PROXY STATEMENT

General Information

This Proxy Statement is furnished to stockholders in connection with the solicitation of proxies by the Board of Directors of Wynn Resorts, Limited (“Wynn Resorts,” “we” or the “Company”), for use at the Company’s Annual Meeting of Stockholders on May 6, 2008 (the “Annual Meeting”) to be held in the Spamalat Theater at Wynn Las Vegas, 3131 Las Vegas Boulevard South Las Vegas, Nevada, at 11 a.m. (local time) and at any adjournment of that meeting. Matters to be considered and acted upon at the Annual Meeting are set forth in the Notice of Annual Meeting of Stockholders accompanying this Proxy Statement and are more fully outlined herein. Under rules recently adopted by the US Securities and Exchange Commission, we are furnishing proxy materials to our stockholders via the internet, instead of mailing printed copies of those materials to each stockholder. On March 27, 2008, we will mail to our stockholders a Notice of Internet Availability containing instructions on how to access our proxy materials, including our proxy statement and our annual report. The Notice of Internet Availability also instructs you as to how you may access your proxy card to vote through the internet or telephonically. This new electronic access process is designed to expedite stockholders’ receipt of proxy materials, lower the costs of our annual meeting and help to conserve natural resources. However, if you would prefer to receive a printed copy of our proxy materials, and a paper proxy card, please follow the instructions included in the Notice of Internet Availability. If you have previously elected to receive our proxy materials electronically, you will continue to receive these materials via e-mail unless you elect otherwise.

The Board of Directors believes that the election of the director nominees named herein, approval of the material terms of the performance goals in the Wynn Resorts Limited 2002 Incentive Plan and ratification of Ernst & Young LLP are in the best interests of the Company and its stockholders and recommends a vote **FOR** each of these matters.

Revocability of Proxies

Any stockholder giving a proxy may revoke it at any time prior to its exercise at the Annual Meeting by filing or sending a writing or other transmission revoking it, or by executing and delivering another proxy bearing a later date, to the Secretary of the Company at the Company’s Executive Offices located at 3131 Las Vegas Boulevard South, Las Vegas Nevada 89109, or to the inspector of elections of the Company appointed to count the votes of stockholders. Please note, however, that if your shares are held of record by a broker, bank or other nominee, you must contact that person if you wish to revoke previously given voting instructions. Attendance at the Annual Meeting in and of itself does not revoke a prior proxy.

Voting and Solicitation

Shares represented by duly executed and unrevoked proxies will be voted at the Annual Meeting in accordance with the specifications made therein by the stockholders. If no specification is made, shares represented by duly executed and unrevoked proxies will be voted **FOR** the election as directors of the nominees listed herein, **FOR** approval of the material terms of the performance goals in the Wynn Resorts, Limited 2002 Stock Incentive Plan **FOR** ratification of Ernst & Young LLP as the Company’s independent auditors, and, with respect to any other matter that may properly come before the Annual Meeting, in the discretion of the persons voting the respective proxies.

The cost of preparing, assembling and mailing proxy materials will be borne by the Company. Directors, executive officers and other employees may also solicit proxies but will not receive any special compensation.

Brokerage houses, nominees, fiduciaries and other custodians will be requested to forward soliciting materials to beneficial owners and will be reimbursed for their reasonable out-of-pocket expenses incurred in sending proxy materials to beneficial owners.

At the close of business on March 14, 2008, the record date for determining stockholders entitled to vote at the Annual Meeting, 112,229,141 shares of the Company's common stock, \$.01 par value, were outstanding. Each stockholder is entitled to one vote for each share of common stock held of record on that date on all matters presented at the Annual Meeting. A plurality of the votes cast in person or by proxy at the Annual Meeting is required for the election of the director nominees. Under Nevada law, shares as to which a stockholder withholds voting in the election of directors and broker non-votes will not be counted as voting thereon and therefore will not affect the election of the nominees receiving a plurality of the votes cast. However, those shares will be counted for purposes of determining whether there is a quorum. For each other item to be acted upon at the Annual Meeting, the item will be approved if the number of votes cast in favor of the item by the stockholders entitled to vote exceeds the number of votes cast in opposition to the item. Abstentions and broker non-votes will not be counted as voting on an item and therefore will not affect the outcome of these proposals, although they are counted for purposes of determining whether there is a quorum.

The stockholders of the Company have no dissenter's or appraisal rights in connection with any of the proposals described herein.

**PROPOSAL NO. 1
ELECTION OF DIRECTORS**

The Company's Articles and Fourth Amended and Restated Bylaws, as amended (the "Bylaws"), require that the number of directors on the Board of Directors be not less than one nor more than thirteen. Presently, the Board of Directors is set at ten directors and is divided into three classes. Class I includes Linda Chen, Elaine P. Wynn and John A. Moran, whose terms expire in 2009. Class II consists of Stephen A. Wynn, Alvin V. Shoemaker, D. Boone Wayson and Ray R. Irani, whose terms expire in 2010. Class III consists of Kazuo Okada, Robert J. Miller and Allan Zeman, whose terms expire in 2008. Ronald J. Kramer served as a Class I director from 2002 until March 17, 2008. Upon Mr. Kramer's resignation, the size of the Board was reduced to ten directors. At each annual meeting, the terms of one class of directors expire. Each director nominee is elected to the Board of Directors for a term of three years.

At the Annual Meeting, three Class III directors are to be elected, each to serve until the 2011 Annual Meeting of Stockholders and until his or her successor is elected and qualified, or until such director's earlier death, resignation or removal. Stock represented by the accompanying Proxy will be voted **FOR** the election of the three nominees listed below unless a stockholder elects to withhold voting authority for a nominee. The persons designated as proxies will have discretion to cast votes for other persons in the event any nominee for director is unable to serve or for good cause will not serve. At present, it is not anticipated that any nominee will be unable to serve or for good cause will not serve.

The names and certain information concerning the persons to be nominated as directors by the Board of Directors at the Annual Meeting are set forth below.

Kazuo Okada. Mr. Okada has served as Vice Chairman of the Board since October 2002. In 1969, Mr. Okada founded Universal Co. Ltd., which became Aruze Corp. in 1998. Aruze Corp is a Japanese manufacturer of gaming machines, as well as pachislot and pachinko machines, amusement machines, and video games. Aruze Corp. has been issued a manufacturer license by the Nevada Gaming Commission. The Nevada Gaming Commission has also approved Aruze Corp.'s suitability as the 100% stockholder for its two subsidiaries, Aruze Gaming America, Inc., and Aruze USA, Inc. Aruze Gaming America holds manufacture, distributor, and operator licenses from the Nevada Gaming Commission, while Aruze USA has been found suitable by the Nevada Gaming Commission as a major stockholder of the Company. Since 1998, Mr. Okada has served as Director and Chairman of the Board of Aruze Corp., since 1999, he has also served as Chairman of the Board and Treasurer of Aruze USA, and, since July 2007, has served as Director and Chairman of the Board of Aruze Gaming America, Inc.

Robert J. Miller. Mr. Miller has served as a director since October 2002. Since July 2005, he has been principal of Dutko Worldwide, a multidisciplinary governmental affairs, strategy and management firm. From January 1999 until he joined Dutko Worldwide, Mr. Miller was a partner of the Nevada law firm of Jones Vargas. He was also a partner in Miller & Behar Strategies, a partnership designed to assist American businesses in Bulgaria, from January 2003 to August 2007, and has been a partner in Nevada Rose LLC, parent to a group of companies engaged in the business of importing and selling rose nectar and related products, since November 2004. From January 1989 until January 1999, Mr. Miller served as Governor of the State of Nevada, and, from 1987 to 1989, he served as Lieutenant Governor of the State of Nevada. Mr. Miller also serves as a director of Zenith National Insurance Corp., Newmont Mining Corporation and International Game Technology.

Allan Zeman. Mr. Zeman has served as a director since October 2002. Mr. Zeman has been chairman of Lan Kwai Fong Holdings Limited, a company engaged in property investment and development since July 1996. Mr. Zeman is also chairman of Ocean Park, a major theme park in Hong Kong. In 2001, he was appointed a Justice of the Peace in Hong Kong and, in 2004, he was awarded the Gold Bauhinia Star by the Chief Executive of Hong Kong.

The election of directors will be decided by the affirmative vote of a plurality of all the votes cast at the Annual Meeting.

OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR THE ELECTION OF THE NOMINEES LISTED ABOVE.

PROPOSAL NO. 2
APPROVAL OF THE MATERIAL TERMS OF THE
PERFORMANCE GOALS IN THE WYNN RESORTS, LIMITED 2002 STOCK INCENTIVE PLAN PURSUANT TO INTERNAL REVENUE CODE
SECTION 162(m)

The Wynn Resorts, Limited 2002 Stock Incentive Plan (the “2002 Plan”) provides for the grant of stock awards, incentive stock options and non-qualified stock options to employees, directors and specified consultants. The Board of Directors adopted the 2002 Plan on September 10, 2002, prior to the Company’s initial public offering. In order to allow for stock options (including net-settled stock options that operate as stock appreciation right grants) under the 2002 Plan to qualify as tax-deductible performance-based compensation under Section 162(m) of the Internal Revenue Code (the “Code”), the Company is asking stockholders to approve the material terms of the performance goals under the 2002 Plan. Stockholders are not being asked to approve any amendment to the 2002 Plan or to approve the 2002 Plan itself.

The Board believes that it is in the best interests of the Company and its stockholders to enable the Company to implement compensation arrangements that qualify as fully tax deductible performance-based compensation in the 2002 Plan. The Board is therefore asking stockholders to approve, for Section 162(m) purposes, the material terms of the performance goals set forth herein. In general, Section 162(m) places a limit on the deductibility for federal income tax purposes of the compensation paid to the Company’s Chief Executive Officer or any of the Company’s three other most highly compensated executive officers (other than the Company’s Chief Financial Officer). Under Section 162(m), compensation paid to such persons in excess of \$1 million in a taxable year is not generally deductible. However, compensation that qualifies as “performance-based” under Section 162(m) does not count against the \$1 million limitation. One of the requirements of “performance-based” compensation for purposes of Section 162(m) is that the material terms of the performance goal under which compensation may be paid be disclosed to and approved by the Company’s stockholders. For purposes of Section 162(m) the material terms include (a) the employees eligible to receive compensation, (b) a description of the business criteria on which the performance goal is based and (c) the maximum amount of compensation that can be paid to an employee under the performance goal. Each of these aspects of the 2002 Plan is discussed below, and stockholder approval of this Proposal will be deemed to constitute approval of each of these aspects of the 2002 Plan for purposes of the approval requirements of Section 162(m) of the Code.

Stockholder approval of the 2002 Plan is only one of several requirements under Section 162(m) that must be satisfied for amounts realized under the 2002 Plan to qualify for the “performance-based” compensation exemption under Section 162(m), and submission of the material terms of the 2002 Plan’s performance goals for stockholder approval should not be viewed as a guarantee that the Company can deduct all compensation under the 2002 Plan. Nothing in this proposal precludes the Company or the Compensation Committee from making any payment or granting awards that do not qualify for tax deductibility under Section 162(m).

Eligibility and Participation

Stock awards and non-qualified stock options may be granted under the 2002 Plan to those employees, directors and consultants of the Company and its subsidiaries as the plan administrator from time to time selects. Incentive stock options may only be granted under the 2002 Plan to employees; provided, however, that employees of a subsidiary that is a limited liability company may not receive grants of incentive stock options unless the limited liability company is wholly-owned by the Company or by a subsidiary that is a corporation. All employees of the Company, its directors and consultants are eligible to participate under the 2002 Plan, however, only employees may be granted incentive stock options.

