### **ABOUT THIS PROSPECTUS SUPPLEMENT**

This prospectus supplement is a supplement to the accompanying prospectus that is also a part of this document. The accompanying prospectus is part of a registration statement that we filed with the Securities and Exchange Commission (the “SEC”) using a shelf registration process. Under the shelf registration process, from time to time, we may offer shares of common stock. In the accompanying prospectus, we provide you with a general description of the shares of our common stock that we may offer under the prospectus. In this prospectus supplement, we provide you with specific information about the terms of this offering. Both this prospectus supplement and the prospectus include, or incorporate by reference, important information about us, our common stock and other information you should know before investing. This prospectus supplement also adds to, updates and changes information contained in the prospectus. If any specific statement that we make in this prospectus supplement is inconsistent with the statements made in the accompanying prospectus, the statements made in the accompanying prospectus are deemed modified or superseded by the statements made in this prospectus supplement. You should read both this prospectus supplement and the prospectus, as well as the additional information described under “Where You Can Find More Information” in the accompanying prospectus before investing in our common stock.

## RISK FACTORS

*Before deciding to invest in our common stock, you should carefully consider each of the following risk factors and all of the other information set forth in this prospectus supplement and in the accompanying prospectus and incorporated in this prospectus supplement and in the accompanying prospectus by reference, including in Item 1A and the section entitled "Management's Discussion and Analysis of Financial Condition and Results of Operations" in our Annual Report on Form 10-K for the year ended December 31, 2008.*

*The risks and uncertainties described below and incorporated by reference herein are not the only ones we face. Additional risks and uncertainties not presently known to us or that we currently deem immaterial may also impair our business operations. If any of these risks actually occurs, our business, financial condition, cash flow and results of operations could be materially adversely affected. In that case, the value of our common stock could decline substantially.*

### Risks Relating to the Offering

**The price of our common stock may fluctuate significantly, which may make it difficult for you to resell the common stock issuable when you want or at prices you find attractive.**

The price of shares of our common stock on the Nasdaq Global Select Market constantly changes. We expect that the market price of our common stock will continue to fluctuate. Holders of our common stock will be subject to the risk of volatility and depressed prices of our common stock.

Our stock price can fluctuate as a result of a variety of factors, many of which are beyond our control. These factors include:

- adverse tourism trends reflecting current domestic and international economic conditions;
- volatility and weakness in world-wide credit and financial markets;
- general global macroeconomic conditions;
- further decreases in levels of travel, leisure and consumer spending;
- fluctuations in occupancy rates and average daily room rates;
- conditions precedent to funding under the agreements governing the disbursement of the proceeds of borrowings under our credit facilities;
- continued compliance with all provisions in our credit agreements;
- competition in the casino/hotel and resort industries and actions taken by our competitors in reaction to adverse economic conditions;
- completion of Encore at Wynn Macau on time and within budget;
- our intention to fund a substantial portion of the development and construction costs of Encore at Wynn Macau with anticipated cash flows generated at Wynn Macau;
- doing business in foreign locations such as Macau (including the risks associated with developing gaming regulatory frameworks and travel-related visa restrictions);
- restrictions or conditions on visitation by citizens of mainland China to Macau;

- new development and construction activities of competitors;
- our dependence on Stephen A. Wynn and existing management;
- our dependence on a limited number of properties and locations for all of our cash flow;
- leverage and debt service (including sensitivity to fluctuations in interest rates);
- changes in federal or state tax laws or the administration of such laws;
- changes in state law regarding water rights;
- changes in gaming laws or regulations (including the legalization of gaming in certain jurisdictions);
- approvals under applicable jurisdictional laws and regulations (including gaming laws and regulations);
- the impact that an outbreak of an infectious disease, such as avian flu, or the impact of a natural disaster may have on the travel and leisure industry;
- the consequences of the war in Iraq and other military conflicts in the Middle East and any future security alerts and/or terrorist attacks;
- future legal proceedings; and
- other factors described under “Risk Factors,” “Forward-Looking Statements” and “Management’s Discussion and Analysis of Financial Condition and Results of Operations” in our Annual Report on Form 10-K and otherwise in our filings with the SEC.

General market fluctuations, industry factors and general economic and geopolitical conditions and events, such as economic slowdowns or recessions, consumer confidence in the economy, recent terrorist attacks and ongoing military conflicts, also could cause our stock price to decrease.

In addition, the stock market in general has experienced extreme volatility that has often been unrelated to the operating performance of a particular company. Recently, the volatility has reached unprecedented levels. In some cases, the markets have produced downward pressure on stock prices and credit availability for certain issuers without regard to those issuers’ underlying financial strength. Such continued volatility could materially and adversely affect our ability to access capital, as well as our business, financial condition and results of operations, and the market price of our common stock.

