WYNN RESORTS, LIMITED

Wynn Resorts, Limited, a Nevada corporation, was formed in June 2002 and consummated its initial public offering in October 2002. Our efforts have been devoted principally to the design, development, financing and construction of a new resort casino/hotel project in Las Vegas named “Wynn Las Vegas” and the design and pre-construction efforts related to our anticipated casino/hotel project in Macau, made possible by our concession agreement with the government of Macau.

We are a holding company, with no operations of our own, and our cash flow needs and ability to fund debt service obligations are primarily dependent on our subsidiaries. Our subsidiaries have no obligation to pay any amounts due on any debt securities or to provide us with funds for our payment obligations. Our subsidiaries currently have no material operations or earnings, and the debt agreements of the Wynn Las Vegas entities contain significant restrictions on those entities’ ability to distribute funds to us.

Wynn Las Vegas

We, through our wholly owned indirect subsidiary Wynn Las Vegas, LLC, are constructing and will own and operate Wynn Las Vegas, which we have designed to be the preeminent luxury hotel and destination casino resort in Las Vegas. Wynn Las Vegas is the concept of Stephen A. Wynn, one of Wynn Resorts’ principal stockholders and its Chairman of the Board and Chief Executive Officer. Mr. Wynn was previously Chairman of the Board, President and Chief Executive Officer of Mirage Resorts, Incorporated and its predecessor from 1973 to 2000. In that role, he was responsible for the development of Bellagio, The Mirage, Treasure Island at The Mirage and the Golden Nugget in Las Vegas, Nevada, as well as the Atlantic City Golden Nugget in New Jersey and Beau Rivage in Biloxi, Mississippi.

Wynn Las Vegas is being constructed on Las Vegas Boulevard, also commonly known as the Las Vegas Strip or the Strip, on the site of the former Desert Inn Resort & Casino, at the northeast corner of the intersection of the Strip and Sands Avenue, one-half block north of The Venetian and Treasure Island at The Mirage, and across the Strip from the Fashion Show Mall. When completed, we expect Wynn Las Vegas to feature approximately 2,700 luxurious guest rooms, a casually elegant casino of approximately 111,000 square feet, 18 distinctive dining outlets, an exclusive on-site 18-hole championship golf course and a new water-based entertainment production.

We expect Wynn Las Vegas, including the new golf course construction, to cost approximately \$2.4 billion to design, construct, develop, equip and open, including the cost of more than 212 acres of land, capitalized interest on indebtedness of the Wynn Las Vegas entities, pre-opening expenses and all financing fees. Ground-breaking for Wynn Las Vegas occurred on October 31, 2002, with an opening to the general public scheduled for April 2005. We have funded approximately \$1.1 billion of project costs through December 31, 2003, with equity contributions and debt. As of December 31, 2003, we had more than \$1.1 billion available under our existing credit agreements and approximately \$220 million of long-term restricted cash available for the project. The overall scope and general design of Wynn Las Vegas is complete and the construction of the project is tracking on schedule and within budget. We continue to evaluate and refine certain elements of the project design and expect to implement certain project design changes that will not significantly increase the project cost or extend the construction schedule. We are also actively exploring certain additions on the Wynn Las Vegas site as well as the development of our adjacent parcel of approximately 20 acres fronting the Strip. These additional developments might be initiated before the completion of Wynn Las Vegas. We expect to complete the project on time and on budget. However, there are significant risks associated with any major construction project, and unexpected developments may occur; therefore, we cannot assure you that the funds available will be sufficient for the construction, development and opening of Wynn Las Vegas or that it will be completed by April 2005.

Wynn Macau

In June 2002, our 82.5% owned indirect subsidiary, Wynn Resorts (Macau), S.A. (“Wynn Macau, S.A.”), entered into a 20-year concession agreement with the government of Macau to construct and operate one or more

casino gaming properties in the Macau Special Administrative Region of the People's Republic of China ("Macau"). Macau is located in southeast China bordering the South China Sea, approximately 37 miles southwest of Hong Kong. Macau has been an established gaming market for at least 40 years and, according to the Innovation Group, a gaming research company, casinos in Macau reportedly generated approximately \$3.5 billion in gaming revenues in 2003. Wynn Macau, S.A. currently is one of three concessionaires permitted to operate a casino gaming business in Macau.

We have invested approximately \$23.8 million in Wynn Macau, S.A. to date. In addition, in January 2004, we loaned \$5 million to Wynn Macau, S.A., bearing interest at 6.25% and payable on demand. We will invest additional capital in the Wynn Macau Companies as part of the financing of the Macau opportunity, in addition to the approximately \$23.8 million we have already invested. We have additional capital available from a portion of the net proceeds we received from our initial public offering (including as a result of the exercise of the over-allotment option in connection therewith) and the net proceeds of the issuance of our 6% Convertible Subordinated Debentures due 2015. The minority investors in the Wynn Macau Companies are obligated, subject to certain limitations, to make additional capital contributions in proportion to their economic interests to fund the construction, development and other activities of the Wynn Macau Companies. Wynn Macau, S.A. has obtained the services of architects and designers, and has also begun preliminary discussions to arrange the additional financing that would be required to complete its first casino resort, but, at the present time, has not yet determined the amount of financing that will be required to complete the project. The Wynn Macau Companies' first casino resort in Macau is referred to herein as "Wynn Macau."

We are continuing work on the design of Wynn Macau, as well as our efforts to lease the land and obtain the financing to be used for Wynn Macau. We have not yet finalized the budget for the construction and development of Wynn Macau, and we will not begin construction or operation of Wynn Macau until a number of objectives and conditions are met. Those conditions include obtaining sufficient financing to commence construction of Wynn Macau, and obtaining the ability to extend credit to gaming customers and enforce gaming debts in Macau (which are not currently permitted under Macau law). In February 2004, legislative changes relating to credit extension and the collection of gaming debts were introduced in the Macau Legislative Assembly. Although we expect the legislation to be enacted in the second quarter of 2004, we cannot assure you that any of the proposed legislative changes will be enacted. We are also seeking to obtain, prior to commencing casino operations, determinations from the Macau government with respect to certain tax treatment, but cannot assure you that we will obtain the requested tax treatment determinations. In addition, we cannot assure you that we will be able to obtain sufficient financing for Wynn Macau.

Company Information

Our principal executive offices are located at 3131 Las Vegas Boulevard South, Las Vegas, Nevada 89109, telephone (702) 770-7555. **RATIO OF EARNINGS TO COMBINED FIXED CHARGES AND
PREFERRED STOCK DIVIDENDS**

Our earnings were insufficient to cover our fixed charges by \$16.9 million, \$17.7 million, \$46.1 million and \$139.3 million for the period from inception to December 31, 2000, and for the years ended December 31, 2001, 2002 and 2003, respectively. For purposes of these calculations, earnings consist of income from continuing operations before provision for income taxes and before fixed charges. Combined fixed charges include interest expense and a portion of rental expense deemed a reasonable approximation of the interest factor. We had no preferred stock outstanding for any of the periods presented.