Performance Goals

Under Section 162(m), compensation attributable to a stock option or a stock appreciation right is deemed to be performance-based compensation when the option or stock appreciation right is granted with an exercise price

equal to or greater than the fair market value of the Company's common stock as of the date of grant as the amount of compensation the employee could receive is based solely on an increase in the value of the common stock after the date of the grant or award.

Maximum Grants under the 2002 Plan

The plan administrator has the authority, in its sole discretion, to determine the terms and conditions, not inconsistent with the terms of the 2002 Plan, of any grant of options (which may be incentive stock options or non-qualified stock options) and stock awards, which are awards of common stock the grant, issuance or vesting of which may be subject to conditions or restrictions established by the plan administrator. Awards may be granted singly or in combination. The maximum aggregate number of shares of common stock that may be issued under the 2002 Plan is 9,750,000 shares. No individual may receive grants of options covering in the aggregate more than 1,500,000 shares of common stock under the 2002 Plan in any one fiscal year of the Company. The foregoing share limitations, as with all references in the 2002 Plan to amounts denominated in shares, will be proportionately adjusted by the plan administrator in the event that the outstanding shares of the Company's common stock are increased, decreased, changed into or exchanged for a different number or kind of shares or securities of the Company or a successor entity, or for other property, due to a reorganization, recapitalization, reclassification, stock combination, stock dividend, stock split, reverse stock split, spin off or similar transaction.

Stockholders are not being asked to approve any changes to the 2002 Plan. The complete text of the 2002 Plan is attached as Exhibit A to this proxy statement and is incorporated herein by reference.

Description of the Principal Features of the 2002 Plan

This following is a description of the principal features of the 2002 Plan and is qualified in its entirety by reference to Exhibit A.

The 2002 Plan provides for the grant of stock awards, incentive stock options and non-qualified stock options to our employees, directors and specified consultants.

The 2002 Plan is administered by the Compensation Committee. The plan administrator has broad authority to designate recipients of awards and determine the terms and provisions of awards, including the price, expiration date, vesting schedule and terms of exercise.

Information regarding the number of awards held by each of our directors and named executive officers that were granted under the 2002 Plan is set forth on page 21 and 28, respectively of this proxy statement, and all directors and executives as a group hold options covering 947,500 shares and unvested stock awards covering 307,500 shares. On March 20, 2008, the average of the high and low sale prices of the common stock was \$99.15 per share, as reported by the NASDAQ National Market.

Subject to the terms of the 2002 Plan, the plan administrator is authorized to make awards of restricted stock and other awards of common stock or denominated in units of common stock, in each case on such terms and conditions and subject to such restrictions, if any as the plan administrator shall determine. The plan administrator may in its discretion waive the restricted period and any other terms, conditions or restrictions on any such award.

Subject to the terms of the 2002 Plan, the plan administrator is authorized to make awards of stock options (both incentive stock options and nonqualified stock options) on such terms and conditions as the plan administrator shall determine. The exercise price of incentive stock options must be at least 100% of the fair market value of the common stock on the date of grant. Incentive stock options granted to employees who, at the time the incentive stock option is granted, own stock representing more than 10% of the voting power of all

classes of capital stock of the Company or any parent or subsidiary of the Company must have an exercise price that is at least 110% of fair market value of the common stock on the grant date. The incentive options will expire no later than ten years from the date of grant, or five years with respect to incentive stock options granted to optionees who own more than 10% of all classes of capital stock of the Company or any parent or subsidiary of the Company. The exercise price of non-qualified stock options and the purchase price of stock awards will be determined by the administrator but, for awards intended to qualify as performance-based compensation under Section 162(m), will be at least 100% of the fair market value of the common stock on the date of grant. The 2002 Plan generally will not allow for the transfer of options. However, the administrator may provide that non-qualified stock options may be transferred (a) pursuant to a qualified domestic relations order or (b) to a family member.

After the termination of the employment or services of an optionee for reasons other than for cause, death or disability, unless the plan administrator provides otherwise, exercisable options generally will remain exercisable until the earlier of their expiration as set forth in the option agreement or 90 days after the date of termination of employment. If termination is due to death or disability, exercisable options generally will remain exercisable until the earlier of the expiration date stated in the option agreement or 12 months after the date of death or termination of employment due to disability, unless the plan administrator provides otherwise. If termination is for cause, all options, including vested and exercisable ones, will be immediately terminated and cancelled.

Upon the occurrence of a merger, reorganization or sale of substantially all of the assets of the Company, the plan administrator has the discretion to do one or more of the following:

- shorten the exercise period of the options;
- accelerate the vesting schedule of options or stock awards;
- arrange to have the surviving or successor entity assume or replace options or stock awards or grant replacement options; or
- cancel options or stock awards and pay to the holder in cash, with respect to each exercisable option, an amount equal to the excess of the then fair market value of the common stock over the exercise price of the option and, with respect to each vested stock award, the then fair market value of the stock subject to the award.

The plan administrator will determine the acceptable form of consideration for exercising an option, which may consist partially or entirely of cash, shares of the Company's common stock, a properly executed exercise notice and other necessary documentation, and any other consideration and method of payment to the extent permitted by the applicable law.

The Company's Board has the authority to amend, alter, suspend or terminate the 2002 Plan provided that its doing so does not impair the rights of any optionee, and provided further that stockholder approval is obtained for any amendment that increases the number of shares for which awards may be granted under the 2002 Plan, or to the extent necessary to comply with any applicable law or NASDAQ requirement.

The 2002 Plan expires 10 years from the date it was originally approved by the Board, unless terminated earlier in accordance with the terms of the 2002 Plan.

Federal Income Tax Consequences

The material U.S. federal income tax consequences to the Company and to any person granted a stock award or an option under the 2002 Plan who is subject to taxation in the United States under existing applicable provisions of the Code and underlying Treasury Regulations are substantially as follows. The following summary does not address state, local or foreign tax consequences and it is based on present law and regulations as in effect as of the date hereof.

Non-qualified Stock Options (“NSOs”). No income will be recognized by an optionee upon the grant of an NSO. Upon the exercise of an NSO, the optionee will recognize taxable ordinary income in an amount equal to the excess of the fair market value at the time of exercise of the shares acquired over the exercise price. Upon a later sale of those shares, the optionee will have capital gain or loss equal to the difference between the amount realized on the sale and the tax basis of the shares sold. Furthermore, this capital gain or loss will be long-term capital gain or loss if the shares are held for more than one year before they are sold. If payment of the option price is made entirely in cash, the tax basis of the shares will be equal to their fair market value on the exercise date (but not less than the exercise price), and the shares’ holding period will begin on the day after the exercise date.

If the optionee uses already-owned shares to pay the exercise price of an NSO in whole or in part, the transaction will not be considered to be a taxable disposition of the already-owned shares. The optionee’s tax basis and holding period of the already-owned shares will be carried over to the equivalent number of shares received upon exercise. The tax basis of the additional shares received upon exercise will be the fair market value of the shares on the exercise date (but not less than the amount of cash, if any, used in payment), and the holding period for such additional shares will begin on the day after the exercise date.

Incentive Stock Options (“ISOs”). No income will be recognized by an optionee upon the grant of an ISO. The rules for the tax treatment of an NSO also apply to an ISO that is exercised more than three months after the optionee’s termination of employment (or more than 12 months thereafter in the case of permanent and total disability, as defined in the 2002 Plan).

Upon the exercise of an ISO during employment or within three months after the optionee’s termination of employment (12 months in the case of permanent and total disability), for regular tax purposes the optionee will recognize no ordinary income at the time of exercise (although the optionee will have income for alternative minimum income tax purposes at that time equal to the excess of the fair market value of the shares over the exercise price). If the acquired shares are sold or exchanged after the later of (a) one year from the date of exercise of the option and (b) two years from the date of grant of the option, the difference between the amount realized by the optionee on that sale or exchange and the option exercise price will be taxed to the optionee as long-term capital gain or loss. If the shares are disposed of in an arms’ length sale before such holding period requirements are satisfied, then the optionee will recognize taxable ordinary income in the year of disposition in an amount equal to the excess of the fair market value of the shares received on the exercise date over the exercise price (or, if less, the excess of the amount realized on the sale of the shares over the exercise price), and the optionee will have short-term or long-term capital gain or loss, as the case may be, in an amount equal to the difference between (a) the amount realized by the optionee upon the disposition of the shares and (b) the exercise price paid by the optionee increased by the amount of ordinary income, if any, so recognized by the optionee.

Company Deduction. In all the foregoing cases, the Company will be generally entitled to a deduction at the same time and in the same amount as the participant recognizes ordinary income, subject to certain limitations. Among these limitations is Section 162(m) of the Code. As discussed above, certain performance-based compensation is not subject to the Section 162(m) limitation on deductibility. Stock options and restricted stock awards can qualify for this performance-based exception if they meet the requirements set forth in Section 162(m) and Treasury Regulations promulgated thereunder. Subject to approval of this proposal by stockholders, the 2002 Plan has been drafted to allow, but not require, compliance with those performance-based criteria for stock options, but not for stock awards.

This proposal will be approved if the number of votes cast in favor of the proposal by the stockholders entitled to vote exceeds the number of votes cast in opposition to the proposal.

OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR THE APPROVAL OF THE MATERIAL TERMS OF THE PERFORMANCE GOALS IN THE WYNN RESORTS, LIMITED STOCK INCENTIVE PLAN PURSUANT TO SECTION 162(m) OF THE CODE.

PROPOSAL NO. 3
RATIFICATION OF APPOINTMENT OF INDEPENDENT PUBLIC ACCOUNTANTS

The Audit Committee of the Board of Directors has selected Ernst & Young LLP, a registered public accounting firm, as our independent public accountants to examine and report to our stockholders on the consolidated financial statements of our Company and its subsidiaries for the year 2008. Representatives of Ernst & Young LLP will be present at the Annual Meeting and will be given an opportunity to make a statement. They also will be available to respond to appropriate questions.

As a matter of good corporate governance, the Audit Committee has determined to submit its selection of Ernst & Young LLP as the Company's independent public accountants, although this is not required under Nevada law or under the Company's Articles of Incorporation or By-Laws. If the stockholders do not ratify the selection of Ernst & Young LLP as the Company's independent auditors for 2008, the Audit Committee will evaluate what would be in the best interests of the Company and its stockholders and consider whether to select new independent auditors for the current year or whether to wait until the completion of the audit for the current year before changing independent auditors. Even if the stockholders ratify the selection of Ernst & Young LLP, the Audit Committee, in its discretion, may direct the appointment of a different independent public accounting firm at any time during the year if the Audit Committee determines that such a change would be in the best interests of the Company and its stockholders.

On May 15, 2006, the Audit Committee dismissed Deloitte & Touche LLP ("D&T") as the independent public accountants for the Company and its subsidiaries. On May 18, 2006, the Audit Committee engaged Ernst & Young LLP ("EY") as the Company's independent public accountants. The decision to engage EY was made by the Audit Committee in light of the Company's impending commencement of operations in Macau, SAR, People's Republic of China, and the relative strength of EY's commitment to its Asia-based gaming practice.

The reports of D&T on the consolidated financial statements of Wynn Resorts, Limited and Wynn Las Vegas, LLC for the fiscal years ended December 31, 2005 and 2004 did not contain an adverse opinion or a disclaimer of opinion, nor were such reports qualified or modified as to uncertainty, audit scope or accounting principles; however, each of D&T's reports, dated March 15, 2006, on the consolidated financial statements of Wynn Resorts, Limited and Wynn Las Vegas, LLC expressed an unqualified opinion and included an explanatory paragraph relating to the restatement of the 2004 and 2003 consolidated financial statements to eliminate the application of hedge accounting. The reports of D&T on management's assessment of the effectiveness of internal control over financial reporting, and the effectiveness of internal control over financial reporting for Wynn Resorts, Limited as of December 31, 2005 contained no adverse opinion or disclaimer of opinion except as explained below.

