficiary as part of the foreclosure costs. In the event of foreclosure of the lien hereof, there shall be allowed and included as additional indebtedness all reasonable expenditures and expenses which may be paid or incurred by or on behalf of Beneficiary for attorneys' fees, appraiser's fees, outlays for documentary and expert evidence, stenographers' charges, publication costs, and costs (which may be estimated as to items to be expended after foreclosure sale or entry of the decree) of procuring all such abstracts of title, title searches and examinations, title insurance policies and guarantees, and similar data and assurances with respect to title as Beneficiary may deem reasonably advisable either to prosecute such suit or to evidence to a bidder at any sale which may be had pursuant to such decree the true condition of the title to or the value of the Trust Estate or any portion thereof. All expenditures and expenses of the nature in this section mentioned, and such expenses and fees as may be incurred in the protection of the Trust Estate and the maintenance of the lien and security interest of this Deed of Trust, including the fees of any attorney employed by Beneficiary in any litigation or proceeding affecting this Deed of Trust, the Guaranty or any other Loan Document (including any Security Document), the Trust Estate or any portion thereof, including, without limitation, civil, probate, appellate and bankruptcy proceedings, or in preparation for the commencement or defense of any proceeding or threatened suit or proceeding, shall be immediately due and payable by Trustor, with interest thereon at the rate applicable to overdue principal set forth in the Credit Agreement, and shall be secured by this Deed of Trust. Trustee waives its right to any statutory fee in connection with any judicial or nonjudicial foreclosure of the lien hereof and agrees to accept a reasonable fee for such services.

4.19 Deficiency Judgments. If after foreclosure of this Deed of Trust or Trustee's sale hereunder, there shall remain any deficiency with respect to any Obligations, and Beneficiary shall institute any proceedings to recover such deficiency or deficiencies, all such amounts shall continue to bear interest at the rate applicable to overdue principal set forth in the Credit Agreement. Trustor waives any defense to Beneficiary's recovery against Trustor of any deficiency after any foreclosure sale of the Trust Estate. Trustor expressly waives any defense or benefits that may be derived from any statute granting Trustor any defense to any such recovery by Beneficiary. In addition, Beneficiary and Trustee shall be entitled to recovery of all of their reasonable costs and expenditures (including without limitation any court imposed costs) in connection with such proceedings, including their reasonable attorneys' fees, appraisal fees and the other costs, fees and expenditures referred to in Section 4.18 above. This provision shall survive any foreclosure or sale of the Trust Estate, any portion thereof and/or the extinguishment of the lien hereof.

31

4.20 Waiver of Jury Trial. Beneficiary and Trustor each waive any right to have a jury participate in resolving any dispute whether sounding in contract, tort or otherwise arising out of, connected with, related to or incidental to the relationship established between them in connection with the Obligations. Any such disputes shall be resolved in a bench trial without a jury.

4.21 Exculpation of Beneficiary. The acceptance by Beneficiary of the assignment contained herein with all of the rights, powers, privileges and authority created hereby shall not, prior to entry upon and taking possession of the Trust Estate by Beneficiary, be deemed or construed to make Beneficiary a

"mortgagee in possession"; nor thereafter or at any time or in any event obligate Beneficiary to appear in or defend any action or proceeding relating to the Space Leases, the Rents or the Trust Estate, or to take any action hereunder or to expend any money or incur any expenses or perform or discharge any obligation, duty or liability under any Space Lease or to assume any obligation or responsibility for any security deposits or other deposits except to the extent such deposits are actually received by Beneficiary, nor shall Beneficiary, prior to such entry and taking, be liable in any way for any injury or damage to person or property sustained by any Person in or about the Trust Estate.

ARTICLE FIVE
RIGHTS AND RESPONSIBILITIES OF TRUSTEE;
OTHER PROVISIONS RELATING TO TRUSTEE

Notwithstanding anything to the contrary in this Deed of Trust, Trustor and Beneficiary agree as follows.

5.1 **Exercise of Remedies by Trustee.** To the extent that this Deed of Trust or applicable law, including all applicable Nevada Gaming Laws, authorizes or empowers, or does not require approval for, Beneficiary to exercise any remedies set forth in Article Four hereof or otherwise, or perform any acts in connection therewith, Trustee (but not to the exclusion of Beneficiary unless so required under the law of the State of Nevada) shall have the power to exercise any or all such remedies, and to perform any acts provided for in this Deed of Trust in connection therewith, all for the benefit of Beneficiary and on Beneficiary's behalf in accordance with applicable law of the State of Nevada. In connection therewith, Trustee: (a) shall not exercise, or waive the exercise of, any of Beneficiary's remedies (other than any rights of Trustee to any indemnity or reimbursement), except at Beneficiary's request, and (b) shall exercise, or waive the exercise of, any or all of Beneficiary's remedies at Beneficiary's request, and in accordance with Beneficiary's directions as to the manner of such exercise or waiver. Trustee may, however, decline to follow Beneficiary's request or direction if Trustee shall be advised by counsel that the action or proceeding, or manner thereof, so directed may not lawfully be taken or waived.

5.2 **Rights and Privileges of Trustee.** To the extent that this Deed of Trust requires Trustor to indemnify Beneficiary or reimburse Beneficiary for any expenditures Beneficiary may incur, Trustee shall be entitled to the same indemnity and the same rights to reimbursement of expenses as Beneficiary, subject to such limitations and conditions as would apply in the case of Beneficiary. To the extent that this Deed of Trust negates or limits Beneficiary's liability as to any matter, Trustee shall be entitled to the same negation or limitation of liability. To the extent that Trustor, pursuant to this Deed of Trust, appoints Beneficiary as Trustor's attorney in fact for any purpose, Beneficiary or (when so instructed by Beneficiary) Trustee shall be entitled to act on Trustor's behalf without joinder or confirmation by the other.

5.3 **Resignation or Replacement of Trustee.** Trustee may resign by an instrument in writing addressed to Beneficiary, and Trustee may be removed at any time with or without cause (i.e., in Beneficiary's sole and absolute discretion) by an instrument in writing executed by Beneficiary. In case of the death, resignation, removal or disqualification of Trustee or if for any reason Beneficiary shall

32

deem it desirable to appoint a substitute, successor or replacement Trustee to act instead of Trustee originally named (or in place of any substitute, successor or replacement Trustee), then Beneficiary shall have the right and is hereby authorized and empowered to appoint a successor, substitute or replacement Trustee, without any formality other than appointment and designation in writing executed by Beneficiary, which instrument shall be recorded in the Office of the Recorder of Clark County, Nevada. The law of the State of Nevada (including, without limitation, the Nevada Gaming Laws) shall govern the qualifications of any Trustee. The authority conferred upon Trustee by this Deed of Trust shall automatically extend to any and all other successor, substitute and replacement Trustee(s) successively until the obligations secured hereunder have been paid in full or the Trust Estate has been sold hereunder or released in accordance with the provisions of the Guaranty and the other Loan Documents (including the Security Documents). Beneficiary's written appointment and designation of any Trustee shall be full evidence of Beneficiary's right and authority to make the same and of all facts therein recited. No confirmation, authorization, approval or other action by Trustor shall be required in connection with any resignation or other replacement of Trustee.

5.4 **Authority of Beneficiary.** If Beneficiary is a banking corporation, state banking corporation or a national banking association and the instrument of appointment of any successor or replacement Trustee is executed on Beneficiary's behalf by an officer of such corporation, state banking corporation or national banking association, then such appointment shall be conclusively presumed to be executed with authority and shall be valid and sufficient without proof of any action by the board of directors or any superior officer of Beneficiary.

5.5 **Effect of Appointment of Successor Trustee.** Upon the appointment and designation of any successor, substitute or replacement Trustee, and subject to compliance with applicable Nevada Gaming Laws and other applicable laws, Trustee's entire estate and title in the Trust Estate shall vest in the designated successor, substitute or replacement Trustee. Such successor, substitute or replacement Trustee shall thereupon succeed to and shall hold, possess and execute all the rights, powers, privileges, immunities and duties herein conferred upon Trustee. All references herein to Trustee shall be deemed to refer to Trustee (including any successor or substitute appointed and designated as herein provided) from time to time acting hereunder.

5.6 **Confirmation of Transfer and Succession.** Upon the written request of Beneficiary or of any successor, substitute or replacement Trustee, any former Trustee ceasing to act shall execute and deliver an instrument transferring to such successor, substitute or replacement Trustee all of the right, title, estate and interest in the Trust Estate of Trustee so ceasing to act, together with all the rights, powers, privileges, immunities and duties herein conferred upon Trustee, and shall duly assign, transfer and deliver all properties and moneys held by said Trustee hereunder to said successor, substitute or replacement Trustee.

5.7 **Exculpation.** Trustee shall not be liable for any error of judgment or act done by Trustee in good faith, or otherwise be responsible or accountable under any circumstances whatsoever, except for Trustee's gross negligence, willful misconduct or knowing violation of law. Trustee shall have the right to rely on any instrument, document or signature authorizing or supporting any action taken or proposed to be taken by it hereunder, believed by it in good faith to be genuine. All moneys received by Trustee shall, until used or applied as herein provided, be held in trust for the purposes for which they were received, but need not be segregated in any manner from any other moneys (except to the extent required by law). Trustee shall be under no liability for interest on any moneys received by it hereunder.

5.8 **Endorsement and Execution of Documents.** Upon Beneficiary's written request, Trustee shall, without liability or notice to Trustor, execute, consent to, or join in any instrument or agreement in connection with or necessary to effectuate the purposes of the Guaranty and the other Loan Documents (including the Security Documents). Trustor hereby irrevocably designates Trustee as its

attorney in fact to execute, acknowledge and deliver, on Trustor's behalf and in Trustor's name, all instruments or agreements necessary to implement any provision(s) of this Deed of Trust or to further perfect the lien created by this Deed of Trust on the Trust Estate. This power of attorney shall be deemed to be coupled with an interest and shall survive any disability of Trustor.

5.9 **Multiple Trustees.** If Beneficiary appoints multiple trustees, then any Trustee, individually, may exercise all powers granted to Trustee under this instrument, without the need for action by any other Trustee(s).

5.10 **Terms of Trustee's Acceptance.** Trustee accepts the trust created by this Deed of Trust upon the following terms and conditions:

(a) **Delegation.** Trustee may exercise any of its powers through appointment of attorney(s) in fact or agents.

(b) **Counsel.** Trustee may select and employ legal counsel (including any law firm representing Beneficiary). Trustor shall reimburse all reasonable legal fees and expenses that Trustee may thereby incur.

(c) **Security.** Trustee shall be under no obligation to take any action upon any Event of Default unless furnished security or indemnity, in form satisfactory to Trustee, against costs, expenses, and liabilities that Trustee may incur.

(d) **Costs and Expenses.** Trustor shall reimburse Trustee, as part of the Obligations secured hereunder, for all reasonable disbursements and expenses (including reasonable legal fees and expenses) incurred by reason of and as provided for in this Deed of Trust, including any of the foregoing incurred in Trustee's administering and executing the trust created by this Deed of Trust, in complying with all applicable Nevada Gaming Laws and performing Trustee's duties and exercising Trustee's powers under this Deed of Trust.

(e) **Release.** Upon full and indefeasible payment and performance of the Obligations secured hereunder, Beneficiary shall request that Trustee release this Deed of Trust. Upon receipt of such request Trustee shall release this Deed of Trust to Trustor. Trustor shall pay all costs of recordation, if any.

6.3 **Change of Notice Address.** Any Person may change the address to which any such notice, report, demand or other instrument is to be delivered or mailed to that person, by furnishing written notice of such change to the other parties, but no such notice of change shall be effective unless and until received by such other parties.

6.4 **Headings.** The headings of the articles, sections, paragraphs and subdivisions of this Deed of Trust are for convenience of reference only, are not to be considered a part hereof, and shall not limit or expand or otherwise affect any of the terms hereof.

6.5 **Invalid Provisions to Affect No Others.** In the event that any of the covenants, agreements, terms or provisions contained herein or in the Notes, the Credit Agreement, the Guaranty or any other Loan Document (including the Security Documents) shall be invalid, illegal or unenforceable in any respect, the validity of the lien hereof and the remaining covenants, agreements, terms or provisions contained herein or in the Notes, the Credit Agreement, the Guaranty or any other Loan Document (including the Security Documents) shall be in no way affected, prejudiced or disturbed thereby. To the extent permitted by law, Trustor waives any provision of law which renders any provision hereof prohibited or unenforceable in any respect.

6.6 **Changes and Priority Over Intervening Liens.** Neither this Deed of Trust nor any term hereof may be changed, waived, discharged or terminated orally, or by any action or inaction, but only by an instrument in writing signed by the party against which enforcement of the change, waiver, discharge or termination is sought. Any agreement hereafter made by Trustor and Beneficiary relating to this Deed of Trust shall be superior to the rights of the holder of any intervening lien or encumbrance.

6.7 **Estoppel Certificates.** Within ten (10) Business Days after Beneficiary's written request, Trustor shall from time to time execute a certificate, in recordable form (an "Estoppel Certificate"), stating, except to the extent it would be inaccurate to so state: (a) the current amount of the Obligations secured hereunder and all elements thereof, including principal, interest, and all other elements; (b) that Trustor has no defense, offset, claim, counterclaim, right of recoupment, deduction, or reduction against any of the Obligations secured hereunder; (c) that neither the Guaranty, this Deed of Trust nor any other Loan Documents (including the Security Documents) to which it is a party have been amended, whether orally or in writing; (d) that Trustor has no claims against Beneficiary of any kind; (e) that any power of attorney granted to Beneficiary is in full force and effect; and (f) such other matters relating to this Deed of Trust, the Guaranty or any other Loan Document (including any Security Document) to which it is a party and the relationship of Trustor and Beneficiary as Beneficiary shall request. In addition, the Estoppel Certificate shall set forth the reasons why it would be inaccurate to make any of the foregoing assurances.

35

6.8 **Waiver of Setoff and Counterclaim; Other Waivers.** All Obligations shall be payable without setoff, counterclaim or any deduction whatsoever. Trustor hereby waives the right to assert a counterclaim (other than a compulsory counterclaim) in any action or proceeding brought against it by Beneficiary and/or any Bank under the Loan Documents, or arising out of or in any way connected with this Deed of Trust or the other Loan Documents (including the Security Documents) or the Obligations.

6.9 **Governing Law.** The Credit Agreement, the Guaranty and the Notes provide that they are governed by, and construed and enforced in accordance with, the laws of the State of New York. This Deed of Trust shall also be construed under and governed by the laws of the State of New York; provided, however, that (i) the terms and provisions of this Deed of Trust pertaining to the priority, perfection, enforcement or realization by Beneficiary of its respective rights and remedies under this Deed of Trust with respect to the Trust Estate shall be governed and construed and enforced in accordance with the internal laws of the State of Nevada (the "State") without giving effect to the conflicts-of-law rules and principles of the State; (ii) Trustor agrees that to the extent deficiency judgments are available under the laws of the State after a foreclosure (judicial or nonjudicial) of the Trust Estate, or any portion thereof, or any other realization thereon by Beneficiary or any Bank under the Loan Documents, Beneficiary or such Bank, as the case may be, shall have the right to seek such a deficiency judgment against Trustor in the State; and (iii) Trustor agrees that if Beneficiary or any Bank under the Loan Documents obtains a deficiency judgment in another state against Trustor, then Beneficiary or such Bank, as the case may be, shall have the right to enforce such judgment in the State to the extent permitted under the laws of the State, as well as in other states.

6.10 **Required Notices.** Trustor shall notify Beneficiary promptly of the occurrence of any of the following and shall immediately provide Beneficiary a copy of the notice or documents referred to: (i) receipt of notice from any Governmental Authority relating to all or any material part of the Trust Estate if such notice relates to a default or act, omission or circumstance which would result in a default after notice or passage of time or both; (ii) receipt of any notice from any tenant leasing all or any material portion of the Trust Estate if such notice relates to a default or act, omission or circumstance which would result in a default after notice or passage of time or both; (iii) receipt of notice from the holder of any Permitted Lien relating to a default or act, omission or circumstance which would result in a default after notice or passage of time or both; (iv) the commencement of any proceedings or the entry of any judgment, decree or order materially affecting all or any portion of the Trust Estate or which involve the potential liability of Trustor or its Affiliates in an amount in excess of \$25,000,000 (other than for personal injury actions and related property damage suits which are covered by such insurance); or (v) commencement of any judicial or administrative proceedings or the entry of any judgment, decree or order by or against or otherwise affecting Trustor or any Affiliate of Trustor, a material portion of the Trust Estate, or a material portion of the Personal Property, or any other action by any creditor or lessor thereof as a result of any default under the terms of any lease.

6.11 **Reconveyance.** Upon written request of Trustor when the Obligations secured hereby have been satisfied in full, Beneficiary shall cause Trustee to reconvey, without warranty, the property then held hereunder. The recitals in such reconveyance of any matters or facts shall be conclusive proof of the truthfulness thereof. The grantee in such reconveyance may be described as "the person or persons legally entitled thereto."

6.12 **Attorneys' Fees.** Without limiting any other provision contained herein, Trustor agrees to pay all costs of Beneficiary or Trustee incurred in connection with the enforcement of this Deed of Trust, the Guaranty or the other Loan Documents to which it is a party, including without limitation all reasonable attorneys' fees whether or not suit is commenced, and including, without limitation, fees incurred in connection with any probate, appellate, bankruptcy, deficiency or any other litigation proceedings, all of which sums shall be secured hereby.

36

6.13 **Late Charges.** By accepting payment of any sum secured hereby after its due date, Beneficiary does not waive its right to collect any late charge thereon or interest thereon at the interest rate on the Notes or as otherwise specified in the Credit Agreement, if so *provided*, not then paid or its right either to require prompt payment when due of all other sums so secured or to declare default for failure to pay any amounts not so paid.

6.14 **Cost of Accounting.** Trustor shall pay to Beneficiary, for and on account of the preparation and rendition of any accounting, which Trustor may be entitled to require under any law or statute now or hereafter providing therefor, the reasonable costs thereof.

6.15 **Right of Entry.** Subject to compliance with applicable Nevada Gaming Laws, Beneficiary may at any reasonable time or times and on reasonable prior written notice to Trustor make or cause to be made entry upon and inspections of the Trust Estate or any part thereof in person or by agent.

6.16 **Corrections.** Trustor shall, upon request of Beneficiary or Trustee, promptly correct any defect, error or omission which may be discovered in the contents of this Deed of Trust (including, but not limited to, in the exhibits and schedules attached hereto) or in the execution or acknowledgement hereof, and shall execute, acknowledge and deliver such further instruments and do such further acts as may be necessary or as may be reasonably requested by Trustee to carry out more effectively the purposes of this Deed of Trust, to subject to the lien and security interest hereby created any of Trustor's properties, rights or interest covered or intended to be covered hereby, and to perfect and maintain such lien and security interest.

6.17 **Statute of Limitations.** To the fullest extent allowed by the law, the right to plead, use or assert any statute of limitations as a plea or defense or bar of any kind, or for any purpose, to any debt, demand or obligation secured or to be secured hereby, or to any complaint or other pleading or proceeding filed, instituted or maintained for the purpose of enforcing this Deed of Trust or any rights hereunder, is hereby waived by Trustor.

6.18 **Subrogation.** Should the proceeds of any loan or advance made by Beneficiary or any Bank under the Credit Agreement, repayment of which is hereby secured, or any part thereof, or any amount paid out or advanced by Beneficiary or any Bank under the Credit Agreement, be used directly or indirectly to pay off, discharge, or satisfy, in whole or in part, any prior or superior lien or encumbrance upon the Trust Estate, or any part thereof, then, as additional security hereunder, Trustee, on behalf of Beneficiary, shall be subrogated to any and all rights, superior titles, liens, and equities owned or claimed by any owner or holder of said outstanding liens, charges, and indebtedness, however remote, regardless of whether said liens, charges, and indebtedness are acquired by assignment or have been released of record by the holder thereof upon payment.

6.19 **Joint and Several Liability.** All obligations of Trustor hereunder, if more than one, are joint and several. Recourse for deficiency after sale hereunder may be had against the property of Trustor, without, however, creating a present or other lien or charge thereon.

6.20 **Homestead.** Trustor hereby waives and renounces all homestead and exemption rights provided by the constitution and the laws of the United States and of any state, in and to the Trust Estate as against the collection of the Obligations, or any part hereof.

6.21 **Context.** In this Deed of Trust, whenever the context so requires, the neuter includes the masculine and feminine, and the singular including the plural, and vice versa.

6.22 **Time.** Time is of the essence of each and every term, covenant and condition hereof. Unless otherwise specified herein, any reference to "days" in this Deed of Trust shall be deemed to mean "calendar days."

6.23 **Interpretation.** As used in this Deed of Trust unless the context clearly requires otherwise: The terms "herein" or "hereunder" and similar terms without reference to a particular section shall

refer to the entire Deed of Trust and not just to the section in which such terms appear; the term "lien" shall also mean a security interest, and the term "security interest" shall also mean a lien.

6.24 **Effect of NRS 107.030.** To the extent not inconsistent herewith, the provisions of NRS 107.030 (1), (2) (in amounts as hereinabove provided for), (3), (4) (with interest at the default rate provided for under the Credit Agreement), (5), (6), (7) (reasonable), (8) and (9) are included herein by reference and made part of this Deed of Trust.

6.25 **Amendments.** This Deed of Trust cannot be waived, changed, discharged or terminated orally, but only by an instrument in writing signed by the party against whom enforcement of any waiver, change, discharge or termination is sought and only as permitted by the provisions of the Guaranty.

6.26 **No Conflicts.** In the event that any of the provisions contained here conflict with the Guaranty, the provisions contained in the Credit Agreement and the Guaranty shall prevail.

ARTICLE SEVEN POWER OF ATTORNEY

7.1 **Grant of Power.** Subject to compliance with applicable Nevada Gaming Laws, Trustor irrevocably appoints Beneficiary and any successor thereto as its attorney-in-fact, with full power and authority, including the power of substitution, exercisable only during the continuance of an Event of Default to act for Trustor in its name, place and stead as hereinafter provided:

7.1.4 **Security Guards.** To employ watchmen to protect the Site and the Project from injury.

7.1.5 **Compromise Claims.** To pay, settle or compromise all bills and claims then existing or thereafter arising against Trustor, which Beneficiary, in its discretion, deems proper for the protection or clearance of title to the Site or Personal Property, or for the protection of Beneficiary's interests with respect thereto.

7.1.6 **Legal Proceedings.** To prosecute and defend all actions and proceedings in connection with the Site or the Project.

7.2 **Other Acts.** To execute, acknowledge and deliver all other instruments and documents in the name of Trustor that are necessary or desirable, to exercise Trustor's rights under all contracts concerning the Site or the Project, including, without limitation, under any Space Leases, and to do all other acts with respect to the Site or the Project that Trustor might do on its own behalf, as Beneficiary, in its reasonable discretion, deems proper.

(f) "*Proceedings*" means the institution of, or threat of, any action, suit, proceeding (whether administrative, judicial or otherwise), governmental investigation or arbitration against or affecting the Company or any property of the Company, in each case with respect to Hazardous Substance Laws, Hazardous Substances or Releases.

(g) "*Release*" means any presence, use, generating, storing, spilling, leaking, pumping, pouring, emitting, emptying, discharging, injecting, escaping, leaching, dumping or disposing of Hazardous Substances into the environment, or about, on, from, under, within or affecting the Property, or transported to or from the Property, including continuing migration of Hazardous Substances into or through soil, surface water or groundwater.

2. *Environmental Indemnification by the Company.*

(a) The Company hereby agrees to defend (with counsel reasonably approved by the Administrative Agent), indemnify and hold the Indemnified Parties harmless from and against, and shall reimburse the Indemnified Parties for, any and all Claims.

(b) The Indemnified Parties shall have the right to employ independent counsel reasonably satisfactory to the Company to represent it in any action or proceeding to which this Indemnity is applicable if and to the extent that the Indemnified Parties determine in good faith that their rights and interests may be compromised or not fully and adequately represented by legal counsel acting for the Company, whether on account of any potential defenses that

the Company may have to its obligations under this Indemnity or otherwise, and in such event the reasonable fees and expenses of the Indemnified Parties' independent counsel shall be paid by the Company.

(c) Subject to the last sentence of Section 1(a) above, the Company's obligations hereunder shall not be diminished or affected in any respect as a result of any notice or disclosure, if any, to, or other knowledge, if any, by, any Indemnified Party of any Release or threatened Release, or as a result of any other matter related to the Company's obligations hereunder, nor shall any Indemnified Party be deemed to have permitted or acquiesced in any Release or any breach of the Company's other obligations hereunder, solely because any Indemnified Party had notice, disclosure or knowledge thereof, whether at the time this Indemnity is delivered or at any time thereafter.

(d) This Indemnity shall not be limited by any representation, warranty or indemnity of the Company made herein or in connection with any indebtedness secured by the Deed of Trust, irrespective of whether the Company has knowledge as of the date of the Deed of Trust, or during the term of the Deed of Trust, of the matters to which such representation, warranty or indemnity relates.

3. *Environmental Covenants.*

(a) The Company shall not, and shall use commercially reasonable efforts to not permit any tenants or other occupants of the Property to, at any time in the future, cause or permit a Release, except in compliance with applicable Hazardous Substances Laws.

(b) Upon becoming aware thereof, the Company shall give prompt written notice to the Administrative Agent of any pending Claims or of any Proceedings.

F-3

(c) The Company shall give prompt written notice to the Administrative Agent of the Company's discovery of any occurrence or condition on any real property adjoining or in the vicinity of the Property that could cause the Property or any part thereof to be subject to any restrictions on the ownership, occupancy, transferability or use of the Property under any Hazardous Substances Laws including, without limitation, the Company's discovery of any occurrence or condition on the Property or on any real property adjoining or in the vicinity of the Property that could cause the Property to be subject to any restrictions on the ownership, occupancy, transferability or use of the Property under any Hazardous Substances Laws.

(d) In the event that any investigation, site monitoring, containment, cleanup, removal, restoration, precautionary actions or other remedial work of any kind or nature (hereinafter, "*Remedial Work*") is required under any applicable Hazardous Substances Law as a result of, or in connection with, any Release, suspected Release, or threatened Release, the Company shall within thirty (30) days after receipt of information that such Remedial Work is or may be required (or such shorter period of time as may be required under applicable law, regulation, order or agreement), commence the performance of, or cause to be commenced, and thereafter diligently prosecute to completion, the performance of all such Remedial Work in compliance with all applicable Hazardous Substances Laws. All Remedial Work shall be performed by one or more contractors, approved in advance in writing by the Administrative Agent, and under the supervision of a consulting engineer approved in advance in writing by the Administrative Agent, which consent shall not be unreasonably withheld, delayed or conditioned. All costs and expenses of such Remedial Work shall be paid by the Company, including, without limitation, the charges of such contractor(s) and/or the consulting engineer, and the Indemnified Parties' reasonable attorneys' fees and costs, including, without limitation, fees and costs incurred in connection with monitoring or review of such Remedial Work. In the event the Company shall fail to timely commence, or cause to be commenced, or fail to diligently prosecute to completion, the performance of such Remedial Work, the Administrative Agent or any other Indemnified Party may, but shall not be required to, cause such Remedial Work to be performed and all costs and expenses thereof, or incurred in connection therewith, shall be deemed Claims hereunder.

4. *Liability.*

(a) Notwithstanding any other provisions of this Indemnity or any of the Loan Documents, any liability of the Company hereunder shall be its personal liability (but such personal liability shall not be deemed to incorporate personal liability of its directors, officers, employees or agents), and may be asserted against its interest in the Property as well as against any and all of its other assets.

(b) Without limiting the foregoing, the obligations of the Company hereunder shall survive the following events, to the maximum extent permitted by law: (i) repayment of the Obligations and any judicial or nonjudicial foreclosure under the Deed of Trust or conveyance in lieu of such foreclosure, notwithstanding that all or any portion of any obligations secured by the Deed of Trust shall have been discharged thereby, (ii) any election by any Indemnified Party to purchase all or any portion of the Property at a foreclosure sale by crediting all or any portion of the obligations secured by the Deed of Trust against the purchase price therefor (except to the extent and only to the extent that such Indemnified Party has specifically elected in writing in its sole discretion to credit against the purchase price any Claims hereunder which were liquidated in amount at the time of such foreclosure sale, it being presumed for these purposes that the obligations secured by the Deed of Trust shall be discharged by any such crediting in the order set forth in the Deed of Trust), (iii) any release or reconveyance of the Deed of Trust, any waiver of the lien of the Deed of Trust, or any release or waiver of any other security for the Obligations, and (iv) any termination, cancellation or modification of any Loan Document. Upon and following the occurrence of any of the foregoing, the obligations of the Company hereunder shall remain

F-4

unsecured obligations, and shall be enforceable against the Company to the fullest extent permitted by applicable law.

(c) The obligations of the Company hereunder are not intended to be the obligations of a surety or guarantor. The liability of the Company under this Indemnity shall in no way be limited or impaired by (i) any extensions of time for performance required by the Loan Documents; (ii) the accuracy or inaccuracy of any representations and warranties made by the Company in any of the Loan Documents; or (iii) the release of any person or entity from performance or observance of any of the agreements, covenants, terms, or conditions contained in any of the Loan Documents by operation of law or otherwise.

(d) The rights and remedies of the Indemnified Parties under this Indemnity (i) shall be in addition to any other rights and remedies of such Indemnified Parties under any Loan Document or at law or in equity, and (ii) may be enforced by any of the Indemnified Parties, to the maximum extent permitted by law, without regard to or affecting any rights and remedies that such Indemnified Party may have under any Loan Document or at law or in equity, and without regard to any limitations on such Indemnified Party's recourse for recovery of the indebtedness represented by the Obligations as may be provided in any Loan Document.

5. *Site Visits, Observation and Testing.* The Administrative Agent and any of the other Indemnified Parties and their respective agents and representatives shall have the right at any reasonable time, and upon reasonable prior notice, but subject to the rights of tenants under their leases, to enter and visit the Property to make such inspections and inquiries as they shall deem appropriate, including inspections for violations of any of the terms of this Indemnity and for determining the existence, nature and magnitude of any past or present Release or threatened Release, and they shall also have the right, following any Event of Default, or where the Administrative Agent has a reasonable basis upon which to believe that the Property may be harmed, unsafe or contaminated, and upon reasonable prior notice, to enter and visit the Property to make such tests (including, without limitation, taking and removing soil or groundwater samples) as they shall deem appropriate. Neither the Administrative Agent nor any of the other Indemnified Parties have any duty, however, to visit or observe the Property or to conduct tests, and no site visit, observation or testing by the Administrative Agent or any other Indemnified Party shall impose any liability on the Administrative Agent or such other Indemnified Party. In no event shall any site visit, observation or testing by the Administrative Agent or any other Indemnified Party be a representation that Hazardous Substances are or are not present in, on or under the Property, or that there has been or shall be compliance with any Hazardous Substances Laws or any other applicable governmental law. Neither the Company nor any other party is entitled to rely on any site visit, observation or testing by the Administrative Agent or any other Indemnified Party. Neither the Administrative Agent nor any of the other Indemnified Parties owe any duty of care to protect the Company or any other party against, or to inform the Company or any other party of, any Hazardous Substances or any other adverse condition affecting the Property. The Administrative Agent and any other Indemnified Party shall give the Company reasonable notice before entering the Property, and shall make reasonable efforts to avoid interfering with the Company's use of the Property in exercising any rights provided in this paragraph 5.

6. *Interest Accrued.* Any amount owed hereunder to an Indemnified Party not paid within thirty (30) days after written demand from such Indemnified Party with an explanation of the amounts claimed shall bear interest at a rate per annum equal to the maximum interest rate applicable to overdue principal set forth in the Credit Agreement.

7. *Subrogation of Indemnity Rights.* If the Company fails to fully perform its obligations hereunder, any Indemnified Party shall be entitled to pursue any rights or claims that the Company may have against any present, future or former owners, tenants or other occupants or users of the

F-5

Property, any portion thereof or any adjacent or proximate properties, relating to any Claim or the performance of Remedial Work (to the extent of performance by such Indemnified Party), and the Company hereby assigns all of such rights and claims to the Indemnified Parties under such circumstances and shall take all actions required by the Indemnified Parties to cooperate with such Indemnified Parties in enforcing such rights and claims under such circumstances.

8. *Reliance.* The Company acknowledges that it is making and giving the indemnities and representations and covenants contained in this Indemnity with the knowledge that the Administrative Agent and the Lenders are relying on such indemnities and representations and covenants in entering into the Loan Documents and making the Loans to the Company.

9. *Successors and Assigns.* This Indemnity shall inure to the benefit of each Indemnified Party's successors and assigns, and shall be binding upon the heirs, successors, and assigns of the Company. The Company shall not assign any rights or obligations under this Indemnity without first obtaining the written consent of the Administrative Agent, which may be given or withheld in the sole discretion of the Administrative Agent. Notwithstanding any other provision of this Indemnity to the contrary, the Company shall not be released from its obligations hereunder without obtaining the written consent of the Administrative Agent, which consent may be given or withheld in the sole discretion of the Administrative Agent. Nothing herein shall be deemed to be a consent to the transfer of the Property which transfer would be otherwise prohibited by any Loan Document.

10. *Miscellaneous.* This Indemnity shall be governed by and construed in accordance with the laws of the State of Nevada. If this Indemnity is executed by more than one person or entity, the liability of the undersigned hereunder shall be joint and several. Separate and successive actions may be brought hereunder to enforce any of the provisions hereof at any time and from time to time. No action hereunder shall preclude any subsequent action, and the Company hereby waives and covenants not to assert any defense in the nature of splitting of causes of action or merger of judgments. In no event shall any provision of this Indemnity be deemed to be a waiver of or to be in lieu of any right or claim, including, without limitation, any right of contribution or other right of recovery, that any party to this Indemnity might otherwise have against any other party to this Indemnity under any Hazardous Substances Laws. If any term of this Indemnity or any application thereof shall be invalid, illegal or unenforceable, the remainder of this Indemnity and any other application of such term shall not be affected thereby. No delay or omission in exercising any right hereunder shall operate as a waiver of such right or any other right.

11. *Notices.* All notices expressly provided hereunder to be given by the Company to the Administrative Agent and all notices and demands of any kind or nature whatsoever which the Company may be required or may desire to give to or serve on the Administrative Agent shall be in

2. Registration Rights.

2.1 Registration Upon Request.

(a) At any time beginning on the date that is 180 days after the closing date of the Company's initial public offering, Holders holding an aggregate of at least thirty-three and one-third percent ($33\frac{1}{3}\%$) of the then-outstanding Registrable Securities, from time to time, shall be entitled (subject to Section 12 hereof) to make a written request (a "*Demand Notice*") to the Company requesting that the Company effect the registration under the Securities Act of a number of Registrable Securities with a market value of at least twenty million dollars (\$20,000,000) on the date of such request, stating the intended method of disposition of such Registrable Securities; *provided, however*, that such a demand (a "*Registration Demand*") may not be made more than four (4) times in the aggregate and may not be made more than once in any twelve-month period; and *provided further*, the Registration Demand shall not be deemed made if (i) the Registration Statement does not become effective under the Securities Act (including without limitation if the Selling Holders withdraw the Registration Statement, *provided* that a Registration Demand will be deemed made by the Selling Holders if the Registration Statement was withdrawn due to a material adverse change in general market

2

conditions or in the Company's business of which the Holder(s) that provided the Demand Notice were aware at the time the Demand Notice was provided), (ii) a stop order, injunction or other order interferes with or prevents the contemplated method of distribution or (iii) the number of Registrable Securities requested to be included in the registration is reduced by 25% or more pursuant to Section 2.1(c), and, in each case, the Registration Expenses (other than Indirect Expenses) are paid by the Holders. Within five (5) business days after receipt of a Demand Notice, the Company shall notify all other Holders and offer to them the opportunity to include their Registrable Securities in such registration, so long as such other Holders notify the Company in writing of the amount of Registrable Securities that they wish to register within fifteen (15) business days of the date of such notice. A Registration Demand made by any Holder is deemed to be made by all Holders for purposes of tabulating the number of Registration Demands that may be made in any twelve month period or in total.

(b) Upon receipt of a Registration Demand, the Company shall, as soon as is reasonably practicable (but in any event within 60 days of the date of the Demand Notice), prepare and file a Registration Statement with the SEC on an appropriate form under the Securities Act with respect to all of the Registrable Securities that Holders of such securities have requested that the Company register, and use its reasonable best efforts to cause such Registration Statement to become effective as soon as is reasonably practicable.

(c) In connection with any Registration Statement filed in response to a Demand Notice, the Company, at its option, may include a primary offering of additional shares of Common Stock and/or may include shares to be sold by other stockholders of the Company; *provided, however*, that if the managing underwriter of such offering determines in good faith and so advises the Company that the number of Shares otherwise to be included in the Registration Statement is such that the success of the underwritten offering may be materially and adversely affected (in terms of the offering price of the offering), then the total number of shares to be included in the Registration Statement shall be reduced to the amount recommended by such underwriter and (i) unless the Registration Statement includes all of the Registrable Securities designated for sale by all Selling Holders participating in the demand registration pursuant to Section 2.1(a), the Registration Statement shall not include any shares to be offered by the Company or sold by other stockholders (including other Holders exercising incidental registration rights pursuant to Section 2.2), and (ii) if the Registration Statement does not include all of the Registrable Securities designated for sale by such Selling Holders, the number of Registrable Securities included in the Registration Statement shall be allocated among such Selling Holders pro rata (based on the number of Registrable Securities held by each).

(d) Notwithstanding the foregoing, if, at the time a Demand Notice is received, the Company (i) is contemplating filing a registration statement in connection with the offering of its securities (a "*Company Offering*") within 90 days of the date of delivery of the Demand Notice; or (ii) determines in good faith that a registration pursuant to the Demand Notice might have a material adverse effect on the Company or interfere with or adversely affect the negotiations or completion of any transaction that is being contemplated by the Company at that time, the Company shall be entitled, upon delivery of written notice no later than twenty (20) days after delivery of the Demand Notice to the person(s) who delivered the Demand Notice, to postpone filing of the Registration Statement and/or withhold efforts to cause the Registration Statement to become effective for a reasonable period of time (not to exceed the shorter of 120 days or the Company's termination of consideration of a Company Offering, or completion or other resolution of the events described in clause (ii) of this Section 1.1(d); *provided, however*, that such deferral may not be utilized more than once in any twelve (12) month period.

2.2 Incidental Registration.

(a) If at any time after the date hereof the Company proposes to register any shares of Common Stock under the Securities Act solely for cash (except pursuant to a registration statement (i) on Form S-8, Form S-4 or comparable forms, or (ii) with respect to an employee benefit plan, (iii) solely in connection with a Rule 145 transaction under the Securities Act or (iv) which does not include substantially the same information as would be required to be included in a Registration Statement covering the sale of Registrable Securities, or pursuant to a registration in which the only Common Stock being registered is Common Stock issuable upon conversion of debt securities which are also being registered), or if any other stockholder is being afforded an opportunity to register shares of Common Stock (including pursuant to Section 2.1(a)), the Company will at each such time give written notice to the Holders (other than Holders participating in a demand registration pursuant to Section 2.1(a)) as provided in Section 13.4 hereof of its intention to do so. Within fifteen (15) business days after receipt of such notice, such Holders may request that the Company register all or part of the Registrable Securities, stating in such request the intended method of distribution of such securities (the "*Designated Securities*"). Upon receipt of such request, the Company shall use its reasonable best efforts to effect the registration of the Designated Securities by including the Designated Securities in such Registration Statement.

(b) In the event that securities of the same class as the Registrable Securities are being registered by the Company in such Registration Statement and such securities as well as any of the Designated Securities are to be distributed in an underwritten offering, such Designated Securities shall be included in such underwritten offering on the same terms and conditions as the securities being issued by the Company for distribution pursuant to such underwritten offering; *provided, however*, that if the managing underwriter of such underwritten offering determines in good faith and so advises the Company that the inclusion in such underwritten offering of all the Designated Securities may materially and adversely affect the success of the underwritten offering (in terms of the offering price of the offering), then the number of Designated Securities to be included in the Registration Statement shall be reduced to the amount recommended in good faith by such managing underwriter, it being understood that the Designated Securities will be excluded entirely before any securities to be included in the Registration Statement by the Company or any stockholder exercising demand registration rights are excluded; and *provided, further*, that as to the Selling Holders exercising incidental registration rights pursuant to this Section 2.2, such reduction shall be pro rata (based on the number of Shares held by each) with respect to the Designated Securities with other Persons holding contractual incidental or "piggy-back" registration rights in such underwritten offering.

(c) No registration effected under this Section 2.2 shall relieve the Company of its obligations to effect registrations at the request of the Holders under Section 2.1.

2.3 *Marketing.* The Company shall make representative members of its officers and management available, upon reasonable notice and to the extent reasonably requested by the managing underwriter for the offering or the Selling Holders, to participate in efforts to market Registrable Securities offered in an underwritten public offering pursuant to Section 2.1 hereof (including, without limitation, participating in "roadshow" meetings with prospective investors) that would be customary for underwritten primary offerings of a comparable amount of equity securities by the Company.

3. *Hold-Back Agreements.*

3.1 *Restrictions on Public Sale by Holders.* During the period of duration specified by the Company and an underwriter of common stock or other securities of the Company convertible into common stock, following the effective date of a registration statement of the Company filed under

4

the Securities Act, the Holder(s) shall not, to the extent requested by the Company and/or such underwriter, directly or indirectly sell, offer to sell, contract to sell (including, without limitation, any short sale), grant any option to purchase or otherwise transfer or dispose of (other than to donees who agree to be similarly bound) any Registrable Securities held by it at any time during such period, except Registrable Securities included in such registration; *provided, however*, that such hold-back time period shall not exceed 90 days (180 days in connection with the Company's initial public offering of its Common Stock). The Holder(s) agree to provide to the underwriters of any public offering of the Company such further agreements as such underwriters may reasonably request in connection with the hold-back agreement provided for in this Section 3.1; *provided* that the terms of such agreements are substantially consistent with the provisions of this Section 3.1. In order to enforce the foregoing covenant, the Company may impose stop-transfer instructions with respect to the Registrable Securities until the end of such period. Notwithstanding the foregoing, the obligations described in this Section 3.1 shall not apply to a registration relating solely to employee benefit plans on Form S-1 or Form S-8 or similar forms which may be promulgated in the future, or a registration relating solely to a Rule 145 transaction.

3.2 *Restrictions on Public Sale by the Company and Others.* The Company agrees not to effect any public sale or distribution of its Common Stock, during a period, not to exceed 45 days, beginning on the closing date of an underwritten offering made pursuant to a Registration Statement filed under Section 2 hereof if the marketing of such securities would materially harm the prospects of the offering of Registrable Securities under the Registration Statement and to the extent timely notified in writing by one or more of the Selling Holders or the managing underwriters (except as part of such underwritten registration or pursuant to registrations on Forms S-4 or S-8 or any successor form to such Forms).

4. *Registration Procedures.* In connection with the Company's registration obligations pursuant to Section 2 hereof, the Company will use its reasonable best efforts to effect such registration to permit the sale of such Registrable Securities in accordance with the intended method or methods of disposition thereof, and pursuant thereto the Company will:

4.1 *Preparation of Registration Statement.* Prepare and file with the SEC, within the time periods specified in Section 2, a Registration Statement on such form as may be appropriate under the Securities Act, and use its reasonable best efforts to cause such Registration Statement to become effective.

4.2 *Maintaining Effectiveness.* Promptly prepare and file with the SEC such amendments to the Registration Statement as may be necessary to keep such Registration Statement effective for a period of not more than 10 business days, or such shorter period that will terminate when the distribution of all Registrable Securities covered by such Registration Statement has been completed.

4.3 *Notification.* Immediately notify the Selling Holders and the managing underwriters, if any, and (if requested by any such Person) confirm such notice in writing, (i) when a Prospectus or any Prospectus supplement or post-effective amendment has been filed, and, with respect to a Registration Statement or any post-effective amendment, when the same has become effective, (ii) of the issuance by the SEC of any stop order suspending the effectiveness of the Registration Statement or the initiation of any proceeding for that purpose, (iii) of the receipt by the Company of any notification with respect to the suspension of the qualification of any of the Registrable Securities for sale in any jurisdiction or the initiation or threatening of any proceeding for such purpose, and (iv) of the happening of any event which makes any statement made in the Registration Statement, the Prospectus or any document incorporated therein by reference untrue or which requires the making of any changes in the Registration Statement, the Prospectus, or any document incorporated therein by reference so that they will not contain any untrue statement of a

5

material fact or omit to state any material fact required to be stated therein or necessary to make the statement therein not misleading.

4.4 *Stop Orders.* Make every reasonable best effort to obtain the withdrawal of any order suspending the effectiveness of a Registration Statement or the qualification of any Registrable Securities for sale in any jurisdiction at the earliest possible moment.

4.5 *Consultation with Holders.* Prior to the filing of any Registration Statement or amendment thereto, provide copies of such document to the Selling Holders and to the managing underwriters, if any, make the Company's representatives and the Company's counsel available for discussion of such document and make such changes in such document relating to the Selling Holders prior to the filing thereof as such Selling Holders, counsel for such Selling Holders, or underwriters may reasonably request.

4.6 *Copies of Registration Statements.* Furnish to each Selling Holder and each managing underwriter, if any, without charge, at least one originally executed copy of the Registration Statement and any post-effective amendment thereto, including financial statements and schedules, all materials incorporated therein by reference and all exhibits (including those incorporated by reference).

4.7 *Prospectuses.* Deliver to each Selling Holder and the underwriters, if any, without charge, as many copies of the Prospectus (and each preliminary prospectus) and any amendment or supplement thereto as such Persons may reasonably request so long as the Registration Statement to which such Prospectus or any amendment or supplement thereto relates is effective.

4.8 *Blue Sky Laws.* Prior to any public offering of Registrable Securities, use its reasonable best efforts to register or qualify or cooperate with the Selling Holders, the underwriters, if any, and their respective counsel in connection with the registration or qualification of such Registrable Securities for offer and sale under the securities or blue sky laws of such jurisdictions within the United States as any Selling Holder or underwriter reasonably requests, and do any and all other acts or things necessary or advisable to enable the disposition in such jurisdictions of the Registrable Securities covered by the Registration Statement; *provided, however*, that the Company will not be required to qualify generally to do business in any jurisdiction where it is not then so qualified or to take any action which would subject it to general service of process or taxation in any such jurisdiction where it is not then so subject.

4.9 *Amendments Upon Changes.* Upon the occurrence of any event contemplated by Sections 4.3(ii), (iii) or (iv) or 4.4 above, prepare, as promptly as practicable, a supplement or post-effective amendment to the Registration Statement or related Prospectus or any document incorporated therein by reference, or file any other required document so that, as thereafter delivered to the purchasers of the Registrable Securities being sold thereunder, such Prospectus will not contain an untrue statement of a material fact or omit to state any material fact necessary to make the statements therein not misleading.

4.10 *Underwriting Agreements.* In the event of an underwritten public offering effected pursuant to Section 2.1, enter into such customary agreements (including, at the request of the Selling Holders, an underwriting agreement containing customary indemnification provisions) and take all such other actions reasonably required in connection therewith in order to expedite or facilitate the disposition of such Registrable Securities, including, but not limited to, cooperating with the Selling Holders, the underwriters participating in the offering and their counsel in any due diligence investigation reasonably requested by the Selling Holders or the underwriters in connection therewith.

4.11 *Compliance with Laws; Section 11(a).* Otherwise use its best efforts to comply with all applicable federal and state securities laws (including without limitation the rules and regulations

of the SEC), and make generally available to its security holders earning statements satisfying the provisions of Section 11(a) of the Securities Act no later than 45 days after the end of each 12-month period (or within 90 days after the end of a fiscal year).

4.12 *Opinions.* At the request of any Selling Holder, use its reasonable best efforts to furnish on the date that the Registrable Securities are delivered to that Selling Holder and any underwriter for sale in connection with a registration pursuant to this Agreement (i) an opinion of the counsel representing the Company for the purposes of such registration, and (ii) a letter from the independent certified public accountants of the Company, each dated such date and in form and substance as is customarily given by counsel and independent certified public accountants to underwriters in an underwritten public offering, addressed to any Selling Holders' underwriter and to the Selling Holders.

4.13 *Listing.* Cause all Registrable Securities registered hereunder to be listed on each securities exchange on which the same class of securities of the Company are then listed.

4.14 *Transfer Agent, Registrar and CUSIP Number.* Provide a transfer agent and registrar for Registrable Securities registered hereunder and a CUSIP number for all such Registrable Securities, in each case not later than the effective date of such registration.

Notwithstanding anything to the contrary contained in this Agreement, the Company may at any time suspend or terminate any of its efforts with respect to a Registration Statement filed by it other than pursuant to Section 2.1 of this Agreement, including by suspending or terminating (as applicable) the preparation, filing or effectiveness of such Registration, without any liability of any kind to any Holder.

5. *Selling Holders' Obligations.*

5.1 *Provision of Information.* The Company may require each Selling Holder of Registrable Securities as to which any registration is being effected to furnish to the Company such information regarding the distribution of such securities by, and such other information relevant to, the Selling Holder for inclusion in such Registration Statement, as the Company may from time to time reasonably request in writing. The Company shall not be obligated to include in any Registration Statement any securities owned by a Holder that does not comply with its obligations under this Agreement. In addition, the Company shall have no obligation with respect to any registration requested pursuant to Section 2.1 if, due to the operation of this Section 5.1, the anticipated aggregate offering price of the Registrable Securities to be included in the registration does not equal or exceed the anticipated aggregate offering price required to originally trigger the Company's obligation to initiate such registration as specified in Section 2.1.

5.2 *Discontinued Use of Prospectus.* Each Holder of Registrable Securities agrees by execution of this Agreement that, upon receipt of any written notice from the Company of the happening of any event of the kind described in clauses (ii), (iii) or (iv) of Section 4.3 or Section 4.4 hereof, such Holder will forthwith discontinue disposition of Registrable Securities until such Holder's receipt of the copies of the supplemented or amended Prospectus contemplated by Section 4.9 hereof, or until it is advised in writing (the "Advice") by the Company that the use of the Prospectus may be resumed, and has received copies of any additional or supplemental filings which are incorporated by reference in such Prospectus, and, if so directed by the Company, such Holder will deliver to the Company (at the Company's expense) all copies, other than permanent file copies then in such Holder's

possession, of the Prospectus covering such Registrable Securities current at the time of receipt of such notice. In the event the Company shall give any such notice, the time period mentioned in Section 4.2 hereof shall be extended by the number of days during the period from and including the date of the giving of such notice to and including the date when each Selling Holder shall have received the copies of the supplemental or amended Prospectus contemplated by Section 4.9 hereof or the Advice.

5.3 *Underwriting Agreement.* Each Selling Holder participating in an underwritten offering pursuant to Section 2.1 or 2.2 agrees to enter into a customary underwriting agreement on terms reasonably satisfactory to the managing underwriter.

5.4 *Delay of Registration.* No Holder shall have any right to obtain or seek an injunction restraining or otherwise delaying any registration as the result of any controversy that might arise with respect to the interpretation or implementation of this Agreement.

6. *Registration Expenses.*

6.1 *Demand Registrations.* The Selling Holders shall bear all expenses incurred in connection with any Registration Statement (the "*Registration Expenses*") initiated pursuant to Section 2.1 hereof, including without limitation all registration and filing fees; all underwriting discounts, commissions, fees and disbursements; fees with respect to any filings required to be made with the National Association of Securities Dealers; listing fees relative to any stock exchange or national market system; fees and expenses of compliance with state securities or blue sky laws (including reasonable fees and expenses of counsel for the underwriters in connection therewith); printing expenses, fees and disbursements of counsel for the Company and for Selling Holders; fees and disbursements of accounting or financing professionals; fees and disbursements of all independent public accountants of the Company; any transfer taxes with respect to the Registrable Securities sold by the Selling Holders; and all other expenses incidental to the sale and delivery of the Registrable Securities, *provided, however,* that such Registration Expenses shall not include any portion of the compensation paid by the Company or its affiliates to the directors, officers or employees of the Company or its affiliates ("*Indirect Expenses*"). Each Selling Holder shall bear his, her or its share of the Registration Expenses pro rata based upon the number of Registrable Securities offered by such Selling Holders pursuant to such Registration Statement.

6.2 *Incidental Registrations.* The Company shall bear all Registration Expenses, including Indirect Expenses but excluding Selling Holder Expenses (as defined below), incurred in connection with any Registration Statement other than a Registration Statement initiated pursuant to Section 2.1 hereof. Each Selling Holder shall bear his, her or its share of any Selling Holder Expenses based upon the number of Registrable Securities offered by such Selling Holders pursuant to such Registration Statement. "*Selling Holder Expenses*" shall consist of and be limited to (i) the Selling Holder's legal costs, including the fees and expenses of any counsel selected by the Selling Holder to represent him, her or it, and (ii) the proportionate share of brokerage or underwriting commissions attributable to the Selling Holder's shares.

7. *Indemnification.*

7.1 *Indemnification by the Company.* The Company agrees to indemnify and hold harmless, to the full extent permitted by law, each Holder of Registrable Securities, each Person who controls such Holder (within the meaning of the Securities Act or the Exchange Act) (a "*Controlling Person*"), and each officer, director, employee and agent of such Holder and each Controlling Person and each underwriter or selling agent (the "*Indemnified Parties*") from and against all losses, claims, damages, liabilities and expenses caused by any untrue or alleged untrue statement of a material fact contained in any Registration Statement, Prospectus or preliminary prospectus or any amendment or supplement thereto or any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, except insofar as (i) the Company has demonstrated that the same are caused by or contained in any information furnished in writing to the Company by such Holder, expressly for use therein, or (ii) the Company has advised such Holders' Representative in writing of a Section 4.3(iv) event and the Holder has sold Registrable Securities notwithstanding receipt of such notice prior to receipt of a supplement or amended Prospectus pursuant to Section 4.9 herein; *provided, however,* that the Company shall not be liable in any such case to the extent that any

such loss, claim, damage, liability or expense arises out of or is based upon an untrue statement or alleged untrue statement or omission or alleged omission made in any preliminary prospectus if (i) such Holder failed to send or deliver a copy of the Prospectus with or prior to the delivery of written confirmation of the sale of Registrable Securities and (ii) the Prospectus would have corrected such untrue statement or omission; *provided, further,* that the Company shall not be liable in any such case to the extent that any such loss, claim, damage, liability or expense arises out of or is based upon an untrue statement or alleged untrue statement or omission or alleged omission in the Prospectus, if such untrue statement or alleged untrue statement, omission or alleged omission is corrected in an amendment or supplement to the Prospectus and if, having previously been furnished by or on behalf of the Company with copies of the Prospectus as so amended or supplemented, such Holder thereafter fails to deliver such Prospectus as so amended or supplemented, prior to or concurrently with the sale of Registrable Securities to the Person asserting such loss, claim, damage, liability or expense who purchased such Registrable Securities that are the subject thereof from such Holder. The indemnity provided herein shall remain in full force and effect regardless of any investigation made by or on behalf of an Indemnified Party and shall survive the transfer of Registrable Securities by the Selling Holder. The Company shall be obligated to give to, and shall be entitled to receive from, underwriters, selling brokers, dealer managers and similar securities industry professionals participating in the distribution customary indemnities.

7.2 *Indemnification by Holders.* In connection with the Registration Statements hereunder, each Selling Holder agrees to indemnify and hold harmless, to the full extent permitted by law, the Company, and each Person who controls the Company (within the meaning of the Securities Act or the Exchange Act) and each manager, director, officer, employee and agent of each such Person from and against any losses, claims, damages, liabilities and expenses caused by any untrue or alleged untrue statement of a material fact or any omission of a material fact required to be stated in any Registration Statement or Prospectus or preliminary prospectus or necessary to make the statements therein not misleading, to the extent, but only to the extent, that the Company has demonstrated that such untrue statement or omission is contained in any information or affidavit so furnished by such Holder to the Company specifically for inclusion in such Registration Statement or Prospectus. In no event, however, shall the liability of any Selling Holder hereunder be greater in amount than the dollar amount of the proceeds (net of underwriters' discounts and commissions) received by such Holder upon the sale of the Registrable Securities giving rise to such indemnification obligation.