**Future sales of our common stock could cause the market price of our common stock to decline.**

As of the date of this prospectus, our officers and directors beneficially own 50.6 million shares of common stock. We and Stephen A. Wynn, our Chairman of the Board and Chief Executive Officer and one of our principal stockholders, and Aruze USA, Inc., another of our principal stockholders, have agreed with the underwriters, subject to certain exceptions, not to directly or indirectly offer, sell, pledge, contract to sell, sell any option or contract to purchase, purchase any option or contract to sell, grant any option, right or warrant to purchase, lend or otherwise transfer or dispose of any shares of our common stock or securities convertible into or exchangeable for shares of our common stock, or enter into any hedging transaction relating to the common stock, during the period from the date of this prospectus until 45 days after the date of this prospectus, except with the prior written consent of Deutsche Bank Securities Inc. and Merrill Lynch, Pierce, Fenner & Smith Incorporated, as representatives of the several underwriters. Upon the expiration of the 45-day lockup period, Stephen A. Wynn and Aruze

USA, Inc. will be able to sell these shares into the public market. In addition, as of March 15, 2009, there were 2.8 million shares of our common stock reserved and subject to issuance upon exercise of outstanding vested and unvested options and 918,500 unvested restricted shares had been issued.

We cannot predict the effect, if any, that the future issuance or market sales of shares of our common stock will have on the market price of our common stock prevailing from time to time. Sales of substantial amounts of our common stock, or the perception that such sales are likely to occur, could materially adversely affect the prevailing market price for our common stock and could impair our future ability to raise capital through an offering of equity or equity-linked securities.

## USE OF PROCEEDS

We intend to use the proceeds from the sale of the common stock in this offering for general corporate purposes, including repayment of any of our debt or debt of our subsidiaries.

### Holders

There were approximately 205 holders of record of our common stock as of March 13, 2009.

### Dividends

On November 13, 2006, our Board of Directors declared a cash distribution of \$6.00 per common share, which was paid on December 4, 2006. On November 20, 2007 our Board of Directors declared a cash distribution of \$6.00 per common share, which was paid on December 10, 2007.

We are a holding company and, as a result, our ability to pay dividends is dependent on our subsidiaries' ability to provide funds to us. Additionally, we are the borrower under an aggregate \$1.0 billion delayed-draw term loan credit facility dated as of June 21, 2007, as amended, that imposes (i) restrictions on our ability to make "restricted payments," as defined in the facility, or to incur obligations to make such restricted payments and (ii) restrictions and prepayment obligations with respect to dispositions and distributions of equity interests and other funds from our subsidiaries. Restrictions imposed by our subsidiaries' debt instruments significantly restrict certain key subsidiaries holding a majority of our assets, including Wynn Las Vegas, LLC and Wynn Macau, S.A. from making dividends or distributions to Wynn Resorts. Specifically, Wynn Las Vegas, LLC and certain of its subsidiaries are restricted under the indenture governing our first mortgage notes from making certain "restricted payments," as

defined in the indenture. These restricted payments include the payment of dividends or distributions to any direct or indirect holders of equity interests of Wynn Las Vegas, LLC. These restricted payments cannot be made unless certain financial and non-financial criteria have been satisfied. In addition, the terms of the other loan agreements of Wynn Las Vegas, LLC and Wynn Macau, S.A. contain similar restrictions.

## UNDERWRITING

Subject to the terms and conditions of the underwriting agreement, Deutsche Bank Securities Inc., Merrill Lynch, Pierce, Fenner & Smith Incorporated, J.P. Morgan Securities Inc., Wachovia Capital Markets, LLC and Moelis & Company have severally agreed to purchase from us the number of shares of common stock set forth opposite the underwriter's name on the terms and conditions set forth on the cover page of this prospectus supplement.

Underwriter	Number of Shares
Deutsche Bank Securities Inc.	3,360,000
Merrill Lynch, Pierce, Fenner & Smith Incorporated	3,360,000
J.P. Morgan Securities Inc.	1,440,000
Wachovia Capital Markets, LLC	768,000
Moelis & Company	672,000

The underwriting agreement provides that the obligations of the underwriters to purchase the shares of common stock offered hereby are subject to certain conditions precedent. The underwriting agreement also provides that the underwriters will purchase all of the shares of common stock offered by this prospectus supplement, other than those covered by the option to purchase additional shares described below.

We have been advised by the underwriters that they propose to offer the shares of common stock to the public at the public offering price set forth on the cover of this prospectus. After the initial offering of the shares of common stock, the underwriters may change the public offering price.

Our common stock is quoted on the Nasdaq Global Select Market under the symbol "WYNN."