During the Company's fiscal years ended December 31, 2004 and 2005, and through May 15, 2006, the Company did not have any disagreements with D&T on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of D&T, would have caused it to make reference to the subject matter of the disagreements in connection with its report, except as follows: (i) In connection with D&T's audit of the Company's annual consolidated financial statements for the year ended December 31, 2005, D&T advised the Company that it believed that the application of hedge accounting, as defined in Statement of Financial Accounting Standards No. 133, "Accounting for Derivatives and Hedging Activities" ("SFAS 133") to the Company's interest rate swap arrangements entered into between May 2003 and October 2005, was not appropriate; a determination with which the Company did not initially agree. In response, the Company re-evaluated the hedge documentation relating to its interest rate swaps entered into during 2003, 2004 and 2005 and concluded that it needed to eliminate hedge accounting. As a result of this conclusion, both Wynn Resorts, Limited and Wynn Las Vegas, LLC restated their 2003 and 2004 audited financial statements. The Audit Committee did discuss the issue with D&T. The company has authorized D&T to respond fully to the inquiries of EY concerning the subject matter of

this disagreement; and (ii) In connection with D&T’s audit of the Company’s annual consolidated financial statements for the year ended December 31, 2005, D&T advised the Company that it believed that using an amortizable life for certain specifically identified show production costs based upon their contractual cost recovery as opposed to the estimated life of the show was not appropriate, with which the Company did not initially agree. However, after discussion with D&T, the Company concluded that the show costs should be amortized over the estimated life of the show. The Audit Committee did discuss the issue with D&T. The Company has authorized D&T to respond fully to the inquiries of EY concerning the subject matter of this disagreement.

During the Company’s fiscal years ended December 31, 2004 and 2005 and through May 15, 2006, there were no “reportable events,” as defined in Item 304(a)(1)(v) of Regulation S-K adopted by the Securities and Exchange Commission (the “SEC”), except that, D&T’s report, dated March 15, 2006, on Wynn Resorts Limited’s internal controls over financial reporting expresses an adverse opinion on the effectiveness of the Company’s internal control over financial reporting because of a material weakness in Wynn Resorts Limited’s controls over the formal designation, documentation and the continual evaluation and assessment of its derivative instruments which were not adequately designed to determine that derivative instruments were properly accounted for in accordance with Statement of Financial Accounting Standards No. 133 Accounting for Derivative Instruments and Hedging Activities. The Audit Committee discussed the subject matter of this material weakness with D&T. Wynn Resorts Limited has authorized D&T to respond fully to the inquiries of EY concerning the subject matter of this material weakness.

**FURTHER INFORMATION CONCERNING THE BOARD OF DIRECTORS
CORPORATE GOVERNANCE**

The Board of Directors has adopted Corporate Governance Guidelines that provide a framework for the governance of the Company. The Nominating and Corporate Governance Committee reviews the Guidelines annually and recommends changes as appropriate to the Board of Directors for approval. The Board of Directors has also adopted written charters for its three standing committees (Audit, Compensation, and Nominating and Corporate Governance), as well as a Code of Business Conduct and Ethics applicable to all directors, officers and employees and a Code of Ethics for the Chief Executive Officer, President and Senior Financial Officers. The Corporate Governance Guidelines, committee charters, and codes of ethics are available on the Company's website at <http://www.wynnresorts.com> under the heading "Corporate Governance."

Director Independence

The Board of Directors has a majority of directors who are independent under the listing standards of The NASDAQ Stock Market LLC ("NASDAQ"). In addition, the Company's Corporate Governance Guidelines require all independent directors to meet additional, heightened independence criteria that apply to audit committee members under the NASDAQ listing standards.

The Board of Directors has determined that the following directors are independent: Messrs. Irani, Miller, Moran, Shoemaker, Wayson and Zeman. During his service on the Board, Stanley R. Zax (who retired from our Board at the 2007 Annual Meeting) was also an independent director. Based upon information requested from each director concerning his or her background, employment and affiliations, the Board of Directors has affirmatively determined that none of the independent directors has a material relationship with the Company. In assessing independence, the Board of Directors considered all relevant facts and circumstances, including any direct or indirect relationship between the Company and the director. None of the independent directors has any economic relationship with the Company other than receipt of his director's compensation. Additionally, all related party transactions are considered under the Company's policy (described in additional detail below). None of the independent directors is engaged in any related party transaction with the Company. Mr. Wynn, Mr. Okada, Mrs. Wynn, Ms. Chen and Mr. Kramer have been determined not to be independent.

Further, the Board of Directors, after review of each individual's employment experience and other relevant factors, has determined that each member of the Audit Committee is qualified as an audit committee financial expert within the meaning of SEC regulations. During 2007, the Audit Committee met five times.

The Audit Committee meets periodically with the Company's independent auditors, management and legal counsel to discuss accounting principles, financial and accounting controls, the scope of the annual audit, internal controls, regulatory compliance and other matters. The Audit Committee also advises the Board of Directors on matters related to accounting and auditing and appoints the Company's independent auditors. The independent auditors have complete access to the Audit Committee without management present to discuss results of their audits and their opinions on the adequacy of internal controls, quality of financial reporting and other accounting and auditing matters.

The Compensation Committee

The Compensation Committee is composed entirely of the following independent directors: John A. Moran, Chairman, Alvin V. Shoemaker and D. Boone Wayson. Mr. Miller served as a member of this Committee during 2006 and through February 28, 2007. During 2007, the Compensation Committee met seven times.

The Compensation Committee's responsibilities in setting compensation of the Company's executives and directors include:

- reviewing the goals and objectives of the Company's executive compensation plans;
- reviewing the Company's executive compensation plans, in light of the Company's goals and objectives with respect to such plans and as appropriate recommending to the Board to adopt new plans or amend the existing plans;

- reviewing and recommending to the full Board the type and amount of compensation for Board and Committee service by non-employee members of the Board.

The Compensation Committee confers with the Chief Executive Officer and considers recommendations that he makes with respect to grants of stock options and restricted stock and with respect to annual incentive compensation for all officers, other than himself and other than with respect to the Company's Performance Based Incentive Plan. For that Plan, the Committee annually establishes the performance criteria and, at the end of each performance year, reviews the performance of each participant and awards bonuses in accordance with the terms of the Plan.

Members of the Board of Directors receive fixed cash compensation, along with long term incentive compensation in the form of grants of stock options and restricted stock. Director compensation is reviewed annually. As part of this review, the Compensation Committee reviews a survey of director compensation at comparable companies based on market capitalization and industry classification.

The Compensation Committee uses benchmarking of compensation of senior management of competitors of the Company and, during 2007 engaged Strategic Apex Group to provide advice with respect to benchmarking executive compensation and specifically designing long term incentive compensation for Company employees, including its named executive officers. These considerations are more specifically discussed in "Setting Executive Compensation" section in the Compensation Discussion and Analysis below.

The Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee is comprised of the following independent directors: Robert J. Miller, Chairman, Ray R. Irani, D. Boone Wayson and Allan Zeman. During 2007, the Nominating and Corporate Governance Committee met five times.

The functions of the Nominating and Corporate Governance Committee include the following:

- identifying and recommending to the Board of Directors individuals qualified to serve as directors of the Company;
- establishing procedures for evaluating the suitability of potential director nominees proposed by management or the stockholders;
- recommending to the Board of Directors members to serve on committees of the Board of Directors;
- reviewing and making recommendations regarding the composition of the Board of Directors;
- developing and recommending to the Board of Directors a set of corporate governance principles applicable to the Company and overseeing corporate governance matters generally; and
- overseeing the evaluation of the Board of Directors.

Nominating Process. The Nominating and Corporate Governance Committee will consider director candidates recommended by stockholders. In considering candidates submitted by stockholders, the Nominating and Corporate Governance Committee will take into consideration the needs of the Board of Directors and the qualifications of the candidate. To have a candidate considered by the Nominating and Corporate Governance Committee, a stockholder must submit the recommendation in writing and must include the following information:

- The name of the stockholder and evidence of the person's ownership of Company stock, including the number of shares owned and the length of time of ownership; and
- The name of the candidate, the candidate's resume or a listing of his or her qualifications to be a director of the Company, and the person's consent to be named as a director if selected by the Nominating and Corporate Governance Committee and nominated by the Board of Directors.

The stockholder recommendation and information described above must be sent to the Corporate Secretary at 3131 Las Vegas Boulevard South, Las Vegas, NV 89109 and must be received by the Corporate Secretary not less than 120 days prior to the anniversary date of the Company's most recent Annual Meeting of Stockholders.

The Nominating and Corporate Governance Committee seeks to have the Board of Directors represent a diversity of backgrounds and experience and assesses potential nominees in light of the Board's current size and

composition. The Nominating and Corporate Governance Committee believes that the minimum qualifications for serving as a director of the Company are that a nominee demonstrate, by significant accomplishment in his or her field, an ability to make a meaningful contribution to the Board of Directors' oversight of the business and affairs of the Company and have a reputation for honest and ethical conduct in both his or her professional and personal activities. In addition, the Nominating and Corporate Governance Committee examines a candidate's other commitments, potential conflicts of interest and independence from management and the Company.

The Nominating and Corporate Governance Committee identifies potential nominees by asking current directors and executive officers to notify the Committee if they become aware of persons meeting the criteria described above who have had a change in circumstances that might make them available to serve on the Board of Directors. The Committee may from time-to-time engage the services of a firm that specializes in the identification of public company director candidates. As described above, the Committee will also consider candidates recommended by stockholders.

If the Nominating and Corporate Governance Committee determines to pursue consideration of a person who has been identified as a potential candidate, the Committee may take any or all of the following steps: collect and review publicly available information regarding the person, contact the person and request information from the candidate, conduct one or more interviews with the candidate, and contact one or more references provided by the candidate or other persons that may have greater first-hand knowledge of the candidate's accomplishments. The Committee's evaluation process takes into account the person's accomplishments and qualifications, including in comparison to any other candidates that the Committee might be considering, and does not vary based on whether or not a candidate is recommended by a stockholder.

Stockholders Communications with Directors

The Board of Directors has established a process to receive communications from stockholders which can be viewed at the Company's website at <http://www.wynnresorts.com>. Stockholders may contact any member of the Board of Directors, any committee of the Board of Directors, or one or more members of the Board of Directors by mail. Correspondence should be addressed to the appropriate individual by either name or title. All such correspondence should be sent "c/o Corporate Secretary" at 3131 Las Vegas Boulevard South, Las Vegas, NV 89109.

All communications received as set forth in the preceding paragraph will be opened by the office of our General Counsel for the purpose of assessing the nature of the communications. With the exception of advertising, promotions of a product or service, and patently offensive material, communications will be forwarded promptly to the addressee. In the case of communications addressed to more than one director, the General Counsel's office will make sufficient copies of the contents to send to each addressee.

Stockholder Meetings

It is Company policy that each of our directors is invited and encouraged to attend the Annual Meeting. All of our directors were in attendance at the 2007 Annual Meeting.

Compensation Committee Interlocks and Insider Participation

The members of the Compensation Committee are appointed by the Board of Directors each year. The members of the Compensation Committee serving in 2007, Messrs. Moran, Shoemaker and Wayson, were appointed on May 8, 2007. Messrs. Moran and Wayson, along with Robert J. Miller, were appointed in May 2006. No member of the Compensation Committee is, or was formerly, one of our officers or employees. No interlocking relationship exists between the Board of Directors or Compensation Committee and the board of directors or compensation committee of any other company, nor has any interlocking relationship existed in the past.