USE OF PROCEEDS

Unless otherwise stated in the applicable prospectus supplement, we intend to use the net proceeds of any securities sold by us for general corporate purposes, including working capital, acquisitions, possible repurchases of our outstanding securities and other business opportunities.

DESCRIPTION OF SECURITIES

This prospectus contains a summary of our common stock, preferred stock, depositary shares and debt securities. These summaries are not meant to be a complete description of each security. The particular terms of any security to be issued pursuant to this Registration Statement will be set forth in a related prospectus supplement. This prospectus and the accompanying prospectus supplement will contain the material terms and conditions for each security. As used in this "Description of Securities" section, the words "Wynn Resorts," "we," "our," "us," or similar terms refer only to Wynn Resorts and not to any of its subsidiaries.

DESCRIPTION OF CAPITAL STOCK

The following is a description of our capital stock and certain provisions of our articles of incorporation, bylaws and agreements with our stockholders as well as certain provisions of applicable law. The following is only a summary and is qualified by applicable law and by the provisions of our articles of incorporation, bylaws and such other agreements, copies of which are available as set forth under the caption entitled "Where You Can Find More Information."

General

We are authorized to issue 400,000,000 shares of common stock, \$0.01 par value per share, and 40,000,000 shares of undesignated preferred stock, \$0.01 par value per share. The following is a summary of the rights of our common stock and preferred stock. For more detailed information, see our articles of incorporation and bylaws, which are included as exhibits to the registration statement of which this prospectus forms a part, and the provisions of applicable Nevada law.

Common Stock

As of December 31, 2003, there were 82,358,207 shares of common stock outstanding. In addition, as of December 31, 2003, there were 1,732,500 shares of common stock reserved and subject to issuance upon exercise of outstanding options, warrants or other convertible rights (including 12,500 shares of common stock subject to option grants that have been approved by the board of directors but not yet granted).

Except as otherwise provided by our articles of incorporation or Nevada law, the holders of common stock are entitled to one vote per share on all matters to be voted upon by the stockholders. Subject to preferences that may be applicable to any outstanding preferred stock and except as otherwise provided by our articles of incorporation or Nevada law, the holders of common stock are entitled to receive ratably such dividends, if any, as may be declared from time to time by the board of directors out of funds legally available for that purpose. In the event of our liquidation, dissolution or winding up, the holders of common stock are entitled to share ratably in all assets remaining after payment of liabilities, subject to prior distribution rights of preferred stock, if any, then outstanding. A merger, conversion, exchange or consolidation of us with or into any other person or sale or transfer of all or any part of our assets (which does not in fact result in our liquidation and distribution of assets) will not be deemed to be a voluntary or involuntary liquidation, dissolution or winding up of our affairs. The holders of common stock have no preemptive or conversion rights or other subscription rights. There are no redemption or sinking fund provisions applicable to the common stock.

Preferred Stock

The board of directors has the authority, without action by the stockholders, to designate and issue preferred stock in one or more series and to designate the rights, preferences and privileges of each series, which may be greater than the rights of the common stock. It is not possible to state the actual effect of the issuance of any shares of preferred stock upon the rights of holders of the common stock until the board of directors determines the specific rights of the holders of such preferred stock. However, the effects might include, among other things:

- restricting dividends on the common stock;

[Table of Contents](#)

- diluting the voting power of the common stock;
- impairing the liquidation rights of the common stock; or
- delaying or preventing a change in control of us without further action by the stockholders.

As of December 31, 2003, there were no shares of preferred stock authorized or outstanding.

Prohibitions on the Receipt of Dividends, the Exercise of Voting or Other Rights or the Receipt of Other Remuneration

The articles of incorporation of Wynn Resorts prohibit anyone who is an unsuitable person or an affiliate of an unsuitable person from:

- receiving dividends or interest with regard to its capital stock;
- exercising, directly or indirectly, voting or other rights conferred by its capital stock (and such capital stock shall not be included in the shares of capital stock of Wynn Resorts entitled to vote); and
- receiving any remuneration in any form from it or an affiliated company for services rendered or otherwise.

These prohibitions commence on the date that a gaming authority serves notice of a determination of unsuitability or the board of directors determines that a person or its affiliate is unsuitable and continue until the securities are owned or controlled by persons found suitable by a gaming authority and/or the board of directors to own them. An “unsuitable person” is any person who is determined by a gaming authority to be unsuitable to own or control any of Wynn Resorts’ capital stock or to be connected or affiliated with a person in engaged in gaming activities or who causes Wynn Resorts or any affiliated company to lose or to be threatened with the loss of, or who, in the sole discretion of Wynn Resorts’ board of directors, is deemed likely to jeopardize our or any of our affiliates’ application for, right to the use of, or entitlement to, any gaming license.

“Gaming authorities” include all international, foreign, federal, state, local and other regulatory and licensing bodies and agencies with authority over the conduct of gaming and gambling activities, or the use of gaming devices, equipment and supplies in the operation of a casino or other enterprise. “Affiliated companies” are those companies indirectly affiliated or under common ownership or control with Wynn Resorts, including without limitation, subsidiaries, holding companies and intermediary companies (as those terms are defined in gaming laws of applicable gaming jurisdictions) that are registered or licensed under applicable gaming laws. The articles of incorporation define “ownership” or “control” to mean ownership of record, beneficial ownership as defined in Rule 13d-3 of the Exchange Act, or the power to direct and manage, by agreement, contract, agency or other manner, the management or policies of a person or the disposition of our capital stock.