7.3 *Conduct of Indemnification Proceedings.* Any Person entitled to indemnification hereunder will (i) give prompt notice to the indemnifying party of any claim with respect to which it seeks indemnification and (ii) permit such indemnifying party to assume the defense of such claim with

counsel reasonably satisfactory to the Indemnified Party; *provided, however*, that any person entitled to indemnification hereunder shall have the right to employ separate counsel and to participate in the defense of such claim, but the fees and expenses of such counsel shall be at the expense of such Person unless (a) the indemnifying party has agreed to pay such fees or expenses, or (b) the indemnifying party shall have failed to assume within a reasonable period of time the defense of such claim and employ counsel reasonably satisfactory to such person or (c) in the reasonable judgment of any such Person, based upon written advice of its counsel, a conflict of interest exists between such Person and the indemnifying party with respect to such claims or such Person has separate or additional defenses, in either case such as would make the representation of such Person by the same counsel as the indemnifying party improper under applicable standards of professional conduct (in which case, if the Person notifies the indemnifying party in writing that such Person elects to employ separate counsel at the expense of the indemnifying party, the indemnifying party shall not have the right to assume the defense of such claim on behalf of such Person). If such defense is not assumed by the indemnifying party, the indemnifying party will not

be subject to any liability for any settlement made without its consent (but such consent will not be unreasonably withheld). No indemnifying party will consent to entry of any judgment or enter into any settlement which does not include as an unconditional term thereof the giving by the claimant or plaintiff to such Indemnified Party of a release from all liability in respect to such claim or litigation. An indemnifying party who is not entitled to, or elects not to, assume the defense of a claim will not be obligated to pay the fees and expenses of more than one principal and one local counsel for all Indemnified Parties who are indemnified by such indemnifying party with respect to such claim.

7.4 Contribution. If the indemnification provided for in Sections 7.1 or 7.2 is unavailable to the Indemnified Parties in respect of any losses, claims, damages or liabilities referred to herein, then each such indemnifying party, in lieu of indemnifying such Indemnified Party, shall contribute to the amount paid or payable by such Indemnified Party as a result of such losses, claims, damages or liabilities (i) as between the Company and the Selling Holders on the one hand and the underwriters on the other hand, in such proportion as is appropriate to reflect the relative benefits received by the Company and the Selling Holders on the one hand and the underwriters on the other hand from the offering of all of the securities sold in the offering, or if such allocation is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits but also the relative fault of the Company and the Selling Holders on the one hand and of the underwriters on the other hand in connection with the statements or omissions which resulted in such losses, claims, damages or liabilities, as well as any other relevant equitable considerations and (ii) as between the Company on the one hand and each Selling Holder on the other hand, in such proportion as is appropriate to reflect the relative fault of the Company and of each Selling Holder in connection with such statements or omissions, as well as any other relevant equitable considerations. The relative benefits received by the Company and the Selling Holders on the one hand and the underwriters on the other hand shall be deemed to be in the same proportion as the total proceeds from the offering (net of underwriting discounts and commissions but before deducting expenses) received by the Company and the Selling Holders bear to the total underwriting discounts and commissions received by the underwriters, in each case as set forth in the table on the cover page of the Prospectus. The relative fault of the Company and the Selling Holders on the one hand and of the underwriters on the other hand shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company and the Selling Holders or by the underwriters. The relative fault of the Company on the one hand and of each Selling Holder on the other hand shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by such party, and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission.

The Company and the Selling Holders agree that it would not be just and equitable if contribution pursuant to this Section 7.4 were determined by pro rata allocation (even if the underwriters were treated as one entity for such purpose) or by any other method of allocation which does not take account of the equitable considerations referred to in the immediately preceding paragraph. The amount paid or payable by an Indemnified Party as a result of the losses, claims, damages or liabilities referred to in the immediately preceding paragraph shall be deemed to include, subject to the limitations set forth above, any legal or other expenses reasonably incurred by such Indemnified Party in connection with investigating or defending any such action or claim. Notwithstanding the provisions of this Section 7.4, no Selling Holder shall be required to contribute any amount in excess of the amount by which the total price at which the securities of such Selling Holder were offered to the public exceeds the amount of any damages which such Selling Holder has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No person

guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The Selling Holders' obligations to contribute pursuant to this Section 7.4 are several in proportion to the proceeds of the offering received by each Selling Holder bears to the total proceeds of the offering received by all the Selling Holders and not joint.

7.5 Underwriting Agreement Controls. Notwithstanding the foregoing provisions of this Section 7, to the extent that the provisions on indemnification and contribution contained in the underwriting agreement entered into in connection with an underwritten public offering are in conflict with the foregoing provisions, the provisions in the underwriting agreement shall control.

7.6 Survival. The obligations of the Company and the Holders under this Section 7 shall survive the completion of any offering of Registrable Securities in a Registration Statement under this Agreement or otherwise.

8. Selection of Underwriters. The determination of whether an offering of Registrable Securities made pursuant to Section 2.1 will be underwritten shall be made by the Majority Selling Holders. Such Majority Selling Holders shall have the right to select the investment bankers and managing underwriters to administer an underwritten offering of Registrable Securities made pursuant to Section 2.1, *provided, however*, that such investment bankers and managing underwriters shall be subject to approval by the Company, which approval shall not be unreasonably withheld. If requested, the Company shall enter into a customary underwriting agreement with an investment banking firm, as set forth under Section 4.10 above. For any offering of Registrable Securities pursuant to a Registration Statement, the selection of counsel for Selling Holders shall be determined by the Majority Selling Holders.

9. Reports Under Securities Exchange Act of 1934. With a view to making available to the Holders the benefits of Rule 144 promulgated under the Securities Act and any other rule or regulation of the SEC that may at any time permit a Holder to sell securities of the Company to the public without registration or pursuant to a registration on Form S-3, the Company agrees to:

(a) make and keep public information available, as those terms are understood and defined in Rule 144 promulgated under the Securities Act, at all times after ninety (90) days after the effective date of the first registration statement filed by the Company for the offering of its securities to the general public;

(b) file with the SEC in a timely manner all reports and other documents required of the Company under the Securities Act and the Exchange Act; and

(d) furnish to any Holder, so long as the Holder owns any Registrable Securities, forthwith upon request (i) a written statement by the Company that it has complied with the reporting requirements of Rule 144 promulgated under the Securities Act (at any time after ninety (90) days after the effective date of the first registration statement filed by the Company), the Securities Act and the Exchange Act (at any time after it has become subject to such reporting requirements), or that it qualifies as a registrant whose securities may be resold pursuant to Form S-3 (at any time after it so qualifies), (ii) a copy of the most recent annual or quarterly report of the Company and such other reports and documents so filed by the Company (if the Company is subject to the reporting obligations of the Exchange Act), and (iii) such other information as may be reasonably requested in availing any Holder of any rule or regulation of the SEC which permits the selling of any such securities without registration or pursuant to such form.

10. *Transfer of Registration Rights.* The right to cause the Company to register Registrable Securities pursuant to this Agreement may be assigned by a Holder to (i) a transferee or assignee of Registrable Securities who acquires pursuant to such transfer, not less than 25% of the aggregate

11

number of Registrable Securities originally acquired by Wynn or his designee(s) under the Buy-Sell Agreement (as adjusted for any stock dividends, combinations, splits, recapitalizations and the like), (ii) a subsidiary, parent or other affiliate, member, shareholder, officer, general partner, limited partner or former or retired partner of a Holder, (iii) a Holder's family member, family partnership or trust for the benefit of an individual Holder or any family member or (iv) by Wynn to his designee(s) under the Buy-Sell Agreement who acquires some or all of the Aruze Shares pursuant to the Purchase Option; *provided, however*, that such assignment shall be effective only if (a) the transferee agrees in writing to be bound by and subject to the terms and conditions of this Agreement, including, but not limited to, the provisions of Section 3.1 above, (b) the Company is, within a reasonable time after such transfer, furnished with written notice of the name and address of such transferee or assignee and the securities with respect to which such registration rights are being transferred and (c) such transfer of any Registrable Securities is lawful under all applicable securities laws.

11. *Termination of Registration Rights.* The right of any Holder to request registration or to include Registrable Securities in any registration pursuant to this Agreement shall terminate one year after the payment in full of the promissory note(s) that Wynn or his designee(s) may use to pay the purchase price for the Aruze Shares pursuant to the Buy-Sell Agreement.

12. *Exercise of Demand Registration Rights.* Notwithstanding anything to the contrary contained in this Agreement, a Demand Notice may be delivered pursuant to Section 2.1 hereof only by Wynn or, if he is deceased, by his spouse or by his estate, on behalf of the Holders of the requisite percentage and market value of Registrable Securities.

13. *Miscellaneous.*

13.1 *Remedies.* In the event of a breach by the Company of its obligations under this Agreement, each Holder of Registrable Securities, in addition to being entitled to exercise all rights granted by law, including recovery of damages, will be entitled to specific performance of its rights under this Agreement, subject to Section 5.4 hereof. The Company agrees that monetary damages would not be adequate compensation for any loss incurred by reason of a breach by it of any of the provisions of this Agreement and hereby waives the defense in any action for specific performance that a remedy at law would be adequate.

13.2 *No Inconsistent Agreements.* The Company will not on or after the date of this Agreement enter into any agreement with respect to its securities which is inconsistent with or limits or impairs the rights granted to the Holders in this Agreement or otherwise conflicts with the provisions hereof.

13.3 *Adjustments Affecting Registrable Securities.* The Company will not take any action, or permit any change to occur, with respect to the Registrable Securities which would adversely affect the ability of the Holders of Registrable Securities to include such Registrable Securities in a registration undertaken pursuant to this Agreement.

12

13.4 *Notices.* All notices or other communications hereunder shall be in writing and shall be given by (i) personal delivery, (ii) courier or other same day or overnight delivery service which obtains a receipt evidencing delivery, (iii) registered or certified mail (postage prepaid and return receipt requested), or (iv) facsimile or similar electronic device, to such address as may be designated from time to time by the relevant party, and which shall initially be:

MANAGEMENT AGREEMENT

THIS MANAGEMENT AGREEMENT (this "Agreement") is made as of October 30, 2002, by and among Wynn Las Vegas, LLC, a Nevada limited liability company (the "Company") and its subsidiaries and affiliates listed on *Exhibit A* hereto (and together with the Company, the "Wynn Entities"), and Wynn Resorts, Limited, a Nevada corporation (the "Manager") with reference to the following:

WHEREAS, the Company together with the Wynn Entities propose to develop, construct and operate the Le Rêve Casino Resort, a hotel and casino resort, with related parking structure and golf course facilities, as part of the redevelopment of the site of the former Desert Inn in Las Vegas, Nevada (the "Business");

WHEREAS, the other Wynn Entities will lease property and/or provide services to the Company in connection with the Business; and

WHEREAS, the Company and the Wynn Entities desire to engage the Manager to provide the management and advisory services for the Business and the Manager desires to accept such engagement to provide such services, all upon the terms and conditions hereinafter set forth.

NOW, THEREFORE, in consideration of the mutual covenants and agreements contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto hereby agree as follows:

1. *Retention of the Manager.* The Company and each of the Wynn Entities hereby appoints the Manager as manager for the Business, and the Manager hereby agrees to provide the management and advisory services described herein for the Business, in accordance with the terms and subject to the conditions hereinafter set forth.

2. *Services to be Provided by the Manager.*

(a) In accordance with the terms and subject to the conditions hereof, the Manager agrees to provide the following management and advisory services (together with services necessary or incidental thereto, "Management Services") to the Wynn Entities on an ongoing basis in connection with the ownership and operation of the Business by the Wynn Entities during the term of this Agreement.

(b) The Manager shall provide customary management and advisory services with respect to the operation of the Business, to consist of the following necessary or incidental thereto:

(i) advice concerning the hiring, termination, performance and training of personnel;

(ii) review, consultation and advice concerning personnel, operations, and other management and operating policies and procedures;

(iii) recommendations on all necessary action to keep the operation of the Business in compliance, in all material respects, with the conditions of all licenses (including gaming licenses) and all applicable rules, regulations and orders of any federal, state, county or municipal authority having jurisdiction over the Business;

(iv) development of recommendations for, and negotiate the acquisition and maintenance of, insurance coverage with respect to the Business;

(v) guidance on all marketing, sales promotions and advertising for the Business;

(vi) assistance in the financial budgeting process and the implementation of appropriate accounting, financial, administrative and managerial controls for the Business;

(vii) preparation for use by the Wynn Entities of financial reports and maintenance of books of accounts and other records reflecting the results of operation of Business (which at all times

shall be maintained in a manner which permits the assets and liabilities of the Wynn Entities to be separately identified from those of the Manager); and

(viii) advice and consultation with the Wynn Entities in connection with any and all aspects of the Business and the day to day operation thereof, and consultation with the Wynn Entities with respect to the selection of attorneys, consultants and accountants.

3. *Management Fees; Expenses.*

(a) All expenses, costs, losses, liabilities or damages incurred with respect to the ownership or operation of the Business, including, without limitation, wages, salaries and other labor costs incurred in the construction, maintenance, expansion or operation of the Business, or personnel working on special projects or services for the Wynn Entities, will be paid by the Company. To the extent that the Manager pays or incurs any obligation for any such expenses, costs, losses, liabilities or damages, the Company, subject to the limitations set forth in Section 5, will pay or reimburse the Manager therefor, as well as for any reasonable out-of-pocket expenses incurred by the Manager in the performance of its obligations under this Agreement (provided, however, that (a) in no event shall any such payments include any fee, profit or similar component benefiting the Manager, it being understood and agreed that such payments instead are intended to reimburse only actual costs and expenses, and (b) in no event shall such payments include amounts characterized as "Affiliated Overhead Expenses" under the terms of the Bank Credit Agreement (as hereinafter defined)). Subject to the payment priority provisions of this Section 3, the Company agrees to pay the Manager, as the Manager's compensation for the services to be rendered hereunder, a yearly management fee (the "Management Fee") equal to one and one-half percent (1.5%) of the "Net Revenues" (as determined in accordance with generally accepted accounting principles as applicable to companies in the gaming business) of the Company, payable semi-annually in arrears. Accrual of such Management Fee shall commence upon "Opening Date" (as defined in the Bank

Credit Agreement defined below). For so long as there is any outstanding indebtedness under the Second Mortgage Notes Indenture (as hereinafter defined), the semi-annual accrual periods shall be set to match the semi-annual interest accrual periods under the Second Mortgage Notes Indenture, and the payment date with respect to any such accrued Management Fees shall be the tenth (10th) Business Day after the date established under the Second Mortgage Notes Indenture for payment of accrued interest with respect to such semi-annual period.

(b) Notwithstanding the foregoing, the parties acknowledge and agree that the payment of the Management Fee is subject to a Management Fee Subordination Agreement of even date herewith (the "Subordination Agreement") by and among the Manager, the Company, Deutsche Bank Trust Company Americas, as "Administrative Agent" under the Bank Credit Agreement (as hereinafter defined), Wells Fargo Bank Nevada, National Association, as Collateral Agent under the "FF&E Credit Agreement" (as hereinafter defined) and Deutsche Bank Trust Company Americas, as Trustee under the Second Mortgage Notes Indenture. The parties further agree that the Management Fee due and payable as provided in this Section 3 shall not be paid at any time that such payment is not then permitted under the Bank Credit Agreement, the FF&E Credit Agreement or the Second Mortgage Notes Indenture (each as defined below). In the event any Management Fee is unpaid as a consequence of the provisions of this Section 3, the Manager nonetheless shall continue to perform hereunder and any such unpaid amounts shall be accrued as a liability of the Company and shall be payable as soon as the conditions to payment are fulfilled. The deferred portion of the Management Fees will bear interest at the rate of ten percent (10%) per annum, compounded annually, from the date otherwise due and payable until the payment thereof.

(c) For purposes of this Agreement, (i) "Bank Credit Agreement" means the Credit Agreement of even date herewith by and among the Company, Deutsche Bank Trust Company Americas, as administrative agent ("Agent"), Deutsche Bank Securities, Inc., as advisor, lead arranger and joint book running manager, Banc of America Securities LLC, as advisor, lead arranger, joint book running

Inc., as advisor, arranger and joint book running manager, Bear Stearns Corporate Lending Inc., as joint documentation agent, Dresdner Bank AG, New York Branch, as arranger and joint documentation agent, J. P. Morgan Securities Inc., as joint documentation agent, and the lenders party thereto, as amended, restated, supplemented or otherwise modified from time to time, (ii) "FF&E Credit Agreement" means that certain Credit Agreement of even date herewith by and among the Company, Wells Fargo Bank Nevada, National Association, as Collateral Agent, and the lenders party thereto, (iii) "Second Mortgage Notes Indenture" means the Second Mortgage Notes Indenture, of even date herewith by and among the Company, Wynn Las Vegas Capital Corp., a Nevada corporation, Deutsche Bank Trust Company Americas, as trustee (the "Trustee"), and the guarantors signatory thereto, as amended, restated, supplemented or otherwise modified from time to time, and (iv) "Senior Debt" means all amounts and obligations from time to time owing or outstanding under the Bank Credit Agreement, the FF&E Credit Agreement and/or the Second Mortgage Notes Indenture and the notes issued pursuant thereto, including interest thereon at the rates set forth therein.

(d) Notwithstanding any termination of this Agreement, the Manager shall, subject to the limitations set forth in this Section 3, remain entitled: (i) to receive the Management Fee for the remaining portion of the semi-annual period in which such termination occurred (payable in the same manner and at the same time as if the Manager were entitled to receive such fee with respect to the entire semi-annual period); and (ii) to receive payment of any deferred Management Fee at the time of such termination if, and to the extent that, payment thereof is otherwise permitted under this Section 3.

(e) The parties acknowledge that at such time, if any, that the Company is licensed by the Nevada Gaming Commission, the Manager will be subject to the requirements of Nevada Revised Statutes Section 463.162 as a result of its receipt of the Management Fee.

4. *Term of Agreement.* The term of this Agreement shall be ten (10) years, unless earlier terminated pursuant to the terms of this Agreement. This Agreement may be terminated as follows: (a) by the mutual written consent of the Company and the Manager, (b) by the Company upon 60 days prior written notice to the Manager for any reason or no reason at all, or (c) by the Company immediately upon written notice to the Manager for cause. Notwithstanding any other provision of this Agreement, the provisions of Section 5 shall survive any termination of this Agreement.

5. *Liability.* The Company shall bear any and all expenses, liabilities, losses or damages resulting from the operation of the Business, and the Manager and its officers, directors, shareholders and employees shall not, under any circumstances, be held liable therefor, except that the Manager shall be liable for any loss or damage which results from its own gross negligence or willful misconduct. Neither the Manager nor any of its officers, directors, shareholders or employees shall be held to have incurred any liability to the Company, the Business or any third party by virtue of any action not constituting gross negligence or willful misconduct taken in good faith by it in the discharge of its duties hereunder, and the Company agrees to indemnify the Manager and its shareholders, directors, officers and employees, and hold each of them harmless from and against any and all claims that may be made against any of them in respect of the foregoing (excluding claims arising out of gross negligence or willful misconduct), including, but not limited to, attorneys' fees.

6. *Miscellaneous*

(a) *Nonassignability of Agreement.* This Agreement shall not be assignable, in whole or in part, directly or indirectly, whether by operation of law or otherwise, by either party hereto without the prior written consent of the other party hereto (which consent may be withheld in the sole discretion of the party whose consent is required), and any attempt to assign any rights or obligations arising under this Agreement without such consent shall be void; *provided, however,* that (i) the provisions of this Agreement shall be binding upon, inure to the benefit of, and be enforceable by the Company and the Manager and their respective successors and permitted assigns and (ii) the rights of the Wynn Entities

The Manager further agrees that in the event of any foreclosure of the security interests encumbering this Agreement to secure the obligations under the Bank Credit Agreement or the Second Mortgage Notes Indenture, the party acquiring the rights of the Company hereunder shall have the right to terminate this Agreement without any obligation to pay any amounts then owed by the Company hereunder (it being understood that the foregoing shall not affect any rights of the Manager hereunder or under otherwise applicable laws against the Company for such amounts then owing and not paid to Manager).

(b) *Further Assurances.* Subject to the provisions hereof, each of the parties hereto shall execute, acknowledge and deliver such other documents, and take such further actions, as may be reasonably required in order to effectuate the purposes of this Agreement, to comply with all applicable laws, regulations,

orders and decrees, to obtain all required consents and approvals and to make all required filings with any governmental agency, other regulatory or administrative agency, commission or similar authority.

(c) *Waivers.* No failure or delay on the part of the Manager or any of the Wynn Entities in exercising any right hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, or any abandonment or discontinuance of steps to enforce such a right, preclude any other or further exercise thereof or the exercise of any other right. No waiver of any provision of this Agreement nor any consent to any departure by the Manager or the Wynn Entities therefrom shall in any event be effective unless the same shall be in writing, and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which it has been given.

(d) *Entire Agreement.* This Agreement and the Subordination Agreement set forth the entire understanding of the parties hereto with respect to the subject matter hereof, and supersede all previous agreements, negotiations, memoranda and understandings, whether written or oral respecting the subject matter hereof.

(e) *Amendments.* This Agreement may be amended only by an agreement in writing executed by each of the parties hereto, but no such amendment shall become effective if the same is prohibited by the Bank Credit Agreement, the FF&E Credit Agreement or the Second Mortgage Notes Indenture as then in effect.

(g) *Governing Law.* The laws of the State of Nevada applicable to contracts made in that state, without giving effect to its conflict of laws rules, shall govern the validity, construction, performance and effect of this Agreement.

(h) *Invalidity.* If any term, provision, covenant or condition of this Agreement, or any application thereof, should be held by a court of competent jurisdiction or an arbitrator to be invalid, void or unenforceable, then that provision shall be deemed severable and all provisions, covenants, and conditions of this Agreement, and all applications thereof, not held invalid, void or unenforceable shall continue in full force and effect and shall in no way be affected, impaired or invalidated thereby.

(i) *Headings.* The headings in this Agreement are included for purposes of reference only, do not constitute a part of this Agreement, and shall not be deemed to limit, characterize or in any way affect any term or provision of this Agreement.

WYNN LAS VEGAS, LLC

LOAN AGREEMENT

THIS LOAN AGREEMENT, dated as of October 30, 2002 (as amended, supplemented or otherwise modified from time to time, this "*Loan Agreement*"), is by and among WYNN LAS VEGAS, LLC, a Nevada limited liability company (the "*Borrower*"), WELLS FARGO BANK NEVADA, NATIONAL ASSOCIATION, a national banking association, not in its individual capacity (except as specifically set forth herein), but solely as collateral agent (the "*Collateral Agent*") and the Persons listed on **Schedule IA** hereto, as Lenders (each individually, together with any permitted successors and assigns, a "*Lender*," and, collectively, the "*Lenders*").

WITNESSETH:

WHEREAS, the Lenders shall, on the terms and subject to the conditions hereinafter set forth, make loans to the Borrower on each Advance Date; and

WHEREAS, the Borrower will use the proceeds of such Loans (i) to make an intercompany loan to World Travel, (ii) to purchase, finance and/or refinance the acquisition of the Equipment and (iii) to pay Transaction Costs;

NOW, THEREFORE, in consideration of the foregoing and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

SECTION 1. DEFINITIONS.

Section 1.1. Use of Defined Terms. Unless the context shall otherwise require, capitalized terms used and not defined herein shall have the meanings assigned thereto in **Appendix I** hereto (whether directly or by reference) for all purposes hereof; and the rules of interpretation set forth in **Appendix I** hereto shall apply to this Loan Agreement.

SECTION 2. CONDITIONS PRECEDENT TO DOCUMENT CLOSING DATE; FUNDINGS; APPLICATION OF PAYMENTS.

Section 2.1. Effectiveness of Loan Agreement. This Loan Agreement shall be effective as of the Document Closing Date upon the satisfaction, and/or waiver by each of the Lenders, of each of the conditions precedent described in Section 3.1 of the Disbursement Agreement.

All documents and instruments required to be delivered on the Document Closing Date to any party shall be delivered at the offices of Latham & Watkins (Los Angeles, California), or at such other location as the Collateral Agent and the Borrower may agree. The release by any party of its counterparts to this Loan Agreement shall constitute conclusive evidence of its satisfaction with the form and substance of each of the items so delivered under this **Section 2.1**.

Section 2.2. [Reserved].

Section 2.3. Fundings Generally.

(a)(i) Subject to the terms and conditions of this Loan Agreement and in reliance on the representations and warranties of each of the parties hereto contained herein or made pursuant hereto, upon receipt of the initial Advance Request, on the Initial Advance Date set forth in such Advance Request, each Lender shall make an Advance to the Borrower, which Advance shall be loaned by the Borrower to World Travel pursuant to the Intercompany Note, by making available by wire transfer in accordance with the instructions set forth in such Advance Request pursuant to **Section 2.3(c)** an amount in immediately available funds on the Initial Advance Date equal to such Lender's Aircraft Commitment Percentage of the aggregate amount of such requested Advance.

(ii) Subject to the terms and conditions of this Loan Agreement and in reliance on the representations and warranties of each of the parties hereto contained herein or made pursuant hereto, upon receipt of an Advance Request, on each Advance Date (other than Initial Advance Date), each

Lender shall make an Advance to the Borrower for the payment of the Purchase Price of the Items of Equipment being acquired on such Advance Date by making available to Disbursement Agent by wire transfer in accordance with the instructions set forth in the Advance Request an amount in immediately available funds on such Advance Date equal to (A) such Lender's Gaming Commitment Percentage of the aggregate amount of the requested Advance which represents the Purchase Price of Gaming Equipment and (B) such Lender's Non-Gaming Equipment Commitment Percentage of the aggregate amount of the requested Advance which represents the Purchase Price of Non-Gaming Equipment.

(b) *Notes.* Each Lender's Commitment shall be evidenced by a note (a "Note") issued by the Borrower to such Lender and repayable in accordance with, and with Interest accruing pursuant to, the terms of this Loan Agreement.

(c) *Advances to the Borrower.* (i) Subject to **clauses (ii) and (iii)** below, any Advance required to be made by a Lender pursuant to any Operative Document shall be made by the Lenders depositing funds into the FF&E Proceeds Account (as referenced in Section 2.4.4 of the Disbursement Agreement) in the amount of such Advance to be disbursed by the Borrower or by the Disbursement Agent on behalf of the Borrower to the applicable Seller, the applicable reimbursement account or, with respect to Transaction Costs, the Persons entitled thereto. Such funding by the Lenders shall be deemed to constitute (A) the required funding from the Lenders pursuant to this Loan Agreement and the Disbursement Agreement and (B) the corresponding Advance to the Borrower.

(ii) Notwithstanding the foregoing, the Advance required to be made by the Lenders on the Initial Advance Date shall be made by the Lenders depositing funds into the account of the Collateral Agent for further distribution (A) to the lender under the Original Aircraft Financing Documents the amounts required to pay in full such lender and (B) to the Company's Funds Account (as such term is defined in the Disbursement Agreement) any amounts remaining from the funds deposited with the Collateral Agent in excess of the amounts required to pay the lender under the Original Aircraft Financing Documents. Such Funding will constitute the "refinancing of the Aircraft" and will evidence (x) the Loans by the Lenders to the Borrower, (y) the intercompany loan by the Borrower to World Travel, which loan shall be evidenced by the Intercompany Note, and (z) the repayment in full by World Travel of all amounts owing to the lender under the Original Aircraft Financing Documents.

(iii) Notwithstanding the foregoing, the Advance required to be made by the Lenders pursuant to Section 2.8 of the Disbursement Agreement and which represents the FF&E Reimbursement Advance (as defined in the Disbursement Agreement) shall be made by the Lenders depositing funds into the Company's Funds Account (as defined in the Disbursement Agreement).

(d) *Advances; Limitations and Limits.* In addition to any other provision hereof, Lenders shall not be obligated to make an Advance to the Borrower, and no Lender shall be obligated to fund any Loan to the Disbursement Agent, if, after giving effect to such Advance or Funding, (i) the aggregate outstanding amount of Loans would exceed the Aggregate Commitment Amount, (ii) the aggregate amount of funds so provided by such Lender or Funding would exceed the amount of its Commitment in the aggregate or (iii) the aggregate amount of funds so provided by such Lender or Funding would exceed the amount of its Allocated Commitment with respect to the Type of Equipment or the Aircraft to be funded with such Advance.

There shall be no more than one Advance made during any calendar month, which shall be made on the Advance Date occurring in such month. Each Advance shall be in a minimum amount not less than the lesser of \$1,000,000 or the combined available Commitment of all of the Lenders with respect to such Type of Equipment or such other amount as the Borrower and Collateral Agent shall agree. All remittances made by Lenders for the funding of any Advance (other than on the Initial Advance Date) shall be made in immediately available federal funds by wire transfer to the Collection Account for deposit not later than 12:00 p.m. New York time, on the applicable Advance Date. The Funding by each Lender to the Collection Account of its respective portion of an Advance shall constitute

authorization and direction by such party to Disbursement Agent to make an advance pursuant to the Operative Documents.

(e) *Termination of Commitments.* Notwithstanding anything in this Loan Agreement to the contrary, the Commitments shall terminate and no Lender shall be obligated to make any fundings in respect of any Advance, and no Advance Date may thereafter occur upon the occurrence of the earlier of (A) 3:00 p.m., New York time on the Commitment Termination Date and (B) a termination of the Lenders' Commitments pursuant to **Section 9.1**.

Section 2.4. Preliminary Notice Review.

(a) *Preliminary Notice.* Pursuant to the terms of Section 2.4.1(c) of the Disbursement Agreement, the Borrower and/or the Disbursement Agent, as applicable, shall deliver to Collateral Agent a copy of Appendix XI to the preliminary Advance Request and upon receipt thereof, Collateral Agent shall, on the same day, forward such copy of Appendix XI to the preliminary Advance Request to each Lender.

(b) *Review.* The Lenders shall have the right to disapprove any items of Eligible FF&E Collateral (as defined in the Disbursement Agreement) listed by the Borrower in Appendix XI to the Company's preliminary Advance Request as items to be funded in part by the Loans; *provided, however,* that any Lender's failure to so disapprove any items of Eligible FF&E Equipment identified by the Borrower on such Appendix XI within 5 Business Days from the Borrower's delivery thereof shall be deemed to constitute such Lenders' approval thereof and the items of Eligible FF&E Equipment identified on such Appendix XI shall be funded in part by the Loans.

(c) *Approval.* In the event the Collateral Agent shall have received notice of the disapproval by the Required Lenders of all or any portion of the Eligible FF&E Collateral, the Collateral Agent shall so inform the Disbursement Agent pursuant to the terms of Section 2.4.1(e) of the Disbursement Agreement.

Section 2.5. Advance Dates.

(a) *Notice and Closing.* Pursuant to the terms of Section 2.4.3 of the Disbursement Agreement (or as may otherwise be agreed to by the Lenders with respect to the Initial Advance Date), the Borrower and/or the Disbursement Agent, as applicable, shall deliver to Collateral Agent an irrevocable and final written notice substantially in the form of Exhibit C-1 to the Disbursement Agreement (an "Advance Request"), (and upon receipt thereof, Collateral Agent shall, on the same day, forward such Advance Request to each Lender) setting forth:

(i) the proposed Advance Date;

(ii) a description of the Items of Equipment to be acquired and the Purchase Price (including a detailed description of the Transaction Costs to be funded by such Advance) applicable to each such Item of Equipment;

(iii) a statement of the amount of the requested Advance;

(iv) a certification by the Borrower that (A) such Advance complies with the limitations and conditions set forth in **Section 2.3(d)**, and (B) all conditions to the making of such Advance under **Section 4** have been satisfied except to the extent previously waived; and

(v) wire transfer instructions for the disbursement of the appropriate amount of funds to the appropriate account for disbursement in the manner described in **Section 2.3**.

All documents and instruments required to be delivered on any Advance Date pursuant to the Operative Documents shall be delivered to the Collateral Agent, or at such other location as the Collateral Agent and the Borrower may agree. On the scheduled Advance Date, and subject to the satisfaction of the conditions set forth in this **Section 2.5(a)** and in **Section 4**, Lenders shall fund the

3

amount of the Advance by wire transfer to the appropriate account for disbursement in the manner described in **Section 2.3**.

(b) *Commitment*. Subject to compliance by the Borrower with the terms of this Loan Agreement and the satisfaction or waiver of the conditions set forth in this **Section 2** and in **Section 4**, the Lenders shall disburse the respective amounts of their Commitments in accordance with the requirements of this Loan Agreement and the other Operative Documents.

(c) *Notes; Notations*. Each Lender is hereby authorized to record the date and amount of each funding made in respect of an Advance, each payment or repayment of principal and the length of each Payment Period with respect thereto on the grid annexed to and constituting a part of each Note issued to such Lender, and any such recordation shall constitute prima facie evidence of the accuracy of the information so recorded; *provided*, that the failure to make any such recordation or any errors in such recordation shall not affect the obligation of the Borrower to pay principal and Interest.

Section 2.6. Mutilated, Destroyed, Lost or Stolen Notes. (a) If any Note shall become mutilated, destroyed, lost or stolen, then upon the written request of the affected Lender, the Borrower shall execute and deliver to the affected Lender a new Note. Such new Note shall be: (i) recorded in the name in which such mutilated, destroyed, lost or stolen Note was recorded; (ii) in the same original face amount as such mutilated, destroyed, lost or stolen Note; and (iii) dated the date of such mutilated, destroyed, lost or stolen Note. If the Note being replaced has become mutilated, it shall be surrendered to the Borrower. If the Note being replaced has been destroyed, lost or stolen, the affected Lender shall furnish to the Borrower such security or indemnity as reasonably may be required by it to save the Borrower harmless from any loss and evidence satisfactory to the Borrower of the destruction, loss or theft of such Note and the ownership thereof. Upon request, the Collateral Agent shall advise the affected Lender of: (i) the aggregate principal amount of, and the aggregate accrued Interest on, such mutilated, destroyed, lost or stolen Note that were paid to any Lender thereof at any time prior to the delivery of such new Note; and (ii) the date to which Interest on such mutilated, destroyed, lost or stolen Note had been paid to any Lender thereof at the time of such delivery.

(b) Any duplicate Note issued pursuant to this **Section 2.6** shall constitute complete and indefeasible evidence of ownership of such Note, as if originally issued, whether or not the lost, stolen or destroyed Note shall be found at any time.

Section 2.7. Fees. The Borrower agrees to pay the fees set forth below (collectively, the "*Fees*"):

(a) on each Payment Date to each Lender, for its own account, a fee in an amount equal to (i) during the period from the Document Closing Date to, but not including, January 1, 2003, the product of 2.50% per annum *multiplied by* the amount of its Commitment that has not been funded on an Advance Date, (ii) during the period from and including January 1, 2003 to, but not including, July 1, 2003, the product of 3.00% per annum *multiplied by* the amount of its Commitment that has not been funded on an Advance Date and (iii) from and after July 1, 2003, the product of 4.00% per annum *multiplied by* the amount of its Commitment that has not been funded on an Advance Date (a "*Commitment Fee*");

(b) on the Document Closing Date, to the Collateral Agent for the benefit of each Lender, a fee in an amount as described in each Lender's respective Participation Fee Letter (the "*Participation Fee*");

(c) to Trust Company, for its own account, the fees set forth in the Collateral Agent Fee Letter, payable in the amounts and on the dates set forth therein; and

(d) on the Document Closing Date, to each Arranger, its respective Arrangement Fee.

4

SECTION 3. OPTIONAL PAYMENTS; INTEREST AND PRINCIPAL PAYMENTS BY THE BORROWER.

Section 3.1. Optional Payments of Principal.

(a) *Prepayment Option*. On any Payment Date occurring after the one year anniversary of the Initial Amortization Date or on any Payment Date in connection with a prepayment following a Disposition permitted by **Section 7.5(e)** or **Section 7.5(p)**, upon at least 30 days' advance written notice from the Borrower to Collateral Agent and the Lenders, the Borrower may prepay (the "*Prepayment Option*") all, or, from time to time, any part, of the Loans, in amount not less than the Minimum Prepayment Amount in the case of a partial prepayment, at a price equal to the sum of (i) the Loan Balance to be so prepaid, *plus* (ii) all accrued but unpaid Interest thereon, *plus* (iii) the Applicable Administrative Charge, if any, *plus* (iv) any fees or other amounts owed under the Operative Documents payable by the Borrower. Except as provided in **Section 3.8**, in the case of any partial prepayment, the Loan Balance to be prepaid shall be allocated among all of the Notes at the time outstanding in proportion, as nearly as practicable, to the respective unpaid Loan Balance thereof and the Loan Balance to be prepaid with respect to any such Note shall be allocated *pro rata* by such Lender between the Allocated Aircraft Value and the Allocated Equipment Value represented by such Note in proportion, as nearly as practicable, to the respective Allocated Aircraft Value and Allocated Equipment Value represented by the unpaid Loan Balance thereof.

(b) *Bank Prepayment Option*. Pursuant solely to the terms of Section 6 of the FF&E Intercreditor Agreement, the Eligible Payor (as defined in the FF&E Intercreditor Agreement) on behalf of the Borrower, may prepay (the "*Bank Prepayment Option*") all of the Loan Balance representing the Allocated Equipment Value, at a price equal to the sum of (i) the Allocated Equipment Value, *plus* (ii) all accrued but unpaid Interest thereon, *plus* (iii) the Applicable Administrative Charge which relates to such Allocated Equipment Value, if any, *plus* (iv) any accrued but unpaid fees or other amounts owed under the Loan Documents payable by the Borrower.

(c) *Completion Prepayment Option.* In the event the Collateral Agent shall receive any remaining funds on deposit in the FF&E Proceeds Account (as defined in the Disbursement Agreement) pursuant to Section 2.9(e) of the Disbursement Agreement, the Collateral Agent shall, on behalf of the Borrower, prepay, to the extent of such remaining funds, the Loans which comprise such remaining funds, together with all accrued and unpaid Interest thereon. In the case of any such prepayment, the Loan Balance to be prepaid shall be allocated among the Notes held by the Lenders who Advanced such funds in proportion, as nearly as practicable, to the respective unpaid Loan Balance thereof.

Section 3.2. Scheduled Payments of Principal; Mandatory Prepayments.

(a) The Borrower shall pay to the Collateral Agent for the *pro rata* benefit of the Lenders the Required Prepayments, such payments to be due on each Payment Date in the amounts set forth on **Schedule II** hereto.

(b) The Borrower shall pay the unpaid principal amount of the Loans, in full, together with (i) Interest accrued thereon to the date of payment, and (ii) all other amounts then due and payable by the Borrower hereunder or under the other Operative Documents to the Lenders, including, without limitation, any Applicable Administrative Charge, on the Maturity Date.

(c) Upon the occurrence of a Casualty with respect to a portion of the Collateral that is not replaced pursuant to **Section 8.1** hereof, the Borrower shall pay, subject to the FF&E Intercreditor Agreement and **Section 3.8**, to each Lender its *pro rata* portion of the Casualty Amount of such Collateral, such payment to be due on the date specified for payment with respect to such Casualty in **Section 8.1** hereof.

Section 3.3. Interest Rates and Payment Dates.

(a) Each Loan shall bear Interest at the Interest Rate then in effect on the Loan Balance thereof.

5

(b) If all or a portion of the principal amount of, or accrued Interest on, any Loan, or any other amount payable hereunder, shall not be paid when due (whether at the stated maturity, by acceleration or otherwise), such overdue amount shall, without limiting the rights of the Lenders under any Operative Document, bear interest at the rate per annum which is the greater of (i) 2% above the applicable Interest Rate then in effect and (ii) 2% above the Base Rate (the "Overdue Rate"), in each case from the date due until payment is made. Such overdue interest shall be payable on demand.

(c) Interest on each Loan shall be payable in arrears on each Payment Date, the Maturity Date and on any other day on which the Loan Balance, or a portion thereof, is to be reduced pursuant to the terms and conditions of this Loan Agreement and the other Loan Documents; *provided* that (i) Interest accruing pursuant to **clause (b)** shall be payable from time to time on demand and (ii) each prepayment of the Loans shall be accompanied by accrued Interest to the date of such prepayment on the amount prepaid, *plus* Applicable Administrative Charge.

Section 3.4. Pro Rata Treatment and Payments. Subject to **Sections 3.1, 3.2, 3.7 and 3.8**, each payment (including, without limitation, each Required Prepayment and any payment of the Prepayment Option) by the Borrower on account of principal of and Interest on the Loans shall be made by the Borrower to Collateral Agent and allocated by the Collateral Agent *pro rata* among the Lenders according to the respective outstanding principal amounts of the Loans then held by each such Lender and to the extent such payment represents a Required Prepayment or other payment on account of principal of the Loans such payment shall be allocated *pro rata* by such Lender between the Allocated Aircraft Value and Allocated Equipment Value in proportion, as nearly as practicable, to the respective Allocated Aircraft Value and Allocated Equipment Value represented by the unpaid Loan Balance thereof. Subject to **Sections 3.7 and 3.8**, all payments (including, without limitation, each Required Prepayment and any payment of the Prepayment Option) to be made by the Borrower hereunder and under the Notes, whether on account of principal, Interest or otherwise, shall be made without setoff or counterclaim and shall be made by the Borrower to Collateral Agent, for the benefit of the Lenders, prior to 1:00 p.m. New York City time, to Collateral Agent's Payment Office (or to such other office as may be designated by Collateral Agent from time to time in a written notice pursuant to **Section 13.6**) in funds consisting of lawful currency of the United States of America which shall be immediately available on the scheduled date when such payment is due. Payments received after 1:00 p.m., New York City time, on the date due shall be deemed received on the next succeeding Business Day and shall be subject to interest at the Overdue Rate as provided in **Section 3.3(b)**.

Section 3.5. Computations; Interest Rate Determination; Conclusive Determinations.

(a) *Computations.* All computations of interest at the Base Rate shall be made on the basis of a year of 365—or 366—days, as the case may be, and actual days elapsed. All other computations of accrued amounts pursuant to the Loan Documents shall be made on the basis of actual number of days elapsed in a 360-day year with respect to any determination. The Collateral Agent shall, as soon as practicable, but in no event later than 12:00 noon New York time, one (1) Business Day prior to the effectiveness of each Interest Rate, calculate such Interest Rate and notify the Borrower and each Lender thereof; *provided* that the failure to give or receive any such notice shall not limit the Borrower's obligations under this Loan Agreement or any other Loan Document.

(b) *Interest Rate Determination.* So long as no Default or Event of Default shall have occurred and be continuing, the Borrower may, by irrevocable written notice delivered to the Collateral Agent and each of the Lenders at least three Business Days prior to the initial day of an Interest Period, specify whether the Interest Rate to be applied during such Interest Period shall be the Adjusted Eurodollar Rate or the Base Rate and in the event that the Adjusted Eurodollar Rate is to so apply, the applicable Interest Period. If the Collateral Agent and each of the Lenders shall not have received such written notice, the Borrower shall be deemed to have selected a rate per annum equal to the Base Rate. Notwithstanding the foregoing, if a Default or Event of Default shall exist at time such selection

6

is to be made, the applicable Interest Rate specified by the Borrower for such Interest Period shall be deemed to be the Overdue Rate.

(c) *Conclusive Determinations.* Each calculation of the Interest Rate by the Collateral Agent pursuant to any provisions of this Loan Agreement or any of the other Loan Documents shall be prima facie evidence of the amounts owed.

Section 3.6. Highest Lawful Rate. It is the intention of the parties hereto to conform strictly to applicable usury laws and, anything herein to the contrary notwithstanding, the obligations of the Borrower to the Lenders under this Loan Agreement and the Notes shall be subject to the limitation that payments of

interest or of other amounts constituting interest under any Requirement of Law shall not be required to the extent that receipt thereof would be in excess of the Highest Lawful Rate, or otherwise contrary to provisions of law applicable to the recipient limiting rates of interest which may be charged or collected by the recipient. Accordingly, if the transactions or the amount paid or otherwise agreed to be paid for the use, forbearance or detention of money under this Loan Agreement, the Notes or any other Loan Document would exceed the Highest Lawful Rate or otherwise be usurious under any Requirement of Law (including, without limitation, the federal and state laws of the United States of America, or of any other jurisdiction whose laws may be mandatorily applicable) with respect to the recipient of any such amount, then, in that event, notwithstanding anything to the contrary in this Loan Agreement, the Notes or any other Loan Document, it is agreed as follows as to the recipient of any such amount:

- (i) the provisions of this **Section 3.6** shall govern and control over any other provision in this Loan Agreement, the Notes and any other Loan Document, and each provision set forth therein is hereby so limited;
- (ii) the aggregate of all consideration which constitutes interest under any Requirement of Law that is contracted for, charged or received under this Loan Agreement, the Notes or any other Loan Document shall under no circumstances exceed the maximum amount of interest allowed by such Requirement of Law (such maximum lawful interest rate, if any, with respect to such recipient herein called the "*Highest Lawful Rate*"), and all amounts owed under this Loan Agreement, the Notes and any other Loan Document shall be held subject to reduction and: (A) the amount of interest which would otherwise be payable to the recipient hereunder and under the Notes and any other Loan Document shall be automatically reduced to the amount allowed under such Requirement of Law, and (B) any unearned interest paid in excess of the Highest Lawful Rate shall be credited to the payor by the recipient (or, if such consideration shall have been paid in full, refunded to the payor);
- (iii) all sums paid, or agreed to be paid for the use, forbearance and detention of the money under this Loan Agreement, the Notes or any other Loan Document shall, to the extent permitted by any Requirement of Law, be amortized, prorated, allocated and spread throughout the full term of such indebtedness until payment in full so that the actual rate of interest is uniform throughout the full term thereof; and
- (iv) if at any time the interest, together with any other fees, late charges and other sums payable pursuant to or in connection with this Loan Agreement, the Notes and any other Loan Document executed in connection herewith or therewith and deemed interest under any Requirement of Law, exceeds that amount which would have accrued at the Highest Lawful Rate, the amount of interest and any such fees, charges and sums to accrue to the recipient of such interest, fees, charges and sums pursuant to the Loan Documents shall be limited, notwithstanding anything to the contrary in the Loan Documents, to that amount which would have accrued at the Highest Lawful Rate for the recipient, but any subsequent reductions, as applicable, shall not reduce the interest to accrue pursuant to the Loan Documents below the recipient's Highest Lawful Rate until the total amount of interest payable to the recipient (including all consideration

7

which constitutes interest) equals the amount of interest which would have been payable to the recipient (including all consideration which constitutes interest), plus the amount of fees which would have been received but for the effect of this **Section 3.6**.

Section 3.7. Adjustment. If any Lender shall obtain any payment (whether voluntary, involuntary, through the exercise of any right of set-off, or otherwise) on account of the Loan made by it in excess of its ratable share of payments on account of the Loan made by all the Lenders, such Lender shall forthwith purchase from the other Lenders such participation in the Loans owing to them as shall be necessary to cause such purchasing Lender to share the excess payment ratably, in the proportion that such Lender's Loan to which the payment applies bears to the total of all Loans to which the payment applies, *provided, however*, that if all or any portion of such excess payment is thereafter recovered from such purchasing Lender, such purchase from each Lender shall be rescinded and such Lender shall repay to the purchasing Lender the purchase price to the extent of such recovery together with an amount equal to such Lender's ratable share (according to the proportion of (i) the amount of such lender's required repayment to (ii) the total amount so recovered from the purchasing Lender) of any interest or other amount so recovered. The Borrower agrees that any Lender so purchasing a participation from another Lender pursuant to this **Section 3.7** may, to the fullest extent permitted by law, exercise all its rights of payment (including the right of set-off) with respect to such participation as fully as if such Lender were the direct creditor of the Borrower in the amount of such participation.

Section 3.8. Payments and Distributions.

(a) Subject to **clauses (c) and (d)** below, upon the occurrence of a Casualty, the exercise of the Prepayment Option with the proceeds of a Disposition permitted by **Section 7.5(e)** or **Section 7.5(p)**, the exercise of the Bank Prepayment Option, or following the exercise of remedies by any Lender or by the Collateral Agent on its behalf, all payments to be made by Borrower relating thereto, all proceeds of Collateral and all related payments due and payable to the Lenders pursuant to any other Operative Document, shall, to the extent readily attributable to a Type of Equipment or the Aircraft, be distributed by the Collateral Agent as follows:

(i) first,

(A) in the case of any amount which is attributable to the Aircraft, to each of the Lenders an amount equal to such Lender's Aircraft Commitment Percentage of the aggregate amount, for application against the Allocated Aircraft Value represented by such Lender's Note until all amounts due and owing each Lender whose Loans were used to refinance the Aircraft (or to pay any portion of the purchase price of any aircraft that becomes a Replacement Aircraft under the Aircraft Security Agreement), to the extent of such Lender's Allocable Aircraft Value, have been paid in full;

(B) in the case of any amount which is attributable to the Gaming Equipment, to each of the Lenders an amount equal to such Lender's Gaming Equipment Commitment Percentage of the aggregate amount, for application against the Allocated Equipment Value represented by such Lender's Note until all amounts due and owing each Lender whose Loans were used to pay the Purchase Price of Gaming Equipment, to the extent of such Lender's Allocable Equipment Value for Gaming Equipment, have been paid in full;

(C) in the case of any amount which is attributable to the Non-Gaming Equipment, to each of the Lenders an amount equal to such Lender's Non-Gaming Equipment Commitment Percentage of the aggregate amount, for application against the Allocated Equipment Value represented by such Lender's Note until all amounts due and owing each Lender whose Loans were used to pay the Purchase Price of Non-Gaming Equipment, to the extent of such Lender's Allocable Equipment Value for Gaming Equipment, have been paid in full;

(ii) second, in the case of any amount which is attributable to the Gaming Equipment or Non-Gaming Equipment, to the remaining Lenders pro rata to the extent of such Lender's Allocable Equipment Value until all amounts due and owing each Lender, to the extent of such Lender's Allocable Equipment Value, have been paid in full;

(iii) third, to the remaining Lenders pursuant to **clause (b)** below.

(b) Any payments to be made by Borrower relating to the exercise of remedies by any Lender or by the Collateral Agent on its behalf, any proceeds of Collateral, any transfer or assignment of claim relating to the Notes in a bankruptcy and all related payments due and payable to the Lenders pursuant to any other Operative Document, which are not readily attributable to a Type of Equipment or the Aircraft, shall, to such extent, be distributed by Collateral Agent *pro rata* among the Lenders according to the respective outstanding principal amounts of the Loans then held by each such Lender and to the extent such payment represents a Required Prepayment or other payment on account of principal of the Loans such payment shall be allocated *pro rata* by such Lender between the Allocated Aircraft Value and Allocated Equipment Value in proportion, as nearly as practicable, to the respective Allocated Aircraft Value and Allocated Equipment Value represented by the unpaid Loan Balance thereof.

(c) In case moneys with respect to any Type of Equipment or the Aircraft are insufficient to pay in full the whole amount due, owing or unpaid to the Lenders whose Loans were used to pay the Purchase Price of such Type of Equipment or refinance the Aircraft, as applicable, then application shall be made first to any unpaid accrued Interest, second to any Supplemental Payments and third to the Loan Balances. Any Supplemental Payments received by Collateral Agent shall be paid by Collateral Agent to the Person to whom such Supplemental Payments are payable under the provisions of the Operative Documents.

(d) In the event that at the time of any payment or distribution of proceeds to which this **Section 3.8** applies, a Lender has not Funded its full Commitment with respect to a Type of Equipment or the Aircraft, each Lender's Commitment Percentage with respect to such Type of Equipment or Aircraft shall be adjusted to reflect the percentage amount of Credit Exposure of such Lender compared to the Credit Exposure of all Lenders whose Loans were used to pay the Purchase Price of such Type of Equipment or refinance the Aircraft, as applicable.

SECTION 5. REPRESENTATIONS AND WARRANTIES.

Section 5.1. Representations and Warranties of the Borrower. As of the date hereof and the Document Closing Date, the Borrower hereby represents and warrants to each of the other parties hereto as follows:

(a) *Financial Condition.* The restated audited consolidated and consolidating balance sheets of Valvino and its consolidated Subsidiaries as at December 31, 2000 and December 31, 2001 and the related consolidated and consolidating statements of income and of cash flows for the Fiscal Years ended on such dates, reported on by and accompanied by an unqualified report from Deloitte & Touche LLP, present fairly in all material respects the consolidated and consolidating financial condition of Valvino and its consolidated Subsidiaries as at such date, and the consolidated and consolidating results of its operations and its consolidated and consolidating cash flows for the respective Fiscal Years then ended. The unaudited consolidated and consolidating balance sheets of Valvino and its consolidated Subsidiaries as at June 30, 2002, and the related unaudited consolidated and consolidating statements of income and cash flows for the 6-month period ended on such date, present fairly in all material respects the consolidated and consolidating financial condition of Valvino and its consolidated Subsidiaries as at such date, and the consolidated and consolidating results of its operations and its consolidated and consolidating cash flows for the 6-month period then ended (subject to normal year-end audit adjustments). All such financial statements, including the related schedules and notes thereto, have been prepared in accordance with GAAP applied consistently throughout the periods involved (except as approved by the aforementioned firm of accountants and disclosed therein). Valvino and its Subsidiaries (other than the Excluded Entities) do not have any material Guarantee Obligations, contingent liabilities and liabilities for taxes, or any long-term leases or unusual forward or long-term commitments, including, without limitation, any interest rate or foreign currency swap or exchange transaction or other obligation in respect of derivatives, that are not reflected in the most recent financial statements referred to in this paragraph or that have not otherwise been disclosed to the Collateral Agent in writing. During the period from January 1, 2002 to and including the Document Closing Date there has been no Disposition by Valvino or any of its Subsidiaries of any material part of its business or Property.

(b) *No Change.* Since December 31, 2001, there has been no developments or events that, individually or collectively, has had or could reasonably be expected to have a Material Adverse Effect.

(c) *Corporate/LLC Existence; Compliance with Law.* Each of the Loan Parties and the Completion Guarantor (a) is duly organized, validly existing and in good standing under the laws of the jurisdiction of its organization, (b) has the corporate or limited liability company power and authority, and the legal right, to own and operate its Property, to lease the Property it operates as lessee and to conduct the business in which it is currently engaged, (c) is duly qualified as a foreign corporation or limited liability company and in good standing under the laws of each jurisdiction where its ownership, lease or operation of Property or the conduct of its business requires such qualification, except to the extent the failure to be so qualified or in good standing could not reasonably be expected to have a Material Advance Effect and (d) is in compliance with all Requirements of Law except to the extent that the failure to comply therewith could not, in the aggregate, reasonably be expected to have a Material Adverse Effect.

(d) *Corporate Power; Authorization; Enforceable Obligations.* Each Loan Party and the Completion Guarantor has the corporate or limited liability company power and authority, and the legal right, to make, deliver and perform the Loan Documents and the other Operative Documents to which it is a party and to carry out the transactions contemplated thereby and, in the case of the Borrower, to borrow hereunder. Each Loan Party and the Completion Guarantor

11

has taken all necessary corporate or limited liability company action, as the case may be, to authorize the execution, delivery and performance of the Loan Documents and the other Operative Documents to which it is a party and, in the case of the Borrower and Capital Corp., to authorize the borrowings and issuances of Indebtedness on the terms and conditions of this Loan Agreement and the other Operative Documents. No consent or authorization of, filing with, notice to or other act by or in respect of, any Governmental Authority or any Person (other than a Loan Party whose written consent has been obtained) is required in connection with the borrowings hereunder or with the execution, delivery, performance, validity or enforceability of this Loan Agreement, any of the Loan Documents or any of the other Operative Documents, except (A) consents, authorizations, filings and notices described in **Schedule 4.4**, which consents, authorizations, filings and notices, unless otherwise indicated on **Schedule 4.4**, have been obtained or made and are in full force and effect and (B) the filings and actions referred to in **Section 5.1(s)**. Each Loan Document and other Operative Document has been duly executed and delivered on behalf of the Completion Guarantor and each Loan Party thereto. This Loan Agreement constitutes, and each other Loan Document, Project Document and Operative Document upon execution will constitute, a legal, valid and binding obligation of the Completion Guarantor and each Loan Party thereto, enforceable against the Completion Guarantor and each such Loan Party in accordance with its terms, except as enforceability may be

limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the enforcement of creditors' rights generally and by general equitable principles (whether enforcement is sought by proceedings in equity or at law).

(e) *No Legal Bar.* The execution, delivery and performance of this Loan Agreement, the other Loan Documents and the other Operative Documents, the borrowings hereunder and the use of the proceeds thereof will not violate any Requirement of Law or any Contractual Obligation of the Completion Guarantor or any Loan Party and will not result in, or require, the creation or imposition of any Lien on any of their respective properties or revenues pursuant to any Requirement of Law or any such Contractual Obligation (other than the Liens created by the Security Documents and the Other Security Documents). No Requirement of Law or Contractual Obligation applicable to the Completion Guarantor or any Loan Party could, individually or collectively, reasonably be expected to have a Material Adverse Effect.