In addition, the Company's Chief Executive Officer, President, Chief Financial Officer, Treasurer, Vice President of Finance and Director of Financial Reporting, and individuals in equivalent positions at the Company's subsidiaries, must comply with an additional Code of Ethics. Dr. Irani is the sixth independent member of the Board of Directors. In addition, on November 8, 2007, Dr. Irani was appointed as a member of Wynn Resorts' Nominating and Corporate Governance Committee.

COMPENSATION DISCUSSION AND ANALYSIS

Overview and Philosophy

The Compensation Committee has the responsibility for setting and implementing compensation for named executive officers. The Committee strives to provide total compensation that is fair and competitive. Our executive compensation program is designed to reward the achievement of specific annual, long term and strategic goals, with the ultimate objective of creating stockholder value. Our Company's goals include the development and operation of the premier casino resort in each jurisdiction in which we operate and the development and expansion of the "Wynn" brand while delivering successful operating and financial performance. The Committee regularly evaluates both performance and compensation to enable the Company to attract and retain superior employees in key positions. To achieve these objectives, the Company's compensation includes both cash and equity based incentives.

Role of Executive Officers in Compensation

The Committee sets all elements of compensation for the Chief Executive Officer based upon a review of comparative data and consideration of his contribution to the development and operating performance of the Company. The Committee considers the recommendations of the Chief Executive Officer in establishing compensation for all other named executive officers. The Chief Executive Officer and Chief Operating Officer perform annual reviews of all of our senior management and make recommendations to the Committee. The Committee reserves the discretion to modify recommendations and makes the final decisions regarding compensation for all of our most senior management.

Setting Executive Compensation

In making compensation decisions, the Compensation Committee compares each element of compensation against a peer group of publicly traded companies. This list of peer companies includes those with which the Committee believes the Company competes for talent and stockholder investment. In 2007, we expanded our peer group from pure gaming companies (MGM Mirage, Las Vegas Sands, Harrah's Entertainment and Stations Casinos) to include those in the hospitality (Hilton, Marriott and Starwood) and entertainment (Disney) businesses as well as growth companies (Starbucks, Yahoo, EBay). This expanded peer group allowed us to more comprehensively include in evaluation of executive performance the non-gaming products which we offer. These

non-gaming amenities of lodging, food and beverage, retail and entertainment generate over one half of the revenue and cash flow in our US operations and have received unprecedented recognition. Wynn Las Vegas is the only casino resort hotel to have been awarded Mobil's five stars, an honor which it has received for two consecutive years. Additionally, in 2007, Wynn Las Vegas received five red pavilions, the highest honor for Michelin rated accommodations. These third-party confirmations of brand performance, combined with financial performance that significantly exceeded pre-established targets for adjusted EBITDA, support the compensation levels paid by the Company. In addition to peer group review, the Compensation Committee evaluates relative internal pay levels, relative levels of responsibility and correlates overall compensation levels to reward the drivers of financial and brand performance.

Also in 2007, the Compensation Committee engaged Strategic Apex Group, an independent, nationally recognized executive compensation consulting firm, to assist it in evaluating the Company's executive compensation plans, and the Company's position relative to its peer group. In connection with its engagement, Strategic Apex provided the Compensation Committee with comparative data and, at the direction of the Compensation Committee, worked with senior management in evaluating previous compensation decisions by the Compensation Committee and in designing a long term equity incentive program that is currently being evaluated.

Elements of Executive Compensation

The Company's total compensation for named executive officers includes (a) base salary, (b) annual cash incentive compensation, and (c) long term equity incentives. Annually, the Compensation Committee reviews each element, along with value created from past incentives, to assess whether the Company's compensation program achieves its objectives of attracting and retaining superior management while rewarding achievement of property development and operating performance. Our policy for allocating between currently paid compensation and long term compensation does not include specific formula or weighting, but is designed to offer what the Compensation Committee views as adequate base compensation to attract and retain personnel while providing incentives to maximize long term value for our company and our stockholders.

Base Salary. Base Salaries are established by employment contracts and reviewed and adjusted periodically if necessary due to competitive reasons or to reflect changes in responsibility or other extraordinary circumstances. As part of its strategy to attract and retain high quality executive employees, the Company's policy is to pay executives base salaries which it deems necessary to attract and retain desired management expertise. These goals require that the Company pay base salary levels for its named executive officers that may exceed the peer group mean. Companies in the gaming and hospitality business typically pay at higher levels than their non-gaming counterparts due to certain regulatory and other extraordinary demands. The Company's rapid expansion in the last five years has required that named executive officers provide extraordinary levels of development, opening and operating expertise. These efforts have rewarded stockholders with industry leading product and financial results. Periodic merit increases are made after annual review. During its annual review of overall compensation, the Compensation Committee evaluates the Company's payment of its senior management against its competitors in each element of compensation and on an overall basis. In February, 2007, Mr. Wynn's base salary was increased from \$2,750,000 per annum to \$3,250,000 per annum after review by the Committee. Mr. Wynn's increase was made in recognition of his contributions to design and operation of the Company's assets as well as his overall leadership. Additionally, the Committee considered that Mr. Wynn, at his request, has not been awarded equity in the Company for his employment services. Consequently, Mr. Wynn's overall compensation is significantly less than that paid to Chairmen and Chief Executive Officers of our competitors.

Annual Incentives. In 2004, the Compensation Committee and the Board of Directors recommended and the stockholders approved the Wynn Resorts, Limited Annual Performance-Based Incentive Plan for Executive Officers (the "Incentive Plan") discussed below under "Tax and Accounting Implications."

Each of the Company's named executive officers is eligible to participate in the Incentive Plan. Each year, within 90 days after the commencement of that year, the Compensation Committee identifies the executive

officers who will participate in the Incentive Plan for that year, establishes the performance criteria for the Incentive Plan, as well as the maximum percentage of base salary that can be paid to each participant. For each of 2006, 2007 and 2008, the Committee selected property adjusted EBITDA (adjusted EBITDA for Wynn Las Vegas and Wynn Macau), which is a non-GAAP measure calculated at the segment level and reported in the footnotes to our audited financial statements, as the appropriate criteria and, in the course of such determination, concluded that the achievement of the performance criterion was substantially uncertain. These criteria are a reflection of the operating performance of the Company's assets and directly influences return to stockholders. In addition, management and stockholders use adjusted EBITDA to value the Company as a whole and its assets.

As provided under the Incentive Plan as amended and approved by stockholders in 2007, named executive officer participants (other than Mr. Wynn) had a maximum payable under the Plan of 200% of Base Salary, and Mr. Wynn's maximum is 250% of his Base Salary. The Compensation Committee elected to establish only one target, with the Committee having the discretion for downward adjustment of the maximum payable under the plan dependent on individual performance. In 2007, the Adjusted EBITDA target for Wynn Macau and Wynn Las Vegas operations combined was \$522 million. Actual performance of \$781 million significantly exceeded the target and all participants were awarded the maximum payable. Bonuses under the Incentive Plan are made after determination of whether the criteria have been met. While the Compensation Committee has the discretion to reduce amounts paid below the amount determined under this formula based on Company and individual performance and other considerations it may determine appropriate, it did not exercise that discretion with respect to 2007 due to strong Company performance.

Long Term Incentives. The Company's 2002 Stock Plan is designed to provide stock-based incentives to its officers and employees. The Compensation Committee specifically approves all awards of stock options and restricted stock granted by the Company. The Compensation Committee does not provide annual equity grants to executives but instead uses grants under the 2002 Stock Plan to attract qualified individuals to work for the Company, and to make periodic grants to existing officers as determined appropriate in the Compensation Committee's judgment, to retain superior officers and to reward extraordinary performance. The number of options or shares of restricted stock to be granted to each executive officer is based on the individual executive's job accomplishments, tenure and future potential as well as the Compensation Committee's assessment of competitive compensation levels. Grants to named executive officers are typically made periodically with long term vesting dates. The underlying philosophy is to retain senior management for the long term, building a talent base for the Company's future growth and achievement of desired goals.

Mr. Schorr and Mr. Strzemp received grants of restricted stock upon the initial public offering of the Company's common stock. Mr. Kramer received such a grant upon his commencement of employment with the Company. Mr. Wynn, the founder, Chairman and Chief Executive Officer of the Company, does not participate in the Company's equity incentive plans at his election. This election differs from most of the companies included in the peer group. The Compensation Committee is currently working with its consultant to consider a long term equity incentive plan program to provide a more systematic approach to equity grants and to bring the Company's executives to above the mean in its peer group.

In each of December 2006 and 2007, the Company paid a \$6 per share cash distribution to holders of the Company's common stock. The Company accrued a payable to certain of the named executive officers in the amount of the cash distribution on unvested restricted stock owned by such officers. These amounts are included in "All Other Compensation" in the "2007 Summary Compensation Table."

Tax and Accounting Implications

Internal Revenue Code Section 162(m) prevents publicly traded companies from receiving a tax deduction on certain compensation paid to executive officers in excess of \$1,000,000 in any taxable year. Other than (a) base salary of \$2,152,577, \$284,500 and \$729,500 respectively paid to Messrs. Wynn, Kramer and Schorr,

(b) cash distributions on restricted stock of \$360,000 and \$300,000 paid to Messrs. Kramer and Schorr; and (c) \$113,007 and \$27,687 of other compensation paid to Mr. Wynn and Ms. Chen, respectively, the Compensation Committee does not believe that there will be any non-deductible compensation in 2007 based upon allowances under Section 162(m) or otherwise. The Company's policy with respect to qualifying compensation paid to its executive officers for tax deductibility purposes is that executive compensation plans will generally be designed and implemented to maximize tax deductibility. However, non-deductible compensation may still be paid to executive officers in extraordinary circumstances, when necessary for competitive reasons or to attract or retain a key executive, or where achieving maximum tax deductibility would be considered disadvantageous to the best interests of the Company.

Employment Agreements

During the 2007 fiscal year, all named executive officers were bound by employment agreements, except that Mr. Schorr's Employment Agreement expired on October 31, 2007. On March 4, 2008, the Company and Mr. Schorr entered into a new five (5) year employment contract, which expires in October 2012. Certain employment agreements were negotiated and executed prior to the formation of the Compensation Committee in October 2002 and in 2006, those of Mr. Schorr and Ms. Chen's were amended to increase base salaries, in each case to reflect extraordinary effort and achievement in the operations of Wynn Las Vegas and Wynn Macau. These amendments (along with any other employment agreements in which base salary exceeds \$500,000 per year) were approved by the Compensation Committee. The employment agreements set minimum levels of base salary and detail other benefits of employment. As for term, Mr. Wynn's employment agreement with the Company expires 2017, Mr. Strzemp's in August 2008, Mr. Schorr's in 2012 and Ms. Chen's in 2011. Mr. Kramer's agreement expires at the end of March 2008, at which time he will leave the employ of the Company.

The employment agreements for certain key employees, including the named executive officers, include change of control provisions. These provisions are intended to protect senior management in the event that certain events occur after a defined Change in Control of the Company. If, after a Change in Control, a named executive officer experiences any of the following adverse employment actions: (a) a reduction in base salary, (b) discontinuance of the Company's bonus plan as in effect immediately before the Change in Control without substitution of a comparable plan (c) material reduction in aggregate benefits and perquisites, (d) the Company requires that such officer change the location of his or her job or office by a distance of more than 25 miles, (e) a reduction in responsibilities or change in reporting, or (f) failure of a successor to expressly assume the obligations of such officer's employment agreement, the officer may terminate his or her employment and receive a payment equal to base salary, bonus, accrued vacation pay and gross up payments for the greater of one year or the remainder of the contract term. Mr. Wynn's payment is a maximum of four years. The severance payment is not a specified multiple of annual compensation, but dependent upon the remaining length of each particular officer's contract term. The formula is the same for all named executive officers (other than Mr. Wynn's whose payment is limited to four years). The Compensation Committee has determined that such agreements are fair compensation to its senior management, especially in light of the double trigger required (i.e. in addition to a Change in Control, the officer must experience an identified adverse employment action prior to terminating his or her employment and receiving the severance payment). Additional information regarding payments under these provisions is provided under the heading "Potential Payments Made Upon Termination or a Change of Control."