We have granted to the underwriters an option to purchase up to 1,440,000 additional shares of our common stock at the same price per share as they are paying for the shares shown below. These additional shares would cover sales by the underwriters which exceed the total number of shares shown in the table above. The underwriters may exercise this option at any time and from time to time, in whole or in part, within 30 days after the date of this prospectus supplement. To the extent that the underwriters exercise this option, each underwriter will purchase additional shares from us in approximately the same proportion as it purchased the shares shown in the table above. We will pay the expenses associated with the exercise of this option.

The underwriting discounts and commissions per share are equal to the public offering price per share of common stock less the amount paid by the underwriters to us per share of common stock after giving effect on a per share basis to the financial advisory fee paid by us in connection with this transaction. We have agreed to pay the underwriters the following discounts and commissions, assuming either no exercise or full exercise by the underwriters of the option to purchase additional shares described above:

	Fee per Share	Total Fees	
		Without Exercise of Option to Purchase Additional Shares	With Full Exercise of Option to Purchase Additional Shares
Discounts and commissions paid by us(1)	\$0.6878	\$ 6,603,000	\$ 7,492,200

(1) We have agreed to sell the shares of our common stock to the underwriters at a price of \$18.3825 per share, reflecting an underwriting discount per share of \$0.6175. In addition, we have agreed to pay Moelis & Company, our financial advisor in connection with this transaction, a fee of \$675,000, which we have included in the underwriting discounts and commissions.

We estimate that our share of the total expenses of this offering will be approximately \$250,000.

We have agreed to indemnify the underwriters against some specified types of liabilities, including liabilities under the Securities Act of 1933, as amended, and to contribute to payments the underwriters may be required to make in respect of any of these liabilities.

Stephen A. Wynn, our Chairman of the Board and Chief Executive Officer and one of our principal stockholders, and Aruze USA, Inc., another of our principal stockholders, have agreed, subject to certain exceptions, not to directly or indirectly offer, sell, pledge, contract to sell, sell any option or contract to purchase, purchase any option or contract to sell, grant any option, right or warrant to purchase, lend or otherwise transfer or dispose of any shares of common stock, shares of common stock which may be issued upon exercise of a stock option or warrant and any other security convertible into or exchangeable for common stock, or enter into any hedging transaction relating to the common stock for a period of 45 days after the date of this prospectus supplement without the prior written consent of Deutsche Bank Securities Inc. and Merrill Lynch, Pierce, Fenner & Smith Incorporated, as representatives of the several underwriters. This consent may be given at any time without public notice. Transfers or dispositions can be made during the lock-up period in the case of gifts, for estate planning purposes or other specified transactions where the donee signs a lock-up agreement.

The underwriters have advised us that they do not intend to confirm sales to any account over which they exercise discretionary authority.

In connection with the offering, the underwriters may purchase and sell shares of our common stock in the open market. These transactions may include short sales, purchases to cover positions created by short sales and stabilizing transactions.

Short sales involve the sale by the underwriters of a greater number of shares than they are required to purchase in the offering. Covered short sales are sales made in an amount not greater than the underwriters' option to purchase additional shares of common stock from us in the offering. The underwriters may close out any covered short position by either exercising their option to purchase additional shares or purchasing shares in the open market.

Naked short sales are any sales in excess of the option to purchase additional shares. The underwriters must close out any naked short position by purchasing shares in the open market. A naked short position is more likely to be created if the underwriters are concerned that there may be downward pressure on the price of the shares in the open market prior to the completion of the offering. In determining the source of shares to close out the covered short position, the underwriters will consider, among other things, the price of shares available for purchase in the open market as compared to the price at which they may purchase shares through the option to purchase additional shares.

Stabilizing transactions consist of various bids for or purchases of our common stock made by the underwriters in the open market prior to the completion of the offering.

Purchases to cover a short position and stabilizing transactions may have the effect of preventing or slowing a decline in the market price of our common stock. Additionally, these purchases may stabilize, maintain or otherwise affect the market price of our common stock. As

a result, the price of our common stock may be higher than the price that might otherwise exist in the open market. These transactions may be effected on the Nasdaq Global Select Market, in the over-the-counter market or otherwise.

## THE COMPANY

We are a developer, owner and operator of destination casino resorts. We currently own and operate Wynn Las Vegas, a destination casino resort in Las Vegas, Nevada, which opened on April 28, 2005, and Wynn Macau, a destination casino resort in the Macau Special Administrative Region of the People's Republic of China, which opened on September 6, 2006. In addition, on April 28, 2006, we commenced construction of Encore at Wynn Las Vegas, a hotel casino resort which, when completed, will be fully integrated with Wynn Las Vegas. We are also currently expanding Wynn Macau and in November 2006, announced "Wynn Diamond Suites" an additional hotel tower for Wynn Macau. Until the opening of Wynn Las Vegas in 2005, we were solely a development stage company.