(f) *No Material Litigation.* No litigation, investigation or proceeding of or before any arbitrator or Governmental Authority is pending or, to the knowledge of the Borrower, threatened by or against the Completion Guarantor or any Loan Party or against any of their respective properties or revenues (a) with respect to any of the Financing Agreements or any of the transactions contemplated hereby or thereby, or (b) that could, individually or collectively, reasonably be expected to have a Material Adverse Effect.

(g) *No Default.* Neither the Completion Guarantor nor any Loan Party is in default under or with respect to any of its Contractual Obligations in any respect that could, individually or collectively, reasonably be expected to have a Material Adverse Effect. No Default or Event of Default has occurred and is continuing.

(h) *Ownership of Property; Liens.* Each of the Loan Parties is the sole owner of, legally and beneficially, and has good, marketable and insurable title to, or a valid leasehold interest in, all its Real Estate, and good title to, or has a valid leasehold interest in, all its other Property, and none of such Property is subject to any claims, liabilities, obligations, charges or restrictions of any kind, nature or description (other than claims, liabilities, obligations, charges or restrictions that individually or in the aggregate could not reasonably be expected to materially interfere with the business or assets of any Loan Party), or to any Lien, except for Permitted Liens.

12

(i) *Intellectual Property.* (i) Each Loan Party owns, or is licensed to use, all Intellectual Property necessary for the conduct of its business as currently conducted. No claim has been asserted or is pending by any Person challenging or questioning the use of any such Intellectual Property or the validity or effectiveness of any such Intellectual Property, nor does the Borrower know of any valid basis for any such claim, except (a) with respect to the Intellectual Property related to or otherwise associated with the Loan Parties' use of the "Le Reve" name, such claims that, if determined adversely to a Loan Party, could not, individually or collectively, reasonably be expected to have a material adverse effect on such Loan Party's ability to use the "Le Reve" name in its Permitted Business as currently used or contemplated to be used and (b) with respect to all other Intellectual Property, as could not reasonably be expected to have a Material Adverse Effect. The use by each Loan Party (if any) of the Intellectual Property related to or otherwise associated with such Loan Party's use of the "Le Reve" name does not infringe on the rights of any Person, which infringement could reasonably be expected to have a material adverse effect on such Loan Party's ability to use the "Le Reve" name in its Permitted Business as currently used or contemplated to be used. The use by each Loan Party (if any) of Intellectual Property other than Intellectual Property related to or otherwise associated with such Loan Party's use of the "Le Reve" name, does not infringe on the rights of any Person, which infringement could reasonably be expected to have a Material Adverse Effect.

(ii) As of the Document Closing Date, **Schedule 4.9(b)** (A) identifies each of the trademarks, service marks and trade name applications and registrations currently registered by, made by or otherwise held, directly or indirectly, by each of the Loan Parties (including without limitation, any such Intellectual Property related to or otherwise associated with the Loan Parties' use of the "Le Reve" name) and identifies which such Person registered, made or otherwise holds such Intellectual Property, and (B) specifies as to each, the jurisdiction in which such Intellectual Property has been issued or registered (or, if applicable, in which an application for such issuance or registration has been filed), including the respective registration or application numbers and applicable dates of registration or application and expiration.

(iii) As of the Document Closing Date, **Schedule 4.9(c)**(A) identifies each of the material patents and patent applications currently owned by, made by or otherwise held, directly or indirectly, by each of the Loan Parties and identifies which such Person owns, made or otherwise holds such Intellectual Property, and (B) specifies as to each, the jurisdiction in which such Intellectual Property has been issued or registered (or, if applicable, in which an application for such issuance or registration has been filed), including the respective patent or application numbers and applicable dates of issuance or application and expiration.

(iv) As of the Document Closing Date, **Schedule 4.9(d)** (A) identifies each of the material copyrights and copyright applications and registrations currently registered by, made by or otherwise held, directly or indirectly, by each of the Loan Parties and identifies which such Person registered, made or otherwise holds such Intellectual Property, and (B) specifies as to each, the jurisdiction in which such Intellectual Property has been issued or registered (or, if applicable, in which an application for such issuance or registration has been filed), including the respective registration or application numbers and applicable dates of registration or application and expiration.

(v) As of the Document Closing Date, **Schedule 4.9(e)** (A) identifies, each of the material trade secrets owned by, claimed by, or otherwise held, directly or indirectly, by each of the Loan Parties and identifies which such Person owns, claims or otherwise holds such Intellectual Property, and (B) specifies as to each, the jurisdiction in which such Intellectual Property exists.

13

(vi) As of the Document Closing Date, **Schedule 4.9(f)** identifies all licenses, sublicenses and other agreements relating to Intellectual Property to which each of the Loan Parties is a party that are material to the conduct of such Loan Party's Permitted Business and pursuant to which (A) any of the Loan Parties is a licensor or sub-licensor or the equivalent or (B) any other Person is authorized to use any Intellectual Property as a licensee, sub-licensee or the equivalent.

(j) *Taxes.* (i) Each of the Completion Guarantor and the Loan Parties has filed, or caused to be filed, all tax and informational returns that are required to have been filed by it in any jurisdiction, and all such tax and informational returns are correct and complete in all material respects. Each of the Completion Guarantor and the Loan Parties has paid all taxes shown to be due and payable on such returns and all other taxes and assessments payable by it, to the extent the same have become due and payable (other than (x) those taxes that it is contesting in good faith and by appropriate proceedings, and (y) taxes that are not yet due, with respect to each of which it has established reserves that are adequate for the payment thereof and as are required by GAAP).

(ii) Neither the Completion Guarantor nor any of the Loan Parties has incurred any material tax liability in connection with the Project or the other transactions contemplated by the Operative Documents which has not been disclosed in writing to the Collateral Agent (including as disclosed in the financial statements delivered to the Lenders hereunder).

(iii) There are no Liens for Taxes on any of the Properties of the Completion Guarantor or any of the Loan Parties other than Liens permitted pursuant to Section 7.3(a).

(k) *Federal Regulations.* No part of the proceeds of the Loans will be used for purchasing or carrying any "margin stock" (within the meaning of Regulation U) or for the purpose of purchasing, carrying or trading in any securities under such circumstances as to involve the Borrower in a violation of Regulation X or to involve any broker or dealer in a violation of Regulation T. No indebtedness being reduced or retired out of the proceeds of the Loans was or will be incurred for the purpose of purchasing or carrying any "margin stock" (within the meaning of Regulation U). Following application of the proceeds of the Loans, "margin stock" (within the meaning of Regulation U) does not constitute more than 25% of the value of the assets of the Borrower and its Subsidiaries. None of the transactions contemplated by this Loan Agreement (including, without limitation, the direct and indirect use of proceeds of the Loans) will violate or result in a violation of Regulation T, Regulation U or Regulation X. If requested by any Lender or the Collateral Agent, the Borrower will furnish to the Collateral Agent and each Lender a statement to the foregoing effect in conformity with the requirements of FR Form G-3 or FR Form U-1 referred to in Regulation U.

(l) *Labor Matters.* There are no strikes, stoppages, slowdowns or other labor disputes against any of the Loan Parties pending or, to the knowledge of the Borrower, threatened that (individually or in the aggregate) could reasonably be expected to have a Material Adverse Effect. Hours worked by and payment made to employees of the Loan Parties have not been in violation of the Fair Labor Standards Act or any other applicable Requirement of Law dealing with such matters that (individually or in the aggregate) could reasonably be expected to have a Material Adverse Effect. All payments due from any of the Loan Parties on account of employee health and welfare insurance that (individually or in the aggregate) could reasonably be expected to have a Material Adverse Effect if not paid have been paid or accrued as a liability on the books of the relevant Loan Party.

(m) *ERISA.* Neither a Reportable Event nor an "accumulated funding deficiency" (within the meaning of Section 412 of the Code or Section 302 of ERISA) has occurred during the five-year period prior to the date on which this representation is made or deemed made with

respect to any Plan, and each Plan has complied in all material respects with all applicable provisions of ERISA and the Code. No termination of a Single Employer Plan has occurred, and no Lien in favor of the PBGC or a Plan has arisen, during such five-year period. The actuarial present value of all benefit liabilities under each Single Employer Plan (based on those assumptions that would be used to determine whether each such Single Employer Plan could be terminated in a standard termination under Section 4041(b) of ERISA) did not, as of the last annual valuation date prior to the date on which this representation is made or deemed made, exceed the value of the assets of such Plan allocable to such accrued benefits by a material amount. Neither the Borrower, any other Loan Party nor any Commonly Controlled Entity has had a complete or partial withdrawal from any Multiemployer Plan that has resulted or could reasonably be expected to result in a material liability under ERISA, and neither the Borrower, any other Loan Party nor any Commonly Controlled Entity would become subject to any material liability under ERISA if any such Person were to withdraw completely from all Multiemployer Plans as of the most recent valuation date for which each such Multiemployer Plan has furnished data regarding potential withdrawal liability to the applicable Loan Party. As of the Document Closing Date, no such Multiemployer Plan is in Reorganization or Insolvent.

(n) *Investment Company Act; Other Regulations.* Neither the Completion Guarantor nor any Loan Party is an "investment company", or a company "controlled" by an "investment company", within the meaning of the Investment Company Act of 1940, as amended. Neither the Completion Guarantor nor any Loan Party is subject to regulation under the Public Utility Holding Company Act of 1935, the Federal Power Act, or the Interstate Commerce Act or registration under the Investment Company Act of 1940 or under any other federal or state statute or regulation which may limit its ability to incur indebtedness other than the Nevada Gaming Laws or which may otherwise render all or any portion of the Obligations unenforceable. Incurrence of the Obligations by the Completion Guarantor and the Loan Parties under the Loan Documents complies with all applicable provisions of the Nevada Gaming Laws, subject to any informational filings or reports required by the Nevada Gaming Commission Regulation Section 8.130, and subject to the receipt of requisite approvals from the Nevada Gaming Authorities relating to the pledges of Capital Stock of the Loan Parties that are licensed or registered by the Nevada Gaming Authorities, which approvals shall be sought diligently and in good faith by the Borrower prior to the Opening Date, when the gaming license with respect to the Project is applied for by the Borrower.

(o) *Subsidiaries.* (i) The Persons listed on **Schedule 4.15** constitute all the Subsidiaries of Valvino as of the Document Closing Date. **Schedule 4.15** sets forth as of the Document Closing Date, the name and jurisdiction of formation of each Subsidiary of Valvino and, as to each such Subsidiary, the percentage and number of each class of Capital Stock owned by its requisite parent entity. Each such Subsidiary is a Wholly Owned Subsidiary of Valvino and, if such Subsidiary's direct parent entity is other than Valvino, its direct parent entity.

(ii) There are no outstanding subscriptions, options, warrants, calls, rights or other agreements or commitments (other than stock options granted to employees or directors and directors' qualifying shares) of any nature relating to any Capital Stock of any Subsidiary of Valvino. None of the Subsidiaries of Valvino have issued, or authorized the issuance of, any Disqualified Stock.

(iii) Neither Valvino nor any of its Subsidiaries are engaged in any businesses other than the Permitted Businesses. As of the Closing Date, other than, (i) in the case of Las Vegas Jet and World Travel, the Aircraft and Collateral related to the operation and maintenance of the Aircraft, (ii) in the case of Palo, the Palo Home Site Land, and in the case of Desert Inn Improvement, the DIIC Water Permits and the Water Utility Land, (iii) in the case of Wynn Design, Property reasonably related to architectural, engineering, design and project management activities, none of the Water Companies or the Wynn Group Entities owns any material Property other than the Capital Stock of its Subsidiaries (if any).

(p) *Use of Proceeds.* The proceeds of the Loans made under this Loan Agreement shall be applied toward the Purchase Price of the Equipment and Transaction Costs and the payment of all sums due and owing under the Original Aircraft Financing Documents.

(q) *Environmental Matters.*

(i) To the knowledge of the Borrower and the Loan Parties: the Borrower and the Loan Parties (A) are, and within the period of all applicable statutes of limitation have been, in material compliance with all applicable Environmental Laws; and (B) reasonably believe that material compliance with all applicable Environmental Laws that is or is expected to become applicable to any of them will be timely attained and maintained.

(ii) To the knowledge of the Borrower, Hazardous Substances are not present at, on, under, in, or about any real property now or formerly owned, leased or operated by any of the Loan Parties, or at any other location (including, without limitation, any location to which Hazardous Substances have been sent for re-use or recycling or for treatment, storage, or disposal) which could, individually or collectively, reasonably be expected to (A) give rise to liability of any of the Loan Parties under any applicable Environmental Law or otherwise result in costs to any of the Loan Parties that could reasonably be expected to have a Material Adverse Effect, or (B) materially interfere with any of the Loan Parties' continued operations, or (C) materially impair the fair saleable value of any real property owned or leased by any of the Loan Parties.

(iii) Except as could not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect, there is no judicial, administrative, or arbitral proceeding (including any notice of violation or alleged violation) under or relating to any Environmental Law (including, without limitation, any Environmental Claims) to which any of the Loan Parties is, or to the knowledge of the Borrower will be, named as a party that is pending or, to the knowledge of the Borrower, threatened.

(iv) No Loan Party has received any written request for information, or been notified that it is a potentially responsible party, under or relating to the federal Comprehensive Environmental Response, Compensation, and Liability Act or any similar Environmental Law.

(v) Except as could not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect, no Loan Party has entered into or agreed to any consent decree, order, or settlement or other agreement, or is subject to any judgment, decree, or order or other agreement, in any judicial, administrative, arbitral, or other forum for dispute resolution, relating to compliance with or liability under any Environmental Law or Environmental Claim.

(vi) Except as could not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect, no Loan Party has assumed or retained, by contract or operation of law, any liabilities of any kind, fixed or contingent, known or unknown, under any Environmental Law or with respect to any Hazardous Substances.

(vii) Except as could not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect, (A) Hazardous Materials Activities are not presently occurring, and have not previously occurred, at, on, under, in, or about any Real Estate now or formerly owned, leased or operated by any of the Loan Parties and (B) none of the Loan Parties have ever engaged in any Hazardous Materials Activities at any location.

(r) *Accuracy of Information, Etc.* No statement or information contained in this Loan Agreement, any other Loan Document, the Confidential Information Memorandum or any other document, certificate or statement furnished to the Arrangers, the Collateral Agent or the Lenders or any of them, by or on behalf of the Completion Guarantor or any Loan Party for use in connection with the transactions contemplated by this Loan Agreement or the other Loan

Documents, contained as of the date such statement, information, document or certificate was so furnished (or, in the case of the Confidential Information Memorandum, as of the date of this Loan Agreement), any untrue statement of a material fact or omitted to state a material fact necessary in order to make the statements contained herein or therein not misleading. The projections and *pro forma* financial information contained in the materials referenced above (including, without limitation, the Projections) are based upon good faith estimates and assumptions believed by management of the Borrower to be reasonable at the time made, it being recognized by the Lenders that such financial information as it relates to future events is not to be viewed as fact and that actual results during the period or periods covered by such financial information may differ from the projected results set forth therein by a material amount. There are no facts known to Valvino or any Loan Party that could, individually or collectively, reasonably be expected to have a Material Adverse Effect that has not been expressly disclosed herein, in the other Loan Documents, in the Confidential Information Memorandum or in any other documents, certificates and written statements furnished to the Arrangers, the Collateral Agent and the Lenders for use in connection with the transactions contemplated hereby and by the other Loan Documents.

(s) *Security Documents.* (i) The Borrower Security Agreement is effective to create in favor of the Collateral Agent (for the benefit of the Secured Parties) (or the Collateral Agent, as the assignee of the Borrower in the case of the Aircraft Security Agreement) a legal, valid, binding and enforceable security interest in the Collateral (or the Aircraft Collateral, in the case of the Aircraft Security Agreement). **Schedule 4.19(a)-2** lists each UCC Financing Statement covering the Collateral or the Aircraft Collateral that (i) names any Loan Party as debtor and (ii) will remain on file after the Document Closing Date.

(ii) [Intentionally Omitted.]

(iii) [Intentionally Omitted.]

(iv) Each of the FF&E Collateral Account Agreement and the Local FF&E Collateral Account Agreement is effective to create in favor of the Collateral Agent, for the benefit of the Secured Parties, a legal, valid and enforceable security interest in the Account described therein and proceeds and products thereof. Upon the execution of the FF&E Collateral Account Agreement and the Local FF&E Collateral Account Agreement, each of the FF&E Collateral Account Agreement and the Local FF&E Collateral Account Agreement shall constitute a fully perfected Lien on, and security interest in, all right, title and interest of the Loan Parties in the Accounts described therein and the proceeds and products

thereof, as security for the Obligations, in each case subject only to Permitted Liens and prior and superior in right to any other Lien (except Senior Permitted Liens).

(t) *Solvency.* Each Loan Party and the Completion Guarantor is, and, after giving effect to the incurrence of (i) all Indebtedness, (ii) the use of the proceeds of such Indebtedness (including, without limitation, the use of proceeds of the Loans made by the Lenders hereunder) and (iii) obligations being incurred in connection with the Operative Documents, will be and will continue to be, Solvent.

(u) *Senior Indebtedness.* The Obligations (including, without limitation, the guarantee obligations of each Guarantor under the Loan Documents) constitute secured senior debt of each of the Loan Parties and "Permitted Debt" under and as defined in the Mortgage Notes Indenture. The Mortgage Notes, when issued and paid for, will be the legally valid and binding obligations of the Borrower and Capital Corp., enforceable against the Borrower and Capital Corp. in accordance with their terms, except as may be limited by bankruptcy, insolvency, reorganization, moratorium or similar laws relating to or limiting creditors' rights generally or by equitable principles relating to enforceability. The issuance and sale of Mortgage Notes, either (a) have been

17

registered or qualified under applicable federal and state securities laws or (b) are exempt therefrom.

(v) *Regulation H.* No Mortgage encumbers improved real property which is located in an area that has been identified by the Secretary of Housing and Urban Development as an area having special flood hazards and in which flood insurance has been made available under the National Flood Insurance Act of 1968.

(w) *Insurance.* Each of the Loan Parties is insured by insurers of recognized financial responsibility against such losses and risks and in such amounts as are prudent and customary in the businesses in which it is engaged and in any event in accordance with **Section 6.5**; and none of the Loan Parties has any reason to believe that it will not be able to renew its existing insurance coverage as and when such coverage expires or to obtain similar coverage from similar insurers at a cost that could not reasonably be expected to have a Material Adverse Effect (other than as a result of general market conditions).

(x) *Performance of Agreements; Material Contracts.* Neither the Completion Guarantor nor any Loan Party is in default in the performance, observance or fulfillment of any of the obligations, covenants or conditions contained in any of its Contractual Obligations, and no condition exists that, with the giving of notice or the lapse of time or both, would constitute such a default, in each case, except where the consequences of such default or defaults, if any, could not reasonably be expected to have a Material Adverse Effect. **Schedule 4.24** contains a true, correct and complete list of all the Material Contracts in effect on the Document Closing Date. All Material Contracts (other than Material Contracts described in clause (ii) of the definition thereof) are, to the knowledge of the Borrower, in full force and effect and no material defaults currently exist thereunder.

(y) *Real Estate.* (i) As of the Document Closing Date, **Schedule 4.25(a)** sets forth a true, complete and correct list of all Real Estate, including a brief description thereof, including, in the case of leases, the street address, landlord name, tenant name, guarantor name, current rent amount, lease date and lease expiration date. The Borrower has delivered to the Collateral Agent true, complete and correct copies of all such leases.

(ii) All Real Estate and the current use thereof complies with all applicable Requirements of Law (including building and zoning ordinances and codes) and with all Insurance Requirements, and none of the Loan Parties are non-conforming users of such Real Estate, except where noncompliance or such non-conforming use could not, individually or collectively, reasonably be expected to have a Material Adverse Effect.

(iii) No Taking has been commenced or, to the best of the Borrower's knowledge, is contemplated with respect to all or any portion of any Real Estate or for the relocation of roadways providing access to such Real Estate except, in each case, as could not, individually or collectively, reasonably be expected to have a Material Adverse effect.

(c) such Management Fees in the aggregate do not exceed, during any 12-month, period 1.5% of the Net Revenues of the Borrower and its consolidated Subsidiaries for the period of four full consecutive fiscal quarters of the Borrower most recently ended prior to the commencement of such

If the Borrower has elected, or is required, to pay the Casualty Amount pursuant to **clause (a)** above, the Borrower shall continue to make all payments of Interest and Required Prepayments due under this Loan Agreement until and including the Casualty Settlement Date. Upon payment of the Casualty Amount in respect of any Item of Equipment, Airframe or Engine suffering Casualty on such Casualty Settlement Date together with all Interest then due and owing, the remaining scheduled Required Prepayments and Interest under this Loan Agreement shall be reduced such that the remaining Required Prepayments, when aggregated with all other Required Prepayments, shall fully amortize the outstanding Loan Balance by the Majority Date.

Equipment Replacements—If the Borrower has given notice that it intends to replace the Item or Items of Equipment suffering such Casualty or series of Casualties, and such replacement is permitted under the foregoing **clause (b)**, the Borrower may make subject to this Loan Agreement, not later than the Casualty Settlement Date with respect to such Item or Items of Equipment, a replacement for such Item or Items of Equipment meeting the suitability standards hereinafter set forth (a "*Replacement Item*"). To be suitable as a Replacement Item of Equipment, an item (or items) must (i) be of the same general type, (ii) have the same or better remaining economic useful life, state of repair and operating condition (immediately preceding the Casualty or series of Casualties assuming that such Item or Items of Equipment had been maintained in accordance with the terms of Section 4 of the Borrower Security Agreement) as the Item or Items of Equipment, taken as a whole, suffering the Casualty or series of Casualties, (iii) have a Fair Market Value of not less than the Fair Market Value (immediately preceding the Casualty or series of Casualties assuming that such Item or Items of Equipment had been maintained in accordance with the terms of Section 4 of the Borrower Security Agreement) of the Item or Items of Equipment, taken as a whole, suffering the Casualty or series of Casualties and (iv) be free and clear of any Liens other than Permitted Liens. In the event any Replacement Item of Equipment is of an earlier year of construction than the replaced Item or Items of Equipment, the Borrower shall deliver an appraisal in form and substance satisfactory to the Required Lenders from an appraiser selected by the Required Lenders confirming that such Replacement Item or Items of Equipment meet the standards set forth in **clause (ii)** and **(iii)** of the immediately preceding sentence. The Borrower shall cause a Borrower Security Agreement Supplement to be executed and delivered to Collateral Agent and Lenders in order to subject such replacement item or items to the Borrower Security Agreement, and upon such execution and delivery and the receipt by Collateral Agent and the Lenders of (i) evidence reasonably satisfactory to them of the Borrower's compliance with the insurance provisions of **Section 8.2** with respect to such replacement item or items, and (ii) an opinion of counsel to the Borrower opining as to the authorization, execution and delivery of a Borrower Security Agreement Supplement, the enforceability of the Borrower Security Agreement Supplement and the filing and recording of the Borrower Security Agreement Supplement and UCC financing

The Borrower shall deliver an appraisal in form and substance satisfactory to the Required Lenders from an appraiser selected by the Required Lenders confirming that such Replacement Airframe meets the standards set forth in **clause (ii)** and **(iii)** of the immediately preceding sentence. The Borrower shall cause World Travel to cause an Aircraft Security Agreement Supplement to be executed and delivered to the Borrower in order to subject such Replacement Airframe to the Aircraft Security Agreement, and upon such execution and delivery and the receipt by Lenders of:

(i) evidence reasonably satisfactory to Lenders of the Borrower's or World Travel's, as the case may be, compliance with the insurance provisions of **Section 8.2** with respect to such Replacement Airframe;

(ii) an opinion of counsel of World Travel opining as to the authorization, execution and delivery of the Aircraft Security Agreement Supplement, the enforceability of the Aircraft Security Agreement Supplement and the filing and recording of the Aircraft Security Agreement Supplement and UCC financing statements with respect thereto and, in each case, consistent with the opinions delivered on any Advance Date covering such matters;

(iv) an appraisal from an independent appraiser setting forth the Fair Market Value and remaining useful life with respect to such Replacement Airframe, which amount shall be at least equal to the Fair Market Value and remaining useful life of the Airframe being replaced;

such Replacement Airframe shall be deemed an "*Airframe*" for all purposes hereof.

49

Engine Replacements—If the Borrower has given notice that it intends to replace, or permit to be replaced, an Engine suffering a Casualty, and such replacement is permitted under the foregoing **clause (b)**, the Borrower may make subject to this Loan Agreement, not later than the Casualty Settlement Date with respect to such Engine, a replacement for such Engine meeting the suitability standards hereinafter set forth (a "*Replacement Engine*"). To be suitable as a Replacement Engine, an engine must be (i) the same general type and of the same Manufacturer, (ii) have the same or better remaining economic useful life, state of repair and operating condition (immediately preceding the Casualty assuming that such Engine had been maintained in accordance with the terms of Section 4 of the Aircraft Security Agreement) as the Engine suffering the Casualty, (iii) have a Fair Market Value of not less than the Fair Market Value (immediately preceding the Casualty assuming that such Engine had been maintained in accordance with the terms of Section 4 of the Aircraft Security Agreement) of the Engine suffering the Casualty and (iv) be free and clear of any Liens other than Permitted Liens. In the event any Replacement Engine is of an earlier year of construction than the replaced Engine, the Borrower shall deliver an appraisal in form and substance satisfactory to the Required Lenders from an appraiser selected by the Required Lenders confirming that such Replacement Engine meets the standards set forth in **clause (ii)** and **(iii)** of the immediately preceding sentence. The Borrower shall cause World Travel to cause an Aircraft Security Agreement Supplement to be executed and delivered to the Borrower in order to subject such Replacement Engine to the Aircraft Security Agreement, and the Borrower shall cause a Borrower Security Agreement Supplement to be executed and delivered to the Collateral agent on behalf of the Lenders in order to subject the Borrower's interest in such Replacement Engine to the Borrower Security Agreement, and upon such execution and delivery and the receipt by Lenders of (i) evidence reasonably satisfactory to them of the Borrower's compliance with the insurance provisions of **Section 8.2** with respect to such Replacement Engine, and (ii) an opinion of counsel to the Borrower and World Travel opining as to the authorization, execution and delivery of the Borrower Security Agreement Supplement and the Aircraft Security Agreement Supplement, the enforceability of the Borrower Security Agreement Supplement and the Aircraft Security Agreement Supplement and the filing and recording of the Borrower Security Agreement Supplement and the Aircraft Security Agreement Supplement and UCC financing statements with respect thereto and, in each case, consistent with the opinions delivered on any Advance Date covering such matters, such Replacement Engine shall be deemed an "*Engine*" for all purposes hereof.

If (i) Lenders have received the amount payable with respect to the Casualty or series of Casualties and all other amounts due hereunder, or (ii) the Item or Items of Equipment, Airframe or Engine have been substituted in accordance herewith, and, in each case, no Default or Event of Default exists, the Borrower shall be entitled to receive from the Collateral Agent the proceeds of any recovery in respect of the Item or Items of Equipment, Airframe or Engine from insurance or otherwise, to the extent recovered by Collateral Agent ("*Casualty Recoveries*"), and Collateral Agent, subject to the rights of any insurer insuring the Items of Equipment, Airframe or Engine as provided herein, shall execute and deliver to the Borrower, or to its assignee or nominee, a release for the Item or Items of Equipment, Airframe or Engine, and such other documents as may be required to release the Item or Items of Equipment, Airframe or Engine from the terms of the Borrower Security Agreement, in such form as may reasonably be requested by the Borrower. All fees, costs and expenses relating to a substitution as described herein shall be borne by the Borrower. Except as otherwise provided in this **Section 8.1**, the Borrower shall not be released from its obligations hereunder in the event of, and shall bear the risk of, any Casualty to any Item of Equipment, Airframe or Engine prior to or during the term of this Loan Agreement and thereafter until all of the Borrower's obligations hereunder are fully performed.

Any payments (including, without limitation, insurance proceeds) received at any time by Collateral Agent, Lenders or the Borrower from any Authority or other party with respect to any loss or damage to any Item or Items of Equipment, Airframe or Engine not constituting a Casualty (i) up to

50

\$1,000,000 with respect to Equipment and \$500,000 with respect to the Airframe or an Engine, shall be paid to the Borrower, so long as no Default or Event of Default shall have occurred and be continuing, for application to repair or replacement of property in accordance with **Section 8.1** and Section 4.3 of the Borrower Security Agreement or Section 4.3 of the Aircraft Security Agreement, as the case may be, or (ii) in excess of \$1,000,000 with respect to Equipment and \$500,000 with respect to the Airframe or an Engine, shall be held by Collateral Agent and applied directly in payment of repairs or for replacement of property in accordance with the provisions of **Section 6.1** and Section 4.3 of the Borrower Security Agreement or Section 4.3 of the Aircraft Security Agreement,

as the case may be, if not already paid by the Borrower, or if already paid by the Borrower and no Default or Event of Default shall have occurred and be continuing, shall be applied to reimburse the Borrower for such payment, and any balance remaining after compliance with said Sections with respect to such loss or damage shall be retained by or disbursed to (as applicable) the Borrower.

THE BORROWER HEREBY ASSUMES ALL RISK OF LOSS, DAMAGE, THEFT, TAKING, DESTRUCTION, CONFISCATION, REQUISITION, COMMANDEERING, TAKING BY EMINENT DOMAIN OR CONDEMNATION, PARTIAL OR COMPLETE, OF OR TO EACH ITEM OF EQUIPMENT, AIRFRAME AND ENGINE, HOWEVER CAUSED OR OCCASIONED, SUCH RISK TO BE BORNE BY THE BORROWER WITH RESPECT TO EACH ITEM OF EQUIPMENT, AIRFRAME AND ENGINE. THE BORROWER AGREES THAT NO OCCURRENCE SPECIFIED IN THE PRECEDING SENTENCE SHALL IMPAIR, IN WHOLE OR IN PART, ANY OBLIGATION OF THE BORROWER UNDER THIS LOAN AGREEMENT, INCLUDING, WITHOUT LIMITATION, THE OBLIGATION TO PAY INTEREST.

Section 8.2. Insurance Coverages. In addition to the requirements set forth in Exhibit O to the Disbursement Agreement, the Borrower shall at all times, at its expense, cause to be carried and maintained with financially sound and reputable insurers, insurance against loss or damage to the Items of Equipment, Airframe and Engine, of the kinds and in the amounts customarily maintained by similar corporations engaged in similar operations in similar jurisdictions and carry such other insurance as is usually carried by such corporations, *provided* that in any event the Borrower will maintain

(I) with respect to Equipment:

(a) Casualty Insurance—insurance against risks of physical loss or damage with respect to the Items of Equipment with deductibles and in such minimum amounts as are consistent with industry standards; *provided, however*, that at no time shall the amount of coverage, on a replacement cost basis, be less than the outstanding Loan Balance as shall be applicable to the Items of Equipment;

(b) Comprehensive General Liability Insurance—combined single limit comprehensive general liability insurance against claims for bodily injury, death or property damage in amounts at least equal to \$50,000,000 per occurrence, with such deductibles as are carried by similarly situated companies operating similar facilities and equipment; and

(c) Other Insurance—such other insurance, including comprehensive and worker's compensation insurance, in each case, generally carried by owners of equipment similar to the Items of Equipment and properties in each jurisdiction where the Items of Equipment are located, in such amounts and against such risks as are then customary for equipment and property similar in use;

(II) with respect to Aircraft—The Borrower shall secure and maintain in effect, at its own expense and at all times, insurance against such hazards and for such risks with respect to the Aircraft as the Collateral Agent and the Required Lenders holding 50% or more of the aggregate Credit Exposure of the Lenders whose Loans were used to refinance the Aircraft, may require. Without limiting the generality of the foregoing, the Borrower shall secure and maintain:

(i) Casualty Insurance—all-risk aircraft hull and engine insurance (including, without limitation, with respect to engine or part thereof while removed from the Aircraft and foreign

object damage insurance) in an amount which is not less than the principal amount of the Obligations evidenced by the Loan Documents;

(ii) Confiscation, Expropriation, War Risk and Allied Perils—confiscation, expropriation and war risk and allied perils (including, without limitation, terrorism) insurance and hijacking insurance in an amount which is, for physical damage, not less than the principal amount of the Obligations evidenced by the Loan Documents for any single occurrence, and

(iii) Comprehensive General Liability Insurance—combined single limit comprehensive general liability insurance against claims for bodily injury, death or property damage (including, without limitation, contracted liability, cargo liability, passenger legal liability and property damage coverage but excluding manufacturer's product liability coverage), to the extent exposure exists, in an amount not less than \$50,000,000 per occurrence with deductibles as approved by the Collateral Agent and the Required Lenders holding 50% or more of the aggregate Credit Exposure of the Lenders whose Loans were used to refinance the Aircraft, for all owned, non-owned and hired aircraft, fixed wing or rotary, used in connection with the operation of the Project.

Such insurance shall be written by reputable insurance companies that are financially sound and solvent, rated in Best's Insurance Guide or any successor thereto (or if there be none, an organization having a similar national reputation) with a general policyholder rating of "A-" and a size rating of at least "VIII" or otherwise acceptable to the Lenders. All such insurance shall name Collateral Agent and Lenders as additional insureds or as loss-payees, as their respective interests may appear pursuant to the terms and conditions of this Loan Agreement. Each policy referred to in this **Section 8.2** shall provide that (i) it will not be cancelled or its limits reduced, or allowed to lapse without renewal, except after not less than 30 days written notice to Lenders, (ii) the interests of Collateral Agent and Lenders shall not be invalidated by any act or negligence of, or breach of representation or warranty by, the Borrower or any Person having an interest in any Item of Equipment, Airframe or Engine (other than the Borrower's failure to pay premiums), (iii) such insurance is primary with respect to any other insurance carried by or available to Collateral Agent and/or Lenders, (iv) the insurer shall waive any right of subrogation, setoff, counterclaim, or other deduction, whether by attachment or otherwise, against Collateral Agent or Lenders; (v) the insurer shall waive any right to claim any premiums or commission against Collateral Agent or Lenders; and (vi) such policy shall contain a severability of interests clause providing for coverage of Collateral Agent and Lenders as if separate policies had been issued to each of them except with respect to the limit of such insurance which shall in no event increase as a result of such additional language. The Borrower will notify Collateral Agent and Lenders promptly of any policy cancellation, reduction in policy limits, modification or amendment.

Nothing in this **Section 8.2** shall prohibit Lenders or Collateral Agent from obtaining insurance for its own account and at its own expense and any proceeds payable thereunder shall be payable as provided in the insurance policy relating thereto, *provided* that no such insurance may be obtained which would limit or otherwise adversely affect the coverage or payment of any insurance required to be obtained or maintained by the Borrower pursuant to this **Section 8.2**.

All such policies with respect to the Aircraft shall be under such forms and upon such terms, for such periods and with such companies or underwriters as the Collateral Agent and the Required Lenders holding 50% or more of the aggregate Credit Exposure of the Lenders whose Loans were used to refinance the Aircraft, may approve, losses or refunds in all cases to be first payable to the Collateral Agent or its assigns, as its interest may appear. Notwithstanding any provision of any of the Loan Documents to the contrary, failure to obtain the Collateral Agent's and the approval of Required Lenders holding 50% or more of the aggregate Credit Exposure of the Lenders whose Loans were used to refinance the Aircraft for any insurer or policy shall not excuse the Borrower from its obligation to maintain insurance coverage required hereunder. The Borrower shall pay any deductible

portion of such insurance and any expense incurred in collecting insurance proceeds. The Borrower hereby assigns to the Collateral Agent the proceeds of all such insurance (including any refund of premium) to the extent of the Obligations secured hereby, directs the insurer to pay any losses or refunds due to the Borrower directly to the Collateral Agent, and appoints the Collateral Agent as attorney-in-fact to make proof of loss and claim for all insurance and refunds thereupon and to endorse all documents, contracts drafts, checks or forms of payment of insurance or premiums. The Collateral Agent shall apply insurance proceeds in accordance with **Section 8.1** of this Loan Agreement. The terms of Section IV.4 and Section IV.9 of Exhibit O to the Disbursement Agreement shall not apply to any of the insurance policies required with respect to the Aircraft.

Section 8.3. Insurance Certificates. Prior to each Advance Date, and thereafter not less than 12 days prior to the expiration dates of the expiring policies theretofore delivered pursuant to **Section 8.2**, the Borrower shall deliver to Collateral Agent and the Lenders certificates and copies of policies issued by the insurer(s) or insurance broker(s) for the insurance maintained pursuant to **Section 8.2**; *provided, however*, that if the delivery of any certificate is delayed, the Borrower shall not be deemed to be in violation of the obligation to deliver such certificate if, within such 12 day period, the Borrower delivers an executed binder with respect thereto and thereafter delivers the certificate upon receipt thereof.

SECTION 9. EVENTS OF DEFAULT AND REMEDIES.

Section 9.1. Events of Default. If any of the following events shall occur and be continuing:

(j) Any of the Loan Documents or Project Documents shall terminate or be terminated or canceled, become invalid or illegal or otherwise cease to be in full force and effect prior to its stated expiration date or Wynn Resorts, the Borrower, any other Loan Party, any Affiliate of the Borrower or any other Person shall breach or default under any term, condition, provision, covenant, representation or warranty contained in any Project Document (after the giving of any applicable notice and the expiration of any applicable grace period); *provided*, that the occurrence of any of the foregoing events with respect to any Project Document (other than any Material Affiliated Contract) shall constitute an Event of Default hereunder only if the same could reasonably be expected to result in a Material Adverse Effect and the same shall continue unremedied for thirty (30) days after the earlier of (i) the Borrower or any other Loan Party becoming aware of, or receiving notice of, such occurrence or (ii) receipt by the Borrower or any other Loan Party of notice from the Collateral Agent or any Lender of such occurrence; *provided, however*, that in the case of any such Project Document, if the occurrence is the result of actions or inactions by a party other than a Loan Party, then no Event of Default shall be deemed to have

55

occurred as a result thereof if the Borrower provides written notice to the Collateral Agent immediately upon (but in no event more than two (2) Business Days after) the Borrower or any Loan Party becoming aware of such occurrence that the relevant Loan Party intends to replace such Project Document and (x) such Loan Party obtains a replacement obligor or obligors for the affected party, (y) such Loan Party enters into a replacement Project Document on terms no less beneficial to such Loan Party and the Secured Parties in any material respect than the Project Document being replaced within sixty (60) days of such occurrence; *provided, however*, that the replacement Project Document may require the applicable Loan Party to pay amounts under the replacement Project Document in excess of those that would have been payable under the replaced Project Document and (z) such occurrence, after considering any replacement obligor and replacement Project Document and the time required to implement such replacement, has not had and could not reasonably be expected to have a Material Adverse Effect; *provided, further*, that a breach, default or termination under any "Construction Contract" prior to the Completion Date shall constitute an Event of Default hereunder only to the extent such breach, default or termination constitutes a Disbursement Agreement Event of Default; or

(k) An "event of default" under and as defined in any of the Financing Agreements (other than the Loan Documents) (in any event, after the expiration of any applicable cure periods); or

(l) (i) A Change of Control shall occur; or (ii) a Specified Change of Control shall occur; or

(m) The Liens on the Property of the Borrower permitted pursuant to **Section 7.3(k) and (l)**, shall cease, for any reason, to be validly subordinated and junior in right to the Liens of the Collateral Agent on the Equipment under the Loan Documents; or

(n) Any Subordinated Debt or the Management Fees payable under the Management Agreement shall cease, for any reason, to be validly subordinated to the Obligations of the Loan Parties as provided in the Management Agreement, the Management Fee Subordination Agreement and the documentation, instruments or other agreements related to the Subordinated Debt, as the case may be; or

(o) A License Revocation that continues for three consecutive calendar days affecting gaming operations accounting for five percent or more of the consolidated gross revenues (calculated in accordance with GAAP) of the Borrower related to gaming operations; or

(p) The Borrower or any other Loan Party shall fail to observe, satisfy or perform, or there shall be a violation or breach of, any of the terms, provisions, agreements, covenants or conditions attaching to or under the issuance to such Person of any Permit or any such Permit or any provision thereof shall be suspended, revoked, cancelled, terminated or materially and adversely modified or fail to be in full force and effect or any Governmental Authority shall challenge or seek to revoke any such Permit if such failure to perform, violation, breach, suspension, revocation, cancellation, termination or modification could reasonably be expected to have a Material Adverse Effect; or

(q) The Completion Date shall not have occurred by the Scheduled Completion Date; or

(r) World Travel shall fail to pay any principal or interest on the Intercompany Note in accordance with the terms thereof or any default shall occur thereunder; or

(s) The occurrence of an "Event of Default" under the Wynn Credit Agreement; or

(t) The Aircraft Trustee shall fail to maintain the registration of the Aircraft as required by Section 4.1 of the Aircraft Security Agreement;

then, and in any such event, (A) if such event is an Event of Default specified in **subsection (i) or (ii) of subsection (f)** above with respect to Wynn Resorts or any Loan Party, automatically the

Commitments shall immediately terminate and the Loans hereunder (with accrued interest thereon) and all other amounts owing under this Loan Agreement and the other Loan Documents shall immediately become due and payable, and (B) if such event is any other Event of Default, either or both of the following actions may be taken: (i) with the consent of the Required Lenders, the Collateral Agent may, or upon the request of the Required Lenders, the Collateral Agent shall, by notice to the Borrower, declare the Commitments to be terminated forthwith, whereupon the Commitments shall immediately terminate; and (ii) with the consent of the Required Lenders, the Collateral Agent may, or upon the request of the Required Lenders, the Collateral Agent shall, by notice to the Borrower, declare the Loans hereunder (with accrued interest thereon) and all other amounts owing under this Loan Agreement and the other Loan Documents to be due and payable forthwith, whereupon the same shall immediately become due and payable. Upon the occurrence and during the continuation of an Event of Default, the Collateral Agent and the Lenders shall be entitled to exercise any and all remedies available under the FF&E Guaranty and the Security Documents (subject to applicable Nevada Gaming Laws and securing any required Nevada Gaming Approvals), including, without limitation, the Borrower Security Agreement, or otherwise available under applicable law, in equity, or otherwise, including, without limitation, the right to enter into possession of the Collateral and perform any and all work and labor necessary to complete the Project or to operate and maintain the Collateral, and all sums expended by the Collateral Agent or any other Secured Party in so doing, together with interest on such total amount at the highest default rate provided hereunder, shall be Obligations hereunder, shall be repaid by the Borrower to the Collateral Agent or such Secured Party upon demand and shall be secured by the Loan Documents, notwithstanding that such expenditures may, together with amounts advanced under this Loan Agreement, exceed the total amount of the Commitments. Notwithstanding anything to the contrary contained in this Loan Agreement, in the event the consent of the Lenders is required in connection with the exercise of remedies pursuant to this **Section 9**, for purposes of determining the required lender consent pursuant to the applicable definitions thereto, the Commitments of the Lenders shall be deemed terminated.

Section 9.2. Remedies on Default. In case any one or more Events of Default shall occur and be continuing, (i) the Collateral Agent and the Required Lenders may exercise any rights of the Borrower under and with respect to the Intercompany Note and the Aircraft Security Agreement, (ii) any Lender may proceed to protect and enforce the rights of such Lender by an action at law, suit in equity or other appropriate proceeding, whether for the specific performance of any agreement contained herein or in any Loan Document, or for an injunction against a violation of any of the terms hereof or thereof, or in aid of the exercise of any power granted hereby or thereby or by law or otherwise, and (iii) the Collateral Agent and any Lender may exercise any rights or remedies in their respective capacities under the Operative Documents in accordance with the provisions thereof. No course of dealing and no delay on the part of any Lender in exercising any right, power or remedy shall operate as a waiver thereof or otherwise prejudice such Lender's rights, powers or remedies. No right, power or remedy conferred by this Loan Agreement or by any Note upon any holder thereof shall be exclusive of any other right, power or remedy referred to herein or therein or now or hereafter available at law, in equity, by statute or otherwise.

Section 9.3. Remedies on Aircraft Default. Notwithstanding any waiver or amendment delivered under this Loan Agreement by the Collateral Agent acting at the direction of the Required Lenders to the contrary, in case any one or more Events of Default specified in (i) **subsection (a) of Section 9.1**, (ii) **subsection (b) of Section 9.1** with respect to World Travel, the Aircraft or the Aircraft Trustee, (iii) **subsection (iv) of subsection (c) of Section 9.1**, (iv) **subsection (d) of Section 9.1** with respect to World Travel, the Aircraft or the Aircraft Trustee, (v) **subsection (i) above** with respect to World Travel, the Aircraft or the Aircraft Trustee, (vi) **subsection (f) of Section 9.1**, (vii) **subsection (r) of Section 9.1**, (viii) **subsection (t) of Section 9.1**, shall occur and be continuing, the Collateral Agent, acting at the direction of the Lenders holding more than 50% of the aggregate amount of Credit Exposure of the Lenders whose Loans were used to refinance the Aircraft, shall (A) declare that

portion of the Loans hereunder (with accrued interest thereon) that were used to refinance the Aircraft to be due and payable forthwith, whereupon the same shall immediately become due and payable, (B) exercise any rights of the Borrower under and with respect to the Intercompany Note and the Aircraft Security Agreement and (C) exercise any of its rights under the Borrower Aircraft Assignment.

With the exception of the foregoing, unless the Required Lenders have consented in writing, no such Lender shall proceed to protect and enforce the rights of such Lender under this Loan Agreement or the other Loan Documents, by an action at law, suit in equity or other appropriate proceeding, whether for the specific

performance of any agreement contained herein or in any other Loan Document, or for an injunction against a violation of any of the terms hereof or thereof, or in aid of the exercise of any power granted hereby or thereby or by law or otherwise.

SECTION 10. ASSIGNMENT BY LENDERS; PARTICIPATIONS.

Section 10.1. Assignments.

(a) Any Lender may at any time assign to one or more Eligible Assignees all or a portion of its rights and obligations under this Loan Agreement, the other Loan Documents, the Collateral or the Notes; *provided that* (i) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Loan Agreement and the other Loan Documents; and (ii) the parties to each assignment shall execute and deliver to the Collateral Agent an Assignment and Assumption Agreement in the form attached hereto as **Exhibit F**, together with a processing and recordation fee of \$500.00. Subject to acceptance and recording thereof by the Collateral Agent pursuant to **paragraph (b)** of this Section, from and after the effective date specified in each Assignment and Assumption, the Eligible Assignee thereunder shall be a party to this Loan Agreement and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Loan Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Loan Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Loan Agreement, such Lender shall cease to be a party hereto) but shall continue to be entitled to the benefits of **Section 12** with respect to facts and circumstances occurring prior to the effective date of such assignment. Any assignment or transfer by a Lender of rights or obligations under this Loan Agreement that does not comply with this paragraph shall be treated for purposes of this Loan Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with **Section 10.2**.

(b) The Collateral Agent, acting solely for this purpose as an agent of the Borrower, shall maintain at its office listed in **Schedule IB** a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the principal amounts of the Loans owing to, each Lender pursuant to the terms hereof from time to time (the "*Register*"). The entries in the Register shall be conclusive, and the Borrower, the Collateral Agent and the Lenders may treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Loan Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower and any Lender, at any reasonable time and from time to time upon reasonable prior notice. Any assignment or transfer by a Lender of rights or obligations as a Lender under this Loan Agreement that does not comply with this paragraph shall be treated for purposes of this Loan Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with **Section 10.2**.

Section 10.2. Participations. Any Lender may at any time, without the consent of, or notice to, the Borrower or the Collateral Agent, sell participations to any Person (other than a natural person or the Borrower or any of the Borrower's Affiliates or Subsidiaries) (each, a "*Participant*") in all or a portion of such Lender's rights and/or obligations under this Loan Agreement, the other Loan Documents, the Collateral or the Notes; (including all or a portion of the Loans owing to it); *provided*

58

that (i) such Lender's obligations under this Loan Agreement and the other Loan Documents shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (iii) the Borrower, the Collateral Agent and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Loan Agreement and the other Loan Documents. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Loan Agreement and the other Loan Documents and to approve any amendment, modification or waiver of any provision of this Loan Agreement and the other Loan Documents. Subject to **paragraph (b)** of this Section, the Company agrees that each Participant shall be entitled to the benefits of **Section 12** to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to **Section 10.1**.

(b) A Participant shall not be entitled to receive any greater payment under **Section 12** than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower's prior written consent. A Participant that would be a foreign Lender if it were a Lender shall not be entitled to the benefits of **Section 12.2** unless the Borrower is notified of the participation sold to such Participant and such Participant agrees, for the benefit of the Borrower to comply with **Section 12.2** as though it were a Lender.

Section 10.3. Pledges. Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Loan Agreement or the other Loan Documents to secure obligations of such Lender, including without limitation any pledge or assignment to secure obligations to a Federal Reserve Bank; *provided that* no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

SECTION 11. THE COLLATERAL AGENT.

Section 11.1. Appointment. Each Lender hereby irrevocably designates and appoints the Trust Company as the Collateral Agent under this Loan Agreement and the other Loan Documents, and each such Lender irrevocably authorizes the Collateral Agent, in such capacity, to take such action on its behalf under the provisions of this Loan Agreement and the other Loan Documents and to exercise such powers and perform such duties as are expressly delegated to the Collateral Agent by the terms of this Loan Agreement and the other Loan Documents, together with such other powers as are reasonably incidental thereto. Notwithstanding any provision to the contrary elsewhere in this Loan Agreement, the Trust Company shall not have any duties or responsibilities, except those expressly set forth herein and in the other Loan Documents, or any fiduciary relationship with any Lender or any other party to the Loan Documents, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Loan Agreement or any other Loan Document or otherwise exist against the Trust Company.

Section 11.2. Delegation of Duties. The Collateral Agent may execute any of its duties under this Loan Agreement and the other Loan Documents by or through agents or attorneys-in-fact and shall be entitled to advice of counsel concerning all matters pertaining to such duties. The Collateral Agent shall not be responsible for the acts or omissions including, specifically the negligence or willful misconduct of agents or attorneys-in-fact selected by it with reasonable care.

Section 11.3. Exculpatory Provisions. Neither the Trust Company nor the Collateral Agent (in its capacity as such) nor any of its officers, directors, employees, agents, attorneys-in-fact or Affiliates shall be (a) liable for any action lawfully taken or omitted to be taken by the Collateral Agent or such Person under or in connection with this Loan Agreement or any other Loan Document, except for the Collateral Agent's or such Person's own willful misconduct or gross negligence (or negligence in the handling of funds by the Collateral Agent in such capacity) or (b) responsible in any manner to any of

the Lenders or any other party to the Loan Documents for any recitals, statements, representations or warranties made by the Borrower or any other party or any officer thereof contained in this Loan Agreement or any other Loan Document or in any certificate, report, statement or other document referred to or provided for in, or received by the Collateral Agent under or in connection with, this Loan Agreement or any other Loan Document, or for the value, validity, effectiveness, genuineness, enforceability or sufficiency of this Loan Agreement or any other Loan Document or for any failure of the Borrower to perform its obligations hereunder or thereunder. The Collateral Agent shall not be under any obligation to any Lender or any other party to the Loan Documents to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Loan Agreement or any other Loan Document, or to inspect the properties, books or records of the Borrower.

Section 11.4. Reliance by Collateral Agent; Indemnity. The Collateral Agent shall be entitled to rely, and shall be fully protected in relying, upon any Note, writing, resolution, notice, consent, certificate, affidavit, letter, facsimile message, statement, order or other document or other written communication believed by it to be genuine and correct and to have been signed, sent or made by the proper Person or Persons and upon advice and statements of legal counsel (including, without limitation, counsel to the Borrower), independent accountants and other experts selected by the Collateral Agent. The Collateral Agent may deem and treat the payee of any Note as the owner thereof for all purposes unless a written notice of assignment, negotiation or transfer thereof shall have been filed with the Collateral Agent, in accordance with this Loan Agreement. The Collateral Agent shall be fully justified in failing or refusing to take any action under this Loan Agreement or any other Loan Document unless it shall first receive the advice or concurrence of the Required Lenders or it shall first be indemnified to its satisfaction by the applicable Lenders against any and all liability and expense which may be incurred by it by reason of taking or continuing to take any such action. The Collateral Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Loan Agreement and the other Loan Documents in accordance with a request of the Required Lenders, and such request and any action taken or failure to act pursuant thereto shall be binding upon all the Lenders and all future holders of the applicable Notes. Wherever in the Loan Documents the consent or approval of the Collateral Agent is required, in giving any such consent or approval the Collateral Agent may rely upon, or make its approval subject to, the directions of or consent or approval from the Required Lenders. The Lenders agree to indemnify the Collateral Agent (to the extent not reimbursed under **Section 12** hereof but without limiting the obligations of the Borrower under **Section 12** or of the Guarantors) ratably in accordance with their respective Commitments, for any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses (including reasonable attorneys' fees) or disbursements of any kind and nature whatsoever that may at any time (including at any time following the final payment of all of the obligations of the Borrower hereunder and under the other Loan Documents) be imposed on, incurred by or asserted against the Collateral Agent (including by any Lender) in any way relating to or arising out of this Loan Agreement or any Loan Document or the transactions contemplated thereby or any action taken or omitted by the Collateral Agent under this Loan Agreement or any Loan Document; *provided* that no Lender shall be liable for any of the foregoing to the extent they arise from the gross negligence (or negligence in the handling of funds by the Collateral Agent in such capacity) or willful misconduct of the Person to be indemnified. Without limitation of the foregoing, each Lender agrees to reimburse the Collateral Agent promptly upon demand for its ratable share of any costs or expenses payable by the Borrower under **Section 12**, to the extent that the Collateral Agent is not promptly reimbursed for such costs and expenses by the Borrower or a Guarantor.

Section 11.5. Notice of Default. The Collateral Agent shall not be deemed to have knowledge or notice of the occurrence of any Default or Event of Default unless the Collateral Agent has received notice from a Lender referring to this Loan Agreement, describing such Default or Event of Default and stating that such notice is a "notice of default". In the event that the Collateral Agent receives such a notice, the Collateral Agent shall promptly give notice thereof to the Lenders, the Borrower, the Administrative Agent and the Mortgage Notes Indenture Trustee. The Collateral Agent shall take such action with respect to such Default or Event of Default as shall be directed by the Required Lenders; *provided, however*, that unless and until the Collateral Agent shall have received such directions, the Collateral Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default or Event of Default as it shall deem advisable in the best interests of the Lenders.

Section 11.6. Non-Reliance on Collateral Agent and Other Lenders. Each Lender expressly acknowledges that neither the Collateral Agent, the Arranger nor any of their respective officers, directors, employees, agents, attorneys-in-fact or Affiliates, has made any representations or warranties to it and that no act by the Collateral Agent, or the Arranger hereinafter taken, including any review of the affairs of the Borrower, shall be deemed to constitute any representation or warranty by the Collateral Agent or the Arranger to any Lender. Each Lender represents to the Collateral Agent that it has, independently and without reliance upon the Collateral Agent or the Arranger or any other Lender, and based on such documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, operations, property, financial and other condition and creditworthiness of the Borrower and made its own decision to enter into this Loan Agreement. Each Lender also represents that it will, independently and without reliance upon the Collateral Agent, the Arranger or any other Lender, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Loan Agreement and the other Loan Documents, and to make such investigation as it deems necessary to inform itself as to the business, operations, property, financial and other condition and creditworthiness of the Borrower. Except for notices, reports and other documents expressly required to be furnished to the Lenders by the Collateral Agent hereunder, neither the Collateral Agent nor the Arranger shall have any duty or responsibility to provide any Lender with any credit or other information concerning the business, operations, property, condition (financial or otherwise), prospects or creditworthiness of the Borrower which may come into the possession of the Collateral Agent, the Arranger or any of their respective officers, directors, employees, agents, attorneys-in-fact or Affiliates.

Section 11.7. Indemnification. Other than with respect to indemnification provided to the Collateral Agent in accordance with **Section 11.4**, the Collateral Agent agrees to look solely to the Borrower under **Section 12**, and not to any other party hereto, for any claim for indemnification which may arise hereunder or under any other Loan Document.