Executive Benefits

In addition to base salary, annual incentive compensation and long term equity incentives, the Company also provides its named executive officers with a number of executive benefits. The primary executive benefits include certain life insurance premiums, matching contributions as defined in the Company's 401(k) program and complementary privileges with respect to the Company's properties which are described in the footnotes to the "2007 Summary Compensation Table." In addition, Messrs. Wynn, Schorr and Kramer have access to the

Company's aircraft pursuant to time sharing agreements described in "Certain Relationships and Related Transactions—Aircraft Arrangements." For security purposes, the Board of Directors requires Mr. Wynn to travel on Company aircraft for both personal and business travel, and the Company provides a car and driver (and security when necessary) for his personal use. Ms. Chen receives a car and driver, certain housing and living expenses in Macau, as well as assistance with tax preparation. Mr. Kramer receives use of a car when he is in Las Vegas.

CEO Compensation

Mr. Wynn is employed by the Company pursuant to an employment agreement dated October 4, 2002, amended August 6, 2004 and February 1, 2007, which has a term expiring in 2017. Mr. Wynn, a holder of approximately 21% of our common stock, has not received any equity awards as part of this compensation as Chief Executive Officer of the Company. Mr. Wynn receives a base salary, \$3,250,000 per year as of February 1, 2007, and participates in the Annual Performance Based Incentive Plan, with a maximum bonus potential for 2007 and 2008 of 250% of his base salary. Based upon achievement of the applicable performance criteria in each year, Mr. Wynn was paid the maximum bonus under the Incentive Plan. Mr. Wynn is provided with a Company paid life insurance and disability policies, as well as participation in the Company's 401(k) plan. He also receives certain executive benefits described above.

REPORT OF THE COMPENSATION COMMITTEE

We have reviewed and discussed the Compensation Discussion and Analysis required by Item 402(a) of Regulation S-K with the Company's management. Based on such review and discussion, we have recommended to the Board of Directors that the Compensation Discussion and Analysis be included in this Proxy Statement and incorporated by reference into the Company's Annual Report on Form 10-K for the year ended December 31, 2007.

For amounts shown as personal use of Wynn Resorts' aircraft, incremental aircraft expenses were calculated by dividing the 2007 total direct (variable) flight expenses by the total hours the aircraft was operated during the year. The executives' hourly usage was multiplied by this annual hourly rate.

In 2007, each of the named executive officers received base salary in accordance with the terms of his or her employment agreement, as well as an annual bonus under the terms of the Incentive Plan.

In February 2008, as shown in "2007 Grants of Plan-Based Awards Table," the named executive officers also received bonuses under the Incentive Plan related to 2007 performance. Since the operating criterion was satisfied (Adjusted EBITDA for Wynn Las Vegas and Wynn Macau), all participants were entitled to, and did receive the maximum bonuses payable under the Incentive Plan.

POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE-IN-CONTROL

Payments Made Upon Termination Due to Death, Complete Disability or License Revocation

The Company’s employment agreements with its named executive officers provide that such agreements terminate automatically upon death or complete disability of the employee, as well as upon failure of the employee to obtain or maintain required gaming licenses. Upon such termination, the employee is entitled to a lump sum payment of base salary and accrued and unpaid vacation through the termination date.

Payments Made Upon Termination Without Cause at Employer’s Election During the Term

The Company’s employment agreements with its named executive officers provide that such agreements are terminable by the Company without cause upon notice to the employee, so long as a “separation payment” is paid within 10 days of such notice. The “separation payment” includes (a) base salary through the end of the term of the agreement, but not less than 12 months (and in Mr. Wynn’s case, not more than 4 years); (b) bonus for all bonus periods based upon last bonus paid through the end of the term (and in Mr. Wynn’s case, not more than 4 years); and (c) a tax gross up in certain circumstances. In addition, the employee is entitled to health benefits coverage under the same plan or arrangement as the employee was covered immediately prior to termination. Health benefits are to be provided until the earlier of the remainder of the original term, or until the employee is covered by a plan of another employer. In addition, the stock option agreements and restricted stock agreements for all named executive officers other than Mr. Wynn provide that all unvested options and shares will vest.

Payments Made Upon Termination by Employee after Change in Control for Good Reason

The Company’s employment agreements with its named executive officers provide that such agreements are terminable by the employee for good reason after a change in control. A change in control is defined as (a) any person or group (other than Mr. Wynn and his affiliates) becomes the beneficial owner of more than 50% of the Company’s outstanding securities; or (b) the existing directors of the Company (including those elected in the normal course and not including those elected as a result of an actual or threatened election contest) cease to constitute a majority of the Board of Directors of the Company. Good reason is defined as: (i) reduction of employee’s base salary; (ii) discontinuation of employer’s bonus plan without immediately replacing such bonus plan with a plan that is the substantial economic equivalent of such bonus plan, or amends such bonus plan so as to materially reduce employee’s potential bonus at any given level of economic performance of employer or its successor entity; (iii) material reduction in the aggregate benefits and perquisites to employee; (iv) requirement that such employee change the location or his or her job or office by a distance of more than 25 miles; (v) reduction of responsibilities or required reporting to a person of lower rank or responsibilities; or (vi) failure to expressly assume in writing the employment agreement. Upon termination by the employee pursuant to this provision, the employee is entitled to the same amounts described under “Payments Made Upon Termination Without Cause at Employer’s Election During the Term” above. Pursuant to the terms of the applicable stock

option agreements and restricted stock grant agreements, all outstanding options and unvested shares of restricted stock held by each of Mr. Kramer, Schorr, Strzemp and Ms. Chen immediately vest upon termination by the Company without cause or upon termination by the employee for good reason after a change in control.

Payments Made Upon Termination by Employee During the Term

Only Mr. Kramer is entitled to voluntarily terminate his employment agreement during the term. Upon such termination, Mr. Kramer is entitled to payment of all base salary, bonus, unreimbursed expenses and vacation earned but not paid at the time of termination.

The tables below reflect the amount of compensation that would become payable to each of the named executive officers under existing agreements and arrangements if the named executive's employment had terminated on December 31, 2007 given the named executive's compensation as of such date and, if applicable, based on the company's closing stock price on that date. These benefits are in addition to benefits available prior to the occurrence of any termination of employment, including under then-exercisable stock options, and benefits generally to salaried employees, such as distributions under the company's 401(k) plan. In addition, in connection with any actual termination of employment, the Compensation Committee may determine to enter into an agreement or to establish an arrangement providing additional benefits or amounts, or altering the terms of benefits described below, as the Committee determines appropriate.

The actual amounts that would be paid upon a named executive officer's termination of employment can only be determined at the time of such executive's separation from the Company. Due to the number of factors that affect the nature and amount of any benefits provided upon the events discussed below, any actual amounts paid or distributed may be higher or lower than reported below. Factors that could affect these amounts include the timing during the year of any such event, the company's stock price and the executive's age.

Stephen A. Wynn

In the case of Mr. Wynn, the payments to be made upon "Termination Without Cause at Employer's Election During the Term" and "Termination by Employee for Good Reason After Change in Control for Good Reason" are limited to four years (rather than the remainder of the term).

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Historically, the Audit Committee of the Board of Directors has pre-approved or ratified all transactions between the Company and any related person, regardless of amount. In February, 2007, the Audit Committee adopted a written policy codifying its prior practice. The policy applies to transactions with any related person, which SEC rules define to include directors, director nominees, executive officers, beneficial owners of in excess of 5% of the outstanding shares of the Company's common stock, and their respective immediate family members. The policy classified as pre-approved (a) employment of executive officers and director compensation if the compensation is required to be reported under Item 402 of the Securities and Exchange Commission's compensation disclosure requirements; (b) transactions with another company or charitable contributions if the related person's only relationship is as an employee (other than executive officer), director or beneficial owner of less than 10% of that company's or donee's shares if the aggregate amount does not exceed the greater of \$100,000 or 2% of that company's or donee's total annual revenues; (c) transactions where the related person's interest arises solely from the ownership of the Company's stock and all stockholders benefit on a pro rata basis; (d) transactions involving competitive bids; (e) regulated transactions involving services as a common carrier or public utility at rates fixed in conformity with law or governmental authority; and (f) transactions with related parties involving a bank as depository of funds, transfer agent, registrar, trustee under a trust indenture or similar services. The Committee receives notice of the occurrence of all pre-approved transactions. All other transactions with related persons are subject to approval or ratification by the Committee.

The following are the material transactions or agreements between the Company and related persons. The Audit Committee has approved or ratified all of these transactions that occurred after the date of the adoption of the policy.

Stockholders Agreement. Mr. Wynn, Aruze USA and Baron Asset Fund are parties to a stockholders agreement that establishes various rights among Mr. Wynn, Aruze USA and Baron Asset Fund with respect to the ownership and management of the Company. These rights include, but are not limited to, preemptive rights, rights of first refusal, tag-along rights and certain other restrictions on the transfer of the shares of the Company's common stock owned by the parties to the stockholders agreement. Aruze USA is a wholly owned subsidiary of Aruze Corp., a corporation in which one of our directors, Mr. Okada, owns a controlling interest and where he serves as Chairman. Mr. Okada currently serves as Chairman of Aruze USA.

Under the stockholders agreement, if Mr. Wynn, Aruze USA or Baron Asset Fund purchase shares of the Company's common stock from the Company in a private placement on terms and conditions that are not offered to the other parties to the agreement, the purchasing stockholder must afford the other parties preemptive rights. These preemptive rights will allow the non-purchasing parties to purchase that number of shares in the purchasing stockholder's allotment of private placement shares that is necessary to maintain the parties' shares in the same proportion to each other that existed prior to the private placement.

In addition, under the stockholders agreement, the parties granted each other a right of first refusal on their respective shares of the Company's common stock. Under this right of first refusal, if any such stockholder wishes to transfer any of his or its shares of the Company's common stock to anyone other than a permitted transferee (as defined in the agreement), and has a bona fide offer from any person to purchase such shares, the stockholder must first offer the shares to the other parties to the stockholders agreement on the same terms and conditions as the bona fide offer. In addition to this right of first refusal, Mr. Wynn and Aruze USA also granted each other and Baron Asset Fund a tag-along right on their respective shares of the Company's common stock. Under this tag-along right, Mr. Wynn and Aruze USA, before transferring his or its shares to any person other than a permitted transferee, must first allow the other parties to the agreement to participate in such transfer on the same terms and conditions.

The stockholders agreement also provides that, upon the institution of a bankruptcy action by or against a party to the stockholders agreement, the other parties to the agreement will be given an option to purchase the bankrupt stockholder's shares of the Company's common stock at a price to be agreed upon by the bankrupt stockholder and the other stockholders, or, if a price cannot be agreed upon by such stockholders, at a price equal to their fair market value. In addition, under the stockholders agreement, if there is a direct or indirect change of control of any party to the agreement, other than Baron Asset Fund, the other parties to the agreement have the option to purchase the shares of the Company's common stock held by the party undergoing the change in control. Under the agreement, a stockholder may assign its options to the Company.

In addition, under the stockholders agreement, Mr. Wynn and Aruze USA have agreed to vote their shares of the Company's common stock for a slate of directors, a majority of which will be designated by Mr. Wynn, of which at least two will be independent directors, and the remainder of which will be designated by Aruze USA. In addition, in November 2006, this agreement was amended to require the written consent of both Mr. Wynn and Aruze prior to either party selling any shares they own.