Redemption of Securities Owned or Controlled by an Unsuitable Person or an Affiliate

Wynn Resorts’ articles of incorporation provide that capital stock of Wynn Resorts that is owned or controlled by an unsuitable person or an affiliate of an unsuitable person is redeemable by Wynn Resorts, out of funds legally available for that redemption, by appropriate action of the board of directors to the extent required by the gaming authorities making the determination of unsuitability or to the extent deemed necessary or advisable by Wynn Resorts. From and after the redemption date, the securities will not be considered outstanding and all rights of the unsuitable person or affiliate will cease, other than the right to receive the redemption price. The redemption date will be the date specified by the board of directors on which the capital stock owned by an unsuitable person or an affiliate of an unsuitable person is to be redeemed. The redemption price will be the price, if any, required to be paid by the gaming authority making the finding of unsuitability or, if the gaming authority does not require a price to be paid, the sum deemed to be the fair value of the securities by the board of directors. If determined by Wynn Resorts, the price of capital stock will not exceed the closing price per share of the shares on the principal national securities exchange on which the shares are then listed on the trading date on

[Table of Contents](#)

the day before the redemption notice is given. If the shares are not then listed, the redemption price will not exceed the closing sales price of the shares as quoted on the Nasdaq National Market or SmallCap Market, or if the closing price is not then reported, the mean between the bid and asked prices, as quoted by any other generally recognized reporting system. Wynn Resorts' rights of redemption are not exclusive of any other rights that it may have or later acquire under any agreement, its bylaws or otherwise. The redemption price for shares of unvested restricted stock will be a nominal amount pursuant to the applicable restricted stock agreement. The redemption price may be paid in cash, by promissory note, or both, as required by the applicable gaming authority or, if not, as Wynn Resorts elects.

The articles of incorporation of Wynn Resorts require any unsuitable person and any affiliate of an unsuitable person to indemnify Wynn Resorts and its affiliated companies for any and all costs, including attorneys' fees, incurred by Wynn Resorts and its affiliated companies as a result of the unsuitable person's or affiliate's ownership or control or failure to promptly divest itself of any capital stock, securities of or interests in Wynn Resorts.

Buy-Out of Aruze USA Stock

Stephen A. Wynn, Kazuo Okada, Aruze USA and Aruze Corp. have entered into a buy-sell agreement which provides that upon certain events, including if any gaming application of Aruze USA, Aruze Corp. or Mr. Okada is recommended for denial by the Nevada gaming authorities, is denied by Nevada gaming authorities, or is requested to be withdrawn by Mr. Okada, Aruze USA and/or Aruze Corp., or if a gaming application of Aruze USA, Aruze Corp. or Mr. Okada concerning Aruze USA's ownership of the Company's stock is not filed within 90 days after the filing of the Company's application, Mr. Wynn shall have 60 days to elect to purchase some or all of the shares owned by Aruze USA in the Company for a price equal to the lesser of (1) the fair market value of the shares as of the date Mr. Wynn elects to purchase such shares or (2) Aruze USA's investment amount as determined pursuant to the buy-sell agreement. Pursuant to the buy-sell agreement, Mr. Wynn may pay this purchase price with a promissory note. In addition, Mr. Wynn has entered into an agreement with us that gives us the right to require Mr. Wynn to purchase all of the shares owned by Aruze USA in accordance with the terms of the buy-sell agreement. The Company has granted Mr. Wynn certain demand registration rights and piggyback registration rights with respect to any shares he purchases from Aruze USA under these buy-out arrangements.

Nevada Anti-Takeover Law and Certain Charter and Bylaw Provisions

Provisions of Nevada law and our articles of incorporation and bylaws could make the following more difficult:

- acquisition of us by means of a tender offer;
- acquisition of us by means of a proxy contest or otherwise; or
- removal of our incumbent officers and directors.

These provisions, summarized below, are expected to discourage certain types of coercive takeover practices and inadequate takeover bids. These provisions are also designed to encourage persons seeking to acquire control of us to first negotiate with our board of directors. Our bylaws may be adopted, repealed, altered, amended by our board of directors or the vote of at least two-thirds of the outstanding voting power, voting as a single class.

Classified Board of Directors. Wynn Resorts' articles of incorporation and bylaws provide for its board of directors to be divided into three classes of directors serving staggered three-year terms, with as near as possible to one-third, and at least one-fourth, of the board of directors being elected each year. In addition, Wynn Resorts' articles of incorporation require the vote of two-thirds of the outstanding stock entitled to vote in the election of directors to amend the classified board provision. As a result, at least two annual meetings of stockholders may be necessary to change a majority of the directors.

[Table of Contents](#)

Stockholder Meetings. Wynn Resorts' bylaws provide that subject to the rights, if any, of the holders of the preferred stock, only a majority of the authorized number of directors, the chairman of the board or the chief executive officer (or should there be no chairman and no chief executive officer, by the president) may call special meetings of stockholders.

Requirements for Advance Notification of Stockholder Nominations and Proposals. Wynn Resorts' bylaws establish advance notice procedures with respect to stockholder proposals and the nomination of candidates for election as directors, other than nominations made by or at the direction of the board of directors or a committee of the board of directors.

No Action by Written Consent. Wynn Resorts' articles of incorporation and bylaws provide that stockholders may only take action at an annual or special meeting of stockholders and may not act by written consent.

Sale of All or Substantially All of Our Assets. Wynn Resorts' bylaws require a two-thirds approval of the directors for the sale of all or substantially all of our assets.

Nevada Control Share Laws. Wynn Resorts may become subject to Nevada's laws that govern the "acquisition" of a "controlling interest" of "issuing corporations." These laws will apply to Wynn Resorts if it has 200 or more stockholders of record, at least 100 of whom have addresses in Nevada, unless its articles or bylaws in effect on the tenth day after the acquisition of a controlling interest provide otherwise. These laws provide generally that any person that acquires a "controlling interest" acquires voting rights in the control shares, as defined, only as conferred by the stockholders of the corporation at a special or annual meeting. In the event control shares are accorded full voting rights and the acquiring person has acquired at least a majority of all of the voting power, any stockholder of record who has not voted in favor of authorizing voting rights for the control shares is entitled to demand payment for the fair value of its shares.

A person acquires a "controlling interest" whenever a person acquires shares of a subject corporation that, but for the application of these provisions of the Nevada Revised Statutes, would enable that person to exercise (1) one-fifth or more, but less than one-third, (2) one-third or more, but less than a majority or (3) a majority or more, of all of the voting power of the corporation in the election of directors. Once an acquirer crosses one of these thresholds, shares which it acquired in the transaction taking it over the threshold and within the 90 days immediately preceding the date when the acquiring person acquired or offered to acquire a controlling interest become "control shares."

These laws may have a chilling effect on certain transactions if our articles of incorporation or bylaws are not amended to provide that these provisions do not apply to us or to an acquisition of a controlling interest, or if our disinterested stockholders do not confer voting rights in the control shares.

Nevada Regulatory Approvals. Once Wynn Resorts becomes a registered company under Nevada's gaming laws, it will be required to obtain the approval of the Nevada Gaming Commission with respect to a change of control. In addition, persons seeking to acquire control will be required to meet the requirements of the Nevada gaming authorities before assuming control. These requirements may have the effect of preventing, delaying or making an acquisition of Wynn Resorts more difficult.

No Cumulative Voting. Our articles of incorporation and bylaws do not provide for cumulative voting in the election of directors.