The following table sets forth information about our operating properties as of July 2007:

	<u>Hotel Rooms &amp; Suites</u>	<u>Approximate Casino Square Footage</u>	<u>Number of Table Games</u>	<u>Number of Slots</u>
Wynn Las Vegas	2,716	111,000	146	1,975
Wynn Macau	600	130,000	283	708

### Wynn Las Vegas

We believe Wynn Las Vegas is the preeminent destination casino resort on the Strip in Las Vegas. Wynn Las Vegas features:

- An approximately 111,000 square foot casino offering 24-hour gaming and a full range of games, including private baccarat salons, a poker room, and a race and sports book;
- Luxury hotel accommodations in 2,716 spacious hotel rooms, suites and villas (in 2006, the Tower Suites at Wynn Las Vegas became the only casino resort in the world to receive both the Mobil Five Star and AAA Five Diamond distinctions);
- 22 food and beverage outlets featuring signature chefs, including the AAA Five Diamond and Mobil Five Star award-winning restaurant, Alex;
- A Ferrari and Maserati automobile dealership;
- Approximately 74,000 square feet of high-end, brand-name retail shopping, including stores and boutiques featuring Brioni, Chanel, Dior, Graff, Jean-Paul Gaultier, Louis Vuitton and Manolo Blahnik;
- Recreation and leisure facilities, including an 18-hole golf course, five swimming pools, private cabanas and full service spa and salon; and
- Two showrooms, a nightclub and lounge entertainment.

In March 2007, we remodeled the Le Rêve Theatre to enhance the customer experience. The theatre went from 2,087 to 1,606 seats providing additional room for guests and a more intimate experience. The remodel effort lasted approximately 30 days from March 6, 2007 through April 4, 2007, during which time there were no performances of Le Rêve. Also, in March 2007, we commenced performances of "Monty Python's Spamalot" in our Grail Theatre.

The resort, which is located at the intersection of the Las Vegas Strip and Sands Avenue, occupies approximately 217 acres of land fronting the Las Vegas Strip and approximately 18 additional acres across Sands Avenue, a portion of which is utilized for employee parking.

## **Encore at Wynn Las Vegas**

We are constructing Encore on approximately 20 acres on the Las Vegas Strip, immediately adjacent to Wynn Las Vegas. Encore's current plans include a 2,034 all-suite hotel tower fully integrated with Wynn Las Vegas, an approximately 72,000 square foot casino, additional convention and meeting space, as well as restaurants, a nightclub, swimming pools, a spa and salon and retail outlets. We continue to refine the final design of Encore. Encore is expected to open in early 2009. Our project budget is currently estimated at approximately \$2.2 billion, consisting of approximately \$2.1 billion for Encore and approximately \$100 million for an employee parking garage on our Koval property, an associated pedestrian bridge and costs incurred in connection with the theatre remodeling and production of "Monty Python's Spamalot" at Wynn Las Vegas, which opened March 2007.

## **Wynn Macau**

We opened Wynn Macau on September 6, 2006. Wynn Macau is located on 11 acres of a total site area of 16 acres of land and features:

- An approximately 130,000 square foot casino offering 24-hour gaming and a full range of games, including private gaming salons;
- Luxury hotel accommodations in 600 rooms and suites;
- Casual and fine dining in five restaurants;
- Approximately 26,000 square feet of high-end, brand-name retail shopping, including stores and boutiques featuring Bulgari, Chanel, Dior, Fendi, Giorgio Armani, Louis Vuitton, Piaget, Prada, Tiffany, and others;
- Recreation and leisure facilities, including a health club, pool and spa; and
- Lounges and meeting facilities.

Construction and development continues on the second phase. This phase includes additional gaming space, a dramatic front feature attraction, a theater showroom and additional food, beverage and retail amenities. In September 2007, we opened approximately 20,000 square feet of additional gaming space and one restaurant at Wynn Macau in this second phase. The remaining portion of the expansion is expected to open by Chinese New Year, 2008. After the completion of the expansion, Wynn Macau is expected to have a total of approximately 380 table games and 1,200 slot machines.

In July 2007, Wynn Macau S.A. issued a notice to proceed to the general contractor with respect to approximately \$347.8 million of construction costs relating to the construction of Wynn Diamond Suites. While the complete project budget is still being finalized, we expect the costs to be in the range of \$550 to \$600 million. We expect Wynn Diamond Suites to open to the public in the first half of 2010. First announced in November 2006, Wynn Diamond Suites will be fully integrated into Wynn Macau and is expected to have 400 luxury suites and villas.

We operate Wynn Macau under a 20-year casino concession agreement granted by the Macau government in June 2002.

## **Cotai Development**

We have submitted an application to the Macau government for a concession of land in Cotai. We recently reconfigured our site plan for 52 acres and are awaiting final approval.