Section 11.8. Collateral Agent in Its Individual Capacity. Each Lender acknowledges that Wells Fargo Bank Nevada, National Association, is acting as Collateral Agent hereunder. Wells Fargo Bank Nevada, National Association, and its Affiliates may make loans to, issue letters of credit for the account of, accept deposits from, acquire equity interests in and generally engage in any kind of banking, trust, financial advisory, underwriting or other business with the Borrower and its Affiliates as though it was not the Collateral Agent hereunder and under the other Loan Documents and without notice to or consent of the Lenders. Each Lender acknowledges that, pursuant to such activities, Wells Fargo Bank Nevada, National Association, or its Affiliates may receive information regarding the Borrower or its Affiliates (including information that may be subject to confidentiality obligations in favor of the Borrower or its Affiliates) and acknowledges that such Persons shall be under no obligation to provide such information to them.

Section 11.9. Successor Collateral Agent. The Collateral Agent may resign at any time by giving written notice thereof to the Lenders and the Borrower and may be removed at any time with or without cause by the Required Lenders. Upon any such resignation or removal, the Required Lenders, with the consent of the Borrower, such consent not to be unreasonably withheld, shall have the right to appoint a successor Collateral Agent. If no successor Collateral Agent shall have been so appointed by the Required Lenders, and shall have accepted such appointment, within sixty (60) days after the retiring Collateral Agent's giving of notice of resignation or the Required Lenders' removal of the retiring Collateral Agent, then the retiring Collateral Agent may, on behalf of the Lenders, appoint a successor Collateral Agent, which shall be a commercial bank described in clause (i) or (ii) of the definition of "Eligible Assignee" and having a combined capital and surplus of at least \$150,000,000. Upon the acceptance of any appointment as Collateral Agent hereunder by a successor Collateral Agent, such successor Collateral Agent shall thereupon succeed to and become vested with all the rights, powers, privileges and duties of the retiring Collateral Agent, and the retiring Collateral Agent shall be discharged from its duties and obligations under this Loan Agreement. After any retiring Collateral Agent's resignation or removal hereunder as Collateral Agent, the provisions of this **Section 11** shall inure to its benefit as to any actions taken or omitted to be taken by it while it was Collateral Agent under this Loan Agreement. Notwithstanding the foregoing if no Event of Default and no Default, shall have occurred and be continuing, then no successor Collateral Agent shall be appointed under this **Section 11.9** without the prior written consent of the Borrower, which consent shall not be unreasonably withheld or delayed.

Section 11.10. Action upon Instructions. Subject to the terms of **Sections 11.3, 11.4 and 11.7** and the Operative Documents, upon the written instructions at any time and from time to time of the Required Lenders (for any action not requiring the consent of all of the Lenders), Collateral Agent shall take such of the following actions as may be specific in such instructions:

- (a) give such notice or direction or exercise such right or power under this Loan Agreement or any other Loan Document as shall be specified in such instructions;
- (b) approve as satisfactory to it all matters required by the terms of any Loan Document to be satisfactory to Collateral Agent; and
- (c) any other action as specified by the Required Lenders.

SECTION 12. INDEMNITY.

Section 12.1. General Indemnification. Whether or not the transactions contemplated hereby are consummated, to the fullest extent permitted by any Requirements of Law, the Borrower hereby:

- (x) waives and releases any Claims now or hereafter existing against any Indemnitee on account of, and
- (y) assumes liability for and agrees to indemnify, protect, defend, save and keep harmless each Indemnitee on an after-tax basis (in accordance with **Section 12.3**) from and against, any and all Claims of every kind and nature whatsoever that may be imposed on, incurred by, or asserted against any Indemnitee, which are not caused by the gross negligence or willful misconduct (or negligence in the handling of funds by the Collateral Agent in such capacity) of the Indemnitee (*provided* that the indemnification provided under this **Section 12.1** shall specifically include matters based on or arising from the negligence of any Indemnitee), whether or not such Indemnitee shall also be indemnified as to any such Claim by any other Person and whether or not

such Claim arises or accrues prior to the Document Closing Date or after the Maturity Date, and which relates in any way to or arises in any way out of:

- (a) any of the Operative Documents or any of the transactions contemplated thereby, or any investigation, litigation or proceeding in connection therewith, and any amendment, modification or waiver in respect thereof;
- (b) the Collateral or any Part thereof or interest therein;
- (c) with respect to the Collateral or Part thereof, the acquisition, mortgaging, design, manufacture, re-manufacture, construction, preparation, installation, inspection, delivery, non-delivery, acceptance, rejection, purchase, ownership, possession, rental, lease, sublease, repossession, maintenance, repair, alteration, modification, addition or substitution, storage, titling or retitling, transfer of title, registration or re-registration, redelivery, use, operation, condition, financing, refinancing, sale, return or other application or disposition or the imposition of any Lien (or incurring of any liability to refund or pay over any amount as a result of any Lien) on any of the Collateral, including, without limitation,
 - (i) Claims or penalties arising from any violation of any Requirements of Law or in tort (strict liability or otherwise),
 - (ii) loss of or damage to the environment (including, without limitation, investigation costs, cleanup costs, response costs, remediation and removal costs, costs of corrective action, costs of financial assurance, and all other damages, costs, fees and expenses, fines and penalties, including natural resource damages), or death or injury to any Person, and any mitigative action required by or under Environmental Laws,
 - (iii) latent or other defects, whether or not discoverable, and
 - (iv) any Claim for patent, trademark or copyright infringement;
- (d) the sale or other disposition of the Collateral, including, without limitation, any disposition as a result of the exercise of remedies;
- (e) the offer, issuance, sale or delivery of the Notes in accordance with the Operative Documents;
- (f) the breach by the Borrower or a Guarantor of any representation or warranty made by it or deemed made by it in any Operative Document;
- (g) the transactions contemplated hereby or by any other Operative Document in respect of the application of Parts 4 and 5 of Subtitle B of Title I of ERISA and any Prohibited Transaction described in Section 4975(c) of the Code;
- (h) any Claims related to the release from the Collateral of any substance into the environment, including (without limitation) Claims arising out of the use of the Collateral for the transportation or storage of any Hazardous Substances;

(i) any Claims related to any Indemnitee being alleged to be an owner or operator of the Collateral or the land on which the Collateral is situated, in each case prior to taking possession thereof, under any Environmental Law;

(j) any failure on the part of the Borrower or any Guarantor to perform or comply with any of the terms of any Operative Document to which it is a party; or

(k) any other agreement entered into or assumed by the Borrower in connection with the Collateral.

63

It is expressly understood and agreed that this **Section 12.1** shall not apply to Claims in respect of:

(A) Taxes (such Claims being subject to **Section 12.2**), except with respect to (1) taxes or penalties included in Claims described in **clause (g)** above, and (2) any payment necessary to make payments under this **Section 12.1** in accordance with **Section 12.3**;

(B) as to an Indemnitee, Lender Liens which such Indemnitee is responsible for discharging under the Operative Documents;

(C) the gross negligence or willful misconduct of such Indemnitee or any Affiliate, agents, officers directors, servants or employees thereof; and

(D) the breach by an Indemnitee of any representation, warranty or covenant under any Operative Document.

Section 12.2. General Tax Indemnity.

(a) The Borrower shall pay, defend and indemnify and hold each Indemnitee harmless from any and all Taxes imposed on or with respect to or in connection with any Indemnitee, the Collateral or any Part thereof, any Operative Document, the Borrower or any lessee or user of the Collateral, howsoever imposed, including Taxes imposed:

provided, however, the indemnification obligation of this **Section 12.2(a)** shall not apply to Taxes (1) which are based upon or measured by the Indemnitee's net income or which are expressly in substitution for, or relieve Indemnitee from, any tax based upon or measured by Indemnitee's net income (including the United States backup withholding tax)(other than any State or local taxes imposed by means of withholding, taxes incurred solely as a result of the location of the Collateral, the operations, state of formation, or place of payment of the Borrower, and taxes necessary to pay the obligations under this paragraph on an after-tax basis); (2) characterized under local law as franchise, net worth, or shareholder's capital taxes; and (3) that are the U.S. withholding taxes under Sections 1441 or 1442 of the Code with respect to any payment to an Indemnitee that is not a U.S. Person as defined in Section 7701(a)(30) of the Code (a "Non-U.S. Indemnitee"). Notwithstanding the proviso of the preceding sentence of this **Section 12.2(a)**, the Borrower shall pay or reimburse, and indemnify and hold harmless, on an after-tax basis, any Non-U.S. Indemnitee (i) if such Non-U.S. Indemnitee, in

64

compliance with **Section 12.2(c)**, has established that it is entitled to receive payments pursuant to the Operative Documents without any such deduction or withholding, from any deduction or withholding of any U.S. federal income tax, or (ii) if such Non-U.S. Indemnitee, in compliance with **Section 12.2(c)**, has established that it is entitled to receive payments pursuant to the Operative Documents at a reduced rate of withholding, from any deduction or withholding of any United States federal income tax in excess of such reduced rate, or (iii) if such Non-U.S. Indemnitee, in compliance with **Section 12.2(c)** or otherwise, has validly established that it is a foreign person or a corporation thereby entitled to an exemption from United States backup withholding taxes, from such backup withholding taxes.

Payments to any Indemnitee under this **Section 12.2(a)** shall be made within ten (10) Business Days from the date such Indemnitee makes written demand therefor, which demand shall set forth in reasonable detail the basis and calculations of the amounts demanded. Any Indemnitee claiming any indemnity payment or additional amounts payable pursuant to this **Section 12.2(a)** shall use reasonable efforts to file any certificate or document reasonably requested in writing by the Borrower or the Collateral Agent if the making of such a filing would avoid the need for or reduce the amount of any such indemnity payment or the withholding amount that may thereafter accrue.

All of the indemnities contained in this **Section 12.2** shall continue in full force and effect notwithstanding the expiration or earlier termination of this Loan Agreement in whole or in part, including the termination of this Loan Agreement with respect to the Collateral, and are expressly made for the benefit of, and shall be enforceable by, each Indemnitee.

(b) The Borrower will, promptly upon learning thereof, notify the Collateral Agent and the Indemnitees of all reports or returns required to be made with respect to any Tax with respect to which the Borrower is required to indemnify hereunder, and will, if permitted by any Requirement of Law, file the same. If the Borrower is not permitted to so file, the Borrower shall prepare such reports or returns for signature by the Collateral Agent or the applicable Indemnitee and shall forward the same, together with immediately available funds for payment of any Tax due, to the Collateral Agent or such Indemnitee, no later than later of ten (10) Business Days in advance of the date such payment is to be made or five (5) Business Days upon learning of such filing requirement. The Borrower shall furnish the Collateral Agent or such Indemnitee with copies of all paid receipts or other appropriate evidence of payment for all Taxes paid by the Borrower pursuant to this **Section 12.2**.

(c) Each Non-U.S. Indemnitee shall deliver to the Borrower and the Collateral Agent two original copies of IRS Form W-8BEN or W-8ECI or successor applicable form or forms, properly and duly executed, establishing in either case that such Non-U.S. Indemnitee is entitled to receive payments pursuant to the this Loan Agreement without deduction or withholding of any U. S. federal income taxes (or at a reduced rate, if applicable) and is a foreign person or a corporation thereby entitled to an exemption from United States backup withholding taxes. Each such Non-U.S. Indemnitee covenants that (i) it will provide to the Borrower and the Collateral Agent a new IRS Form W-8BEN or W8-ECI and any such additional forms (or any successor form or forms) in accordance with applicable United States laws and regulations and amendments, duly executed and completed by such Non-U.S. Indemnitee on the expiration or obsolescence of any previously delivered forms or after the occurrence of any event requiring a change in the most recent forms delivered by it, in either case within ten (10) Business Days of receipt from the Borrower or the Collateral Agent of (1) written notice that the existing forms are to expire or become obsolete, (2) the appropriate new forms, and (ii) it will otherwise comply from time to time with all applicable United States laws and regulations with regard to such withholding tax exemption or entitlement to reduced rate withholding.

(d) If any Indemnitee receives a refund of any Tax for which a payment has been made by the Borrower or the Collateral Agent pursuant to this **Section 12.2**, which refund in the good faith judgment of such Indemnitee is attributable to such payment made by the Borrower or Collateral

65

Agent, then such Indemnitee shall reimburse the Borrower or Collateral Agent for such amount as such Indemnitee determines in good faith to be the proportion of the refund as will leave it, after such reimbursement, in the same position it would have been in if the payment of such Tax and any payment by the Borrower or a Collateral Agent under this **Section 12.2** had not been made. Subject to this **Section 12.2(d)**, upon the reasonable request of the Borrower or Collateral Agent, the Indemnitee shall use reasonable efforts to cooperate with the Borrower or a Collateral Agent with a view to obtaining a refund of any Taxes with respect to which the Borrower or a Collateral Agent has paid any amounts pursuant to this **Section 12.2** and which the Borrower or the Collateral Agent, on advice of counsel, reasonably believes were not correctly or legally asserted by the relevant Governmental Authority.

(e) If any Taxes that are imposed on the Indemnitee and excluded from the indemnification provided for under **Section 12.2(a)** are required by any Governmental Authority to be paid (other than through withholding from payments made to the affected Indemnitee) by the Borrower, then the Borrower shall provide notice to the affected Indemnitee within a reasonable time after paying such amounts, together with an explanation in reasonable detail explaining the nature and circumstances of such payment. Within a reasonable time after receipt thereof, the affected Indemnitee shall reimburse the Borrower for any payment of such Taxes, on an after-tax basis in accordance with principles set forth in **Section 12.3** taking into account any deduction, credits or other Tax benefits available to Borrower on its payment of the Taxes.

Section 12.3. Gross Up. To the extent an Indemnitee shall not be entitled to a corresponding and equal deduction or credit with respect to any payment or Tax which Borrower is required to pay or reimburse under any other provision of this **Section 12** (each such payment or reimbursement under this **Section 12**, an "Original Payment") and which Original Payment constitutes income to such Indemnitee, then the Borrower shall pay to such Indemnitee on demand the amount of such Original Payment on a grossed-up basis such that, after subtracting all Taxes imposed on such Indemnitee with respect to such Original Payment (including any Taxes otherwise excluded from the indemnification provided under **Section 12.2** and assuming for this purpose that such Indemnitee were subject to taxation at the highest Federal, state or local marginal rates applicable to widely held corporations for the year in which such income is taxable), such payments shall be equal to the Original Payment to be received (net of any credits, deductions or other Tax benefits then actually recognized that arise from the payment by such Indemnitee of any amount, including Taxes, for which the payment to be received is made).

Section 12.4. Increased Capital Costs. If any change in, or the introduction, adoption, effectiveness, interpretation, reinterpretation or phase-in of, any law or regulation, directive, guideline, decision or request (whether or not having the force of law) of any court, central bank regulator or other Governmental Authority affects or would affect the amount of capital required or expected to be maintained by any Lender directly or by its parent company (including, without limitation, any reserve requirements specified under regulations issued from time to time by the Board and then applicable to assets or liabilities consisting of and including "Eurocurrency Liabilities" as defined in Regulation D of such Board) as determined by such Lender (in its sole and absolute discretion), then, in any such case, upon written notification from time to time by such Lender to the Borrower, the Borrower shall, within five (5) Business Days following receipt of the statement referred to in the next sentence, pay directly to such Lender, as Supplemental Payment, additional amounts sufficient to compensate such Lender or its parent for such increased cost to such Lender (subject to **Section 12.3**). A statement of a Lender as to any such additional amount or amounts (including calculations thereof in reasonable detail) shall, in the absence of manifest error, be conclusive and binding on the Borrower. In determining such amount, each Lender shall use any method of averaging or attribution that it (in its reasonable discretion) shall deem applicable. Notwithstanding any provision of this **Section 12.4** to the contrary, no amount shall be payable by the Borrower with respect to any such increased costs or reduced returns incurred more

66

than 180 days before the date such Lender first notifies the Borrower of its intention to demand compensation under this **Section 12.4**.

Section 12.5. Environmental Indemnity. Without limitation of the other provisions of this **Section 12**, the Borrower hereby agrees to indemnify, hold harmless and defend each Indemnitee from and against any and all claims, losses, damages, liabilities, fines, penalties, charges, administrative and judicial proceedings (including informal proceedings) and orders, judgments, remedial action, requirements, enforcement actions of any kind, and all reasonable and documented costs and expenses incurred in connection therewith (including reasonable and documented attorneys', expert consultants', expert witnesses', and/or paralegals' fees and expenses), including all costs incurred in connection with any investigation or monitoring of the condition of the Collateral and/or Site or any clean-up, remedial, removal or restoration work by any Governmental Authority (collectively, "Environmental Claims"), arising in whole or in part, out of:

(a) the presence on, under or around the Collateral and/or Site or any portion thereof of any Hazardous Substances, or any releases or discharges of any Hazardous Substances on, under, from, onto or around the Collateral and/or Site or any portion thereof;

(b) any activity, including, without limitation, construction carried on or undertaken on or off the Collateral and/or Site or any portion thereof, and whether by the Borrower or any of its Affiliates or any predecessor in title or any employees, agents, sublessees, contractors or subcontractors of the Borrower, any of its Affiliates or any predecessor in title, or any other Persons (including such Indemnitee), in connection with the handling, treatment, removal, storage, decontamination, clean-up, transport or disposal of any Hazardous Substances that at any time are located or present on, under or around, or that at any time migrate, flow, percolate, diffuse or in any way move onto or under the Collateral and/or Site or any portion thereof;

(c) loss of or damage to any property or the environment arising from, or in any way related to, the Collateral and/or Site or the Borrower or any of its Affiliates (including, without limitation, clean-up costs, response costs, remediation and removal costs, cost of corrective action, costs of financial assurance, fines and penalties and natural resource damages), or death or injury to any Person, and all expenses associated with the protection of wildlife, aquatic species, vegetation, flora and fauna, and any mitigative action required by or under Environmental Laws, in each case arising from, or in any way related to, the Collateral and/or Site, the Borrower or the transactions contemplated by the Operative Documents or any portion thereof;

(d) any claim concerning lack of compliance with Environmental Laws in connection with the Collateral and/or Site (including, without limitation, any claim arising from the failure or alleged failure to obtain or comply with any permit required by any Environmental Laws for the construction or operation of the Collateral and/or Site), or any act or omission causing an environmental condition that requires remediation or would allow any Governmental Authority to record a Lien against the Collateral and/or Site or any portion thereof; or

(e) any residual contamination on or under any of the Collateral and/or Site, or adversely affecting any natural resources, and any contamination of any property or natural resources arising in connection with the generation, use, handling, storage, transport or disposal of any such Hazardous Substances, in each case arising from, or in any way related to, the Collateral and/or Site, the Borrower or the transactions contemplated by the Operative Documents or any portion thereof, and irrespective of whether any of such activities were or will be undertaken in accordance with all Requirements of Law.

Section 12.6. Eurodollar Rate Illegal, Unavailable or Impracticable. If any Lender shall determine in good faith (which determination shall, upon notice thereof to Collateral Agent and the Borrower, be conclusive and binding on the Borrower) that:

67

(a) a change in law makes it unlawful, or the central bank or other Governmental Authority asserts that it is unlawful, for such Lender to make, continue or maintain any amount of such Lender's investment hereunder on a Eurodollar Rate basis,

(b) deposits in Dollars (in the applicable amounts) are not being offered to such Lender in the relevant market for the applicable Interest Period, or that by reason of circumstances affecting the interbank eurodollar market adequate and reasonable means do not exist for ascertaining the applicable Eurodollar Rate, or

(c) the Eurodollar Rate, as determined by such Lender, will not adequately and fairly reflect the cost to such Lender of maintaining or funding its investments for the applicable Interest Period, or that the making or funding of such Lender's investment hereunder on a Eurodollar Rate basis has become impracticable as a result of an event occurring after the date of this Loan Agreement which in the opinion of such Lender materially changes such investment,

then the obligations of such Lender to make, continue or maintain any such investment shall, upon such determination, forthwith be suspended until such Lender shall notify Collateral Agent and the Borrower that such circumstances no longer exist, and all Interest allocable to such Lender shall automatically be determined on a Base Rate basis beginning on the next immediately succeeding Payment Date with respect thereto or sooner, if required by such law, assertion or determination. In the event of the occurrence of the conditions described in **clause (c)** above, no Applicable Administrative Charge shall be assessed against any of the Loan Parties.

Section 12.7. Funding Losses. The Borrower agrees to reimburse any Lender for any loss or expense incurred as a result of (i) the failure of the transaction contemplated hereby to occur on the Document Closing Date or (ii) any payment of all or any portion of the Loan Balance for any reason on a date other than a Payment Date. Any affected Lender shall promptly notify the Borrower in writing of the amount of any claim under this **Section 12.7**, the reason or reasons therefor and the additional amount required fully to compensate such Lender for such loss or expense. Such written notice (which shall include calculations in reasonable detail) shall, in the absence of manifest error, be conclusive and binding on the Borrower.

Section 12.8. Actions of Lenders. Each Lender shall use reasonable efforts (including reasonable efforts to change the booking office for this transaction) to avoid or minimize any amounts which might otherwise be payable pursuant to **Sections 12.3 and 12.4**; *provided, however*, that such efforts shall not be deemed by such Lender, in its sole discretion, to be disadvantageous to it.

SECTION 13. GENERAL CONDITIONS.

Section 13.1. Payment of Transaction Costs and Other Costs. If the transactions contemplated hereby are consummated, the Borrower shall pay all Transaction Costs and all Fees in accordance with **Section 2.7** and Section 3.1 of the Disbursement Agreement (or upon such later date as agreed to by the Lenders), and in the event the transactions contemplated hereby do not close, the Borrower shall pay such Transaction Costs promptly upon receipt of invoices therefor. In addition, the Borrower shall pay or reimburse Collateral Agent, Trust Company, Arrangers and the Lenders for all other Transaction Costs and Fees and all other out-of-pocket costs and expenses (including reasonable attorneys fees) reasonably incurred in connection with: (a) entering into, or the giving or withholding of, any future amendments, supplements, waivers or consents with respect to the Operative Documents; (b) any Casualty or termination of this Loan Agreement or any other Operative Document; (c) the negotiation and documentation of any restructuring or "workout", whether or not consummated, of any Operative Document; (d) the enforcement of the rights or remedies under the Operative Documents; (e) further assurances requested pursuant to any Operative Documents; (f) any transfer by Collateral Agent or a Lender of any interest in the Operative Documents during the continuance of an Event of

68

Default or pursuant to the syndication of the Notes by the Arrangers; and (g) the ongoing fees and expenses of Collateral Agent and Trust Company under the Operative Documents.

Section 13.2. Effect of Waiver. No delay or omission to exercise any right, power or remedy accruing to Collateral Agent or any Lender upon any breach or default of the Borrower hereunder shall impair any such right, power or remedy nor shall it be construed to be a waiver of any such breach or default, or an acquiescence therein or of or in any similar breach or default thereafter occurring, nor shall any single or partial exercise of any right, power or remedy preclude other or further exercise thereof, or the exercise of any other right, power or remedy, nor shall any waiver of any single breach or default be deemed a waiver of any other breach or default theretofore or thereafter occurring. Any waiver, permit, consent or approval of any kind or character on the part of the Lenders or Collateral Agent of any breach or default under this Loan Agreement must be specifically set forth in writing and must satisfy the requirements set forth in **Section 13.5** with respect to approval by the Lenders and Collateral Agent.

Section 13.3. Survival of Covenant. All representations, warranties and covenants of the Borrower under **Sections 2, 3** and **5.1** shall survive the expiration or termination of this Loan Agreement to the extent arising prior to any such expiration or termination.

Section 13.4. Applicable Law. **THIS LOAN AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED UNDER THE LAWS OF NEW YORK WITHOUT REGARD TO CONFLICT OF LAW PRINCIPLES (OTHER THAN TITLE 14 OF ARTICLE V OF THE NEW YORK GENERAL OBLIGATIONS LAW).**

Section 13.5. Effect and Modification.

(a) This Loan Agreement and the other Loan Documents exclusively and completely state the rights of the Lenders and the Borrower with respect to the Loans and the Collateral and supersedes all prior agreements, oral or written, with respect thereto. No Loan Document nor any of the terms thereof may be terminated, amended, supplemented, waived or modified without the written agreement or consent of Collateral Agent, the Borrower and the Required Lenders, and in the case of the FF&E Guaranty, or any definition used therein, the Guarantors affected thereby; *provided, however*, that **Sections 13.1** and **13.16** hereof may not be terminated, amended, supplemented, waived or modified without the written agreement or consent of the Arrangers; and *provided, further*, that any termination, amendment, supplement, waiver or modification shall require the written agreement or consent of each Lender if such termination, amendment, supplement, waiver or modification would:

(i) modify any of the provisions of this **Section 13.5**, change the definition of "Required Lenders" or modify or waive any provision of a Loan Document requiring action by each Lender;

(ii) amend, modify, waive or supplement any of the provisions of **Section 3.2, 3.3, 3.4, 3.5** or **3.8** of this Loan Agreement;

(iii) reduce, modify, amend or waive any Fees or indemnities in favor of any Lender (other than increases thereof), including without limitation amounts payable pursuant to **Section 12** (except that any Person may consent to any reduction, modification, amendment or waiver of any indemnity payable to it);

69

(iv) modify (other than increases thereof), postpone, reduce or forgive, in whole or in part, any payment of principal or Interest (other than pursuant to the terms of the Loan Documents), or any Loan, Loan Balance or Commitment Fee (except that any Person may consent to any modification, postponement, reduction or forgiveness of any payment of any Fee payable to it) or, subject to **clause (iii)** above, any other amount payable to it under this Loan Agreement, or modify the definition or method of calculation of Interest (other than pursuant to the terms of the Loan Documents), Loans, Loan Balances, Commitment, Aggregate Commitment Amount (other than as permitted by **Section 7.5(p)(iii)(B)(2)**), Maturity Date, Commitment Period, Interest Rate Applicable Lender Margin or any other definition which would affect the amounts to be advanced or which are payable under the Loan Documents or extend, modify or amend the Loan Term;

(v) release of any Lien granted by the Borrower, the Aircraft Trustee or World Travel under the Loan Documents or release the FF&E Guaranty or the Wynn Resorts FF&E Guaranty, except as provided in the Loan Documents or consent to the Collateral Agent's actions pursuant to Section 3.1.2 of the FF&E Intercreditor Agreement; or

(vi) subject to **Section 7.5(p)(iii)(B)(2)**, increase the Commitment of any Lender or subject such Lender to additional obligations.

Notwithstanding the foregoing, neither the FF&E Guaranty, the Wynn Resorts FF&E Guaranty nor any of the terms thereof may be amended, modified or waived, unless such amendment, modification or waiver is in writing entered into by, or approved in writing by the Required Lenders, the Collateral Agent and the Guarantors.

(b) The Borrower will not directly or indirectly pay or cause to be paid any remuneration, whether by way of supplemental or additional interest, fee or otherwise, or grant any security, to any Lender as consideration for or as an inducement to the entering into by any Lender of any waiver or amendment of any of the terms and provisions hereof unless such remuneration is concurrently paid, or security is concurrently granted, on the same terms, ratably to each Lender then outstanding even if such Lender did not consent to such waiver or amendment.

Section 13.6. Notices. All demands, notices and other communications hereunder shall be in writing and shall be deemed to have been duly given when personally delivered or one Business Day after being sent by overnight delivery service or three days after being deposited in the mail, certified mail postage prepaid, or when sent by facsimile transmission, if confirmed by mechanical confirmation and if a copy thereof is promptly thereafter personally delivered, sent by overnight delivery service or so deposited in the mail, addressed to: (A) the Borrower, a Guarantor or Collateral Agent at the address set forth below, or at such other address as may hereafter be furnished in accordance with this **Section 13.6** by either party to the other and (B) each Lender at its address set forth in **Schedule IB**:

Section 13.7. Consideration for Consents to Waivers and Amendments. The Borrower hereby agrees that it will not, and that it will not permit any of its Affiliates to, offer or give any consideration or benefit of any kind whatsoever to Collateral Agent or any Lender in connection with, in exchange for, or as an inducement to, Collateral Agent or such Lender's consent to any waiver in respect of, any modification or amendment of, any supplement to, or any other consent or approval under, any Loan Document unless such consideration or benefit is offered ratably to all Lenders.

Section 13.8. Severability. Whenever possible, each provision of this Loan Agreement shall be interpreted in such manner as to be effective and valid under any Requirements of Law; but if any provision of this Loan Agreement shall be prohibited by or invalid under any Requirements of Law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Loan Agreement.

Section 13.9. Successors and Assigns. This Loan Agreement shall be binding upon the parties hereto and their respective successors and assigns and shall inure to the benefit of the parties hereto and their respective successors and permitted assigns.

Section 13.10. No Third-Party Beneficiaries. Other than as set forth in **Section 13.16**, nothing in this Loan Agreement or the other Loan Documents shall be deemed to create any right in any Person not a party hereto or thereto (other than the permitted successors and assigns of Lenders and the Borrower), and such agreements shall not be construed in any respect to be a contract in whole or in part for the benefit of any third party except as aforesaid.

Section 13.11. Brokers. None of the parties has engaged or authorized any broker, finder, investment banker or other third party to act on its behalf, directly or indirectly, as a broker, finder, investment banker, agent or any other like capacity in connection with this Loan Agreement or the transactions contemplated hereby, except that the Borrower has engaged Arrangers pursuant to the Arrangement Fee Letter.

Section 13.12. Captions; Table of Contents. Section captions and the table of contents used in this Loan Agreement (including the Schedules, Exhibits and Annexes hereto) are for convenience of reference only and shall not affect the construction of this Loan Agreement.

Section 13.13. Schedules and Exhibits. The Schedules, Annexes and Exhibits hereto, along with all attachments referenced in any of such items are incorporated herein by reference and made a part hereof.

Section 13.14. Submission to Jurisdiction. Any suit by Collateral Agent or any Lender to enforce any claim arising out of the Loan Documents may be brought in any state or Federal court located in New York having subject matter jurisdiction, and with respect to any such claim, each party to this Loan Agreement hereby irrevocably: (a) submits to the jurisdiction of such courts; (b) consents to the service of process out of said courts in the manner provided for notices in **Section 13.6**; and (c) the Borrower hereby (i) irrevocably appoints CT Corporation System, with an address on date hereof at 111 Eighth Avenue, 13th Floor, New York, New York 10011 (the "New York Process Agent"), as process agent in its name, place and stead to receive and forward service of any and all writs, summonses and other legal process in any suit, action or proceeding brought in the State of New York, (ii) agrees that such service in any such suit, action or proceeding may be made upon the New York Process Agent and (iii) agrees to take all such action as may be necessary to continue said appointment in full force and effect or to appoint another agent so that the Borrower will at all times have an agent in the State of New York for service of process for the above

purposes. The Borrower irrevocably waives, to the fullest extent permitted by law: (A) any claim, or any objection, that it now or hereafter may have, that venue is not proper with respect to any such suit, action or proceeding brought in such a court located in New York including, without limitation, any claim that any such suit, action or proceeding brought in such court has been brought in an inconvenient forum; and (B) any claim that the Borrower is not subject to personal jurisdiction or service of process in such forum. The Borrower agrees that any suit to enforce any claim arising out of the Loan Documents or any course of conduct or dealing of Collateral Agent or any Lender shall be brought and maintained exclusively in any state or Federal court located in New York. Nothing in this **Section 13.14** shall affect the right of Collateral Agent or any Lender to bring any action or proceeding against Borrower or the Collateral in the courts of any other jurisdiction. The Borrower agrees that a final judgment in any action or proceeding in a state or Federal court within the United States may be enforced in any other jurisdiction by suit on the judgment or in any other manner provided by law.

Section 13.15. Jury Trial. The Borrower, each Lender and Collateral Agent waives any right to a trial by jury in any action or proceeding to enforce or defend any rights under this Loan Agreement or any other Loan Document or under any amendment, instrument, document or agreement delivered or which may in the future be delivered in connection herewith or therewith or arising from any relationship existing in connection with this Loan Agreement or any other Loan Document and agrees that any such action or proceeding shall be tried before a court and not before a jury.

Section 13.16. Role of Banc of America Leasing & Capital, LLC and Deutsche Bank Securities Inc. Each party hereto acknowledges hereby that it is aware of the fact that Banc of America Leasing & Capital, LLC and Deutsche Bank Securities Inc. have acted and are acting as "joint arrangers" with respect to the overall transaction. The parties hereto acknowledge and agree that the Arrangers and their respective Affiliates, including each of Bank of America and Deutsche Bank, have not made any representations or warranties concerning, and that they have not relied upon the Arrangers as to, the tax, accounting or legal characterization or validity of (i) the Loan Documents or (ii) any aspect of the overall transaction. The parties hereto acknowledge and agree that the Arrangers have no duties, express or implied, under the Loan Documents in their capacity as Arrangers. The parties hereto further agree that **Section 13.1**, **Section 13.11** and this **Section 13.16** are for the express benefit of the Arrangers, and each of the Arrangers shall be entitled to rely thereon as if it were a party hereto.

72

Section 13.17. Confidentiality. Subject to **Section 13.18**, each of the Lenders agrees to keep confidential all non-public information provided to it by any Loan Party pursuant to this Loan Agreement that is designated by such Loan Party as confidential; *provided*, that nothing herein shall prevent any Lender from disclosing any such information (a) to any Arranger, any other Lender or any affiliate of any thereof, (b) to any Participant or assignee (each, a "Transferee") or prospective Transferee that agrees to comply with the provisions of this Section, (c) to any of its or its Affiliates' employees, directors, agents, auditors, regulators, attorneys, accountants and other professional advisors, (d) to any financial institution that is a direct or indirect contractual counterparty in swap agreements or such contractual counterparty's professional advisor (so long as such contractual counterparty or professional advisor to such contractual counterparty agrees to be bound by the provisions of this Section), (e) upon the request or demand of any Governmental Authority having jurisdiction over it, (f) in response to any order of any court or other Governmental Authority or as may otherwise be required pursuant to any Requirement of Law, (g) if requested or required to do so in connection with any litigation or similar proceeding, (h) that has been publicly disclosed other than in breach of this Section, (i) to the National Association of Insurance Commissioners or any similar organization or any nationally recognized rating agency that requires access to information about a Lender's investment portfolio in connection with ratings issued with respect to such Lender or (j) in connection with the exercise of any remedy hereunder or under any other Loan Document.

Section 13.18. Gaming Authorities. Each Lender agrees to cooperate with the Gaming Authorities of Nevada in connection with the administration of their regulatory jurisdiction over Wynn Resorts, the Borrower and the other Loan Parties, including, without limitation, to the extent not inconsistent with the internal policies of such Lender and any applicable legal or regulatory restrictions, the provision of such documents or other information as may be requested by any such Gaming Authorities relating to any of the Lenders, Wynn Resorts or the Borrower or any other Loan Party, or to the Loan Documents. Notwithstanding any other provision of this Loan Agreement, the Borrower expressly authorizes, and will cause each other Loan Party to authorize, each Lender to cooperate with the Gaming Authorities of Nevada as described above.

Section 13.19. Trust Agreement. Notwithstanding anything to the contrary in this Loan Agreement, each party hereto acknowledges that this Loan Agreement shall not impair, postpone, waive or otherwise affect any of the rights of the Aircraft Trustee pursuant to the Aircraft Trust Agreement.

Section 13.20. Accounting Changes. In the event that any "Accounting Change" (as defined below) shall occur and such change results in a change in the method of calculation of financial covenants, standards or terms in this Loan Agreement, then the Borrower and the Lenders agree to enter into negotiations in order to amend such provisions of this Loan Agreement so as to equitably reflect such Accounting Changes with the desired result that the criteria for evaluating the Borrower's and the other Loan Parties' financial condition (including the requirements and restrictions associated with the provisions of this Loan Agreement applicable thereto) shall be the same after such Accounting Changes as if such Accounting Changes had not been made. Until such time as such an amendment shall have been executed and delivered by the Borrower, the Collateral Agent and the Required Lenders, all financial covenants, standards and terms in this Loan Agreement shall continue to be calculated or construed as if such Accounting Changes had not occurred. "Accounting Changes" refers to changes in accounting principles required or permitted by the promulgation of any rule, regulation, pronouncement or opinion by the Financial Accounting Standards Board of the American Institute of Certified Public Accountants or, if applicable, the SEC.

Section 13.21. Disclosure. Other than as required for public disclosure to Governmental Authorities, the Loan Parties agree that neither the Loan Parties nor any of their agents or Affiliates will publicly disclose via advertising or other means the involvement of the Lenders in this transaction at any time.

(a) keep, repair, maintain and preserve the Borrower Collateral in good order and operating condition and repair as existing on the Advance Date to which such Borrower Collateral relates, ordinary wear and tear excepted, and in conformance with (i) prudent industry maintenance and repair standards, (ii) such maintenance and repair standards used by the Borrower or any of its Affiliates for similar property owned or leased by it, and (iii) all material Requirements of Law and Insurance Requirements, and in the event that any Requirement of Law requires any alteration, replacement or addition of or to any Part of the Borrower Collateral, the Borrower will conform therewith at its own expense;

(b) (i) conduct all scheduled maintenance of the Borrower Collateral in conformity with the Borrower's and its Affiliates' past practices, and prudent industry maintenance and repair standards, (including, without limitation, the Borrower's and its Affiliates' maintenance program for such equipment) and (ii) maintain such Borrower Collateral so as to preserve its remaining economic useful life, utility and residual value; and

(c) cause the Borrower Collateral to continue to have at all times the capacity and functional ability to perform, on a continuing basis (subject to normal interruption in the ordinary course of business for maintenance, inspection, service, repair and testing) and in commercial operation, the functions for which it was specifically designed, other than any Casualty pursuant to which the Borrower has paid the Casualty Amount or is rebuilding the affected portion of the Borrower Collateral pursuant to Section 8.1 of the Loan Agreement.

The Borrower shall prepare and deliver to Collateral Agent and the Lenders within 30 Business Days prior to the required date of filing (or, to the extent permissible, file on behalf of Collateral Agent and the Lenders) any and all material reports to be filed by Collateral Agent or any Lender with any Governmental Authority by reason of the security interest of the Collateral Agent or any Lender in the Borrower Collateral. Each Lender agrees to inform promptly the Borrower of any request for such reports received by it. The Borrower shall maintain or cause to be maintained, all records, logs and other materials required by any Governmental Authority having jurisdiction over the Borrower Collateral. Subject to the provisions of Section 13.17 of the Loan Agreement and applicable Gaming Laws, the Borrower shall permit Collateral Agent and each Lender to inspect, during normal business hours and upon notice within 5 Business Days, the Borrower Collateral and any and all records, logs and other materials maintained by the Borrower or any of its Affiliates in respect of the Borrower Collateral; *provided* that from and after the occurrence of a Security Agreement Event of Default, all

costs and expenses of Collateral Agent or any Lender in connection with such inspection shall be borne by the Borrower. The Borrower hereby waives any right now or hereafter conferred by law to make repairs on the Borrower Collateral at the expense of Collateral Agent or any Lender.

Section 4.4. Alterations, Modifications, etc. In case the Borrower Collateral, or any item of equipment, part or appliance therein (each, a "Part") is required to be altered, added to, replaced or modified in order to comply with any Requirements of Law (a "Required Alteration") pursuant to **Section 4.1** or **4.3** hereof, the Borrower agrees to make such Required Alteration at its own expense. The Borrower shall have the right to make any modification, alteration or improvement to the Borrower Collateral (herein referred to as a "Permitted Modification"), or to remove any Part which has become worn out, broken or obsolete, *provided* in each case that the Borrower continues to be in compliance with **Sections 4.1** and **4.3** hereof and that such action will not materially decrease the economic value of the Borrower Collateral or impair its originally intended use or function or decrease its economic useful life and in any event, will not decrease the Fair Market Value of the Borrower Collateral throughout the Loan Term. In the event any Permitted Modification (i) is readily removable without impairing the value or use which the Borrower Collateral would have had at such time had such Part not been affixed or placed to or on such Borrower Collateral (a "Removable Part"), (ii) is not a Required Alteration and (iii) is not a Part which replaces any Part originally incorporated or installed in or attached to such Borrower Collateral on the date on which such Borrower Collateral became subject to this Security Agreement, or any Part in replacement of or substitution for any such original Part (each an "Original Part"), any such Permitted Modification, if no Security Agreement Event of Default is continuing, shall be and remain the property of the Borrower that is not subject to the Lien of this Security Agreement and may be removed by the Borrower (a "Borrower Part"). To the extent such Permitted Modification is not a Removable Part, or is a Required Alteration or an Original Part, and, to the extent a Removable Part is not the property of the Borrower that is not subject to the Lien of this Security Agreement because of the continuance of a Security Agreement Event of Default, the same shall immediately and automatically be and become subject to the Lien of this Security Agreement. Any Required Alterations, and any Parts installed or replacements made by the Borrower upon any Borrower Collateral pursuant to its obligation to maintain and keep the Borrower Collateral in good order, operating condition and repair under **Section 4.3** (collectively, "Replacement Parts") and all other Parts which become the property of the Borrower shall be considered, in each case, accessions to such Borrower Collateral and a security interest therein shall be immediately and automatically vested in Collateral Agent for the benefit of the Lenders. All Replacement Parts shall be free and clear of all Liens (other than Permitted Liens) and shall be in as good an operating condition as, and shall have a value and utility at least equal to, the Parts replaced, assuming such replaced Parts and the Borrower Collateral were immediately prior to such replacement or the event or events necessitating such replacement in the condition and repair required to be maintained by the terms hereof. Any Part at any time removed from any of the Borrower Collateral shall remain subject to the interests of Collateral Agent and the Lenders under the Loan Documents, no matter where located, until such time as such Part shall be replaced by a Part which has been incorporated or installed in or attached to such Borrower Collateral and which meets the requirements for a Replacement Part specified above. No later than 30 days after the end of each fiscal quarter of the Borrower, the Borrower shall deliver to Collateral Agent for the benefit of the Lenders, a Borrower Security Agreement Supplement evidencing the grant by the Borrower of a security interest in such Replacement Part to Collateral Agent for the benefit of the Lenders, for each Replacement Part not previously evidenced by a Borrower Security Agreement Supplement and such other documents in respect of such Part or Parts and to the extent, as Collateral Agent may reasonably request in order to confirm that a security interest to such Part or Parts has passed to Collateral Agent for the benefit of the Lenders, as hereinabove provided. Any such Replacement Part, regardless of whether evidenced by a Borrower Security Agreement Supplement, shall become subject to this Security Agreement and shall be deemed part of the Borrower Collateral, for all purposes thereof to the same extent as the Parts originally

incorporated or installed in the Borrower Collateral, and a security interest to such Replacement Part shall thereupon vest in the Collateral Agent. All replacements pursuant to this **Section 4.4** shall be purchased by the Borrower with its own funds. There shall be no obligation on the part of any Lender to pay for or otherwise finance any such replacement.

Section 4.5. Identifying Numbers and Registration; Legend; Changes; Inspection. (a) The Borrower, at its own expense, will cause each Item of Gaming Equipment to be kept numbered with the identification number as shall be set forth on Schedule A to the applicable Security Agreement Supplement.

(b) The Borrower will not change the identification number of any Item of Equipment unless and until (i) a statement of new number or numbers to be substituted therefor shall have been delivered to the Collateral Agent and filed, recorded and deposited by the Borrower in all public offices where the Security Agreement shall have been filed, recorded and deposited or any financing statement has been filed in respect thereof and (ii) the Borrower shall have furnished the Collateral Agent an opinion of counsel in form and substance reasonably satisfactory to the Required Lenders to the effect that such statement has been so filed, recorded and deposited and that no other filing, recording, deposit or giving of notice with or to any other Federal, state or local government or agency thereof is necessary to perfect the rights and interests of the Collateral Agent in such Items of Equipment. The Equipment may be lettered with the names or initials or other insignia used by the Borrower or any lessee. Upon the request of Collateral Agent and subject to applicable Gaming Laws, the Borrower shall make the Items of Equipment available to Collateral Agent, its agents, representatives or assignees for inspection at their then location and shall also make the Borrower's books, manuals, logs, records and other information pertaining to the Items of Equipment available for inspection and permit such parties to make copies thereof, in each case, upon reasonable notice, at any time during regular business hours and as often as requested (but not so as to materially interfere with the business of the Borrower), *provided* that all costs and expenses of Collateral Agent in connection with such inspection shall be borne by the inspecting party unless a Security Agreement Event of Default has occurred and is continuing at the time of such inspection, in which case all such costs and expenses shall be borne by the Borrower.

Section 4.6. Liens. The Borrower will not directly or indirectly create, incur, assume or suffer to exist any Lien (other than Permitted Liens) on or with respect to the Borrower Collateral or any Part thereof. The Borrower, at its own expense, will promptly pay, satisfy and otherwise take such actions as may be necessary to keep the Borrower Collateral free and clear of, and to duly discharge or eliminate or bond in a manner satisfactory to Required Lenders, any such Lien not excepted above if the same shall arise at any time. The Borrower will notify Collateral Agent and each Lender in writing within 5 Business Days upon becoming aware of any Tax or other Lien (other than any Lien excepted above) that shall attach to the Borrower Collateral, and of the full particulars thereof. Without limiting the foregoing, the Borrower shall not assign or pledge any of its rights under any Lease to any Person other than Collateral Agent for the benefit of the Lenders.

Section 4.7. Replacements and Substitutions. (a) In addition to the rights of the Borrower under **Section 4.4**, the Borrower shall have the option at any time to replace any Item or Items of Equipment (a "Replaced Item" or "Replaced Items") with a substitute Item or Items of Equipment (a "Substitute Item" or "Substitute Items"), subject to the following conditions:

- (i) no Security Agreement Event of Default shall have occurred and be continuing;
- (ii) with respect to Gaming Equipment, the Substitute Item or Substitute Items shall be located at the Project;
- (iii) the Substitute Item or Substitute Items shall be the same general type, year of construction (or a later year of construction), useful life, function, utility, state of repair and

operating condition as the portion of the Replaced Item or Replaced Items, must have a Fair Market Value of not less than the Fair Market Value of the Replaced Item or Replaced Items and be free and clear of any Liens other than Permitted Liens assets, as described in the Appraisal delivered pursuant to **Section 6.17** of the Loan Agreement;

(iv) the Collateral Agent shall have received a certificate from the Administrative Agent confirming that such substitution complies with the terms of the Wynn Credit Agreement; and

(v) prior to the date of any such substitution, the Borrower shall replace such Replaced Item or Replaced Items by complying with the terms of Section 8.1 of the Loan Agreement to the same extent as if a Casualty or a series of Casualties had occurred with respect to such Replaced Item or Replaced Items, and the Collateral Agent shall release its Lien on the Replaced Item or Replaced Items in the same manner as provided in said Section 8.1 of the Loan Agreement.

(b) All replacements pursuant to **Section 4.7(a)** shall be purchased by the Borrower with its own funds. There shall be no obligation on the part of the Collateral Agent or any Lender to pay for or otherwise finance any such replacement. No termination of this Security Agreement with respect to any Item of Equipment as contemplated by this **Section 4.7** shall result in any reduction of the Borrower's obligation to pay the Loan Balance or any Interest thereon.

SECTION 5. CERTIFICATE, SCHEDULES AND REPORTS.

The Borrower will from time to time, as the Collateral Agent or any Lender may reasonably request, deliver to the Collateral Agent and the Lenders such schedules, certificates and reports respecting all or any of the Borrower Collateral at the time subject to the security interest hereunder, and the items or amounts received by the Borrower in full or partial payment or otherwise as proceeds of any of the Borrower Collateral, all to such extent as the Collateral Agent may request. Any such schedule, certificate or report shall be executed by a duly authorized officer of Borrower and shall be in such form and detail as the Collateral Agent, at the direction of the Required Lenders, may reasonably specify.

SECTION 6. ADDITIONAL AGREEMENTS OF BORROWER.

The Borrower agrees, that, until all of the Liabilities are paid in full, the Borrower will perform and fulfill each of the following agreements:

(a) The Borrower (1) hereby authorizes the filing of such financing statements, continuation statements or amendments thereof or supplements thereto and other documents (and will pay the cost of filing or recording the same in all public offices deemed necessary by the Lenders) and the doing of such other acts and things, all as any Lender or the Collateral Agent may from time to time request, to establish and maintain a valid first security interest in the Borrower Collateral to secure the payment of the Liabilities, including, without limitation, deposit with the Collateral Agent of any certificate of title issuable with respect to any of the Borrower Collateral and notation thereon of the security interest hereunder (and any carbon, photographic or other reproduction of this Security Agreement or of any such financing statement shall be sufficient for filing as a financing statement) and (2) will, at the time of each Advance and contemporaneously with the Responsible Officer's certificate required pursuant to Section 6.2 of the Loan Agreement prepared with respect to the annual financial statements referenced in Section 6.1(a) of the Loan Agreement provide to the Lenders and the Collateral Agent an opinion of counsel (which may be the opinion of the general counsel/chief legal officer of the Borrower) stating that, in the opinion of such counsel, this Security Agreement and the UCC filings and other agreements or documents executed in connection with this Security Agreement have been, and remain, properly recorded or filed for record so as to make effective of record the lien intended to be created hereby and thereby.

7

(b) The Borrower will keep or cause to be kept all of the Gaming Equipment at the Project unless the Collateral Agent, upon being directed to do so by the Required Lenders, shall otherwise consent in writing and all necessary licenses and permits shall have been obtained.

(c) The Borrower will not change its name, state of organization, legal form or do business under any other name without at least 30 days' prior written notice thereof to the Lenders and the Collateral Agent and will not change the location of its principal executive offices or places of business, except for a change to another location within the continental limits of the United States of America and within a jurisdiction in which the UCC is in effect, of which the Lenders and the Collateral Agent shall have been given at least 30 days' prior written notice.

(d) The Borrower will reimburse the Collateral Agent and Lenders upon demand for all reasonable costs and expenses, including reasonable attorney's fees and legal expenses (including allocated costs of internal counsel), incurred by the Collateral Agent in seeking to collect or enforce any right under this Security Agreement or the Borrower Collateral and, in case of a Security Agreement Event of Default, in seeking to collect payments of principal, premium, if any, and interest on any Note and all other Liabilities and to enforce rights hereunder, including expenses of any repairs to any realty or other property to which any of the Borrower Collateral may be affixed or be a part.

(e) The Borrower shall cause each insurance policy required to be maintained pursuant to the Loan Agreement to be in full force and effect.

SECTION 7. [RESERVED].

SECTION 8. DEFAULTS AND REMEDIES.

Section 8.1. Defaults. (a) The occurrence, or the existence of any Event of Default under the Loan Agreement, shall constitute an "Security Agreement Event of Default" hereunder.

(b) With respect to all of the Borrower Collateral, upon the occurrence and during the continuation of any Security Agreement Event of Default hereunder, the Collateral Agent shall, subject to the FF&E Intercreditor Agreement, have, in addition to all other rights provided herein or by law, the rights and remedies of a secured party under the UCC (regardless of whether the UCC is the law of the jurisdiction where the rights or remedies are asserted and regardless of whether the UCC applies to the affected Borrower Collateral), and further the Collateral Agent may, without demand and without advertisement, notice, hearing or process of law, all of which the Borrower hereby waives, at any time or times, sell and deliver any or all Borrower Collateral held by or for it at public or private sale, for cash, upon credit or otherwise, at such prices and upon such terms as the Collateral Agent deems advisable, in its sole discretion, *provided* that said disposition complies with any and all Requirements of Law. In addition to all other sums due the Collateral Agent or any Lender hereunder, the Borrower shall pay the Collateral Agent and any Lender all costs and expenses incurred by the Collateral Agent or such Lender, including a reasonable allowance for attorneys' fees and court costs, in obtaining, liquidating or enforcing payment of the Borrower Collateral or Liabilities or in the prosecution or defense of any action or proceeding by or against the Collateral Agent such Lender or the Borrower concerning any matter arising out of or connected with this Agreement or the Borrower Collateral or Liabilities, including without limitation any of the foregoing arising in, arising under or related to a case under the United States Bankruptcy Code (or any successor statute). Any requirement of reasonable notice shall be met if such notice is personally served on or mailed, postage prepaid, to the Borrower in accordance with **Section 9.3** hereof at least 10 days before the time of sale or other event giving rise to the requirement of such notice; however, no notification need be given to the Borrower if the Borrower has signed, after an Security Agreement Event of Default hereunder has occurred, a statement renouncing any right to notification of sale or other intended disposition. The Collateral Agent shall not be obligated to make any sale or other disposition of the Borrower

8

Collateral regardless of notice having been given. The Collateral Agent or any Lender may be the purchaser at any such sale. To the extent permitted by applicable law, Borrower hereby waives all of its rights of redemption from any such sale. Subject to the provisions of applicable law, the Collateral Agent may postpone or cause the postponement of the sale of all or any portion of the Collateral by announcement at the time and place of such sale, and such sale may, without further notice, be made at the time and place to which the sale was postponed or the Collateral Agent may further postpone such sale by announcement made at such time and place.

(c) With respect to all of the Borrower Collateral, without in any way limiting the foregoing, the Collateral Agent shall, upon the occurrence and during the continuation of any Security Agreement Event of Default hereunder, have the right, in addition to all other rights provided herein or by law, subject to applicable Gaming Laws, to take physical possession of any and all of the Borrower Collateral and anything found therein, the right for that purpose to enter without legal process any premises where such Borrower Collateral may be found (provided such entry be done lawfully), and the right to maintain such possession on the Borrower's premises (the Borrower hereby agreeing to lease such premises without cost or expense to the Collateral Agent or its designee if the Collateral Agent so requests) or to remove the Borrower Collateral or any part thereof to such other places as the Collateral Agent may desire. Upon the occurrence and during the continuation of any Security Agreement Event of Default hereunder, the Borrower shall, upon the Collateral Agent's demand, assemble the Borrower Collateral and make it available to the Collateral Agent at a place reasonably designated by the Collateral Agent. If the Collateral Agent exercises its right to take possession of the Borrower Collateral, the Borrower shall also at its expense perform any and all other steps reasonably requested by the Collateral Agent to preserve and

protect the security interest hereby granted in such Borrower Collateral, such as placing and maintaining signs indicating the security interest of the Collateral Agent, appointing overseers for such Borrower Collateral and maintaining inventory records.

(d) If Collateral Agent elects to require the Borrower to assemble and deliver each Item of Equipment, the Borrower shall, at its own expense, forthwith deliver (to the extent permitted under any Requirements of Law) exclusive possession of such Items of Equipment to Collateral Agent, at a location or locations reasonably designated by Collateral Agent (subject to the approval of the Nevada State Gaming Control Board if such location is outside the State of Nevada) in the 48 contiguous United States, (*provided, however*, that the Borrower shall not be required to deliver Items of Equipment consisting of gaming devices to a location in a jurisdiction where possession of such Items of Equipment is unlawful) together with a copy of an inventory list of such Items of Equipment then subject to the Borrower Security Agreement, all then current plans, specifications and operating, maintenance and repair manuals in the possession of the Borrower and its Affiliates and relating to such Items of Equipment that have been received or prepared by the Borrower, appropriately protected and in the condition required by **Section 4** (and in any event in condition to be placed in immediate revenue service) and free and clear of all Liens other than Permitted Liens. In addition, the Borrower shall, for 90 days after delivery of such Items of Equipment, cause to be (i) maintained such Items of Equipment in the condition required by **Section 4** and free and clear of all Liens other than Permitted Liens, (ii) stored such Items of Equipment without cost to Collateral Agent or any Lender, and (iii) kept all of such Items of Equipment insured in accordance with Section 8.2 of the Loan Agreement. This paragraph shall survive termination of this Security Agreement.

(e) Failure by the Collateral Agent to exercise any right, remedy or option under this Agreement or any other agreement between the Borrower and the Collateral Agent or provided by law, or delay by the Collateral Agent in exercising the same, shall not operate as a waiver; no waiver hereunder shall be effective unless it is in writing, signed by the party against whom such waiver is sought to be enforced and then only to the extent specifically stated. Neither the Collateral Agent nor any party acting as attorney for the Collateral Agent shall be liable hereunder for any acts or omissions or for any error of judgment or mistake of fact or law other than their gross negligence or willful misconduct.

The rights and remedies of the Collateral Agent and the Lenders under this Agreement shall be cumulative and not exclusive of any other right or remedy which the Collateral Agent or the Lenders may have.