On November 13, 2006, the Board of Directors approved an amendment to the Company's Bylaws that exempts future acquisitions of the Company's shares by either Mr. Wynn or Aruze USA, Inc. from Nevada's control share acquisition statutes. The Nevada acquisition of controlling interest statutes require stockholder approval in order to exercise voting rights in connection with any acquisition of a controlling interest in certain Nevada corporations unless the articles of incorporation or bylaws of the corporation in effect on the 10th day following the acquisition of a controlling interest by certain acquiring persons provide that these statutes do not apply to the corporation or the acquisition specifically by types of existing or future stockholders. The statutes define a "controlling interest" as (i) one-fifth or more but less than one-third, (ii) one-third or more but less than a majority, or (iii) a majority or more, of the voting power in the election of directors. As a result of the Bylaw amendment, either Mr. Wynn or Aruze USA, Inc. or their respective affiliates may acquire ownership of outstanding voting shares of the Company permitting them to exercise more than one-third but less than a majority, or a majority or more, of all the voting power of the Company in the election of directors, without requiring a resolution of the stockholders of the Company granting voting rights in the control shares acquired.

Art Gallery. At the opening of the Wynn Las Vegas, the resort included an art gallery that displayed rare paintings from The Wynn Collection, a private collection of fine art owned by Mr. and Mrs. Wynn. Prior to June 30, 2005, the Company leased The Wynn Collection from Mr. and Mrs. Wynn for an annual fee of one dollar (\$1), and the Company was entitled to retain all revenues from the public display of The Wynn Collection and the related merchandising revenues. The Company was responsible for all expenses incurred in exhibiting

and safeguarding The Wynn Collection, including the cost of insurance (including terrorism insurance) and taxes relating to the rental of The Wynn Collection. On June 30, 2005, this lease arrangement was restructured at the request of the Company. However, the material economic terms of the leasing relationship applicable to Mr. and Mrs. Wynn remained unchanged. In February 2006, the Company closed the art gallery and converted the gallery location into additional retail stores. The artwork in the gallery has been relocated to different venues within Wynn Las Vegas. The Company continues to be responsible for all expenses in exhibiting and safeguarding The Wynn Collection.

Surname and Rights of Publicity Agreements. On August 6, 2004, Wynn Resorts Holdings, LLC entered into agreements with Mr. Wynn that confirm and clarify Wynn Resorts Holdings' rights to use the "Wynn" name and Mr. Wynn's persona in connection with its casino resorts. Under the parties' Surname Rights Agreement, Mr. Wynn granted Wynn Resorts Holdings an exclusive, royalty-free, fully paid, perpetual, worldwide license to use, and to own and register trademarks and service marks incorporating the "Wynn" name for casino resorts and related businesses, together with the right to sublicense the name and marks to its affiliates. Under the parties' Rights of Publicity License, Mr. Wynn granted the Wynn Resorts Holdings the exclusive, royalty-free, worldwide right to use his full name, persona and related rights of publicity for casino resorts and related businesses, together with the ability to sublicense the persona and publicity rights to its affiliates, until October 24, 2017.

Villa Lease. On December 29, 2004, Wynn Las Vegas entered into an agreement with Mr. Wynn for the lease of a villa suite in the Wynn Las Vegas resort to Mr. and Mrs. Wynn as their personal residence. Lease payments under this agreement commenced on July 1, 2005, the date Mr. and Mrs. Wynn moved into the villa. The term of the agreement continues from year to year unless terminated on at least 90 days' written notice prior to the end of any lease year, or upon the death of Mr. Wynn. Based on third party appraisals, the Audit Committee determined the rent for each year in the three-year period commencing July 1, 2005 and ending June 30, 2008 to be \$580,000. Services for, and maintenance of, the suite are included in the rental, with certain exceptions.

Aircraft Arrangements. Messrs. Wynn, Kramer and Schorr have time-sharing agreements with Las Vegas Jet, LLC, a wholly owned indirect subsidiary of the Company, covering their personal use of Company-owned aircraft. These time-share agreements require the Company to include as taxable compensation of such executive, his and his family's share of the direct costs that the Company incurs in operating the aircraft, up to an amount determined by using the Internal Revenue Service Standard Industry Fare Level (SIFL) tables. During 2007, the following amounts were included in the executives' taxable compensation pursuant to these timesharing arrangements: Stephen A. Wynn \$145,739; Mr. Kramer \$0; and Mr. Schorr \$76,739. In the event that direct costs in operating the aircraft exceed the amounts determined by using the SIFL method, such additional costs are paid for by the Company. Pursuant to the provisions of the American Jobs Creation Act of 2004, such additional costs incurred after October 22, 2004 are not eligible to be claimed as a deduction for United States federal income tax purposes. \$3,740,382 and \$1,372,065 were disallowed in 2007 and 2006, respectively.

Reimbursable Costs. The Company periodically incurs costs on Mr. Wynn's, Mr. Schorr's and Mr. Kramer's behalf, including costs with respect to personal use of the corporate aircraft, household employees, personal legal fees, construction work and other personal purchases and services. Mr. Wynn and other officers have deposits with the Company to prepay any such items. These deposits are replenished on an ongoing basis as needed. At December 31, 2007, Mr. Wynn, Mr. Schorr and Mr. Kramer had a credit balance with the Company of \$305,559, \$42,660 and \$8,674, respectively.

Aruze Slot Purchase. In 2007, Wynn Macau, an affiliate of the Company, purchased 15 slot machines, along with related parts and services, from Aruze USA, a corporation for which one of our directors, Mr. Okada, currently serves as Chairman and Treasurer, for use at Wynn Macau. The Aruze machines were purchased in an arm's length transaction at market prices for a total purchase price of approximately \$266,000.

TransOrbit. Each of Wynn Las Vegas and Wynn Macau has entered into agreements with TransOrbit, a travel agency affiliated with Aruze Corp., for the sale of rooms in their hotel. Wynn Las Vegas and Wynn Macau provide a certain number of hotel rooms to TransOrbit at a wholesale net rate in which TransOrbit can sell the rooms to tour operators and travel agents as part of a travel package. The agreement with TransOrbit is at arms length and similar to other agreements with tour operators. One of Wynn Resorts' directors, Mr. Okada, currently serves as Chairman of Aruze Corp.

Tax Indemnification Agreement. In 2002, Stephen A. Wynn, Aruze USA, Baron Asset Fund, and the Kenneth R. Wynn Family Trust (referred to collectively as the "Valvino members"), Valvino and the Company entered into a tax indemnification agreement relating to their respective income tax liabilities from the contribution of their Valvino membership interests to the Company. The tax indemnification agreement generally provides that the Valvino members will be indemnified by the Company and its subsidiaries for additional tax costs (including interest and penalties) caused by reallocations of income or deductions that increase the taxable income or decrease the tax loss of the Valvino members for the period prior to the contribution of the Valvino membership interests. Any payment made pursuant to the agreement by the Company or any of its subsidiaries to the Valvino members may be non-deductible for income tax purposes.

In addition to the above, the Company (or its subsidiaries) employs (a) Andrew Pascal, the nephew of Mr. and Mrs. Wynn, as President of Wynn Las Vegas; (b) Eddie Tseng, the spouse of Ms. Chen, as Senior Vice President of Customer Development of Worldwide Wynn, LLC; (c) Peter Early, the son-in-law of Mr. and Mrs. Wynn, as Vice President—Human Resources of Wynn Las Vegas; and (d) Michael Pascal, the father of Andrew Pascal and brother of Mrs. Wynn, as a Senior Executive Host of Wynn Las Vegas, and Mr. Michael Pascal's wife, Mary Ann Pascal, as a Host at Wynn Las Vegas. 3. *Stock Subject to the Plan.* Subject to the provisions of Section 15 of the Plan, the maximum aggregate number of Shares which may be issued under the Plan will be 9,750,000 Shares of Common Stock. The Shares may be authorized, but unissued, or reacquired Common Stock.

If an Option expires or becomes unexercisable without having been exercised in full, or is surrendered pursuant to an Option Exchange Program, or if a Stock Award shall be cancelled or surrendered or expire for any reason without having been received in full, the Shares that were not purchased or received or that were cancelled will become available for future grant or sale under the Plan (unless the Plan has terminated). If the Company repurchases Shares which were issued pursuant to the exercise of an Option or grant of a Stock Award, however, those repurchased Shares will not be available for future grant under the Plan.

4. *Administration of the Plan.*

(a) *Procedure.*

(i) *Composition of the Administrator.* Unless the Board expressly resolves to the contrary, the Plan will be administered only by a Committee, which will then consist solely of persons appointed by

the Board, each of whom are both “non-employee directors” within the meaning of Rule 16b-3 promulgated under the Exchange Act and “outside directors” within the meaning of Section 162(m) of the Code; provided, however, the failure of the Committee to be composed solely of individuals who are both “non-employee directors” and “outside directors” shall not render ineffective or void any awards or grants made by, or other actions taken by, such Committee.

(ii) *Multiple Administrative Bodies.* The Plan may be administered by different bodies with respect to Directors, Officers who are not Directors, and Employees and Consultants who are neither Directors nor Officers.

(b) *Powers of the Administrator.* Subject to the provisions of the Plan, and in the case of a Committee, subject to the specific duties delegated by the Board to that Committee, the Administrator will have the authority, in its discretion:

(i) to determine the Fair Market Value of the Common Stock, in accordance with Section 2(o);

(ii) to select the Consultants, Employees or Directors to whom Options or Stock Awards may be granted;

(iii) to determine whether and to what extent Options or Stock Awards are granted, and whether Options are intended as Incentive Stock Options or Nonqualified Stock Options;

(iv) to determine the number of Shares to be covered by each Option or Stock Award granted;

(v) to approve forms of Grant Notices, Option Agreements and agreements governing Stock Awards;

(vi) to determine the terms and conditions, not inconsistent with the terms of this Plan, of any grant of Options or Stock Awards, including, but not limited to, (A) the Options’ exercise price, (B) the time or times when Options may be exercised or Stock Awards will be vested, which may be based on performance criteria or other reasonable conditions such as Continuous Status as an Employee, Director or Consultant, (C) any vesting acceleration or waiver of forfeiture restrictions, and any restriction or limitation regarding any Option, Optioned Stock or Stock Award, based in each case on factors that the Administrator determines in its sole discretion, including but not limited to a requirement subjecting the Optioned Stock or Shares to (1) certain restrictions on transfer (including without limitation a prohibition on transfer for a specified period of time and/or a right of first refusal in favor of the Company), and (2) a right of repurchase in favor of the Company upon termination of the Grantee’s Continuous Status as an Employee, Director or Consultant;

(vii) to reduce the exercise price of any Option to the Fair Market Value at the time of the reduction, if the Fair Market Value of the Common Stock covered by that Option has declined since the date it was granted;

(viii) to accelerate the vesting or exercisability of an Option or Stock Award;

(ix) to determine the terms and restrictions applicable to Options or Stock Awards;

(x) to modify or amend each Option or Stock Award, subject to Section 17(c);

(xi) to authorize any person to execute on behalf of the Company any instrument required to effect the grant of an Option previously granted by the Administrator;

(xii) to institute an Option Exchange Program;

(xiii) to construe and interpret the terms of this Plan;

(xiv) to prescribe, amend, and rescind rules and regulations relating to the administration of this Plan; and

(xv) to make all other determinations it considers necessary or advisable for administering this Plan.

(c) *Effect of Administrator's Decision.* The Administrator's decisions, determinations and interpretations will be final and binding on all holders of Options or Stock Awards. The Administrator shall not be required to exercise its authority or discretion on a uniform or nondiscriminatory basis.