Undesignated Preferred Stock. The authorization of undesignated preferred stock makes it possible for our board of directors to issue preferred stock with voting or other rights or preferences that could impede the success of any attempt to change control of us. These and other provisions may have the effect of deferring hostile takeovers or delaying changes in control or management of us.

[Table of Contents](#)

Indemnification of Directors and Officers. Wynn Resorts' articles of incorporation and bylaws provide that it will indemnify its directors and officers to the maximum extent permitted by Nevada law, including in circumstances in which indemnification is otherwise discretionary under Nevada law. In addition, Wynn Resorts has entered into separate indemnification agreements with its directors and officers that require Wynn Resorts, among other things, to indemnify such directors and officers against certain liabilities that may arise by reason of their status or service, other than liabilities arising from willful misconduct of a culpable nature. Wynn Resorts also intends to maintain director and officer liability insurance, if available on reasonable terms. These indemnification provisions and the indemnification agreements may be sufficiently broad to permit indemnification of Wynn Resorts' directors, officers and controlling persons for liabilities, including reimbursement of expenses incurred, arising under the Securities Act. To the extent that Wynn Resorts' directors, officers and controlling persons are indemnified under the provisions contained in Wynn Resorts' articles of incorporation, bylaws, Nevada law or contractual arrangements against liabilities arising under the Securities Act, we have been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities act and is therefore unenforceable.

DESCRIPTION OF DEPOSITARY SHARES

The following description of the depositary shares does not purport to be complete and is subject to and qualified in its entirety by the Deposit Agreement and the depositary receipt relating to the preferred stock that is attached to the Deposit Agreement. You should read these documents as they, and not this description, define your rights as a holder of depositary shares. Forms of these documents have been filed with the SEC as an exhibit to the registration statement of which this prospectus is a part.

General

If we elect to offer fractional interests in shares of preferred stock, we will provide for the issuance by a depositary to the public of receipts for depositary shares. Each depositary share will represent fractional interests of preferred stock. We will deposit the shares of preferred stock underlying the depositary shares under a Deposit Agreement between us and a bank or trust company selected by us. The bank or trust company must have its principal office in the United States and a combined capital and surplus of at least \$50 million. The depositary receipts will evidence the depositary shares issued under the Deposit Agreement.

The Deposit Agreement will contain terms applicable to the holders of depositary shares in addition to the terms stated in the depositary receipts. Each owner of depositary shares will be entitled to all the rights and preferences of the preferred stock underlying the depositary shares in proportion to the applicable fractional interest in the underlying shares of preferred stock. The depositary will issue the depositary receipts to individuals purchasing the fractional interests in shares of the related preferred stock according to the terms of the offering described in a prospectus supplement.

Dividends and Other Distributions

The depositary will distribute all cash dividends or other cash distributions received for the preferred stock to the entitled record holders of depositary shares in proportion to the number of depositary shares that the holder owns on the relevant record date. The depositary will distribute only an amount that can be distributed without

[Table of Contents](#)

attributing to any holder of depositary shares a fraction of one cent. The depositary will add the undistributed balance and treat it as part of the next sum received by the depositary for distribution to holders of depositary shares.

If there is a non-cash distribution, the depositary will distribute property received by it to the entitled record holders of depositary shares, in proportion, insofar as possible, to the number of depositary shares owned by the holders, unless the depositary determines, after consultation with us, that it is not feasible to make such distribution. If this occurs, the depositary may, with our approval, sell such property and distribute the net proceeds from the sale to the holders. The Deposit Agreement also will contain provisions relating to how any subscription or similar rights that we may offer to holders of the preferred stock will be available to the holders of the depositary shares.

Conversion, Exchange and Redemption

If any series of preferred stock underlying the depositary shares may be converted or exchanged, each record holder of depositary receipts will have the right or obligation to convert or exchange the depositary shares represented by the depositary receipts.

Whenever we redeem shares of preferred stock held by the depositary, the depositary will redeem, at the same time, the number of depositary shares representing the preferred stock. The depositary will redeem the depositary shares from the proceeds it receives from the corresponding redemption, in whole or in part, of the applicable series of preferred stock. The depositary will mail notice of redemption to the record holders of the depositary shares that are to be redeemed between 30 and 60 days before the date fixed for redemption. The redemption price per depositary share will be equal to the applicable fraction of the redemption price per share on the applicable series of preferred stock. If less than all the depositary shares are to be redeemed, the depositary will select which shares to be redeemed by lot, proportionate allocation or any other method.

After the date fixed for redemption, the depositary shares called for redemption will no longer be outstanding. When the depositary shares are no longer outstanding, all rights of the holders will end, except the right to receive money, securities or other property payable upon redemption.

Voting

When the depositary receives notice of a meeting at which the holders of the preferred stock are entitled to vote, the depositary will mail the particulars of the meeting to the record holders of the depositary shares. Each record holder of depositary shares on the record date may instruct the depositary on how to vote the shares of preferred stock underlying the holder's depositary shares. The depositary will try, if practical, to vote the number of shares of preferred stock underlying the depositary shares according to the instructions. We will agree to take all reasonable actions requested by the depositary to enable it to vote as instructed.

Amendments

We and the depositary may agree to amend the Deposit Agreement and the depositary receipt evidencing the depositary shares. Any amendment that (a) imposes or increases certain fees, taxes or other charges payable by the holders of the depositary shares as described in the Deposit Agreement or that (b) otherwise prejudices any substantial existing right of holders of depositary shares, will not take effect until 30 days after the depositary has mailed notice of the amendment to the record holders of depositary shares. Any holder of depositary shares that continues to hold its shares at the end of the 30-day period will be deemed to have agreed to the amendment.

Termination

We may direct the depository to terminate the Deposit Agreement by mailing a notice of termination to holders of depository shares at least 30 days prior to termination. In addition, a Deposit Agreement will automatically terminate if:

- the depository has redeemed all related outstanding depository shares, or
- we have liquidated, terminated or wound up our business and the depository has distributed the preferred stock of the relevant series to the holders of the related depository shares.

Payment of Fees and Expenses

We will pay all fees, charges and expenses of the depository, including the initial deposit of the preferred stock and any redemption of the preferred stock. Holders of depository shares will pay transfer and other taxes and governmental charges and any other charges as are stated in the Deposit Agreement for their accounts.

Resignation and Removal of Depository

At any time, the depository may resign by delivering notice to us, and we may remove the depository. Resignations or removals will take effect upon the appointment of a successor depository and its acceptance of the appointment. The successor depository must be appointed within 60 days after delivery of the notice of resignation or removal and must be a bank or trust company having its principal office in the United States and having a combined capital and surplus of at least \$50 million.