Section 8.2. Sale of Borrower Collateral. In addition to the remedies set forth in **Section 8.1**, if any Security Agreement Event of Default shall occur, subject to the Gaming Laws, Collateral Agent may, but is not required to, sell the Borrower Collateral in one or more sales. Any Lender or the Collateral Agent may purchase all or any part of the Borrower Collateral at such sale. The Borrower acknowledges that sales for cash or on credit to a wholesaler, retailer or user of such Borrower Collateral, or at public or private auction, are all commercially reasonable. Any notice required by law of intended disposition by Collateral Agent shall be deemed reasonable and properly given if given at least 10 days before such disposition.

Section 8.3. Application of Sale Proceeds. All payments received and amounts held or realized by Collateral Agent at any time when a Security Agreement Event of Default shall be continuing as well as all payments or amounts then held or thereafter received by Collateral Agent and the proceeds of sale pursuant to **Section 8.2** shall be distributed to the Collateral Agent for distribution in accordance with Section 3.8 of the Loan Agreement.

Section 8.4. Power of Attorney. The Borrower unconditionally and irrevocably appoints Collateral Agent as its true and lawful attorney-in-fact, with full power of substitution, to the extent permitted by Requirements of Law, in its name and stead and on its behalf, solely for the purpose of effectuating any sale, assignment, transfer or delivery under this **Section 8**, if a Security Agreement Event of Default occurs and is continuing, whether pursuant to foreclosure or power of sale or otherwise, and in connection therewith and during a Security Agreement Event of Default to execute and deliver all such deeds, bills of sale, assignments, releases (including releases of this Agreement on the records of any Authority) and other proper instruments as Collateral Agent may reasonably consider necessary or appropriate. The Borrower ratifies and confirms all that such attorney or any substitute shall lawfully do by virtue hereof. If requested by Collateral Agent or any purchaser, the Borrower shall ratify and confirm any such lawful sale, assignment, transfer or delivery by executing and delivering to Collateral Agent or such purchaser, all deeds, bills of sale, assignments, releases and other proper instruments to effect such ratification and confirmation as may be designated in any such request.

Section 8.5. Remedies Cumulative; Consents. To the extent permitted by, and subject to the mandatory requirements of, any Requirements of Law, each and every right, power and remedy herein specifically given to Collateral Agent or otherwise in this Agreement shall be cumulative and shall be in addition to every other right, power and remedy herein specifically given or now or hereafter existing at law, in equity or by statute, and each and every right, power and remedy whether specifically herein given or otherwise existing may be exercised from time to time and as often and in such order as may be deemed expedient by Collateral Agent, and the exercise or the beginning of the exercise of any power or remedy shall not be construed to be a waiver of the right to exercise at the same time or thereafter any right, power or remedy. Collateral Agent's or the Lenders' consent to any request made by the Borrower shall not be deemed to constitute or preclude the necessity for obtaining Collateral Agent's or the Lenders' consent in the future to all similar requests. To the extent permitted by any Requirements of Law, the Borrower hereby waives any rights now or hereafter conferred by statute or otherwise that may require Collateral Agent or the Lenders to sell, lease or otherwise use the Equipment, any Item of Equipment or any Part thereof in mitigation of Collateral Agent's, or the Lenders' damages upon the occurrence of a Security Agreement Event of Default or that may otherwise limit or modify any of Collateral Agent's or the Lenders' rights hereunder.

Section 8.6. Allocation of Borrower Collateral. All cash proceeds received by the Collateral Agent in respect of any sale of, collection from, or other realization upon all or any part of the Borrower Collateral shall be held by the Collateral Agent, and shall be promptly paid over (after payment of any amounts payable to the Collateral Agent pursuant to **Section 8.7**) by the Collateral Agent to the Lenders, in accordance with Section 3.8 of the Loan Agreement. Any surplus of such cash or cash proceeds held by the Collateral Agent and remaining after payment in full of all the Liabilities shall be paid over to the Borrower or to whosoever may be lawfully entitled to receive such surplus.

Section 8.7. Compensation and Indemnity. The Borrower shall pay to the Collateral Agent such compensation as set forth in the Loan Agreement. The Borrower shall reimburse the Collateral Agent upon request for all reasonable disbursements, expenses and advances incurred or made by the Collateral Agent without negligence or bad faith on its part. Such expenses shall include the reasonable compensation and expenses of the Collateral Agent's agents, experts and counsel.

The Borrower shall indemnify the Collateral Agent, its directors, officers, agents and employees for, and hold each of them harmless against, any loss or liability, cost or expense incurred by them without negligence or bad faith on their part in connection with the acceptance or administration of this Security Agreement and its duties under this Security Agreement and the Notes, including, without limitation, the costs and expenses of defending itself against any claim or liability and of complying with any process served upon it or any of its officers in connection with the exercise or performance of any of its powers or duties under this Security Agreement and the Notes.

To secure the Borrower's payment obligations in this **Section 8.7**, the Collateral Agent shall have a lien prior to the Lenders on all money or property held or collected by the Collateral Agent, in its capacity as Collateral Agent, except money or property held in trust to pay principal of, premium, if any, and interest on particular Notes.

If the Collateral Agent incurs expenses or renders services after the occurrence of a Security Agreement Event of Default, the expenses and the compensation for the services will be intended to constitute expenses of administration under Title 11 of the United States Bankruptcy Code or any applicable federal or state law for relief of debtors.

The provisions of this **Section 8.7** shall survive the resignation or removal of the Collateral Agent and termination of this Security Agreement.

SECTION 9. GENERAL PROVISIONS.

Section 9.1. Document. This Security Agreement is executed pursuant to the Loan Agreement and shall (unless otherwise expressly indicated herein) be construed, administered and applied in accordance with the terms and provisions thereof; *provided, however*, that unless expressly provided otherwise, the duties and obligation of the Collateral Agent shall be determined solely by this Security Agreement and the Collateral Agent shall have no responsibility or obligation to perform any duties or obligations under, or to monitor the performance of the duties or obligations of the Borrower under, the Loan Agreement.

Section 9.2. Amendments; Etc. No amendment to or waiver of any provision of this Security Agreement nor consent to any departure by the Borrower herefrom, shall in any event be effective unless the same shall be in writing and signed by the Collateral Agent, at the direction of the Required Lenders, and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given.

Section 9.3. Notices. All notices and other communications provided for hereunder shall be in writing (including telegraphic and facsimile communication) and, if to the Lenders, delivered in accordance with Section 13.6 of the Loan Agreement, or in the case of the Collateral Agent or the

Borrower, delivered to the respective addresses as set forth beneath each party's name on the signature pages hereto.

Section 9.4. Section Captions. Section captions used in this Security Agreement are for convenience of reference only, and shall not affect the construction of this Security Agreement.

Section 9.5. Severability; No Waiver. Wherever possible each provision of this Security Agreement shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Security Agreement shall be prohibited by or invalid under such law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Security Agreement. No delay on the part of the Collateral Agent in the exercise of any right or remedy shall operate as a waiver thereof, and no single or partial exercise by the Collateral Agent of any right or remedy shall preclude other or further exercise thereof or the exercise of any other right or remedy.

Section 9.6. Governing Law. THIS SECURITY AGREEMENT SHALL BE CONSTRUED AND ENFORCED IN ACCORDANCE WITH, AND THE RIGHTS OF THE PARTIES SHALL BE GOVERNED BY, THE LAW OF THE STATE OF NEW YORK EXCLUDING CHOICE-OF-LAW PRINCIPLES OF THE LAW OF SUCH STATE THAT WOULD REQUIRE THE APPLICATION OF THE LAWS OF A JURISDICTION OTHER THAN SUCH STATE, SUBJECT TO THOSE MANDATORY PROVISIONS OF NEVADA LAW GOVERNING PERFECTION, THE EFFECT OF PERFECTION OR NON-PERFECTION, AND THE PRIORITY OF A SECURITY INTEREST IN THE BORROWER COLLATERAL.

Section 9.7. Counterparts. This Security Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original, and all of which shall together constitute but one and the same agreement.

SECURITY AGREEMENT**

FORM OF THE BORROWER SECURITY AGREEMENT SUPPLEMENT

Security Agreement Supplement No. (this "Security Agreement Supplement No. ") dated , 20 , by Wynn Las Vegas, LLC, a Nevada limited liability company (the "Borrower"), in favor of Wells Fargo Bank Nevada, National Association, a national banking association, as Collateral Agent (being referred to herein, together with any successor(s) thereto in such capacity, as the "Collateral Agent") for the Lenders. Capitalized terms used herein and not

otherwise defined shall have the meanings given to such terms in the Security Agreement dated as of October 30, 2002, between the Borrower and the Collateral Agent, a copy of which is attached hereto.

WITNESSETH:

The Loan Agreement provides for the execution and delivery from time to time of supplements to the Security Agreement substantially in the form hereof which shall particularly describe the Borrower Collateral and shall specifically grant a security interest in the Borrower Collateral to the Collateral Agent.

The Security Agreement relates to the Borrower Collateral described in **Schedule A** hereto, Schedule A to the Security Agreement and each Schedule A attached to each other Security Agreement Supplement attached to the attached Security Agreement.

The Borrower hereby assigns and pledges to the Collateral Agent, and hereby grants to the Collateral Agent, a lien and security interest in and to all of the Borrower Collateral, whether now or hereafter existing or acquired, including the Borrower Collateral more particularly described in **Schedule A** hereto.

TO HAVE AND TO HOLD the aforesaid property unto the Collateral Agent, its successors and assigns forever, upon the terms and conditions set forth in the Security Agreement to secure the payment of the Liabilities.

This Supplement shall be construed in connection with and as part of the Security Agreement and all terms, conditions and covenants contained in the Security Agreement, except as herein modified, shall be and remain in full force and effect.

Any and all notices, requests, certificates and other instruments executed and delivered after the execution and delivery of this Security Agreement Supplement No. may refer to the "Security Agreement" without making specific reference to this Security Agreement Supplement No. , but nevertheless all such references shall be deemed to include this Security Agreement Supplement No. unless the context shall otherwise require.

Section 1.1. Counterparts. This Supplement No. may be executed and delivered in any number of counterparts, each of such counterparts constituting an original but all together only one Supplement.

Section 1.2. Governing Law. THIS SECURITY SUPPLEMENT NO. INTERCOMPANY NOTE

October 30, 2002

FOR VALUE RECEIVED, WORLD TRAVEL, LLC, a Nevada limited liability company (the "Payor"), hereby promises to pay on demand to the order of WYNN LAS VEGAS, LLC, a Nevada limited liability company, or its registered assigns (the "Payee"), a principal sum equal to \$38,000,000 in lawful money of the United States of America in same day or immediately available funds, at such location in the United States of America as the Payee shall from time to time designate, or such lesser principal amount as shall remain outstanding on the loan made by the Payee to the Payor.

On demand from the Collateral Agent (as defined below), the Payor promises to pay interest to the Payee on the outstanding principal hereof for the period from the date hereof until payment in full thereof and, to the extent permitted by law, overdue interest from their due dates, in each case at the rate per annum equal to the interest rate in effect under Section 3.5 of the Loan Agreement dated October 30, 2002 (the "Loan Agreement") among the Payee, Wells Fargo Bank Nevada, National Association, not in its individual capacity, but solely as Collateral Agent (the "Collateral Agent") and the lenders named in Schedule IA1 thereto.

This Note is the "Intercompany Note" referred to in the Aircraft Security Agreement, dated as of October 30, 2002 (the "Aircraft Security Agreement") from Wells Fargo Bank Northwest, National Association, not in its individual capacity, but solely as Trustee of that certain trust created under the Trust Agreement dated as of May 10, 2002 (in such capacity, the "Owner") and the Payor to the Payee, and evidences indebtedness incurred by the Payor to the Payee. This Note is secured pursuant to the terms of the Aircraft Security Agreement and reference is made to the Aircraft Security Agreement for a statement of certain provisions relating to this Note.

The outstanding principal balance of the loan evidenced by this Note shall automatically become immediately due and payable, without presentment, demand, protest or any other notice of any kind, all of which are expressly waived by the Payor, upon the occurrence of an "Event of Default" under and as defined in either the Loan Agreement or the Aircraft Security Agreement.

The Payee is hereby authorized (but not required) to record all repayments or prepayments hereof, in its books and records, and any such recordation shall constitute *prima facie* evidence of the accuracy of the information so recorded, absent manifest error.

Payments of both principal and interest are to be made without setoff, counterclaim or deduction of any kind.

This Note is also the "Intercompany Note" referred to in the Assignment and Assumption Agreement, dated as of October 30, 2002 executed by the Payee in favor of the Collateral Agent (as amended, modified or supplemented from time to time, the "Borrower Aircraft Assignment") to secure the obligations of the Payee under the Loan Agreement. This Note and the Aircraft Security Agreement have been assigned by the Payee pursuant to such Borrower Aircraft Assignment. The Payor hereby acknowledges and agrees that the Collateral Agent, pursuant to the Borrower Aircraft Assignment, may exercise all rights provided therein with respect to this Note and the Aircraft Security Agreement. The Payor further agrees that all rights of the Payee hereof in, to and under this Note and the Aircraft Security Agreement shall pass to and may be exercised only by the Collateral Agent pursuant to the Borrower Aircraft Assignment; and the Payor will not set up any claim against the Payee hereof as a defense, counterclaim or setoff to any action brought by the Collateral Agent for the unpaid balance owed hereunder and also agrees to so pay all amounts, including without limitation, all interest and principal directly to the Collateral Agent upon receipt by it of written notice to do so by the Collateral Agent. In the event of any pre-payment of this Note, the Payor will only pay amounts due hereunder to the Collateral Agent and will not pay any such amounts to the Payee or any other person or entity and Payor acknowledges that this Note may not be amended except with the written consent of the Collateral Agent.

THE PAYOR AGREES THAT ANY CLAIM BROUGHT BY THE PAYEE OR ITS ASSIGNEE OR PLEDGEE ARISING OUT OF THIS NOTE SHALL BE SUBJECT TO THE NON-EXCLUSIVE JURISDICTION OF THE COURTS OF THE STATE OF NEW YORK. THIS NOTE SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAW OF THE STATE OF NEW YORK.

Section 4.1. Possession and Use of Aircraft; Compliance with Laws. The Owner and World Travel agree that the Aircraft will be used and operated in compliance with all applicable Requirements of Law. Neither the Owner nor World Travel shall use the Aircraft or any part thereof for any purpose or in any manner that would materially adversely affect the Fair Market Value, the utility of the Aircraft as a passenger aircraft or the remaining useful life of such Aircraft, ordinary wear and tear and depreciation excepted. The Owner and World Travel shall procure and maintain in effect airworthiness certificates related to Aircraft and all licenses, registrations, certificates, permits, approvals and consents required by any Requirement of Law or by any Governmental Authority necessary for the ownership, delivery, installation, maintenance, repair, use and operation of the Aircraft. Neither the Owner nor World Travel shall (a) use, operate, or maintain the Aircraft or any portion thereof in violation of **Section 4.3** or any Insurance Requirement; (b) lease, assign or otherwise permit the use of any of the Aircraft except as may be permitted by **Section 4.2**; or (c) except as set forth in **Section 4.2** or in the Loan Agreement, sell, assign or transfer any of its rights or in any of the Aircraft, or directly or indirectly create, incur or suffer to exist any Lien on any of its rights hereunder or in any of the Aircraft, except for Permitted Liens. The Owner and World Travel agree that the Aircraft will be operated at all times by a pilot whose certification is in compliance with all applicable Requirements of Law and any Insurance Requirement, including the necessary minimum "total pilot hours" and the minimum "pilot-in command hours". At all times during the term of this Security Agreement, the Owner and World Travel agree not to operate or locate the Aircraft, or allow the Aircraft to be operated or located, in or over any country or jurisdiction (each, a "Restricted Jurisdiction") for which any of the "Specified Directives" (as defined below) would prohibit the aircraft from being operated or located in, or over. In addition, the Owner and world Travel agree not to violate, or permit the violation of, such Specified Directives and the Owner and World Travel also agree to prohibit any national of such Restricted Jurisdiction from operating the Aircraft. The term "Specified Directives" shall mean any United States export or other law or United Nations security council directive, including without limitation, the Trading With the Enemy Act, 50 U.S.C. App. Sections 1 *et seq.*, the International Emergency Economic Powers Act, 50 U.S.C. App. Sections 1701 *et seq.*, and the Export Administration Act, 50 U.S.C. App. Sections 2401 *et seq.*

Notwithstanding anything contained in the paragraph set forth immediately above, the Owner and World Travel hereby further agree not to (i) operate the Aircraft or permit the Aircraft to be operated

5

except in operations for which the Owner and World Travel (or any lessee or other Person permitted by the provisions of **Section 4.2** hereof to operate the Aircraft) is duly authorized by the Federal Aviation Administration or other governmental authority having jurisdiction over the Aircraft; (ii) use or permit the Aircraft to be used for a purpose for which the Aircraft is not designed or reasonably suitable; and (iii) operate, use or locate the Aircraft, or suffer the Aircraft to be operated, used or located (A) and in any area excluded from coverage by any insurance required by the Insurance Requirements, (B) any country with which the United States shall not have full diplomatic relations, or (C) in any recognized or threatened area of hostilities. The Owner and World Travel hereby further agree to operate the Aircraft, or permit the Aircraft to be operated, predominately for business purposes.

Section 4.2. Leases and Assignments. Except for leases permitted by this **Section 4.2**, neither the Owner nor World Travel may assign, lease, mortgage, pledge or otherwise transfer to any Person, at any time, in whole or in part, any of its rights, title or interest in, or obligations to or under this Security Agreement, any other Loan Document or to any portion of the Aircraft. Each lease entered into in accordance with this **Section 4.2** shall be referred to as an "Aircraft Lease." The Owner and World Travel may, so long as no Aircraft Event of Default exists, lease all or any portion of the Aircraft to one or more of World Travel's Affiliates. With respect to any Aircraft Lease permitted under this **Section 4.2**, neither the Owner nor World Travel shall lease any portion of the Aircraft to any Person who shall then be engaged in any proceedings for relief under any bankruptcy or insolvency law or laws relating to the relief of debtors.

No Aircraft Lease hereunder will (a) discharge or diminish any of the Owner's or World Travel's obligations to Company hereunder or the Owner's or World Travel's obligations to any other Person under any other Loan Document, and the Owner and World Travel shall remain directly and primarily liable under this Security Agreement and any other Loan Document to which it is a party with respect to all of the Aircraft Collateral or (b) extend beyond the last day of the Loan Term. Each Aircraft Lease permitted hereby shall be in writing and shall expressly provide that: (i) the Aircraft Lease and the lessee's rights thereunder are subject and subordinate to this Security Agreement and the rights of the Company and the Collateral Agent hereunder, including, without limitation, the right of the Company to inspect and take possession of the Aircraft from time to time, (ii) the lessee agrees to surrender possession of the Aircraft at the election of the Company (or its assignees) after an Aircraft Event of Default; (iii) the lessee will use the Aircraft in full compliance with all of the terms and conditions contained in the Aircraft Security Agreement, (iv) the lessee waives any right that it might have to any notice of the Company's (or its assignee's) intention to inspect, take possession of, or exercise any other right or remedy in respect of the Aircraft under this Security Agreement, (v) the lessee waives, as against the Company (or its assignee's), all rights to any set-off, defense, counterclaim, or cross-claim that it may hold against the Company, and (vi) the lessee acknowledges that, upon an Aircraft Event of Default it shall have no further rights in and to the Aircraft; *provided*, that the Las Vegas Jet Lease shall be deemed to comply with the terms of this **Section 4.2** so long as Las Vegas Jet shall deliver a consent in form and substance satisfactory to the Required Lenders. Any Aircraft Lease that does not contain the foregoing language shall not be permitted by this **Section 4.2**.

World Travel shall give the Company and the Collateral Agent prompt, and in any event within 5 Business Days thereof, written notice of any Aircraft Lease permitted under this **Section 4.2**, and shall promptly provide the Company and the Collateral Agent with a fully executed copy of each document evidencing such Aircraft Lease, together with a Certificate of a Responsible Officer of the Owner that such Aircraft Lease complies with this **Section 4.2**.

Section 4.3. Maintenance. At all times, World Travel shall, at its own cost and expense:

(a) keep, repair, maintain and preserve the Aircraft in good order and operating condition and repair as existing on the Initial Advance Date, ordinary wear and tear excepted, and in conformance with (i) prudent industry maintenance and repair standards, (ii) such maintenance and repair standards used by World Travel or any of World Travel's Affiliates for similar property owned or leased by it, and (iii) all Requirements of Law and Insurance Requirements, and in the event that any Requirement of Law requires any alteration, replacement or addition of or to any Aircraft Part, and World Travel will conform therewith at its own expense;

6

(b) (i) conduct all scheduled maintenance of the Aircraft in conformity with World Travel's and World Travel's Affiliates' past practices, and prudent industry maintenance and repair standards, (including, without limitation, World Travel's and World Travel's Affiliates' maintenance program for such

equipment) and (ii) maintain such Aircraft so as to preserve its remaining economic useful life, utility and residual value; and

(c) cause the Aircraft to continue to have at all times the capacity and functional ability to perform, on a continuing basis (subject to normal interruption in the ordinary course of business for maintenance, inspection, service, repair and testing) and in commercial operation, the functions for which it was specifically designed, other than any Casualty pursuant to which the Company has paid the Casualty Amount or is causing the rebuilding the affected portion of the Aircraft pursuant to **Section 7.1**.

The Owner and World Travel shall prepare and deliver to Company, with copies to the Collateral Agent, within 30 Business Days prior to the required date of filing (or, to the extent permissible, file on behalf of Company) any and all material reports to be filed by Company with any Governmental Authority by reason of the security interest of the Company in the Aircraft Collateral. The Company agrees to inform the Owner and World Travel of any request for such reports received by it. The Owner and World Travel shall maintain or cause to be maintained, all records, logs and other materials required by any Governmental Authority (including, without limitation, each applicable Aeronautics Authority with respect to the Aircraft) having jurisdiction over the Aircraft. The Owner and World Travel shall permit Company, the Collateral Agent and each Lender to inspect, during normal business hours and upon notice within 24 hours (so long as the Aircraft is not in service at such time, in which event 5 Business Days notice shall be required), the Aircraft Collateral and any and all records, logs and other materials maintained by the Owner, World Travel or any of World Travel's Affiliates in respect of the Aircraft Collateral; *provided* that from and after the occurrence of an Aircraft Event of Default, all costs and expenses of Company, the Collateral Agent or any Lender in connection with such inspection shall be borne by the Owner and World Travel. The Owner and World Travel hereby waive any right now or hereafter conferred by law to make repairs on the Aircraft Collateral at the expense of Company.

In addition to the foregoing provisions of this **Section 4.3** World Travel shall, at its own cost and expense, service, repair, maintain and overhaul, test or cause the same to be done to the Airframe and each Engine (i) so as to keep the Airframe and Engines in such operating condition as may be necessary to enable the airworthiness certification of the Aircraft to be maintained in good standing at all times under the applicable rules and regulations of the FAA, and (ii) in accordance with the FAA-approved maintenance program for corporate aircraft and BMW Rolls Royce engines. The Owner and World Travel shall maintain, or cause to be maintained, with respect to each Aircraft all records, logs and other materials required by the Department of Transportation or the FAA or any other Aeronautics Authority having jurisdiction over the Aircraft to be maintained in respect of the Aircraft, all such records, logs or materials to be in the English language, and shall promptly furnish to Company upon Company's request such information as may be required to enable Company to file any reports required to be filed with any Authority because of Company's interest in the Aircraft.

Section 4.4. Alterations, Modifications, Etc. In case the Aircraft, or any item of equipment, part or appliance therein (each, an "Aircraft Part") is required to be altered, added to, replaced or modified in order to comply with any Requirements of Law (a "Required Aircraft Alteration") pursuant to **Sections 4.1** or **4.3** hereof, the Owner and World Travel agree to make or cause to be made such Required Aircraft Alteration at its own expense. The Owner and World Travel shall have the right to make any modification, alteration or improvement to the Aircraft (herein referred to as a "Permitted Aircraft Modification"), or to remove any Aircraft Part which has become worn out, broken or obsolete, *provided* in each case that the Owner and World Travel continue to be in compliance with **Sections 4.1** and **4.3** hereof and that such action will not materially decrease the economic value of the Aircraft or

7

impair its originally intended use or function or decrease its economic useful life and in any event, will not decrease the Fair Market Value of the Aircraft throughout the Loan Term. In the event any Permitted Aircraft Modification (i) is readily removable without impairing the value or use which the Aircraft would have had at such time had such Aircraft Part not been affixed or placed to or on the Aircraft (a "Removable Aircraft Part"), (ii) is not a Required Aircraft Alteration and (iii) is not an Aircraft Part which replaces any Aircraft Part originally incorporated or installed in or attached to such Aircraft Collateral on the date on which such Aircraft Collateral became subject to this Security Agreement, or any Aircraft Part in replacement of or substitution for any such original Part (each an "Original Aircraft Part"), any such Permitted Aircraft Modification, if no Aircraft Event of Default is continuing, shall be and remain the property of the Owner that is not subject to the Lien of this Security Agreement and may be removed by the Owner (a "World Aircraft Part"). To the extent such Permitted Aircraft Modification is not a Removable Aircraft Part, or is a Required Aircraft Alteration or an Original Aircraft Part, and, to the extent a Removable Aircraft Part is not the property of the Owner that is not subject to the Lien of this Security Agreement because of the continuance of an Aircraft Event of Default, the same shall immediately and automatically be and become subject to the Lien of this Security Agreement. Any Required Aircraft Alterations, and any Aircraft Parts installed or replacements made by the Owner upon any Aircraft Collateral pursuant to its obligation to maintain and keep the Aircraft Collateral in good order, operating condition and repair under **Section 4.3** (collectively, "Replacement Aircraft Parts") and all other Parts which become the property of the Owner shall be considered, in each case, accessions to such Aircraft Collateral and a security interest therein shall be immediately and automatically vested in Company. All Replacement Aircraft Parts shall be free and clear of all Liens (other than Permitted Liens) and shall be in as good an operating condition as, and shall have a value and utility at least equal to, the Aircraft Parts replaced, assuming such replaced Aircraft Parts and the Aircraft Collateral were immediately prior to such replacement or the event or events necessitating such replacement in the condition and repair required to be maintained by the terms hereof. Any Aircraft Part at any time removed from any of the Aircraft Collateral shall remain subject to the interests of Company under the Loan Documents, no matter where located, until such time as such Aircraft Part shall be replaced by an Aircraft Part which has been incorporated or installed in or attached to the Aircraft and which meets the requirements for a Replacement Aircraft Part specified above. No later than 45 days after the end of each fiscal quarter of World Travel, World Travel shall deliver to Company, an Aircraft Security Agreement Supplement evidencing the grant by the Owner and World Travel of a security interest in such Replacement Aircraft Part to Company, for each Replacement Aircraft Part not previously evidenced by an Aircraft Security Agreement Supplement and such other documents in respect of such Aircraft Part or Aircraft Parts and to the extent, as Company may reasonably request in order to confirm that a security interest to such Aircraft Part or Aircraft Parts has passed to Company as hereinabove provided. Any such Replacement Aircraft Part, regardless of whether evidenced by an Aircraft Security Agreement Supplement, shall become subject to this Security Agreement and shall be deemed part of the Aircraft Collateral, for all purposes hereof to the same extent as the Aircraft Parts originally incorporated or installed in the Aircraft, and a security interest to such Replacement Aircraft Part shall thereupon vest in the Company. All replacements pursuant to this **Section 4.4** shall be purchased by the Owner or World Travel with its own funds. There shall be no obligation on the part of the Company to pay for or otherwise finance any such replacement.

Section 4.5. Identifying Numbers and Registration; Legend; Changes; Inspection. The Owner and World Travel, each at its own expense, will (i) cause the Airframe and each Engine to be kept numbered with the identification numbers as shall be set forth on Schedule A to the applicable Aircraft Security Agreement Supplement, and (ii) upon the Initial Advance Date, cause the Aircraft to be duly registered in the name of the Owner under the Federal Aviation Act and at all times thereafter to remain so registered. Within 10 days after the Initial Advance Date, the Owner shall cause a metal nameplate identifying the security interest of the Company to be placed in the cockpit of the Airframe

8

in a location reasonably adjacent to the airworthiness certificate of the Aircraft, and on each Engine, as follows:

"WYNN LAS VEGAS, LLC, as Secured Party,
as further assigned to
WELLS FARGO BANK NEVADA, NATIONAL ASSOCIATION, as Collateral Agent"

Neither the Owner nor World Travel will allow the name or logo of any Person other than the Company or its successors or assigns, to be placed on the Aircraft or any Engine as a designation that might be interpreted as a claim of ownership or of any interest therein, *provided, however*, that the name and/or logo of the Owner, World Travel or any of World Travel's Affiliates may be placed on the Aircraft.

Section 4.6. Liens. The Owner will not directly or indirectly create, incur, assume or suffer to exist any Lien (other than Permitted Liens) on or with respect to the Aircraft Collateral or any Aircraft Part. The Owner and World Travel, each at its own expense, will promptly pay, satisfy and otherwise take such actions as may be necessary to keep the Aircraft Collateral free and clear of, and to duly discharge or eliminate or bond in a manner satisfactory to Company, any such Lien not excepted above if the same shall arise at any time. The Owner and World Travel will notify Company, the Collateral Agent and each Lender in writing within 5 Business Days upon becoming aware of any Tax or other Lien (other than any Lien excepted above) that shall attach to the Aircraft Collateral, and of the full particulars thereof. Without limiting the foregoing, neither the Owner nor World Travel shall assign or pledge any of its rights under any Lease to any Person other than Company.

Section 4.7. Replacements and Substitutions. (a) In addition to the rights of the Owner and World Travel under **Section 4.4**, the Owner and World Travel shall have the option at any time to replace any Aircraft Part (a "Replaced Aircraft Part" or "Replaced Aircraft Parts") with a substitute Aircraft Part (a "Substitute Aircraft Part" or "Substitute Aircraft Parts"), subject to the following conditions:

(i) no Aircraft Event of Default shall have occurred and be continuing;

(ii) the Substitute Aircraft Part or Substitute Aircraft Parts shall be the same general type, year of construction (or a later year of construction), useful life, function, utility, state of repair and operating condition as the portion of the Replaced Aircraft Part or Replaced Aircraft Parts, must have a Fair Market Value of not less than the Fair Market Value of the Replaced Aircraft Part or Replaced Aircraft Parts and be free and clear of any Liens other than Permitted Liens, as described in the Appraisal delivered on the Initial Advance Date; and

(iii) prior to the date of any such substitution, the Owner and World Travel shall replace such Replaced Aircraft Part or Replaced Aircraft Parts by complying with the terms of **Section 7.1** to the same extent as if a Casualty or a series of Casualties had occurred with respect to such Replaced Aircraft Part or Replaced Aircraft Parts, and the Company shall release its Lien on the Replaced Aircraft Part or Replaced Aircraft Parts in the same manner as provided in said **Section 7.1**.

(b) All replacements pursuant to **Section 4.7(a)** shall be purchased by the Owner or World Travel with its own funds. There shall be no obligation on the part of the Company to pay for or otherwise finance any such replacement. No termination of this Security Agreement with respect to any Aircraft Part as contemplated by this **Section 4.7** shall result in any reduction of World Travel's obligation to pay the World Liabilities.

9

(c) (i) In addition to the rights of the Owner and World Travel under **Section 4.4**, the Owner or World Travel shall have the option at any time to replace the Aircraft with a substitute Aircraft (the "Replacement Aircraft"), subject to the following conditions:

(A) no Aircraft Event of Default shall have occurred and be continuing;

(B) the Replacement Aircraft shall be the same general type, year of construction (or a later year of construction), useful life, function, utility, state of repair and operating condition as the Aircraft, must have a Fair Market Value of not less than the Allocated Aircraft Value and be free and clear of any Liens other than Permitted Liens, as described in the Appraisal delivered on the Initial Advance Date; and

(C) prior to the date of any such substitution, the Owner or World Travel shall replace the Aircraft by complying with the terms of **Section 7.1** to the same extent as if a Casualty or a series of Casualties had occurred with respect to the Aircraft, and the Company shall release its Lien on the Aircraft in the same manner as provided in said **Section 7.1**.

(ii) All replacements pursuant to **Section 4.7(c)** shall be purchased by the Owner or World Travel with (i) its or World Travel's own funds, (ii) proceeds from the sale of the Aircraft and (iii) Replacement Aircraft Indebtedness approved by the Lenders. No termination of this Security Agreement with respect to the Aircraft as contemplated by this **Section 4.7** shall result in any reduction of World Travel's obligation to pay the World Liabilities.

Section 4.8. Amendments. Neither the Owner nor World Travel will, without the prior written consent of the Collateral Agent, directly or indirectly, agree to any amendment, waiver or termination of the Aircraft Operating Agreement or the Aircraft Trust; *provided, however*, any amendment, waiver or termination of the Aircraft Trust that would affect the registration of the Aircraft with the FAA and any amendment of the Aircraft Operating Agreement that would affect the subordination of the Aircraft Operating Agreement to this Security Agreement or allow World Travel to use or operate the Aircraft in violation of the requirements contained in this Security Agreement, must also be approved in writing by the Required Lenders holding 50% or more of the aggregate Credit Exposure of the Lenders whose Loans were used to refinance the Aircraft.

SECTION 5. CERTIFICATE, SCHEDULES AND REPORTS.

The Owner and World Travel will from time to time, as the Company or any Lender may reasonably request, deliver to the Company, the Collateral Agent and the Lenders such schedules, certificates and reports respecting all or any of the Aircraft Collateral at the time subject to the security interest hereunder, and the items or amounts received by the Owner in full or partial payment or otherwise as proceeds of any of the Aircraft Collateral, all to such extent as the Company may request. Any such schedule, certificate or report shall be executed by a duly authorized officer of the Owner and shall be in such form and detail as the Company, at the direction of the Required Lenders, may reasonably specify.

SECTION 6. ADDITIONAL AGREEMENTS OF THE OWNER AND WORLD TRAVEL.

The Owner and World Travel agree, that, until all of the World Liabilities are paid in full, the Owner and World Travel will perform and fulfill each of the following agreements:

(a) The Owner (1) will execute such financing statements, continuation statements or amendments thereof or supplements thereto and other documents (and World Travel will pay the cost of filing or recording the same in all public offices deemed necessary by the Company) and do such other acts and things, all as the Company may from time to time request, to establish and maintain a valid first security interest in the Aircraft Collateral to secure the payment of the World Liabilities, including, without limitation, deposit with the Company of any certificate of title issuable with respect to any of the Aircraft Collateral and notation thereon of the security interest

10

hereunder (and any carbon, photographic or other reproduction of this Security Agreement or of any such financing statement shall be sufficient for filing as a financing statement) and (2) will, at the Initial Advance Date, provide, or will cause to be provided, to the Company, the Lenders and the Collateral Agent an opinion of counsel (which may be the opinion of the general counsel/chief legal officer of World Travel) stating that, in the opinion of such counsel, this Security Agreement and the FAA and UCC filings and other agreements or documents executed in connection with this Security Agreement have been, and remain, properly recorded or filed for record so as to make effective of record the lien intended to be created hereby and thereby.

(b) The Owner will not change its name, change its organizational structure, resign as trustee under the Aircraft Trust Agreement or do business under any other names without at least 25 days' prior written notice thereof from World Travel shall have been delivered to the Company, Lenders and the Collateral Agent and will not change the location of their principal executive offices or places of business, except for a change to another location within the continental limits of the United States of America and within a jurisdiction in which the UCC is in effect, of which the Company, Lenders and the Collateral Agent shall have been given at least 25 days' prior written notice by World Travel.

(c) World Travel will reimburse the Company, the Collateral Agent and Lenders upon demand for all reasonable costs and expenses, including reasonable attorney's fees and legal expenses (including allocated costs of internal counsel), incurred by the Company or the Collateral Agent in seeking to collect or enforce any right under this Security Agreement or the Aircraft Collateral and, in case of an Aircraft Event of Default, in seeking to collect payments of principal, premium, if any, and interest on the Intercompany Note and all other World Liabilities and to enforce rights hereunder, including expenses of any repairs to any realty or other property to which any of the Aircraft Collateral may be affixed or be a part.

(d) The Owner will remain a "citizen of the United States" pursuant to 49 U.S.C. Section 40102(a)(15).

SECTION 7. RISK OF LOSS; INSURANCE.

Section 7.1. Casualty. Upon the occurrence of a Casualty with respect to the Airframe or an Engine, the Owner shall give the Company, the Lenders and Collateral Agent prompt notice thereof (an "*Aircraft Casualty Notice*").

The Company, upon receipt of the Aircraft Casualty Notice, may specify whether it shall:

(a) demand that the Owner pay to Company the Casualty Amount of the Airframe or Engines suffering such Casualty, together with all other Interest then due and owing and, if such amount is paid on a date which is not a Payment Date, an amount equal to the Applicable Administrative Charge with respect to such Casualty Amount on the Casualty Settlement Date; or

(b) permit the Owner to elect to replace the Airframe or an Engine with respect to which the Casualty has occurred pursuant to the following provisions of this **Section 7.1**, *provided* that upon the occurrence and during the continuance of a Default or an Aircraft Event of Default or in the event such Casualty is pursuant to the last sentence of the definition thereof, Company shall be obligated, at the option of the Required Lenders, to require the payments referred to in **clause (a)** above and shall not be entitled to offer any right of election of replacement pursuant to this **clause (b)**.

If Company has elected, or is obligated, to demand payment of the Casualty Amount pursuant to **clause (a)** above, World Travel shall continue to make all payments of interest due under the Intercompany Note until and including the Casualty Settlement Date. Upon payment of the Casualty Amount in respect of the Airframe or an Engine suffering Casualty on such Casualty Settlement Date

11

together with all Interest then due and owing and the application thereof pursuant to Section 3.8 of the Loan Agreement, the remaining interest and principal under the Intercompany Note shall be reduced by an amount equal to the product of the scheduled amount of each such payment (determined in each case prior to the receipt of such Casualty Amount), multiplied by the Item Value Fraction of the Airframe or Engine with respect to which the Casualty suffering such Casualty or series of Casualties.

Airframe Replacements—If the Owner elects (by written notice delivered to the Company within 10 Business Days of the Casualty) to replace the Airframe suffering a Casualty, and such replacement is permitted under the foregoing **clause (b)**, the Owner may make subject to this Security Agreement, not later than the Casualty Settlement Date with respect to such Airframe, a Replacement Airframe meeting the suitability standards set forth in Section 8.1 of the Loan Agreement. World Travel shall cause such documents, opinions and deliveries as set forth in Section 8.1 of the Loan Agreement to be executed and delivered to Company in order to subject such Replacement Airframe to this Security Agreement, and upon such execution and delivery and the receipt by Company, such Replacement Airframe shall be deemed an "*Airframe*" for all purposes hereof.

Engine Replacements—If the Owner elects (by written notice delivered to the Company within 10 Business Days of the Casualty) to replace an Engine suffering a Casualty, and such replacement is permitted under the foregoing **clause (b)**, the Owner may make subject to this Security Agreement, not later than the Casualty Settlement Date with respect to such Engine, a Replacement Engine meeting the suitability standards hereinafter set forth in Section 8.1 of the Loan Agreement. World Travel shall cause such documents, opinions and deliveries as set forth in Section 8.1 of the Loan Agreement to be executed and delivered to Company in order to subject such Replacement Engine to this Security Agreement, and upon such execution and delivery and the receipt by the Company, such Replacement Engine shall be deemed an "*Engine*" for all purposes hereof.

Subject to the terms of the Loan Agreement, if (i) the Company has received the amount payable with respect to the Casualty and all other amounts due, or (ii) the Airframe or Engines have been substituted in accordance herewith, and, in each case, no Default or Aircraft Event of Default exists, the Owner shall be

entitled to receive from the Company the proceeds of any recovery in respect of the Airframe or Engines from insurance or otherwise, to the extent recovered by Company, subject to the rights of any insurer insuring the Airframe or Engines as provided herein. In such event, the Company shall execute and deliver to the Owner, or to its assignee or nominee, a release for the Airframe or Engines, and such other documents as may be required to release the Airframe or Engines from the terms of this Security Agreement, in such form as may reasonably be requested by the Owner. All fees, costs and expenses relating to a substitution as described herein shall be borne by the Owner. Except as otherwise provided in this **Section 7.1**, the Owner shall not be released from its obligations hereunder in the event of, and shall bear the risk of, any Casualty to any Airframe or Engine prior to or during the term of the Intercompany Note and thereafter until all of the Owner's obligations hereunder are fully performed.

Subject to the terms of the Loan Agreement, any payments (including, without limitation, insurance proceeds) received at any time by Company from any Authority or other party with respect to any loss or damage to any Airframe or Engines not constituting a Casualty (i) up to \$500,000, shall be paid to the Owner, so long as no Default or Aircraft Event of Default shall have occurred and be continuing, for application to repair or replacement of property in accordance with **Sections 7.1** and **4.3** or (ii) in excess of \$500,000, shall be held by Collateral Agent and applied directly in payment of repairs or for replacement of property in accordance with the provisions of **Sections 7.1** and **4.3**, if not already paid by the Owner, or if already paid by Company and no Default or Aircraft Event of Default shall have occurred and be continuing, shall be applied to reimburse the Owner for such payment, and any balance remaining after compliance with said Sections with respect to such loss or damage shall be retained by or disbursed to (as applicable) the Owner.

12

THE OWNER HEREBY ASSUMES ALL RISK OF LOSS, DAMAGE, THEFT, TAKING, DESTRUCTION, CONFISCATION, REQUISITION, COMMANDEERING, TAKING BY EMINENT DOMAIN OR CONDEMNATION, PARTIAL OR COMPLETE, OF OR TO THE AIRFRAME AND ENGINES, HOWEVER CAUSED OR OCCASIONED, SUCH RISK TO BE BORNE BY THE OWNER WITH RESPECT TO THE AIRFRAME AND ENGINES. THE OWNER AND WORLD TRAVEL AGREE THAT NO OCCURRENCE SPECIFIED IN THE PRECEDING SENTENCE SHALL IMPAIR, IN WHOLE OR IN PART, ANY OBLIGATION OF WORLD TRAVEL UNDER THE WORLD LIABILITIES.

Section 7.2. Insurance Coverages. To the extent not otherwise maintained by the Company pursuant to Section 8.2 of the Loan Agreement, World Travel shall at all times, at its expense, cause to be carried and maintained with financially sound and reputable insurers, insurance against loss or damage to the Aircraft, of the kinds and in the amounts to be maintained with respect to the Aircraft pursuant to Section 8.2 of the Loan Agreement.

Nothing in this **Section 7.2** shall prohibit Lenders or Collateral Agent from obtaining insurance for its own account and at its own expense and any proceeds payable thereunder shall be payable as provided in the insurance policy relating thereto, *provided* that no such insurance may be obtained which would limit or otherwise adversely affect the coverage or payment of any insurance required to be obtained or maintained by Company pursuant to this **Section 7.2**.

Section 7.3. Insurance Certificates and Policies. To the extent not performed by the Company pursuant to the Loan Agreement, prior to the Initial Advance Date, and thereafter not less than 20 days prior to the expiration dates of the expiring policies theretofore delivered pursuant to **Section 7.2**, the Owner and World Travel shall deliver to Collateral Agent and the Lenders certificates issued by the insurer(s) or insurance broker(s) for the insurance maintained pursuant to **Section 7.2** together with a copy of the insurance policies; *provided, however*, that if the delivery of any certificate is delayed, Company shall not be deemed to be in violation of the obligation to deliver such certificate if, within such 20 day period, Company delivers an executed binder with respect thereto and thereafter delivers the certificate upon receipt thereof.

SECTION 8. DEFAULTS AND REMEDIES.

Section 8.1. Defaults. (a) The occurrence, or the existence of any Event of Default under the Loan Agreement, shall constitute an "Aircraft Event of Default" hereunder.

(b) With respect to the Aircraft Collateral, upon the occurrence and during the continuation of any Aircraft Event of Default hereunder, the Company shall have, in addition to all other rights provided herein or by law, the rights and remedies of a secured party under the FAA or the UCC (regardless of whether the UCC is the law of the jurisdiction where the rights or remedies are asserted and regardless of whether the UCC applies to the affected Aircraft Collateral), and further the Company may, without demand and without advertisement, notice, hearing or process of law, all of which the Owner and World Travel hereby waive, at any time or times, sell and deliver any or all Aircraft Collateral held by or for it at public or private sale, for cash, upon credit or otherwise, at such prices and upon such terms as the Company deems advisable, in its sole discretion, provided that said disposition complies with any and all Requirements of Law. In addition to all other sums due the Company, the Collateral Agent or any Lender, World Travel shall pay the Company, the Collateral Agent and any Lender all costs and expenses incurred by the Company, the Collateral Agent or such Lender, including a reasonable allowance for attorneys' fees and court costs, in obtaining, liquidating or enforcing payment of Aircraft Collateral or World Liabilities or in the prosecution or defense of any action or proceeding by or against the Company, the Collateral Agent, such Lender or the Owner concerning any matter arising out of or connected with this Security Agreement or the Aircraft Collateral or World Liabilities, including without limitation any of the foregoing arising in, arising under or related to a case under the United States Bankruptcy Code (or any successor statute). Any requirement of reasonable notice shall be met if such notice is personally served on or mailed, postage prepaid, to the Owner in accordance with **Section 4** hereof at least 10 days before the time of sale or

13

other event giving rise to the requirement of such notice; however, no notification need be given to the Owner if the Owner has signed, after an Aircraft Event of Default hereunder has occurred, a statement renouncing any right to notification of sale or other intended disposition. The Company shall not be obligated to make any sale or other disposition of the Aircraft Collateral regardless of notice having been given. The Company, the Collateral Agent or any Lender may be the purchaser at any such sale. To the extent permitted by applicable law, the Owner hereby waives all of its rights of redemption from any such sale. Subject to the provisions of applicable law, the Company may postpone or cause the postponement of the sale of all or any portion of the Aircraft Collateral by announcement at the time and place of such sale, and such sale may, without further notice, be made at the time and place to which the sale was postponed or the Company may further postpone such sale by announcement made at such time and place.

(c) With respect to all of the Aircraft Collateral, without in any way limiting the foregoing, the Company shall, upon the occurrence and during the continuation of any Aircraft Event of Default hereunder, have the right, in addition to all other rights provided herein or by law, to take physical possession of any and all of the Aircraft Collateral and anything found therein, the right for that purpose to enter without legal process any premises where such Aircraft Collateral

may be found (*provided* such entry be done lawfully), and the right to maintain such possession on the Owner's or World Travel's premises (the Owner and World Travel hereby agreeing to lease such premises without cost or expense to the Company or its designee if the Company so requests) or to remove the Aircraft Collateral or any part thereof to such other places as the Company may desire. Upon the occurrence and during the continuation of any Aircraft Event of Default hereunder, the Owner and World Travel shall, upon the Company's demand, assemble the Aircraft Collateral and make it available to the Company at a place designated by the Company. If the Company exercises its right to take possession of the Aircraft Collateral, the Owner and World Travel shall also at its expense perform any and all other steps reasonably requested by the Company to preserve and protect the security interest hereby granted in such Aircraft Collateral, such as placing and maintaining signs indicating the security interest of the Company, appointing overseers for such Aircraft Collateral and maintaining inventory records.

(d) Failure by the Company to exercise any right, remedy or option under this Security Agreement or any other agreement between the Owner and the Company or provided by law, or delay by the Company in exercising the same, shall not operate as a waiver; no waiver hereunder shall be effective unless it is in writing, signed by the party against whom such waiver is sought to be enforced and then only to the extent specifically stated. Neither the Company nor any party acting as attorney for the Company shall be liable hereunder for any acts or omissions or for any error of judgment or mistake of fact or law other than their gross negligence or willful misconduct. The rights and remedies of the Company and the Lenders under this Agreement shall be cumulative and not exclusive of any other right or remedy which the Company or the Lenders may have.

Section 8.2. Sale of Aircraft Collateral. In addition to the remedies set forth in **Section 8.1**, if any Aircraft Event of Default shall occur, Company may, but is not required to, sell the Aircraft Collateral in one or more sales. Any Lender, the Collateral Agent or the Company may purchase all or any part of the Aircraft Collateral at such sale. The Owner acknowledges that sales for cash or on credit to a wholesaler, retailer or user of such Aircraft Collateral, or at public or private auction, are all commercially reasonable. Any notice required by law of intended disposition by Company shall be deemed reasonably and properly given if given at least 10 days before such disposition.

Section 8.3. Application of Sale Proceeds. All payments received and amounts held or realized by Company at any time when an Aircraft Event of Default shall be continuing as well as all payments or amounts then held or thereafter received by Company and the proceeds of sale pursuant to **Section 8.2** shall be distributed to the Company for distribution in accordance with Section 3.8 of the Loan Agreement.

14

Section 8.4. Power of Attorney. The Owner unconditionally and irrevocably appoints Company as its true and lawful attorney-in-fact, with full power of substitution, to the extent permitted by Requirements of Law, in its name and stead and on its behalf, solely for the purpose of effectuating any sale, assignment, transfer or delivery under this **Section 8**, if an Aircraft Event of Default occurs and is continuing, whether pursuant to foreclosure or power of sale or otherwise, and in connection therewith and during an Aircraft Event of Default to execute and deliver all such deeds, bills of sale, assignments, releases (including releases of this Security Agreement on the records of any Authority) and other proper instruments as Company may reasonably consider necessary or appropriate. The Owner ratifies and confirms all that such attorney or any substitute shall lawfully do by virtue hereof. If requested by Company or any purchaser, the Owner shall ratify and confirm any such lawful sale, assignment, transfer or delivery by executing and delivering to Company or such purchaser, all deeds, bills of sale, assignments, releases and other proper instruments to effect such ratification and confirmation as may be designated in any such request.

Section 8.5. Remedies Cumulative; Consents. To the extent permitted by, and subject to the mandatory requirements of any Requirements of Law, each and every right, power and remedy herein specifically given to Company or otherwise in this Agreement shall be cumulative and shall be in addition to every other right, power and remedy herein specifically given or now or hereafter existing at law, in equity or by statute, and each and every right, power and remedy whether specifically herein given or otherwise existing may be exercised from time to time and as often and in such order as may be deemed expedient by Company, and the exercise or the beginning of the exercise of any power or remedy shall not be construed to be a waiver of the right to exercise at the same time or thereafter any right, power or remedy. Company's or the Lender's consent to any request made by the Owner shall not be deemed to constitute or preclude the necessity for obtaining Company's or the Lenders' consent in the future to all similar requests. To the extent permitted by any Requirements of Law, the Owner hereby waives any rights now or hereafter conferred by statute or otherwise that may require Company or the Lenders to sell, lease or otherwise use the Aircraft or any part thereof in mitigation of Company's, or the Lenders' damages upon the occurrence of an Aircraft Event of Default or that may otherwise limit or modify any of Company's or the Lenders' rights hereunder.

Section 8.6. Allocation of Aircraft Collateral. All cash proceeds received by the Company in respect of any sale of, collection from, or other realization upon all or any part of the Aircraft Collateral shall be held by the Company, and shall be promptly paid over by the Company to the Collateral Agent to be distributed in accordance with the terms of Section 3.8 of the Loan Agreement.

SECTION 9. GENERAL PROVISIONS.

Section 9.1. Document. This Security Agreement and the Intercompany Note are executed pursuant to the Loan Agreement and shall (unless otherwise expressly indicated herein) be construed, administered and applied in accordance with the terms and provisions the Loan Agreement.

Section 9.2. Amendments; Etc. No amendment to or waiver of any provision of this Security Agreement nor consent to any departure by the Owner or World Travel herefrom, shall in any event be effective unless the same shall be in writing and signed by the Company, with the consent of the Required Lenders, and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given.

Section 9.3. Notices. All notices and other communications provided for hereunder shall be in writing (including telegraphic and facsimile communication) and, if to the Collateral Agent or the Lenders, delivered in accordance with Section 13.6 of the Loan Agreement, or in the case of the Company the Owner or World Travel, delivered to the respective addresses as set forth beneath each party's name on the signature pages hereto.

15

Section 9.4. Section Captions. Section captions used in this Security Agreement are for convenience of reference only, and shall not affect the construction of this Security Agreement.

Section 9.5. Severability; No Waiver. Wherever possible each provision of this Security Agreement shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Security Agreement shall be prohibited by or invalid under such law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Security Agreement. No delay on the part of the Company in the exercise of any right or remedy shall operate as a waiver thereof, and no single or partial exercise by the Company of any right or remedy shall preclude other or further exercise thereof or the exercise of any other right or remedy.

Section 9.6. Governing Law. THIS SECURITY AGREEMENT SHALL BE CONSTRUED AND ENFORCED IN ACCORDANCE WITH, AND THE RIGHTS OF THE PARTIES SHALL BE GOVERNED BY, THE LAW OF THE STATE OF NEW YORK EXCLUDING CHOICE-OF-LAW PRINCIPLES OF THE LAW OF SUCH STATE THAT WOULD REQUIRE THE APPLICATION OF THE LAWS OF A JURISDICTION OTHER THAN SUCH STATE.

Section 9.7. Counterparts. This Security Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original, and all of which shall together constitute but one and the same agreement.

Section 9.8. Risk of Loss. AS BETWEEN THE OWNER AND THE COLLATERAL AGENT, AS ASSIGNEE OF THE COMPANY, THE OWNER HEREBY ASSUMES ALL RISK OF LOSS, DAMAGE, THEFT, TAKING, DESTRUCTION, CONFISCATION, REQUISITION, COMMANDEERING, TAKING BY EMINENT DOMAIN OR CONDEMNATION, PARTIAL OR COMPLETE, OF OR TO THE AIRFRAME AND EACH ENGINE, HOWEVER CAUSED OR OCCASIONED, SUCH RISK TO BE BORNE BY THE OWNER WITH RESPECT TO THE AIRFRAME AND EACH ENGINE. THE OWNER AGREES THAT NO OCCURRENCE SPECIFIED IN THE PRECEDING SENTENCE SHALL IMPAIR, IN WHOLE OR IN PART, ANY OBLIGATION OF THE OWNER UNDER THIS SECURITY AGREEMENT.

Section 9.9. Principal Waivers. All signers and endorsers hereof are to be regarded as principals hereunder, jointly and severally, if more than one. Nothing contained herein shall require the Company or the Collateral Agent, as assignee of the Company, as a condition to exercising and of its rights or remedies hereunder, to first seek or exhaust any remedy against World Travel, its successors or assigns, or any other person obligated with respect to the World Liabilities, or to first foreclose, or exhaust or proceed against any other collateral or security which may be given to secure any of the World Liabilities. The Owner agrees that its liabilities and obligations under this and any other Loan Documents are unconditional, irrespective of and unaffected by any of the following actions or circumstances (regardless of any notice to or consent of the Owner or the Collateral Agent): (i) any extension, renewal, amendment, change, waiver, or other modification of any of the Loan Documents or the Intercompany Note, (ii) the absence of, or delay in, any action to enforce the terms of any Loan Document, the Intercompany Note or this Security Agreement, (iii) the Company's or the Collateral Agent's failure or delay in obtaining any guaranty or other collateral securing the World Liabilities, (iv) the release of, or extension of time for payment or performance by, or any other indulgence granted to World Travel or any other person with respect to the World Liabilities, by operation of law or otherwise, (v) the existence, value, condition, loss, subordination, or release (with or without substitution) of, or failure to have title to or perfect and maintain a security interest in, any other collateral, or the time, place and manner of any sale or other disposition of any other collateral given in connection with the World Liabilities, (vi) World Travel's voluntary or involuntary bankruptcy, assignment for the benefit of creditors, reorganization, or similar proceedings affecting World Travel or its assets, or (vii) any other action or circumstances which might otherwise constitute a legal or equitable discharge or defense of a surety or guarantor. The Owner warrants that it has adequate means to obtain from World Travel on a continuing basis financial data and other information regarding World Travel and is not relying upon the Company or the Collateral Agent to provide any such data or other information. Except as expressly provided herein, the Owner waives presentment, demand for payment, notice of nonpayment, protest, notice of protest, and notice of dishonor of the Intercompany Note or of any of the World Liabilities secured hereby.