5. *Eligibility.* Options granted under this Plan may be Incentive Stock Options or Nonqualified Stock Options, as determined by the Administrator at the time of grant. Nonqualified Stock Options and Stock Awards may be granted to Employees, Consultants and Directors. Incentive Stock Options may be granted only to Employees; provided, however, that Incentive Stock Options shall not be granted to Employees of a Subsidiary that is a limited liability company unless such limited liability company is wholly-owned by the Company or by a Subsidiary that is a corporation. If otherwise eligible, an Employee, Consultant or Director who has been granted an Option or a Stock Award may be granted additional Options or Stock Awards.

6. *Limitations on Grants of Incentive Stock Options.* Each Option will be designated in the Grant Notice as either an Incentive Stock Option or a Nonqualified Stock Option. However, notwithstanding such designations, if the Shares subject to an Optionee's Incentive Stock Options (granted under all plans of the Company or any Parent or Subsidiary), which become exercisable for the first time during any calendar year, have a Fair Market Value in excess of \$100,000, the Options accounting for this excess will be treated as Nonqualified Stock Options. For purposes of this Section 6, Incentive Stock Options will be taken into account in the order in which they were granted, and the Fair Market Value of the Shares will be determined as of the time of grant.

7. *Limit on Annual Grants to Individuals.* From and after such time as the Company is required to be registered pursuant to Section 12 of the Exchange Act, no Optionee may receive grants, during any fiscal year of the Company or portion thereof, of Options which, in the aggregate, cover more than 1,500,000 Shares, subject to adjustment as provided in Section 15. If an Option expires or terminates for any reason without having been exercised in full, the unpurchased shares subject to that expired or terminated Option will continue to count against the maximum numbers of shares for which Options may be granted to an Optionee during any fiscal year of the Company or portion thereof.

8. *Term of the Plan.* Subject to Section 21, this Plan will become effective upon the earlier to occur of its adoption by the Board or its approval by the shareholders of the Company as described in Section 21. It will continue in effect for a term of ten years unless terminated earlier under Section 17. Unless otherwise provided in this Plan, its termination will not affect the validity of any Option or Stock Award outstanding at the date of termination, which shall continue to be governed by the terms of this Plan as though it remained in effect.

9. *Term of Option.* The term of each Option will be stated in the Option Agreement; *provided, however,* that in no event may the term be more than ten years from the date of grant. In addition, in the case of an Incentive Stock Option granted to an Optionee who, at the time the Incentive Stock Option is granted, owns stock representing more than ten percent of the voting power of all classes of capital stock of the Company or any Parent or Subsidiary, the term of the Incentive Stock Option will be five years from the date of grant or any shorter term specified in the Option Agreement.

10. *Option Exercise Price and Consideration.*

(a) *Exercise Price of Incentive Stock Options.* The exercise price for Shares to be issued pursuant to exercise of an Incentive Stock Option will be determined by the Administrator provided that the per Share exercise price will be no less than 100% of the Fair Market Value per Share on the date of grant; provided, further that in the case of an Incentive Stock Option granted to an Employee who, at the time the Incentive Stock Option is granted, owns stock representing more than ten percent of the voting power of all classes of capital stock of the Company or any Parent or Subsidiary, the per Share exercise price will be no less than 110% of the Fair Market Value per Share on the date of grant.

(b) *Exercise Price of Nonqualified Stock Options.* In the case of a Nonqualified Stock Option, the exercise price for Shares to be issued pursuant to the exercise of any such Option will be determined by the Administrator.

(c) *Waiting Period and Exercise Dates.* At the time an Option is granted, the Administrator will fix the period within which the Option may be exercised and will determine any conditions which must be satisfied before the Option may be exercised. Exercise of an Option may be conditioned upon performance criteria or other reasonable conditions such as Continuous Status as an Employee, Director or Consultant.

(d) *Form of Consideration.* The Administrator will determine the acceptable form of consideration for exercising an Option, including the method of payment. Such consideration may consist partially or entirely of:

(i) cash;

(ii) to the extent permitted by Applicable Law, a promissory note made by the Optionee in favor of the Company;

(iii) other Shares which have a Fair Market Value on the date of surrender equal to the aggregate exercise price of the Shares as to which an Option will be exercised;

(iv) delivery of a properly executed exercise notice together with any other documentation as the Administrator and the Optionee's broker, if applicable, require to effect an exercise of the Option and delivery to the Company of the sale or loan proceeds required to pay the exercise price; or

(v) any other consideration and method of payment for the issuance of Shares to the extent permitted by Applicable Laws.

11. *Exercise of Option.*

(a) *Procedure for Exercise; Rights as a Shareholder.* Any Option granted hereunder will be exercisable according to the terms of the Plan and at times and under conditions determined by the Administrator and set forth in the Option Agreement; *provided, however*, that an Option may not be exercised for a fraction of a Share.

An Option will be deemed exercised when the Company receives: (i) written notice of exercise (in accordance with the Option Agreement) from the person entitled to exercise the Option, (ii) full payment for the Shares with respect to which the Option is exercised, and (iii) all representations, indemnifications and documents reasonably requested by the Administrator. Full payment may consist of any consideration and method of payment authorized by the Administrator and permitted by the Option Agreement and this Plan. Shares issued upon exercise of an Option will be issued in the name of the Optionee or, if requested by the Optionee, in the name of the Optionee and his or her spouse. Until the stock certificate evidencing such Shares is issued (as evidenced by the appropriate entry on the books of the Company or of a duly authorized transfer agent of the Company), no right to vote or receive dividends or any other rights as a shareholder will exist with respect to the Optioned Stock, notwithstanding the exercise of the Option. Subject to the provisions of Sections 14, 18, and 19, the Company will issue (or cause to be issued) such stock certificate promptly after the Option is exercised. No adjustment will be made for a dividend or other right for which the record date is prior to the date the stock certificate is issued, except as provided in Section 15 of the Plan. Notwithstanding the foregoing, the Administrator in its discretion may require the Company to retain possession of any certificate evidencing Shares of Common Stock acquired upon exercise of an Option, if those Shares remain subject to repurchase under the provisions of the Option Agreement or any other agreement between the Company and the Optionee, or if those Shares are collateral for a loan or obligation due to the Company.

Exercising an Option in any manner will decrease the number of Shares thereafter available, both for purposes of this Plan and for sale under the Option, by the number of Shares as to which the Option is exercised.

(b) *Termination of Employment or Consulting Relationship or Directorship.* If an Optionee holds exercisable Options on the date his or her Continuous Status as an Employee, Director or Consultant terminates (other than because of termination due to Cause, death or Disability), the Optionee may exercise

the Options that were vested and exercisable as of the date of termination for a period of 90 days following such termination (or such other period as is set forth in the Option Agreement or determined by the Administrator). If the Optionee is not entitled to exercise his or her entire Option at the date of such termination, the Shares covered by the unexercisable portion of the Option will revert to the Plan, unless otherwise set forth in the Option Agreement or determined by the Administrator. The Administrator may determine in its sole discretion that such unexercisable portion of the Option will become exercisable at such times and on such terms as the Administrator may determine in its sole discretion. If the Optionee does not exercise an Option within the time specified above after termination, that Option will expire, and the Shares covered by it will revert to the Plan, unless otherwise set forth in the Option Agreement or determined by the Administrator.

(c) *Disability of Optionee.* If an Optionee holds exercisable Options on the date his or her Continuous Status as an Employee, Director or Consultant terminates because of Disability, the Optionee may exercise the Options that were vested and exercisable as of the date of termination for a period of 12 months following such termination (or such other period as is set forth in the Option Agreement or determined by the Administrator). If the Optionee is not entitled to exercise his or her entire Option at the date of such termination, the Shares covered by the unexercisable portion of the Option will revert to the Plan, unless otherwise set forth in the Option Agreement or determined by the Administrator. The Administrator may determine in its sole discretion that such unexercisable portion of the Option will become exercisable at such times and on such terms as the Administrator may determine in its sole discretion. If the Optionee does not exercise an Option within the time specified above after termination, that Option will expire, and the Shares covered by it will revert to the Plan, unless otherwise set forth in the Option Agreement or determined by the Administrator.

(d) *Death of Optionee.* If an Optionee holds exercisable Options on the date his or her death, the Optionee's estate or a person who acquired the right to exercise the Option by bequest or inheritance may exercise the Options that were vested and exercisable as of the date of death for a period of 12 months following the date of death (or such other period as is set forth in the Option Agreement or determined by the Administrator). If the Optionee is not entitled to exercise his or her entire Option at the date of death, the Shares covered by the unexercisable portion of the Option will revert to the Plan, unless otherwise set forth in the Option Agreement or determined by the Administrator. The Administrator may determine in its sole discretion that such unexercisable portion of the Option will become exercisable at such times and on such terms as the Administrator may determine in its sole discretion. If the Optionee's estate or a person who acquired the right to exercise the Option by bequest or inheritance does not exercise an Option within the time specified above after termination, that Option will expire, and the Shares covered by it will revert to the Plan, unless otherwise set forth in the Option Agreement or determined by the Administrator.

(e) *Termination for Cause.* If an Optionee's Continuous Status as an Employee, Director or Consultant is terminated for Cause, then all Options (including any vested Options) held by Optionee shall immediately be terminated and cancelled.

(f) *Disqualifying Dispositions of Incentive Stock Options.* If Common Stock acquired upon exercise of any Incentive Stock Option is disposed of in a disposition that, under Section 422 of the Code, disqualifies the holder from the application of Section 421(a) of the Code, the holder of the Common Stock immediately before the disposition will comply with any requirements imposed by the Company in order to enable the Company to secure the related income tax deduction to which it is entitled in such event.

12. *Non-Transferability of Options.*

(a) *No Transfer.* An Option may not be sold, pledged, assigned, hypothecated, transferred, or disposed of in any manner other than by will or by the laws of descent or distribution and may be exercised, during the lifetime of the Optionee, only by the Optionee. Notwithstanding the foregoing, to the extent that the Administrator so authorizes at the time a Nonqualified Stock Option is granted or amended, (i) such Option may be assigned pursuant to a qualified domestic relations order as defined by the Code, and

exercised by the spouse or former spouse of the Optionee who obtained such Option pursuant to such qualified domestic relations order, or (ii) such Option may be assigned, in whole or in part, during the Optionee's lifetime to one or more Family Members of the Optionee. Rights under the assigned portion may be exercised by the Family Member(s) who acquire a proprietary interest in such Option pursuant to the assignment. The terms applicable to the assigned portion shall be the same as those in effect for the Option immediately before such assignment and shall be set forth in such documents issued to the assignee as the Administrator deems appropriate.

(b) *Designation of Beneficiary.* An Optionee may file a written designation of a beneficiary who is to receive any Options that remain unexercised in the event of the Optionee's death. If a participant is married and the designated beneficiary is not the spouse, spousal consent will be required for the designation to be effective. The Optionee may change such designation of beneficiary at any time by written notice to the Administrator, subject to the above spousal consent requirement.

(c) *Effect of No Designation.* If an Optionee dies and there is no beneficiary validly designated and living at the time of the Optionee's death, the Company will deliver such Optionee's Options to the executor or administrator of his or her estate, or if no such executor or administrator has been appointed (to the knowledge of the Company), the Company, in its discretion, may deliver such Options to the spouse or to any one or more dependents or relatives of the Optionee, or if no spouse, dependent or relative is known to the Company, then to such other person as the Company may designate.