Reports

The depository will forward to the holders of depository shares all reports and communications from us that are delivered to the depository and that we are required by law, the rules of an applicable securities exchange or quotation service or our second amended and restated articles of incorporation, as amended, to furnish to the holders of the preferred stock. Neither we nor the depository will be liable if the depository is prevented or delayed by law or any circumstances beyond its control in performing its obligations under the Deposit Agreement. The Deposit Agreement limits our obligations and the depository's obligations to performance in good faith of the duties stated in the Deposit Agreement. Neither we nor the depository will be obligated to prosecute or defend any legal proceeding connected with any depository shares or preferred stock unless the holders of depository shares requesting us to do so furnish us with satisfactory indemnity. In performing our obligations, we and the depository may rely upon the written advice of our counsel or accountants, on any information that competent people provide to us and on documents that we believe are genuine.

DESCRIPTION OF DEBT SECURITIES

The following descriptions of the debt securities do not purport to be complete and are subject to and qualified in their entirety by reference to the indenture, a form of which has been filed with the SEC as an exhibit to the registration statement of which this prospectus is a part. Any future supplemental indenture or similar document also will be so filed. You should read the indenture and any supplemental indenture or similar document because they, and not this description, define your rights as holder of our debt securities. All capitalized terms have the meanings specified in the indenture.

We may issue, from time to time, debt securities, in one or more series, that will consist of either our senior debt ("Senior Debt Securities"), our senior subordinated debt ("Senior Subordinated Debt Securities"), our subordinated debt ("Subordinated Debt Securities") or our junior subordinated debt ("Junior Subordinated Debt Securities" and, together with the Senior Subordinated Debt Securities and the Subordinated Debt Securities, the "Subordinated Securities"). The debt securities we offer will be issued under an indenture between us and U.S.

[Table of Contents](#)

Bank National Association, acting as trustee. Debt securities, whether senior, senior subordinated, subordinated or junior subordinated, may be issued as convertible debt securities or exchangeable debt securities.

General Terms of the Indenture

The indenture does not limit the amount of debt securities that we may issue. It provides that we may issue debt securities up to the principal amount that we may authorize and may be in any currency or currency unit designated by us. Except for the limitations on consolidation, merger and sale of all or substantially all of our assets contained in the indenture, the terms of the indenture do not contain any covenants or other provisions designed to afford holders of any debt securities protection with respect to our operations, financial condition or transactions involving us.

We may issue the debt securities issued under the indenture as “discount securities,” which means they may be sold at a discount below their stated principal amount. These debt securities, as well as other debt securities that are not issued at a discount, may, for U.S. federal income tax purposes, be treated as if they were issued with “original issue discount,” or “OID,” because of interest payment and other characteristics. Special U.S. federal income tax considerations applicable to debt securities issued with original issue discount will be described in more detail in any applicable prospectus supplement.

The applicable prospectus supplement for a series of debt securities that we issue will describe, among other things, the following terms of the offered debt securities:

- the title;
- the aggregate principal amount;
- whether issued in fully registered form without coupons or in a form registered as to principal only with coupons or in bearer form with coupons;
- whether issued in the form of one or more global securities and whether all or a portion of the principal amount of the debt securities is represented thereby;
- the price or prices at which the debt securities will be issued;
- the date or dates on which principal is payable;
- the place or places where and the manner in which principal, premium or interest will be payable and the place or places where the debt securities may be presented for transfer and, if applicable, conversion or exchange;
- interest rates, and the dates from which interest, if any, will accrue, and the dates when interest is payable;
- the right, if any, to extend the interest payment periods and the duration of the extensions;
- our rights or obligations to redeem or purchase the debt securities, including sinking fund or partial redemption payments;
- conversion or exchange provisions, if any, including conversion or exchange prices or rates and adjustments thereto;
- the currency or currencies of payment of principal or interest;
- the terms applicable to any debt securities issued at a discount from their stated principal amount;
- the terms, if any, pursuant to which any debt securities will be subordinate to any of our other debt;
- if the amount of payments of principal or interest is to be determined by reference to an index or formula, or based on a coin or currency other than that in which the debt securities are stated to be payable, the manner in which these amounts are determined and the calculation agent, if any, with respect thereto;

[Table of Contents](#)

- if other than the entire principal amount of the debt securities when issued, the portion of the principal amount payable upon acceleration of maturity, and the terms and conditions of any acceleration;
- if applicable, covenants affording holders of debt protection with respect to our operations, financial condition or transactions involving us; and
- any other specific terms of any debt securities.

The applicable prospectus supplement will set forth material U.S. federal income tax considerations for holders of any debt securities and the securities exchange or quotation system on which any debt securities are listed or quoted, if any.

Debt securities issued by us will be structurally subordinated to all indebtedness and other liabilities of our subsidiaries, except to the extent any such subsidiary guarantees or is otherwise obligated to make payment on such debt securities.

Unless otherwise provided in the applicable prospectus supplement, all securities of any one series need not be issued at the same time and may be issued from time to time without consent of any holder.

Senior Debt Securities

Payment of the principal of, premium, if any, and interest on Senior Debt Securities will rank on a parity with all of our other unsecured and unsubordinated debt.

Senior Subordinated Debt Securities

Payment of the principal of, premium, if any, and interest on Senior Subordinated Debt Securities will be junior in right of payment to the prior payment in full of all of our unsubordinated debt. We will set forth in the applicable prospectus supplement relating to any Senior Subordinated Debt Securities the subordination terms of such securities as well as the aggregate amount of outstanding debt, as of the most recent practicable date, that by its terms would be senior to the Senior Subordinated Debt Securities. We will also set forth in such prospectus supplement limitations, if any, on issuance of additional senior debt.

Subordinated Debt Securities

Payment of the principal of, premium, if any, and interest on Subordinated Debt Securities will be subordinated and junior in right of payment to the prior payment in full of all of our senior and senior subordinated debt. We will set forth in the applicable prospectus supplement relating to any Subordinated Debt Securities the subordination terms of such securities as well as the aggregate amount of outstanding indebtedness, as of the most recent practicable date, that by its terms would be senior to the Subordinated Debt Securities. We will also set forth in such prospectus supplement limitations, if any, on issuance of additional senior debt.

Junior Subordinated Debt Securities

Payment of the principal of, premium, if any, and interest on Junior Subordinated Debt Securities will be subordinated and junior in right of payment to the prior payment in full of all of our senior, senior subordinated and subordinated debt. We will set forth in the applicable prospectus supplement relating to any Junior Subordinated Debt Securities the subordination terms of such securities as well as the aggregate amount of outstanding debt, as of the most recent practicable date, that by its terms would be senior to the Junior Subordinated Debt Securities. We will also set forth in such prospectus supplement limitations, if any, on issuance of additional senior debt.