AGREEMENT

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and as an inducement to the Lender Beneficiaries and the Disbursement Agent to enter into the Facility Agreements and the Disbursement Agreement, Completion Guarantor hereby consents and agrees as follows:

1. *Guaranty.*

(a) The undersigned Completion Guarantor, as primary obligor and not merely as surety, unconditionally and irrevocably guarantees to (i) the Bank Agent acting on behalf of the Bank Lenders, and (ii) the Indenture Trustee acting on behalf of the Second Mortgage Note Holder(s), (A) the performance by the Company of its obligation under the Disbursement Agreement to achieve Completion on or before the Scheduled Completion Date and thereafter to achieve Final Completion, (B) payment and performance when due, whether by acceleration or otherwise, of the full amount of any and all obligations and liabilities of the Company under Sections 5.8.1, 5.8.3 and the last sentence of Section 5.21 of the Disbursement Agreement (the "*Relevant Provisions*"), and (C) the payment or performance when due of all other "Obligations" (as defined in the Disbursement Agreement) of the Loan Parties under the Credit Agreement and the Second Mortgage Notes Indenture, whether by acceleration or otherwise, together with all expenses incurred by the

Disbursement Agent or the Lender Beneficiaries in enforcing any of such obligations and liabilities or the terms hereof, including, without limitation, reasonable fees and expenses of legal counsel (collectively, the "Obligations"), and agrees that if for any reason the Company shall fail to pay or perform when due any of such Obligations, Completion Guarantor will pay or perform the same forthwith. Notwithstanding any other provision hereof, Completion Guarantor's aggregate liability under this *Section 1(a)*, excluding any amounts payable under *Section 18* below and any amounts transferred from the Completion Guaranty Deposit Account to the Company Funds Account pursuant to *Section 2(e)* below, shall in no event exceed Fifty Million Dollars (\$50,000,000) (the "Liability Cap"). Amounts payable by Completion Guarantor under *Section 18* below and amounts transferred from the Completion Guaranty Deposit to the Company's Funds Account shall be disregarded for purposes of the Liability Cap. Completion Guarantor waives notice of acceptance of this Guaranty and of any obligation to which it applies or may apply under the terms hereof, and waives diligence, presentment, demand of payment, notice of dishonor or non-payment, protest, notice of protest, of any such obligations, suit or taking other action by the Disbursement Agent, the Lender Beneficiaries or Lenders against, and

2

giving any notice of default or other notice to, or making any demand on, any party liable thereon (including Completion Guarantor).

(b) This Guaranty is a primary obligation of Completion Guarantor and is an absolute, unconditional, continuing and irrevocable guaranty of payment and not of collectibility and is in no way conditioned on or contingent upon any attempt to enforce in whole or in part the Company's liabilities and obligations to the Funding Agents, the Lenders and the Disbursement Agent. Subject to the Liability Cap set forth in *Section 1(a)* above, if the Company shall fail to pay any of the Obligations as and when they are due, Completion Guarantor shall forthwith pay such Obligations in immediately available funds. Each failure by the Company to pay any Obligations shall give rise to a separate cause of action herewith, and separate suits may be brought hereunder as each cause of action arises.

(c) The Funding Agents or the Lenders may, in accordance with the Financing Agreements, at any time and from time to time (whether or not after revocation or termination of this Guaranty) without the consent of or notice to Completion Guarantor, except such notice as may be required by the Financing Agreements or applicable law which cannot be waived, without incurring responsibility to Completion Guarantor, without impairing or releasing the obligations of Completion Guarantor hereunder, upon or without any terms or conditions and in whole or in part, (i) change the manner, place and terms of payment or change or extend the time of payment of, renew, or alter any Obligation, or any obligations and liabilities (including any of those hereunder) incurred directly or indirectly in respect thereof or hereof or in any manner modify, amend or supplement the terms of any Facility Agreement, the Disbursement Agreement (including the Relevant Provisions) or any documents, instruments or agreements executed in connection therewith (in each case, with the consent of the Company if required by such documents) and the guaranty herein made shall apply to the Obligations, changed, extended, renewed, modified, amended, supplemented or altered in any manner; (ii) exercise or refrain from exercising any rights against the Company or others (including Completion Guarantor) or otherwise act or refrain from acting; (iii) add or release any other guarantor from its obligations without affecting or impairing the obligations of Completion Guarantor hereunder; (iv) settle or compromise any Obligations and/or any obligations and liabilities (including any of those hereunder) incurred directly or indirectly in respect thereof or hereof, and may subordinate the payment of all or any part thereof to the payment of any obligations and liabilities which may be due to the Lenders or others; (v) sell, exchange, release, surrender, realize upon or otherwise deal with in any manner or in any order any property by whomsoever pledged or mortgaged to secure or howsoever securing the Obligations or any liabilities or obligations (including any of those hereunder) incurred directly or indirectly in respect thereof or hereof and/or any offset thereagainst; (vi) apply any sums by whomsoever paid or howsoever realized to any obligations and liabilities of the Company and the other Loan Parties to the Funding Agents and the Lenders under any of the Financing Agreements in the manner provided therein regardless of what obligations and liabilities remain unpaid; (vii) consent to or waive any breach of, or any act, omission or default under, any Facility Agreement or the Disbursement Agreement (including the obligation to achieve Completion on or before the Scheduled Completion Date, the obligation to achieve Final Completion or the obligation set forth in the Relevant Provisions) or otherwise amend, modify or supplement (with the consent of the Company or other Loan Parties, if required by such documents) any Facility Agreement or the Disbursement Agreement (including the obligation to achieve Completion on or before the Scheduled Completion Date, the obligation to achieve Final Completion, or the obligation set forth in the Relevant Provisions) or any of such other instruments or agreements; and/or (viii) act or fail to act in any manner referred to in this Guaranty which may deprive Completion Guarantor of any right to subrogation which Completion Guarantor may, notwithstanding the provisions of *Section 7*, have against the Company or the

3

other Loan Parties to recover full indemnity for any payments made pursuant to this Guaranty or of any right of contribution which Completion Guarantor may have against any other party.

(d) No invalidity, irregularity or unenforceability of the Obligations shall affect, impair, or be a defense to this Guaranty, which is a primary obligation of Completion Guarantor.

(e) This is a continuing Guaranty and all obligations to which it applies or may apply under the terms hereof shall be conclusively presumed to have been created in reliance hereon. In the event that, notwithstanding the provisions of *Section 1(a)* hereof, this Guaranty shall be deemed revocable in accordance with applicable law, then any such revocation shall become effective only upon receipt by the Bank Agent, the Indenture Trustee and the Disbursement Agent of written notice of revocation signed by Completion Guarantor. No revocation or termination hereof shall affect in any manner rights arising under this Guaranty with respect to Obligations (i) arising prior to receipt by the Bank Agent, the Indenture Trustee and the Disbursement Agent of written notice of such revocation or termination and the sole effect of revocation and termination hereof shall be to exclude from this Guaranty Obligations thereafter arising which are unconnected with Obligations theretofore arising or transactions theretofore entered into or (ii) arising as a result of an Event of Default under the Disbursement Agreement occurring by reason of the revocation or termination of this Guaranty.

(f) (i) Except as otherwise required by law, each payment required to be made by Completion Guarantor hereunder shall be made without deduction or withholding for or on account of Taxes. If such deduction or withholding is so required, Completion Guarantor shall, upon notice thereof from the Bank Agent, the Indenture Trustee or the Disbursement Agent, (A) pay the amount required to be deducted or withheld to the appropriate authorities before penalties attach thereto or interest accrues thereon, (B) on or before the sixtieth (60th) day after payment of such amount, forward to the Bank Agent, the Indenture Trustee and the Disbursement Agent an official receipt evidencing such payment (or a certified copy thereof), and (C) in the case of any such deduction or withholding, forthwith pay to the Disbursement Agent for application in accordance with the Disbursement Agreement such additional amount as may be necessary to ensure that the net amount actually received by the Disbursement Agent free and clear of such Taxes, including any Taxes on such additional amount, is equal to the amount that the Disbursement Agent would have received had there been no such deduction or withholding.

(ii) As used herein, the term "Tax" means any present or future tax, levy, impost, duty, charge, assessment or fee of any nature (including interest, penalties and additions thereto) that is imposed by any government or other taxing authority in respect of any payment under this Guaranty other than (A) any income, franchise, transfer, inheritance, capital stock or similar tax imposed upon the gross or net income of any Lender by the United States, any state of the United States, any jurisdiction where any Lender is organized and/or the jurisdiction in which is located any office from or at which any Lender is making or maintaining any Loans under the Bank Credit Facility or acquiring the Mortgage Note(s), as the case may be, or receiving any payments under any of the Financing Agreements and (B) any stamp, registration, documentation or similar tax.

2. Completion Guaranty Deposit Account.

(a) As security for Completion Guarantor's obligations hereunder, Completion Guarantor shall, on or prior to the Closing Date, establish or cause to be established the Completion Guaranty Deposit Account and deposit in the Completion Guaranty Deposit Account, in cash or Permitted Investments, Fifty Million Dollars (\$50,000,000).

4

(b) The Lender Beneficiaries shall have the right to withdraw funds from the Completion Guaranty Deposit Account at the following times and in the following amounts:

(i) On any date on which the Company is required to (but does not prior to 11:00 a.m. New York, New York time) deposit amounts in the Company's Funds Account or the Disbursement Account, pursuant to *Section 5.8.3* of the Disbursement Agreement, in an amount equal to the lesser of (A) the amount so required to be deposited and (B) the greater of (x) the amount which is permitted to be withdrawn from the Completion Guaranty Deposit Account on such date pursuant to *Section 5.8.3* of the Disbursement Agreement and (y) from and after the initial Advance Under the Bank Credit Facility, such greater amount as may be authorized by the Bank Agent; and

The Bank Agent on behalf of the Bank Lenders and the Trustee on behalf of the Second Mortgage Note Holders acknowledge and agree that FF&E Account Collateral and the Aircraft Collateral secure only the FF&E Secured Obligations, and no Project Secured Party in its capacity as such (it being understood that any such party may also be an FF&E Lender and shall, in its capacity as an FF&E Lender, enjoy all of the rights and protections provided to the FF&E Lenders hereunder and under the other Financing Agreements) shall have, or claim to have, now or at any time hereafter any liens thereon or any security interest therein (other than a judgment lien obtained as an unsecured creditor). Notwithstanding any other provision in any Financing Agreement to the contrary, other than insurance proceeds and proceeds from the sale or other disposition of the FF&E Collateral received in accordance with the terms of this Agreement and the FF&E Security Documents, in no event whatsoever shall the liens and other security interests to be created and perfected by the FF&E Security Documents evidencing and securing the FF&E Secured Obligations attach to any revenues, income, rents or other profits generated by the Project (including, without limitation, any revenues, income, rents or other profits associated with the FF&E Collateral) (other than a judgment lien obtained as an unsecured creditor). Nothing in this Agreement shall affect, limit or otherwise restrict the right and ability of the Bank Agent and the Bank Lenders and (subject to the Project Lenders Intercreditor Agreement) the Indenture Trustee and the Second Mortgage Note Holders to exercise any remedy or enforce other rights (including foreclosure) upon any collateral other than the FF&E Collateral.

2.4 Confirmation of Liens.

2.4.1 Each Credit Party hereto hereby confirms and agrees that the liens and security interests held by or for the benefit of each Secured Party in the Collateral, as provided for in the preceding provisions of this *Section 2* shall secure all Obligations of the Company Group and any Person within the Company Group now or hereafter owing to such Secured Party under the applicable Facility throughout the term of this Agreement, in each case with the priority specified in this *Section 2*, notwithstanding (a) the availability of any other collateral to any Secured Party, (b) the actual date and time of execution, delivery, recording, filing and perfection of any of the Security Documents, or (c) the fact that any lien or security interest created by any of the Security Documents, or any claim with respect thereto, is or may be subordinated, avoided or disallowed in whole or in part under any Bankruptcy Law. All provisions of this Agreement, including but not limited to, all matters relating to the creation, validity, perfection, priority, subordination and release of the liens and security interests intended to be created by the Security Documents and all provisions regarding the allocation and priority of payments with respect to any Facility shall survive any Insolvency or

7

Liquidation Proceeding and be fully enforceable by and against each Credit Party hereto during any such proceeding.

2.4.2 In the event of an Insolvency or Liquidation Proceeding, each Credit Party further confirms and agrees that (i) the Obligations due and outstanding under and with respect to each Facility shall include all principal, additional advances permitted hereunder, Protective Advances made by such Credit Party, interest, default interest, LIBOR breakage and swap breakage, post petition interest and all other amounts due thereunder, for periods before and for periods after the commencement of any such proceedings, even if the claim for such amounts is disallowed pursuant to applicable law, and all proceeds from the sale or other disposition of any Collateral shall be paid to the applicable Secured Party (for application in accordance with the applicable Facility) in the order and priority provided for in this *Section 2* with respect to such Collateral notwithstanding the disallowance of any such claim or the invalidity or subordination of any lien on or security interest in such Collateral under applicable law and (ii) it will not request judicial relief or take any other action that would limit, invalidate, avoid or set aside the lien of any other Credit Party on the Collateral or any portion thereof or that would change the lien priorities described in *Section 2.1*.

2.5 Release of Liens.

2.5.1 The FF&E Agent agrees to release its respective liens on and security interests in the FF&E Component Collateral on the date on which the Discharge in respect of the FF&E Facility occurs in accordance with the terms of the FF&E Facility Agreement and this Agreement (including any Discharge of the FF&E Facility in connection with the exercise by the Eligible Payor of the Default Payoff Option in accordance with *Section 6* hereof).

2.5.2 The Bank Agent and the Indenture Trustee agree to release their respective liens on and security interests in the FF&E Component Collateral upon (a) completion of any foreclosure or similar sale of such FF&E Component Collateral in connection with the Exercise of Remedies by the FF&E Agent and the FF&E Lenders or (b) any other sale of the FF&E Component Collateral that is permitted by the Bank Financing Agreements and the Second Mortgage Notes Financing Agreements.

Any replacement items that are permitted under the FF&E Facility

Agreement and the Bank Credit Agreement to constitute FF&E Component Collateral shall constitute FF&E Collateral hereunder and shall be subject to the lien priorities set forth in *Section 2.1* above.

2.5.4 In connection with any release described in this *Section 2.5*, the FF&E Agent, the Bank Agent and/or the Indenture Trustee, as the case may be, agree to execute and deliver any documentation reasonably requested by the other Credit Parties to evidence such lien release.

In connection with any of the actions taken by the FF&E Agent or the FF&E Lenders in accordance with this *Section 3.2.1*, subject to *Section 3.8*, the Project Credit Parties waive any and all rights to affect the method or challenge the appropriateness of any action by the FF&E Agent or the FF&E Lenders with respect to the FF&E Component Collateral and

10

hereby consent to each of the FF&E Agent and the FF&E Lenders exercising or not exercising such rights and remedies as if no lien upon the FF&E Component Collateral securing the Bank Secured Obligations or the Second Mortgage Notes Secured Obligations, as the case may be, existed, except only that the Project Credit Parties reserve all rights granted by law (i) to request or receive notice of any sale of FF&E Component Collateral in foreclosure of any lien upon the FF&E Component Collateral securing the FF&E Secured Obligations and (ii) after the Discharge of the FF&E Facility, to redeem any FF&E Component Collateral or enforce any right to claim, take or receive proceeds of FF&E Component Collateral then remaining.

3.2.2 The FF&E Agent and the FF&E Lenders may at any time and from time to time, without the consent of or notice to the Project Credit Parties but subject to any applicable Standstill Period and to the provisions of *Section 4.2*, without incurring any responsibility or liability to such Project Credit Parties and without in any manner prejudicing, affecting or impairing the ranking or priority of the liens and the security interests in the FF&E Component Collateral created by the FF&E Security Documents or the rights and obligations of the Credit Parties hereunder:

- (a) make loans and advances to the Company Group or any Person within the Company Group or issue, guaranty or obtain letters of credit for the account of the Company Group or any Person within the Company Group or otherwise extend credit to the Company Group or any Person within the Company Group in any amount (subject to the provisions of the Bank Credit Agreement and the Second Mortgage Notes Indenture relating to the maximum amount of indebtedness) and on any terms, whether pursuant to a commitment or as a discretionary advance and whether or not any Potential Event of Default or Event of Default or failure of condition is then continuing;
- (b) change the manner, place or terms of payment or extend the time of payment of, or renew or alter, compromise, accelerate, extend or, subject to *Section 8.13* hereof, refinance (as permitted in *Section 8.13* below), any FF&E Secured Obligations or any agreement, guaranty or obligation of the Company Group or any Person within the Company Group or any other Person in any manner related thereto, or otherwise amend, supplement or change in any manner any FF&E Secured Obligations or any such agreement, guaranty or obligation;
- (c) increase or reduce the amount of any FF&E Secured Obligation (subject to the provisions of the Bank Credit Agreement and the Second Mortgage Notes Indenture relating to the maximum amount of indebtedness) or reduce the interest, premium, fees or other amounts payable in respect thereof;
- (d) release or discharge any FF&E Secured Obligation or any guaranty thereof or any agreement or obligation of the Company Group or any Person within the Company Group or any other Person with respect thereto;
- (e) take or fail to take any first priority lien in any FF&E Component Collateral or take or fail to take any action which may be necessary or appropriate to ensure that any lien upon the FF&E Component Collateral securing an FF&E Secured Obligation is duly enforceable or perfected or entitled to priority as against any other lien or to ensure that any proceeds of any FF&E Component Collateral are applied to the payment of any FF&E Component Secured Obligation or any other obligation secured thereby;

11

- (f) release, discharge or permit the lapse of any or all liens securing a FF&E Secured Obligation or any other liens upon any property at any time;
- (g) exercise or enforce, in any manner, order or sequence, or fail to exercise or enforce, any right or remedy against the Company or any guarantor or any FF&E Component Collateral or any right or power under the FF&E Security Documents and hereunder and apply any payment or proceeds of collateral in any order of application; or
- (h) sell, exchange, release, foreclose upon or otherwise deal with the FF&E Component Collateral.

3.2.3 Except for its gross negligence or willful misconduct, no (a) exercise, delay in exercising or failure to exercise any right arising under the FF&E Security Documents or this Agreement, (b) act or omission of the FF&E Agent or any FF&E Lender in respect of the Company Group or any Person within the Company Group or any other Person or FF&E Component Collateral or any right arising under the FF&E Security Documents and hereunder, (c) change, impairment, or suspension of any right or remedy of the FF&E Agent or any FF&E Lender with respect to the FF&E Component Collateral, or (d) other act, failure to act, circumstance, occurrence or event, including, without limitation, the acts listed in Section 3.2.2 above, which, but for this provision, would or could act as a release or exoneration of the agreements or obligations of the Project Credit Parties hereunder shall in any way affect, decrease, diminish or impair any of such agreements or obligations, including, without limitation, the lien subordination provisions set forth in Sections 2.1 and 3.1.

3.3 Certain Waivers by the Project Secured Parties. To the fullest extent permitted by law, until Discharge of the FF&E Secured Obligations, each Project Secured Party waives and agrees not to assert or enforce:

- (a) any right of subrogation to the rights or interests of the FF&E Agent or the FF&E Lenders in the FF&E Component Collateral or any claim or defense based upon impairment of any such right of subrogation;
- (b) any right of marshalling accorded to a junior lienholder in the FF&E Component Collateral, as against a priority lienholder in such Collateral, under equitable principles; and
- (c) any statutory right of appraisal or valuation of the FF&E Component Collateral accorded to a junior lienholder in a proceeding to foreclose a senior lien,

in each case, that otherwise may be enforceable in respect of any lien upon the FF&E Component Collateral securing the Bank Secured Obligations or the Second Mortgage Notes Secured Obligations as against the FF&E Agent or the FF&E Lenders; provided, however, that the foregoing shall not be construed as reducing or otherwise negating the obligation of the Company Group to pay, as part of the Bank Secured Obligations and the Second Mortgage Notes Secured Obligations any amounts advanced by the Bank Lenders or the Secured Mortgage Note Holders to pay any portion of the FF&E Secured Obligations.

3.4 Notification of Events of Default. Each Credit Party hereby agrees, for the benefit of each other Credit Party, to use its best efforts to provide or cause the Company to provide written notice to each other Credit Party as promptly as practicable after obtaining actual knowledge of the occurrence of an Event of Default under its respective Facility. No Credit Party shall have any liability to another for failing to provide or cause to be provided any such notice, but such release from liability shall not relieve the FF&E Agent's and the FF&E Lenders' obligation to refrain from the Exercise of Remedies until the expiration of the Standstill Period in accordance with and subject to the provisions of Section 3.5.

3.5 FF&E Standstill Period.

3.5.1 The delivery by the FF&E Agent or the Company to the Bank Agent and the Indenture Trustee of the notice referred to in Section 3.4 with respect to the occurrence of an Event of Default under the FF&E Facility Agreement, which notice references the commencement of the Standstill Period, shall, subject to the provisions of Section 3.5.3, commence a standstill period of 30 days (as may be extended pursuant to the terms of Section 3.5.2 below, the "**Standstill Period**"). Until the expiration of such Standstill Period:

- (a) unless otherwise agreed in writing by the Project Credit Party Agent, the FF&E Agent agrees not to Exercise Remedies (except and to the extent that such Exercise of Remedies is necessary to prevent the expiration of any applicable statute of limitations) unless (x) the Bank Agent or the Indenture Trustee Exercises Remedies (except and to the extent that such Exercise of Remedies is necessary to prevent the expiration of any applicable statute of limitations) or (y) an Insolvency or Liquidation Proceeding has commenced or been initiated with respect to the Company or any other Loan Party; and
- (b) if (i) all Events of Default under the FF&E Facility Agreement are cured (or waived to the satisfaction of the FF&E Lenders), (ii) all Events of Default under the Bank Credit Agreement are cured (or waived to the satisfaction of the Bank Lenders) and (iii) the Bank Agent notifies the FF&E Agent that the Bank Credit Agreement will be reinstated and that funding under the Bank Credit Agreement will recommence, the FF&E Agent agrees to reinstate the FF&E Facility Agreement and recommence funding thereunder in accordance with the terms of such FF&E Facility Agreement and the Disbursement Agreement.

3.5.2 So long as all interest, fees, indemnities and expenses of the FF&E Agent and the FF&E Lenders under the FF&E Financing Agreements are brought current on or before the 15th day following the commencement of the Standstill Period and thereafter kept current through the expiration of the Standstill Period (as may be extended pursuant to this paragraph), then (a) with respect to a Standstill Period commencing prior to the Completion of the Project, such Standstill Period shall be extended for a period of 30 days from the date on which such Standstill Period was to expire and (b) with respect to a Standstill Period commencing after the Completion of the Project, such Standstill Period shall be extended for a period of 15 days from the date on which such Standstill Period was to expire.

3.5.3 The provisions of this *Section 3.5* shall apply only to (a) the first Event of Default occurring under the FF&E Facility Agreement prior to the Completion of the Project in respect of which the Bank Agent and the Indenture Trustee receive a notice commencing the Standstill Period and (b) the first Event of Default occurring under the FF&E Facility Agreement after the Completion of the Project in respect of which the Bank Agent and the Indenture Trustee receive a notice commencing the Standstill Period; provided, however, that any Event of Default as to which, pursuant to the FF&E Facility Agreement and the vote of the applicable FF&E Lenders thereunder, the FF&E Lenders will exercise remedies only against the Aircraft Collateral and accelerate only the Aircraft Secured Obligations, shall not be taken into account for purposes of the foregoing.

3.6 Limitation of Liability.

3.6.1 Except as expressly set forth herein, no Credit Party will have any duty, express or implied, fiduciary or otherwise, to any other Credit Party.

3.6.2 To the maximum extent permitted by law, each Project Credit Party waives any claim it may have against the FF&E Agent or any FF&E Lender with respect to or arising out of

13

any action or failure to act or any error of judgment or negligence on the part of the FF&E Agent or such FF&E Lender or their respective directors, officers, employees or agents with respect to any exercise of rights or remedies in respect of the FF&E Component Collateral or any transaction relating to the FF&E Component Collateral and each Project Credit Party agrees that except as specifically provided herein the FF&E Agent and FF&E Lenders shall be entitled to manage and exercise their rights and remedies with respect to the FF&E Collateral in the manner they deem appropriate; provided that the foregoing shall not exculpate the FF&E Agent or any FF&E Lender from any liability arising out of the gross negligence or willful misconduct of the FF&E Agent or such FF&E Lender, as the case may be, or any of their respective directors, officers, employees or agents. Neither the FF&E Agent nor any FF&E Lender nor any of their respective directors, officers, employees or agents will be liable for failure to demand, collect or realize upon any of the FF&E Component Collateral or for any delay in doing so; provided that the foregoing shall not exculpate the FF&E Agent or any FF&E Lender from any liability arising out of the gross negligence or willful misconduct of the FF&E Agent or any such FF&E Lender, as the case may be, or any of their respective directors, officers, employees or agents, nor will the FF&E Agent or any FF&E Lender be under any obligation to sell or otherwise dispose of any FF&E Component Collateral upon the request of any Person within the Company Group or upon the request of any Project Credit Party or any other Person or to take any other action whatsoever with regard to the FF&E Component Collateral or any part thereof.

3.7 Cooperation with Foreclosure Purchaser. Each of the Bank Agent and the Indenture Trustee agree to cooperate with any Person that acquires the FF&E Component Collateral in a foreclosure proceeding or other sale proceeding to remove the FF&E Component Collateral from the Project. After any such foreclosure or other sale proceeding and if the FF&E Agent or such other purchaser has not removed the FF&E Component Collateral within forty-five (45) days following such foreclosure or other sale, then pending such removal by the FF&E Agent or such purchaser the Project Credit Party Agent may, at the cost and expense of the Secured Parties under its Facility, and in a manner reasonable satisfactory to the FF&E Agent or such other purchaser, remove such FF&E Component Collateral from the Project and store and insure the same for the FF&E Agent or such other purchaser in a manner reasonably satisfactory to such party. The FF&E Agent or such other purchase shall be required to pay the costs of such storage and insurance from and after the 91st day following such foreclosure or other sale.

3.8 Obligations of Project Credit Parties Limited to their Capacities as Junior Lien Holders. Each Credit Party acknowledges and agrees that notwithstanding anything to the contrary in this Agreement or the other Financing Agreements, the provisions of *Section 3* and *Section 5* of this Agreement apply to the Bank Agent, the Bank Lenders, the Indenture Trustee and the Second Mortgage Note Holders solely in their respective capacities as holders of liens secured by the FF&E Component Collateral. Nothing in *Section 3* or *Section 5* of this Agreement or the other Financing Agreements shall prevent or preclude the Bank Agent, the Bank Lenders, the Indenture Trustee or the Second Mortgage Note Holders from taking any action or asserting rights or claims which such parties may be entitled to take or assert in any other capacity (including, without limitation, any action or assertion of rights as holders of liens on and security interests in any Collateral pledged by any Person within the Company Group to such Credit Parties (other than the FF&E Component Collateral) and as holders of unsecured claims against the Company or any Person within the Company Group). Except as provided in *Section 2* and *Section 3.5* above, nothing in this Agreement or the other Financing Agreement shall prevent or preclude the FF&E Agent from taking any action or asserting any rights or claims which it may be entitled to take or assert as the holder of unsecured claims against the Company or any Person within the Company Group.

14

4. Other Intercreditor Provisions.

4.1 Waiver of Provisions Under Financing Agreements. Any Credit Party may, without the consent of any other Credit Party, defer any payments due under its Facility or waive any provisions thereof.

4.2 Amendments of Financing Agreements. Each of the FF&E Agent and the FF&E Lenders, the Bank Agent and the Bank Lenders and the Indenture Trustee and the Second Mortgage Note Holders (subject, in the case of the Indenture Trustee and the Second Mortgage Note Holders, to the Project Lenders Intercreditor Agreement) shall be permitted to enter into amendments, modifications and supplements with the Company Group of their respective Financing Agreements without the consent of any other party, including during any Standstill Period, *except* for amendments, modifications or supplements (i) increasing the applicable interest rate or fees, (ii) changing (to earlier or more frequent dates) the dates upon which payments of principal or interest are due thereon (iii) in the case of the FF&E Facility, (a) readjusting the amortization schedules of the indebtedness as between FF&E Component Secured Obligations and the other FF&E Secured Obligation so as to reduce the amortization of the FF&E Component Secured Obligations relative to the amortization of the other FF&E Secured Obligations or (b) permit to be prepaid or allocate to the FF&E Component Secured Obligations less than a pro rata portion of any prepayment made under the FF&E Facility (except for (A) prepayments made with the proceeds from the sale, disposition or casualty event with respect to a portion of the Collateral, which shall be used to prepay the obligations related to such Collateral and

(B) refinancings permitted under the Financing Agreements and Section 8.13 hereof), (iv) reducing the amount of the lending commitments thereunder at any time prior to Completion, (v) changing the redemption, prepayment, or defeasance provisions thereof, (vi) amend Section 7.5(e) of the Bank Credit Agreement or Section 7.5(e) of the FF&E Facility Agreement so as to reduce the aggregate fair market value of Property which the Company is permitted to dispose of in any Fiscal Year (as defined in each such Facility Agreement), (vii) which (a) in the case of the Bank Credit Facility, have the effect of prohibiting, limiting or restricting the prepayments of the FF&E Facility allowed pursuant to Section 7.9(a) of the Bank Credit Agreement and (b) in the case of the FF&E Facility, have the effect of prohibiting, limiting or restricting the prepayments of the Bank Credit Facility allowed pursuant to Section 7.9(a) of the FF&E Facility Agreement or (viii) in the case of the Bank Credit Facility, have the effect of prohibiting, limiting or restricting the substitution of FF&E Collateral, each of which amendments, modifications or supplements described in clauses (i) through (viii) above shall require the consent of the FF&E Agent and the Bank Agent.

4.3 Provisions Relating to Events of Loss and Loss Proceeds.

4.3.1 Upon the occurrence of an Event of Loss, the FF&E Agent will have the sole right to adjust settlement of all insurance claims and condemnation awards relating to FF&E Collateral and the Project Credit Party Agent will have the sole right to adjust settlement of all insurance claims and condemnation awards relating to any Collateral other than FF&E Collateral.

4.3.2 Any Loss Proceeds received prior to Final Completion shall, to the extent permitted by the Disbursement Agreement, be applied towards repair or restoration of the Project in accordance with the Disbursement Agreement.

4.3.3 The Credit Parties acknowledge that, from and after Final Completion, the Project Credit Party Agent is the loss payee under the Company's and the other Loan Parties' insurance policies and will receive and hold all Loss Proceeds payable to the Company or the other Loan Parties. Each of the Bank Agent and the Indenture Trustee hereby covenants and agrees, for so long as each such party is the Project Credit Party Agent, to hold any Loss

15

Proceeds so received in accordance with the terms hereof and to apply the same only as provided hereunder.

4.3.4 Any Loss Proceeds received prior to Final Completion which are not permitted to be applied towards repair or restoration of the Project and any Loss Proceeds received after Final Completion shall be applied as follows:

(i) if (A) all or any portion of such Loss Proceeds have been allocated by the payor thereof among the assets or property to which such Event of Loss relates or (B) such Loss Proceeds result from an Event of Loss involving exclusively a specific category of Collateral (for example, the Aircraft Collateral, the FF&E Component Collateral or the Hotel/Casino Collateral), such Loss Proceeds shall be paid over to the Credit Party with a prior lien priority in such assets or property as more specifically set forth in *Section 2* of this Agreement for application in accordance with the applicable Facility; and

(ii) any Loss Proceeds remaining after application of the preceding clause shall be allocated among the assets or property to which such Event of Loss relates in proportion to the magnitude of the losses (after giving effect to any allocation under clause (i) above) experienced by such assets or property based upon the diminution in value to such assets or property as a consequence of such Event of Loss. Upon completion of such allocation, the applicable Loss Proceeds shall be paid over to the applicable Credit Party with a prior lien priority in such assets or property as more specifically set forth in *Section 2* of this Agreement for application in accordance with the applicable Facility.

4.3.5 To the extent the Company is allowed and elects to restore or replace any FF&E Component Collateral using Loss Proceeds, only such restored or replacement items the cost of which is funded entirely with Loss Proceeds allocated to the FF&E Collateral in accordance with the principles of Section 4.3.4 above shall constitute FF&E Component Collateral hereunder and shall be subject to the lien priorities set forth in *Section 2.1* above.

Except as set forth in *Section 3.4* and *3.5*, no Credit Party shall have any duty to advise any other Credit Party of information regarding such condition or circumstances or as to any other matter. If any Credit Party or any Lender, in its sole discretion, undertakes at any time or from time to time to provide any such information to any other Credit Party or Lender it shall be under no obligation to provide any similar information on any subsequent occasion, to provide any additional information, or undertake any investigation, or to disclose any information which, pursuant to accepted or reasonable commercial finance practice, it wishes to maintain confidential.

6. Default Payoff Option. The FF&E Agent hereby grants the Eligible Payor the right (without any obligation) to pay off in cash, at any time when an Event of Default has occurred and is continuing under the FF&E Facility Agreement, all, but not less than all, of the principal of and interest on all FF&E Component Secured Obligations outstanding at the time of payment. The pay off amount shall be equal to 100% of the principal amount and accrued interest outstanding on the FF&E Component Secured Obligations on the date of payment (including fees and interest accruing after the commencement of an Insolvency or Liquidation Proceeding at the rate provided for in the FF&E Facility Agreement (regardless of whether such item is an allowed claim under applicable law) and any costs of collection) plus all other FF&E Component Secured Obligations (including any LIBOR breakage costs but excluding any prepayment or acceleration penalty or premium) then unpaid. Upon receipt of such payment in cash, all commitments under the FF&E Facility shall terminate and the FF&E Agent and the FF&E Lenders shall release their liens on and security interests in the FF&E Component Collateral in accordance with *Section 2.5* above.

- (d) the Indenture Trustee will cooperate, if necessary and as reasonably requested by the Bank Agent, in effecting the payment of insurance proceeds to the Bank Agent as described above.

In connection therewith, each of the Indenture Trustee and the Second Mortgage Note Holders waives any and all rights to affect the method or challenge the appropriateness of any action by the Bank Agent and the Bank Lenders and subject to Sections 3.2.2. and 3.2.3 below, hereby consents to each of the Bank Agent and the Bank Lenders exercising or not exercising such rights and remedies as if no lien securing the Second Mortgage Notes Secured Obligations existed, except only that the Indenture Trustee and the Second Mortgage Note Holders reserve all rights granted by law (i) to request or receive notice of any sale of Collateral in foreclosure of any Lien securing the Bank Secured Obligations and (ii) to redeem any Collateral or enforce any right to claim, take or receive proceeds of Collateral remaining after the Discharge of the Bank Secured Obligations as provided in Section 3.1.2(b).

3.2.2 Notwithstanding Section 3.2.1 above, if (a) the Bank Agent shall at any time record a Notice of Default in respect of an Event of Default under the Bank Credit Agreement and (b) on the date of such recordation the aggregate outstanding amount of Bank Secured Obligations is no greater than \$100,000,000, then neither the Bank Agent nor the Bank Lenders shall be entitled to complete a foreclosure against or other realization upon any portion of the Collateral that is material or essential to the construction or operation of the Project earlier than 180 days after the Bank Agent provides to the Indenture Trustee the notice contemplated in Section 3.3 in respect of such Event of Default. For purposes of the foregoing, the Project Credit Parties agree that neither the Phase II Land nor the equity interests in any Person within the Company Group that have been pledged to secure the Bank Secured Obligations shall at any time be deemed to be material or essential to the construction or operation of the Project.

3.2.3 (a) Notwithstanding Sections 3.1.1(c) and 3.2.1 above, the Indenture Trustee and the Second Mortgage Notes Holders shall be permitted to receive and retain, free from any liens or security interests in favor of the Bank Agent or the Bank Lenders, any and all payments made thereto by or on behalf of the Company Group or any Person within the Company Group, other than:

- (i) payments which are made during the Bank Financing Period in breach of any provision of the Bank Credit Agreement or Bank Security Documents;
- (ii) Payment of amounts during the Bank Financing Period which constitute proceeds from the sale, transfer or other disposition of any Collateral or proceeds from any insurance policy or condemnation settlement or award, in each case, in respect of any Collateral;

9

-
- (iii) payments obtained or received during the Bank Financing Period in connection with or as a result of any breach of Section 3.1(a) through (i) above; and
 - (iv) payments obtained or received during the Bank Financing Period (A) at any time after the Indenture Trustee has received written notice (and prior to the rescission of such notice) that a Blocking Event has occurred or (B) at any time after the commencement of an Insolvency or Liquidation Proceeding in respect of the Company Group or any Person within the Company Group.

The foregoing clauses (i) through (iv) shall not, however, prohibit payments to the Second Mortgage Note Holders consisting of Second Mortgage Notes Collateral. Any payment received by the Indenture Trustee or any Second Mortgage Note Holder (including, without limitation, payments and prepayments made for application against the Second Mortgage Notes Secured Obligations and all other payments and deposits made pursuant to any provision of the Second Mortgage Notes Indenture or any Second Mortgage Notes Security Documents) during the Bank Financing Period in violation of any of clauses (i) through (iv) above shall be held in trust for the benefit of the Bank Agent and the Bank Lenders and shall be turned over to the Bank Agent promptly upon the Bank Agent's request.

(b) Notwithstanding Section 3.2.1, from and after the occurrence of an Event of Default under the Bank Facility Agreement but so long as a Blocking Event has not occurred, the Bank Agent may seize control of the Accounts and the Accounts Collateral and issue instructions to the Disbursement Agent or any Securities Intermediary under any Collateral Account Agreement with respect to the Accounts and the Accounts Collateral (other than the Second Mortgage Notes Proceeds Collateral), provided that in such circumstances the Bank Agent (i) may not apply the Accounts Collateral against Bank Secured Obligations which have not become due and payable and (ii) may not restrict or prohibit the Company (or the Disbursement Agent or Securities Intermediary acting at the request of the Company) from (A) using Project revenues from and after the Opening Date to pay costs and expenses necessary or appropriate, in the reasonable judgment of the Bank Agent, to continue to operate the Project in the ordinary course or (B) using Project revenues to pay scheduled debt service in respect of the Bank Secured Obligations, the Second Mortgage Notes Secured Obligations or the FF&E Secured Obligations. None of the foregoing limitations on the Bank Agent's rights and remedies shall apply from and after the occurrence and during the continuance of a Blocking Event. In addition, in the event that pursuant to Section 7.27 of the Bank Credit Agreement, amounts on deposit in the Project Liquidity Reserve Account are permitted to be used to pay Debt Service on the Second Mortgage Notes, the Bank Agent shall upon receipt of a Note Debt Service Shortfall Notice from the Indenture Trustee, so long as no Blocking Event has occurred and is continuing, cause funds to be released from the Project Liquidity Reserve Account and paid to the Indenture Trustee in the amount set forth in the Note Debt Service Shortfall Notice or, if less, the amount permitted to be used for such purpose pursuant to Section 7.27 of the Bank Credit Agreement.

3.3 Notification of Events of Default. Each Credit Party hereby agrees, for the benefit of the other Credit Party, to use best efforts to provide written notice to such other Credit Party within 10 Business Days after obtaining actual knowledge of the occurrence or assertion of an Event of Default under their respective Facilities. Neither Credit Party shall have any liability to the other for failing to provide any such notice, but such release from liability shall not affect the Bank Agent's and the Bank Lenders' obligation under Section 3.2.2 above.

10

3.4 Certain Waivers by Note Holders. To the fullest extent permitted by law, the Indenture Trustee and the Second Mortgage Note Holders waive and agree not to assert or enforce at any time during the Bank Financing Period:

- (a) any right of subrogation to the rights or interests of the Bank Agent or the Bank Lenders or any claim or defense based upon impairment of any such right of subrogation;
- (b) any right of marshalling accorded to a junior lienholder, as against a priority lienholder, under equitable principles; and
- (c) any statutory right of appraisal or valuation accorded to a junior lienholder in a proceeding to foreclose a senior lien,

in each case, that otherwise may be enforceable in respect of any lien securing the Second Mortgage Notes Secured Obligations as against the Bank Agent or the Bank Lenders.

4. Rights and Limitations with Respect to Amendments, Waivers and Other Actions Under Facility Agreements.

4.1 Rights and Limitations Applicable to Note Holders. Prior to the Discharge of the Bank Secured Obligations, the Indenture Trustee will not enter into, and the Second Mortgage Note Holders will not authorize or direct, any amendment of or supplement to any Second Mortgage Notes Security Document relating to any Collateral that would make such Second Mortgage Notes Security Document inconsistent in any material respect with the comparable provisions of the Bank Security Document upon such Collateral. No such amendment or supplement will be enforceable. For purposes of the foregoing, (a) no inconsistency reflected in the Second Mortgage Notes Security Documents delivered at the time of the issuance of the Second Mortgage Notes, as compared with the corresponding provisions of the comparable Bank Security Document then in effect, will be subject to the provisions of this Section and (b) subject to clause (a) above, any provision granting rights or powers to the Indenture Trustee or any Second Mortgage Note Holder that are not granted to the Bank Agent and the Banks will constitute a material inconsistency.

4.2 Rights and Limitations Applicable to the Banks.

4.2.1 The Bank Agent and the Bank Lenders may at any time and from time to time, without the consent of or notice to the Indenture Trustee or any Second Mortgage Note Holder, without incurring any responsibility or liability to the Indenture Trustee or any Second Mortgage Note Holder and without in any manner prejudicing, affecting or impairing the ranking or priority of the liens and the security interests in the Collateral created by the Bank Security Documents or the rights and obligations of the Project Credit Parties hereunder:

- (a) make loans and advances to the Company Group or any Person within the Company Group or issue, guaranty or obtain letters of credit for account of the Company Group or any Person within the Company Group or otherwise extend credit to the Company Group or any Person within the Company Group in any amount (subject to the provisions of the Second Mortgage Notes Indenture relating to the maximum amount of first priority lien indebtedness) and on any terms, whether pursuant to a commitment or as a discretionary advance and whether or not any Default or Event of Default or failure of condition is then continuing;
- (b) change the manner, place or terms of payment or extend the time of payment of, or renew or alter, compromise, accelerate, extend or, subject to Section 8.13 hereof, refinance, any Bank Secured Obligations or any agreement, guaranty, lien or obligation of the Company Group or any Person within the Company Group or any other Person in any manner related thereto, or otherwise amend, supplement or change in any manner any Bank Secured Obligations or liens securing Bank Secured

11

Obligations or any such agreement, guaranty, lien or obligation; provided that notwithstanding any other provision herein to the contrary, the Bank Agent and the Bank Lenders may not amend Section 7.27 of the Bank Credit Agreement;

- (c) increase or reduce the amount of any Bank Secured Obligation (subject to the provisions of the Second Mortgage Notes Indenture relating to the maximum amount of the first priority lien indebtedness) or the interest, premium, fees or other amounts payable in

respect thereof;

- (d) release or discharge any Bank Secured Obligation or any guaranty thereof or any agreement or obligation of the Company Group or any Person within the Company Group or any other Person with respect thereto;
- (e) take or fail to take any first priority lien or any other collateral security for any Bank Secured Obligation or take or fail to take any action which may be necessary or appropriate to ensure that any lien securing a Bank Secured Obligation or any other lien upon any property is duly enforceable or perfected or entitled to priority as against any other lien or to ensure that any proceeds of any property subject to any lien are applied to the payment of any Bank Secured Obligation or any other obligation secured thereby;
- (f) release, discharge or permit the lapse of any or all liens securing a Bank Secured Obligation or any other liens upon any property at any time;
- (g) exercise or enforce, in any manner, order or sequence, or fail to exercise or enforce, any right or remedy against the Company or any Guarantor or any collateral security or any other Person or property in respect of any Bank Secured Obligation or any lien securing any Bank Secured Obligation or any right or power under the Bank Security Documents and hereunder and apply any payment or proceeds of collateral in any order of application; or
- (h) sell, exchange, release, foreclose upon or otherwise deal with any property that may at any time be subject to any lien securing any Bank Secured Obligation.

4.2.2 No (a) exercise, delay in exercising or failure to exercise any right arising under the Bank Security Documents or this Agreement, (b) act or omission of the Bank Agent or any Bank Lender in respect of the Company Group or any Person within the Company Group or any other Person or any collateral security for any Bank Secured Obligation or any right arising under the Bank Security Documents and hereunder, (c) change, impairment, or suspension of any right or remedy of the Bank Agent or any Bank Lender, or (d) other act, failure to act, circumstance, occurrence or event, including, without limitation, the acts listed in *Section 4.2.1* above, which, but for this provision, would or could act as a release or exoneration of the agreements or obligations of the Indenture Trustee or any Second Mortgage Note Holder hereunder shall in any way affect, decrease, diminish or impair any of such agreements or obligations, including, without limitation, the lien subordination provisions and the standstill obligations set forth in *Sections 2.1* and *3.1* hereof.

4.2.3 No amendment, supplement, waiver or change otherwise permitted by the Second Mortgage Notes Indenture in respect of the Bank Security Documents will be prohibited or in any manner restricted or affected by, or by reason of, the provisions of this Agreement.

4.3 Waivers and Deferrals of Payments. Any Project Credit Party may, without the consent of the other Project Credit Parties, defer any payments due under its Facility or waive any provisions thereof.

4.4 Waivers and Amendments Binding on Note Holders.

12

4.4.1 The Project Credit Parties agree that from and after the Initial Advance under the Bank Facility the Bank Agent shall have the exclusive right, without the consent of the Indenture Trustee (but subject to any right of the FF&E Agent to consent to such amendment or waiver to the extent such consent is required under the Disbursement Agreement and/or the FF&E Intercreditor Agreement), to amend the Disbursement Agreement or to waive any Default or Event of Default by or with respect to the Company or any Person within the Company Group under the Disbursement Agreement (*i.e.*, any Potential Event of Default or Disbursement Agreement Default), *provided, however*, that without the consent of the holders of a majority (in aggregate principal amount) of the Second Mortgage Notes, (a) such waiver of a Disbursement Agreement Default must be made not later than one hundred eighty (180) days following the applicable Disbursement Agreement Default Date, (b) the Bank Agent shall not waive any default or event of default which otherwise independently (not by cross-default or cross-reference to another agreement) constitutes a default or event of default under the Second Mortgage Notes Indenture, (c) the Bank Agent shall not amend the definition of or the conditions or circumstances requiring a Required Scope Change Approval and shall not waive any default or event of default resulting from, or any condition relating to, implementation of a Scope Change for which a Required Scope Change Approval is required pursuant to *Section 6.2.1* of the Disbursement Agreement or (d) amend or waive any default or event of default under *Sections 7.12* or *7.1.11* of the Disbursement Agreement ("In Balance" and "Project Completion Date") or amend or waive any provision so as to effect an amendment or waiver of such Sections.

4.4.2 The Project Credit Parties agree that from and after the initial Advance under the Bank Facility, without the consent of any Indenture Trustee, any amendment, waiver or consent agreed to, upon any terms and conditions, by, on the one hand, the Company Group or any Person within the Company Group that is party to a Bank Security Document and, on the other hand, the Bank Agent, in respect of any provision of any Bank Security Document, will automatically apply, on the same terms and subject to the same conditions to the corresponding provision of the comparable Mortgage Note Security Document. Such application to the Second Mortgage Notes Security Documents shall become effective upon the delivery by the Bank Agent of written notice of such amendment, waiver or consent, and the terms and conditions thereof, to the Indenture Trustee, if the notice states that such amendment, waiver or consent has become effective as to such agreement and is, pursuant to this Section 4.4.2 likewise effective as to the corresponding provision of the comparable Mortgage Note Security Document; *provided, however*, that no amendment, waiver or consent of a Bank Security Document which effects or relates to a release of lien shall apply to or otherwise amend or affect any Second Mortgage Notes Security Document. Any such amendment, waiver or consent need not otherwise be confirmed by the Indenture Trustee or any Second Mortgage Note Holder in order to be effective.

4.5 Limitation of Liability

4.5.1 Except as expressly set forth herein, none of the Bank Agent or any Bank Lender will have any duty, express or implied, fiduciary or otherwise, to the Indenture Trustee or any Second Mortgage Note Holder.

4.5.2 To the maximum extent permitted by law, each of the Indenture Trustee and each Second Mortgage Note Holder waives any claim it may have against the Bank Agent or any Bank Lender with respect to or arising out of any action or failure to act or any error of judgment or

of their respective directors, officers, employees or agents will be liable for failure to demand, collect or realize upon any of the Collateral or for any delay in doing so, except to the extent arising out of the gross negligence or willful misconduct of the Bank Agent or any such Bank Lender or any of their respective directors, officers, employees or agents, or will be under any obligation to sell or otherwise dispose of any Collateral upon the request of any Person within the Company Group or upon the request of any Second Mortgage Note Holder or any other Person or to take any other action whatsoever with regard to the Collateral or any part thereof.

4.5.3 The Bank Agent and the Bank Lenders, on the one hand, and the Indenture Trustee and the Second Mortgage Note Holders, on the other hand, shall each be responsible for keeping themselves informed of the financial condition of the Company Group and all other circumstances bearing upon the risk of nonpayment of the Bank Secured Obligation or Second Mortgage Notes Secured Obligations, as the case may be. Except as set forth in *Section 3.3*, the Bank Agent and the Bank Lenders shall have no duty to advise the Indenture Trustee or any Second Mortgage Note Holder of information regarding such condition or circumstances or as to any other matter. If the Bank Agent or any Bank Lender, in its sole discretion, undertakes at any time or from time to time to provide any such information to the Indenture Trustee or any Second Mortgage Note Holder it shall be under no obligation to provide any similar information on any subsequent occasion, to provide any additional information, or undertake any investigation, or to disclose any information which, pursuant to accepted or reasonable commercial finance practice, it wishes to maintain confidential.

5. **Insolvency or Liquidation Proceedings**

5.1 Right to file Involuntary Bankruptcy. Notwithstanding any other provision of this Agreement to the contrary, any Secured Lender shall be entitled, at any time and upon its sole discretion, to initiate or join as a petitioning creditor in an involuntary Insolvency or Liquidation Proceeding against any Person within the Company Group.

5.2 Certain Agreements and Consents by Note Holders.

5.2.1 At no time during the Bank Financing Period shall the Indenture Trustee or any Second Mortgage Note Holder:

- (a) request judicial relief in an Insolvency or Liquidation Proceeding or in any other court, that would hinder, delay, limit or prohibit the exercise or enforcement of any right or remedy otherwise available to the holders of Bank Secured Obligations that would limit, invalidate, avoid or set aside any lien securing the Bank Secured Obligations or Bank Security Document or subordinate the lien securing the Bank Secured Obligations to the liens securing the Second Mortgage Notes Secured Obligations (other than in respect of the Second Mortgage Notes Proceeds Collateral) or grant the lien securing the Second Mortgage Notes Secured Obligations (other than in respect of the Second Mortgage Notes Proceeds Collateral) equal ranking to the liens securing the Bank Secured Obligations;
- (b) oppose or otherwise contest any motion for relief from the automatic stay or from any injunction against foreclosure or enforcement of lien securing the Bank Secured Obligations made by any holder of Bank Secured Obligations in any Insolvency or Liquidation Proceeding;
- (c) oppose or otherwise contest any exercise by any holder of Bank Secured Obligations of the right to credit bid Bank Secured Obligations at any sale in foreclosure of lien securing the Bank Secured Obligations; or

- (d) oppose or otherwise contest any other request for judicial relief made in any court by any holder of Bank Secured Obligations relating to the enforcement of any lien securing the Bank Secured Obligations.

5.2.2 If, in any Insolvency or Liquidation Proceeding during the Bank Financing Period, the Bank Agent and the Bank Lenders:

- (a) consent to any order for use of cash collateral for payment (i) of expenses reasonably necessary or appropriate for the conduct of the Project or for the preservation of the Collateral, (ii) debt secured by liens upon the Collateral that are senior to the liens securing the Second Mortgage Notes Secured Obligations or (iii) administrative expenses arising in connection with the Insolvency or Liquidation Proceeding;
- (b) consent to any order granting any priming lien, replacement lien, cash payment or other relief on account of Bank Secured Obligations as adequate protection (or its equivalent) for the interests of the Bank Agent and the Bank Lenders in property subject to the liens securing the Bank Secured Obligations in connection with any order for use of cash collateral; or
- (c) consent to any order relating to any sale of assets of any Person within the Company Group and providing, to the extent the sale is to be free and clear of liens, that all such liens shall attach to the proceeds of the sale, and, in connection therewith, consent to and support before the court any request for Credit Bid Rights made by the Indenture Trustee or any Second Mortgage Note Holder (except that the Bank Agent and Bank Lenders need not admit, consent to or support any valuation of the Collateral alleged in support of the allowance of any secured claim based upon the liens securing the Second Mortgage Notes Secured Obligations),

then, so long as the Bank Agent and the Bank Lenders do not oppose or otherwise contest any request made by the Indenture Trustee or any Second Mortgage Note Holder (which may be made only if, pursuant to any such order, the Bank Agent and the Bank Lenders are, or are to be,

granted a lien upon any property) for the grant to the Indenture Trustee, for the benefit of the Second Mortgage Note Holders and as adequate protection (or its equivalent) for the Indenture Trustee's interest in the Collateral pursuant to the liens securing the Second Mortgage Notes Secured Obligations of a junior lien upon such property that is co-extensive in all respects with, but subordinated (as set forth herein) in all respects to, all liens securing the Bank Secured Obligations upon such property and any such lien granted to the Bank Agent and the Bank Lenders pursuant to such order, the Indenture Trustee and the Second Mortgage Note Holders will not oppose or otherwise contest the entry of such order, except that any such order relating to a sale of assets may be opposed or otherwise contested by them (x) as necessary to secure the grant of Credit Bid Rights or (y) based on any ground that may be asserted by a holder of unsecured claims (but not except for Credit Bid Rights, on any grounds arising from or relating to any lien securing the Second Mortgage Notes Secured Obligations or any secured claim or secured creditor rights based on any lien securing the Second Mortgage Notes Secured Obligations).

5.2.3 If, in any Liquidation or Insolvency Proceeding, debt obligations of the reorganized debtor secured by liens upon any property of the reorganized debtor are distributed pursuant to a plan of reorganization or similar dispositive restructuring plan, both on account of the Bank Secured Obligations and on account of the Second Mortgage Notes Secured Obligations, then, to the extent the debt obligations distributed on account of the Bank Secured Obligations and on account of the Second Mortgage Notes Secured Obligations are secured by liens upon the same property, the provisions of this Agreement will survive the distribution of

15

such debt obligations pursuant to such plan and will apply with like effect to the liens securing such debt obligations.

5.2.4 The Indenture Trustee and the Second Mortgage Note Holders will not assert or enforce, at any time during the Bank Financing Period, any claim under §506(c) of the United States Bankruptcy Code with respect to the liens securing the Bank Secured Obligations for costs or expenses of preserving or disposing of any Collateral.

5.2.5 If, for purposes of valuation of the secured claims of the Bank Agent and Bank Lenders in any Insolvency or Liquidation Proceeding, the Bank Agent and Bank Lenders determine, and the Bank Agent notifies the Indenture Trustee, that the Collateral should be valued as of any particular time in the period from the date of commencement of such Insolvency or Liquidation Proceeding to the date of confirmation of any plan of reorganization or other dispositive restructuring plan therein, then the Indenture Trustee and the Second Mortgage Note Holders shall not oppose or otherwise contest that the date as of which such secured claims should be valued is the date chosen by the Bank Agent and Bank Lenders, but the Indenture Trustee and the Second Mortgage Note Holders shall remain free (a) to contest without any restriction any valuation claimed or asserted by the Bank Agent or the Bank Lenders as of such date and (b) to assert and seek relief determining that the Collateral should be valued at another date if a valuation at the other date would have the effect of placing a higher value upon the Collateral, taken as a whole. Notwithstanding the foregoing, the Indenture Trustee and the Second Mortgage Note Holders shall not have the right to assert the lack of adequate protection of their liens or the collateral securing the Second Mortgage Notes as a basis for opposing a motion or other relief sought in any Insolvency or Liquidation Proceeding and approved by the Bank Lenders.

5.2.6 If, in connection with the approval by creditors of any plan of reorganization or other dispositive restructuring plan in any Insolvency or Liquidation Proceeding, either:

- (a) secured claims based upon the Second Mortgage Notes Secured Obligations and secured claims based upon the Bank Secured Obligations are classified in the same class of secured claims; or
- (b) secured claims based upon the Second Mortgage Notes Secured Obligations are classified in a separate class from secured claims based upon the Bank Secured Obligations and are treated under such plan as an impaired secured class, and such plan could not lawfully be confirmed or approved by the court in such Insolvency or Liquidation Proceeding unless the class of secured claims based upon the Second Mortgage Notes Secured Obligations votes, as a class, to accept such plan,

then the holders of secured claims based upon the Second Mortgage Notes Secured Obligations shall not vote such secured claims to accept such plan if: (i) the Bank Agent notifies the holders of such secured claims (in such manner and to such Person at such addresses as the Indenture Trustee may direct), at least 10 Business Days before ballots are due in the voting on such plan, that fewer than the holders of two-thirds in amount of secured claims based upon the Bank Secured Obligations will vote, as a separate class (or as if they were a separate class), to accept such plan, (ii) such notice is not withdrawn by the Bank Agent by written notice to the Indenture Trustee or the Second Mortgage Note Holders and (iii) such plan is not accepted by the holders of secured claims based upon the Bank Secured Obligations voting as a separate class (or as if they were a separate class).