(d) *Death of Spouse or Dissolution of Marriage.* If an Optionee designates his or her spouse as beneficiary, that designation will be deemed automatically revoked if the Optionee's marriage is later dissolved. Similarly, any designation of a beneficiary will be deemed automatically revoked upon the death of the beneficiary if the beneficiary predeceases the Optionee. Without limiting the generality of the preceding sentence, the interest in Options of a spouse of an Optionee who has predeceased the Optionee or (except as provided in Section 12(a) regarding qualified domestic relations orders) whose marriage has been dissolved will automatically pass to the Optionee, and will not be transferable by such spouse in any manner, including but not limited to such spouse's will, nor will any such interest pass under the laws of intestate succession.

13. Stock Awards.

(a) *Grant.* Subject to the express provisions and limitations of the Plan, the Administrator, in its sole and absolute discretion, may grant Stock Awards to Employees, Consultants or Directors for a number of shares of Common Stock on such terms and conditions and to such Employees, Consultants or Directors as it deems advisable and specifies in the respective grants. Subject to the limitations and restrictions set forth in the Plan, an Employee, Consultant or Director who has been granted an Option or Stock Award may, if otherwise eligible, be granted additional Options or Stock Awards if the Administrator shall so determine.

(b) *Restrictions.* The Administrator, in its sole and absolute discretion, may impose restrictions in connection with any Stock Award, including without limitation, (i) imposing a restricted period during which all or a portion of the Common Stock subject to the Stock Award may not be sold, assigned, transferred, pledged or otherwise encumbered (the "**Restricted Period**"), (ii) providing for a vesting schedule with respect to such Common Stock such that if a Grantee ceases to be an Employee, Consultant or Director during the Restricted Period, some or all of the shares of Common Stock subject to the Stock Award shall be immediately forfeited and returned to the Company. The Administrator may, at any time, reduce or terminate the Restricted Period. Each certificate issued in respect of shares of Common Stock pursuant to a Stock Award which is subject to restrictions shall be registered in the name of the Grantee, shall be deposited by the Grantee with the Company together with a stock power endorsed in blank and shall bear an appropriate legend summarizing the restrictions imposed with respect to such shares of Common Stock.

(c) *Rights As Shareholder.* Subject to the terms of any agreement governing a Stock Award, the Grantee of a Stock Award shall have all the rights of a shareholder with respect to the Common Stock issued

pursuant to a Stock Award, including the right to vote such Shares; provided, however, that dividends or distributions paid with respect to any such Shares which have not vested shall be deposited with the Company and shall be subject to forfeiture until the underlying Shares have vested unless otherwise provided by the Administrator in its sole discretion. A Grantee shall not be entitled to interest with respect to the dividends or distributions so deposited.

14. *Withholding Taxes.* The Company will have the right to take whatever steps the Administrator deems necessary or appropriate to comply with all applicable federal, state, local, and employment tax withholding requirements, and the Company's obligations to deliver Shares upon the exercise of an Option or in connection with a Stock Award will be conditioned upon compliance with all such withholding tax requirements. Without limiting the generality of the foregoing, upon the exercise of an Option, the Company will have the right to withhold taxes from any other compensation or other amounts which it may owe to the Optionee, or to require the Optionee to pay to the Company the amount of any taxes which the Company may be required to withhold with respect to the Shares issued on such exercise. Without limiting the generality of the foregoing, the Administrator in its discretion may authorize the Grantee to satisfy all or part of any withholding tax liability by (a) having the Company withhold from the Shares which would otherwise be issued in connection with a Stock Award or on the exercise of an Option that number of Shares having a Fair Market Value, as of the date the withholding tax liability arises, equal to or less than the amount of the Company's withholding tax liability, or (b) by delivering to the Company previously-owned and unencumbered Shares of the Common Stock having a Fair Market Value, as of the date the withholding tax liability arises, equal to or less than the amount of the Company's withholding tax liability.

15. *Adjustments Upon Changes in Capitalization, Dissolution, Merger or Asset Sale.*

(a) *Changes in Capitalization.* Subject to any required action by the shareholders of the Company, if the outstanding shares of Common Stock are increased, decreased, changed into or exchanged for a different number or kind of shares or securities of the Company or a successor entity, or for other property (including without limitation, cash), through reorganization, recapitalization, reclassification, stock combination, stock dividend, stock split, reverse stock split, spin off or other similar transaction, an appropriate and proportionate adjustment will be made in the maximum number and kind of shares as to which Options and Stock Awards may be granted under this Plan. A corresponding adjustment changing the number or kind of shares allocated to Stock Awards or unexercised Options which have been granted prior to any such change will likewise be made. Any such adjustment in the outstanding Options will be made without change in the aggregate purchase price applicable to the unexercised portion of the Options but with a corresponding adjustment in the price for each share or other unit of any security covered by the Option. Such adjustment will be made by the Administrator, whose determination in that respect will be final, binding, and conclusive.

Where an adjustment under this Section 15(a) is made to an Incentive Stock Option, the adjustment will be made in a manner which will not be considered a "modification" under the provisions of subsection 424(h)(3) of the Code.

(b) *Dissolution or Liquidation.* In the event of the proposed dissolution or liquidation of the Company, to the extent that an Option had not been previously exercised or a Stock Award had not previously vested, it will terminate immediately prior to the consummation of such proposed dissolution or liquidation. In such instance, the Administrator may, in the exercise of its sole discretion, declare that any Stock Award shall become vested or any Option will terminate as of a date fixed by the Administrator and give each Optionee the right to exercise his or her Option as to all or any part of the Optioned Stock, including Shares as to which the Option would not otherwise be exercisable.

(c) *Corporate Transaction.* Upon the happening of a merger, reorganization or sale of substantially all of the assets of the Company, the Administrator, may, in its sole discretion, do one or more of the following: (i) shorten the period during which Options are exercisable (provided they remain exercisable for at least 30 days after the date notice of such shortening is given to the Optionees); (ii) accelerate any vesting

schedule to which an Option or Stock Award is subject; (iii) arrange to have the surviving or successor entity or any parent entity thereof assume the Stock Awards and the Options or grant replacement options with appropriate adjustments in the option prices and adjustments in the number and kind of securities issuable upon exercise or adjustments so that the Options or their replacements represent the right to purchase the shares of stock, securities or other property (including cash) as may be issuable or payable as a result of such transaction with respect to or in exchange for the number of Shares of Common Stock purchasable and receivable upon exercise of the Options had such exercise occurred in full prior to such transaction; or (iv) cancel Options or Stock Awards upon payment to the Optionees or Grantees in cash, with respect to each Option or Stock Award to the extent then exercisable or vested (including, if applicable, any Options or Stock Awards as to which the vesting schedule has been accelerated as contemplated in clause (ii) above), of an amount that is the equivalent of the excess of the Fair Market Value of the Common Stock (at the effective time of the merger, reorganization, sale or other event) over (in the case of Options) the exercise price of the Option. The Administrator may also provide for one or more of the foregoing alternatives in any particular Option Agreement or agreement governing a Stock Award.

16. *Date of Grant.* The date of grant of an Option or Stock Award will be, for all purposes, the date as of which the Administrator makes the determination granting such Option or Stock Award, or any other, later date determined by the Administrator and specified in the Option Agreement. Notice of the determination will be provided to each Grantee within a reasonable time after the date of grant.

17. *Amendment and Termination of the Plan.*

(a) *Amendment and Termination.* The Board may at any time amend, alter or suspend or terminate the Plan.

(b) *Shareholder Approval.* The Company will obtain shareholder approval of any Plan amendment that increases the number of Shares for which Options or Stock Awards may be granted, or to the extent necessary and desirable to comply with Section 422 of the Code (or any successor statute) or other Applicable Laws, or the requirements of any exchange or quotation system on which the Common Stock is listed or quoted. Such shareholder approval, if required, will be obtained in such a manner and to such a degree as is required by the Applicable Law or requirement.

(c) *Effect of Amendment or Termination.* No amendment, alteration, suspension or termination of the Plan will impair the rights of a Grantee, unless mutually agreed otherwise between the Grantee and the Administrator. Any such agreement must be in writing and signed by the Grantee and the Company.

18. *Conditions Upon Issuance of Shares.*

(a) *Legal Compliance.* Shares will not be issued in connection with a Stock Award or pursuant to the exercise of an Option unless the exercise of such Option and the issuance and delivery of such Shares will comply with all Applicable Laws, and will be further subject to the approval of counsel for the Company with respect to such compliance. Any securities delivered under the Plan will be subject to such restrictions, and the person acquiring such securities will, if requested by the Company, provide such assurances and representations to the Company as the Company may deem necessary or desirable to assure compliance with all Applicable Laws. To the extent permitted by Applicable Laws, the Plan and Options and Stock Awards granted hereunder will be deemed amended to the extent necessary to conform to such laws, rules and regulations.

(b) *Investment Representation.* As a condition to the exercise of an Option or grant of a Stock Award, the Company may require the person exercising such Option or receiving such Stock Award to represent and warrant at the time of any such exercise or receipt that the Shares are being acquired only for investment and without any present intention to sell, transfer, or distribute such Shares.

19. *Liability of Company.*

(a) *Inability to Obtain Authority.* If the Company cannot, by the exercise of commercially reasonable efforts, obtain authority from any regulatory body having jurisdiction for the sale of any Shares under this Plan, and such authority is deemed by the Company's counsel to be necessary to the lawful issuance of those Shares, the Company will be relieved of any liability for failing to issue or sell those Shares.

(b) *Grants Exceeding Allotted Shares.* If the Optioned Stock covered by an Option or Shares subject to a Stock Award exceed, as of the date of grant, the number of Shares which may be issued under the Plan without additional shareholder approval, that Option or Stock Award will be contingent with respect to such excess Shares, unless and until shareholder approval of an amendment sufficiently increasing the number of Shares subject to this Plan is timely obtained in accordance with Section 17(b).

(c) *Rights of Participants and Beneficiaries.* The Company will pay all amounts payable under this Plan only to the Grantee, or beneficiaries entitled thereto pursuant to this Plan. The Company will not be liable for the debts, contracts, or engagements of any Grantee or his or her beneficiaries, and rights to cash payments under this Plan may not be taken in execution by attachment or garnishment, or by any other legal or equitable proceeding while in the hands of the Company.

20. *Reservation of Shares.* The Company will at all times reserve and keep available for issuance a number of Shares sufficient to satisfy this Plan's requirements during its term.

21. *Shareholder Approval.* Continuance of this Plan will be subject to approval by the shareholders of the Company within 12 months before or after the date of its adoption. Such shareholder approval will be obtained in the manner and to the degree required under Applicable Laws. Options or Stock Awards may be granted but Options may not be exercised prior to shareholder approval of the Plan. If any Options or Stock Awards are so granted and shareholder approval is not obtained within 12 months of the date of adoption of this Plan by the Board, those Options or Stock Awards will terminate retroactively as of the date they were granted.

22. *Legending Stock Certificates.* In order to enforce any restrictions imposed upon Common Stock issued in connection with a Stock Award or upon exercise of an Option granted under this Plan or to which such Common Stock may be subject, the Administrator may cause a legend or legends to be placed on any certificates representing such Common Stock, which legend or legends will make appropriate reference to such restrictions, including, but not limited to, a restriction against sale of such Common Stock for any period of time as may be required by Applicable Laws. Additionally, and not by way of limitation, the Administrator may impose such restrictions on any Common Stock issued pursuant to the Plan as it may deem advisable.

23. *No Employment Rights.* Neither this Plan nor any Option or Stock Award will confer upon a Grantee any right with respect to continuing the Grantee's employment or consulting relationship with the Company, or continuing service as a Director, nor will they interfere in any way with the Grantee's right or the Company's right to terminate such employment or consulting relationship or directorship at any time, with or without cause.

24. *Governing Law.* The Plan will be governed by, and construed in accordance with the laws of the State of Nevada (without giving effect to conflicts of law principles).