Conversion or Exchange Rights

Debt securities may be convertible into or exchangeable for other securities or property of Wynn Resorts. The terms and conditions of conversion or exchange will be set forth in the applicable prospectus supplement. The terms will include, among others, the following:

- the conversion or exchange price;
- the conversion or exchange period;
- provisions regarding the ability of Wynn Resorts or the holder to convert or exchange the debt securities;
- events requiring adjustment to the conversion or exchange price; and
- provisions affecting conversion or exchange in the event of our redemption of the debt securities.

Consolidation, Merger or Sale

We cannot consolidate or merge with or into, or transfer or lease all or substantially all of our assets to, any person unless (a) we will be the continuing corporation or (b) the successor corporation or person to which our assets are transferred or leased is a corporation organized under the laws of the United States, any state of the United States or the District of Columbia and it expressly assumes our obligations on the debt securities and under the indenture. In addition, we cannot effect such a transaction unless immediately after giving effect to such transaction, no default or event of default under the indenture shall have occurred and be continuing. Subject to certain exceptions, when the person to whom our assets are transferred or leased has assumed our obligations under the debt securities and the indenture, we shall be discharged from all our obligations under the debt securities and the indenture, except in limited circumstances.

This covenant would not apply to any recapitalization transaction, a change of control of Wynn Resorts or a highly leveraged transaction, unless the transaction or change of control were structured to include a merger or consolidation or transfer or lease of all or substantially all of our assets.

Events of Default

Unless otherwise indicated, the term “Event of Default,” when used in the indenture, means any of the following:

- failure to pay interest for 30 days after the date payment is due and payable; provided that an extension of an interest payment period by Wynn Resorts in accordance with the terms of the debt securities shall not constitute a failure to pay interest;
- failure to pay principal or premium, if any, on any debt security when due, either at maturity, upon any redemption, by declaration or otherwise;
- failure to make sinking fund payments when due;
- failure to perform any other covenant for 90 days after notice that performance was required;
- events of bankruptcy, insolvency or reorganization of Wynn Resorts; or
- any other Event of Default provided in the applicable resolution of our board of directors or the supplemental indenture under which we issue series of debt securities.

An Event of Default for a particular series of debt securities does not necessarily constitute an Event of Default for any other series of debt securities issued under the indenture. Unless otherwise indicated in the applicable prospectus supplement, an Event of Default relating to the payment of interest, principal or any sinking fund installment involving any series of debt securities has occurred and is continuing, the trustee or the

[Table of Contents](#)

holders of not less than 25% in aggregate principal amount of the debt securities of each affected series may declare the entire principal of all the debt securities of that series to be due and payable immediately.

Unless otherwise indicated in the applicable prospectus supplement, an Event of Default relating to the performance of other covenants occurs and is continuing for a period of 90 days after notice of such, or if any other Event of Default occurs and is continuing involving all of the series of Senior Debt Securities, then the trustee or the holders of not less than 25% in aggregate principal amount of all of the series of Senior Debt Securities may declare the entire principal amount of all of the series of Senior Debt Securities due and payable immediately.

Similarly, unless otherwise indicated in the applicable prospectus supplement, if an Event of Default relating to the performance of other covenants occurs and is continuing for a period of 90 days after notice of such, or if any other Event of Default occurs and is continuing involving all of the series of Subordinated Securities, then the trustee or the holders of not less than 25% in aggregate principal amount of all of the series of Subordinated Securities may declare the entire principal amount of all of the series of Subordinated Securities due and payable immediately.

If, however, the Event of Default relating to the performance of other covenants or any other Event of Default that has occurred and is continuing is for less than all of the series of Senior Debt Securities or Subordinated Securities, as the case may be, then, unless otherwise indicated in the applicable prospectus supplement, the trustee or the holders of not less than 25% in aggregate principal amount of each affected series of the Senior Debt Securities or the Subordinated Securities, as the case may be, may declare the entire principal amount of all debt securities of such affected series due and payable immediately. The holders of not less than a majority in aggregate principal amount of the debt securities of a series may, after satisfying conditions, rescind and annul any of the above-described declarations and consequences involving the series.

If an Event of Default relating to events of bankruptcy, insolvency or reorganization of Wynn Resorts occurs and is continuing, then the principal amount of all of the debt securities outstanding, and any accrued interest, will automatically become due and payable immediately, without any declaration or other act by the trustee or any holder.

The indenture imposes limitations on suits brought by holders of debt securities against us. Except as provided below, no holder of debt securities of any series may institute any action against us under the indenture unless:

- the holder has previously given to the trustee written notice of default and continuance of that default;
- the holders of at least 25% in principal amount of the outstanding debt securities of the affected series have requested that the trustee institute the action;
- the requesting holders have offered the trustee reasonable indemnity for expenses and liabilities that may be incurred by bringing the action;
- the trustee has not instituted the action within 60 days of the request; and
- the trustee has not received inconsistent direction by the holders of a majority in principal amount of the outstanding debt securities of the series.

Notwithstanding the foregoing, each holder of debt securities of any series has the right, which is absolute and unconditional, to receive payment of the principal of and premium and interest, if any, on such debt securities when due and to institute suit for the enforcement of any such payment, and such rights may not be impaired without the consent of that holder of debt securities.

We will be required to file annually with the Trustee a certificate, signed by an officer of Wynn Resorts, stating whether or not the officer knows of any default by us in the performance, observance or fulfillment of any condition or covenant of the indenture.

Registered Global Securities

We may issue the debt securities of a series in whole or in part in the form of one or more fully registered global securities that we will deposit with a depositary or with a nominee for a depositary identified in the applicable prospectus supplement and registered in the name of such depositary or nominee. In such case, we will issue one or more registered global securities denominated in an amount equal to the aggregate principal amount of all of the debt securities of the series to be issued and represented by such registered global security or securities.

Unless and until it is exchanged in whole or in part for debt securities in definitive registered form, a registered global security may not be transferred except as a whole:

- by the depositary for such registered global security to its nominee;
- by a nominee of the depositary to the depositary or another nominee of the depositary; or
- by the depositary or its nominee to a successor of the depositary or a nominee of the successor.

The prospectus supplement relating to a series of debt securities will describe the specific terms of the depositary arrangement with respect to any portion of such series represented by a registered global security. We anticipate that the following provisions will apply to all depositary arrangements for debt securities:

- ownership of beneficial interests in a registered global security will be limited to persons that have accounts with the depositary for the registered global security, those persons being referred to as “participants,” or persons that may hold interests through participants;
- upon the issuance of a registered global security, the depositary for the registered global security will credit, on its book-entry registration and transfer system, the participants’ accounts with the respective principal amounts of the debt securities represented by the registered global security beneficially owned by the participants;
- any dealers, underwriters, or agents participating in the distribution of the debt securities will designate the accounts to be credited; and
- ownership of any beneficial interest in the registered global security will be shown on, and the transfer of any ownership interest will be effected only through, records maintained by the depositary for the registered global security (with respect to interests of participants) and on the records of participants (with respect to interests of persons holding through participants).