The Indenture Trustee shall provide the Bank Agent with such information as may be available to the Indenture Trustee as to the names and notice addresses of the holders of secured claims based upon the Second Mortgage Notes. The notice described in clause (i) of

16

the preceding paragraph shall be conclusively deemed sufficiently given if mailed by ordinary mail, postage prepaid, to such names and addresses. No ballot voting a secured claim based upon the Second Mortgage Notes Secured Obligations shall be delivered in respect of any such plan by any holder of secured claims based upon the Second Mortgage Notes Secured Obligations prior to the last date on which the notice described in clause (i) may be given by the Bank Agent. Any ballot cast in violation of this section will be invalid.

5.3 **Avoidance of Bank Secured Obligations in Bankruptcy.** If (a) any lien securing a Bank Secured Obligation is avoided in any Insolvency or Liquidation Proceeding, (b) by reason of such avoidance, there is a resultant reduction (a "**Bank Secured Claim Reduction**") in the amount of the secured claims (without regard to unsecured claims) that, but for such avoidance, would have been allowed in such Insolvency or Liquidation Proceeding on account of claims based upon Bank Secured Obligations, and (c) a distribution is made in such Insolvency or Liquidation Proceeding on account of secured claims (without regard to any unsecured claims) based upon Second Mortgage Notes Secured Obligations, whether such distribution is made in

cash, securities or otherwise, or the Indenture Trustee receives any proceeds from the foreclosure or other enforcement of the liens securing the Second Mortgage Notes Secured Obligations (such distribution or receipt specifically excluding, however, any distribution or receipt in respect of the Second Mortgage Notes Proceeds Collateral, a "**Mortgage Note Recovery**"), then a portion of such Mortgage Note Recovery (the "**Shareable Recovery**") determined by multiplying:

- (i) a percentage by dividing (A) the aggregate amount allowed in such Insolvency or Liquidation Proceeding on account of all unsecured claims based upon Bank Secured Obligations (after giving effect to such avoidance) by (B) the aggregate amount allowed in such Insolvency or Liquidation Proceeding on account of all unsecured claims based upon Bank Secured Obligations (after giving effect to such avoidance) and all secured and unsecured claims based upon Second Mortgage Notes Secured Obligations; *by*
- (ii) the lesser of (A) the amount of such Bank Secured Claim Reduction and (B) the amount of such Mortgage Note Recovery,

shall be received and held by the Indenture Trustee subject to an option, exercisable solely by the Bank Agent by written notice delivered to the Indenture Trustee no later than the 20th Business Day after the latest of:

- (1) the date on which such Mortgage Note Recovery is received;
- (2) the date on which the amount (if any) of secured claims and unsecured claims based on the Bank Secured Obligations and the Second Mortgage Notes Secured Obligations are allowed in such Insolvency or Liquidation Proceeding; and
- (3) the date on which the amount of such Bank Secured Claim Reduction is determined,

to exchange the Shareable Recovery (in the form received, with any interest accrued thereon) for an equivalent amount (net of any such accrued interest) of unsecured claims allowed in such Insolvency or Liquidation Proceeding based upon Bank Secured Obligations or for any substantially contemporaneous distribution (exchanged in the form received, with any interest accrued thereon) made in such Insolvency or Liquidation Proceeding on account of such equivalent amount of unsecured claims based upon Bank Secured Obligations. Such exchange shall be made by each party thereto without any recourse, representation, warranty or liability whatsoever.

5.4 No Other Restrictions on Note Holders. Notwithstanding any other provision of this Agreement to the contrary, except as expressly provided herein the Second Mortgage Note Holders shall not, in any Insolvency or Liquidation Proceeding, be restricted in voting any secured

claims based upon the Second Mortgage Notes Secured Obligations and will not be in any respect restricted in voting any unsecured claims based upon the Obligations outstanding under the Second Mortgage Notes.

6. Default Purchase Option. The Bank Agent hereby grants the Indenture Trustee the right (without any obligation) to purchase, at any time during the period that begins when all commitments to extend credit constituting all Bank Secured Obligations have terminated and all Bank Secured Obligations have matured (whether at the stated maturity, upon acceleration or otherwise, including by virtue of the commencement of an Insolvency or Liquidation Proceeding) and ends on the 45th day after receipt by the Indenture Trustee of written notice of such maturity from the Bank Agent, all, but not less than all, of the principal of and interest on and all prepayment or acceleration penalties and premiums in respect of all Bank Secured Obligations outstanding at the time of purchase and all other Bank Secured Obligations then outstanding, together with all liens securing such Bank Secured Obligations and all guarantees and other supporting obligations relating to such Bank Secured Obligations:

- (a) for a purchase price equal to 100% of the principal amount and accrued interest outstanding on the Bank Secured Obligations on the date of purchase (including fees and interest accruing after the commencement of a Liquidation or Insolvency Proceeding at the rate provided for in the Bank Credit Agreement (regardless of whether such item is an allowed claim under applicable law) and any costs of collection) plus all other Bank Secured Obligations (including any LIBOR breakage costs but excluding any prepayment or acceleration penalty or premium) then unpaid;
- (b) with such purchase price payable in cash on the date of purchase against transfer to an Eligible Purchaser or its nominee or transferee (without recourse and without any representation or warranty whatsoever, whether as to the enforceability of any Bank Secured Obligations or the validity, enforceability, perfection, priority or sufficiency of any lien securing or guarantee or other supporting obligation for any Bank Secured Obligations or as to any other matter whatsoever, except only the representation and warranty that the transferor is transferring free and clear of all liens and encumbrances (other than that will be satisfied and discharged concurrently with the closing of the purchase from the proceeds of the purchase price), and has good right to convey, whatever claims and interests it purports to have in respect of Bank Secured Obligations and any such liens, guarantees and supporting obligations pursuant to the Bank Financing Agreements);
- (c) with such purchase accompanied by a deposit of cash collateral under the dominion and control of the Bank Agent in an amount equal to 105% of the undrawn amount of each letter of credit then outstanding as Bank Secured Obligations, as security for the additional obligation of the purchaser to purchase, at par plus accrued interest, the reimbursement obligation in respect of such letter of credit as and when such letter of credit is funded and to pay all Bank Secured Obligations then outstanding relating to such letter of credit; and
- (d) pursuant to an Assignment and Assumption Agreement in the form of Exhibit E to the Bank Credit Agreement and otherwise consistent with this Section.

7. Representations and Warranties. Each Project Credit Party represents and warrants to each other Project Credit Party as follows:

7.1 Organization. It is duly organized and is validly existing under the laws of the jurisdiction under which it was organized with full power to execute, deliver, and perform this Agreement and consummate the transactions contemplated hereby.

7.4 No Consent Required. To the best of its knowledge, no consent of any other party and no consent, license, approval, or authorization of, or exemption by, or registration or declaration or filing with, any governmental authority, bureau or agency is required in connection with the execution, delivery, or performance by such party of this Agreement or consummation by such party of the transactions contemplated by this Agreement.

7.5 No Conflict. None of the execution, delivery, and performance of this Agreement nor the consummation of the transactions contemplated by this Agreement will (a) violate or conflict with any provision of the organizational or governing documents, if any, of such party; (b) to the best of its knowledge, violate, conflict with, or result in the breach or termination of, or otherwise give any other contracting party the right to terminate, or constitute (or with notice or lapse of time, or both, would constitute) a default under the terms of any contract, mortgage, lease, bond, indenture, agreement, or other instrument to which such party is a party or to which any of its properties are subject; (c) to the best of its knowledge, result in the creation of any lien, charge, encumbrance, mortgage, lease, claim, security interest, or other right or interest upon the properties or assets of such party pursuant to the terms of any such contract, mortgage, lease, bond, indenture, agreement, franchise, or other instrument; (d) violate any judgment, order, injunction, decree, or award of any court, arbitrator, administrative agency, or governmental or regulatory body of which it has knowledge against, or binding upon such party or upon any of the securities, properties, assets, or business of such party; or (e) to the best of its knowledge, constitute a violation by such party of any statute, law, or regulation that is applicable to such party.

SECTION 2. GUARANTEE

2.1. *Guarantee.*

(a) Each of the Guarantors hereby, jointly and severally, unconditionally and irrevocably, guarantees to the Administrative Agent, for the ratable benefit of the Secured Parties and their respective successors, indorsees, transferees and assigns, the prompt and complete payment and performance by the Borrower when due (whether at the stated maturity, by acceleration or otherwise) of the Borrower Obligations.

(b) If and to the extent required in order for the Obligations of any Guarantor to be enforceable under applicable federal, state and other laws relating to the insolvency of debtors, the maximum liability of such Guarantor hereunder shall be limited to the greatest amount which can lawfully be guaranteed by such Guarantor under such laws, after giving effect to any rights of contribution, reimbursement and subrogation arising under Section 2.2. Each Guarantor acknowledges and agrees that, to the extent not prohibited by applicable law, (i) such Guarantor (as opposed to its creditors, representatives of creditors or bankruptcy trustee, including such Guarantor in its capacity as debtor in possession exercising any powers of a bankruptcy trustee) has no personal right under such laws to reduce, or request any judicial relief that has the effect of reducing, the amount of its liability under this Agreement, (ii) such Guarantor (as opposed to its creditors, representatives of creditors or bankruptcy trustee, including such Guarantor in its capacity as debtor in possession exercising any powers of a bankruptcy trustee) has no personal right to enforce the limitation set forth in this Section 2.1(b) or to reduce, or request judicial relief

6

reducing, the amount of its liability under this Agreement, and (iii) the limitation set forth in this Section 2.1(b) may be enforced only to the extent required under such laws in order for the obligations of such Guarantor under this Agreement to be enforceable under such laws and only by or for the benefit of a creditor, representative of creditors or bankruptcy trustee of such Guarantor or other Person entitled, under such laws, to enforce the provisions thereof.

(c) Each Guarantor agrees that the Borrower Obligations may at any time and from time to time be incurred or permitted in an amount exceeding the maximum liability of such Guarantor under Section 2.1(b) without impairing the guarantee contained in this Section 2 or affecting the rights and remedies of any Secured Party hereunder.

(d) The guarantee contained in this Section 2 shall remain in full force and effect until payment in full of all Obligations that do not arise under a Specified Hedge Agreement, notwithstanding that from time to time during the term of the Credit Agreement the Borrower may be free from any Borrower Obligations.

(e) No payment made by the Borrower, any of the Guarantors, any other guarantor or any other Person or received or collected by any Secured Party from the Borrower, any of the Guarantors, any other guarantor or any other Person by virtue of any action or proceeding or any set-off or appropriation or application at any time or from time to time in reduction of or in payment of the Borrower Obligations shall be deemed to modify, reduce, release or otherwise affect the liability of any Guarantor hereunder which shall, notwithstanding any such payment (other than any payment made by such Guarantor in respect of the Borrower Obligations or any payment received or collected from such Guarantor in respect of the Borrower Obligations), remain liable for the Borrower Obligations up to the maximum liability of such Guarantor hereunder until the Borrower Obligations (other than Obligations in respect of any Specified Hedge Agreement) are paid in full, no Letter of Credit shall be outstanding and the Commitments are terminated or have expired.

2.2. *Rights of Reimbursement, Contribution and Subrogation.* In case any payment is made on account of the Obligations by any Grantor or is received or collected on account of the Obligations from any Grantor or its property:

(a) If such payment is made by the Borrower or from its property, then, if and to the extent such payment is made on account of Obligations arising from or relating to a Loan made to the Borrower or a Letter of Credit issued for account of the Borrower, the Borrower shall not be entitled (A) to demand or enforce reimbursement or contribution in respect of such payment from any other Grantor or (B) to be subrogated to any claim, interest, right or remedy of any Secured Party against any other Person, including any other Grantor or its property; and

(b) If such payment is made by a Guarantor or from its property, such Guarantor shall be entitled, subject to and upon payment in full of the Obligations, (A) to demand and enforce reimbursement for the full amount of such payment from the Borrower and (B) to demand and enforce contribution in respect of such payment from each other Guarantor which has not paid its fair share of such payment, as necessary to ensure that (after giving effect to any enforcement of reimbursement rights provided hereby) each Guarantor pays its fair share of the unreimbursed portion of such payment. For this purpose, the fair share of each Guarantor as to any unreimbursed payment shall be determined based on an equitable apportionment of such unreimbursed payment among all Guarantors based on the relative value of their assets and any other equitable considerations deemed appropriate by the court.

(c) If and whenever (after payment in full of the Obligations) any right of reimbursement or contribution becomes enforceable by any Grantor against any other Grantor under Sections 2.2(a) and 2.2(b), such Grantor shall be entitled, subject to and upon payment in full of the Obligations,

7

to be subrogated (equally and ratably with all other Grantors entitled to reimbursement or contribution from any other Grantor as set forth in this Section 2.2) to any security interest that may then be held by the Administrative Agent upon any Collateral granted to it in this Agreement. Such right of subrogation shall be enforceable solely against the Grantors, and not against the Secured Parties, and neither the Administrative Agent nor any other Secured Party shall have any duty whatsoever to warrant, ensure or protect any such right of subrogation or to obtain, perfect, maintain, hold, enforce or retain any Collateral for any purpose related to any such right of subrogation. If subrogation is demanded by any Grantor, then (after payment in full of the Obligations) the Administrative Agent shall deliver to the Grantors making such demand, or to a representative of such Grantors or of the Grantors generally, an instrument satisfactory to the Administrative Agent transferring, on a quitclaim basis without any recourse, representation, warranty or obligation whatsoever, whatever security interest the Administrative Agent then may hold in whatever Collateral may then exist that was not previously released or disposed of by the Administrative Agent.

(d) All rights and claims arising under this Section 2.2 or based upon or relating to any other right of reimbursement, indemnification, contribution or subrogation that may at any time arise or exist in favor of any Grantor as to any payment on account of the Obligations made by it or received or collected from its property shall be fully subordinated in all respects to the prior payment in full of all of the Obligations. Until payment in full of the Obligations, no Grantor shall demand or receive any collateral security, payment or distribution whatsoever (whether in cash, property or securities or otherwise) on account of any such right or claim. If any such payment or distribution is made or becomes available to any Grantor in any bankruptcy case or receivership, insolvency or liquidation proceeding, such payment or distribution shall be delivered by the person making such payment or distribution directly to the Administrative Agent, for application to the payment of the Obligations. If any such payment or distribution is received by any Grantor, it shall be held by such Grantor in trust, as trustee of an express trust for the benefit of the Secured Parties, and shall forthwith be transferred and delivered by such Grantor to the Administrative Agent, in the exact form received and, if necessary, duly endorsed.

(e) The obligations of the Grantors under the Loan Documents, including their liability for the Obligations and the enforceability of the security interests granted thereby, are not contingent upon the validity, legality, enforceability, collectibility or sufficiency of any right of reimbursement, contribution or subrogation arising under this Section 2.2. The invalidity, insufficiency, unenforceability or uncollectibility of any such right shall not in any respect diminish, affect or impair any such obligation or any other claim, interest, right or remedy at any time held by any Secured Party against any Guarantor or its property. The Secured Parties make no representations or warranties in respect of any such right and shall have no duty to assure, protect, enforce or ensure any such right or otherwise relating to any such right.

(f) Each Grantor reserves any and all other rights of reimbursement, contribution or subrogation at any time available to it as against any other Grantor, but (i) the exercise and enforcement of such rights shall be subject to Section 2.2(d) and (ii) neither the Administrative Agent nor any other Secured Party shall ever have any duty or liability whatsoever in respect of any such right, except as provided in Section 2.2(c).

(g) Each Guarantor waives any right or claims of right to cause a marshalling of the Borrower's or any Guarantor's assets or to proceed against any Guarantor, the Borrower or any other guarantor of any of the Borrower's obligations in any particular order, including, but not limited to, any right arising out of Nevada Revised Statutes 40.430, to the fullest extent permitted by Nevada Revised Statutes 40.495(2).

2.3. *Amendments, etc. with respect to the Borrower Obligations.* Each Guarantor shall remain obligated hereunder notwithstanding that, without any reservation of rights against any Guarantor and without notice to or further assent by any Guarantor, any demand for payment of any of the Borrower Obligations made by any Secured Party may be rescinded by such Secured Party and any of the Borrower Obligations continued, and the Borrower Obligations, or the liability of any other Person upon or for any part thereof, or any collateral security or guarantee therefor or right of offset with respect thereto, may, from time to time, in whole or in part, be renewed, increased, extended, amended, modified, accelerated, compromised, waived, surrendered or released by any Secured Party, and the Credit Agreement and the other Loan Documents and any other documents executed and delivered in connection therewith may be amended, modified, supplemented or terminated, in whole or in part, as the Administrative Agent (or the requisite Lenders under the Credit Agreement or all Lenders, as the case may be) may deem advisable from time to time, and any collateral security, guarantee or right of offset at any time held by any Secured Party for the payment of the Borrower Obligations may be sold, exchanged, waived, surrendered or released. No Secured Party shall have any obligation to protect, secure, perfect or insure any Lien at any time held by it as security for the Borrower Obligations or for the guarantee contained in this Section 2 or any property subject thereto.

2.4. *Guarantee Absolute and Unconditional.* Each Guarantor waives any and all notice of the creation, renewal, extension or accrual of any of the Borrower Obligations and notice of or proof of reliance by any Secured Party upon the guarantee contained in this Section 2 or acceptance of the guarantee contained in this Section 2; the Borrower Obligations, and any of them, shall conclusively be deemed to have been created, contracted or incurred, or renewed, extended, amended or waived, in reliance upon the guarantee contained in this Section 2; and all dealings between the Borrower and any of the Guarantors, on the one hand, and the Secured Parties, on the other hand, likewise shall be conclusively presumed to have been had or consummated in reliance upon the guarantee contained in this Section 2. Each Guarantor waives diligence, presentment, protest, demand for payment and notice of default or nonpayment to or upon the Borrower or any of the Guarantors with respect to the Borrower Obligations. When making any demand hereunder or otherwise pursuing its rights and remedies hereunder against any Guarantor, any Secured Party may, but shall be under no obligation to, make a similar demand on or otherwise pursue such rights and remedies as it may have against the Borrower, any other Guarantor or any other Person or against any collateral security or guarantee for the Borrower Obligations or any right of offset with respect thereto, and any failure by any Secured Party to make any such demand, to pursue such other rights or remedies or to collect any payments from the Borrower, any other Guarantor or any other Person or to realize upon any such collateral security or guarantee or to exercise any such right of offset, or any release of the Borrower, any other Guarantor or any other Person or any such collateral security, guarantee or right of offset, shall not relieve any Guarantor of any obligation or liability hereunder, and shall not impair or affect the rights and remedies, whether express, implied or available as a matter of law, of any Secured Party against any Guarantor. For the purposes hereof "demand" shall include the commencement and continuance of any legal proceedings.

Such Grantor is not aware of any uses of any item of its material Intellectual Property that could reasonably be expected to lead to such item becoming invalid or unenforceable.

5.1. *Covenants in Credit Agreement.* Each Guarantor shall take, or shall refrain from taking, as the case may be, each action that is necessary to be taken or not taken, as the case may be, so that no Default or Event of Default is caused by the failure to take such action or to refrain from taking such action by such Guarantor or any of its Subsidiaries and each provision of the Credit Agreement that

relates to such Guarantor (whether directly, indirectly, through the Borrower's obligation to cause such Guarantor to take or not take actions or otherwise) is hereby incorporated herein by reference and shall apply to such Guarantor *mutatis mutandis* to the same extent as if the Credit Agreement had been executed by such Guarantor and such provisions had been made the direct obligations of such Guarantor.

5.5. *Maintenance of Perfected Security Interest; Further Documentation.* (a) Such Grantor shall maintain the security interest created by this Agreement as a perfected security interest having at least the priority described in Section 4.3 and shall defend such security interest against the claims and demands of all Persons whomsoever.

(b) of the occurrence of any other event which could reasonably be expected to have a material adverse effect on the aggregate value of the Collateral or on the security interests created hereby.

5.8. *Investment Property.* (a) Subject to compliance with applicable Nevada Gaming Laws, if such Grantor shall become entitled to receive or shall receive any stock or other ownership certificate (including, without limitation, any certificate representing a stock dividend or a distribution in connection with any reclassification, increase or reduction of capital or any certificate issued in connection with any reorganization), option or rights in respect of the Capital Stock of any Issuer, whether in addition to, in substitution of, as a conversion of, or in exchange for, any shares of or other ownership interests in the Pledged Stock, or otherwise in respect thereof, such Grantor shall accept the same as the agent of the Secured Parties, hold the same in trust for the Secured Parties and deliver the same forthwith to the Administrative Agent in the exact form received, duly endorsed by such Grantor to the Administrative Agent, if required, together with an undated stock power covering such certificate duly executed in blank by such Grantor and with, if the Administrative Agent so requests, signature guaranteed, to be held by the Administrative Agent, subject to the terms hereof, as additional collateral security for the Obligations. So long as no Event of Default shall have occurred and be continuing, the Administrative Agent authorizes each Grantor to retain all ordinary cash dividends and distributions paid in the normal course of the business of the Issuer and all scheduled payments of interest. All other dividends and distributions of any type or nature, including, without limitation, any dividends or distributions paid in respect of Pledged Securities upon liquidation or dissolution of any Issuer shall immediately be delivered to the Administrative Agent to be held as additional Collateral hereunder. If any sums of money or property so paid or distributed in respect of the Pledged Securities shall be received by such Grantor, such Grantor shall, until such money or property is paid or delivered to the Administrative Agent, hold such money or property in trust for the Secured Parties, segregated from other funds of such Grantor, as additional collateral security for the Obligations.

(b) Without the prior written consent of the Administrative Agent (which consent shall not be unreasonably withheld), such Grantor will not (i) vote to enable, or take any other action to permit, any Issuer to issue any stock or other equity securities of any nature or to issue any other securities convertible into or granting the right to purchase or exchange for any stock or other equity securities of any nature of any Issuer (except pursuant to a transaction permitted by the Credit Agreement), (ii) sell, assign, transfer, exchange, or otherwise dispose of, or grant any option with respect to, any of the Investment Property or Proceeds thereof or any interest therein (except pursuant to a transaction expressly permitted by the Credit Agreement), (iii) create, incur or permit to exist any Lien or option in favor of, or any claim of any Person with respect to, any of the Investment Property or Proceeds thereof, or any interest therein, except for the security interests created by this Agreement and other Permitted Liens or (iv) enter into any agreement or undertaking restricting the right or ability of such Grantor or the Administrative Agent to sell, assign or transfer any of the Investment Property or Proceeds thereof or any interest therein (except pursuant to a transaction expressly permitted by the Credit Agreement).

(c) In the case of each Grantor which is an Issuer, such Issuer agrees that (i) it will be bound by the terms of this Agreement relating to the Pledged Securities issued by it and will comply with such terms insofar as such terms are applicable to it, (ii) it will notify the Administrative Agent promptly in writing of the occurrence of any of the events described in Section 5.8(a) with respect to the Pledged Securities issued by it and (iii) the terms of Sections 6.3(c) and 6.7 shall apply to it, *mutatis mutandis*, with respect to all actions that may be required of it pursuant to Section 6.4(c) or 6.8 with respect to the Pledged Securities issued by it. In addition, each Grantor which is either an Issuer or an owner of any Pledged Security hereby consents to the grant by each other Grantor of the security interest hereunder in favor of the Administrative Agent and to the transfer of any Pledged Security to the Administrative Agent or its nominee following an Event of Default and to

19

the substitution of the Administrative Agent or its nominee as a partner, member or shareholder of the Issuer of the related Pledged Security.

5.9. *Receivables.* (a) Other than in the ordinary course of business consistent with customary practices in its Permitted Businesses, and so long as no Event of Default shall have occurred and be continuing, such Grantor will not (i) grant any extension of the time of payment of any Receivable, (ii) compromise or settle any Receivable for less than the full amount thereof, (iii) release, wholly or partially, any Person liable for the payment of any Receivable, (iv) allow any credit or discount whatsoever on any Receivable or (v) amend, supplement or modify any Receivable in any manner that could materially adversely affect the value thereof.

(b) Such Grantor will deliver to the Administrative Agent a copy of each material written demand, notice or document received by it that questions or calls into doubt the validity or enforceability of more than 5% of the aggregate amount of the then outstanding Receivables.

5.10. *Contracts.* (a) Except to the extent permitted under the Credit Agreement or Disbursement Agreement, such Grantor will perform and comply in all material respects with all its obligations under the Contracts.

(b) Such Grantor will not amend, modify, cancel, terminate, waive or fail to enforce any provision of any Contract or suspend such Contract or the performance of work thereunder, or agree to the sale, assignment or disposition by any counterparty to such Contract of any part of its interest therein (all of which powers are rested in the Administrative Agent), except to the extent expressly permitted by the terms of the other Financing Agreements.

(c) Such Grantor will exercise promptly and diligently each and every material right which it may have under each Contract, except to the extent provided in any of the other Financing Agreements.

(d) Such Grantor will deliver to the Administrative Agent a copy of each material demand, notice or document received by it relating in any way to any Contract that questions the validity or enforceability of such Contract that is material to its business.

(e) In the event that such Grantor enters into any new contract that would qualify as either (i) a Material Project Document (as defined in the Disbursement Agreement) or (ii) a Material Contract (as defined in the Credit Agreement), such Grantor shall provide the Administrative Agent promptly with an amended *Schedule 7* hereto and any such new contract shall be deemed for all purposes to be a Contract hereunder.

5.11. *Intellectual Property.* (a) Such Grantor (either itself or through licensees) will (i) continue to use each of its material Trademarks on each and every trademark class of goods necessary in order to maintain such Trademark (in the trademark classes of goods in which it is used) in full force free from any claim of abandonment for non-use, (ii) use such Trademark with the appropriate notice of registration and all other notices and legends required by applicable Requirements of Law, (iii) not adopt or use any mark which is confusingly similar or a colorable imitation of such Trademark unless the Administrative Agent, for the ratable benefit of the Secured Parties, shall obtain a perfected security interest in such mark pursuant to this Agreement and the Intellectual Property Security Agreement, and (iv) not (and not permit any licensee or sublicensee thereof to) do any act or knowingly omit to do any act whereby such Trademark may become invalidated or impaired in any way.

(b) Except as could not reasonably be expected to have a Material Adverse Effect, such Grantor (either itself or through licensees) will not do any act, or omit to do any act, whereby any material Patent may become forfeited, abandoned or dedicated to the public.

20

(c) Except as could not reasonably be expected to have a Material Adverse Effect, such Grantor (either itself or through licensees) (i) will employ each of its material Copyrights and (ii) will not (and will not permit any licensee or sublicensee thereof to) do any act or knowingly omit to do any act whereby any material portion of the Copyrights may become invalidated or otherwise impaired. Except as could not reasonably be expected to have a Material Adverse Effect, such Grantor will not (either itself or through licensees) do any act whereby any material Copyright may fall into the public domain.

(d) Such Grantor (either itself or through licensees) will not do any act that knowingly uses any material Intellectual Property to infringe the intellectual property rights of any other Person.

(e) Except as could not reasonably be expected to have a Material Adverse Effect, such Grantor (either itself or through licensees) will use proper statutory notice in connection with the use of each material Patent, Trademark and Copyright included in its Intellectual Property.

(f) Such Grantor will notify the Secured Parties promptly if it knows that any application or registration relating to any of its material Intellectual Property may become forfeited, abandoned or dedicated to the public, or of any adverse determination or development (including, without limitation, the institution of, or any such determination or development in, any proceeding in the United States Patent and Trademark Office, the United States Copyright Office or any court or tribunal in any country) regarding such Grantor's ownership of, or the validity of, any material Intellectual Property or such Grantor's right to register the same or to own and maintain the same, unless such forfeiture, abandonment, dedication to the public, or adverse determination or development could not reasonably be expected to have a Material Adverse Effect.

(g) Whenever such Grantor, either by itself or through any agent, employee, licensee or designee, shall file an application for the registration of any Intellectual Property with the United States Patent and Trademark Office, the United States Copyright Office or any similar office or agency in any other country or any political subdivision thereof, such Grantor shall report such filing to the Administrative Agent within five Business Days after the last day of the fiscal quarter in which such filing occurs. Upon request of the Administrative Agent, such Grantor shall execute and deliver, and have recorded, any and all agreements, instruments, documents, and papers as the Administrative Agent may request to evidence the Secured Parties' security interest in any Copyright, Patent, Trademark or other Intellectual Property included in the Collateral and the goodwill and general intangibles of such Grantor relating thereto or represented thereby.

(h) Except as could not reasonably be expected to have a Material Adverse Effect, such Grantor will take all reasonable and necessary steps, including, without limitation, in any proceeding before the United States Patent and Trademark Office, the United States Copyright Office or any similar office or agency in any other country or any political subdivision thereof, to maintain and pursue each application (and to obtain the relevant registration) and to maintain each registration of its material Intellectual Property, including, without limitation, the payment of required fees and taxes, the filing of responses to office actions issued by the United States Patent and Trademark Office and the United States Copyright Office, the filing of applications for renewal or extension, the filing of affidavits of use and affidavits of incontestability, the filing of divisional, continuation, continuation-in-part, reissue, and renewal applications or extensions, the payment of maintenance fees, and the participation in interference, reexamination, opposition, cancellation, infringement and misappropriation proceedings.

(i) Such Grantor (either itself or through licensees) will not, without the prior written consent of the Administrative Agent, discontinue use of or otherwise abandon any of its Intellectual Property, or abandon any application or any right to file an application for letters patent, trademark, or copyright, unless such Grantor shall have previously determined that such use or the pursuit or maintenance of such Intellectual Property is no longer desirable in the

21

conduct of such Grantor's business and that the loss thereof could not reasonably be expected to have a Material Adverse Effect and, in which case, such Grantor shall give prompt notice of any such abandonment of any material Intellectual Property to the Administrative Agent in accordance herewith.

(j) In the event that any of its material Intellectual Property is infringed, misappropriated or diluted by a third party, such Grantor shall (i) take such actions as such Grantor shall reasonably deem appropriate under the circumstances to protect such Intellectual Property and (ii) if such Intellectual Property is of material economic value, promptly notify the Administrative Agent after it learns thereof and sue for infringement, misappropriation or

dilution (as applicable), seek injunctive relief where appropriate and recover any and all damages awarded for any such infringement, misappropriation or dilution (or take other action as such Grantor deems appropriate in the exercise of its prudent business judgment).

(k) Such Grantor agrees that, should it obtain an ownership interest in any item of Intellectual Property which is not now a part of the Intellectual Property Collateral (the "*After-Acquired Intellectual Property*"), (i) the provisions of Section 3 shall automatically apply thereto, (ii) any such After-Acquired Intellectual Property, and in the case of trademarks, the goodwill of the business connected therewith or symbolized thereby, shall automatically become part of the Intellectual Property Collateral, (iii) with respect to any material Intellectual Property, it shall give prompt (and, in any event within five Business Days after the last day of the fiscal quarter in which such Grantor acquires such ownership interest in any material Intellectual Property) written notice thereof to the Administrative Agent in accordance herewith, and (iv) with respect to any material Intellectual Property, it shall provide the Administrative Agent promptly (and, in any event within five Business Days after the last day of the fiscal quarter in which such Grantor acquires such ownership interest in any material Intellectual Property) with an amended *Schedule 6* hereto and take the actions specified in 5.11(m).

(l) Such Grantor agrees to execute an Intellectual Property Security Agreement with respect to its Intellectual Property in substantially the form of *Exhibit B-1* in order to record the security interest granted herein to the Administrative Agent for the ratable benefit of the Secured Parties with the United States Patent and Trademark Office, the United States Copyright Office, and any other applicable Governmental Authority.

(m) Promptly after filing an application for the registration of any After-Acquired Intellectual Property with the United States Patent and Trademark Office, the United States Copyright Office, or any similar office or agency in any other county or any political subdivision thereof, such Grantor agrees to execute an After-Acquired Intellectual Property Security Agreement with respect to such After-Acquired Intellectual Property in substantially the form of *Exhibit B-2* in order to record the security interest granted herein to the Administrative Agent for the ratable benefit of the Secured Parties with the United States Patent and Trademark Office, the United States Copyright Office, or other Governmental Authority (as applicable).

5.12. *Vehicles.* (a) No Vehicle shall be removed from the state which has issued the certificate of title or ownership therefor for a period in excess of the period after which such vehicle would be required to be retitled under applicable state law.

(b) With respect to any Vehicles acquired by such Grantor subsequent to the date hereof, within 30 days after the date of acquisition thereof, all applications for certificates of title or ownership indicating the Administrative Agent's first priority security interest in the Vehicle covered by such certificate, and any other necessary documentation, shall be filed in each office in each jurisdiction which the Administrative Agent shall deem advisable to perfect its security interests in the Vehicles.

22

5.13. *Non-Deliverable Collateral.* At no time shall any item of Non-Deliverable Collateral be delivered to or held by any Person (other than the Administrative Agent) as collateral security for any obligation of any Grantor.

SECTION 6. REMEDIAL PROVISIONS

6.1. *Nevada Gaming Laws and Intercreditor Agreements.* Each of the provisions of this Section 6 shall be subject to compliance with (i) applicable Nevada Gaming Laws and (ii) applicable provisions of the Intercreditor Agreements.

6.2. *Certain Matters Relating to Receivables.* (a) The Administrative Agent shall have the right to make test verifications of the Receivables in any manner and through any medium that it reasonably considers advisable, and each Grantor shall furnish all such assistance and information as the Administrative Agent may require in connection with such test verifications.

(b) The Administrative Agent hereby authorizes each Grantor to collect such Grantor's Receivables; provided that the Administrative Agent may curtail or terminate said authority at any time after the occurrence and during the continuance of an Event of Default. If required by the Administrative Agent at any time after the occurrence and during the continuance of an Event of Default, any payments of Receivables, when collected by any Grantor, (i) shall be forthwith (and, in any event, within two Business Days) deposited by such Grantor in the exact form received, duly endorsed by such Grantor to the Administrative Agent if required, in a Collateral Account maintained under the control of the Administrative Agent, subject to withdrawal by the Administrative Agent for the account of the Secured Parties only as provided in Section 6.4, and (ii) until so turned over, shall be held by such Grantor in trust for the Secured Parties, segregated from other funds of such Grantor. Each such deposit of Proceeds of Receivables shall be accompanied by a report identifying in reasonable detail the nature and source of the payments included in the deposit.

(c) At the Administrative Agent's request, each Grantor shall deliver to the Administrative Agent all original and other documents evidencing, and relating to, the agreements and transactions which gave rise to the Receivables, including, without limitation, all original orders, invoices and shipping receipts (other than Non-Deliverable Collateral).

6.3. *Communications with Obligors; Grantors Remain Liable.* (a) In addition to the rights of the Administrative Agent under the Consents, the Administrative Agent in its own name or in the name of others may at any time after the occurrence and during the continuance of an Event of Default communicate with obligors under the Receivables and parties to the Contracts to verify with them to the Administrative Agent's satisfaction the existence, amount and terms of any Receivables or Contracts.

(b) Upon the request of the Administrative Agent at any time after the occurrence and during the continuance of an Event of Default, each Grantor shall notify obligors on the Receivables and parties to the Contracts that the Receivables and the Contracts have been assigned to the Administrative Agent for the ratable benefit of the Secured Parties and that payments in respect thereof shall be made directly to the Administrative Agent.

(c) Anything herein to the contrary notwithstanding, each Grantor shall remain liable under each of the Receivables and Contracts to observe and perform all the conditions and obligations to be observed and performed by it thereunder, all in accordance with the terms of any agreement giving rise thereto. No Secured Party shall have any obligation or liability under any Receivable (or any agreement giving rise thereto) or Contract by reason of or arising out of this Agreement or the receipt by any Secured Party of any payment relating thereto, nor shall any Secured Party be obligated in any manner to perform any of the obligations of any Grantor under or pursuant to

23

any Receivable (or any agreement giving rise thereto) or Contract, to make any payment, to make any inquiry as to the nature or the sufficiency of any payment received by it or as to the sufficiency of any performance by any party thereunder, to present or file any claim, to take any action to enforce any performance or to collect the payment of any amounts which may have been assigned to it or to which it may be entitled at any time or times.

6.4. *Pledged Securities.* (a) Unless an Event of Default shall have occurred and be continuing and the Administrative Agent shall have given notice to the relevant Grantor of the Administrative Agent's intent to exercise its corresponding rights pursuant to Section 6.4(b), each Grantor shall be permitted to receive all cash dividends paid in respect of the Pledged Stock and all payments made in respect of the Pledged Notes, in each case paid in the normal course of business of the relevant Issuer, to the extent permitted in the Credit Agreement, and to exercise all voting and corporate or other ownership rights with respect to the Pledged Securities; *provided, however*, that no vote shall be cast or corporate or other ownership right exercised or other action taken which, in the Administrative Agent's reasonable judgment, would impair the Collateral or which would be inconsistent with or result in any violation of any provision of the Credit Agreement, this Agreement or any other Loan Document.

(b) Subject to applicable provisions of Nevada Gaming Laws, if an Event of Default shall occur and be continuing and the Administrative Agent shall give notice of its intent to exercise such rights to the relevant Grantor or Grantors, (i) the Administrative Agent shall have the right to receive any and all cash dividends, payments or other Proceeds paid in respect of the Pledged Securities and make application thereof to the Obligations in the order set forth in Section 6.6, and (ii) any or all of the Pledged Securities shall be registered in the name of the Administrative Agent or its nominee, and the Administrative Agent or its nominee may thereafter exercise (x) all voting, corporate or other ownership and other rights pertaining to such Pledged Securities at any meeting of shareholders or other equity holders of the relevant Issuer or Issuers or otherwise and (y) any and all rights of conversion, exchange and subscription and any other rights, privileges or options pertaining to such Pledged Securities as if it were the absolute owner thereof (including, without limitation, the right to exchange at its discretion any and all of the Pledged Securities upon the merger, consolidation, reorganization, recapitalization or other fundamental change in the corporate or other structure of any Issuer, or upon the exercise by any Grantor or the Administrative Agent of any right, privilege or option pertaining to such Pledged Securities, and in connection therewith, the right to deposit and deliver any and all of the Pledged Securities with any committee, depository, transfer agent, registrar or other designated agency upon such terms and conditions as the Administrative Agent may determine), all without liability except to account for property actually received by it, but the Administrative Agent shall have no duty to any Grantor to exercise any such right, privilege or option and shall not be responsible for any failure to do so or delay in so doing.

(c) Each Grantor hereby authorizes and instructs each Issuer of any Pledged Securities pledged by such Grantor hereunder (i) to comply with any instruction received by it from the Administrative Agent in writing that (x) states that an Event of Default has occurred and is continuing and (y) is otherwise in accordance with the terms of this Agreement, without any other or further instructions from such Grantor, and each Grantor agrees that each Issuer shall be fully protected in so complying, and (ii) unless otherwise expressly permitted hereby, to pay any dividends or other payments with respect to the Pledged Securities directly to the Administrative Agent.

6.5. *Proceeds to be Turned Over To Administrative Agent.* In addition to the rights of the Secured Parties specified in Section 6.2, and subject to applicable provisions of Nevada Gaming Laws, with respect to payments of Receivables, if an Event of Default shall occur and be continuing, all Proceeds received by any Grantor consisting of cash, Cash Equivalents, checks and other near-cash items shall be held by such Grantor in trust for the Secured Parties, segregated from other funds of such Grantor,

and shall, forthwith upon receipt by such Grantor, be turned over to the Administrative Agent in the exact form received by such Grantor (duly endorsed by such Grantor to the Administrative Agent, if required). All Proceeds received by the Administrative Agent hereunder shall be held by the Administrative Agent in a Collateral Account maintained under its control. All Proceeds while held by the Administrative Agent in a Collateral Account (or by such Grantor in trust for the Secured Parties) shall continue to be held as collateral security for all the Obligations and shall not constitute payment thereof until applied as provided in Section 6.6.

6.6. *Application of Proceeds.* At such intervals as may be agreed upon by the Borrower and the Administrative Agent in writing, or, if an Event of Default shall have occurred and be continuing, at any time at the Administrative Agent's election, the Administrative Agent may, notwithstanding the provisions of Section 2.12 of the Credit Agreement, apply all or any part of Proceeds constituting Collateral realized through the exercise by the Administrative Agent of its remedies hereunder, whether or not held in any Collateral Account, and any proceeds of the guarantee set forth in Section 2, in payment of the Obligations in the following order:

First, to the Administrative Agent, to pay incurred and unpaid fees and expenses of the Secured Parties under the Loan Documents;

Second, to the Administrative Agent, for application by it towards payment of amounts then due and owing and remaining unpaid in respect of the Obligations, pro rata among the Lenders according to the amounts of the Obligations then due and owing and remaining unpaid to the Lenders;

Third, to the Administrative Agent, for application by it towards prepayment of the Obligations, *pro rata* among the Lenders according to the amounts of the Obligations then held by the Lenders; and

Fourth, any balance of such Proceeds remaining after the Obligations (other than unmatured contingent reimbursement and indemnification Obligations, and Obligations in respect of any Specified Hedge Agreement) shall have been paid in full, no Letters of Credit shall be outstanding and the Commitments shall have terminated or expired shall be paid over to the Borrower or to whomsoever may be lawfully entitled to receive the same.

6.7. *Code and Other Remedies.* (a) If an Event of Default shall occur and be continuing, the Administrative Agent, on behalf of the Secured Parties, may exercise (subject to obtaining any required approvals from any Governmental Authorities that may not be waived by the Grantors), in addition to all other rights and remedies granted to them in this Agreement and in any other instrument or agreement securing, evidencing or relating to the Obligations, all rights and remedies of a secured party under the New York UCC (whether or not the New York UCC applies to the affected Collateral) or any other applicable law or in equity. Without limiting the generality of the foregoing, the Administrative Agent, without demand of performance or other demand, presentment, protest, advertisement or notice of any kind (except any notice required by law referred to below) to or upon any Grantor or any other Person (all and each of which demands, defenses, advertisements and notices are hereby waived), may in such circumstances forthwith collect, receive, appropriate and realize upon the Collateral, or any part thereof, (and/or may forthwith sell, lease, license, assign, give option or options to purchase, or otherwise dispose of and deliver the Collateral or any part thereof (or contract to do any of the foregoing), in one or more parcels at public or private sale or sales, at any exchange, broker's board or office of any Secured Party or elsewhere upon such terms and conditions as it may deem advisable and at such prices as it may deem best, for cash or on credit or

for future delivery without assumption of any credit risk. Each Secured Party shall have the right upon any such public sale or sales, and, to the extent permitted by law, upon any such private sale or sales, to purchase the whole or any part of the Collateral so sold, free of any right or equity of redemption in any Grantor, which right or equity is hereby waived and released. Each purchaser at any such sale shall hold the

property sold absolutely free from any claim or right on the part of any Grantor, and each Grantor hereby waives (to the extent permitted by applicable law) all rights of redemption, stay and/or appraisal which it now has or may at any time in the future have under any rule of law or statute now existing or hereafter enacted. Each Grantor agrees that, to the extent notice of sale shall be required by law, at least ten (10) days notice to such Grantor of the time and place of any public sale or the time after which any private sale is to be made shall constitute reasonable notification. The Administrative Agent shall not be obligated to make any sale of Collateral regardless of notice of sale having been given. The Administrative Agent may adjourn any public or private sale from time to time by announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was so adjourned. The Administrative Agent may sell the Collateral without giving any warranties as to the Collateral. The Administrative Agent may specifically disclaim or modify any warranties of title or the like. This procedure will not be considered to adversely effect the commercial reasonableness of any sale of the Collateral. Each Grantor agrees that it would not be commercially unreasonable for the Administrative Agent to dispose of the Collateral or any portion thereof by using Internet sites that provide for the auction of assets of the types included in the Collateral or that have the reasonable capability of doing so, or that match buyers and sellers of assets. Each Grantor hereby waives any claims against the Administrative Agent arising by reason of the fact that the price at which any Collateral may have been sold at such a private sale was less than the price which might have been obtained at a public sale, even if the Administrative Agent accepts the first offer received and does not offer such Collateral to more than one offeree. Each Grantor further agrees, at the Administrative Agent's request, to assemble the Collateral and make it available to the Administrative Agent at places which the Administrative Agent shall reasonably select, whether at such Grantor's premises or elsewhere. The Administrative Agent shall apply the net proceeds of any action taken by it pursuant to this Section 6.7, after deducting all reasonable costs and expenses of every kind incurred in connection therewith or incidental to the care or safekeeping of any of the Collateral or in any way relating to the Collateral or the rights of the Secured Parties hereunder, including, without limitation, reasonable attorneys' fees and disbursements, to the payment in whole or in part of the Obligations, in such order as the Administrative Agent may elect, and only after such application and after the payment by the Administrative Agent of any other amount required by any provision of law, including, without limitation, Section 9-615(a) of the New York UCC, need the Administrative Agent account for the surplus, if any, to any Grantor. To the extent permitted by applicable law, each Grantor waives all claims, damages and demands it may acquire against any Secured Party arising out of the exercise by them of any rights hereunder.

(b) In the event of any Disposition of any of the Intellectual Property, the goodwill of the business connected with and symbolized by any Trademarks subject to such Disposition shall be included, and the applicable Grantor shall supply the Administrative Agent or its designee with such Grantor's know-how and expertise, and with documents and things embodying the same, relating to the manufacture, distribution, advertising and sale of products or the provision of services relating to any Intellectual Property subject to such Disposition, and such Grantor's customer lists and other records and documents relating to such Intellectual Property and to the manufacture, distribution, advertising and sale of such products and services.

6.8. *Registration Rights.* (a) If the Administrative Agent shall determine to exercise its right to sell any or all of the Pledged Stock pursuant to Section 6.7, and if in the opinion of the Administrative Agent it is necessary or advisable to have the Pledged Stock, or that portion thereof to be sold, registered under the provisions of the Securities Act, the relevant Grantor will cause, or with respect to any Issuer that is not an Affiliate of any Grantor, use commercially reasonable efforts to cause, the Issuer thereof to (i) execute and deliver, and cause the directors and officers of such Issuer to execute and deliver, all such instruments and documents, and do or cause to be done all such other acts as may be, in the opinion of the Administrative Agent, necessary or advisable to register the Pledged Stock, or that portion thereof to be sold, under the provisions of the Securities Act, (ii) use its best efforts to

cause the registration statement relating thereto to become effective and to remain effective for a period of one year from the date of the first public offering of the Pledged Stock, or that portion thereof to be sold, and (iii) make all amendments thereto and/or to the related prospectus which, in the opinion of the Administrative Agent, are necessary or advisable, all in conformity with the requirements of the Securities Act and the rules and regulations of the SEC applicable thereto. Each Grantor agrees to cause, or with respect to any Issuer that is not an Affiliate of any Grantor, use commercially reasonable efforts to cause, such Issuer to comply with the provisions of the securities or "Blue Sky" laws of any and all jurisdictions which the Administrative Agent shall designate and to make available to its security holders, as soon as practicable, an earnings statement (which need not be audited) which will satisfy the provisions of Section 11(a) of the Securities Act.

(b) Each Grantor recognizes that the Administrative Agent may be unable to effect a public sale of any or all the Pledged Stock or the Pledged Debt Securities, by reason of certain prohibitions contained in the Securities Act and applicable state securities laws or otherwise, and may be compelled to resort to one or more private sales thereof to a restricted group of purchasers which will be obliged to agree, among other things, to acquire such securities for their own account for investment and not with a view to the distribution or resale thereof. Each Grantor acknowledges and agrees that any such private sale may result in prices and other terms less favorable than if such sale were a public sale and, notwithstanding such circumstances, agrees that any such private sale shall be deemed to have been made in a commercially reasonable manner. The Administrative Agent shall be under no obligation to delay a sale of any of the Pledged Stock or the Pledged Debt Securities for the period of time necessary to permit the Issuer thereof to register such securities for public sale under the Securities Act, or under applicable state securities laws, even if such Issuer would agree to do so.

(c) Each Grantor agrees to use its best efforts to do or cause to be done all such other acts as may be necessary to make such sale or sales of all or any portion of the Pledged Stock pursuant to this Section 6.8 valid and binding and in compliance with any and all other applicable Requirements of Law. Each Grantor further agrees that a breach of any of the covenants contained in this Section 6.8 will cause irreparable injury to the Secured Parties, that the Secured Parties have no adequate remedy at law in respect of such breach and, as a consequence, that each and every covenant contained in this Section 6.8 shall be specifically enforceable against such Grantor, and such Grantor hereby waives and agrees not to assert any defenses against an action for specific performance of such covenants except for a defense that no Event of Default has occurred and is continuing under the Credit Agreement or a defense of payment.

6.9. *Waiver; Deficiency.* Each Grantor shall remain liable for any deficiency if the proceeds of any sale or other disposition of the Collateral are insufficient to pay its Obligations and the fees and disbursements of any attorneys employed by any Secured Party to collect such deficiency.

SECTION 7. THE ADMINISTRATIVE AGENT

7.1. *Administrative Agent's Appointment as Attorney-in-Fact, etc.* (a) Subject to compliance with applicable Nevada Gaming Laws, each Grantor hereby irrevocably constitutes and appoints the Administrative Agent and any officer or agent thereof, with full power of substitution, as its true and lawful attorney-in-fact with full irrevocable power and authority in the place and stead of such Grantor and in the name of such Grantor or in its own name, for the purpose of carrying out the terms of this Agreement, to take any and all appropriate action and to execute any and all documents and instruments which may be necessary or desirable to accomplish the purposes of this Agreement, and, without limiting the generality of the foregoing, each Grantor hereby gives the Administrative Agent

the power and right, on behalf of such Grantor, without notice to or assent by such Grantor, to do any or all of the following:

(i) in the name of such Grantor or its own name, or otherwise, take possession of and endorse and collect any checks, drafts, notes, acceptances or other instruments for the payment of moneys due under any Receivable or Contract or with respect to any other Collateral and file any claim or take any other action or proceeding in any court of law or equity or otherwise deemed appropriate by the Administrative Agent for the purpose of collecting any and all such moneys due under any Receivable or Contract or with respect to any other Collateral whenever payable;

(ii) in the case of any Intellectual Property, execute and deliver, and have recorded, any and all agreements, instruments, documents and papers as the Administrative Agent may request to evidence the Secured Parties' security interest in such Intellectual Property and the goodwill and general intangibles of such Grantor relating thereto or represented thereby;

(iii) pay or discharge taxes and Liens levied or placed on or threatened against the Collateral, effect any repairs or any insurance called for by the terms of this Agreement and pay all or any part of the premiums therefor and the costs thereof;

(iv) execute, in connection with any sale provided for in Section 6.7 or 6.8, any endorsements, assignments or other instruments of conveyance or transfer with respect to the Collateral; and

(v) (1) direct any party liable for any payment under any of the Collateral to make payment of any and all moneys due or to become due thereunder directly to the Administrative Agent or as the Administrative Agent shall direct; (2) ask or demand for, collect, and receive payment of and receipt for, any and all moneys, claims and other amounts due or to become due at any time in respect of or arising out of any Collateral; (3) sign and endorse any invoices, freight or express bills, bills of lading, storage or warehouse receipts, drafts against debtors, assignments, verifications, notices and other documents in connection with any of the Collateral; (4) commence and prosecute any suits, actions or proceedings at law or in equity in any court of competent jurisdiction to collect the Collateral or any portion thereof and to enforce any other right in respect of any Collateral; (5) defend any suit, action or proceeding brought against such Grantor with respect to any Collateral; (6) settle, compromise or adjust any such suit, action or proceeding and, in connection therewith, give such discharges or releases as the Administrative Agent may deem appropriate; (7) assign any Copyright, Patent or Trademark (along with the goodwill of the business to which any such Copyright, Patent or Trademark pertains), throughout the world for such term or terms, on such conditions, and in such manner, as the Administrative Agent shall in its reasonable judgment determine; and (8) generally, sell, transfer, pledge and make any agreement with respect to or otherwise deal with any of the Collateral as fully and completely as though the Administrative Agent were the absolute owner thereof for all purposes, and do, at the Administrative Agent's option and such Grantor's expense, at any time, or from time to time, all acts and things which the Administrative Agent deems necessary to protect, preserve or realize upon the Collateral and the Secured Parties' security interests therein and to effect the intent of this Agreement, all as fully and effectively as such Grantor might do.

Anything in this Section 7.1(a) to the contrary notwithstanding, the Administrative Agent agrees that, except as provided in Section 7.1(b), it will not exercise any rights under the power of attorney provided for in this Section 7.1(a) unless and until an Event of Default shall have occurred and be continuing.

(b) If any Grantor fails to perform or comply with any of its agreements contained herein, the Administrative Agent, at its option, but without any obligation so to do, may perform or comply, or otherwise cause performance or compliance, with such agreement.

(c) The expenses of the Administrative Agent incurred in connection with actions undertaken as provided in this Section 7.1, together with interest thereon at a rate per annum equal to the rate per annum at which interest would then be payable on past due Revolving Credit Loans that are Base Rate Loans under the Credit Agreement, from the date of payment by the Administrative Agent to the date reimbursed by the relevant Grantor, shall be payable by such Grantor to the Administrative Agent on demand.

(d) Each Grantor hereby ratifies all that said attorneys shall lawfully do or cause to be done by virtue hereof. All powers, authorizations and agencies contained in this Agreement are coupled with an interest and are irrevocable until this Agreement is terminated and the security interests created hereby are released.

7.2. *Duty of Administrative Agent.* The Administrative Agent's sole duty with respect to the custody, safekeeping and physical preservation of the Collateral in its possession, under Section 9-207 or 9-208 of the New York UCC or otherwise, shall be to deal with it in the same manner as the Administrative Agent deals with similar property for its own account. Neither the Administrative Agent, nor any other Secured Party nor any of their respective officers, directors, partners, employees, agents, attorneys and other advisors, attorneys-in-fact or affiliates shall be liable for failure to demand, collect or realize upon any of the Collateral or for any delay in doing so or shall be under any obligation to sell or otherwise dispose of any Collateral upon the request of any Grantor or any other Person or to take any other action whatsoever with regard to the Collateral or any part thereof. The powers conferred on the Secured Parties hereunder are solely to protect the Secured Parties' interests in the Collateral and shall not impose any duty upon any Secured Party to exercise any such powers. The Secured Parties shall be accountable only for amounts that they actually receive as a result of the exercise of such powers, and neither they nor any of their officers, directors, partners, employees, agents, attorneys and other advisors, attorneys-in-fact or affiliates shall be responsible to any Grantor for any act or failure to act hereunder, except to the extent that any such act or failure to act is found by a final and nonappealable decision of a court of competent jurisdiction to have resulted solely and proximately from their own gross negligence or willful misconduct in breach of a duty owed to such Grantor.

7.3 *Filing of Financing Statements.* Each Grantor acknowledges that pursuant to Section 9-509(b) of the New York UCC and any other applicable law, each Grantor authorizes the Administrative Agent to file or record financing or continuation statements, and amendments thereto, and other filing or recording documents or instruments with respect to the Collateral in such form and in such offices as the Administrative Agent reasonably determines appropriate to perfect

or maintain the perfection of the security interests of the Administrative Agent under this Agreement. Each Grantor hereby agrees that such financing statements may describe the collateral in the same manner as described in the Security Documents or as "all assets" or "all personal property" of the undersigned, whether now owned or hereafter existing or acquired by the undersigned. If and to the extent permitted by applicable law, a photographic or other reproduction of this Agreement shall be sufficient as a financing statement or other filing or recording document or instrument for filing or recording in any jurisdiction.

7.4. *Authority of Administrative Agent.* Each Grantor acknowledges that the rights and responsibilities of the Administrative Agent under this Agreement with respect to any action taken by the Administrative Agent or the exercise or non-exercise by the Administrative Agent of any option, voting right, request, judgment or other right or remedy provided for herein or resulting or arising out of this Agreement shall, as between the Administrative Agent and the other Secured Parties, be

29

governed by the Credit Agreement and by such other agreements with respect thereto as may exist from time to time among them, but, as between the Administrative Agent and the Grantors, the Administrative Agent shall be conclusively presumed to be acting as agent for the Secured Parties with full and valid authority so to act or refrain from acting, and no Grantor shall be under any obligation, or entitlement, to make any inquiry respecting such authority.