The laws of some states may require that certain purchasers of securities take physical delivery of the securities in definitive form. These laws may limit the ability of those persons to own, transfer or pledge beneficial interests in registered global securities.

So long as the depositary for a registered global security, or its nominee, is the registered owner of the registered global security, the depositary or the nominee, as the case may be, will be considered the sole owner or holder of the debt securities represented by the registered global security for all purposes under the indenture. Except as set forth below, owners of beneficial interests in a registered global security:

- will not be entitled to have the debt securities represented by a registered global security registered in their names;
- will not receive or be entitled to receive physical delivery of the debt securities in the definitive form; and
- will not be considered the owners or holders of the debt securities under the indenture.

Accordingly, each person owning a beneficial interest in a registered global security must rely on the procedures of the depositary for the registered global security and, if the person is not a participant, on the

[Table of Contents](#)

procedures of a participant through which the person owns its interest, to exercise any rights of a holder under the indenture.

We understand that under existing industry practices, if we request any action of holders or if an owner of a beneficial interest in a registered global security desires to give or take any action that a holder is entitled to give or take under the indenture, the depository for the registered global security would authorize the participants holding the relevant beneficial interests to give or take the action, and those participants would authorize beneficial owners owning through those participants to give or take the action or would otherwise act upon the instructions of beneficial owners holding through them.

We will make payments of principal and premium, if any, and interest, if any, on debt securities represented by a registered global security registered in the name of a depository or its nominee to the depository or its nominee, as the case may be, as the registered owners of the registered global security. None of Wynn Resorts, the trustee or any other agent of Wynn Resorts or the trustee will be responsible or liable for any aspect of the records relating to, or payments made on account of, beneficial ownership interests in the registered global security or for maintaining, supervising or reviewing any records relating to the beneficial ownership interests.

We expect that the depository for any debt securities represented by a registered global security, upon receipt of any payments of principal and premium, if any, and interest, if any, in respect of the registered global security, will immediately credit participants' accounts with payments in amounts proportionate to their respective beneficial interests in the registered global security as shown on the records of the depository. We also expect that standing customer instructions and customary practices will govern payments by participants to owners of beneficial interests in the registered global security held through the participants, as is now the case with the securities held for the accounts of customers in bearer form or registered in "street name." We also expect that any of these payments will be the responsibility of the participants.

If the depository for any debt securities represented by a registered global security is at any time unwilling or unable to continue as depository or ceases to be a clearing agency registered under the Exchange Act, we will appoint an eligible successor depository. If we fail to appoint an eligible successor depository within 90 days, we will issue the debt securities in definitive form in exchange for the registered global security. In addition, we may at any time and in our sole discretion decide not to have any of the debt securities of a series represented by one or more registered global securities. In such event, we will issue debt securities of that series in a definitive form in exchange for all of the registered global securities representing the debt securities. The trustee will register any debt securities issued in definitive form in exchange for a registered global security in such name or names as the depository, based upon instructions from its participants, shall instruct the trustee.

We may also issue bearer debt securities of a series in the form of one or more global securities, referred to as "bearer global securities." We will deposit these bearer global securities with a common depository for Euroclear System and Clearstream Bank Luxembourg, Societe Anonyme, or with a nominee for the depository identified in the prospectus supplement relating to that series. The prospectus supplement relating to a series of debt securities represented by a bearer global security will describe the specific terms and procedures, including the specific terms of the depository arrangement and any specific procedures for the issuance of debt securities in definitive form in exchange for a bearer global security, with respect to the position of the series represented by a bearer global security.

Discharge, Defeasance and Covenant Defeasance

We can discharge or defease our obligations under the indenture as set forth below. Unless otherwise set forth in the applicable prospectus supplement, the subordination provisions applicable to any Subordinated Securities will be expressly subject to the discharge and defeasance provisions of the indenture.

We may discharge some of our obligations to holders of any series of debt securities that have not already been delivered to the trustee for cancellation and that have either become due and payable or are by their terms to

[Table of Contents](#)

become due and payable within one year (or are scheduled for redemption within one year). We may effect a discharge by irrevocably depositing with the trustee cash or U.S. government obligations, as trust funds, in an amount certified to be sufficient to pay when due, whether at maturity, upon redemption or otherwise, the principal of, premium, if any, and interest on the debt securities and any mandatory sinking fund payments.

Unless otherwise provided in the applicable prospectus supplement, we may also discharge any and all of our obligations to holders of any series of debt securities at any time (“defeasance”). We also may be released from the obligations imposed by any covenants of any outstanding series of debt securities and provisions of the indenture, and we may omit to comply with those covenants without creating an Event of Default (“covenant defeasance”). We may effect defeasance and covenant defeasance only if, among other things:

- we irrevocably deposit with the trustee cash or U.S. government obligations, as trust funds, in an amount certified to be sufficient to pay at maturity (or upon redemption) the principal, premium, if any, and interest on all outstanding debt securities of the series; and
- we deliver to the trustee an opinion of counsel from a nationally recognized law firm to the effect that the holders of the series of debt securities will not recognize income, gain or loss for U.S. federal income tax purposes as a result of the defeasance or covenant defeasance and that defeasance or covenant defeasance will not otherwise alter the holders’ U.S. federal income tax treatment of principal, premium, if any, and interest payments on the series of debt securities, which opinion, in the case of legal defeasance, must be based on a ruling of the Internal Revenue Service issued, or a change in U.S. federal income tax law.

Although we may discharge or defease our obligations under the indenture as described in the two preceding paragraphs, we may not avoid, among other things, our duty to register the transfer or exchange of any series of debt securities, to replace any temporary, mutilated, destroyed, lost or stolen series of debt securities or to maintain an office or agency in respect of any series of debt securities.

Modification of the Indenture

The indenture provides that we and the trustee may enter into supplemental indentures without the consent of the holders of debt securities to:

- secure any debt securities;
- evidence the assumption by a successor corporation of our obligations;
- add covenants for the protection of the holders of debt securities;
- cure any ambiguity or correct any inconsistency in the indenture;
- establish the forms or terms of debt securities of any series; and
- evidence and provide for the acceptance of appointment by a successor trustee.