7.5. *Appointment of Co-Collateral Agents.* At any time or from time to time, in order to comply with any Requirement of Law, the Administrative Agent may appoint another bank or trust company or one of more other persons, either to act as co-agent or agents on behalf of the Secured Parties with such power and authority as may be necessary for the effectual operation of the provisions hereof and which may be specified in the instrument of appointment (which may, in the discretion of the Administrative Agent, include provisions for indemnification and similar protections of such co-agent or separate agent); provided that the Administrative Agent shall give prompt notice of such appointment to all Grantors pursuant to Section 8.2 hereof.

SECTION 8. MISCELLANEOUS

8.1. *Amendments in Writing.* None of the terms or provisions of this Agreement may be waived, amended, supplemented or otherwise modified except in accordance with Section 10.1 of the Credit Agreement.

8.2. *Notices.* All notices, requests and demands to or upon the Administrative Agent or any Grantor hereunder shall be effected in the manner provided for in Section 10.2 of the Credit Agreement; *provided* that any such notice, request or demand to or upon any Guarantor shall be addressed to such Guarantor at its notice address set forth on *Schedule 1*.

8.3. *No Waiver by Course of Conduct; Cumulative Remedies.* No Secured Party shall by any act (except by a written instrument pursuant to Section 8.1), delay, indulgence, omission or otherwise be deemed to have waived any right or remedy hereunder or to have acquiesced in any Default or Event of Default. No failure to exercise, nor any delay in exercising, on the part of any Secured Party, any right, power or privilege hereunder shall operate as a waiver thereof. No single or partial exercise of any right, power or privilege hereunder shall preclude any other or further exercise thereof or the exercise of any other right, power or privilege. A waiver by any Secured Party of any right or remedy hereunder on any one occasion shall not be construed as a bar to any right or remedy which such Secured Party would otherwise have on any future occasion. The rights and remedies herein provided are cumulative, may be exercised singly or concurrently and are not exclusive of any other rights or remedies provided by law.

8.4. *Enforcement Expenses; Indemnification.* (a) Each Grantor agrees to pay or reimburse each Secured Party for all its costs and expenses incurred in collecting against such Grantor under the guarantee contained in Section 2 or otherwise enforcing or preserving any rights under this Agreement and the other Loan Documents to which such Grantor is a party, including, without limitation, the fees and disbursements of counsel to each Secured Party and of counsel to the Administrative Agent.

(b) Each Grantor agrees to pay, and to save the Secured Parties harmless from, any and all liabilities with respect to, or resulting from any delay in paying, any and all stamp, excise, sales or other taxes which may be payable or determined to be payable with respect to any of the Collateral or in connection with any of the transactions contemplated by this Agreement.

(c) Each Grantor agrees to pay, and to save the Secured Parties harmless from, any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever with respect to the execution, delivery, enforcement, performance and administration of this Agreement to the extent the Borrower would be required to do so pursuant to Section 10.5 of the Credit Agreement.

30

(d) The agreements in this Section 8.4 shall survive repayment of the Obligations and all other amounts payable under the Credit Agreement and the other Loan Documents.

(e) Each Grantor agrees that the provisions of Section 2.20 of the Credit Agreement are hereby incorporated herein by reference, *mutatis mutandis*, and each Secured Party shall be entitled to rely on each of them as if they were fully set forth herein.

8.5. *Successors and Assigns.* This Agreement shall be binding upon the successors and assigns of each Grantor and shall inure to the benefit of the Secured Parties and their successors and assigns; *provided* that no Grantor may assign, transfer or delegate any of its rights or obligations under this Agreement without the prior written consent of the Administrative Agent.

8.6. *Set-Off.* Each Grantor hereby irrevocably authorizes each Secured Party at any time and from time to time while an Event of Default shall have occurred and be continuing, without notice to such Grantor or any other Grantor, any such notice being expressly waived by each Grantor, to set-off and appropriate and apply any and all deposits (general or special, time or demand, provisional or final), in any currency, and any other credits, indebtedness or claims, in any currency, in each case whether direct or indirect, absolute or contingent, matured or unmatured, at any time held or owing by such Secured Party to or for the credit or the account of such Grantor, or any part thereof in such amounts as such Secured Party may elect, against and on account of the obligations and liabilities of such Grantor to such Secured Party hereunder and claims of every nature and description of such Secured Party against such Grantor, in any

currency, whether arising hereunder, under the Credit Agreement, any other Loan Document or otherwise, as such Secured Party may elect, whether or not any Secured Party has made any demand for payment and although such obligations, liabilities and claims may be contingent or unmatured. Each Secured Party shall notify such Grantor promptly of any such set-off and the application made by such Secured Party of the proceeds thereof, provided that the failure to give such notice shall not affect the validity of such set-off and application. The rights of each Secured Party under this Section are in addition to other rights and remedies (including, without limitation, other rights of set-off) which such Secured Party may have.

8.7. *Counterparts.* This Agreement may be executed by one or more of the parties to this Agreement on any number of separate counterparts (including by telecopy), and all of said counterparts taken together shall be deemed to constitute one and the same instrument.

8.8. *Severability.* Any provision of this Agreement which is prohibited or unenforceable in any jurisdiction (including by reason of the application of Nevada Gaming Laws or non-approval of the Nevada Gaming Authorities as set forth in Section 8.17) shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

8.9. *Section Headings.* The Section headings used in this Agreement are for convenience of reference only and are not to affect the construction hereof or be taken into consideration in the interpretation hereof.

8.10. *Integration.* This Agreement and the other Loan Documents represent the agreement of the Grantors, the Administrative Agent and the other Secured Parties with respect to the subject matter hereof and thereof, and there are no promises, undertakings, representations or warranties by any Secured Party relative to subject matter hereof and thereof not expressly set forth or referred to herein or in the other Loan Documents.

31

8.11. **GOVERNING LAW. SUBJECT TO COMPLIANCE WITH APPLICABLE NEVADA GAMING LAWS AND MANDATORY PROVISIONS OF NEW YORK LAW WHICH MAY REQUIRE APPLICATION OF NEVADA OR DELAWARE LAW AS TO CERTAIN ISSUES OF PERFECTION, THE EFFECT OF PERFECTION OR NON-PERFECTION, AND THE PRIORITY OF SECURITY INTERESTS, THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.**

8.12. *Submission to Jurisdiction; Waivers.* Each Grantor hereby irrevocably and unconditionally:

(a) submits for itself and its property in any legal action or proceeding relating to this Agreement and the other Loan Documents to which it is a party, or for recognition and enforcement of any judgment in respect thereof, to the non-exclusive general jurisdiction of the Courts of the State of New York, the courts of the United States of America for the Southern District of New York, and appellate courts from any thereof;

(b) consents that any such action or proceeding may be brought in such courts and waives any objection that it may now or hereafter have to the venue of any such action or proceeding in any such court or that such action or proceeding was brought in an inconvenient court and agrees not to plead or claim the same;

(c) agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to such Grantor at its address referred to in Section 8.2 or at such other address of which the Administrative Agent shall have been notified pursuant thereto;

(d) agrees that nothing herein shall affect the right to effect service of process in any other manner permitted by law or shall limit the right to sue in any other jurisdiction; and

(e) waives, to the maximum extent not prohibited by law, any right it may have to claim or recover in any legal action or proceeding referred to in this Section any special, exemplary, punitive or consequential damages.

8.13. *Acknowledgments.* Each Grantor hereby acknowledges that:

(a) it has been advised by counsel in the negotiation, execution and delivery of this Agreement and the other Loan Documents to which it is a party;

(b) no Secured Party has any fiduciary relationship with or duty to any Grantor arising out of or in connection with this Agreement or any of the other Loan Documents, and the relationship between the Grantors, on the one hand, and the Secured Parties, on the other hand, in connection herewith or therewith is solely that of debtor and creditor; and

(c) no joint venture is created hereby or by the other Loan Documents or otherwise exists by virtue of the transactions contemplated hereby among the Secured Parties or among the Grantors and the Secured Parties.

8.14. *Additional Grantors.* Each Subsidiary of Valvino that is required to become a party to this Agreement pursuant to Section 6.10(b) of the Credit Agreement shall become a Grantor for all purposes of this Agreement upon execution and delivery by such Subsidiary of an Assumption Agreement in the form of Annex 1 hereto.

8.15. *Releases.* (a) At such time as the Loans, the Reimbursement Obligations and the other Obligations (other than unmatured contingent reimbursement and indemnification Obligations, and Obligations in respect of any Specified Hedge Agreement) shall have been paid in full, the Commitments have been terminated or expired and no Letters of Credit shall be outstanding, the Collateral shall be released from the Liens created hereby, and this Agreement and all obligations (other than those expressly stated to survive such termination) of the Administrative Agent and each

32

Grantor hereunder shall terminate, all without delivery of any instrument or performance of any act by any party, and all rights to the Collateral shall revert to the Grantors. At the request and sole expense of any Grantor following any such termination, the Administrative Agent shall deliver to such Grantor any of such Grantor's Collateral held by the Administrative Agent hereunder, and execute and deliver to such Grantor such documents as such Grantor shall reasonably request to evidence such termination.

(b) If any of the Collateral shall be Disposed of by any Grantor in a transaction permitted by the Credit Agreement, then the Administrative Agent, at the request and sole expense of such Grantor, shall execute and deliver to such Grantor all releases or other documents reasonably necessary or desirable for the release of the Liens created hereby on such Collateral. At the request and sole expense of the Borrower, a Guarantor shall be released from its obligations hereunder in the event that all the Capital Stock of such Guarantor shall be Disposed of in a transaction permitted by the Credit Agreement; provided that the Borrower shall have delivered to the Administrative Agent, at least ten Business Days prior to the date of the proposed release, a written request for release identifying the relevant Guarantor and the terms of the Disposition in reasonable detail, including the price thereof and any expenses in connection therewith, together with a certification by the Borrower stating that such transaction is in compliance with the Credit Agreement and the other Loan Documents and that the Proceeds of such Disposition will be applied in accordance therewith.

(c) Each Grantor acknowledges that it is not authorized to file any financing statement or amendment or termination statement with respect to any financing statement originally filed in connection herewith without the prior written consent of the Administrative Agent subject to such Grantor's rights under Section 9-509(d)(2) of the New York UCC.

8.16. WAIVER OF JURY TRIAL. EACH GRANTOR AND THE ADMINISTRATIVE AGENT HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES TRIAL BY JURY IN ANY LEGAL ACTION OR PROCEEDING RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT AND FOR ANY COUNTERCLAIM THEREIN.

8.17. *Regulatory Matters.* The Administrative Agent, on behalf of the Lenders, acknowledges and agrees that:

(a) At such time as any Grantor becomes subject to the jurisdiction of the Nevada Gaming Authorities as a licensee or registered company under the Nevada Gaming Laws (or prior to such time in furtherance of any Grantor's application to become a licensee or registered company under the Nevada Gaming Laws), the pledge of any Pledged Stock or other equity securities issued by such Grantor ("*Pledged Gaming Stock*") under this Agreement will require the approval of the Nevada Gaming Authorities in order to remain effective.

(b) In the event that a Secured Party exercises a remedy set forth in this Agreement with respect to any Pledged Gaming Stock, that is a foreclosure, transfer of a possessory security interest in such Collateral, the exercise of voting and consensual rights with respect thereto afforded hereunder and/or re-registration of such Collateral, such exercise of remedies would be deemed a separate transfer of such Collateral and would require the separate and prior approval of the Nevada Gaming Authorities pursuant to applicable Nevada Gaming Laws as in effect on the date hereof and the licensing of such Secured Party or other transferee, unless such licensing requirement is waived by the Nevada Gaming Authorities.

(c) In the event that after a Secured Party exercises a remedy set forth in this Agreement with respect to Collateral consisting of gaming devices, cashless wagering systems and associated equipment (as those terms are defined in the Nevada Gaming Laws) a transfer, sale, distribution, or other disposition of such Collateral occurs (separate from any foreclosure action by a Secured Party unless such Secured Party utilizes such Collateral for gaming purposes), such transfer, sale,

33

distribution, or other disposition of such Collateral would require the separate and prior approval of the Nevada Gaming Authorities pursuant to applicable Nevada Gaming Laws as in effect on the date hereof or the licensing of such Secured Party or other transferee.

(d) The approval by the applicable Nevada Gaming Authorities of this Agreement shall not act or be construed as the approval, either express or implied, for a Secured Party to take any actions or steps provided for in this Agreement for which prior approval of the Nevada Gaming Authorities is required, without first obtaining such prior and separate approval of the applicable Nevada Gaming Authorities to the extent then required applicable Nevada Gaming Laws.

(e) The physical location of all certificates evidencing Pledged Gaming Stock shall at all times remain within the territory of the State of Nevada at a location designated to the Nevada Gaming Authorities, and each of such certificate shall be made available for inspection by agents of the Nevada Gaming Authorities immediately upon request during normal business hours. Neither the Administrative Agent nor any agent of the Administrative Agent shall surrender possession of the Pledged Gaming Stock to any Person other than the Grantor pledging such Pledged Gaming Stock without the prior approval of the Nevada Gaming Authorities or as otherwise permitted by applicable Nevada Gaming Laws.

(f) It shall cooperate with the Nevada Gaming Authorities in connection with the administration of their regulatory jurisdiction over certain of the Grantors, including, without limitation, through the provision of such documents or other information as may be requested by the Nevada Gaming Authorities relating to the Administrative Agent, the Lenders or such Grantors.

(g) The Administrative Agent, the Lenders and their respective assignees are subject to being called forward by the Nevada Gaming Authorities, in their discretion, for licensing or a finding of suitability in order to remain entitled to the benefits of this Agreement as it relates to Pledged Gaming Stock.

Guarantee and Collateral Agreement

FORM OF CONTROL AGREEMENT

This CONTROL AGREEMENT (as amended, supplemented or otherwise modified from time to time, the "*Control Agreement*") dated as of _____, 2002, is made by and among _____, a _____ (the "*Grantor*"), Deutsche Bank Trust Company Americas, as administrative agent (in such capacity, the "*Administrative Agent*") for the Secured Parties (as defined in the Guarantee and Collateral Agreement referred to below), and _____, a _____ (the "*Broker*").

WHEREAS, the Broker maintains for the Grantor a commodity account, Account No. _____ (the "*Pledged Account*"), in the name of the Grantor.

WHEREAS, the Grantor has granted to the Administrative Agent for the benefit of the Secured Parties a security interest in the Pledged Account, the commodity contracts and any free credit balance carried therein, and all additions thereto and substitutions and proceeds thereof (collectively, the "*Collateral*") pursuant to a Guarantee and Collateral Agreement, dated as of October 30, 2002 (as amended, supplemented, replaced or otherwise modified from time to time, the "*Guarantee and Collateral Agreement*"), among the Grantor and the other persons party thereto as grantors in favor of the Administrative Agent.

WHEREAS, the following terms which are defined in Articles 8 and 9 of the Uniform Commercial Code in effect in the State of New York on the date hereof (the "*UCC*") are used herein as so defined: Commodity Account, Commodity Contract, Commodity Intermediary's Jurisdiction, Control and Proceeds. Capitalized terms used and not defined herein have the meanings given such terms in that certain Credit Agreement dated as of October 30, 2002 among Wynn Las Vegas, LLC, a Nevada limited liability company, the Administrative Agent and the banks and other financial institutions and entities from time to time party thereto.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

SECTION 1. *Notice of Security Interest.* The Grantor, the Administrative Agent and the Broker are entering into this Control Agreement to perfect, and to confirm the priority of, the Administrative Agent's security interest in the Collateral. The Broker acknowledges that this Control Agreement constitutes written notification to the Broker of the Administrative Agent's security interest in the Collateral. The Broker agrees to promptly make all necessary entries or notations

in its books and records to reflect the Administrative Agent's security interest in the Collateral. The Broker acknowledges that the Administrative Agent has control over the Pledged Account and all commodity contracts and any free credit balance carried therein from time to time.

SECTION 2. *Collateral; Pledged Account.* (a) The Grantor hereby represents and warrants to, and agrees with the Administrative Agent and the Broker that, all commodity contracts carried by the Broker on its books for the Grantor are and shall be credited to the Pledged Account.

(b) The Broker hereby represents and warrants to, and agrees with the Grantor and the Administrative Agent that (i) the Broker is a commodity intermediary with respect to the Grantor and the Pledged Account is a commodity account, (ii) the commodity intermediary's jurisdiction (within the meaning of Section 9305(b) of the UCC) is, and during the term of this Control Agreement shall for all purposes of this Control Agreement remain, the State of New York, (iii) *Schedule 1* contains a true and complete statement of the Pledged Account and the commodity contracts and any free credit balance carried therein as of the date hereof, and (iv) the Pledged Account is and shall remain a cash account, and the Broker will not extend, directly or indirectly, any "purpose credit" (within the meaning of such term under Regulation T of the Board of

E-1

Governors of the Federal Reserve System of the United States) to the Grantor in respect of the Pledged Account.

(c) The Administrative Agent hereby instructs the Broker, and the Broker hereby confirms and agrees that, unless the Administrative Agent shall otherwise direct the Broker in writing, all commodity contracts carried by the Broker on its books for the Grantor shall be credited only to, and carried only in, the Pledged Account.

SECTION 3. *Control.* The Broker hereby agrees, upon written direction from the Administrative Agent and without further consent from the Grantor, (a) to apply any value distributed on account of the commodity contracts carried in the Pledged Account as directed by the Administrative Agent, to liquidate or otherwise dispose of the Collateral as and to the extent directed by the Administrative Agent and to pay over to the Administrative Agent all proceeds and other value therefrom or otherwise distributed with respect thereto without any setoff or deduction, and (b) except as otherwise directed by the Administrative Agent, not to apply any value distributed on account of any commodity contract carried in the Pledged Account as directed by the Grantor or any other person at any time after the Broker has received notice from the Administrative Agent that an Event of Default exists and is continuing (and thereafter not until such time as the Administrative Agent sends written notice to the Broker that such Event of Default has been cured or waived). Subject to all other terms of this Control Agreement, and subject to the terms of the Guarantee and Collateral Agreement, until such time as the Broker has received notice from the Administrative Agent of the occurrence and continuation of an Event of Default (and after such time as the Issuer has received notice from the Administrative Agent that such Event of Default has been cured or waived), the Grantor shall be entitled to issue directions concerning the application of any value distributed on account of any commodity contract carried in the Pledge Account, and the Broker shall comply with such directions; provided, however, that if and when the Broker receives conflicting directions from the Grantor and the Administrative Agent, the Bank shall only follow the directions of the Administrative Agent.

SECTION 4. *Other Agreements; Termination; Successor Brokers.* The Broker shall simultaneously send to the Administrative Agent copies of all notices given and statements rendered pursuant to the Pledged Account. The Broker shall notify promptly the Administrative Agent and the Grantor if any other person asserts any lien, encumbrance, claim or security interest in or against any of the Collateral. As long as the Guarantee and Collateral Agreement remains in effect, neither the Grantor nor the Broker shall terminate the Pledged Account without thirty (30) days' prior written notice to the other party and the Administrative Agent. In the event of any conflict between the provisions of this Control Agreement and any other agreement governing the Pledged Account or the Collateral, the provisions of this Control Agreement shall control. In the event the Broker no longer serves as Broker for the Collateral, the Pledged Account, the commodity contracts and any free credit balance carried therein shall be transferred to a successor broker, custodian or futures commission merchant satisfactory to the Administrative Agent, provided, that prior to such transfer, such successor broker, custodian or futures commission merchant shall execute an agreement that is substantially in the form of this Control Agreement or is otherwise in form and substance satisfactory to the Administrative Agent.

SECTION 5. *Protection of Broker.* The Broker may rely and shall be protected in acting upon any notice, instruction or other communication that it reasonably believes to be genuine and authorized.

SECTION 6. *Termination.* This Control Agreement shall terminate automatically upon receipt by the Broker of written notice executed by the Administrative Agent that (i) all of the Obligations (excluding unmatured contingent reimbursement and indemnification obligations, and obligations that arise under any Specified Hedge Agreement) secured by the Collateral have been paid in full in

E-2

immediately available funds, or (ii) all of the Collateral has been released, whichever is sooner, and the Broker shall thereafter be relieved of all duties and obligations hereunder.

SECTION 7. *Waiver; Priority of Administrative Agent's Interests.* Other than with respect to its fees and customary commissions with respect to the Pledged Account, the Broker hereby waives its right to set off any obligations of the Grantor to the Broker against any or all of the Collateral, and hereby agrees that any and all liens, encumbrances, claims or security interests which the Broker may have against the Collateral, either now or in the future in connection with the Pledged Account are and shall be subordinate and junior to the prior payment in full in immediately available funds of all obligations of the Grantor now or hereafter existing under the Credit Agreement, the Guarantee and Collateral Agreement, and all other documents related thereto, whether for principal, interest (including, without limitation, interest as provided in the Credit Agreement, whether or not such interest accrues after the filing of such petition for purposes of the federal Bankruptcy Code or is an allowed claim in such proceeding), indemnities, fees, premiums, expenses or otherwise. Except for the foregoing and claims and interests of the Administrative Agent and the Grantor in the Collateral, the Broker does not know of any claim to or security interest or other interest in the Collateral.

SECTION 8. *Notices.* All notices, requests and demands to or upon the respective parties hereto to be effective shall be in writing (including by telecopy), and, unless otherwise expressly provided herein, shall be deemed to have been duly given or made when delivered, or three days after being deposited in the mail and sent by first-class mail, postage prepaid, or, in the case of telecopy notice, when received, to the Grantor's and the Administrative Agent's addresses as set forth in the Guarantee and Collateral Agreement, and to the Broker's address as set forth below, or to such other address as any party may give to the others in writing for such purpose:

SECTION 10. *Entire Agreement.* This Control Agreement and the Guarantee and Collateral Agreement constitute the entire agreement and supersede all other prior agreements and understandings, both written and oral, among the parties with respect to the subject matter hereof.

SECTION 11. *Execution in Counterparts.* This Control Agreement may be executed in any number of counterparts (including by teletype), each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

SECTION 12. *Successors and Assigns.* This Control Agreement will be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns, except that the Grantor may not assign, transfer or delegate any of its rights or obligations under this Control Agreement without the prior written consent of the Administrative Agent.

SECTION 13. *Governing Law and Jurisdiction.* This Control Agreement has been delivered to and accepted by the Administrative Agent and will be deemed to be made in the State of New York. **SUBJECT TO COMPLIANCE WITH APPLICABLE NEVADA GAMING LAWS, THIS CONTROL AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.** Each of the parties hereto submits for itself and its property in any legal action or proceeding relating to this Control Agreement,

Section 1.2. Other Definitional Provisions. (a) The words "*hereof*," "*herein*," "*hereto*" and "*hereunder*" and words of similar import when used in this Agreement shall refer to this Agreement as a whole and not to any particular provision of this Agreement, and Section and Schedule references are to this Agreement unless otherwise specified.

(c) The expressions "*payment in full*," "*paid in full*" and any other similar terms or phrases when used herein with respect to the Borrower Obligations shall mean the unconditional, final and irrevocable payment in full, in immediately available funds, of all of the Borrower Obligations.

SECTION 2

GUARANTEE

Section 2.1. Guarantee. (a) Wynn Resorts hereby unconditionally and irrevocably, guarantees to the Secured Parties and their respective successors, indorsees, transferees and assigns, the prompt and complete payment and performance by the Borrower when due (whether at the stated maturity, by acceleration or otherwise) of the Borrower Obligations.

(b) The guarantee contained in this **Section 2** shall remain in full force and effect until payment in full of all Borrower Obligations.

(c) No payment made by the Borrower, Wynn Resorts, any Other Guarantor or any other Person or received or collected by any Secured Party from the Borrower, Wynn Resorts, any Other Guarantor or any other Person by virtue of any action or proceeding or any set-off or appropriation or application at any time or from time to time in reduction of or in payment of the Obligations shall be deemed to modify, reduce, release or otherwise affect the liability of Wynn Resorts hereunder which shall, notwithstanding any such payment (other than any payment made by Wynn Resorts in respect of the Obligations or any payment received or collected from Wynn Resorts in respect of the Obligations), remain liable for the Obligations up to the maximum liability of Wynn Resorts hereunder until the Guarantor Obligations are paid in full.

Section 2.2. Rights of Reimbursement, Contribution and Subrogation. (a) In case any payment is made on account of the Obligations by Wynn Resorts or is received or collected on account of the Obligations from Wynn Resorts or its property, Wynn Resorts may be entitled, subject to and upon payment in full of the Obligations, (A) to demand and enforce reimbursement for the full amount of such payment from the Borrower and (B) to demand and enforce contribution in respect of such payment from each Other Guarantor which has not paid its fair share of such payment, as necessary to ensure that (after giving effect to any enforcement of reimbursement rights provided hereby) Wynn Resorts and each Other Guarantor pays its fair share of the unreimbursed portion of such payment.

(b) [Reserved]

(c) All rights and claims arising under this **Section 2.2** or based upon or relating to any other right of reimbursement, indemnification, contribution or subrogation that may at any time arise or exist in favor of Wynn Resorts as to any payment on account of the Obligations made by it or received or collected from its property shall be fully subordinated in all respects to the prior payment in full of all of the Obligations. Until payment in full of the Obligations, Wynn Resorts shall not demand or receive any payment or distribution whatsoever (whether in cash, property or securities or otherwise) on account of any such right or claim. If any such payment or distribution is made or becomes available to

2

Wynn Resorts in any bankruptcy case or receivership, insolvency or liquidation proceeding, such payment or distribution shall be delivered by the Person making such payment or distribution directly to the Collateral Agent, for application to the payment of the Obligations. If any such payment or distribution is received by Wynn Resorts, it shall be held by Wynn Resorts in trust, as trustee of an express trust for the benefit of the Secured Parties, and shall forthwith be transferred and delivered by Wynn Resorts to the Collateral Agent, in the exact form received and, if necessary, duly endorsed.

(d) The obligations of Wynn Resorts under this Agreement, including its liability for the Obligations, are not contingent upon the validity, legality, enforceability, collectibility or sufficiency of any right of reimbursement, contribution or subrogation arising under this **Section 2.2**. The invalidity, insufficiency, unenforceability or uncollectibility of any such right shall not in any respect diminish, affect or impair any such obligation or any other claim, interest, right or remedy at any time held by any Secured Party against Wynn Resorts or its property. The Secured Parties make no representations or warranties in respect of any such right and shall have no duty to assure, protect, enforce or ensure any such right or otherwise relating to any such right.

(e) Wynn Resorts reserves any and all other rights of reimbursement, contribution or subrogation at any time available to it as against any Other Guarantor, but (i) the exercise and enforcement of such rights shall be subject to **Section 2.2** and (ii) neither the Collateral Agent nor any other Secured Party shall ever have any duty or liability whatsoever in respect of any such right, except as provided in **Section 2.2(c)**.

(f) Wynn Resorts waives any right or claims of right to cause a marshalling of the Borrower's, Wynn Resorts' or any Other Guarantor's assets or to proceed against Wynn Resorts, the Borrower or any Other Guarantor in any particular order, including, but not limited to, any right arising out of Nevada Revised Statutes 40.430.

Section 2.3. Amendments, etc. with respect to the Borrower Obligations. Wynn Resorts shall remain obligated hereunder notwithstanding that, without any reservation of rights against any Other Guarantor and without notice to or further assent by any such guarantor, any demand for payment of any of the Borrower Obligations made by any Secured Party may be rescinded by such Secured Party and any of the Borrower Obligations continued, and the Borrower Obligations, or the liability of any other Person upon or for any part thereof, or any collateral security or guarantee therefor or right of offset with respect thereto, may, from time to time, in whole or in part, be renewed, increased, extended, amended, modified, accelerated, compromised, waived, surrendered or released by any Secured Party, and the Loan Agreement and the other Loan Documents and any other documents executed and delivered in connection therewith may be amended, modified, supplemented or terminated, in whole or in part, as the Collateral Agent (or the requisite Lenders under the Loan Agreement or all Lenders, as the case may be) may deem advisable from time to time, and any collateral security, guarantee or right of offset at any time held by any Secured Party for the payment of the Borrower Obligations may be sold, exchanged, waived, surrendered or released. No Secured Party shall have any obligation to protect, secure, perfect or insure any Lien at any time held by it as security for the Borrower Obligations or for the guarantee contained in this **Section 2** or any property subject thereto.

Section 2.4. Guarantee Absolute and Unconditional. Wynn Resorts waives any and all notice of the creation, renewal, extension or accrual of any of the Borrower Obligations and notice of or proof of reliance by any Secured Party upon the guarantee contained in this **Section 2** or acceptance of the guarantee contained in this **Section 2**; the Borrower Obligations, and any of them, shall conclusively be deemed to have been created, contracted or incurred, or renewed, extended, amended or waived, in reliance upon the guarantee contained in this **Section 2**; and all dealings between the Borrower and Wynn Resorts or any of the Other Guarantors, on the one hand, and the Secured Parties, on the other hand, likewise shall be conclusively presumed to have been had or consummated in reliance upon the

3

guarantee contained in this **Section 2**. Wynn Resorts waives diligence, presentment, protest, demand for payment and notice of default or nonpayment to or upon the Borrower, Wynn Resorts or any of the Other Guarantors. Wynn Resorts understands and agrees that the guarantee contained in this **Section 2** shall be

construed as a continuing, absolute and unconditional guarantee of payment and performance without regard to (a) the validity or enforceability of the Loan Agreement or any other Loan Document, any of the Borrower Obligations or any other collateral security therefor or guarantee or right of offset with respect thereto at any time or from time to time held by any Secured Party, (b) any defense, set-off or counterclaim (other than a defense of payment or performance hereunder) which may at any time be available to or be asserted by the Borrower or any other Person against any Secured Party, or (c) any other circumstance whatsoever (with or without notice to or knowledge of the Borrower or Wynn Resorts) which constitutes, or might be construed to constitute, an equitable or legal discharge of the Borrower for the Borrower Obligations, or of Wynn Resorts under the guarantee contained in this **Section 2**, in bankruptcy or in any other instance. When making any demand hereunder or otherwise pursuing its rights and remedies hereunder against Wynn Resorts, any Secured Party may, but shall be under no obligation to, make a similar demand on or otherwise pursue such rights and remedies as it may have against the Borrower, any Other Guarantor or any other Person or against any guarantee for the Borrower Obligations or any right of offset with respect thereto, and any failure by any Secured Party to make any such demand, to pursue such other rights or remedies or to collect any payments from the Borrower, any Other Guarantor or any other Person or to realize upon any such guarantee or to exercise any such right of offset, or any release of the Borrower, any Other Guarantor or any other Person or any such guarantee or right of offset, shall not relieve Wynn Resorts of any obligation or liability hereunder, and shall not impair or affect the rights and remedies, whether express, implied or available as a matter of law, of any Secured Party against Wynn Resorts. Section 6.8. Counterparts. This Agreement may be executed by one or more of the parties to this Agreement on any number of separate counterparts (including by telecopy), and all of said counterparts taken together shall be deemed to constitute one and the same instrument.

7

Section 6.9. Severability. Any provision of this Agreement which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

(c) The expressions "payment in full," "paid in full" and any other similar terms or phrases when used herein with respect to the Borrower Obligations shall mean the unconditional, final and irrevocable payment in full, in immediately available funds, of all of the Borrower Obligations.

SECTION 2. GUARANTEE

2.1. *Guarantee.*

(a) Wynn Resorts hereby unconditionally and irrevocably, guarantees to the Administrative Agent, for the ratable benefit of the Secured Parties and their respective successors, indorsees, transferees and assigns, the prompt and complete payment and performance by the Borrower when due (whether at the stated maturity, by acceleration or otherwise) of the Borrower Obligations.

(b) The guarantee contained in this Section 2 shall remain in full force and effect until payment in full of all Borrower Obligations, notwithstanding that from time to time during the term of the Credit Agreement the Borrower may be free from any Borrower Obligations.

(c) No payment made by the Borrower, Wynn Resorts, any Other Guarantor or any other Person or received or collected by any Secured Party from the Borrower, Wynn Resorts, any Other Guarantor or any other Person by virtue of any action or proceeding or any set-off or appropriation or application at any time or from time to time in reduction of or in payment of the Borrower Obligations shall be deemed to modify, reduce, release or otherwise affect the liability of Wynn Resorts hereunder which shall, notwithstanding any such payment (other than any payment made by Wynn Resorts in respect of the Borrower Obligations or any payment received or collected from Wynn Resorts in respect of the Borrower Obligations), remain liable for the Borrower Obligations up to the maximum liability of Wynn Resorts hereunder until the Borrower Obligations are paid in full, no Letter of Credit shall be outstanding and the Commitments are terminated or have expired.

2.2. *Rights of Reimbursement, Contribution and Subrogation.*

2

(a) In case any payment is made on account of the Borrower Obligations by Wynn Resorts or is received or collected on account of the Obligations from Wynn Resorts or its property, Wynn Resorts may be entitled, subject to and upon payment in full of the Borrower Obligations, (A) to demand and enforce reimbursement for the full amount of such payment from the Borrower and (B) to demand and enforce contribution in respect of such payment from each Other Guarantor which has not paid its fair share of such payment, as necessary to ensure that (after giving effect to any enforcement of reimbursement rights provided hereby) Wynn Resorts and each Other Guarantor pays its fair share of the unreimbursed portion of such payment.

(b) If and whenever (after payment in full of the Borrower Obligations) any right of reimbursement or contribution becomes enforceable by Wynn Resorts against any Other Guarantor as described in Section 2.2(a) or otherwise, Wynn Resorts may be entitled, subject to and upon payment in full of the Borrower Obligations, to be subrogated (equally and ratably with all Other Guarantors entitled to reimbursement or contribution from Wynn Resorts or any Other Guarantor as described in this Section 2.2) to any security interest that may then be held by the Administrative Agent upon any Collateral granted to it pursuant to the Security Documents. Such right of subrogation shall be enforceable solely against the Other Guarantors, and not against the Secured Parties, and neither the Administrative Agent nor any other Secured Party shall have any duty whatsoever to warrant, ensure or protect any such right of subrogation or to obtain, perfect, maintain, hold, enforce or retain any Collateral for any purpose related to any such right of subrogation. If subrogation is demanded by Wynn Resorts, then (after payment in full of the Borrower Obligations) the Administrative Agent shall deliver to Wynn Resorts, or to a representative of Wynn Resorts or of the guarantors of the Borrower Obligations generally, at the expense of Wynn Resorts, an instrument satisfactory to the Administrative Agent transferring, on a quitclaim basis without any recourse, representation, warranty or obligation whatsoever, whatever security interest the Administrative Agent then may hold in whatever Collateral may then exist that was not previously released or disposed of by the Administrative Agent.

(c) All rights and claims arising under this Section 2.2 or based upon or relating to any other right of reimbursement, indemnification, contribution or subrogation that may at any time arise or exist in favor of Wynn Resorts as to any payment on account of the Borrower Obligations made by it or received or collected from its property shall be fully subordinated in all respects to the prior payment in full of all of the Borrower Obligations. Until payment in full of the Borrower Obligations, Wynn Resorts shall not demand or receive any collateral security, payment or distribution whatsoever (whether in cash, property or securities or otherwise) on account of any such right or claim. If any such payment or distribution is made or becomes available to Wynn Resorts in any bankruptcy case or receivership, insolvency or liquidation proceeding, such payment or distribution shall be delivered by the Person making such payment or distribution directly to the Administrative Agent, for application to the payment of the Borrower Obligations. If any such payment or distribution is received by Wynn Resorts, it shall be held by Wynn Resorts in trust, as trustee of an express trust for the benefit of the Secured Parties, and shall forthwith be transferred and delivered by Wynn Resorts to the Administrative Agent, in the exact form received and, if necessary, duly endorsed.

(d) The obligations of Wynn Resorts under this Agreement, including its liability for the Borrower Obligations, are not contingent upon the validity, legality, enforceability, collectibility or sufficiency of any right of reimbursement, contribution or subrogation arising under this Section 2.2. The invalidity, insufficiency, unenforceability or uncollectibility of any such right shall not in any respect diminish, affect or impair any such obligation or any other claim, interest, right or remedy at any time held by any Secured Party against Wynn Resorts or its property. The Secured Parties make no representations or warranties in respect of any such right and shall have no duty to assure, protect, enforce or ensure any such right or otherwise relating to any such right.

(e) Wynn Resorts reserves any and all other rights of reimbursement, contribution or subrogation at any time available to it as against any Other Guarantor, but (i) the exercise and enforcement of such

3

rights shall be subject to Section 2.2(d) and (ii) neither the Administrative Agent nor any other Secured Party shall ever have any duty or liability whatsoever in respect of any such right, except as provided in Section 2.2(c).

(f) Wynn Resorts waives any right or claims of right to cause a marshalling of the Borrower's, Wynn Resorts' or any Other Guarantor's assets or to proceed against Wynn Resorts, the Borrower or any Other Guarantor in any particular order, including, but not limited to, any right arising out of Nevada Revised Statutes 40.430.

2.3 *Amendments, etc. with respect to the Borrower Obligations.*

Wynn Resorts shall remain obligated hereunder notwithstanding that, without any reservation of rights against any Other Guarantor and without notice to or further assent by any such guarantor, any demand for payment of any of the Borrower Obligations made by any Secured Party may be rescinded by such Secured Party and any of the Borrower Obligations continued, and the Borrower Obligations, or the liability of any other Person upon or for any part thereof, or any collateral security or guarantee therefor or right of offset with respect thereto, may, from

time to time, in whole or in part, be renewed, increased, extended, amended, modified, accelerated, compromised, waived, surrendered or released by any Secured Party, and the Credit Agreement and the other Loan Documents and any other documents executed and delivered in connection therewith may be amended, modified, supplemented or terminated, in whole or in part, as the Administrative Agent (or the requisite Lenders under the Credit Agreement or all Lenders, as the case may be) may deem advisable from time to time, and any collateral security, guarantee or right of offset at any time held by any Secured Party for the payment of the Borrower Obligations may be sold, exchanged, waived, surrendered or released. No Secured Party shall have any obligation to protect, secure, perfect or insure any Lien at any time held by it as security for the Borrower Obligations or for the guarantee contained in this Section 2 or any property subject thereto.

2.4 Guarantee Absolute and Unconditional. Wynn Resorts waives any and all notice of the creation, renewal, extension or accrual of any of the Borrower Obligations and notice of or proof of reliance by any Secured Party upon the guarantee contained in this Section 2 or acceptance of the guarantee contained in this Section 2; the Borrower Obligations, and any of them, shall conclusively be deemed to have been created, contracted or incurred, or renewed, extended, amended or waived, in reliance upon the guarantee contained in this Section 2; and all dealings between the Borrower and Wynn Resorts or any of the Other Guarantors, on the one hand, and the Secured Parties, on the other hand, likewise shall be conclusively presumed to have been had or consummated in reliance upon the guarantee contained in this Section 2. Wynn Resorts waives diligence, presentment, protest, demand for payment and notice of default or nonpayment to or upon the Borrower, Wynn Resorts or any of the Other Guarantors. Wynn Resorts understands and agrees that the guarantee contained in this Section 2 shall be construed as a continuing, absolute and unconditional guarantee of payment and performance without regard to (a) the validity or enforceability of the Credit Agreement or any other Loan Document, any of the Borrower Obligations or any other collateral security therefor or guarantee or right of offset with respect thereto at any time or from time to time held by any Secured Party, (b) any defense, set-off or counterclaim (other than a defense of payment or performance hereunder) which may at any time be available to or be asserted by the Borrower or any other Person against any Secured Party, or (c) any other circumstance whatsoever (with or without notice to or knowledge of the Borrower or Wynn Resorts) which constitutes, or might be construed to constitute, an equitable or legal discharge of the Borrower for the Borrower Obligations, or of Wynn Resorts under the guarantee contained in this Section 2, in bankruptcy or in any other instance. When making any demand hereunder or otherwise pursuing its rights and remedies hereunder against Wynn Resorts, any Secured Party may, but shall be under no obligation to, make a similar demand on or otherwise pursue such rights and remedies as it may have against the Borrower, any Other Guarantor or any other Person or against any collateral security or guarantee for the Borrower Obligations or any right of offset with respect thereto, and any failure by any Secured Party to make any such demand, to pursue such other

4

rights or remedies or to collect any payments from the Borrower, any Other Guarantor or any other Person or to realize upon any such collateral security or guarantee or to exercise any such right of offset, or any release of the Borrower, any Other Guarantor or any other Person or any such collateral security, guarantee or right of offset, shall not relieve Wynn Resorts of any obligation or liability hereunder, and shall not impair or affect the rights and remedies, whether express, implied or available as a matter of law, of any Secured Party against Wynn Resorts. For the purposes hereof "demand" shall include the commencement and continuance of any legal proceedings.

2.5 Reinstatement. The guarantee contained in this Section 2 shall continue to be effective, or be reinstated, as the case may be, if at any time payment, or any part thereof, of any of the Borrower Obligations is rescinded or must otherwise be restored or returned by any Secured Party upon the insolvency, bankruptcy, dissolution, liquidation or reorganization of the Borrower, Wynn Resorts or any Other Guarantor, or upon or as a result of the appointment of a receiver, intervenor or conservator of, or trustee or similar officer for, the Borrower, Wynn Resorts or any Other Guarantor or any substantial part of its property, or otherwise, all as though such payments had not been made.

2.6 Payments. Wynn Resorts hereby guarantees that payments hereunder will be paid to the Administrative Agent without set-off or counterclaim in Dollars in immediately available funds at the office of the Administrative Agent located at the Payment Office specified in the Credit Agreement.

SECTION 3. SECURITY INTERESTS

3.1. Restriction on Grant of Security Interest. Wynn Resorts hereby agrees that it shall not grant any security interests in any of its assets or properties (other than a security interest in favor of the Administrative Agent for the benefit of the Lenders and security interests granted in Excluded Assets or assets or properties that individually or in the aggregate have a fair market value of less than \$10,000,000) in favor of any Person to secure (i) any Indebtedness of any of its Affiliates, (ii) any Guarantee Obligations by Wynn Resorts of Indebtedness of any of its Affiliates, or (iii) any Indebtedness incurred by Wynn Resorts (any such grant of security interest, a "*Granted Security Interest*"), unless:

(a) Wynn Resorts concurrently executes and delivers to the Administrative Agent a security agreement in substantially the form of the security agreement related to the Granted Security Interest (a "*Parent Security Agreement*") and thereby grants a perfected, enforceable security interest in those assets or properties in favor of the Administrative Agent for the benefit of the Lenders to secure the obligations of Wynn Resorts pursuant to this Agreement; and

(b) subject to the Intercreditor Agreements, the security interest described in clause (a) above ranks senior to or is *pari passu* with the Granted Security Interest.

3.2. Further Assurances. Wynn Resorts shall execute and deliver such additional instruments, certificates or documents, and take all such actions as may be reasonably required from time to time in order to (a) carry out more effectively the purposes of this Agreement and the Parent Security Agreement (if any), (b) create, grant, perfect and maintain the validity, effectiveness, perfection and priority of the Parent Security Agreement (if any) and the Liens created, or intended to be created, thereby (if any), (c) ensure that this Agreement and the Liens created or purported to be created under the Parent Security Agreement (if any) have the ranking required under this Agreement; and (d) ensure that any of the rights granted or intended to be granted to the Administrative Agent under this Agreement or the Parent Security Agreement (if any) or under any other instrument executed in connection therewith or granted to Wynn Resorts thereunder or under any other instrument executed in connection therewith are protected and enforced. Upon the exercise by the Administrative Agent or any Secured Party of any power, right, privilege or remedy under this Agreement or the Parent Security Agreement which requires any consent, approval, recording, qualification or authorization of any governmental authority, Wynn Resorts shall execute and deliver all applications, certifications,

5

instruments and other documents and papers that may be required from Wynn Resorts for such governmental consent, approval, recording, qualification or authorization.

SECTION 4. SEPARATENESS

Wynn Resorts hereby agrees that, for so long as there continues to be any outstanding Borrower Obligations, it shall comply with each of the following:

(a) Wynn Resorts shall not conduct business in the name of any of the Loan Parties or the Completion Guarantor (collectively, the "Wynn Group Members"), nor shall it refer to any of the Wynn Group Members as a division, department or other subdivision of Wynn Resorts that is not recognized as a separate and distinct legal entity under applicable law. Wynn Resorts shall have separate stationery, invoices and checks in its own name and shall observe all organizational formalities. Wynn Resorts shall not refer to employees of a Wynn Group Member as employees of Wynn Resorts or of any Affiliate of Wynn Resorts that is not a Wynn Group Member. Wynn Resorts shall maintain arms'-length relationships with the Wynn Group Members, except for management fees, distributions and other specific transactions, to the extent expressly permitted by the Loan Documents. Wynn Resorts shall maintain adequate capital in light of its contemplated business purpose, transactions and liabilities. Wynn Resorts shall not commingle its funds with those of the Wynn Group Entities, and in all transactions involving the Wynn Group Entities and Wynn Resorts, the separate funds of each of the Wynn Group Members and Wynn Resorts shall be clearly traceable. The assets of Wynn Resorts shall remain identifiably separate from those of the Wynn Group Members such that there will be no material difficulty in segregating the assets of the Wynn Group Members from those of Wynn Resorts.

(b) Wynn Resorts shall not hold out the Wynn Group Members to be other than legal entities separate and distinct from Wynn Resorts, and Wynn Resorts shall not hold out that the assets of the Wynn Group Members are available to satisfy the liabilities of Wynn Resorts. In any communications with creditors of Wynn Resorts that refer in any way directly or indirectly to the assets, liabilities, operations or results from operations of the Wynn Group Members, Wynn Resorts shall ensure that such communications accurately describe the separate existence of the Wynn Group Members and the fact that the assets of the Wynn Group Members are not available to satisfy the liabilities of Wynn Resorts.

(c) Wynn Resorts shall maintain books, records and accounts separate and apart from each of the Wynn Group Members. In any consolidated financial statements of Wynn Resorts that refer to assets, liabilities, operations or results from operations of the Wynn Group Members, Wynn Resorts shall, in footnotes or otherwise, describe the assets, liabilities, operations and results from operations of the Wynn Group Members separately from those of Wynn Resorts and further shall note that (i) each Wynn Group Member is organized as a legal entity separate and distinct from Wynn Resorts, (ii) there is no agreement or other arrangement or relationship under which or pursuant to which the assets of a Wynn Group Member have been pledged or otherwise made available to satisfy the obligations of Wynn Resorts or any of its Affiliates that are not Wynn Group Members, and (iii) each Wynn Group Member has issued or guaranteed indebtedness that is secured by Liens on substantially all of the assets of said Wynn Group Member (except as otherwise permitted by the terms of the Loan Documents).

(d) In addition to the foregoing, Wynn Resorts shall not take any other action that would reasonably be expected to call into question the separate identity of each Wynn Group Member from Wynn Resorts, or to create or increase any risk that the assets of any Wynn Group Member will be consolidated with those of Wynn Resorts or any other Person (other than another Wynn Group Member) under applicable federal or state bankruptcy or insolvency law.

SECTION 5. WYNN PUT AGREEMENT

Wynn Resorts hereby agrees that it shall not amend, modify, waive or otherwise change, or consent or agree to any amendment, modification, waiver or other change to, or otherwise fail to enforce, or terminate or abandon, any of the provisions of the Wynn Put Agreement, if such amendment, modification, waiver or other change, failure to enforce, termination or abandonment (individually or collectively with all such amendments, modifications, waivers and other changes, failures to enforce, terminations or abandonments taken as a whole) would (a) have a material adverse affect on the ability of the Borrower or any other Loan Party to develop, construct or operate the Project, (b) cause the Completion Date to occur or result in that date occurring after the Scheduled Completion Deadline, (c) materially impair the rights or remedies of the Lenders, or (d) materially impair the development, use or operation of the Project. Notwithstanding the provisions of this Agreement, in no event shall Wynn Resorts be required, by reason of this Agreement or the Parent Security Agreement (if any), to become a Loan Party or otherwise to become subject to the restrictive covenants or other terms of the Credit Agreement.

SECTION 6. MISCELLANEOUS

6.1. *Amendments in Writing.* None of the terms or provisions of this Agreement may be waived, amended, supplemented or otherwise modified except in accordance with Section 10.1 of the Credit Agreement.

6.2. *Notices.* All notices, requests and demands to or upon the Administrative Agent or Wynn Resorts hereunder shall be effected in the manner provided for in Section 10.2 of the Credit Agreement; *provided* that any such notice, request or demand to or upon Wynn Resorts shall be addressed to Wynn Resorts at its notice address set forth below:

Wynn Resorts, Limited
3145 Las Vegas Boulevard South
Las Vegas, Nevada 89109
Attention: Ron Kramer
Telephone: (702) 733-4444
Facsimile: (702) 791-0167

6.3. *No Waiver by Course of Conduct; Cumulative Remedies.* No Secured Party shall by any act (except by a written instrument pursuant to Section 6.1), delay, indulgence, omission or otherwise be deemed to have waived any right or remedy hereunder or to have acquiesced in any Default or Event of Default. No failure to exercise, nor any delay in exercising, on the part of any Secured Party, any right, power or privilege hereunder shall operate as a waiver thereof. No single or partial exercise of any right, power or privilege hereunder shall preclude any other or further exercise thereof or the exercise of any other right, power or privilege. A waiver by any Secured Party of any right or remedy hereunder on any one occasion shall not be construed as a bar to any right or remedy which such Secured Party would otherwise have on any future occasion. The rights and remedies herein provided are cumulative, may be exercised singly or concurrently and are not exclusive of any other rights or remedies provided by law.

6.4. *Enforcement Expenses; Indemnification.* (a) Wynn Resorts agrees to pay or reimburse each Secured Party for all its costs and expenses incurred in collecting against Wynn Resorts under the guarantee contained in Section 2 or otherwise enforcing or preserving any rights under this Agreement, including, without limitation, the fees and disbursements of counsel to each Secured Party and of counsel to the Administrative Agent.

(b) Wynn Resorts agrees to pay, and to save the Secured Parties harmless from, any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or

7

disbursements of any kind or nature whatsoever with respect to the execution, delivery, enforcement, performance and administration of this Agreement to the extent the Borrower would be required to do so pursuant to Section 10.5 of the Credit Agreement.

(c) The agreements in this Section 6.4 shall survive repayment of the Borrower Obligations and all other amounts payable under the Credit Agreement and the other Loan Documents.

(d) Wynn Resorts agrees that the provisions of Section 2.20 of the Credit Agreement are hereby incorporated herein by reference, *mutatis mutandis*, and each Secured Party shall be entitled to rely on each of them as if they were fully set forth herein.

6.5. *Successors and Assigns.* This Agreement shall be binding upon the successors and assigns of Wynn Resorts and shall inure to the benefit of the Secured Parties and their successors and assigns; *provided*, that Wynn Resorts may not assign, transfer or delegate any of its rights or obligations under this Agreement without the prior written consent of the Administrative Agent.

6.6. *Set-Off.* Wynn Resorts hereby irrevocably authorizes each Secured Party at any time and from time to time while an Event of Default shall have occurred and be continuing, without notice to Wynn Resorts or any Other Guarantor, any such notice being expressly waived by Wynn Resorts, to set-off and appropriate and apply any and all deposits (general or special, time or demand, provisional or final), in any currency, and any other credits, indebtedness or claims, in any currency, in each case whether direct or indirect, absolute or contingent, matured or unmatured, at any time held or owing by such Secured Party to or for the credit or the account of Wynn Resorts, or any part thereof in such amounts as such Secured Party may elect, against and on account of the obligations and liabilities of Wynn Resorts to such Secured Party hereunder and claims of every nature and description of such Secured Party against Wynn Resorts, in any currency, whether arising hereunder or otherwise, as such Secured Party may elect, whether or not any Secured Party has made any demand for payment and although such obligations, liabilities and claims may be contingent or unmatured. Each Secured Party shall notify Wynn Resorts promptly of any such set-off and the application made by such Secured Party of the proceeds thereof, provided that the failure to give such notice shall not affect the validity of such set-off and application. The rights of each Secured Party under this Section are in addition to other rights and remedies (including, without limitation, other rights of set-off) which such Secured Party may have.

6.7. *Representations and Warranties.* Wynn Resorts hereby represents and warrants as follows: (a) Wynn Resorts has the requisite corporate power and authority to execute and deliver this Agreement and to perform its obligations hereunder and under the Parent Security Agreement (if any), (b) the execution, delivery and performance by Wynn Resorts of this Agreement and the Parent Security Agreement (if any) have been duly approved by all necessary corporate action of Wynn Resorts and no other corporate proceedings on the part of Wynn Resorts are necessary to consummate the transactions contemplated by this Agreement and the Parent Security Agreement (if any), (c) this Agreement has been duly executed and delivered by Wynn Resorts, and (d) this Agreement is (and, upon the execution and delivery thereof by Wynn Resorts, the Parent Security Agreement will be) the legal, valid and binding obligations of Wynn Resorts, enforceable against Wynn Resorts in accordance with their respective terms, except as enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the enforcement of creditors' rights generally and by general equitable principles (whether enforcement is sought by proceedings in equity or at law).

6.8. *Counterparts.* This Agreement may be executed by one or more of the parties to this Agreement on any number of separate counterparts (including by telecopy), and all of said counterparts taken together shall be deemed to constitute one and the same instrument.

8

6.9. *Severability.* Any provision of this Agreement which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

6.10. *Section Headings.* The Section headings used in this Agreement are for convenience of reference only and are not to affect the construction hereof or be taken into consideration in the interpretation hereof.

6.11. *Integration.* This Agreement represents the agreement of Wynn Resorts, the Administrative Agent and the other Secured Parties with respect to the subject matter hereof and thereof, and there are no promises, undertakings, representations or warranties by any Secured Party relative to subject matter hereof and thereof not expressly set forth or referred to herein.

6.12. **GOVERNING LAW. THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.**

6.13. *Submission to Jurisdiction; Waivers.* Wynn Resorts hereby irrevocably and unconditionally:

(a) submits for itself and its property in any legal action or proceeding relating to this Agreement and the other Loan Documents to which it is a party, or for recognition and enforcement of any judgment in respect thereof, to the non-exclusive general jurisdiction of the Courts of the State of New York, the courts of the United States of America for the Southern District of New York, and appellate courts from any thereof;

(b) consents that any such action or proceeding may be brought in such courts and waives any objection that it may now or hereafter have to the venue of any such action or proceeding in any such court or that such action or proceeding was brought in an inconvenient court and agrees not to plead or

claim the same;

(c) agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to Wynn Resorts at its address referred to in Section 6.2 or at such other address of which the Administrative Agent shall have been notified pursuant thereto;

(d) agrees that nothing herein shall affect the right to effect service of process in any other manner permitted by law or shall limit the right to sue in any other jurisdiction; and

(e) waives, to the maximum extent not prohibited by law, any right it may have to claim or recover in any legal action or proceeding referred to in this Section any special, exemplary, punitive or consequential damages.

6.14. *Acknowledgments.* Wynn Resorts hereby acknowledges that:

(a) it has been advised by counsel in the negotiation, execution and delivery of this Agreement;

(b) no Secured Party has any fiduciary relationship with or duty to Wynn Resorts arising out of or in connection with this Agreement, and the relationship between Wynn Resorts, on the one hand, and the Secured Parties, on the other hand, in connection herewith or therewith is solely that of debtor and creditor; and

(c) no joint venture is created hereby or otherwise exists by virtue of the transactions contemplated hereby among the Secured Parties or between Wynn Resorts and the Secured Parties.

9

6.15. *Releases.* At such time as the Loans, the Reimbursement Obligations and the other Obligations shall have been paid in full, the Commitments have been terminated or expired and no Letters of Credit shall be outstanding, this Agreement and all obligations (other than those expressly stated to survive such termination) of the Administrative Agent and Wynn Resorts hereunder shall terminate, all without delivery of any instrument or performance of any act by any party. At the request and sole expense of Wynn Resorts following any such termination, the Administrative Agent shall execute and deliver to Wynn Resorts such documents as Wynn Resorts shall reasonably request to evidence such termination.

6.16. **WAIVER OF JURY TRIAL. WYNN RESORTS AND THE ADMINISTRATIVE AGENT HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES TRIAL BY JURY IN ANY LEGAL ACTION OR PROCEEDING RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT AND FOR ANY COUNTERCLAIM THEREIN.**