The indenture also provides that we and the trustee may, with the consent of the holders of not less than a majority in aggregate principal amount of debt securities of all series of Senior Debt Securities or Subordinated Securities, as the case may be, then outstanding and affected (voting as one class), add any provisions to, or change in any manner, eliminate or modify in any way the provisions of, the indenture or modify in any manner the rights of the holders of the debt securities. We and the trustee may not, however, without the consent of the holder of each outstanding debt security affected thereby:

- extend the final maturity of any debt security;
- reduce the principal amount or premium, if any;
- reduce the rate or extend the time of payment of interest;

[Table of Contents](#)

- reduce any amount payable on redemption;
- change the currency in which the principal (other than as may be provided otherwise with respect to a series), premium, if any, or interest is payable;
- reduce the amount of the principal of any debt security issued with an original issue discount that is payable upon acceleration or provable in bankruptcy;
- modify any of the subordination provisions or the definition of senior indebtedness applicable to any Subordinated Securities in a manner adverse to the holders of those securities;
- alter provisions of the indenture relating to the debt securities not denominated in U.S. dollars;
- impair the right to institute suit for the enforcement of any payment on any debt security when due; or
- reduce the percentage of holders of debt securities of any series whose consent is required for any modification of the indenture.

A prospectus supplement may set forth modifications or additions to these provisions with respect to a particular series of Debt Securities.

Concerning the Trustee

The indenture provides that there may be more than one trustee under the indenture, each with respect to one or more series of debt securities. If there are different trustees for different series of debt securities, each trustee will be a trustee of a trust under the indenture separate and apart from the trust administered by any other trustee under the indenture. Except as otherwise indicated in this prospectus or any prospectus supplement, any action permitted to be taken by a trustee may be taken by such trustee only with respect to the one or more series of debt securities for which it is the trustee under the indenture. Any trustee under the indenture may resign or be removed with respect to one or more series of debt securities. All payments of principal of, premium, if any, and interest on, and all registration, transfer, exchange, authentication and delivery (including authentication and delivery on original issuance of the debt securities) of, the debt securities of a series will be effected by the trustee with respect to that series at an office designated by the trustee in New York, New York.

The indenture contains limitations on the right of the trustee, should it become a creditor of Wynn Resorts, to obtain payment of claims in some cases or to realize on certain property received in respect of any such claim as security or otherwise. The trustee may engage in other transactions. If it acquires any conflicting interest relating to any duties with respect to the debt securities, however, it must eliminate the conflict or resign as trustee.

The holders of a majority in aggregate principal amount of any series of debt securities then outstanding will have the right to direct the time, method and place of conducting any proceeding for exercising any remedy available to the trustee with respect to such series of debt securities, provided that the direction would not conflict with any rule of law or with the indenture, would not be unduly prejudicial to the rights of another holder of the debt securities, and would not involve any trustee in personal liability. The indenture provides that in case an Event of Default shall occur and be known to any trustee and not be cured, the trustee must use the same degree of care as a prudent person would use in the conduct of his or her own affairs in the exercise of the trustee's power. Subject to these provisions, the trustee will be under no obligation to exercise any of its rights or powers under the indenture at the request of any of the holders of the debt securities, unless they shall have offered to the trustee security and indemnity satisfactory to the trustee.

No Individual Liability of Incorporators, Shareholders, Officers or Directors

The indenture provides that no incorporator and no past, present or future shareholder, officer or director, of Wynn Resorts or any successor corporation in their capacity as such shall have any individual liability for any of our obligations, covenants or agreements under the debt securities or the indenture.

Governing Law

The indenture and the debt securities will be governed by, and construed in accordance with, the laws of the State of New York.

PLAN OF DISTRIBUTION

Wynn Resorts may sell common stock, preferred stock, depositary shares or any series of debt securities in one or more of the following ways from time to time:

- to or through underwriters or dealers;
- by itself directly;
- through agents; or
- through a combination of any of these methods of sale.

The prospectus supplements relating to an offering of offered securities will set forth the terms of such offering, including:

- the name or names of any underwriters, dealers or agents;
- the purchase price of the offered securities and the proceeds to Wynn Resorts from the sale;
- any underwriting discounts and commissions or agency fees and other items constituting underwriters' or agents' compensation; and
- any initial public offering price, any discounts or concessions allowed or reallocated or paid to dealers and any securities exchanges on which such offered securities may be listed.

Any initial public offering prices, discounts or concessions allowed or reallocated or paid to dealers may be changed from time to time.

If underwriters are used in the sale, the underwriters will acquire the offered securities for their own account and may resell them from time to time in one or more transactions, including negotiated transactions, at a fixed public offering price or at varying prices determined at the time of sale. The offered securities may be offered either to the public through underwriting syndicates represented by one or more managing underwriters or by one or more underwriters without a syndicate. Unless otherwise set forth in a prospectus supplement, the obligations of the underwriters to purchase any series of securities will be subject to certain conditions precedent, and the underwriters will be obligated to purchase all of such series of securities, if any are purchased.

In connection with underwritten offerings of the offered securities and in accordance with applicable law and industry practice, underwriters may over-allot or effect transactions that stabilize, maintain or otherwise affect the market price of the offered securities at levels above those that might otherwise prevail in the open market, including by entering stabilizing bids, effecting syndicate covering transactions or imposing penalty bids, each of which is described below.

- A stabilizing bid means the placing of any bid, or the effecting of any purchase, for the purpose of pegging, fixing or maintaining the price of a security.
- A syndicate covering transaction means the placing of any bid on behalf of the underwriting syndicate or the effecting of any purchase to reduce a short position created in connection with the offering.
- A penalty bid means an arrangement that permits the managing underwriter to reclaim a selling concession from a syndicate member in connection with the offering when offered securities originally sold by the syndicate member are purchased in syndicate covering transactions.

Offered securities may be sold directly by Wynn Resorts to one or more institutional purchasers, or through agents designated by Wynn Resorts from time to time, at a fixed price or prices, which may be changed, or at varying prices determined at the time of sale. Any agent involved in the offer or sale of the offered securities in respect of which this prospectus is delivered will be named, and any commissions payable by Wynn Resorts to such agent will be set forth, in the prospectus supplement relating to that offering. Unless otherwise indicated in such prospectus supplement, any such agent will be acting on a best efforts basis for the period of its appointment.

Other than our common stock, which is currently listed on the Nasdaq National Market, each of the securities issued hereunder will be a new issue of securities, will have no prior trading market, and may or may not be listed on a national securities exchange or the Nasdaq Stock Market. Any common stock sold pursuant to a prospectus supplement will be listed on the over-the-counter market or national securities exchange on which our common stock is then listed, subject to official notice of issuance. Any underwriters to whom Wynn Resorts sells securities for public offering and sale may make a market in the securities, but such underwriters will not be obligated to do so and may discontinue any market making at any time without notice. We cannot assure you that there will be a market for the offered securities.
